Chapter 3121 A little selfishness

In the dark pavilion, the Holy Lord of the Water Holy Land was silent for a long time, and then his ugly expression returned to normal. Then he looked at Ye Feng and said slowly: "Is everything you said true? "

Ye Feng nodded affirmatively and said aloud: "If the Holy Lord doesn't believe me, you can send spies to find out, but it may be too late by then, so the best way now is to evacuate the Water Holy Land as soon as possible This area of the pristine ocean."

Hearing what Ye Feng said, the Lord of the Water Holy Land first sighed, and then said with a wry smile: "But where will our huge Water Holy Land be withdrawn to? Is it going to be disbanded? I am too unwilling to do so. "

Ye Feng said aloud: "The Eastern Territory is so vast, you can find a deserted place to settle down first."

The Water God smiled bitterly, shook his head, and said aloud: "Now the entire Eastern Territory has places with spiritual energy suitable for cultivation, and they are occupied by various forces everywhere. We, the Water God, can still guard this three-thirds of an acre of land. development, but now we are moving directly away from here, we really have nowhere to go. Even if we go to other places, it is very likely that we will conflict with other forces. By then, a more tragic war will break out, and even our water holy land will be destroyed. If the Taoist tradition is destroyed because of this, I will become a sinner of the Water Holy Land through the ages."

Ye Feng also nodded slightly when he heard what the Lord Water God said.

He also understands the other person's mood and helplessness.

After all, the Water Sacred Land is very huge, with hundreds of thousands of disciples in total.

If they were all moved to other places at once, various conflicts would inevitably arise. ??

After Ye Feng thought for a while, he suddenly seemed to have thought of something and said: "How about Holy Master, you take the entire Water Sacred Land directly to the vicinity of the

underground city's black market. There is a virgin forest near the underground city's black market. That piece of primeval forest should be able to temporarily allow you to stay there."

The Water God couldn't help but said: "I know that place is an uninhabited primitive forest, but it is a

In the territory of Yiyuan Dao Sect, Yi Yuan Dao Sect is one of the top super powers in the Eastern Territory. The master of Yi Yuan Dao Sect and the Territory Lord of the Eastern Territory are good friends, and our Water Sacred Land, It's just a second-tier force that can't afford to offend a behemoth like the Yiyuan Dao Sect. "

When Ye Feng heard this, he immediately smiled and said, "You don't have to worry about this Holy Lord, I can mediate it."

When the Lord of the Water Holy Land heard what Ye Feng said, he immediately showed a trace of surprise in his eyes, and couldn't help but suddenly said: "It turns out that Mr. Ye Feng has been unwilling to join our Water Holy Land. It's because of you, Mr. Ye Feng." It's no wonder he is a member of such a giant as the Yiyuan Dao Sect!"

At this time, the Lord of the Water Holy Land was still a little uncertain and said: "But the hundreds of thousands of people in our entire Water Holy Land have all moved to the territory of the Yiyuan Dao Sect. Even if Master Ye Feng mediates, I don't know if it can be done." Success, after all, is not a small matter, but a big matter that mobilizes people. "

Ye Feng nodded slightly and said aloud: "I still have some status in Yiyuan Daozong, so there is no problem."

Hearing Ye Feng's answer, the Lord of the Water Holy Land immediately smiled and said: "That's great, I really want to thank Mr. Ye Feng this time, otherwise, our Water Holy Land will enter a place of eternal destruction. "

Ye Feng immediately smiled and said: "The Holy Lord valued me so much before, and the little princess Shui Lingxi and I are also very good friends. If the Water Holy Land is in trouble, I will naturally help, and there is also good news. I want to tell you, Holy Lord, that this time I got a very powerful treasure with ocean properties in the primitive ocean. Maybe it can completely cure Shui Lingxi's extremely cold body, and even stimulate her cultivation potential, so that she can From now on, you can start to practice and bring out the true power of your innate extremely cold body.

power. "

"What?!"

When the Lord of Water God heard what Ye Feng said, he was immediately excited and couldn't help but said: "Then let's go and give it a try."

Ye Feng nodded and said loudly: "Okay."

Next, the Lord Water God returned to the central hall, stopped the banquet, and then ordered all the elders: "From this moment on, let all the disciples pack their luggage and things. We need to leave the current base camp of Water Holy Land and go to the primeval forest next to Yiyuan Dao Sect to settle down."

"What?"

"Why is this? Lord Holy Lord, you must not be so hasty!"

"Yes, we can't just move away from the place left by our ancestors!"

Many elders in the central hall couldn't help but exclaimed and tried to dissuade him.

"enough!"

The Water God Lord immediately shouted loudly, exuding an ultimate majesty from his body, causing a group of elders to become silent for an instant and not daring to speak anymore.

It has to be said that the Lord of the Water Holy Land is not in vain. He is a completely powerful figure in the Water Holy Land, and he single-handedly controls the power of the entire Water Holy Land.

So at this time, the Holy Master of Water Holy Land did not waste time to explain, but said loudly: "Strictly implement my orders. Anyone who dares to disobey will be directly expelled from the sect!"

At this time, seeing how resolute and decisive the Water God Lord was, not giving anyone a chance to explain, a group of elders could only sigh and carry out the order.

Because they dare not disobey the orders of this powerful Holy Lord.

After the Lord of Water God arranged everything, he immediately said to Ye Feng beside him: "Let's go find this girl Lingxi quickly. I can't wait to see her."

Looks like getting healthy. "

Ye Feng nodded immediately.

It has to be said that this water god still has some iron fists.

And he also believes in himself very much, otherwise he would not easily do something like relocating his family that might arouse public outrage.

In fact, to be honest, the reason why Ye Feng helped the entire Water Holy Land this time was not only because he had a good relationship with the Lord of the Water Holy Land, but he also had some small selfish motives of his own.

Because Ye Feng knew that he had offended the Prince Alliance in the Yiyuan Dao Sect, there would definitely be a lot of trouble in the future.

And I am alone, relying only on the words of the eldest lady Murong Mingyue, and I will probably be overwhelmed and unable to truly fight against the disciples of the Prince Alliance, the extremely powerful One Yuan Dao Sect.

So this time, Ye Feng decided to move the Water Sacred Land directly to the area around the Yiyuan Dao Sect. In this case, the entire Water Sacred Land will become Ye Feng's invisible help.

Because Ye Feng saved the lives of hundreds of thousands of people in the entire Water Holy Land this time, including the Lord of the Water Holy Land, they will definitely be very obedient to Ye Feng in the future.

Therefore, Ye Feng sacredly pulled Shui into the surrounding forests of Yiyuan Dao Sect's territory, which was regarded as a huge boost to himself and had a very huge deterrent effect.

However, Ye Feng knew that he needed to return to Yiyuan Daozong in advance to talk to the eldest lady about this matter.

Otherwise, it would be embarrassing if the Shui Sheng Di came to station in the forest around Yiyuan Dao Sect in the future, and Yi Yuan Dao Sect would not allow it.

So Ye Feng decided to wait until Shui Lingxi, the little princess of the Water Holy Land, was cured this time, and then immediately return to the Yiyuan Dao Sect to inform the eldest lady Murong Mingyue first.

Ye Feng believed that with his relationship with Murong Mingyue and the support of Master Dan Zunyi, the extremely noble Jiuding alchemist, there should be no problem in moving the Water Holy Land.

Chapter 3122 Soaring into the Sky

When Ye Feng followed the Holy Lord of Water to the large house in the center of the base camp of the Holy Land of Water.

Inside the house, there are meandering water bottles and lush trees. It is exactly the same as when Ye Feng came here before, and it is very quiet.

It seems that everything outside will have no impact on this place.

Obviously, the Water God protects his only daughter very well.

At this time, Shui Lingxi, the little princess of the Water Sacred Land, was in a daze in a pavilion in the house, looking at the water.

At this time, she sensed the breath coming from behind, and immediately turned around and saw her father and Ye Feng standing together.

Shui Lingxi's eyes immediately showed deep joy, and she couldn't help but said: "Brother Ye Feng, when did you come?"

Ye Feng smiled slightly and said aloud: "I just came to the Water Holy Land and discussed something very important with your father. Now that we have discussed it, I came here to see you and test it to see if it can be cured. You are born with an extremely cold body."

"Can my congenitally extremely cold body be cured?" ??

When Shui Lingxi heard what Ye Feng said, her eyes suddenly showed deep excitement.

Even though Shui Lingxi was usually very silent and an introverted girl, she couldn't help but cheered when she heard the news.

Because Shui Lingxi has always been troubled by her innate extremely cold body since she was a child.

Not being able to practice and having to endure the pain of the cold poison really made Shui Lingxi suffer to this day.

Now that she heard that Ye Feng had a way to cure her congenital extreme cold body, this naturally made the little princess of the Water Holy Land very happy, and she couldn't help but spin around in circles with joy.

