Chapter 4521 Treasure Land

Sister Xia?

At this moment, when Ye Feng heard this female demon say this, his eyes suddenly revealed a look of deep astonishment. It seemed that he did not expect that this female demon had such a casual personality, and even gave people a somewhat... Naughty, this did not occur to Ye Feng at all.

But at this time, Ye Feng didn't say much, but nodded and said: "Sister Xia, my name is Ye Feng."

"Ye Feng?"

Hearing what Ye Feng said, the female demon immediately nodded, with a hint of joy on her beautiful and cold face, and said loudly: "After so many years, I finally got out of trouble. But if I can get out this time, I would like to thank Brother Ye Feng for your help and trust."

After finishing speaking, the female demon immediately smiled and said: "Brother Ye Feng, I promised you before that as long as you rescue me, I will grant you a wish. What is your wish?"

Hearing what the female demon said, Ye Feng suddenly showed a thoughtful look in his eyes, as if he was thinking about how to use this female demon to realize one of his wishes.

After all, the cultivation strength of this female demon is very terrifying.

But just when Ye Feng was thinking, suddenly there was a trace of ridicule in the beautiful and cold eyes of this female demon, and she said loudly: "Brother Ye Feng, please think about this wish slowly." Don't worry, I will stay with you for the time being. Anyway, after so many years, I don't recognize anyone else."

Hearing what the female demon said, Ye Feng immediately nodded and said, "I'd better wait for this wish. After all, I can't think of anything for a while." .??.

At this moment, the female demon's beautiful eyes were fixed on Ye Feng, her posture was very graceful, she smiled and said: "Brother Ye Feng, since I promised you, I can fulfill any of your wishes, as long as I can do it No matter what, brother Ye Feng can even ask my sister to marry me."

"Promise yourself?"

At this moment, looking at the beautiful and cold female demon next to him and that perfect and beautiful face, Ye Feng suddenly twitched the corner of his mouth slightly.

Ye Feng didn't want this female demon to commit himself to him.

Although this female demon seems to be very beautiful and glamorous now, and is a peerless beauty, Ye Feng knows very well that this female demon's true body is a very terrifying ancient demon with earth-shattering strength.

And since he is an ancient demon clan, he must be very vicious. But he saved this female demon, so the female demon is quite polite to him.

And Ye Feng also knew that this female demon was probably just teasing him when she promised her body.

At this time, Ye Feng naturally shook his head immediately and said loudly: "The status of this junior is too low, and it is too exaggerated for the senior to commit himself to me."

When the female demon heard what Ye Feng said, she immediately said unhappily: "Brother Ye Feng, I already told you to call me Sister Xia. Don't call me senior or anything like that. It makes me look very old-fashioned."

Hearing what the female demon said, Ye Feng couldn't help but nodded with a wry smile and said, "Okay, I understand, Sister Xia, I will definitely call you this in the future."

When the female demon heard what Ye Feng said, she immediately stretched out a plain white palm very happily, patted Ye Feng's shoulder, and said with a smile: "This is the right thing, brother Ye Feng."

At this time, Ye Feng seemed to have thought of something, and suddenly asked: "Sister Xia, since you lived in the Mother Kingdom of the West, you should know where the treasure of the owner of the Hidden Soldier Valley is. Bar?"

Hearing what Ye Feng said, the female demon immediately nodded and said: "Of course I know, let's go, I will take you to find the treasure place where the owner of the Soldier Valley is hidden."

After saying that, the female demon took the current step and flew forward.

The human form transformed into by this female demon looks very cold and noble, and extremely beautiful, but she is filled with terrifying demonic aura, which adds a viciousness to her beautiful and cold face. a feeling of.

It feels like an angel among the devil.

"Uh-huh!"

At this moment, Ye Feng didn't hesitate at all, just followed the female demon and flew quickly towards a certain direction of the hidden soldier valley.

Ye Feng was still very happy at this moment. He rescued this female demon and was able to get this female demon to help him. It was really a good deal.

At this moment, on the road, the female demon couldn't help but glance at Ye Feng beside her, or at the golden ring on Ye Feng's finger, with a look of surprise in her eyes, and said loudly: "Brother Ye Feng, The golden sword you destroyed that golden temple before was transformed into this golden ring. This golden ring is very strange. It has such terrifying sharpness. Even the owner of the Hidden Soldier Valley used the gold of the Sun God to cast it. The golden temple that came out can't stop the attack of your sword. I wonder, brother Ye Feng, what kind of treasure is this ring of yours?"

At this time, hearing the female demon say this, Ye Feng's eyes suddenly showed a flicker of color.

Seeing Ye Feng's seeming unwillingness to answer, the female demon immediately smiled nonchalantly and said, "If you don't want to answer, I can. Anyway, I'm just asking casually. Don't worry, I won't go there yet." Coveting the treasures of a junior like you, brother Ye Feng."

While the two were talking, the female demon suddenly said: "We have arrived at the place where the owner of the Hidden Soldier Valley sleeps."

Hearing what the female demon said at this time, Ye Feng's eyes suddenly lit up and he quickly looked in the direction not far away.

The next moment, Ye Feng suddenly saw a war fortress on the ground not far ahead.

The whole body of this war fortress is made of a very special kind of steel. It looks full of the cold luster of metal, giving people a very majestic and heavy feeling, full of endless chills and vicissitudes of life.

At this time, the female demon seemed to think of some memories from that year. A hint of sneer appeared on her beautiful and cold face, and she said aloud: "I didn't expect that the owner of the Hidden Soldier Valley back then, after death, he even built himself such a tortoise shell to protect the treasures in his sleeping place. Haha, he is really greedy for money. He will keep his wealth with him forever after death. "

"Guikezi?"

At this moment, Ye Feng's eyes twitched slightly when he heard the female demon's name for that majestic war fortress.

This female demon was indeed the most powerful woman back then.

At this moment, Ye Feng suddenly saw a group of trialists from the Shadow Clan suddenly flying over from a certain direction not far away, causing Ye Feng's eyes to flash slightly. Sister Xia?

Ye Feng didn't want this female demon to commit himself to him.

At this moment, Ye Feng's eyes twitched slightly when he heard the female demon's name for that majestic war fortress.

This female demon was indeed the most powerful woman back then.

At this moment, Ye Feng suddenly saw a group of trialists from the Shadow Clan suddenly flying over from a certain direction not far away, causing Ye Feng's eyes to flash slightly.

Chapter 4522 Golden Coffin

At this time, Ye Feng saw a group of Shadow Clan trialists flying over not far away, and a trace of surprise suddenly appeared in his eyes.

Unexpectedly, this group of trialists from the Shadow Clan would eventually find the sleeping place of the Valley Master of the Hidden Soldier Valley.

But at this moment, Ye Feng no longer had any fear at all.

Because next to Ye Feng, there was such an extremely powerful female demon.

So at this time, Ye Feng no longer needs to pretend to be Senior Brother Wang from before, he has simply retained his true appearance and status.

At this moment, a group of trialists from the Shadow Clan flew over, and the leader was none other than Senior Sister Gu, one of the ten strongest trialists from the Shadow Clan.

At this time, Ye Feng had returned to his original appearance and form, so they couldn't recognize Ye Feng at all.

At this time, a group of Shadow Clan trialists just stood looking at Ye Feng and the female demon from a distance. There seemed to be surprise in their eyes, as if they did not expect that other people had arrived here in advance.

At this time, the faces of the leaders among the top ten trialists of the Shadow Clan, including Senior Sister Gu, became extremely solemn at this moment. .??.

Because they are strong men of the Shadow Clan and have very strong perceptions, they can deeply sense that Ye Feng is not strong, but the cold-looking and noble-looking woman standing next to Ye Feng has a lot of... How terrifying is the cultivation aura emanating from it.

That kind of life energy fluctuation made the super masters of the Shadow Clan feel deeply frightened.

"Sorry to bother you two."

At this time, Ye Feng was very surprised that this group of shadow clan masters hugged the female demon next to Ye Feng, and then left the scene directly.

They didn't even dare to covet the treasures in the sleeping place of the hidden soldier valley owner, and chose to leave directly.

This makes Ye Feng naturally feel...

Very surprised.

However, Ye Feng also knew that these practitioners of the shadow clan must have realized how terrifying the female demon beside him contained, so they naturally did not dare to disturb her.

At this moment, watching a group of shadow clan practitioners leave, the female demon did not pay attention and did not respond.

Maybe she never paid attention to the arriving group of ants.

At this moment, the female demon was just staring at the war fortress in front of her, with a hint of memory in her eyes.

