### Chapter 4661 Sun God Clan

While Ye Feng was secretly searching inside, he followed the eldest princess to a large hall ahead.

At this time, Ye Feng immediately saw that the person the princess was meeting was a young man wearing golden armor. He looked very brave and extraordinary, giving people a very noble feeling, like a born noble. Same.

Next to this young man in golden armor stood two old men in golden robes.

The two old men were wearing golden robes and looked very noble.

And Ye Feng could clearly feel that the aura exuded by these three people was a very special flame-like aura, but it was different from the ordinary flame power. It gave Ye Feng the feeling of the sun. Like fire.

This made Ye Feng's eyes suddenly show surprise.

The eldest princess standing aside immediately whispered, "The person I want to meet this time is the overlord race in the wilderness, the Sun God Clan, who is also the organizer of this private party. Now this ancient temple is... It is in the hands of the great overlord race of the Sun God Clan." .??.

"Sun God Clan?"

When Ye Feng heard what the eldest princess said, there was a look of surprise in Ye Feng's eyes.

Unexpectedly, the overlord race in this vast wilderness turned out to be such a magical race, the Sun God Clan.

However, Ye Feng can indeed feel that the three people standing in front of him, whether it is the young man wearing golden armor or the two old men wearing golden robes standing next to the young man, are indeed exuding... The power of a special and incomparable solar flame made Ye Feng feel very strong.

Ye Feng didn't say much at this time, just nodded slightly and followed the eldest princess.

This time the eldest princess comes here, I guess

The main purpose of the plan is to negotiate with the people of the Sun God Clan, maybe to discuss some cooperation projects, etc. Ye Feng is not interested in this, as long as he follows the eldest princess.

But at this time, Queen Mother Xi suddenly said in Ye Feng's mind, "The so-called Sun God Clan is just self-promotion. The overlord race in the wilderness, the Sun God Clan, dares to flaunt itself as a God Clan. It's really It makes people feel a little disgusting. They just have the blood of the ancient Golden Crow God Clan, and they dare to claim to be the Sun God Clan. It is really laughable. "

At this time, Ye Feng couldn't help but have a look of astonishment in his eyes when he heard that the Queen Mother of the West, who had been silent in his mind for a long time, spoke directly. It seemed that even the Queen Mother of the West couldn't stand it anymore.

But it is normal. After all, the Queen Mother of the West is a real god who served in the ancient times and has communicated with the real ancient gods. Therefore, the Queen Mother of the West is in awe of the gods. So at this time, she heard about this so-called overlord race in the wilderness. , The Sun God Clan, in fact, only inherited a trace of the blood of the ancient Golden Crow beast, but they actually claimed to be a God Clan, which naturally made Queen Mother Xi scoff very much.

At this time, Ye Feng suddenly realized. It turns out that the overlord race in the wilderness, the so-called Sun God Clan, is not a god race. It is just that some of the blood of the ancient Golden Crow flows in its body, so it calls itself the Sun God Clan. It can be said to be very exaggerated.

However, Ye Feng did not comment much at this time. After all, even a race with the blood of some ancient Golden Crow beasts could become the dominant race in the wilderness, which also shows that this Sun God Race still has a few tricks up its sleeve. not at all

He was so weak as expected, but Queen Mother Xi's vision was too high.

After all, the Queen Mother of the West was the ruler of an ancient divine kingdom in ancient times, so it was normal for her to have a high vision.

At this moment, Ye Feng didn't say anything. He just followed the eldest princess and soon walked in front of the three Sun God Clan.

At this time, the eldest princess immediately looked at the young man in golden armor standing in the middle of the three people, smiled and said, "Ninth Prince, we meet again."

"Ninth Prince?"

Ye Feng's eyes flashed slightly when he heard what the eldest princess said. It seemed that this young man in golden armor had an extraordinary status. He was actually the ninth prince of the Sun God Clan.

In other words, this young man is the ninth son of the Sun God Lord who is currently in charge of the entire Sun God Clan. No wonder his status is so extraordinary and he looks very noble. He turns out to be of royal blood among the Sun God Clan.

At this moment, the ninth prince of the Sun God Clan glanced at Ye Feng, who was following the eldest princess, and his eyes seemed to show a look of surprise, but he did not ask any more questions, because in his eyes, Ye Feng did not understand at all. Nothing, there is no need to pay attention to a small person.

At this time, the ninth prince of the Sun God Clan just stared at the eldest princess in front of him, with a hint of inexplicable admiration on his face, and then slowly said, "Princess of the Blood Demon Dynasty, we have indeed been here for a long time. No more meeting. This time, on behalf of the entire Sun God Clan, I welcome you. After all, I thought you wouldn't come to this gathering because the eldest princess seems to be someone who doesn't like the excitement."

When Ye Feng saw this scene, his eyes suddenly showed a look of surprise. He did not expect that the Sun God Clan, the dominant species in the wilderness, would

The ninth prince of the clan has such a good attitude towards the eldest princess, which is enough to show that the power of the eldest princess is indeed very powerful, not only in the Blood Demon Dynasty, but also in the entire Northern Territory, even in the entire Northern Territory, the Southern Barbarian Land and the Great Wilderness. In this area, the status is quite high.

But Ye Feng also knows that behind the eldest princess is not only the entire Blood Demon Dynasty, but also the master of the mysterious sect from Zhongzhou, the most glorious land of ten thousand

demons, so these people in this small area It is quite normal for people to attach great importance to the eldest princess.

At this moment, hearing the Ninth Prince of the Sun God Clan in front of her say this, the eldest princess just smiled slightly, and then said aloud, "I really don't like the excitement, but this time since I have chosen to meet with you, the Ninth Prince, to discuss some cooperation. , then I will definitely come."

The Ninth Prince of the Sun God Clan immediately smiled and said, "It is too boring to talk about cooperation when we meet directly now. How about I invite Her Royal Highness the Princess to enter the square in the middle and dance first? There are many people. They are already dancing in the square in the middle."

Hearing what the Ninth Prince of the Sun God Clan said, the eldest princess's eyes flashed slightly, and then suddenly she stretched out her white palm, took Ye Feng's arm next to her, and said with a smile, "I'm sorry, I won't be here tonight." Already have a dance partner."

"What?"

At this moment, seeing the fairy-like eldest princess holding the arm of a young man in white beside her, the ninth prince of the Sun God Clan was stunned for a moment, and then his face suddenly became gloomy.

When Ye Feng saw this scene, he immediately showed a look of helplessness on his face, and thought to himself, the party hasn't even started yet, and the first arrow of his shield has already been shot. It seems that tonight is destined to be a disaster. So peaceful.

Chapter 4662 You are slandering

Although Ye Feng was very helpless about this situation and felt very bored, Ye Feng also knew that the main purpose of accompanying the eldest princess to this party this time was to be the eldest princess's shield.

This is his job, so Ye Feng naturally does his best, otherwise there would be no integrity at all.

