Chapter 4641 This favor

At this moment, it is obvious that the Bat Queen is very angry at the arrival of the three people because it disturbs her quiet life. After all, she has just captured these human races and wants to kill them all. Eat it and improve your skills and strength.

But the Bat Queen never expected that someone would come looking for her so quickly, and the attack seemed to be quite ferocious, directly destroying a lot of her bat army.

So at this time, the Bat Queen was naturally very angry.

But at this time, she also sensed the extremely vigorous blood energy in Ye Feng.

Especially the surging golden blood in Ye Feng made her feel a very noble feeling.

This made the Bat Queen suddenly have a look of deep surprise in her eyes.

She knew that Ye Feng was definitely a very noble being among the human race, with a very noble bloodline.

So at this time, the anger in the Bat Queen's heart disappeared a lot, and was replaced by deep greed.

The Bat Queen knows that if she can absorb all of Ye Feng's noble golden blood and integrate it into her body, then the Bat Queen believes that her vitality and life level will be raised to a higher level. .

So at this moment, the Bat Queen stared at Ye Feng in the middle, not looking at Yin Kai or the vice president of the World Chamber of Commerce at all.

Because this Bat Queen is the most powerful existence among vampire bats, her cultivation skills are very terrifying. She is several realms stronger than Ye Feng's current Yuanxinjing cultivation, so she is a very unfathomable person. The presence.

At this time, the Bat Queen immediately flew towards Ye Feng quickly.

At this moment, the Seventh Prince and the young president of the Tianxia Chamber of Commerce saw Ye Feng and others coming to the rescue.

The seventh prince immediately said in great surprise: "Brother Ye, save me quickly!"

When the seventh prince saw Ye Feng, it was as if he had taken a reassurance.

Although Ye Feng is very young, the Seventh Prince knows very well that after experiencing the trial in the small world, he knows that Ye Feng is an extremely terrifying existence and is extremely powerful.

Although he looks like a young man, his methods and strength are not much worse than those of the elders, and even better than those of the elders.

The strong ones are much more powerful.

So at this time, the Seventh Prince was naturally very surprised. Unexpectedly, Ye Feng suddenly appeared to save him.

At this time, the young president of the Tianxia Chamber of Commerce beside the seventh prince was a young woman named Shen Lan.

Shen Lan stared at the Seventh Prince next to him at this time, and asked in surprise: "Your Highness, the Seventh Prince, is this Ye Feng the top genius you told me about before?"

The seventh prince immediately nodded.

Obviously, the seventh prince was bragging crazily in front of everyone he knew that he had received help from a super genius like Ye Feng.

Both Yin Kai and Shen Lan, the young president of the Tianxia Chamber of Commerce, had heard of Ye Feng's name from the Seventh Prince.

So at this time, Shen Lan's beautiful eyes stared at Ye Feng, who was not far away and was glowing with golden light, with a look of deep surprise on her face.

She knew that Ye Feng, the super genius who was so wildly boasted by the Seventh Prince, was definitely an extremely powerful being.

So at this time, Shen Lan, as the young president of the Tianxia Chamber of Commerce, had a delicate and clear mind. She immediately looked at Ye Feng, thinking that she must have a good relationship with Ye Feng in the future.

Although Shen Lan is a young woman who looks like a vase, as the young president of the Tianxia Chamber of Commerce, she has a very deep mind. As long as she is someone who is beneficial to the Chamber of Commerce, she will try her best to kill anyone who is beneficial to the Chamber of Commerce. Make friends.

Buzz!

At this time, Ye Feng was flying high in the sky, watching the Bat Queen rushing over, with a solemn look in his eyes.

Because Ye Feng could feel that this bat queen was very powerful, far beyond what ordinary vampire bats could match.

This Bat Queen is definitely the dominant dark creature in this lair.

At this moment, Yin Kai, who was standing next to him, rushed out without fear of death and said loudly: "Ye Feng, go save the seventh prince and the young president of the Tianxia Chamber of Commerce. Let me deal with this vicious woman. That's it."

Obviously, the silver armor is very important to him.

He seemed to be very confident in his cultivation strength, so at this time, before Ye Feng could say anything, he just picked up the knife in his hand and charged forward.

"boom!"

At this moment, Yin Kai exploded with all his strength, and a huge shadow of a silver giant appeared faintly on his body, standing around Yin Kai, giving him unparalleled combat power.

At this time, Yin Kai held the silver long knife in his hand and slashed forward fiercely, possessing terrifying power.

The silver long sword in his hand was a burst of terrifying silver sword light, which could split the sky and the earth and crush the universe. .??.

But at this moment, what stunned Yinmao was that the Bat Queen flying in front just stretched out a slender white palm, and a terrifying bloody light burst out from her palm, directly The knife he slashed with it directly disintegrated into pieces.

Even the silver sword in his hand was shattered by the bloody light erupted by the Bat Queen and turned into fragments on the ground.

"What?"

Seeing this scene, Yin Kai's eyes widened slightly, and he couldn't help but said in horror: "This silver long sword is a high-end sword that my father personally forged with the cold snow of Tianshan Mountain. Weapons, even the high-end treasures of the royal family of the Blood Demon Dynasty, cannot compare with this long sword that my father personally made for me. How could it be broken by you so easily? "

But before Yin Kai could say anything, the Bat Queen flashed in front of Yin Kai in an instant, then stretched out a plain white palm and struck it directly in front of Yin Kai.

The next moment, this plain white palm, like the sharpest spear in the world, was about to pierce the silver-armored body.

The silver armor worn by Yin Kai was also a specially crafted high-level armor, but it could not stop the Bat Queen's terrifying attack. The slender palm directly pierced the armor.

Yin Kai immediately felt terrible pain.

His heart felt like it was about to be ripped out by the Bat Queen.

At this time, Yin Kai suddenly

It was cold sweat breaking out on my forehead.

He finally understood that this Bat Queen was an extremely terrifying dark creature that he could not deal with at all.

But at this time, it seemed that it was already too late, and his heart was about to be taken out by the Bat Queen.

But this moment.

boom!

High in the sky, a terrifying cold current suddenly hit, freezing the Bat Queen's slender palm in place, making it impossible to move forward.

With this moment of pause, Yin Kai finally seized this opportunity and quickly retreated to avoid this fatal blow.

At this moment, Yin Kai looked back and found a mirror suspended above Ye Feng's head. A terrifying cold air rushed out of the mirror, killing the Bat Queen's palm that was about to bring death just now. Frozen.

At this time, Yin Kai immediately understood that it was Ye Feng who saved his life at the critical moment.

Yin Kai immediately said: "Thank you for saving your life. I will definitely repay this kindness in the future."

Ye Feng just nodded slightly, and then immediately said: "You are no match for this Bat Queen, let me do it, you go rescue the seventh prince and the young president of the Tianxia Chamber of Commerce."

Hearing what Ye Feng said, Yin Kai didn't dare to raise his head this time. He nodded quickly and flew quickly towards the palace in front.

At this moment, when the vice president of the Tianxia Chamber of Commerce saw Yin Kai being beaten so badly, he followed Yin Kai very obediently and went to the underground palace to rescue his young president.

Obviously, the terrifying strength of this Bat Queen is beyond the imagination of Yin Kai and the vice president.

At this moment, seeing Yin Kai and the vice president of the Tianxia Chamber of Commerce heading towards the underground palace to rescue the seventh prince and the young president, the Bat Queen did not stop them, nor did she stop them.

The Bat Queen just stared at Ye Feng, her seemingly beautiful eyes were full of greed and malice, and said slowly: "I don't care about them at all, as long as I can absorb your golden blood, My life level will evolve instantly, and I will become hundreds of times more powerful than before. As long as they can kill you alone, they are nothing."

Chapter 4642 All trump cards revealed

At this moment, the Bat Queen is probably extremely greedy for Ye Feng.

Because the smell of blood exuding from Ye Feng was so high-end, it made the Bat Queen feel a long-lost feeling of greed.

