Chapter 3611 Let's talk

At this moment, the commander of the Imperial Guard in the Asura Empire Palace was obviously very jealous of Ye Feng, otherwise he would not have shown such terrifying murderous intent all at once.

In fact, the commander-in-chief of the Imperial Guard had long admired Princess Caiyun, but Princess Caiyun ignored him at all.

And recently I heard that the Ninth Prince of the Black Dragon Empire would come to propose marriage to Princess Caiyun.

Thinking of the terrifying identity of the ninth prince of the Black Dragon Empire, the commander of the imperial guard immediately shrank his head in fear and did not dare to think anything wrong about Princess Caiyun.

But now I didn't expect that a humble boy who didn't know where he came from would dare to have such a close relationship with Princess Caiyun.

What's more, what the commander-in-chief of the Imperial Guard couldn't bear was that Princess Caiyun seemed to be very close to the boy in white.

This made the commander-in-chief of the Golden Guards immediately feel a deep fire of jealousy burning in his heart.

At this moment, the commander of the Imperial Guard held the big halberd in his hand and said to Ye Feng who was not far away: "Hurry and stay away from Princess Caiyun, otherwise I will kill you on the spot."

Ye Feng just smiled faintly at this time. Standing next to Princess Caiyun, there was no movement at all. He just said slowly: "If you want to kill me, then just take action. I'm ready." "

"You are simply looking for death!"

The commander of the Imperial Guards immediately roared angrily, and a terrifying aura of cultivation suddenly erupted from his body.

That was clearly the perfect cultivation level of the tenth level of the pulse-opening realm.

It is one level lower than Ye Feng's current first level of Golden Bridge Realm.

However, this does not mean that the commander of the Imperial Guard is not powerful.

On the contrary, it just means that the commander of the Imperial Guard is very powerful.

Because you must know that Ye Feng is now at the first level of the Golden Bridge Realm, and his cultivation level is already comparable to that of those big figures in the Demon Realm.

This commander of the Imperial Guard has a cultivation level of the tenth level of the Pulse Opening Realm, which is already considered very powerful.

Almost at this moment, Princess Caiyun couldn't help but said worriedly: "Ye Feng, please leave quickly.

Leave it to me, I don't want to inconvenience you. "

"Don't worry, it's okay."

At this moment, Ye Feng just gave Princess Caiyun beside him a look of reassurance, and then looked at the commander of the Imperial Guard who burst out with terrifying murderous intent and rushed towards him, and suddenly he just stretched out a finger lightly.

Buzz!

And the moment Ye Feng stretched out this finger, a monstrous pressure suddenly burst out from Ye Feng's finger, almost covering the entire world.

The commander of the Imperial Guard who rushed over not far away had all his strength and aura suppressed.

"What? How is this possible?"

As a result, at this moment, the commander of the Imperial Guard suddenly felt an irresistible terrifying force that imprisoned his whole person.

The face of the commander of the Imperial Guard suddenly changed drastically at this moment, and his eyes were filled with deep horror.

He couldn't help but exclaimed: "You kid is actually a super strong person at the Golden Bridge level above the Kai Pulse Realm. How is this possible! How can you be so young and have such a powerful cultivation level? I thought I He is the number one genius in the Asura Empire's imperial city, but I didn't expect you to be the one."

Boom!

And the moment the commander of the Imperial Guard finished speaking, Ye Feng's finger had already reached the head of the commander of the Imperial Guard.

All of a sudden there was a "click"!

The head of the commander of the Imperial Guard was shattered into pieces.

It was like a broken watermelon, staining the entire ground red.

"What?"

At this moment, everyone present couldn't help but have deep horror in their eyes.

Especially the old maid, her eyes were widened and full of fear.

She obviously never thought that she would find it herself

Such a powerful helper was eliminated by Ye Feng in just a few clicks.

It was extremely scary.

"Ye Feng, you are so powerful now!"

At this moment, Princess Caiyun, whose eyes were very worried just now, immediately revealed a look of deep horror in her beautiful eyes.

She seemed to have never thought that Ye Feng, a newcomer who had just entered the Demon Realm, would suddenly become so powerful. It was really incredible.

At this moment, Ye Feng just smiled faintly and said: "It's just a weak person, just crush him to death."

For Ye Feng, even if he is a practitioner at a higher level than himself, it is nothing in Ye Feng's eyes.

Not to mention that this so-called commander-in-chief of the Imperial Guard was even a level lower than himself.

Of course, Ye Feng could kill him with just one hand.

At this moment.

"Plop!"

The old maid suddenly knelt on the ground, kowtowed crazily to Ye Feng, and said loudly: "Spare my life, my lord, spare my life!"

Princess Caiyun also frowned at this time and said loudly: "Ye Feng, why don't you let this maid go."

Ye Feng just grinned at this moment and said loudly: "Since you have provoked me, I will naturally eradicate it. I already let this old maid off last time, but she didn't know how to cherish it. So, there is no Any way."

At this time, Ye Feng didn't listen to Princess Caiyun at all. It was entirely his own will that decided what he wanted to do, and he simply wanted to eradicate the problem.

Buzz!

The next moment, Ye Feng stretched out a hand and grabbed the void in front of him.

"Boom!"

A terrifying aura immediately enveloped the entire scene, including the old maid and other guards who followed the commander of the Imperial Guard. They were all crushed by Ye Feng in an instant.

Exploded into blood mist in the air!

Seeing this scene, Princess Caiyun had an inexplicable look in her eyes. She suddenly discovered that Ye Feng seemed to be becoming more and more bloodthirsty.

At this time, Ye Feng killed all the demon guards and didn't bother to devour them, they were all too low-level.

He looked at Princess Caiyun beside him and asked aloud: "Since you are not happy in the Asura Empire, are you willing to follow me?"

Princess Caiyun's eyes revealed a hint of anticipation, and she said loudly: "Of course I am willing to leave here with Ye Feng."

"good."

When Ye Feng heard what Princess Caiyun said, he immediately nodded and said, "Then you can leave with me and go to a more advanced dark world."

"What?"

Hearing what Ye Feng said, Princess Caiyun suddenly showed a hint of surprise in her eyes, and couldn't help but said: "Ye Feng, can you directly enter a more advanced dark world?"

Princess Caiyun is not the kind of person who is content with the status quo. She and Ye Feng were close friends before, and they both wanted to pursue more powerful power.

Ye Feng immediately nodded and said: "The president of the Grand Auction is willing to take me to the dark world to participate in the assessment of the Ten Thousand Realms Martial Arts Academy of the Ten Thousand Realms Chamber of Commerce, so I am fully capable of taking you with me. Go to the dark world, but it may be a bit dangerous. If you fail the test, you will have to be sent back. "

When Princess Caiyun heard what Ye Feng said, she nodded slightly, thought for a moment, and said, "I think I should continue to practice in the Asura Empire for a while. Otherwise, even if I go, it will be just a fool's errand and I will not be able to pass the assessment at all." , but not everyone has such an evil talent as you, Ye Feng."

When Ye Feng heard what Princess Caiyun said, he nodded in agreement and said: "Actually, what you said is right. With your current cultivation and talent, it is estimated that you will not be able to pass the assessment of the Wanjie Martial Arts Academy. , let's do this, I will take you to talk to Emperor Asura, that is, to talk to your grandfather, and let him listen to you in the future. "

Chapter 3612 Impatient to live

At this time, when she heard Ye Feng say that he wanted to talk directly with Emperor Asura, Princess Caiyun suddenly showed deep astonishment in her eyes.

She couldn't help but said aloud: "Ye Feng, although you have shown great strength just now, it does not mean that you can fight against a peerless figure like my grandfather. You must know that my grandfather is Ah Emperor Asura of the Shura Empire has reached the pinnacle level of the entire Demon Realm. Are you sure you can fight him?"

