

Ancient 3811

Chapter 3811 Re-Sealing

At this time, Ye Feng's eyes were very downcast. He didn't expect that this questioner would be so ruthless. He would directly find himself and want to kill him directly.

You know, this Wen Cangsheng is the chief disciple of Haoran Academy, and he is probably on the same level as the three top geniuses in the Wanjie Martial Arts Academy, such as Zhan Cangtian.

Therefore, the cultivation strength of this question is much higher than that of Ye Feng now. After all, he is a super genius of the younger generation. Naturally, he has to accumulate much more knowledge than a newbie like Ye Feng.

At this time, Ye Feng had almost no hesitation. He stopped as soon as he saw the opportunity, and directly released the space gem, and immediately flew quickly in a certain direction in the distance.

Ye Feng did not take Luo Li with him because Luo Li was not the target of asking the people.

If Luo Li is taken with him, Luo Li will be hurt.

So at this time, Ye Feng pretended not to know Luo Li, and immediately used the space gem to escape.

Asking Cangsheng, he naturally had no doubt that Luo Li, who was killing other demon sect masters not far away, was on the same team as Ye Feng.

So at this time, Wen Cangsheng immediately chased Ye Feng.

Buzz! Buzz! Buzz...

Ye Feng rotated the space gem, quickly opened up space wormholes, and ran towards the deepest part of this boundless desert.

Because Ye Feng knew very well that it was still very difficult to get rid of the chief disciple of Haoran Academy.

It is estimated that the space gem can only last for a part of the time to escape, and will eventually be chased by Wen Cangsheng.

Therefore, Ye Feng did not escape out of the boundless desert, but quickly fled deeper into the boundless desert.

Because many dark altars have been built in the deepest area of the boundless desert, and many top masters of the dark demon sect gather there.

If you escape there, the extremely powerful aura of cultivation will definitely be sensed by the masters of the Dark Demon Cult. \u003c

br\u003e

By then, there will definitely be countless top masters from the Dark Demon Cult to deal with the common people, and I can lurk at that time.

Because his cultivation strength is not high, he will not be so eye-catching.

So at this time, Ye Feng's plan is to lead Wen Cangsheng to the deepest part of the boundless desert, where the masters of the Dark Demon Cult gather.

In this case, he can take advantage of the chaos and escape.

Wen Cangsheng seemed to understand Ye Feng's plan. He immediately held the Haoran Holy Sword in his hand and slashed wildly in the direction of Ye Feng.

A series of terrifying white sword lights shot towards Ye Feng in an instant.

You know, this question about Congsheng's cultivation strength is still very terrifying.

Even if Ye Feng runs the space gem and hides it in the void, the white sword light in his hand will occasionally cut into the void and hurt Ye Feng.

If it weren't for Ye Feng's extremely powerful body, he would have been cut in half instantly by some sword rays.

boom!

At this time, Ye Feng directly released the fourth-level blood talent of his Hongmeng Immortal Body, the God Armor.

Buzz!

A set of armor that exuded bright light immediately appeared on Ye Feng's body, covering Ye Feng's entire body.

At this time, Ye Feng's endurance became even stronger.

Occasionally, I was hit by a white sword light from Wen Cangsheng, but it didn't cause much harm.

Because the god's armor on Ye Feng can resist most of the damage for Ye Feng.

At this moment, seeing that Ye Feng was able to resist his own sword light, he asked Cangsheng, the chief disciple of Haoran Academy,

Immediately, he couldn't help but look deeply shocked in his eyes, and he couldn't help but exclaimed: "How is this possible! With such a low level of cultivation, you can actually withstand the damage of my sword light? This is impossible! "

At this time, Ye Feng quickly used the space gem to escape from the front. He didn't bother to pay attention to what Cang Sheng asked behind him, and continued to escape quickly towards the front.

Soon Ye Feng came to the deep area of the boundless desert.

Here, at the end of the entire earth, Ye Feng suddenly saw dark altars with tens of thousands of meters high standing on the earth. They looked very majestic and vast, giving people a very imposing and vast feeling. .

Ye Feng's eyes immediately showed joy, he was finally here.

Ye Feng immediately rushed forward, and soon he was lurking in the depths of the void, disappearing.

When Wen Cangsheng arrived here after chasing him, he immediately looked around. He was shocked to find that Ye Feng had disappeared.

At this moment, Wen Cangsheng suddenly saw himself, as if he had arrived at the deepest part of the boundless desert.

Wen Cangsheng is preparing to leave here.

But suddenly.

Boom!

The situation in the sky was changing, and a total of nine demonic masters exuding a terrifying aura of cultivation suddenly arrived.

These powerful demons should be the core figures in the dark demon sect, so the aura of cultivation on their bodies is not much weaker than that of ordinary people.

At this moment, a total of nine powerful demons were directly surrounding Wen Cangsheng.

Wen Cangsheng's eyes showed a hint of gloom. He never thought that Ye Feng, a boy, could be so bad and lead him unknowingly to this area where many magic masters gathered.

At this moment, ask the people if they have

If there is any hesitation, he will directly burst out his extremely powerful inheritance and want to leave here as soon as possible.

Because she knew that it would be impossible to continue chasing Ye Feng today, because Ye Feng had a very powerful armor that could withstand his sword light.

Moreover, Ye Feng seems to have a space shuttle magic weapon on his body, which allows Ye Feng to escape quickly, making it impossible for him to catch up.

This made Wen Cangsheng very angry, but now he had no choice but to leave here quickly.

Otherwise, even if Wen Cangsheng is the chief disciple of the very powerful Haoran Academy, he will probably fall under the siege of countless powerful demons.

"Infinite Divine Beam!"

At this moment, Wen Cangsheng shouted loudly, and bright white divine light suddenly erupted from his body.

Each ray of white divine light was like a divine beam, piercing through the surroundings, forcing the nine masters of magic to retreat in an instant.

I have to say that it is very scary to ask people about their cultivation strength. He is worthy of being the chief disciple of Haoran Academy and one of the top geniuses in the Righteous Alliance.

But suddenly at this moment, a big dark hand grabbed Wen Cangsheng fiercely, and unexpectedly crushed the countless white divine lights around Wen Cangsheng in an instant.

A middle-aged man wearing a golden robe appeared, his eyes glowing scarlet, and he looked very evil.

"What?"

Seeing this scene, Wen Cangsheng's face suddenly showed a look of shock, and he couldn't help but said: "Black Hand Demon Emperor, it's you. I didn't expect you to come here. It seems that the

rumors are true. You guys The Dark Demon Cult built so many dark altars in the deepest part of this boundless desert, not to summon any evil existence, but to re-seal an ancient saint of the human race who is about to awaken in the depths of this boundless desert!”

Chapter 3812 The Sleeping Saint

After asking Cangsheng what he said at this time, he immediately ran away quickly towards the distance.

Because this middle-aged man wearing a golden robe is a very powerful demonic master in the dark demon sect, called the Black Hand Demon King, who is very terrifying.

This Black Hand Demon King is said to have one palm fused with the palm of an ancient demon god, so the Black Hand Demon Emperor's attacks contain the power of the ancient demon god, and the attack power is very terrifying.

Even a top young talent like Wen Cangsheng cannot compete with the Black Hand Demon Emperor, the real core figure in the dark demon sect.

At this time, seeing Wen Cangsheng running away towards the distance, the Black Hand Demon Emperor smiled coldly and said: "Since we are all here, don't even think about escaping. You should be the chief disciple of Haoran Academy. Wen Cangsheng, just killing you will greatly weaken the strength of the future younger generation of the Righteous Alliance. "

boom! !

After saying that, the Black Hand Demon King suddenly erupted with terrifying and monstrous demonic energy. It was endless, like a vast ocean, and suddenly surged away in the direction of Wen Cangsheng's escape.

The Black Hand Demon Emperor went to hunt down and question the people.

At this time, Ye Feng, who was lurking in the surrounding void, had a look of deep surprise in his eyes.

Ye Feng never thought that the truth would be like this.

The Dark Demon Cult has built so many dark altars here not to hold any evil summoning rituals, but to re-seal an ancient saint from the human race who is about to awaken from the ancient era.

The ancient saint of this ancient era must be very terrifying. Once he awakens, he will be a huge threat to the entire dark demon sect.

That's why the Dark Demon Cult sent so many core figures here to re-seal this ancient saint and prevent this ancient saint from the human race from awakening.

Thinking of this, Ye Feng's eyes immediately flickered.

Ye Feng must stop the Dark Demon Cult's plan this time.

At this time, Ye Feng looked at the Black Hand Demon King in the distance and quickly chased and killed the people. Ye Feng felt that he had a chance now.

Because in this area

The most powerful person sitting in charge is the Black Hand Demon Emperor.

Asking Cangsheng just happened to lure the Black Hand Demon Emperor away, and Ye Feng now has the opportunity to stop this conspiracy.

However, Ye Feng knew that if he directly destroyed these dark altars now, he would probably only alert the enemy and treat the symptoms rather than the root cause.

Ye Feng planned to first find the place where the ancient saint of the human race slept, and then see how to stop this dark demon sect's conspiracy.

At this time, Ye Feng did not hesitate at all, and immediately radiated his huge soul power, covering the surrounding area, trying to find the place where the ancient saint of the human race slept.

An ancient saint of the human race, very terrifying, his cultivation level is absolutely astonishing.

Therefore, even if this ancient saint of the human race is sleeping, the aura of the saint exuding is still very majestic.

It was obvious that as long as Ye Feng probed carefully, he would be able to detect it quickly.

At this time, Ye Feng did not hesitate and immediately began to quickly search the depths of the boundless desert where the dark altar stood.

Under the search of Ye Feng's extremely powerful soul power, Ye Feng quickly sensed a very sacred wave, which was so vast that it was like an endless ocean.

Ye Feng immediately understood that this sacred wave should be the wave of the sleeping ancient saint.

At this moment, Ye Feng immediately sensed this strong sacred wave and quickly flew towards the deepest part of the boundless desert.

When Ye Feng passed through a large area of dark altars, he immediately saw a super large dark altar appearing in the deepest place.

This super large dark altar is surrounded by countless small dark altars.

Every small dark altar has a black light pillar connected to this super large dark altar.

Together, this super large dark altar has a very terrifying dark power.

Ye Feng immediately sensed that under this super large dark altar, it should be the place where the ancient saint of the human race slept.