Because the Bat Queen has built such an underground nest of vampire bats over the years, she has also captured many human beings or creatures of other races, and absorbed many types of blood, but she has never seen any kind. The blood of living beings, like the golden blood of Ye Feng, is so high-grade and so precious.

So at this time, the Bat Queen was no longer interested in everyone present, and the only one who was interested might be Ye Feng.

So at this time, the Bat Queen was determined to kill Ye Feng.

Ye Feng's eyes were extremely cold at this moment.

This Bat Queen seemed very beautiful, but in fact she was a femme fatale with a venomous heart. This was a very terrifying existence that Ye Feng did not dare to take lightly. ??

Because the Bat Queen's cultivation level is several levels higher than her current level.

Even though Ye Feng was very powerful in combat and could fight across levels, he still felt deeply fearful of the Bat Queen at this time.

So at this moment, Ye Feng fully stimulated the power of his immortal body, and the golden light on Ye Feng's body became more powerful than before.

At this time, it was obvious that Ye Feng had completely activated all the power of his immortal body, and then rushed towards the Bat Queen in front of him in an instant.

On the way Ye Feng rushed, Ye Feng also fully stimulated the power of the Ice Emperor Mirror suspended above his head.

Buzz!

At this moment, this mirror followed Ye Feng, floating above Ye Feng's head, and could erupt into long rivers of cold air at any time, rushing forward, and quickly freezing the Bat Queen's body. action.

At this time, the Bat Queen immediately became cold.

He smiled and said: "Young man from the human race, just obediently become my blood food. You can't stop me at all. Your cultivation is much worse than mine. Even if your physique and strength are extraordinary, It's of no use."

Almost as soon as the Bat Queen finished speaking, blood suddenly appeared on her body.

At this moment, these bloody lights actually formed into little bloody bats, rushing towards Ye Feng.

The moment each little bat touched Ye Feng, it exploded immediately, producing extremely terrifying destructive power. Ye Feng felt that his entire body seemed to be completely blown to pieces at that moment. .

At this time, after Ye Feng sensed all this, his eyes suddenly showed deep shock.

This Bat Queen is indeed very terrifying, much more powerful than I imagined. Otherwise, this Bat Queen's attack will never be able to shake Ye Feng's extremely powerful immortal body.

After all, you must know that Ye Feng's current immortal body of the gods has evolved to a very powerful level and is on the ninth level of the third stage, so every inch of Ye Feng's body looks like it is made of divine iron.

Even very advanced magic weapons and weapons cannot destroy Ye Feng's body.

But at this moment, the light released by the Bat Queen formed into small bats, and was able to explode cracks in Ye Feng's body. This naturally shocked Ye Feng.

The bat queen's cultivation strength is much stronger than Ye Feng imagined.

At this moment, Ye Feng no longer hesitated, fully stimulating all his powerful powers, and then directly released the power of the fragments of world rules that he had previously integrated.

“Buzz!

”

At this moment, Ye Feng's whole body actually emitted a strange wave.

This fluctuation is the fluctuation of the power of world rules.

At this moment, Ye Feng's attack, every punch and palm, was full of a charm like the great avenue of heaven and earth.

At this moment, even the extremely powerful Bat Queen on the opposite side was beaten back by Ye Feng with the help of the power of the fragments of world rules.

"What?"

At this moment, the Bat Queen couldn't help but widen her eyes slightly, and couldn't help saying: "Your attack actually contains the secret of the rules between heaven and earth? How is this possible! What kind of cultivation level do you have now? It's possible to use part of the world's rules, how is this possible, this is impossible!"

Obviously, this Bat Queen knows a lot. She immediately sensed that Ye Feng's attack contained the secret between the heaven and earth.

So at this moment, the Bat Queen was naturally shocked to the extreme. It seemed that she did not expect that Ye Feng, with such a low level of cultivation, could actually master the power of part of the world's rules. It was really incredible.

At this moment, Ye Feng did not hesitate and directly released the ancient coiled dragon clone that he had refined before.

You must know that the body of this ancient coiled dragon is an immortal body, and it has a terrifying sense of oppression.

When Ye Feng faced the Bat Queen at this time, it could be said that he had unleashed almost all his powerful methods and used all his trump cards.

Boom!

At this moment, a towering golden dragon with a height of more than 100,000 meters suddenly appeared next to Ye Feng.

It's Ye Feng's ancient coiled dragon clone!

Ye Feng controlled the huge and majestic golden dragon body of the ancient coiled dragon, and pressed directly towards the Bat Queen, like a tower.

Like the ancient mountains, they suddenly suppressed from high in the sky.

Even the Bat Queen was frightened all of a sudden. She didn't seem to have thought that Ye Feng actually had such a terrifying clone of an ancient coiled dragon.

At this moment, the Bat Queen frantically released the bleeding light power and attacked the ancient Coiling Dragon clone, but to no avail.

The ancient Coiling Dragon clone is like an ancient mountain made of pure gold. It has a terrifying sense of oppression. Even the Bat Queen's attack cannot shake the ancient Coiling Dragon clone.

"Amazing!"

This made Ye Feng's eyes suddenly reveal a look of deep surprise and a look of deep admiration.

This ancient coiled dragon clone is really an extremely terrifying body, much more powerful than my current immortal body of a god.

Otherwise, it would be impossible to block the violent bloody light that the Bat Queen is attacking now.

At this moment, while the ancient Coiling Dragon clone completely suppressed the Bat Queen, Ye Feng lurked into the void, flashing behind the Bat Queen in an instant, and then the god ring in his hand turned into The God's Sword was held in Ye Feng's hand and stabbed out directly.

At this time, the Bat Queen had no time to resist. In a hurry, the Bat Queen directly gathered all the scales on her body on her back, trying to resist Ye Feng's sword.

But she was destined to be disappointed.

Because what Ye Feng is holding is the Sword of the Gods!

"Pfft!"

Almost at that moment, the God's Sword in Ye Feng's hand pierced all the dozen scales on the Bat Queen's back, and then directly penetrated her heart.

"ah!!"

At this moment, the Bat Queen immediately let out an earth-shattering scream!

Chapter 4643 The most important person

At this moment, the Bat Queen was literally pierced through the whole body by Ye Feng's God's Sword. It could be said that her heart was cold. Her heart was also broken, and she was pierced by Ye Feng's God's Sword.

It can be said that now the Bat Queen has no chance of survival at all, so she can only roar in pain, and then die completely.

At this time, Ye Feng finally breathed a sigh of relief after killing the Bat Queen.

It has to be said that Ye Feng's judgment is still very correct. This ancient cave is indeed not a place where ancient strong men left wealth, but a nest where dark creatures live. ??

At this time, if Ye Feng didn't have very strong strength and various trump cards, everyone would probably fall here this time.

After all, even Yin Kai, including senior strong men like the vice president of the World Chamber of Commerce, cannot be the opponent of this Bat Queen.

At this time, Ye Feng didn't hesitate at all and directly released his Devouring Domain and began to devour the Bat Queen.

This Bat Queen is still very powerful, several levels higher than Ye Feng, so her blood energy is naturally very strong.

After Ye Feng swallowed it, he could immediately feel that his skill had increased tremendously.

Ye Feng's current cultivation bottleneck of the Tenth Heavenly Perfection of the Yuanxin Realm was suddenly and completely broken through with the accumulation of the terrifying blood energy of the Bat Queen.

Boom!

Ye Feng's body suddenly burst out with an extremely powerful cultivation aura, directly breaking through from the tenth level of the Yuanxin state to the half-step divine dynamic state above the Yuanxin state!

When Ye Feng's cultivation broke through to the Half-Step Divine Movement Realm, he could immediately feel that his skill and combat effectiveness had been incomparably strengthened.

Because you must know that Ye Feng's current cultivation level is already at a very high level, so every breakthrough can make Ye Feng's strength grow by leaps and bounds.

At this time, Ye Feng was naturally very surprised. He did not expect to find such a powerful dark creature in the wilderness outside the imperial city. After killing it, his skills would be greatly increased.

