

Ancient 2941

Chapter 2941 Can't resist my sword

boom!

The moment Xuanyuan Tuo finished speaking, a powerful and boundless aura erupted from his body, charging towards Ye Feng.

In his eyes, Ye Feng is just a very weak outsider from the Xuanyuan family and cannot be his opponent at all.

Moreover, Xuanyuan Tuo didn't care about the life of Ye Feng, an outsider.

Because he felt that in the ancestral forbidden area of their Xuanyuan family, as long as they were outsiders of the Xuanyuan family, there would be no consequences even if they were killed.

"Deadly Demonic Spear!"

At this time, a pitch-black spear appeared in Xuanyuan Tuo's hand, heading directly towards Ye Feng to assassinate him.

This spear was very terrifying. Coupled with Xuanyuan Tuo's powerful cultivation in the sixth level of the Ancient Realm, the dark spear in his hand suddenly erupted with an earth-shattering spear light.

This spear is pitch black and boundless, penetrating the sky, capable of tearing apart the sky and the earth, shattering the universe.

At this moment, Ye Feng smiled coldly and said: "Since you are so rude to me, then I don't have to hold back. Although you are from the Xuanyuan family, you want to harm me now." I don't have to show mercy to my life."

Although Ye Feng has a good impression of Patriarch Xuanyuan, he also has a very good impression of the entire Xuanyuan family.

But now Xuanyuan Tuo wants to directly threaten Ye Feng's life, so Ye Feng will naturally not care about any consequences at this time.

Ye Feng also instantly burst out with his powerful and boundless momentum.

boom!

Ye Feng didn't hesitate at this moment and just used his most powerful method.

A black broken sword appeared in his hand. It was the weapon of a peerless evil demon in ancient times, and it slashed forward fiercely.

Boom!

From this black broken sword, an earth-shaking ferocious energy suddenly burst out.

This stock

The ferocious aura instantly condensed into a bright and boundless black sword spirit, and it directly slew towards the front.

Boom!

Accompanied by a huge roar, the spear light released by Xuanyuan Tuo was directly shattered by Ye Feng's black broken sword.

"What?!"

Xuanyuan Tuo's eyes were full of disbelief when he saw that the spear light he released was split into pieces by Ye Feng in an instant.

He couldn't help shouting: "This is impossible. How can you, a weak young boy, be able to withstand my spear attack? This spear of mine is a peerless magic weapon that my grandfather specially refined for me! "

"A peerless magic weapon?"

Ye Feng just smiled coldly at this time, holding the black broken sword in his hand and shouted coldly: "Even if you have a peerless magic weapon in your hand today, you can't resist my sword!"

Boom!

At this moment, Ye Feng even directly inspired the giant heart of the ancient giant emperor that he had fused before.

The majesty of the ancient giant emperor suddenly burst out from his body.

Then infinite power surged out from the giant's heart and poured into the black broken sword in Ye Feng's hand.

Boom! !

At this moment, the black broken sword vibrated violently, and then Ye Feng slashed forward.

Uh-huh!

On the blade of the black broken sword, a black sword light tens of thousands of meters long spread out in an instant.

Like a black sword tens of thousands of meters long, it was struck directly in the air, full of unparalleled destructive and killing power.

.

"ah!"

Xuanyuan Tuo didn't even have time to react or resist at this moment. His entire body was chopped into pieces and he died instantly.

"So powerful!"

Zi Han stood behind Ye Feng at this time and saw this scene. His beautiful eyes suddenly revealed a look of deep surprise.

Zihan couldn't help but stare at Ye Feng, who was standing in front of her, guarding her. His beautiful eyes were filled with deep brilliance. It seemed that he never thought that the young man who needed to be rescued by himself back then had now grown to such a terrifying level. level.

"hateful!"

"How come the young master died so quickly!"

At this time, the two mysterious men in black robes standing behind Xuanyuan Tuo seemed to be Xuanyuan Tuo's guardians. At this moment, they did not expect that Xuanyuan Tuo would die so quickly. They were killed by Ye Feng with one sword. There was no time to even take action.

At this moment, the faces of the two men in black robes showed a look of deep shock and anger. At this moment, they didn't even know how to explain to Xuanyuan Tuo's grandfather, the Supreme Elder.

But at this time, they seemed to have seen Ye Feng's terrifying strength. The two men in black robes did not dare to attack Ye Feng for a moment.

In the end, they could only struggle and say: "Boy, you killed our young master Xuanyuan Tuo, who is the only grandson of the Supreme Elder. You are dead!"

At this time, Ye Feng also sensed the mysterious auras of these two men in black robes. They were probably very terrifying beings.

So Ye Feng did not take action rashly at this time, but said coldly: "If you want to fight, come here and fight. If you don't dare to fight with me, just get out of here."

"you.....!"

Two men in black robes want to take action directly

, but they remembered again that the destructive power of the shocking sword that Ye Feng had just struck was too terrifying.

After thinking for a while, the two left the scene and disappeared into the distance.

Zi Han spoke out at this time: "Junior Brother Ye Feng, I didn't expect that your strength has reached such a level now."

When Ye Feng heard what Zi Han said, he just shook his head and said: "It's not that powerful. I can't compare to the ancestor-level existence in the super big family."

Hearing this, Zi Han couldn't help but smile helplessly, and said aloud: "People at the level of ancestors have practiced for tens of thousands, or even hundreds of thousands of years. Of course they are very powerful. They are ancient figures from the previous era. Ye Feng Junior brother, you are still so young, you will definitely catch up one day, and that day won't be too far away."

Ye Feng nodded at this time, then walked not far away, released the devouring domain, and devoured all the blood and energy left after Xuanyuan Tuo was killed.

This Xuanyuan Tuo's cultivation strength is at the sixth level of the Eternal Realm, and the energy he provides is quite a lot.

boom!

At this moment, after Ye Feng swallowed it, a breakthrough momentum suddenly burst out from his body.

He actually broke through the first level of the world directly, from the seventh level of the Creation Realm to the eighth level of the Creation Realm!

At this time, Zi Han, who was not far away, looked at the glorious hall in front of him and said loudly: "Let's go in and search for the inheritance of our ancestors. This time, it's really thanks to the dead Xuanyuan Tuo, otherwise we wouldn't be able to do it so quickly. Find this palace left behind by our ancestors."

Zi Han looked relaxed at this time, and seemed not worried about the consequences of Ye Feng killing Xuanyuan Tuo.

Because there is an ancestor named Xuanyuan behind them. Although the Taishang Elder is very powerful, he cannot compare with Xuanyuan.

Chapter 2942 The giant beast in the black hole

When the two of them entered the glorious underground palace in front of them, they immediately sensed an ancient aura of vicissitudes of life, spreading throughout the palace.

Ye Feng seemed to have discovered something at this time. Suddenly his eyes moved and he walked quickly towards a certain direction ahead.

When Zi Han saw Ye Feng like this, he didn't say anything, but followed Ye Feng closely.

Soon they came to the deep area of this glorious palace and found an ancient humanoid sculpture holding a golden sword in his hand, standing inside. ??

This sculpture and the golden sword held in his hand are both made of a special material, shining with a faint dark golden light, giving people a very noble feeling.

At this time, Zi Han walked up to this huge sculpture, with a strange light shining in his eyes, and said loudly: "I feel the glory and inheritance of my ancestors."

Buzz!

The moment Zi Han finished speaking, a faint golden light suddenly floated out of the human sculpture, covering Zi Han's entire body.

At this moment, Zihan's entire body was shrouded in golden light, and even floated directly in mid-air.

Ye Feng saw this scene and his eyes were a little surprised.

Unexpectedly, Zihan's bloodline was so pure that he would be recognized by the will of the ancestors of the Xuanyuan family so quickly.

No wonder Ancestor Xuanyuan set Zi Han as the successor of the next generation of the Xuanyuan family. It seems that Senior Sister Zi Han is the most potential being of this generation of the Xuanyuan family.

When Zihan accepted the inheritance, Ye Feng exuded his soul power and spread towards the entire surrounding hall, trying to find other precious things.

Regarding the inheritance of the Xuanyuan family, Ye Feng actually doesn't want that much. After all, Ye Feng's own inheritance now is very numerous and very powerful.

What Ye Feng wants most is to improve his cultivation skills.

force resources.

"Um?"

At this moment, Ye Feng suddenly discovered something and flew towards the southwest of the hall quickly.

When Ye Feng came here, he immediately saw a deep corridor.

This corridor leads to nowhere, and Ye Feng cannot see the end because the end of the corridor is shrouded in darkness.

However, Ye Feng could feel that this corridor was very extraordinary, exuding a mysterious and terrifying aura.

"Tap, step..."

Ye Feng did not hold back his curiosity and walked directly into this dark corridor.

He immediately saw many ancient patterns carved on the walls on both sides of the corridor.

These patterns are all twisted human shapes, which look very ferocious and full of a strange feeling.

At this time, Ye Feng looked towards the dark place at the end of the corridor, feeling that there was a wild beast hiding there.

At this time, Ye Feng suddenly felt fearful in his heart and wanted to leave this dark corridor.

But Ye Feng felt that there was definitely something hidden at the end of the corridor.

