

Ancient 4431

Chapter 4431 Knows everything

At this moment, hearing what Murong Changming said, Ye Feng suddenly showed a trace of expectation in his eyes.

I didn't expect that in the Blood Demon Dynasty, after my noble status was improved, I would be able to get such practical benefits.

This is naturally very gratifying for Ye Feng.

Because the next path Ye Feng takes is to continuously improve his noble status.

Therefore, the higher your status and noble status, the greater blessings you can receive from the Blood Demon Dynasty's luck, and your strength will be unparalleled.

This is naturally of great significance to Ye Feng.

At this time, Emperor Chu in his mind suddenly spoke: "Ye Feng, this kind of identity token should come from the characteristics of a dynasty like the Blood Demon Dynasty, and is connected with the luck and national destiny of the entire Blood Demon Dynasty. Yes, so you can try other functions of this identity token. Of course, it is the effect that no one has discovered, that is, through this identity token, you can secretly absorb the power of the entire Blood Demon Dynasty's destiny. , to promote your own cultivation."

"Um?"

Hearing what Emperor Chu said, Ye Feng suddenly showed a trace of surprise in his eyes.

Unexpectedly, Emperor Chu would actually want him to connect to all the luck of the entire Blood Demon Dynasty through this identity token, and then steal the power of the Blood Demon Dynasty's luck for himself to practice.

This is a very serious crime of decapitation.

But Ye Feng naturally has no taboos.

After all, Ye Feng came to the Blood Demon Dynasty with an impure purpose and wanted to control the entire Blood Demon Dynasty.

So at this time, Ye Feng nodded immediately and said aloud in his mind: "Okay, if I have time, I will give it a try."

At this moment, Ye Feng hung the identity token of a noble baron on his waist.

If necessary, Ye Feng can activate the baron token hanging on his waist at any time to improve his combat status.

At this time, Murong Changming smiled and said: "Then I will leave first. In the next few days, you can have a good rest here, and then we should go deep into the deepest part of the dark forest.

Go find the specific location where the Demonic Demon Sect attempts to resurrect the Bone Demon Saint. "

Ye Feng immediately nodded, then looked at the Black Qilin beside him, and said loudly: "Senior Black Qilin, go and see Brother Murong off."

Black Qilin nodded and walked directly in front of Murong Changming. The two old men walked in a certain direction in the distance.

Ye Feng knew that there was an unusual friendship between Hei Qilin and Murong Changming.

So Ye Feng is now creating opportunities so that the two old people can have a good conversation alone.

At this time, Ye Feng returned to the big mansion where he lived, and directly began to test the guess that Emperor Chu just said.

That is to see if he can use his identity token as a baron to connect to the huge destiny of the entire Blood Demon Dynasty, and then steal the power of destiny to enhance his own cultivation and strength.

Buzz!

At this moment, Ye Feng directly got his baron status token in his hand.

At this time, Ye Feng carefully sensed it, and through his extremely powerful soul power, he could immediately see that in the identity token in his hand, there was actually a silk thread composed of radiant gas, connected to The entire boundless sky.

Of course, only a soul master like Ye Feng could see this radiant thread.

And the direction that this thread connects is exactly the direction of the Blood Demon Dynasty's imperial city.

Ye Feng immediately understood that this radiant thread should be a thread composed of the power of luck.

My baron's noble status token is connected to the fate power of the headquarters of the Blood Demon Dynasty in the entire central imperial city through this luck thread.

At this time, Ye Feng immediately understood that what Emperor Chu said was right. He might really be able to use the identity token of this noble baron to secretly absorb the total luck of the imperial city, the center of the entire Blood Demon Dynasty. force.

But Ye Feng

You know, you can't go too far in doing this kind of thing.

Otherwise, it will definitely attract the attention of the most powerful people in the entire Blood Demon Dynasty Imperial City.

It would be very embarrassing if he was found out by then.

At this time, Ye Feng suddenly showed a hint of joy in his eyes, and couldn't help but sigh in his heart, Emperor Chu really had a lot of clever ideas.

At this time, Ye Feng did not hesitate and began to use the baron status token in his hand to try to absorb the fate of the entire Blood Demon Dynasty.

"Buzz..."

At this moment, Ye Feng immediately felt a very powerful force of destiny, which was directly injected into his entire body through the identity token of the noble baron in his hand.

At this moment, Ye Feng immediately felt that the energy in his dantian was growing rapidly.

Ye Feng could immediately clearly feel that his cultivation aura was constantly rising.

It has to be said that the Blood Demon Dynasty is worthy of being one of the three top overlords in the Northern Territory. It is a very large force with a very strong foundation. It is estimated that the population is tens of billions and the number of practitioners is estimated to be hundreds of millions.

Therefore, the power of luck formed by this huge population base is still very terrifying.

Therefore, at this time, Ye Feng, even if he only absorbed a little bit of the power of luck through his identity token, but because the power of luck he absorbed came from the headquarters luck of the Imperial City, the center of the Blood Demon Dynasty, it was very Advanced, very pure, it instantly made Ye Feng's skill skyrocket.

The cultivation aura on Ye Feng's body suddenly began to break through rapidly.

Even though Ye Feng's current cultivation level is at the half-step Heavenly Palace level, he happens to be at the biggest bottleneck.

But at this time, with the help of the powerful luck of the Imperial City's headquarters that he absorbed, Ye Feng's cultivation bottleneck was suddenly impacted and began to loosen.

Finally at some point.

"boom!!"

Ye Feng's body

Immediately, an extremely terrifying cultivation aura erupted.

At this moment, Ye Feng successfully broke through the biggest bottleneck of the Half-Step Heavenly Palace Realm.

Finally, we have completely entered the first level of the real Heavenly Palace Realm!

When Ye Feng stepped into the real first level of the Heavenly Palace Realm, he could immediately feel that his combat power had been unparalleledly improved.

After all, this is a new level, which has completely transformed everything about Ye Feng.

"The cultivation of the first level of the Heavenly Palace Realm is indeed very powerful."

At this moment, Ye Feng's eyes immediately revealed a look of deep surprise.

But what surprised Ye Feng the most was that he could really steal and absorb the destiny power of the entire Blood Demon Dynasty headquarters through the identity token of a noble baron in his hand.

Ye Feng immediately couldn't help but said aloud in his mind: "Emperor Chu, your guess is right. I can really absorb the fate of the entire Blood Demon Dynasty through this baron token."

Emperor Chu immediately nodded in his mind and said aloud: "As your noble status continues to improve in the future, and the special tokens you obtain become more and more advanced, you will be able to obtain and absorb the Qi of the Blood Demon Dynasty. The power of luck will become more and more powerful, and even in the end, if you can really hold the power in the entire Blood Demon Dynasty, you can even divide the power of luck that the entire Blood Demon Dynasty has

gathered over the years. At that time, your skills and vitality will be completely transformed and evolved."

"And there is another thing that ordinary people don't know at all, that is, the power of luck in practicing the great dynasty not only gathers the power of faith of mortals, but also gathers the power of faith of many practitioners, among which there is a very special It is rich in divine substances. If you can extract the divine substances from the power of luck, it can greatly refine and enhance your immortal body."

"What??"

Hearing Emperor Chu say this in his mind, Ye Feng was really shocked this time.

But immediately, Ye Feng's eyes were filled with deep surprise.

Emperor Chu is indeed the Emperor of Chu, the eternal god who knows everything!

Chapter 4432 She is here too

At this time, after Ye Feng achieved a breakthrough in cultivation, he reached the real first level of the Tiangong Realm, which naturally made Ye Feng very happy.

After all, Ye Feng has been in this big bottleneck for a long time, so now that he has been injected with the huge power of luck from the entire Blood Demon Dynasty, Ye Feng's skills have been instantly improved, and Ye Feng is naturally very satisfied.

At this time, Ye Feng was also very lucky to have such a mysterious existence as Emperor Chu in his mind.

Otherwise, I really don't know that this Baron Token has so many functions.

However, Ye Feng tried carefully at this time and found that not much divine substance was extracted from the power of luck.

Ye Feng knew that it seemed that his noble rank was still relatively low, so the power of luck that his first-level baron status token received was not high enough, so he could not extract the true divine substance.

At this time, Ye Feng was becoming more and more looking forward to and eager to upgrade his noble rank.

In the next few days, Ye Feng used his Baron Token to continuously absorb the power of luck from the center of the Imperial City of the Blood Demon Dynasty.

Ye Feng's skill is also increasing day by day.

Finally, on the morning of the seventh day, Ye Feng's cultivation level once again made a breakthrough, and he successfully broke through from the first level of the Tiangong Realm to the second level of the Tiangong Realm.

Ye Feng doesn't dare to draw the power of luck too exaggeratedly now, lest he be discovered by the top powerhouses of the Blood Demon Dynasty.

After all, Ye Feng's current status is still relatively low, he is just a first-class baron, and he doesn't dare to be so arrogant for the time being.

At this time, Ye Feng slowly opened his eyes in his training room, with a look of deep surprise in his eyes.

With the blessing of this baron status token, my skill has increased so fast.

In just a few days, a big bottleneck has been broken through, and it has also reached

Reached the second level of the Heavenly Palace Realm.

