

Ancient 4211

Chapter 4211 A huge crisis

At this time, Mo Wushuang's eyes were very cold.

As the third young master of the Ten Thousand Beasts Sect, he has a very noble status.

Therefore, his mentality is also very arrogant, and no one takes him seriously.

Even though Mo Wushuang would not directly kill Su Jixue, lest it cause a war between the two sects, he looked down on the so-called top ten disciples like Su Jixue at all.

Therefore, he has always maintained a very condescending and arrogant attitude.

But reality gave him a hard slap.

Because the old guardian of the Ten Thousand Beast Sect brought by Mo Wushuang was actually no match for Ye Feng.

Ye Feng, a little-known casual cultivator, was burned to death.

It really made Mo Wushuang feel embarrassed. .???.??

So at this time, the cultivation aura on Mo Wushuang was very terrifying, and he flew directly towards Ye Feng, trying to kill Ye Feng easily.

"Thousands of miles of ice!"

At this moment, Su Jixue didn't hesitate at all. She directly unleashed her strongest power and attacked Mo Wushuang, hoping to help Ye Feng.

"Get out of my way."

Boom!

At this moment, Mo Wushuang casually waved his hand, and his hand immediately turned into the paw of a giant beast. It contained terrifying power and sent Su Jixue flying into the distance in an instant. He couldn't help but spit out a mouthful of blood, and he was seriously injured.

"What?"

Seeing this horrific scene, Su Jixue couldn't help but show deep horror in her eyes.

She stared at the hand that had instantly transformed into the claw of a giant beast, and said aloud: "Mo Wushuang, you actually refined the claw of the ancient beast into your own palm? Do you have the power of the ancient beast?"

Hearing what Su Jixue said, Mo Wushuang immediately smiled faintly and said: "That's right, I have successfully practiced the Ten Thousand Beast Body Refining Technique of our Ten Thousand Beast Sect, and my hands have been refined into With the hands of the strongest beast, I refined the palm of the ancient dragon-blooded rhinoceros into my hands. Every move I make has the majestic power of the ancient beast. Who can stop me? "

At this moment, Mo Wushuang casually seriously injured Su Jixue and then flew towards Ye Feng.

The majestic aura emanating from him, as well as the ferocious aura of an ancient beast, made Ye Feng feel an extreme sense of oppression at this moment.

But Ye Feng naturally couldn't retreat.

After all, he has now completely faced off with Mo Wushuang, the third young master of the Ten Thousand Beast Sect, and completely lost his skin, so Ye Feng naturally wants to fight with all his strength.

Sun Bracelet!

At this moment, Ye Feng did not hesitate and still released the huge power of the Sun Bracelet.

In an instant, a large swath of blazing sun light rushed out from the blazing sun bracelet, possessing terrifying burning power, and bombarded Mo Wushuang.

Mo Wushuang looked at everything in front of him with contempt in his eyes, and said aloud: "A humble cultivator dares to take action in front of me. It's so bold."

Baotian, how can the light of fireflies compete with my bright moon? "

At this moment, Mo Wushuang's tone was full of boundless arrogance, and his hands instantly turned into the palms of the ancient dragon-blooded rhinoceros, as if they could tear mountains and rivers to pieces, destroy everything, and even forcefully suppress the fierce force released by Ye Feng. The long river of flames formed by the sun's rays tore apart, and then hit Ye Feng's body fiercely.

Boom! !

At this moment, Ye Feng was hit hard, and he felt that the palms of Mo Wushuang's beast contained huge power, which was transmitted to his limbs, causing Ye Feng to fly backwards. , smashed into a large piece of soil and was buried in the ruins.

At this moment, Su Jixue immediately shouted nervously: "Ye Feng!!"

Su Jixue felt that Ye Feng might have died.

This made Su Jixue extremely sad.

At this time, Mo Wushuang stared at the ruins not far away, smiled coldly, and said aloud: "How can the light of fireflies compete with the bright moon? A humble casual cultivator can naturally not block the attack of my beast palm. !"

But the moment Mo Wushuang finished speaking, the ruins not far away suddenly exploded.

Uh-huh!

Ye Feng's figure flew out directly.

Although he was a little embarrassed, he was not completely dead, nor was he even seriously injured.

Because Ye Feng's Immortal Bones of God have already tempered the flesh and blood of Ye Feng's body to become very powerful.

Ye Feng possesses the Immortal Bones of the Gods, and his physique has reached the second stage of cultivation, so he can naturally withstand such a terrifying attack.

So at this time, Ye Feng only suffered minor injuries.

"What?"

Seeing this scene, Su Jixue immediately showed a look of joy on her face.

Mo Wushuang, who was not far away, had a look of surprise in his eyes. It seemed that he did not expect that Ye Feng had withstood the power of his two ancient beasts' palms, and he was not completely dead, or even suffered serious injuries.

This is enough to show that Ye Feng's true combat power, or defensive power, has surpassed Su Jixue.

At this moment, Mo Wushuang smiled coldly and said loudly: "You should have resisted most of the damage with the armor on your body, but it is of no use. Next, you still have to Hell, no one can stop my pair of palms. This is one of the top beasts in ancient times. His palms were refined into my palms, which naturally gave me the power of the top beasts in ancient times. I am a powerful person of a higher realm, but I can't resist my hands. These hands of mine are enough to tear apart mountains and rivers and shatter the world."

Boom!

At this moment, Mo Wushuang continued to rush towards Ye Feng, trying to tear Ye Feng into pieces on the spot!

Since Mo Wushuang did not directly tear Ye Feng into pieces last time, but only slightly injured Ye Feng, Mo Wushuang felt very shameless.

Because Mo Wushuang's cultivation strength was two levels higher than Ye Feng's.

So this time, Mo Wushuang once again used powerful means to directly activate the special blood power of the ancient dragon-blooded rhinoceros in his hands.

He stretched out his hands, and they turned into two huge beast palms of ancient dragon blood rhinos.

And the majestic shadow of the will of the ancient dragon-blooded rhino, several kilometers tall, appeared in the void behind Mo Wushuang.

This Mo Wushuang was blessed with unparalleled power.

At this moment, seeing this scene, Ye Feng did not hesitate and directly released another extremely powerful top magic weapon of the Barbarian Kingdom, the Ancient Heavy Water Bead, that he had obtained before.

Uh-huh!

At this moment, a small bead burst out from Ye Feng's eyebrows and flew forward.

At this time, when he saw the beads flying out of Ye Feng's heart, Mo Wushuang immediately showed a trace of sarcasm in his eyes and said loudly: "A little bead wants to fight against me? It's simply a dream. !"

Boom!

But the moment Mo Wushuang finished speaking, the small bead released by Ye Feng suddenly burst out with a terrifying and towering power.

The entire small bead suddenly became as big as a mountain and bombarded forward.

The moment the ancient heavy water droplet touched Mo Wushuang's beastly palms, Mo Wushuang's expression immediately changed.

Because he felt a very terrifying and majestic power from this huge bead.

It was as if his own hands had struck an indestructible steel mountain. With infinite and terrifying weight, Mo Wushuang was directly blown away.

"This is impossible!"

At this moment, Mo Wushuang immediately showed deep horror in his eyes.

Because he never thought that the round bead released by Ye Feng at this moment would have such terrifying power.

Inside that small bead, it was as if it contained the vast ocean. The weight was really terrifying and vast.

After Ye Feng threw it with huge power, the ancient heavy water droplets naturally had a very terrifying collision force.

After sensing all this at this moment, Mo Wushuang immediately bypassed the ancient heavy water droplet and attacked Ye Feng from behind.

"Die!"

At this moment, Mo Wushuang's eyes were full of cruelty.

This time, because he made a surprise attack from behind Ye Feng, Ye Feng had no way to get the Ancient Heavy Water Bead back in time to resist it.

But at the next moment, what made Mo Wushuang's eyes change was that a small black sword appeared in Ye Feng's hand.

Then under Ye Feng's stimulation, the small black sword became more than a hundred meters huge and slashed directly towards Mo Wushuang.

\u003c

br\u003e The moment Ye Feng slashed out this small black sword, Mo Wushuang immediately felt a feeling that he had not felt for a long time.

That's what death feels like!

"don't want!!!"

At this moment, Mo Wushuang finally understood that Ye Feng's real killing move was this small black sword.

But at this time, Mo Wushuang wanted to retreat, but it was already too late.

The black sword that was more than 100 meters long inspired by Ye Feng had extremely terrifying cutting power, cutting Mo Wushuang's two beast palms in half.

Then, under Mo Wushuang's horrified gaze, Mo Wushuang was split into two halves and completely fell.

"What??"

Seeing this scene, the many Tianhan Valley disciples around them suddenly widened their eyes. They never expected that Ye Feng actually possessed such terrifying fighting power.

Even the legendary top genius like Mo Wushuang was killed by Ye Feng.

Su Jixue was even more surprised and happy at this time.

She quickly flew in front of Ye Feng and couldn't help but said: "Ye Feng, you are really amazing. This Mo Wushuang is the top genius in our Shenshui Dynasty. I didn't expect to carry you on my back." Beheaded."

At this time, Ye Feng was once again drained of all his strength, and he suddenly said weakly: "I can only use this little black sword once, so it is most effective to use it at the most critical moment. Successfully killed this Mo Wushuang."

Su Jixue immediately nodded excitedly.

But the next moment, Su Jixue suddenly thought of something, couldn't help but change her face, and said loudly: "But this Mo Wushuang is the third young master of the Ten Thousand Beasts Sect, and his status is very noble and noble. After he is killed, there may be a huge crisis. The entire Ten Thousand Beast Sect will hunt you down, but we will not tell you. You should not be chased by the Ten Thousand Beast Sect for the time being, but you must be careful. After all, the Ten Thousand Beasts Sect may have special means to search for the murderer."

When Ye Feng heard what Su Jixue said, he immediately nodded slightly, and then said loudly: "Then I will not go to Tianhan Valley next, so as not to cause trouble to you, Senior Sister Su."

