

Ancient 2971

Chapter 2971 Is it really that strong?

Three days later, Ye Feng returned to the center of the God Realm once again through Empress Xuanyuan's teleportation array.

Ye Feng's speed was very fast, and in less than a few hours, he had returned to the area of the Holy Land of Heaven.

But just when Ye Feng arrived at Tiandao Holy Land, he suddenly sensed a terrifying and huge murderous aura that was densely spread throughout Tiandao Holy Land.

Uh-huh!

Ye Feng flew quickly towards the interior of Tiandao Holy Land in an instant. He saw countless disciples of Tiandao Holy Land, all gathered around a certain area of Tiandao Holy Land.

That area turned out to be the area where the Xuanyuan family was located!

"In the end what happened?"

Ye Feng had doubts in his eyes and immediately stepped forward.

Ye Feng looked at a Tiandao Holy Land disciple next to him and asked: "Sister, what happened? Why are so many people gathered here?"

The senior sister who was questioned by Ye Feng glanced at Ye Feng beside her and saw the other person's delicate appearance and thought she was a new disciple.

This fat senior sister immediately smiled and said: "Little junior brother, you don't know this, do you? Today, the family behind our Tiandao Holy Land is having a family competition to choose the position of the Holy Son of our Tiandao Holy Land. , so today many disciples from our Tiandao Holy Land came to watch, and even many elders came here to see the fighting situation of each family. After all, these are the families behind our Tiandao Holy Land. Ah, there will definitely be an extremely powerful super genius appearing, it will definitely be a rare event in a hundred years."

"A competition between the controller families?"

When Ye Feng heard this senior sister say this, he nodded slightly and understood something.

At this time, Ye Feng squeezed into the crowd and wanted to take a look at the current situation.

After all, among the several controlling families behind the Holy Land of Heaven, the relationship between the Xuanyuan family and Ye Feng is still very good.

Ye Feng wonders if the eldest lady of the Xuanyuan family has returned?

If the eldest lady of the Xuanyuan family does not come back, then the Xuanyuan family will most likely be in a weak position.

At that time, Ye Feng would consider taking action to help the Xuanyuan family.

After all, Ye Feng is also quite interested in the fight for the position of the Holy Son.

Moreover, Ye Feng wants to know what level his current cultivation strength is in the entire Tiandao Holy Land.

Qin Susu, who was from the Yiyuan Dao Sect in the Great World of Origin, said that his current comprehensive strength is considered a peerless master in the center of the God Realm.

Of course, the premise is that Ye Feng uses that supreme treasure, the feathers of the god-level phoenix.

Ye Feng now wants to try to see what level his normal combat power is.

When Ye Feng squeezed into the crowd, he immediately saw the battles between several big families, all of which were extremely fierce.

But the Xuanyuan family is extremely lonely.

Because Xuanyuan Tuo, the former super genius of the Xuanyuan family, was killed by Ye Feng.

Moreover, Miss Zihan, who is now possessed by Empress Xuanyuan, has not come back and is probably still training in Tianwaitian.

Therefore, the Xuanyuan family is currently very lacking in the younger generation of super geniuses. The few who are on the field are less famous geniuses in the Xuanyuan family, so their performance in battles is not very good, and they have been beaten.

Seeing this scene, Ye Feng's eyes flashed. It seemed that he had to help the Xuanyuan family.

After all, Patriarch Xuanyuan has great kindness to him. Ye Feng saw that the Xuanyuan family was suppressed, so naturally he would not sit idly by.

And we can just take advantage of this opportunity to have a good meeting with the so-called top geniuses who control the families behind these Heavenly Dao Holy Lands, and see how much they weigh.

Uh-huh!

At this moment, Ye Feng came directly to the area where many elders of the Xuanyuan family and the geniuses of the family were seated.

"It's Young Master Ye Feng!"

A group of Xuanyuan family elders saw Ye Feng arriving

, their eyes showed deep surprise.

Because they knew very well that Ye Feng was a super genius who could rival the eldest daughter of their Xuanyuan family.

Moreover, Ye Feng has a very good relationship with the eldest lady of their Xuanyuan family.

At this time, an elder of the Xuanyuan family couldn't help but said: "Master Ye Feng, where is the eldest daughter of our family now? Our Xuanyuan family needs the eldest daughter to bring honor to our family."

When Ye Feng heard this, he immediately shook his head and said: "I don't know exactly where Senior Sister Zihan is now, but I am sure that she will not be able to return in a short time. She is already in a special place. It's going to be a long time before I can return due to local experience."

"What?"

Hearing what Ye Feng said, a group of Xuanyuan family elders and geniuses couldn't help but look a little ugly.

If you put it this way, in today's battle between the controlling families, the Xuanyuan family will lose miserably.

Because the other top geniuses from the Controller family have now returned.

An elder of the Xuanyuan family couldn't help but sigh: "Hey, what can we do?"

Ye Feng suddenly said: "I can fight for the Xuanyuan family."

"What?"

Hearing what Ye Feng said, many Xuanyuan family elders and geniuses couldn't help showing surprise in their eyes, as if they didn't expect Ye Feng to be willing to fight for their Xuanyuan family.

But I thought of the indescribable relationship between Ye Feng and the eldest lady of their Xuanyuan family.

Moreover, Patriarch Xuanyuan attaches great importance to Ye Feng.

A group of Xuanyuan family elders all said in surprise: "If Mr. Ye Feng is willing to fight for our Xuanyuan family, that would be great!"

An elder said aloud: "However, Young Master Ye Feng is an outsider to our Xuanyuan family. I don't know if he is allowed to participate in this battle."

Ye Feng smiled and said: "Ancestor Xuanyuan and I are both teachers and friends.

You just say that I am the true disciple of Patriarch Xuanyuan, that's fine. "

Hearing what Ye Feng said, several elders of the Xuanyuan family all brightened their eyes, and immediately agreed with a smile and said: "That's right, that's enough. The true disciples of our ancestors naturally belong to our Xuanyuan family. members, no one can stop it."

"The Xuanyuan family is a bunch of geniuses, but I think they are just a bunch of idiots."

Suddenly at this moment, a very sarcastic laughter suddenly sounded on the competition stage not far away.

It was a young man wearing black armor. He was as tall as jade and had a tall and straight body, like a young demon god. He was holding a pitch-black halberd in his hand, and he looked extraordinary.

"Who is this person?"

Ye Feng's eyes suddenly flashed and he asked aloud.

"He is one of the top five geniuses of this generation of the Zhou family. His name is Zhou Yuan."

An elder of the Xuanyuan family next to him seemed to have an angry look in his eyes, and he said loudly: "This Zhou Yuan is very impudent and has provoked our Xuanyuan family many times, but all the super geniuses of our Xuanyuan family were defeated by him. Yes, his cultivation is extremely powerful, and it seems that he has recently refined the soul of an ancient demon dragon and entered his body. It is very terrifying and cannot be resisted by ordinary geniuses. "

Hearing this, Ye Feng couldn't help but smile slightly and said: "Leave it to me. A so-called top genius from the tenth level of the Eternal Realm is just an ant in my eyes now."

"Just ants?"

The surrounding group of Xuanyuan family elders and geniuses couldn't help but trembled when they heard what Ye Feng said.

They all stared at Ye Feng, feeling horrified in their hearts.

How far has Master Ye Feng grown to now?

The top genius at the tenth level of the Eternal Realm is only worthy of being an ant in his eyes?

It's really shocking!

It's also exciting!

Is this young lady's best friend really that strong?

Chapter 2972 The focus of the audience

"The Xuanyuan family is really in decline. It can't even beat the Zhou family's fifth-ranked genius. It's really weak."

"Yes, the Xuanyuan family has indeed lost its former glory. There are seven control families in our Holy Land of Heaven. The Xuanyuan family estimates that after this competition, it will be ranked last. By then, many families should be divided up. industry."

"The eldest lady of the Xuanyuan family is very powerful, but I don't know why she has never appeared. However, the Zhou family has recently produced a peerless evildoer. She is the number one Zhou Wenwu. It is said that she is a god descended from heaven. She has unparalleled talents and is born with supreme bones. I guess No one can be his opponent."

...

At this moment, all the disciples of the Holy Land of Heaven present could not help but speak out one after another. Many of them expressed regret for the Xuanyuan family in their tone. Of course, most of them had a merciless attitude towards the Xuanyuan family. Ironic meaning.

After all, the Xuanyuan family has always been very glorious, but now it is in decline. The younger generation of geniuses are not taking over, which naturally makes many people feel like they are adding insult to injury.

At this time, Zhou Yuan, the fifth genius of the Zhou family, was still mercilessly adding insult to injury and said sarcastically: "The Xuanyuan family is really in decline. Didn't Patriarch Xuanyuan fight with our Zhou family elders just because of a newcomer? The ancestors are fighting. Now, I am following the orders of our ancestors of the Zhou family to suppress and humiliate your Xuanyuan family. However, your Xuanyuan family can't do anything to me, because your younger generation is too weak. It is not my move. Anyone who dares to come up will die, hahaha."

At this moment, this Zhou Yuan was speaking, holding the black halberd in his hand, and his armor was extremely majestic, giving people an irresistible feeling.

"Oh? Are you really so sure that the Xuanyuan family can't do anything to you?"

But suddenly at this moment, a faint laughter sounded, with a very relaxed tone.

"who?"

Zhou Yuan's eyes turned cold, and his dagger-like gaze was instantly fixed on the speaker.