At this time, even Black Qilin standing outside had a look of surprise in his eyes, as if he did not expect Ye Feng to be able to break through so quickly with his own practice.

After all, in Black Qilin's eyes, Ye Feng's breakthrough was mainly due to his ability to swallow the energy of other living beings.

However, Ye Feng has been staying in his own exclusive training room in the big house this time.

But Ye Feng's cultivation level still breaks through so quickly, which is very miraculous.

It is estimated that Black Qilin never imagined that Ye Feng could actually steal the fate of the entire Blood Demon Dynasty for his own use with his own small identity token.

This method is too magical and too unnatural.

At this time, Ye Feng immediately spoke up and said: "Senior Black Qilin, during the past few days when I am in seclusion, will anyone tell us what to do?"

Black Qilin shook his head and said loudly: "Not yet."

Ye Feng nodded and was about to say something.

But suddenly at this moment, a figure of an old man in black robe flew over not far away.

It was none other than Brother Murong, Murong Changming.

At this moment, Murong Changming came to Ye Feng, and immediately said with a somewhat urgent look: "Ye Feng, it's time for us to set off. The core experts of the entire Demon Slayer Headquarters have already gathered in the border city. Outside the city gate, the strong men from the Royal Training Academy are also waiting there, let's go over there and gather."

Ye Feng nodded immediately, and then followed Murong Changming with the black unicorn, directly towards the gate of the border city in the distance.

Fly quickly.

At this time, Ye Feng looked at Murong Changming beside him, and couldn't help but ask: "Brother Murong, what kind of cultivation skills do the strong men from the Royal Cultivation Academy have?"

Hearing Ye Feng's question, Murong Changming suddenly showed a trace of sigh in his eyes, and said loudly: "Now the martial arts masters of the Royal Training Academy are becoming more and

more powerful. This time, come and help us stop it." The strong men of the Royal Academy of Cultivation who are plotted by the Demonic Sect are all very powerful in their cultivation. There are even some top talents of the younger generation who are several realms higher than Ye Feng and your current cultivation. , almost comparable to our elders."

"What?"

Hearing what Murong Changming said, Ye Feng's eyes suddenly showed a look of surprise.

I didn't expect that the Royal Training Academy of the Blood Demon Dynasty, which specialized in cultivating strong men and geniuses, would actually have such powerful characters.

At this time, Ye Feng nodded immediately.

In fact, it's normal to think about it.

After all, the Blood Demon Dynasty is one of the three top overlord forces in the northern region of the entire Ten Thousand Demon Interface.

Therefore, the blood demon dynasty has a very deep foundation.

For a huge cultivation dynasty like the Blood Demon Dynasty, it is normal for the Royal Training Academy, which is dedicated to cultivating young geniuses and top experts, to have very powerful young geniuses.

At this moment, Murong Changming looked at Ye Feng beside him, and immediately smiled and said: "Ye Feng, next you meet the young geniuses from the Royal Academy of Cultivation. You can communicate more with them, even if you don't Joining the Royal Cultivation Academy and communicating more with these top geniuses will also have huge benefits for your future promotion in our Blood Demon Dynasty. After all, being able to enter the Royal Cultivation Academy, whether it is an older person or a young genius, All of them have noble status and extraordinary talents.

"

"Um."

Hearing Murong Changming's reminder, Ye Feng immediately nodded without saying anything more.

For Ye Feng, he actually doesn't really want to take the initiative to communicate with anyone. After all, Ye Feng doesn't have that much energy to do these social things.

So at this time, Ye Feng just agreed casually.

Seeing Ye Feng acting like a lone ranger, Murong Changming could only smile and shake his head without saying anything more.

Because he knows that Ye Feng seems to be quite gregarious, but in fact Ye Feng has his own independent ideas and generally does not become friends just to please anyone.

At this time, Ye Feng followed Murong Changming and quickly arrived outside the gate of the border city.

At first glance, Ye Feng saw figures standing on the loess outside the city gate.

These figures include men and women, old people and young people, some are members of the Demon Slayer Headquarters, and some are members that Ye Feng has never seen before. They should be from the Royal Cultivation Academy.

At this time, Ye Feng immediately sensed that all the figures standing on the land outside the city gate were very powerful.

Ye Feng's eyes immediately showed surprise.

The blood demon dynasty's background is indeed much more powerful than I imagined.

At this moment, Ye Feng suddenly looked in a certain direction.

Because Ye Feng actually sensed a very familiar aura.

The next moment, a beautiful female figure, wearing a beautiful blue palace dress, appeared in Ye Feng's field of vision.

It turned out to be the mysterious royal prodigy of the Blood Demon Dynasty, Gu Qingqing, whom Ye Feng had met before!

She's here too!

Chapter 4433 So brave

At this time, Ye Feng's eyes suddenly showed surprise.

It seems that he did not expect that he would meet Gu Qingqing, a beautiful and mysterious female talent here again.

At this time, Ye Feng knew very well that Gu Qingqing's status was absolutely extraordinary.

Ye Feng guessed that Gu Qingqing was a descendant of the orthodox bloodline of the royal family in the Blood Demon Dynasty.

At this moment, Ye Feng naturally did not hesitate at all and just smiled and walked quickly in the direction where Gu Qingqing was standing.

After all, the two have experienced a lot before and are very familiar with each other. They can be regarded as relatively close friends.

Ye Feng walked over and immediately greeted with a smile: "Qingqing, I didn't expect you to be here too."

Qingqing is Ye Feng's exclusive name for Gu Qingqing. Gu Qingqing personally asked Ye Feng to call her that.

So at this time, Gu Qingqing naturally had no objection to this kind of affectionate name. That beautiful face suddenly showed a look of surprise and a hint of joy. It seemed that she had not thought of it. I saw Ye Feng again so soon.

Gu Qingqing couldn't help but said: "Ye Feng, I didn't expect that you are still a core member of the Demon Slayer Headquarters and will participate in this difficult mission with us."

When he said this, Gu Qingqing suddenly sensed something, and immediately couldn't help but said in surprise: "Ye Feng, your cultivation aura has increased so much in a short period of time. It's really... It's impressive. I've said before that you will definitely become more and more powerful in the future. After all, your talent is the most powerful I have ever seen."

Hearing what Gu Qingqing said, Ye Feng just shook his head and smiled without saying anything else.

"Your Highness the Seventh Princess, is this boy the peerless genius you mentioned before? Why does he look so ordinary to me?"

Suddenly at this moment, a rather casual voice suddenly sounded.

In his words, he seemed to look down on Ye Feng very much.

At this time, a handsome young man wearing white black clothes appeared and walked directly next to Gu Qingqing and Ye Feng, his eyes

With a careless smile, he stared at Ye Feng, and there seemed to be a trace of hostility deep in his eyes.

At this time, Ye Feng clearly felt this hostility, and immediately understood in his heart. It seemed that the intimate conversation between himself and Gu Qingqing had caused some people to feel unhappy.

At this time, Ye Feng finally knew Gu Qingqing's true identity.

She turned out to be Her Royal Highness the Seventh Princess of the Blood Demon Dynasty!

At this time, Ye Feng immediately looked at Gu Qingqing in front of him, couldn't help but reveal a slight smile in his eyes, and said loudly: "It turns out, Qingqing, you are the orthodox royal bloodline of the Blood Demon Dynasty, and you are a noble princess. Your Highness, no wonder you have such great strength and means."

Hearing what Ye Feng said, Gu Qingqing immediately lowered his head slightly, and seemed a little embarrassed to say out loud: "Ye Feng, it's not that I didn't tell you directly at the beginning, my identity is mainly..."

"No need to explain anything."

At this time, Ye Feng immediately shook his head and smiled, looked at Gu Qingqing in front of him, and said loudly: "The relationship between you and me has some very small and trivial things, and there is no need to explain it so clearly."

Hearing what Ye Feng said, Gu Qingqing's beautiful eyes suddenly revealed a hint of brilliance.

She stared at Ye Feng and felt that every word Ye Feng said seemed to be full of such charm. She had never felt this feeling before.

At this moment, the young man standing next to Gu Qingqing and Ye Feng, who had just looked down on Ye Feng, had a rather gloomy face at this time.

Because he found out that no one responded to what he said.

Gu Qingqing did not respond.

Ye Feng didn't respond either.

It was just the two of them chatting.

This made the young man immediately reveal a rather gloomy look in his eyes.

After all, this young man is not an ordinary person, but Zhao Guangming, one of the top ten core students in the Royal Academy of Cultivation, ranked ninth.

And you must know that this Zhao Guangming is not only one of the top ten distinguished core students in the Royal Academy of Cultivation, but also comes from the Zhao family, one of the six top families in the Imperial City of the Blood Demon Dynasty.

Therefore, Zhao Guangming has always felt that his status is very high, and his talent is indeed great. He has entered the Royal Cultivation Academy at a young age and has become one of the top ten core students in the Royal Cultivation Academy. The cultivation strength is very high.

So naturally he didn't take a country boy like Ye Feng seriously.

After all, in his eyes, Ye Feng, a newcomer from a remote place, had just joined the Blood Demon Dynasty and his status was very low.