So at this moment, Ye Feng strengthened his heart, took strong steps, and continued walking towards the end of the corridor.

The entire corridor was shrouded in darkness.

Time doesn't seem to exist here.

Ye Feng didn't know how long he had been gone.

It seemed like only half an hour had passed.

But it seems like a few years have passed

Same.

Finally, Ye Feng reached the end of this dark corridor.

He immediately saw an extremely shocking scene.

I saw that the end area of this dark corridor turned out to be an endless whirlpool of darkness.

Moreover, this dark vortex gave Ye Feng the feeling that it was like a black hole in the universe. Whatever entered this black hole was absorbed and enveloped by the endless darkness.

Not even light can escape the constraints of this black hole.

At this moment, Ye Feng saw with his eyes that in the middle of this vast black hole, there was a huge evil beast covered with dark golden scales floating.

The majestic behemoth floats in the middle of the infinite black hole, as if it has existed forever, giving people a very strong visual impact.

Ye Feng didn't know what type this giant beast in the black hole was, but it gave Ye Feng the feeling that it was like a wild beast that survived the ancient mythological era, full of infinite momentum and suffocation.

"This is a dead ancient beast." Suddenly at this moment, Emperor Chu's voice sounded in Ye Feng's mind. ??

"This is actually a divine beast, the true body of a divine beast from ancient times?"

Ye Feng's eyes were filled with deep shock at this time.

Because this was the first time Ye Feng saw the true form of a beast that only existed in myths and legends.

At this moment, Ye Feng had a lot of thoughts in his mind.

Deep in the ancestral forbidden area of the Xuanyuan family, there is the corpse of such an ancient beast, floating in the endless black hole.

I don't know if this is the guardian beast left by the Xuanyuan family's ancestors, or if it is an ancient evil beast trapped here.

But no matter what, this ancient beast is completely dead.

But even if it dies, the corpse of this ancient beast is an infinite treasure.

But it is very difficult to enter this deep black hole and obtain this ancient beast.

Because even if Ye Feng stood at the edge of this black hole, he felt that his soul and body were about to collapse.

At this moment, Ye Feng asked in his mind: "Emperor Chu, is there any way to get this ancient beast?"

Emperor Chu was silent in his mind for a moment, and then said aloud: "This black hole is full of endless dangers. If you are not careful, it will be completely destroyed, and not even a drop of blood will be left. So, Ye Feng, once you walk into this In a black hole, it is very likely that you will die without even a drop of blood left, and you will not be able to resurrect with a drop of blood. Are you sure you want to enter this black hole? "

When Ye Feng heard what Emperor Chu said at this time, he knew that the horror and danger of this black hole was beyond his imagination.

But seeing an ancient beast here, Ye Feng was naturally unwilling to let it go.

And you must know that entering the ancestral forbidden area of the Xuanyuan family may be your only chance in this life.

Therefore, it is impossible for Ye Feng to let go of the corpse of this ancient beast that is like a supreme treasure.

Poof!

At this moment, Ye Feng suddenly opened his finger, forced out a drop of blood, and then let Emperor Chu fly out of his mind, keeping this drop of his blood.

Ye Feng said aloud: "Emperor Chu, if I die in the black hole, use this drop of blood to resurrect me. The body of this ancient beast is too precious. It is a supreme treasure. I must take the risk. If I get it, With the corpse of this ancient mythical beast, I will soar into the sky and gain wealth in danger. I must give it a try!"

Chapter 2943 The Seventh Heaven

It has to be said that Ye Feng is really determined now to enter the black hole and look for the giant beast in the black hole.

After all, for Ye Feng, this corpse that looks like an ancient beast is too tempting and can make Ye Feng soar into the sky.

So at this moment, Ye Feng was so crazy that he left a drop of blood for Emperor Chu, and then directly entered the black hole.

Buzz!

The moment Ye Feng entered the black hole, he immediately felt a terrifying pressure and a terrifying tearing force coming down on him.

Even though Ye Feng's chaotic body is now powerful to a certain extent, it is still somewhat unable to withstand the tearing of the terrifying energy in the black hole, as if it will be completely shattered and disintegrated in the next moment.

"Heart of God!"

"Heart of a Giant!"

At this moment, Ye Feng immediately activated his two most powerful heart powers.

In an instant, a faint golden light emitted from the surface of Ye Feng's body.

They are the power of the gods in the heart of the gods, and the power of the ancient giant emperor in the hearts of the giants.

With the addition of these two powers, Ye Feng's chaotic body suddenly became more indestructible.

So at this time, Ye Feng barely resisted the terrifying tearing force in the black hole.

However, Ye Feng's eyes were still extremely solemn.

Because Ye Feng knew very well that he had just arrived at the edge of the black hole.

If you continue to go deeper into the inner space of the black hole, the pressure is likely to be even greater.

At that time, I may really be torn apart by the tearing force in the black hole.

But now that Ye Feng has made such a decision, there is no turning back.

Boom!

At this moment, Ye Feng used all his strength and rushed directly towards the middle of the black hole.

Sure enough, as Ye Feng expected, the more he flew toward the middle of the black hole, the more pressure he felt.

Even the surface of Ye Feng's chaotic body had cracks, as if porcelain was about to break.

But in the end, Ye Feng withstood all the pressure and came to the middle area of the black hole.

At this moment, the giant beast floating in the middle of the black hole was completely revealed in Ye Feng's field of vision.

Ye Feng could see that this majestic giant beast was covered with dark golden scales.

Each scale is the size of a human head, shining with cold metallic light, giving people an indestructible feeling, full of endless vigor and solidity.

But at this moment, Ye Feng didn't feel the strong blood energy.

Ye Feng's eyes suddenly changed slightly, he came in front of this majestic behemoth, stretched out his hand and touched the scales of the majestic behemoth.

Buzz!

Ye Feng immediately felt that all the blood energy in the body of this majestic giant beast had actually dissipated.

This made Ye Feng's eyes show a look of disappointment.

Originally, Ye Feng thought that after devouring this majestic beast, his power would skyrocket.

But now, the blood energy in the body of this majestic giant beast has been completely suppressed and dissipated by the terrifying pressure of the black hole over the long years.

However, Ye Feng was not discouraged, because even though this behavioral behemoth had lost all its blood and energy, the dark golden scales on this majestic behemoth were like the strongest metal in the world, which was extremely precious.

"Just in time, let this giant beast be the last layer for me to break through the Chaos Body.

Let's help! "

Ye Feng immediately released the God Clan Gloves at this moment, and then quickly extracted the attribute power of this behavioral behemoth covered with dark golden scales.

Wow...

Almost at this moment, Ye Feng immediately felt that the dark golden scales grown on this majestic giant beast had not been lost in the endless years, but were still full of infinite solid attribute power, and there was also a kind of Divine power.

These majestic attribute powers caused Ye Feng's chaotic body to grow hugely and rapidly.

Ye Feng practiced in the black hole for nearly three days and three nights.

On this day and night.

"boom!"

An extremely terrifying aura suddenly burst out from Ye Feng.

That is not the momentum of cultivation, but the momentum of complete vitality.

Ye Feng opened his eyes at this moment, and his eyes were as bright as stars.

At this moment, Ye Feng's chaotic body strength finally experienced a qualitative transformation.

Finally, he made a complete breakthrough and transformation from the tenth level of the sixth heaven of the Chaos Body to a completely new level, directly stepping into the first level of the early seventh level of the Chaos Body.

At this moment, Ye Feng could feel the power as strong as a real dragon surging through his limbs.

Every inch of his body is full of explosive power, as if he could smash an asteroid with one punch.

At this moment, Ye Feng's face suddenly showed a deep look of joy.

Because of the breakthrough in the strength of his Chaos Body, the power of his body has been increased unparalleled.

The chaotic body of the seventh heaven made Ye Feng feel that he could kill an Eternal Realm expert who had surpassed the Creation Realm with one punch.

And, you can do this just by relying on the strength of your body!

At this time, Ye Feng was even more looking forward to how his bloodline talent was awakening.

Buzz!

Sure enough, at this moment, Ye Feng could feel that a special ability was derived from the depths of his blood.

I saw a wave of void in front of Ye Feng.

A book with a faint light appeared in Ye Feng's field of vision.

"Another book?"

There was some surprise in Ye Feng's eyes.

Because Ye Feng had awakened a bloodline talent before, which was a book called the "Book of Wen Zu", which gave Ye Feng the ability to speak and speak.

Now that Ye Feng's chaotic body has entered the seventh heaven, he didn't expect that the awakened bloodline talent would be a brand new book.

Uh-huh!

At this moment, Ye Feng stretched out his hand, took the book that exuded a faint light in his hand, and then opened it.

But Ye Feng was surprised to find that there were no words or patterns in this book.

All are blank.

This is actually a wordless heavenly book!

But at this moment, the inheritance information about the ability of this wordless book suddenly appeared in Ye Feng's mind:

"Opening the Wordless Heavenly Book can give the awakened person the ability to have epiphany. The enlightenment ability of the Wordless Heavenly Book can be used once every three months, allowing the awakened person to instantly comprehend some kind of inheritance or secret."