So at this moment, Ye Feng actually reached out a hand and took the little white hand that the eldest princess held on his arm. Then he smiled slightly and looked at the ninth prince of the Sun God Clan in front of him. He said out loud, "Yes, the eldest princess and I have been in love for many years. It is our common choice to make it public this time."

"What??"

After hearing what Ye Feng said, not to mention the ninth prince of the Sun God Clan, even the eldest princess standing aside was slightly startled.

Then the eldest princess couldn't help but secretly roll her eyes at Ye Feng. She didn't expect that Ye Feng would add drama to her like this. He even reached out and held her little hand, taking advantage like crazy. This naturally didn't occur to the eldest princess. .

However, the eldest princess rolled her eyes at Ye Feng, and in the eyes of the ninth prince of the Sun God Clan opposite, it was like a flirtation between lovers.

This made the ninth prince of the Sun God Clan even more gloomy.

Because in the eyes of the ninth prince of the Sun God Clan, Ye Feng, the young man in white, was just an insignificant person. He didn't pay attention at all at first, thinking he was just a servant brought by the eldest princess.

Unexpectedly, this young man in white clothes turned out to be the cultivation partner brought by the eldest princess to attend this party together. Moreover, the behavior between the two was so intimate that the ninth prince of the Sun God Clan had to believe that the eldest princess really practiced cultivation. I have a friend, and it's this ordinary-looking boy in front of me.

This naturally made the ninth prince of the Sun God Clan extremely envious and jealous.

Because he knows very well that the eldest princess is a magnificent figure, not only has a beautiful and stunning appearance, but also has strong strength, and behind it is the most powerful person from the Ten Thousand Demon Interface.

The master of the glorious land of Zhongzhou, so the eldest princess can be said to be a well-known figure in the entire area formed by the Northern Territory, the Southern Barbarian Land and the Great Wilderness. She is a gorgeous and unparalleled goddess that many people can only watch but cannot touch. level person.

But such a goddess-level figure has now become a training partner with an ordinary-looking boy. This naturally makes the ninth prince of the Sun God Clan feel extremely unhappy.

Because he felt that an ordinary-looking boy like Ye Feng was not worthy of the princess at all.

Moreover, the ninth prince of the Sun God Clan did not suspect that the eldest princess and Ye Feng were acting because the two of them were really very intimate.

Because the Ninth Prince of the Sun God Clan knew very well that it was impossible for a person as elegant and cold as the eldest princess to let a strange man have such close contact with her, even if it was just for acting.

So at this time, the ninth prince of the Sun God Clan immediately stared at Ye Feng, with deep hostility in his eyes.

He did not dare to directly target the eldest princess, but towards a small person like Ye Feng, the ninth prince of the Sun God Clan naturally had a condescending attitude.

However, Ye Feng smiled slightly at this moment and was not moved at all. He was not afraid because the ninth prince of the Sun God Clan looked at him with hostile eyes.

On the contrary, Ye Feng's eyes were full of indifference.

Seeing Ye Feng's indifferent look, the ninth prince of the Sun God Clan suddenly twitched the corners of his eyes.

This kid is really bold.

How dare you show such indifference in your majestic eyes, it's really presumptuous.

If you follow what the ninth prince of the Sun God Clan usually does,

Fa, he probably had already taken action against Ye Feng, and even killed Ye Feng directly on the spot, in order to eliminate the envy, jealousy and hatred in his heart.

But now that the eldest princess is here, and she is still holding Ye Feng's arm, even if the ninth prince of the Sun God Clan looks down on Ye Feng, he can't take action directly. After all, he still has to take the eldest princess's face into consideration.

At this moment, the ninth prince of the Sun God Clan just stared at Ye Feng, with a seemingly threatening smile on his face, and said loudly, "To be favored by the magnificent princess, it seems that this dear friend is definitely a good one." He is an extremely powerful super genius, and his origins must be very extraordinary and noble. I wonder what kind of power or super sect this man comes from? "

Hearing what the Ninth Prince of the Sun God Clan in front of her said, the eldest princess's eyes moved slightly, as if she didn't expect that the other party was actually being serious.

But the eldest princess knows very well that Ye Feng has no background.

But before the eldest princess could say anything, Ye Feng smiled slightly and said, "The power I come from is beyond your imagination."

"What?"

Hearing what Ye Feng said, the ninth prince made of the sun god suddenly showed a look of astonishment in his eyes. He never expected that Ye Feng would say such domineering words.

This made the ninth prince of the Sun God Clan suddenly show deep anger in his eyes.

Obviously Ye Feng was belittling himself.

However, the Ninth Prince of the Sun God Clan suppressed his anger at this time, stared at Ye Feng, and said loudly, "In the Northern Territory, Southern Barbarians and Great Wilderness, as long as they are talents from the super powers, I basically know many important people. I know them all, but I have never met you, and your cultivation aura doesn't seem to be very impressive, so you come from a powerful force that I can't imagine. I feel like you are bragging about yourself, right?"

Hearing the sarcastic words of the ninth prince of the Sun God Clan, Ye Feng smiled faintly, not panicking at all, but said slowly, "I am not bragging about myself. I think the one who really brags about himself should be you, the Sun God Clan." Bar."

"joke!"

Hearing what Ye Feng said, the ninth prince of the Sun God Clan immediately spoke out very arrogantly, "We, the Sun God Clan, are the dominant race in the wilderness. This ancient temple is all in the hands of my Sun God Clan. Even if You, the Blood Demon Dynasty, including other overlords in the Northern Territory, as well as people from the Southern Barbarian Empire, must maintain basic awe when they see us, the Sun God Clan. Do you think we, the Sun God Clan, are bragging about ourselves? We rely on inheritance from the ancient sun? The noble bloodline of the gods and the powerful heritage of the gods have conquered all corners of the world. Who dares to be disrespectful to our Sun God Clan? However, your vision is too low and you do not understand the dignity of our Sun God Clan. "

At this moment, the ninth prince of the Sun God Clan was speaking, his tone full of aloofness towards his noble status and contempt for Ye Feng.

Not only was Ye Feng not angry at this time, but he suddenly laughed, and then said aloud, "But I heard from others that you, the Sun God Clan, are just claiming to be a God Clan, but in fact they are just inheriting a trace of the blood of the ancient Golden Crow Divine Beast. Just a bunch of ordinary aliens."

"What? You...!"

Hearing what Ye Feng said at this moment, the ninth prince of the Sun God Clan immediately turned pale and furious, like a cat whose tail was stepped on.

Because this is the reverse scale that belongs to their Sun God Clan, and it is also the most secret secret of their Sun God Clan. No one knows that their Sun God Clan is just a race that inherits the bloodline of some ancient Golden Crow beasts, but this huge secret actually Ye Feng said it directly on the spot?

The ninth prince of the Sun God Clan immediately panicked, even a little at a loss, and shouted, "Shut up! You are slandering! Shut up!"