And the most important thing is that a country boy like Ye Feng can have a happy conversation with the seventh princess Gu Qingqing, who is beautiful and precious in Zhao Guangming's heart, which really makes him a little jealous. .??.

After all, Zhao Guangming wanted to seize the good opportunity to complete the mission together this time, and wanted to cultivate a good relationship with the Seventh Princess, Gu Qingqing.

Whether it was Gu Qingqing's beautiful appearance or Gu Qingqing's identity, Zhao Guangming was very fascinated.

He wanted to get a beauty, and he also wanted to use the noble status of Her Royal Highness the Seventh Princess Gu Qingqing to rise step by step among the royal family of the Blood Demon Dynasty.

So when I saw Gu Qingqing at this time, it seemed that her relationship with Ye Feng was very unusual. Zhao Guangming naturally stood up and wanted to ridicule Ye Feng and let Ye Feng not be ignorant.

But he didn't expect that Ye Feng didn't bother to pay attention to Zhao Guangming at all, but kept talking to Gu Qingqing on his own.

The two of them seemed to have automatically excluded Zhao Guangming.

Many people around saw this scene and pointed at Zhao Guangming, which made Zhao Guangming's face immediately become extremely gloomy.

It seems that he did not expect that a country boy like Ye Feng would be so courageous.

After all, on the frontier of this demon-killing headquarters

In the city, everyone needs to be respectful when they see a noble person like Zhao Guangming.

Not to mention paying homage, at least bowing down and doing all kinds of things to please.

Unexpectedly, Ye Feng didn't even look at him.

At this time, Zhao Guangming immediately coughed lightly, then looked at Ye Feng and said, "Didn't you hear what I said? Why didn't you respond to me?"

Ye Feng seemed to finally hear Zhao Guangming's voice at this time. He glanced at Zhao Guangming slightly and said nonchalantly: "You are taunting me, why should I respond to you? If I didn't slap you, it's already considered a slap. Qingqing lost face."

"you....."

Hearing Ye Feng's words, Zhao Guangming's eyes suddenly widened slightly.

It seems that he did not expect that a country boy like Ye Feng would be so courageous.

Not only did he directly call the precious Seventh Princess Qingqing in front of the public, but he also said such harsh words, which really made Zhao Guangming's face turn livid all of a sudden.

At this moment, Zhao Guangming couldn't help but said angrily: "You directly called Her Royal Highness the Seventh Princess Qingqing. This is a big sin! This is disrespectful to the royal family! You must be thrown into prison!"

Zhao Guangming knew that he could not attack Ye Feng directly now, after all, everyone present was watching.

So he could only deal with Ye Feng by giving him a big hat.

But at this time, before Ye Feng could speak, Gu Qingqing said indifferently: "Zhao Guangming, stop saying these meaningless words. Ye Feng called me Qingqing, and I took the initiative to let him call me that."

"What??"

Hearing what Gu Qingqing said, Zhao Guangming's face immediately turned livid again.

However, he did not dare to be angry at Gu Qingqing, the Seventh Princess. He just stared at Ye Feng, hiding a boiling murderous intention that was cold and extremely gloomy. He wished he could take action immediately and kill Ye Feng, a humble country boy, on the spot. .

Chapter 4434 The treasure of the town courtyard

However, there were too many people present now, and Gu Qingqing was also here. After all, Zhao Guangming did not take action against Ye Feng, but held back his strong murderous intention.

But the vicious look in his eyes clearly showed his inner feelings.

At this time, Ye Feng smiled coldly, not bothering to care about Zhao Guangming's murderous intention.

This Zhao Guangming is indeed a very powerful young genius, and his cultivation strength is much stronger than his current level.

But Ye Feng's current cultivation level is not weak.

You know, during this period of time, Ye Feng not only reached a new level of cultivation, but also reached a new level, the second level of the Tiangong Realm.

In addition, Ye Feng also has the Baron Token, which can draw the fate of the entire Blood Demon Dynasty at critical moments and use it to enhance his overall combat effectiveness.

Moreover, the black unicorn has always been by his side, inseparable, and is his personal bodyguard.

So Ye Feng naturally has no fear of Zhao Guangming.

At this moment, Ye Feng just continued talking to Gu Qingqing, and then returned to the core group of strong men at the Demon Slayer Headquarters not far away.

At this time, Murong Changming, who was standing next to Ye Feng, couldn't help but smile and said meaningfully: "Brother Ye Feng, I didn't expect that you and Her Highness the Seventh Princess have a very good relationship. You can directly She has no objection to calling her Qingqing."

When Ye Feng heard what Murong Changming said, he immediately smiled and said nothing more.

At this time, Murong Changming suddenly said: "But Zhao Guangming is still very good. He is one of the top ten core students of the Royal Cultivation Academy. Although he is ranked ninth and relatively low, he is also very powerful. After all, he is from the Zhao family, one of the six top families in the imperial city. The Zhao family's Thunder Dragon Divine Art is a very powerful inheritance, and it is said that this Zhao Guangming has also inherited one of the Zhao family's three major clan weapons. First, the Thunder Overlord Spear, so Zhao Guangming's overall strength is still

He is very powerful, but with me and Black Qilin here, you don't have to be afraid of Zhao Guangming. If he dares to bully you, we will help you stand up. "

Apparently Murong Changming also noticed that Zhao Guangming was very hostile to Ye Feng.

Ye Feng just smiled slightly at this moment and said aloud: "I don't put Zhao Guangming in my eyes at all. In my eyes, he is just a soy sauce."

At this moment, after Ye Feng finished speaking, a majestic middle-aged man suddenly flew high into the sky.

He is the commander-in-chief of the Demon Slayer Headquarters.

At this moment, the commander of the Demon Slayer Headquarters immediately said in a rather majestic voice: "Hello everyone, this time, I will personally take you to the depths of the dark forest to stop the Demon Sect's attempt to resurrect the Bone Demon Saint. Conspiracy, I hope everyone can unite as one to destroy the evil conspiracy this time. "

At this moment, when the commander of the Demon Slayer Headquarters said the words "unity", he specifically glanced at a group of dozens of core experts from the Royal Training Academy.

Obviously, the commander-in-chief wanted to remind these core experts from the Royal Academy to obey his orders as the commander-in-chief.

After all, the commander-in-chief of the Demon Slayer Headquarters also knew very well that these core experts from the Royal Training Academy must all be unruly people, so they were very difficult to manage.

The commander-in-chief of the Demon Slayer Headquarters naturally wanted to remind him emphatically.

At this time, the leader of the Royal Training Academy was an old man wearing a purple robe.

The old man in purple robes immediately said: "Commander, don't worry, this time our Royal Training Academy received an important reminder from the upper echelons of the royal family, saying that we have arrived in this border city.

We must listen to the commander-in-chief and stop the evil plot. We will definitely not mess around. "

Hearing what the old man in purple robes who led the team said, the commander of the Demon Slayer Headquarters immediately nodded, then waved his hand and said, "Then let's set off directly."

Swish, swish, swish!

At this moment, there were nearly a hundred people on the entire field, including the core experts from the Royal Training Academy who came to support them. They were all the best among the best, the core among the core, and their cultivation strength was extraordinary. powerful.

There were young geniuses and elders, all gathered together. Under the leadership of the commander of the Demon Slayer Headquarters, they lurked their auras and rushed towards the depths of the dark forest quickly.

They didn't fly.

Because flying is so compelling.

So he was walking quickly on the ground just like an ordinary warrior.

But even if they are just walking quickly, their speed is very fast.

After all, those who can participate in this mission are all core experts, so everyone's cultivation strength is very strong, and their leg strength is naturally very powerful.

At this time, no one in the crowd spoke.

But Ye Feng could feel that Zhao Guangming in front of him looked at him with cold murderous intent in his eyes.

Ye Feng didn't bother to care about this at all.

If Zhao Guangming really dares to take action against him, then Ye Feng doesn't mind letting him know what the consequences will be if he offends him.

At this moment, a group of people moved quickly through the dark forest, rushing towards the location where the Demon Sect resurrected the Bone Demon Saint.

...

Time passes quickly, like running water without leaving a trace.

In the blink of an eye, three days passed

went.

On this night, the moon was dark and the wind was high.

The entire dark forest seemed darker and quieter.

It was almost impossible to reach out and see nothing.

But more than a hundred people were shrouded in darkness at this moment, approaching the edge of a barren land deep in the dark forest.

At this time, these more than 100 people were the core team of experts from the Demon Slayer Headquarters and the Royal Training Academy.

I came here to destroy the conspiracy of the entire Demonic Cult.

At this moment, the commander of the Demon Slayer Headquarters, who was standing at the front and leading the team, glanced at the desolate area in the deepest part of the dark forest ahead, and immediately couldn't help but said to the back: "Everyone must be careful from now on. , we are about to enter the burial place of the White Bone Demon Saint. The Demonic Sect has sent many strong men to station here, and there may be various formations with murderous intent hidden around to protect this piece of the Bone Demon Saint. The sleeping place, so now everyone must be careful and don't alert the snake, otherwise, we will be surrounded by heavy siege. What we have to do is to sneak deep into the sleeping place of the White Bone Demon Saint and take away the White Bone Demon Saint's If the body is completely destroyed, the Bone Demon Saint will never be able to be resurrected, and our mission is considered completed. "

Hearing what the commander of the Demon Slayer Headquarters said, some people around him couldn't help but said: "The White Bone Demon Saint was the first generation of peerless strong men to be sanctified in the Northern Territory. His body is almost immortal. What should we do?" destroy?"