Princess Caiyun actually didn't want to question Ye Feng, but she was afraid that Ye Feng would be in danger and that Ye Feng would lose his life because of his impulsiveness.

So in essence, Princess Caiyun didn't not believe Ye Feng, but she was very worried about Ye Feng, so she questioned Ye Feng repeatedly.

Ye Feng also knew that Princess Caiyun was doing it for his own good, so Ye Feng didn't say much at this time. He just smiled and said, "Just follow me."

Uh-huh!

After saying that, Ye Feng directly grabbed Princess Caiyun's white hand and pulled her directly towards the central area of Asura Palace.

Ye Feng pulled Princess Caiyun and soon arrived at the central area of the Asura Empire.

In the center of the Asura Palace, stands a magnificent hall.

This hall is the most heavily guarded place in the Asura Empire, which is the central hall of the Asura Empire's palace.

It is the place where Emperor Asura lived and held court meetings on weekdays.

At this moment, Ye Feng and Princess Caiyun came here and saw the solemn and magnificent hall. Princess Caiyun's eyes showed a trace of natural fear.

After all, for Princess Caiyun, her grandfather is the top empire-level controller in the entire Demon Realm, and his cultivation strength is naturally very terrifying.

But at this time, Ye Feng showed a very relaxed expression on his face.

Because he immediately discovered that there was a very powerful aura in the central hall, which should be the aura of Emperor Asura.

However, the cultivation aura of Emperor Asura was not as terrifying as Ye Feng imagined.

The cultivation level of this Emperor Asura is only one level higher than Ye Feng's current level one of Golden Bridge level.

Emperor Asura is a perfect being in the tenth level of the Divine Shore Realm, and is a being of the same level as the old man who presided over the grand auction.

You know, before Ye Feng devoured hundreds of big figures from the Demon Clan, he was already on par with the peerless masters of the tenth level of the Divine Shore Realm like the old man in charge.

Not to mention that Ye Feng has now devoured hundreds of demon clan figures, and his cultivation has reached a whole new level.

His fighting power is even more powerful than before, and much more powerful.

Therefore, even if he fights Emperor Asura, Ye Feng feels that he will not be able to draw with him at all, but will be able to defeat him.

Ye Feng originally thought that Emperor Asura might be a peerless expert in the Zhoutian realm, which was two levels higher than the Golden Bridge realm.

Unexpectedly, he was only a strong man in the tenth level of the Divine Shore Realm, which was one level higher than the Golden Bridge Realm.

So at this moment, Ye Feng suddenly felt relieved.

If you put it this way, Ye Feng is not afraid of Emperor Asura at all.

In fact, Ye Feng did overestimate Emperor Asura.

Because Ye Feng's current cultivation level has reached a very high level, coupled with Ye Feng's heaven-defying fighting power, he is naturally able to defeat some of the so-called top figures in the entire Demon Realm.

Just as Ye Feng was thinking secretly in his heart, Ye Feng pulled Princess Caiyun to the door of the central hall.

Swish!

But at this time, two guards suddenly stopped them.

These two guards were obviously personal guards under Emperor Asura. At this moment, they immediately held the long sword in their hands, stopped Ye Feng and Princess Caiyun, and said loudly: "Princess Caiyun, this stranger next to you is Who? You can enter the central hall, but the young man next to you cannot enter. "

"I have something to discuss with Emperor Asura." Ye Feng spoke directly at this time.

Hearing what Ye Feng said, the guards immediately laughed out loud: "Joke! Who are you? You are also qualified to say that you feel like discussing something with the noble Emperor Asura. Before you say such arrogant words, , you should also consider your own identity first."

Boom!

But at the next moment, Ye Feng didn't bother to talk nonsense at all, and directly burst out with a terrifying momentum, immediately blowing away the two guards in the central hall in front of him.

You must know that these two guards must be very powerful to be able to become senior guards guarding the central hall.

Therefore, their cultivation base is basically comparable to that of the former commander-in-chief of the Imperial Guard.

Unexpectedly, he was immediately blown away by Ye Feng's aura.

Ye Feng didn't even make a move.

So the two guards' eyes widened at this moment, as if they didn't expect Ye Feng to be so powerful.

At this time, the two guards did not dare to stop him anymore and quickly retreated.

At this moment, Princess Caiyun looked at Ye Feng with a look in her eyes.

A decisive choice was made.

Ye Feng was actually willing to do such an impulsive thing for her, so Princess Caiyun said nothing more and fully supported Ye Feng.

If Emperor Asura, her grandfather, really wants to send Ye Feng to death, then Princess Caiyun will also decide to die with Ye Feng.

This is Princess Caiyun's inner thoughts at this time.

At this time, Ye Feng took Princess Caiyun and walked into the central hall.

At the top of the magnificent and solemn hall, a majestic middle-aged man stood at this moment.

Wearing a black royal robe, he looked very majestic, his eyes were unfathomable, and his aura was as vast as the sea.

This is none other than Emperor Asura!

And around Emperor Asura, there was a row of ministers from the Asura Empire standing under his command.

Obviously, this time period was when Emperor Asura was discussing affairs in the morning.

Therefore, the ministers of the entire Asura Empire, as well as some nobles and princes, were all present.

But at this time, Ye Feng didn't care about Emperor Asura's so-called emperor's majesty. He just walked in very casually, and then in the eyes of everyone who was extremely shocked, he said like a

peer: "It seems that you are Emperor Asura, the grandfather of my friend Princess Caiyun. Well, I have something very important to talk to you about now."

"Wow!"

Hearing Ye Feng's casual words, countless ministers and nobles in the entire court suddenly widened their eyes.

All the ministers and dignitaries of the Asura Empire had expressions of deep astonishment on their faces.

Some people couldn't help but said in shock: "Who is this kid? Are you tired of living? So you want to die?"

Chapter 3613 Do what you say

At this moment, all the ministers and dignitaries in the entire central hall looked at Ye Feng in astonishment for saying such big words.

Because they never thought that one day, they would be able to see such a strange young man, who broke into the central hall of their Asura Palace and was so arrogant that he wanted to talk to the supreme Emperor Asura.

No matter how noble he is, he probably wouldn't dare to talk to Emperor Asura like this, right?

This is simply disrespectful to Emperor Asura!

"Boy, you are so presumptuous, get out of here quickly."

At this time, the surrounding dignitaries and ministers suddenly burst out with powerful cultivation power and rushed towards Ye Feng.

"Everyone get out of here!"

Boom! !

But at this moment, a terrifying aura erupted from Ye Feng's body.

A tornado was formed directly, and all the ministers and dignitaries who rushed around were blown to the ground around them and fell down hard.

"What??"

"Is this kid so powerful?"

At this moment, everyone present couldn't help but have deep horror in their eyes.

Because they know that the ministers and dignitaries who can participate in the discussions in the central hall must have very terrifying cultivation levels and are not ordinary people.

But now dozens of ministers and dignitaries rushed towards Ye Feng, but they were all blown away by Ye Feng's aura.

This shows how terrifying Ye Feng's cultivation is!

It is simply unimaginably powerful!

Buzz!

At this moment, Emperor Asura finally made some movement.

He immediately exuded an aura as vast as the abyss and ocean, as if it could cover the sky and the sun, and swarmed directly towards Ye Feng, making a low and majestic voice: "Who are you from Princess Caiyun? Do you want to stand up for her? You have to know what the consequences will be."

Ye Feng smiled slightly at this time, very calmly, and said aloud: "I am Princess Caiyun's good friend and confidant, and I don't want her to

Princess Caiyun did something she didn't want to do, so she asked Emperor Asura to cancel Princess Caiyun's engagement directly. "

When Emperor Asura heard what Ye Feng said, his eyes showed a look of surprise, as if he didn't expect that this extremely powerful young man would come here because of such a trivial matter.