Su Jixue immediately couldn't help but said: "What are you talking about? Next, if you follow me back to Tianhan Valley, even if the people of the Ten Thousand Beast Sect use some special means to know that you killed Ye Feng, Even if the three young masters of the Ten Thousand Beast Sect are killed, they don't dare to enter Tianhan Valley directly! You must go back to Tianhan Valley with me. This is your best choice at the moment, and when you are in our Tianhan Valley in the future, it will really After becoming the top genius, even if the strong men of the Ten Thousand Beast Sect know that you killed the Third Young Master, they will not dare to cause trouble to you."

Hearing what Su Jixue said, Ye Feng couldn't help but smile and said, "Okay."

After saying that, Ye Feng's eyes showed a trace of expectation, and he immediately released the Devouring Domain and began to devour the cultivation skills and blood energy of the old guardian of the Ten Thousand Beast Sect and the three young masters.

These two are both super masters, very powerful, and the energy they provide must be very huge!

Chapter 4212 Shenshui Dynasty

"Rumble..."

At this time, Ye Feng released the Devouring Domain, which directly enveloped the three young masters of the Ten Thousand Beasts Sect and the guardian elder of the Ten Thousand Beasts Sect that he had killed before.

Suddenly, a very majestic energy was directly injected into Ye Feng's dantian.

Sure enough, as Ye Feng expected, the energy provided by these two super masters to Ye Feng was extremely huge.

It directly caused Ye Feng's cultivation aura to break through quickly and continuously.

"boom!"

Daohai Realm Sixth Heaven!

"boom!"

Daohai Realm Seventh Heaven!

"boom!"

Daohai Realm Eighth Heaven!

"boom!"

Daohai Realm Ninth Heaven!

"boom!"

The tenth level of Daohai Realm is complete! !

At this time, Ye Feng's cultivation aura finally stopped completely.

The momentum of Ye Feng's continuous breakthroughs in cultivation was so eye-catching that a group of Tianhan Valley disciples beside him couldn't help but look over, with shock and horror in their eyes.

But they didn't dare to comment much.

Because now Ye Feng, in the eyes of a group of Tianhan Valley disciples, is no longer an ordinary young casual cultivator, but has become a top-notch existence like Senior Sister Su.

Naturally, they dare not make any unreasonable comments.

At this time, Su Jixue, who was standing next to Ye Feng, couldn't help but sigh and said: "Ye Feng, if you keep swallowing me like this endlessly, I don't know if you can become the strongest in our Shenshui Dynasty. The presence?"

Hearing what Su Jixue said, Ye Feng also showed a smile on his face, and said with a hint of ridicule: "Maybe it can be done, if I can swallow it endlessly, if I can really have endless energy. If I devour it, theoretically speaking, my cultivation level will be able to continuously break through and increase without any limit."

Hearing what Ye Feng said, Su Jixue couldn't help but nodded and said, "Ye Feng, you didn't become a big devil, you really relied on your inner bottom line."

Ye Feng immediately nodded and said: "Indeed, I have said before that there are no evil techniques in the world, only evil people. In addition to devouring the resources naturally bred between heaven and earth, and devouring myself. Except for the enemies who must be killed, I will definitely not devour others casually. Although I am not a good person with good intentions, I also have my own basic bottom line. "

When he said this, Ye Feng suddenly looked at the person not far away who had been swallowed by him.

The fingers of the third young master of the Ten Thousand Beast Sect turned into a shriveled corpse, and he said loudly: "The third young master of the Ten Thousand Beast Sect has such a high status, there must be a lot of good things in his storage ring."

When Su Jixue heard what Ye Feng said, she nodded quickly and said loudly: "Maybe there is a peerless inheritance from the Ten Thousand Beast Sect. That is a good thing. It is a secret that the Ten Thousand Beast Sect will never spread. Only the Ten Thousand Beast Sect can Only the direct bloodline disciples in the sect can practice."

At this moment, Su Jixue said, stretched out her hand, sucked the storage ring on the finger of the third young master of the Ten Thousand Beast Sect into her own hand, and then opened it directly.

But what disappointed them the next moment was that the storage ring of the third young master of the Ten Thousand Beast Sect did not contain any peerless inheritance of the Ten Thousand Beast Sect.

Most of them are some cultivation resources.

But it's also very good.

Ye Feng and Su Jixue immediately divided it up.

There are many weapons and armors, as well as some talismans specially refined by the Ten Thousand Beast Sect, all of which have different functions.

At this moment, Su Jixue immediately said: "Let's leave here as soon as possible. We have achieved the purpose of this trip, and we have also killed the three young masters and the guardian elder of the Ten Thousand Beast Sect. If there is anyone later, If the super strong ones from the Ten Thousand Beast Sect arrive, we won't be able to leave."

Hearing what Su Jixue said, Ye Feng immediately nodded, and then followed Su Jixue and left here quickly with a group of Tianhan Valley disciples.

In the ancient ruins of the entire underground barbarian kingdom, everything suddenly returned to calm.

But not long after everyone left.

boom!

Suddenly, a terrifying middle-aged man arrived here.

The aura on his body was as majestic as the vast ocean, giving people a very terrifying feeling. His cultivation was absolutely terrifying.

This middle-aged man wears clothes with many beast totems engraved on him. He must be a super strong man from the Ten Thousand Beast Sect.

At this moment, he saw everything on the ground, and he suddenly shouted in shock and anger: "Oh no! The third young master actually died here. It will be difficult to explain when he goes back!"

At this moment, the terrifying middle-aged man said, then suddenly stretched out his hand and grabbed it fiercely.

Buzz!

The surrounding aura condensed quickly, directly condensing into the image of a young man.

Sample.

The appearance of this young man is exactly that of Ye Feng.

Obviously, this terrifying middle-aged man from the Ten Thousand Beasts Sect had special means and was able to directly form the image of the culprit who killed the three young masters.

At this moment, this terrifying middle-aged man from the Ten Thousand Beasts Sect stared at the condensed silhouette of Ye Feng, and immediately said with very cold eyes: "I didn't expect it to be such an ordinary-looking person. The young man killed the three young masters. The third young master had such powerful cultivation and methods, but he was still killed. This is enough to show that this young man must be very extraordinary. I don't know if he is a genius disciple of one of the big forces around him. However, I know all the peerless talents among the three top sects in our Shenshui Dynasty. This boy is definitely not one of them. Perhaps he is a hidden ancient tribe in the endless wild jungle of the Hundred Thousand Mountains. Disciple.

At this moment, after this terrifying middle-aged man finished speaking, he jumped up and left here, preparing to return to the Ten Thousand Beasts Sect to report the situation.

At that time, he might lead many masters from the Ten Thousand Beast Sect into the endless wild forest of the Hundred Thousand Mountains to look for the murderer who killed the third young master.

Because the third young master, Mo Wushuang, has always been the most beloved son of the master of the Ten Thousand Beast Sect.

So now that the third young master is dead, the master of the Ten Thousand Beasts Sect will definitely be furious and vent his endless anger.

And just when this middle-aged man already knew Ye Feng's image, he returned to the Ten Thousand Beasts Sect to warn him.

Ye Feng, Su Jixue, and a group of Tianhan Valley disciples had completely left this ancient ruins and flew quickly towards the Shenshui Dynasty.

On the road at this moment, Su Jixue immediately said happily: "This time I really got a huge harvest. Not only did I get the wealth of the ancient barbarian kingdom, but I also got the peerless inheritance of the ancient barbarian king. This I am more confident about our Shenshui Dynasty's top talent competition once every ten years."

When she said this, Su Jixue looked at Ye Feng, who was walking quietly on the side, with a deep look in her eyes.

In fact, the biggest gain this time was the peerless genius Ye Feng.

Ye Feng not only has special abilities in formations and healing, but his combat power is also very terrifying.

It is enough to show that Ye Feng's future will definitely shine.

Su Jixue knew that this time she had acquired a peerless genius with unlimited potential for her sect Tianhan Valley.

And for them

A small team is also of great help.

Su Jixue is only one of the top ten chief disciples in Tianhan Valley, so the team struggle in the entire Tianhan Valley is still very serious.

Now that Su Jixue has joined Ye Feng, a peerless prodigy, she is naturally more confident.

At this moment, Su Jixue flew to Ye Feng's side and asked with a smile: "Ye Feng, we will return to Shenshui Dynasty and Tianhan Valley soon. I will directly provide you with an entrance. As an official disciple of Tianhan Valley, you can practice well in our Tianhan Valley with peace of mind."

Hearing what Su Jixue said, Ye Feng immediately smiled and nodded, and said loudly: "Thank you, Senior Sister Su. I really need a quieter place now to practice and retreat."

This time, Ye Feng not only obtained the enlightenment knowledge left by the Nine-clawed Golden Dragon in the ancient ruins of Shiwanda Mountain, but also obtained the peerless inheritance of the ancient Barbarian King, the Barbarian Divine Skill.

In addition, Ye Feng also obtained the ancient barbarian king's top magic weapon, the Burning Sun Bracelet and the Ancient Heavy Water Bead.

These things all require Ye Feng to practice and refine in seclusion.

Therefore, Ye Feng really needs a very safe and quiet place now so that he can settle down and digest the various things he has acquired during this period, including inheritance and weapons.

At this moment, as the two of them were talking, they had returned to the territory of the Shenshui Dynasty.

In front of Ye Feng's eyes, an endless stretch of towering city walls immediately appeared. It was several kilometers high. The surface was poured with molten iron and glowed with a cold metallic luster.

Moreover, ancient formations are engraved on the surface of these steel city walls, exuding the power and aura of the formations, giving people the feeling of being absolutely indestructible.

At this time, Ye Feng's eyes showed wonder.

I didn't expect that the small Shenshui Dynasty could be so majestic and majestic.

I don't know how majestic and magnificent the Blood Demon Dynasty affiliated to the Shenshui Dynasty is.

However, Ye Feng knew that with his current personal strength, there was no way he could fight against the Blood Demon Dynasty, a first-rate force in the Ten Thousand Demon Interface.

I am still in a lower dynasty like the Shenshui Dynasty, and I can grow up more.

