

Ancient 4401

Chapter 4401 Dark Curse

map?

At this time, when Ye Feng heard the woman in green shirt in front of him say this, his eyes suddenly showed a look of surprise.

Previously, Ye Feng did find a broken map among the ruins of the underground buildings of Moyun Castle.

The broken map was even solemnly packed in a special iron box.

Ye Feng felt at that time that this broken map must be very extraordinary and pointed to something precious.

Unexpectedly, it turned out to be the inheritance place that guided an extremely special and powerful ancient figure.

At this time, Ye Feng immediately nodded and said loudly: "I did get the broken map. I got it from an iron box under the ruins of Moyun Castle."

After Ye Feng finished speaking, the eyes of the woman in green shirt in front of her suddenly lit up, and a trace of joy appeared on her beautiful and fair face.

The woman in green shirt quickly said: "Take it out quickly and let me see."

Ye Feng nodded and took out the broken map from the storage ring.

At this time, the woman in green shirt took the map directly into her hands.

Then she also took out a damaged map from her storage ring.

When the two are combined, a complete map is formed.

The map pointed to a certain special direction. That special direction was marked with a red dot on the map, and it seemed to be in a certain jungle in this frontier land.

At this moment, Ye Feng suddenly understood that this woman in green shirt had an extraordinary origin, and her cultivation was so powerful.

The woman in blue shirt fought with Old Man Mo Yun, probably not to kill Old Man Yun, but to get the remaining half-broken map in Old Man Mo Yun's hand.

At this time, Ye Feng immediately understood why this

The woman in green shirt casually gave Old Mo Yun's head to herself. It seemed that she didn't care about it at all.

At this time, Ye Feng immediately asked: "Senior, who is the special and powerful ancient figure pointed to by this map? Is it the sleeping and inheritance place of an ancient strong man in our Blood Demon Dynasty? "

The green-clothed woman immediately shook her head and said loudly: "It is not the ancient strong man of our Blood Demon Dynasty, but the sleeping place of a super powerful man from the Demonic Sect who was astonishingly talented."

"What?"

Hearing what the woman in green shirt said, Ye Feng's eyes suddenly showed a look of astonishment, and he couldn't help but said: "Even if we find an ancient figure from the Demonic Sect, his inheritance is the inheritance of the Demonic Way, and there is no way to practice it. "

In fact, Ye Feng can practice, but now he just asks this question based on normal people's logic.

Hearing what Ye Feng said, the green-shirted woman immediately smiled and said: "This big shot in the Demonic Way is very unusual. He is called the Dark Demon Saint. What he practiced back then was not the inherited technique of the Demonic Way. A very special method of cultivating a dark attribute curse. This extremely special method of cultivating a curse attribute, once successfully

practiced, can allow any practitioner to release the ancient and powerful dark curse. It has very powerful effects. Power is a very special method of inheritance, which can also be practiced by ordinary practitioners, not only by demonic practitioners."

"How to practice the dark curse?"

At this moment, when he heard the woman in green shirt in front of him say this, Ye Feng's eyes suddenly showed surprise.

Ye Feng once encountered some kind of terrible dark curse, and black hair grew all over his body.

did not expect

, there is actually a way to practice this dark curse.

At this moment, Ye Feng was thinking in his heart, and his eyes were getting brighter and brighter.

Because Ye Feng has experienced this dark curse before, how terrifying it is.

So if you can really get this dark curse cultivation method called Dark Demon Sanctuary cultivation, it will indeed be of great help to improve your own strength.

And once this dark curse is released, it will be difficult for the enemy to resist it.

Because this is a special cultivation method that is different from ordinary cultivation inheritance. It is an invisible cultivation method, somewhat similar to an attack method at the soul level.

No wonder this woman in green shirt hopes to get this kind of cultivation method so much.

At this moment, Ye Feng nodded and said loudly: "I want to search with senior." .??.

The woman in green shirt smiled and nodded, and said aloud: "I am willing to share this secret with you, and if I tell you this secret, I will definitely take you to find it, but you must be careful, the inheritance place of the Dark Demon Saint, It is also the sleeping place of the Dark Demon Saint. It

must be inexplicably dangerous. After all, this kind of character practiced such a weird dark curse cultivation method back then. There must be some particularly terrible protection methods left behind to protect his inheritance and his sleep. Earth, so it's very likely that we haven't found a way to cultivate the dark curse by then, and as a result, we ourselves have been infected by the dark curse, but you don't have to worry too much, I came out fully prepared this time."

After finishing speaking, the woman in green shirt took out a small crystal bottle from her storage ring.

This small bottle is filled with pure white water.

At this moment, the woman in green shirt immediately smiled and said: "This small crystal bottle contains a particularly pure holy water, which can purify the dark curse, so if we are in the sleeping place of the dark demon saint,

, is cursed by darkness, and baptizing directly with this holy water will clear the curse of darkness. "

Hearing what the woman in green shirt said, Ye Feng's face suddenly showed a look of deep surprise.

Unexpectedly, the woman in green shirt could find this kind of holy water that could instantly remove the dark curse.

It is indeed a mysterious existence from the Blood Demon Dynasty.

Ye Feng felt that this woman in green shirt was definitely very extraordinary and could obtain such magical holy water.

You know, when Ye Feng was practicing in the low-level interface, he once encountered a dark curse. His whole body was covered with black hair, and every time he was almost sucked out of all his life force.

In the end, only by relying on the backbone of the God of Death could he resist such a strange and terrifying thing as the Dark Curse.

So Ye Feng knew how powerful the dark curse was and how terrifying it was.

But now, in this advanced interface, the dark curse seems to have become something not so powerful.

Use this holy water to instantly remove the dark curse.

At this moment, Ye Feng's eyes suddenly revealed a look of emotion.

At this time, the woman in green shirt in front of her combined the two maps into one and determined the specific location of the place where the Dark Demon Saint slept.

She immediately moved her eyes and couldn't help but said: "The final sleeping place of the Dark Demon Saint is in the dark forest not far from the frontier. This is a bit tricky. The dark forest is a very scary place. In this place, neither our Blood Demon Dynasty nor the Demonic Sect dare to enter the dark forest. It is a very dangerous place where many terrifying and ferocious dark creatures live. It is more dangerous and weird than the ordinary wild forest. Much more, but it's not surprising that the Dark Demon Saint can practice such a weird and weird method of cultivation as Dark Curse, and that he finally decided to sleep in the dark forest."

Chapter 4402 Arrival in the Dark Forest

At this time, I heard the woman in green shirt say that the final resting place of the Dark Demon Saint was in the dark forest.

Ye Feng suddenly showed a look of surprise in his eyes.

Because Ye Feng also knows that the dark forest is a very dangerous place.

Moreover, before Ye Feng came to the city on the border of the Blood Demon Dynasty, he learned from the demon slayer headquarters that Murong Changming, the head of his scavenger department, this old Murong brother, brought many demon slayers with him. The strong men in the headquarters went to hunt down a big shot in the demonic world, apparently called Mr. Evil Sword, and they were chasing him in the dark forest.

Therefore, Ye Feng is still quite afraid of the dark forest.

However, Ye Feng knew that he should not be able to meet Murong Changming in the dark forest.

After all, the Dark Forest is very vast, spanning the entire borderland between the Blood Demon Dynasty and the Demonic Sect, so it was impossible for him to meet Murong Changming by such a coincidence.

Of course, if he really met Murong Changming, the elder Murong, in the dark forest, Ye Feng would naturally be very happy.

After all, Murong Changming is a powerful elder at the sect master level. If he meets Murong Changming, he will have more confidence.

After all, he was now the only one in the scavenger department, and Murong Changming valued him very much.

At this time, Ye Feng looked at the woman in green shirt in front of him and said loudly: "Senior, let's go directly to the dark forest to find the place where this dark demon sanctuary sleeps."

The woman in green shirt immediately nodded, then glanced at Ye Feng, then smiled slightly and said loudly: "You should know the dangers of the dark forest, but you did not mention any of this at all, but chose to tell me directly. Go without hesitation, it seems that you are very brave."

Hearing what the woman in green shirt said, as if she was praising him, Ye Feng immediately grinned and said loudly: "If you want to get good things, how can you not take some risks? The more dangerous the place, the more opportunities there may be. precious."

Hear Ye

When the wind said this, the woman in green clothes nodded immediately, then jumped directly and flew high into the sky.

Ye Feng quickly followed.

At this time, the woman in green shirt spoke out: "The battle I just had with Old Man Moyun was very fierce and it caused heavy damage to me. Although I have recovered a lot of strength now, I am still not as powerful as when I was at my peak, so if it really If you encounter any irresistible danger, Ye Feng, just leave me alone and run away, otherwise neither of us may be able to escape."

Ye Feng immediately nodded and said with a smile: "Senior, don't worry, I won't become a burden to you. I have practiced the power of the void, so I am quite good at escaping."

Hearing Ye Feng say that he was very good at escaping, the woman in green shirt seemed not to have thought that Ye Feng would say such a funny thing. An inexplicable smile suddenly appeared on her cold and beautiful face, and she seemed to feel that Ye Feng This guy is quite interesting.

On the way to the dark forest to find the sleeping place of the Dark Demon Saint, Ye Feng followed the woman in green clothes from a distance.

Then Ye Feng secretly began to absorb and devour the old man Mo Yun's skill and blood energy in the storage ring.