After the information about the ability of this wordless heavenly book appeared in Ye Feng's mind, his eyes suddenly lit up: "If you put it this way, I can instantly comprehend the great life magic contained in the heaven-reaching sacred tree. In this case, I can cure the disease." Great Ancestor Xuanyuan's injury! This Wordless Heavenly Book is really a timely gift, giving me the power of enlightenment!"

Chapter 2944 Empress Xuanyuan

At this moment, after Ye Feng awakened his bloodline talent, he immediately saw the majestic starry sky beast in front of him, which had completely extracted all its attribute power.

All the dark golden scales on the entire starry sky beast have dried up and lost all their essence.

At this moment, Ye Feng immediately knew that this majestic starry sky beast had no use value.

Uh-huh!

At this time, Ye Feng turned around and prepared to leave.

This time I ventured into this black hole and gained huge rewards.

Not only did his chaotic body improve to a huge level, but he also awakened a bloodline talent of "sudden enlightenment".

"Jiejiejiejie..."

But just when Ye Feng turned around, a very terrifying gloomy laughter suddenly came out from the endless darkness of the entire black hole.

"who?"

Ye Feng's eyes suddenly moved, and he looked around with great vigilance: "Who is pretending to be a ghost in the dark?"

Buzz!

At this moment, Ye Feng directly emitted his huge soul power and spread around his body, trying to find the owner of the voice.

"Jiejiejiejie..."

However, Ye Feng could not find the owner of the laughter at this time, but the cold laughter still echoed in the entire black hole, which was very scary.

At this moment, Ye Feng immediately understood that his soul power might not be able to locate the owner of the laughter.

Therefore, Ye Feng did not hesitate and flew quickly towards the outside of the black hole, wanting to leave here as soon as possible.

Ye Feng understood that the depths of this black hole might be even weirder than he imagined.

Buzz!

But just when Ye Feng turned around and wanted to leave here, he suddenly felt a heavy weight on his body.

The next moment, Ye Feng turned his head slightly and suddenly saw a strange figure lying on his shoulder.

It was a pale skeleton with a dark aura about it, and it looked extremely weird.

"Get out of my way!"

boom!

At this moment, Ye Feng suddenly burst out with extremely powerful power, directly shaking the skeleton lying on his back at some point.

Swing out.

But this skeleton seemed to be invisible, and Ye Feng's power could not knock the skeleton away at all.

Even Ye Feng's hands could not touch the skeleton. The skeleton was like a non-existent shadow, and it just let out a cold and weird laugh like "Jie Jie Jie Jie".

Ye Feng immediately understood that this weird skeleton was probably not something he could fight against.

Fortunately, this weird skeleton has not caused any actual harm to Ye Feng yet.

At this moment, Ye Feng could only bite the bullet and "carry" this weird skeleton and fly quickly out of the black hole.

When Ye Feng arrived at the outside of the black hole, he returned to the end of the dark corridor.

He saw Emperor Chu standing there, waiting for his return.

Ye Feng's first words were to point to the strange skeleton on his back, and said anxiously: "Emperor Chu, please help me quickly see what this is?"

Emperor Chu looked at Ye Feng's back with some confusion at first, and said loudly: "Your back is empty, there is nothing... No, there seems to be a very special aura..."

At this moment, Emperor Chu said that he also noticed something was wrong, and then instantly used a special pupil technique.

Buzz!

Emperor Chu's eyes were filled with divine light. The next moment, Emperor Chu's eyes were suddenly startled.

This time he finally saw the strange skeleton lying on Ye Feng's back.

"Jiejiejie..."

This weird skeleton is still letting out a weird gloomy laugh.

Emperor Chu came to Ye Feng, stared at the strange skeleton lying on Ye Feng's back, thought for a moment, and said aloud: "This seems to be a very special evil spirit, even Ye Feng Feng, your soul master, can't be dealt with. I'm afraid he is one of the most special evil spirits in the world."

When Ye Feng heard what Emperor Chu said, he couldn't help but said: "Then how should I take this weird skeleton out of my back?"

Emperor Chu shook his head slightly and said aloud: "I don't have any solution for the time being. I can only wait until the soul gem unlocks the seal, and maybe I can use it through the soul gem."

Using the power in the soul gem to deal with this weird skeleton, you can only carry him on your back for the time being. "

"What?"

Ye Feng was slightly dumbfounded, having to carry this weird skeleton on his back all the time was really a bit scary.

But since Chu has no choice, Ye Feng can only do this for the time being.

Fortunately, normal people cannot see this strange skeleton.

After all, even Emperor Chu couldn't see it at first glance. He only saw it after using a special pupil technique.

From a normal person's perspective, the strange skeleton on Ye Feng's back is invisible.

Buzz!

Next, Emperor Chu flew into Ye Feng's mind, and then Ye Feng returned to the dark corridor and returned to the palace left by the ancestors of the Xuanyuan family.

When Ye Feng returned here, he found Zi Han sitting not far away, seemingly waiting for him.

"Senior Sister Zihan."

Ye Feng walked over and immediately said with a smile: "How is the reception of Senior Sister Zihan's inheritance going?"

Uh-huh!

At this time, Zi Han turned around and stared at Ye Feng.

"Um?"

At this moment, Ye Feng was very sensitive to the temperament of Zi Han in front of him, which seemed to be a little different from before.

Zi Han's temperament used to be cold, but now Zi Han's temperament carries an emperor-like majesty.

"Senior Sister Zihan, you...you are not Senior Sister Zihan!"

At this moment, Ye Feng suddenly seemed to notice something, and immediately pressed a hand on Zi Han's head, and then burst out with extremely powerful soul power, and shouted directly: "Zi Han Senior Sister Han, were you kidnapped?"

boom!

But at the next moment, Zi Han's body suddenly burst out with an imperial majesty.

A golden golden emperor's light instantly blew Ye Feng away, and then fell to the ground not far away.

Uh-huh!

Ye Feng immediately got up from the ground at this moment, his eyes couldn't help but said in horror: "Impossible! Even if Senior Sister Zihan is taken away from you, it is impossible for you to have such a powerful power all of a sudden, because the person who takes over the body is It's the soul, Senior Sister Zihan

My own cultivation strength is still the same as before, how could I be blown away in an instant? "

Ye Feng knew very well that Zi Han's cultivation strength was much weaker than his own. What's more, Ye Feng now had a huge opportunity from the black hole. The chaotic body had transformed again. How could he be defeated by Zi Han? It was blown away instantly.

"Junior brother Ye Feng, are you okay?"

But suddenly not far away at this time, Zi Han, who had a very majestic face, suddenly turned into the person Ye Feng knew.

Zi Han's beautiful figure immediately came to Ye Feng and quickly helped Ye Feng up.

Ye Feng looked at Zi Han in front of him, who seemed to have become familiar to him again. His eyes suddenly showed deep doubts, and he couldn't help but ask: "Senior Sister Zi Han, what happened to you?"

"It should be two souls coexisting as one. This requires the subjective consent of both parties." Emperor Chu murmured in Ye Feng's mind at this time.

"Two souls coexist as one body?"

Ye Feng heard the voice of Emperor Chu in his mind, and immediately couldn't help but stare at the beautiful senior sister in front of him, and couldn't help but ask: "If a soul master is originally Senior Sister Zihan, then who is the other soul?" ?"

When Zi Han heard Ye Feng suddenly say such words, a look of deep surprise suddenly appeared in his beautiful eyes.

Originally she wanted to explain it, but she didn't expect Ye Feng to guess it directly.

Zi Han immediately spoke out and said: "The other soul is my ancestor, Empress Xuanyuan. Junior Brother Ye Feng, don't worry, all this is done of my own free will, because I don't want to see my ancestors annihilated, and the Xuanyuan family is now in great need of strong existential support, so the ancestor and I reached an agreement to coexist as one, but this is only temporary. When the opportunity arises in the future, the ancestor will reshape a body for herself. "

"Empress Xuanyuan? She is actually an empress?"

When Ye Feng heard Zi Han say this, a look of surprise suddenly appeared in his eyes.

"Nice young man."

At this time, Zi Han in front of her suddenly transformed into another soul. Her beautiful face revealed a supreme majesty like an empress. She stared at Ye Feng in front of her, nodded slightly and said, "This is You can't tell me and Zihan's secret, otherwise, I, the Empress, won't be able to spare you."

Chapter 2945 Forbidden Land Seal

At this time, Ye Feng stared at the strange yet familiar Senior Sister Zihan in front of him, feeling a little complicated in his heart.

He did not expect that Senior Sister Zihan would choose to temporarily coexist with her ancestor, Empress Xuanyuan, for the sake of the future of the entire Xuanyuan family, which was equivalent to having two personalities.

They are the personality of Empress Xuanyuan and the original personality of Zi Han.

But this was Zi Han's own choice, and Ye Feng couldn't make much decision at this time.

He just stared at Zi Han in front of him, and said calmly and firmly: "Senior Sister Zi Han, let me make sure that if this is what Empress Xuanyuan forced you to do, then I will definitely help you get rid of the second Empress Xuanyuan. soul."

Buzz!

At this time, Zi Han transformed into his own soul again, walked up to Ye Feng, with a grateful and warm smile on his beautiful face, and said loudly: "Junior Brother Ye Feng, thank you for thinking about me, but all this is indeed I did it voluntarily, and my ancestors did not force me to do anything. I did it for the continuation of my ancestors' souls, and for the future of the entire Xuanyuan family."