Chapter 4663 Interesting People

Looking at the helpless but furious ninth prince of the Sun God Clan in front of him, even the eldest princess next to Ye Feng was stunned at this time.

The eldest princess had planned to watch the show and thought Ye Feng's words were quite interesting. However, she did not expect that the eldest princess would hear such a big secret that even the eldest princess herself did not know.

Moreover, after Ye Feng said such words, the face of the Ninth Prince of the Sun God Clan across from him suddenly turned livid, indicating that what Ye Feng said was right and he was not talking nonsense.

This made the eldest princess suddenly have a look of deep surprise in her eyes. She glanced at Ye Feng beside her, as if she didn't expect that Ye Feng actually knew such a huge secret.

Originally, in the eyes of the eldest princess, the Sun God Clan, as the dominant race in the wilderness, was an unfathomable and super powerful race, with the blood of the ancient sun gods flowing through them.

Unexpectedly, the Sun God only inherited the blood of some ancient Golden Crow beasts, and was not a clan of gods inherited from the Sun God as they claimed.

At this time, Ye Feng showed a rather relieved smile in his eyes.

Because the ninth prince of the Sun God Clan was really a little too arrogant, and he dared to act so arrogant in front of himself, Ye Feng naturally had to teach him a lesson.

At this moment, the eyes of the ninth prince of the Sun God Clan were extremely gloomy. He stared at Ye Feng, took a deep breath, and said slowly, "Who are you? You must not say what you just said." , otherwise, you will become the enemy of our entire Sun God Clan, and we will hunt you to the heavens and the earth until you die!"

Hearing the words of the Ninth Prince of the Sun God Clan in front of him, Ye Feng also had a look of surprise in his eyes.

Originally, Ye Feng's words were just to tease and suppress the arrogance of the ninth prince of the Sun God Clan.

I didn't expect that the ninth prince of the Sun God Clan would actually say what he said.

The reaction was so great that Ye Feng didn't expect it.

It seems that this Sun God Clan really cares about their own face.

Seeing such a stiff scene on the court, the eldest princess had no choice but to stand up and prepare to lighten the atmosphere. She smiled and said, "The ninth prince doesn't need to be so serious. Ye Feng is just joking."

Ye Feng also smiled slightly at this moment, looking at the Ninth Prince of the Sun God Clan in front of him, he smiled and said indifferently, "Ninth Prince, the eldest princess is right, I was just joking, why do you react like this?" Big? We are all civilized people, so why bother to fight and kill each other? This time I am accompanying the eldest princess to the gathering at the ancient temple, and I don't want to start a fight with others casually, so as not to ruin the harmonious atmosphere here. "

Hearing what Ye Feng said, the face of the ninth prince of the Sun God Clan was still very ugly.

He just stared at Ye Feng and said slowly, "No matter who you are, please don't say such casual slanderous words in the future. This is related to the glory of our Sun God Clan. It cannot be blasphemed casually. We The Sun God Clan is a regular bloodline inherited from the noble Sun God, and we are the regular Sun God Clan!"

Hearing what the ninth prince of the Sun God Clan in front of him said, Ye Feng immediately shrugged and said, "Yes, yes, you are a regular Sun God Clan."

Hearing what Ye Feng said, the ninth prince of the Sun God Clan seemed to be satisfied. He just snorted coldly and left the scene.

Seeing this scene at this time, the eldest princess couldn't help but look at Ye Feng and said loudly, "In so many years, this is the first time I have seen people from the Sun God Clan suffer. In every gathering before, the Sun God Clan As the organizer, as the dominant race in the entire wilderness,

You have always been arrogant, condescending, and don't put anyone in your eyes. But I didn't expect that this time, Ye Feng, you didn't even make a move. You just said a few words and made the other party feel at a loss. It was really interesting. . "

Hearing what the eldest princess said, Ye Feng smiled indifferently and said, "Don't say that these Sun Gods are just aliens who inherit the blood of some ancient Golden Crows. Even if they are really the Sun Gods who inherit the Sun God, I I don't take it lightly, I have always believed that I am the strongest. As long as I am given time and enough training resources to grow, who dares to claim to be invincible in front of me, and who dares to remain invincible under me? "

Hearing what Ye Feng said, the eldest princess immediately glanced at Ye Feng in surprise, couldn't help but smile and said, "I usually see you being gentle and quiet, but I didn't expect you to have such an arrogant side, especially in this situation." When facing foreigners."

Ye Feng nodded, smiled and said, "I've always been like this."

When he said this, Ye Feng glanced at the little hand he was holding and said loudly, "The nine princes of the Sun God Clan have left. Does the eldest princess still want to continue acting?"

When the eldest princess saw what Ye Feng said, she immediately came to her senses and quickly withdrew her little hand. Then she couldn't help but roll her eyes at Ye Feng and said loudly, "I said before, I will take the initiative myself, no When I think about you adding drama to yourself and holding my hand, if it were anyone else, I would have chopped off his hand."

When Ye Feng heard what the eldest princess said, he immediately grinned and said, "Since you want to act, then act more realistically, otherwise it will be embarrassing if others find out. You see, the ninth prince was so angry that he left. If I don't bother you anymore, it means I'm doing the right thing."

When he said this, Ye Feng seemed to have thought of something and said aloud, "By the way, I just made fun of and suppressed the arrogance of the ninth prince of the Sun God Clan. It shouldn't ruin your relationship with the Sun God Clan this time."

The cooperation plan of the gods. "

In fact, Ye Feng doesn't care, but after all, he is accompanying the eldest princess to the party this time, and Ye Feng doesn't want to mess up the eldest princess's affairs. After all, he has received a generous reward from the eldest princess, and sometimes he naturally has to do it for the eldest princess. Princess, think about it.

Hearing what Ye Feng said, the eldest princess immediately shook her head and said, "No, the ninth prince of the Sun God Clan is just a person who comes to talk on behalf of the Sun God Clan. The

real cooperation between me and the Sun God Clan will not be because of These little things are delayed, but I still want to thank you Ye Feng this time. Otherwise, I still don't know how to perfectly refuse the invitation of the ninth prince of the Sun God Clan. If I refuse directly, I will definitely leave a bad mark for the Sun God Clan. Good impression, but Ye Feng, help me refuse. All the bad impressions of this ninth prince of the Sun God Clan are all on you. This is a perfect result for me, but you can be regarded as provoking a Sun God Clan. The Ninth Prince of the Sun God Clan, but after all, you were targeted by the Ninth Prince of the Sun God Clan because you were trying to help me, so if the Ninth Prince of the Sun God Clan comes to trouble you, I will secretly help you settle it."

Hearing what the eldest princess said, Ye Feng immediately smiled and said, "It doesn't matter, if that ninth prince of the Sun God Clan dares to come to me for trouble, I will let him know what regret is. Princess, you should You don't really think that I'm just relying on my mouth to get through today, do you? Although I suppressed the arrogance of the ninth prince of the Sun God Clan with a few words just now, if he really dares to attack me, I will use my hands. It will also severely suppress his arrogance."