"Buzz!"

At this time, Ye Feng suddenly felt a very huge energy, which was swallowed up by him and injected into his Dantian, causing his cultivation aura to begin to break through quickly and continuously.

After all, this old man Mo Yun's cultivation is very strong, and his skills are naturally very profound.

After Ye Feng swallowed it, his skill naturally increased a lot, and his cultivation aura naturally increased rapidly.

"boom!"

The fifth level of the Galaxy Realm!

"boom!"

Galaxy Realm Sixth Heaven!

"boom!"

The seventh heaven of the Galaxy Realm!

"boom!"

The eighth level of the Galaxy Realm!

"boom!"

The Ninth Level of the Galaxy Realm!

"boom!"

Great Perfection in the Tenth Heaven of the Galaxy Realm! !

At this time, with the continuous crazy breakthroughs in cultivation, Ye Feng's cultivation aura finally stopped completely.

Old Man Moyun's skills have been completely swallowed up and refined by Ye Feng, turning them into his own power.

Ye Feng's cultivation has skyrocketed to the tenth level of the Galaxy Realm. He is only one step away from entering the Yuanhai Realm above the Galaxy Realm.

At this moment, Ye Feng's eyes suddenly showed deep joy.

This old man Mo Yun is worthy of being a well-known figure in the magic world. As expected, the energy provided by him is very huge, allowing his cultivation level to improve so much all at once.

Ye Feng knew that if he practiced normally, he would have to absorb the spiritual energy of heaven and earth for at least several years to be able to break through so much.

But now, in just a short moment, Ye Feng devoured and plundered the skills that Old Man Mo Yun had worked hard to cultivate for a lifetime, and his cultivation level improved so much in one fell swoop.

At this time, Ye Feng hid his breakthrough momentum, not wanting to attract the attention of the mysterious woman in green shirt in the distance.

The woman in green shirt seemed to be aware of the aura movement of Ye Feng who was following behind her in the distance, but she just glanced at it casually and didn't say anything more. It seemed that she did not sense the specific breakthrough of Ye Feng's cultivation realm.

After all, Ye Feng's hiding ability is still very strong.

of.

At this time, Ye Feng's eyes were full of happiness.

This time, not only did he accidentally obtain the head of Old Man Yun, but when he took it back, he could be rewarded according to his merits and receive a huge amount of dynasty contribution points, which might allow him to become a noble of the Blood Demon Dynasty.

In addition, after Ye Feng devoured the skills and vitality that Old Man Mo Yun had worked hard to cultivate for so many years, he helped Ye Feng's cultivation level to be greatly improved, and Ye Feng's combat effectiveness instantly increased greatly. Growth has simply given Ye Feng both fame and fortune.

All I can say is that Ye Feng's current mood can only be described in one word, that is, "refreshing!"

But Ye Feng also knew that this time he was lucky and happened to meet this mysterious woman in green clothes who came to hunt Old Man Yun and look for the map of the Dark Demon Saint.

Otherwise, even if he pretends to be dead in that underground space and then makes a sneak attack, he may not be able to succeed in the sneak attack, and he may even be killed by Old Man Mo Yun.

After all, Old Man Mo Yun's true strength is so powerful, much stronger than he had imagined before. Even the mysterious and powerful woman in green shirt almost died together with Old Man Mo Yun.

Just when Ye Feng was thinking secretly, the woman in green shirt who was leading the way suddenly said: "We have arrived in the dark forest, and we can no longer fly at high altitudes. We have to walk on the ground, otherwise If you attract too much attention from the dark creatures in the dark forest, you may be instantly targeted by the terrifying dark creatures, which would be more troublesome. "

When Ye Feng heard what the woman in green shirt said, he immediately nodded and landed from high altitude.

The two of them walked directly forward.

In Ye Feng's field of vision, on the barren land ahead, a large stretch of dark forest suddenly appeared. All the trees and flowers growing there were pitch-black trees and flowers. Even the ground was black. It looked very magical, but it was also It gives people a very depressing and dangerous feeling.

Chapter 4403 Two-Headed Snake

This is the dark forest.

At this time, Ye Feng and the woman in green shirt did not hesitate and walked directly into the large black-eyed forest in front of them.

The moment they walked in, Ye Feng immediately felt a very depressing atmosphere in the surrounding air, which cast a shadow over people's hearts.

Ye Feng even discovered that his perception had become much weaker in the dark forest, and seemed to be suppressed by some mysterious force.

At this time, the woman in green shirt also looked at Ye Feng beside her, and said aloud: "You must be careful next time, no matter how strong you are, in this dark forest, any power of spiritual thoughts will be extremely suppressed. We are weak, so if there is any danger lurking around, we may not be aware of it."

Ye Feng nodded, tried to release his soul power, and found that his soul power was also suppressed.

However, Ye Feng's soul power is very powerful after all, so his perception is much stronger than that of ordinary practitioners.

call out!

Suddenly, while the two were walking, a small black figure suddenly rushed over from the dark jungle around them.

This black figure, like a black lightning, instantly struck in the direction of Ye Feng and the woman in green shirt.

Boom!

At this moment, the woman in green clothes had very good perception. After all, she was a very advanced being, so an ice blue long sword immediately appeared in her hand, and she directly slashed at this small jet black... above the figure.

"when!"

Suddenly, a sound like the collision of metal sounded.

Almost at the next moment, the small dark figure was chopped off by the ice-blue sword in the hand of the woman in green clothes and flew backwards, falling to the ground.

"It's a black snake!"

Ye Feng immediately saw at this moment that the small black figure that rushed out from the surrounding dark jungle, like a black lightning, turned out to be a snake covered with dense black scales.

And it's a very strange two-headed snake.

Snake heads and tails are all long

One head, with a mouth full of dense fangs, looking very ferocious.

Moreover, the fangs are black and obviously full of poison.

In addition, this black two-headed snake must be very powerful, because even the ice blue sword in the woman's hand could not cut the little black snake in half.

It is enough to show how strong and extraordinary this little black snake is, and it may contain the blood of a special ancient monster.

At this moment, Ye Feng immediately understood that this dark forest was indeed very dangerous.

They had just entered the dark forest area when such a powerful two-headed snake popped out.

At this moment, the two-headed snake seemed to find that the two of them were not easy to deal with, and immediately ran back into the surrounding dark jungle and disappeared.

Ye Feng and the woman in green shirt did not chase the black two-headed snake because they could not catch up.

Moreover, this black double-headed snake cannot even be cut off by the ice-blue sword in the woman's hand. Naturally, it cannot kill it or break through its defense.

At this moment, the woman in green shirt just looked at Ye Feng beside her and said loudly: "Now you know how dangerous this dark forest is. Let's continue to move forward to guard against that black two-headed snake. It may continue to appear. They are lurking in the dark and want to continue to attack us."

Obviously, the woman in green shirt had been to the Dark Forest before and was very familiar with the surrounding situation.

She knew that this two-headed snake would definitely not give up. Maybe it was still watching them in the dark jungle and wanted to launch further sneak attacks.

After all, the black two-headed snake had been seen just now, and the woman in green shirt, the strongest of the two, was unable to break through its defense, so this two-headed snake would definitely not give up and would definitely attack the two of them.

Hearing what the woman in green shirt said at this moment, Ye Feng just nodded slightly.

Next, the two of them continued to move forward, following the map in their hands and walking quickly towards the place where the Dark Demon Saint finally slept.

Time passes quickly, like running water without leaving a trace.

Half an hour later, Ye Feng and the woman in green shirt had arrived deeper into the dark forest.

This place is almost close to the final sleeping place of the Dark Demon Saint.

call out!

Suddenly at this moment, another small figure like black lightning rushed out of the surrounding jungle and rushed straight towards the two of them.

Like a crossbow arrow fired from a war repeater, the speed is very fast, giving people a very terrifying feeling.

At this moment, the woman in green shirt couldn't help but said: "Sure enough, it is still the two-headed snake. It is still evil and wants to bite us two to death."

At this moment, the woman in green shirt was ready to continue using her sword to blast away the two-headed snake.

But before the woman in green clothes could take action, Ye Feng beside him had already taken action.

Uh-huh! .??.

A golden sword appeared in his hand, and he directly attacked the two-headed snake that rushed over.

This time the two-headed snake didn't dodge at all, because last time it was able to defend against even the most powerful ice-blue sword of the woman in green shirt, let alone Ye Feng, who was even weaker next to the woman in green shirt.

This two-headed snake didn't look down on a weak existence like Ye Feng at all.

But just the next moment.

"Pfft"!

What made the two-headed snake scream in agony was that Ye Feng's golden sword was much sharper than it imagined, cutting its entire body in half.

The proud black scales of the two-headed snake had no ability to resist the golden sword in Ye Feng's hand. They were as crisp as tofu and were directly destroyed by the golden sword in Ye Feng's hand. The sword was cut in half and fell to the ground with a "snap", screaming in pain.

Obviously, this two-headed snake suffered a disaster this time. He never expected that a weak human boy would hold a terrifying weapon that could cut its scales into pieces in an instant.

Uh-huh! .??.

This

In an instant, Ye Feng rushed forward, crushed the screaming two-headed snake with his kick, and killed it directly.

"Um?"

Seeing this scene, the woman in green shirt beside her immediately showed a trace of surprise in her eyes.