At this moment, Ye Feng looked in the direction not far away and found that with the help of Yin Kai and the vice president of the Tianxia Chamber of Commerce, the Seventh Prince and Shen Lan, the young president of the Tianxia Chamber of Commerce, had been completely out of danger.

At this moment, the Seventh Prince was very excited and flew directly in front of Ye Feng. He couldn't help but hold Ye Feng's hand and said loudly: "Brother Ye, you came just in time. Otherwise, we I will become the blood food of that vicious woman, and her blood will be sucked out of me! That's terrible!"

At this moment, the Seventh Prince was speaking with deep fear in his tone. Obviously this time, he never thought that he and Shen Lan, the young president of the Tianxia Chamber of Commerce, would come here to find the wealth in the ancient cave, but they didn't expect that... I accidentally entered the lair of a dark creature.

In other words, the wealth in this ancient cave had been plundered long ago, and then a clan of vampire bats appeared and built their own nest here. It is estimated that they have survived here for many years. Otherwise, it would be impossible to give birth to a powerful The incomparable Bat Queen.

At this moment, Ye Feng immediately smiled and said: "Fortunately, I

Came relatively promptly. "

And just as Ye Feng was talking, suddenly Shen Lan, the young president of the Tianxia Chamber of Commerce, this beautiful young woman, walked directly in front of Ye Feng and generously stretched out a small white hand. He said aloud: "Master Ye Feng, I am very happy to meet a super genius like you. I have heard your name from His Highness the Seventh Prince a long time ago. Today you are still our savior, and I will definitely repay you well. "

Hearing what Shen Lan said, Ye Feng's eyes showed a look of surprise. It seemed that he did not expect that this young president of the Tianxia Chamber of Commerce had heard of his name a long time ago.

At this time, Ye Feng immediately smiled, shook hands with Shen Lan, and then said loudly: "When the young president came here this time, he probably never thought that this place turned out to be the nest of a dark creature. It was probably It's scary."

Shen Lan immediately smiled and shook his head, and said loudly: "Don't call me Young President, it seems too unfamiliar. We are considered acquainted now. Master Ye Feng can just call me Miss Lan." "

Miss Lan?

At this moment, hearing what Shen Lan in front of him said, Ye Feng's eyes showed a hint of surprise.

I didn't expect that the young president of the World Chamber of Commerce would speak so directly, and he would immediately bring people closer to him.

At this time, Ye Feng suddenly understood. No wonder Shen Lan could become the young president of the Tianxia Chamber of Commerce. Not only was she the daughter of the president of the Tianxia Chamber of Commerce, but also because she had a clear mind. Otherwise, she would not have the ability at all. He is qualified for the position of Young President.

At this moment, Ye Feng smiled slightly and said, "Okay, from now on I will call the young president Miss Lan."

When he said this, the seventh prince next to him smiled slightly. The seventh prince was very happy that Shen Lan and Ye Feng were so friendly and their relationship had become so much closer when they first met.

After all, in the eyes of the Seventh Prince, both Shen Lan, the young president of the Tianxia Chamber of Commerce, and Ye Feng are his future partners, so being able to see his two partners becoming closer, naturally makes him The Seventh Prince was very happy because they could serve him wholeheartedly and help him become the most powerful prince in the Blood Demon Dynasty in the future.

At this moment, Yin Kai looked at the Seventh Prince and couldn't help but asked: "Thanks to Ye Feng this time, otherwise, we wouldn't have known that you were in danger here. Ye Feng heard that the Seventh Prince has been Since he didn't come back, we guessed he might have been in danger, so we went to the Tianxia Chamber of Commerce to take the initiative to check."

Hearing what Yin Kai said, the Seventh Prince immediately nodded, and then couldn't help but patted Ye Feng's shoulder, and said rather sadly: "Brother Ye can be said to be the most evil being I have ever seen, and he is also The person I value most."

When he said this, the vice president of the Tianxia Chamber of Commerce standing next to Shen Lan immediately understood why Ye Feng's status was so special. It turned out that he was the person that the Seventh Prince valued most.

And along the way, the vice president of the Tianxia Chamber of Commerce also saw Ye Feng's incomparable strength.

After all, the Bat Queen, even an older person like him, the vice-president, was unable to fight against her, but she was killed by Ye Feng in the end, which is enough to show how terrifying Ye Feng's strength is. He seems so simple, just an ordinary young man.

Chapter 4644 The Ancient Cave Master

At this time, Ye Feng just looked around and found that there was nothing in the entire underground space.

After the Bat Queen was killed, basically all the other bats ran away.

Ye Feng is not interested in those ordinary vampire bats, because even if they are eaten, they will not increase their energy.

Moreover, when Ye Feng fought against the Bat Queen just now, he had no time to capture the remaining vampire bats.

So Ye Feng didn't think much at this time. He just looked at the group of people in front of him and said, "Since the matter here has been resolved, let's leave directly."

Hearing what Ye Feng said, the seventh prince suddenly said: "I feel that this ancient cave has not been raided by anyone yet. It was probably just the vampire bat clan who inexplicably came across the cave of this ancient powerful man, so they stationed there. Come down."

When he said this, the seventh prince suddenly took out a token from his storage ring.

This token seems to be made of bronze, giving people a very ancient feel.

At this time, the Seventh Prince looked at the hall where he had been tied up and thrown to the ground, and said aloud: "When I was lying on the ground just now, I suddenly discovered that the bronze token I had obtained by accident, and A groove on a wall in that ancient hall is very similar, and it may be able to unlock something."

Hearing what the Seventh Prince said, Ye Feng's eyes revealed a look of surprise, and he couldn't help but look at the Seventh Prince in surprise.

I didn't expect that the seventh prince could discover this despite being so frightened. I have to say that the seventh prince's mentality is still very good.

At this time, Ye Feng immediately nodded and said with a smile: "Since the Seventh Prince has discovered such a secret thing, let's go over and take a look."

The seventh prince immediately nodded excitedly. Originally,

If he had come here alone, or with the young president of the World Chamber of Commerce, he might not have dared to use this token to open the ancient wall, for fear that something terrible would appear again.

But now Ye Feng is here, and Ye Feng has also shown his extremely powerful cultivation strength. Compared with the seventh prince and Ye Feng before the trial in the small world of ancient ruins, Ye Feng seems to be even more powerful, and his methods There are also more.

The seventh prince immediately understood. At that time, Ye Feng followed the eldest lady of the black market, Tang Youyou, to stay in the border area. I am afraid that he had experienced something again, so he became much stronger than before.

At this time, the Seventh Prince naturally felt very safe and led a group of people directly to the ancient hall just now.

This ancient hall was used by the Bat Queen as her resting palace.

The Bat Queen was sitting here at that time, sucking up the blood and energy of the two elders brought by the Seventh Prince and Shen Lan, the young president of the Tianxia Chamber of Commerce.

It has to be said that these two powerful elders were very miserable. They were already dead before Ye Feng and the others came over. However, they finally bought some time for the two young men, the Seventh Prince and Shen Lan, to let Ye Feng He Yinkai and others were able to finally come over and rescue the Seventh Prince and Shen Lan.

At this time, under the gaze of everyone, the seventh prince took the bronze token in his hand and placed it directly on the ancient wall in front of him.

Buzz!

Almost the moment the seventh prince put the token on the wall, the entire wall began to shake.

Rumble...

The next moment, the entire wall seemed to have turned into a door.

, then a crack opened in the middle, and then opened towards both sides.

Almost at the next moment, the door-like wall opened, and everyone immediately saw a hidden space behind the wall.

In this hidden space, there is a coffin with an ancient corpse lying there.

Surrounding this ancient corpse are four huge tiger-headed sculptures.

Seeing this scene at this time, the seventh prince's eyes suddenly showed deep surprise, and he said loudly: "This should be the place where the owner of this ancient cave really slept. I didn't expect that she actually cast such a The large underground space is just to hide the place where she actually sleeps. It seems that she doesn't want to be disturbed, but since we are here, we naturally want to explore it carefully. "

At this time, the Seventh Prince said, preparing to walk directly into it.