Obviously, the golden temple built by the owner of the Hidden Soldier Valley had sealed the female demon, which made the female demon very unhappy.

Uh-huh!

At this moment, the female demon stretched out a hand.

Almost as soon as she reached out her hand.

A huge hand of darkness suddenly appeared in the entire sky, and it condensed in an instant.

"The law manifests?"

At this moment, Ye Feng saw this scene, and his eyes suddenly showed deep surprise.

Ye Feng did not expect that this female demon could instantly activate the power of rules between heaven and earth and directly manifest a big hand of rules.

This is a very high level of cultivation to be able to do all this.

You must know that Ye Feng used the power of his immortal body to turn his palms into golden hands, which was powerful, but those were his real palms, which he turned into golden hands.

But this female demon, her small white hands are still the same as before.

But the laws between heaven and earth are direct

High in the sky, as she stretched out her white palm, a big black hand that resembled the rules of heaven and earth formed directly.

This is enough to show that the cultivation strength of this female demon has already reached an earth-shattering level.

Boom!

At this moment, the dark hand condensed by the female demon possessed extremely terrifying power and directly bombarded the war fortress ahead.

Boom!

Along with a terrifying roar, cracks suddenly opened on the surface of the war fortress.

Uh-huh!

Then the succubus once again extended a hand.

Another dark hand attacked the war fortress.

boom! !

Click! !

At this moment, the entire war fortress was finally completely shattered and turned into countless fragments.

At this time, Ye Feng did not hesitate and immediately followed the female demon to fly to the broken war fortress ahead.

At this moment, the female demon just smiled faintly and said: "I have been sealed for so many years now, and my skills are far less powerful than before. If I were at my peak, I wouldn't need two slaps or one finger. Crush this so-called steel fortress in an instant."

At this moment, hearing what the female demon said, Ye Feng immediately nodded and said, "I hope Sister Xia can quickly return to your original peak state."

What Ye Feng said at this time was not a compliment, but a sincere hope that the female demon would return to her peak condition quickly.

In this case, Ye Feng would have an extremely terrifying helper.

At this moment, the female demon just nodded and said: "It is still very difficult to return to the peak state of the past. No

One day I will be back to my peak again. "

Just as the female demon was talking, she flew directly into the broken war fortress with Ye Feng.

At this time, Ye Feng suddenly saw that there was a huge golden coffin in the inner area of the war fortress.

Ye Feng felt that this golden coffin should be the place where the owner of the Hidden Soldier Valley slept.

The owner of the Hidden Soldier Valley was the most powerful weapon refining master in the Kingdom of the Western Queen back then.

Therefore, his coffin was also made of Sun God gold and was very strong.

At this time, even the female demon couldn't help but said: "Brother Ye Feng, use your special ring and the golden sword you transformed into to destroy this golden coffin. I can't even destroy this golden coffin at the moment." , because the material of this golden coffin is the same as the material of the golden temple that sealed me before. I am not in peak condition now and there is no way to harm it. "

When Ye Feng heard this, he immediately nodded and started running the God Ring.

He transformed the God's Ring into the God's Sword again, and then flew forward to split the golden coffin in front of him.

Because the treasure left by the owner of the Hidden Soldier Valley should be in his sleeping coffin.

But just at the moment when Ye Feng was about to open the golden coffin in front of him.

"Crunch, crunch..."

The lid of the golden coffin opened automatically.

A bone hand protruded from inside.

"The Valley Master's corpse has changed?"

Seeing this scene, Ye Feng was immediately startled and quickly retreated to the side of the female demon.

If the owner of the Hidden Soldier Valley fakes a corpse, then Ye Feng has no way to deal with this ancient and powerful zombie and can only let the female demon protect himself.

Chapter 4523 Very direct

At this time, Ye Feng came directly to the female demon.

Because Ye Feng felt that if the Valley Master of the Hidden Soldier Valley really turned into a zombie and flew out of the golden coffin, then Ye Feng's current state would be impossible to resist.

Because Ye Feng knew very well that being able to become the owner of the Hidden Soldier Valley in the Mother Kingdom of the West must have been extremely powerful.

Therefore, the owner of the Hidden Soldier Valley was not only a master of weapon refining, but also a peerless powerhouse with high cultivation level. Otherwise, he would not have the ability to seal the female demon.

However, Ye Feng also knew very well that the female demon should have been more powerful than the master of the Hidden Soldier Valley at its peak.

Because the female demon also said before that she made a bet with the Queen Mother of the West, the ruler of the Kingdom of the West.

After losing, he volunteered to be sealed here.

In other words, the owner of the Hidden Soldier Valley only played a supporting role in the sealing incident that year.

At this time, Ye Feng stood next to the female demon, and naturally he would not be afraid at all.

Because even if the female demon's current cultivation level has not returned to its peak state, the current owner of the Hidden Soldier Valley in the golden coffin is not in the same peak state as before.

Therefore, if the female demon is present, there is no need to fear the owner of the Hidden Soldier Valley.

At this moment, the female demon stood slightly in front of Ye Feng, obviously protecting Ye Feng behind her, because Ye Feng was her savior and the first destined person who could rescue her after waiting for so many years. .

Therefore, the female demon still values Ye Feng, a junior who is still very weak, very seriously.

And she also felt that Ye Feng had many secrets and was not just an ordinary young man. This was why the female demon paid great attention to Ye Feng.

At this moment, inside the golden coffin, as the lid slowly opened, a skeleton wearing armor came out.

There is a soul fire burning in the skull of this skeleton.

The flames are oily green and look quite strange.

At this time, Ye Feng suddenly understood that this armored skeleton should be the owner of the Hidden Soldier Valley.

As expected, he did not die completely, but turned into such a ghost-like existence.

At this moment, Ye Feng was not so scared anymore.

Because the owner of the Hidden Soldier Valley has not turned into a zombie, the power of his body is not something to be afraid of.

As for the Yin spirit he turned into, Ye Feng would not be afraid of all the soul methods he used.

Because Ye Feng's soul power is already very huge, not to mention that the great god Emperor Chu still exists in Ye Feng's mind.

At this moment, Ye Feng didn't say much because he discovered that the female demon was slowly walking towards the owner of the Hidden Soldier Valley who had turned into a skeleton.

At this time, the owner of the Hidden Soldier Valley actually made a voice: "I didn't expect that after so many years, you could still come out. The golden temple built by the sun god's gold, which is said to be indestructible by any weapon, was actually given by a destined person. Destroyed, it's just fate."

At this moment, the skeleton said and glanced at Ye Feng behind the female demon. He already knew that it must be this boy in white who rescued the female demon and destroyed the golden temple.

At this time, Ye Feng's expression did not show any fluctuation, and he did not feel afraid because the owner of the Hidden Soldier Valley looked at him, but his expression was very calm.

Because it's not anyone else's turn to dictate what Ye Feng does.

Therefore, what the Valley Master of the Hidden Soldier Valley said was not enough to cause Ye Feng's inner fluctuations at all.

At this moment, seeing that Ye Feng was not disturbed by his words, the people in Hidden Soldier Valley

The Valley Master did not continue to look at Ye Feng, but looked at the female demon, and said with a smile: "We are no longer what we were at our peak back then, why do you have to give up my resting place?" Destroyed."

At this time, the female demon heard the Valley Master of the Hidden Soldier Valley say this. There was no fluctuation at all on her beautiful and cold face. She just said lightly: "I see you are unhappy."

Hearing what the female demon said, the Valley Master of the Hidden Soldier Valley, who had now turned into a skeleton, looked stunned for a moment, then shook his head and smiled, and said aloud: "Tens of millions of years have passed, and the grudges of that year are indeed... It doesn't make any sense anymore."

After saying that, the owner of the Hidden Soldier Valley did not directly attack the female demon and Ye Feng, as if he felt that everything was meaningless.

Or he also felt that he was simply unable to fight against the female demon who had now escaped from the trap.

The owner of the Hidden Soldier Valley was silent for a moment, and then he actually took off the storage ring from his bone finger, threw it to Ye Feng, and said loudly: "My wealth and inheritance are all in this storage ring." The ring will be given directly to you now. Please don't destroy my coffin. This is my last request. Let me continue to sleep peacefully."

At this moment, after the owner of the Hidden Soldier Valley finished speaking, he lay back down in the golden coffin. .???.??

The lid of the golden coffin was also closed again.

"this....."

Seeing this scene, Ye Feng's eyes suddenly showed a look of silence, as if he didn't expect that the owner of the Hidden Soldier Valley was so knowledgeable.