However, Emperor Asura was still quite angry that this junior was so rude to him, and he immediately said slowly: "What if I don't cancel?"

When Ye Feng heard what Emperor Asura said, he immediately showed a cold look on his face and said loudly: "If you don't cancel, then I have to take Princess Caiyun out of here and leave her home, thanks to you It's Princess Caiyun's grandfather who actually regards Princess Caiyun as a marriage tool, which really makes me feel ashamed."

At this time, Ye Feng actually thought of Princess Caiyun's retreat.

If Princess Caiyun cannot pass the assessment of the Wanjie Martial Arts Academy, then Princess Caiyun can stay in the grand auction for a while and practice in the grand auction.

Because Ye Feng now has a good relationship with the old man in charge of the Shanda Auction, including the president of the Shanda Auction, he can let Princess Caiyun stay in the Shanda Auction.

At this time, Ye Feng had already thought of a way out for Princess Caiyun, so what Ye Feng said at this moment did not have any room for relaxation, but was very tit-for-tat.

When he heard what Ye Feng said, Emperor Asura immediately said: "You are just a young boy. What qualifications do you have to dare to say such words to this emperor? Although you are a friend of Princess Caiyun, But her fate is not decided by you, but by this emperor."

Buzz!

After saying that, Emperor Asura suddenly burst out with a terrifying pressure and momentum, covering the sky and swarming towards Ye Feng, saying loudly: "You are a good friend of Princess Caiyun, this emperor I won't kill you, but I will imprison you until you admit your mistake and serve me."

Obviously, Emperor Asura took a fancy to Ye Feng's talent and strength and wanted to recruit him.

.

But at this moment, Ye Feng just smiled coldly and said: "Since you want to fight me, then I will play with you."

Boom!

Almost at this moment, Ye Feng did not hesitate and directly released his extremely powerful inheritance, the Hand of Hell.

The hand of hell is now fused with the eyes of gods and demons, which is very terrifying.

It can be said to be one of Ye Feng's strongest attacks.

So at this time, Ye Feng stretched out his right hand, and his right hand immediately turned into a terrifying black hand. It contained the power of gods and demons, and also contained the power of the Lord of Abi Hell, which was directly the same as that of Emperor Asura. The momentum collided together.

Boom!

Almost at the next moment, the entire field suddenly erupted with a terrifying roar.

The entire central hall was shaken by the shock and seemed to be about to collapse.

And at the next moment, what shocked everyone present was that Ye Feng's attack actually shattered all the aura of Emperor Asura.

Kick, kick, kick!

Then Emperor Asura, the supreme and majestic figure in the Asura Empire, could not help but take several steps back at this moment.

"What?!"

Seeing this scene, everyone immediately opened their eyes wide and shouted in horror: "How is this possible! Who is this young man? He has such terrifying power and a power comparable to that of Asura." His Majesty's monstrous strength! How is this possible? I have never seen such a wicked young man."

At this moment, everyone was shocked.

The ministers and dignitaries of the Asura Empire no longer dared to rush towards Ye Feng at this time, because this mysterious young man was too terrifying.

Even Emperor Asura was knocked back several steps by this mysterious young man's attack. It was really terrifying.

At this moment, Emperor Asura's face also showed a look of deep astonishment.

Originally, he only cared about this young man

He values it quite a lot and thinks that the other party may be a peerless genius.

Unexpectedly, the other party's cultivation strength actually made Emperor Asura a little unable to resist.

At this moment, Emperor Asura immediately couldn't help but said: "Your cultivation level is obviously only the first level of the Golden Bridge Realm. Why can't I, who has the perfect cultivation level of the tenth level of the Divine Shore Realm, be able to fight against you."

Ye Feng just smiled indifferently at this moment and said: "You just know how powerful I am. Now I have the capital to talk to you."

For Ye Feng, the Asura Empire is Princess Caiyun's family after all, so Ye Feng has no intention of directly killing Emperor Asura.

After all, he actually had no grudges against Emperor Asura.

What Ye Feng was meddling in at this time was actually Princess Caiyun's family affairs, so he naturally had to think more carefully.

At this time, Emperor Asura seemed to be aware of Ye Feng's terror. He nodded slowly and said loudly: "All ministers, please retreat. I want to have a good talk with this young man."

At this time, after Emperor Asura knew Ye Feng's terror, he no longer dared to despise Ye Feng. Instead, he very solemnly asked everyone to leave the central hall and talk to Ye Feng alone.

At this moment, all the ministers retreated respectfully.

On the way out, the eyes of these ministers were filled with deep horror.

This young man really did what he said.

Breaking into the central hall alone and talking to Emperor Asura on an equal footing really shocked everyone's hearts.

Everyone can't help but guess, when did Princess Caiyun have such a terrifying friend?

This is simply a rhythm that is going to soar into the sky.

All the ministers and dignitaries were silently remembering Princess Caiyun, a princess who was not very favored before.

They knew that Princess Caiyun would probably become the most noble being among the royal family members of the entire Asura Empire in the future.

Because behind Princess Caiyun stands a terrifying young man who can compete with Emperor Asura!

Chapter 3614 Very domineering

At this moment, all the ministers and dignitaries in the hall had left.

The entire hall had become empty, with only three people left.

They were Emperor Asura, and then there were Ye Feng and Princess Caiyun standing opposite Emperor Asura.

Princess Caiyun was obviously quite afraid of her grandfather, so she kept her head down at this time and did not dare to look at Emperor Asura.

After all, in the eyes of Princess Caiyun, Emperor Asura is the supreme figure.

But at this time, Princess Caiyun also had huge waves in her heart. ??

She never thought that Ye Feng would be so powerful now.

To be able to compete with a supreme figure like Emperor Asura!

At this time, Ye Feng looked at Emperor Asura above, his face was extremely calm, and he said loudly: "Since Emperor Asura, you think we can talk as equals now, let's have a good talk about my friend Princess Caiyun. matter."

Emperor Asura nodded at this time and asked Ye Feng to take Princess Caiyun to sit down not far away.

At this time, Emperor Asura said slowly: "This matter is indeed my fault. I should not have let Princess Caiyun directly marry the ninth prince of the Black Dragon Empire, but there is no way around it, because now the Black Dragon Empire The forces are getting stronger and stronger, and our Asura Empire is in a huge crisis."

When Ye Feng heard what Emperor Asura said, he immediately smiled coldly and said: "If I were you, even if I died in battle, I would not let my heirs do something against their will. This is simply the shame of the Shura Empire's royal family."

Hearing what Ye Feng said, every word was like a knife thrust into Emperor Asura's heart, making Emperor Asura's face look very ugly, even a little livid.

But at this time, Emperor Asura didn't say much at all.

Because he knew that Ye Feng was telling the truth.

Of course, this is also because Ye

The strength of the wind is very powerful, that's why Emperor Asura didn't react at all.

If it were anyone else who dared to talk to Emperor Asura like this, he would probably have become a cold corpse long ago.

At this moment, Ye Feng continued to speak: "No matter what, Princess Caiyun is my friend. I will never let her be harmed in the slightest, let alone force her to do anything. In the future, I am prepared to let Princess Caiyun join me and enter the Wanjie Martial Arts Academy of the Wanjie Chamber of Commerce and enter a more advanced world of practice. "

Hearing what Ye Feng said, Emperor Asura suddenly showed surprise in his eyes, and couldn't help but said: "You can actually enter the Wanjie Martial Arts Academy of the Wanjie Chamber of Commerce? Are you and the members of the grand auction? Have you ever been in contact?"