That was a young man dressed in white.

fancy

Go to be extremely handsome.

Seems harmless to humans and animals.

"It's you!"

Zhou Yuan immediately revealed a playful smile in his eyes: "I thought it was who it was. It turned out to be the little cub that was like a lost dog in the hands of our ancestors of the Zhou family that day. But you were lucky, and you were listed as ancestor Xuanyuan. Let's He is willing to fight for you and fight against our ancestors of the Zhou family, but if you want to fight me today, you will definitely die. "

"Really?"

The boy in white clothes is naturally Ye Feng.

Uh-huh!

At this moment, Ye Feng dodged and jumped directly onto the competition platform.

At this time, Ye Feng looked at the competition platform around him with a look of sadness in his eyes.

Since he started practicing, Ye Feng has been on countless competition stages, large and small.

However, Ye Feng has never been defeated!

At this time, as Ye Feng entered the competition stage, the countless disciples from the Holy Land of Heaven who were watching couldn't help but burst into excitement.

After all, Ye Feng was suppressed by the ancestors of the Zhou family before, but it caused an uproar in the Holy Land of Heaven.

Therefore, Ye Feng still has some reputation in the Holy Land of Heaven.

But, it's just some fame.

After all, Ye Feng's record in the Holy Land of Heaven is not brilliant.

Many people don't know Ye Feng's true strength.

I just feel that Ye Feng is a new talent with good potential.

"It's that senior brother Ye Feng! He is actually in the Xuanyuan family."

"Nonsense, he was targeted by a terrifying big shot like the ancestor of the Zhou family, so he naturally had to hide in the Xuanyuan family

."

"I didn't expect that he would fight on behalf of the Xuanyuan family today. His courage is commendable, but Ye Feng only dominates among the core disciples. Compared with the top talents of these controller families, he is probably far behind."

"I also think that the Xuanyuan family doesn't want this trouble and wants to push him out to die."

...

At this moment, countless disciples from the Holy Land of Heaven around could not help but speak out one after another, and their tone was often derogatory.

"He's just a little-known boy. I thought the Xuanyuan family had some trump cards."

At this time, many talented people from other controller families lost interest after taking one look at Ye Feng.

Because they are the inherited disciples of the seven controlling families behind the Holy Land of Heaven, they simply look down upon ordinary disciples of the sect like Ye Feng.

"Ye Feng, your courage is commendable, but if you dare to stand in front of me today, are you looking down on me? I am not an ordinary genius, I am a super genius from the family that controls the situation!"

At this time, Zhou Yuan yelled at Ye Feng, who was opposite the competition platform. He seemed to feel that it was a shame for him to be an enemy of a weak person like Ye Feng.

Ye Feng didn't pay attention to anyone's comments from beginning to end, nor did he pay attention to his opponent's roar at this time.

Ye Feng just had indifferent eyes and a calm expression, and said loudly: "You talk too much nonsense, just take action, otherwise you will have no chance to take action."

"Arrogant! I'll kill you with one move!"

Zhou Yuan shouted loudly, and black light gushed out from his body, like a demon god. He held the black halberd in his hand and stabbed Ye Feng fiercely in an instant.

"Buzz!"

At this moment, Ye Feng didn't make any other big movements, he just stretched out a finger slightly and pointed forward.

"Is this kid crazy?"

Everyone present saw Ye Feng's actions and couldn't help but ridicule him.

Laughing loudly: "It seems that this Ye Feng was really pushed out to die by the Xuanyuan family!"

"boom!!"

But at the next moment, everything that happened on the field made everyone who was laughing sarcastically suddenly widen their eyes.

The moment Ye Feng's finger touched the pitch-black euphoria in Zhou Yuan's hand, an earth-shaking force burst out.

"Click, click..."

Almost at the next moment, Ye Feng's fingers seemed to contain tremendous power, and they instantly shattered the pitch-black halberd in Zhou Yuan's hand.

"What....."

Zhou Yuan's eyes widened all of a sudden. He had never felt so scared before.

He wanted to back away.

But Zhou Yuan couldn't even breathe at this time.

It seemed that he was enveloped by the invisible aura field around Ye Feng.

"How terrifying is this Ye Feng..."

This was Zhou Yuan's last thought.

Because the next moment, after Ye Feng's fingers shattered the black spurge, it had already pierced Zhou Yuan's head.

Bang!

Zhou Yuan straightened his body and fell straight to the ground, killing him instantly.

"What?!"

The scene that happened on the competition stage was so sudden and incredible.

At this moment, countless people watching were wide-eyed and dumbfounded.

The smiles of those who laughed were dull.

Those who were disdainful became stiff.

Those who were not interested suddenly cast their shocked eyes.

Ye Feng, at this moment, instantly became the focus of the audience!

The scene was completely silent!

Chapter 2973 Stand and let you chop
quiet!

Deadly quiet!

No one thought that Zhou Yuan, the fifth genius of the Zhou family, would die so quickly!

At this moment, the eyes of countless people were all focused on Ye Feng.

A series of exclamations suddenly sounded.

"How is this possible! Kill the Zhou family's fifth genius with just one finger?"

At this moment, everyone couldn't help but exclaimed, as if they couldn't believe what they were seeing. .??.

But on the competition stage, Zhou Yuan's cold corpse lying on the ground reminded everyone that all this was real and not an illusion.

"What a strong strength!"

At this time, several other top geniuses from the controller family were originally not interested in Ye Feng.

But at this time, they stared at Ye Feng's figure, with deep solemn expressions in their eyes.

Because Zhou Yuan is still very powerful, the black spurge in his hand, including the set of black armor on his body, are all top-notch equipment.

But he still couldn't resist Ye Feng's attack, and it was only the power of one finger.

No one believed that Zhou Yuan was killed instantly because Zhou Yuan himself was weak.

The real reason is that Ye Feng is too powerful.

Moreover, it is powerful to a very ridiculous level!

To be able to do all this.

Kill Zhou Yuan instantly with one finger!

"It's too scary..."

At this time, even a group of elders and geniuses from the Xuanyuan family had their eyes widened at this moment.

They knew Ye Feng was very powerful, but they didn't expect it to be so powerful.

At this time, the entire field fell into a dead silence.

Originally, everyone thought that there might be an earth-shattering battle between Zhou Yuan and Ye Feng.

But in the end, Zhou Yuan was casually killed by Ye Feng.

However, Zhou Yuan's sudden death was more thrilling than a gorgeous battle.

Because Ye Feng suddenly became a mysterious and unpredictable existence in everyone's hearts!

At this time, Ye Feng's eyes showed a trace of surprise. He looked at Zhou Yuan on the ground and couldn't help but said: "It seems that I still overestimated you. I didn't expect that I could kill you with just one finger."

You killed it, and I thought I was going to use a second finger. "

Wow!

Almost as soon as Ye Feng said these words, an uproar broke out across the entire field.

mad!

Extremely crazy!

No one expected that Ye Feng would say such arrogant words to the Zhou family under the spotlight.

However, a group of people from the Xuanyuan family were all excited because Ye Feng severely slapped the Zhou family in the face under the spotlight.

"I think it's normal for him to say that, because Senior Brother Ye Feng has this strength." Many people said this at this moment.

"Arrogant boy."

At this time, in the Zhou family auditorium, a young man wearing golden armor suddenly stood up.

This young man wearing golden armor immediately stared at Ye Feng on the competition stage and said loudly: "You killed my fifth brother, and then I will let you die on this competition stage as well." !"

boom!

Almost as soon as the young man in blue armor finished speaking, a powerful aura of cultivation that surpassed the Eternal Realm suddenly erupted from his body.

That is clearly the cultivation level of the third level of calamity realm!

It is the same as Ye Feng's current cultivation level.

"It's Zhou Changqing! The third genius of the Zhou family!"

"The cultivation level of the third level of the Tribulation Realm! It's so fierce! This kind of cultivation level is already comparable to the existence of the elders of our Heavenly Dao Holy Land!"

"As expected of the Zhou family, the foundation is so profound!"

At this moment, a group of people around him couldn't help but exclaimed in surprise, with admiration in their eyes.

Buzz!

At this time, Ye Feng also released a huge cultivation aura.

That was clearly the cultivation aura of the third level of calamity realm!

"This Ye Feng has actually broken through to the calamity level!"

"How did he do it? As a new disciple with no power and no support from his family, how could he practice so fast?"

"

"But even if this Ye Feng possesses the calamity level, he probably won't be Zhou Changqing's opponent. You know, behind Zhou Changqing is the foundation of the entire Zhou family, the inheritance of cultivation, and the armors and weapons on his body are all top quality. !"

"This is the heritage of the family."

...

Countless people around him couldn't help but talk about it.

However, just now Ye Feng killed Zhou Yuan instantly with one finger, leaving everyone still in shock.

"How many rounds will Ye Feng and Zhou Changqing, the third genius of the Zhou family, fight, and who will win?"

Many people looked expectantly. ??

Uh-huh!

At this time, Zhou Changqing was wearing golden armor and holding a golden giant sword more than ten meters long in his hand. He looked extraordinary and imposing, like a golden god of war.

Zhou Changqing stared at Ye Feng across from him, his tone was extremely cold, and he said loudly: "You are dead."

boom!

Zhou Changqing burst out with overwhelming power in an instant, and the golden armor on his body surged out with boundless bright golden light, making Zhou Changqing's whole body shine with light. He landed directly in front of Ye Feng, and the golden giant sword in his hand slashed towards Ye Feng's head. Go and behead Ye Feng in public!