When Ye Feng heard Zi Han say this, he immediately nodded.

"You are quite proud of yourself."

Suddenly, at this time, Zi Han, who had a warm smile on his face, changed his personality again and became Empress Xuanyuan.

She stared at Ye Feng, who was close at hand, with the majesty of the empress in her eyes, her voice became cold, and she said: "Boy, for Zi Han's sake, I don't care about what you just said about me. It's rude, but do you really think you can deal with me? Although your boy's soul power is indeed very powerful, this empress controlled the entire God Realm hundreds of thousands of years ago, and my methods are not like yours. As the younger generation can imagine, you should feel honored to be able to talk to a legendary figure like this empress."

When Ye Feng heard the Empress Xuanyuan in front of him say this, he immediately smiled lightly and said, "What a narcissistic guy."

"What did you say?!"

Empress Xuanyuan saw Ye Feng's unconcerned look and immediately became furious, as if a cat had its tail stepped on.

A vast golden divine light suddenly erupted from her body, and even the shadow of a high and majestic empress appeared behind her.

"Boy, don't think that because you are Zihan's friend, I don't dare to teach you a lesson! You must know that all those who dared to offend this empress back then were reduced to ashes!"

Obviously, Zi Han, who has transformed into the personality of Empress Xuanyuan, wants to take action against Ye Feng and teach Ye Feng, this rude young junior.

\u003e Buzz!

At this time, Ye Feng's body also had a huge fighting spirit that instantly rose up. He stared at Empress Xuanyuan, who was exuding golden light in front of him, and said loudly: "If it weren't for the ancestor of your senior sister Zihan, I would have cast a more powerful force." I will destroy you and devour you with my soul master's methods. Don't use the majesty of my predecessors to lecture me. It is of no use to me. I have no reverence for anything. I don't seek God, I don't Worship the Buddha, I don't rely on my ancestors, everything depends on my own fists and strength!"

"Arrogant young man!"

Empress Xuanyuan was like a big sister at this moment, and she immediately said angrily: "Zihan, please stop trying to persuade me in your heart. I must teach this young man a lesson today, don't worry. , I won't beat him to death, I just let him know that he must learn to respect seniors like me."

Buzz!

At this moment, the momentum between the two people almost collided, causing the entire underground palace to collapse completely.

"boom!"

But suddenly at this moment, somewhere not far from the ancestral forbidden area, a huge roar suddenly came.

"This kind of fluctuation is...not good! It's the movement of the big devil in the deepest part of the forbidden area!"

At this moment, Empress Xuanyuan seemed to have thought of something, her eyes suddenly changed, and she quickly flew in that direction, not caring about being angry with Ye Feng.

"Big devil?"

When Ye Feng saw this scene, his eyes moved, and he followed Empress Xuanyuan in that direction.

For someone like Empress Xuanyuan to pay such attention, it seems that something very serious must have happened in the direction not far from the ancestral forbidden area.

When Ye Feng arrived at his destination, he immediately saw it.

At this moment, Senior Sister Zihan was standing there, with a pair of beautiful eyes filled with solemnity, staring at a dark mountain not far away.

At this time, Ye Feng looked at the huge dark mountain.

Although the entire dark mountain did not collapse, cracks appeared.

From these cracks, a pair of

Huge palms and two huge feet.

At the same time, a huge magic horn that looked like it could pierce the sky stretched out from the front, and it looked very vicious.

At this time, Ye Feng came to Zi Han. Knowing that this senior sister Zi Han was the personality of Empress Xuanyuan, he couldn't help but ask: "Empress, what is the existence in the dark mountains?"

Empress Xuanyuan glanced at Ye Feng and rolled her eyes at him, seemingly still angry at Ye Feng's rudeness just now.

But at this time, Empress Xuanyuan still said seriously: "The reason why this area is called the Ancestral Forbidden Land is because I sealed a huge and terrifying demon. That demon was not an ordinary demon, but came from the dark interface. The deepest, most ferocious demon is called Urgot."

"Urgot? A demon with a special name?"

Ye Feng's eyes suddenly became serious at this time.

Because according to common sense in the spiritual world, only some very ancient demons have been given special names since ancient times.

Therefore, demons with special names are generally terrifying demons or demon gods that can rival ancient gods, and are very terrifying.

Ye Feng never thought that such a terrifying ancient demon would be sealed in this ancestral inheritance place of the Xuanyuan family.

At this time, Empress Xuanyuan said: "Urgot is the demon god of the ancient demon clan. He cannot be eliminated at all. Even I at my peak could not completely obliterate this ancient demon, so I could only destroy it. It is sealed in the ancestral land of our Xuanyuan family, and we will use our Xuanyuan family's family fortune to suppress it from generation to generation."

Ye Feng's eyes showed a trace of shock, and then asked: "Why did Urgot suddenly make such a big noise?"

Empress Xuanyuan thought for a moment, and then said: "Maybe it's because our Xuanyuan family has been inherited for so long, our luck is getting weaker and weaker, and my will is getting weaker and weaker, so this Urgot broke free a little bit. The seal actually stretched out his hands, legs, and a devil's horn, but for the time being, this dark mountain can still suppress him, but this is always a hidden danger, and we can only find a solution later. "

Hearing this, Ye Feng nodded slightly.

Originally, Ye Feng wanted to try his own methods, but Emperor Chu suddenly warned him in his mind: "Don't provoke someone like Urgot."

Ancient Demon God, with your current cultivation and strength, you will die instantly. "

Such words of Emperor Chu made Ye Feng give up his thoughts. It seemed that Urgot was indeed extremely terrifying, otherwise even such a mysterious existence as Emperor Chu would be extremely fearful.

"Junior brother Ye Feng, let's leave here first. Urgot has revived. This matter needs to be discussed with our ancestors."

Suddenly at this time, Zi Han, who was standing next to Ye Feng, spoke up.

Hearing Zi Han's name, Ye Feng immediately understood that Empress Xuanyuan's personality was hidden, and now it was the original personality of his senior sister Zi Han.

At this time, Ye Feng looked at Zi Han beside him, nodded slightly, and said, "Okay, Senior Sister Zi Han, let's leave here for now. There must be a way to re-seal this ancient demon god."

"Uh-huh."

Zi Han nodded, but at this time, she seemed to have thought of something, and couldn't help but said: "By the way, Junior Brother Ye Feng, I want to share the ancestral inheritance I received this time, the Xuanyuan Emperor Kung Fu, with you. My ancestor ordered it, and I am willing to share it with you, Junior Brother Ye Feng."

When Ye Feng heard this, his eyes were stunned for a moment, then he stared at Zi Han in front of him, pointed at Zi Han's head, and said, "If you do this, does Empress Xuanyuan have no objection?"

Suddenly Zihan's face changed, and his eyes became majestic and noble.

Apparently the empress' personality came out again, Empress Xuanyuan said aloud: "Of course I have objections, Zi Han, if you want to give this rude boy the powerful inheritance of Xuanyuan Emperor Kung Fu, I..."

Buzz!

Suddenly at this moment, Empress Xuanyuan's voice stopped abruptly.

Then the majesty and nobility in Zi Han's eyes disappeared and turned into the tenderness he used to look at Ye Feng.

Ye Feng's eyes showed surprise and said: "Senior Sister Zihan? Why did the empress suddenly stop?"

Zi Han smiled slightly and said: "The ancestor's soul was too tired and suddenly fell into a deep sleep. I don't know when it will wake up again, so Junior Brother Ye Feng doesn't need to worry about the ancestor. I am now taking advantage of my subjective initiative to control the body. I will hurry up and teach the Xuanyuan Great Emperor Kung Fu to you, Junior Brother Ye Feng. When the ancestor wakes up, I won't argue with you, Junior Brother Ye Feng."

Buzz!

At this time, Zi Han said, stretched out a jade-like finger, touched Ye Feng's eyebrows, and began to teach Ye Feng the secret of Xuanyuan Emperor Kung Fu.

Chapter 2946 Trial

Buzz!

At this moment, when Zi Han's finger touched Ye Feng's eyebrows.

Suddenly, a huge secret of inheritance appeared directly in Ye Feng's mind.

At this moment, Ye Feng suddenly sensed the vastness of the powerful inheritance of 'Xuanyuan Emperor Kung Fu'.

This is definitely an earth-shattering super skill.

At this moment, Ye Feng closed his eyes and was quietly accepting the secret of this inheritance.

Zi Han stayed by Ye Feng's side, staring closely at Ye Feng with a pair of beautiful eyes, fearing that something might happen to Ye Feng.

After all, the ancestor Empress Xuanyuan told Zi Han before that the Emperor Xuanyuan Kung Fu was not created by Empress Xuanyuan, but a powerful technique created by a big shot older than Empress Xuanyuan, Emperor Xuanyuan.

It is difficult for people who are not of the blood of the Xuanyuan family to fully accept the entire secret of the Xuanyuan Emperor Kung Fu. Forcibly accepting the injection of such a powerful inheritance may be very dangerous.

But Zihan believed in Ye Feng.