The Water God saw this

At the end of the scene, there was also an expression of relief on his face.

Then he looked at Ye Feng beside him and said: "Master Ye Feng, everything depends on you. If you can cure my daughter, I will listen to you in everything from now on!"

Through some things at this time, the Water Holy Land also understood that although Ye Feng's current cultivation level does not seem to be too high, he will definitely be an earth-shattering figure in the future.

The Lord of the Water Holy Land felt that he underestimated Ye Feng when he wanted to make Ye Feng the Holy Son of the Water Holy Land.

After the entire Water Sacred Land was relocated to the primeval forest around Yiyuan Dao Sect, the Water Sacred Lord felt that he might have to follow Ye Feng behind his back.

While the Lord Water God was thinking secretly, Ye Feng walked up to Shui Lingxi.

Looking at the cute little princess in front of him, Ye Feng suddenly smiled slightly and said aloud: "Actually, I haven't cured your innate extremely cold body. I have told you before that your first The extremely cold body, once you open up the two meridians of Ren and Du, can make you soar into the sky and become a cultivation wizard, because the innate extremely cold body is not a calamitous physique, but a peerless physique gifted by God. It's just that you have been unable to open up the Rendu and Du meridians and practice, so you have been unable to exert the power of the extremely cold body. Now, maybe I can open up the Rendu and Du meridians for you, because this time I got it in the primitive ocean. I have found a very ancient treasure, and it is of marine nature. It has the same attribute as your innate extreme cold body. It may be able to completely awaken your extreme cold body."

At this time, Shui Lingxi just stared at Ye Feng, with a pair of beautiful big eyes full of admiration, and said loudly: "I believe that Brother Ye Feng, you

It will definitely succeed! Even if it fails, as long as I follow Brother Ye Feng from now on, Brother Ye Feng can absorb the cold energy for me at any time, and I will be very happy. "

When Ye Feng heard what Shui Lingxi said, he looked at the other person's innocent eyes and couldn't help but smile and said, "Don't worry, I'm very sure this time."

Buzz!

At this time, Ye Feng took out the Poseidon Crown he had obtained and put it directly on his head.

"This is....."

The Water God Lord saw the Poseidon Crown on Ye Feng's head, and his eyes suddenly showed a trace of horror, as if he had discovered what Ye Feng's crown was like. .???.??

At this time, Ye Feng directly inspired the three divine gems on the Poseidon Crown.

Buzz!

The three divine gems immediately released three divine beams of different colors, which shone directly from the crown on Ye Feng's head onto Shui Lingxi, the little princess of the Water Sacred Land in front of her.

These three divine gems were all left by the God of the Sea. They are very ancient and possess mysterious and unpredictable power of the ocean.

Shui Lingxi's innately cold body needed the huge spiritual power of the ocean attribute to break through the innate shackles and restraints in her innately cold body.

"boom!!"

At this moment, under the full stimulation of Ye Feng, the power of Poseidon released by the three divine gems on the Poseidon Crown immediately enveloped Shui Lingxi's entire body.

Shui Lingxi did not show a painful expression on her face at this time. Instead, she showed a very surprised expression. She couldn't help but said: "Brother Ye Feng, I can feel that the cold air in my body is not only No

Will hurt me again, and I can still control these extremely cold air. "

When Ye Feng heard what Shui Lingxi said, a trace of joy suddenly appeared on his face, and he couldn't help but said: "It seems that the divine gem on the Poseidon Crown can really break the shackles in your body. Let your innate extreme cold body completely become a physique under your own control. From now on, you will be able to completely control your innate extreme cold energy, and your cultivation will skyrocket. "

"Really?"

When Shui Lingxi heard what Ye Feng said, her beautiful face suddenly showed deep excitement and joy.

She couldn't help but trotted forward, then threw herself into Ye Feng's arms, hugging Ye Feng tightly. It seemed that she could only share her inner joy in this little girl-like way.

The Holy Lord of the Water Holy Land stood aside, looking at the scene of two young people hugging each other in front of him, and retracted his hands that he had just stretched out with a little embarrassment.

He thought his daughter was coming to hug him!

But the slightly embarrassed old father still had a very pleased smile on his face.

After all, what could be more important in the world than seeing his daughter so happy?

At this time, Ye Feng looked at Shui Lingxi in front of him with a smile and said, "Okay, now that the shackles of your innate extreme cold body have been completely broken, I need to leave the Holy Land of Water first."

Ye Feng looked at the Water Divine Lord beside him and said aloud: "I need to return to the Yiyuan Dao Sect in advance to discuss with the eldest lady the relocation of the Water Divine Lord to the virgin forest area near the underground city's black market."

The Lord of Water God couldn't help but patted Ye Feng's shoulder immediately, and said with a slight sigh: "This time, it all depends on you, Ye Feng."

Chapter 3123 Bragging

After Ye Feng healed Shui Lingxi, he left the Water Sacred Land without wasting any time and flew quickly towards the Yiyuan Dao Sect.

Ye Feng's speed was very fast. In less than half a day, he had returned to Yiyuan Dao Sect.

At this moment, looking at the familiar door of Yiyuan Dao Sect in front of him, Ye Feng's eyes had a hint of sigh.

This time I came out and haven't been back for a long time.

After Ye Feng sighed, he walked directly into the headquarters of Yiyuan Dao Sect.

Yiyuan Dao Sect is exactly the same as usual, with various disciples coming and going everywhere, and it has not encountered any huge changes like the Water Holy Land.

It has to be said that the comprehensive strength of the Yiyuan Dao Sect is indeed a super behemoth on the land of the Eastern Region. Very few people dare to offend the Yi Yuan Dao Sect.

When Ye Feng returned to the royal garden, he saw a note on the jade bed where he practiced in the central hall.

There is a very beautiful handwriting written on it: "Ye Feng, if you come back and I am not in the main hall, it means there is something wrong with my cultivation. Remember to come to the small world deep in the sect to find me and wake me up."

This is the note of Murong Mingyue, the eldest lady of the Yiyuan Dao Sect.

When Ye Feng saw this font, there was a trace of surprise in his eyes.

It seems that the eldest lady is practicing some special inheritance and has entered a state of confusion. She needs to be awakened by herself.

It seems that Murong Mingyue really values himself very much now, and will leave a special note to tell herself such secret things.

"Where have you been during this time? How come your cultivation has increased so much?"

But just when Ye Feng was holding this note and preparing to go to the small world deep in the Yiyuan Dao Sect, suddenly a strange voice sounded in the jungle outside the royal garden.

Uh-huh!

Ye Feng turned around and saw a young man wearing a black robe standing there staring at him, seemingly surprised.

"Young Sect Master?"

Ye Feng knew this young man in black robes. He was the young master of the Yiyuan Dao Sect, Murong Zhentian, and the brother of the eldest lady Murong Mingyue.

Ye Feng still remembered the last time when the young sect leader Murong Zhentian was still questioning why he lived in the central hall that belonged to his sister, and even warned him to leave as soon as possible.

However, Ye Feng was also arrogant at that time, so he ignored the young sect leader and left directly.

Could it be that Murong Zhentian was waiting for him here specifically to cause trouble for him?

This is very likely.

Ye Feng's eyes suddenly showed a hint of vigilance, and he said indifferently: "The young sect leader suddenly appeared here to find something to do with the eldest lady? The eldest lady is currently in a state of cultivation, I need to go Wake her up."

Murong Zhentian looked at Ye Feng's repulsive look and immediately said, "Are you still angry because I asked you to leave here last time?"

Ye Feng shook his head slightly and said loudly: "Not really."

When Murong Zhentian heard this, he immediately said: "Don't worry, I went to see my sister Murong Mingyue, and she taught me a lesson. Tell me to be more polite to you. I won't warn you in the future. What do you like?" Just like that."

When Ye Feng heard what Murong Zhentian said, there was a hint of astonishment in his eyes.

I didn't expect that this agency in charge of killing people

The young sect leader is so afraid of his sister.

It seems that the eldest lady Murong Mingyue is not just a vase-like decoration in the Yiyuan Dao Sect, but a real powerful figure.

The two of them, brother and sister, were both key targets vigorously cultivated by the leader of the Yiyuan Dao Sect, and they did not favor boys over girls.

One is in the light and the other is in the dark.

At this time, Ye Feng couldn't help but said: "Isn't it because the sect master is waiting for me to show up here this time to cause trouble for me?"

"of course not."

Murong Zhentian shook his head and walked in the direction of Ye Feng, staring at Ye Feng's body, making Ye Feng look a little creepy.