But at this time, Ye Feng stood there, not moving at all, as if he was frightened.

Seeing this scene at this time, many children of the Zhou family around them immediately showed sarcastic smiles in their eyes: "Sure enough, this boy is not as powerful as we imagined. Brother Zhou Changqing, the third genius of our Zhou family, is now Using the inheritance of the Golden

God of War, this boy was immediately frightened, and later this boy named Ye Feng would have his head missing. "

when! !

But at the next moment, when the golden giant sword in Zhou Changqing's hand struck Ye Feng's head, it was like striking a copper wall, and a roar of metal collision suddenly erupted.

There was nothing wrong with Ye Feng's head. It was extremely strong and could withstand the slashing blow of Zhou Changqing's golden giant sword.

The golden giant sword in Zhou Changqing's hand did not even cut off a hair on Ye Feng's head.

"This is impossible!"

When Zhou Changqing saw this scene, his eyes widened immediately: "The sword in my hand was forged by my ancestors personally. It is made of the peerless material of Nine Sun Divine Iron. Even if it is the ancient sacred mountain, I can A sword split it in half, but how can your mortal body withstand the sharpness of my peerless sword?"

"I do not believe!"

At this moment, Zhou Changqing roared loudly, burst out his magic power wildly, and used the golden giant sword in his hand to slash Ye Feng's entire body up and down crazily.

Dang Dang Dang...

However, the result still made Zhou Changqing completely desperate.

Because, even if Ye Feng stood there and did not take the initiative to attack, Zhou Changqing could not cause any harm to Ye Feng.

Even if you chop him while he's standing, he won't be able to kill him.

How to fight this?

Zhou Changqing was completely stunned.

Ye Feng suddenly spoke up at this time: "You're almost done, isn't it my turn?"

"no, do not want....."

Zhou Changqing saw the indifference in Ye Feng's eyes at this time, and suddenly felt a deep fear in his heart, and immediately turned around and fled from the competition platform.

But, it's already too late.

Buzz!

Ye Feng stretched out a hand, and the vitality of heaven and earth boiled and rioted. An invisible big hand of heaven and earth instantly pinched Zhou Changqing who was about to escape.

Zhou Changqing was immediately sucked into the air at this moment, struggling crazily, but could not escape Ye Feng's big hand.

"Ye Feng! You have already killed a peerless genius of my Zhou family! You can't kill anymore! Let Zhou Changqing go!"

Suddenly at this time, a group of elders of the Zhou family in the auditorium not far away could not sit still and stood up one after another and became angry.

When Ye Feng heard this, he just smiled indifferently and said, "He wanted to provoke me."

Poof!

The moment the words fell, Ye Feng squeezed his palm fiercely. Zhou Changqing, who was struggling in mid-air, had his whole body explode, staining the sky with blood!

"you.....!"

Seeing this scene, a group of Zhou elders suddenly became extremely stiff and livid!

Chapter 2974 Too cautious

"Damn it!"

At this time, a group of Zhou family elders stared at Ye Feng, with deep gloominess in their eyes.

They never thought that Ye Feng would be so bold and directly kill the super genius of their Zhou family under the spotlight.

And killing them one by one really made their Zhou family lose face.

However, although this group of Zhou elders were very angry, they could not directly attack Ye Feng now.

After all, now that Ye Feng is standing on the fighting stage, only the younger generation of warriors can compete on the stage.

The older generation of strong men are not allowed to take action, otherwise they will break the rules.

At this time, an elder of the Zhou family suddenly thought of something and stared at the group of Xuanyuan family elders in the audience behind Ye Feng. He made a stern voice and asked: "By the way, this Ye Feng is basically If you are not a descendant of your Xuanyuan family, why can you represent your Xuanyuan family in this competition? Your Xuanyuan family is breaking the rules!"

"snort."

At this time, an elder of the Xuanyuan family immediately defended himself and said: "Master Ye Feng is the true disciple of our ancestor of the Xuanyuan family. Why can't he represent our Xuanyuan family in this competition?"

"A true disciple of Patriarch Xuanyuan?"

At this moment, when the elder of the Xuanyuan family said this, the questioning elder of the Zhou family was immediately speechless.

Because if Ye Feng is really a disciple of Patriarch Xuanyuan, then he is indeed qualified to fight on behalf of the Xuanyuan family.

At this moment, the Zhou family elder who just asked the question suddenly shut his mouth, not knowing how to refute.

At this moment, Ye Feng suddenly looked at a group of Zhou family elders and asked loudly: "You Zhou family's geniuses are all too weak. They fell down before I even exerted any force. It's really frustrating. People are not interested."

"you.....!"

At this time, after Ye Feng finished what he said, a group of Zhou elders present could not help showing deep anger on their faces.

Because Ye Feng said this, he was deeply mocking the Zhou family.

But Ye Feng actually told the truth.

Originally, Ye Feng's cultivation and strength had improved so much this time in Tianwaitian. After returning to the Holy Land of Heaven, he was ready to meet these top geniuses who controlled the family.

But unexpectedly, Ye Feng found that the opponent was so weak, and he didn't even need to use any inheritance or trump cards.

However, Ye Feng also knew very well in his heart that if the other party could become the super genius of the Zhou family, he must be extremely powerful and a first-class existence.

I find that the opponent is too weak. It must be that I am too strong now, so I have this illusion.

"enough!"

Suddenly at this moment, a majestic young man's voice sounded.

boom!

Almost at the next moment, a huge and boundless cultivation aura suddenly enveloped the entire audience.

"That is....."

The next moment, everyone saw a young man who looked like a god descending from the sky, stepping on the sky, and his body was exuding a bright divine light.

In the void behind the young man, there is a phantom like a god, looming, making everyone feel the majesty and dominance of an ancient supreme being, which makes people feel very depressed.

"Zhou Wenwu!"

"This is the legendary number one genius of the Zhou family!"

"It is said that this person is a god descended to earth! Moreover, the innate Supreme Bone in his body possesses the power of the ancient Supreme Being, which is very terrifying."

"This Zhou Wenwu is probably the number one person of the younger generation recognized by our Tiandao Holy Land!"

...

At this moment, everyone around couldn't help but exclaimed in surprise, with deep expressions in their eyes.

of admiration and awe.

Buzz!

"The young master has arrived!"

A group of Zhou family elders, who had very stiff expressions at first, saw Zhou Wenwu descending from high in the sky, and their faces suddenly showed deep surprise.

They hurriedly said: "Young Master, that Ye Feng killed two of our Zhou family's peerless geniuses. Young Master, you must avenge these two peerless geniuses. You must kill this Ye Feng!"

At this time, Zhou Wenwu stared at the corpses of the two super geniuses of the Zhou family on the competition stage, then looked at Ye Feng, and said slowly: "Your glory will stop here. Next, the Holy Land of Heaven will not There will be Ye Feng again."

Although Zhou Wenwu's voice was very calm, everyone could feel a boundless domineering voice in it, as if he was an ancient god judging Ye Feng's fate. This kind of domineering power was really rare.

"Supreme Bone."

At this moment, Zhou Wenwu immediately activated the power of his Supreme Bone.

boom!

The shadow of the god behind Zhou Wenwu suddenly became very solid.

It was as if there was a real god, conceived from Zhou Wenwu's body, possessing terrifying and boundless terrifying power.

The majestic and boundless god suffocated everyone in the audience and charged directly towards Ye Feng, capable of shattering the entire world.

"Is this the power of the Supreme Bone?"

"The feeling this kind of power gives me is really terrifying. I feel like I can't breathe. As expected of Zhou Wenwu, he is simply the innate supreme being!"

"To be born in the same era as an innate master like Zhou Wenwu is really a tragedy for us practitioners."

...

At this moment, countless people around him couldn't help but exclaimed in surprise.

At this time, everyone was attracted by the supreme god born in Zhou Wenwu, and no one paid attention to Ye Feng at all.

.

Because everyone looked dim under the light of an innate supreme being like Zhou Wenwu.

But just when everyone thought Ye Feng was about to be instantly wiped out by that god.

Suddenly, the corner of Ye Feng's mouth tilted and he smiled crookedly: "Is this the so-called number one super genius of the Zhou family? The so-called innate supreme? I am so disappointed."

boom!

Almost at the moment Ye Feng finished speaking, Ye Feng stretched out a hand, and the powerful power of the chaotic body surged through Ye Feng's body instantly.

His hand immediately turned into a huge hand of chaos, directly obliterating the god who rushed over, and then crushed Zhou Wenwu's whole body to pieces in an instant under Zhou Wenwu's incredible gaze. .

The Zhou family's first genius died!

"What?!"

Countless people saw this scene, and their faces suddenly showed deep shock and horror.

The whole place once again fell into a strange silence!

Countless people are stunned!

Shocked beyond measure!

At this time, Ye Feng suddenly shook his head and laughed at himself, "It seems that I am still too cautious. There is no need at all."

Obviously, even Ye Feng himself did not expect that his strength has now risen to a very terrifying level.

No matter how powerful the young geniuses are, they can't stop Ye Feng's move.

boom!

At this time, a huge and boundless aura suddenly surged out of Ye Feng. He looked in the direction of the Zhou family and said loudly: "Ancestor of the Zhou family, the grievances between us should be settled today!"

boom!

Almost at the moment when Ye Feng's words fell, under the unbelievable eyes of countless people on the field, Ye Feng was so bold that he stretched out a big hand of chaos and grabbed it towards the Zhou family's base camp. He simply did whatever he wanted. , extremely unbridled, with no taboos at all!