Hearing what Ye Feng said, the eldest princess couldn't help but smile immediately, and then said loudly, "Ye Feng, you are such an interesting person. It seems that I brought you right here this time."

While the two were talking, a figure suddenly walked up not far away. When she saw Ye Feng, she immediately said in shock, "Ye Feng, why are you here?"

Chapter 4664 Naming

At this time, Ye Feng suddenly heard someone calling him and immediately looked in the direction of the voice.

This look immediately revealed a look of surprise in Ye Feng's eyes.

Because the person calling her was actually Tang Youyou, Miss Tang from the black market.

Ye Feng's eyes suddenly showed a look of astonishment. He didn't know why Tang Youyou would appear in such a private gathering.

Because according to what the eldest princess said, the people invited to such private gatherings are usually important figures from major domains or major forces.

But Ye Feng suddenly thought that Tang Youyou, as the eldest lady of the black market, could be considered an important person.

After all, the black market is also a very mysterious and unpredictable existence in the entire Northern Territory.

Moreover, Ye Feng knew very well that the real person in charge of the black market, Miss Tang Youyou's father, was the biological brother of the Queen Mother of the West in his head.

That was an extremely terrifying ancient figure, very terrifying.

At this time, Ye Feng immediately looked at Tang Youyou and couldn't help but said, "Miss Tang, how come you suddenly appear here? Are you specially invited here?"

Tang Youyou walked directly in front of Ye Feng at this time, and then said with a smile, "Yes, I was also invited to attend this private party. I didn't expect you, Ye Feng, to be here too."

At this time, Tang Youyou was talking, and suddenly glanced at the eldest princess not far behind Ye Feng, with a look of surprise in her eyes.

Because Tang Youyou, as the eldest lady of the Black Market of the Blood Demon Dynasty, knew every member of the Blood Demon Dynasty very well, Tang Youyou immediately recognized the true identity of the eldest princess.

At this time, Tang Youyou couldn't help but approached Ye Feng and whispered, "Ye Feng, how did you get to meet this eldest princess? This eldest princess is mysterious and unpredictable, but our Blood Demon Dynasty Among them, the younger generation is the most mysterious

She is also the most powerful character. It is said that she is very aloof and never interacts with other people, especially the opposite sex. But looking at her, she seems to have a very happy conversation with you. Why is this? "

Hearing Tang Youyou's question, Ye Feng immediately smiled and said, "Because this time I am accompanying the eldest princess to this party, and I am now the eldest princess's dance partner."

"Are you the princess's dance partner?"

When Tang Youyou heard what Ye Feng said, he immediately widened his eyes slightly, with a look of deep astonishment in those beautiful eyes, and said loudly, "Ye Feng, you are really amazing. You can actually do this." Let the eldest princess take the initiative to invite you to be her dance partner. Please tell me whether you did something bad to the eldest princess secretly, so that others had to invite you to be her dance partner. "

Hearing what Tang Youyou said, Ye Feng immediately waved his hand and said loudly, "It's not as dirty as you think. The relationship between the eldest princess and I is a very normal one. This time I came to the party to become the eldest princess's dance partner. It's just a favor to the eldest princess."

When he said this, Ye Feng looked at the eldest princess not far away and found that the eldest princess was also looking this way, seeming quite interested.

Ye Feng looked at Tang Youyou and said, "I'm going to the eldest princess first."

"Wait a moment."

Tang Youyou immediately grabbed Ye Feng's arm and said loudly, "Your brother is here too, the ancient demon is over there."

After finishing speaking, Tang Youyou pointed in a certain direction not far away.

Ye Feng immediately saw a very shocked scene.

I see only the ancient evil, at this moment

He has transformed into a tall, sinister-looking young man who looks very handsome, handsome, and mighty.

At this moment, the ancient demon was chatting happily with several women from other races in the wilderness, looking very elegant.

"this....."

Seeing this scene, Ye Feng's eyes immediately revealed a look of astonishment.

I didn't expect that the ancient demon also had such a side.

It seems that since the ancient demons cooperated with Tang Youyou to develop the small world and came to this interface of ten thousand demons, they have really let themselves go and completely integrated into the normal life of all major races. .??.

At this moment, Ye Feng immediately said, "Okay, I will go say hello to the ancient demon when I have time."

Tang Youyou immediately said out loud, "Don't call me the ancient devil now. I have my own name now."

"Um?"

Ye Feng was a little surprised when he heard what Tang Youyou said, and asked aloud, "The ancient demon has given himself a name? What is it? He has really integrated into the interface of our demons."

Tang Youyou immediately smiled and said, "The ancient devil now names himself Ye Hei."

"Ye...Ye Hei?"

Hearing what Tang Youyou said, Ye Feng suddenly showed a look of deep astonishment on his face, and even the corners of his mouth twitched slightly.

What the hell kind of name did the ancient demon give himself?

Actually called Ye Hei?

Ye Feng has never seen such a weird name.

Could it be that the ancient demon felt that he was very sinister, so he named himself "black" and had the same last name as himself?

r\u003e

When Tang Youyou saw Ye Feng's stunned look, he immediately smiled and said, "Yes, the ancient demon is who you think it is. He didn't know what his surname was, so he decided to follow his good brother's surname. So he also named himself Ye. As for the name 'Hei', it seems that the ancient demons thought that he was a demon and represented a creature with dark attributes, so he gave himself a black character, so he called him Ye Hei. "

When he said this, Tang Youyou couldn't help but said jokingly, "Ye Feng, the first time I heard the ancient demon was going to call me Ye Hei, I almost didn't laugh. I suddenly Just thought of you."

When Ye Feng heard Tang Youyou's teasing words, he immediately couldn't help but shook his head helplessly and said, "There's nothing we can do about it. It was chosen by the ancient demons themselves, but their demon clan probably has a lot of respect for their name." I don't care that much, it's almost enough anyway."

When he said this, Ye Feng glanced behind him and found that the eldest princess had already waved to him. Apparently, she had been waiting for him for too long and was a little anxious.

When Tang Youyou saw this scene, he rolled his eyes and said loudly, "Hurry up and accompany your eldest princess, otherwise you will fall out of favor."

"Falling out of favor?"

Hearing what Tang Youyou said, Ye Feng couldn't help but said immediately, "I told you that the eldest princess and I are normal friends. I came to be her dance partner this time mainly to help her. Believe it or not up to you."

After saying that, Ye Feng turned around and left.

Tang Youyou looked at the back of Ye Feng walking towards the eldest princess, with a hint of dissatisfaction in his eyes, and couldn't help but said, "Ye Feng, next time we get together, I want to book you as my dance partner. "

Hearing Tang Youyou's voice behind him, Ye Feng immediately twitched the corner of his mouth slightly.

#### Chapter 4665 The Young Master of the Amethyst Dragon Clan

At this time, Ye Feng waved his hand behind him and said, "Okay, I can be your dance partner at the next party, but you have to give me an energy crystal the size of a human head as a reward."