Ye Feng smiled faintly at this time and said: "The president of the grand auction personally invited me to go to the dark world to participate in the assessment of the Ten Thousand Realms Martial Arts Academy."

"What? He actually personally invited you to take the assessment?"

Hearing what Ye Feng said, Emperor Asura immediately showed an extremely shocked expression on his face.

He never thought that Ye Feng would have such terrifying strength that he could allow the president of the Grand Auction, a distinguished figure, to take the initiative to invite Ye Feng to participate in the assessment of the Wanjie Martial Arts Academy under the Wanjie Chamber of Commerce in the dark world.

If Ye Feng can successfully pass the assessment, then Ye Feng will become a genius in the world of extremely noble and advanced cultivation.

In that case, Ye Feng's status is definitely the most noble in the Demon Realm.

So at this time, Emperor Asura paid more and more attention to Ye Feng.

Originally, Emperor Asura valued Ye Feng because Ye Feng was very powerful.

But now he sees Ye Feng's future and sees Ye Feng's future.

The future status is very noble.

So at this time, Emperor Asura looked at Ye Feng, and there was even an expression that could be called awe.

Princess Caiyun clearly noticed the change in Emperor Asura's attitude towards Ye Feng.

This made Princess Caiyun more and more surprised and curious.

What exactly has Ye Feng experienced during this time?

Why did he suddenly get to know so many mysterious and distinguished people?

Moreover, his cultivation strength has improved so much. ??

It's really incredible.

Because Princess Caiyun knew that Ye Feng was not the inheritor of a super power, but a practitioner from a low-level realm like her.

But Ye Feng was able to grow to this point in a short period of time, and he also made friends with so many distinguished and special people. It is really incredible and amazing.

But Princess Caiyun was happy for Ye Feng from the bottom of her heart.

Because in Princess Caiyun's heart, Ye Feng has now become so powerful and his status has become so noble, so he naturally stands out.

At this time, Emperor Asura suddenly spoke up: "I will immediately cancel the engagement between Princess Caiyun and the ninth prince of the Black Dragon Empire, so that the ninth prince of the Black Dragon Empire will not come."

Ye Feng nodded, smiled and said: "If the Black Dragon Empire dares to fall out, I will let the Black Dragon Empire know what regret means."

At this moment, after Ye Feng finished speaking, his tone was so domineering that Emperor Asura present suddenly showed a trace of surprise in his eyes.

He seemed to have never imagined that Ye Feng, a young man, would dare to despise an extremely powerful demon empire.

However, when he thought about Ye Feng's current strength, which was as good as his own, and that behind him stood a group of distinguished and powerful men such as the president of the grand auction,

Emperor Asura is becoming more and more trusting of Ye Feng.

At this time, Emperor Asura nodded and said, "Don't worry, I will never let my granddaughter be wronged again in the future."

Ye Feng glanced at Emperor Asura and said calmly: "I hope you can do it, and after I leave the Demon Realm, I will ask the president of the grand auction to help me keep an eye on you. If you dare If you treat your granddaughter Princess Caiyun badly, I will go down to the next world and teach you a lesson."

Hearing what Ye Feng said, Emperor Asura's mouth twitched, but he didn't say much.

Princess Caiyun showed a hint of surprise in her beautiful eyes.

If outsiders heard it, a young man would dare to say directly to Emperor Asura, I will teach you a lesson.

Everyone must have thought that this boy was absolutely crazy.

But now that Ye Feng said this, there seemed to be nothing wrong with it, which was really surprising.

At this time, Emperor Asura nodded and was about to say something.

But suddenly, a reporting voice came from the main hall outside: "Your Majesty, the ninth prince of the Black Dragon Empire has brought the powerful men of the Black Dragon Empire to propose marriage. They are waiting outside now. Do you want to go out to greet him? "

Hearing the sound coming from outside, Emperor Asura's eyes suddenly froze, as if he didn't expect the ninth prince of the Black Dragon Empire to arrive so quickly.

At this moment, Princess Caiyun also showed a trace of nervousness in her eyes.

Ye Feng's eyes flashed slightly, then smiled slightly and said: "Since the other party is here, let's go and take a look together."

"good."

Emperor Asura would naturally not refuse at this time.

Because he now has the idea of relying on Ye Feng to deal with the Black Dragon Empire, so naturally he let Ye Feng do his best.

Chapter 3615 What should be done

At this moment, Emperor Asura took Ye Feng and Princess Caiyun and walked directly towards the outside of the central hall.

When they arrived outside the main hall, they immediately saw a dark group of people approaching the square in front of them.

These people are all masters.

And he was wearing clothes from the Black Dragon Empire.

There are several powerful auras among them, which are unfathomable. They are obviously the most powerful people in the Black Dragon Empire.

This time when they came to the Asura Empire, they naturally had to make all preparations, so many super powerful people came to protect the Ninth Prince of the Black Dragon Empire.

Because the ninth prince of the Black Dragon Empire might become the crown prince of the Black Dragon Empire in the future, he would naturally be very protective of him. ??

It seemed that the Ninth Prince cherished his life very much and brought a large group of guardians, each of whom had extremely terrifying cultivation.

At this moment, a young man standing at the front of the group should be the Ninth Prince of the Black Dragon Empire.

He was wearing a python robe and looked very elegant.

At this time, when Emperor Asura came out with Ye Feng and Princess Caiyun, the ninth prince of the Black Dragon Empire immediately looked at Emperor Asura, smiled and clasped his fists and said: "Your Majesty Emperor Asura, today I will lead us A strong man from the Black Dragon Empire has come to propose marriage. I wonder where Princess Caiyun is now?"

The ninth prince of the Black Dragon Empire has never met Princess Caiyun, so he does not know that the person standing next to Emperor Asura is Princess Caiyun.

So at this time, after the ninth prince of the Black Dragon Empire finished speaking, he just looked at Emperor Asura and did not pay attention to Ye Feng and Princess Caiyun who were standing next to Emperor Asura.

After all, these two young men were not taken seriously by the Ninth Prince of the Black Dragon Empire at all.

The ninth prince of the Black Dragon Empire has a distinguished status, and has always shuttled among various big shots.

So seeing how young Ye Feng and Princess Caiyun were, the ninth prince of the Black Dragon Empire naturally looked down upon them.

At this moment, when the Ninth Prince said this, Emperor Asura just smiled slightly and said: "My granddaughter seems to be unwilling to marry you, the Ninth Prince, so this marriage is cancelled. Ninth Prince, you can go back directly. Bar."

Hearing what Emperor Asura said, the Ninth Prince of the Black Dragon Empire's eyes immediately changed slightly, a gloomy look appeared on his face, and he said loudly: "You agreed before, but now you don't agree, Ah?" Your Majesty, Emperor Shura, are you kidding me?"

"presumptuous!"

Emperor Asura immediately made a majestic voice at this time: "Do I still need you, a junior, to question what I do?"

Seeing that Emperor Asura was angry, the ninth prince of the Black Dragon Empire did not have the slightest fear, but smiled coldly and said: "Since His Majesty Emperor Asura does not agree, then I have no choice but to speak out. When I come to your Asura Empire this time, I don't care whether we marry or not. What I want to do is to completely destroy your Asura Empire. From then on, the vast territory of the Asura Empire will become the territory of our Black Dragon Empire. "

boom!

boom!

boom!

Almost at the moment when the ninth prince of the Black Dragon Empire finished speaking, the dozen or so men in black robes behind him suddenly erupted with terrifying cultivation auras.