Chapter 2975 Where does the confidence come from?

Boom! !

Ye Feng's chaotic hand was filled with unparalleled majesty and power, and he grabbed directly towards the Zhou family's base camp, very domineering and without any taboos.

"How dare he do this?!"

Countless people present saw Ye Feng's actions at this moment, with deep horror in their eyes.

After all, although Ye Feng gave them a very powerful feeling, it was probably limited to the competition among the younger generation.

But now Ye Feng wants to provoke the entire Zhou family! .???.??

This is really too presumptuous!

The Zhou family is the family behind the Holy Land of Heaven. It has an extremely deep foundation, and there are also old monsters like the ancestors of the Zhou family who have lived for tens of thousands of years.

Not to mention young boys like Ye Feng, even the ancestors of other major families, such as the Xuanyuan ancestor, did not dare to directly attack the ancestors of the Zhou family and attack the entire Zhou family, because it was too risky. .

So at this time, Ye Feng had the audacity to directly settle accounts with the ancestors of the Zhou family, which really shocked and horrified everyone present.

"boom!"

Just when everyone was shocked, Ye Feng's big hand of chaos had already smashed the door of the Zhou family into pieces.

Wow!

Countless rubbles rolled down, turning the entire entrance to the Zhou family into ruins.

"hateful!"

"Stop!"

Almost at this moment, a group of Zhou family elders in the audience all became furious and rushed towards Ye Feng.

Boom boom boom...

Each of the Zhou family elders burst out with huge cultivation aura, and they all rushed towards Ye Feng, trying to capture Ye Feng.

"Get away!"

At this moment, Ye Feng roared loudly, and a terrifying aura erupted from his body. He rushed towards the surroundings, knocking away all the Zhou family elders who rushed towards him. go out.

These Zhou family elders spurted blood from their mouths, unable to resist Ye Feng at all.

Even with his overwhelming momentum, they were unable to get close to Ye Feng. All the elders fell to the ground, looking extremely embarrassed.

"What?"

"So powerful!"

A group of Zhou family elders stared at Ye Feng in horror.

The aura on Ye Feng's body at this moment was as terrifying as a god or demon, giving everyone present an extremely depressing feeling.

"This Ye Feng is too terrifying, his cultivation is too terrifying!"

"The feeling it gives me is comparable to those of the powerful elders!"

"How did he practice?"

At this time, everyone's eyes widened, as if they couldn't believe that Ye Feng had such terrifying cultivation and strength.

After all, in the eyes of many people, Ye Feng seems to be just a new disciple who has just joined Tiandao Holy Land.

But somehow, Ye Feng became so strong all of a sudden, it felt too sudden.

In fact, everyone feels this way. In addition to the fact that Ye Feng's cultivation strength has improved really fast, there is another important reason, that is, since Ye Feng joined the Tiandao Holy Land, he rarely stayed in the sect and basically stayed in the Tiandao Holy Land. Experience in various secret realms around you and accumulate and strengthen your own cultivation base.

Therefore, many people in the Holy Land of Heaven are not very impressed with Ye Feng. They seem to feel that Ye Feng suddenly changed from a new disciple to such a powerful being, beating everyone in the younger generation, and even dared to Take action against the strong elders.

At this time, Ye Feng looked at the group of Zhou family elders who were blown away by his aura, and said coldly: "This is a personal grudge between me and your ancestors of the Zhou family. You'd better not take action against me, otherwise Don't blame me for going on a killing spree."

For Ye Feng, the person who really has a grudge against him is the old monster Zhou family ancestor. Ye Feng doesn't feel anything about the others.

If Ye Feng didn't provoke him, he wouldn't

Will not take the initiative.

After all, Ye Feng is not a murderer.

He just has revenge for revenge and injustice for injustice.

So at this time, Ye Feng had already issued a warning to these Zhou family elders.

If they still dare to provoke you, then don't blame yourself.

After all, he has done his best.

At this moment, the elders of the Zhou family saw Ye Feng's terrifying aura like a god and demon, and their eyes suddenly showed deep fear.

Many Zhou family elders shut their mouths immediately and did not say anything more, because they knew very well that Ye Feng was already impatient.

At this time, Ye Feng stared at the direction of the Zhou family's base camp and said loudly: "Ancestor of the Zhou family, aren't you coming out yet?"

"Young man, you are too presumptuous."

Finally, the voice of the ancestor of the Zhou family sounded from the depths of the Zhou family's base camp.

Buzz!

Accompanied by a very terrifying dark aura, the ancestor of the Zhou family stepped out from the deepest part of the Zhou family. The infinite demonic energy around him was surging, giving people the feeling that an ancient demon god had been resurrected, making everyone... It was a moment of extreme depression.

At this time, Ye Feng's eyes showed deep surprise and he said, "Are you possessed by a demon?"

The ancestor of the Zhou family smiled coldly, his old eyes full of black light, and said loudly: "Boy, this ancestor has received a huge chance of creation in the endless demon realm, and has completely transformed. He is no longer a mortal, but a human being." Transformed into a greater level of life, let alone Ye Feng, even the ancestor of the Xuanyuan family is no longer my opponent, hahaha."

Buzz!

At this time, the space around Ye Feng fluctuated, and the figure of Patriarch Xuanyuan appeared.

"Senior Xuanyuan."

Ye Feng saw Ancestor Xuanyuan next to him, and he didn't show any surprise.

Because Ye Feng had long sensed the aura of Ancestor Xuanyuan, and it was hidden in the surrounding space.

It is estimated that Patriarch Xuanyuan saw Ye Feng participating in this competition, so he has been observing in secret.

At this moment, the ancestor of the Zhou family appeared, and the ancestor Xuanyuan naturally also appeared.

At this time, Patriarch Xuanyuan couldn't help but said: "Little friend Ye Feng, this ancestor of the Zhou family has undergone a huge transformation in the endless demon realm. Let's work together to deal with him."

Obviously, at this moment, even the ancestor Xuanyuan is very afraid of the ancestor of the Zhou family.

Ye Feng suddenly spoke up at this time: "Senior Xuanyuan can just watch the battle from the sidelines. This is a private grudge between me and the ancestor of the Zhou family. To resolve it privately, I can take action myself."

Wow!

The moment Ye Feng's words fell, the entire field suddenly fell into a boil.

Many people think that the reason why Ye Feng dared to attack the ancestor of the Zhou family just now must be because he knew that the ancestor Xuanyuan would definitely help him and join forces to fight against the ancestor of the Zhou family.

But now that Ye Feng said this, he really wanted a duel between individuals.

In this way, everyone present had incredible looks in their eyes.

After all, for thousands of years, no young man has dared to provoke an old monster like the ancestor of the Zhou family who has lived for tens of thousands of years.

At this moment, even Patriarch Xuanyuan stared at Ye Feng with deep surprise in his eyes.

He didn't seem to expect that Ye Feng didn't need his help.

After all, the terrifying power of the demonic power of the ancestor of the Zhou family now makes ancestor Xuanyuan feel a deep feeling of palpitations.

If it were a one-on-one fight, Patriarch Xuanyuan was not sure that he would be able to fight against the Patriarch of the Duzhou Family.

But Ye Feng, a young man, wanted to fight to the death with the ancestor of the Zhou family alone, which really shocked the ancestor Xuanyuan.

He didn't understand where Ye Feng got his confidence.

Although Patriarch Xuanyuan knew that Ye Feng had endless potential, after all, Ye Feng was still too young and it was impossible to defeat an old monster like the Patriarch of the Zhou family who had accumulated tens of thousands of years of experience, right?

Chapter 2976 Confrontation with Zhou Family Ancestor

"Do you really want to fight against the Zhou family ancestor alone? His current strength is so strong that even I am very afraid of him." Xuanyuan ancestor asked with some uncertainty.

"I'm enough on my own."

Ye Feng spoke slowly at this time, with an inexplicable strong confidence in his tone.

Ancestor Xuanyuan saw the determination in Ye Feng's eyes and immediately nodded without saying anything more.

Because he knew that Ye Feng had made up his mind.

However, Patriarch Xuanyuan still doesn't believe that Ye Feng's strength can really fight against an old monster like the Patriarch of the Zhou family.

Therefore, although Patriarch Xuanyuan did not take action at this time, he was still hiding in the surrounding void.

He planned to save Ye Feng when Ye Feng was about to be killed by the ancestor of the Zhou family.

After all, the green hills are still there, so there is no need to worry about running out of firewood.

Ancestor Xuanyuan felt that Ye Feng was indeed a little impulsive this time.

At this moment, everyone around looked at Ye Feng as if they were looking at a fool.

Because in the minds of everyone in Tiandao Holy Land, old monsters like the ancestors of the Zhou family who have lived for tens of thousands of years are the real behind-the-scenes controllers of Tiandao Holy Land.

Even the Holy Lord of the Holy Land of Heaven must obey the orders of people of the Zhou family's level.

Therefore, in the minds of many people, the ancestor of the Zhou family is absolutely an imperial edict. They cannot resist at all and can only obey the orders of such an ancestor-level figure.

Therefore, many people feel that if Ye Feng dares to provoke the ancestor of the Zhou family now, there is absolutely no difference between him and taking the initiative to die.

After all, these old monsters are like gods in the eyes of everyone and cannot be provoked or disobedient.

"Young man, you are really stupid."