Before the commander of the Demon Slayer Headquarters could speak, the old man in purple robe who was leading the team from the Royal Training Academy immediately smiled and said: "Don't worry, everyone, this time we specially sent the six major members of our academy from the Royal Training Academy. One of the treasures of the town, the "Yin Yang Qiankun Sword", was brought over. It was a weapon contaminated with the aura of the gods. It had been passed down from ancient times and was enough to destroy the body of the dead White Bone Demon Saint. "

Chapter 4435 A great opportunity

At this time, after the purple-robed old man from the Royal Cultivation Academy finished speaking, many people present couldn't help but nodded, with relief in their eyes.

Because they knew very well that the foundation of their Blood Demon Dynasty Royal Training Academy was very deep.

This time the purple-robed old man said that they had brought all the weapons from the Royal Cultivation Academy, so there must be no problem for the old man.

Not only can it be used to destroy the dead immortal body of the White Bone Demon Saint, but also when fighting with many powerful men from the Demonic Sect later, the Yin Yang Universe Sword, once activated, can also exert extremely terrifying destructive effects. The power and power are enough to frighten the heroes.

So at this time, everyone present had a look of deep surprise in their eyes. It seemed that they did not expect that these masters from the Royal Academy of Cultivation would pay so much attention to this plan to destroy the resurrection of the White Bone Demon Saint. We have brought all the weapons to the hospital.

At this moment, when the old man in purple robes said this, the commander of the Demon Slayer Headquarters also had a look of deep surprise in his eyes. He immediately couldn't help laughing and said: "I didn't expect Elder Zi to use the Yin Yang Qiankun Sword." We have brought all kinds of peerless treasures here, so we are very confident this time."

At this time, the commander-in-chief of the Demon Slayer Headquarters was still very happy, because this time not only did the Royal Academy have so many core experts, but they also brought all the treasures from the academy, which was equivalent to infusing their team with A shot of cardiotonic.

The overall strength of the entire team suddenly improved a lot.

At this time, the commander of the Demon Slayer Headquarters immediately said: "Then let's sneak over and try not to alert the enemy."

After finishing speaking, the commander of the Demon Slayer Headquarters led a group of core experts from the team and quickly approached the deserted area ahead.

According to the report of the spies sent by the commander of the Demon Slayer Headquarters, the location where the Demon Sect resurrected the Bone Demon Saint is in the desolate area in the deepest part of this dark forest.

At this time, the commander of the Demon Slayer Headquarters led everyone into this desolate area. They walked nearly thousands of kilometers and finally discovered it.

At the end of the barren land in the distance, a huge mountain made of bones stood up.

This mountain of bones looks very...

Shocking, very weird, giving people a terrifying feeling.

Seeing this scene at this moment, all the strong men present showed deep shock in their eyes, and then anger.

How many creatures did the Demonic Sect kill before they could gather so many bones? They all piled up into a mountain of bones. It was really shocking and infuriating.

At this time, the commander of the Demon Slayer Headquarters immediately said: "The place where the White Bone Demon Saint is resurrected is under the mountain where the bones are piled up. We can no longer lurk secretly because there will be many people in the future. The strong men of the Demonic Sect are patrolling around, and we can't avoid their detection no matter how we lurk, so I will launch a general attack next."

When he said this, the commander of the Demon Slayer Headquarters glanced at the strong men of the Royal Training Academy and said loudly: "All the strong men of our Demon Slayer Headquarters are responsible for the all-out attack, and the core strong men of your Royal Training Academy are responsible for the all-out attack. , take the powerful treasure you brought, the Yin Yang Qiankun Sword, to destroy the mountain made of bones. After destroying the mountain of bones, then destroy the sleeping place of the White Bone Demon Saint under the mountain. On the ground, the immortal body of the White Bone Demon Saint after his death should be under the mountain where the bones are piled up."

After hearing the arrangements made by the commander of the Demon Slayer Headquarters, everyone present nodded.

"Push it to me!"

At this moment, the commander of the Demon Slayer Headquarters immediately spoke to all the core experts of the Demon Slayer Headquarters behind him: "We buy time for the members of the Royal Training Academy."

Boom!

Almost at this moment, a huge golden beam of light burst out from the commander of the Demon Slayer Headquarters.

His whole body was directly filled with unparalleled powerful momentum, and he rushed towards the direction of the White Bone Mountains ahead.

Behind him, a group of strong men from the Demon Slayer Headquarters, including Murong Changming, Ye Feng, and Black Qilin, all rushed to the sky.

There are dozens of strong men, all of whom are in the Demon Slayer Headquarters.

The core characters all exploded with their own powerful cultivation strength and methods, and charged forward.

"Someone wants to destroy the sleeping place of the Bone Demon Saint of our Demonic Sect!"

"Enemy attack! Enemy attack! Hurry and resist!"

At this time, the commander-in-chief of the Demon Slayer Headquarters led a group of core figures from the Demon Slayer Headquarters and launched a charge, immediately attracting the attention of all the surrounding strong men from the Demon Sect guarding the place.

They also rushed to high altitude to stop the commander of the Demon Slayer Headquarters and a group of core figures from the Demon Slayer Headquarters.

At this moment, the old man in purple robe who was still on the ground immediately looked at the group of core experts from the Royal Academy behind him, and said quickly: "The commander of

the Demon Slayer Headquarters, and a group of core members from the Demon Slayer Headquarters. The strong men are buying time for us. We hurry up and approach the White Bone Mountain. Our goal is to destroy the entire White Bone Mountain and destroy the body of the White Bone Demon Saint who is trying to be resurrected under the White Bone Mountain."

Hearing what the old man in purple robe said, many of the core experts of the Royal Academy of Practice, including Gu Qingqing, nodded their heads one after another, and then took advantage of the chaos to quickly attack towards the white bone mountain in the middle. go.

For the members of the Royal Training Academy, they do not need to fight with the guardians of the Demonic Cult. ??

What they had to do was take advantage of the chaos and get close to the bone mountain as quickly as possible.

At this moment, the leader of the Royal Training Academy, who was wearing a purple robe, did not directly use the Yin-Yang Universe Sword.

Because this powerful treasure is used to finally destroy the White Bone Mountain and the body of the White Bone Demon Saint.

If used prematurely, it will attract the attention of the powerful demons guarding the entire Demonic Sect.

At that time, we will focus on besieging them, which will be terrible.

So at this time, the strong men of the Royal Training Academy were walking quickly underneath without emitting much powerful force. The purpose was not to attract attention.

The main attack targets of all the demonic strongmen left to guard the entire Demonic Sect here are actually a group of core strongmen from the Demonic Slayer Headquarters who have given full play to their powerful combat capabilities at high altitudes.

At this moment, Ye

Murong Changming and Hei Qilin stood around Feng. Obviously, these two elders were worried that Ye Feng would be killed in this chaos, so they were not far away from Ye Feng.

At this time, Ye Feng immediately looked at Murong Changming and said loudly: "Brother Murong, you can help the commander to your heart's content and deal with the top powerhouses of the Demonic Sect. I don't have any problems here. I myself My strength is not weak anymore, and I have Senior Black Qilin to protect me, so there will be no problem."

When Murong Changming heard what Ye Feng said, he hesitated for a moment, then nodded and said loudly: "Okay, then I will go help the commander-in-chief. The pressure on the commander-in-chief is indeed great."

At this moment, Murong Changming immediately rushed towards the commander of the Demon Slayer Headquarters.

At this moment, the commander of the Demon Slayer Headquarters was under great pressure because he was being attacked by six super strong men from the Demonic Sect who were in the same realm as him.

Murong Changming's passing can greatly relieve the pressure on the commander of the Demon Slayer Headquarters.

Ye Feng knew at this time that Murong Changming would definitely be restrained by protecting him by his side and would not be able to fully unleash Murong Changming's true power.

Therefore, Ye Feng asked Murong Changming not to worry about himself first, and to deal with the most difficult group of top magic powerhouses first.

"Commander, let me help you!"

At this moment, Murong Changming suddenly burst out his extremely powerful ancient flame nine-headed dragon bloodline.

boom! !

Suddenly, in the void behind him, a nine-headed giant dragon burning with crimson flames appeared, roaring and roaring, full of monstrous power.

It has to be said that Murong Changming awakened the most powerful and ancient blood power of the Murong family, and he was indeed very powerful.

At this time, Ye Feng looked at the Black Qilin beside him and said loudly: "Senior Black Qilin, you will protect me from now on. During this war, I can quietly absorb all the fallen people on the battlefield. The blood energy of the strong men, these are the core powerhouses among the major forces on both sides. The blood energy is very advanced and powerful, and it will definitely completely transform my cultivation. This is a great opportunity for me to devour it to my heart's content. !"

Black Qilin naturally did not hesitate at this time and immediately said: "Okay."

Chapter 4436 Scary Young Man

Boom!

At this time, the black unicorn directly manifested its own body, directly in a ray of light on the spot, turning into a huge black jade unicorn with dark attributes.