Anyway, Ye Feng has now become a loner again, and he has come to this interface of ten thousand monsters, so there is no need to worry. He can practice and grow slowly, and when he becomes very powerful, he can go to the Blood Demon Dynasty to solve this disaster.

Chapter 4213 Retreat and Enlightenment

Under the leadership of Su Jixue, Ye Feng quickly entered the territory of the Shenshui Dynasty, and then came to a place with beautiful mountains and clear waters.

In this area with beautiful mountains and clear waters, a huge sect has been established.

It was the Tianhan Valley where Su Jixue was located.

It is also one of the three top forces of the Shenshui Dynasty that Ye Feng is about to join.

At this time, Ye Feng was immediately able to sense a lot of powerful cultivation auras surging in the Tianhan Valley.

It gives people a very scary feeling, which makes people dare not be arrogant in this place.

This made Ye Feng's eyes show wonder.

Sure enough, there are many powerful beings in Tianhan Valley, one of the three top sects of the Shenshui Dynasty.

It can be said that there are many strong people.

At this time, Ye Feng seemed to have thought of something, and couldn't help but look at Su Jixue beside him, and asked aloud: "By the way, Senior Sister Su, among the three top sects in the Shenshui Dynasty, except for Tian Hangu and Ten Thousand Beasts Sect, what's the other name?"

When Su Jixue heard Ye Feng's question, she immediately said slowly: "The third top sect among the three top sects is called Shenjian Villa. It is closer to the royal family of our Shenshui Dynasty and has the most profound background. Strong."

"Excalibur Villa?"

Hearing what Su Jixue said, Ye Feng silently wrote down the name of this sect.

For Ye Feng, now that he has been involved in the Shenshui Dynasty, it is natural to go to the Shenshui Dynasty to divide the major forces and have a basic understanding.

Otherwise, it will definitely be of no benefit to him in the Shenshui Dynasty.

At this time, Su Jixue looked at the group of more than a dozen Tianhan Valley disciples following behind her and said, "You all should return to your positions. I will take Ye Feng to the central hall of our Tianhan Valley to verify your identity."

Hearing what Su Jixue said, the other Tianhan Valley disciples in this small group nodded and dispersed completely.

At this time, Su Jixue led Ye Feng into the central area of Tianhan Valley, and soon arrived in front of a hall emitting colorful light.

br\u003e

This hall is the central hall of Tianhan Valley.

It seems to be made of a very special material, so it emits colorful light, giving people a very magical feeling.

At this time, Su Jixue took Ye Feng directly into the central hall, and soon came to a counter.

Behind the counter, stood an old man in a white robe.

Su Jixue immediately smiled and said: "Elder Mo, I will handle the identity authentication for a newcomer."

Hearing what Su Jixue said, the elder in white robes immediately showed a look of surprise in his eyes. He couldn't help but smile and said: "It seems that this person can be asked to bring Su Jixue to authenticate his identity in person." The young boy is very extraordinary."

At this moment, the elder in white robes said, he immediately looked at Ye Feng, and then said loudly: "It is necessary to confirm that this young boy is not a demon."

Su Jixue immediately nodded and said, "Okay, let's make an appraisal."

The old man in a white robe nodded immediately, then looked at Ye Feng and said, "Just follow me."

Su Jixue looked at Ye Feng at this time and said aloud: "If you don't understand anything next, just ask this elder Mo directly. I have other things to report to the upper level of the sect, so I will leave first. When the time comes Elder Mo will arrange a place for you."

When Ye Feng heard what Su Jixue said, he immediately nodded, smiled and said, "Okay, thank you, Senior Sister Su."

Su Jixue immediately nodded and left here directly.

At this moment, Ye Feng followed the white-robed elder in front of him to the inner area of the central hall.

Ye Feng immediately saw that there were formations engraved in the inner area of the central hall.

At this moment, Bai

The elder in the color robe immediately smiled and said: "You can just walk into one of these formations. These formations are not attack formations, but a formation specifically designed to detect whether there is demonic energy in the body." , can identify your true race."

Ye Feng immediately nodded and walked into the formation.

Buzz!

The entire formation immediately lit up with a white light, scanning Ye Feng's entire body.

The next moment, the entire formation did not show anything strange.

When the white-robed elder saw this scene, he immediately smiled and said: "There is no problem with your identity. You are a pure human race. You can join our Tianhan Valley directly, and you are Su Jixue, one of the top ten chiefs." A disciple guaranteed and certified by one of the disciples, so you can directly become our core disciple of Tianhan Valley and enjoy the privileges and benefits of a core disciple."

Hearing what the elder in white robes said, Ye Feng's eyes suddenly showed a look of surprise.

Ye Feng originally thought that after he had just certified the identity of this disciple of Tianhan Valley, he would most likely become an outer disciple of Tianhan Valley.

Unexpectedly, he would directly become the core disciple of Tianhan Valley.

This is enough to show how high the status of Su Jixue, the top ten chief disciple, is in the entire Tianhan Valley?

At this time, Ye Feng immediately nodded, smiled and said: "Thank you very much, elder."

At this moment, Ye Feng got an exclusive identity token directly from the elder wearing a white robe, with the word "core" written on it, indicating that Ye Feng had now become the core disciple of Tianhan Valley. The rights will also be much greater.

Next, the elder in a white robe directly arranged a place for Ye Feng to live.

That is the disciples' residential area located in the southwest of Tianhan Ancient.

The living environment here is much better than that of ordinary disciples.

Many precious spiritual trees, flowers and plants are planted around the buildings where they live.

The entire core disciples

In residential areas, the greening rate is almost as high as 60%, and the floor area ratio is very low.

I have to say that the living environment of the core disciples of the sect is indeed very good.

The air is fresh, the flow of people is small, it is very quiet, and it is very suitable for people to live.

At this time, Ye Feng moved into his residence.

It was a small house specially provided for core disciples.

At this moment, after Ye Feng entered his small house, he immediately announced that he was in seclusion.

Ye Feng hung a sign for retreat at the door of the house, and no one would disturb Ye Feng's practice.

This is the rule of Tianhan Valley.

If a core disciple hangs a retreat sign at the door of his residence, it means that the owner of the house is practicing deep retreat.

According to the rules of the sect, even if the other party wants to cause trouble for you, you cannot break in casually, otherwise you will be punished by the sect.

This is one of the privileges of core disciples.

At this moment, Ye Feng entered a training room inside the house.

In the slightly dim training room, Ye Feng began to comprehend the cultivation insights left behind by the Nine-clawed Golden Dragon that he had obtained before, as well as the peerless inheritance left by the ancient Barbarian King, the Barbarian Divine Skill.

For Ye Feng, if he can successfully comprehend these two inherited mysteries, it will definitely be of great benefit to the improvement of Ye Feng's overall strength.

That's why Ye Feng can't wait to enter the state of seclusion and practice, trying to quickly comprehend these two most advanced secrets of inheritance.

For Ye Feng, the peerless inheritance and the Barbarian Divine Skill left by the ancient Barbarian King are actually not as good as the cultivation insights left by the Nine-clawed Golden Dragon.

What Ye Feng is most looking forward to is the spiritual enlightenment left behind by the Nine-clawed Golden Dragon, an existence comparable to the gods.

If you can understand some of the inheritance secrets of the Nine-clawed Golden Dragon from the words of practice and enlightenment left by the Nine-clawed Golden Dragon, then for Ye Feng, it will be no less than getting the true inheritance of a true god. That will definitely be a huge gain!

Chapter 4214 Kill two birds with one stone

Buzz!

In the next few days, Ye Feng did not go anywhere, but stayed silently at his place of residence, carefully comprehending the words of spiritual enlightenment left by the Nine-clawed Golden Dragon, as well as the peerless words left by the ancient barbarian king. Inherited, barbarian magic.

For Ye Feng, he possesses the incomparable power of understanding of a demon, so the peerless inheritance of the Barbarian Divine Skill left by the ancient Barbarian King was quickly comprehended by Ye Feng.

When Ye Feng uses the Barbarian God Skill, an ancient Barbarian God phantom with a range of tens of thousands of meters can be condensed in the void behind him, allowing Ye Feng to receive the blessing of the Barbarian God's power, which can increase Ye Feng's combat effectiveness. Get a huge boost in an instant.

However, although Ye Feng succeeded in practicing the Man Shen Kung very simply and casually, Ye Feng only understood a little bit of the profound meaning from the words of inspiration left by the Nine-clawed Golden Dragon.

This made Ye Feng's eyes suddenly reveal a look of deep amazement.

This nine-clawed golden dragon is worthy of being an existence that can easily enter the world outside the world from the great world of origin. It is a terrifying and transcendent creature that is comparable to the gods of the past.

This random piece of insight text left Ye Feng to ponder it for several days, but he didn't come up with any specific clues.

So in the next half month, Ye Feng concentrated on understanding the words of inspiration left by the Nine-clawed Golden Dragon, and finally Ye Feng successfully understood a hint of the secret of the Nine-clawed Golden Dragon.

Although Ye Feng only understood a hint of the secret, he also felt that he had gained a huge harvest.

Because at the moment when Ye Feng activated this secret that he had comprehended, Ye Feng could actually feel the divine power of the Nine-clawed Golden Dragon flowing through his entire body, increasing his strength hundreds of times in an instant. .

This made Ye Feng's eyes suddenly show surprise.

Ye Feng knew that he had understood the true meaning of this insightful text left by the Nine-clawed Golden Dragon.

That's why Ye Feng was able to gain the divine power of the Nine-clawed Golden Dragon when he used this secret.

For Ye Feng, this is no less than a huge treasure, which greatly enhances Ye Feng's comprehensive strength and gives Ye Feng a super powerful trump card to enhance his strength.

Ye Feng successfully comprehended the words left by the Nine-clawed Golden Dragon, and also successfully practiced the peerless inheritance left by the ancient Barbarian King, the Barbarian Divine Art, and finally ended his retreat and practice as he wished.

Ye Feng walked out of his place of residence and prepared to go around the Tianhan Valley to see if, as a core disciple, he could apply for some training resources from the upper level of the middle sect so that his skills could be quickly improved. improvement.