After saying that, Ye Feng left directly.

When Tang Youyou heard what Ye Feng said, she suddenly became happy.

She finally knew why Ye Feng could come here to become the princess's dance partner. It turned out that it was not what she thought. There was a relationship between Ye Feng and the princess.

But Ye Feng got the benefits of the eldest princess.

This made Tang Youyou very happy.

Because since Tang Youyou entered the small world of ancient ruins and experienced Ye Feng, she saw Ye Feng's supreme talent and unparalleled abilities, and she has become deeply fascinated by Ye Feng.

Tang Youyou has always felt that if he had to choose a cultivation partner in the future, the best candidate would be Ye Feng.

But Ye Feng is too repulsive to intimate relationships, so Tang Youyou has never completely conquered Ye Feng, because Ye Feng is a very independent person.

This time Tang Youyou saw that Ye Feng and the eldest princess were together and felt very close, which made Tang Youyou immediately feel a sense of crisis.

But now that he knew that Ye Feng only received benefits from the eldest princess, so he pretended to be the eldest princess's dance partner, this made Tang Youyou feel happy again.

At this time, she seemed to have thought of something, and immediately a sly smile appeared in her eyes, and then she left the place.

At this moment, Ye Feng had already walked in front of the eldest princess.

The eldest princess glanced at Tang Youyou who was leaving not far away, couldn't help but smile and said: "Ye Feng, I didn't expect that despite your solitary character, you have a wide social circle, and you even know a black market boss. Miss Tang Youyou, and she seems to have a good relationship with this Miss Tang. I just saw you talking and laughing with this Miss Tang. You should

We've known each other for a long time, right? Did we know each other before I knew you? "

Hearing what the eldest princess said, Ye Feng immediately nodded and said: "Yes, before meeting you, the eldest princess, I had already met Tang Youyou, a young lady from the black market, but between the two of us, The relationship between us is not as close as you said, Princess. The relationship between me and Tang Youyou is just a cooperative relationship. "

At this time, Ye Feng suddenly thought that this ancient temple in this vast wilderness seemed not too far away from the primitive forest where the entrance to the small world of ancient ruins that he, Tang Youyou and the Seventh Prince had explored before.

At that time, before Ye Feng came to the Ancient Temple, he thought that the party would be over and he would have time to see Tang Youyou and his brother, the ancient demon, now called Ye Hei of course, to see how they developed the small world. how's it going.

Unexpectedly, they came directly to attend this party.

Ye Feng felt that the ancient demon would definitely not be invited. It should be the ancient demon who followed Tang Youyou to join in the fun.

After all, Ye Feng felt that the ancient demon had been trapped in the small world for so many years, and now that he had returned to practice in the big world like the interface of ten thousand demons, he would definitely not be willing to be lonely and join in the fun.

Ye Feng was thinking at this time, and the eldest princess suddenly said: "Since everyone is here, let's go to the square to dance."

Hearing what the eldest princess said, Ye Feng's eyes suddenly showed a look of astonishment, and he couldn't help but said: "Do you want to dance with me, the eldest princess?"

The eldest princess smiled at this time and said loudly: "Isn't it just for dancing that I let you pretend to be my practicing partner and dance partner this time? Isn't it okay?"

Ye Feng immediately

He couldn't help but shook his head and said, "I can't dance."

The eldest princess's noble and cold face immediately revealed a smile, and she said loudly: "I don't know how to do it either, let's learn from others."

After saying that, the eldest princess just forced Ye Feng to walk into the square.

Then Ye Feng was surprised to find that the eldest princess, who had always been noble and cool, had somehow been stimulated, and she actually stretched out her two hands and put them on her waist, and then put her hands on her shoulders. Get ready to dance.

This made Ye Feng's eyes suddenly show a look of surprise. He didn't expect that the eldest princess suddenly became so active and so close. Just now, the eldest princess even said that she wanted to chop off her own hand.

Ye Feng suddenly thought about the scene where he was talking to Tang Youyou before. Could it be that the eldest princess was too close to Tang Youyou?

However, Ye Feng was too lazy to think about anything at this time. In any case, he had received a generous reward from the eldest princess. Tonight, whatever the eldest princess said would be whatever he said.

So at this time, Ye Feng just let nature take its course and danced with the eldest princess in the square.

But before they danced for a while, a handsome young man wearing a purple robe and a dragon horn on his head walked over.

This handsome young man in a purple robe with a tall head, his eyes seemed to have a trace of imperceptible envy, walked up to the two of them, smiled and said: "It turns out that she is the eldest princess of the noble Blood Demon Dynasty. , I didn't expect that you had chosen your dance partner in advance this time, but I still want to ask, wouldn't it be disrespectful for Her Royal Highness to dance with such an ordinary little person? If Her Royal Highness really wants to dance? , you don't have to choose some crooked dates like this, you can directly invite the noble young master of the Amethyst Dragon Clan like me to dance. Although our Amethyst Dragon Clan is not as good as the Sun God Clan in the wilderness,

But I can be regarded as one of the dominant races in the wilderness, and my status is completely worthy of the beautiful and noble princess. "

When the young master of the Amethyst Dragon Clan said this, the eldest princess immediately smiled and said, "I'm sorry, I already have my exclusive dance partner tonight, Ye Feng."

When Ye Feng saw the eldest princess saying this, he knew that the other party would definitely use him as a shield again.

At this time, Ye Feng finally understood why the eldest princess gave him such a generous reward to accompany her to this party tonight.

It seems that this kind of upper-class gathering that brings together celebrities and important figures from various major forces and races may indeed encounter all kinds of troubles, especially the harassment from the self-righteous young geniuses from other major forces. .

It is estimated that the eldest princess has been harassed before when attending such gatherings, so this time she found Ye Feng as a shield.

At this time, when Ye Feng faced this arrogant young master of the Amethyst Dragon Clan, his eyes did not show any fear, because when facing the ninth prince of the Sun God Clan, the dominant race in the wilderness, Ye Feng directly The verbal ridicule made the other party angry, let alone this Amethyst Dragon Clan, which was not even comparable to the Sun God Clan.

At this moment, Ye Feng stared at the young master of the Amethyst Dragon Clan in front of him. After a moment of sensing, he immediately discovered that the other person's cultivation aura was

indeed quite powerful. It was actually a whole level higher than his current cultivation level. Big realm.

But Ye Feng was not afraid.

Because Ye Feng's combat power is really ridiculously strong.

So at this time, Ye Feng immediately smiled, and then under the stunned gaze of the eldest princess, Ye Feng directly stretched out his hand, hugged the eldest princess's waist, and said very naturally: "This Brother, I'm sorry, but the princess won't dance with anyone else tonight except me."

Chapter 4666 Envy and Jealousy

At this time, feeling Ye Feng's natural embrace around her waist, and seeing that Ye Feng was adding to her drama, the princess couldn't help but give Ye Feng a cold look.