Its whole body was burning with jet-colored flames, giving people a very terrifying and mighty feeling.

At this time, the black unicorn transformed into its true form and guarded Ye Feng, making Ye Feng unable to be attacked by anyone.

At this moment, Ye Feng did not attack the opponent's powerful demon at all. Instead, he wasted no time and directly released his Devouring Domain.

Buzz!

At this moment, Ye Feng's body suddenly erupted with a dark light, forming a devouring field that enveloped Ye Feng's surroundings.

At this time, when Ye Feng released the Devouring Domain, even the black unicorns guarding around him felt a frightened feeling.

Because Ye Feng's Devouring Domain gives people a really weird feeling, as if it can swallow everything, absorb it into it, and digest it into Ye Feng's energy.

So at this time, Black Qilin was a little farther away from Ye Feng.

At this moment, Ye Feng, guarded by the black unicorn, shuttled through the entire battlefield, and it was difficult for other strong men from the Demonic Sect to get close to Ye Feng.

At this time, Ye Feng directly used the Devouring Domain to quickly absorb the huge and endless blood energy around him.

You know, there are dozens of core experts in the entire Demon Slayer Headquarters, and thousands of masters from the Demon Sect around them, who are fighting fiercely.

Every second and every moment, many powerful demons fell, so they all became Ye Feng's blood and energy.

At this time, Ye Feng could immediately feel that his skill was growing rapidly.

The aura of cultivation on his body is also constantly rising.

"boom!"

The third level of Heavenly Palace Realm!

"boom!"

The fourth level of the Heavenly Palace Realm!

"

boom! "

The fifth level of Heavenly Palace Realm!

At this time, Ye Feng's cultivation aura immediately surged rapidly and continuously, making Ye Feng feel very surprised.

Unexpectedly, the blood energy of these strong men had such powerful and advanced energy, which made Ye Feng's cultivation breakthrough extremely fast.

In just a short moment, Ye Feng had already broken through three levels of heaven in a row.

"boom!"

At this time, Ye Feng continued to increase the devouring of the Devouring Domain.

Boom!

At this moment, all the blood and energy from the fallen strong men around him were extracted and gathered in the direction of Ye Feng.

Ye Feng no longer wants to keep a low profile.

Because there is no way for him to keep a low profile under the current situation.

But Ye Feng didn't want to waste so much blood energy.

Therefore, at this time, Ye Feng was naturally desperate to devour all the blood and energy around him to fully strengthen his skills.

At this time, Ye Feng could immediately feel that the cultivation skills in his Dantian were growing rapidly and continuously again.

For Ye Feng, this battlefield is simply a paradise for cultivation.

Boom!

Along with the billowing energy, Ye Feng's cultivation aura was rising again.

"boom!"

The sixth level of Heavenly Palace Realm!

"boom!"

Heavenly Palace Realm Seventh Heaven!

"boom!"

Heavenly Palace Realm Eighth Heaven!

"boom!"

The ninth level of Heavenly Palace Realm! !

In just a few minutes, Ye Feng's cultivation level

Another surge came.

Breaking through directly to the ninth level of the Tiangong Realm!

You must know that Ye Feng's current cultivation level has been upgraded to a powerful cultivation level such as Tiangong Realm. Every breakthrough requires very majestic energy to allow himself to break through the cultivation bottleneck.

Therefore, even if Ye Feng just breaks through the first level, he still needs a lot of energy.

But now, Ye Feng has made so many breakthroughs in his cultivation in just a few moments.

It can be seen from this that how many strong men are currently falling in this battlefield.

Whether it is the strong men of the Demonic Sect or the strong men of Ye Feng's Blood Demon Dynasty, they are all falling rapidly. .??.

If the leaf wind does not devour it, it will not devour it.

Naturally, he uses the blood energy of these fallen strong men to quickly improve his own skills.

At this moment, Ye Feng's rapid breakthrough made the black unicorns who were guarding Ye Feng show deep shock in their eyes.

It seems that he never expected that Ye Feng's devouring ability would be so terrifying.

At this moment, there were finally strong men from the Demonic Sect around, who noticed the movement here.

After all, Ye Feng's cultivation was very weak at the beginning. Of course, compared to the cultivation of these strong men of the Demon Sect and other core figures in the Demon Slayer Alliance, Ye Feng's cultivation is currently not that high.

Therefore, it did not attract the attention of the Demonic Sect at first.

But now the strong men of the Demonic Sect suddenly discovered that a young man from the Blood Demon Dynasty not far away was growing rapidly.

That aura of breakthrough cultivation simply shocked everyone present.

A protector from the Demonic Sect, wearing a golden robe, immediately said in a very frightened and angry voice: "There is a very scary young man in the Blood Demon Dynasty. He seems to be using us to practice an evil magic skill. He wants to Utilize the blood of all our strong men from the Demonic Sect

Energy is used to strengthen oneself. This young man must not be allowed to grow any further, otherwise, no one will be able to deal with him. "

boom! boom! boom!

Almost at this moment, there were three top masters from the Demonic Sect, all of whom were at the guardian level, and they rushed towards Ye Feng in an instant.

Their cultivation level is two whole realms higher than Ye Feng's current Tiangong realm. They are Beidou realm experts above Tiangong realm and Taiyin realm.

A total of three Beidou Realm-level Demonic Sect strongmen rushed towards Ye Feng in an instant, holding different types of demonic weapons in their hands, possessing very terrifying killing power.

boom!

Black Qilin immediately greeted him at this moment, because when he was around Ye Feng, he naturally tried his best to protect Ye Feng.

Boom! !

Three Beidou Realm powerhouses from the Demonic Sect collided with the black unicorn, and they immediately made a terrifying roar.

It has to be said that although Black Qilin's cultivation has not yet returned to one percent of its peak, it still does not fall behind when one versus three.

"Continue to find people for reinforcements!"

At this moment, the three guardians of the Demonic Sect immediately sent out calls for help in other directions.

Uh-huh! Uh-huh! Uh-huh! Uh-huh! Uh-huh!

At this moment, five more Beidou Realm-level demon masters quickly charged towards Ye Feng.

At this moment, terrifying power and destructive light waves erupted from their bodies, making the black unicorn unable to resist for a while.

After all, there are eight top Beidou realm level demon masters attacking the black unicorn.

At this moment, Ye Feng was devouring while shouting at Black Qilin: "Senior Black Qilin, let's fight against these eight Beidou realm demon powerhouses and try to kill them all! Since they are here If you want to die, let them do it!"

Chapter 4437 Extremely high evaluation

At this time, Ye Feng's cultivation level broke through many levels in succession, and he stepped into the ninth level of the Heavenly Palace Realm, entering the advanced level of the Heavenly Palace Realm.

So at this time, Ye Feng also became more confident.

At this moment, seeing eight Beidou Realm-level demon masters rushing over, Ye Feng did not even think about dodging, but told Black Kirin that the two of them should join forces to kill these eight Beidou-level first-class masters of the Demonic Evil Sect directly.

Hearing what Ye Feng said, Black Kirin's eyes suddenly showed a trace of surprise, as if he did not expect Ye Feng to be so bold and go head-to-head with these eight Beidou-level masters.

You know, these eight first-class masters of the Demonic Evil Sect are two levels higher than Ye Feng's current ninth level of the Heavenly Palace Realm.

They are all powerful beings at the third level of the Beidou Realm, or even the fourth level of the Beidou Realm.

So even Black Kirin was a little unconfident at this time to fight against so many strong men.

After all, Black Kirin knew that if he fought two or three, it would still be possible.

But now, eight Beidou Realm-level first-class masters of the Demonic Demon Sect are flying over at once, and they are not ordinary masters, but the ones that are cultivated by the Demonic Demon Sect.

So their combat power must be much stronger than ordinary Beidou Realm masters.

After all, they are all core members of the Demonic Demon Sect, and they are masters of the Beidou Realm. They must have learned the very powerful inheritance and martial arts secrets of the Demonic Demon Sect.

But since Ye Feng said so, Black Kirin naturally wouldn't say much.

After all, he listens to Ye Feng now.

And he thinks that Ye Feng may really be able to join forces with him to fight against these eight Beidou Realm masters.

"Okay!"

At this moment, Black Kirin immediately laughed and felt the long-lost passion, and said aloud: "Ye Feng, we are one old and one young, today we will join forces to kill all these eight Beidou Realm Demonic Demon Sect masters!"

Boom! !

Almost at this moment, the black Kirin's body suddenly burst out with a dark flame.

His entire huge Kirin body rushed straight forward.

Just like an ancient demon beast, it has terrifying destructive power and impact force.

At this time, Ye Feng did not hesitate at all, and immediately burst out the huge cultivation momentum of the ninth level of the Heavenly Palace Realm that he had just broken through.

Although Ye Feng's cultivation was at the ninth level of the Heavenly Palace Realm, at this time, Ye Feng fully burst out his cultivation momentum. The momentum on Ye Feng's body was simply huge to the extreme, almost comparable to the momentum of the Taiyin Realm and Beidou Realm level strongmen in the Heavenly Palace Realm.

At this time, while Ye Feng burst out his powerful cultivation, he directly released the extremely powerful magic inheritance he had learned before, the magic sword field.