Murong Zhencai said slowly: "I don't know why my sister admires you so much. She said that you will be the pillar of our Yiyuan Dao Sect in the future, so let me be polite to you, but I didn't see it. Although your cultivation level seems to have improved a lot during this period, it is not very high compared to ours. Moreover, I don't see anything special about you. Could it be that my sister is just impressed by your handsome appearance? Charmed?"

Ye Feng's eyes showed a hint of surprise, and then he said aloud: "I don't rely on my appearance to make a living. I am appreciated by the young lady because of my true talent and practical learning."

In front of Murong Zhentian, the seemingly aloof young sect leader, Ye Feng had no intention of being modest. At this time, he continued to brag about himself: "I just entered the Yiyuan Dao Sect and was spotted by the senior mountain master of the Refining Mountain. I helped him I awakened the soul of the ancient giant weapon."

The young sect leader Murong Zhentian's eyes suddenly showed a trace of surprise, and he couldn't help but said: "You are actually a rare weapon-casting warlock?"

Ye Feng was very satisfied with the young sect leader's reaction and immediately nodded slightly.

He raised his head and said rather enigmatically: "Yes, and what I awakened is the soul of the giant divine weapon that is unparalleled and rare throughout the ages. Even the senior mountain master of the Refining Mountain was amazed by this, and even said I am a unique genius in the art of weaponry that is rare to see in a million years!"

"Besides, Master Danzun Yi fell in love with me immediately when he first met me. He even said that he was not qualified to be my master."

"In addition, Yun Lan, a good friend of Master Dan Zun Yi and the unrivaled female sect leader of Tianlei Sect, was also impressed by my potential and qualifications. When I was exploring the desert ruins, I directly used Neptune's Golden Trident. She took the initiative to give the halberd to me because she said she was not worthy of owning the golden trident, and only I was qualified to own this ancient magic weapon."

...

At this moment, Ye Feng was talking non-stop, embellishing what had happened, and was simply blowing himself up to the sky.

This kind of half-truth and half-false bragging made Murong Zhentian, the young sect leader in front of him, stunned for a while, not knowing whether it was true or false.

At the end, Ye Feng looked at Murong Zhentian in front of him who was stunned by what he said, patted him on the shoulder, and said loudly: "Young Sect Master, please digest it. You must be more polite to me next time. I'll go. It's time to wake up the eldest lady, and I have something important to discuss with the eldest lady, so I won't say more."

At this time, Murong Zhentian looked at Ye Feng's leaving back, took a deep breath, and couldn't help but murmur, "It seems that I have to practice harder, Ye Feng, I must not carry you, a peerless genius, on my back." Beyond the!"

At this time, Ye Feng, who had walked far away, had a strong sense of perception. When he heard the murmur of the young sect leader Murong Zhentian, the corner of his mouth suddenly curved.

It was really refreshing to be able to deflate this arrogant young sect leader!

Chapter 3124 Threat from the Guardian Elder

At this time, Ye Feng left the royal garden and flew directly towards the deepest part of Yiyuan Dao Sect.

Now that time was running out, Ye Feng had to hurry up and find the eldest lady, wake her up from her cultivation state, and discuss with her the moving of the Water Sacred Land to the territory of the Yiyuan Dao Sect.

Otherwise, when the Water Holy Land comes, it will be more troublesome to conflict with the Yiyuan Dao Sect.

Swish, swish, swish!

When Ye Feng came to the deep area of Yiyuan Dao Sect, he immediately saw many masters of Yiyuan Dao Sect guarding the surroundings, and they were obviously very guarded.

In the depths of this Yuan Dao Sect, there are inheritance temples, various small worlds for cultivation, various pill warehouses, etc. It is the most precious place of Yuan Dao Sect, so many experts around are guarding it. With.

Uh-huh!

Uh-huh!

The moment Ye Feng arrived here, two masters wearing purple armor immediately blocked Ye Feng's path and asked: "In this important place of the sect, ordinary disciples are not allowed to enter. If there are special needs, Please show your ID."

At this time, Ye Feng calmly took out the eldest lady token that Murong Mingyue gave him.

"This is....."

Suddenly, the two armor masters in front of them couldn't help but look surprised in their eyes, and then they immediately respectfully clasped their fists and said, "It turns out that they are the brothers next to the eldest lady, please come in."

After saying that, the two blocking masters immediately let him go, allowing Ye Feng to pass directly through the guard level here.

At this moment, Ye Feng's eyes showed a trace of satisfaction, and he left here directly and walked deeper.

After Murong Mingyue gave her eldest lady token to Ye Feng, she seemed to have forgotten to take it back.

Therefore, with this eldest lady identity token in Ye Feng's hand, he can basically go anywhere he wants to go in the Yiyuan Dao Sect, except for some areas that the eldest lady does not have permission to go to, which is very convenient.

"My luck is really good. As soon as I entered a super power like Yiyuan Dao Sect, I was noticed by the eldest lady. It is much easier to do everything and has privileges. Compared with me in the past among some forces, I was attracted by the eldest lady. It will be much better once the disciples start practicing."

Ye Feng looks at this time

Looking at the two armor masters beside him who were in awe of him, their eyes suddenly showed a trace of sadness.

Since entering the cultivation path, so many years have passed, and Ye Feng has also joined many forces. Each time, he basically started as an outer disciple at the lowest level. He did not have any privileges and could only improve his strength step by step. , enhance status.

But now, after arriving in the Origin World and joining the Yiyuan Dao Sect, Ye Feng was very lucky and got to know the eldest lady very early, as well as big figures like Master Dan Zun Yi.

So even though Ye Feng's cultivation level was not high at the beginning, with such connections, he was able to get along very well in a huge force like Yiyuan Dao Sect.

At this moment, the two masters wearing armor had awe in their eyes, staring at Ye Feng's retreating back with envy in their eyes.

"Who is this junior brother? He is able to obtain the identity token of the eldest lady at such a young age. His relationship with the eldest lady is definitely very unusual."

"Is he the eldest lady's martial arts partner? Usually he is willing to hand over his identity token to the other party. The relationship is definitely very close and intimate."

"Forget it, let's not discuss it anymore. This kind of big shot is not something we can discuss. Be careful as it could lead to death."

...

Amidst the discussion between the two armor masters, Ye Feng entered the most mysterious and precious deep area of Yiyuan Dao Sect.

Walking all the way towards the deepest part, Ye Feng saw various strange-shaped buildings around him.

There is the inheritance temple, which emits a vast light and looks extremely sacred.

There is a gigantic tower with totems of ancient gods carved on it. It emits the light of thunder and is connected to the entire sky. Ordinary people cannot approach it.

There are also dark ancient castles, from which eerie laughter can be heard from time to time. It is not known what is being cultivated inside. It is probably an evil war creature created by some alchemists of the Yiyuan Dao Sect.

There are also some areas where the aura emanates makes Ye Feng feel very frightened.

shock.

It has to be said that the Yiyuan Dao Sect is indeed the super powerful force in the entire Eastern Region. There are specialized people in the sect who study all kinds of strange things.

"The foundation of the Yiyuan Dao Sect is indeed much stronger than the second-line forces like the Water Holy Land."

Ye Feng couldn't help but murmured.

At this time, Ye Feng finally stopped.

Ahead, a small world hidden in another dimension appeared in Ye Feng's field of vision.

This is a small independent world.

Ye Feng finally came to the entrance of the small world.

At the entrance of the small world, stood an old man wearing a white robe, with white hair and white eyebrows, and an immortal spirit. He looked very enigmatic.

Ye Feng guessed that this old man in white robe should be the guardian of the entrance to the small world.

Ye Feng quickly stepped forward, clasped his fists, and said loudly: "Senior, I need to enter the small world to find the eldest lady in the state of cultivation."

The old man in white robe opened his eyes, glanced at Ye Feng indifferently, and then said in a very indifferent tone: "The eldest lady is practicing a very special inheritance. Outsiders are not allowed to disturb you, even if you have the status of eldest lady." The cards are no good either, so leave quickly."

For some reason, Ye Feng felt a faint hostility from the tone of the guardian elder of this small world.

Ye Feng's face was very calm at this time. He took out the note that the eldest lady Murong Mingyue left for him directly from the storage ring, and then said loudly: "Elder, this is the note that the eldest lady left for me. , it was the eldest lady who asked me to come here to wake her up."

"Um?"

Seeing the note in Ye Feng's hand, the guardian elder of the small world suddenly showed a trace of surprise in his eyes, as if he did not expect the ordinary-looking young man in front of him. His relationship with the eldest lady is so unusual.

After all, the relationship between the two is definitely not simple if a high-ranking eldest lady can take the initiative to leave him a handwritten note.

Thinking of this, the hostility of the guardian elder of the small world seemed to become more intense, and he couldn't help but asked sternly: "Young man, are you and

What is the relationship between the eldest lady? "

Ye Feng saw that the guardian elder of the small world seemed to be more hostile to him, and even began to question himself sternly without letting him pass.