However, the princess didn't resist.

The reason for not resisting was that if she resisted now, her acting with Ye Feng would be exposed and others would find out that she was abnormal.

The second reason was that the princess suddenly felt that being taken advantage of by Ye Feng didn't seem to make her feel uncomfortable as she imagined.

In the princess's original imagination, if she was taken advantage of by a strange man, she would feel very disgusted.

So all along, the princess had never come into contact with any opposite sex, and would not even let other opposite sex get within half a meter of her.

But now the princess suddenly found that Ye Feng didn't make her hate him at all, and even the way Ye Feng stood up for her beside her made the princess feel safe and reliable for a while.

This made the princess immediately become very surprised. When did she suddenly become different from her previous self?

While the princess was thinking about this secretly, the words Ye Feng said just now made the young master of the Purple Crystal Dragon Clan in front of him look gloomy.

The young master of the Purple Crystal Dragon Clan stared at Ye Feng at this moment, his face was very cold, and he said, "Ye Feng, right? I don't care what your background is. You are definitely not as good as me. I am the young master of the Purple Crystal Dragon Clan, but I will not use the power behind me to oppress you. If you have the guts, you can fight me now, right here. The weak are not qualified to be the dance partner of a noble goddess like Her Royal Highness the Princess."

Hearing what the young master of the Purple Crystal Dragon Clan in front of him said, Ye Feng immediately showed a faint smile in his eyes and said, "Let's fight, who's afraid of who?"

Hearing When Ye Feng said this, the young master of the Purple Crystal Dragon Clan immediately showed a look of joy in his eyes, and hurriedly said, "Okay, this is what you said. I will not hesitate to hit you. If you are crippled by me, don't blame me."

At this moment, the young master of the Purple Crystal Dragon Clan was naturally very happy, because he originally thought that Ye Feng would be afraid to fight with him, but he didn't expect that Ye Feng would directly accept the challenge, so this young master of the Purple Crystal Dragon Clan was naturally very happy, because he couldn't wait to suppress Ye Feng on the spot and let Ye Feng know what a true young genius is.

Boom!

At this moment, the young master of the Purple Crystal Dragon Clan suddenly burst out with a terrifying aura of cultivation, and even radiated a brilliant purple light from his body.

Especially the purple dragon horn on his head, which at this moment emitted a very terrifying energy fluctuation, which seemed to be able to destroy everything.

It must be said that the young master of the Purple Crystal Dragon Clan is still very powerful. He is worthy of being the young master of a powerful race in the Great Wilderness. He is indeed the top genius of the young generation, and his cultivation is very strong.

At this time, the eldest princess glanced at Ye Feng beside her, and her eyes were not panicked, because the eldest princess had investigated before, and Ye Feng's strength was very strong, much stronger than it seemed on the surface.

So at this time, the eldest princess not only did not worry about Ye Feng, but looked at Ye Feng with great curiosity, as if she wanted to see what Ye Feng's real combat power was.

r\u003e

After all, the eldest princess's understanding of Ye Feng was secretly investigated before, but she had never seen Ye Feng fight in front of her.

So at this time, Ye Feng actually chose to confront the young master of the Purple Crystal Dragon Clan head-on, which made the eldest princess quite looking forward to seeing whether Ye Feng was really as powerful as he had been investigated.

"What happened?"

"Why is there such a strong aura fluctuation suddenly?"

"How can there be a fight at such a beautiful dance? It ruins the atmosphere!"

At this time, the young master of the Purple Crystal Dragon Clan suddenly burst out with his own aura of power, instantly attracting everyone from all the major forces in the underground space.

Everyone couldn't help but look towards the center of the square at this moment.

The next moment, they immediately saw the young master of the Purple Crystal Dragon Clan, with brilliant purple divine light all over his body, and terrifying destructive wave energy surging on his body, as if he was about to fight against a young man in white.

"Huh?"

"What's going on?"

Seeing this scene at this moment, everyone was shocked.

It seemed that they didn't understand why the young master of the Purple Crystal Dragon Clan, such a noble young genius, would actually take action on the spot.

But the next moment, everyone immediately saw that in front of the young master of the Purple Crystal Dragon Clan, stood the eldest princess and another seemingly ordinary young man in white.

Everyone immediately understood that it seemed that the young master of the Purple Crystal Dragon Clan was trying to show himself in front of the eldest princess.

But at this time, everyone's attention was shifted to Ye Feng.

Because the name of the princess in this area was so famous, everyone regarded the princess as a lofty and peerless female figure.

Some people even predicted that the princess would become the next female emperor of the Blood Demon Dynasty, the first female emperor in the history of the Blood Demon Dynasty.

So many people paid special attention to the princess of the Blood Demon Dynasty.

At this time, they saw an ordinary young man in white standing next to the eldest princess. Moreover, the young man in white was actually holding the eldest princess's waist at this moment, which made everyone stare. With eyes wide open, I never imagined that such a thing would happen.

At this moment, not to mention the young master of the Amethyst Dragon Clan, but also the young geniuses from other major races and major forces who looked over, they all felt deep envy, jealousy and hatred towards Ye Feng.

In an instant, Ye Feng attracted countless envious and jealous eyes.

Some people even couldn't help but say, "Well done, young master of the Amethyst Dragon Clan, give this boy in white a good beating for us and let him know that he can't integrate into our kind with some dirty tricks." He is not qualified to be so close to the noble and beautiful Princess, even though he is from the upper class. He must be kicked out of this party!"

Obviously, in everyone's minds, Ye Feng, this ordinary-looking young man in white, got into this party through some dirty tricks, and he didn't know what kind of rhetoric he used to make the

beautiful and noble man... The princess was deceived and took advantage of him, which naturally made many young geniuses present feel unhappy and gearing up, as if they wanted to teach Ye Feng a lesson, in order to show their so-called noble status. At this time, she felt Ye Feng's arms hugging her waist naturally, and seeing Ye Feng adding drama to her, the eldest princess couldn't help but give Ye Feng a rollicking look.

But the eldest princess did not resist.

The first reason why she didn't resist was because the eldest princess felt that if she resisted now, the secret about her acting with Ye Feng would be exposed, and others would find out that something was wrong.

The second reason is that the eldest princess suddenly felt that being taken advantage of by Ye Feng so proactively did not seem to make the eldest princess feel the uncomfortable feeling she imagined.

In the princess's original imagination, if she was taken advantage of by a strange man, she would feel very disgusted.

Therefore, the eldest princess has never been in contact with anyone of the opposite sex, and will not even let other members of the opposite sex come within half a meter of her.

But now the eldest princess suddenly discovered that Ye Feng was not annoying at all. Even the way Ye Feng stood up for her beside her made the eldest princess feel safe and reliable for a moment.

This made the eldest princess immediately become very shocked. When did she suddenly become different from her previous self?

And while the eldest princess was thinking secretly in her heart, what Ye Feng said just now made the face of the young master of the Amethyst Dragon Clan in front of her suddenly turn gloomy.