After all, for Ye Feng, whether it is cultivation and enlightenment, or practicing various powerful inheritances, they are only a means to assist combat effectiveness.

Ye Feng knew that the most important thing for him was to improve his cultivation skills as quickly as possible.

In this way, you can continue to grow and gain powerful strength, so that you can return to the world of origin and protect your relatives and friends.

And he can give himself the strength to go to the mysterious and magnificent world outside the world, find his father and mother, and take a look at whether the outside world is really dangerous and terrifying.

At this moment, when Ye Feng walked out of his retreat room, he immediately

He saw a very familiar, beautiful and cold figure appearing outside his house, seemingly waiting for him.

Ye Feng's eyes immediately froze, because it was Su Jixue who was waiting for him.

Ye Feng did not expect that Su Jixue, one of the top ten chief disciples of Tianhan Valley, would take the initiative to wait for him outside his residence.

Ye Feng hurriedly walked out and said with a smile: "I have kept Senior Sister Su waiting for a long time. How long have Senior Sister Su been waiting here?"

Su Jixue immediately smiled and said, "It won't take long, just one day and one night."

Hearing what Su Jixue said, Ye Feng couldn't help but shook his head and smiled helplessly, and said loudly: "Senior Sister Su knows that I am in retreat. You can go back and wait at any time. Leave a note at my door. I will know when the time comes. Senior Sister Su wants to find me. After I get out of seclusion, I will find you in person. "

Su Jixue immediately smiled and shook her head, and said loudly: "Don't go to such trouble, a day and a night are not long. For us practitioners, sometimes in order to understand a certain set of inheritance and mysteries, it is enough to sit for decades. normal."

Ye Feng immediately nodded and said, "I wonder if Senior Sister Su has been waiting for me here for so long. Is there any specific matter?"

Su Jixue said slowly: "I would like to invite you, Ye Feng, to follow me to the imperial city of the Shenshui Dynasty to participate in this top genius competition that takes place once every ten years."

After Su Jixue finished speaking, Ye Feng immediately said with a stunned look: "I have just joined Tianhan Valley, can I participate in such a top talent competition?"

Su Jixue immediately smiled and said: "Of course, with my recommendation, you have now become the core disciple of our Tianhan Valley, so you are qualified to participate in this top genius competition, Ye Feng, your I am very clear about your cultivation strength. It is very powerful. Even if you don't use your big killer weapon or that little black sword, your overall combat power is probably comparable to mine. Although you are better than me. It's a big level lower, but your combat power is enough to fight with the Yuanfu realm strongmen like us who are above the Daohai realm, so this time, I want to take you with me, if you can rank in the top genius competition If you

are at the forefront, the upper echelons of our Tianhan Valley will definitely reward you with a lot of cultivation resources. It will also be of great benefit to the reputation of my small group and attract more disciples in our Tianhan Valley. Join my little group.”

Hearing what Su Jixue said, Ye Feng immediately understood. It seemed that Su Jixue wanted to increase the influence of her small team on her own.

And if you can really get a high ranking in the top genius competition, you can also get generous rewards and training resources from the upper levels.

It can be said that it is a matter of killing two birds with one stone.

So at this time, Ye Feng thought for a moment, then smiled and said: "Okay, then according to what you said, Senior Sister Su, I will follow you, Senior Sister Su, to the imperial city of Shenshui Dynasty to participate in this event. The top genius competition.”

For Ye Feng, participating in this top talent competition is just a casual event.

Ye Feng didn't care, he just wanted to see the strength of the top geniuses in the entire Shenshui Dynasty and see the depth of this Shenshui Dynasty.

In addition, if you can really stand out in this top genius competition, you can get generous training resources rewarded by the upper levels of Tianhan Valley, which is still very good. Buzz!

In the next few days, Ye Feng did not go anywhere, but stayed silently at his place of residence, carefully comprehending the words of spiritual enlightenment left by the Nine-clawed Golden Dragon, as well as the peerless words left by the ancient barbarian king. Inherited, barbarian magic.

For Ye Feng, he possesses the incomparable power of understanding of a demon, so the peerless inheritance of the Barbarian Divine Skill left by the ancient Barbarian King was quickly comprehended by Ye Feng.

When Ye Feng uses the Barbarian God Skill, an ancient Barbarian God phantom with a range of tens of thousands of meters can be condensed in the void behind him, allowing Ye Feng to receive the blessing of the Barbarian God's power, which can increase Ye Feng's combat effectiveness. Get a huge boost in an instant.

However, although Ye Feng succeeded in practicing the Man Shen Kung very easily and casually, Ye Feng only understood a little bit of the profound meaning from the words of inspiration left by the Nine-clawed Golden Dragon.

This made Ye Feng's eyes suddenly reveal a look of deep amazement.

This nine-clawed golden dragon is worthy of being an existence that can easily enter the world outside the world from the great world of origin. It is a terrifying and transcendent creature that is comparable to the gods of the past.

Ye Feng spent several days pondering this random insight text, but he still didn't come up with any specific clues.

So in the next half month, Ye Feng concentrated on understanding the words of inspiration left by the Nine-clawed Golden Dragon, and finally Ye Feng successfully understood a hint of the secret of the Nine-clawed Golden Dragon.

Although Ye Feng only understood a hint of the secret, he also felt that he had gained a huge harvest.

Because at the moment when Ye Feng activated this secret that he had comprehended, Ye Feng could actually feel the divine power of the Nine-clawed Golden Dragon flowing through his entire body, increasing his strength hundreds of times in an instant. .

This made Ye Feng's eyes suddenly show surprise.

Ye Feng knew that he had understood the true meaning of this insightful text left by the Nine-clawed Golden Dragon.

That's why Ye Feng was able to gain the divine power of the Nine-clawed Golden Dragon when he used this secret.

For Ye Feng, this is no less than a huge treasure, which greatly enhances Ye Feng's comprehensive strength and gives Ye Feng a super powerful trump card to enhance his strength.

Ye Feng successfully comprehended the words left by the Nine-clawed Golden Dragon, and also successfully practiced the peerless inheritance left by the ancient Barbarian King, the Barbarian Divine Art, and finally ended his retreat and practice as he wished.

Ye Feng walked out of his place of residence and prepared to go around the Tianhan Valley to see if, as a core disciple, he could apply for some training resources from the upper level of the middle sect so that his skills could be quickly improved. improvement.

After all, for Ye Feng, whether it is cultivation and enlightenment, or practicing various powerful inheritances, they are only a means to assist combat effectiveness.

Ye Feng knew that the most important thing for him was to improve his cultivation skills as quickly as possible.

In this way, you can continue to grow and gain powerful strength, so that you can return to the world of origin and protect your relatives and friends.

And he can give himself the strength to go to the mysterious and magnificent world outside the world, find his father and mother, and take a look at whether the outside world is really dangerous and terrifying.

At this moment, when Ye Feng walked out of his retreat room, he immediately felt

He saw a very familiar, beautiful and cold figure appearing outside his house, seemingly waiting for him.

Ye Feng's eyes immediately froze, because it was Su Jixue who was waiting for him.

Ye Feng did not expect that Su Jixue, one of the top ten chief disciples of Tianhan Valley, would take the initiative to wait for him outside his residence.

Ye Feng hurriedly walked out and said with a smile: "I have kept Senior Sister Su waiting for a long time. How long have Senior Sister Su been waiting here?"

Su Jixue immediately smiled and said, "It won't take long, just one day and one night."

Hearing what Su Jixue said, Ye Feng couldn't help but shook his head and smiled helplessly, and said loudly: "Senior Sister Su knows that I am in retreat. You can go back and wait at any time. Leave a note at my door. I will know when the time comes. Senior Sister Su wants to find me. After I get out of seclusion, I will go find you in person, Senior Sister Su."

Chapter 4215 Gutian

At this time, Ye Feng didn't hesitate at all and immediately said: "Then we can set off directly now."

Su Jixue nodded and said loudly: "This time we in Tianhan Valley are going to the imperial city of Shenshui Dynasty. There are many people participating in this top genius competition. We will go with them then. Now we will go directly Gather in the central hall of the sect."

Ye Feng immediately nodded, followed Su Jixue, and flew directly towards the sect hall in Tianhan Valley.

When they arrived at the central hall, they immediately saw that many people had gathered here.

These people should all be among the top geniuses in Tianhan Valley.

Therefore, the cultivation auras on their bodies were all stronger than Ye Feng.

They are all Yuanfu realm existences above the Daohai realm, and they are in the same realm as Su Jixue.

There is even a Hedan realm above the Yuanfu realm, and he is a genius at the same level as the previous three young masters of the Ten Thousand Beast Sect.

So this made Ye Feng's eyes still show a trace of surprise.

Unexpectedly, there are so many top geniuses in Tianhan Valley, and their cultivation strength is so strong.

It is indeed one of the three top sects in the Shenshui Dynasty. It is indeed very powerful and has a very deep foundation.

At this moment, Ye Feng followed Su Jixue and flew directly towards the square outside the central hall and came to the crowd.

Swish, swish, swish!

At this moment, many people's eyes were focused on Su Jixue and Ye Feng.

Especially concentrated on Ye Feng.

Because Ye Feng is really a new face to them.

Moreover, Ye Feng stood with Su Jixue, a goddess-level figure in Tianhan Valley, and seemed to be quite friendly in conversation.

close.

This naturally made many other Tianhan Valley's top geniuses present feel very surprised and envious.

Because they had never seen such a cold and noble goddess-level figure like Su Jixue, so intimate with a strange man.

At this moment, a young man wearing a white robe immediately flew in front of Su Jixue and Ye Feng, and said with a smile: "Junior sister Su, what kind of existence is this young man next to you? , I see that my cultivation level is so low, would it be too embarrassing for us, Tianhan Valley, to participate in this top talent competition with you?"

After the young man in a white robe finished speaking, many other people in the field suddenly showed expressions that were half-smiling but not smiling.