A man in black robe lifted his hood, causing Emperor Asura's expression to change immediately. He couldn't help but exclaim: "Emperor Black Dragon, you came in person! And there are more than a dozen men in black robes beside you. The aura of cultivation on our body is actually the same as ours

They are all existences at the same level of the Great Perfection level of the tenth level of the Kami'an Realm! How is this possible? Why do you suddenly have so many super strong people? "

The Black Dragon Emperor, who was next to the Ninth Prince of the Black Dragon Empire, stared at Emperor Asura at this moment, smiled coldly, and said aloud: "I have long been in contact with the Dark Demon Cult in the higher-level dark world. The Dark Demon Cult used some special methods to send more than a dozen top experts of the same realm as us to help our Black Dragon Empire dominate the entire Demonic Realm. You, the Asura Empire, will be the first step in our Black Dragon Empire's domination of the Demonic Realm. A stepping stone!"

"What??"

Almost at the moment when the Black Dragon Emperor finished speaking, Emperor Asura's expression suddenly turned extremely ugly.

He never thought that the Black Dragon Emperor of the Black Dragon Empire would somehow get in touch with the behemoth of the Dark Demon Cult in the dark world, and even get the help of the Dark Demon Cult to come down and join more than a dozen of their colleagues. The top level powerhouse is really terrifying to the extreme.

At this time, Emperor Asura immediately spoke out: "In our Asura Empire, I am not the only emperor on the surface. There are also many powerful elders in our small world."

The Black Dragon Emperor immediately laughed out loud: "Do you think I can't imagine this situation? In addition to the arrival of more than a dozen top powerhouses from the tenth level of the Kamishi Realm, the Dark Demon Cult also descended from a more powerful Kamikishi Realm. A transcendent existence at the level of Zhoutian Realm, he has lurked into the small world of your Asura Empire with the elders of our Black Dragon Empire. I estimate that he is now brutally killing those old monsters of your Asura Empire. ”

"What?"

Hearing what the Black Dragon Emperor said, Emperor Asura immediately turned extremely pale.

He knew that what the other party said must be true.

After all, the Dzogchen cultivation level at the tenth level of the Divine Shore Realm is almost the most powerful realm in the Demon Realm.

Now around the opponent, the Black Dragon Emperor, more than a dozen strong men of the tenth level of the Divine Shore Realm suddenly appeared. They must have received the help of such a behemoth as the Dark Demon Cult, otherwise it would be impossible for so many top strong men to appear all at once.

Because the Demon Realm, a low-level realm, simply cannot breed so many top powerhouses.

At this moment, Emperor Asura's heart suddenly sank to the bottom.

Almost at the next moment, Emperor Asura looked a little struggling, and then he immediately said to Ye Feng and Princess Caiyun beside him: "You two young people, run! I will cut off the escape route!"

Boom!

Almost at this moment, a blood-red light burst out from Emperor Asura's body.

His entire cultivation aura was simply terrifying to the extreme.

Emperor Asura was actually preparing to self-destruct at this time, to block the attacks of Emperor Black Dragon and others and buy time for Ye Feng and his granddaughter to escape.

Seeing this scene, Ye Feng showed a look of surprise in his eyes, and couldn't help but said: "Okay! Emperor Asura, this is what you should do as Princess Caiyun's grandfather, that is, at all costs, protect our loved ones and families!"

After saying that, Ye Feng suddenly burst out laughing: "But Emperor Asura, you don't have to be afraid. These top masters from the so-called Black Dragon Empire and the Dark Demon Cult just let me kill them all. In the Demon Realm, it can't breed so many top-notch experts in the tenth level of the Divine Shore Realm. It's really a rare energy! If I swallow the power of all their experts, my cultivation will reach a whole new level. realm!"

Chapter 3616 What a peerless splendor

After Ye Feng finished speaking, the powerful men of the Black Dragon Empire across from him suddenly showed deep surprise in their eyes.

The Black Dragon Emperor couldn't help but stare at Ye Feng, who was standing next to Emperor Asura, and couldn't help saying sarcastically: "Emperor Asura, when did you have such a person who doesn't know the heights of heaven and earth beside you? This young man is so ridiculous. He actually wants to challenge all of our masters alone? I think this kid is out of his mind."

At this moment, the Black Dragon Emperor was speaking with deep disdain in his tone.

The top powerhouses of the Dark Demon Cult from the dark world standing around him also had sarcastic smiles in their eyes.

After all, everyone can sense that Ye Feng's cultivation is at the first level of the Golden Bridge Realm, which is a whole level lower than their Divine Shore Realm.

In addition, they are not ordinary Kami's realm, but existences at the level of Dzogchen, the tenth level of Kami's realm.

Therefore, every cultivation method is very terrifying.

Moreover, they come from a higher level of the dark world, from the behemoth of the Dark Demon Sect. Naturally, their inheritance is very powerful, which is completely different from the ordinary Dzogchen masters of the tenth level of the Kamishore Realm.

They are much stronger than the ordinary Dzogchen level experts in the tenth level of the Kamishan Realm.

So at this time, these powerful men who came from the dark demon sect naturally looked down upon the practitioners in the demon realm, thinking that they were all low-level practitioners whose methods and inheritance were not as powerful as them.

Not to mention, now Ye Feng, a boy whose cultivation was a level lower than theirs, did not take Ye Feng seriously.

At this moment, the Black Dragon Emperor spoke to a group of top powerhouses from the Dark Demon Cult beside him: "I won't bother you all to do anything about this boy. Let me just crush him to death with one hand. You guys?" Just kill Emperor Asura, don't let him help this kid."

The Black Dragon Emperor said at this time, he rushed towards Ye Feng, his eyes were very cruel, a ferocious smile appeared on his face, and he said loudly: "Boy, you dare to provoke us, then I will let you know , how miserable will be the fate of provoking us?"

awful. "

At this moment, the Ninth Prince of the Black Dragon Empire also laughed out loud: "Father, you killed this boy in white, you are killing a chicken with a sledgehammer."

Black Dragon's Fist!

Almost at this moment, the Black Dragon Emperor immediately swung his fist fiercely.

"boom!!"

The Black Dragon Emperor's fist suddenly erupted into a terrifying wave of dark light, which seemed to be able to destroy everything, and suddenly hit Ye Feng's face.

Ye Feng didn't hesitate at this moment. He just smiled indifferently and said: "Black Dragon Emperor, you are not qualified to let me attack with all my strength."

Hands of hell!

At this time, Ye Feng did not unleash the strongest power of his Flame Emperor's Dominator Bone, but directly used the ordinary method of Hell's Hand.

Uh-huh!

Ye Feng stretched out his right hand, and a terrifying power suddenly came out of his right hand, and it suddenly blasted forward, directly blocking the fist of the Black Dragon Emperor.

Then under the horrified gaze of the Black Dragon Emperor, Ye Feng's hand of hell destroyed his fist instantly.

"This is impossible!"

The Black Dragon Emperor immediately let out a miserable scream.

Behind them, a group of strong men from the tenth level of the Kamishan Realm, the Dark Demon Sect, in the higher dark world, immediately changed their expressions at this moment.

They didn't seem to have thought that Ye Feng, a young man whose cultivation was only at the first level of the Golden Bridge Realm, would have such terrifying fighting power that he could instantly disintegrate the Black Dragon Emperor's fist.

"Boy! Stop it!"

"The Black Dragon Emperor cannot die!"

At this moment, these dozen strong men from the dark demon sect were about to attack

He attacked Ye Feng and prevented Ye Feng from killing the Black Dragon Emperor.

But at this moment, Ye Feng didn't give them a chance to rescue them at all.

Ye Feng's eyes were fierce, and he wildly burst out with the power of the Hand of Hell.

"No!!!"

Then, in the Black Dragon Emperor's extremely frightened eyes, he directly crushed the entire Black Dragon Emperor to pieces.

Uh-huh!