Her beautiful eyes stared at the golden sword held in Ye Feng's hand, her eyes seemed a little incredible, as if she did not expect that Ye Feng actually held such a sharp magic weapon in his hand.

You know, the ice-blue long sword used by the woman in green shirt was the most advanced weapon she selected from the treasury of the Blood Demon Dynasty, but she did not expect that it was not as good as the golden long sword in Ye Feng's hand. .

And it is probably far inferior.

Because when the woman in blue shirt attacked the two-headed snake before, she couldn't even break the scales on the surface of the two-headed snake's body, leaving not even a trace.

But Ye Feng suddenly cut the two-headed snake in half.

It can be seen from this that the golden sword in Ye Feng's hand is a magical weapon, it is extremely sharp.

At this time, Ye Feng did not hesitate at all and put the two-headed snake into his storage ring. Then he smiled and said to the woman in green shirt next to him: "You have repeatedly provoked us. This two-headed snake really doesn't know how high the sky is unless you give it a lesson."

Hearing what Ye Feng said, the woman in green shirt just smiled slightly, and then said aloud: "Ye Feng, it seems that I have underestimated you a little. Some of your tricks surprised me."

When she said this, the woman in green shirt once again stared at Ye Feng beside her, with deep curiosity in her cold and beautiful eyes.

She couldn't help but continue to speak: "And the moment you drew your sword just now, I felt the fluctuations in your cultivation aura. It turned out to be the tenth level of the Galaxy Realm. It was stronger than when I first saw you. You have learned so much, when did your sneaky cultivation level increase so much without me even realizing it? It's really amazing. It's the first time I've met someone who gives me such a special feeling like you."

Obviously, the woman in green shirt is becoming more and more curious about Ye Feng, and she seems eager to explore how many secrets Ye Feng has.

Chapter 4404 A little depressed

At this moment, seeing that the green-shirted woman was very curious about him, Ye Feng just showed a helpless smile on his face and said: "Senior thinks too highly of me. In fact, I am just an

ordinary teenager. Some of my methods are not so magical." Hearing Ye Feng say this, the green-shirted woman immediately smiled and said: "Don't be so modest. The various methods you have shown now are already very powerful. I am used to seeing many super geniuses and so-called peerless figures, but you give me a different feeling. It is a very special feeling. It seems that you are covered with a layer of fog, and you want people to clear the fog and explore the various secrets hidden in it." Hearing the green-shirted woman say this, Ye Feng's face immediately showed a strange look. The woman in green didn't ask any questions, but just smiled and said, "Ye Feng, don't be too nervous. I won't force you to tell me all your secrets, but I will observe and explore all the secrets hidden in you. This will definitely be an interesting process."

After that, the woman in green showed a hint of inexplicable smile on her cold and beautiful face.

Next, the woman in green and Ye Feng continued to walk in the dark forest.

Time passed quickly, like flowing water without a trace.

In a blink of an eye, they had passed most of the dark forest.

At this time, there were fewer and fewer trees in front, and there appeared a desolate ruins that seemed to be hidden in the dark forest. .??.

At this moment, Ye Feng and the woman in green even saw several lonely graves standing in the ruins not far away.

Seeing this, Ye Feng's eyes suddenly showed a look of surprise, and he couldn't help but say: "This seems to be an abandoned burial place."

The green-shirted woman looked at the map in her hand at this moment, and immediately said: "It seems that we are about to reach the final resting place of the Dark Demon Saint, in this ruins."

At this moment, Ye Feng's eyes showed a trace of expectation. He didn't expect that they had reached the final resting place of the Dark Demon Saint so quickly.

At this time, Ye Feng immediately looked at the map in the green-shirted woman's hand, and then identified the direction and said: "It seems to be in the southwest area of this ruins."

The green-shirted woman nodded, and walked quickly in that direction with Ye Feng.

Click! Click...

But just when they just walked into this abandoned burial place, suddenly, the lonely tombs around them cracked.

Under the ground, in the tombs, humanoid creatures covered with black hair crawled out one by one.

"This..." Seeing this scene, Ye Feng immediately thought of some past events and said in a hurry: "These humanoid creatures covered with black hair must have been cursed by darkness. Only when they have been cursed by darkness will they grow black hair all over their bodies after death and become these weird things that are neither human nor ghost. Moreover, the bodies of these creatures covered with black hair will become very strong." Boom! Boom! Boom! As Ye Feng was speaking, the dark creatures that crawled out of the surrounding graves immediately rushed towards Ye Feng and the woman in green. Ye Feng said quickly: "Don't let them touch our bodies, otherwise, we will also be cursed by the dark curse and grow black hair all over our bodies. This black hair is not real hair, but something called death veins, which can quickly drain the life essence of all living things." Hearing Ye Feng's accurate description, the green-shirted woman couldn't help but look at Ye Feng in surprise and said, "Do you know so much about this thing?" Ye Feng nodded, with a bitter smile on his face, and said, "Because when I was at a low level of cultivation, I was also deeply affected by it and was cursed by this dark curse, so I am very familiar with and understand the impact of this dark curse." Hearing what Ye Feng said, the green-shirted woman had a look of surprise in her eyes, and said, "You are at such a low level of cultivation, and you are cursed by this dark curse, and you can still live to this day, which is really a miracle." The green-shirted woman knew very well how terrible this dark curse was. Only the extremely precious holy water in her hand could cleanse herself and remove this strange and terrible dark curse. Ye Feng did not hesitate at this moment. He directly transformed the God Ring on his finger into a golden sword and attacked the surroundings.

Crack! Crack!

The golden sword in Ye Feng's hand did not need to activate the power in it. It was an extremely sharp divine weapon. It directly cut off the heads of several dark creatures that rushed over first.

At this moment, the green-shirted woman also took action.

She directly used a powerful inheritance, which seemed to be a water-attributed inheritance.

Buzz! Buzz!

Around the green-shirted woman, in the void, a number of rapidly rotating ocean vortices condensed.

All the dark creatures that rushed over were drawn into the ocean vortex and were instantly crushed.

Seeing this scene, Ye Feng's eyes suddenly showed a trace of surprise.

The cultivation of this green-robed woman was really powerful, and she was able to deal with these dark creatures in an instant.

Moreover, the inheritance of this woman in green shirt is also very magical, and her origin must be extraordinary.

At this moment, the woman in green shirt said aloud: "Don't worry about these dark creatures. They can't get close to us anyway. Let's go directly to the real Dark Demon Saint."

sleeping place. "

Ye Feng immediately nodded, holding the golden sword in his hand, and rushed into the burial place with the woman in green, heading towards the place where the Dark Demon Saint, a powerful figure from the ancient Demonic Sect, slept, quickly fly away.

Along the way, every tomb they passed exploded, and dark creatures with death veins all over their bodies appeared.

And the deeper you go into this burial place, the more powerful the dark creatures crawl out of the tomb.

In the end, even Ye Feng's current cultivation level was not enough to resist.

At this time, Ye Feng could only stand beside the woman in green shirt, relying on the woman's incomparable power to fight against these increasingly terrifying dark creatures.

At this time, the woman in green shirt seemed to be struggling.

After all, she had just had an extremely brutal battle with Old Mo Yun and was seriously injured.

Moreover, this woman in green shirt obviously does not have the strong recovery power of Ye Feng, so she recovers very slowly. Now she is actually still seriously injured and cannot exert her peak strength.

At this time, there were more and more graves around.

Dark creatures covered with black hair all came towards the two of them.

It was like a dark frenzy that surrounded the two of them in the middle of the burial place, making them unable to move forward.

Even if blue ocean vortices condensed around the woman in green, there was no way to fight against the increasing number of dark creatures.

At this time, the woman in green shirt suddenly felt tremendous pressure, and she also understood that the real sleeping place of the Dark Demon Saint was not so easy to approach.

"The dark creatures in these tombs are probably the means left by the Dark Demon Saint before, just to prevent anyone from coveting his sleeping place."

The woman in green shirt spoke in a low tone at this time.

Chapter 4405 Everything collapsed

Time passes quickly, like running water without leaving a trace.

In the blink of an eye, half an hour passed

But the woman in green shirt and Ye Feng were still trapped in this small space.

Because there are more and more dark creatures crawling out of the surrounding tombs, and they are becoming more and more powerful.

The ocean vortex released by the woman in green shirt could crush the entire bodies of these dark creatures in an instant.

But not anymore.

Now, these dark creatures with black hair climbing up from the depths of the earth are getting stronger and stronger, and their bodies are getting stronger and stronger. ??

Even the blue-shirted woman's ocean whirlpool was unable to strangle them in an instant.

You know, it's not that the woman in blue is too weak, it's that these dark creatures covered in black hair are really terrifying.

Each of their bodies has been subjected to the dark curse of the Dark Demon Saint, so it is very solid and powerful. The entire body is as if it is made of steel, and it is difficult to break it.

Moreover, you must know that the woman in green shirt is still in the midst of severe damage, and her strength is far from returning to its peak, so it is difficult to fight against these dark creatures.

At this time, the woman in green shirt's eyes were a little downcast, and she couldn't help but said: "Are we going to be trapped here and die of exhaustion?"

At this moment, the woman in green shirt also understood that she was really too trusting.

He rashly broke into the depths of this dark forest to find the sleeping place of the Dark Demon Saint.