At this moment, the female demon glanced at Ye Feng beside her and said, "Let's go."

Ye Feng nodded, and he and the female demon flew quickly towards the ground.

Soon they left the sleeping place of the Valley Master of the Hidden Soldier Valley and returned to the ancient ruins of the Mother Kingdom of the West.

At this time, Ye Feng did not discover the shadow clan's trial members.

Figures appeared all around.

Ye Feng felt that these shadow clan trialists had probably stayed away from here long ago, because the power of the female demon was so terrifying that it scared away all the powerful shadow clan trialers.

At this moment, Ye Feng looked at the female demon in front of him and asked with a smile: "Sister Xia, what are your plans next?"

The female demon said aloud: "I once made a promise to myself. After escaping from the trap, the first thing to do is to destroy the entire Western Queen Mother Kingdom. But now, the Western Queen Mother Kingdom has been reduced to ruins, so that would be boring." "

At this time, after the female demon finished speaking, she glanced at Ye Feng beside her, and her beautiful and cold face suddenly showed a trace of interest. She smiled and said: "Next, I will first Follow Ye Feng, I don't have anything else to do anyway, and I still owe you a wish."

When Ye Feng heard what the female demon said, his eyes suddenly froze, he shook his head and smiled, and said: "Sister Xia can help me get the treasure of the owner of the Hidden Soldier Valley, I am very satisfied."

The female demon immediately walked up to Ye Feng and said teasingly: "What does this mean? Are you so easily satisfied?"

When Ye Feng heard this, he didn't say much. He just smiled and shook his head and said, "By the way, Sister Xia, in addition to the Hidden Soldier Valley, are there other places in the Western Queen's Motherland that have huge opportunities? I'll tell you right away. It's time to leave this small world, so in the last day or two, I want to find the most precious chance creation in the ruins of the Western Queen's Motherland."

"have."

The female demon was very direct and said: "I will take you to the palace of the Queen Mother of the West. There must be good things there."

"The palace of the Queen Mother of the West?"

When Ye Feng heard the female demon say this, the corners of his eyes twitched slightly.

The female demon is indeed very fierce and direct.

We are going directly to the Queen Mother of the West, the residence of the empress of the past, to search for good things.

Chapter 4524 Totem Pole

The two were very fast.

In less than a moment, the female demon took Ye Feng to the deepest area of the ancient ruins of the Western Queen's Motherland in this small world.

There are tall and dilapidated buildings everywhere here, as well as collapsed buildings and jade buildings. It feels like the fairy palace in the sky is ruined and has fallen from the nine heavens.

However, even though it was all broken, it still gave people a very shocking feeling.

At this time, Ye Feng immediately looked at the female demon next to him, and couldn't help but ask: "Sister Xia, is the palace of the Queen Mother of the West here? But I look around, and there doesn't seem to be any particularly precious buildings. ruins."

Hearing what Ye Feng said, the female demon just smiled and said: "The place where the Queen Mother of the West lived was not on the ground, but on the nine heavens." ??

"Above the Nine Heavens?"

Hearing what the female demon next to him said, Ye Feng's eyes suddenly froze, and then he immediately looked towards the sky.

The next moment, Ye Feng saw it. Sure enough, in the nine heavens above the ground, there was an extremely bright Qionglou Yuyu.

These beautiful buildings and jade buildings are like the legendary fairyland, giving people the feeling of being like the fairy palace hall above the nine heavens.

At this time, the female demon directly said: "Let's go, fly up."

After saying that, the female demon directly grabbed Ye Feng, and then said loudly: "If you want to fly from this ground to the nine heavens of this small world, you will suffer a very terrible imprisonment from heaven and earth. Brother Ye Feng, you are now Your cultivation is not enough to resist the power of the law of heaven and earth, but I will take you with me."

After saying that, the female demon grabbed Ye Feng's shoulders, jumped up, and instantly rushed into the sky like a cannonball.

At this moment, Ye Feng immediately felt a terrifying speed.

Ye Feng only felt as if he was about to break through the void.

At this time, the terrifying demon energy erupted from the female demon's body, forming a black energy defensive light shield, which completely enveloped the female demon and Ye Feng. The two of them could withstand the attacks of the natural laws of the surrounding world. .

At this time, Ye Feng immediately saw that when they rushed towards the nine heavens, they encountered attacks from sky fires and thunder tribulations along the way.

In addition, there are terrifying atmospheric turbulences and space cracks caused by collisions with the void.

However, under the protection of the female demon, the harsh environment created by the natural rules of heaven and earth, which could kill extremely powerful practitioners in an instant, did not have any impact on Ye Feng.

The female demon took Ye Feng, and finally completely broke through the attacks of these natural rules of heaven and earth, and successfully jumped to the nine heavens.

At this moment, the female demon dispersed the light shield of her power, and Ye Feng immediately saw that they were above the clouds and arrived at the splendid Tiangong Hall area.

There are beautiful buildings and jade buildings floating in the sky everywhere, giving people the feeling that they are in a fairyland.

However, in this fairyland, there is no breath of life anymore, and there is a frightening aura of death everywhere.

Ye Feng immediately understood that the Western Queen's Motherland had really suffered a terrible disaster, so it became

Such a ruin makes the place where the Queen Mother of the West lives above the Nine Heavens become so lifeless.

But at this time, Ye Feng didn't want to care about what happened thousands of years ago. Ye Feng now only wanted to get the good things left by the Queen Mother of the West.

At this moment, the female demon was directly leading Ye Feng through the fairyland-like Qionglou Yuyu above the nine heavens.

As for the female demon, she really wants to help Ye Feng now.

She also knew that what Ye Feng wanted most was the cultivation resources left by these great forces in ancient times.

Therefore, in order to thank Ye Feng for being his savior, the female demon naturally took Ye Feng around to look for the wealth left by the Queen Mother of the West.

At this time, the female demon seemed to have thought of something, and immediately couldn't help but said: "Brother Ye Feng, I will take you to a good place. There may be very precious things in that place."

Hearing what the female demon said at this time, Ye Feng naturally showed deep anticipation in his eyes.

The existence of a peerless figure from the ancient era, such as the female demon, can be said to be a good thing, and it must be very precious.

At this time, Ye Feng immediately followed the female demon and flew in a certain direction.

Soon, they came to the deepest part of this fairyland-like palace above the nine heavens.

At this time, Ye Feng suddenly saw a huge altar appearing in front of him, which gave people a very ancient and noble feeling.

At this time, the female demon immediately spoke out: "This altar is the altar where the Queen Mother of the West communicated with the gods in the sky. The center of this altar contains the most precious thing in the entire Kingdom of the Queen Mother of the West that was created by the Queen Mother of the West. That's the totem pole."

At this moment, when the female demon's voice fell, before Ye Feng could ask anything, the female demon suddenly stretched out a plain white palm, directly towards the depths of the huge altar in front, and quickly grabbed it. live.

Click!

Almost at the next moment, the female demon seemed to break something, and then she retracted her hand.

In his hand, a huge totem pole for worshiping the sky has appeared.

The surface of this totem pole is engraved with many ancient and complex totem patterns, which gives people a very ancient feeling. Facing this ancient totem pole, people just feel like they are facing a god.

At this time, the female demon immediately sent the heaven-sacrifice totem pole in front of Ye Feng, smiled slightly, and said loudly: "This heaven-sacrifice totem pole was the medium and medium for communication between the Queen Mother of the West and the gods in the sky. The

container contains the power of the gods in the sky. The totems on the surface of this totem pole are also formed by the power of the gods. It turns out that the surface of this totem pole is empty and there is nothing. After countless years of communication with the gods, so many ancient totems and patterns slowly appeared on the surface of this totem pole. Therefore, each totem represents the power of a god. Brother Ye Feng , if you carefully explore this heaven-sacrifice totem pole, you may be able to exert the power of the gods in it in the future."

Hearing what the female demon said, Ye Feng's eyes suddenly lit up, and he quickly took the heaven-sacrifice totem pole into his hands and observed it carefully.

If it is true as the female demon said, then this totem pole for worshiping the sky is definitely a peerless treasure! The two were very fast.

In less than a moment, the female demon took Ye Feng to the deepest area of the ancient ruins of the Western Queen's Motherland in this small world.

There are tall and dilapidated buildings everywhere here, as well as collapsed buildings and jade buildings. It feels like the fairy palace in the sky is ruined and has fallen from the nine heavens.

However, even though everything is broken, it still gives people a very shocking feeling.