Ye Feng opened his mouth and swallowed, and immediately swallowed up all the blood and power of the Black Dragon Emperor.

Ye Feng's cultivation aura suddenly roared three times in a row.

"boom!"

"boom!"

"boom!"

The fourth level of the Golden Bridge Realm!

"hiss!"

Seeing this scene, many experts not far away couldn't help but gasped.

They never thought that Ye Feng could be so powerful.

Almost in an instant, the Black Dragon Emperor, a legendary figure in the Demon Realm, was directly killed.

He even swallowed it directly and turned it into his own energy.

At this moment, Princess Caiyun standing behind her was a little stunned with her beautiful eyes.

She never thought that Ye Feng was much more powerful than she imagined.

Moreover, Emperor Asura also took a deep breath at this time and couldn't help but said excitedly: "This son is truly unparalleled in splendor!"

At this time, it was obvious that even Emperor Asura was full of praise for Ye Feng's strength.

When Emperor Asura fought with Ye Feng before, he just attacked casually, so he just knew that Ye Feng's strength should be about the same as him.

But I didn't expect that after Ye Feng truly exploded with power, he would become so terrifying.

It was beyond Emperor Asura's expectations.

At this time, Emperor Asura finally understood why Ye Feng had

Strong self-confidence, dare to talk to him directly face to face, and even directly challenge the strong men of the dark demon sect from the higher-level dark world.

It turns out that Ye Feng's strength has reached this level.

Emperor Asura has never seen such an amazing and talented person among the local residents in the Demon Realm.

And according to what Emperor Asura knew, Ye Feng didn't seem to be a native resident of the Demon Realm, but came from a realm lower than the Demon Realm.

This is incredible to the extreme.

At this moment, the death of the Black Dragon Emperor immediately caused a group of more than a dozen strong men from the Dark Demon Cult who were mocking and laughing not far away to look extremely ugly.

"The invincible father... is gone..."

"Plop!"

Moreover, the Ninth Prince of the Black Dragon Empire was also frightened at this time and was paralyzed on the spot.

Just now, he was still laughing at Ye Feng, even looking down on Ye Feng, but he didn't expect that in the blink of an eye, Ye Feng would directly kill the most powerful father in his eyes.

At this time, more than a dozen masters of the Dark Demon Cult immediately stared at Ye Feng and couldn't help but exclaimed: "You should not be a native resident of the Demon Realm. Are you also from our dark world, from a higher level?" Otherwise, it would be impossible to possess such powerful power and means."

Ye Feng just smiled faintly at this time, not bothering to explain anything at all, but said loudly: "I don't need to talk nonsense with the dead man, because you will die soon."

Boom!

Almost at the moment Ye Feng finished speaking, he no longer hesitated and charged forward directly, trying to get rid of all the dozen masters of the Dark Demon Sect as quickly as possible.

Because Ye Feng knew that in the small world of the Asura Empire, there were even more powerful masters of the Dark Demon Cult.

So now, as soon as possible, get rid of these ordinary masters of the tenth level of Kamishi Realm, and then devour them directly. Only by improving your own cultivation can you be able to compete with the Zhoutian Realm super masters who have descended from the Dark Demon Cult and are above the Kamishi Realm. A fight between the strong.

Chapter 3617 Leave it all to me

At this moment, Ye Feng's eyes were filled with deep murderous intent.

Because Ye Feng is definitely determined to kill the dozen or so powerful men from the Dark Demon Sect in front of him.

So at this moment, Ye Feng didn't hesitate at all. He looked directly at Emperor Asura who was not far away and said loudly: "Emperor Asura, help me deal with these dozen strong men from the Dark Demon Cult and fight for Let them all stay and not let them escape. I want them all to become my nourishment. As long as my cultivation level can be improved again, then I can help the elders and powerful people in the small world of the Asura Empire. To fight against the even more terrifying existence descended from the Dark Demon Cult."

Hearing what Ye Feng said, Emperor Asura naturally did not hesitate at all, and immediately nodded and said: "Okay."

Boom!

Almost at this moment, Emperor Asura burst out his strongest power without any hesitation.

"Asura Totem Pole!"

At this moment, Emperor Asura directly released his most powerful weapon.

There were hundreds of totem poles, and each totem pole was extremely majestic and looked ancient and noble.

In an instant, it rushed out from Emperor Asura's body, and then formed a huge field.

Emperor Asura immediately said coldly: "This is the strongest weapon inherited from our Asura Empire. What is now formed is the Asura Totem Domain. Even if these strong men come from the Dark Demon Cult, their cultivation level is at If you reach the tenth level of the Divine Shore Realm, you will definitely not be able to escape this realm of Ashura Totem!"

Hearing what Emperor Asura said at this moment, the dozen or so strong men from the Dark Demon Sect opposite him immediately gave out sarcastic smiles and said loudly: "You are still thinking about trapping us? We are still thinking about trapping us. You two are trapped! Do you really think that you and this kid can kill all the dozen of us super strong men? I just want to say

that we are not trash like the Black Dragon Emperor, although we are. The cultivation base is the same, but our

Coming from a higher-level dark world, and from the huge force of the Dark Demon Cult, our inheritance and methods are beyond the imagination of practitioners like you in the lower realms. "

boom!

Almost at the moment when these dozen strong men from the Dark Demon Cult finished speaking, they all immediately burst out with their own powerful methods.

A strong man from the Dark Demon Cult had a long knife in his hand. This knife was engraved with many ancient symbols. When he slashed it out, countless symbols condensed into a huge sword light, which directly cut the sword. A totem pole was cut in half.

Another strong man from the Dark Demon Cult jumped up and turned into a black unicorn directly in the sky. It rushed forward and smashed a totem pole in one fell swoop.

The other strong men of the Dark Demon Cult are all using their own methods at this moment, and they are all very powerful.

When Emperor Asura saw this scene, he couldn't help showing a look of deep horror in his eyes, and immediately said: "Ye Feng, I can't stand it for much longer! These powerful men from the Dark Demon Cult , they are all too powerful, I can't fight against them, and my totem pole realm probably won't last long."

When Ye Feng heard what Emperor Asura said, he immediately said: "As long as you can stop them for a while, leave the rest to me."

boom! !

Almost at the moment Ye Feng finished speaking, Ye Feng directly released his most powerful method, the Flame Emperor's Dominator Bone.

Boom!

Almost at this moment, endless flames burst out from Ye Feng's body, filled with terrifying burning power.

Then Ye Feng shouted directly: "Fire Palm of the Sky!"

At this time, what Ye Feng instantly displayed was the most terrifying inheritance left in the Emperor Yan's master bone.

At this moment, Ye Feng's whole body was burning with flames, and they were connected with the sky fire in the entire sky.

Buzz!

Next, Ye Feng slowly stretched out a hand from high in the sky towards the bottom, and then the vitality of the whole world was fluctuating violently. The endless sky fire was drawn down from the nine heavens, and Ye Feng The whole person was connected together, and then directly condensed into a majestic and boundless flame palm.

This is the Flame Palm of the Sky!

At this time, Ye Feng's cultivation level has been greatly improved, and the inheritance in the Flame Emperor's master bone he has released is naturally more terrifying.

This condensed big hand of flame is just like the fire hand of the legendary god. It is full of terrifying burning power, as if it can burn all the wastes and everything.

"Boom!!"

Almost at the next moment, the huge flame palm of the sky was directly bombarded by Ye Feng, directly bombarding the area where Asura's totem pole was imprisoned.

All the dozen or so strong men of the Dark Demon Cult were covered by Ye Feng's Sky Flame Palm.

Then it hit them hard.

"ah!"

"ah!"

Almost at this moment, there was a burst of violent screams across the entire field.