The woman in green shirt felt that she should bring more senior figures here.

She believed in her own strength too much.

Mainly because of her battle with Old Man Moyun, which left her seriously injured.

But at this time, Ye Feng suddenly said: "Senior, I have something that can purify these hairy dark creatures that are cursed by darkness."

"What??"

Hearing what Ye Feng said, the woman in green shirt's eyes suddenly revealed

There was a hint of surprise, as if he didn't expect Ye Feng to have such a magical method.

Because you need to know that the only way the woman in green clothes can do is to be cursed by darkness herself, and then use holy water to remove the power of the dark curse from her body.

But Ye Feng actually said that he could drive away all the dead corpses around him that were cursed by darkness.

So at this time, when Ye Feng said this, the woman in green shirt was naturally very surprised.

Because this ability is really too magical.

However, the woman in green shirt was still a little suspicious.

After all, Ye Feng's cultivation level is so small, and he seems to be from a relatively ordinary member of the Blood Demon Dynasty.

But at this time, Ye Feng didn't hesitate at all, and said instantly: "But if I want to dispel the power of the dark curse from the bodies of so many high-level dark creatures around me, I guess it will take a lot of effort on my own." It's far from enough, so I may need your help, senior."

Ye Feng knew that the only way now was to release his most powerful treasure, the Gate of Heaven.

Use the light attribute of the Holy Light in the Gate of Heaven to drive away these dark creatures that have been cursed by darkness.

However, there are too many dark creatures around, and their levels are also very high, so Ye Feng must rely on the majestic mana of the woman in blue to be able to do this.

So at this time, Ye Feng had to reveal the secret of his Heaven's Gate.

But Ye Feng also knows that many people don't know Gate of Heaven.

Therefore, Ye Feng felt that the woman in blue shirt probably did not know that the Gate of Heaven that she was about to release was the legendary magic weapon of the Lord of Heaven.

And the main thing is that there is really nothing we can do now.

Otherwise, Ye Feng would also

Don't expose your strongest treasures and trump cards.

Almost at this moment, Ye Feng no longer hesitated and directly released the Gate of Heaven that he had not used for a long time.

Buzz!

At this moment, a huge white door appeared directly above Ye Feng's head, emitting a bright white divine light.

This white divine light is not an ordinary white light, but a holy light filled with the supreme light attribute. It is the power that belongs to the Lord of Heaven and can dispel any dark attribute under the sky.

At this moment, when she saw the Gate of Heaven manifested above Ye Feng's head, the woman in green shirt was obviously shocked by the high-level and pure power of light.

At this time, she was in disbelief. She stared at Ye Feng and said loudly: "I didn't expect you to have such a powerful magic weapon with light attributes. The level of this magic weapon must be very high."

Hearing what the woman in green shirt said, Ye Feng immediately breathed a sigh of relief.

It seemed that, just as he had guessed, the woman in green shirt did not know the Gate of Heaven.

But this is also very normal.

After all, this woman in green shirt is just a core member of a dynasty in the northern region of the Ten Thousand Demons Interface.

Of course, I don't know the treasure in the heaven that ranks first among all advanced cultivation interfaces.

At this time, Ye Feng didn't say much. He just nodded and said: "This is a powerful magic weapon with light attributes that I accidentally obtained back then. As long as the power of light attributes is fully utilized, It can dispel the dark curse of these dark creatures, and even directly destroy these dark creatures. However, my current mana is not enough to destroy the densely packed thousands of advanced dark creatures around me, so I need your support, senior. "

Hearing what Ye Feng said, the woman in green shirt didn't hesitate at all. She nodded quickly and said loudly: "Okay, this doesn't matter at all."

question. "

After finishing speaking, the woman in green shirt directly stretched out a hand, and then pressed it on Ye Feng's shoulder, inputting her immense mana into Ye Feng's hand.

At this moment, Ye Feng used such a majestic magic power to greatly activate the power of Heaven's Gate.

Boom! !

At this moment, Ye Feng immediately saw that the Gate of Heaven suddenly bloomed with bright light and power dozens of times stronger than what he had used.

At this moment, Ye Feng was also very amazed at the powerful magic power of this woman in green shirt.

This woman in green shirt is definitely an extremely terrifying existence.

Even though the woman in green shirt is now seriously injured after fighting with Old Man Yun, the magic power she exerts is extremely powerful, dozens of times more powerful than Ye Feng's current state.

At this time, Ye Feng and the woman in green shirt cooperated to activate the Gate of Heaven. The powerful magic power caused the Gate of Heaven to burst out with an extremely terrifying white divine light, which suddenly covered the densely packed dark creatures surrounding them. It's all been purified.

At this moment, the black hair on all the dark creatures fell off in an instant, and then their entire bodies disintegrated, and they all fell to the ground.

"Very good!"

Seeing this scene, the woman in green clothes immediately couldn't help but said in surprise: "Ye Feng, this treasure of yours is really powerful. Dealing with this dark attribute is simply a dimensionality reduction blow."

At this time, as the bodies of thousands of dark creatures disintegrated, black crystals fell out of their disintegrated bodies and fell to the ground. .

Every black crystal contains very pure dark energy.

This made Ye Feng's eyes suddenly light up. These should be the essence of life and energy of these dark creatures!

Chapter 4406 Underground Tomb

At this moment, looking at the black crystals falling on the ground, they all contain very pure dark energy.

This scene naturally made Ye Feng's eyes suddenly reveal a look of deep surprise and deep expectation.

Ye Feng couldn't help but said: "These are all good things."

Seeing Ye Feng's money-obsessed look, a trace of surprise appeared in the beautiful eyes of the woman in green shirt beside him, and then she said aloud: "These black crystals are all conceived by these dark creatures. We cannot use the energy crystals, otherwise, we will definitely be invaded by the dark energy, and the whole body will turn into a terrifying thing that is neither human nor demon. "??

Hearing what the woman in green shirt said, Ye Feng just smiled slightly, with a very confident expression on his face, and said loudly: "This is no problem for me. The inheritance of my cultivation and my physique can be purified. These energies."

Ye Feng did not say at this moment that he could contain thousands of attribute energies. He only said that he could purify these dark energies in order to prevent the woman in green shirt from knowing too much about his true secrets and trump cards.

After all, Ye Feng knows very well that there are some things that cannot be told to others casually. It is good for others to have a partial understanding of it, so that he can remain mysterious.

If someone else finds out your trump card, it will definitely be detrimental to you. Even if others are friends, sometimes you have to keep certain secrets and trump cards in hand.

At this moment, when the woman in green shirt heard what Ye Feng said, her eyes suddenly showed surprise, as if she did not expect that Ye Feng actually had such an ability.

But when she thought about Ye Feng possessing a super magic weapon with light properties that could dispel all dark curses, she suddenly felt that this was quite normal.

At this moment, Ye Feng didn't hesitate at all. He immediately rushed forward and put all the dark crystals on the ground into his storage ring.

These dark crystals are the energy essence left by those dark creatures just now.

The dark energy contained in it is very advanced and powerful, which can greatly increase Ye Feng's skills.

At this moment, Ye Feng didn't hesitate and started to devour these dark crystals directly.

In addition, Ye Feng also began to devour the two-headed snake that Ye Feng collected before.

Boom!

At this time, Ye Feng immediately felt a huge amount of energy, which was immediately injected into his Dantian, rapidly increasing his power.

At this moment, Ye Feng's cultivation momentum immediately began to rise.

You know, Ye Feng is currently at the bottleneck of the tenth level of the Galaxy Realm.

Therefore, it is very difficult to break through even a small level, and this big bottleneck must be overcome.

But now the blood energy of the two-headed snake, and these black crystals, Ye Feng immediately received a very huge amount of energy, and quickly loosened his bottleneck.

"Boom!!"

Finally, at a certain moment, Ye Feng suddenly burst out with a new and powerful aura of cultivation.

Ye Feng had a complete breakthrough!

Crossed the big bottleneck!

From the tenth level of the Galaxy Realm, directly

Breaking through to the half-step Yuanhai realm above the Galaxy realm!

Although he only stepped into Yuan Hai Realm with one foot, breaking through to the half-step Yuan Hai Realm, and did not step into the real first level of Yuan Hai Realm, Ye Feng was already very satisfied, and his face was full of joy.

Because Ye Feng's current level of cultivation is very high, it is very difficult to break through a big bottleneck. It requires an extremely large amount of energy to accumulate before he can break through.

Therefore, Ye Feng was very happy to be able to step into the half-step Yuanhai realm.

At this time, Ye Feng clenched his fists and felt the boiling power like the ocean surging through his limbs. Ye Feng immediately felt his own strength, which had increased many times compared to before.

"No wonder you broke through so quickly. You were able to directly use this energy to enhance your own skills."

At this moment, the woman in green shirt beside him suddenly spoke.

She stared at Ye Feng meaningfully, with an inexplicable smile on her beautiful face, and said loudly: "You made so many breakthroughs at once before, you must have absorbed the power of the old man Mo Yun, otherwise , you can't grow that much all at once."

Hearing what the woman in green shirt said, Ye Feng now knew that he could no longer hide it, so he could only admit it openly, and said with a smile: "Indeed, the reason why I broke through so quickly before was because I absorbed the magic cloud The skill of the old man."