Because Ye Feng is the most talented super genius she has ever seen, he must be able to successfully receive the Xuanyuan Emperor Technique.

For three whole days and three nights, Ye Feng was studying the Xuanyuan Emperor Kung Fu.

For this set of super skills, Ye Feng spent three days and three nights before finally mastering some of the initial secrets.

Ye Feng did not use the epiphany ability of the Wordless Heavenly Book.

After all, the epiphany ability can only be used once every three months.

Ye Feng wanted to use this first enlightenment ability to enlighten the great life technique contained in the heaven-reaching sacred tree.

In this case, Ye Feng can use the Great Life Technique to restore Ancestor Xuanyuan's serious injuries.

At this moment, Ye Feng opened his eyes.

Buzz!

There was a golden light flashing in his eyes.

"Junior Brother Ye Feng,

Are you awake? "

Zi Han, who was beside him, saw Ye Feng open his eyes, and immediately couldn't help but stepped forward and asked: "Junior brother Ye Feng, are you okay mentally?"

Zi Han was really afraid that this extremely powerful inheritance and its huge secret would severely damage Ye Feng's spirit.

Faced with Zi Han's worries, Ye Feng just smiled and said: "I don't have anything to do. Please don't worry, Senior Sister Zi Han. I have already absorbed all the secrets of this set of super skills. All I need to do next is Just take your time to understand it."

When Zi Han heard this, he immediately smiled and said: "Junior Brother Ye Feng, it's good that you have nothing to do. I know that Junior Brother Ye Feng, you are very talented."

At this moment, Ye Feng suddenly held Zi Han's two small hands and said loudly: "Anyway, I would like to thank Senior Sister Zi Han for teaching me this set of super skills. In fact, there is no need for you to share this set of super skills." A strong legacy."

Zi Han was suddenly held by Ye Feng's hands, and a trace of shyness suddenly appeared on her beautiful face.

But Zi Han did not resist, letting Ye Feng hold her hands, slightly lowering his beautiful eyes, and said loudly: "This is what the ancestor ordered, I will naturally complete it, and Junior Brother Ye Feng, you are My best friend, I will definitely share my best with you."

"Thanks."

Ye Feng said something, let go of his hand, and continued: "Senior Sister Zihan, don't worry, if you have any difficulties in the Xuanyuan family in the future, I will definitely help you with all my strength."

Ye Feng is not a white-eyed wolf, but a very grateful person.

Ye Feng will naturally treat anyone who is kind to him.

...

The two of them didn't say anything more next, but

He left this ancestral forbidden land directly.

At this time, Zi Han also understood why the place inherited from the ancestors of their Xuanyuan family was called a forbidden land.

It turns out that deep in this inheritance place, there is still such a terrifying ancient demon god, Urgot, sealed.

On the way, Zi Han still had a worried look in his eyes.

Although Empress Xuanyuan's soul now coexists with her, Empress Xuanyuan only has a remnant of her soul left, and the power she unleashes is not very powerful.

In addition, Patriarch Xuanyuan is still seriously injured and may die at any time.

If Ye Feng hadn't been by Zi Han's side now, Zi Han would have felt helpless and helpless. ??

After all, the Xuanyuan family is not monolithic.

The Supreme Elder, as well as a group of old antiques from the Supreme Elder Group, also covet the control of the Xuanyuan family.

They may now be waiting for the death of ancestor Xuanyuan, then kick out Zi Han, the young inheritor, and then take control of the entire Xuanyuan family.

Seeing that Zi Han remained silent, Ye Feng seemed to understand what the other person was thinking.

At this moment, Ye Feng immediately patted the opponent's shoulder, smiled and said: "Sister Zihan must be worried about the injury of senior Xuanyuan ancestor, right? Don't worry, this time I am in the deepest part of this ancestor's taboo. In the black hole, I gained an ability that should be able to help Senior Ancestor Xuanyuan recover from his injuries. Although I don't know if it can completely restore Senior Ancestor Xuanyuan's injuries, it should be able to greatly extend the time before Senior Ancestor Xuanyuan's death."

"Really?"

Zi Han immediately stared at Ye Feng beside him, with a look of hope in his beautiful eyes, and said loudly: "Junior Brother Ye Feng, thank you for taking care of our ancestors."

Obviously, what Zi Han said at this time did not indicate that Ye Feng could cure Patriarch Xuanyuan. Maybe Zi Han felt that Ye Feng was just comforting her.

Ye Feng also noticed this, but did not say anything more.

After he walked out of the ancestral forbidden area this time, he planned to directly use the first enlightenment ability of the Wordless Heavenly Book to see if he could successfully enlighten the great life technique in the Heaven-reaching Sacred Tree.

"I hope that this time my awakened enlightenment talent will be able to give me some power, allowing me to realize the Great Life Technique..."

At this time, Ye Feng couldn't help but murmur secretly in his heart.

Both of them were worried and continued to travel in the ancestral forbidden area.

After half a day, they finally left the area of the Ancestral Forbidden Land, returned to the entrance of the Ancestral Forbidden Land, and came to the internal area of the Xuanyuan family.

But just when Ye Feng and Zi Han came out of the ancestral forbidden area and returned to the family's internal area.

"Swish, swish, swish!"

"Swish, swish, swish!"

Suddenly, a large group of masters from the Xuanyuan family, all with eyes filled with cold murderous intent, numbered hundreds of masters, including Ye Feng and Zi Han, who had just come out of the entrance to the ancestral forbidden land. Surrounded.

At the front of this group of hundreds of masters stood two old men in black robes with stern expressions, staring at Ye Feng and Zi Han.

These two old men in black robes are the guardians of Xuanyuan Tuo who escaped from the ancestral forbidden area before!

At this moment, an old man in black robes immediately said coldly: "With the wishes of the Supreme Elder, you two, Ye Feng and Zi Han, will be put on trial. Ye Feng killed Xuanyuan Tuo and deserves death. He will be killed on the spot, but Zi Han, as the heir of my Xuanyuan family, did not help his clan member Xuanyuan Tuo, but instead became an accomplice of Ye Feng, imprisoned directly, and thrown into the family prison! "

Chapter 2947 So cruel

At this moment, after the black-robed old man finished speaking, all the masters of the Xuanyuan family on the field all pulled out the long swords at their waists with "swish", "swish" and "swish".

Every master stared at Ye Feng and Zi Han with murderous intent.

At this time, Zi Han said in Ye Feng's ear: "These people are all elites trained by the Supreme Elder. They should have been waiting for us at the entrance of this ancestral forbidden land for a long time. I knew that the Supreme Elder would definitely He won't let us go."

Ye Feng also nodded slightly at this time.

Before, after Ye Feng killed Xuanyuan Tuo, he knew very well that Xuanyuan Tuo's grandfather, the Supreme Elder, would definitely try every means to deal with him, but he didn't expect to act so quickly.

At this moment, Ye Feng looked at the old man in black robe who was making a sound not far away, and suddenly a trace of sneer appeared on his face, and he said loudly: "No one in this world can judge me. ." ??

"Arrogant!"

The old man in black robe who led a group of Xuanyuan family masters suddenly smiled coldly and said: "Boy, you have to know that this is the territory of our Xuanyuan family. You can't escape from here today."

After finishing speaking, the old man in black robe looked at Zi Han who was standing next to Ye Feng and said loudly: "Miss, I hope you can stay away from this hateful boy, otherwise we will have to kill you too."

Zi Han had an extremely indifferent expression on his face at this moment. He was still standing next to Ye Feng and said, "Then I want to see if you dare to take action against me."

At this moment, Zi Han looked around. Every master of the Xuanyuan family who saw Zi Han's eyes couldn't help but lower their heads in fear.

Although most of these masters of the Xuanyuan family are elites trained by the Supreme Elder.

But after all, Zihan is the orthodox heir of the entire Xuanyuan family, the inheritor appointed by the Xuanyuan ancestor himself.

Therefore, these masters of the Xuanyuan family,

She is still afraid of Zi Han, a recognized eldest lady.

When the old man in black robe saw this scene, he immediately secretly said something bad.

Their morale cannot just disappear.

So at this moment, the old man in black robe just shouted: "This is all the order of the Supreme Elder. Zi Han is no longer the eldest lady of our Xuanyuan family, because he openly joined forces with thieves from outside. Together, we will kill members of our own family. The Supreme Elder has already told me that he will soon join forces with the elders to deprive Zi Han of his status as inheritor."

Hearing what the black-robed old man said, a group of Xuanyuan family masters strengthened their inner beliefs.

All of a sudden, they rushed towards Ye Feng and Zi Han, trying to take advantage of the chaos to kill these two people.

After all, these masters of the Xuanyuan family know very well that there are now rumors that Patriarch Xuanyuan has suffered severe trauma and will die soon.

From now on, the most powerful person in the entire Xuanyuan family should be the Supreme Elder.

Therefore, these masters of the Xuanyuan family must quickly join forces now, so that they can have a bright future in the future.

So they all obeyed the orders of the old man in black robes and quickly killed them in the direction of Ye Feng and Zi Han.

Ye Feng was about to take action, but at this time Zi Han's body suddenly burst out with a brilliant golden light.

Zihan's eyes also became majestic and unparalleled, looking down upon the world.