But at this time, Ye Feng could sense that the inner area of this super large dark altar was suppressed by very terrifying masters of the dark demon clan, and he was unable to resist the attacks of these dark masters.

This gave Ye Feng a look of embarrassment in his eyes.

Even if he is disguised as a member of the Dark Demon Cult now, he probably won't be able to get close to this super large dark altar.

Because the censorship here must be very strict, and anyone with unknown origins will be interrogated.

But just when Ye Feng was secretly thinking about how to get into this super large dark altar.

Suddenly there were roars not far away.

Boom!

Boom!

The dark altars not far away suddenly exploded.

Several figures exuding divine light were rapidly destroying those dark altars and fighting with many masters of the dark demon sect.

Ye Feng looked into the distance and immediately saw several top geniuses destroying those dark altars.

Most of these top geniuses are unknown to Ye Feng, but there are two whom Ye Feng knows. They are the Phoenix Goddess of the Phoenix Kingdom whom Ye Feng saw before, and the eldest young master of the ancient Shangguan family. Shangguan Tianya is stepping on the dragon of light.

At this moment, when Ye Feng saw this scene, his eyes suddenly lit up with joy.

It would be great if anyone could help.

"There are actually some top geniuses in the human race who are coming to destroy our dark altar, so hurry up and stop them!"

At this time, in the super large dark altar, there were suddenly many masters of the dark demon sect with powerful cultivation, quickly rushing towards the Phoenix Goddess, Shangguan Tianya, and other top geniuses of the Righteous Alliance.

Hit away.

Seeing this scene, Ye Feng suddenly showed a hint of joy on his face.

These two top geniuses happened to attract the masters of the dark demon sect in the super large dark altar.

So now Ye Feng has the opportunity to take advantage of the chaos and enter this super large dark altar.

So at this moment, Ye Feng did not hesitate and directly used his power to disguise himself as the aura of a member of the Dark Demon Cult, and then flew directly towards the super large dark altar.

When Ye Feng came to the door of this super large dark altar, no one came out to stop or investigate.

Because the demonic masters guarding him had already gone to fend off the top geniuses from the Righteous Alliance who had come to kill him, no one cared about Ye Feng at all.

Ye Feng's eyes immediately lit up and he entered the super large dark altar directly, wanting to destroy this super large dark altar quickly.

"Rumble..."

The next moment, Ye Feng immediately released his extremely powerful power and bombarded this super large dark altar.

But Ye Feng suddenly discovered that his attack could not destroy this extremely strong dark altar.

This made Ye Feng's eyes suddenly show surprise.

It seems that his current cultivation level is not enough to destroy this dark altar carefully built by the dark demon sect.

At this moment, Ye Feng was quickly thinking of ways to destroy this super large dark altar.

But at this time, Demon Ancestor suddenly spoke in the center of his eyebrows: "Boy Ye Feng, your current cultivation strength is not enough to destroy this high-level altar created by the dark demon sect. Your only way now is to find The way to communicate with the sleeping ancient saint, awaken this ancient saint, and let this ancient saint wake up in advance. As long as this ancient saint can wake up in advance, then so many dark altars that the dark demon sect has worked hard to build will have no effect. It worked, and the ancient saint's majestic power was enough to destroy countless dark altars in an instant!"

Chapter 3813 The Saint's Resurrection

Hearing what the Demon Ancestor in his eyebrows said, Ye Feng's eyes suddenly showed a bright color, and he said loudly: "Indeed, although my power cannot destroy these super large dark altars, if I can wake them up in advance, A sleeping ancient saint, then everything will be no problem. Once the ancient saint wakes up, the majestic power of the ancient saint can definitely crush everything."

Although Ye Feng has the Son of God token given to him by Dean Tianshu, he can release the terrifying dominance power of Dean Tianshu.

But this kind of thing is Ye Feng's trump card to save his life. Ye Feng will not use it unless it is absolutely necessary.

It would be too wasteful to use the power in the Son of God Token to destroy the Dark Altar.

After all, the dominant power of Dean Tianshu in the Son of God's Token can be used once or less, and there is a limit to the number of times.

So at this time, Ye Feng thought it would be better to think of other ways to awaken the ancient saint.

At this time, Ye Feng was thinking secretly, and then immediately thought about how to communicate with the sleeping ancient saint.

Suddenly, at the next moment, Ye Feng seemed to have thought of something, and he stretched out his hand and pressed it on the super large dark altar in front of him.

Almost at the next moment, Ye Feng directly released the power of Heaven's Gate.

You must know that the Gate of Heaven contains a very sacred power of light, which is completely opposite to the power of the Dark Altar.

Moreover, an ancient saint of the human race must be very sensitive to the sacred power in the Gate of Heaven.

If the sacred power in the Gate of Heaven can be transmitted to the place where the ancient saint sleeps under this super large dark altar, then it might be possible to awaken the sleeping ancient saint.

If it were an ordinary magic weapon or power, it would be impossible to penetrate this super large dark altar. After all, it was something carefully crafted by the Dark Demon Cult.

But Ye Feng's Heaven's Gate is the legendary magic weapon of the Lord of Heaven.

The white sacred power emanating from the Gate of Heaven can naturally penetrate the entire super large dark altar in an instant.

So at this moment, Ye Feng stretched out his hand and pressed it on the super large dark altar in front of him, activating the light power of the gate of heaven in his mind.

Buzz!

I saw a bright white holy light burst out from Ye Feng's hand, and then quickly surged towards the bottom of the super large dark altar.

Soon, this white holy light penetrated into the deepest part of the super large dark altar.

Ye Feng sensed it here, and could even vaguely see it. In the deepest part of this super-large dark altar, under the earth, a very skinny old man seemed to have lost all his life essence and was killed by countless people. Chains of darkness bind beneath the earth.

But at this time, when Ye Feng's power of light touched the skinny old man, the skinny old man suddenly opened his eyes.

And the moment the skinny old man opened his eyes, two dazzling rays of light shot out from the eyes of this skinny old man.

"boom!"

"boom!"

The light burst out from these two eyes, like two heavenly swords, pierced the entire earth at once, directly pierced the dark altar above the earth, rushed to the sky, and made everyone under the night sky. Everyone saw this shocking scene.

"Are those two holy lights the gazes of ancient saints?"

"Absolutely! Only ancient saints have

With such great power! "

At this moment, many young geniuses from the Righteous Alliance fighting in the distance saw this scene, and they were all surprised and happy at the same time.

What surprised them was why the ancient saint suddenly revived early.

The joy is that if the ancient saint wakes up now, then these core figures of the Dark Demon Cult will not be able to resist the resurrection of an ancient saint.

At this moment, countless masters of the Dark Demon Sect saw this scene and the two white lights that penetrated the sky and the earth, and their expressions suddenly became extremely ugly.

Even the most important figure of the dark demon sect, the Black Hand Demon Emperor, who was chasing the people in the distance, saw the two white holy lights in the center from a distance, and their faces suddenly changed, and they endured. He couldn't help but said: "Oh no! The ancient saint has revived in advance! How is this possible? That super large dark altar is the foundation of the formation cast by Lord Dark Yuan Zun himself, even if it is a super strong man who is infinitely close to the master, cannot easily destroy the super large dark altar, someone must have secretly awakened the ancient saint in advance. "

At this moment, when the Black Hand Demon King's face became very ugly, Ye Feng saw the skinny old man under the ground, opening his eyes, and was suddenly startled. ??

Because after the skinny old man opened his eyes, he actually looked towards him, as if he could see through everything.

At this time, Ye Feng couldn't help but said: "This junior is a student from an outside martial arts academy. He is lurking here specifically to rescue his senior."

At this moment, Ye Feng said that he immediately dissipated the dark demonic energy that he had transformed into in disguise and returned to his normal state.

The skinny old man moved at this moment, locking the countless dark chains that trapped him.

Broken apart.

Then the skinny old man suddenly rushed to the ground and came to Ye Feng's side.

Then Ye Feng saw a very shocking scene.

The skinny old man opened his mouth and inhaled, and the vitality of heaven and earth within a radius of tens of thousands of miles was swallowed into his stomach by the skinny old man.

Then this skinny old man actually started to look younger. From a skinny old man, he turned directly into a majestic middle-aged man, with black hair like ink, bright eyes, a face as sharp as a knife, and a towering head, full of unparalleled power. Domineering.

At this time, Ye Feng could sense that the energy of this ancient saint was as terrifying as the vast ocean. It made people feel like a living god, majestic, boundless, and irresistible. It gave Ye Feng the feeling , even more terrifying than meeting a junior master.

Ye Feng's eyes immediately showed surprise.

No wonder the Dark Demon Cult is so solemn about re-sealing this ancient saint.

The strength of this ancient saint is probably comparable to that of a master.

However, in ancient times, it seems that there was no such title as the realm of domination.

In ancient times, the names for cultivation realms were different from what they are now.

It must have been very terrifying for this ancient saint to be revered as a saint in ancient times.

Ye Feng wanted to say something at this moment.

But suddenly at this time, the young ancient saint suddenly looked at Ye Feng beside him and said loudly: "You are very good, wake me up, and I will give you a great blessing."

After finishing speaking, the ancient saint continued: "But before that, I want to get rid of all these dark demons."

Chapter 3814 Demon Suppressing Mirror

At this time, after the ancient saint finished speaking, he stretched out a big hand.

Buzz!

At this moment, the palm of the ancient saint suddenly became extremely towering, and a bright white light emitted from the palm.

This big hand of white light covered a distance of tens of thousands of kilometers and bombarded it all at once, shattering countless dark altars in an instant.

"Run!"

At this time, many masters of the Dark Demon Cult all screamed in terror and fled quickly towards the distance.

But the next moment, the ancient saint stretched out his hand, and another big hand of white light appeared, covering tens of thousands of miles, and crushed all the masters of the Dark Demon Cult in an instant.

"So strong!" .??.

Seeing this scene, Ye Feng immediately showed deep horror in his eyes.

You must know that the cultivation auras of these masters of the Dark Demon Cult are very powerful.

But in the hands of the ancient saint, it was as fragile and boundless as an ant, easily crushed to death.

And you must know that this ancient saint has only just recovered and has not fully recovered his peak strength, but he still has such terrifying power, and he is worthy of being a saint in the ancient times.