Even though the clay figurine was still very angry, Ye Feng's face became stern at this time and he said loudly: "If the time to wake up the eldest lady is delayed, the consequences will not be something you and I can bear. The specific relationship between me and the eldest lady is No need to tell the elders, hurry up and let me pass, or you will bear the consequences!"

At this time, even though he knew that the strength of the guardian elder of this small world was very unpredictable, Ye Feng's attitude was also very tough when he spoke.

Because Ye Feng grasped one thing, that is, the guardian elder of this small world would never dare to provoke the eldest lady.

And this time I came here because of the eldest lady.

Sure enough, Ye Feng moved out of the backstage of the eldest lady. The guardian elder of this small world suddenly showed fear in his eyes.

However, there was a trace of anger in his eyes when he looked at Ye Feng, and he said coldly: "Okay, I will let you go, but if you dare to be so rude to an old and powerful person like me, be careful. Because it is very likely that you will suddenly die in the sect without knowing when."

When Ye Feng heard what the guardian elder said, a trace of shock and anger suddenly appeared on his face.

This guardian elder is completely threatening himself at this moment.

Ye Feng refused to leave at this time, and a terrifying fighting spirit burst out from his body. He stared directly at the guardian elder of the small world in front of him, and said coldly: "Why are you targeting me? Even threatening? my life?"

boom! !

At this moment, Ye Feng directly put on the Poseidon Crown, and the power of the three divine gems was directly activated with all its strength, surrounding Ye Feng, making Ye Feng's combat power increase countless times in an instant, and his rage was boundless.

Ye Feng is not a soft persimmon who can be manipulated by others. Although he looks delicate and pretty, he is ruthless in his heart.

Now that he is being targeted and bullied like this, Ye Feng will not swallow his anger at all. Regardless of whether he is a guardian elder or a heavenly king, he will not talk nonsense and just start a war!

Chapter 3125 The most powerful energy text

Boom!

At this time, Ye Feng released extremely powerful power, and the violent aura surged rapidly around Ye Feng, instantly attracting the attention of the Yiyuan Dao Sect masters around him.

After all, this is the deepest core of Yiyuan Dao Sect, and few people make trouble.

There was such a big movement all of a sudden, which naturally caused many experts to look over.

Everyone's eyes showed deep curiosity, not knowing what was going on. ??

"Boy! Control your breath quickly!"

At this time, the eyes of the guardian elder of the small world suddenly changed.

He never thought that Ye Feng, a young man who looked delicate and handsome, could be so strong and wanted to fight him directly, and he also released such a powerful cultivation aura.

You must know that this is the core place of Yiyuan Dao Sect, and no fights can occur, otherwise both parties will be severely punished.

The guardian elder of the small world has achieved his current achievements only today. He has become the guardian of the small world and has a very high status.

If Ye Feng, a reckless young man, was demoted because of him, it would be too much of a loss.

After all, the conflict between him and Ye Feng this time was not Ye Feng's fault, but the guardian elder himself did forcefully target Ye Feng.

So at this time, Ye Feng occupies the word "reason", which naturally makes this extremely powerful guardian of the small world afraid to directly suppress Ye Feng.

After all, Ye Feng had the eldest lady's identity token in his hand, as well as a note written by the eldest lady herself.

At this moment, Ye Feng did not restrain his cultivation momentum, but stared coldly at the guardian elder and said: "I don't want to fight the elder, but there is really no way. Elder, you are targeting me like this. , even threatening my life, I naturally want an explanation."

Ye Feng knew that the guardian elder of this small world must be extremely powerful in cultivation, but Ye Feng still took action.

In addition to Ye Feng's strong character, another important reason is that Ye Feng knows that the other party will not forcefully suppress him.

Because the fault for this conflict lies with the guardian elder.

Moreover, this is the core area of Yiyuan Dao Sect, and there are experts paying attention everywhere.

Among the sects there are

Following the sect's rules is not like being outside, so Ye Feng would do such a thing.

If Ye Feng faced a super-elderly strong person like the Guardian Elder in the wilderness outside, he would naturally not release his power so foolishly. If he wanted to fight against the opponent, he would definitely escape.

But within the sect, as long as you make no mistakes and hold a point of truth, you can reason with the other party.

Sure enough, Ye Feng guessed it right. At this time, the guardian elder did not take action directly. Instead, he continued to say with an ugly face: "Control your breath first, and I will give you an explanation."

When Ye Feng heard what the guardian elder said, he nodded slightly, then restrained his cultivation aura and said, "Why would the elder target me like this? I don't seem to know the elder, right?"

Hearing what Ye Feng said, the guardian elder's face became gloomy.

But he was really afraid that Ye Feng would start causing trouble again, so he could only say slowly: "My grandson, Su Mo, is a peerless genius in the Yiyuan Dao Sect. I have been cultivating my grandson to be able to do what he wants in the future." A person worthy of a young lady, but your appearance makes me feel threatened."

Hearing what the guardian elder of the small world said, Ye Feng suddenly had a look of astonishment in his eyes.

Ye Feng originally thought that the guardian elder of the small world was so targeted at him because the guardian elder might be a member of the Prince Alliance that he had offended before.

But I didn't expect that the other party was doing it for his grandson.

At this time, Ye Feng understood. It seemed that the guardian elder of the small world was a very snobbish person and wanted to train his grandson to become the martial arts partner of the future eldest lady.

In that case, this guardian elder can continue to improve his status in the Yiyuan Dao Sect.

After Ye Feng figured this out, he glanced at the old guardian of the small world in front of him, and said coldly: "If your grandson knows, and you only train him to improve your own status in the future, I think he will definitely feel ashamed that a snobbish grandpa like you will only use your grandson as a tool."

After saying that, Ye Feng didn't care about the other party's ugly face, just snorted coldly and walked past the guardian elder of this small world.

Go and step into the small world ahead.

The guardian elder of the small world who was standing there had a very ugly look in his eyes.

But he also had nothing to do with Ye Feng.

Because Ye Feng now knows his secret, if he takes action against Ye Feng, Ye Feng will definitely expose his secret.

"Su Mo's grandson, for the sake of my future, after I go back this time, I can only forcibly inject you with the blood of the Celestial Clan in advance to fully unlock your talents. Although the process is painful, once you endure the pain, you can clear any obstacles in front of your grandfather, and the eldest lady will definitely be fascinated by your powerful talent."

The guardian elder of the small world couldn't help but murmur at this time, with ambition shining in his eyes.

Ye Feng walked into the small world at this time. He remembered the words of the guardian elder just now, and felt that he still needed to tell the eldest lady about it.

Although this may arouse the murderous intention of the guardian elder.

But Ye Feng felt that the eldest lady must know about this matter. ??

After all, this guardian elder is simply an anti-bone boy with a long bone in his head.

At this time, Ye Feng was thinking in his heart, and began to exude his soul power, looking for the aura of the eldest lady Murong Mingyue.

Ye Feng saw that there were many people in this small world who were practicing in seclusion.

There are various cultivation environments in this small world.

Such as the lava land where fire is everywhere.

A glacier land exuding extremely cold air.

There are also endless waters of great rivers coming from the sky, which are very suitable for practitioners of the water attribute.

In addition, there are some very dark and dark training environments.

Ye Feng even saw a group of vampire bat-like creatures practicing in a corner cave in this small world.

He is probably also a member of the Yiyuan Dao Sect, but he should be a special member with different abilities secretly developed by the Yiyuan Dao Sect.

Soon, Ye Feng saw the familiar and beautiful figure of the eldest lady Murong Mingyue on the top of a huge mountain.

But at this time, Murong Mingyue was suspended in mid-air, and there were letters emitting golden light all around.

Around her whole body, she seemed to be practicing a very special inheritance.

Uh-huh!

Ye Feng flew to the mountain at this time, looking at Murong Mingyue in mid-air, wondering whether suddenly waking up the eldest lady would cause harm to her cultivation state.

"Buzz!"

But suddenly at this moment, for some reason, the golden words surrounding Murong Mingyue suddenly rushed towards Ye Feng like a tide.

Wow!

Ye Feng didn't even have time to react. He was directly wrapped by these radiant golden words and pulled to Murong Mingyue's side.

Then what shocked Ye Feng's eyes was that although Murong Mingyue had her eyes closed, she seemed to have acted subconsciously at this time. The beautiful figure came closer, and then directly hugged Ye Feng who was pulled into the air by the golden words. wind.

"this....."

The eldest lady took the initiative to hug him. He had never been so close before. Ye Feng said a little embarrassedly: "Miss, wake up."

"Buzz!"

At this time, Murong Mingyue opened a pair of beautiful eyes, and suddenly stared at Ye Feng in front of her. She did not let go, but asked slightly: "Do you have the blood of a master? The energy left by these literary masters Wang Wen actually actively supports you, Ye Feng, it seems that I still underestimate you. "

Buzz!