But Yin Kai quickly said: "Your Highness, Seventh Prince, be careful, in case there is any danger here, let me come."

"good."

The seventh prince immediately nodded.

Yin Kai, on the other hand, was wearing silver armor, holding the long knife in his hand, and slowly walked into the small space behind the wall.

At this time, Yin Kai did not encounter any danger, and soon came to the coffin.

At this moment, Yin Kai looked at the ancient corpse lying in it, his eyes suddenly revealed a look of deep astonishment, and he couldn't help but said: "Come over and take a look, this ancient corpse lying in the coffin." , It's still as if it's alive, not decaying at all."

Hearing what Yin Kai said, everyone walked over one after another.

The next moment they saw it, lying inside the coffin turned out to be a very...

The beautiful and cold woman doesn't look like a corpse lying here at all, but like a sleeping beauty.

Seeing this scene at this time, everyone was a little sad.

Unexpectedly, the owner of this ancient cave was such a cold and beautiful woman, and her body has not yet decayed.

Seeing this scene, the seventh prince was a little confused and didn't know what to do. After all, he didn't know that the other party was sleeping but really dead.

At this time, the vice-president of the Tianxia Chamber of Commerce, the old man in a red robe, said: "Let's open this coffin directly and see if the owner of this cave left anything good."

Obviously, this old man in red robe is the vice-president of the Tianxia Chamber of Commerce and a long-time businessman. He doesn't care whether the other party is really dead or still sleeping, he just wants to find what she left behind. nice one.

When everyone heard what the vice president said, they all nodded and prepared to open the transparent crystal coffin directly.

But the moment they opened the coffin lid, the sleeping beauty lying inside the coffin suddenly opened her eyes, shocking everyone.

"Your Highness, Seventh Prince, be careful!"

At this moment, Yin Kai pulled out the silver sword from his waist and stood in front of the Seventh Prince. Powerful power burst out from his whole body.

Uh-huh!

The vice president of the Tianxia Chamber of Commerce also quickly stepped in front of Shen Lan and protected Shen Lan behind his back.

As for Ye Feng, who was standing in the middle, his eyes were slightly stunned.

Because he saw that the owner of the ancient cave in the coffin didn't look at anyone, but stared at him with his beautiful, cold, but dead-like eyes.

Chapter 4645 I'm so confused

Seeing this scene at this time, Ye Feng's eyes suddenly revealed a look of deep astonishment. He didn't understand why the owner of the ancient cave in the coffin was staring at himself instead of others.

Is there anything special about myself?

At this time, Ye Feng was about to say something, but the silver armor protecting the seventh prince noticed that the sleeping beauty opened his eyes directly, thinking that he was going to attack the seventh prince.

Uh-huh!

At this moment, Yin Kai didn't even hesitate. He immediately held the silver steel knife in his hand and slashed towards the coffin in front of him, aiming to kill the owner of the ancient cave.

But at the next moment, the owner of this ancient cave suddenly stretched out a white palm.

Uh-huh!

This palm, at this moment, suddenly turned into the color of pure gold, and directly grabbed the silver steel knife in the silver armored hand.

Take the sword with your bare hands!

This shocked everyone.

Because the silver steel knife in Yin Kai's hand is a very advanced weapon that can definitely break any solid thing in the world.

Unexpectedly, the owner of this ancient cave was caught directly by those small, white-looking hands.

At this moment, Ye Feng's eyes moved, because Ye Feng saw that the white palm of the owner of this ancient cave turned into pure gold the moment he caught the silver steel knife. color.

And Ye Feng is very familiar with this pure gold color.

Because this pure gold palm is definitely from the same source as his immortal body.

In other words, is the owner of this ancient cave and the beautiful and stunning woman lying in the coffin actually a member of the Celestial Clan?

Otherwise, what?

Maybe her palms can turn into pure gold, and have such terrifying sturdiness, exactly the same as her own physique.

At this moment, Ye Feng suddenly understood why the owner of the ancient cave in the coffin, the sleeping beauty, suddenly opened his eyes and stared at himself instead of others.

Could it be that she has sensed that she also has the body and strength of the Celestial Clan?

At this moment, Ye Feng thought a lot.

At this moment, after the silver steel knife in the silver armor's hand was held by the sleeping beauty in the coffin with a pure gold palm, a look of extreme horror appeared in her eyes.

He never thought that with such a ferocious attack, the silver steel knife in his hand had the ability to chop any solid thing in the world, but he didn't expect that the sleeping beauty would directly grab it with one of his palms.

At this moment, Yin Kai couldn't help but doubt his life.

Why are these beings I encounter so evil?

No matter Ye Feng or the Sleeping Beauty in the coffin he encountered now, they were both so powerful and their bodies were so strong. His own sword could not break through their defenses.

At this moment, Ye Feng suddenly said: "Let go of his knife."

Hearing what Ye Feng said, everyone's eyes showed surprise, because they did not expect that Ye Feng would actually talk to the owner of the ancient cave in the coffin.

After all, the two of them were from different eras, so how could they suddenly have a conversation.

But the next moment, what shocked everyone even more was that

, the moment Ye Feng finished his words, the owner of this ancient cave, this beautiful and stunning woman lying in the coffin, actually let go of her hand.

Uh-huh!

At this time, Yin Kai immediately held the silver steel knife in his hand, and quickly retreated with the Seventh Prince, because he knew that the owner of the ancient cave in the coffin was an extremely terrifying existence, and they were not able to fight against it now. , so it's better to stay far away at this time.

But at this moment, everyone's eyes were focused on Ye Feng, because they didn't expect that what Ye Feng said was so effective, and they just let go. .??.

At this moment, Yin Kai could not help but whisper: "Ye Feng, do you know the owner of this ancient cave?"

Ye Feng immediately couldn't help but smiled bitterly, shook his head, and said loudly: "How is this possible? Of course I don't know it. After all, we are people from two eras. I estimate that this

ancient cave is at least several million years old. It's history, how can I know people from millions of years ago?"

Hearing what Ye Feng said, Yin Kai became even more confused and wanted to ask something else.

But Ye Feng said aloud at this time: "Don't ask so many questions, let me communicate with the owner of this ancient cave alone, you can go out first."

Hearing what Ye Feng said, everyone present looked at each other.

At this moment, the Seventh Prince hurriedly said: "We will do whatever Ye Feng tells us to do, so hurry up and get out."

After saying that, the seventh prince walked out directly, leaving the small space behind the wall.

And Yin Kai also left with the Seventh Prince.

As for the vice president and young president of the Tianxia Chamber of Commerce, Shen Lan,

Seeing the seventh prince leaving from here, he also walked out.

But before leaving, Shen Lan glanced at Ye Feng with her beautiful eyes. She didn't seem to expect that Ye Feng was so magical and could talk to ancient people millions of years ago. She didn't know what the relationship was between them.

This made Shen Lan very curious, but at this time she did not dare to ask any more questions, but walked out directly. After all, Ye Feng's identity was very extraordinary.

Shen Lan knew very well that for a top genius like Ye Feng to help the Seventh Prince, it was not Ye Feng's glory, but the Seventh Prince's glory.

Now that she has seen Ye Feng's incomparable strength and trump cards, Shen Lan knows very well that the seventh prince is lucky to get the help of a peerless monster like Ye Feng. No wonder the seventh prince admires Ye Feng to the extreme, and Everyone brags about Ye Feng.

At this moment, after everyone left this small space, only Ye Feng and the beautiful and cold woman lying on the coffin, the owner of this ancient cave, were left in the entire place.

At this time, Ye Feng's eyes flickered as he stared at the owner of the ancient cave in the coffin in front of him. He didn't care about the other's peerless cold face. Ye Feng just asked in a very serious voice: "Senior should also I realize that you and I are of the same origin, and we all have the body and power of the ancient Celestial Clan."

Hearing what Ye Feng said, the stunning and charming woman in the coffin nodded slightly, and then said aloud: "I have been sleeping for too long, probably for millions of years, and I no longer remember what I was like back then. I don't know what I've been through, and why I'm sleeping here, but I clearly remember that the essence of life in you is exactly the same as mine. Is this the power of the Celestial Clan? Was I once a Celestial Clan member? I remember that I was once a member of the Celestial Clan, and I don't remember where I came from. I'm so confused."