The young master of the Amethyst Dragon Clan stared at Ye Feng at this moment, with a very cold expression on his face, and said loudly, "Ye Feng, right? I don't care what your background is, you must not be as powerful as me. I am Zi Feng." Young Master of the Crystal Dragon Tribe, I will not use the power behind me to bully you. If you dare, fight with me now. Weak people are not qualified to be the dance partner of a noble goddess like Her Royal Highness."

Hearing what the young master of the Amethyst Dragon Clan in front of him said, Ye Feng immediately showed a faint smile in his eyes and said, "Let's fight, who is afraid of whom?"

Hearing what Ye Feng said, the young master of the Amethyst Dragon Clan immediately showed a look of joy in his eyes, and said quickly, "Okay, this is what you said, my action is not serious. If you are disabled by me, Don't blame me."

At this moment, the young master of the Amethyst Dragon Clan was naturally very happy, because he originally thought that Ye Feng would be afraid of fighting him, but he did not expect that Ye Feng actually accepted the challenge directly, so this made the young master of the Amethyst Dragon Clan feel naturally He was very happy because he couldn't wait to suppress Ye Feng on the spot and let Ye Feng know what a real young talent is.

Boom!

At this moment, the young master of the Amethyst Dragon Clan suddenly erupted with a terrifying aura of cultivation, and his body even emitted a bright purple light.

Especially the purple dragon horn above his head was emitting a very terrifying energy fluctuation at this moment, which seemed to be able to destroy everything.

It has to be said that the young master of the Amethyst Dragon Clan is still very powerful. He is worthy of being the young master of a powerful race in the wilderness. He is indeed the most talented young man of the younger generation, and his cultivation is very powerful.

At this time, the eldest princess glanced at Ye Feng beside her, and her eyes were not panicked, because the eldest princess had investigated before and found that Ye Feng was very strong, much stronger than it seemed.

So at this time, the eldest princess not only did not worry about Ye Feng, but looked at Ye Feng very curiously, as if she wanted to see what Ye Feng's real combat power was.

☺

After all, the princess' previous knowledge of Ye Feng was from secret investigations, but she had never seen Ye Feng take action in front of her.

So at this time, Ye Feng actually chose to go head-to-head with the young master of the Amethyst Dragon Clan, which made the princess look forward to it to see if Ye Feng was really as powerful as the investigation revealed.

"what happened?"

"Why is there such a powerful aura fluctuation all of a sudden?"

"How could there be a fight in such a beautiful dance? It would ruin the atmosphere!"

At this time, the young master of the Amethyst Dragon Clan suddenly burst out with his aura of power, instantly attracting everyone from all the major forces in the underground space.

Everyone couldn't help but look towards the middle of the square at this moment.

The next moment, they saw the young master of the Amethyst Dragon Clan, his whole body glowing with bright purple divine light, and his body surging with extremely terrifying destructive wave energy. He seemed to be fighting against a young man in white.

"Um?"

"What's happening here?"

Everyone was shocked when they saw this scene at this moment.

It seemed that he didn't understand why the young master of the Amethyst Dragon Clan, such a noble young genius, would actually take action on the spot.

But the next moment, everyone suddenly saw that in front of the young master of the Amethyst Dragon Clan, stood the eldest princess and another young man in white who seemed to be ordinary.

Everyone immediately understood. It seemed that the young master of the Amethyst Dragon Clan was trying to express himself in front of the eldest princess.

But at this time, everyone's eyes turned to Ye Feng.

Because the name of the eldest princess is so famous in this area, everyone regards the eldest princess as a high-ranking, peerless and graceful female character.

Some people even predicted that the eldest princess would become the next generation empress of the Blood Demon Dynasty and the first female emperor in the history of the Blood Demon Dynasty.

Therefore, many people pay special attention to this eldest princess of the Blood Demon Dynasty.

At this time, they saw an ordinary young man in white standing next to the eldest princess. Moreover, the young man in white was actually holding the eldest princess's waist at this moment, which made everyone stare. With eyes wide open, I never imagined that such a thing would happen.

At this moment, not to mention the young master of the Amethyst Dragon Clan, but also the young geniuses from other major races and major forces who looked over, they all felt deep envy, jealousy and hatred towards Ye Feng.

In an instant, Ye Feng attracted countless envious and jealous eyes.

Some people even couldn't help but say, "Well done, young master of the Amethyst Dragon Clan, give this boy in white a good beating for us and let him know that he can't integrate into our kind with some dirty tricks." He is not qualified to be so close to the noble and beautiful Princess, even though he is from the upper class. He must be kicked out of this party!"

Obviously, in everyone's minds, Ye Feng, this ordinary-looking young man in white, got into this party through some dirty tricks, and he didn't know what kind of rhetoric he used to make the beautiful and noble man... The princess was deceived and took advantage of him, which naturally made many young geniuses present feel unhappy and gearing up, as if they wanted to teach Ye Feng a lesson, in order to show their so-called noble status.

Chapter 4667 is a bit outrageous

At this time, Ye Feng was so close to the noble and beautiful Princess, which naturally made all the young geniuses present feel very envious and jealous.

So at this time, when they saw the young master of the Amethyst Dragon Clan directly targeting Ye Feng, everyone rushed to applaud, hoping that the young master of the Amethyst Dragon Clan would teach Ye Feng, an unknown boy, a lesson and let him know, It is impossible for a weak and ordinary boy like him to come into contact with such a noble person as Her Royal Highness the Princess.

At this time, Ye Feng took a step forward from the eldest princess, looked at the young master of the Amethyst Dragon Clan, smiled slightly, and said, "If you want me to fight with you, you have to make some bets, otherwise If so, wouldn't my action be in vain?"

"You...why do you have so many things going on?"

Hearing what Ye Feng said, the young master of the Amethyst Dragon Clan immediately showed a look of anger on his face. He didn't expect Ye Feng to be so arrogant and even want to place a bet with him.

But now the young master of the Amethyst Dragon Clan hopes that Ye Feng can confront him quickly, so that he can suppress Ye Feng on the spot and make Ye Feng suffer.

So at this time, the young master of the Amethyst Dragon Clan is naturally very easy to talk to, as long as Ye Feng is willing to fight him.

At this moment, the young master of the Amethyst Dragon Clan immediately said, "Okay, what bet do you want?"

Ye Feng smiled slightly and said, "Then it depends on whether you can bring out something that makes me feel precious."

Hearing what Ye Feng said, the young master of the Amethyst Dragon Clan took out a piece of purple crystal from his storage ring without any hesitation.

This piece of purple crystal is shaped like a sword and looks very sharp, but it is completely a natural piece of amethyst.