The ancestor of the Zhou family stared at Ye Feng at this time, with a deep sneer and mockery on his old face, and said loudly: "With my current strength, even if you join forces with ancestor Xuanyuan, You can't be my opponent. You dare to fight me alone now. I really don't know whether to call you stupid or naive. But newborn calves are not afraid of tigers. I understand, but you will know soon. This decision of yours is an extremely stupid choice and will completely ruin your life, because you will soon die in the hands of this ancestor."

boom!

Almost as soon as the ancestor of the Zhou family finished speaking, he stretched out a hand directly towards Ye Feng and grabbed it.

The infinite demonic energy around him immediately condensed into a big hand of darkness, covering the entire sky, as if it could destroy the entire earth.

"What a terrifying power."

Everyone looked at the big black hand that covered the sky and the sun, and their whole bodies were trembling.

Even an elder-level figure couldn't help but tremble and kneel on the ground at this moment, unable to withstand the power and pressure.

No one dares to imagine what kind of terrifying pressure Ye Feng, who is bearing the brunt of this, is under.

Sure enough, an old monster like the ancestor of the Zhou family has earth-shattering power when he strikes. It is really frightening, just like facing an ancient demon.

But at this time, there was no fear in Ye Feng's eyes. Instead, a soaring fighting spirit burst out in an instant: "Ancestor of the Zhou family, you will know later how much you underestimate me. Thirty years in Hedong, In Hexi for thirty years, don't bully young people into poverty!"

Boom! !

r\u003e

Almost at the moment when Ye Feng's words fell, Ye Feng directly burst out the power of his future Dzogchen body without any hesitation.

Boom boom boom...

The cultivation aura on Ye Feng's body began to rise steadily from the current third level of disaster realm, directly to the perfect level of the tenth heaven of disaster realm.

Buzz!

Terrifying boundless energy surged crazily in Ye Feng's chaotic body.

Then a black broken sword appeared in Ye Feng's hand, and he directly used the power of the Xuanyuan Emperor Kung Fu. He also put on the life and death armor he had obtained before, and suddenly slashed forward fiercely.

Boom!

At this moment, the shadow of Emperor Xuanyuan suddenly rose from Ye Feng's body, and a golden Xuanyuan Sword that was several kilometers long was condensed.

Along with the chopping of the black broken sword in Ye Feng's hand, the huge golden Xuanyuan Sword also slashed down crazily, full of unparalleled destructive power. It actually split the big black hand condensed by the ancestor of the Zhou family into pieces in one go. smashed.

Then the huge Xuanyuan Sword continued to fall, hitting directly in front of the ancestor of the Zhou family, and even split the entire body of the ancestor of the Zhou family into two halves.

"What?!"

Seeing this scene, everyone present showed deep horror in their eyes. Isn't Ye Feng's attack power too terrifying?

However, although the ancestor of the Zhou family was split in half at this time, he did not die. Instead, the remaining bodies merged together and regained their original form.

But at this time, it can be seen that the blood on the face of the ancestor of the Zhou family has become a little pale.

Obviously, Ye Feng's attack just now still caused huge damage to him.

The ancestor of the Zhou family looked a little ugly at this time, losing the initial arrogance and disdain because he realized that he seemed to have underestimated the young man Ye Feng.

Ye Feng stared at the ancestor of the Zhou family at this time and said slowly: "How is it? Don't you dare to look down on me anymore?"

The ancestor of the Zhou family smiled coldly and said aloud: "Your attack just now was indeed good, but it was just my negligence, so you hurt me. This kind of thing will not happen again, because I will use any means to kill you." You will be completely wiped out from this world!"

"The Ancient Dark Yuan Zun!"

"Give me endless dark power!"

Suddenly at this moment, the ancestor of the Zhou family roared loudly, seeming to recite a very ancient spell.

boom! !

Suddenly, in the boundless void, from some supreme interface, a large amount of terrifying and boundless dark energy descended, all of which was injected into the Zhou family ancestor.

These mysterious dark energies suddenly caused the ancestor of the Zhou family to swell up, and finally turned into a body like a demon god, standing tall and majestic. With a wave of his hand, he created earth-shattering energy that shook the surrounding mountains. All the mountains were shattered into pieces.

"Rumble..."

Even Ye Feng was sent flying thousands of steps by the demon god's big hand at that moment.

The demon god that the ancestor of the Zhou family turned into stood under the sky, majestic and majestic. He laughed loudly: "I have the blessing power of the ancient Dark Yuan Zun. You mortals cannot be my opponent. I am the way of heaven." The absolute master of the Holy Land! Whoever dares to resist this ancestor will only die, hahaha! "Do you really want to fight against the ancestor of the Zhou family alone? Even I am very afraid of his current strength." Patriarch Xuanyuan asked with some uncertainty.

"I'm enough on my own."

Chapter 2977 Dark Yuan Zun

Buzz!

At this time, the ancestor of the Zhou family turned into an ancient demon god, and the cultivation aura released from his body was simply terrifying to the extreme.

And the ancestor of the Zhou family is not just as simple as becoming a demon god.

The power he received seemed to come from a more advanced and mysterious super interface.

It was a mysterious existence called Dark Yuan Zun who gave him this terrifying power.

"The devil destroys the world!" .??.

At this moment, the ancestor of the Zhou family burst out with infinite dark power and went directly towards Ye Feng to suppress it.

A dark frenzy surged out of him, forming a very terrifying dark realm that would imprison Ye Feng in this dark realm and completely obliterate him.

Brute force gem!

Space gem!

Six Paths of Samsara Fist! !

At this moment, Ye Feng no longer hesitated and released his most powerful power.

He poured all the power of his chaotic body into his fists.

Then the Brute Force Stone and the Space Stone were incorporated.

Then all the secrets of the Six Paths of Samsara Fist were blasted out.

"Boom!!"

At this moment, Ye Feng's fist suddenly burst out with thousands of shining lights, full of unparalleled destructive power and impact, shining brightly across the starry sky.

All of a sudden, it was violently bombarded into the dark field that descended from above.

"Click, click..."

Almost at that moment, Ye Feng's peak punch shattered the dark realm into pieces.

After all, Ye Feng's fist combines two extremely powerful domination gems, the brute force gem and the space gem, so his attack power is naturally terrifying.

Even the mysterious dark realm released by the ancestor of the Zhou family could not stop Ye Feng's punch and was directly shattered into pieces.

Then Ye Feng's punch continued to explode with terrifying impact, and with a "puff" sound, a huge blood hole was blasted out of the chest of the ancestor of the Zhou family.

"ah!"

The next moment, the ancestor of the Zhou family couldn't help screaming and felt huge pain.

Because Ye Feng's punch not only blasted a blood hole out of his chest, but the destructive power of the space gems and brute force gems contained in Ye Feng's fists were frantically destroying the vitality of the ancestor of the Zhou family.

At this time, the ancestor of the Zhou family suddenly opened his eyes wide, stared at Ye Feng in front of him in disbelief, and couldn't help but said: "How come you, a humble mortal, can have the power to rival a demon like me? I am How can you resist the power given by the great Dark Yuan Zun?"

Obviously, at this moment, the ancestor of the Zhou family was in disbelief, unwilling to believe that Ye Feng, a humble mortal boy, actually had the power to rival him.

"This kind of fighting power is too terrifying!"

At this time, Patriarch Xuanyuan, who was standing in the void not far away, had deep shock in his eyes.

Because after the ancestor of the Zhou family obtained the power of Dark Yuan Zun, even the ancestor Xuanyuan felt a shadow of death.

But Ye Feng went against the current and broke the Zhou family ancestor's pride with one punch.

At this time, the ancestor of the Zhou family felt that his vitality was rapidly draining. His face suddenly became horrified, and no trace of his previous pride was left, because the power Ye Feng unleashed was truly earth-shattering and unstoppable.

At this moment, the ancestor of the Zhou family immediately shouted at the vast sky: "Great Dark Yuan Zun, please use your great will to help your followers kill powerful enemies!"

"Buzz!"

Almost at the moment when the ancestor of the Zhou family finished speaking, the calm sky suddenly changed.

A large area of dark energy appeared.

A majestic figure composed entirely of black light appeared above the head of the ancestor of the Zhou family.

That is exactly the will of Dark Yuan Zun!

I don't know which supreme interface came down from, but it was full of unparalleled pressure.

It gives people the feeling that they are like the gods of heaven and earth who are above and unable to resist at all.

Even Ye Feng felt a deep palpitation when facing the will of this Dark Yuan Zun at this moment.

At this time, the ancestor of the Zhou family saw that the will of the Dark Yuan Zun had really come, and immediately laughed out at Ye Feng: "Boy, you are dead! You are absolutely dead! The great Lord Dark Yuan Zun Coming from the legendary world of origin, he is the supreme power. In the eyes of the great Lord Dark Yuan Zun, everyone is an ant! Ye Feng, you hateful boy, you will be killed by Lord Dark Yuan Zun soon! I was crushed to death instantly!"

When Ye Feng heard the ancestor of the Zhou family say this, a look of surprise suddenly appeared in his eyes.

Unexpectedly, the Dark Yuan Zun that the ancestors of the Zhou family believed in actually came from the Great World of Origin.

It seems that this Dark Yuan Zun is also a very powerful existence in the Origin World, otherwise he would not be able to come to the God Realm.

Ye Feng understood very well that since this Dark Yuan Zun came from the Great World of Origin, his methods and strength must be extremely terrifying, and he was not able to fight against him.