The woman in green shirt nodded slightly, with a hint of wonder in her eyes, but also a hint of worry, and said loudly: "Your ability is too domineering and too evil. I hope you won't get lost in the future. It would be a pity if the mind fell into an evil state."

Hearing what the woman in green shirt said, Ye Feng immediately grinned and said: "Don't worry, there are no good or bad skills in this world. Only those who practice the skills can distinguish between good and bad. "

"Um?"

Hearing what Ye Feng said, the woman in green shirt looked at Ye Feng in surprise, then nodded slightly, with a moving and beautiful smile on her face, and said loudly: "Indeed, you are right, but I am a bit arbitrary. "

At this moment, after the woman in green shirt finished speaking, she looked directly in a certain direction not far away and said loudly: "Now that these dark creatures have been dealt with, we can now directly enter the sleeping place of the Dark Demon Saint. The Dark Demon Saint built himself a huge underground mausoleum before he died. After his death, he was unwilling to accept it and wanted to become the emperor of death underground. He hoped that he had truly died and not still had some vitality left in the underground mausoleum. If we survive, it will be difficult for us to obtain the cultivation method of the dark curse left by the Dark Demon Sanctuary. I hope we have better luck and are not so unlucky. "

Hearing what the woman in green shirt said, Ye Feng smiled slightly and said: "As long as I cooperate with the seniors, I can activate the powerful power of my light attribute magic weapon at any time. The Dark Demon Saint is a practitioner of the dark attribute after all. My magic door with light attributes naturally suppresses him."

Hearing what Ye Feng said, the woman in blue also brightened her eyes slightly, nodded and said: "You are right, with your extremely advanced light-attributed magic weapon, our danger is indeed much smaller."

While the two were talking, they had already reached a huge tombstone.

On the surface of this huge tombstone were written the four characters "Dark Demon Saint", exuding a deep and dark aura of majesty.

This is the sleeping place of the Dark Demon Saint! At this moment, looking at the black crystals falling on the ground, they all contain very pure dark energy.

This scene naturally made Ye Feng's eyes suddenly reveal a look of deep surprise and deep expectation.

While the two were talking, they had already reached a huge tombstone.

On the surface of this huge tombstone, the four characters "Dark Demon Saint" were written boldly, exuding a deep and dark majestic atmosphere.

This is the sleeping place of the Dark Demon Saint!

Chapter 4407 A novel feeling

At this moment, Ye Feng and the woman in green shirt pulled out the tombstone in front of them without any hesitation.

Boom!

As the tombstone was pulled out, the ground beneath the tombstone suddenly collapsed, and a huge passage appeared.

Seeing this scene at this time, the woman in green clothes suddenly showed a hint of joy in her eyes, and she quickly said: "It seems that the information I got is true. Under the tombstone of this Dark Demon Saint, there is indeed something. An underground space should be the underground mausoleum built by the Dark Demon Saint before his death. No one has found it yet. After all, the map is divided into two halves. One half is controlled by the royal family of our Blood Demon

Dynasty, and the other half is controlled by the royal family of our Blood Demon Dynasty. It was spread among the people, and after asking about it for a long time, I found out that Old Man Moyun got it."

At this moment, Ye Feng's eyes flashed slightly when he heard the woman in green shirt say this.

The speaker has no intention, the listener has intention.

The woman in blue shirt said "the royal family of our Blood Demon Dynasty" with a very casual tone.

Ye Feng immediately guessed that this woman in blue shirt probably came from the royal family of the Blood Demon Dynasty, and was probably a descendant of the noble royal family.

At this time, Ye Feng had some guesses about the true identity of the woman in green shirt.

However, Ye Feng did not say it out loud. After all, the woman in green shirt had a very good relationship with him now. In the future, they might be able to help each other in the Blood Demon Dynasty.

While Ye Feng was thinking secretly in his heart, the woman in green shirt had already taken the lead and jumped into the passage under the tombstone.

Uh-huh!

Ye Feng also quickly followed.

At this time, the two of them descended quickly.

After descending for about half an hour, they finally reached the bottom of this underground space.

at this time

At this moment, the two of them immediately saw a very open underground space in front of them.

Various ancient buildings were built everywhere.

Some ancient buildings seemed to have collapsed because they were too old and too old.

At this time, seeing the countless buildings in the entire underground space, the beautiful eyes of the woman in green clothes suddenly revealed a look of deep surprise, and she said excitedly: "This is definitely the place where the Dark Demon Saint gave us back then." I finally found the underground tomb that I forged. What is precious in the Dark Demon Saint's underground tomb is not only the Dark Demon Saint's natural cultivation method, the Dark Curse cultivation method, but also a very precious thing. , that was the Dark Demon Saint's natal weapon, the Judgment Scepter."

"The scepter of judgment?"

At this time, when he heard the woman in green shirt beside him say this, Ye Feng's eyes showed a trace of surprise.

Being able to become the talisman of the Dark Demon Saint back then, this Judgment Scepter must also be a very advanced weapon.

But Ye Feng also knew that this woman in green shirt was very concerned about the Judgment Scepter.

And this time I came to the underground tomb of the Dark Demon Saint mainly with the power of the woman in green shirt and the map in her hand.

So when the time comes to find the Judgment Scepter, if the woman in green shirt wants it, there will be no problem.

After all, Ye Feng now has a peerless treasure like the God's Ring in his hand, and he doesn't care so much about some ordinary high-level magic weapons.

What Ye Feng really cares about is actually the cultivation method of this Dark Demon Saint, which is the special

A unique method of cultivating the dark curse.

That was what Ye Feng was most interested in.

After all, the two people must choose to share the wealth in the entire underground tomb equally.

Naturally, there is a give-and-take.

This is the fairest way.

At this time, the woman in green shirt looked at Ye Feng beside her, and said with a smile: "When the time comes, we can understand the cultivation method of the dark curse together. If the Judgment Scepter is really found, I hope Ye Feng can you Give it to me. When the time comes, I won't want any other cultivation resources left in this Dark Demonic Sanctuary. I'll give them all to you."

When Ye Feng heard the green-shirted woman's allocation, he immediately nodded with a smile and said, "Okay, it's quite fair."

But in fact, Ye Feng felt that he had taken advantage of this.

Because Ye Feng knew very well that the reason why he was able to come to the sleeping place of the Dark Demon Saint this time was mainly because of the woman in blue.

If it were not for the woman in green shirt, Ye Feng would not only have improved his cultivation by swallowing Old Mo Yun, but he might have failed in his sneak attack and was killed by Old Man Yun.

This time, Ye Feng actually took advantage of the woman in green shirt.

That's why Ye Feng revealed his strongest trump card before, the Gate of Heaven, which was used to drive away the surrounding dark creatures and the power of the dark curse, because Ye Feng felt that the woman in green shirt was still a very good person who could be trusted.

The woman in green shirt is not only powerful in cultivation, but also has a very good attitude. She does not look down on herself because she is much weaker than him, but is willing to share the place where the Dark Demon Saint sleeps with her.

Of course, Ye Feng also contributed in this regard.

After all, if not

When both of them were seriously injured and unable to move, Ye Feng decisively killed Old Mo Yun. It is estimated that the woman in blue would not get the other half of the map, and she might even be killed by Old Mo Yun.

Therefore, it can be said that the two of them help each other.

At this moment, hearing that Ye Feng had directly agreed, the woman in green clothes couldn't help but happily patted Ye Feng's shoulder and said loudly: "You are very good, and you are very suitable for my taste. I will wait until you come back." Blood Demon Dynasty, let's have a meal together and have a chat."

Hearing what the woman in green shirt said, Ye Feng's eyes suddenly flashed slightly.

If you say that, is the woman in green shirt ready to tell herself her true identity?

However, the woman in green shirt did not say much next, but led Ye Feng to walk slowly among the ancient buildings in the underground mausoleum, looking for the place where the final body of the Dark Demon Saint was located.

At this time, the woman in green couldn't help but look at Ye Feng beside her, and said aloud: "Although your current cultivation level has made a lot of breakthroughs, you are still relatively weak, so next time in this underground mausoleum, if you encounter If you see something very dangerous, stay behind me immediately, do you understand?"

Hearing what the woman in green shirt said, Ye Feng immediately nodded, smiled and said: "Okay, then I will be inseparable from my senior."

At this time, after Ye Feng finished speaking, he directly approached the woman in green shirt, very close to her.

At this time, the beautiful eyes of the woman in green shirt glanced at Ye Feng, who was close in front of her, and flickered slightly, without saying anything more.

She always felt that Ye Feng had many secrets.

Ye Feng gave her a very special and different novel feeling, which the woman in green shirt had never felt since she was a child.

Chapter 4408 Half Soul Master

At this moment, the two of them continued to walk quickly towards the depths of the mausoleum in this underground space.

But not long after they left.

A nearby collapsed building suddenly exploded with a "boom".

Uh-huh!

A tall creature covered with black scales rushed out.

This should also be a dark creature with dark attributes, but it is not a human race, but a very strange ancient race.

The whole shape is like a large lizard, but with two human heads, just like the ancient lizard people.

This huge lizard man with black scales all over his body is obviously very terrifying.

The aura of cultivation emanating from his body was one or two realms higher than Ye Feng's current realm.

At this moment, Ye Feng did not take action, but the woman in green shirt had already taken action.

Boom!