At this time, Ye Feng did not hesitate and directly released his Devouring Domain, quickly devouring the blood and energy of the entire world.

You must know that this ancient saint can crush the masters of the Dark Demon Cult in an instant with one palm. I am afraid there are at least tens of thousands of masters of the Dark Demon Cult, and all of them are elite beings in the Dark Demon Cult.

So at this time, Ye Feng immediately sensed that the entire world was filled with blood energy.

Ye Feng naturally would not waste the blood energy formed by these masters of the Dark Demon Cult. He would directly release the Devouring Domain and start devouring them.

Rumble...

At this moment, waves of terrifying energy were immediately injected into Ye Feng's dantian, rapidly strengthening Ye Feng's power.

For Ye Feng, his current cultivation base is still very weak, and there is still a big gap between him and the top geniuses in the Righteous Alliance.

So at this time, Ye Feng naturally seized every opportunity to improve his skills.

At this moment, as Ye Feng devoured it, Ye Feng immediately sensed his own cultivation aura, which was rising rapidly.

At this time, the ancient saint looked at Ye Feng beside him, especially at the areas swallowed by darkness on Ye Feng's body, and a look of surprise suddenly appeared in his eyes.

It seems that this ancient saint did not expect that Ye Feng, a little human boy, actually has this very magical devouring ability.

And the most important thing is that after devouring the energy of these different attributes, it can still be integrated into one's own Dantian and strengthen one's own skills. It is really magical, which makes this ancient saint look at Ye Feng with admiration.

However, the ancient saint did not disturb Ye Feng. He continued to stretch out a hand, directly forming a big hand of white light, directly towards the core of the most powerful dark demon sect.

The big shot, the Black Hand Demon Emperor, attacked and left.

This Black-Handed Demon King is the core figure of the Dark Demon Cult that even the common people are afraid of. His cultivation and strength are very unpredictable.

But at this time, under the big hand of white light extended by the ancient saint, he was instantly vomited blood and suffered heavy injuries in an instant.

The Black-Handed Demon King immediately couldn't help but screamed in horror and said: "The Dark Yuan Zun of our Dark Demon Sect is a high-level master. Even if you are an ancient saint, it is best not to provoke our Dark Demon Sect. "

When the ancient saint heard what the Black-Handed Demon King said, there was no expression on his face at all. He was very calm and continued to stretch out a hand.

boom!

Another big hand of white light covered hundreds of millions of miles, and bombarded it directly from high in the sky. In an instant, the black-handed Demon King who screamed was blown to pieces.

Seeing this scene, all the young geniuses from the Righteous Alliance present had deep horror in their eyes.

Because they never thought that the ancient saint who had just been resurrected would have such terrifying strength.

Even the Phoenix Goddess or the eldest young master of the Shangguan family, the top geniuses of the Righteous Alliance, were dumbfounded at this time.

This ancient saint is indeed a being who was canonized as a saint in ancient times. As expected, his strength and cultivation are extremely terrifying.

At this moment, Ye Feng was very happy to swallow it, and his cultivation aura immediately began to explode.

"boom!"

The fifth level of the Shaping Dao Realm!

"boom!"

The sixth level of the Shaping Dao Realm!

"boom!"

The seventh level of the Shaping Dao Realm!

"boom!"

The eighth level of the Shaping Dao Realm!

"boom!"

The ninth level of the Shaping Dao Realm!

"boom!"

The Great Perfection of the Tenth Level of the Shaping Dao Realm! !

"boom!"

A half-walk to the fruit realm! !

At this time, Ye Feng's cultivation momentum finally stopped.

The ancient saint suddenly spoke: "Let's go."

Ye Feng nodded immediately and followed the ancient saint.

Buzz!

At this time, the ancient saint directly grabbed Ye Feng's shoulders and stepped out. A colorful bridge appeared under the footsteps of the ancient saint, allowing the ancient saint to travel tens of millions of meters in one go.

The next moment, Ye Feng was taken away from the boundless desert by the ancient saint and came to an abyss outside the boundless desert.

At this time, Ye Feng couldn't help but said: "Senior, is the great opportunity you mentioned for me right here?"

The ancient saint nodded slightly and said aloud: "I came here to get back part of my power, and there happens to be a very good weapon here, which may be suitable for you."

Hearing what the ancient saint said, Ye Feng's eyes immediately lit up.

You know, Ye Feng now has no shortage of inheritance, but he lacks a powerful weapon.

After all, the previous weapons could no longer keep up with Ye Feng's improvement in cultivation and were about to be eliminated.

At this time, Ye Feng was naturally very happy when he heard what the ancient saint said.

After all, ancient superpowers at the level of ancient saints must have very high vision.

A weapon that can be said to be very good by an ancient saint means that this weapon is really good and must be an earth-shattering treasure.

At this moment, Ye Feng's heart was filled with a sense of expectation.

At this time, Ye Feng followed the ancient saint and walked in this dark abyss.

Uh-huh! Uh-huh! Uh-huh!

Suddenly, several dark ghosts flew over from the abyss, which were very terrifying existences.

This abyss seemed to be a forbidden area of life. These dark ghosts exuded a very terrifying aura, which made Ye Fengdu feel creepy for a moment.

Even though Ye Feng's soul power is very huge, when he saw this dark ghost at this moment, he felt cold all over his body, as if he could be wiped out by this dark ghost in an instant.

Boom!

But at this moment, a bright white light burst out from the ancient saint's body, which immediately drove away the dark ghosts around him.

These dark ghosts howled immediately and quickly retreated towards the back, never daring to approach the two of them again.

Next, the ancient saint took Ye Feng to the deepest part of this dark abyss.

An oasis actually appeared here.

In the center of this oasis, there is a huge pagoda.

In this pagoda, there are countless terrifying demons roaring at this moment.

When Ye Feng saw this scene, he couldn't help but have a look of surprise in his eyes.

This seems to be an ancient demon-suppressing tower, with many ancient demons sealed in it.

At this moment, the ancient saint suddenly stretched out his hand and grabbed it directly towards the top of the huge Demon Suppression Tower.

Buzz!

When the palm of the ancient saint was about to approach the Suppression Tower, the Demon Suppression Tower immediately emitted a defensive light shield.

However, the ancient saint had super strength, and he directly penetrated this defensive mask, and then captured the top space of the Demon Suppression Tower.

Uh-huh!

At this moment, the ancient saint took out a beating heart and a heart directly from the innermost part of the Demon Suppression Tower.

A very extraordinary and ancient looking black and gold mirror.

At this time, the ancient saint directly installed the beating heart in his body.

At this time, Ye Feng suddenly discovered with horror that the entire body of the ancient saint standing in front of him was actually empty.

In other words, the ancient saint standing next to him was just skin and bones, with all his important organs missing.

The ancient saint seemed to see Ye Feng's surprise, and immediately said: "If I want to fully recover, I have to find every missing organ of mine. Otherwise, even if I wake up now, I won't be able to live long." "

When Ye Feng heard this, he immediately nodded, with shock in his eyes.

Unexpectedly, the ancient saint with only skin and bones had such terrifying power.

It seems that in ancient times, this ancient saint was definitely a very terrifying and earth-shattering figure.

At this time, the ancient saint installed the heart into his body, and then said aloud: "I feel much better with an extra heart."

After finishing speaking, the ancient saint gave another black-gold mirror to Ye Feng and said: "This mirror is called the Demon Suppressing Mirror. It is an extremely powerful weapon refined by the owner of the Demon Suppressing Tower. However, At present, your cultivation level is still too weak, and it is estimated that you will not be able to exert the true power of the Demon Suppressing Mirror. However, as long as you stimulate part of the power of the Demon Suppressing

Mirror, it will be enough for you to deal with many so-called masters. This is the opportunity I give you. good fortune."

After saying that, the ancient saint took Ye Feng away from here and came to the abyss.

Ye Feng looked into the distance and found that this place was on the edge of the boundless desert.

The ancient saint spoke slowly: "I'm leaving, young man. We are destined to meet again."

After finishing speaking, the ancient saint took a step, and the Rainbow Bridge suddenly appeared under his footsteps, and disappeared into the distance with the ancient saint.

At this moment, Ye Feng was holding the demon-suppressing mirror in his hand, with surprise in his eyes.

This is a weapon that the ancient saints called a very powerful weapon, which is enough to illustrate its terror.

Ye Feng was going to refine it later.

"Um?"

But suddenly at this moment, Ye Feng saw a very embarrassed figure on the edge of the boundless desert not far away, covered in injuries, practicing in a canyon in the distance.

This very embarrassed figure turned out to be the chief disciple of Haoran Academy who was chasing Ye Feng before. Ask the people!

Ye Feng's eyes immediately froze. The Black-Handed Demon King from before should have chased Wen Cangsheng to the edge of the boundless desert.

Wen Cangsheng seems to be in a very miserable state now, with various serious injuries all over his body, and he is meditating.

Seeing this scene, Ye Feng's eyes immediately showed an inexplicable cold smile, and he quickly lurked towards the place where Wen Cangsheng was practicing.

Chapter 3815 Taking advantage of his illness

At this time, Ye Feng quietly lurked toward Wen Cangsheng, who was meditating and recovering in the valley not far away, and quickly lurked away.

Ye Feng immediately understood, and now asked the people why they were so miserable and seriously injured, it was probably because they were hunted down by the Black Hand Demon King before.

Although Wen Cangsheng is the chief disciple of Haoran Academy and the top genius in the Righteous Alliance, compared with the big figures of the Dark Demon Cult like the Black Hand Demon Emperor, he is nothing, so he was seriously injured.

So Ye Feng didn't have any hesitation at this time, and naturally wanted to take advantage of his illness to kill him.

At this moment, Ye Feng used the space gem to silently lurk in the area around the valley.

Ye Feng knew that Wen Cangsheng was a top genius, so his perception must be very terrifying, so he must be careful and cautious.

Maybe I only have one chance to sneak in the assassination.

After all, for a killer, there is only one best chance to assassinate someone.

Once you miss it, there will be no chance.

Therefore, Ye Feng must consider everything and strive for a successful assassination.

But Ye Feng knew very well that this was a very difficult thing.

After all, Wen Cangsheng's cultivation level is much higher than his own.

Although Wen Cangsheng was seriously injured by the Black Hand Demon King and was in critical condition, Wen Cangsheng was still at a much higher level than his own cultivation level.