Chapter 4646 Only then do you have the courage

At this time, looking at the sleeping beauty lying in the coffin in front of him, his eyes showed deep confusion. Ye Feng immediately stretched out his hand and pulled the sleeping beauty up from the coffin.

At this moment, Ye Feng stared at the owner of the ancient cave in front of him, and for some reason he always felt an inexplicable sense of closeness.

Maybe they are all gods.

Although Ye Feng is from the human race, after changing into a skeleton from the Celestial Clan, his physique and origin have slowly developed in the direction of the Celestial Clan.

Therefore, at this time, Ye Feng naturally felt a sense of closeness that came from the depths of his bloodline with the stunningly beautiful woman in front of him, who was also a member of the Tianshen Clan.

At this time, Ye Feng looked at the owner of the ancient cave in front of him and said slowly: "Don't be confused now. Although your memory and your origin have been forgotten, as long as you work hard to find it, you will definitely be able to find it." Found it. Since you are awake now, then you can follow me. I am also half of the Celestial Clan. When the time comes, we can practice together and learn from each other's cultivation methods. "

In fact, Ye Feng has always wanted to find a member of the Celestial Clan. Now he suddenly met a Celestial Clan member here, and he was naturally very happy.

Moreover, Ye Feng could feel that the Celestial Clan member in front of her was probably much more powerful than her current level. Otherwise, she would not have been able to unconsciously turn her palms into pure gold in an instant. Even the silver steel knife in the silver-armored hand could not leave any trace on her palm.

So at this time, Ye Feng concluded that the mysterious woman in front of him was definitely a powerful being of the Celestial Clan back then. Otherwise, it would be impossible for him to survive just by relying on the strength of his body after losing his memory and various inherited secret techniques. Able to easily resist Yin Kai's terrifying sword.

Don't think that the silver armor is weak. That's because the silver armor encounters people like Ye Feng and Dong.

The master of the mansion is such a monster.

You know, when Ye Feng fought with Yin Kai before, Yin Kai just used a sword casually, so Ye Feng was able to use two golden fingers to instantly clamp Yin Kai's long knife.

But at that moment, in order to protect the Seventh Prince, Yin Kai struck out the most terrifying knife at once, and his long knife was a specially made silver steel knife made from Tianshan Hanyin, which had terrifying cutting power. But he was still caught by this woman with a casual slap, which is enough to show how powerful the woman from the Celestial Clan in front of him is.

At this time, the owner of this ancient cave also had an inexplicable feeling of closeness to Ye Feng, a young man who also possessed the power of the Celestial Clan.

This stunningly beautiful woman couldn't help but nod her head, looked at Ye Feng in front of her, and said, "Then I will follow you."

At this time, Ye Feng couldn't help but asked: "By the way, my name is Ye Feng, do you still remember your name?"

Hearing Ye Feng's question, the woman suddenly said: "Although my memory has disappeared and been forgotten, there are two words in my mind, which are very profound. Those two words are called pity."

"You Lian?"

At this time, when he heard the woman from the Celestial Clan in front of him say this, Ye Feng's eyes suddenly flashed, and then he said loudly: "Maybe your name back then was You Lian. Otherwise, it would be impossible for you to lose your memory after so many years." I still remember these two words."

Hearing what Ye Feng said, You Lian immediately nodded and said, "Okay, then I will call you You Lian from now on."

Ye Feng immediately nodded at this time, and then couldn't help but said: "Then let's leave here now. Can you see what else is left behind?"

You Lian glanced around his coffin at this moment, and then suddenly seemed to find something, and immediately opened a wooden board under the coffin.

There is a golden jade pendant inside.

This piece of golden jade pendant feels very magical, because even though millions of years have passed, it still exudes a faint golden light and seems to contain inexplicable power.

Ye Feng's eyes were suddenly shocked at this time, because he discovered that this golden jade pendant actually contained a very abundant amount of divine substances.

At this time, Ye Feng finally understood that maybe You Lian could live to this day because of the divine substance in the golden jade pendant under the coffin, which continuously replenished energy and was able to sleep until today without decay.

Because divine matter is of vital significance to the Celestial Clan, if the Celestial Clan wants to become stronger, they must absorb a steady stream of divine matter in order to become stronger and stronger.

So at this time, Ye Feng was naturally very surprised. It seemed that You Lian was really a member of the legendary Celestial Clan, so there was such a golden jade pendant of the Celestial Clan under her coffin, which could give her a golden jade pendant while she was sleeping. Among them, a continuous supply of divine substances was provided, so that not only did she not die, but she became stronger and stronger.

After all, the most powerful of the Celestial Clan relies on the power of their own immortal body.

At this moment, Youlian put the golden jade pendant close to his body and said, "Ye Feng, we can leave now."

Ye Feng immediately nodded.

For Ye Feng, this

Being able to meet a Celestial Clan member like You Lian here naturally made Ye Feng very happy.

Although Ye Feng is not a member of the Celestial Clan in the true sense, Ye Feng possesses the Celestial God Clan's strongest Immortal Bone, and is actually half a member of the Celestial Clan.

Therefore, Ye Feng was naturally inexplicably close to You Lian at this time, so Ye Feng asked You Lian to take the initiative to follow him.

If it were someone else, even if they wanted to follow Ye Feng, Ye Feng might not agree, because Ye Feng prefers to be alone.

At this time, Ye Feng walked directly out of this small space.

Suddenly You Lian stretched out a small white hand, grabbed Ye Feng's palm, and then said loudly: "I have no friends, I am only close to you."

Ye Feng glanced at You Lian behind him. He seemed a little afraid of the unfamiliar world outside. He immediately smiled and said, "Don't worry, I'm here and I won't let others bully you."

Hearing what Ye Feng said, You Lian nodded, but held Ye Feng's hand harder and said, "Okay, I believe you."

When he said this, You Lian seemed to have the courage to follow Ye Feng out of this small space.

After all, he had been sleeping in this small space for millions of years and was already a stranger to the outside world.

If Ye Feng hadn't made her feel close to him, maybe even if You Lian woke up, she wouldn't have had the courage to leave this small space for a while.

Perhaps You Lian was an extremely earth-shattering and peerless strongman in that era, but now she has lost all her memory and is like a timid girl. Although her strength is still there, she wants to step out of her hundreds of years of slumber. A place that has lasted for ten thousand years still needs courage, and Ye Feng gave her this courage.

Chapter 4647 The ability is too strong

At this time, Ye Feng walked out of this small space with You Lian.

When they came back to the main hall, everyone in the main hall looked at Ye Feng in surprise.

Because they saw that You Lian, an ancient strong man from millions of years ago, this mysterious woman with stunning beauty, actually stretched out her small white hands at this moment and grasped Ye Feng's palm. She seemed to be very beautiful. close,

"this....."

Seeing this scene, the Seventh Prince was stunned for a moment, as if he didn't expect Ye Feng to take care of this mysterious strong woman so quickly.

At this moment, the seventh prince immediately gave Ye Feng a thumbs up secretly, expressing his great admiration for Ye Feng's method, which is simply a role model for our generation.

Yin Kai was also a little shocked at this time. He knew very well how powerful the owner of this ancient cave was.

The extremely ferocious knife he struck just now was caught by the owner of this cave just by casually stretching out his hand.

Moreover, the owner of this cave didn't even have any spiritual energy fluctuations on his body. In other words, the owner of this cave just relied on the strength of his body to catch his terrifying silver steel knife. This is enough to show that this owner of the cave has How powerful and terrifying it is.

But at this moment, this mysterious strong woman was actually following Ye Feng and holding Ye Feng's hand, just like a little girl following her big brother. This really gave people a strong sense of contrast.

After all, the owner of this ancient cave was a strong woman from millions of years ago, and she was a very beautiful and cold-looking woman.

But at this time, she was following Ye Feng like a little girl.