Those strong men of the Dark Demon Cult who had originally dismissed them, now endured the power of this sky flame palm. Their expressions suddenly changed, and they felt the infinite and terrifying power of burning and destruction. Erupted from the palm of the sky's flames.

Even these powerful men from the dark demon sect, at this moment

There are some who can't resist Ye Feng's terrifying Sky Flame Palm.

Because you must know that Ye Feng's Sky Flame Palm is an attack martial art inherited from a transcendent being at the dominance level.

Moreover, Ye Feng has also fused with the Flame Emperor's Dominator Bone, so the power that explodes is even more terrifying.

Even though these powerful men all come from the Dark Demon Cult in the more advanced dark world, Ye Feng's inheritance is not weak and he can naturally compete with them or even defeat them.

At this time, all the dozen or so strong men from the Dark Demon Cult were covered in burning flames, screaming crazily.

At this time, they finally understood that Ye Feng was not an ordinary practitioner from the low-level realm at all, but a being with something even more terrifying than those powerful men from the high-level realm.

"Escape quickly!"

At this time, more than a dozen strong men from the Dark Demon Cult fled away in fear, wanting to leave here, and frantically attacked the Asura totem poles that trapped them around them.

But the Asura Totem Pole is, after all, a powerful ancestral weapon passed down from the Asura Empire, so even if these dozen or so powerful men from the Dark Demon Cult are very powerful, they will not be able to break through the Asura Totem Pole for a while.

So at this time, Ye Feng was given time to continue attacking.

"Fire Palm of the Sky!"

"Fire Palm of the Sky!"

"Fire Palm of the Sky!"

"..."

Next, Ye Feng didn't hesitate at all, and frantically consumed his powerful mana, condensing one sky flame palm after another.

Rumble...

One by one, big flaming hands bombarded down from high in the sky, shattering everything.

In the end, amidst countless screams, all the dozen or so strong men of the Dark Demon Cult were blasted to death!

Chapter 3618 Young Man in Golden Robe

Buzz!

At this time, on the Palace Square outside the central hall, there was huge smoke and dust everywhere, ruins everywhere, and collapsed pieces everywhere.

The scene is very tragic!

This shows how terrifying Ye Feng's attack just now was, and how terrifyingly destructive and destructive it was.

At this time, Emperor Asura looked at everything on the field with deep horror in his eyes.

He never thought that Ye Feng had such terrifying attack power.

You know, the dozen or so super strong men from the Dark Demon Cult are all very terrifying in their methods and strength, but they still can't stop Ye Feng's repeated attacks.

This shows how terrifying Ye Feng's attack is.

Even a peerless figure like Emperor Asura was amazed by Ye Feng's attack just now.

"boom!"

At this moment, Ye Feng did not hesitate and directly released the Devouring Domain.

The dozen or so powerful men from the Dark Demon Cult in front of him were all shrouded in his own darkness devouring realm.

Rumble...

Almost at the next moment, waves of terrifying energy were immediately absorbed by Ye Feng and then injected into Ye Feng's dantian.

Ye Feng could feel it immediately. A very powerful and terrifying energy surged through his limbs, making Ye Feng feel like he was about to burst.

It has to be said that the skills of these dozen powerful men from the Dark Demon Cult are indeed very terrifying.

And you must know that this is not an ordinary strong man from the tenth level of Kamigan Realm, but a super strong man in the more advanced dark world.

Therefore, their skills are naturally much larger and more powerful than those of the powerful people in the tenth level of the Divine Shore Realm in the Demon Realm.

Every strong man from the Dark Demon Sect was more powerful than the Black Dragon Emperor that Ye Feng had killed before.

Not to mention that Ye Feng has now devoured more than a dozen strong men from the tenth level of the Divine Shore Realm of the Dark Demon Cult.

So at this time, Ye Feng, who had just broken through to the fourth level of the Golden Bridge Realm, began to make another crazy breakthrough.

"boom!"

The fifth level of the Golden Bridge Realm!

"boom!"

The sixth level of the Golden Bridge Realm!

"boom!"

The Seventh Heaven of the Golden Bridge Realm!

"boom!"

The eighth level of the Golden Bridge Realm!

"boom!"

The ninth level of the Golden Bridge Realm!

"boom!"

The tenth heavenly perfection of the Golden Bridge Realm! !

"boom!"

Half step to the Kami shore realm! !

At this time, Ye Feng's cultivation finally stopped.

At this moment, Ye Feng clenched his fists, feeling extremely terrifying energy surging through his body.

Ye Feng's eyes were very bright at this time, because he knew that now his cultivation level had improved so much at once, and his combat power had definitely increased unparalleled.

Ye Feng is no longer afraid of those powerful men who have descended from the Dark Demon Sect.

At this time, Ye Feng looked at Emperor Asura who was not far away, and said slowly: "Let's go directly to the small world of your Asura Empire."

Emperor Asura immediately nodded.

Princess Caiyun also wanted to follow at this time, but Ye Feng stopped her and said: "Princess Caiyun, you should stay here now, otherwise, it may be very dangerous to go with us. After all, Now we are not sure how powerful the strong men of the Dark Demon Cult who came from the dark world are, but according to what the Black Dragon Emperor said before, it is estimated that there will be super strong men at the Zhoutian level that surpass the Kamishore realm. There will probably be a hard fight."

If it were before, then Ye Feng probably wouldn't be able to fight against a super strong person at the Zhoutian level.

But now Ye Feng's cultivation level has made a huge breakthrough, directly breaking through to the half-step god's shore state.

Then Ye Feng now has some confidence and dares to fight against the super strong men at Zhoutian level.

At this moment, Princess Caiyun heard what Ye Feng said and immediately nodded.

She didn't want to hold Ye Feng back.

Before leaving, Princess Caiyun had a worried look in her beautiful eyes and said loudly: "Ye Feng, if you really can't beat him, then don't hold on and just run away. I won't

Want to see you suffer a life crisis. "

Hearing what Princess Caiyun said, Emperor Asura smiled and said: "Don't worry, if we really can't defeat those super strong men from the Dark Demon Cult, Ye Feng and I will escape immediately. The Asura Empire has been destroyed, and saving our lives is the most important thing, and there is nothing we can do about it."

Hearing what Emperor Asura said, Princess Caiyun immediately nodded and said, "Grandpa, Ye Feng, you all must be careful."

Originally, Princess Caiyun didn't have much affection for her, the emperor's ruthless grandfather.

But just now, at the critical moment of his life, Emperor Asura repented and actually wanted to blow himself up and escort them away, which made Princess Caiyun have some changes in her view of her grandfather.

At this moment, Ye Feng nodded and wasted no time. He and Emperor Asura immediately flew quickly towards the small world deep in the Asura Empire's palace.

Half an hour later. ??

When they arrived at the small world, they immediately saw a very tragic scene.

I saw that the entire small world had been shattered, the interface barriers of the small world had collapsed, and many dead bodies appeared inside.

Most of the older and stronger men in the Asura Empire were basically killed.

Above these countless dead bones, a young man wearing a golden robe was floating at this moment.

This young man looked very heroic and majestic, exuding an extremely terrifying aura.

The cultivation aura of this young man in gold robes fluctuates, and he is a terrifying powerhouse at the level of the Great Perfection of Zhoutian Realm, which has surpassed the Divine Shore Realm!

It has to be said that this acupoint cultivation level made Ye Fengdu's heart skip a beat.

Ye Feng originally thought that he was just a being at the first or second level of the Zhoutian Realm, but he didn't expect it to be a transcendent existence at the Dzogchen level of the tenth level of the Zhoutian Realm.

This is too scary.

Ye Feng also felt a trace of threat at this moment.

But at the same time, Ye Feng also showed a trace of greed in his eyes.