This is the powerful inheritance that Ye Feng had looted from the body of the evil sword master before.

At this moment, Ye Feng released this inheritance all at once, and black light suddenly burst out from Ye Feng's body.

These black lights condensed into black long swords around Ye Feng.

These black long swords all have terrifying magic energy and powerful killing energy.

There were tens of thousands of magic swords, forming a magic sword field around Ye Feng. In an instant, thousands of swords were fired at the same time, rushing towards the eight Beidou Realm-level Demonic Sect masters.

At this moment, under Ye Feng's terrifying attack, including the ancient demon beast Black Kirin, the eight Beidou Realm masters from the Demonic Sect, all felt a little numb on their scalps and trembled all over.

At this moment, a Beidou Realm master from the Demonic Sect couldn't help but exclaimed: "How could this white-clothed boy from the Blood Demon Dynasty have such a terrifying power? His cultivation is two realms lower than ours! How can he release such a powerful attack power? And how can the inheritance he cultivates be of the same lineage as our Demonic Sect? Isn't he a master of the Blood Demon Dynasty? How can he release the inheritance of our magic, and it is so powerful and powerful? "

At this time, the eight top masters of the Demonic Sect at the Beidou Realm level were all a little panicked.

They never thought that Ye Feng could burst out such a powerful attack force, which was incredible.

Even the existence at the Beidou Realm level felt panic under the attack of the magic swords released by Ye Feng.

However, at this moment, the eight Beidou Realm-level Demon Sect masters were very powerful after all.

They all displayed their own powerful inheritances, and the attacks of Ye Feng and Black Kirin collided with each other.

"Boom!"

At this moment, a huge roar suddenly sounded on the whole field.

The terrifying aftermath of the battle,

impacted all directions, and the surrounding land was broken into pieces.

Even the commander of the Demon Extermination Headquarters who was fighting in chaos in the distance, and top masters like Murong Changming, as well as the top guardians of the Demon Sect who were fighting against them, were all attracted by the movement here.

Because the aftermath of the collision between Ye Feng, Black Kirin and the eight Beidou Realm-level Demon Sect first-class masters was really terrifying to the extreme, it was simply earth-shattering and shaking all directions.

Even the commander-in-chief of the Demon Slayer Headquarters and some of the top guardians of the Demonic Sect were immediately attracted to him, with deep shock in their eyes.

At this time, Murong Changming looked at Ye Feng, who was like a god. He looked like a young god of war, with a bright divine light blooming all over his body. He and the black unicorn looked like the son of a god falling from the sky, carrying his own guardian beast and fighting. Quartet.

This kind of momentum is really terrifying.

Murong Changming's eyes lit up immediately.

At this time, he suddenly understood that although Ye Feng was still in a growing state, he had begun to take shape and was strong enough to fight with older people like them.

At this time, Ye Feng's aura was so powerful that the top guardians of the Demonic Sect who were fighting with the commander of the Demon Slayer Headquarters and Murong Changming suddenly showed surprise in their eyes.

It seems that he did not expect that among the younger generation of the Blood Demon Dynasty, there would be such an extraordinary existence.

At this time, a top protector of the Demonic Sect couldn't help but said in horror: "The Blood Demon Dynasty is really shrouded in luck now, and it can actually give birth to such a stunning and brilliant super genius."

At this time, a group of top experts were amazed at Ye Feng's fighting power.

Not far away, the strong men from the Royal Training Academy who were rushing towards the White Bone Mountains in front of them were also attracted by this terrifying collision.

The old man in purple robe from the Royal Training Academy who led the team stared at Ye Feng, whose whole body was shining brightly, like a young god of war.

The old man's eyes immediately lit up, and he couldn't help but say: "This boy is so terrifying, and his talent is so extraordinary. He is definitely a peerless talent. After this mission is completed, I must bring him to our Royal Training Academy. Under the focused training of our Royal Training Academy, these talents will surely shine brightly in the future, becoming awe-inspiring to the entire Blood Demon Dynasty, and even becoming a shining presence in the entire Northern Territory."

"What??"

At this moment, hearing their leader, the purple-robed elder, say this, a group of members of the Royal Academy showed deep horror in their eyes.

They didn't seem to expect that the purple-robed elder would praise Ye Feng, a young man from a border city, so highly, even with deep amazement in his tone.

This is extremely high praise!

Because the purple-robed elder's status in the Royal Academy of Cultivation is not low, he is an elder figure at the elder level.

At this time, Gu Qingqing stared at Ye Feng not far away in the crowd, and her beautiful eyes suddenly revealed a deep brilliance.

Her Royal Highness, the seventh princess of the Blood Demon Dynasty, sighed even more that the Ye Feng she met back then was indeed very extraordinary.

Moreover, Gu Qingqing knew very well that what Ye Feng showed at this moment was only his super talent in martial arts practice.

Gu Qingqing knew that Ye Feng was still a rare soul master.

But it's hidden, and others don't know.

At this time, he seemed to see the amazement of everyone around him, especially the eyes full of fascination of Gu Qingqing, the beautiful seventh princess.

Standing in the crowd, Zhao Guangming, a top ten core member of the Royal Academy of Cultivation and the ninth-ranked super genius, immediately felt deeply jealous of Ye Feng.

He was originally very unhappy with Ye Feng because he was too close to Her Highness the Seventh Princess.

Now, Ye Feng even had a vicious murderous intention.

He wants to destroy Ye Feng.

Because he felt that Ye Feng had stolen his limelight.

At this moment, Zhao Guangming suddenly took out a small black talisman from the storage ring.

This is a very strange talisman that Zhao Guangming once obtained from an ancient ruins. It can invisibly cause someone around him to be cursed to death in an instant.

The person Zhao Guangming wants to deal with at this time is naturally Ye Feng.

Obviously, Zhao Guangming was completely blinded by jealousy at this time, and he actually wanted to harm Ye Feng, the peerless genius in his camp!

"Ye Feng, Ye Feng, under the invisible attack of my ancient and strange curse talisman, you are dead. If you want to blame me, it's because you like to be in the limelight too much. If a tree is as beautiful as the forest, the wind will destroy it..."

At this moment, Zhao Guangming murmured secretly, staring at Ye Feng, who was shining with divine light in the sky not far away, like a young god of war. Deep in his eyes, a deep look of conspiracy and deceit suddenly appeared. .

Chapter 4438 Great Fear

At this time, Zhao Guangming did not hesitate and started to use the strange talisman he had obtained before.

At this moment, as soon as Zhao Guangming used this strange talisman, he saw that the curse talisman turned into a hidden light and rushed towards Ye Feng in an instant.

At this moment, Ye Feng and Hei Qilin were in a crazy battle with eight first-class strong men from the Demonic Sect at the Beidou Realm level.

But suddenly at this moment.

Buzz!

Ye Feng suddenly felt a very dangerous aura, sneaking towards him.

At this moment, a bright light of soul suddenly appeared in Ye Feng's eyes, and he quickly looked around him.

At this moment, Ye Feng immediately saw a talisman emitting black light. It was in an invisible state and no one else could see it. Only he, as a soul master, could see it. It was quickly approaching him. Has the power of a curse.

"Um?"

"Someone is plotting against me?"

This made Ye Feng immediately reveal a deep cold look in his eyes.

At this moment, Ye Feng immediately looked in the direction from which the cursed talisman flew.

He immediately saw Zhao Guangming with a sinister look on his face among the crowd in the distance.

At this time, Ye Feng immediately understood that it was Zhao Guangming who was plotting against him secretly.

At this moment, Ye Feng's heart suddenly boiled with murderous intent.

He worked hard to help the entire team deal with the top powerhouse of the Demonic Sect.

Unexpectedly, Zhao Guangming wanted to kill himself secretly out of jealousy.

At this moment, Ye Feng no longer hesitated and directly included Zhao Guangming on his must-kill list.

"boom!"

At this moment, Ye Feng directly released the power of his soul and cracked the curse talisman in one fell swoop.

Perhaps, this kind of weird curse talisman is a very terrible threat to other practitioners, even those who are several realms higher than Ye Feng.

After all, this is an invisible attack.

But Ye Feng is a soul master, so he is not afraid of this kind of helplessness at all.

shaped attack.

boom!

At this moment, Ye Feng's majestic soul power was released, instantly disintegrating the attack of the curse talisman.

Then Ye Feng was also unaware, and directly cast the dark curse he had practiced on Zhao Guangming, who was sneering in the crowd in the distance.

At this moment, Ye Feng could be said to be treating others in his own way.

This Zhao Guangming wants to curse himself to death secretly, so he should curse this Zhao Guangming himself.

Buzz!

At this moment, Ye Feng's dark curse suddenly fell on Zhao Guangming, and no one noticed it.

But at this moment, the sinister smile on Zhao Guangming's face, who was among the masters of the Royal Training Academy, suddenly stiffened.

Because he suddenly saw that every pore on his body began to grow black hair crazily, which looked very weird and terrifying.

"What? What is this??"

At this moment, Zhao Guangming's face suddenly became extremely frightened.

At this moment, the other core figures of the Royal Cultivation Academy standing around Zhao Guangming all had deep shock in their eyes.