At this time, Ye Feng immediately looked at the female demon next to him, and couldn't help but ask: "Sister Xia, is the palace of the Queen Mother of the West here? But I look around, and there doesn't seem to be any particularly precious buildings. ruins."

Hearing what Ye Feng said, the female demon just smiled and said: "The place where the Queen Mother of the West lived was not on the ground, but on the nine heavens."

"Above the Nine Heavens?"

Hearing what the female demon next to him said, Ye Feng's eyes suddenly froze, and then he immediately looked towards the sky.

The next moment, Ye Feng saw it. Sure enough, in the nine heavens above the ground, there was an extremely bright Qionglou Yuyu.

These beautiful buildings and jade buildings are like the legendary fairyland, giving people the feeling of being like the fairy palace hall above the nine heavens.

At this time, the female demon directly said: "Let's go, fly up."

After saying that, the female demon directly grabbed Ye Feng, and then said loudly: "If you want to fly from this ground to the nine heavens of this small world, you will suffer a very terrible imprisonment from heaven and earth. Brother Ye Feng, you are now Your cultivation is not enough to resist the power of the law of heaven and earth, but I will take you with me."

After saying that, the female demon grabbed Ye Feng's shoulders, jumped up, and instantly rushed into the sky like a cannonball.

At this moment, Ye Feng immediately felt a terrifying speed.

Ye Feng only felt as if he was about to break through the void.

At this time, the terrifying demon energy erupted from the female demon's body, forming a black energy defensive light shield, which completely enveloped the female demon and Ye Feng. The two of them could withstand the attacks of the natural laws of the surrounding world. .

At this time, Ye Feng immediately saw that when they rushed towards the nine heavens, they encountered attacks from sky fires and thunder tribulations along the way.

In addition, there are terrifying atmospheric turbulences and space cracks caused by collisions with the void.

However, under the protection of the female demon, the harsh environment created by the natural rules of heaven and earth, which could kill extremely powerful practitioners in an instant, did not have any impact on Ye Feng.

The female demon took Ye Feng, and finally completely broke through the attacks of these natural rules of heaven and earth, and successfully jumped to the nine heavens.

At this moment, the female demon dispersed the light shield of her power, and Ye Feng immediately saw that they were above the clouds and arrived at the splendid Tiangong Hall area.

There are beautiful buildings and jade buildings floating in the sky everywhere, giving people the feeling that they are in a fairyland.

However, in this fairyland, there is no breath of life anymore, and there is a frightening aura of death everywhere.

Ye Feng immediately understood that the Western Queen's Motherland had really suffered a terrible disaster, so it became

Such a ruin makes the place where the Queen Mother of the West lives above the Nine Heavens become so lifeless.

But at this time, Ye Feng didn't want to care about what happened thousands of years ago. Ye Feng now only wanted to get the good things left by the Queen Mother of the West.

At this moment, the female demon was directly leading Ye Feng through the fairyland-like Qionglou Yuyu above the nine heavens.

As for the female demon, she really wants to help Ye Feng now.

She also knew that what Ye Feng wanted most was the cultivation resources left by these great forces in ancient times.

Therefore, in order to thank Ye Feng for being his savior, the female demon naturally took Ye Feng around to look for the wealth left by the Queen Mother of the West.

At this time, the female demon seemed to have thought of something, and immediately couldn't help but said: "Brother Ye Feng, I will take you to a good place. There may be very precious things in that place."

Hearing what the female demon said at this time, Ye Feng naturally showed deep anticipation in his eyes.

The existence of a peerless figure from the ancient era, such as the female demon, can be said to be a good thing, and it must be very precious.

At this time, Ye Feng immediately followed the female demon and flew in a certain direction.

Soon, they came to the deepest part of this fairyland-like palace above the nine heavens.

At this time, Ye Feng suddenly saw a huge altar appearing in front of him, which gave people a very ancient and noble feeling.

At this time, the female demon immediately spoke out: "This altar is the altar where the Queen Mother of the West communicated with the gods in the sky. The center of this altar contains the most precious thing in the entire Kingdom of the Queen Mother of the West that was created by the Queen Mother of the West. That's the totem pole."

At this moment, when the female demon's voice fell, before Ye Feng could ask anything, the female demon suddenly stretched out a white palm and quickly grabbed it towards the depths of the huge altar in front of her. live.

Click!

Almost at the next moment, the female demon seemed to break something, and then she retracted her hand.

In his hand, a huge heaven-sacrifice totem pole appeared.

The surface of this totem pole is engraved with many ancient and complex totem patterns, which gives people a very ancient feeling. Facing this ancient totem pole, people just feel like they are facing a god.

At this time, the female demon immediately sent the heaven-sacrifice totem pole in front of Ye Feng, smiled slightly, and said loudly: "This heaven-sacrifice totem pole was the medium and medium for communication between the Queen Mother of the West and the gods in the sky. The container contains the power of the gods in the sky. The totems on the surface of this totem pole are also formed by the power of the gods. It turns out that the surface of this totem pole is empty and there is nothing. After countless years of communication with the gods, so many ancient totems and patterns slowly appeared on the surface of this totem pole. Therefore, each totem represents the

power of a god. Brother Ye Feng , if you carefully explore this heaven-sacrifice totem pole, you may be able to exert the power of the gods in it in the future."

Hearing what the female demon said, Ye Feng's eyes suddenly lit up, and he quickly took the heaven-sacrifice totem pole into his hands and observed it carefully.

If it is true as the female demon said, then this totem pole for worshiping the sky is definitely a peerless treasure!

Chapter 4525 Surrendered directly

At this time, Ye Feng did not hesitate and directly input his magic power into the totem pole in front of him.

At this moment, Ye Feng immediately felt that this small totem pole contained a vast and majestic energy like a god.

This made Ye Feng's eyes suddenly reveal a look of deep surprise.

It seems that the female demon is right. This heaven-sacrifice totem pole was definitely a very precious treasure in the Western Queen Mother Kingdom. Otherwise, it would not have contained the aura and power of the ancient gods.

Ye Feng could clearly sense at this moment that this totem pole contained extremely terrifying aura and power.

It's like there are ancient gods sleeping in this totem pole. .??.

At this moment, Ye Feng naturally started refining this heaven-sacrifice totem pole without any hesitation.

At this moment, seeing Ye Feng directly refining this totem pole on the spot, the female demon showed a trace of surprise in her eyes.

She didn't seem to expect that Ye Feng would be so impulsive and direct that he would refine the totem pole on the spot.

You know, even the female demon herself would find it difficult to directly refine this heaven-sacrifice totem pole on the spot.

Because the will of the gods contained in this heaven-sacrifice totem pole is very terrifying and cannot be conquered by ordinary people.

Even the female demon has no way to directly refine and suppress the will of the gods in this totem pole.

After all, this totem pole was a container for communication between the Queen Mother of the West and the gods above the nine heavens, so it was contaminated with the breath of many gods, and naturally some of the gods' wills were born.

But at this time, when Ye Feng communicated with the will of the gods in this heaven-sacrifice totem pole, the will of those gods originally looked down upon Ye Feng.

Because Ye Feng is indeed

In fact, he is just like a weak ant.

To these gods, Ye Feng was as insignificant as a grain of dust.

But when Emperor Chu in Ye Feng's head exuded a trace of his own aura, the wills of the gods in this heaven-sacrifice totem pole suddenly became solemn and frightened to the extreme, as if they had encountered something very terrible and great. Existence is the same.

So at this moment, the will of the gods in the totem pole of the Sacrifice to the Heaven suddenly paid great attention to Ye Feng, and did not resist Ye Feng's refining, but directly let Ye Feng's mana enter the Sacrifice to the Heaven smoothly. Among the totem poles.

After the huge magic power circulated in the totem pole, this heaven-sacrifice totem pole naturally became Ye Feng's own magic weapon and could be used at any time.

Buzz!

At this moment, Ye Feng thought, and when he saw the heaven-sacrifice totem pole in front of him, it suddenly emitted a bright light.

Then the totems on the heaven-sacrifice totem pole were directly resurrected, forming a shadow of the will of the god, flying out from the totem pole, and standing around Ye Feng one by one.

Every manifested will of the gods was very majestic and tall. It felt to Ye Feng as if countless gods had really been resurrected, standing in front of him and protecting him.

At this time, looking at Ye Feng surrounded by the will of many gods, the female demon was shocked to the extreme.

She seemed to have never expected that Ye Feng would refine this heaven-sacrifice totem pole so quickly.

And it can even make the will of the gods in the totem pole to surround Ye Feng, and it seems that Ye Feng is the main one.