After saying that, Murong Mingyue let go of Ye Feng, stepped back slightly, and then stretched out her hand to grab it, as if she wanted to take back the energy words that were glowing with golden light around her.

"Crash!"

But the next moment, hundreds of rare and incomparable energy words were no longer controlled by Murong Mingyue. They all actively rushed into Ye Feng's right palm and merged into Ye Feng's right palm.

"this....."

When Murong Mingyue saw this, her eyes immediately darkened and she said, "The most powerful energy words left by Master Wenzu that my father worked so hard to bring back to me from the restricted area of life are just gone?"

Ye Feng looked at the golden light emitting from the palm of his right hand, and the hundreds of energy words seemed to have been fused into the flesh and blood. He couldn't help but twitch the corner of his mouth, and said a little weakly: "Miss, if I say that I can't do anything, I don't know, this just happened, do you believe it?"

Chapter 3126 You owe me compensation

At this time, Murong Mingyue looked at Ye Feng's innocent face and couldn't help but her eyelids twitched.

The eldest lady of the Yiyuan Dao Sect never thought that these extremely powerful energy words would be actively integrated into Ye Feng's palm. She really didn't expect it.

Ye Feng saw Murong Mingyue's seemingly stiff expression, and immediately continued to say: "I am really innocent."

At this time, Ye Feng directly activated his right palm.

boom!

Suddenly, a bright golden light burst out from his palm.

Thousands of energy words, each with mysterious power, all flew out from Ye Feng's palm and surrounded Ye Feng. ??

Ye Feng immediately said: "Miss, look, I want to force these energy words out, but they just want to follow me, and I don't know why."

When Murong Mingyue heard what Ye Feng said, she looked at those energy words surrounding Ye Feng, seemingly cheering for joy.

The eldest lady couldn't help but rolled her eyes at Ye Feng, and said loudly: "You are so good at what you get! I have been practicing for several months, but I still haven't conquered these energy words, but I didn't expect them to take the initiative. I chose you, forget it, I'm not a stingy person, since they are willing to follow you, then I won't pursue anything."

When Ye Feng heard what Murong Mingyue said, he immediately breathed a sigh of relief. After all, he had picked up so many rare and precious energy words for nothing, and it was all the hard work of Murong Mingyue's father, the leader of the Yiyuan Dao Sect. Retrieved from some forbidden area of life.

"This is my birthday gift." Murong Mingyue suddenly said.

Ye Feng looked at this rather miserable eldest lady and couldn't help but stepped forward and said, "How about I compensate you for something, eldest lady?"

When Murong Mingyue heard what Ye Feng said, a look of surprise appeared in her beautiful and cold eyes, and then a faint smile appeared on her face, and she asked aloud: "Can you make it up to me?" What?"

Ye Feng said aloud: "The eldest lady can make up for whatever she wants, as long as I can do it."

Murong Mingyue immediately smiled and said, "I haven't thought about it yet, but I will remember your promise to me. You must also remember that you owe me compensation."

"good."

Ye Feng nodded very seriously.

At this time, Murong Mingyue looked at Ye Feng's golden palm, and couldn't help but said: "Each of these words is extremely rare and special, left by the master of literature and art who dominated by the achievements of literature and art. The energy text contains the secret meaning and power of the master. If you control it well, it can explode with extremely powerful power. It is definitely a trump card for you with your current cultivation level. "

Ye Feng immediately nodded and said, "I will make good use of these energy words."

Murong Mingyue nodded slightly, and then said aloud: "Where have you been during this time, and why did you come back after so long? However, your cultivation level has improved very quickly. It has been promoted to the ninth level of the Divine Palace Realm, almost It has grown to a level comparable to the top disciples of our Yiyuan Dao Sect."

When Ye Feng heard what Murong Mingyue said, he immediately spoke up and said: "The matter I want to discuss with the eldest lady when I come back this time is related to what I have experienced recently.

"

Murong Mingyue saw Ye Feng's seemingly solemn expression and said loudly: "Oh? It seems that this matter is very important. Please tell me about it. Let's talk while we are walking."

At this time, Ye Feng and Murong Mingyue walked towards the outside of the small world, while Ye Feng told the young lady about the Water Holy Land.

Murong Mingyue still knew about the Water Holy Land. After all, it was a second-tier power not too far away from the Yiyuan Dao Sect's territory.

Murong Mingyue once visited the Water Sacred Land on behalf of the Yiyuan Dao Sect, but it was all many years ago.

At this time, after hearing everything Ye Feng said about the Water Sacred Land, Murong Mingyue said without any hesitation: "The Water Sacred Land can be moved to the primitive uninhabited area near us. I will take care of this matter." Just tell my father."

When Ye Feng heard this, his eyes suddenly lit up and he said loudly: "Thank you very much, Miss."

Murong Mingyue glanced at Ye Feng beside her, and said with a chuckle: "That's because I believe in you. Since you vouch for the Water Holy Land, then there must be no problem. Otherwise, even if you are the Holy Master of the Water Holy Land, Even if you come to discuss it with me in person, I won't agree."

Ye Feng heard this and immediately said: "I didn't expect that I have such a heavy weight in the heart of the eldest lady."

Murong Mingyue looked at Ye Feng beside her, smiled and patted Ye Feng's shoulder, and said loudly: "I have always had great expectations for you. I hope that you can become the most powerful pillar of our Yiyuan Dao Sect in the future."

When Ye Feng heard what Murong Mingyue said, there was a hint of surprise in his eyes. He didn't expect Murong Mingyue to be so confident about his future.

At this time, Ye Feng didn't say anything more and just followed Murong Mingyue towards the outside of the small world.

But Ye Feng suddenly thought of something and immediately said: "By the way, miss, when I entered the small world before, the guardian elder of this small world was specifically targeting me."

Murong Mingyue's eyes showed a look of surprise and she said, "Oh? Why?"

Ye Feng said aloud: "Because he feels that the relationship between me and the eldest lady is very unusual, and we are very close."

Murong Mingyue immediately said in confusion: "You and I are so close, what does it matter to him?"

Ye Feng said with a smile: "Because this little world guardian elder wants to clear all obstacles for his grandson Su Mo, because he wants to use his grandson Su Mo to pursue you, the eldest lady,

and become the leader of the One Yuan Dao Sect. Prince Consort, if this happens, the status of this guardian elder will naturally increase."

When Murong Mingyue heard what Ye Feng said, her eyes immediately turned cold and she uttered four words: "Daydreaming."

Ye Feng said aloud: "I am not going to deal with the guardian elder of the small world. After all, I don't have the strength now. I just want to remind you, Miss, that this guardian elder of the small world feels like a rebel."

When Murong Mingyue heard this, she couldn't help but smile lightly and said: "Don't worry about this. Everyone in the small world, including this guardian elder, has their life cards controlled by the master of our Yiyuan Dao Sect, who is my father. Don't be afraid of them making trouble."

When Ye Feng heard this, he immediately became enlightened.

Why are the guardian elders so afraid of the eldest lady?

It's not that the eldest lady is so powerful, but because the life card of the guardian elder is controlled by the clan leader.

Ye Feng felt relieved. At this time, Murong Mingyue looked at Ye Feng's innocent face and couldn't help but her eyelids twitched.

Chapter 3127 The Position of the Controller

At this time, Ye Feng and Murong Mingyue had already walked out of the small world and flew towards the royal garden.

On the way, Ye Feng said aloud: "Miss, since you agreed to let the Water Sacred Land be relocated to the nearby virgin forest area, then I will go to the Water Sacred Land now, tell them, and let them set off directly."

Hearing what Ye Feng said, Murong Mingyue immediately nodded.

But at the next moment, Murong Mingyue suddenly asked: "How did you and Water Holy Land meet?"

When Ye Feng heard what Murong Mingyue said, he immediately smiled and said: "At that time, I was in the black market of the underground city and met a group of guards from the Water Holy Land. I wanted to find a miracle doctor to cure them. The little princess of the Water Holy Land would give me some advice. The reward was high, and I was an alchemist, so I went with them, and then became good friends with the Holy Master of the Water Sacred Land. "

Murong Mingyue heard the words, nodded slightly, and then said aloud: "The Holy Land of Water has always practiced the inheritance of water-based exercises. If they move here and rashly enter the primeval forest area to settle down, they may be very uncomfortable. This way Well, you go to our One Yuan Dao Sect's treasure house and get some more One Yuan Heavy Water Beads. Once these beads are activated, they can form a very vast water attribute cultivation space, which should be able to provide a lot of help to those in the Water Sacred Land. Anyway, you have been holding my identity token in your hand. You can do this by yourself. I will not take you with me. I will go and talk to my father about the relocation of the Water Sacred Land to avoid getting involved. If misunderstandings arise and conflicts arise, it will be troublesome."