This dramatic contrast naturally surprised everyone.

At this moment, the vice president of the Tianxia Chamber of Commerce was also staring at Ye Feng with shock in his eyes. At this time, his face suddenly

At that time, he showed a look of surprise. He finally understood why Ye Feng was able to get to this point. He was so capable.

At this moment, Shen Lan, the young president of the Tianxia Chamber of Commerce, this beautiful young woman stared at Ye Feng with a look of surprise in her eyes. It seemed that she did not expect that Ye Feng had already made him famous in a short period of time. It is really incredible that this mysterious owner of the ancient cave followed Ye Fengyan.

In any case, everyone present at this time can be said to have the utmost admiration for Ye Feng.

At this moment, Ye Feng felt that it was nothing. He just smiled slightly and said: "Let me introduce to you. The person next to me is called You Lian, a strong woman who lived millions of years ago. But now she has lost all her memory, so she is going to stay with me first, and I will help her restore her original memory as much as possible."

Hearing what Ye Feng said, everyone present had astonishment in their eyes.

Immediately, the seventh prince's eyes revealed a look of deep ecstasy.

Because he has just seen how terrifying the mistress of this mysterious ancient cave is. Now that she is following Ye Feng, doesn't that mean she is following the Seventh Prince?

This naturally made the seventh prince very happy, and he quickly said: "Welcome, welcome, warm welcome!"

Yin Kai also had a look of astonishment in his eyes at this time, as if he didn't expect that the owner of this ancient cave, this mysterious and beautiful strong woman, would actually follow Ye Feng.

At this time, Shen Lan also smiled slightly, looked at Ye Feng, and said loudly: "Congratulations to Master Ye Feng for being able to get the help of such a powerful woman.

Moreover, she looks so beautiful and cool, she is like a goddess-level figure. "

At this moment, even Shen Lan, the young president of the Tianxia Chamber of Commerce, a beautiful young woman, felt a little ashamed in front of You Lian.

Because You Lian not only looks beautiful, but also has a cold temperament, and there is a feeling in her eyes that she has traveled through millions of years of vicissitudes.

This is a very special temperament that ordinary women simply cannot compare to.

At this moment, Ye Feng just smiled slightly, and then said aloud: "Then since the matter here is over, let's leave directly."

Everyone nodded, and then left this underground ancient cave directly.

When everyone returned to the ground again, their eyes looked sad.

It seems that he did not expect that he would experience so many things in this small underground cave.

Not only did he encounter a dark creature's lair, he also encountered a terrifying dark creature like the Bat Queen, and even finally met a mysterious strong woman who had been sleeping for millions of years, which really made people feel embarrassed.

At this moment, everyone was walking together and flying quickly towards the imperial city.

When they returned to the imperial city, they all looked at the bustling imperial city with a hint of complexity in their eyes.

No one knew that there was such a dark creature's lair hidden in the wilderness not far outside the imperial city.

However, everyone also knows that although this dark creature's lair is very powerful, it is not enough to threaten the imperial city of the Blood Demon Dynasty.

Because the imperial city of the Blood Demon Dynasty is the core of the entire Blood Demon Dynasty, one of the three major overlords in the Northern Territory.

The place of the heart.

Not to mention the lair of one dark creature, even the lairs of ten dark creatures dare not approach the imperial city of the Blood Demon Dynasty because it is protected by countless superpowers of the Blood Demon Dynasty.

Walking on the road to the imperial city at this moment, Shen Lan immediately looked at the Seventh Prince, smiled and said loudly: "Now that the matter is over, let's go back to the Tianxia Chamber of Commerce first. If there is a chance, we can meet again to discuss other cooperation. "

Hearing what Shen Lan said, the seventh prince immediately nodded.

At this moment, Shen Lan looked at Ye Feng, who was standing next to the Seventh Prince, and then at Youlian beside Ye Feng, and then Shen Lan smiled and said: "Master Ye Feng, in a few days

If you have time, I would like to invite you to our World Chamber of Commerce to have a good chat. I wonder if Mr. Ye Feng will be willing to show your favor? "

When Ye Feng heard what Shen Lan said, his eyes were slightly startled. He seemed not to have thought that Zhang, the young president of the Tianxia Chamber of Commerce, would invite him to chat alone so soon.

In response, Ye Feng just smiled slightly and said: "Okay, if I have time, I will come."

Shen Lan seemed quite happy when she heard Ye Feng agreed, and then said aloud: "I hope Ye Feng will come alone."

After saying that, Shen Lan took the vice president of the Tianxia Chamber of Commerce and left the place directly.

Looking at Shen Lan's retreating figure, the Seventh Prince suddenly came to Ye Feng's side and said excitedly: "Brother Ye, I didn't expect you to come back from the border so soon. This time we are back." Palace, come back to my living room, let's have a drink."

After finishing speaking, the Seventh Prince glanced at Yin Kai beside him and said loudly: "Yin Kai, you go to the best restaurant in the imperial city and buy the best wine and food. Tonight I want to go out with Brother Ye." Don't come back when you're drunk!"

Chapter 4648 The situation is very dangerous

At this time, the seventh prince was obviously very happy and excited.

Because Ye Feng came back from the border land, the seventh prince felt much safer in the palace.

You must know that although the seventh prince is a prince-level figure in the Xiaoyao Dynasty royal family, the seventh prince knows very well that he is likely to die in the whirlpool of power of the dynasty.

Because there are many powerful princes and princesses, and now they are all secretly training their own strong men to compete for the final throne of the emperor.

There are even many princes and princesses, which one they want the Seventh Prince Team to support.

But in his heart, the seventh prince wanted to stand on his own, because the seventh prince himself did not want to be attached to anyone else. He wanted to become the most powerful prince and compete for the position of the last emperor.

Therefore, it can be said that the Seventh Prince has always been very frightened in the imperial city of the Blood Demon Dynasty, and it is not as stable as others imagined.

But now Ye Feng's arrival naturally makes the Seventh Prince very happy, because with Ye Feng's help, the Seventh Prince no longer has to be afraid of other people.

The Seventh Prince knew very well that Ye Feng was more than what he seemed.

Ye Feng seems to be just a young genius, even a top genius, but this does not mean that Ye Feng's strength is only limited to young geniuses.

Ye Feng's strength is even more powerful than many of the elders in the royal family.

This time entering the ancient cave, the seventh prince was shocked and surprised by the power Ye Feng unleashed, because Ye Feng's strength improved so quickly.

The Seventh Prince understood at this time that Ye Feng's current strength was many times stronger than when they were exploring the small world at the border.

So at this time, the seventh prince brought Ye Feng back to the imperial city. Naturally, he became very confident, so he was very happy. He even asked Yin Kai to buy the best wine and food directly, and then he would also talk to Ye Feng. Feng had a good drink in his own hall.

Ye Feng couldn't help but smile when he saw how excited the seventh prince was at this moment.

It has to be said that although this seventh prince is the weakest prince in the Blood Demon Dynasty, even this seventh prince does not have the qualities that an emperor should have, but Ye Feng does not care.

Ye Feng knew that as long as he was strong enough, it would be very simple to elect the Seventh Prince as the future emperor of the Blood Demon Dynasty.

Of course, the premise is that Ye Feng has enough strength.

Moreover, Ye Feng still needs a prince like the Seventh Prince who is not too deep in the city to be his support object.

Because Ye Feng will become the real leader who secretly controls the entire Blood Demon Dynasty in the future, so cooperating with the weakest prince like the Seventh Prince is the best choice.

At this time, Ye Feng immediately smiled and said: "Okay, then we will go back until we get drunk."

This time Ye Feng went to the ancient cave and gained a huge harvest, so he was naturally very happy.

At this time, Youlian was silently following Ye Feng without saying a word.

After all, she wouldn't say anything whatever Ye Feng did, she just followed Ye Feng.

Because in this strange world, after millions of strange years, You Lian is the only one

The one I feel I can rely on is Ye Feng.

Because Ye Feng was the first person she met, and he was also a member of the tribe who had the same power as her.