An icy blue long sword suddenly appeared in the hand of the woman in green shirt, and she headed directly towards the tall lizard man who rushed out of the ruins to kill.

when! !

But the next moment, when the ice blue sword in the woman's hand collided with the scales of the tall lizard man, it just made a sound like metal collision.

The ice blue sword in the hands of this woman in blue is actually a very advanced magic weapon.

But at this time, when he killed the tall lizard man, he couldn't even break his scales.

Not even a trace was left.

"Forehead?"

Seeing this scene, the woman in green clothes suddenly said helplessly: "Just like when I used this sword to deal with those monsters covered with black hair, it was unable to cause harm to their bodies at all. How could the dark demon? The bodies of these creatures in the Holy Sleeping Land are all so strong."

Hearing what the woman in green shirt said, Ye Feng immediately said: "Just let me deal with these sturdy creatures. Senior, focus on dealing with other creatures with long-range attack power hidden around them."

Almost at the moment Ye Feng finished speaking, Ye Feng turned the god ring in his hand into a golden sword again, and then slashed directly at the tall lizard man who had rushed towards him.

Almost at this moment.

"Puch" sound!

The golden sword in Ye Feng's hand directly cut off the scaly arm of the tall lizard man in front of him and dropped it to the ground.

"What a sharp sword!"

Seeing this scene at this moment, the beautiful eyes of the woman in green clothes suddenly revealed a look of deep surprise.

Before, she had seen the golden sword in Ye Feng's hand, which was very sharp.

But I didn't expect it to be so sharp.

Such a tall lizard man can destroy his body in an instant.

And Qing Shi

The woman could sense that Ye Feng did not exert any special power when using this golden sword.

Relying entirely on the sharpness of the golden sword, one of the tall lizard man's arms was cut off.

This is enough to show that this golden sword is absolutely sharp and terrifying.

Otherwise, it would be impossible to do this just by relying on the sharpness of the body.

Uh-huh! Uh-huh! Uh-huh!

At this moment, Ye Feng did not hesitate and continued to kill with one sword after another.

This tall lizard man didn't seem to know the pain. He didn't scream at all after his arm was cut off, and continued to rush towards Ye Feng crazily.

He almost caught Ye Feng several times, which made Ye Feng look a little nervous.

Ye Feng has no doubt that with the sharp claws of this tall lizard man, he can definitely disembowel himself in an instant.

So at this time, Ye Feng quickly drew out his sword and cut off all the limbs of this tall lizard man.

Boom!

Then the tall lizard man finally fell to the ground completely and could not get up again.

At this moment, Ye Feng suddenly stepped on the tall lizard man who had been chopped into a human stick, observed it carefully, and then couldn't help but said in surprise: "There is no trace of anything on this tall lizard man at all. His life fluctuates, so he feels no pain and cannot scream. This tall lizard man seems to be an ancient puppet. "

"Ancient puppet?"

Hearing what Ye Feng said at this moment, the woman in green shirt next to her stared at the tall lizard man on the ground, and a look of surprise suddenly appeared in her eyes.

The woman in green clothes couldn't help but said: "No wonder the body is so strong. It turns out to be an ancient puppet that was refined and made of special materials. That's why my ice blue long sword can't destroy its body." Destroy it."

At this time, the woman in green shirt said, looked around, and said aloud: "I estimate that after the death of the Dark Demon Saint, he cast a lot of puppets for himself as burial objects, and I don't know where the energy of these puppets came from. Come on, so powerful."

Hearing this, Ye Feng couldn't help but smile and said: "There should be very high-grade energy crystals placed inside these puppets. Otherwise, it would not be enough to activate these puppets and explode with such strong power."

Uh-huh!

At this time, after Ye Feng finished speaking, his eyes showed a trace of expectation, and he used the golden sword in his hand to directly cut open the chest of the tall lizard man puppet in front of him.

Sure enough, in the inner core area of this puppet, there is a radiant energy crystal.

Ye Feng's eyes suddenly showed a look of joy, and he directly stretched out his hand to pull the tall lizard

The energy crystals contained in the lizard puppet's body were dug out.

Buzz!

At this time, Ye Feng carefully sensed it and found that the rich energy contained in these energy crystals was much more advanced than the black crystals that fell from the dark creatures that he had destroyed before.

The woman in green shirt beside him seemed to see the joy on Ye Feng's face, and immediately couldn't help shaking her head and smiling, and said loudly: "Ye Feng, you really made a lot of money this time. In this underground mausoleum, I estimate that the Dark Demon Saint refined a lot of powerful puppets and stored them here as his burial objects."

Ye Feng nodded, and then said aloud: "If there are really so many puppets in this underground tomb, I may be able to break through my current cultivation bottleneck and step into the true Yuanhai realm."

Gulu!

Almost at that moment, under the astonished gaze of the woman in green shirt next to him, Ye Feng swallowed the energy crystal he took out from inside the puppet.

Seeing Ye Feng swallowing it directly, the woman in green clothes couldn't help but ask: "If you eat the energy crystal directly like this, won't it get stuck in your throat?"

Ye Feng immediately smiled and said: "Many years ago, when I first entered the path of cultivation and was training in a mountain range, I once swallowed the core of a monster beast alive. This kind of thing swallowed up my throat. In an instant, it will turn into a pure energy and merge into my limbs, strengthening my power."

Almost at the moment Ye Feng finished speaking, the energy crystal he swallowed turned directly into a stream of pure energy, which was swallowed and absorbed by Ye Feng.

However, this small energy crystal is not enough to directly break through Ye Feng's current bottleneck.

After all, Ye Feng is now at the half-step Yuanhai realm, and is at a bottleneck in a big realm.

It is very difficult to break through this bottleneck.

After all, this is a transformation and breakthrough of an entire realm.

Therefore, a very strong energy accumulation is required to achieve a complete breakthrough.

But after Ye Feng swallowed an energy crystal, he immediately felt that the barrier of his big bottleneck was slightly loosened.

In other words, as long as Ye Feng can swallow enough energy crystals inside this puppet and accumulate enough energy, he can completely break through.

At this time, Ye Feng looked around and was not in a hurry to find the inheritance and treasures of the Dark Demon Saint.

Ye Feng turned to look at the woman in green shirt beside him, and couldn't help but said: "Senior, I have to ask you to help me with one thing, that is to take me to find those ancient puppets in the collapsed buildings around me. , as long as I can get enough energy crystals from these puppets, I will be able to completely break through to the real Yuanhai realm. By then, my combat effectiveness will have undergone earth-shaking changes. By then, we will explore the dark demon again. The place where Saint's final body is located, if something really happens

Even in such a terrible danger, I can also burst out with powerful power to help my seniors. "

Hearing what Ye Feng said, the woman in green clothes immediately smiled, nodded and said: "No one will come to this place anyway, only we can find it, there is really no need to be too anxious, since these sturdy puppets, you can use your The golden sword in your hand can be easily destroyed

to obtain the energy crystal, so I will help you find it together and strive to break through the current bottleneck in your cultivation as soon as possible. "

Hearing that the woman in green clothes agreed immediately, Ye Feng immediately showed a look of joy on his face and said loudly: "Okay, thank you very much, senior!"

Because Ye Feng knew very well that only when the woman in green shirt used her strong cultivation power to hold back those ancient puppets, would he have enough time to get close with the golden sword and cut off and destroy those ancient puppets.

But at this time, the woman in green clothes couldn't help but said: "Then how should we search? Is it just to wander around here and lead out those sleeping ancient puppets?"

Ye Feng smiled slightly at this moment and said: "Just leave this to me, my perception is very strong."

Buzz!

After saying that, Ye Feng directly exuded his soul power.

"Um?"

But at this moment, the woman in green shirt seemed to sense something, and she couldn't help but stare at Ye Feng in horror, and said loudly: "It's the fluctuation of soul power, you are actually a soul master?"

Ye Feng also had a look of astonishment in his eyes at this moment. He stared at the woman in green shirt in front of him and said loudly: "You... sensed it? Could it be that the seniors have also practiced soul-level methods? Otherwise, how could it be possible? I felt the fluctuation of my soul power in an instant."

The woman in green shirt immediately nodded, with a look of wonder in her beautiful eyes. She stared at Ye Feng in front of her, couldn't help but smiled helplessly, and said aloud: "I am not a soul master, but I have indeed studied souls. In terms of methods, it can be said that I am half a soul master, because I do have some talent in this area, but I do not have the ability to become a real soul master. The reason why I came here this time is to find the dark curse of the Dark Demon Saint to

practice. In fact, I want to use the spiritual and soul-like inherited secrets left by this ancient great man to see if I can completely unlock my soul talent and become a rare soul master."

At this moment, after the woman in green shirt finished speaking, her beautiful eyes were fixed on Ye Feng. She no longer had the calmness before, but was filled with deep excitement and excitement, as if she had seen a peerless treasure.

The beautiful figure of the woman in green shirt suddenly stood in front of Ye Feng, stretched out her white little hand, grabbed Ye Feng's palm with some uncontrollable excitement, and said aloud: "Ye Feng, I didn't expect it. You turn out to be a true soul master! Great, really great! I want to practice with you in the future. Can you teach me the methods at the soul master level? I can do whatever you want. I agree to whatever you ask for, okay?"

Chapter 4409 Peerless Horcrux

At this time, it was obvious that the woman in green shirt was extremely excited.