Fortunately, this dark element

If the one who can descend is not the true body, but only a will, then he still has the power to fight.

At this moment, the Dark Yuan Zun turned into a huge shadow of will, and suddenly stretched out a hand towards Ye Feng.

Buzz!

Suddenly, a vast dark hand landed directly on Ye Feng's head.

The energy fluctuations of this dark hand are different from the various inheritances in the center of the God Realm.

It is a very high-level and terrifying energy fluctuation that only belongs to the high-level interface such as the Great World of Origin. Therefore, it is not something that practitioners in the center of the God Realm can resist, just like a dimensionality reduction attack.

Even if Ye Feng now has all kinds of means, he can't fight against this Dark Yuan Zun.

At this time, whether it was Xuanyuan Emperor Kung Fu or various other methods, they all lost their effect under the dimensionality reduction attack of Dark Yuan Zun.

Space gem! ??

Brute force gem!

At this moment, Ye Feng could only inspire the power of the domination gem and attack crazily.

Boom!

But the big hand of darkness obliterated all the attacks and hit Ye Feng in an instant.

boom!

Ye Feng was sent flying far away and fell to the ground. He couldn't help but spit out a mouthful of blood.

It has to be said that the phantom of Dark Yuan Zun's will is really terrifying to the extreme and cannot be resisted at all.

"It's too powerful!"

"That kind of power is beyond our comprehension."

At this time, everyone present felt an incredible feeling.

Because the Dark Yuan Zun brought in by the ancestor of the Zhou family at this moment is really unparalleled to the extreme, it is simply terrifying and shocking.

It is a kind of power that practitioners in the center of the divine world cannot understand.

Comes from a more advanced mysterious world.

It is like a dimensionality-reducing blow to the creatures in the God Realm.

The horror is boundless!

"Ye Feng!"

At this time, Patriarch Xuanyuan finally couldn't hold back and rushed out in an instant, trying to save Ye Feng.

"Bang!"

But the next moment, the big black hand transformed by the shadow of Dark Yuan Zun's will, with just a flick of his finger, instantly blasted an old monster like Patriarch Xuanyuan tens of thousands of meters away and smashed it into pieces. Countless mountains are buried in ruins, and it is not known whether they are dead or alive.

Everyone was even more shocked when they saw this scene.

At this moment, the ancestor of the Zhou family laughed loudly: "The great Lord Dark Yuanzun,

It is unrivaled and unparalleled! You ants will all die today! "

Uh-huh!

At this time, Ye Feng stood up from the ruins, his eyes extremely cold.

The ancestor of the Zhou family stared at Ye Feng, with a cruel smile in his eyes, and said loudly: "Ye Feng, even if the king of heaven comes today, I can't save you."

When Ye Feng heard what the ancestor of the Zhou family said, he just stood there quietly without saying anything, as if he was already waiting to die.

At this moment, the big black hand transformed by the shadow of Dark Yuan Zun's will directly landed on Ye Feng's head.

Ye Feng is about to be completely wiped out in this world.

Uh-huh!

But suddenly at this moment, a feather with the light of the sun flowing through Ye Feng's body suddenly rushed out.

It was the token of the Phoenix Temple that Ye Feng got from Tianwaitian Qin Susu.

That feather of a divine phoenix!

Uh-huh!

This feather flowing with the light of the sun rushed out from Ye Feng's body, like a crimson lightning, piercing the void at once, shattering the top of Ye Feng's head and about to fall. The dark hand.

Even the phantom of Dark Yuan Zun's will was pierced through the head by this phoenix feather.

The will of the Dark Yuan Zun began to dissipate across the entire world in an instant.

"What??"

When the ancestor of the Zhou family saw this scene, his eyes widened immediately.

It seems that he never thought that Ye Feng would have such an unfathomable treasure in his body.

A feather burning with flames instantly shattered the shadow of the great Dark Yuan Zun's will.

It really frightened the ancestor of the Zhou family to the extreme.

Snap!

He suddenly fell to the ground limply, and his face instantly turned extremely pale.

At this moment, a majestic voice suddenly sounded in Ye Feng's ears: "The Divine Feather of the Phoenix Temple of the Yiyuan Dao Sect? Is it actually in the body of an ant with a low-level interface like you? It's quite interesting. Wait until you ascend to In the great world of origin, I will find you. If you destroy my layout in this interface, I will let you know what cruelty is."

Accompanied by this majestic voice from the Dark Yuan Zun.

The phantom of Dark Yuan Zun's will finally completely dissipated across the entire world.

At this moment, Ye Feng stared at the direction where the shadow of Dark Yuan Zun's will disappeared, and the threatening words of Dark Yuan Zun echoed in his ears. He did not have the slightest fear, but smiled coldly: "Dark Yuan Zun, wait until I enter the world of origin. , I'll be the first to take action on you!"

Chapter 2978 Becoming the Holy Lord

Ye Feng didn't care at all about the threat of Dark Yuan Zun.

On the contrary, this also inspired Ye Feng's desire to fight.

That is, in the world of origin, Ye Feng must cut off the head of Dark Yuan Zun!

At this time, Ye Feng took back the phoenix feather and was very surprised.

Fortunately, I met Qin Susu from the Origin World from Tianwaitian before, and got this very powerful phoenix feather. .???.??

Otherwise, Ye Feng might be killed by Dark Yuan Zun today.

At this time, Ye Feng looked around and found that everyone was looking at him with a deep awe, even with a sense of piety.

Ye Feng understood immediately. It seemed that what he had just shown shocked everyone in the audience.

After all, the coming of Dark Yuan Zun's will is like a dimensionality-reducing blow to the practitioners in the God Realm, and they cannot resist at all.

But Ye Feng killed the shadow of Dark Yuan Zun's will, which naturally made everyone respect Ye Feng as a god.

Uh-huh!

At this moment, Ye Feng looked at the ancestor of the Zhou family not far away.

At this time, the ancestor of the Zhou family was extremely pale. He was lying on the ground, muttering something in his mouth. He seemed to be extremely frightened and was stunned.

Ye Feng walked over slowly, looked at the ancestor of the Zhou family in front of him, and without any hesitation, cut off the head of the ancestor of the Zhou family with a sword.

Bang!

The ancestor of the Zhou family, this old monster who had been brilliant for a while, was completely killed at this moment.

The ancestor of the Zhou family died!

"call!"

At this time, everyone in the audience took a deep breath.

Unexpectedly, in the end of this battle, Ye Feng became the biggest winner.

After all, no one expected that Ye Feng, a young disciple who was still a newcomer to Tiandao Holy Land, could achieve such an achievement.

Not only was his cultivation strength the best among the younger generation, but even the most terrifying existence among the elders died in the hands of Ye Feng.

It's really unexpected.

It's incredible!

Uh-huh!

At this time, Ye Feng walked to the ruins not far away and pulled up the ancestor Xuanyuan who was buried in the ruins.

coming.

Ancestor Xuanyuan did not die, but was traumatized.

However, Ye Feng used the Great Life Technique to fully recover Ancestor Xuanyuan's injuries.

Ancestor Xuanyuan, who had recovered again, woke up from his fainting state at this time. He immediately stared at Ye Feng and couldn't help but exclaimed: "Ye Feng, run away quickly, keep Qingshan here, don't be afraid of not being able to survive." Chai Shao, the phantom of will summoned by the ancestor of the Zhou family is really terrifying and cannot be resisted by the strong ones like us. "

When Ye Feng heard this, he immediately smiled dumbly.

It seems that Patriarch Xuanyuan has just woken up and thought he was running for his life.

Ye Feng immediately pointed not far away and said loudly: "The shadow of the dark will from the supreme interface has been obliterated by me with a mysterious treasure, and the ancestor of the Zhou family has also been beheaded by me. , completely fallen."

"What?!"

Hearing what Ye Feng said, Patriarch Xuanyuan's face suddenly showed a look of deep surprise.

It seemed that he did not expect that the final winner would be Ye Feng.

After all, Patriarch Xuanyuan had just seen the horror of the dark will summoned by the Patriarch of the Zhou family.

Unexpectedly, Ye Feng actually had the means to kill the dark will from the super supreme interface.

It's really incredible.

However, when Patriarch Xuanyuan saw the corpse of the ancestor of the Zhou family, he immediately laughed out loud: "This old guy is finally dead. He fought with me for tens of thousands of years, but he didn't expect that he would be killed by a young junior like you, Ye Feng." Killed! What a trick of fate!"

At this moment, after Patriarch Xuanyuan finished speaking, Ye Feng nodded slightly and said loudly: "No matter what, no one in the Holy Land of Heaven will dare to provoke me anymore in the future."

Hearing what Ye Feng said, Patriarch Xuanyuan couldn't help laughing out loud: "From now on, let alone no one dares to provoke you, I am afraid that all the disciples and elders in the entire Tiandao Holy Land will respect you like this." God!"

I respect you like a god!

It has to be said that Patriarch Xuanyuan's evaluation of Ye Feng at this time was extremely high.

But this is also true, it is not that Patriarch Xuanyuan is complimenting Ye Feng.

After all, Ye Feng's current cultivation strength is indeed terrifying to the extreme.

Even a transcendent existence like the ancestor of the Zhou family died in Ye Feng's hands.

Even the will of the super strong man from the supreme interface cannot obliterate Ye Feng.

Who dares to fight against Ye Feng now?

Isn't that seeking death?

