

## Ancient 4441

Chapter 4441 Only one battle

At this moment, when Ye Feng teamed up with the commander-in-chief of the Demon Slayer Headquarters, Murong Changming and Hei Qilin to surround and kill several top protectors of the Demon Sect.

Not far away, in front of the White Bone Mountain in the rear, a huge white bone palm stretched out from the ground, tightly grabbing the Yin Yang Qiankun Sword in the hand of the old man in purple robe, making it impossible for the Yin Yang Qiankun Sword to move at all.

At this time, the face of the old man in purple robe suddenly showed a look of deep shock and anger.

Because he never thought that the Bone Demon Saint would revive in advance.

This is a very bad thing for everyone. ??

After all, this Bone Demon Saint was the first generation of saints in the Northern Territory of the Ten Thousand Demons Interface. He was an ancestor of the Demonic Sect, so he was very powerful.

But at this time, the White Bone Demon Saint did not come out of the ground entirely, but only stretched out a huge bone palm and grabbed the Yin Yang Qiankun Sword.

Seeing this scene at this time, many other masters from the Royal Academy of Cultivation beside the old man in purple robes all said aloud: "Elder, this Bone Demon Saint has been revived in advance, even if he only revived a big bone hand, Not even the Yin Yang Universe Sword can destroy his palm, so we should retreat quickly. There should be no way to complete the mission this time, but we have been able to kill so many masters of the Demonic Sect this time, and we have returned. Ben."

"no!"

At this time, the old man in purple robes immediately said with a very solemn expression: "No matter how many masters of the Demonic Sect are killed, it will be of no use. Once the Bone

Demon Saints are truly and completely revived, they will return to the Demonic Sect. The Demonic Sect will definitely make the White Bone Demon Saint continue to recover. If the White Bone Demon Saint can really recover to its peak state, then our entire Blood Demon Dynasty will face a huge crisis of destruction. "

At this moment, the old man in purple robe said, and directly burst out his extremely powerful cultivation power, fully stimulating the strongest power in the Yin Yang Universe Sword.

Boom! !

At this moment, the old man in purple robe input all his majestic mana into the Yin Yang Universe Sword.

Buzz!

I saw that the sword body of the Yin Yang Qiankun Sword suddenly burst into flames.

A brilliant divine light was released.

Then, a sun burning with infinite flames and a moon exuding cold air suddenly appeared around the sword body of the Yin Yang Universe Sword.

The sun and the moon belong to one yang and one yin, which just represent the strongest power of the Yin-Yang Qiankun Sword.

This is the underlying power sealed in the Yin Yang Qiankun Sword.

When the Yin-Yang Universe Sword was forged, an ancient master from the Royal Training Academy of the Blood Demon Dynasty captured a sun and a moon from the outer starry sky and integrated them into this sword. The unparalleled power of the Yin-Yang Universe Sword.

So at this time, the old man in purple robe fully inspired the inherent power of the Yin Yang Qiankun Sword, a peerless weapon, and manifested a majestic sun and a cold moon.

"boom!!"

Suddenly, the entire Yin Yang Universe Sword burst out with infinite power.

The white bone palm holding the Yin-Yang Universe Sword was vibrating rapidly at this moment, and it seemed that it was unable to grasp the Yin-Yang Universe Sword.

Boom! !

And almost at the next moment, the Yin Yang Qiankun Sword suddenly burst out with its strongest power, directly shaking the big bone hand free.

"good!"

At this moment, everyone saw this scene, and their faces suddenly showed a look of deep surprise.

The old man in purple robe also quickly held the Yin Yang Qiankun Sword in his hand and stabbed the entire earth below fiercely.

Boom! !

At this moment, the sword body of the Yin Yang Qiankun Sword was surrounded by a sun and a moon. It had infinite terrifying power. It actually pierced the entire earth at this moment, and then stabbed deeply. Entering the body of the Bone Demon Saint under the earth.

Boom!

Almost at the next moment, there was an extremely terrifying boom.

The roar, the strongest power of the Yin Yang Universe Sword, and the entire body of the White Bone Demon Saint finally collided completely, making a huge roar.

Click! !

It has to be said that this Yin Yang Universe Sword is worthy of being one of the six treasures of the Royal Academy of Cultivation. It is a super powerful magic weapon that can suppress the existence of a hegemonic force.

So at this moment, when the old man in purple robe crazily inspired the most terrifying power of the entire Yin Yang Universe Sword, even the White Bone Demon Saint was pierced by a bone at this moment.

"good!"

Seeing this scene, the old man in purple robes couldn't help but screamed in surprise, and then held the Yin Yang Qiankun Sword in his hand, preparing to continue destroying the body of the White Bone Demon Saint.

Boom!

But at this moment, the entire earth suddenly experienced an extremely terrifying shaking.

Then the entire earth and ground collapsed.

The majestic huge white skeleton, which was more than 100,000 meters tall, suddenly climbed up from the depths of the earth, full of endless pressure, giving people a feeling of the arrival of ancient gods, with boundless momentum and Feeling of oppression.

I have to say that the entire body of the Bone Demon Saint has crawled out of the earth at this moment, which is really shocking.

The majestic white skeleton body of more than 100,000 meters gives people a very strong visual impact, which makes people's minds shake.

"What happened! The Bone Demon Saint has all revived!"

At this moment, the old man in purple robe couldn't help shouting.

He held the Yin Yang Qiankun Sword in his hand and struck forward fiercely.

Boom!

But at this moment, a bone of the Bone Demon Saint was destroyed, and he seemed to be angry. He stretched out two majestic white bone palms and slapped them hard towards the middle. It had extremely terrifying power. In one fell swoop, he smashed the old man in purple robe to pieces in the palm of his hand.

The Yin Yang Qiankun Sword also fell to the ground with a "ding dong" sound.

"Elder in Purple Robe!!"

At this moment, the elder in the purple robe was smashed to pieces by the Bone Demon Saint. A group of masters from the Royal Academy of Cultivation below, including Gu Qingqing, the Seventh Princess, all looked shocked and furious. .

They never expected that such a powerful senior figure as the purple-robed elder would be smashed to pieces by the two bone hands of the White Bone Demon Saint.

He died too quickly!

"What??"

When he saw this scene at this moment, the commander-in-chief of the demon-killing headquarters who was besieging and killing the top protector of the Demonic Sect not far away suddenly turned extremely ugly.

It seemed that he never expected that the White Bone Demon Saint would completely revive and even kill the leader of the Royal Training Academy.

At this time, the battle at the Demon Slayer Headquarters Commander's side was about to end.

Under the siege of the three elders, Commander-in-Chief of the Demon Slayer Headquarters, Murong Changming and Hei Qilin, and with Ye Feng's continuous sneak attacks and assassinations,

six top protectors of the Demonic Sect and super masters at the Guiyi Realm level were all killed. Ye Feng successfully assassinated them one by one with the Sword of the Gods, and they all died.

But at this time, there was no joy on the faces of Ye Feng and the commander of the Demon Slayer Headquarters.

Because they looked at the majestic White Bone Demon Saint, which towered hundreds of thousands of meters into the sky at the end of the earth in the distance, their eyes showed deep pressure. The sense of oppression was really too strong!

"There is no way out now, only a fight!"

At this moment, Ye Feng immediately released his Devouring Domain and began to devour the skills and blood energy of the six top protectors of the Demonic Sect who had just been killed.

The commanders of the Demon Slayer Headquarters, Murong Changming and Black Qilin, also nodded at this moment.

The three behemoths continued to charge towards the majestic White Bone Demon Saint towering over 100,000 meters above the ground.

At this time, Ye Feng was quickly devouring and draining the skills of the six top guardians, trying to break through and improve his cultivation as quickly as possible, so that he would be able to fight!

Chapter 4442 Hope

For Ye Feng, now he only has to quickly improve his cultivation strength to be able to participate in the battle between powerful people like the commander of the Demon Slayer Headquarters.

Although Ye Feng's current breakthrough cultivation level may not be able to catch up with these elders, Ye Feng's overall strength is very powerful, and he also holds the indestructible Sword of God in his hand.

So at this time, Ye Feng naturally quickly devoured the skills of the six top guardians he had just killed.

This moment was accompanied by Ye Feng's devouring.

"Rumble..."

Ye Feng immediately felt waves of very majestic energy, which was immediately injected into his Dantian.

At this moment, Ye Feng immediately felt that his cultivation aura was improving at an incredible speed.

It has to be said that these six top guardians are worthy of being at the level of Guiyi Realm. Their skills are really profound, making Ye Feng's strength grow very fast in this moment.

The cultivation aura on Ye Feng's body immediately began to rise steadily.

"boom!"

The fourth level of Taiyin Realm!

"boom!"

The fifth level of Taiyin Realm!

"boom!"

The sixth level of Taiyin Realm!

"boom!"

The seventh heaven of Taiyin Realm!

"boom!"

The eighth level of Taiyin Realm!

"boom!"

The ninth level of Taiyin Realm!

"boom!"

Great Perfection in the Tenth Level of Taiyin Realm!

"boom!"

Half a step to the Beidou realm! !

At this time, Ye Feng obtained the cultivation skills of these six top guardians, and his own cultivation realm suddenly broke through and reached the true Half-Step Beidou Realm, breaking through many realms in one fell swoop.

At this moment, Ye Feng's cultivation realm is far away from the realm of return to unity.

There is only one and a half realms left.

So at this moment, Ye Feng immediately felt that his combat power had increased unparalleledly.

Ye Feng could feel the surging energy surging rapidly through his entire limbs.

It's like there are long dragons of energy, roaring and roaring in each of his meridians.