There were other top geniuses around who couldn't help but say: "Senior Brother Gu has always coveted Su Jixue, a goddess-level figure, and wanted to take it for himself. This time, the young boy next to Su Jixue, I guess I will be targeted by Senior Brother Gu."

At this moment, Ye Feng's eyes revealed a look of helplessness.

Sure enough, beauties are welcome everywhere.

Standing next to Su Jixue, he immediately aroused the envy and jealousy of many top geniuses.

At this time, Ye Feng naturally heard what Senior Brother Gu meant in his words.

But at this time, Ye Feng was naturally not afraid and was ready to say something.

But Su Jixue was the first to speak up at this time: "Gu Tian, although you are ranked among the top three among the top ten chief disciples of my sect Tianhan Valley, this does not mean that you can target my friends casually. I hope you respect yourself. ,

Don't belittle others casually, because it is very likely that someone who is ordinary in your eyes is an extremely talented and brilliant existence, no worse than you. "

Hearing Su Jixue say this, Senior Brother Gu Tiangu immediately showed a deep ugly look on his face, as if he did not expect that Su Jixue would speak like this for Ye Feng.

Seeing how kind Su Jixue was to Ye Feng, Gu Tian was naturally extremely jealous.

He immediately stared at Ye Feng, with a slight contemptuous smile on his face, and said loudly: "A boy with such a low cultivation level, and he seems to be the newcomer Su Jixue just brought into the sect, in my eyes , It's nothing at all. You said he is an extremely talented person, so I want to give him a try."

Boom!

Almost at the moment Gu Tian's words fell, Gu Tian suddenly burst out with an extremely powerful cultivation aura.

That was a powerful cultivation level that surpassed the half-step Hedan realm of Yuanfu realm.

It has to be said that this Gu Tian is worthy of being ranked third among the top ten chief disciples of Tianhan Valley. His strength is very powerful, far exceeding Su Jixue's current level.

No wonder Gu Tian dared to be so presumptuous.

At this moment, Gu Tian could be said to be acting very arrogant and domineering. He released his huge cultivation momentum in an instant and directly pressed towards Ye Feng.

Gu Tian said coldly: "I want to see if this kid is really as powerful as Junior Sister Su said."

When Su Jixue saw Gu Tian take action, her face immediately changed slightly and she said loudly: "Gu Tian, you are so brave. You dare to take action against a fellow disciple in the sect. Don't you know that this is an offense against the sect?" Door rules?"

I heard this from Su Jixue in ancient times

So, he immediately smiled lightly and said loudly: "Rules? Rules are binding on ordinary disciples, but for top geniuses like me, those so-called rules are just a piece of waste paper."

At this moment, after Gu Tian finished speaking, many other Tianhan Valley disciples around him showed a hint of shock in their eyes, as if they did not expect that Gu Tian was so domineering.

"Oh, that boy is really unlucky. If he dares to be so close to Su Jixue, he will definitely be targeted."

"Yes, now that Senior Brother Gu has taken action personally, I estimate that this young man will end up very miserable. It is very likely that he will be beaten to a disability on the spot and will be completely destroyed."

Many other Tianhan Valley geniuses around him couldn't help but talk about it.

No one would believe that Ye Feng, a seemingly ordinary newcomer disciple, could compete with an established top talent like Gu Tian.

The gap between their cultivation levels is really too big.

And everyone knows very well that Gu Tian is not only a high-level disciple. As the top ten disciples trained by Tianhan Valley, he is ranked third. His cultivation inheritance is impossible for a new disciple like Ye Feng to be able to do. Comparable.

At this moment, Su Jixue was preparing to take action.

Uh-huh!

But at this time, Ye Feng suddenly stretched out his hand, held Su Jixue's shoulder, smiled slightly, and said loudly: "Senior Sister Su, you don't need to take action, just let me come. It just lets other people around know that although I am a newcomer, Disciple, but not anyone who wants to bully can be bullied."

boom!

Almost at the moment Ye Feng finished speaking, Ye Feng also burst out with his extremely powerful cultivation aura.

The reason why Ye Feng chose to take action himself was naturally to establish his own prestige.

Chapter 4216 Elder Leng

At this moment, sensing the aura of cultivation emanating from Ye Feng, Gu Tian, who was opposite him, immediately showed a trace of cynicism in his eyes and said loudly: "Boy, your cultivation level is only at the tenth level of Daohai Realm." "Tian, I am a half-step Hedan realm, a whole realm and a half higher than you. It is simply wishful thinking for you to fight against me. It is nothing more than the light of an ant competing with the bright moon."

At this moment, after Gu Tian finished speaking, he was carrying an extremely powerful cultivation aura, like an ancient evil beast, pressing towards Ye Feng menacingly.

He didn't even take action directly or use any inheritance. He simply wanted to rely on his huge momentum to pressure Ye Feng into submission.

Obviously, this Gutian despised Ye Feng to the extreme.

And he also wanted to show his powerful power in front of everyone to declare his majesty. ??

So at this time, Gu Tian naturally showed a condescending attitude and momentum towards Ye Feng.

At this time, Su Jixue's eyes were a little nervous.

After all, as the third-ranked among the top ten chief disciples of Tianhan Valley, Gu Tian's cultivation strength is still very terrifying, and he is not something Ye Feng can fight against now.

Although Ye Feng's small black sword is very likely to fight against Gu Tian, it is Ye Feng's biggest killing weapon.

Once used, Ye Feng will fall into a huge period of weakness in an instant, and it is very likely that he will kill Gu Tian directly.

In this case, the upper echelons of Tianhan Valley would definitely punish Ye Feng. After all, the two of them just had a simple conflict.

At this moment, Ye Feng actually couldn't use the black sword at all, but instantly used the secret of the nine-clawed golden dragon that he had successfully cultivated before.

For Ye Feng, the Barbarian Magic is Su Jixue's secret trump card, and Ye Feng will not use it easily now.

After all, Su Jixue still needs to rely on the powerful and peerless inheritance of Barbarian Magic as a trump card to compete for the top spot in the top talent competition.

So Ye Feng directly used the more powerful Nine-clawed Golden Dragon at this time.

Boom!

At this time, Ye Feng was releasing nine

At the moment when the Clawed Golden Dragon Mystery appeared, a large golden light appeared on the whole body.

These golden lights even condensed the will of a majestic and boundless nine-clawed golden dragon in the void behind Ye Feng. It looked very majestic and vast, and instantly blessed Ye Feng with hundreds of times more combat power and power. momentum.

The next moment, Ye Feng, carrying the vast power and momentum of the nine-clawed golden dragon, directly collided with Gu Tian.

Kick, kick, kick!

Kick, kick, kick!

Both of them couldn't help but took several steps back!

"What??"

Seeing this scene, many of the other top geniuses in Tianhan Valley couldn't help but have deep horror in their eyes.

They never thought that Ye Feng's cultivation was a whole realm and a half weaker than Gu Tian's, but he could still compete with Gu Tian's cultivation aura.

At this moment, Gu Tian also had a look of shock in his eyes, and couldn't help but say: "You boy, you are actually the inheritor of the legendary Nine-clawed Golden Dragon. Do you have the noble blood of the Nine-clawed Golden Dragon flowing in you?"

At this moment, Gu Tian was completely shocked.

Because in his eyes, Ye Feng was just a very weak new disciple.

But unexpectedly, Ye Feng could actually unleash the power of the legendary nine-clawed golden dragon.

You must know that the nine-clawed golden dragon is definitely the most special race in the world. It is the well-deserved emperor among all dragon clans and possesses nine claws.

At this moment, many other Tianhan Valley's top geniuses were staring at the huge shadow of a nine-clawed golden dragon in the void behind Ye Feng, and their eyes also showed deep surprise.

One day, the top disciple of Hangu couldn't help but said: "No wonder Su Jixue is so close to this young man in white. It turns out that this young man in white is the most top-notch dragon like the legendary Nine-clawed Golden Dragon."

The successor of the emperor? How noble this must be. "

At this moment, Su Jixue also had a look of surprise in her eyes, staring at the nine-clawed golden dragon behind Ye Feng.

She never thought that Ye Feng actually had the blood inheritance of the Nine-clawed Golden Dragon.

This was something Su Jixue had not expected.

At this moment, Ye Feng didn't explain anything at all.

It doesn't matter what everyone thinks.

At this moment, Ye Feng just stared at Gu Tian not far away. Seeing the ugly look on his face, he smiled and said, "Why, continue fighting with me?"

At this time, Ye Feng displayed the secret of the Nine-clawed Golden Dragon, and was blessed by the divine power of the Nine-clawed Golden Dragon. His combat power increased hundreds of times, and he was no longer afraid of this ancient world.

Even if he doesn't use his ultimate move, he's not afraid that he won't be able to defeat this Gu Tian.

At this time, Gu Tian's eyes were a little uncertain. He didn't expect that the boy in white next to Su Jixue actually had the blood of the legendary nine-clawed golden dragon. This was naturally very shocking to Gu Tian.

Because the Nine-clawed Golden Dragon is really so special, only in the legendary age of gods would a Nine-clawed Golden Dragon appear.

Unexpectedly, Ye Feng actually used the power of the nine-clawed golden dragon, which meant that Ye Feng had an extremely noble status.

At this moment, Gu Tian was about to say something.

Uh-huh!

But suddenly at this moment, a middle-aged woman wearing a blue robe flew over not far away.

The aura of cultivation emanating from this middle-aged woman was as vast as the vast ocean, making all the top geniuses in Tianhan Valley present feel a sense of oppression from the power of God.

At this moment, seeing this middle-aged woman wearing a blue robe, a group of Tianhan Valley's top geniuses present couldn't help but look startled, and quickly bowed and clasped their fists and said, "See Elder Leng! "

Even the top ten chief disciples of Tianhan Valley like Gu Tian and Su Jixue, these

When I saw this middle-aged woman wearing a blue robe, I couldn't help but have a look of surprise in her eyes.

They all clasped their fists slightly and said loudly: "I have met Elder Leng."

At this time, Ye Feng stared at the middle-aged woman wearing a blue robe, and his eyes suddenly showed deep surprise.