It can be said that although the two of them have only known each other for a short time, they are like family members in this vast world.

Soon, Ye Feng and the seventh prince returned to the palace and went directly to the main hall where the seventh prince lived.

Although the seventh prince is the weakest prince, he is still a prince and the son of the current emperor of the Blood Demon Dynasty. Therefore, no matter how weak he is, he can still have his own separate place to live in the palace.

Moreover, this living hall is located in the royal garden. The environment is very good and the air is very good.

At this time, Ye Feng and the Seventh Prince had returned to the main hall where the Seventh Prince lived.

Yin Kai was outside, and he was back to buy wine and groceries.

At this time, the seventh prince called Yin Kai to join him.

The three people immediately started eating and drinking.

At this moment, Ye Feng glanced at You Lian beside him and couldn't help but said: "You Lian, please join us. You have been hungry for millions of years, even though you have reached your level of cultivation. , You may not need the food in the ordinary world, but some of the meals in the ordinary world are still very delicious, very delicious, and a complete enjoyment. "

Hearing what Ye Feng said, You Lian immediately shook his head slightly and said in a low voice: "Ye Feng, you go ahead and eat. I'll just stand aside and watch you eat."

Seeing You Lian's reserved look, the Seventh Prince burst out laughing and said, "Senior, please join us for dinner. It's no problem. These meals are among the highest rated in the imperial city of our Blood Demon Dynasty. The food cooked in the restaurant is very delicious. If you don't believe me, you can give it a try."

Hearing what the Seventh Prince said, You Lian did not respond. It was obvious that You Lian only had Ye Feng in his eyes and could only communicate with Ye Feng.

Seeing this scene, the Seventh Prince was a little embarrassed, but then he smiled casually and continued eating and drinking.

At this moment, Ye Feng took out some food alone, placed it in front of You Lian, and said with a smile: "Then you can eat alone."

When Youlian saw Ye Feng doing this, he finally nodded and began to taste it in small bites. Then Youlian's beautiful eyes lit up, and he even asked for an extra meal.

After drinking and eating, the seventh prince's face suddenly became serious, and he was obviously ready to talk about business.

At this moment, the seventh prince stared at Ye Feng in front of him and said slowly: "Brother Ye, my situation in the entire royal family is very dangerous now, because there are several powerful princes and princesses who want to let me Who do I support, but I don't want to, because I want to be an independent person, but if I don't take a stand and want to stand on my own, I will probably be killed by these powerful princes and princesses."

Hearing the seventh prince's direct words, Ye Feng's eyes suddenly showed a look of surprise and said, "Are you brothers and sisters playing so cruelly?"

Hearing what Ye Feng said, the Seventh Prince immediately couldn't help but smile bitterly and said aloud: "In the imperial dynasty, family love is as weak as water. Facing the attraction of the huge imperial power, there is no so-called family love. The only thing left is What's more, we are not brothers and sisters in the first place, we just have a common father and our mothers are different, so now I am in a very dangerous situation. Fortunately, Brother Ye, you are back. " At this time, the seventh prince was obviously very happy and excited.

Because Ye Feng came back from the border land, the seventh prince felt much safer in the palace.

Fortunately, Brother Ye, you are back. "

Chapter 4649 Feeling proud

At this time, hearing the seventh prince's complaint, Ye Feng immediately nodded and couldn't help but said: "According to what you said, seventh prince, your current situation is indeed quite dangerous, but I'm back. Then there is no big problem. Seventh Prince, please tell me in detail what level of powerful people are around the other princes and princesses, and who are the supporters behind them."

Ye Feng knew very well that in a huge dynasty like the Blood Demon Dynasty, there must be very powerful forces behind the powerful princes and princesses.

For example, the support of some top families, or some races on the mother's side, are very powerful.

So at this time, Ye Feng naturally wanted to understand these situations so that he could help the Seventh Prince fight against these powerful princes or princesses.

Then the seventh prince nodded and carefully began to spread knowledge with Ye Feng.

Everyone talked about it all night.

When it was getting dark, the discussion was finally over.

At this time, Ye Feng nodded immediately, with a serious look in his eyes.

Because according to what the seventh prince said that night, the supporters behind the princes and princesses are all very powerful.

The mother clan of some princes is a very powerful race in the interface of ten thousand monsters, with the support of a real race.

And behind some powerful princes or princesses, there are the support of several top families among the six top families.

That is to say, there is no one around the Seventh Prince, no help, and only Ye Feng, a very capable super genius.

This made Ye Feng suddenly show a hint of helplessness on his face. It seemed that the seventh prince was really the weakest among all the princes and had no trump cards.

But at this moment, Ye Feng was not afraid, but smiled, with a confident expression on his face.

Because Ye Feng knows very well that as long as his cultivation continues to improve, one day, the so-called powerful forces or strong people behind the powerful prince or princess will be nothing in Ye Feng's eyes.

Moreover, cooperating with the weakest prince like the Seventh Prince is currently what Ye Feng needs most.

Because there may be many geniuses and strong people around other princes or princesses, so if Ye Feng goes, he will not be taken seriously. It is better to be beside the seventh prince and get the full

support and attention of the seventh prince. What's better? Everyone will definitely prioritize themselves.

So at this time, Ye Feng looked at the seventh prince in front of him and said: "Now if I want to be able to speak in the entire dynasty, my strength must be improved quickly, so our focus next is, I have to continue I am trying my best to improve my cultivation strength, and the Seventh Prince, you are constantly asserting your authority in the entire palace and building your reputation step by step. In this case, other princes and princesses will have to be more wary if they want to deal with you. , it won't be so blatant."

Hearing what Ye Feng said, the seventh prince immediately nodded.

Then the seventh prince seemed to have thought of something, and he couldn't help but said: "By the way, in half a month, a grand royal competition will be held in the center of our royal palace. At that time, the princes and The princess and all the super geniuses under the prince, including the elders and powerful men, will participate in this royal competition. I hope you, Ye Feng, can help me participate in this royal competition. In previous years, these royal competitions were all silver armors. If you participate alone, your ranking will not be very good, but this time with you Ye Feng, you two can participate together and compete for my glory. If you can win a good ranking in the royal competition, not only will my status be improved, but also my status will be improved. And you participants will also receive generous rewards. After all, it is my father who is hosting this royal competition.

, that is, His Majesty the Emperor of the current Blood Demon Dynasty. "

Hearing what the seventh prince said, Ye Feng immediately nodded and said, "Okay, I will help you participate in the royal competition in half a month."

Hearing what Ye Feng said, the seventh prince immediately nodded happily, but then he suddenly looked at You Lian who was standing beside Ye Feng without saying a word.

Then the Seventh Prince couldn't help but said: "Ye Feng, can you let the female senior next to you, Senior You Lian, also help me participate in the royal competition? Half a month is very fast, Senior You Lian He probably won't leave for a while."

Hearing what the seventh prince said, Ye Feng had a look of surprise in his eyes. After all, the seventh prince actually wanted You Lian to help him fight in the royal competition. It seemed that the seventh prince really wanted to take advantage of this time. The royal family came to the competition in high spirits.

After all, it can be said that the seventh prince has been bullied, threatened and intimidated all this time, so this time he has a top genius like Ye Feng join him, and he also meets a female senior like You Lian. The strength of the event naturally made the Seventh Prince very much hope that both of them could participate.

Ye Feng thought for a while, then looked at You Lian beside him, and asked aloud: "You Lian, are you willing to participate in this royal competition? If you participate, you may be able to get rich training resources. It can also help improve your cultivation."

Although Ye Feng can't realize how powerful You Lian's cultivation is now, Ye Feng knows very well that no matter how powerful You Lian was back then, he has been sleeping for millions of years, and now that he has just woken up, he will definitely need all kinds of training. resources to restore their own strength.

Sure enough, You Lian was a little tempted when she heard that there were abundant cultivation resources.

At this time, You Lian's beautiful and cold face suddenly revealed a hint of thinking, and she said aloud: "I'm not quite sure yet."