Ye Feng immediately understood that the current Zi Han should be possessed by Empress Xuanyuan.

Sure enough, at this time, Zihan issued

The voice was the cold and majestic voice of Empress Xuanyuan: "I didn't expect that the descendants of the Xuanyuan family would fight among themselves. It really brings shame to my ancestor. Today I will teach you unfilial descendants a lesson!"

boom!

Almost at this moment, Empress Xuanyuan took control of Zihan's body, and then burst out with terrifying power.

She stretched out a hand, and suddenly a huge shadow of the Xuanyuan Empress appeared directly in the sky. Then in an instant, the masters of the Xuanyuan family who rushed towards them were all knocked upside down. go out.

When the old man in black robe saw this scene, his eyes suddenly showed a look of deep horror, and he couldn't help but said: "Why did you, a young girl, suddenly become so powerful? This is impossible! You are in the ancestors What did you get in the land?"

At this time, Zi Han did not respond. He just smiled coldly, flew in front of the black-robed old man, and then blasted out with one hand.

"Pfft!"

One of the black-robed old man's arms was directly beaten to pieces by Zihan.

Then Zi Han continued to attack, breaking both legs of the black-robed old man and making him kneel on the ground.

When Ye Feng saw this scene, he immediately understood that Empress Xuanyuan must have been a ruthless person back then.

At this moment, a group of masters from the Xuanyuan family who were lying in ambush around them all had their eyes widened. It seemed that they did not expect that Zihan, a young inheritor, could burst out with such terrifying power and kill an elder like the black-robed old man. The strong ones were completely crushed.

Buzz!

After dealing with all this, the golden light on Zi Han disappeared.

Apparently Empress Xuanyuan's personality was hidden.

The reason why Empress Xuanyuan showed her power was probably because she was angry.

The descendants of the Xuanyuan family were so dissatisfied that they started fighting among themselves, so they took action to teach them a lesson.

At this time, Zihan's eyes also had a deep brilliance.

Although Empress Xuanyuan controlled her body just now, Zi Han's body soul could also see what Empress Xuanyuan did just now.

She also has great expectations for that kind of powerful power.

"Damn it!"

The old man in black robe whose legs were broken not far away suddenly showed a look of shame in his eyes.

He stared at Ye Feng and Zi Han at this moment, and immediately shouted: "It must be Ye Feng, the thief, who introduced a demon into Zi Han's soul, so Zi Han has such a powerful power." Power, both of them must have been possessed by terrible monsters in the forbidden area. Our Xuanyuan family must completely wipe out these two people who have been taken over by monsters!"

At this time, the old man in black robe could be said to be talking nonsense, but what he said was extremely vicious, directly referring to Ye Feng and Zi Han as monsters.

"Shut up, old man!"

At this moment, Ye Feng's eyes suddenly showed a cruel killing intent. In an instant, he flew in front of the black-robed old man, and then crushed the black-robed old man's head with one hand.

Perhaps Empress Xuanyuan still had mercy on these unsatisfactory descendants of the Xuanyuan family, but she just broke the black-haired old man's legs.

But Ye Feng was not so "kind" anymore. He used his killing move to instantly kill the old man in black robe who was frantically smearing the identities of Ye Feng and Zi Han.

"So cruel!"

A group of masters from the Xuanyuan family around were about to take action, but when they saw how ferocious Ye Feng was, their faces turned pale with fright, and they couldn't help but take a few steps back.

Chapter 2948 Do you have any opinions?

At this time, seeing all the masters of the Xuanyuan family couldn't help but retreat, a cold smile suddenly appeared on Ye Feng's face.

Nowadays, Ye Feng is not as timid as before, even when facing a super big family like the Xuanyuan family.

Now Ye Feng's comprehensive strength has improved by an unknown amount. Even when facing the family that controls the Holy Land of Heaven, Ye Feng can act unscrupulously without worrying about the so-called consequences.

At this time, Ye Feng looked at Zi Han beside him and said loudly: "Senior Sister Zi Han, what should we do with the group of Xuanyuan family masters around us?"

After all, Zi Han is the eldest lady of the Xuanyuan family, and Ye Feng cannot directly take the initiative to do anything at this time.

The reason why he killed the black-haired old man was just a warning given by Ye Feng to these Xuanyuan family masters, to scare the monkeys.

At this moment, Zi Han looked around and said loudly: "You are all the elites of the Xuanyuan family. You were supposed to practice well in the family and resist foreign enemies, but I didn't expect that you actually listened to the slander of the Supreme Elder and wanted to Can't you understand the sinister intention of the Supreme Elder who came to harm me, the successor of the Xuanyuan family? He wants to destroy the foundation of our Xuanyuan family!"

After hearing Zi Han's words of instruction, a group of masters from the Xuanyuan family all around them lowered their heads and did not dare to say anything more.

At this time, Zi Han was about to continue saying something.

boom!

But suddenly at this moment, a huge and boundless cultivation momentum suddenly descended from high in the sky.

This terrifying cultivation momentum made both Ye Feng and Zi Han feel a deep pressure in an instant.

A feeling of powerlessness, as if they could not resist, spread in the hearts of the two of them.

At this moment, Ye Feng suddenly understood that it was the Supreme Elder who had arrived.

Because in the entire Xuanyuan family, there are only two people who can make themselves feel such a strong sense of depression.

One is Patriarch Xuanyuan.

The other one is the mysterious Supreme Elder of the Xuanyuan family.

Sure enough, it was the next moment.

Buzz!

Throughout the sky, under the infinite divine light

Among them, a majestic old man wearing purple robes appeared.

This majestic old man wears elegant and luxurious clothes and is extremely tall. He does not feel like a decrepit old man, but like a terrifying lion, with deep coercion and boundless momentum. .

At this moment, a group of Xuanyuan family masters around them all knelt on the ground respectfully and said respectfully: "Welcome to the Supreme Elder!"

"The Great Elder!"

At this moment, even Zi Han's eyes changed slightly.

Because even though Zihan is the inheritor of the entire Xuanyuan family, he can't help but feel a natural fear when he meets an extremely noble elder like the Supreme Elder.

At this moment, Zi Han slightly clasped his fists and said: "Tai Shang Elder, I don't know why Tai Shang Elder did such a thing to me. He actually sent his men to lurk here, trying to surround and kill me, the heir of the Xuanyuan family. By."

The Supreme Elder stood high in the sky at this time, looking very majestic.

At this moment, his lion-like eyes were fixed on Zi Han below, and he said aloud: "No one will deal with you, the inheritor of the Xuanyuan family, because you are a member of our Xuanyuan family, but you just want to think that we are in danger." It's just you. What we have to deal with is Ye Feng, an external thief. Miss, you should leave this Ye Feng as soon as possible. He must die today. Don't use your status as the inheritor to help this Ye Feng, because there is no any use."

When the Supreme Elder said such words at this time, he was already judging Ye Feng's fate.

That means Ye Feng must die today!

No one can stop it!

Even Zi Han, the inheritor of the Xuanyuan family, has no effect.

Buzz!

At this moment, the Supreme Elder casually stretched out a hand and teleported Zi Han from Ye Feng's side to another space, far away from the area where Ye Feng was.

Uh-huh!

The next moment, the Supreme Elder had arrived in front of Ye Feng and grabbed it with one hand.

boom!

At this moment, Ye Feng felt that the whole world was pressing towards him.

That hand gave Ye Feng a very terrifying feeling, as if he couldn't resist it.

It has to be said that the Supreme Elder of the Xuanyuan Family is indeed the most mysterious and unpredictable elder in the Xuanyuan Family besides Patriarch Xuanyuan. His strength and cultivation are indeed terrifying.

But at this moment, Ye Feng naturally couldn't hold back.

Ye Feng's chaotic body has now been upgraded to a whole new level. He directly inspired his most powerful power at this moment, and then punched out hard in an instant.

Boom!

However, Ye Feng's punch did not shatter the pressure of heaven and earth caused by the palm of the Supreme Elder, but he was still bound by this pressure of heaven and earth.

When the Supreme Elder saw this scene, he immediately smiled coldly and said: "Boy, although your talent is very terrifying, you are still unable to fight against such a terrifying transcendent existence like me."

At this moment, Ye Feng had a look of surprise in his eyes. He did not expect that the strength of this supreme elder would be so terrifying.

But Ye Feng did not feel discouraged at this moment, but still took a deep breath, and then burst out all his strength in an instant.

At this moment, Ye Feng used the Xuanyuan Emperor skill that Zi Han had taught him before.

The Xuanyuan Emperor Kung Fu is the most terrifying super inheritance of the Xuanyuan family.

Ye Feng uses the inheritance of the Xuanyuan family to deal with the Supreme Elder, which is equivalent to naturally suppressing the Supreme Elder.

You must know that the Xuanyuan Emperor Kung Fu is the super inheritance of the ancestors of the Xuanyuan family. It is naturally repressive to the descendants of the Xuanyuan family like the Supreme Elder.

Sure enough, the moment Ye Feng displayed the Emperor Xuanyuan Kung Fu, he punched out. The majestic silhouette of Emperor Xuanyuan suddenly appeared in his punch.