After Ye Feng's cultivation reached the half-step Beidou realm, he immediately burst into brilliant light and charged towards the Bone Demon Saint in front of him.

At this time, the commanders of the Demon Slayer Headquarters, Murong Changming and Hei Qilin, who had rushed over in advance, were already fighting with the Bone Demon Saint.

However, even though these three powerful men from the Blood Demon Dynasty were all very powerful, they were still far behind compared to the first generation of transcendent beings like the White Bone Demon Saint to become saints.

The three behemoths looked very small in front of the White Bone Demon Saint's majestic white skeleton body that was hundreds of thousands of meters tall, and they were quickly beaten back.

But at this time, Ye Feng was exuding a divine light, bursting out with a powerful cultivation aura that was half a step into the Beidou realm.

Although Ye Feng is only half-step into the Beidou Realm, the powerful cultivation aura that Ye Feng unleashes is comparable to the powerful beings at the Guiyi Realm level who are above the Beidou Realm.

So at this moment, when Ye Feng joined the battlefield, the situation suddenly reversed.

It has to be said that Ye Feng's strength is finally reaching the level of an older person, so he is already qualified to participate in this level of battle.

At this time, the commander of the Demon Slayer Headquarters immediately laughed out loud and said: "Ye Feng, I didn't expect that you have grown to the level that you can fight with us. That's great!"

Murong Changming's eyes were also filled with sadness at this time.

because of him

But he watched helplessly as Ye Feng grew from a newcomer who had just joined the Blood Demon Dynasty to the powerful level he is today.

Black Qilin's face was naturally very surprised at this time, because he, like Murong Changming, watched Ye Feng make rapid and continuous breakthroughs in a short period of time, and the breakthroughs were so fast and the combat power was so strong, which shows that Ye Feng His martial arts foundation is absolutely strong to the extreme.

At this moment, there were hundreds of thousands of meters tall and majestic white-bone skeletons. This white-bone demon saint immediately stared at Ye Feng and the commander of the Demon Slayer Headquarters and other people, and immediately let out a majestic voice that was cold and cold forever. : "You guys, like a bunch of ants, dare to come here to challenge a transcendent existence of my level. Even if I just wake up, I can kill you all!"

"World of Ten Thousand Bones!"

Boom! !

Almost at this moment, the Bone Demon Saint immediately displayed an extremely powerful and peerless inheritance.

At this moment, the earth surrounding the Bone Demon Saint was suddenly bursting into pieces with pieces of soil in a radius of thousands of miles.

One by one, extremely tall white-bone skeletons, holding bone weapons in their hands, all crawled out from under the ground. .???.??

The eyes of every white-bone skull are shining with a faint green light.

Thousands of white bones and skeletons all got up, and their bodies were very strong. In an instant, they became crazy like a white ocean, surging towards the commander of the Demon Slayer Headquarters, Murong Changming, Black Qilin and Ye Feng. go.

Seeing this scene, a group of strong men from the Royal Training Academy not far away immediately rushed around Ye Feng and others, and then said loudly: "This is the extremely powerful method of the White Bone Demon Saint back then. It is what he used." A powerful domain-like inheritance of cultivation. As long as the place is covered by his domain, as long as there are bones buried under the ground, the Bone Demon Saint will be transformed into an extremely powerful skeleton warrior, with extremely terrifying killing power. !"

boom! !

At this time, a group of strong men from the Royal Training Academy spoke and immediately attacked forward.

However, their attacks were unable to crush these skeleton warriors and could only blow them away.

It is enough to show how strong these skeleton warriors are.

After all, you must know that these strong men in the Royal Training Academy are not ordinary strong men. They are all the best among the best, and the core among the core.

So it can be seen how powerful and ferocious the bones and skeleton warriors summoned by the extremely powerful world of bones that the White Bone Demon Saint is displaying at this moment are.

At this moment, the commander of the Demon Slayer Headquarters' expression suddenly became serious.

Because they are now surrounded by thousands of bones and skeletons, and are trapped in the quagmire of fighting. There will be no way to get out for a while.

At this time, the commander of the Demon Slayer Headquarters suddenly looked at Ye Feng, who was standing beside him, and asked: "Ye Feng, what should we do now?"

At this moment, many people saw that the commander-in-chief of the Demon Slayer Headquarters actually took the initiative to consult Ye Feng for his opinion, and even led by Ye Feng. Many experts from the Blood Demon Dynasty around him showed deep shock in their eyes. color.

Everyone knows that Ye Feng's performance during this period has probably been recognized by such a big shot as the Commander of the Demon Slayer Headquarters.

At this time, the situation was in crisis, and everyone could only turn to Ye Feng, a young man who seemed very reliable.

At this moment, Murong Changming and Black Qilin also flew to Ye Feng's side, standing on the left and right, like guardians on the left and right, which shocked many experts who needed the Blood Demon Dynasty even more.

At this time, Ye Feng seemed to be the dominant player in the Demon Slayer Headquarters on the field!

Everyone was staring at Ye Feng and placing their hopes on Ye Feng.

Chapter 4443 Finally panicked

At this time, everyone's eyes were focused on Ye Feng.

Because now the commander-in-chief of the Demon Slayer Headquarters has no way to deal with this Bone Demon Saint who has been completely revived.

So everyone's hopes were pinned on Ye Feng.

Because although Ye Feng has always been the image of a young man, every time he is in crisis or very difficult time, Ye Feng can always turn the tide with one person. ??

So at this time, everyone focused their hopes on Ye Feng, hoping that Ye Feng could come up with some good solution.

At this moment, a group of masters from the Royal Training Academy also came to Ye Feng's side.

Especially the Seventh Princess of the Blood Demon Dynasty, the incomparably beautiful Gu Qingqing, with her green silhouette at this moment, also came to Ye Feng's side, stretched out a small white hand, and grabbed Ye Feng's palm.

Gu Qingqing didn't say much, she could only hold Ye Feng's hand silently, as if she wanted to give Ye Feng some strength and encouragement.

At this time, Ye Feng looked at the majestic White Bone Demon Saint not far away, which was more than 100,000 meters tall. Looking at the skeleton giant towering under the dark sky, a trace of thinking suddenly appeared in his eyes.

At this moment, while Ye Feng was thinking, the commanders of the Demon Slayer Headquarters, Murong Changming and Black Qilin, were still fighting against the Bone Demon Saint.

But the situation was very bad.

Because the skeleton giant that the White Bone Demon Sanctuary turned into was really terrifying.

Moreover, there are thousands of skeleton warriors on the ground around this skeleton giant, who can help him fight.

So they were facing an army of skeletons.

At this moment, Ye Feng looked at the hopeful eyes of the people around him, and his eyes finally showed a hint of determination.

Ye Feng originally didn't want to use Heaven's Gate.

After all, Heaven's Gate involves too many areas.

If the true identity of Heaven's Gate is discovered by someone who is interested, it may be very troublesome.

r\u003e

But now Ye Feng feels that these people are all Northern Territory cultivators in the interface of ten thousand monsters, and they should not know the Gate of Heaven.

And there is no other way now.

So at this time, Ye Feng no longer hesitated and shouted directly to the front: "Let me purify everything!"

Boom!

Almost at this moment, Ye Feng directly released the Gate of Heaven without any hesitation.

The Gate of Heaven can be said to be Ye Feng's biggest trump card besides the Immortal Bone of the God.

So at this time, the moment Ye Feng released the Gate of Heaven, he saw a wave of void above Ye Feng's head.

Buzz!

A gate emitting infinite white light suddenly appeared above Ye Feng's head, shining in all directions, purifying the entire dark world into light.

At this time, Ye Feng's whole body was enveloped by the light power of the Gate of Heaven. He was like a young god, giving people a very sacred and noble feeling, as if the legendary god had arrived.

At this moment, even the seventh princess of the Blood Demon Dynasty, the incomparably beautiful Gu Qingqing, looked at Ye Feng with her beautiful eyes, revealing an inexplicable sense of shock and fascination as if she was looking up to a god.

At this moment, the moment Ye Feng released the Gate of Heaven, infinite power of light suddenly burst out from the Gate of Heaven.

Incomparably pure light emanated from the gate of heaven, shining in all directions.

This is not an ordinary power of light, but the most advanced power of light that comes from the natal magic weapon of the Lord of Heaven.

So when the light of light spreads around, the skeleton warriors who gathered around and crawled out from under the ground were all affected by this power of light.

Purified.

In an instant, the dark energy on each of the extremely ferocious skeleton warriors was purified and dispersed, and then turned into broken bones and fell to the ground.

In the blink of an eye, the army of thousands of skeleton warriors was directly disintegrated by Ye Feng using the Gate of Light.

"What??"

At this time, even the high-spirited White Bone Demon Saint not far away suddenly showed deep shock in his eyes when he saw this scene.

He stared at Ye Feng, who was suspended high in the sky in front of him, with the door of light above his head and shrouded in the power of light, like a young god.

If the Bone Demon Saint is now the monarch in the darkness, then Ye Feng is now like the young god king in the light, able to bring infinite power of light to the entire world and drive away all evil and darkness.

At this time, the Bone Demon Saint, who was confident in his heart, suddenly became a little panicked.

Because he could feel that the door above Ye Feng's head that exuded light was the most terrifying thing in the world. It had an extremely terrifying suppressive effect on creatures with dark attributes like him.

boom! !

At this time, the White Bone Demon Saint suddenly waved his huge white bone palm, directly blowing away Murong Changming, the commander of the Demon Slayer Headquarters, and the Black Qilin.

Uh-huh!

But at this time, Ye Feng rushed forward and fully activated the power of Heaven's Gate.

For a long time, Ye Feng has been able to use the Gate of Heaven to emit the power of light and the light of Heaven to dispel darkness and evil.