If the common people find out, he may not be able to eat and walk around.

So it was a risky assassination.

Fortunately, Ye Feng has a space gem, which allows him to lurk deeply without being discovered by anyone.

At this time, Ye Feng silently used his extremely powerful power and was ready to go.

The reason why Ye Feng dared to assassinate the seriously injured Wen Cangsheng was because Ye Feng's current cultivation level has been upgraded to the Half-Step Fruit Realm, which has made great progress.

In addition, Ye Feng had just received a powerful ancient weapon, the Demon Suppressing Mirror, given to him by an ancient saint.

So this also gave Ye Feng huge confidence.

Although Ye Feng still doesn't know how powerful the demon-suppressing mirror is, it must be very extraordinary to be called a powerful weapon by ancient saints, and it will definitely not be that weak.

So at this time, Ye Feng took out the Demon Suppressing Mirror, slowly input his magic power, and entered it.

Buzz!

\u003c

br\u003e On the demon-suppressing mirror, an ancient aura of vicissitudes suddenly emitted, containing a terrifying demon-suppressing power, with extremely destructive power.

At this time, Ye Feng was crossing the void, slowly lurking towards Wen Cangsheng, who was meditating in the valley.

Finally, at a certain moment, Ye Feng seized the opportunity and instantly burst out with his most powerful power.

"Boom!!"

At this moment, Ye Feng's magic power burst out from his body like a vast ocean, and then poured all of it into the demon-suppressing mirror in his hand.

The Demon Suppressing Mirror received huge mana input at this moment, and immediately burst out with unparalleled brilliant divine light.

The terrifying demon-suppressing power, the ancient power to suppress demons, immediately burst out, covering Wen Cangsheng in an instant.

"What??"

Wen Cangsheng was meditating peacefully to recover from his injuries at this time, but he never expected that such a terrifying and destructive aura suddenly erupted in the void in front of him.

His expression suddenly changed, and he wanted to run away in a panic.

But at this moment, Ye Feng's assassination was so sudden that even the common people didn't notice it.

After all, Ye Feng possesses a space gem. This kind of space attribute magic weapon left by the high-level master Chaos God Brother is naturally very terrifying.

So at this moment, Wen Cangsheng didn't notice it at all, and Ye Feng urged him to activate the Demon Suppressing Mirror and hit his entire body.

"ah!!"

Wen Cangsheng immediately let out a shrill scream.

Most of his body was destroyed by the Demon Suppressing Mirror.

Seeing this scene, Ye Feng's eyes suddenly lit up.

The Demon Suppressing Mirror is truly terrifying, possessing such terrifying destructive power.

However, Ye Feng's assassination plan was only half successful in the end. He did not kill Wen Cangsheng at once, but only made his injuries more serious.

Wen Cangsheng deserves to be the chief disciple of Haoran Academy, and the best in the entire Righteous Alliance.

one of the geniuses

Even though he was seriously injured by the Black Hand Demon King, and now half of his body was broken by Ye Feng's sneak attack, he still had very strong vitality.

Wen Cangsheng did not die completely at this moment, but the other half of his body burst out with bright white light, and then the Holy Sword of Haoran appeared in his hand, killing Ye Feng directly.

"It's you, Ye Feng!"

Wen Cangsheng immediately recognized him. His assassin was actually Ye Feng, who he had hunted down so miserably before.

Unexpectedly, Ye Feng would beat up the drowned dog now.

Wen Cangsheng was extremely furious because he had been hurt by such a weak existence.

So now he holds the Holy Sword of Haoran, and instead of running away directly, he wants to kill Ye Feng.

I have to say that it is very scary to ask people about their cultivation level. It is much higher than Ye Feng.

So at this time, even if only half of Wen Cangsheng's body was left, the power of the Haoran Holy Sword burst out, which was still very terrifying.

Ye Feng didn't hesitate at this time and just frantically released the power of the Demon Suppressing Mirror.

The Demon Suppressing Mirror is indeed a powerful treasure praised by ancient saints.

At this moment, the Demon Suppressing Mirror can actually be used as a protective magic weapon.

A bright golden light burst out from the mirror, forming a golden light shield that blocked Wen Cangsheng's attack while he was seriously injured.

If it were an attack at the peak of Cang Sheng's state, then even if Ye Feng had this demon-suppressing mirror, he would probably be unable to withstand it.

But now, if people are asked to add more injuries, it is natural that they cannot hurt Ye Feng, who has an ancient treasure like the Demon Suppressing Mirror.

After Ye Feng defended Wen Cangsheng's attack, his eyes immediately lit up.

The Demon Suppressing Mirror is indeed a treasure praised by ancient saints. It is very powerful, with terrifying attack power and powerful defense.

At this moment, Ye Feng didn't hesitate at all and frantically released all the powerful inheritances he had cultivated.

The ancient barbarian power!

Statue of the sun and moon!

The God-King Method of the Ten Directions!

Waiting for the inheritance, all of them were released by Ye Feng at once.

If you are an ordinary practitioner, it is estimated that once

Only one inheritance can be released.

Because it consumes too much.

However, Ye Feng's skill reserves are dozens or even hundreds of times higher than those at the same level, so he can release many powerful inheritances at once.

At this moment, Ye Feng frantically released various inheritances, and saw the shadow of the ancient bull, tens of thousands of meters tall, appearing on Ye Feng's body, as well as the statues of the sun and moon, and the shadow of the ancient god king. , all appeared on Ye Feng.

Everything turned into a terrifying attack, bombing wildly and indiscriminately in the direction of Wen Cang Sheng.

Finally, amid this horrific and indiscriminate bombing, Wen Cangsheng let out a series of screams.

In the end, Wen Cangsheng was blown to pieces and completely killed.

Ye Feng saw this scene at this time and finally breathed a long sigh of relief.

Finally, the terrifying enemy Wen Cangsheng was killed.

Killing him while he is sick is indeed the best way.

Otherwise, Ye Feng still doesn't know how long he will have to practice before he can kill a top genius like Wen Cangsheng.

If we kill it directly now, we will eliminate a huge hidden danger.

After all, Ye Feng is growing, and so will Wen Cangsheng.

Now taking advantage of Wen Cangsheng's serious injury, killing him was equivalent to getting rid of a serious problem for Ye Feng.

It is also equivalent to getting rid of a serious problem for Haoran's baby.

After all, Wen Cangsheng also has murderous intentions towards Haoran's baby and wants to snatch the position of dean of Haoran Academy.

Ye Feng thought in his heart that when one day he has time to go to Haoran Academy, he must tell Baby Haoran about this, so that Baby Haoran will reward him no matter what.

At this moment, without any hesitation, Ye Feng directly released the Devouring Domain and began to devour the huge blood energy of Wen Cang Sheng.

In addition, Ye Feng is also very interested in the Haoran Holy Sword in Wen Cangsheng's hand.

This is a very terrifying holy sword with extremely powerful attack power. After all, it is the treasure of Haoran Academy, so it must be extraordinary.

"Get rich!"

At this time, Ye Feng succeeded in the assassination, beat up the drowned dog, and obtained all the wealth of a top genius like Wen Cangsheng, which made him feel happy.

Chapter 3816 A favor

"Rumble..."

It has to be said that Wen Cangsheng is worthy of being the chief disciple of Haoran Academy and the top genius in the entire Righteous Alliance.

The blood energy he provided to Ye Feng after his death was simply terrifying to the extreme. Ye Feng immediately felt a huge amount of blood energy being injected into his Dantian and growing rapidly. His own cultivation momentum.

At this moment, Ye Feng's cultivation suddenly began to grow rapidly and continuously.

"boom!"

The first level of Dao Fruit Realm!

"boom!"

The second level of Dao Fruit Realm!

"boom!"

The third heaven of Dao Fruit Realm!

"boom!"

The fourth level of Dao Fruit Realm!

"boom!"

The fifth level of Dao Fruit Realm!

At this time, Ye Feng's cultivation aura finally stopped.

This made Ye Feng's eyes reveal a hint of joy.

I didn't expect that I would break through so much all at once.

However, Ye Feng also knew that if Wen Cangsheng, who was in peak condition, was devoured by him, he would definitely improve even more.

However, Wen Cangsheng was already seriously injured, so the blood energy provided was still a little less, preventing Ye Feng from breaking through as much as he imagined.

But Ye Feng was already very satisfied.

He directly broke through from the Half-foot-step Fruit Realm to the fifth level of the Tao-Fruit Realm, which was already a huge improvement.

At this moment, Ye Feng suddenly walked not far ahead and pulled out a long sword emitting white light stuck on the ground.

This long sword is exactly the magic weapon of the common people, the Holy Sword of Haoran.

Buzz!

At this time, the Holy Sword of Haoran was emitting a faint white light, looking extremely sacred and spiritual.

At this time, Ye Feng's eyes showed a trace of joy, and he directly stretched out his hand and pulled out the Haoran Holy Sword from the ground.

At this moment, a terrifying power suddenly burst out from the Holy Sword of Haoran, breaking away from Ye Feng's shackles and returning to Haoran Academy.

But at this time, Ye Feng just smiled coldly and said: "It is indeed a holy sword with spirituality, but your master is already dead, and now you want to escape with it? This is impossible "

Boom!

At this moment, Ye Feng didn't hesitate at all and directly burst out his unparalleled power.

A kind of terrifying magic power instantly burst out from Ye Feng's palm, directly suppressing the Haoran Holy Sword that was vibrating in his hand and trying to escape.

Then he forcibly refined the Holy Sword of Haoran directly!

At this moment, Ye Feng immediately felt that he had a very deep control over the Holy Sword of Haoran.

In other words, Ye Feng has now directly forcibly refined the Holy Sword of Haoran.

If anyone else saw this, they would definitely be shocked.

Because it is very difficult to directly refine the Holy Sword of Haoran, the treasure of a giant and powerful force.

But Ye Feng was forced to refine it instantly, which shows that Ye Feng's skill has been upgraded to a very terrifying level. Otherwise, it would be impossible to directly forcibly refine a spiritual magic weapon like the Holy Sword of Haoran.

At this moment, Ye Feng got the Holy Sword of Haoran and completely controlled it. He immediately activated the Holy Sword of Haoran in his hand and moved forward to kill.

Boom! !

I saw Haoran's Holy Sword burst out with an extremely bright white sword light, forming a white lightsaber that was several kilometers long, and instantly cut a huge mountain in the distance in half.