To be able to make such an aloof guy like Gu Tian clasp his fists so respectfully shows that this elder is definitely not an ordinary elder. He must be a high-ranking elder in Tianhan Valley who truly holds real power.

At this moment, as expected, Su Jixue whispered to Ye Feng from the side: "Ye Feng, this Elder Leng is one of the top elders in our Tianhan Valley, a real elder who holds real power. The status of the sect master is almost as high as that of our Tianhan Valley. He is one of the founders of our Tianhan Valley at the beginning. He is the kind of big man who never sees the beginning of the dragon. I don't know why he suddenly appears here. It is really strange. "

When Ye Feng heard Su Jixue's voice next to him, he quickly clasped his fists.

But at this time, everyone was shocked to find that Elder Leng's eyes were only fixed on Ye Feng.

Then under the horrified eyes of everyone.

Elder Leng stared at Ye Feng. This kind of big man who had never seen the beginning of the dragon actually showed a gentle smile on his face and said loudly: "Young man, what is your name? Are you interested in becoming my disciple? As long as you become my disciple Disciple Leng Ruoxue, you can walk sideways throughout the Tianhan Valley from now on, and the sect master cannot restrict you."

"hiss!"

Almost at the moment when Elder Leng's welcome came down, a group of top geniuses from Tianhan Valley around him couldn't help but take a breath of cold air.

"What....."

Even Gu Tian, who was ranked third among the top ten chief disciples, immediately widened his eyes when he saw this scene, with an extremely shocked expression on his face.

Su Jixue was even more surprised and said: "Ye Feng, why are you still standing there? Hurry up and agree! This Elder Leng is one of the founders of the sect who is comparable to the sect master!"

Chapter 4217 Apology

At this time, everyone present fell into a dead silence.

After all, no one expected that Elder Leng, a big shot like this dragon who had never seen the beginning or end of the dragon, would come here on his own initiative.

He even offered to take Ye Feng as his disciple.

You must know that it is very difficult for even a peerless genius among the core disciples in Tianhan Valley to be under the command of a sect founder like Elder Leng.

But unexpectedly, Elder Leng actually offered to take Ye Feng as his disciple, and even traveled thousands of miles to come here.

At this time, Ye Feng naturally had no objection.

After all, becoming a disciple of the founder of such a sect is equivalent to a huge improvement in one's status.

In the future in Tianhan Valley, it is probably just like what Elder Leng said, no one would dare to care about him if he walked sideways.

But Ye Feng still had a trace of hesitation in his heart.

After all, he didn't know what this elder Leng who suddenly appeared saw in him.

So at this time, Ye Feng did not agree immediately, but couldn't help but said: "I wonder what Elder Leng likes about this junior, so he wants to take the initiative to accept him as his disciple?"

Hearing Ye Feng's question, Elder Leng did not look impatient, but said very gently: "Because you have the blood of the Nine-clawed Golden Dragon and can use the divine power of the Nine-clawed Golden Dragon, this shows that you have The inheritance of the Nine-clawed Golden Dragon clan has been completely mastered."

Buzz!

After finishing speaking, Elder Leng suddenly released a trace of his own power.

Then everyone saw that a phantom of a dragon was condensed in the void above Elder Leng's head.

This dragon clan exudes an icy aura, as if it is the legendary ice and snow dragon clan.

"I see....."

At this time, whether it was Ye Feng or others around him, there was a look of surprise in his eyes.

No wonder Elder Leng attaches so much importance to Ye Feng and has such expectations. It turns out that Elder Leng also has the blood of the ancient dragon clan flowing in his body.

She naturally hopes to get Ye Feng, the inheritor of the most noble Nine-clawed Golden Dragon.

At this moment, Ye Feng immediately nodded and said: "Okay, since Elder Leng values me so much, then I agree to become Elder Leng's disciple."

hear

When Ye Feng said this, Elder Leng immediately said happily: "Okay, you will practice with me from now on. Don't worry, we are both inheritors of the ancient dragon clan. If we practice together, It will definitely benefit our respective practices."

Hearing what Elder Leng said, Ye Feng immediately showed a look of astonishment in his eyes.

It turns out that the main reason why Elder Leng wanted to accept him as his disciple was so that he could practice together with him.

Because the Nine-clawed Golden Dragon's top-notch emperor's secret can help Elder Leng improve his cultivation.

However, with the help of Elder Leng's status, it is estimated that no one in Tianhan Valley would dare to provoke him.

Moreover, it can also be favored by the upper-level resources of the sect, which can be regarded as a matter of mutual benefit.

Ye Feng immediately nodded and said with a smile: "Okay, in the future, whenever Elder Leng needs a disciple, he will inform the disciple and the disciple will come over to practice with Elder Leng and help Elder Leng understand the secret of his dragon clan."

Hearing what Ye Feng said, Elder Leng immediately smiled and nodded, feeling that Ye Feng was very wise and could be taught.

At this time, Su Jixue also understood why Elder Leng came here on his own initiative to accept Ye Feng as his disciple. It turned out to be because he wanted to use the secret of Ye Feng's extremely advanced Nine-clawed Golden Dragon to practice together and improve himself. One's own cultivation and insights.

However, if Ye Feng can really become Elder Leng's disciple, it will definitely be of huge benefit to Ye Feng.

After all, there is no harm in practicing with Elder Leng.

Moreover, being able to practice with a top powerhouse like Elder Leng might also be of great benefit to Ye Feng's own practice.

After all, if you are able to stand on the shoulders of giants as a practitioner, it will definitely greatly improve your own practice.

At this moment, Elder Leng stared at Ye Feng and said loudly: "When you finish participating in the Top Genius Competition, come directly to me. I will give you enough training resources then, and I won't let you help me in vain."

After saying that, Elder Leng jumped up and disappeared from everyone's sight.

As quickly as it comes, it goes as quickly as it comes.

It can be seen that this Elder Leng is definitely a very decisive person.

At this moment, Ye Feng looked at Su Jixue beside him, couldn't help but shook his head with a wry smile, and said, "I didn't expect that by chance, I would become Elder Leng's disciple."

When Su Jixue heard what Ye Feng said, she immediately rolled her eyes at Ye Feng angrily and said, "Why are you smiling bitterly? Being able to become Elder Leng's disciple will suddenly increase your status. Many people are not like you." Being lucky enough to become a disciple of the founder of the sect is a great blessing. "

Uh-huh!

At this moment, Gu Tian suddenly came to Ye Feng, bowed deeply, clasped his fists and said, "I offended brother Ye Feng just now. This is my fault."

After finishing speaking, Gu Tian actually took out an elixir directly from his storage ring, and said with some pain: "I spent a huge price to get this elixir, it's called 'Yin Yang Dragon Soul Pill' can greatly improve a person's cultivation skills. I originally used it to break through my current cultivation level of half-step combined pill realm, but now I am willing to use this top-level pill, Give it to brother Ye Feng to express my fault and apologize."

At this moment, Gu Tian, the aloof being who ranked third among the top ten chief disciples, bowed his head like this in front of Ye Feng, which Ye Feng never expected. .??.??

Su Jixue, who was beside him, smiled slightly, looked at Ye Feng, and said loudly: "This Gu Tian is quite sensible. If he forms a quarrel with you, as a disciple of Elder Leng, even if you don't take action, many of us will. The other strong men in Tianhan Valley will also beat this Gu Tian to death in order to show their courtesy to you."

Hearing what Su Jixue said, Ye Feng's eyes suddenly showed surprise. It seemed that he did not expect that Elder Leng had such a high status in Tianhan Valley. There were countless strong people who wanted to flatter her and flatter themselves. This disciple of Elder Leng.

After all, even Gu Tian, an aloof and peerless genius, bowed his head in front of him.

This shows how profound Elder Leng's majesty is in the entire Tianhan Valley.

He is indeed one of the top elders in Tianhan Valley.

He is worthy of being one of the founders of Tianhan Valley.

At this moment, Ye Feng naturally did not show any pretense and simply accepted the top elixir given to him by Gu Tian.

The medicine was taken and then swallowed directly.

Boom!

At this moment, Ye Fengdao's cultivation level at the tenth level of the sea realm suddenly broke through with the help of the huge power of this top-level pill.

Directly from the tenth level of Daohai Realm, he broke through to the Yuanfu Realm, which is half a step above Daohai Realm!

"Um?"

Ye Feng sensed all this, and a hint of surprise suddenly appeared in his eyes.

Unexpectedly, this pill was really good, and it directly made a breakthrough in my skill.

It seems that Gu Tian did not fool himself. He really paid a lot of money to admit his mistake.

At this moment, when Gu Tian saw this scene, his face suddenly showed a look of deep pity.

Originally, this pill was to help him break through the bottleneck of his own cultivation, but in the end it helped Ye Feng.

After all, this top-level elixir was obtained at a huge cost to Gu Tian.

But now Gu Tian has no choice. In order to calm Ye Feng's anger, he can only compromise and let Lord Ye Feng let him go.

At this moment, Su Jixue looked at the many top geniuses gathered here and said loudly: "Then let's not waste time and rush towards the imperial city of Shenshui Dynasty together. The top genius competition will be held soon." here we go."

Hearing what Su Jixue said, many Tianhan Valley geniuses present nodded.

Then everyone flew directly to the sky together, flying quickly towards the imperial city of Shenshui Dynasty outside Tianhan Valley.

Along the way, a group of Tianhan Valley's top geniuses who just thought Ye Feng was just a new disciple looked at Ye Feng with awe.

Because Ye Feng not only proved his strength, but now he has become a disciple of Elder Leng, one of the founders of the sect.

Whether it's strength or identity, they are completely different.

Naturally, all the top geniuses of Tianhan Valley present were in awe.

Even an existence like Gu Tian, who ranked third among the top ten disciples, absolutely nodded and bowed to Ye Feng on the way to the Shenshui Dynasty's imperial city. He directly changed from an aloof guy to a bitch next to Ye Feng. , it can only be said that fate plays tricks on people.

Chapter 4218 Three days delay

The group of people are all top geniuses in Tianhan Valley, so they are very fast.