But now, Ye Feng's cultivation level has been upgraded to an extremely powerful level.

So at this time, when Ye Feng was at such a high level of cultivation, he once again activated the supreme magic weapon, Gate of Heaven, and directly found out other functions.

Ye Feng's huge mana was input into the Gate of Heaven, and he saw that the infinite body of light in the Gate of Heaven actually condensed into a majestic archangel that was tens of thousands of meters tall.

Behind this archangel, there are eighteen wings of light.

This is definitely the most advanced burning angel among the archangels.

This holy and bright archangel also holds an angel scepter in his hand. He is a special creature condensed from the gate of heaven, and he has very terrible damage.

Boom!

At this moment, the holy and tall archangel held the angel scepter in his hand, and his whole body was emitting bright white divine light. His face and facial features could not be seen clearly, but it gave people a very sacred feeling that he wanted to worship.

The archangel rushed forward and collided directly with the Bone Demon Saint.

Boom! !

You must know that the light emanating from the Archangel is the power of the Gate of Heaven, and it has natural suppression and harm to creatures with dark attributes like the Bone Demon Saint.

So at this moment, the Bone Demon Saint was suddenly beaten and fell back quickly, and the bones on his body were rotting.

Because in the past, whether it was the commander-in-chief of the Demon Slayer Headquarters or senior figures like Murong Changming or Hei Qilin, although their attack power was very powerful, they could not cause any harm to advanced creatures like the White Bone Demon Saint.

However, the advanced eighteen-winged archangel manifested by Ye Feng's Heaven's Gate power has very strong light power every time it attacks, causing huge damage to the Bone Demon Saint.

At this moment, the Bone Demon Saint finally panicked.

He couldn't help but stare at Ye Feng, who was standing behind the eighteen-winged archangel. Looking at this young man who looked like a young God of Light, he couldn't help but said in horror: "In the Northern Territory, why? Would a magical existence like you appear? Even in this glorious ancient era, it would be impossible for someone like you to appear! Young man, who are you?"

Chapter 4444 Super Boost

At this time, the Bone Demon Saint looked at Ye Feng, who was exuding infinite power of light, like a young god, and he suddenly roared crazily.

Obviously, even a high-level powerhouse from the ancient times like the White Bone Demon Saint, the first generation of saintly beings in the Northern Territory of the Ten Thousand Demons Interface, felt a deep sense of powerlessness when he encountered a magical being like Ye Feng at this moment.

Because of the light power released by Ye Feng in the Gate of Heaven, the condensed eighteen-winged archangel is really terrifying.

For a strong person like the White Bone Demon Saint who specializes in cultivating dark attributes, it is inherently harmful. ??

At this moment, the Bone Demon Saint was attacked by the eighteen-winged archangel and was retreating steadily.

"hiss!"

"too strong!"

When everyone present saw this scene, they couldn't help but gasped.

Everyone stared at Ye Feng in horror, staring at the young man who was enveloped in the infinite power of light at this moment, and felt deeply shocked.

Because they knew very well that although this Bone Demon Saint had just recovered, he was the first generation of saints in the Northern Territory after all, and he was very terrifying.

Previously, the commander-in-chief of the Demon Slayer Headquarters, Murong Changming and a majestic black jade unicorn tens of thousands of meters tall, three senior figures joined together, but they were all attacked by a white-bone demon saint and were defeated steadily.

You know, the cultivation strength of the three elders is very terrifying, but there is no way to hurt the White Bone Demon Saint.

But now, the Bone Demon Saint started to retreat quickly under Ye Feng's attack alone.

Even many of the bones in the body were almost broken by the attack of the eighteen-winged archangel and were decaying rapidly.

At this time, everyone knew that Ye Feng's ability was really terrifying.

Now everyone knows very well that the reason why Ye Feng is able to defeat the White Bone Demon Saint is because Ye Feng controls that extraordinary door that exudes infinite light power.

But this is Ye Feng's method after all.

At this time, everyone was looking at Ye Feng with deep shock in their eyes.

Even the commander-in-chief of the Demon Slayer Headquarters, Murong Changming or Black Qilin felt a little horrified.

Because they never thought that Ye Feng would not need their help at this critical moment and could turn the tide with one person.

Moreover, Ye Feng's cultivation level is not as high as theirs. In fact,

It's incredible.

At this time, Black Qilin, an ancient beast from the ancient times, stared at the Archangel and the Gate of Heaven above Ye Feng's head. He seemed to have thought of something. Suddenly, a trace of horror appeared in the depths of his eyes, and he couldn't help but murmur. A voice said, "When did Ye Feng get this door? This door seems to be the legendary door. It has disappeared in the world for many years, and it has reappeared. What does this portend... .."

"Um?"

At this time, when he heard the murmur of the black unicorn beside him, Murong Changming suddenly moved his eyes, and immediately couldn't help but look at the black unicorn beside him, and said loudly: "Brother Qilin, what is the identity of this door?" ?"

Black Qilin immediately shook his head and said, "I don't know either. What I just said was just what I said unintentionally."

Hearing Hei Qilin say this at this moment, Murong Changming's eyes flashed slightly.

He knew that Black Qilin must be hiding something and was unwilling to reveal the true identity of the door that Ye Feng cast.

But Murong Changming didn't ask any more questions.

After all, Ye Feng is from his group.

As long as Ye Feng is more powerful, Murong Changming will naturally be happier.

He didn't bother to care about so many things, as long as Ye Feng could defeat this Bone Demon Saint.

At this moment, under the crazy attack of the eighteen-winged archangel, the Bone Demon Saint became more and more embarrassed, and could only struggle to escape quickly.

"There's no escape!"

But at this time, Ye Feng had the Gate of Heaven above his head, and his whole body was exuding an extremely bright light, and he immediately rushed towards the White Bone Demon Saint.

Soon the two of them were chasing and escaping, completely disappearing from everyone's sight.

At this time, Ye Feng was chasing the Bone Demon Saint, with the Gate of Heaven floating above his head, and behind him the rising and falling eighteen-winged archangel, like a divine image.

Unknowingly, they had arrived at the inner area of the desolate land in the deepest part of the dark forest.

There was no one around anymore.

And at the next moment, the Bone Demon Saint looked around and saw that no one was around, and suddenly knelt down in front of Ye Feng, making Ye Feng's eyes look blank.

His eyes widened suddenly, as if he had never expected that the White Bone Demon Saint, a majestic skeleton giant hundreds of thousands of meters tall, would suddenly kneel down in front of him.

This scene is a bit shocking, but also a bit funny.

At this time, the Bone Demon Saint immediately spoke out: "There were so many people around just now. I was afraid of losing face. Now there is no one here. I will kneel down for you, as long as you don't kill me."

Hearing what the Bone Demon Saint said, Ye Feng suddenly showed deep astonishment in his eyes.

It seems that he never expected that the White Bone Demon Saint, the first generation of super big figures to be sanctified in the Northern Territory of the Ten Thousand Demons Interface, a high-ranking Demon Saint-level existence, would actually kneel down to him.

Ye Feng immediately couldn't help but asked: "Shouldn't a top big shot like you fight me to the death?"

"Only fools do that."

The White Bone Demon Saint immediately spoke out and said: "The fact that you possess such a terrifying super magic weapon with light attributes shows that your inheritance or origin is extremely terrifying. Your future achievements will definitely be much higher than mine. I will tell you in advance Your surrender is nothing. Although you haven't grown up yet, once you grow up, it will be an incredible existence. I have worked hard for so many years and finally recovered. I can't just fall short and waste my time. After a hundred thousand years of hard work, I now kneel down in front of you and am willing to surrender to you, as long as you let me live and don't destroy me."

At this time, the Bone Demon Saint completely surrendered under the destruction of the terrifying light power of Ye Feng's Gate of Heaven.

Ye Feng's eyes flickered at this time, thinking about whether to kill this Bone Demon Saint.

The Bone Demon Saint seemed to see the hesitation in Ye Feng's eyes, and immediately said: "You should be the inheritor of the God of Light. You came to this interface of ten thousand monsters just for experience. There is no need for you to I was killed. We have no grudges or grudges. We are just in two different camps. For a noble being like you, it doesn't really mean which camp you are in. You just want to use a certain camp. It's just used to quickly improve your strength."

At this moment, the Bone Demon Saint said this, which immediately made Ye Feng's eyes move slightly.

An ancient great figure like the White Bone Demon Saint is indeed very thoughtful and experienced, and can see through people's inner thoughts.

At this time, the Bone Demon Saint continued to speak: "For a noble person like you, perhaps the entire Northern Territory of the Ten Thousand Monsters Interface

, it's just a small place for you to experience. Everyone, all the so-called camps, may be just a game in your eyes. As long as you don't kill me today, I will never go against you and be honest. Really listen to you and add a little fun to your game, why not? "

It has to be said that the Bone Demon Saint is very smart and can see through the essence of everything.

At this moment, after hearing what the Bone Demon Saint said, Ye Feng thought for a moment, then nodded slightly and said loudly: "As long as you promise to let my soul mark be imprinted in your mind, let me completely control it. I can't destroy your spirit and soul today."

Hearing what Ye Feng said, the Bone Demon Saint did not hesitate at all. A body composed of souls immediately rushed out of his huge skull.

He was a peerless young man who looked very majestic and full of domineering power that overwhelmed the world.

The young man in this state of soul should be the image of the Bone Demon Saint back then.

At this moment, the Bone Demon Saint released his soul, obviously completely surrendering to Ye Feng.

Ye Feng saw a hint of surprise in his eyes when he saw the Bone Demon Saint being so cheerful. It seemed that he did not expect that the other party was so aware of current affairs.

However, those who know the current affairs are distinguished.