Seeing this terrifying destructive power, Ye Feng immediately nodded with great satisfaction, and then put the Holy Sword of Haoran into his storage ring.

Although the Holy Sword of Haoran is very powerful, it is not an ownerless thing like the Demon Suppressing Mirror.

The Holy Sword of Haoran is the most precious treasure among the giants and powerful forces of Haoran Academy. If you use it directly in the eyes of others, they will definitely be recognized by others.

Therefore, a magic weapon like the Holy Sword of Haoran can only be used at critical moments, otherwise it will definitely cause a lot of trouble for oneself.

At this time, after Ye Feng got the Holy Sword of Haoran, he immediately flew quickly towards the depths of the boundless desert.

Ye Feng wanted to find Luo Li, and then he and Luo Li would return directly to the Wanjie Martial Arts Academy.

Because here in the boundless desert, the Dark Demon Cult's plan has completely failed.

The ancient saint reawakened, and Ye Feng knew that this incident would definitely shock the entire high-level realm of the Origin World.

Ye Feng's comprehensive strength is now extraordinary. Not only has his cultivation level been directly upgraded to the fifth level of the Dao Fruit Realm, but he has also obtained powerful magic weapons such as the Demon Suppressing Mirror and the Haoran Holy Sword.

Therefore, Ye Feng's current overall strength is much stronger than when he first entered the boundless desert.

Swish, swish, swish!

Ye Feng was traveling through the boundless desert at this time. He didn't even have to hide his cultivation aura. He just flew quickly and soon arrived at the black city where he was separated from Luo Li before.

At this moment, eyes

The black city in front of them had been completely reduced to ruins.

Among the ruins, Ye Feng saw a familiar and beautiful figure.

It's Luo Li!

Sure enough, Luo Li was very obedient and did not leave here directly. Instead, she waited patiently for her to come back.

Because Luo Li believed that her brother Ye Feng would definitely be able to return safely.

Uh-huh!

When Ye Feng arrived here, Luo Li's beautiful eyes immediately showed deep joy.

She quickly flew to Ye Feng's side and said in surprise: "Brother Ye Feng! You are finally back! Is there no danger? I saw Wen Cangsheng chasing you before. That is a very terrifying super genius. "

When Ye Feng heard what Luo Li said, he immediately smiled. Seeing that there was no one around, he took out a long sword emitting white light from his storage ring.

"This is....."

Luo Li's eyes widened slightly when she looked at the long sword emitting white light in Ye Feng's hand.

A look of deep shock appeared on her beautiful little face.

Luo Li couldn't help but said: "This is the chief disciple of Haoran Academy asking Cang Sheng how the natal magic weapon of such a top genius is in your hands, brother Ye Feng?"

"Could it be..."

When she said this, Luo Li seemed to have thought of something. Before Ye Feng could speak, she immediately exclaimed: "Brother Ye Feng! You must have killed Wen Cangsheng!"

Ye Feng smiled slightly at this time and said loudly: "Of course, it doesn't matter who I am, brother Ye Feng. I am someone who no one can mess with. Anyone who messes with me will definitely be in trouble. Over the years, I have been That's the case, whoever provokes me will die, no matter how powerful or noble the other party is, no one can escape this fate."

Hearing what Ye Feng said, Luo Li immediately smiled sweetly, grabbed Ye Feng's arm, and said very affectionately: "Brother Ye Feng is really awesome! Luo Li admires brother Ye Feng the most!"

Ye Feng smiled, and then said aloud: "The Dark Demon Cult's plan in the Boundless Desert has completely failed. We can leave here directly now."

Luo Li nodded immediately.

On the way back to the Wanjie Martial Arts Academy, Luo Li couldn't help but asked: "I don't know who rescued the legendary ancient saint in the end and made him wake up early. I heard the sound of this endless desert. Other geniuses from the Righteous Alliance said that it was a very mysterious existence that lurked into the most dangerous super-large dark altar, and then used an incredible method to awaken the ancient saint in advance, so that the ancient saint could

It burst out with majestic power, destroyed all the dark altars, and completely shattered the conspiracy and plan of the entire dark demon sect. The mysterious existence that secretly rescued the ancient saint in advance must be very magnificent and mysterious. I don't know. What kind of existence? "

Hearing Luo Li's eloquent words, Ye Feng's eyes suddenly froze, and then a meaningful smile appeared on his face.

And at this moment, Luo Li happened to see the meaningful smile on Ye Feng's face.

The beautiful girl suddenly froze, and then her beautiful eyes widened. She couldn't help but said: "Brother Ye Feng, is it possible that the mysterious figure with peerless elegance that everyone said, rescued him?" Is it you who discovered the existence of the ancient saint? "Brother Ye Feng?"

Ye Feng smiled slightly at this time and said loudly: "Of course."

Hearing Ye Feng's affirmative answer, Luo Li was stunned. She didn't doubt Ye Feng's words at all, and her little face showed deep pride and pride.

She was proud of Ye Feng.

Because this is my brother Ye Feng!

It's really amazing that you can do things that even top geniuses can't do!

While Luo Li and Ye Feng were talking, they were about to leave the boundless desert area.

But suddenly at this moment, a cry for help came from a certain direction not far away: "Help me!"

Ye Feng immediately turned his eyes and looked towards the distance.

"This is....."

Ye Feng immediately saw a very seriously injured beautiful figure, calling for help and running away.

That beautiful figure with severe injuries turned out to be the Phoenix Goddess of the Phoenix Kingdom, who was previously as magnificent as a Valkyrie!

This top super female prodigy didn't know what happened to her at this moment. She was seriously injured all over her body, and the red flames on her body were much dimmed. She was being chased by a group of ordinary masters from the Dark Demon Cult.

This is enough to show that the Phoenix Goddess is indeed extremely weak now and her injuries are extremely serious. Otherwise, it would be impossible for even a group of ordinary masters of the Dark Demon Cult to be unable to deal with her.

At this moment, Luo Li also saw this scene.

But she was not good at making claims. Instead, she looked at Ye Feng beside her and asked obediently: "Brother Ye Feng, what should we do? Save him or not?"

Ye Feng smiled slightly at this time and said: "Of course, being able to let a top genius like the Phoenix Goddess owe us a favor is a very huge reward, and the group of ordinary masters of the Dark Demon Cult who are chasing the Phoenix Goddess are , It's nothing in front of me now. Naturally, we can't waste this kind of high-return favor."

Chapter 3817 Phoenix Goddess

At this time, after Ye Feng finished speaking, Luo Li immediately smiled sweetly and said, "Okay, listen to Brother Ye Feng, then we will rescue this Phoenix Goddess."

"Um."

At this time, Ye Feng nodded slightly, then took Luo Li directly and rushed forward, and soon came to the escape route of the Phoenix Goddess.

At this time, the Phoenix Goddess saw two young human geniuses appearing in front of her, and her eyes immediately showed deep joy.

Because she didn't expect that in this boundless desert area, she would actually meet someone who dared to save her.

But the next moment, the Phoenix Goddess sensed the cultivation auras of Ye Feng and Luo Li next to her, and her eyes suddenly froze.

Because the cultivation auras on Ye Feng and Luo Li are not strong.

The most powerful Ye Feng is only at the fifth level of Dao Fruit Realm, which is much worse than him.

Although the masters of the dark demon sect who are chasing him behind are all ordinary masters, they also possess the cultivation power of the tenth level of the Dao Fruit Realm, and even have the inner demon realm beyond the Dao Fruit Realm. A level demon cult master.

So at this time, the Phoenix Goddess couldn't help but said: "You two, hurry up and run, you can't save me at all, your cultivation strength is too low."

But the next moment, Ye Feng smiled slightly, and instantly burst out his extremely powerful inheritance.

The God-King Method of the Ten Directions!

At this moment, Ye Feng's majestic magic power activated the terrifying inheritance of the Ten Directions God King Technique.

boom! !

I saw a shadow of the God King rising up from Ye Feng's body, emitting thousands of feet of divine light, and bombarding directly forward. The God King's majesty was irresistible, and in one fell swoop, dozens of the Goddess who were chasing the Phoenix Goddess were killed. All the demon sect masters who were in the tenth level of the Dao Fruit Realm were shattered to pieces.

Even a demon master who has surpassed the Dao Fruit Realm and the Heart Demon Realm level, at this moment withstood the terrifying attack of Ye Feng's Shifang God King Technique, and he spurted out a mouthful of blood and flew backwards.

"What?"

Seeing this scene, Phoenix Goddess's eyes widened immediately.

That noble and holy face

He also showed a look of deep horror.

What shocked her was not how high Ye Feng's cultivation was, but how powerful his fighting power was.

Because Ye Feng's cultivation level was at the fifth level of the Dao Fruit Realm, but with one move he smashed dozens of demonic masters who were in the Da Perfect Realm of the Dao Fruit Realm to pieces.

Even a strong man in the Heart Demon Realm who was above the Dao Fruit Realm couldn't stop Ye Feng's terrifying attack and was sent flying backwards, spurting out blood.

The Phoenix Goddess has never seen such a powerful being in combat.

She couldn't help but imagine how terrifying this boy in white would be if his cultivation level was the same as her own.

At this time, the Phoenix Goddess immediately saw Ye Feng's endless potential.

At this moment, the Phoenix Goddess came directly in front of Ye Feng and Luo Li. Looking at the two people in front of them, she couldn't help but said: "I am the Phoenix Goddess of the Phoenix Kingdom. You saved me this time. I will definitely give you a huge reward."

After finishing speaking, the Phoenix Goddess stared at Ye Feng in amazement and asked: "Who are you? Although your cultivation is not that great, your combat power is so strong. The future is promising. When will our Righteous Alliance come out?" I have never heard of a genius like you."

Luo Li said with a smile at this time: "My brother Ye Feng is the son of God of the Ten Thousand Realms Martial Arts Academy."

"What??"

Hearing what Luo Li said, the Phoenix Goddess was stunned for a moment, and then couldn't help but stare at Ye Feng with some surprise. Her beautiful and noble eyes showed deep surprise, and she said loudly: "So you are The Son of God from the All Worlds Martial Arts Academy who has caused a lot of commotion recently. People say that the Dean of the Heavenly Book of the All Worlds Martial Arts Academy is a strange person. He personally canonized a young Son of God. He is very mysterious. I didn't expect that I would accidentally touch him. Here we are, seeing you today, you are indeed extraordinary. You are indeed a young genius who has been admired by people like Dean Tianshu for a long time. Your fighting ability is indeed terrifying. "

After finishing speaking, the Phoenix Goddess immediately continued to speak: "We'd better leave as soon as possible.