This is really beyond the imagination of the female demon.

At this moment, the female demon immediately stared at Ye Feng, who was surrounded by gods, with a look of deep surprise in her eyes.

At this time, she finally understood that the destined person she accidentally met, Ye Feng, was definitely not an ordinary young man, but a being who contained a huge secret.

At this moment, the female demon paid more and more attention to Ye Feng.

And she felt that Ye Feng would definitely have a bright future.

At this time, the beautiful and cold face of the female demon suddenly revealed a look of deep amazement.

Obviously, the female demon is paying more and more attention to Ye Feng, and even thinks that if Ye Feng really becomes her husband, there may be nothing wrong with it. She feels that Ye Feng is already qualified to let her marry him. . .??.

But at this time, the female demon did not express her inner thoughts, because it was too early to say these things.

At this moment, Ye Feng naturally didn't know what the female demon was thinking.

Ye Feng was just very happy to be able to directly refine this heaven-sacrifice totem pole.

Just now, Ye Feng clearly sensed the hostility of the will of some gods in the totem pole.

But at that moment, it seemed that Emperor Chu in his head exuded a trace of his own aura, which made the will of the gods in this heaven-sacrifice totem pole fear him, obey him, and let him succeed. Refined this heaven-sacrifice totem pole.

This made Ye Feng's eyes suddenly reveal a look of deep surprise.

It seems that Emperor Chu's true identity is much more terrifying than he imagined.

It was actually able to frighten the will of the gods above the nine heavens in ancient times, and they directly surrendered to themselves. \u003c

br\u003e

At this time, Ye Feng did not hesitate and directly put the totem pole into his body.

Ye Feng knew very well that this heaven-sacrifice totem pole was definitely an extremely terrifying super treasure. If he were to deal with the enemy, he would release this sky-sacrifice totem pole and activate the phantom of the will of the gods contained in the totem. And power, it can definitely cause extremely terrifying damage to the enemy.

Because this is the treasure that the Queen Mother of the West, an ancient figure, used to communicate with the gods above the nine heavens. Naturally, it contains the majestic power of the

gods, which is unfathomable. For Ye Feng now, it is definitely a very powerful weapon, compared to Ye Feng. The weapons that Feng had obtained before were much more powerful and could completely eliminate Ye Feng's previous weapons.

Using this heaven-sacrifice totem pole can increase Ye Feng's combat power even more.

At this time, after Ye Feng refined the heaven-sacrifice totem pole, he glanced at the female demon beside him, and immediately asked with a smile: "Sister Xia, are there any other good things in this?"

When the female demon heard what Ye Feng asked her, her surprised expression immediately returned to her usual calm. She immediately smiled and said, "Of course, I will take you to see the place where the Queen Mother of the West lived. Are there any cultivation resources left? At that time, the Queen Mother of the West liked to breed some very high-end heavenly materials and earthly treasures in her place of residence, as well as various heavenly and earthly spirit beasts. But she didn't know that tens of millions of years had passed. Whether it still exists, perhaps many high-level elixir materials were destroyed in that battle. "

When Ye Feng heard what the female demon said, he immediately grinned and said: "Anyway, go and have a look. Even if only one of the high-level elixirs from that year is left, it is a huge opportunity for me." After all, it was planted by a powerful person like the Queen Mother of the West. It must be precious and a supreme treasure. "

Chapter 4526 Secret Room

At this moment, after Ye Feng finished speaking, the female demon did not hesitate at all, and immediately nodded, leading Ye Feng to fly quickly towards the deepest part of the ruins of the Mother Kingdom of the West.

Soon, they flew to the deepest part of this ruins.

Ye Feng immediately saw that there were more than a dozen palaces, all made of very special amethyst, and they looked very noble.

In addition, more than a dozen amethyst palaces are arranged together, seemingly in a very special position.

So Ye Feng came here at this time, and immediately sensed that these dozen amethyst palaces seemed to have automatically formed a special formation, making it impossible for outsiders to approach this place.

But now that tens of millions of years have passed, there should be no danger.

So at this time, Ye Feng immediately looked at the female demon beside him and said loudly: "This should be the place where the Queen Mother of the West lived back then, right?" ??

The female demon nodded, and then said loudly: "Let's go in directly."

At this moment, the female demon was taking the lead, so Ye Feng did not have any obstacles at all. He directly followed the female demon into the place where the Queen Mother of the West lived.

At this time, Ye Feng immediately sensed that among the dozen or so amethyst palaces, there was actually a very rich energy of heaven and earth.

It's like all the energy from the surrounding world has been forcibly gathered here.

Ye Feng understood immediately. When he first came here, he saw more than a dozen amethyst palaces, arranged in a special orientation, forming an existence that seemed to be a formation of heaven and earth.

Therefore, it should be the formation composed of more than a dozen amethyst palaces that gathers the energy of the surrounding heaven and earth here, allowing the practitioners living in it to obtain very rich energy of heaven and earth.

"boom!"

At this moment, Ye Feng did not hesitate and immediately began to release the Devouring Domain to absorb these

The energy of heaven and earth gathered here.

You know, the energy of heaven and earth here has accumulated a lot in these tens of millions of years.

So at this time, after Ye Feng devoured the energy of heaven and earth accumulated for tens of millions of years, Ye Feng immediately felt that his power had increased tremendously.

Ye Feng's cultivation aura at this moment immediately increased steadily.

"boom!"

Tianhe Realm Seventh Heaven!

"boom!"

Tianhe Realm Eighth Heaven! !

At this moment, Ye Feng's cultivation level unexpectedly broke through two levels in a row, making Ye Feng's eyes suddenly reveal a look of deep surprise.

I didn't expect that my cultivation skills, after devouring the energy accumulated for tens of millions of years, could break through so much at once.

After all, the energy of heaven and earth is actually very meager energy for Ye Feng.

But after gathering it for tens of millions of years, it can be considered very strong, which is why Ye Feng's skill can produce such growth and breakthroughs.

At this time, Ye Feng's eyes were naturally filled with deep joy.

At this moment, the female demon standing next to her saw surprise in her eyes when she saw Ye Feng's cultivation aura reaching two levels in a row.

At this moment, the female demon became more and more shocked by Ye Feng's innate awakening devouring ability.

Unexpectedly, Ye Feng's devouring ability could have such a magical effect. It was really rare to be able to convert external energy into his own energy with such high efficiency.

Even ancient demons like the female demon, who have lived for tens of millions of years, have never seen such domineering,

It even has some weird devouring abilities.

At this time, Ye Feng did not hesitate and immediately rushed into the dozens of palaces in front of him, trying to find the good fortune left by the Queen Mother of the West.

However, after Ye Feng searched several palaces, he found that they were all empty.

This made Ye Feng's eyes suddenly show a hint of disappointment.

It seemed that the battle that year had destroyed everything.

Even a little bit of chance and good fortune has not been left behind.

But at this time, the female demon found a special area in the amethyst hall in the middle.

At this time, Ye Feng came to the side of the female demon and found that the female demon was quickly attacking a wall of the amethyst hall.

Seeing this scene, Ye Feng's eyes suddenly showed deep surprise. .??.

Because the female demon has such a powerful cultivation level, she has attacked so many times without breaking the wall of the palace in front of her, which is enough to show that this wall of the palace definitely contains a big secret.

At this time, Ye Feng immediately said: "Sister Xia, is there a secret room hidden behind this wall?"

When the female demon heard Ye Feng's question, she immediately nodded and said, "I have been to the Kingdom of the Queen Mother of the West, and I have heard some rumors that the Queen Mother of the West stores a lot of her wealth in a secret room. I was thinking about where this secret room space was. Finally, I determined that this secret room space should be where the Queen Mother of the West lived daily. I just explored the central hall where the Queen Mother of the West

lived, and then I found this side. The wall is the hardest, and even though I bombarded it so many times, I couldn't break this wall."

Ye Feng immediately nodded at this time and said

"Let me give it a try," he said.

After saying that, Ye Feng directly transformed the God's ring on his finger into the God's Sword.

Uh-huh!

A golden long sword suddenly appeared in Ye Feng's hand, full of terrifying sharpness.

At this time, the female demon saw the golden sword appearing in Ye Feng's hand, and immediately stopped her attack.

Because she knew that although Ye Feng's very special golden long sword could not explode with the power of a weapon, the sharpness of the weapon itself was already very terrifying.

The female demon had also seen the sharpness of the golden long sword transformed by Ye Feng before, which directly chopped into pieces the golden temple that suppressed her.