In less than half a day, everyone had arrived outside the imperial city of the Shenshui Dynasty from the Tianhan Valley area.

At this moment, a huge city wall suddenly appeared in front of Ye Feng, guarding a small area within it.

Su Jixue, who was beside her, looked at the city wall not far away, and immediately smiled and said: "This is the imperial city of Shenshui Dynasty, and it is also the place where the strongest people in the entire Shenshui Dynasty are gathered. Although it is cold here, Gu is one of the three top sects in the Shenshui Dynasty, but there is still a big gap compared with the royal family of the Shenshui Dynasty. However, the royal family does not dare to touch the top sects like us easily. After all, the top sects like us are not. The foundation of the door is still very profound."

Hearing what Su Jixue said next to him, Ye Feng immediately nodded slightly. .??.

Gu Tian seemed to have seen something at this moment, and said aloud: "There are already leaders from the Shenshui Dynasty waiting for us outside the city wall."

At this time, Gu Tian, who was ranked third among the top ten chief disciples of Tianhan Valley, led everyone directly to the city wall outside the imperial city of the Shenshui Dynasty.

They immediately saw a young man wearing purple armor standing there.

This young man wearing purple armor should be a very high-status guard in the Shenshui Dynasty, waiting here specifically for the talents from other top sects to participate in the Tianjiao Competition.

At this moment, I saw Gu Tian and a group of people coming over. As expected, the young man standing on the city wall and wearing purple armor flew towards them immediately.

The man smiled slightly and said loudly: "You must be the top geniuses from Tianhan Valley. You can just follow me."

Gu Tian nodded slightly at this time and said aloud: "I am the chief of Tianhan Valley.

Gu Tian ranked third among the top ten disciples. "

Hearing what Gu Tian said, the young man wearing purple armor immediately showed a hint of awe in his eyes.

Because being able to become the third among the top ten disciples of a top sect like Tianhan Valley must be very powerful.

This young man in purple armor is actually just the leader of the guards who leads the way.

Therefore, in front of such a super genius from the top Tianzong sect, his attitude should be lowered.

At this time, the young man wearing purple armor immediately led a group of people directly into the imperial city of Shenshui Dynasty.

When they entered the imperial city, they were immediately shocked by the scene in front of them.

I saw densely packed buildings everywhere in the imperial city of Shenshui Dynasty.

Every building is very tall, some are even several thousand meters high, towering under the sky and the earth, looking like the uncanny workmanship of nature, with a strong visual impact.

At this time, Ye Feng couldn't help but said: "The Shenshui Dynasty is indeed a powerful dynasty that controls the vast territory around it. The construction of the imperial city is really brilliant."

At this time, Su Jixue also nodded slightly and said loudly: "Actually, this is also my first time coming to the imperial city of Shenshui Dynasty."

While everyone was talking, the young man in purple armor leading the team had already led everyone to an inn in the imperial city and said loudly: "This inn is run by our royal family personally. Inn, you will live here directly from now on, this time because of some special

The reason is that the Top Genius Competition once every ten years will be postponed for three days, so you need to stay here for three more days. "

"What?"

Hearing what the young man in purple armor said, the expressions of several people present changed slightly.

Su Jixue frowned at this time and couldn't help but said: "Isn't the Top Talent Competition starting tomorrow? Why is it suddenly postponed for three days? You have to know that our time is very precious."

For these top talents, time is naturally very precious.

Because they need to go out and look for various opportunities at any time to improve their cultivation strength.

If you are a little neglectful, your cultivation level will improve slowly, and you will most likely be left behind by other peers in an instant.

At this time, when Su Jixue said this, the young man in purple armor in front of him also had a wry smile on his face and said loudly: "I don't know the specific reason. My level is too low. I am only responsible for informing you that not only you, Tianhan Valley, but also all the young top geniuses from Ten Thousand Beasts Sect and Divine Sword Villa need to postpone their stay for three days and stay in this inn for three days."

Hearing what the young man in purple armor said, Su Jixue could only nodded slightly and said, "Okay, then we will stay here for three days."

At this moment, Gu Tian smiled and said: "It doesn't matter if you wait for three days. It is said that the imperial city of Shenshui Dynasty is a very prosperous place. There are many auctions and various shops in it. The world's most high-end peerless treasures are sold, as well as all kinds of powerful and high-end inheritances and magic weapons. They are all traded here. I even heard that in some underground auctions, there are even auctions of the treasures captured by the Shenshui Dynasty. A beautiful fox girl in the endless forest of the Hundred Thousand Mountains."

br

Hearing what Gu Tian said, Su Jixue beside her couldn't help but glance at Gu Tian, and said angrily: "Go, go to this underground auction by yourself, and bring a pure newcomer like Ye Feng with you." broken."

After hearing what Su Jixue said and seeing the very cold look in Su Jixue's eyes, Gu Tian immediately shrank his head and did not dare to say anything more.

At this moment, Su Jixue looked at Ye Feng, smiled slightly, and said loudly: "In these three days, Ye Feng, please follow me and walk around this imperial city. Maybe there is something we need." A thing of practice."

When Ye Feng heard this, he immediately nodded.

I am also very interested in the various powerful and advanced cultivation resources and various inherited magic weapons sold in the imperial city of Shenshui Dynasty.

Ye Feng said aloud: "If there are some good auctions in the imperial city of Shenshui Dynasty in the past few days, I would like to attend them. Maybe I can get some good things from the auctions."

For Ye Feng, he has obtained a lot of cultivation resources from the ancient ruins during this period.

In addition to being able to directly devour and improve one's skills, there are many other cultivation resources.

For example, weapons, armor, and various basic currency-like treasures.

These things can be used as auction funds in the auction to buy what you want.

Therefore, Ye Feng's current financial resources are still very sufficient. After all, Ye Feng killed Mo Wushuang, the third young master of the Ten Thousand Beast Sect, and immediately became rich.

Hearing what Ye Feng said, Su Jixue immediately nodded and said with a smile: "Okay, let's have a rest tonight. I'm a little tired from traveling today. Early tomorrow morning, we will go to the Royal Palace of Shenshui Dynasty. Have a nice walk around the city."

Chapter 4219 Small Auction

In the following time, everyone immediately checked into this inn.

Early the next morning, Su Jixue came to the door of Ye Feng's room and knocked on the door.

Crunch!

Ye Feng opened the door and saw that Su Jixue had changed into very casual clothes. She no longer looked as cold as usual, but looked lively and youthful.

This made Ye Feng's eyes suddenly show a hint of surprise, as if he didn't expect Su Jixue to have such clothes.

At this moment, Su Jixue immediately said: "Ye Feng, we can just go outside for a walk."

Ye Feng immediately nodded and followed Su Jixue out of the inn.

They walked in the imperial city of Shenshui Dynasty and looked at the tall buildings around them with a hint of surprise in their eyes.

Because the buildings in the imperial city of the Shenshui Dynasty are all very towering, with a height of several thousand meters, and they seem to have a very strong visual impact.

People have to sigh that the level of infrastructure of this powerful dynasty is very high and gives people a very luxurious feeling.

At this time, the two of them were walking on the road, just like a young couple.

Suddenly Su Jixue turned around, looked at Ye Feng, and asked aloud: "Ye Feng, what do you think of the clothes I'm wearing today?"

Ye Feng glanced at Su Jixue beside him and said with some surprise: "Sister Su's outfit today is indeed different from usual. She is more lively and active than usual, giving people a youthful feeling."

When Su Jixue heard Ye Feng's comments, a smile appeared on her face that seemed to be satisfied. She immediately smiled and said, "This is the outfit I studied all night last night."

Hearing what Su Jixue said, Ye Feng's face suddenly showed a look of astonishment, as if he didn't expect that Su Jixue still had time to study how to wear clothes.

You know, Ye Feng was in his room last night, but he had been comprehending the secrets of the Nine-clawed Golden Dragon, trying to master all the secrets of the Nine-clawed Golden Dragon quickly.

In this case, he can display more Nine-clawed Golden Dragon

the power of.

Unexpectedly, someone in Su Jixue would be so free to study the outfits for the next day.

At this time, Su Jixue immediately smiled and said: "Anyway, the top genius competition has been postponed for three days. During these three days, just relax for yourself. After all, I usually practice in the sect or outside. They are all in a state of tension."

Ye Feng immediately nodded in agreement and said aloud: "It is true that sometimes you need to relax in practice. After all, there is a limit to relaxation. If you keep tightening your spirit to practice, it may lead to going crazy. "

While the two were talking, they passed by an auction.

This auction house has specially built a huge hall here, and it seems that there are auctions every day.

Ye Feng immediately smiled and said: "Senior Sister Su, let's go in and take a look. Maybe we can come across something good."

Su Jixue glanced at the auction in front of her and couldn't help but said: "This kind of auction is probably a relatively ordinary auction. There are several auctions held a day. It is not a big auction that concentrates all the auctions." high-end treasures together and then put them up for auction."

Ye Feng immediately smiled and said: "Anyway, we are passing by here now, let's take a look first. Such a big auction requires luck. Maybe there won't be such a big auction in the past three days. meeting."

Hearing what Ye Feng said, Su Jixue also nodded, smiled sweetly, and said, "Then I'll listen to you, Ye Feng, and go to this small auction to have a look."

Ye Feng nodded slightly, and then led Su Jixue into it.

The moment they entered the auction house, they were immediately greeted by a young man wearing a white gown and said loudly: "Two customers, what do you want to do when you come to our auction house? Do you want to participate in the auction?" "

Ye Feng smiled slightly and said aloud: "

Yes, we come to the auction. "

When the young man heard what Ye Feng said, he immediately said very happily: "If you two want to participate in the auction, you need to pay a deposit of 100,000 yuan first, because the rules of our auction are that no idlers will be allowed to enter the auction. Yes, so as not to disrupt order."

Hearing what the young man in front of her said, Su Jixue's eyes showed a trace of surprise. It seemed that she did not expect that the auction in the imperial city of the Shenshui Dynasty actually had such rules.

Ye Feng smiled slightly at this time and said: "Okay."