Come here, there will be other masters of the Dark Demon Cult chasing us later. "

Ye Feng couldn't help but asked at this time: "With your powerful cultivation and means, Phoenix Goddess, why are you being hunted down so miserably? I remember the core figure of the most powerful dark demon sect in the boundless desert area. The Black Hand Demon King has been obliterated by the ancient saint. Are there other core figures from the Dark Demon Cult coming to reinforce him? "

At this time, Ye Feng was talking as he controlled the phantom of the God King, killed all the Dark Demon Cult masters not far away, and secretly devoured them, which greatly increased Ye Feng's skill and directly promoted him to Dao Fruit. The seventh heaven.

At this moment, when the Phoenix Goddess heard what Ye Feng said, she immediately said: "The terrifying existence I encountered was not the core figure of the Dark Demon Cult. You must know that the ancient saint was here for the purpose of Suppress the Dark Demon Cave under the earth's crust, so after the ancient saints awakened, although they destroyed all the dark altars and killed many core experts of the Dark Demon Cult, the Dark Demon Cave was also opened, and the Dark Demon Cult controlled many The ancient and ferocious monsters in the dark cave are hunting down all our top geniuses. Not to mention me, even Shangguan Tianya, the eldest son of the Shangguan family who owns the Divine Dragon of Light, is in danger now. "

Hearing what the Phoenix Goddess said, Ye Feng suddenly showed surprise in his eyes.

Unexpectedly, there is this dark cave under the crust of this boundless desert.

No wonder the ancient saint only had skin and bones left. He probably fought fiercely with the dark monsters in the dark cave back then.

At this moment, Ye Feng nodded immediately and said directly: "It seems that we need to leave the boundless desert area as soon as possible."

For Ye Feng, he has no intention of fighting against the ancient and ferocious terrifying monsters in the dark cave.

Because even the Phoenix Goddess couldn't defeat these monsters in the dark cave, let alone the current Ye Feng.

After all, Ye Feng is still far behind in cultivation level compared to such a top genius.

So Ye Feng didn't want to take risks now. He took Luo Li and the Phoenix Goddess directly and used the space gem to shuttle quickly and leave.

Open up this dangerous boundless desert.

When they left the boundless desert and arrived at the territory of the Ten Thousand Realms Martial Arts Academy, they finally breathed a sigh of relief.

At this moment, the Phoenix Goddess immediately clasped her fists and said, "Thank you both for the rescue this time, especially you, Ye Feng Shenzi."

Hearing what the Phoenix Goddess said, Ye Feng immediately smiled and said: "It's just a little effort. You'd better return to the Phoenix Kingdom now and recover well."

The Phoenix Goddess immediately nodded, her noble and beautiful eyes staring at Ye Feng several times, as if she wanted to see her savior a few more times, and then slowly left.

At this time, Luo Li looked at Ye Feng and saw Ye Feng looking at the beautiful back of the Phoenix Goddess.

Luo Li couldn't help but said: "Brother Ye Feng, have you fallen in love with this magnificent Phoenix Goddess?"

When Ye Feng heard what Luo Li said, his eyes were stunned. Then he couldn't help shaking his head and smiling, and said: "No, you are overthinking. I just think that this Phoenix Goddess looks a lot like one of mine back then. Old friend."

When Luo Li heard what Ye Feng said, she immediately showed curiosity in her eyes, and asked aloud: "A friend who looks like Brother Ye Feng? Who is it? Brother Ye Feng has also met such a peerless person. A peerless female genius?"

Ye Feng smiled at this moment, and then said aloud: "This Phoenix Goddess reminds me of an old friend of mine, very much like the eldest lady, Ye Shenyue."

"Miss, Ye Shenyue?"

Hearing what Ye Feng said, Luo Li's eyes suddenly showed a hint of curiosity.

I wonder who the eldest lady Ye Feng is talking about is?

He actually has the same surname as brother Ye Feng, so he must have a special relationship.

Is she the eldest lady of a certain ancient family?

However, Ye Feng didn't seem to mean to explain. Luo Li was very smart and didn't ask any more questions. Instead, she followed Ye Feng silently, stretched out her white little hand, and slightly held Ye Feng's palm.

Luo Li secretly rejoiced when she saw that Ye Feng didn't move away from her little hand.

Chapter 3818 Able to fight

Next, Ye Feng and Luo Li did not waste time and returned directly to the Wanjie Martial Arts Academy.

When the two returned to the Wanjie Martial Arts Academy, Ye Feng and Luo Li directly entered the small world where their direct disciples lived and returned to the Baihua Temple.

Baihua Fairy came out of Baihua Temple at this time, looked at Luo Li, and said aloud: "Now that the boundless desert mission assigned by the academy has been completed, then you will have to practice hard. You will be in seclusion for nearly three days. In a few years, you will be able to refine your Ancient Luo Divine Body into a more powerful level."

Hearing what Baihua Fairy said, Luo Li suddenly showed a look of helplessness in her eyes, stared at Ye Feng beside her, and said with some reluctance: "It seems that there is no way to see Ye Feng in the next three years." Brother Feng."

For Luo Li, she knew very well that she had to practice quickly, otherwise she would become increasingly unable to keep up with Ye Feng's pace.

Although Luo Li knew that he possessed the extremely powerful Ancient Luo Shen Physique, one of the most powerful physiques in the world.

But Luo Li also knew very well that if he didn't practice hard, even if he had the ancient Luo God Body, his final achievements would not be too high.

Therefore, innate talent does not mean that you do not need to work hard to cultivate one day after tomorrow.

At this time, Ye Feng smiled slightly, looked at the beautiful girl in front of him, and said loudly: "Luo Li, just listen to Senior Baihua Fairy and practice with peace of mind. Three years may be quite a long time for a mortal. , but for us practitioners, it's not that long."

"Okay, brother Ye Feng."

Upon hearing this, Luo Li nodded seriously and followed the Baihua Fairy into the Baihua Temple.

At this moment, Ye Feng was preparing to find a place to reflect on this boundless desert experience and see if he could improve his martial arts state of mind.

But at this moment, a young man wearing a white robe suddenly arrived in the area outside the Baihua Temple. He looked at Ye Feng from a distance and said, "Sir Son of God, the dean has summoned you. There's something important to say."

Hearing what this young man said, Ye Feng suddenly had a confused look in his eyes.

What is the dean doing with me at this time?

Do I need to send someone in person to invite you?

Just send a message.

However, Ye Feng didn't say much, but nodded slightly, walked out of the Hundred Flowers Temple, and then looked at the young man in front of him.

This young man is an ordinary person. He should be an ordinary student in the Wanjie Martial Arts Academy, specially used to inform others.

At this time, Ye Feng said: "Then take me to see the dean."

The young man immediately said respectfully, "Yes, Lord Son of God."

After saying that, the young man turned around and took Ye Feng to fly quickly in a certain direction of the Wanjie Martial Arts Academy.

Ye Feng followed.

But just when he was halfway there, Ye Feng suddenly stretched out a hand and directly released the Holy Sword of Haoran, piercing the young man's body at once.

"What??"

Almost at the next moment, the young man's eyes widened, he slowly stood up, stared at Ye Feng behind him in disbelief, and said loudly: "Master Shenzi, what are you doing?"

Ye Feng suddenly smiled coldly, looked at the young man in front of him who seemed very shocked, and said loudly: "If the dean wants to summon me, he will directly send a message to me. This is what I told the dean before. Okay, so you must be a spy of the Dark Demon Cult. You tricked me into coming to this place just to kill me."

After finishing speaking, the shocked young man's face suddenly disappeared, and instead was filled with a deep cold look, and he said aloud: "He is indeed the Son of God who canonized by the Dean of the Book of Heaven himself. , As expected, the insight is terrifying, and the action is so decisive, aren't you afraid of killing the wrong person? However, I have led you here, and you will definitely die."

After saying that.

Boom!

The surrounding area suddenly erupted with a black light, directly covering the entire space here.

The young man who was pierced by Ye Feng turned into a shadow and disappeared.

Then a gloomy young man wearing a bloody robe appeared not far away, with the same face as the previous young man.

This eerie young man, wearing a blood-colored robe, said coldly: "What you pierced with your sword just now was just a clone of me. Now this place has been shrouded in darkness by me. No matter how fierce the battle is, nothing here will be spread, and Dean Tianshu will not be able to save you. "

Ye Feng didn't have any panic on his face at this time. He stared at the young man in blood-colored robes in front of him and said loudly: "Sure enough, in our Wanjie Martial Arts Academy, there are various lurkers infiltrated by the dark demon sect. You pretend to be an ordinary student, no wonder even Dean Tianshu has a hard time detecting it, but this time you directly exposed your identity in order to assassinate me. "

The young man in the blood-colored robe immediately burst out laughing: "So what if my identity is exposed? I am not a lurker. Although I have exposed my identity, if I can get rid of you, the Son of God, then even if I die next, it will be worth it."

Ye Feng smiled indifferently at this time and said: "Are you so sure that you can get rid of me? Can it be done by yourself?"

Hearing what Ye Feng said, the young man in the blood-colored robe immediately smiled coldly and said: "Ye Feng, I know that your fighting power is very strong. Your cultivation level has improved a lot this time, but my realm is two whole realms higher than you. I'm a strong man in the Demonic Pill Realm, above the Dao Fruit Realm and the Heart Demon Realm. Moreover, I also have a trump card, which is the Dark Great Protector of our Dark Demon Sect, and is rewarded to me. The Blood Demon Puppet Talisman, this Blood Demon Puppet Talisman, the combat power of the Blood Demon Puppet released is almost as good as mine. The two of us are so powerful, if we can deal with one of you, no matter how powerful your combat power is, we will still be able to compete. If you can't, just accept your fate of death with peace of mind, hahaha!"

Ye Feng did not want to use the dominant power of Dean Tianshu in the Son of God's Token at this time. It would be too wasteful.