Ye Feng nodded at this moment and directly placed a soul imprint of his own into the spirit of the Bone Demon Saint.

As long as this Bone Demon Saint dares to betray him, Ye Feng can instantly detonate his soul imprint in the Bone Demon Saint's soul, causing the opponent's soul to be shattered and annihilated in an instant.

At this time, the Bone Demon Saint was finally relieved, and so was Ye Feng.

Uh-huh!

The majestic skeleton giant, which was hundreds of thousands of meters tall, stood up at this moment and walked in front of Ye Feng.

Although the skeleton giant looked full of extreme oppression and fear, Ye Feng was floating high in the sky. Looking at the skeleton giant with hundreds of thousands of meters in front of him, there was a hint of worry in his eyes. The look of joy.

Having controlled such a terrifying guy as the Bone Demon Saint, it was definitely an unparalleled improvement for his comprehensive methods.

After all, this is a super boost!

Perhaps at its peak, it was more terrifying than an ancient beast like the black unicorn.

Chapter 4445 The biggest hero

At this moment, Ye Feng looked at the White Bone Demon Saint standing in front of him, a majestic white bone skeleton giant with a height of more than 100,000 meters, with deep joy in his eyes.

If he could conquer such an extremely powerful ancient demonic figure, for Ye Feng, it would be no less than obtaining a very powerful peerless weapon.

At this moment, Ye Feng didn't hesitate at all, and immediately said: "But you can't show up for the time being. After all, if you show up, then the affairs between the two of us will be exposed. The Blood Demon Dynasty can't tolerate it for the time being. Your resurrection, White Bone Demon Saint."

The Bone Demon Saint immediately nodded and said, "I can stay in your storage ring for the time being. It just so happens that I also need a period of time to continuously restore my power."

Ye Feng nodded, and then directly put the Bone Demon Saint in front of him into his storage ring.

At this time, Ye Feng was directly preparing to leave here.

But at this moment, the White Bone Demon Saint suddenly said: "Where I sleep, I have a very ancient Tianyin Pearl. It is with that Tianyin Pearl that I can survive so many years later." Revive, that bead is something left by the Lord of the Underworld in the legend. It is very ancient and precious. It contains high-level underworld energy from the underworld. But for you, Ye Feng, it is probably not too big. "

When Ye Feng heard what the Bone Demon Saint said at this moment, his eyes suddenly brightened and he said: "Of course it is of great use to me. I am not an existence you can imagine."

At this moment, after Ye Feng finished speaking, he immediately flew quickly towards the place where the White Bone Demon Saint was sleeping.

When Ye Feng arrived there, he found that a group of masters from the Blood Demon Dynasty were already cleaning the battlefield.

The masters of the Demonic Sect who were guarding here were dying and running away.

Uh-huh!

At this time, Ye Feng flew directly to the area of the White Bone Mountain where the White Bone Demon Saint was sleeping before.

This place had been chopped into pieces by the purple-robed elder from the Royal Cultivation Academy with the Yin-Yang Qiankun Sword.

At this time, Ye Feng was digging quickly among the ruins on the ground.

The extremely high-grade Tianyin Pearl from the underworld that the Bone Demon Saint mentioned must have a huge effect on Ye Feng.

Because all energy in Ye Feng can be refined.

This Tianyin Pearl can make the White Bone Demon Saint resurrect after hundreds of thousands of years. It is absolutely very advanced and ancient. It contains very terrifying special energy from the underworld, and it naturally has a huge effect on Ye Feng.

At this moment, when Ye Feng was digging quickly, several figures suddenly flew over and stood beside Ye Feng.

Among them were the commanders of the Demon Slayer Headquarters, Murong Changming and Hei Qilin, as well as many masters from the Royal Academy of Cultivation, including Her Royal Highness Gu Qingqing, the Seventh Princess, who was also an old acquaintance of Ye Feng.

At this moment, everyone looked at Ye Feng who was digging with deep amazement in their eyes.

They knew that Ye Feng came back alive, which meant that the White Bone Demon Saint had been completely eradicated by Ye Feng.

After all, they had all seen the final battle, where the White Bone Demon Saint was completely chased by Ye Feng.

At this moment, the commander of the Demon Slayer Headquarters still wanted to make sure, and immediately asked: "Ye Feng, how is the White Bone Demon Saint doing now?"

Ye Feng immediately smiled and said, "It's done."

Ye Feng answered that it was done, and did not respond to whether the White Bone Demon Saint was completely dead or whether the White Bone Demon Saint had escaped.

Anyway, after giving the commander of the Demon Slayer Headquarters a definite answer, the Bone Demon Saint no longer had any questions.

But I guess no one here would think much of it.

Not even the commander-in-chief of the Demon Slayer Headquarters would think too much about it.

When they heard Ye Feng's answer, they immediately thought that the Bone Demon Saint had been killed by Ye Feng.

At this moment, the commander of the Demon Slayer Headquarters immediately showed deep joy in his eyes.

They had worked hard and plotted for so long, and finally they had completely killed the Bone Demon Saint.

The threat of the Bone Demon Saint has finally completely disappeared.

For everyone, it is definitely a very huge contribution.

At this moment, the commander of the Demon Slayer Headquarters

Shuai immediately stared at Ye Feng and couldn't help but said: "Ye Feng, you have occupied the main force this time. Everyone present can prove to you that you are the biggest contributor to getting rid of the Bone Demon Saint. Wait This time, we will report the situation to the upper echelons of the royal family of the Blood Demon Dynasty. It is estimated that the upper echelons of the royal family will give you a huge reward. In addition, your noble title will probably also be unparalleled. "

Hearing what the commander of the Demon Slayer Headquarters said, Ye Feng's eyes suddenly lit up.

yes!

By destroying the huge conspiracy of the Demonic Sect and getting rid of such a huge threat as the White Bone Demon Saint, I can indeed get a huge reward from the upper echelons of the royal family of the Blood Demon Dynasty.

Ye Feng felt in his heart that his current noble status as a first-class baron would continue to be improved.

This is of huge benefit to Ye Feng.

Because Emperor Chu had also said before that the higher his status, the higher the level of the status token he would get, and then he would be able to absorb and devour more of the fortune of the Blood Demon Dynasty's headquarters.

At this moment, Ye Feng nodded and continued digging. ??

Murong Changming asked in surprise at this time: "Brother Ye Feng, what are you looking for?"

Ye Feng said aloud: "I'm looking for something left by the White Bone Demon Saint, but what you can't use, only I can use."

And just as Ye Feng was talking, he only heard a "dang" sound, a crisp collision sound.

The next moment, Ye Feng was surprised to find that in the deepest part of the ground, there was indeed a bead emitting a faint green light.

"What a scary weird bead!"

The moment everyone saw this bead, they couldn't help but take several steps back.

Because just by looking at this bead, they feel like their souls are being sucked in.

Even approaching this bead gives people a creepy feeling, as if the entire person's life force is about to dissipate and turn into a very weird underworld creature.

At this time, everyone's eyes suddenly showed horror.

At this moment, they finally understood that the thing Ye Feng was looking for was definitely very weird.

It's not something ordinary people can control.

So at this time, no one asked any more questions, but stayed away from the strange bead that Ye Feng found.

But at this moment, Ye Feng stared at the Tianyin Pearl he had found, with deep surprise in his eyes.

Because Ye Feng is holding this Tianyin Pearl at this moment, he can feel that there is very high-level and powerful energy hidden in it.

Although this energy is very weird and belongs to the underworld. If ordinary people get close to it, they will be instantly corroded into underworld creatures. But for Ye Feng, he can completely digest this energy and convert it into his own power.

However, at this time, many people were present, and Ye Feng could not directly refine this strange underworld thing, so he temporarily put the Tianyin Pearl into his storage ring.

Then Ye Feng glanced at everyone present and said with a smile: "Since the task has been completed, let's leave here."

"good."

The commander of the demon-killing headquarters nodded. He was in a good mood at this time and said with a smile: "When we return to the border city, I will treat everyone to a good meal to celebrate this great success. Of course, the biggest contributor is Ye Feng, I will report this matter to the royal family truthfully and ask for a huge reward for Ye Feng."

When Ye Feng heard what the commander of the Demon Slayer Headquarters said, he immediately said, "Thank you very much, commander."

Gu Qingqing also came to Ye Feng at this moment, with a trace of wonder on her beautiful face, and said loudly: "Ye Feng, you have grown up so fast. We met for the first time some time ago. You still need my protection, but now, you have grown into a powerful being that can protect all of us here."

Ye Feng immediately shook his head and smiled, and said: "I am also lucky this time. I happen to have a treasure that can restrain the underworld creatures like the Bone Demon Saint. Otherwise, I would not be able to turn the tide."

When he said this, Ye Feng looked at the surrounding ruins and said loudly: "We should leave here as soon as possible, in case the strong men of the Demonic Sect come to support us."

"good."

Everyone nodded and quickly left this dangerous area, flying quickly towards the border city of the Blood Demon Dynasty.

## Chapter 4446 Another exploration

Everyone was very fast, and there were many core experts grouped together, so they did not encounter any danger on the way back.

Even some ferocious dark creatures hidden in the dark forest dare not provoke this group of extremely powerful core experts at this time.

When everyone returned to the border city, the commander of the Demon Slayer Headquarters was naturally very happy because he had successfully completed this mission and prevented the White Bone Demon Saint from resurrecting, thus posing a threat to the entire Blood Demon Dynasty.

The commander-in-chief of the Demon Slayer Headquarters also fulfilled his promise and hosted a banquet for everyone in the largest restaurant in the border city.

Although there were casualties this time, the result was still very good and the mission was successfully completed.