After saying that, Ye Feng took out a 100,000 deposit directly from his storage ring and handed it to the boy in front of him.

When the young man saw Ye Feng's generous move, he didn't even ask. He immediately knew that the two seemingly young lovers in front of him must be noble beings from a certain big family, otherwise he wouldn't be able to do so. Maybe so atmospheric.

At this moment, the boy knew immediately that the two people in front of him were definitely distinguished guests.

At this moment, the young man took the 100,000 deposit that Ye Feng gave him and said respectfully: "Please come in, two distinguished guests!"

After saying that, the young man led the way, leading Ye Feng and Su Jixue into a room inside the auction.

When Ye Feng and Su Jixue walked into this room, they immediately saw it. .??.

One wall of this room is transparent, allowing the outside scene to be seen.

Outside this room is a very spacious auction venue.

Ye Feng and Su Jixue can see all the conditions of the entire auction venue at any time in this room.

At this moment, the waiter immediately said: "Two distinguished guests, the next auction will start in half an hour. You two can wait inside first. I will ask the waiter to bring tea later. "

After saying that, the boy simply exited the room.

Only Ye Feng and Su Jixue were left in the room.

At this moment, Ye Feng looked around and said with a smile: "It seems that this auction is quite good. Everyone who comes to the auction can have a separate small box and does not need to be in the venue below. Huddled together."

Su Jixue nodded immediately and was quite satisfied with the environment here.

In this case, all auctioneers will have a very good sense of privacy.

At this moment, Ye Feng seemed to sense something and couldn't help but said: "There seems to be a demonic atmosphere in this auction."

"What?"

Hearing what Ye Feng said, Su Jixue immediately showed a look of surprise in her eyes, and couldn't help but said: "The imperial city of the Shenshui Dynasty has very strict inspections. The demons in the endless wilderness of the Hundred Thousand Mountains, It is impossible to let it in.

It seems that this monster is very extraordinary and can sneak into the imperial city of Shenshui Dynasty. I don't know what this monster is doing at the auction. "

Ye Feng said aloud at this time: "We will know next."

Ye Feng's cultivation has now reached a very high level, and he and Su Jixue are almost among the top geniuses in the Shenshui Dynasty.

Therefore, Ye Feng and Su Jixue are not afraid of the hidden demon at all.

Just in time to see what this monster wants to do at this little auction.

Su Jixue said with a smile at this time: "If that demon takes action, we will capture it and give it to the royal family of the Shenshui Dynasty. Maybe we can also get the training resources rewarded by the royal family, because the entire Shenshui Dynasty has no respect for the endless recklessness." There is almost no tolerance for monsters in the wilderness. If there are monsters that break into and lurk in the imperial city, as long as they are found, they will be rewarded by the upper echelons of the royal family. "

When Ye Feng heard what Su Jixue said, he immediately nodded slightly and said, "Maybe that demon just wants to come to our human society and auction some good things at the auction, and he may not do it rashly. "

Su Jixue nodded slightly and said nothing more, but waited for the auction to begin.

Chapter 4220 Bidding

Time passed quickly, and half an hour passed in the blink of an eye.

Ye Feng and Su Jixue immediately saw it. Through the transparent wall, they discovered that in the wide auction venue outside, there were already auction staff setting up the scene.

An old man wearing a white robe, looking very energetic, stood in the middle of the auction venue, and the aura of cultivation exuding from his body was very powerful.

This old man in a white robe should be the host of this auction.

There are also many beautiful looking maids waiting around.

These maids should be the ones who will bring up the auction items later.

Obviously, this auction is about to start, and everyone is ready.

At this time, Ye Feng was in the room, with a hint of anticipation in his eyes.

After all, this place is the royal city of Shenshui Dynasty. Even if it is just a small auction, there will definitely be a lot of good things. .??.

If there is something really good, Ye Feng will naturally bid for it.

This is much safer than going out to some dangerous places to look for opportunities.

And Ye Feng is indeed not short of money now.

After all, Ye Feng has killed many powerful enemies for so long.

He also robbed a lot of wealth in many dangerous places.

So although Ye Feng can't be said to be as rich as a country, he is definitely comparable to a rich man.

At this time, Su Jixue's eyes showed a trace of expectation, and she said loudly: "Ye Feng, this is also my first time to participate in an auction in the imperial city of Shenshui Dynasty. I have never participated in an auction before. Yes."

Hearing what Su Jixue said, Ye Feng's eyes suddenly showed a look of surprise, and he couldn't help but ask: "Sister Su, have you never participated in an auction before?"

Ye Feng was indeed very surprised.

Unexpectedly, Su Jixue has never participated in an auction until now.

You know, Ye Feng has participated in many events since he started practicing.

At the auction, he was already very proficient.

When Su Jixue heard Ye Feng's question, she immediately said with some embarrassment: "I have been adopted by Master since I was a child. Since then, I have been practicing in seclusion in Tianhan Valley, or taking other disciples outside. I have explored various dangerous secrets, and I have never participated in such a formal auction. Ye Feng, you must teach me how to operate it later."

When Ye Feng heard what Su Jixue said, he couldn't help but laugh and said loudly: "Participating in the auction is very simple. As long as you like something, you can directly pay for it and bid with others on the spot. Whoever pays more will , anyone can get the auction item, but there is one thing to be careful about. Some people participating in the auction may have a higher status, so if you keep bidding with him for what the person with a higher status wants, by then He may be very unhappy and even have the intention to kill you. I have experienced this situation before and was chased by others, but without exception, I killed all those people. "

Hearing what Ye Feng said, Su Jixue suddenly showed a look of surprise in her eyes and said loudly: "I didn't expect that there are so many things to pay attention to in a small auction. It seems that Ye Feng, your social experience A lot more than me."

Ye Feng just smiled slightly at this moment and said aloud: "Senior Sister Su has always been the proud daughter of heaven among the large sects. She has always been pampered, practicing in seclusion in the sect, or looking for opportunities in some ancient ruins. , it's normal to be less worldly."

Just as Ye Feng was speaking, the old man in white with long hair who was hosting the auction outside had already smiled and said to the guests attending the auction in all the boxes: " Welcome everyone to come to our Golden Dragon Auction. Today's auction will be our semi-annual finale auction. Therefore, there are a lot of items in today's auction, and there are also many good things in it. Everyone will wait and see. As for the rules of the auction, everyone must have been here many times, so I won't go into details. The auction will start directly now."

Just here wearing white

The moment the old man in the colored robe finished speaking, there were hundreds of boxes in the entire auction. The distinguished guests participating in the auction in each box all had expectant looks in their eyes, looking towards the huge auction venue below. Look over.

At this moment, many guards in armor pulled a cart full of things from the backstage into the auction venue, and pulled them in front of the white-robed old man.

The old man in charge immediately smiled and said: "The first item to be auctioned today is a pile of nine-color crystal stones that we found from the wild jungle. This cart of nine-color crystal stones, There are thousands of them, all of which are high-grade crystals excavated from the veins. They are different from ordinary vein crystals. They are entrusted to us by the dwarf clan in the Hundred Thousand Mountains for auction, and this is just one of them. Cars, the dwarf clan entrusted us to auction a total of ten cars of crystals, which is a total of hundreds of thousands of nine-color crystals, all together, with a starting price of 600,000. "

The moment the old host finished speaking, many distinguished guests among the hundreds of boxes present had a look of anticipation in their eyes.

However, there are also many distinguished guests who have no interest in this at all.

Those who are interested should be the leaders of some big families or big forces. They need this kind of high-grade crystal stone to train their younger generation.

So at this time, an old voice suddenly came from a certain box: "I will offer 650,000."

"I'll pay 700,000."

Another magnetic female voice sounded. There was a touch of majesty in her tone, and she was obviously of extraordinary status and temperament.

At this moment, while everyone was bidding, Ye Feng and Su Jixue were in the box.

Su Jixue immediately couldn't help but said: "Ye Feng, I know this nine-color crystal very well. It is definitely the highest-grade crystal in the crystal veins. It can bloom the nine-color light, and the energy contained in it is absolutely It's very advanced and pure, and will be of great help to you, Ye Feng."

Now Su Jixue has a very good understanding of Ye Feng's devouring ability.

So Su Jixue now sees this ability

Naturally, he immediately informed Ye Feng of the high-level crystal stone that could improve his cultivation skills.

Ye Feng was naturally observing the auction venue outside at this time. He nodded immediately and said loudly: "A total of hundreds of thousands of high-grade crystal stones are indeed of great use to me. Maybe they can help me." Break through my current cultivation bottleneck."

Ye Feng's current cultivation level is at the half-step Yuanfu level, so he is in a very important bottleneck period, and is in urgent need of a very large amount of energy to accumulate and break through this huge bottleneck.

So at this moment, Ye Feng didn't hesitate at all and said: "I will offer one million!"

Hearing the voice coming from Ye Feng's box, all the bidding voices in the room fell silent for a moment.

Because the bidding for the hundreds of thousands of nine-color crystals just now reached more than 700,000, but Ye Feng did not expect that the price increased to one million at once, which surprised everyone.

"Listening to this voice, it seems to be the voice of a young man. How can he be so rich?"

"With such a generous offer, could he be a noble son of a big family?"

"I think it is very likely that he is the young master of a big family in our imperial city. This is the first auction item that has just been auctioned. The main event has not yet come out, and he is willing to increase the price so much all at once. He is obviously a fool. "

At this moment, there were people talking in many surrounding boxes.

Ye Feng was a little indifferent at this time.

Anyway, I have a lot of wealth in my hands now, and it is of no use to me.

Only by converting it into cultivation resources and improving your cultivation and overall strength can you make the wealth you control truly meaningful.

So at this time, Ye Feng naturally raised a very high price and wanted to auction all the hundreds of thousands of nine-color crystal stones. Ye Feng could refine them on the spot and couldn't wait any longer.

Ye Feng has always been so decisive in doing things, fast-moving, and has strong execution ability. He will not drag out the bidding with others, so Ye Feng directly increased it to one million! The whole place suddenly fell silent.