When Ye Feng heard what Murong Mingyue said, he immediately said with gratitude: "Thank you, Miss, for being so comprehensive about the Water Holy Land."

Murong Mingyue smiled slightly and said: "Shui Sheng Land is your friend, so I will naturally help them to the best of my ability. And there is one thing you must know, Ye Feng. When I help Water Sacred Land, it is not just because of you, Ye Feng." In terms of face, I also take a fancy to the overall strength of the Water Sacred Land. My future will definitely

I must become the controller of the Yiyuan Dao Sect. Therefore, when the Holy Land of Water is in the territory of our Yiyuan Dao Sect in the future, I must remember my kindness to them. When necessary, I need their power to support me. "

When Ye Feng heard what Murong Mingyue said, he couldn't help but said in surprise: "Is the eldest lady planning to start a war with the young sect master in the future? Fighting for the position of future controller?"

Hearing what Ye Feng said, Murong Mingyue's beautiful eyes suddenly showed a look of astonishment. Then looking at Ye Feng's serious look, she couldn't help but laugh out loud and said: "Look at you. behind."

Uh-huh!

Ye Feng turned around at this moment and found the young sect leader Murong Zhentian standing not far behind him.

This made Ye Feng's eyelids twitch, then he grinned and said, "I was joking."

"fine."

Murong Mingyue walked over, looked at the young sect leader Murong Zhentian not far away, smiled and said: "My brother has had his own ambition for a long time, that is to build a huge secret pavilion for the Yiyuan Dao Sect. , specifically to deal with various potential threats to the Yiyuan Dao Sect and nip all threats in the cradle."

"That's right."

Murong Zhentian walked by not far away, glanced at Ye Feng, and said loudly: "I am not very interested in controlling the entire Yiyuan Dao Sect on the surface. I just want to be the king in the darkness. This is my interest and my ambition."

Murong Mingyue said aloud: "And I will be the leader of the Yiyuan Dao Sect in the future. As for what I just said, let the Water Holy Land support me in the future when necessary. I mean

It is not to deal with my brother, but to deal with the obstacles of various internal and external potential forces. Although Yiyuan Daozong is the super power in the Eastern Territory, there are also various powerful forces and opponents outside. There is no It is as stable as many people imagine, and there are many obstacles within the sect that hinder me. For example, the Prince Alliance, which had a conflict with Ye Feng a long time ago. The leader of the Prince Alliance calls himself the prince and is very ambitious. The background is also very strong, with the support of some old antiques in the sect and powerful existences like living fossils. These are potential obstacles and may become stumbling blocks for me to inherit the position of the leader of the Yiyuan Dao Sect in the future, so all kinds of forces are needed to deal with them. these potential threats. "

When Ye Feng heard Murong Mingyue say these words, he suddenly realized and understood everything.

At this time, Ye Feng immediately smiled and said: "Don't worry, young lady, this time I will go to the Water Holy Land and take them to the nearby virgin forest to station. I will definitely explain to

the Holy Lord of the Water Holy Land, It's all because of the eldest lady's support that they can be stationed in the Yiyuan Dao Sect's territory."

Murong Mingyue nodded and said: "Okay, I believe you Ye Feng. By the way, let my brother go with you this time."

Ye Feng glanced at Murong Zhentian beside him in surprise, and said loudly: "Do I still need to bother the young sect leader to go there in person for this matter?"

Murong Mingyue said loudly: "This is my arrangement, and my brother cannot disobey my order."

Hearing Murong Mingyue's decisive and domineering words, Murong Zhentian, the young sect leader, couldn't help but roll his eyes at his sister, as if to say, can you give your brother some face in front of outsiders?

However, Murong Mingyue obviously didn't care about the change in Murong Zhentian's expression. She just looked at Ye Feng and said loudly: "Although the Water Sacred Land is not a super powerful force in the Eastern Region, it is still quite powerful.

It is a powerful second-line force, with a population of hundreds of thousands. If it moves into the territory of our Yiyuan Dao Sect, it will definitely attract the attention of all parties. "

Murong Zhentian interjected and said: "The powerful men of the Prince Alliance may secretly assassinate you Ye Feng and block this relocation. Moreover, as far as I know, the Water Holy Land has also offended many other forces around its base camp. Those The forces probably won't let the Water Sacred Land simply leave. If they enter the protection range of the Yiyuan Dao Sect, there will probably be a fierce battle."

Murong Mingyue nodded slightly and said loudly: "Moreover, now everyone knows that Ye Feng is a celebrity around me. You are highly exposed, so you are very dangerous. I let my brother stay with you, which can be regarded as protecting you. You have to know that no matter what, Ye Feng is the most important to me. Others can die, but you cannot."

After Murong Mingyue finished speaking, her brother, Murong Zhentian, who was standing aside, couldn't help but twitch the corner of his mouth slightly.

Murong Mingyue said to herself: "Ye Feng, you are the person I value most, and you are destined to be my right shoulder in the future. I cannot see any mistakes or mistakes on your part."

When Ye Feng heard Murong Mingyue's words, there was a hint of surprise in his eyes.

Ye Feng did not expect that the relocation of the Water Sacred Land would be so complicated and not as simple as he imagined.

Murong Mingyue continued: "Ye Feng, you went out to practice alone and did not attract attention. There is probably no danger. But this time you moved the entire Water Sacred Land with your clan. The movement was too great. Naturally, you need protection. My brother He has almost no advantages. He is ugly, has a bad temper, is aloof, and is not good at communicating with others. But his only advantage is that he is very strong, very strong, much stronger than me, so I can rest assured that he will follow you. "

Murong Zhentian: "..."

Chapter 3128 Shocking Sword Light

Murong Zhentian was speechless at this time, and he didn't know whether Murong Mingyue's words were praising him or hurting him.

However, it seemed that he was used to his sister speaking so straightforwardly. Murong Zhentian did not hesitate, but looked at Ye Feng in front of him and said loudly: "Boy, let's go, I will go with you."

When Murong Mingyue heard her brother call Ye Feng this way, she immediately acted like a protector and shouted coldly: "Murong Zhentian, what did I tell you before? Be polite to my future capable general. My future ambitions are not just the Yiyuan Dao Sect, and the entire Eastern Territory, I value Ye Feng very much."

When Murong Zhentian saw that Murong Mingyue no longer called him brother, but called him by his first name, he knew that Murong Mingyue was really angry.

Murong Zhentian immediately said helplessly: "Okay, okay, I understand."

At this time, Murong Zhentian looked at Ye Feng and said loudly: "Brother Ye, this is enough."

Murong Mingyue nodded.

Ye Feng's eyes were a little surprised.

I didn't expect that Murong Zhentian's strength was unpredictable, but he was so afraid of his sister.

At this time, Ye Feng immediately hugged Murong Zhentian and said, "Then I will trouble you, Young Sect Master, and I to go to the Water Sacred Land."

Murong Zhentian nodded and said: "It doesn't matter, I have nothing to do recently, and the dark pavilion I plan to build is also on the agenda. This time I go to the Water Holy Land, and maybe I can recruit some experts to enter my dark pavilion. among."

When Ye Feng heard what Murong Zhentian said, it suddenly dawned on him. No wonder Murong Zhentian was willing to go to the Water Holy Land with him. It was not just the arrangement of the eldest lady, but he also had his own little selfish motives.

But this is normal.

Ye Feng nodded slightly, then looked at Murong Mingyue beside him, and said, "Miss, I will leave first."

"Okay, be careful along the way."

Murong Mingyue nodded.

Uh-huh! Uh-huh!

Next, Ye Feng and Murong Zhentian jumped up and flew towards the outside of Yiyuan Dao Sect.

Murong Mingyue flew towards the interior of Yiyuan Dao Sect, preparing to report this matter to the sect leader, her father.

...

After leaving Yiyuan Daozong.

Above the boundless wilderness.

Ye Feng and Murong Zhentian were flying high in the sky.

At this time, Murong Zhentian suddenly asked: "Does my sister like you?"

Ye Feng's eyes showed a hint of astonishment and said: "Why would the Young Sect Leader ask this?"

Murong Zhentian said: "You are not strong, your talent is not as great as I thought, and you have no background. My sister is still so protective of you. I think she just likes you because of your handsomeness, so That's why I treat you like this."

Ye Feng: "..."

Ye Feng was speechless. Unexpectedly, Murong Zhentian still felt that he was relying on his reputation to make a living.

This made Ye Feng a little angry, but he didn't want to say anything more and just hurried on.

Seeing Ye Feng deflated, Murong Zhentian was very happy, and a rare smile appeared on his stern ugly face.

Ye Feng made Murong Zhentian frustrated last time.