During the banquet, everyone naturally pushed and changed glasses.

After three rounds of drinking, the tea is cool and the wine is cold.

Everyone left the banquet one after another.

Ye Feng also returned to his place of residence.

Outside the large mansion where Ye Feng lived, the commander of the demon-killing headquarters looked at Ye Feng and asked: "What will you do next? Should you continue to stay in this border city, or return to the imperial city?"

Ye Feng said aloud at this time: "Next, I should return to the Blood Demon Dynasty, return to the imperial city, and return to the scavenger department with Brother Murong."

At this moment, Murong Changming also nodded, and then said loudly: "I have this important matter when I return to the Imperial City."

The commander of the Demon Slayer Headquarters immediately nodded, and then couldn't help patting Ye Feng on the shoulder, and said with great pleasure: "It is our honor to know such a peerless genius like you, and our Blood Demon Dynasty can A super genius like you will definitely shine in the future, Ye Feng, I am waiting for the day when you will dominate the entire northern domain."

Hearing what the commander of the Demon Slayer Headquarters said, Ye Feng immediately couldn't help but smile, nodded, and said, "Okay."

Ye Feng did not say anything humbly at this moment. After all, the talent he had recently displayed in this borderland really made

People were very shocked.

Especially the light-attributed power revealed against the White Bone Demon Sanctuary in the end was simply too shocking.

So even the core masters from the Royal Academy of Practice, these arrogant guys, became very docile and humble in front of Ye Feng.

At this moment, a beautiful figure suddenly walked over not far away. It was Her Royal Highness the Seventh Princess of the Blood Demon Dynasty, Gu Qingqing, who was also an old acquaintance of Ye Feng.

Seeing this scene at this moment, the commander-in-chief of the Demon Slayer Headquarters and Murong Changming both smiled meaningfully at Ye Feng, then pulled the silent black unicorn standing beside Ye Feng and left here directly, letting Ye Feng stood here alone.

At this moment, Murong Changming pulled Black Qilin, walked away, and said loudly: "Brother Ye Feng, let Brother Qilin sleep at my place tonight, we will come to you tomorrow morning, and we will return to the imperial city together. "

After finishing speaking, the commanders of the Demon Slayer Headquarters, Murong Changming and Black Qilin, had already left here.

Black Qilin was also prepared to protect Ye Feng and wanted to stay, but was forced away by Murong Changming, saying that Black Qilin was a little unreasonable and worthy of being a beast from the ancient times with zero emotional intelligence.

At this moment, Gu Qingqing's beautiful figure slowly walked from a certain direction not far away and walked in front of Ye Feng.

At this moment, the light of the moon fell slightly, making Gu Qingqing's beautiful figure look even more beautiful and hazy.

At this time, Ye Feng looked at Gu Qingqing in front of him and had to say that she was indeed very beautiful and very elegant. She was worthy of being the seventh princess of the Blood Demon Dynasty.

At this time, Gu Qingqing walked up to Ye Feng and saw that Ye Feng was silent and seemed to be staring at herself silently. Gu Qingqing suddenly felt an inexplicable feeling, and then couldn't help but slightly

With a smile, a trace of smile appeared on her beautiful face, and she said loudly: "Ye Feng, why are you looking at me like this?"

Ye Feng shook his head and said aloud: "I was just sighing. I didn't expect you, Qingqing, to be the seventh princess of the Blood Demon Dynasty. Although I had guessed it before, I didn't expect you to be an orthodox royal family."

Gu Qingqing immediately smiled and said, "You are also a noble now."

Ye Feng smiled and said: "It's still early. I'm just a first-class baron who has just started."

At this time, Gu Qingqing looked at Ye Feng with her beautiful eyes and said loudly: "Ye Feng, from the beginning, I thought you were very powerful and very talented. I didn't expect you to be so stunningly talented. It's really impressive, and I also know that your most mysterious and powerful soul master method has not yet been used."

When Ye Feng heard Gu Qingqing's compliment, he immediately smiled and said: "This time, I am lucky. I happen to have such a magic weapon with light properties. Otherwise, I would definitely not be able to deal with that White Bone Demon Saint. "

Hearing what Ye Feng said, Gu Qingqing immediately nodded.

At this time, Gu Qingqing seemed to have thought of something, and suddenly said: "Ye Feng, your cultivation has improved so much now than before, can you help me find out again, what is in my head that limits my soul power?" The ancient seal of growth?"

Hearing Gu Qingqing say this, Ye Feng's eyes suddenly moved slightly.

Ye Feng did see a very magical and ancient seal in Gu Qingqing's head before.

According to what Emperor Chu said, it was the seal formed by the Black Soul Sword, the natal magic weapon of the Black Soul Lord of the Black Soul Realm.

Although Gu Qingqing has the qualifications to practice as a soul master, she has no way to increase her soul power, which has always made Gu Qingqing very distressed.

Ye Feng also promised Gu Qingqing before that if he cultivated enough, he would

He will definitely help Gu Qingqing unlock this seal.

Moreover, there is such a magical and ancient black soul sword in Gu Qingqing's head, which comes from the black soul world of higher dimensions. Therefore, Ye Feng has always felt that Gu Qingqing's true origin and identity must be very extraordinary, not only The seventh princess of the Blood Demon Dynasty is so simple.

After all, she was related to the higher cultivation dimension, but Gu Qingqing herself didn't know this, and Ye Feng didn't directly tell Gu Qingqing the truth, fearing that Gu Qingqing wouldn't be able to accept it for a while.

And according to the speculations of Ye Feng and Emperor Chu, a high-level cultivation dimensional world like the Black Soul World is likely to exist in the extraterrestrial world.

At this time, Ye Feng didn't hesitate at all. He nodded and said, "Okay, then I'll investigate again."

At this moment, after Ye Feng finished speaking, he stretched out a finger and touched Gu Qingqing's white forehead.

Buzz!

At this moment, Ye Feng's soul body immediately entered Gu Qingqing's mind.

The next moment, Ye Feng suddenly saw a black sword floating quietly in Gu Qingqing's mind, just like before.

This black sword looks very ordinary, but it faintly exudes a very frightening dark energy.

And it's not just ordinary dark energy, it's dark energy at the soul level.

This is the Black Soul Sword that Emperor Chu mentioned before. It is the peerless soul weapon of the Lord of the Black Soul Realm in the world of advanced cultivation dimensions.

I just don't know why it appeared in Gu Qingqing's head.

Now Ye Feng's cultivation level has improved much compared to before, and he has become many times stronger.

So at this time, Ye Feng went directly towards the black soul sword floating in Gu Qingqing's mind and slowly explored it. He wanted to touch this black soul sword personally to see if he could unlock the seal.

Chapter 4447: I'm so talented

Buzz!

At this time, Ye Feng emitted his soul power, and soon touched the black soul sword in Gu Qingqing's mind.

At this moment, Ye Feng immediately felt a very terrifying and majestic energy stored in this black soul sword.

That's a very dark soul state of energy.

Ye Feng felt that his soul was shaking at this moment.

This made Ye Feng's eyes suddenly show surprise.

It has to be said that the Black Soul Sword in Gu Qingqing's mind is indeed the weapon of the World Lord from the Black Soul World in the advanced cultivation dimension. It is indeed very terrifying.

Ye Feng, who had such a huge soul power, felt deep fear in front of this ordinary-looking black soul sword.

Buzz!

At this moment, Ye Feng directly tried to input his huge soul power into this black soul sword, hoping to see if he could refine this black soul sword.

Because as long as Ye Feng can refine this black soul sword and control this black soul sword, he should be able to completely lift the seal created by this black soul sword in Gu Qingqing's mind.

But the moment Ye Feng input his soul power and entered the Black Soul Sword.

Buzz!

Accompanied by a terrifying soul fluctuation, a towering dark giant with a height of more than 100,000 meters suddenly appeared in the black soul sword in front of Ye Feng.

The figure of this dark giant is obviously a very terrifying phantom of will. It is most likely the phantom of the Black Soul Sword's original owner, the world lord of the Black Soul Realm.

At this moment, the phantom of the Black Soul Realm's world master's will was actually stored in the Black Soul Sword and has been sleeping until today. It seems that Ye Feng has now awakened him.

At this time, Ye Feng felt that he was as small as an ant in front of this dark giant that was hundreds of thousands of meters tall and could be destroyed at any time.

At this moment, the phantom of the Black Soul Realm's Realm Lord's will immediately stared at Ye Feng in front of him and made a majestic voice.

Ye Feng couldn't understand this voice, but Ye Feng could feel this majestic voice, which seemed to be warning him.

Don't meddle in other people's business.

There seems to be an inexplicable relationship between Gu Qingqing and the Black Soul Sword.

At this time, Ye Feng couldn't help but ask in his mind: "Emperor Chu, can you defeat the phantom of the Black Soul Realm's will manifested in the Black Soul Sword?"

Emperor Chu was silent for a moment, then shook his head in his mind and said aloud: "It's not possible yet. My strength has not yet recovered to a level that can resist a high-level cultivation dimension world master."

Hearing what Emperor Chu said, Ye Feng suddenly showed a trace of surprise in his eyes.

Unexpectedly, even Emperor Chu was unable to deal with the shadow of dark will in the Black Soul Sword for the time being.

At this time, Ye Feng immediately nodded. Taking advantage of the fact that the phantom of the Black Soul Realm's will was not ready to harm him, Ye Feng immediately exited Gu Qingqing's mind.

Ye Feng's second exploration of the Black Soul Sword ended in failure once again, but Ye Feng also learned a lot of secrets.

That is, the Black Soul Sword was definitely intentional in Gu Qingqing's mind, and it seemed not to harm Gu Qingqing, but to have other purposes.