They all stared at Zhao Guangming, who was rapidly growing black hair all over his body, with deep horror in their eyes.

At this moment, no one knew what happened.

Why did Zhao Guangming suddenly grow so much black hair all over his body?

It's really terrible!

"It seems like a dark curse."

At this time, the seventh princess Gu Qingqing, who was in the Royal Training Academy, immediately recognized this situation of being covered in black hair.

Zhao Guangming must have been cursed by darkness.

At this moment, Gu Qingqing immediately knew that Ye Feng was secretly dealing with Zhao Guangming and cast a dark curse on Zhao Guangming.

At this moment, although Gu Qingqing didn't know why,

Why did Ye Feng suddenly release a dark curse on Zhao Guangming, and secretly?

But Gu Qingqing knew that Ye Feng must have a reason for doing this.

So at this time, Gu Qingqing didn't say much, but remained silent.

At this moment, the purple-robed elder who led the team in the Royal Training Academy couldn't help but said in horror: "This is the legendary dark curse! It is one of the highest secrets in the devil's path, it is very scary! Is it possible? , in this desolate area, are there terrifying figures from the Demonic Cult lurking around, attacking us with a dark curse? "

At this time, hearing the elders in purple robes say this, a group of other Royal Academy team masters felt extremely cold all over.

It would be really terrible if they were also affected by this dark curse.

It's really weird to die with black hair all over your body!

At this moment, Zhao Guangming's body was covered with black hair, and he immediately shouted in panic: "Elder! Help me!"

When the elder in purple robe saw Zhao Guangming running towards him, he immediately backed away quickly and said: "Don't come over, I can't save you at all. This dark curse is too weird, even if you are the dean of our Royal Academy of Cultivation, Now that the adults are here, there is probably nothing we can do. Don't come close to me. Anyone who comes close will die and be infected with this dark curse. So the best way is to isolate Zhao Guangming and let him die on his own. , we won't be contaminated."

Hearing what the elder in purple robes said, a group of other masters from the Royal Cultivation Academy showed panic expressions on their faces, and quickly moved away from Zhao Guangming.

"you....."

And Zhao Guangming, who was isolated, suddenly felt deep despair.

He was also very scared at this time. He didn't know why he was suddenly hit by the legendary dark curse, but no one else was hit by the dark curse.

At this moment, Zhao Guangming suddenly thought of a possibility. He looked towards the battlefield in the distance and suddenly saw the sneer in Ye Feng's eyes.

"It's really him! How could he practice such a terrifying dark curse??"

r\u003e

At this moment, Zhao Guangming's eyes widened in disbelief.

He wanted to say something in fear and anger, but at this time, the dark curse had completely cursed Zhao Guangming to death.

He was covered with black hair and fell to the ground, completely dead.

Before Zhao Guangming died, his face was a little distorted and full of great fear.

He suddenly felt very regretful, regretting plotting against such an unfathomable and mysterious young man as Ye Feng.

However, it was too late.

At this moment, the battle between Ye Feng and Black Qilin at high altitude has finally come to an end.

At this moment, Ye Feng did not hesitate. Seeing the eight Beidou Realm-level Demonic Sect masters who were retreating and even trying to escape, the Demonic Sword Domain suddenly turned into thousands of black long swords, turning the eight A master of the Demonic Demon Cult from the Beidou Realm was all surrounded.

Then Ye Feng directly turned the god ring in his hand into a golden giant sword.

Ye Feng held this golden giant sword and charged forward crazily.

Poof!

Poof!

Poof!

Accompanied by the sounds of flesh and blood being broken, each time Ye Feng's sword fell, he was able to completely kill a Beidou Realm-level Demonic Cult master.

After all, these Beidou Realm-level Demonic Cult masters had almost exhausted their strength in the previous battle. Now they were enveloped by the Demonic Sword Domain and had no power to resist at all.

Moreover, the Sword of the Gods in Ye Feng's hand was very sharp. It could be said to be indestructible and indestructible. In an instant, he killed eight Beidou Realm-level Demonic Sect masters who were at the end of their rope and completely killed them. !

"hiss!"

"This kid is so scary!"

At this moment, both the masters from the Demonic Sect and the strong men from the Blood Demon Dynasty were stunned and couldn't help but gasped for air.

The whole place suddenly fell into dead silence.

quiet!

Deadly quiet!

Chapter 4439 Top Protector

No one thought that such an ordinary-looking young man from the Blood Demon Dynasty could possess such terrifying strength.

It's just that the cultivation level of Tiangong Realm can actually erupt with powerful power that surpasses Tiangong Realm and Beidou Realm level, which is two whole realms.

All eight first-class Beidou Realm masters from the Demonic Sect were killed.

Even with the help of an ancient magical beast, it is still a very terrifying fighting power.

After all, if he were just an ordinary Tiangong realm warrior, I'm afraid he wouldn't be able to fight with the powerful Beidou realm.

Even the slightest trace of power that touches the powerful Beidou Realm might be shattered into pieces in an instant.

At this moment, when everyone was shocked, Ye Feng did not hesitate at this moment and directly released his Devouring Domain and began to devour the eight Beidou of the Demonic Sect that he and Black Qilin jointly killed. A strong person.

You must know that these eight Beidou Realm experts from the Demonic Sect are all masters among masters, the best among the best, and they are much more powerful than ordinary warriors and practitioners.

So at this time, after Ye Feng swallowed it, he immediately felt a stream of very majestic energy, which was directly injected into his body. Ye Feng immediately felt his own skill and received an unparalleled surge.

You know, Ye Feng doesn't want to keep a low profile anymore and just uses this devouring ability on the spot.

Because Ye Feng feels that his current cultivation strength has also improved, and with the support of older figures like Hei Qilin and Murong Changming behind him, there is no need for him to hide anything.

At this moment, Ye Feng followed the swallowing, and the cultivation aura on his body immediately began to break through violently.

"boom!"

Great Perfection in the Tenth Level of the Heavenly Palace Realm!

"boom!"

Half a step to the Taiyin realm!

"boom!"

The first level of Taiyin Realm!

"boom!"

The second heaven of Taiyin Realm! !

"boom!"

r\u003e

The third heaven of Taiyin Realm! !

At this time, Ye Feng's cultivation suddenly broke through a whole realm, and it continued to improve, directly breaking through to the third level of Taiyin Realm above the Tiangong Realm!

This time, the skills of the eight Beidou Realm experts from the Demonic Demon Sect that Ye Feng swallowed were too powerful, so Ye Feng was not stuck in the Half-Step Taiyin Realm.

Instead, he directly broke through such a big bottleneck with the help of such a terrifying and invincible energy, stepped into the real Taiyin realm, and directly and continuously promoted to the third level of Taiyin realm.

At this moment, the terrifying aura of cultivation that burst out from Ye Feng made many masters from the Blood Demon Dynasty around him, including those from the Demonic Sect, all of a sudden look deeply shocked in their eyes.

They never thought that Ye Feng could continuously make breakthroughs in the battle.

This talent is really terrifying.

At this time, several of the top guardians of the Demonic Sect who were fighting against the commander of the Demon Slayer Headquarters and Murong Changming all had cultivation levels beyond the Beidou Realm, and were masters of the Guiyi Realm above the Beidou Realm.

At this time, they all abandoned the commander of the Demon Slayer Headquarters and Murong Changming, and rushed madly in the direction of Ye Feng and Black Qilin.

A top protector of the Demonic Sect immediately yelled: "We must not let this young man from the Blood Demon Dynasty grow up, otherwise he will be a huge threat to our entire Demonic Sect in the future. We must give him all our strength." Get rid of it."

Boom!

Boom!

At this moment, six of the top guardians of the Demonic Sect, all of whom were powerful beings at the Guiyi Realm level and surpassed the Beidou Realm level, rushed towards Ye Feng in an instant.

They all burst out with their own extremely powerful means and power.

Their

The demonic light on his body almost shook the entire sky, making Ye Feng and Hei Qilin feel a terrifying pressure at this moment.

However, at this moment, the Commander-in-Chief of the Demon Slayer Headquarters and Murong Changming seemed to have expected this. Naturally, without any hesitation, they immediately ducked to Ye Feng's side and vigilantly fought against the charging Demon Sect. top level protector.

At this moment, the commander of the Demon Slayer Headquarters laughed loudly and said: "I never expected that our Demon Slayer Headquarters would have such a peerless genius as Ye Feng.

This time it is just time for the people of the Demon Sect to know that our Blood Demon The dynasty also has peerless geniuses and tremendous fighting power.”

At this time, Murong Changming showed a look of expectation on his face and said loudly: "Let's join forces to keep all these six top guardians and give them to Ye Feng to improve his skills."

At this time, it was clear that Murong Changming was completely thinking about Ye Feng.

Hearing what Murong Changming said, Ye Feng's eyes immediately lit up.

If it were him, he would probably really want to run away.

But with the help of the commander-in-chief of the Demon Slayer Headquarters and Murong Changming, he might really be able to keep these six top protectors of the Demonic Sect.

You must know that these six top level guardians are all powerful beings at the level of Guiyi Realm that have surpassed Taiyin Realm and Beidou Realm. They are very powerful and terrifying.

This also shows that their skills must be very powerful, like a vast ocean.