After all, the cultivation level of this young man in blood robe is only two realms higher than mine. Even with a blood demon puppet of the same level, he might be able to fight. Next, Ye Feng and Luo Li did not waste time and returned directly to the Wanjie Martial Arts Academy.

When the two returned to the Wanjie Martial Arts Academy, Ye Feng and Luo Li directly entered the small world where their direct disciples lived and returned to the Baihua Temple.

Baihua Fairy came out of Baihua Temple at this time, looked at Luo Li, and said aloud: "Now that the boundless desert mission assigned by the academy has been completed, then you will have to practice hard. You will be in seclusion for nearly three days. In a few years, you will be able to refine your Ancient Luo Divine Body into a more powerful level."

Hearing what Baihua Fairy said, Luo Li suddenly showed a look of helplessness in her eyes, stared at Ye Feng beside her, and said with some reluctance: "It seems that there is no way to see Ye Feng in the next three years." Brother Feng."

For Luo Li, she knew very well that she had to practice quickly, otherwise she would become increasingly unable to keep up with Ye Feng's pace.

Although Luo Li knew that he possessed the extremely powerful Ancient Luo Shen Physique, one of the most powerful physiques in the world.

But Luo Li also knew very well that if he didn't practice hard, even if he had the ancient Luo God Body, his final achievements would not be too high.

Therefore, innate talent does not mean that you do not need to work hard to cultivate one day after tomorrow.

At this time, Ye Feng smiled slightly, looked at the beautiful girl in front of him, and said loudly: "Luo Li, just listen to Senior Baihua Fairy and practice with peace of mind. Three years may be quite a long time for a mortal. , but for us practitioners, it's not that long."

"Okay, brother Ye Feng."

Upon hearing this, Luo Li nodded seriously and followed the Baihua Fairy into the Baihua Temple.

At this moment, Ye Feng was preparing to find a place to reflect on this boundless desert experience and see if he could improve his martial arts state of mind.

But at this moment, a young man wearing a white robe suddenly arrived in the area outside the Baihua Temple. He looked at Ye Feng from a distance and said: "Sir Son of God, the dean has summoned you. There's something important to say."

Hearing what this young man said, Ye Feng suddenly had a confused look in his eyes.

What is the dean doing with me at this time?

Do I need to send someone in person to invite you?

Just send a message.

However, Ye Feng didn't say much, but nodded slightly, walked out of the Hundred Flowers Temple, and then looked at the young man in front of him.

This young man is an ordinary person. He should be an ordinary student in the Wanjie Martial Arts Academy, specially used to inform others.

At this time, Ye Feng said: "Then take me to see the dean."

The young man immediately said respectfully, "Yes, Lord Son of God."

After saying that, the young man turned around and took Ye Feng to fly quickly in a certain direction of the Wanjie Martial Arts Academy.

Ye Feng followed.

But just when he was halfway there, Ye Feng suddenly stretched out a hand and directly released the Holy Sword of Haoran, piercing the young man's body at once.

"What??"

Almost at the next moment, the young man's eyes widened, he slowly stood up, stared at Ye Feng behind him in disbelief, and said loudly: "Master Shenzi, what are you doing?"

Ye Feng suddenly smiled coldly, looked at the young man in front of him who seemed very shocked, and said loudly: "If the dean wants to summon me, he will directly send a message to me. This is what I told the dean before. Okay, so you must be a spy of the Dark Demon Cult. You tricked me into coming to this place just to kill me."

After finishing speaking, the shocked young man's face suddenly disappeared, and instead was filled with a deep cold look, and he said loudly: "He is indeed the son of God who canonized by the Dean of the Book of Heaven himself. , As expected, the insight is terrifying, and the action is so decisive, aren't you afraid of killing the wrong person? However, I have led you here, and you will definitely die."

After saying that.

Boom!

The surrounding area suddenly erupted with a black light, directly covering the entire space here.

The young man who was pierced by Ye Feng turned into a shadow and disappeared.

Then a gloomy young man wearing a bloody robe appeared not far away, with the same face as the previous young man.

This eerie young man, wearing a blood-colored robe, said coldly: "What you pierced with your sword just now was just a clone of me. Now this place has been shrouded in darkness by me. No matter how fierce the battle is, nothing here will be spread, and Dean Tianshu will not be able to save you."

Ye Feng didn't have any panic on his face at this time. He stared at the young man in blood-colored robes in front of him and said loudly: "Sure enough, in our Wanjie Martial Arts Academy, there are various lurkers infiltrated by the dark demon sect. You pretend to be an Ordinary student, no wonder even Dean Tianshu has a hard time detecting it, but this time you directly exposed your identity in order to assassinate me. "

The young man in the blood-colored robe immediately burst out laughing: "So what if my identity is exposed? I am not a lurker. Although I have exposed my identity, if I can get rid of you, the Son of God, Then even if I die next, it will still be worth it."

Ye Feng smiled indifferently at this time and said: "Are you so sure that you can get rid of me? Can it be done by yourself?"

Hearing what Ye Feng said, the young man in the blood-colored robe immediately smiled coldly and said: "Ye Feng, I know that your fighting power is very strong. Your cultivation has improved a lot this time, but my realm But I'm two whole realms higher than you. I'm a strong man in the Demonic Pill Realm, above the Dao Fruit Realm and the Heart Demon Realm. Moreover, I also have a trump card, which is the Dark Great Protector of our Dark Demon Sect, and is rewarded to me. The Blood Demon Puppet Talisman, this Blood Demon Puppet Talisman, the combat power of the Blood Demon Puppet released is almost as good as mine. The two of us are so powerful, if we can deal with one of you, no matter how powerful your combat power is, we will still be able to compete. If you can't, just accept your fate of death with peace of mind, hahaha!"

Ye Feng did not want to use the dominant power of Dean Tianshu in the Son of God's Token at this time. It would be too wasteful.

After all, the cultivation level of this young man in blood robe is only two realms higher than mine. Even with a blood demon puppet of the same level, he might be able to fight.

Chapter 3819 Unique fighting method

Uh-huh!

At this moment, the young man in the blood-colored robe suddenly took out a bloody talisman from his storage ring.

"boom!"

Almost at that moment, a huge puppet rushed out of the talisman.

It's the Blood Demon Puppet!

The Blood Demon Puppet is a dark puppet specially created by the Dark Demon Cult. It looks very terrifying and exudes the terrifying Blood Demon aura.

It feels like a demon that has just escaped from the ancient hell, choosing people to eat, as if it can tear everything apart.

At this moment, the young man in the blood-colored robe immediately showed a cruel smile on his face, stared at Ye Feng, and said loudly: "Once I kill you, the son of God of the Wanjie Martial Arts Academy, I will have done a great service. , when the time comes to hold your head and return to the Dark Demon Cult, I will definitely be named a very noble core figure." ??

When Ye Feng heard what the young man in blood robe said, a cold smile appeared in his eyes, and he said, "Are you really sure you can kill me?"

The young man in the blood-colored robe immediately burst out laughing: "With the help of the Blood Demon Puppet, I don't believe that I can't kill you, a weakling who is two realms lower than me."

boom!

After finishing speaking, the young man in the blood-colored robe did not hesitate at all. He directly controlled the Blood Demon puppet, joined forces with himself, and charged directly towards Ye Feng, intending to surround and kill Ye Feng.

At this moment, Ye Feng didn't hesitate at all, and just frantically burst out his powerful cultivation aura that reached the seventh level of Dao Fruit Realm.

Then Ye Feng directly released the advanced inheritance he had practiced before, the Cangtian Hegemon Body Technique, to increase the strength of his body.

Buzz!

Ye Feng's whole body suddenly turned purple.

The Heavenly Tyrant Body Technique is a special physique that can instantly transform Ye Feng's physique into that of ancient times. The Tyrant Body is filled with unparalleled power of the Tyrant Body.

Ye Feng also released the Ancient Barbarian Bull Skill at this moment.

Buzz!

Behind Ye Feng, a majestic and boundless shadow of an ancient bull suddenly appeared. It had the terrifying aura of an ancient beast. It roared and roared in an instant, charging towards the young man in blood robe and the blood demon puppet who were rushing forward.

Boom!

The collision of the two immediately produced a terrifying roar.

However, this area was shrouded by the blood-colored barrier of the young man in blood robe, so no strong person in the Wanjie Martial Arts Academy could detect the fluctuations here.

At this time, Ye Feng was exuding bright divine light and continued to release various inheritances.

Statue of the sun and moon!

The God-King Method of the Ten Directions!

Great Desolation Scripture!

Many extremely powerful high-level inheritances were all activated at once with incomparable majestic magic power.

Behind Ye Feng, one after another powerful ancient visions appeared, such as the majestic and boundless ancient bull, the phantoms of the sun and the moon that exuded the divine light, and a majestic ten thousand meters tall. The phantoms of Fang Shenwang were all bombarded forward.

The next moment, Ye Feng's terrifying attack made the young man in the blood-red robe unable to resist.

At this time, this spy from the Dark Demon Cult, a young man in a blood-red robe, immediately couldn't help shouting in horror: "How is this possible! You are two realms lower than me, how can you release all of a sudden So many terrifying ancient inheritances? This kind of inheritance can only be promoted by majestic magic power. How can you have such powerful magic power in such a weak realm? This is impossible!"

The young man in the blood-red robe shouted while controlling the blood demon puppet and charged towards Ye Feng.

It has to be said that this blood demon puppet is more ferocious than the young man in blood robe.

After all, this blood demon puppet and the young man in the blood-colored robe are on the same level.

But you must know that the puppet is not afraid of death or pain, so it quickly rushed in front of Ye Feng.

Boom!

Ye Feng released the Cang Tian Hegemon Body Technique, turning his entire physique into an ancient hegemon body, and instantly fought with this bloody puppet.

The two are evenly matched!

This made the young man in the blood-red robe feel even more shocked. He couldn't help but continue to exclaim: "How can you be so powerful in such a weak state?"

physique? My Blood Demon Puppet is a powerful trump card given to me by the core figure of our Dark Demon Cult. Even a strong man who is a level higher than me can't withstand the terrifying attack of the Blood Demon Puppet. It will be torn into pieces. You kid's How could his physique resist such a blood demon puppet? "

Ye Feng smiled faintly at this time, not bothering to explain anything at all, and frantically released all his powerful inheritance, forcing the young man in the blood-red robe and the blood demon puppet to retreat continuously.