I have to say that this Black Soul Sword is worthy of being the weapon of the World Lord from the Black Soul Realm in the advanced spiritual dimension. It is indeed very powerful.

Moreover, there is hidden the Lord of the Black Soul Realm, and the phantom of the Lord of the Black Soul's will seems to be plotting some ulterior secret.

But Ye Feng has no way to interfere in this matter for the time being.

At this moment, Ye Feng's soul body returned to Ye Feng's body.

At this moment, seeing Ye Feng in front of him opening his eyes, Gu Qingqing couldn't help but asked: "Ye Feng, how is the situation?"

At this time, Ye Feng stared at the beautiful Gu Qingqing in front of him, his eyes flickering, and finally decided to tell the truth.

Ye Feng immediately took a deep breath, then looked at Gu Qingqing in front of him, and said very solemnly: "Qingqing, I have to tell you something very important.

, that is the seal in your mind. It is not an ordinary seal, but a black soul sword from the black soul world, a high spiritual latitude. Even I have no way to fight against the black soul sword for the time being, so I have no way for the time being. To help you unlock the seal of your soul, I can only wait for you to explore it yourself, because the Black Soul Sword seems to contain the shadow of the will of the Black Soul Lord, the Lord of the Black Soul World, and there seems to be a relationship between her and you. There is a mysterious connection. "

"What??"

Hearing what Ye Feng said, Gu Qingqing's beautiful eyes suddenly revealed a look of deep shock. It seemed that she never thought that there was such a terrifying weapon in her mind, a black weapon from the advanced cultivation dimension. Soul world.

For Gu Qingqing, this is definitely a piece of information that subverts imagination.

Because Gu Qingqing has never felt that she can have anything to do with that mysterious and unpredictable world of advanced cultivation latitudes. After all, that so-called advanced cultivation latitude world is completely a legendary existence.

Unexpectedly, there is actually a black soul sword hidden in his head that comes from the "Lord of Black Souls" in the higher spiritual dimension of the black soul world.

This really made Gu Qingqing feel a little shocked and confused for a moment. She didn't know what to do and felt at a loss.

At this moment, Ye Feng saw Gu Qingqing's rather messy state, and immediately couldn't help but smile and said: "According to my several investigations, this black soul sword is currently suitable for... You don't pose much of a threat, and I think the reason why the Black Soul Sword is in your head may also represent a huge opportunity for you, which is not necessarily a danger."

Hearing what Ye Feng said, Gu Qingqing immediately nodded.

At this time, Gu Qingqing felt that the only one she could trust was Ye Feng.

Because Ye Feng is the only soul master Gu Qingqing knows, and the only one who has come into contact with the black soul sword in her mind.

So at this time, what Ye Feng said made Gu Qingqing believe it very much.

At this moment, Ye Feng seemed to have thought of something, and immediately said: "By the way, Qingqing, let's go on."

If you have the chance, you can try to communicate with the black soul sword in your mind. If you can communicate with the black soul sword in your mind, you may be able to slowly control it. Holding a black soul sword, I was originally planning to refine this black soul sword by myself and lift your seal, but the will of the black soul lord in the black soul sword issued a warning and threat to me, making me Don't get involved in this matter. I think you should be the person chosen by the Lord of Black Souls in the Black Soul Sword, so if you can slowly and slowly communicate with the Lord of the Black Souls in the Black Soul Sword in your mind, The phantom of the Lord's will creates contact and communicates. Maybe this is a huge chance creation of yours. After all, this thing comes from the world of advanced cultivation dimensions. It is an advanced existence that has never been seen in the world where we are. . "

Hearing what Ye Feng said, Gu Qingqing's eyes, which were originally confused, suddenly revealed a deep and strange light.

After what Ye Feng said, Gu Qingqing suddenly felt that the black soul sword in his head not only no longer had any threat, but was instead a huge opportunity for him.

At this moment, Gu Qingqing immediately stared at Ye Feng in front of her, couldn't help but stretched out her white little hand, grabbed Ye Feng's palm, and said with great gratitude: "Anyway, thank you Ye Feng, It can relieve me of this doubt, and if I can really get some good fortune from the Black Soul Sword, I will definitely share it with you Ye Feng. This is what you deserve. If it weren't for you Ye Feng, I guess now I was already at a loss, Ye Feng, you made me feel very safe."

Hearing what Gu Qingqing in front of him said, Ye Feng immediately smiled and said, "That's right, we are friends."

Gu Qingqing immediately nodded, then looked around and said loudly: "It's getting late, let's go to bed early. Tomorrow we will return to the imperial city of the dynasty together. The mission on this frontier has been completely completed. Ye Feng, with your talent, you are definitely qualified to enter the Royal Training Academy of our Blood Demon Dynasty that specializes in cultivating spiritual geniuses. Ye Feng, I think you are completely underqualified in your current scavenger department. You can directly join the imperial training academy. Academy, get the key training from our Blood Demon Dynasty, focus on cultivation, don't worry about the miscellaneous things in those departments, and waste your time. "

#### Chapter 4448 Zhao Family

At this time, when Ye Feng heard what Gu Qingqing said, there was a look of surprise in Ye Feng's eyes. It seemed that he did not expect that Gu Qingqing wanted to invite him to join the Royal Training Academy of the Blood Demon Dynasty.

For Ye Feng, he did not want to join this kind of royal training academy before, because Ye Feng's current purpose is to improve his noble title.

Although joining the Royal Academy of Cultivation, you can really concentrate on improving your own cultivation strength, without having to worry about some of the chores in the scavenger department.

But the main reason why Ye Feng came to the Blood Demon Dynasty was to improve his status, so that he could secretly control the entire Blood Demon Dynasty and master the power of the Blood Demon Dynasty for his own use.

So at this time, Ye Feng looked at Gu Qingqing in front of him, shook his head and said loudly: "I came to the Blood Demon Dynasty mainly because I wanted to improve my status. I entered the Royal Cultivation Academy and only focused on If I practice, there will be no way for me to improve my noble title."

Hearing what Ye Feng said, Gu Qingqing was stunned for a moment, and then immediately couldn't help but smile and shake his head, saying: "Of course not, Ye Feng, you don't understand this, right? In our Royal Cultivation Academy Among them, the upper echelons of the royal family sometimes send us various tasks. As long as we can complete these tasks, our status can be improved. For example, this time we helped the demon-killing headquarters in the borderland to stop the Bone Demon. After the resurrection of the saint, our Royal Training Academy sent many core experts. After we complete the task, everyone can get a reward. Not only can we get huge rewards of training resources, but also our status can be improved. get promoted."

Hearing what Gu Qingqing said, Ye Feng's eyes suddenly brightened up, and he couldn't help but say: "In other words, after I joined the Royal Training Academy, I can usually focus on my own training, and then if there are any tasks , I can also actively participate in completing tasks and improve my status?"

Hearing what Ye Feng said, Gu Qingqing immediately nodded, and then said with a smile: "Of course I won't lie to you."

Ye Feng immediately smiled and said: "Okay, if that's the case, then I would be willing to join the Royal Cultivation Academy. After all, in the Royal Cultivation Academy, there are indeed much less chores than in the scavenger department, and You can concentrate on your practice."

Gu Qingqing immediately nodded and was quite happy.

Because she, the seventh princess of the Blood Demon Dynasty, is also practicing in the Royal Training Academy.

At this time, Gu Qingqing seemed to have thought of something, and suddenly asked: "Ye Feng, when I was on the battlefield deep in the dark forest, I saw Zhao Guangming. He seemed to be cursed by darkness, and his whole body was covered with black hair. , was sucked out of all life and died, was it you, Ye Feng?"

When Ye Feng heard what Gu Qingqing said, his eyes flashed slightly, and then he nodded and said loudly: "That's right, it was because Zhao Guangming secretly plotted against me and wanted to get rid of me secretly, so I used The way he treated others was like a curse on him, causing him to die instantly on the spot."

Hearing what Ye Feng said, Gu Qingqing suddenly nodded, and then couldn't help but say

: "This Zhao Guangming is indeed a sinister villain. He actually wants to deal with you secretly, Ye Feng. At that time, Ye Feng was a powerful force in our Blood Demon Dynasty. This Zhao Guangming disregards the overall situation and wants to harm you secretly. He will die." You deserve it."

When Gu Qingqing said this, he seemed to have thought of something, and immediately couldn't help but said: "But this Zhao Guangming is, after all, the ninth most distinguished figure among the ten core students of our Royal Cultivation Academy, and he is He comes from the Zhao family, one of the six top families in the imperial city of our Blood Demon Dynasty, so his death will definitely cause a huge wave, and the Zhao family will probably send strong people to find out the cause of his death. If people find out about Ye Feng's dark curse, people will soon suspect you, and the Zhao family, a top family, will also come to deal with you. "

Hearing what Gu Qingqing said, Ye Feng immediately smiled lightly, without any fear at all, but said slowly: "If the Zhao family really dares to deal with me directly, then I will let them know what It's called regret. I have been a mortal all the way, from the humblest level of cultivation to the powerful realm I am today, and I have long been accustomed to all kinds of bloodshed. "

Hearing what Ye Feng said, Gu Qingqing's beautiful eyes suddenly showed a hint of splendor.

After all, being able to remain so relaxed under the pressure of the six top sects shows that Ye Feng has a very good mentality and is very courageous.

At this time, Gu Qingqing immediately nodded and said with a smile: "If that Zhao family really dares to deal with you, I will personally testify to prove that it was Zhao Guangming who actively wanted to plot against you first, and then was killed by Ye You killed Feng in self-defense. Even if the Zhao family is really unreasonable, as the seventh princess of the Blood Demon Dynasty, I will help you Ye Feng."