Because she never thought that Ye Feng turned out to be a real soul master.

This is very rare.

Even in the Ten Thousand Demons interface, it is very rare, a mysterious existence that is usually impossible to encounter.

So even though the origin of the woman in blue is very mysterious and her cultivation is very strong, when she meets a big boss at the soul level, she can no longer remain indifferent and aloof, but seems to become an excited person. Like a little girl, she held Ye Feng's hand tightly, very happy and excited.

At this time, Ye Feng looked at the woman in green shirt who suddenly became so excited in front of him, and a look of astonishment suddenly appeared in his eyes. It seemed that he did not expect that the method at the soul master level would actually make this woman in green shirt inexplicably excited.

At this time, Ye Feng finally understood how rare it was for a soul master to make an extremely cold-hearted woman in blue robe worship him so much.

At this moment, Ye Feng just nodded slightly and said with a smile: "Senior and I are helping each other now, and I have seen that senior is a trustworthy friend, so if senior really becomes a soul master, If you have talent, then I will definitely help you."

Hearing what Ye Feng said, the woman in green clothes immediately nodded very excitedly, and then couldn't help but said: "Ye Feng, don't call me senior anymore. My name is Gu Qingqing. Just call me Qingqing." That's it."

"Qingqing?"

Hearing the woman in green shirt say this at this moment, Ye Feng's eyes suddenly showed a look of surprise.

Because he knew that the royal family of the Blood Demon Dynasty seemed to have ancient surnames.

In other words, my guess was correct. This woman in green shirt, Gu Qingqing, must be a blood heir of the royal family of the Blood Demon Dynasty.

At this moment, Ye Feng also understood why this woman in green shirt had such a strong cultivation level at such a young age, and she also had many methods.

It turned out to be from the Blood Demon Dynasty.

A member of the royal family, perhaps a distinguished heir of a prince.

At this time, Ye Feng immediately nodded with a smile and said: "Okay, then I will call senior Qingqing from now on."

Ye Feng felt that this kind of title was nothing. After all, the two of them were already very familiar with each other.

Moreover, the two of them have gone through so many hardships together, so there seems to be nothing wrong with calling each other closer.

At this time, Gu Qingqing couldn't help but ask: "Ye Feng, when did your soul master awaken?"

Ye Feng smiled and said: "I have awakened a long time ago. It was a coincidence that I joined a small sect at that time. In order to complete a sect mission, I went to a small family. There are souls in that small family. To cause trouble, I chased that soul and met a mysterious black-robed soul master. He wanted to seize my soul, but I killed him and got a set of soul masters called the "Black Soul Technique" from him. Inheritance, from then on I entered the path of soul master cultivation, until today."

When Gu Qingqing heard this, she couldn't help but nodded, and said with great envy: "I have worked hard for a long time, and I am only half a soul master, because I always feel that there is no way to break through my last soul master barrier. , so I feel that I must have the innate talent to become a soul master, but I don't know why I can't break through the last barrier and become a real soul master. Although I can practice the spiritual cultivation method of the soul, I don't know. Why, my soul power just can't grow."

Hearing what Gu Qingqing said, Ye Feng also showed a trace of doubt in his eyes, and said: "Logically speaking, if you can directly practice the cultivation method at the spiritual and soul level, it means that you must have an innate soul." Those who are gifted as a soul master can become a true soul master, but their soul power cannot be increased. I am not sure about this, because when I was training as a soul master, my soul power could not grow at the same time.

growing step by step. "

Hearing what Ye Feng said, Gu Qingqing's eyes suddenly showed a hint of loneliness. Unexpectedly, Ye Feng didn't understand why.

At this time, Emperor Chu in Ye Feng's mind suddenly spoke: "Ye Feng, this Gu Qingqing's soul is probably sealed, so his soul power cannot grow, but he can practice soul level methods."

"What, the soul is sealed?"

Hearing what Emperor Chu said in his mind, Ye Feng suddenly had a look of surprise in his eyes.

This is really strange.

Why would anyone want to seal this ancient Qingqing's soul?

But since it was Emperor Chu who said it, Ye Feng naturally believed it very much. After all, the origin of Emperor Chu was very mysterious, and with the continuous awakening of Emperor Chu's ancient soul fragments, Emperor Chu's knowledge and abilities became more and more powerful. Come stronger and stronger.

At this time, Ye Feng nodded slightly, then looked at Gu Qingqing, who lowered his head slightly and seemed a little lonely, and suddenly said: "Qingqing, let me explore your soul for you. Maybe you don't have soul power." The reason for growth is because your soul is sealed."

"What?"

Hearing what Ye Feng said, Gu Qingqing's beautiful eyes suddenly showed a hint of astonishment.

At this time, Ye Feng immediately smiled and said: "Of course, this is just my guess. Whether it is specific or not, we need to conduct in-depth exploration of you."

When Gu Qingqing heard what Ye Feng said, she immediately nodded, then closed her eyes, stood in front of Ye Feng, and said loudly: "Ye Feng, I trust your judgment, feel free to explore me deeply. I won't resist."

Seeing Gu Qingqing like this, Ye Feng immediately nodded.

Uh-huh!

Then Ye Feng stretched out a finger and tapped it directly on Gu Qingqing's white forehead.

Buzz!

At this moment, Ye

Feng directly used his soul body to invade Gu Qingqing's mind.

When Ye Feng's soul entered Gu Qingqing's mind, he immediately saw an incredible scene.

In Gu Qingqing's mind, in the slightly dim sea of souls, there was an extremely dark long sword, which was nailed to Gu Qingqing's soul, making it impossible for Gu Qingqing's soul to grow and awaken.

"this....."

Seeing this scene, Ye Feng suddenly showed a look of astonishment in his eyes, and couldn't help but asked aloud in his mind: "Emperor Chu, I saw a very ancient pitch black nail in the mind of this ancient Qingqing. Long sword, this long sword may be a weapon at the soul level, it really seals Gu Qingqing's soul power, Emperor Chu, you guessed it right."

At this time, Ye Feng's eyes were filled with wonder. He didn't expect that there was really a seal in Gu Qingqing's mind.

And it's not a simple seal, it's a black sword that looks very mysterious and ancient, nailing the soul.

No wonder Gu Qingqing's soul power has never been able to grow. It is estimated that with Gu Qingqing's own ability, she has no way to explore her soul ocean, so she has no way to see this dark sword.

But Ye Feng now directly entered Gu Qingqing's mind and saw it instantly.

At this moment, Ye Feng asked directly in his mind: "Emperor Chu, should I pull out this long black sword directly now?"

"Don't be impulsive. Let me take a look first before talking."

At this time, Emperor Chu could also see all the scenes in Gu Qingqing's mind through Ye Feng's soul.

"This is....."

At this time, Emperor Chu stared at the long black sword, and suddenly his tone was filled with a hint of surprise. He couldn't help but said: "This sword is a bit interesting... It seems to be from the

legendary Black Soul World." The mysterious black soul sword was the sword of the world master of the black soul world. This is a peerless soul weapon at the soul master level. How could it appear in the mind of an ordinary girl? "

Chapter 4410 Destiny

Black Soul Realm?

Black Soul Sword?

At this time, hearing what the Emperor Chu said in his mind, Ye Feng stared at the dark sword in Gu Qingqing's mind, and his eyes suddenly showed a trace of disbelief.

Ye Feng knew very well that what the Emperor Chu called a peerless soul weapon was definitely a super extraordinary existence.

Because the Emperor Chu was originally a mysterious big man, he had always been calm about everything.

What could make the Emperor Chu feel very surprised was definitely magical and precious to the extreme.

At this time, Ye Feng couldn't help but ask: "Is the Black Soul Realm the same as the Ten Thousand Demons Realm? Is it a high-level practice realm?" ??

The Emperor Chu shook his head and said: "The Black Soul Realm is not in the world of the heavens and the worlds where the Origin World is located. The Black Soul Realm is in a high-level practice world. It is very likely in the extraterritorial world connected to the end of the world of the Origin World."

"What?"

Hearing what the Emperor Chu said, Ye Feng was even more shocked.

I didn't expect that in the mind of an ordinary girl like Gu Qingqing, the mysterious and unpredictable soul weapon of the Black Soul Realm, the Black Soul Sword, would appear.

At this moment, Ye Feng couldn't help but say, "If that's the case, I don't have the ability to pull out this Black Soul Sword now. I wonder if you, Emperor Chu, have the ability?"

Emperor Chu shook his head and said, "I haven't recovered to that level yet, and there's no way to pull out this Black Soul Sword. I always feel that Gu Qingqing's identity is absolutely extraordinary. It's impossible for her to be just a descendant of the royal family of the Blood Demon Dynasty. Otherwise, it's impossible for her to be chosen by the Black Soul Sword, the life treasure of the Black Soul Lord of the Black Soul Realm, just like the Gate of Heaven that you, Ye Feng, got. Some things are destined in the dark. Destiny is a mysterious thing. No one can tell for sure, and no one can figure it out, but sometimes, destiny falls on you."

After hearing what Emperor Chu said, Ye Feng fell silent, and then his soul power withdrew from Gu Qingqing's mind.