At this moment, Ye Feng held the God's Sword in his hand and slashed directly towards the wall in front of him.

This wall has been attacked many times by the female demon, but has been unable to be destroyed.

But under the chop of the God's Sword in Ye Feng's hand, it was like tofu, being chopped into pieces by Ye Feng's several swords.

Seeing this scene, the female demon's eyes immediately showed wonder.

Even this extremely powerful female demon was very amazed by some of Ye Feng's secrets and methods.

The golden sword in Ye Feng's hand was really sharp.

But at this time, when Ye Feng kicked the entire wall into pieces, the female demon took action.

Boom!

The female demon completely blasted away the shattered wall with one slap.

Then in the eyes of the female demon and Ye Feng, a very dimly lit secret room appeared behind this wall, which made Ye Feng's eyes suddenly light up.

Chapter 4527 Pale Woman

At this moment, the entire wall shattered.

A secret room appeared in the eyes of Ye Feng and the female demon.

At this time, Ye Feng and the female demon walked directly into these secret rooms without any hesitation.

The moment they entered the secret room, Ye Feng suddenly showed deep surprise in his eyes.

Because he saw that in this secret room, in addition to some wealth, there was a chair in a dark corner at the end.

On this chair, there is a pale woman sitting on this chair at this moment. At first glance, she looks like a female ghost, which looks very strange.

But Ye Feng really felt a breath of life at this moment.

It means that the person on that chair is a living woman.

At this moment, the female demon also showed a look of surprise in her eyes, staring at the pale woman on the chair in the corner, and couldn't help but said: "How is this possible?"

When Ye Feng heard what the female demon said, his eyes immediately showed surprise, and he couldn't help but ask: "Sister Xia, who is this pale woman? Do you know her?"

The female demon nodded at this time, her eyes seemed a little unbelievable, and she said loudly: "This is the Queen Mother of the West."

"What??"

Hearing what the female demon said, Ye Feng's eyes suddenly revealed a look of deep astonishment.

Ye Feng never thought that this pale woman would turn out to be the legendary Queen Mother of the West, a stunning figure.

At this time, Ye Feng couldn't help but said: "How is it possible, Queen Mother Xi? Hasn't Queen Mother Xi fallen into the disaster that year? And how could Queen Mother Xi have such weak vitality, even if she was seriously injured? It's impossible for the life breath to be so weak. I feel like this pale woman is just like a mortal."

Hearing what Ye Feng said, the female demon shook her head and said: "I don't know this, but this face is the face of Queen Mother Xi back then. Could it be that Queen Mother Xi was trying to save her last life in the disaster?" Activities, grafting one's own vitality into a mortal's body, and then hiding in this secret room to avoid the disaster that year? "

Hearing what the female demon next to him said, Ye Feng suddenly had a look of surprise in his eyes.

What the female demon said seems very possible.

At this time, the female demon said: "Ask her directly, and you will know."

At this moment, the female demon was walking quickly in the direction of the pale woman in the corner of the secret room.

Ye Feng also quickly followed.

At this time, Ye Feng has not taken many of the cultivation resources in this secret room for the time being.

Because the most important thing now is to find out the true identity of this pale woman.

When the female demon approached, her face suddenly changed slightly, and she said loudly: "This is not the Queen Mother of the West. Although she looks almost exactly like the Queen Mother of the West, I can recognize that this is not the Queen Mother of the West, but she looks very much like the Queen Mother of the West." She looks much younger and more immature than Queen Mother Xi."

Hearing what the female demon said, Ye Feng's eyes suddenly froze and he couldn't help but

Zhu asked aloud: "Sister Xia, what do you mean, is this pale woman the daughter of the Queen Mother of the West? Because only her daughter can look so similar to her."

When the female demon heard what Ye Feng said, she nodded slightly, then looked directly at the pale woman sitting on the chair in front of her, and said loudly: "Answer me, who are you? You should not be the Queen Mother of the West. Back then, I I have dealt with Queen Mother Xi, and you don't have the temperament she has, even though you look very similar to her."

At this moment, the pale woman raised her head slightly, with a hint of fear in her eyes, and said loudly: "Who are you? How did you get into this? My mother hid me here. Inside, how long has it been? Why is there no movement outside?"

Hearing what the pale woman said, the eyes of the female demon and Ye Feng suddenly revealed a look of surprise.

Sure enough, this young and beautiful woman who looked exactly like the Queen Mother of the West was actually the daughter of the Queen Mother of the West.

But during that disaster, Queen Mother Xi hid her daughter in this secret room.

And this secret room should have the ability to isolate time.

Therefore, the daughter of the Queen Mother of the West does not know what is happening outside at this moment, nor does she know that tens of millions of years have passed outside and the world has changed.

At this time, the female demon didn't know what to say.

At this moment, Ye Feng walked up to the pale woman and said: "Tens of millions of years have passed in the outside world. The motherland of the Western Queen has been reduced to ruins, and now it has become a land of ruins. However, Don't worry, we are not bad people, I am just a latecomer who happened to come here to find some opportunities. "

Hearing what Ye Feng said, the pale and beautiful woman in front of him, the daughter of the Queen Mother of the West, suddenly showed deep shock in her eyes, and couldn't help but said: "What? The outside world has passed. How is this possible for tens of millions of years? I feel like it's just a short moment."

Hearing what the daughter of the Queen Mother of the West said, Ye Fengzai looked at the secret room carefully and felt that this secret room was probably a place that could isolate time so that people could not notice the passage of time.

At this moment, Ye Feng didn't say much. He just looked at the female demon beside him and asked, "What should we do with the daughter of Queen Mother of the West?"

The female demon had some personal grudges with Queen Mother Xi back then, but it did not involve the Queen Mother's family. The female demon was not so ruthless and wanted to eradicate her daughter.

So at this time, the female demon glanced at the daughter of the Queen Mother of the West, who looked almost exactly the same as the Queen Mother of the West, with a hint of complexity in her eyes, and then said aloud: "Although I had some personal grudges with the Queen Mother of the West back then, we haven't had any personal grudges yet. After life and death, this woman can be regarded as my old friend, so I can't leave her here to fend for herself, so let her follow me for the time being. "

Ye Feng nodded immediately and said: "Sister Xia, you can decide for yourself. Then I will refine the cultivation resources in this secret room first."

For Ye Feng, the daughter of the Queen Mother of the West has nothing to do with him. The cultivation resources in the secret room space are what Ye Feng wants most.

At this moment, Ye Feng immediately began to check the various cultivation resources in the secret room to see which ones he could use.

Chapter 4528 Shocking words

At this time, the female demon and the daughter of the Queen Mother of the West were chatting in the corner of the secret room, seemingly discussing some past events.

But Ye Feng has no time to care about these trivial matters. Ye Feng is now focused on exploring the cultivation resources in this secret room space.

First, Ye Feng brought an iron box in front of him and smashed the lid of the iron box with a slap.

Buzz!

The next moment, Ye Feng suddenly saw that the iron box contained golden pills that were as big as a fist.

These fist-sized golden elixirs look very noble and contain very rich elixir power. People can tell that they are very noble elixirs just by looking at them.

At this time, Ye Feng didn't know what kind of golden pills these fist-sized pills were.

But Ye Feng could sense that these golden elixirs contained very rich medicinal power.

Therefore, Ye Feng naturally did not hesitate at this time. He directly moved the iron box and swallowed all the fist-sized golden pills contained in the iron box into his stomach.

"boom!!"

At this moment, Ye Feng immediately felt that a huge amount of energy was immediately injected into his body.

At this moment, each golden elixir turned into a very huge medicinal power and was injected into his Dantian, rapidly increasing his power.

At this moment, Ye Feng's cultivation momentum suddenly began to rise.

"boom!"

Tianhe Realm Ninth Heaven!

"boom!"

Great Perfection in the Tenth Level of Tianhe Realm! !

At this moment, Ye Feng's cultivation realm suddenly broke through two heavens in a row and was directly promoted to the tenth heaven of Tianhe realm!

At this time, Ye Feng's eyes suddenly revealed

There was a look of deep surprise.

These golden elixirs are indeed the cultivation resources left by the Queen Mother of the West. As expected, each elixir is of very high quality, and the medicinal power contained in it is very rich, allowing Ye Feng's skill to be greatly improved in an instant.

At this moment, Ye Feng continued to look for other things, and soon found a treasure box from the end area of the secret room.

Hidden in this treasure box is a sword as thin as a cicada's wings.

"Qiang!"

Ye Feng directly pulled out the sword, which was as thin as a cicada's wings, from the treasure box, and a clear sword sound was heard immediately.