When Ye Feng heard what Gu Qingqing said, he immediately smiled and said, "Okay, thank you Qingqing in advance."

Gu Qingqing immediately shook her head and said loudly: "Ye Feng, there is no need to be so polite between us. We have experienced so much together and have long been very good friends. Next, we will all practice in the Royal Academy of Cultivation. , We must take care of each other and help each other in the future. After all, the Black Soul Sword in my head may need you to help me communicate in the future. "

Hearing what Gu Qingqing said, Ye Feng immediately nodded.

At this moment, Ye Feng stared at the beautiful Seventh Princess in front of him, and he also paid great attention to her.

Because this Gu Qingqing is definitely not an ordinary princess of the Blood Demon Dynasty. There is a black soul sword from the black soul world in the advanced spiritual dimension in her head, and her future will definitely be extraordinary.

After all, it is difficult for ordinary people to obtain such incredible opportunities. Even Ye Feng is a little envious.

At this time, Gu Qingqing immediately said: "Ye Feng, let's rest early. It's getting late. We have to rush back to the imperial city early tomorrow morning."

Ye Feng immediately nodded, smiled and said: "Okay, after this battle, we are all tired, so let's take a good rest."

At this moment, Ye Feng and Gu Qingqing walked directly into the large mansion in front of them. At this time, when Ye Feng heard what Gu Qingqing said, a look of surprise suddenly appeared in Ye Feng's eyes. It seemed that he did not expect that Gu Qingqing wanted to invite him to join the Royal Training Academy of the Blood Demon Dynasty.

He seemed to be cursed by darkness, and his whole body was covered with black hair. , was sucked out of all life and died, was it you, Ye Feng?"

When Ye Feng heard what Gu Qingqing said, his eyes flashed slightly, and then he nodded and said loudly: "That's right, it was because Zhao Guangming secretly plotted against me and wanted to get rid of me secretly, so I used The way he treated others was like a curse on him, causing him to die instantly on the spot."

Hearing what Ye Feng said, Gu Qingqing suddenly nodded, and then couldn't help but say

: "This Zhao Guangming is indeed a sinister villain. He actually wants to deal with you secretly, Ye Feng. At that time, Ye Feng was a powerful force in our Blood Demon Dynasty. This Zhao Guangming disregards the overall situation and wants to harm you secretly. He will die." You deserve it."

When Gu Qingqing said this, he seemed to have thought of something, and immediately couldn't help but said: "But this Zhao Guangming is, after all, the ninth most distinguished figure among the ten core students of our Royal Cultivation Academy, and he is He comes from the Zhao family, one of the six top families in the imperial city of our Blood Demon Dynasty, so his death will definitely cause a huge wave, and the Zhao family will probably send strong people to find out the cause of his death. If people find out about Ye Feng's dark curse, people will soon suspect you, and the Zhao family, a top family, will also come to deal with you. "

Hearing what Gu Qingqing said, Ye Feng immediately smiled lightly, without any fear at all, but said slowly: "If the Zhao family really dares to deal with me directly, then I will let them know what It's called regret. I have been a mortal all the way, from the humblest level of cultivation to the powerful realm I am today, and I have long been accustomed to all kinds of bloodshed. "

Hearing what Ye Feng said, Gu Qingqing's beautiful eyes suddenly showed a hint of splendor.

After all, being able to remain so relaxed under the pressure of the six top sects shows that Ye Feng has a very good mentality and is very courageous.

At this time, Gu Qingqing immediately nodded and said with a smile: "If the Zhao family really dares to deal with you, I will personally testify to prove that it was Zhao Guangming who actively

wanted to plot against you first, and then was killed by Ye You killed Feng in self-defense. Even if the Zhao family is really unreasonable, I, as the seventh princess of the Blood Demon Dynasty, will help you Ye Feng."

When Ye Feng heard what Gu Qingqing said, he immediately smiled and said, "Okay, thank you Qingqing in advance."

Gu Qingqing immediately shook her head and said loudly: "Ye Feng, there is no need to be so polite between us. We have experienced so much together and have long been very good friends. Next, we will all practice in the Royal Academy of Cultivation. , We must take care of each other and help each other in the future. After all, the Black Soul Sword in my head may need you to help me communicate in the future. "

Hearing what Gu Qingqing said, Ye Feng immediately nodded.

At this moment, Ye Feng stared at the beautiful Seventh Princess in front of him, and he also paid great attention to her.

Because this Gu Qingqing is definitely not an ordinary princess of the Blood Demon Dynasty. There is a black soul sword from the black soul world in the advanced spiritual dimension in her head, and her future will definitely be extraordinary.

After all, it is difficult for ordinary people to obtain such incredible opportunities. Even Ye Feng is a little envious.

At this time, Gu Qingqing immediately said: "Ye Feng, let's go to bed early. It's getting late. We have to rush back to the imperial city early tomorrow morning."

Ye Feng immediately nodded, smiled and said: "Okay, after this battle, we are all tired, so let's take a good rest."

At this moment, Ye Feng and Gu Qingqing walked directly into the large mansion in front of them.

Chapter 4449 Immortal Stone Tablet

night.

Ye Feng returned to his house.

At this time, there was no one around, so Ye Feng took out the Tianyin Pearl from the underworld that he had obtained from the place where the Bone Demon Saint slept.

At this time, Ye Feng was holding this bead and could sense very strong high-level underworld energy from it.

Buzz!

At this moment, Ye Feng did not hesitate and swallowed the Tianyin Pearl directly into his stomach.

For other people, once this kind of Tianyin Pearl comes into contact with other living beings, it is estimated that any living being will be directly assimilated into the underworld creature.

But for Ye Feng, this does not exist at all.

Ye Feng's devouring ability, and his special physique that can accommodate thousands of attribute energies in the world, allow Ye Feng to devour any energy to his heart's content.

So at this moment, when Ye Feng swallowed the Tianyin Pearl, he was not assimilated by the underworld energy contained in it at all.

On the contrary, the majestic energy contained in the Tianyin Pearl directly caused Ye Feng's skill to increase rapidly.

At this moment, Ye Feng's cultivation momentum immediately began to rise.

"boom!"

The next moment, a very powerful and terrifying new cultivation aura burst out from Ye Feng's body.

Ye Feng's cultivation level is at the half-step Beidou level and is at a huge bottleneck.

But at this moment, with the help of the majestic underworld energy in the Tianyin Pearl, Ye Feng was swallowed and absorbed, which directly allowed Ye Feng's cultivation to completely break through the current bottleneck.

From the half-step of the Beidou Realm, I stepped into the real first level of the Beidou Realm!

At this moment, after Ye Feng broke through, his eyes immediately showed deep joy.

The energy in this Tianyin Pearl is indeed very powerful and advanced, allowing his cultivation to break through this huge bottleneck.

If it weren't for this Tianyin Pearl, Ye Feng had no doubt that he didn't know how long it would take to accumulate it before he could break through his goal.

Only with the previous level of cultivation can we break through the current bottleneck.

However, the energy in the Tianyin Pearl was so rich and majestic that Ye Feng suddenly achieved a breakthrough in his cultivation, completely breaking through the current bottleneck and entering the true first level of the Beidou Realm.

At this moment, when Ye Feng stepped into the real first level of Beidou Realm, he could immediately feel that his power had been greatly improved.

Ye Feng felt that his fighting power was many times stronger than before.

At this moment, Ye Feng's eyes were naturally filled with deep joy.

At this moment, Ye Feng suddenly released the Bone Demon Saint from the storage ring.

At this moment, the body of the Bone Demon Saint has shrunk into a skeleton that is only about the height of Ye Feng.

Inside the skull, there is still green soul fire burning.

At this time, the Bone Demon Saint immediately asked: "Ye Feng, what's the point of releasing me? Who do you want me to kill?"

When Ye Feng heard the cruel words of the Bone Demon Saint, he immediately shook his head with a smile and said: "Of course I don't want to kill anyone, I just want to ask, who is the Tianyin Pearl you got before? Where did you get it? Are there any more beads like this?"

At this time, Ye Feng was very interested in things like Tianyin Pearl, which contained rich underworld energy.

When Ye Feng said this, the White Bone Demon Saint's eyes were slightly startled, as if he did not expect Ye Feng to be so fascinated by such a strange thing as the Tianyin Pearl.

At this time, the White Bone Demon Saint immediately shook his head and said loudly: "This Tianyin Pearl was also obtained by me accidentally. I got it from the sleeping place of an ancient god. It can be encountered but cannot be sought. "

Hearing what the Bone Demon Saint said, Ye Feng's eyes suddenly showed a look of disappointment.

Originally, Ye Feng thought that if the White Bone Demon Saint knew where there were many such Tianyin beads, he could look for them, devour them to his heart's content, and improve his skills.

But now it seems that it is probably impossible.

At this time, Ye Feng didn't say anything more, but nodded helplessly.

The Bone Demon Saint asked aloud: "Ye Feng, are you going to return to the imperial city of the Blood Demon Dynasty next?"

Ye Feng immediately nodded. .??.

The White Bone Demon Saint's eyes seemed to show a look of joy, and he said aloud: "In a secret place in the imperial city of the Blood Demon Dynasty, I hid a treasure that was the first generation of the Blood Demon Dynasty and me. A very ancient treasure that the emperor fought over."

"What?"

Hearing what the White Bone Demon Saint said, Ye Feng immediately became interested. His eyes suddenly revealed a look of deep surprise, and he asked aloud: "What is that ancient treasure?"

At this time, Ye Feng never thought that the White Bone Demon Saint would actually hide such a unique treasure somewhere in the imperial city of the Blood Demon Dynasty.