At this moment, Ye Feng stared at Gu Qingqing in front of him, and couldn't help but said in a somewhat inexplicable voice: "Qingqing, I know why you can't become a real soul master. It's not that you don't have innate talent, but the soul power in your mind is sealed by a seal." At this moment, Ye Feng said, but did not directly tell the secret of the Black Soul Sword. Because the origin of the Black Soul Sword is too mysterious and vast. Ye Feng is afraid that Gu Qingqing can't bear this huge secret. In addition, Ye Feng thinks that the reason why the Black Soul Sword is in Gu Qingqing's mind is very likely related to Gu Qingqing's future destiny. So Ye Feng naturally has to be cautious in this regard and not tell Gu Qingqing the real secret for the time being, otherwise Gu Qingqing's original destiny may change in an unpredictable direction. So Ye Feng just told Gu Qingqing that there is a seal in her mind at this moment. When Gu Qingqing heard Ye Feng say this, she suddenly showed a trace of surprise on her beautiful face, and then she couldn't help but smile bitterly and said: "No wonder I can practice the soul attack method, but my soul power can't increase, which means that I can't become a real soul master. It turns out that there is a seal in my mind." After Gu Qingqing finished speaking, she suddenly stared at Ye Feng in front of her and couldn't help asking: "Ye Feng, this seal, even you can't do anything?" Ye Feng shook his head and said: "This is a very ancient and terrible seal. I really don't have the ability to remove this seal for the time being, but in the future, as my soul power continues to increase, I may be able to help you open this seal." Hearing Ye Feng say this, Gu Qingqing immediately nodded, then smiled and said "Anyway, I now understand why I can't become a true soul master, which makes me very happy. It seems that in the near future, I still have to focus on my martial arts practice. I can only put aside the soul master aspect for now. When you, Ye Feng, have the ability, just help me to unlock the seal in my soul."

At this moment, Gu Qingqing said, walked in front of Ye Feng, and a trace of joyful smile suddenly appeared in her beautiful eyes, and she said aloud: "Ye Feng, it's great to meet you, I will rely on you in the future!"

Hearing Gu Qingqing say this, Ye Feng couldn't help but smile helplessly, and said aloud: "I don't know how powerful I will become before I can unlock your seal, so don't have too much expectation of me."

At this moment, Ye Feng said, of course, not modesty, but really felt so in his heart.

After all, the seal in Gu Qingqing's mind came from the peerless soul weapon, the Black Soul Sword, in the extremely advanced Black Soul Realm.

This thing is too taboo and advanced. Even Ye Feng, who is always confident, can't give Gu Qingqing a full guarantee at this time.

When Gu Qingqing heard what Ye Feng said, she immediately smiled on her beautiful face and said, "It's okay. No matter what, it's better to have hope than no hope."

After saying this, Gu Qingqing seemed to be in a very good mood. After all, she figured out something that she hadn't figured out for a long time, which was equivalent to untying a knot in her heart.

At this moment, Gu Qingqing immediately stretched out a pair of small white hands, took Ye Feng, and said in a very close and happy voice: "Then, I will help Ye Feng to kill those around you. Ancient puppet, let Ye Feng get the energy crystals in it, so that your cultivation level can be improved as much as possible. Although I have no way to become a true soul master for the time being, and my soul power cannot be increased, I can still cultivate my soul and spirit. The cultivation method of this level, the dark curse cultivation method of the Dark Demon Saint, is very precious, and we must get it."

When Ye Feng heard Gu Qingqing say this, he immediately nodded solemnly and said: "The cultivation method of the dark curse is indeed of great significance to us. After all, we can all cultivate at the spiritual and soul level. The cultivation method of the dark curse will be of great benefit to the improvement of our overall strength. Think about it, if we are fighting with other martial arts experts in a battle, suddenly and inadvertently, directly Attacking others with Dark Curse will cause the enemy to suffer heavy damage in an instant, and Dark Curse is an attack similar to the spiritual and soul level, and many martial arts experts are unable to prevent it. "

Hearing what Ye Feng said, Gu Qingqing immediately nodded, and then said aloud: "Ye Feng, please spread your soul power now and look for the ancient puppets around you. I will help you drag those ancient puppets away. You can use With your extremely sharp golden sword, destroy them all and get the energy crystals stored in the ancient puppets."

At this moment, Gu Qingqing was speaking, her tone was full of thoughts for Ye Feng.

Because after such an incident with the soul master, the relationship and friendship between the two people was warming up rapidly without even realizing it. Dark Soul World?

Black Soul Sword?

At this time, hearing what Emperor Chu said in his mind, Ye Feng stared at the dark sword in Gu Qingqing's mind, with a look of disbelief in his eyes.

Ye Feng knew very well that anything that Emperor Chu could call a peerless Horcrux was definitely an extraordinary being.

Because Emperor Chu was originally a mysterious and unpredictable figure, Emperor Chu had always been unfazed by anything.

It was something that even Emperor Chu was very surprised by, it was absolutely magical and precious to the extreme.

At this time, Ye Feng couldn't help but asked: "Is the Black Soul Realm the same as the Ten Thousand Demons interface? Is it an advanced cultivation interface?"

Emperor Chu shook his head and said aloud: "The Black Soul Realm is not in the world where the Great World of Origin is. The Black Soul Realm is in a world of cultivation at a higher latitude. It is very likely that it is in the world of the Great World of Origin. In the extraterrestrial world connected to the end."

"What?"

Ye Feng was even more shocked when he heard what Emperor Chu said.

Unexpectedly, in the mind of an ordinary girl like Gu Qingqing, the mysterious black soul world's peerless Horcrux, the Black Soul Sword, would appear.

At this moment, Ye Feng couldn't help but said: "If you put it this way, I don't have the ability to pull out this black soul sword now. I wonder if you have the ability, Emperor Chu?"

Emperor Chu shook his head and said aloud: "I haven't recovered to that level yet. I can't pull out this black soul sword. I always feel that this Gu Qingqing's identity is absolutely extraordinary. It can't be just blood." The royal heir of the Demon Dynasty is so simple. Otherwise, it is impossible to be selected by the Black Soul Sword, the natal magic weapon of the Black Soul Lord of the Black Soul World. Just like the Gate of Heaven you got, Ye Feng, some things are from the underworld. Destined in the dark, fate is a mysterious thing. No one can predict it, and no one can figure it out. But sometimes, fate will happen to you. "

Hearing what Emperor Chu said, Ye Feng fell silent slightly, and then his soul power exited Gu Qingqing's mind.

At this moment, Ye Feng stared at Gu Qingqing in front of him, and couldn't help but said inexplicably: "Qingqing, I know why you can't become a true soul master. It's not that you don't have innate talent, but that The soul power in your mind is sealed by a seal. "

At this moment, Ye Feng said, but did not directly tell the secret of the Black Soul Sword.

Because the origin of the Black Soul Sword is too mysterious and vast.

Ye Feng was afraid that Gu Qingqing couldn't bear this huge secret.

In addition, Ye Feng felt that the reason why the Black Soul Sword was in Gu Qingqing's mind was probably related to Gu Qingqing's future destiny.

Therefore, Ye Feng naturally has to be cautious in this regard and not tell Gu Qingqing's real secret for the time being, otherwise Gu Qingqing's original fate may change in an unpredictable direction.

So Ye Feng just told Gu Qingqing that there was a seal in his mind at this moment.

But when Ye Feng heard what Ye Feng said, Gu Qingqing's beautiful face suddenly showed a trace of surprise, and then he couldn't help but smile bitterly and said: "No wonder I can practice the soul attack method. But the soul power cannot be increased, which means that I cannot become a true soul master. It turns out that there is a seal in my mind. "

At this time, after Gu Qingqing finished speaking, he suddenly stared at Ye Feng in front of him and couldn't help but stare at Ye Feng.

Zhu Zhu asked aloud: "Ye Feng, can't even you do anything about this seal?"

Ye Feng shook his head and said: "This is a very ancient and terrifying seal. I do not have the ability to lift this seal for the time being, but in the future, as my soul power continues to increase, I may be able to help You open this seal."

Hearing what Ye Feng said, Gu Qingqing immediately nodded, then smiled sweetly and said: "In any case, I now understand why I can't become a true soul master, which already makes me very happy. , it seems that in the near future, I still have to focus on my martial arts practice. As for the soul master, I can only put it aside for now. When Ye Feng has the ability, you can help me unlock the seal in the soul. "

At this moment, Gu Qingqing said, walking up to Ye Feng, a hint of joyful smile suddenly appeared in her beautiful eyes, and said loudly: "Ye Feng, it's great to meet you, I will do it in the future." rely on you!"

Hearing what Gu Qingqing said, Ye Feng couldn't help but smile helplessly and said: "I don't know how powerful I will be before I can break your seal, so don't do anything to me either. Having too many expectations."

Ye Feng said this at this moment, of course he was not being modest, but he really felt this way in his heart.

After all, the seal in Gu Qingqing's mind came from the peerless Horcrux, the Black Soul Sword, from the extremely advanced Black Soul World.

This thing is so taboo and advanced that even Ye Feng, who has always been confident, cannot give Gu Qingqing a complete guarantee at this time.

When Ye Feng said this, Gu Qingqing immediately smiled brightly on her beautiful face and said: "It's okay, no matter what, having hope is better than having no hope."

After finishing speaking, Gu Qingqing seemed to be in a very good mood. After all, she had figured out something that she had not figured out before, which was equivalent to untying a knot in her heart.