At the end, the young man in the blood-colored robe finally understood that this divine son of the Ten Thousand Realms Martial Arts Academy was indeed the divine son canonized by the Dean of the Book of Heaven himself. It was so terrifying.

At this moment, the young man in the bloody robe was planning to run away.

But the next moment, Ye Feng smiled coldly and directly released the Demon Suppressing Mirror.

Boom! !

A bright golden light suddenly erupted from the demon-suppressing mirror, and it suddenly stopped the young man in blood-colored robes and froze him in place.

Then Ye Feng took out the Holy Sword of Haoran.

"boom!"

The extremely terrifying sword light instantly turned into a white light sword that was several kilometers long, and it slashed down from high in the sky. In one fell swoop, the whole body of the young man in the blood-colored robe was "puff!" "With a sound, it split into two halves.

Seeing this scene, Ye Feng suddenly let out a sigh of relief.

Finally, the young man in the bloody robe was killed.

You know, this young man in a bloody robe is still very scary.

If it weren't for Ye Feng's recent trip to the Boundless Desert, where he obtained various treasures and had a huge improvement in his strength and cultivation, he might have been successfully assassinated by this young man in a blood-red robe.

At this moment, Ye Feng didn't hesitate at all, and directly released his Devouring Domain and began to devour the young man in the blood-red robe.

But before devouring it, Ye Feng cut off the head of the young man in the bloody robe.

After all, Ye Feng was planning to take the head of this dark demon sect's spy to Dean Tianshu to claim credit.

At this time, Ye Feng took the head of the young man in the blood-colored robe and put it in his storage ring, and then began to devour the blood energy and skills of the young man in the blood-colored robe.

The head of this young man in a blood-colored robe actually doesn't contain much skill or blood energy, so even if the head doesn't devour it, it won't waste much blood energy.

At this time, as Ye Feng devoured it, Ye Feng suddenly felt waves of very majestic energy being injected into his body.

You must know that the cultivation level of this young man in blood-colored robes is two levels higher than that of Ye Feng. He is a strong man in the Demonic Pill Realm above the Dao Fruit Realm and the Heart Demon Realm.

So at this time, Ye Feng swallowed it, and he could immediately feel that his skill was improving at an unparalleled speed.

At this time, after this battle, Ye Feng gradually understood his own extremely powerful advantage.

That is the majestic magic power!

You must know that Ye Feng possesses tremendous magical power that far exceeds that of practitioners in the same realm, and can activate many inheritances at once.

Unlike others, you may only be able to activate one or two inheritances at once, and you will feel that your magic power is insufficient.

But this does not exist in Ye Feng.

Because Ye Feng's magic power is so powerful.

Ye Feng's martial arts foundation is too solid.

So Ye Feng gradually realized his own unique fighting method.

That is to activate various powerful inheritances at once, and then form a chaotic bombing situation, bombarding the enemy crazily again and again, leaving the enemy overwhelmed.

Because he has strong and majestic magic support, Ye Feng can fight in this way.

This made Ye Feng's eyes reveal a bright color.

It seems that if I have time, I will learn more inheritances. When the time comes, I will directly use my majestic magic power to crazyly activate each inheritance, and bombard it continuously, and the enemy will not be able to resist it.

This is Ye Feng's battle insights from this battle.

It may not be suitable for others, but it is very suitable for Ye Feng, who has majestic magic power.

This made Ye Feng very happy. In addition to his terrifying physical strength, he also realized another terrifying and unique fighting method that was exclusive to him.

That is to use countless inheritances to release them all at once and bombard them continuously!

Chapter 3820 Taking credit

At this time, along with Ye Feng's devouring, the aura on Ye Feng's body immediately began to rise.

"boom!"

The eighth level of Dao Fruit Realm!

"boom!"

Dao Fruit Realm Ninth Heaven! !

At this time, Ye Feng's cultivation level suddenly broke through the sky twice, making Ye Feng's face suddenly show a look of joy.

I didn't expect that this young man in blood robe could improve his cultivation so much.

At this moment, Ye Feng was looking at the Blood Demon Puppet not far away.

At this time, the blood demon puppet stopped in place, without any movement.

Because the young man in blood robe had been killed by Ye Feng.

So no one controls this blood demon puppet, so naturally it doesn't make any movements.

Uh-huh!

At this moment, Ye Feng flew in front of the blood demon puppet, with a look of interest in his eyes.

Ye Feng had seen before that this Blood Demon Puppet could challenge him hard after he activated the Heaven Domination Body Art, which showed that this Blood Demon Puppet was also a very powerful existence.

So at this time, Ye Feng was naturally very interested in this blood demon puppet.

Uh-huh!

The next moment, Ye Feng directly stretched out his hand, pressed it on the head of the blood demon puppet, and began to refine the blood demon puppet.

If the refining can be successful, then I will have a powerful help.

After all, you must know that this blood demon puppet should be a powerful puppet specially made by the core figures of the Dark Demon Cult.

The materials used to make this puppet must be very high-end, otherwise it would not be able to have such ferocious fighting power.

Because you must know that Ye Feng is very terrifying after he activates the Cangtian Hegemon Body Technique.

Because Ye Feng is originally Hongmeng's immortal body, and then coupled with the hegemonic body state, naturally right and wrong

Very ferocious, enough to tear everything apart.

But this Blood Demon Puppet can actually confront him head-on, which shows that this Blood Demon Puppet is very terrifying, comparable to the power of his own body.

"Buzz!"

At this moment, as Ye Feng inputs mana, the blood demon puppet was immediately refined by Ye Feng.

If it were an ordinary practitioner, it would definitely not be possible to refine this blood demon puppet.

Because this is a product of the Dark Demon Cult, you must practice the Demonic Skills of the Dark Demon Cult.

But Ye Feng's skill can transform and accommodate thousands of attributes in the world, so naturally he refined this blood demon puppet very quickly.

After Ye Feng refined the blood demon puppet, with a thought in Ye Feng's mind, the huge blood demon puppet immediately turned into a talisman emitting blood light and appeared in Ye Feng's hand.

After Ye Feng accepted the talisman, he held the head of the young blood demon man and flew directly towards the central area of the Ten Thousand Realms Martial Arts Academy.

When Ye Feng once again came to the Ten Thousand Realms Martial Arts Academy and the ancient temple where Dean Tianshu lived.

Ye Feng immediately saw that Dean Tianshu was standing in the ancient temple, staring at the special painting he had painted.

It was the painting that Ye Feng saw for the first time.

In the boundless and deep universe, a blue planet is slowly suspended.

That's exactly what this particular painting is about.

Ye Feng now also knows that this mysterious blue planet is the hometown of Dean Tianshu, but it seems to be very difficult to find, elusive and out of reach.

Ye Feng immediately came to ancient times at this time

In the shrine, I saw Dean Tianshu staring at this painting, with his hands behind his back, seeming very lost in thought.

At this time, Ye Feng couldn't help but speak out: "Disciple Ye Feng, I have met the dean."

When Dean Tianshu heard the voice behind Ye Feng, he immediately turned around, smiled slightly and said, "Have you been assassinated by a lurker from the Dark Demon Cult?"

Ye Feng's eyes were stunned, and then he couldn't help but said: "It turns out that the dean can see it at a glance."

Dean Tianshu nodded slightly and said loudly: "If you hadn't been assassinated by a lurker from the Dark Demon Sect, you wouldn't have come to me in such a hurry."

Ye Feng nodded at this time, took out the head of the young man in blood robe directly from the storage ring, threw it on the ground, and said loudly: "But I have already killed him."

Dean Tianshu's eyes showed surprise and he said loudly: "Did you kill with your own strength?"

Ye Feng nodded and said loudly: "How did the dean see it?"

Dean Tianshu smiled slightly and said aloud: "If you used my power of dominance in the Son of God's Token, this lurker's head would have been reduced to pieces long ago."

Ye Feng smiled, and then said aloud: "I have to say, it seems that my identity as the Son of God is very useful, and your plan, Dean, is also very effective. There are really lurkers in the Dark Demon Cult, hiding in the dark demon sect. Our Ten Thousand Realms Martial Arts Academy wanted to kill me. This young man in blood robe said at that time that if I, the son of the God of the Ten Thousand Realms Martial Arts Academy, had my head back, he could be promoted to a core figure in the Dark Demon Sect. It seems like I'm worth a lot now."

When Dean Tianshu heard what Ye Feng said, he couldn't help but smile and said: "Yes, this time you found a lurker and solved a hidden danger in our Wanjie Martial Arts Academy.

Very good, but there must be a lot of lurkers. You have to be more careful in the future. After all, this failed assassination will definitely make other lurkers of the Dark Demon Cult realize that your cultivation is very powerful. At that time, they will definitely use more ferocious and terrifying assassinations to deal with you. "

When Ye Feng heard what Dean Tianshu said, he immediately nodded, smiled, and said: "It's okay, if I can't deal with it myself, I will directly use your power in the Son of God token, Dean Tianshu. "

Dean Tianshu nodded slightly and said aloud: "The power in the Son of God's Token is limited. You should not use it unless it is absolutely necessary. By the way, this time you went to the Boundless Desert. It can be seen that your cultivation has improved a lot, and your methods have also improved. A lot, otherwise it would not be enough to kill this lurker of the dark demon sect. You have grown very fast and have lived up to my expectations. You are very good. I made the right choice by choosing you as the Son of God."

To be praised by an eternal wonder like Dean Tianshu is enough to show Ye Feng's unlimited potential.

Ye Feng nodded slightly at this time, then looked at the head of the young man in blood-colored robes on the ground, and said loudly: "Dean, I am here to take credit this time. I solved a spy of the Dark Demon Cult. Although this is not a very powerful lurker, but it can be regarded as eliminating a hidden danger for our All Worlds Martial Arts Academy. The dean must give me some benefits. After all, I risk my life to serve as the Son of God of the All Worlds Martial Arts Academy. To complete the dean's plan."

When Dean Tianshu heard what Ye Feng said, he couldn't help but shook his head and smiled, and said loudly: "You kid really knows how to look for advantages when the time comes. Well, if you find out one of the lurkers of the Dark Demon Cult, you will definitely give him a chance." Our academy has made a good contribution, so I will reward you with a skill initiation to help you break through your current state."

"Power initiation?"

Hearing what Dean Tianshu said, Ye Feng's eyes suddenly lit up.