That treasure, in the ancient times, could cause a fight between the White Bone Demon Saint, the first generation of saints, and the first generation emperor of the Blood Demon Dynasty, which is enough to show how precious and ancient this treasure is.

At this moment, Ye Feng naturally wanted to know what this treasure was.

When Ye Feng heard what Ye Feng said at this moment, the Bone Demon Saint immediately smiled and nodded, and said loudly: "That treasure is called the Immortal Stone Tablet of Gods and Demons. It was the first emperor of the Blood Demon Dynasty and I. The things found in the ruins of gods and demons are immortal treasures left by ancient gods and demons. If one can comprehend the immortal secrets left by gods and demons in this stone tablet and practice it, it will also allow the cultivator to slowly Slowly becoming an immortal existence."

When Ye Feng heard what the Bone Demon Saint said, his eyes suddenly lit up and he said: "Your

It means that what is recorded on this stone tablet is an ancient god and demon, a peerless inheritance left from that ancient era? "

The Bone Demon Saint immediately shook his head and said: "The secrets of gods and demons recorded on the Immortal Stone Tablet of Gods and Demons have transcended the scope of inheritance. They are a supreme secret of the great road, rather than some specific inheritance. , is a mysterious and mysterious thing. I don't know the details, because at that time I fought with the first emperor of the Blood Demon Dynasty, and both sides suffered losses, but the immortal stone tablet of gods and demons was still held in my hand. At that time, the Blood Demon The first emperor of the dynasty found a very powerful helper and wanted to hunt me down. In order to prevent them from getting the immortal stone tablet of gods and demons, I hid this ancient stone tablet in the Blood Demon Dynasty. There is a hidden place in the imperial city. Even if they kill me, they can't find the ancient treasure."

Hearing what the White Bone Demon Saint said, Ye Feng suddenly showed a look of surprise in his eyes and asked aloud: "Why don't you hide the immortal stone tablet of gods and demons in your Demonic Sect?"

The Bone Demon Saint immediately smiled and said: "There was no Demonic Sect at that time. The Demonic Sect was founded by the descendants of the Demonic Path in the Northern Territory where I was. At that time, there were only the Blood Demon Dynasty and Ten Thousand Demons in the entire Northern Territory. Dragon God Sect, and the reason why I hid the Immortal Stone Tablet of Gods and Demons somewhere in the central imperial city of the Blood Demon Dynasty is to catch them by surprise, because the most dangerous place is often the safest place. Sure enough, the third of the Blood Demon Dynasty One generation of emperors, and every generation of emperors, have been searching for countless years but have not been able to find where the immortal stone tablet of gods and demons is. In fact, it is right under their noses, hahaha."

At this time, the White Bone Demon Saint spoke with a hint of pride in his tone.

Ye Feng just smiled and shook his head at this moment.

It seems that this Bone Demon Saint really has some wisdom.

At this moment, Ye Feng immediately said with great expectation: "Then when we return to the imperial city this time, you will take me to find the immortal stone tablet of gods and demons. Such a peerless treasure will definitely be of great benefit to me. , can greatly enhance my strength."

Chapter 4450 Strong sense of identity

For Ye Feng, the reason why he came to this interface of ten thousand demons and the Blood Demon Dynasty was naturally to constantly look for various advanced cultivation resources and opportunities to improve his strength.

So now Ye Feng doesn't care what camp he is in, as long as it is beneficial to him, then Ye Feng will do it.

Now that he learned from the White Bone Demon Saint that there was such a supreme treasure hidden in the imperial city of the Blood Demon Dynasty, Ye Feng would definitely find it and use it for himself.

Instead of choosing to find this kind of treasure and dedicate it to the emperor of the Blood Demon Dynasty.

Because if ordinary people knew this kind of news, they would definitely find it and offer it to the emperor of the Blood Demon Dynasty, so that they could become famous all over the world and gain the favor of the royal family.

But Ye Feng would never do such a stupid thing.

This kind of unparalleled treasure, if you get it, is of greatest value if you use it yourself.

As for improving one's status and identity in the Blood Demon Dynasty, there are many other methods.

After all, this time after Ye Feng returned to the imperial city of the Blood Demon Dynasty, he planned to join the Royal Training Academy of the Blood Demon Dynasty directly like Gu Qingqing.

In the Royal Training Academy, Ye Feng can focus more on his training, and the royal family's upper echelons can send him various tasks at any time. This can also allow him to accumulate contribution points and slowly improve his status.

The Immortal Stone Tablet of Gods and Demons mentioned by the White Bone Demon Saint involves something too big and too extensive, and the news cannot be disclosed casually.

Even if it was Gu Qingqing, Ye Feng was not prepared to tell her. After all, it was better to know this kind of thing by himself.

At this time, Ye Feng seemed to have thought of something. He suddenly looked at the Bone Demon Saint in front of him and couldn't help but said, "If you return to the Demon Sect now, can you control the entire Demon Sect?"

Ye Feng's idea at this time was very simple.

In fact, the White Bone Demon Saint did not completely die, but was subdued by himself.

If the White Bone Demon Saint, an ancient figure in the demonic way, returns to the Demonic Sect and can control the Demonic Sect, then it will be equivalent to Ye Feng controlling the entire Demonic Sect and being able to provide himself with a steady stream of cultivation resources.

This is a huge benefit.

But when Ye Feng asked this question, the White Bone Demon Saint immediately shook his head, smiled and said: "Although I was a big shot in the Northern Territory Demon Dao back then, but now that I have just recovered, my cultivation strength is far inferior. In my peak state, I am now a half-dead adopted son. Do you think the strong men of the Demonic Sect will obey my command? The reason why they resurrected me from my ancient slumber this time is just to use me, not at all. Invite me out and let me dominate the entire Demonic Sect. After all, the Demonic Sect was not founded by me, but by other characters from the Northern Demonic Path. I can only be regarded as an ancient figure in the Northern Demonic Path. Not as good as the ancestor of the entire Demonic Sect."

Hearing what the Bone Demon Saint said, Ye Feng immediately nodded.

In fact, Ye Feng also felt that his idea was a bit nonsense.

The White Bone Demon Saint directly controls the entire Demonic Sect, which is really too idealistic.

At this time, Ye Feng said nothing more and directly put the Bone Demon Saint into his storage ring.

When he returned to the imperial city of the Blood Demon Dynasty this time, Ye Feng knew that he must not let the Bone Demon Saint show his face.

Because if others see it, then the news that he secretly controls the Bone Demon Saint will be revealed. At that time, it is estimated that the entire Blood Demon Dynasty will deal with an existence like him who "colludes" with the ancient figure of the devil.

exist.

At this moment, Ye Feng fell into a deep sleep, waiting for his return tomorrow.

...

Time passes quickly, like running water without leaving a trace.

In the blink of an eye, one night passed.

Early the next morning, Ye Feng opened his eyes and walked out of his training room.

And from another room in the mansion, Gu Qingqing's beautiful figure just happened to come out.

At this moment, Gu Qingqing immediately sensed that Ye Feng's cultivation aura had broken through, directly breaking through to the real Beidou realm.

This made Gu Qingqing's eyes suddenly reveal a look of deep amazement.

She never thought that Ye Feng would directly break through to a great realm in just one night of retreat. It was really incredible.

But Gu Qingqing didn't say much at this time.

Because Gu Qingqing knew that Ye Feng had such a demonic talent for cultivation, it was quite normal for him to achieve a breakthrough.

At this moment, Gu Qingqing just smiled and said: "Ye Feng, let's go directly to the Demon Removal Headquarters to meet up with the others."

Ye Feng immediately nodded, and then he and Gu Qingqing flew quickly towards the central area of the border city.

When they arrived at the entrance of the Demon Slayer Headquarters, they found that the core figures from other Royal Training Schools had gathered here.

Many people saw Ye Feng and Gu Qingqing, the beautiful Seventh Princess flying over, with envy in their eyes.

This time I came to this borderland to help the Demon Slayer Headquarters prevent the Bone Demon Saint's conspiracy to resurrect. Many young geniuses came to the Royal Training Academy.

In the minds of these young geniuses, Gu Qingqing, the beautiful seventh princess of the Blood Demon Dynasty, not only has a beautiful appearance, but also has the noble temperament of the royal family and extremely powerful cultivation talent. She is definitely a goddess-level person.

But now, this goddess-level figure appears quite well-behaved next to Ye Feng, which naturally makes many practicing geniuses at the Royal Academy feel very envious.

At this time, some young geniuses from the Royal Training Academy couldn't help but said: "Her Royal Highness the Seventh Princess has many suitors in our Royal Training Academy. If those powerful suitors see this scene, it is estimated that Ye Feng will There will be a lot of criticism."

Hearing what some young geniuses said, many people smiled faintly and said: "We all have seen Ye Feng's ability. He is very powerful. If anyone dares to challenge him, I guess he is looking for death, even if it is us." I think the top geniuses in the Royal Training Academy are nothing in front of Ye Feng."

At this moment, many geniuses from the Royal Training Academy have a very strong sense of identification with Ye Feng.

Because everything Ye Feng showed in the depths of the dark forest really shocked everyone.

So at this time, everyone felt that even if Ye Feng and Gu Qingqing were very close, few people would dare to target Ye Feng. After all, Ye Feng's strength was obvious to all.

At this time, after Ye Feng and Gu Qingqing arrived, Ye Feng immediately saw that Murong Changming and Hei Qilin were talking to the commander of the Demon Slayer Headquarters.

At this moment, after Ye Feng and Gu Qingqing arrived, Murong Changming and Hei Qilin immediately walked towards Ye Feng.

Murong Changming looked at Ye Feng and Gu Qingqing standing together and immediately smiled and said, "Did you have a good rest last night?"