This time, Murong Zhentian felt that he had regained the upper hand.

"boom!!"

Suddenly, a shocking sword light crashed down from high in the sky, facing Ye Feng's entire body!

This shocking sword light is extremely terrifying and contains unparalleled destructive power. It can definitely destroy a warrior at Ye Feng's current level in an instant.

"boom!!"

But at this moment, hundreds of energy words in Ye Feng's palm suddenly burst out and surrounded Ye Feng.

Each of these energy words emitted golden light, forming a text energy light shield that blocked the shocking sword light.

But even so, Ye Feng was still bombarded in an instant and fell directly into the ground, smashing into a large piece of ruins.

"hateful!"

Murong Zhentian's face suddenly turned ugly.

Incomparable.

This sword light came so fast and suddenly, even Murong Zhentian, the powerful young sect leader, did not react. Ye Feng was hit into the earth and a ruin was knocked out.

"A warrior in the Divine Palace Realm, under the impact of this powerful sword light, will definitely be wiped out in an instant..."

Murong Zhentian murmured, his eyes looking very ugly. After all, his main task this time was to protect Ye Feng. .??.

But now...

"Boom!"

But suddenly at this moment, the ruins below suddenly exploded, and a slightly embarrassed figure rushed out and yelled: "Who attacked me?!"

It's Ye Feng!

"It's still intact?"

Murong Zhentian's eyes widened when he saw Ye Feng rushing out of the ruins.

Because in his understanding, the destructive energy of the sword light just now was enough to instantly destroy a warrior in the ninth level of the Divine Palace Realm.

But Ye Feng seems to have nothing wrong with him now.

"This is....."

At this time, Murong Zhentian saw that Ye Feng was surrounded by letters emitting golden light, all composed of energy.

This made Murong Zhentian's eyes suddenly show a look of deep astonishment, and he blurted out: "Isn't this a birthday gift from my father to my sister? How could this kid Ye Feng get it? My sister is too biased, right? ! He actually gave Ye Feng such a precious birthday gift!"

At this moment, even though Murong Zhentian is the young master of the Yiyuan Dao Sect and has a generous mind, he can't help but feel a little jealous at this time. After all, his sister is really too kind to an outsider like Ye Feng. This is completely It has gone beyond the relationship between superior and subordinate.

But at this time, Murong Zhentian knew that his mission was to protect Ye Feng.

Uh-huh!

He immediately rushed to Ye Feng's side and asked aloud: "Are you okay?"

Ye Feng nodded immediately and said: "I have nothing to do. Fortunately, these energy words formed

The protective light shield protected my safety, otherwise I might really lose my arms and legs. "

Hearing what Ye Feng said, Murong Zhencai nodded slightly, then looked in a certain direction, his eyes were extremely cold, and said loudly: "This should be an attack specifically aimed at you, I'll come as soon as I go!"

boom!

Almost at the next moment, Murong Zhentian suddenly burst out with an extremely powerful momentum, making Ye Feng who was standing next to him almost lose his balance and almost fall from the sky.

Then Murong Zhentian's figure had disappeared.

When Ye Feng reacted, Murong Zhentian had already flown back from a distance.

At this time, he was holding a middle-aged man in black in his hand.

This middle-aged man's eyes were full of fear, and the aura exuding from his body was that of a powerful being who had surpassed the ninth level of the Tongtian Realm of the Divine Palace Realm!

No wonder it can erupt with such terrifying sword light power.

At this time, Ye Feng couldn't help but look at Murong Zhentian in surprise.

The young master of the Yiyuan Dao Sect is truly unfathomable in strength.

Even a super master of the ninth level of Tongtian Realm had no power to fight back in front of Murong Zhentian, and was caught out by Murong Zhentian in an instant.

Moreover, Ye Feng discovered that Murong Zhentian had destroyed the middle-aged man's cultivation and his dantian was shattered.

It seemed that Murong Zhentian was afraid that this middle-aged man would continue to hurt Ye Feng.

Although Murong Zhentian is indeed aloof sometimes, since he has made a promise to his sister, he does protect Ye Feng very well.

Boom!

Murong Zhentian threw the middle-aged man directly in front of Ye Feng, fell to the ground, and then said coldly: "Tell me who you are? Why do you want to assassinate Ye Feng?"

At this time, Ye Feng stared at the middle-aged man in front of him and frowned slightly. He had just come out and met such a powerful secret killer. During his trip to the Water Holy Land, he was indeed told by the eldest lady Murong Mingyue. It's a murderous attack.

Chapter 3129 The omnipotent reason

At this time, Ye Feng stared at the middle-aged man in front of him and asked coldly: "Did someone from the Prince Alliance ask you to assassinate me?"

The middle-aged man was silent and did not answer.

Poof!

At this moment, Murong Zhentian, who was beside him, suddenly crushed one of the middle-aged man's legs with his foot.

"ah!!"

The middle-aged man suddenly screamed in pain.

His legs turned into mud!

It has to be said that Murong Zhentian is worthy of being the dark king of the Yiyuan Dao Sect. His methods are very bloody and cruel, and he will crush other people's legs if he disagrees with him.

At this time, the middle-aged man's forehead was covered with cold sweat, and he immediately said hurriedly: "I don't know who hired me. I am a wandering killer from the Eastern Region Killer Alliance."

Hearing what the middle-aged man said, Ye Feng suddenly showed a look of surprise in his eyes. He didn't expect that the other man was actually a member of the Killer Alliance.

At this time, Ye Feng slowly stared at the middle-aged man and asked: "Are you sure you don't know who hired you?"

The middle-aged man shook his head.

Poof!

The next moment, Ye Feng stretched out his finger and pierced the middle-aged man's head.

At this time, Ye Feng directly put the middle-aged man into his storage ring.

Murong Zhentian was a little surprised and asked: "Just kill him like this?"

Ye Feng said aloud: "Most ordinary members of the Killer Alliance will basically not contact employees directly. The Killer Alliance has a public platform, just like the disciples of our sect doing tasks, taking over various tasks. Mission, this killer has no use value, so I killed him."

Hearing what Ye Feng said, Murong Zhentian showed a hint of surprise in his eyes, stared at Ye Feng, and spoke

Said: "I didn't expect you to know this extremely mysterious killer alliance quite well."

Ye Feng glanced at Murong Zhentian beside him, smiled and said, "I have dealt with members of the Killer Alliance before, so I know some of the internal rules of the Killer Alliance."

"That's it."

Murong Zhentian nodded, as if he was doubting Ye Feng's identity.

However, Ye Feng did not explain any more and continued on his way, and Murong Zhentian also quickly followed.

On the way, Ye Feng began to secretly devour the huge skill and blood energy of the middle-aged man from the Killer Alliance in the storage ring.

It has to be said that the killers of this killer alliance have very profound skills. After all, they are strong men in the Tongtian realm that have surpassed the Divine Palace realm, and they are also advanced beings in the ninth level of the Tongtian realm.

At this time, after Ye Feng swallowed it, his skill immediately received a huge improvement and he began to transform.

"boom!"

Along with a huge burst of cultivation aura, Ye Feng's cultivation level broke through.

From the ninth level of the Divine Mansion Realm, he broke through to the tenth level of the Divine Mansion Realm, the Great Perfection Realm!

At this time, Murong Zhentian, who was following Ye Feng, sensed the momentum of this breakthrough, and immediately couldn't help but said in surprise: "Why did you suddenly break through?"

Ye Feng smiled slightly and gave a universal reason: "I had an epiphany and achieved a breakthrough."

Murong Zhentian: "..."

Although the young sect master was a little speechless about the reasons given by Ye Feng, he gradually realized that the young man in front of him seemed to be indeed extraordinary and not as simple as he seemed on the surface.

At this time, Murong Zhentian paid more attention to Ye Feng. He felt that it was not unreasonable for his sister to take Ye Feng so seriously.

After half a day, Ye Feng and Murong Zhentian finally arrived at the base camp of the Water Holy Land without any danger.

Ye Feng saw that the entire base camp of the Water Holy Land was filled with disciples or elders who were ready to go.

Ye Feng immediately entered the core area of the base camp of the Water Holy Land. On the white jade square outside the central hall, he found the Water Holy Lord who was waiting anxiously.

"Ye Feng, you are finally here!"

When the Lord of the Water God saw Ye Feng's arrival, he immediately showed joy on his face and said quickly: "Has the Yiyuan Dao Sect agreed to let us settle in?"

Ye Feng smiled slightly and said aloud: "I have already agreed. It was the eldest lady of the Yiyuan Dao Sect who agreed."

Listening to Ye Feng's meaningful words, the Lord of the Water God immediately understood what he was saying, and quickly said: "When our Water God moves into the territory of the Yiyuan Dao Sect, we will definitely thank the eldest lady."

"By the way, who is this?"