If you can kill this golden-robed young man in the tenth level of the Zhoutian Realm of the Dark Demon Sect, then you will get a very terrifying energy.

.

Because Ye Feng has not yet devoured a super strong person at Zhoutian level.

However, Ye Feng knew that Zhou Tianjing's skills were absolutely very powerful and could completely transform his cultivation.

At this moment, Emperor Asura looked at the miserable scene in the small world, and he couldn't help shouting with red eyes and anger: "All the elders and ancestors of our Asura Empire are dead! Damn it! , Damn it!"

At this time, Emperor Asura was obviously extremely angry, and he rushed forward crazily, with Emperor Asura's terrifying imperial power erupting from his body.

Boom!

But at the next moment, the young man in golden robe who stepped on the corpses smiled contemptuously and waved casually.

A kind of terrifying coercion from heaven and earth immediately caused the charging Emperor Asura to fly backwards, fell hard to the ground, and spurted out a mouthful of blood. Emperor Asura was immediately severely injured.

This shows how terrifying this young man in golden robe is and how powerful he is.

The young man in golden robe smiled coldly, with contempt in his eyes, and said loudly: "How dare a group of ants from a low-level realm dare to attack a practitioner from a high-level world like me? They really don't know whether to live or die."

At this time, Ye Feng immediately flew not far away, helped Emperor Asura up, and asked loudly: "Are you okay?"

Emperor Asura wiped the blood from the corner of his mouth at this time, shook his head, and then said with serious and frightened eyes: "Ye Feng, I don't think we can beat this young man in gold robe. His cultivation strength is really It's too scary. The Zhoutian Realm is a powerful realm that we don't understand. It's too scary. The power he masters is too huge, and this is a ten-level Dzogchen Dzogchen expert at the top of the Zhoutian Realm. No cultivator in the Demonic Realm can resist it. We should hurry up and escape. There is still a chance of survival. "

"Want to escape? Impossible."

At this time, the young man in golden robe suddenly sneered and stretched out his hand.

Buzz!

In his palm, a huge golden ring appeared. This golden ring quickly grew in size, directly covering the entire surrounding sky and earth, forming a special field that bound everything.

Chapter 3619 It's unimaginable

At this time, looking at the rapidly growing golden ring around him, restraining everything, Emperor Asura felt as if he was carrying hundreds of millions of pounds of power, unable to move at all.

The surrounding air seemed to have turned to mercury, making it difficult to move even an inch.

Sensing all this, Emperor Asura couldn't help but show deep horror in his eyes, and couldn't help but said: "Oh no, we are trapped. This golden ring should be a higher-level world." Advanced weapons, our life level is simply unable to break through the constraints of such advanced weapons."

boom!

Emperor Asura tried to unleash all his power at this time, but he still could not break through the shackles of this golden ring.

This made his heart sink to the bottom, and his face became very ugly, a little livid.

Obviously, to Emperor Asura, that powerful man from a higher realm was too terrifying. He had no intention of resisting at all and just wanted to escape quickly.

But now, he was trapped by the golden ring and couldn't escape even if he wanted to.

At this moment, the extremely powerful young man in golden robe stared at Emperor Asura, smiled indifferently and said: "First crush you ant to death!"

boom!

Almost as soon as the golden-robed young man finished speaking, he stretched out a finger and pointed it quickly in the direction of Emperor Asura.

Obviously, the way this young man in golden robe took action was also very casual and contemptuous.

It seems that Emperor Asura must be killed directly with just one finger.

"Buzz!"

Almost at this moment, the terrifying power generated by this finger made Emperor Asura's entire body burst apart.

boom! !

At this moment, Ye Feng suddenly stepped in front of Emperor Asura and blocked all the momentum released by this finger.

Emperor Asura

He immediately breathed a sigh of relief.

"Um?"

At this moment, he saw that the young man Ye Feng could resist the momentum of one of his fingers in an instant.

There was a hint of surprise in the eyes of the young man in gold robes, and he couldn't help but said: "You, a weaker boy who is half-step to the Kamishore realm, can actually block the momentum of one of my fingers? Compared to this Kamikishi realm ten Emperor Asura of Chongtian is even more powerful, which really surprised me and made me look a bit wrong."

After finishing speaking, Ye Feng just smiled indifferently and said: "I can't just resist one of your fingers. Today I want to see how you so-called super strong people from a higher world can do it." , is it really as powerful as the legend says?"

At this moment, almost as soon as Ye Feng finished speaking, the most powerful young man in golden robe from the Dark Demon Cult suddenly showed a look of surprise in his eyes.

Then he spoke slowly: "This is the first time I have seen such a courageous boy like you. You are so arrogant. You are just a humble existence from a low-level realm. How dare you dare to be a noble person like me?" Talking like this? Then I will let you know what true power is."

Almost as soon as the golden-robed young man finished speaking, he stretched out a hand and displayed a rather powerful inheritance: "The Hand of Ten Thousand Calamities."

At this moment, the moment this Jinhua young man displayed this set of inheritance, one of his hands immediately turned into a huge palm and grabbed it towards Ye Feng.

Wow!

Wow!

What's even more terrifying is that his palm actually triggered the thunder calamity above the nine heavens, and the power of thunder and lightning descended, merging into

In his hand.

Worthy of being the hand of all calamities!

It can cause the target of the attack to be instantly attacked by thousands of lightning tribulations, full of endless destructive meaning.

At this time, Ye Feng's eyes were filled with deep solemnity.

He could feel the terrifying destructive power.

The attack of this young man in golden robe is indeed very terrifying!

But at this time, Ye Feng had almost no hesitation, and directly burst out with an extremely powerful method, the Hand of Hell!

And at this moment, Ye Feng also integrated the domination gems on his body into the Hand of Hell.

So at this moment, the Hand of Hell not only has the power of the Lord of Abi Hell, but also the power of the eyeballs of gods and demons, and even the power of domination.

So at this moment, Ye Feng's Hand of Hell also burst out with terrifying destructive power, and it collided with the hand of the young man in gold robe, causing a terrifying roar. .??.

An extremely terrifying wave of destruction suddenly erupted across the entire field, destroying everything.

At this moment, the surrounding small world was bombarded by the aftermath of destruction caused by this terrifying collision and began to rapidly collapse.

Emperor Asura saw this scene, his eyes filled with deep horror, because he discovered that Ye Feng actually had the power to rival this young man in gold robe.

At this moment, the smoke and dust in the sky dispersed, and Ye Feng's hand of hell was actually as good as the hand of this young man in gold robe.

"Um?"

Seeing this scene, the disdainful expression on the young man's face suddenly turned ugly.

Because he had boasted about Haikou just now, that he could kill Ye Feng, a weak and humble boy, with just one move.

But

Unexpectedly, Ye Feng's explosive methods could withstand his hand of all calamities, which really shocked the young man in gold robe.

The young man in golden robe came from the Dark Demon Cult and had many means, but at this time, there was a deep ugly look in his eyes.

Because he found that he seemed not to be able to kill Ye Feng easily.

This Ye Feng's cultivation level is lower than that of Emperor Asura, but his combat power is much stronger than Emperor Asura's.

For the first time, the young man in golden robe felt a sense of crisis.

He immediately understood that the other party was definitely a peerless genius who was rare in the ages. He was two realms lower than him, but he could actually compete with him. This kind of potential was really terrifying.

If you grow up in the future, your achievements will be unimaginable.

So at this moment, the young man in golden robe stared at Ye Feng, without any hesitation in his eyes, and said loudly: "You will definitely die today! We absolutely cannot allow an eternal genius like you to grow up, otherwise it will be difficult for us The Dark Demon Cult is definitely a huge scourge!"

Boom!