All of a sudden, the hand extended by the Supreme Elder was

The coercion caused by the heaven and earth caused the explosion to be shattered into pieces.

Wow...

Seeing this scene, the Supreme Elder immediately widened his eyes and couldn't help but said: "Boy, what kind of inheritance did you have just now? Why did you give me such blood-based fear?"

At this time, the Supreme Elder seemed to have thought of something and couldn't help but exclaimed: "Did Zihan share the most mysterious and unpredictable ancestral inheritance of our Xuanyuan family with you? Damn it!"

At this moment, the Supreme Elder of the Xuanyuan Family said, his tone full of deep anger: "Boy, you dare to practice the ancestral inheritance of our Xuanyuan Family. It seems that I really can't spare you today. You must Death, because the ancestral heritage of our Xuanyuan family must not be tampered with by outsiders! Moreover, Zihan is betraying the entire Xuanyuan family by doing such a hateful thing, and she must also accept punishment!"

At this moment, the Supreme Elder was speaking, and a terrifying and boundless murderous aura suddenly erupted from his body, as if it could destroy the world.

Even at this moment, Ye Feng felt that his whole body was about to break apart.

Buzz!

But at the next moment, another terrifying and boundless aura appeared in the entire world.

An old man wearing armor, who looked like an old God of War, appeared.

It is Patriarch Xuanyuan!

Uh-huh!

At this time, Patriarch Xuanyuan suddenly teleported to Ye Feng's side, seeming to support the entire world.

Ancestor Xuanyuan stared at the furious Taishang Elder opposite him, and said calmly: "Everything Zi Han did, including letting Ye Feng enter the ancestral forbidden area and obtain the ancestral inheritance, was all instructed by this ancestor. , They are not guilty, Grand Elder, do you have any opinion?"

"Ancestor, you...!"

Hearing what Ancestor Xuanyuan said, the furious expression of the Supreme Elder suddenly became extremely stiff and livid.

Although the Supreme Elder has the intention to usurp the throne, Patriarch Xuanyuan has not yet completely fallen. He does not dare to confront Patriarch Xuanyuan, the living fossil of the Xuanyuan family, in public.

Chapter 2949 Entering a state of enlightenment

At this time, facing the incomparably majestic Ancestor Xuanyuan, the Supreme Elder who was so arrogant just now was like a shrunken turtle, standing not far away from Ancestor Xuanyuan.

The Supreme Elder couldn't help but said: "Ancestor, since all this is your arrangement, then I can't control it so much. I'm leaving first."

At this moment, after finishing speaking, the Supreme Elder immediately left the scene in despair.

Ye Feng saw this scene and his eyes were a little surprised.

Unexpectedly, this Supreme Elder was so afraid of Patriarch Xuanyuan.

It seems that Patriarch Xuanyuan still has something, and his majesty in the entire Xuanyuan family is extremely deep.

No wonder Patriarch Xuanyuan said before that as long as he has not completely gone to death, no one in the entire Xuanyuan family can shake Zihan's identity as the successor.

However, Patriarch Xuanyuan seems to know that his time is running out. After he dies, Zi Han will probably be targeted in various ways within the entire Xuanyuan family.

That's why Patriarch Xuanyuan came up with the idea of cultivating Ye Feng as a helper.

At this moment, Ye Feng and Zi Han both came in front of Patriarch Xuanyuan.

Uh-huh!

Patriarch Xuanyuan didn't say much, and just flew not far away.

Ye Feng and Zi Han looked at each other, and then immediately followed them.

The surrounding group of Xuanyuan family masters were all timid and retreated.

After all, not even the Supreme Elder dared to disobey Patriarch Xuanyuan's will, let alone ordinary elite masters of the Xuanyuan family like them.

Before leaving, Ye Feng secretly devoured the blood energy of the old man in black robe whom he had killed before.

It has to be said that this old man in black robe is worthy of being the guardian of Xuanyuan Tuo. He is still very strong and has provided Ye Feng with a lot of skills.

Ye Feng's skill has improved a lot. Although he has not yet broken through to the current level, the eighth level of the Creation Realm, he is close to it.

Half an hour later, Ye Feng and Zi Han followed Patriarch Xuanyuan and arrived.

The residence of Patriarch Xuanyuan.

At this moment, Zi Han finally couldn't bear it anymore and immediately said: "Ancestor, this Supreme Elder is becoming more and more impudent. He dares to attack me and Junior Brother Ye Feng in the family."

When Patriarch Xuanyuan heard what Zi Han said, he couldn't help but shook his head helplessly and said loudly: "The Supreme Elder probably thought that I had died in seclusion, but what he didn't expect was that I was still alive. alive, so I can still shock him."

Zi Han couldn't help but said: "Ancestor, you are about to die anyway, why not kill the Supreme Elder while you are still alive? This way, the future troubles will be eliminated forever, otherwise, I will wait for you, Ancestor." If he dies, it will be troublesome."

When Patriarch Xuanyuan heard what Zi Han said, he couldn't help but shook his head and said loudly: "Although my current strength can still frighten the Supreme Elder, I can no longer kill him, and I can't kill him." A supreme elder is of little use. There are many other strong men in the entire group of elders, so girl Zihan, you have to remember that to manage the entire big family, killing people to establish authority is only a means in special times. The real means just to scare them and make them do things for the family."

When Zi Han heard what Ancestor Xuanyuan said, he immediately nodded and said: "Ancestor, I remember your teachings."

At this moment, Ancestor Xuanyuan suddenly stared at Zi Han in front of him, and couldn't help but said: "It seems that you have received the inheritance from your ancestors in the land of your ancestors."

Zihan immediately couldn't help but nodded excitedly and said aloud: "If Junior Brother Ye Feng hadn't helped me, then I might not have been able to obtain the ancestral inheritance. After all, the ancestral inheritance was first discovered by Xuanyuan Tuo and his two guardians. , it was Ye Feng who beat Xuanyuan Tuo and his gang away."

When Ancestor Xuanyuan heard what Zi Han said, he immediately nodded slightly, then looked at Ye Feng, and couldn't help but said with emotion: "Ye Feng, I really owe it to you this time."

Ye Feng slightly cupped his fists and raised his fists

He said in a loud voice: "I don't dare to take it seriously. Senior Sister Zihan has already passed on the ancestral inheritance to me, so this is already the greatest reward for me. Senior Xuanyuan does not need to be so polite."

At this time, after Ye Feng finished speaking, he suddenly seemed to have thought of something and couldn't help but said: "Senior Xuanyuan, this time I entered the ancestral forbidden area and awakened an ability that may be able to help Senior Xuanyuan heal your injuries. "

Hearing what Ye Feng said, Patriarch Xuanyuan had a look of surprise in his eyes.

Because he didn't expect Ye Feng to still remember this incident.

After all, Patriarch Xuanyuan thought that Ye Feng was just comforting him.

Unexpectedly, Ye Feng has always cared about this matter.

At this time, Patriarch Xuanyuan still felt that Ye Feng had no means to cure his injuries.

After all, Patriarch Xuanyuan was very clear about his physical condition, which was a serious injury that could not be treated by the top alchemist in the center of the entire God Realm.

, but in order not to discourage Ye Feng's enthusiasm, Patriarch Xuanyuan still smiled slightly and said: "So Ye Feng, what can you do? You can try it. I don't have any objections anyway."

Ye Feng nodded slightly, and then said aloud: "Give me one night, and I will help Senior Xuanyuan with your treatment tomorrow."

Ancestor Xuanyuan seemed to see the confident light in Ye Feng's eyes, and became more and more curious. He wondered if this young man could surprise him.

At this moment, when Ye Feng mentioned this matter again, Zi Han, who was standing aside, also had a look of deep surprise in his beautiful eyes. It seemed that he did not expect that Ye Feng was really confident that he could cure their Xuanyuan family. ancestors.

...

At night, Ye Feng lived in a wing of the Xuanyuan Ancestor's mansion.

At this moment, Ye Feng activated his bloodline talent.

Buzz!

The wordless heavenly book appeared above his head, emitting a faint light.

Uh-huh!

At this time, Ye Feng took out the Heaven-reaching Sacred Tree that was fused into his body, and then began to use the wordless book's epiphany ability once every three months.

Buzz!

At this moment, Ye Feng entered a state of enlightenment.

Suddenly, he felt the infinite secret of life, frantically drilling into his body from the sky-reaching sacred tree.

Under normal circumstances, it would be very obscure and difficult for Ye Feng to understand the secrets of life in the Heaven-reaching Sacred Tree.

He can't even sense the profound meaning of life in the sacred tree.

But now, the profound meaning of life contained in the Heaven-reaching Sacred Tree was crazily sucked into Ye Feng's body like a sponge absorbing water.

Ye Feng's understanding of the mysteries of life is rapidly improving at an exponential rate at this moment.

And once Ye Feng can understand the secret of life to a very high level, he will be able to touch the supreme art of three thousand avenues, the Great Life Art.

...

Early the next morning.

Ye Feng's eyes were shining as he walked out of the wing where he lived and went straight to the center of the mansion.

At this moment, Patriarch Xuanyuan and Zi Han were standing in the garden in the center of the mansion.