At this time, the Water God Lord looked at Murong Zhentian who was standing next to Ye Feng.

Ye Feng immediately said: "He is..."

"I am the master sent by the eldest lady to protect Ye Feng." Murong Zhentian spoke directly, interrupting what Ye Feng was about to say.

Ye Feng glanced at Murong Zhentian in surprise. It seemed that this guy didn't want him to reveal his true identity.

Ye Feng nodded slightly and said to the Lord Water God: "This is a young and powerful man from the Yiyuan Dao Sect. He is here to protect me this time."

When the Lord of Water God heard what Ye Feng said, he immediately

Ma just clasped his fists at Murong Zhentian in front of him and said loudly: "The Yiyuan Dao Sect is worthy of being the super powerful force in the Eastern Region. Such a young disciple has such profound strength that he is almost as good as me. Really It's awesome."

When Ye Feng heard what the Lord Water God said, he immediately looked at Murong Zhentian in surprise.

Unexpectedly, this guy's cultivation strength was almost reaching the level of a Holy Lord.

No wonder the eldest lady said that his brother has no advantages, the only advantage is that he is very strong.

At this time, the Lord Water God looked at Ye Feng and asked, "Can we leave directly now?"

Ye Feng nodded slightly and said aloud: "As long as the Holy Lord is ready, we can set off and move into the virgin forest next to the underground city and the black market at any time. By the way, this time the eldest lady also asked me to bring a lot of precious things with me. The incomparable one-yuan heavy water beads will be used to set up a large water formation in the primeval forest where your Water Sacred Land is stationed. It will then help all the Water Sacred Land disciples quickly adapt to the environment there. "

Hearing what Ye Feng said, the Lord of the Water God was immediately surprised and said: "I have been worried about this matter these days. I didn't expect that we have solved the big and small problem. It's great. This time the entire Water God is completely destroyed." After settling down, I must go to Yiyuan Daozong with you, Ye Feng, to visit and thank the eldest lady in person. "

While the Lord of the Water God was speaking, Murong Zhentian, who was standing aside, suddenly looked slightly startled, looked towards the sky, and said aloud: "An extremely terrifying existence has arrived."

Hearing what Murong Zhentian said, Ye Feng's eyes showed a hint of surprise and he looked up into the sky.

When he saw the majestic figure high in the sky, Ye Feng's pupils suddenly shrank.

Chapter 3130 Give me face

That majestic figure turned out to be the resurrected Zombie Dragon King that Ye Feng had encountered in the primitive ocean!

Ye Feng knew that this Zombie Dragon King was an extremely terrifying ancient strong man, very scary, and his cultivation level reached the sky. How could he suddenly come here?

But at this time, Ye Feng hadn't waited for anything to say.

Uh-huh! .???.??

Murong Zhentian, who was standing next to him, suddenly rushed to the sky, stared at the Zombie Dragon King, and said coldly: "Are you a super strong person from the primitive ocean clan?"

Although Murong Zhentian has extremely powerful cultivation and is a super young master of the Yiyuan Dao Sect, at this time, he is also full of deep fear of the zombie Dragon King who suddenly appeared in front of him.

At this moment, the Zombie Dragon King looked at Murong Zhentian as if he were looking at a small ant, and said loudly: "Are you a super genius among the human race? Your talent is indeed good, but just because you want to resist My dear, that's not enough. Go away."

boom!

Almost at this moment, the Zombie Dragon King waved his hand, and suddenly a very terrifying hurricane struck out from the palm of the Zombie Dragon King's hand, sweeping across the entire void and quickly sweeping towards Murong Zhentian. And go.

At this moment, Murong Zhentian immediately burst out with terrifying power, trying to resist the oncoming hurricane.

But there was no resistance at all. The whole person was directly blown away and hit a mountain not far away, directly smashing a large mountain and knocking out a large area of ruins.

"What?"

"So strong?"

"What kind of existence is he?"

At this time, Murong Zhentian climbed out of the ruins, with wounds all over his body and a look of deep shock in his eyes.

Murong Zhentian has always been very strong in cultivation. Although he is a younger generation, the older generation of strong men are no match for him.

☹ Murong Zhentian has never encountered such a powerful opponent before, and it is really terrifying to the extreme.

Murong Zhentian's eyes were full of shock and anger. How could such a terrifying existence exist in the primitive ocean.

"This is bad!"

Murong Zhentian guessed at this time that this powerful sea monster who suddenly arrived was probably a terrifying ancient existence comparable to the master of the Yiyuan Dao Sect.

At this time, Murong Zhentian's eyes were filled with an ugly look. This was going to be bad, maybe everyone present would die.

"hateful."

The Water God Lord's eyes were extremely frightened and angry at this time. He didn't expect that when he was about to leave here, he would encounter such a terrifying existence.

"Endless Water God Curse!"

The Lord of Water God roared loudly, fully erupting his powerful and boundless water attribute inheritance.

Boom boom boom...

At this moment, in the void around the Water God Lord, spell symbols emitting blue divine light appeared all of a sudden, filled with huge water attribute energy secrets, exuding an aura that could destroy the heaven and the earth.

The next moment, the Zombie Dragon King stretched out a hand.

"boom!"

His hand suddenly turned into a huge black dragon claw, full of endless heaviness, and suddenly bombarded the water god.

"Click, click..."

At this time, the powerful inherited power and spells that the Water God had worked so hard to release were all shattered by the black dragon claw of the Zombie Dragon King in an instant.

"puff!"

The Water Holy Lord immediately

His face turned pale, and he couldn't help but spit out a mouthful of blood. He took a dozen steps back, then half-knelt on the ground, unable to hold himself up at all.

"What?"

Murong Zhentian was even more shocked. Even a great person like the Holy Lord of Water could not resist the move of this Zombie Dragon King.

What kind of monstrous strength is this?

How terrible!

"It's over, it's over..."

Murong Zhentian's eyes were a little desperate.

The peerless young master of the Yiyuan Dao Sect suffered such a huge setback for the first time and encountered such a terrifying ancient figure with incredible power. ??

Just when everyone is desperate.

Suddenly, a faint voice sounded from a certain direction: "This senior Siren, can you give me a face and leave here?"

"Um?"

At this time, the Zombie Dragon King suddenly looked down in a certain direction. When he saw the young man in white clothes and snow, his eyes suddenly froze.

It's him!

He hasn't left the Water Sacred Land yet?

But before the Zombie Dragon King could say anything.

Suddenly Murong Zhentian flew to Ye Feng's side and whispered anxiously: "Ye Feng! Who gave you the courage to speak so rudely to such an ancient person? Shut up! You don't want to live anymore? Why don't you? Can I give you some face? Stop being so naive and stupid!"

But before Murong Zhentian could finish speaking.

"Okay, I'll give you some face."

The Zombie Dragon King suddenly spoke up.

The moment the words fell.

Murong Zhentian, who was talking with a blushing face, was stunned for a moment, with a look of deep astonishment in his eyes.

At this time, Murong Zhentian

The young master of the Yiyuan Dao Sect, looking at Ye Feng who was smiling lightly at this moment, suddenly felt that the young man in front of him was so unfathomable that it was impossible to fathom.

The Zombie Dragon King stared at Ye Feng and said loudly: "I thought you had left the Water Holy Land, but I didn't expect you were still here. However, although I can give you a face, I won't go on a killing spree today, but Water The sacred land now occupies the territory of our pristine ocean, and this matter must be resolved."

When Ye Feng heard what the Zombie Dragon King said, he immediately laughed and said: "Senior, don't worry, I am here just to solve this matter. The Water Sacred Land will move out of here soon and will not interfere with your primitive ocean again." area."

"oh?"

The Zombie Dragon King showed a trace of surprise in his eyes, then nodded slightly, looked at Ye Feng, and said loudly: "Okay, I believe you, then I will give you three days to move out, and you will not wait until the expiration date. "

Uh-huh!

After the Zombie Dragon King finished speaking, the entire figure immediately disappeared from the spot. It was like a divine dragon that never saw its end. It came and left suddenly.

Ye Feng knew that the reason why the Zombie Dragon King gave him face was because of some so-called friendships before. Otherwise, the strongest person under the control of the Zombie Dragon King would definitely regard all living beings as ants and would not pay attention to him at all. A little warrior.

"What do you want to do?!"

Ye Feng turned around at this time and suddenly saw Murong Zhentian beside him, staring at him with glowing eyes, looking very fiery.

Ye Feng was immediately startled, couldn't help but take a step back, and said loudly: "Young Sect Master, please respect yourself."

"how did you do that?"

Murong Zhentian seemed stunned. He grabbed Ye Feng's shoulders with both hands and said loudly: "Ye Feng, how did you do it? To make that powerful and terrifying ancient man like the ancient demon emperor subdue. ?"