At this time, the heads of several other Controller families, including the ancestors behind a group of Controller families, suddenly said in unison: "Master Ye Feng, I hope you will control the future Holy Land of Heaven!"

"What?!"

Hearing what all the ancestors of the Controller family said, everyone present's eyes were instantly horrified.

It seems that they never expected that a group of high-ranking controller families would become so humble. They all hoped that Ye Feng would control the entire Holy Land of Heaven.

"Um?"

At this time, Ye Feng heard a group of ancestors from the controller family say this, and there was a trace of surprise in his eyes. It seemed that he did not expect that this group of old monsters would compliment him so much.

Ancestor Xuanyuan stood next to Ye Feng at this time, smiled slightly, and said loudly: "It seems that Ye Feng, you have really shocked everyone now, even these old monsters who refuse to accept anyone. They are all so in awe of you."

When he said this, Patriarch Xuanyuan sighed, and then continued: "Actually, to be honest, even I think that you are now fully qualified to command the entire Tiandao Holy Land, and even command all the controller families."

When Ye Feng heard this, his eyes were a little surprised and he said: "Senior Xuanyuan also values me so much?"

Ancestor Xuanyuan smiled slightly and said aloud: "Ye Feng, you have become the new generation of Holy Lord of Tiandao Holy Land. This is of great benefit to Tiandao Holy Land and the major families, because you have such a powerful commander. , the overall strength of our entire sect will

become very powerful. Now the dark interface has fully invaded the central land of the God Realm. Although our Tiandao Holy Land is the dominant force, it also has internal and external troubles. Now if Ye Feng, you can take over the entire Tiandao Holy Land and become The Holy Lord of the Holy Land of Heaven, then it is like giving everyone a reassurance, because you

Your strength is really too strong, ridiculously powerful, and all the major families are naturally desperately trying to keep you, because with your strength, Ye Feng, you are always a guest wherever you go now. "

When Ye Feng heard Ancestor Xuanyuan say this, he immediately understood.

Why do all the major controlling families, even if they want to lower their face, flatter themselves and want to become the Holy Lord of the Holy Land of Heaven?

It turns out that these families are also doing it for their own families.

After all, Ye Feng's current strength has reached a very ridiculous level.

If you leave Tiandao Holy Land, then it will be the biggest loss to Tiandao Holy Land.

If Ye Feng can become the Holy Master of the Holy Land of Heaven, it will be like having a powerful patron saint for the major families.

After all, the entire land in the center of the God Realm is now plunged into darkness and chaos, and the Holy Land of Heaven is in urgent need of a "Dinghai Shenzhen".

And Ye Feng, this "sea-fixing needle", can become the most stable guarantee for the Holy Land of Heaven.

All along, the Holy Lord of Tiandao Holy Land was just the commander-in-chief on the surface. In fact, the seven controller families actually controlled the entire Tiandao Holy Land behind the scenes.

But things are different now. If Ye Feng becomes the Holy Lord of the Holy Land of Heaven, he will definitely be a powerful figure and a being that the major families behind him must respect. He can be said to be the Holy Lord in the true sense!

Ye Feng thought for a moment, and then looked at Patriarch Xuanyuan in front of him who seemed to be looking forward to it. Suddenly he nodded and said in front of everyone: "Okay, I am willing to become the Holy Master of the Holy Land of Heaven. From now on, The Holy Lord of Heaven, respect me!"

"Meet the new generation of Holy Lord!"

"Meet the new generation of Holy Lord!"

...

Almost as soon as Ye Feng finished speaking, the whole place was boiling.

Countless elders and disciples half-knelt on the ground and worshiped in the direction of Ye Feng.

And those families who were originally aloof and in control were willing to lower their expensive heads at this moment, completely convinced of Ye Feng.

When Ancestor Xuanyuan saw this glorious scene, he couldn't help but burst into tears with excitement. The old man patted Ye Feng's shoulder, his eyes were excited, and he said loudly: "Okay! Great!"

Chapter 2979 Messenger of Chaos Holy Land

Ye Feng became the new generation of Holy Master of Tiandao Holy Land.

When this news was passed on, everyone in the entire Tiandao Holy Land was boiling.

No one expected that such a young person could become the Holy Master of the Holy Land of Heaven.

But when they heard that Ye Feng, a young Holy Master, had killed all the ancestors of the Zhou family, all those who were unhappy immediately shut up.

If you can kill someone at the level of the ancestor of the controller's family, you are definitely qualified to become the Holy Lord of the Holy Land of Heaven.

And when many people heard that Ye Feng reluctantly agreed to become the Holy Master because of the begging from the families behind him, the entire sect became even more excited.

Many people were simply shocked and stunned.

...

At this moment, regardless of the rumors from the outside world, Ye Feng was sitting peacefully in the central hall on the Immortal Island, the Holy Land of Heaven.

At this moment, Ye Feng was wearing golden clothes with dragon patterns embroidered on them and a flat crown on his head. He looked quite majestic.

In front of Ye Feng, there were many members of the controller family sitting on both sides of the hall.

At this time, some of the guards of the Holy Lord of Tiandao Sect standing around Ye Feng had deep admiration in their eyes.

Because the Holy Lord they served before was only the Holy Lord on the surface.

The strong men in the controller's family simply disdained to pay attention to the Holy Lord.

But now, those powerful men from the high-ranking and extremely noble controller family are sitting under Ye Feng's command very respectfully, looking very respectful.

The surrounding group of Holy Lord guards all knew in their hearts that Holy Lord Ye Feng was truly the most powerful Holy Lord in history, not just a show-off.

At this moment, Ye Feng said slowly: "The crisis of the dark race outside our Tiandao Holy Land is not that big now. We only need to send some elites to patrol some defensive fortresses around the Tiandao Holy Land. Got it

."

"The Holy Lord is right."

The head of a Controller family immediately clasped his fists respectfully and said: "According to your instructions, Lord Holy Lord, each of our major families has sent out the elites from their respective families to form an elite team to strictly defend the Holy Land of Heaven. There is absolutely no problem with the major key core fortresses."

When Ye Feng heard this, he immediately nodded. For the elites of these big families, Ye Feng was quite reassured. They were all strong.

If it were in the past, these controlling families would definitely not be willing to send their elites to defend the border fortress, after all, it might damage their family's heritage.

But now, under Ye Feng's order, no family dares to disobey Ye Feng's order.

"Report!"

Suddenly at this moment, a disciple's voice sounded outside the central hall.

"come in."

Ye Feng said immediately.

Uh-huh!

The next moment, a disciple from the Holy Land of Heaven walked in from outside the gate, walked in front of Ye Feng, clasped his fists respectfully and said, "Disciple, see the Holy Master."

"No gift."

Ye Feng asked aloud: "Is there anything special?"

The disciple immediately replied: "There are envoys from major holy places and overlord forces outside, who have come to congratulate the birth of a new generation of Holy Lords in our Tiandao Holy Land. Do you want to meet them, Lord Holy Lord?"

"not see."

Ye Feng shook his head and said aloud: "Tell them that I don't have time to deal with these trivial matters. Just ask the receptionist to dispatch these messengers."

"

Yes, Lord Holy Lord. "

The disciple immediately spoke up and said: "However, there is an overlord force who secretly told the disciples that he is not only here to congratulate the birth of the new generation of Holy Lord, but also has an important purpose and needs to see you alone. "

When Ye Feng heard this, his eyes suddenly showed a hint of surprise, and then he said: "What important purpose?"

"The disciples don't know either."

The disciple who reported this said aloud: "But that force is the most mysterious overlord force on the periphery of the earth in the center of our God Realm, and is the envoy of the Holy Land of Chaos."

"Holy Land of Chaos?" .??.

When Ye Feng heard this disciple say this, his eyes suddenly flashed.

The Holy Land of Chaos, the Holy Lord of Chaos, are my "old friends".

A faint sneer appeared on Ye Feng's face, then he looked at the disciple in front of him who was notifying him, and said loudly: "Go and tell the envoy from the Chaos Holy Land that I agree to meet with him alone and let him directly Come to the central hall to see me."

"Yes, Holy Lord!"

The disciple who informed him immediately clasped his fists and made a sound, then quickly walked outside and disappeared in the blink of an eye.

At this time, a group of members of the controller family in the main hall stood up one after another and said respectfully: "Lord Holy Lord, I will take my leave first."

"Um."

Ye Feng nodded and watched a group of family members leave the hall.

At this time, Ye Feng looked at the several Holy Lord guards beside him and said, "You should also step back."

"yes!"

Several Holy Lord guards immediately clasped their fists respectfully and left the central hall.

At this moment, Ye Feng was left alone in the entire glorious central hall, sitting on the throne at the top.

“Plop, tap...”

Ye Feng's fingers subconsciously tapped the armrest of the seat next to him, thinking about something.

Ye Feng felt that the Lord of Chaos in the Holy Land of Chaos should not know that the new generation of Holy Lord in the Holy Land of Heaven was him.

Therefore, Ye Feng felt that the envoy from the Holy Land of Chaos wanted to see him alone, and it probably had nothing to do with the grudge between himself and the Holy Lord of Chaos.

While Ye Feng was thinking, a middle-aged man wearing Chaos Holy Land clothes walked in at the door of the central hall.

"I am Wei Wushuang, who comes from the Holy Land of Chaos and is a sword wielder under the Holy Lord of Chaos. This time I have come to meet with you alone, the noble Holy Lord of the Holy Land of Heaven, in order to discuss cooperation."