This sword, black and gold, looks very deep and noble.

At this time, when Ye Feng pulled out the black gold sword from the treasure box, a cry of surprise came from not far away: "You... were able to pull out the black gold sword in an instant. ?"

The one who was exclaiming at this moment was the daughter of the Queen Mother of the West who was talking to the female demon not far away.

At this time, Queen Mother Xi's daughter, a young woman with a morbidly beautiful face, stared at Ye Feng in disbelief, staring at the black gold sword in Ye Feng's hand, seemingly in disbelief.

Ye Feng was a little surprised and couldn't help but ask: "What's wrong? It's very easy to pull out this black gold sword."

"this....."

At this moment, the daughter of the Queen Mother of the West stared at Ye Feng not far away with her beautiful, sickly eyes, and there seemed to be an inexplicable look in her eyes.

However, Queen Mother Xi's daughter didn't say anything more. She just looked at Ye Feng with an unusual look in her eyes.

Ye Feng didn't ask any more questions, because he and

I have never met this daughter of the Queen Mother of the West and have no social interactions with her, so there is no need to find out what she is talking about.

So at this time, Ye Feng turned his head, just sensing the power of the black gold sword in his hand.

Ye Feng could sense that this black gold long sword contained very terrifying power. Once released, it would definitely explode with earth-shattering power.

"This is a good sword."

Ye Feng's eyes suddenly lit up, and he immediately started refining this black gold sword.

It has to be said that this black gold long sword is very high-end, and it is worthy of being the treasure that the Queen Mother of the West secretly hid in this secret space.

Buzz!

However, when Ye Feng began to refine the black gold sword, Ye Feng suddenly discovered his own skill and transferred it into the black gold sword in his hand, just like a mud cow entering the sea, without causing any fluctuations.

"What?"

This made Ye Feng's eyes suddenly reveal a look of deep surprise. He seemed to have never thought that this long sword, which looked as thin as a cicada's wing, could actually contain so much vast mana in its body.

Even at this time, Ye Feng input nearly half of his mana into the black gold sword, but it still did not cause any energy fluctuations in the black gold sword.

In other words, Ye Feng's current skill is not enough to refine this black gold sword.

At this time, Ye Feng's eyes suddenly revealed a look of deep amazement.

Ye Feng already understood that this black gold sword was definitely an extremely powerful advanced weapon.

Otherwise, it would be impossible to absorb so much mana without any fluctuations.

At this time, Ye Feng didn't hesitate at all and just carried the black gold sword on his back.

Behind his back.

This black gold long sword seems to be very thin, but Ye Feng understands that it is definitely a very terrifying weapon, probably no less than the heaven-sacrifice totem pole that Ye Feng obtained before.

It is much more powerful than the various weapons I have obtained before.

At this moment, Ye Feng got such a peerless sword, so he was naturally very happy.

There are indeed many good things in the secret room of Queen Mother of the West.

At this moment, the female demon not far away suddenly spoke out: "Brother Ye Feng, this Queen Mother of the West's daughter is called Zi Ling. She wants to tell you something more personal."

Hearing what the female demon said, Ye Feng's eyes suddenly froze. He couldn't help but look at the daughter of the Queen Mother of the West whom he had never met before, and asked aloud: "Miss Zi Ling, is there anything special you want to tell me? Directly. Just say it, Sister Xia is not an outsider."

At this time, Queen Mother Xi's daughter, Zi Ling, looked at Ye Feng with her slightly sick but beautiful eyes, and suddenly there was a hint of hesitation and a complicated look.

But at the next moment, under Ye Feng's astonished eyes, Zi Ling, the daughter of Queen Mother of the West, suddenly said loudly: "My mother once told me, who can pull out this handful of black gold from that treasure box?" The long sword is my destined future husband, because this black gold long sword is very special and has been sealed by my mother, the Queen Mother of the West. Therefore, Mr. Ye Feng, you will be my husband from now on."

"What??"

At this moment, when Zi Ling, the daughter of the Queen Mother of the West, said this, not to mention Ye Feng himself, even the female demon who stood aside with a masterly demeanor showed a look of astonishment in her eyes at this moment.

Neither of them expected that the daughter of the Queen Mother of the West would actually say such shocking words.

Chapter 4529 Completely voluntary

At this moment, Ye Feng's eyes suddenly revealed a look of deep astonishment.

Because Ye Feng has never heard of such a thing.

At this time, Ye Feng even wondered whether Zi Ling, the daughter of the Queen Mother of the West, said such words because she wanted to follow him and the female demon, in order to get closer.

Because Zi Ling, the daughter of Queen Mother of the West, is now in a very weak state, and after so many years, she is probably very unfamiliar with the whole world.

But no matter what Ye Feng thought in his heart, Ye Feng couldn't help but shook his head at this moment, smiled helplessly, and said: "Miss Zi Ling, I think what you said is a bit unbelievable. No matter what you think in your heart, Yes, I won't directly become your future husband, this is really too sudden."

Hearing what Ye Feng said at this time, the female demon couldn't help but nodded, looked at Queen Mother Xi's daughter Zi Ling in front of her, and said aloud: "I guess you are too young, so you don't understand much about the relationship between men and women. If you want to become a spiritual partner, both of you must like each other. You have just met each other, and you don't even know each other. You just met each other, and it's really weird for you to say such direct words. "

At this time, hearing what Ye Feng and the female demon said, Zi Ling, the daughter of the Queen Mother of the West, just lowered her head slightly.

That somewhat pale but extremely beautiful face suddenly showed a deeply complicated and depressed look.

At this time, it was obvious that she was not recognized by Ye Feng, which made Zi Ling, the daughter of the Queen Mother of the West, feel very disappointed and lost.

At this moment, Ye Feng saw this scene and just stepped forward slightly and said: "Anyway, if you want to follow us, you can follow us. As for pulling out this black gold sword, it will be your future destiny." Destined husband, I can't say much about this, it's just too bizarre."

After saying that, Ye Feng was ready to leave and walk outside.

But at this time, the female demon suddenly said: "Brother Ye Feng, look carefully for the secret room space created by the Queen Mother of the West. It is impossible that the inheritance of the Queen Mother of the West has not been left behind."

Hearing what the female demon said, Ye Feng's eyes suddenly lit up.

If you can get the peerless inheritance from the Queen Mother of the West, it will definitely be a huge benefit to yourself.

Because the Queen Mother of the West had commanded an entire ancient country like the Queen Mother of the West, and was a big shot in ancient times.

The inheritance of Queen Mother of the West is definitely extremely advanced and powerful.

So at this time, after hearing the reminder from the female demon, Ye Feng naturally became interested and directly emitted his soul power and spread it towards the surroundings.

"Um?"

At this time, it seemed that he sensed the soul power that Ye Feng exuded instantly.

In the cold eyes of the female demon, she immediately revealed a look of deep amazement and said loudly: "I didn't expect that brother Ye Feng is actually a very rare human soul master. No wonder he has such a keen perception. It's really amazing."

What the female demon said at this time was not intended to compliment Ye Feng, because it was unnecessary.

She was truly amazed by Ye Feng's talent.

She had seen Ye Feng's various methods before, including the kind of strong

Incomparable martial arts abilities and devouring abilities.

Unexpectedly, Ye Feng had such a strong spiritual talent at the soul level and was a very rare soul master.

This naturally made the female demon feel very incredible and amazed.

At this time, Ye Feng just shook his head, smiled, and said loudly: "It's just some small tricks, they can't compare to Sister Xia's powerful strength."

What Ye Feng said at this moment was naturally modest.

The female demon immediately shook her head, smiled casually, and said nothing more.

At this moment, after careful exploration of Ye Feng's soul power, he did not find that the inheritance left by the Queen Mother of the West existed in this secret room space.

This made Ye Feng's eyes show a hint of disappointment.

It seems that the Queen Mother of the West did not leave anything related to inheritance in this secret room.

But at this time, Zi Ling, the daughter of the Queen Mother of the West, who had been silent just now, suddenly spoke up and said: "My mother's peerless inheritance has been imprinted in my soul. If Young Master Ye Feng wants, he can enter at any time. In my soul, I find the natal inheritance imprinted in my soul by my mother."

"What?"

Hearing Zi Ling say this, Ye Feng's eyes suddenly showed a look of surprise.

At this time, Ye Feng looked at Zi Ling in front of him, and there was a hint of hesitation in his eyes.