Ye Feng couldn't even imagine how high his power would be if he swallowed six more top-level protectors from the Demonic Sect.

boom! !

At this moment, Black Qilin didn't hesitate at all and charged forward directly.

The black unicorn transformed into its true form, as tall and majestic as a mountain, possessing terrifying power as it charged towards the six top protectors of the Demonic Sect.

The commander of the Demon Slayer Headquarters also laughed loudly at this moment and said:

"Then let's give Ye Feng a helping hand. We must make Ye Feng completely transform today."

Boom!

At this moment, the commander of the Demon Slayer Headquarters suddenly erupted with a terrifying light of power.

A pure golden spear appeared in his hand.

"hold head high!!"

When the commander of the Demon Slayer Headquarters activated this pure golden spear, the pure golden spear turned directly into a golden dragon amidst endless roars, possessing boundless terrifying power. Bombarded towards the front.

Murong Changming also fully unleashed his rare and powerful ancient flame nine-headed dragon bloodline.

This is the strongest bloodline of the Murong family.

"boom!"

At this moment, Murong Changming's whole body was suddenly burning with endless crimson flames. In the void behind him, a huge nine-headed dragon with tens of thousands of meters of majestic fire attributes from the ancient times condensed out. A terrifying sense of oppression.

At this moment, under the pressure of the huge black jade unicorn, the majestic golden dragon, and the tens of thousands of meters tall flaming nine-headed dragon behind Murong Changming, even the devil The six top guardians of the teaching also felt a kind of terrifying pressure at this moment.

Ye Feng looked at everything in front of him at this time, his face filled with deep gratitude.

Because he knew that these three powerful elders were working so hard for themselves.

Uh-huh!

And just when the battle at high altitude reached its peak.

A group of masters from the Royal Training Academy have arrived at the Bone Mountain not far ahead.

At this time, the purple-robed old man from the Royal Training Academy immediately took out the most precious treasure he had brought from the Royal Training Academy, the Yin Yang Qiankun Sword, and prepared to completely destroy the place on the White Bone Mountain where the Bone Demon Saint was sleeping in front of him.

Chapter 4440 Recovery in advance

It has to be said that the Yin Yang Qiankun Sword is definitely an extremely terrifying weapon, and it is indeed one of the most powerful weapons in the entire Royal Training Academy.

At this moment, when the old man in purple robes took out the Yin-Yang Qiankun Sword, the entire Yin-Yang Qiankun Sword automatically began to emit bright light.

Even this long sword actively absorbs the energy of the entire surrounding world's essence, and suddenly blooms with a terrifying sword light.

boom! !

At this moment, the Yin-Yang Universe Sword actually emitted extremely terrifying weapon fluctuations, as if it could destroy the heaven and earth and tear the sky apart.

At this moment, they felt the terrifying fluctuations of weapons. Several top protectors of the Demonic Sect who were fighting not far away suddenly showed deep shock in their eyes.

They immediately focused on the direction of the rear, and discovered that at some point, the Blood Demon Dynasty had arranged a small team, holding such terrifying weapons, and had approached the White Bone Mountain.

At this time, these top guardians of the Demonic Sect who were responsible for guarding this place couldn't help but yelled in shock and anger: "Damn it, these cunning masters of the Blood Demon Dynasty, actually... They secretly arranged such a small team, armed with such powerful weapons, to approach the place where the White Bone Demon Saint was sleeping. They wanted to destroy the White Bone Mountain, and they must not be allowed to succeed. The White Bone Mountain was the site of the White Bone Demon Saint. The source of energy for your Lord's recovery!"

At this moment, several top guardians who were fighting with the commander of the Demon Slayer Headquarters and Murong Changming immediately rushed towards the roar.

"Don't even think about coming to support!" .??.

But at this moment, the commander of the Demon Slayer Headquarters immediately yelled.

The golden spear in his hand transformed into a majestic golden dragon. It suddenly burst out with terrifying power and directly blocked the path of these top protectors of the Demonic Sect with its majestic golden dragon body. .

Murong Changming and Hei Qilin, who were standing next to the commander of the Demon Slayer Headquarters, also burst out with terrifying power.

\u003e

Murong Changming has now inspired the bloodline power of the ancient flame nine-headed dragon. The whole person is actually merged with the majestic flame nine-headed dragon in the void behind him, which is tens of thousands of meters long. It also has the power to destroy the sky. The energy of destruction.

Although the black unicorn does not have the strength at its peak now, it has recovered a lot of strength during this period. At this time, he transformed into his own body and became a huge black jade unicorn, which also has the terrifying majesty of an ancient monster.

At this time, the three-headed behemoth blocked the way of the top protectors of the Demonic Sect, buying valuable time for the powerful men of the entire Royal Training Academy not far away.

"Stop them quickly!"

But at this time, there were other groups of masters from the Demonic Sect who were rushing towards the White Bone Mountain.

"kill!"

At this time, Her Royal Highness Gu Qingqing, the Seventh Princess, immediately led a group of other core figures from the Royal Academy of Cultivation and unleashed powerful killing power to stop these other masters of the Demonic Sect.

At this moment, the leader of the Royal Training Academy, the old man in purple robes, who was standing in the middle, took out the Yin-Yang Qiankun Sword at this moment. Without any hesitation, he directly activated this sword. An extremely powerful weapon immediately struck hard at the majestic bone mountain in front of him.

Under the beheading of the old man in purple robes, the Yin Yang Qiankun Sword, a powerful weapon, immediately erupted with a sword light that destroyed the world and seemed to be able to tear everything apart.

Boom!

The terrifying sword light almost shone across the entire sky and the earth, and finally it was completely chopped down.

Suddenly, the entire mountain of bones in front of him was shattered by the bombardment.

"

good! "

"Did you make it?"

Seeing this scene, seeing the entire White Bone Mountain completely shattered, everyone present couldn't help but have deep shock in their eyes.

The masters of the Blood Demon Dynasty had surprise in their eyes.

As for the masters of the Demonic Sect, they all looked angry.

But at this time, when the Bone Mountain was completely exploded, the old man in purple robe, the leader of the Royal Training Academy, suddenly changed his eyes.

Because he saw that the Yin Yang Qiankun Sword that he had killed had chopped the entire mountain of bones into pieces at this moment, but it was caught by a huge hand of bones and could not move.

This big bone hand, definitely the palm of the White Bone Demon Saint, was able to forcefully grab a very high-level peerless weapon like the Yin-Yang Universe Sword with its own palm.

It can be seen that this Bone Demon Saint is indeed the first being to become a saint in the ancient times, and he is indeed extremely powerful.

Moreover, he used white bones to achieve enlightenment and become a saint, so his bones are definitely the strongest in the world, and he can even directly use his bare hands to withstand extremely powerful weapons such as the Yin-Yang Qiankun Sword.

Seeing this scene at this time, the elder of the Royal Cultivation Academy, who was wearing a purple robe, immediately turned very ugly. He couldn't help feeling a little cold in his heart and said: "This is bad! The Bone Demon Saint seems to have recovered early. He was able to directly catch the Yin-Yang Universe Sword in my hand without causing any harm to it!"

At this time, seeing this scene on the field, many masters of the Blood Demon Dynasty who were originally very surprised suddenly felt their hearts sinking to the bottom.

The Bone Demon Saint unexpectedly revived early!

This is kind of bad!

At this time, not far away, several top guardians of the Demonic Sect who were fighting against Murong Changming, the commander of the Demon Slayer Headquarters, and Hei Qilin saw this scene.

He immediately laughed out loud and said: "Hahaha, you are all finished. The White Bone Demon Saint has revived in advance, and he will kill you all!"

Poof!

But just as the top protectors of the Demonic Sect were laughing, suddenly, the void behind one of the top protectors fluctuated.

Then, accompanied by a sound of flesh and blood being broken, a golden sword cut off the head of the laughing top protector, killing him completely.

An extremely powerful top protector of the Demonic Sect, died!

"What?"

Seeing this scene, several other top protectors suddenly felt a little cold on their faces.

At this time, in the void, Ye Feng held the Sword of God in his hand, smiled coldly, and said: "In such a dangerous battle, if you dare to be distracted and look at things elsewhere, who will die if you don't die?" "

At this moment, after Ye Feng finished speaking, he directly put the corpse of the top protector killed by him into his storage ring.

At this time, Ye Feng naturally took advantage of the fierce battle between the top protectors of the Demon Sect and the commander of the Demon Slayer Headquarters, Murong Changming and Black Qilin, while he lurked into the void and used the sharpness of the God's Sword. , waiting for an opportunity to rush out of the void, sneak attack and kill these top protectors of the Demonic Sect.

"The damn boy dares to assassinate us. The golden sword in his hand is too sharp. Once he succeeds in assassinating us, we will not be able to defend ourselves and will be killed by him in an instant. Let us hurry up and kill this boy now. Went out!"

At this moment, several other top guardians of the Demonic Sect were very angry. They immediately launched a ferocious attack on the void, trying to completely obliterate Ye Feng who was lurking in the void.

Because Ye Feng is hidden in the void, to them, he is like a terrifying poisonous snake hiding around him, which may suddenly pop up at any time and deliver a fatal blow to them!