Let's wait until then to determine whether we can take action. "

Hearing You Lian say this, the seventh prince suddenly showed a look of joy on his face.

He knew that if You Lian refused directly, there would be no chance.

Now You Lian actually said that she wanted to think about it, which meant that there was still something to be done.

The Seventh Prince immediately looked at Ye Feng and said quickly: "Okay, I'll sign up for you all first, and then we'll see if you can participate."

After saying that, the seventh prince went directly to prepare anxiously.

Ye Feng looked at Yin Kai in front of him and asked aloud: "Yin Kai, there is still half a month left before the royal competition. I wonder if you have any good places to recommend during this half month. , which can make my cultivation breakthrough quickly. You also know that my cultivation breakthrough requires absorbing huge amounts of energy from the outside world, so even if it only takes half a month, for other people, half a month may not be enough at all. For any purpose, I can only stay at home with peace of mind and wait for the royal competition. But for me, half a month is also a very long time. If I can find a suitable opportunity, I can take my cultivation to a higher level. level."

Hearing what Ye Feng said, Yin Kai nodded immediately. After all, Yin Kai was considered a veteran in the entire Imperial City, so he was very familiar with the entire Imperial City.

Yin Kai immediately said: "Ye Feng, I suggest you go directly to Shen Lan, the young president of the Tianxia Chamber of Commerce. She happened to have invited you to have a private chat before. Chambers of commerce like the Tianxia Chamber of Commerce, although not the entire Imperial Chamber of Commerce, There is a large chamber of commerce in the city, but it must also store a lot of cultivation resources. You can go and trade with her. You can also visit the major chambers of commerce in the imperial city. You may encounter some large-scale auctions. , you can get what you need at auction, and if you don't have enough money, you can draw it from the seventh prince's salary. The seventh prince will definitely support you, after all, we are all in the same boat now."

Chapter 4650 Two Invitations

Upon hearing Yin Kai's suggestion, Ye Feng immediately remembered the incomparably beautiful young president of the Tianxia Chamber of Commerce, Shen Lan.

Ye Feng immediately nodded. The other party seemed to be quite close to him and wanted to have a good relationship with him.

After all, he can be considered a popular person next to the Seventh Prince.

At this time, Ye Feng immediately nodded, looked at the silver armor in front of him, and said, "Okay, thank you for the suggestion."

After finishing speaking, Ye Feng looked at You Lian on the other side and said loudly: "You Lian, why don't you rest here temporarily while I go to Tianxia Chamber of Commerce alone? I guess you don't like crowded and noisy places either. "

When Youlian heard what Ye Feng said, he immediately nodded and said, "Okay, then I'll wait for you here." .??.

After saying that, You Lian immediately settled in a nearby room.

Yin Kai looked at Ye Feng and said meaningfully: "Ye Feng, I really envy you. There is such a beautiful and cold beauty following you next to you, and only for you. She is so close, and she is so powerful. Ye Feng, how did you do it? How did you make the owner of the ancient cave to follow you wholeheartedly in a short period of time, and also treat you badly? So close, so defenseless."

Hearing Yin Kai's question, Ye Feng immediately showed a look of astonishment in his eyes, as if he did not expect that Yin Kai, who looked so cold and cold, would actually ask such a question.

However, Ye Feng just smiled slightly and said, "I didn't do anything. Maybe it's just that there is a natural sense of closeness between the two of us."

Hearing what Ye Feng said, Yin Kai suddenly had a look of astonishment in his eyes.

Then, before Yin Kai could say anything, Ye Feng had already jumped up and left the place.

At this moment, Ye Feng quickly flew towards the imperial city outside the palace.

Soon, Ye Feng felt that Yin Kai was right. Since Shen Lan, the young president of the Tianxia Chamber of Commerce, wanted to have a good relationship with him, then he might go to the Tianxia Chamber of Commerce and talk to the young president in person. You can get some good things from the Tianxia Chamber of Commerce.

But not before Ye Feng walked out of the palace.

Uh-huh!

Suddenly, a middle-aged man wearing black armor stopped Ye Feng.

The middle-aged man in black armor looked at Ye Feng, seemed quite polite, and said, "Is this Mr. Ye Feng?"

Ye Feng looked at the middle-aged man in black armor in front of him at this time. He didn't know him, so Ye Feng just showed a look of surprise in his eyes and asked aloud: "Who are you? Why do you know me?" know me."

Hearing what Ye Feng said, the middle-aged man in black armor immediately smiled and said: "I am the chief guard of Her Majesty the Princess. This time I specially invited Ye Feng on the order of the Princess. Mr. Feng, go to the eldest princess's palace and have a nice chat."

Hearing what the middle-aged man in black armor in front of him said, Ye Feng's eyes suddenly froze.

Ye Feng couldn't help but said: "A few days ago, I also met a master sent by your eldest princess and invited me over, but his attitude was not very good."

Hearing what Ye Feng said, the man in black armor immediately smiled politely and said: "Don't worry, Mr. Ye Feng."

, the person who invited Mr. Ye Feng last time has been expelled by the eldest princess because he was very rude to you, Mr. Ye Feng. This is why the eldest princess attaches great importance to you, Mr. Ye Feng. So I hope that Young Master Ye Feng will be able to reward you this time and go down and have a good talk with the eldest princess, because the eldest princess is very interested in a super-top genius like Young Master Ye Feng. "

Hearing what the middle-aged man in black armor in front of him said, Ye Feng's eyes suddenly flashed slightly.

This eldest princess is really persevering with her, and she even sent people to invite her twice in a row.

But this time, this middle-aged man in black armor was very polite to me and sincerely invited him to come over.

Ye Feng immediately nodded and said, "Okay, then I'll go over and see the eldest princess."

Ye Feng knew very well that it would definitely not work if he had been avoiding these people.

Because now he is at the side of the Seventh Prince, helping the Seventh Prince fight in the royal power vortex of the entire Blood Demon Dynasty.

Therefore, Ye Feng knew that he would encounter these powerful princes and princesses sooner or later, so it would not necessarily hurt to go over and take a look at the situation now.

So Ye Feng directly agreed at this time and did not refuse again.

After all, the other party's attitude is indeed good.

Hearing Ye Feng agreed, the middle-aged man in black armor suddenly showed a look of joy on his face, and said quickly: "Okay, Mr. Ye Feng, please follow me."

After finishing speaking, this middle-aged man in black armor led the way directly.

Ye Feng followed behind.

At this moment, the middle-aged man in black armor glanced slightly at Ye Feng behind him. Looking at the very young and delicate face of the other party, there was still a trace of surprise in his eyes.

Because he never thought that such an ordinary-looking young man would be worthy of being personally invited by Her Royal Highness. It was really incredible.

Moreover, this middle-aged man in black armor knew very well that the eldest princess always only invited those extremely powerful beings or amazing super geniuses, but it seemed that he had not heard of this Ye Feng. Among the Blood Demon Dynasty It doesn't seem like he's very famous.

But the eldest princess suddenly invited Ye Feng to come over, and she also paid such attention and polite invitation, which really made this middle-aged man in black armor a little strange and very curious. What kind of ability does Ye Feng have that can make Gao Gao superior? The extremely cold and charming Princess personally invited Ye Feng to come over twice.

In order to improve Ye Feng's impression, he even expelled the powerful commander who was rude to Ye Feng for the first time. This was a huge price to pay, just to see Ye Feng. .

From this we can see how much Her Royal Highness the Princess attaches importance to a young man like Ye Feng.

However, the middle-aged man in black armor knew very well that Her Royal Highness the Princess would not invite an unknown young man for no reason, which meant that this young man was definitely more terrifying than he imagined.

"It's possible that he comes from a super big family. Maybe this young man himself is not very good, but Her Royal Highness the Princess is very interested in the super family behind this young man."

At this moment, the man in the black armor was secretly guessing. Upon hearing Yin Kai's suggestion, Ye Feng immediately remembered the incomparably beautiful young president of the Tianxia Chamber of Commerce, Shen Lan.

Ye Feng immediately nodded. The other party seemed to be quite close to him and wanted to have a good relationship with him.