At this moment, as if seeing Ye Feng's hesitation, Zi Ling's slightly pale and sick face suddenly showed a beautiful and sweet smile, and said loudly: "Young Master Ye Feng, even if you enter me

In my soul, I want to explore the peerless inheritance that my mother left behind. Master Ye Feng, there is no need to be too entangled, and there is no need to be too hesitant. This is what I want to give to Master Ye Feng of my own free will."

Hearing Zi Ling in front of him say this, Ye Feng's eyes suddenly moved slightly, then nodded, and said loudly: "I naturally want to get the peerless inheritance of Senior Queen Mother Xi, because it has great significance for me. It is of great significance and can greatly improve my overall strength."

Hearing what Ye Feng said, Zi Ling immediately showed a sweet smile on his face. With a graceful figure, he walked gently in front of Ye Feng, then stared at Ye Feng very seriously, and said solemnly: " Mr. Ye Feng, I'm ready."

At this time, Ye Feng looked at the daughter of the Queen Mother of the West in front of him, and immediately nodded slightly and said: "Okay, then I will investigate."

After saying that, Ye Feng stretched out his palm and pressed it slightly on the white forehead of Zi Ling in front of him.

Buzz!

Then, Ye Feng directly exuded his huge soul power and entered Zi Ling's mind, wanting to explore the secret of the peerless inheritance that the Queen Mother of the West had sealed in her daughter's mind and soul.

Buzz!

At this moment, Ye Feng's soul power directly entered Zi Ling's mind, and then condensed a soul body, wanting to carefully explore the soul space of Zi Ling's mind.

"Um?"

But the moment Ye Feng entered the soul space in Zi Ling's mind, Ye Feng immediately saw that in Zi Ling's mind, there was actually a golden phoenix floating in the mind of Zi Ling, filled with an unparalleled feeling. An air of nobility and antiquity. At this moment, Ye Feng's eyes suddenly revealed a look of deep astonishment.

Because Ye Feng has never heard of such a thing.

At this time, Ye Feng even wondered whether Zi Ling, the daughter of the Queen Mother of the West, said such words because she wanted to follow him and the female demon, in order to get closer.

"Um?"

But the moment Ye Feng entered the soul space in Zi Ling's mind, Ye Feng immediately saw that in Zi Ling's mind, there was actually a golden phoenix floating in the mind of Zi Ling, filled with an unparalleled feeling. An air of nobility and antiquity.

Chapter 4530 Reshape the body

At this time, looking at the phoenix shadow in Zi Ling's mind space, which was exuding bright golden light, Ye Feng suddenly showed a hint of surprise in his eyes.

Because Ye Feng could sense a very ancient and terrifying aura from the golden phoenix in front of him at this moment.

Ye Feng knew that this golden phoenix should be something left by Zi Ling's mother, the Queen Mother of the West.

Among them, there should be the peerless inheritance of the Queen Mother of the West.

At this time, Ye Feng did not hesitate at all. The condensed soul body directly stretched out his hand towards the golden phoenix in Zi Ling's mind space.

"Buzz!"

The next moment, when the palm of Ye Feng's soul body touched the golden phoenix silhouette in front of him, a majestic and boundless inheritance secret was immediately injected into Ye Feng's soul body.

At this moment, Ye Feng immediately sensed that this unique inheritance of the Queen Mother of the West was called "Phoenix Immortality Technique". It was a super inheritance of immortality, reborn from the super inheritance of the legendary immortal demon phoenix clan.

At this time, after sensing the secret of this powerful inheritance, Ye Feng suddenly showed a look of deep surprise in his eyes.

Because Ye Feng can feel that this set of inheritance is very powerful and very ancient. After practicing it, it will have unparalleled benefits in improving his overall strength.

At this moment, Ye Feng didn't hesitate at all and immediately began to comprehend this set of Phoenix Immortality Techniques.

But suddenly at this moment.

"boom!"

A very huge suction force suddenly burst out from the phoenix, trying to absorb Ye Feng's soul power.

"What?"

This made Ye Feng's eyes suddenly change slightly.

Because Ye Feng condensed this spirit

The soul body is only used for exploration and is not powerful.

So at this moment, Ye Feng immediately felt that the soul he had condensed was being quickly absorbed by the golden phoenix.

"Emperor Chu!"

At this moment, Ye Feng directly called out to Emperor Chu in his mind.

Buzz!

The next moment, Emperor Chu turned into a red giant of light without any hesitation and appeared next to Ye Feng's soul body.

At this moment, Emperor Chu stretched out a big hand of light and directly pulled Ye Feng's soul back, preventing it from being absorbed by the golden phoenix.

At this time, Ye Feng couldn't help but said: "Emperor Chu, is this golden phoenix the secret of inheritance? How could it forcibly absorb my soul body?"

Buzz!

The red giant of light that Emperor Chu transformed into at this moment was floating beside Ye Feng. He looked at the golden phoenix not far away, nodded slightly, and said loudly: "This golden phoenix is not just a ball of inheritance. Mysterious meaning is still a soul with its own will."

"What?"

"A soul with self-will?"

When Ye Feng heard what Emperor Chu said, his eyes suddenly showed a hint of astonishment.

Just when Ye Feng was shocked, Emperor Chu looked at the golden phoenix and said slowly: "If I guess correctly, this golden phoenix should be the will of the Queen Mother of the West."

"this....."

Hearing what Emperor Chu said, Ye Feng's eyes suddenly revealed a look of deep astonishment.

At this time, Ye Feng couldn't help but stare at the golden phoenix not far away, with a look of deep surprise on his face.

And almost at the next moment, when Emperor Chu's words fell.

The golden phoenix not far away began to slowly change its form, and finally transformed directly into a mature and noble woman in the sight of Ye Feng's Emperor Chu.

This mature and noble woman wears ancient imperial clothes, giving the impression that she is a queen who is the queen of the world.

This is none other than the Queen Mother of the West!

Because Ye Feng discovered that the appearance of this noble queen was almost exactly the same as that of Zi Ling in the secret room.

It's just that one looks mature and noble, and the other looks immature and young.

At this time, Ye Feng immediately showed a hint of coldness in his eyes.

Ye Feng understood that the Queen Mother of the West did not die completely, but instead imprinted her own soul into the mind of her daughter, hoping to be resurrected one day in the future.

If it weren't for Ye Feng's powerful soul body and the presence of the Emperor of Chu, it is estimated that the soul body Ye Feng condensed just now would have been completely absorbed by the golden phoenix transformed into the soul of the Queen Mother of the West.

So at this time, Ye Feng's face naturally looked a little ugly.

Whether this Queen Mother of the West was intentional or unintentional, Ye Feng felt that the other party was not a good person.

However, Ye Feng had just copied Queen Mother Xi's peerless secret, the Phoenix Immortality Technique, into his own head, and his goal had been achieved.

So at this time, Ye Feng didn't say much and just prepared to exit Zi Ling's mind space.

"Wait a moment."

But suddenly at this moment, Jin

The phantom of the Queen Mother of the West, transformed into a phoenix, suddenly said: "Young man, it was just an unconscious behavior of my soul. I have no ill intentions towards you."

Hearing Queen Mother Xi's voice, Ye Feng just said: "Senior, is there anything special you want to tell me?"

Ye Feng saw at this moment that Queen Mother Xi did not continue to attack him.

It seems that what just happened was really just the unconscious behavior of Queen Mother Xi's sleeping spirit.

At this moment, Queen Mother Xi immediately said: "Young man, my soul has survived with the help of my daughter's head. Young man, if you can come here, you are a destined person. I hope you can help me." Reshape your body and I can give you a supreme opportunity."

"Um?"

At this time, Ye Feng was stunned when he heard that Queen Mother Xi said such words. He seemed to have never expected that Queen Mother Xi would let a junior like himself help her reshape her body.

This is something very difficult to do. I didn't expect Queen Mother Xi to be so confident in her junior.

At this moment, Ye Feng thought for a while, and then couldn't help but said: "Senior Queen Mother Xi, do you really think that a junior like me can help you complete the reshaping of your body? Senior Queen Mother Xi must also think highly of me. Bar?"

When Queen Mother Xi heard what Ye Feng said, she just smiled slightly and said, "Because you are destined to be the destined one, I naturally believe in you."

Hearing this, Ye Feng's eyes suddenly showed a hint of astonishment. He didn't expect that Queen Mother Xi, like her daughter, believed so much in the so-called destiny. It seemed that they were both loyal fatalists.

At this moment, Ye Feng nodded slightly, and then said: "I can cooperate with Senior Queen Mother Xi, but I want to know in advance what is the supreme opportunity that Senior Queen Mother Xi will give in return?"