At this moment, when the Chaos Holy Land messenger who called himself Wei Wushuang was talking, although he lowered his head, he was secretly looking at Ye Feng who was sitting on the throne at the top.

After all, the Holy Land of Heaven is a dominant force.

Suddenly a new Holy Lord appeared, and it was a Holy Lord supported by all the major families. Naturally, it attracted the attention of many major overlords in the surrounding area.

"You are indeed very young, but your cultivation strength is unfathomable..." Wei Wushuang was observing and thinking secretly in his heart.

Ye Feng smiled slightly at this time and said loudly: "Messengers of Chaos Holy Land, what kind of cooperation do you, Chaos Holy Land, want to discuss with me? Just tell me directly. My time is precious, so just speak quickly."

"Yes, the noble Lord of Heaven."

The envoy of the Chaos Holy Land immediately spoke respectfully: "This time, our Chaos Holy Land wants to cooperate with your Tiandao Holy Land to develop a tomb of the ancient Emperor of Heaven. It is said that the Ancient Emperor of Heaven was a super powerful man in the previous era. , is the most glorious Emperor of Heaven in the human race, a tomb relic of an ancient Emperor of Heaven, with countless treasures, but also countless dangers. I hope you, Lord of Heaven, can consider it. "

Chapter 2980 Be fully prepared

For Ye Feng, he is still very interested in developing the remains of an ancient tomb of the Emperor of Heaven.

But this time it was the Holy Lord of Chaos who made the invitation, so Ye Feng had to think about it carefully.

After all, Ye Feng knew very well that if he and the Lord of Chaos met face to face, a tragic battle would most likely break out.

After all, the Lord of Chaos knew that Ye Feng had the soul gem in his body.

And Ye Feng also knew that the Lord of Chaos possessed the Chaos Gem.

So when the two of them meet, they will definitely take action directly.

However, Ye Feng also knew that as long as he could hide his appearance, the Lord of Chaos would not know his identity.

Moreover, the two major forces are cooperating to develop an ancient ruins. For such a thing, a person at the level of the Holy Lord does not even need to come forward.

Just ask some of the elders under you to take charge.

The most important thing for a strong person at the Holy Lord level is to enter the space of ancient ruins in advance to see if there is anything particularly dangerous.

At this time, Ye Feng thought of this and suddenly had a plan in his mind.

He looked at the envoy from the Holy Land of Chaos in front of him, and then said aloud: "I agree to your invitation from the Holy Land of Chaos, but you go back and tell the Holy Lord of Chaos that he must personally enter the ruins of the ancient Emperor of Heaven's tomb with me in advance. In order to detect the danger, I cannot allow our ordinary elders and disciples from the Holy Land of Heaven to enter and die, so we must eliminate all dangers first."

Hearing what Ye Feng said, the messenger from the Chaos Holy Land immediately spoke up and said: "Holy Lord of Heaven, please rest assured, our Holy Lord of the Chaos Holy Land also means the same thing, that is, two holy master-level figures unite together. , enter the ancient Emperor's palace in advance, work together to eliminate all dangers, and then let the ordinary teams in the sect enter to develop various resources. "

Ye Feng nodded slightly, and then said aloud: "Okay, let's set off in three days. Now share with me the location of the ancient Tomb of the Emperor of Heaven. I will arrive with the team from the Holy Land of Heaven in three days. that place."

When the messenger of Chaos Holy Land heard what Ye Feng said, he immediately nodded, took out a map from his arms, and handed it to Ye Feng.

He spoke out

Said: "The ruins of the ancient tomb of the Emperor of Heaven are at the red dot on the map. When the time comes, Holy Lord of Heaven, you can just lead the team there. Our Holy Lord of Chaos Holy Land will also take us. The team from Chaos Holy Land is waiting there in advance."

Ye Feng looked at the map in his hand, nodded slightly, then waved his hand and said nothing more.

The messenger from the Chaos Holy Land saw Ye Feng waving his hand and immediately knew what Ye Feng meant.

He said respectfully: "Then I won't disturb you, Lord Tiandao, and I'll take my leave first."

After finishing speaking, the envoy of the Chaos Holy Land left the central hall directly and disappeared outside the door.

At this moment, Ye Feng looked in a certain direction and suddenly said through a message: "Senior Xuanyuan, come here. The heads of the major families and the Supreme Elders also came to the central hall. I I have something to tell you."

The moment Ye Feng finished speaking, half an hour later, a large group of people came in one after another outside the door of the central hall.

They are the heads of the major controller families and some supreme elders.

Anyway, they are all the core figures of the Holy Land of Heaven, including the Xuanyuan ancestor of the Xuanyuan family.

At this moment, after everyone entered the central hall, they all clasped their fists at Ye Feng and said, "See the Holy Lord."

Ye Feng waved his hand and said: "Without courtesy, please take a seat."

"Yes, Holy Lord."

Everyone sat down on the seats on both sides.

After everyone sat down, Ye Feng began to speak out: "Just now, the messenger from the Holy Land of Chaos met with me alone to invite us, the Holy Land of Heaven and the Holy Land of Chaos, to join forces to jointly develop a tomb ruins in the ancient world. What do you think?"

When the head of a family heard this, he immediately stood up and said: "This must be a conspiracy! The Holy Master of the Chaos Holy Land has always had a bad character. This Holy Land has always believed in chaos. Therefore, Holy Lord, you must not be able to mess with the Holy Land of Chaos

The cooperation of the Holy Lord. "

Obviously, the head of this family is a radical and feels that he should not associate with the Holy Land of Chaos and cannot agree to the invitation of the Holy Land of Chaos.

But at this time, another head of the family stood up and said: "I think we can cooperate. Although the Holy Land of Chaos is not very reliable, the entire dark interface has invaded the center of our God Realm, causing many big forces to have There is a sense of crisis, so the reason why Chaos Holy Land cooperates with our Tiandao Holy Land this time is definitely to strengthen the strength of their Chaos Holy Land. This is also an opportunity for our Tiandao Holy Land. After all, the remains of an ancient emperor's tomb must contain many precious things. If the treasures and rare treasures can be successfully developed in cooperation with the Chaos Holy Land, it will also have huge benefits for the overall strength of our Tiandao Holy Land. We must not let this opportunity go to waste. "

At this time, a group of heads of major families stood up one after another and expressed their respective opinions.

Half an hour later, Ye Feng suddenly said: "Senior Xuanyuan, do you have any suggestions?"

At this moment, Patriarch Xuanyuan, who had been silent, heard Ye Feng ask him directly, and then slowly stood up, and then said aloud: "I think the Holy Lord can decide this matter by himself. Chaos We don't know much about the details of the Holy Land, but what is certain is that this is indeed an opportunity. It cannot be wasted like this, but it needs to be treated with caution to prevent various dangers, especially the Holy Lord's own safety. "

Ye Feng nodded, and then said aloud: "Actually, I have already made a decision, that is, I will personally lead a group of sect teams to the ruins of the tomb in ancient heaven and earth, and our headquarters in the Holy Land of Heaven and Earth, Senior Xuanyuan needs Stay in the headquarters to prevent Chaos Holy Land from having any bad intentions, such as trying to lure the tiger away from the mountain. "

Hearing what Ye Feng said, Patriarch Xuanyuan immediately said: "Why don't you let me lead the team to the ruins of the tomb in the ancient world? Holy Lord, you have a distinguished status and it would be better to sit in the headquarters."

Ye Feng shook his head and said aloud: "The Lord of Chaos' methods are very terrifying, not as simple as people think, because I have fought against the Lord of Chaos before, and he holds an extremely mysterious Chaos Gem in his hand. With extremely powerful power."

"The Chaos Gem?"

Hearing what Ye Feng said, all the family heads present, including Patriarch Xuanyuan, couldn't help but have a hint of horror in their eyes.

Because they all know that every master gem has very terrifying power. It is said to be a relic left by the ancient master and contains the power of the supreme master.

Everyone's expressions turned serious at this time.

This time, the cooperation to develop the tomb ruins of the ancient world may really only be possible if Ye Feng, a powerful Holy Lord, personally takes action, otherwise no one will be able to control the scene.

At this time, Patriarch Xuanyuan nodded and said: "Then everything will be according to your wishes, Holy Lord."

When many families saw that Patriarch Xuanyuan had expressed his stance, they all clasped their fists and said, "Everything follows the Holy Lord's plan."

Ye Feng nodded slightly, and then said aloud: "I set the time in three days. During these three days, you will select the most elite members in the entire Tiandao Holy Land to form a team. Follow me in three days. Let's go to the ruins of the ancient tomb together."

"Yes, Holy Lord."

The heads of a group of families all clasped their fists and shouted, then dispersed.

At this time, Ye Feng's figure moved, and he also left the central hall and came to the depths of the fairy island where the Holy Lord lived.

This is a palace that looks like a royal garden. Ye Feng lived here after he became the Holy Lord.

In these three days, Ye Feng himself is also preparing to improve his strength and methods.

After Ye Feng killed the ancestor of the Zhou family before, he didn't have time to devour the blood energy of the ancestors of the Zhou family and other powerful people. Now he just had time to devour and break through.

Moreover, the ancestor of the Zhou family still has some very powerful super inheritance of the Zhou family, which is probably on the same level as the Xuanyuan Emperor Kung Fu of the Xuanyuan family.

Ye Feng also planned to use these three days to practice hard.

After all, what he was about to face was the terrifying guy called the Lord of Chaos.

Ye Feng naturally has to be fully prepared!