Patriarch Xuanyuan had a solemn look on his face and was saying something to Zi Han, as if he was explaining the funeral arrangements.

Ye Feng ran over and said excitedly: "Senior Xuanyuan, I succeeded, let's start treating the injury!"

"What?"

Patriarch Xuanyuan was explaining the funeral arrangements, but he didn't expect Ye Feng to directly say that he succeeded.

Even an old man like Patriarch Xuanyuan looked a little dazed at this moment, and then couldn't help but smile dumbly and said: "Little friend Ye Feng, then help me start the treatment. I want to see, Ye Little friend Feng, what method are you going to use? If you, little friend Ye Feng, can cure me of my injuries from the ancient war, then I will make you the king of the Xuanyuan family!"

Chapter 2950 Establishing Prestige

Ye Feng didn't care so much about Patriarch Xuanyuan's promise at this moment and why he had a different surname: Wang.

Since Ye Feng had promised to treat Patriarch Xuanyuan's injury before, Ye Feng would do his best to do this and would not break his promise.

So at this time, even if Patriarch Xuanyuan did not give Ye Feng any benefits, Ye Feng would naturally help treat Patriarch Xuanyuan's injuries.

At this time, Zi Han stood aside with a look of deep surprise in his eyes.

She didn't seem to expect that Ye Feng actually started to treat the ancestor of their Xuanyuan family.

After all, Zi Han originally thought that the ancestor of their Xuanyuan family must be dead. .??.

You know, that is an injury that even the number one alchemist in the center of the God Realm cannot treat.

But now, Ye Feng's appearance has given Zi Han new hope.

At this time, Patriarch Xuanyuan looked at Ye Feng in front of him, smiled kindly, and asked: "Little friend Ye Feng, how should I cooperate with you next? Do I need to do anything?"

Ye Feng smiled slightly and said aloud: "Senior Xuanyuan doesn't need to do anything more, just stand here quietly, and leave everything to me."

Buzz!

At this moment, Ye Feng didn't hesitate at all, and directly released the Great Life Technique, and then cast it on the body of Patriarch Xuanyuan in front of him.

At this moment, Zi Han, who was standing aside, suddenly saw that waves of vibrant green energy suddenly appeared on Ye Feng's body, all of which enveloped Ancestor Xuanyuan.

At this moment, the death energy accumulated in Ancestor Xuanyuan's body for countless years was being rapidly purified by the vibrant green energy.

"What kind of energy is this that can actually purify my body of the death energy left over from ancient wars?"

At this moment, even Ancestor Xuanyuan showed deep horror in his eyes.

Because he had visited the number one alchemist in the center of the God Realm before.

The alchemist refined extremely precious god-level healing elixirs, but they were unable to dispel the aura of death in his body.

Moreover, the number one alchemist also said that no elixir or energy in the world can remove this kind of death aura.

Therefore, Patriarch Xuanyuan felt that he was bound to die.

r\u003e

recent. Patriarch Xuanyuan has always been arranging his own funeral arrangements.

But at this moment, Patriarch Xuanyuan's old eyes burst out with vitality.

The old man never thought that the young man named Ye Feng in front of him had such a magical method, which could be called a divine skill.

It was actually able to purify the air of death from his body.

You must know that Patriarch Xuanyuan's injury has never been able to heal, because this aura of death that has remained for hundreds of thousands of years cannot be purified and has been devouring Patriarch Xuanyuan's vitality.

But now the green energy released by Ye Feng was able to dispel the aura of death in his body.

This really made Patriarch Xuanyuan feel like a dead tree was coming back to life, and he seemed to be coming back to life.

"Hahaha, my ancestor Xuanyuan can live another life!"

At this time, Ye Feng's Great Life Technique dispelled the death aura from Patriarch Xuanyuan's body.

Ancestor Xuanyuan's vast magic power directly restored Ancestor Xuanyuan's former vitality.

At this time, Ye Feng saw that Patriarch Xuanyuan's appearance had changed from old to extremely young at this moment.

In the end, it was as if he had rejuvenated his youth, transforming from a stumbling old man into a magnificent young man.

At this moment, Patriarch Xuanyuan is like a maggot with his bones removed. He has been reborn for the rest of his life. He is unparalleled in majesty and as rich as jade. He seems to be full of infinite momentum, his eyes are radiant, and he seems to be able to control the entire sky with his movements. He controls both the land and the earth, just like a god.

Zi Han opened his mouth slightly at this time, as if he didn't expect Ye Feng's treatment to be so effective.

It directly restored the youth of their Xuanyuan family ancestors, and even restored their peak strength in the past.

At this time, Ye Feng stopped using the Great Life Technique.

Because he knew that Patriarch Xuanyuan no longer needed treatment by himself at this time and had completely recovered his health.

At this moment, Mr. Xuanyuan became a young man.

Zu, whose voice was still extremely old, stared at Ye Feng, with a bright light in his eyes, and said loudly: "This time, you saved my life. From now on, I will be your most powerful supporter. In the Holy Land of Heaven, no matter how big a mistake you make in the future, it will not matter, I will help you!"

At this time, when Ye Feng heard what Ancestor Xuanyuan said, he was very happy and said quickly: "Thank you, Senior Xuanyuan, for taking care of me!"

Ye Feng knew very well that having a super strong person like Patriarch Xuanyuan as his backer was more reliable than any other benefit.

At this time, Zi Han suddenly said: "Ancestor, can you take care of the Supreme Elder now?"

Obviously, Zi Han has never forgotten that the Taishang Elder shouted at her before, and always wanted to punish the Taishang Elder.

Patriarch Xuanyuan laughed at this time and said: "Okay, the Supreme Elder took advantage of me to be seriously injured and behaved so recklessly in our Xuanyuan family. We really need to take care of him today." .??.

boom!

Almost at the moment when Patriarch Xuanyuan finished speaking, Patriarch Xuanyuan suddenly flew high into the sky with Ye Feng and Zi Han.

Then Patriarch Xuanyuan directly stretched out a hand, and suddenly the infinite energy in the entire world gathered together and turned into a huge hand.

boom!

This huge hand, like a pillar of heaven, endlessly majestic, full of terrifying pressure and energy, instantly grabbed it towards the direction where the elders lived deep in the Xuanyuan family.

"It's the ancestor who took action!"

"The ancestors are young again!"

"Our ancestor of the Xuanyuan family at the peak of his powers is back again, that's great!"

The next moment, the entire Xuanyuan family was completely boiling.

Because after Patriarch Xuanyuan returned to his peak state at this time, the power of heaven and earth caused was simply terrifying to the extreme, making all the masters of the Xuanyuan family unable to help but tremble, awed, excited, and even couldn't help but kneel down.

At this time, the figure of the Supreme Elder appeared in the hands of Patriarch Xuanyuan.

Apparently Patriarch Xuanyuan forcibly captured the Supreme Elder from within the family.

At this moment, staring at Patriarch Xuanyuan who looked like a demon god, the Supreme Elder was immediately frightened and became weak, and his face turned pale.

He immediately understood that Patriarch Xuanyuan had completely restored his former power.

At this moment, the Supreme Elder immediately knelt in front of Ancestor Xuanyuan and cried bitterly: "Ancestor, please forgive me. It was my lack of foresight that offended the ancestors, and also offended Mr. Ye Feng and Mr. Miss Zihan, I am guilty, please punish me, but please do not kill me. I have made great contributions to the entire Xuanyuan family over the years!"

At this time, Patriarch Xuanyuan saw the Supreme Elders kneeling down, and immediately nodded slightly and said: "As the Supreme Elder of the Elder Council, you have indeed done a lot for our Xuanyuan family over the years. However, you have made very rude actions towards Xiaoyou Ye Feng and Zi Han, the recognized heirs. If you want me to spare your life, you must first seek their opinions. "

Hearing what Patriarch Xuanyuan said, the Supreme Elder immediately knelt down in front of Ye Feng and Zi Han, crying bitterly and saying: "Please be kind enough to let me go! Miss, I have been here all these years. There is hard work in the Xuanyuan family, and Master Ye Feng, my grandson is too naughty, he died well!"

When Zi Han heard what the Supreme Elder said, he frowned slightly, then looked at Ye Feng and said, "Ye Feng, what did you say?"

Ye Feng just smiled slightly and said: "I am not familiar with the Supreme Elder of your Xuanyuan family. It is up to you, Senior Sister Zihan, to make the decision. After all, you are the successor of the Xuanyuan family."

At this moment, after Ye Feng finished speaking, he looked slightly at Patriarch Xuanyuan beside him.

He discovered it immediately, and Patriarch Xuanyuan also looked at him meaningfully.

The next moment, Ye Feng suddenly understood that his guess was correct. Patriarch Xuanyuan suddenly took action and made the Taishang Elder admit his mistake under the spotlight. In fact, it was to give Zihan, the future successor of the Xuanyuan family, Establish authority.

So at this time, Ye Feng naturally would not force his way forward, but would leave the choice to Senior Sister Zi Han.

After all, Senior Sister Zi Han will eventually take over the entire Xuanyuan family in the future, so today it is very important for Patriarch Xuanyuan to establish his authority for Zi Han.

Ye Feng knew that at this moment, he only needed to watch and enjoy himself, and there was no need to participate in anything else.