At this moment, the young master of the Amethyst Dragon Clan immediately said, "This is an extremely high-grade energy amethyst. It is a crystal that is unique to our Amethyst Dragon Clan and contains rich energy. It contains very high-grade amethyst energy. for any race

Practitioners have huge benefits. This is my bet. If you win, this piece of energy amethyst is yours. But if you lose, you will kowtow three times in front of me and stay away from the world from now on. Princess. "

Hearing what the young master of the Amethyst Dragon Clan in front of him said, Ye Feng immediately smiled and said, "I won't lose."

After finishing speaking, Ye Feng stared at the piece of energy amethyst, with a look of deep interest in his eyes, and said loudly, "But your bet is quite good, okay, then let's fight."

After saying that, Ye Feng slowly stretched out a hand and said, "Let you take action first, lest you don't have the chance to take action later."

"Arrogant! Arrogant!"

At this moment, the young master of the Amethyst Dragon Clan roared angrily, and then finally couldn't bear it any longer, and completely unleashed his extremely powerful cultivation power.

You know, Ye Feng's current cultivation level is in the first level of the Divine Movement Realm, but as the young master of the Amethyst Dragon Clan, as the young master of the dominant race in the wilderness, his cultivation strength is naturally very terrifying.

His cultivation aura has surpassed the current cultivation realm of the Divine Dynamic Realm, and he is a powerful existence at the level of Fusion Dao Realm above the Divine Dynamic Realm.

So at this time, when the young master of the Amethyst Dragon Clan burst out with his terrifying cultivation aura, everyone present could not help but gasp.

There were people on the field who couldn't help but exclaimed in surprise, "As expected of the young master of the Amethyst Dragon Clan, his cultivation strength is indeed terrifying, even comparable to that of many elders and powerful men from major forces."

Others immediately agreed and said in amazement, "Indeed, although the Amethyst Dragon Clan is not as dominant as the Sun God Clan in the wilderness, the Amethyst Dragon Clan is

It can be regarded as a dominant race in the wilderness. It is not surprising that the young master of their race has such a strong strength. It seems that the human boy next to the eldest princess will be taught a terrible lesson. "

At this moment, an amethyst sword appeared in the hands of the young master of the Amethyst Dragon Clan, and the dragon horn on his forehead emitted a terrifying purple light of destruction.

At this moment, the young master of the Amethyst Dragon Clan stared at Ye Feng not far away, and said coldly, "For the sake of the eldest princess, I will not kill you, but I will teach you a lesson." Dun, let me let you know that if a humble boy like you sneaks into a gathering of celebrities like ours, the consequences will be miserable. "

Boom!

At this moment, the young master of the Amethyst Dragon Clan was exuding a bright purple light. He was tall and majestic, looking like a purple god of war. He held the amethyst sword in his hand and struck directly at Ye Feng. Cut it away!

"boom!"

An earth-shaking purple sword light instantly burst out from the amethyst sword in his hand.

Obviously, the amethyst long sword in his hand should also be a treasure made of a very high-level energy amethyst, so every time the young amethyst dragon clan takes the initiative to use this amethyst long sword, the sword itself can give him Blessing power.

At this moment, everyone present saw Ye Feng standing there, still motionless.

After seeing this scene, someone immediately laughed sarcastically, "It seems that this boy has been frightened by the fighting power of a top talent like the young master of the Amethyst Dragon Clan. He stood motionless on the spot."

"Um?"

At this time, even the eldest princess had a look of confusion in her eyes, as if she didn't understand why Ye Feng, who was standing in front, was motionless.

Could it be that he was really frightened like everyone around him said?

The eldest princess suddenly became

There was a faint look of disappointment in his eyes. It seemed that Ye Feng was much weaker than what she was investigating, and her expectations were somewhat disappointed.

But almost the next moment, what shocked countless people was.

Ye Feng suddenly stretched out a hand simply.

That hand suddenly grew in size quickly, and turned into a huge golden hand, like a golden mountain, with a terrifying sense of oppression. The crystal sword was shattered to pieces.

Boom!

Then the big golden hand, like the palm of the ancient Buddha, descended from the sky, full of irresistible power, and suddenly blasted such an extremely talented young master of the Amethyst Dragon Clan from the sky. When he reached the ground, he pressed his big golden hands on the back of the young master of the Amethyst Dragon Clan, forcing him to the ground. He knelt on the ground, unable to raise his head at all.

"What??"

Seeing this sudden scene, the people around who were still laughing and mocking suddenly had a look of deep horror on their faces.

The eldest princess, who was a little disappointed just now, stared at Ye Feng's back for a moment, and a look of deep astonishment suddenly appeared in her beautiful and noble eyes.

No one thought that Ye Feng was so strong, it was ridiculously strong!

Suppressing a young master of a wild race like the peerless young master of the Amethyst Dragon Clan with one hand?

You must know that the young master of the Amethyst Dragon Clan is not an ordinary genius, but a top talent in the wilderness and a well-known figure.

But being suppressed by an unknown young man like Ye Feng with just one hand?

This is really shocking to the extreme!

At this moment, the field suddenly fell into a dead silence!

Chapter 4668 Not serious yet  
quiet!

Deadly quiet!

At this moment, countless people in the entire field suddenly fell into deep silence.

Because no one thought that Ye Feng's cultivation would be so powerful.

Oh no, it shouldn't be said that Ye Feng's cultivation level is powerful, because everyone can sense that Ye Feng's cultivation level is much weaker than that of the young master of the Amethyst Dragon Clan.

It can only be said that Ye Feng's fighting power is too powerful.

With just one hand, he directly suppressed the young master of the Amethyst Dragon Clan.

At this time, the young master of the Amethyst Dragon Clan, who was kneeling on the ground under the pressure of Ye Feng's golden hands, suddenly felt a deep shame, but also a deep sense of powerlessness.

The young master of the Amethyst Dragon Clan immediately shouted angrily, "No! This is impossible!! How can you be so powerful??"

At this time, the young master of the Amethyst Dragon Clan was forced to kneel on the ground by big golden hands. He felt endless humiliation.

Because everyone present was staring at him.

You know, this gathering is attended by all major forces and important figures from all major domains. It is a gathering of celebrities.

But this time, the young master of the Amethyst Dragon Clan not only did not show off, but was suppressed by Ye Feng with one hand. He knelt on the ground, which could be said to be completely humiliating.

This time, the young master of the Amethyst Dragon Clan knew that if he did not break this situation, he would never be able to hold his head high again.

So at this time, the young master of the Amethyst Dragon Clan was naturally extremely angry. He suddenly yelled crazily, "Burn the power of blood!!!"

boom! !

At this moment, the young master of the Amethyst Dragon Clan even tried his best because the sense of shame was too strong.

At this moment, the young master of the Amethyst Dragon Clan transformed into his original appearance.

The young master of the Amethyst Dragon Clan transformed from a tall young man into a

A huge dragon with amethyst scales all over its body.

The huge and majestic dragon body suddenly pushed Ye Feng's golden hand upside down and flew out.

At this moment, the young master of the Amethyst Dragon Clan came out of trouble.

At this time, he stared at Ye Feng and yelled, "Boy, you really made me suffer so much humiliation, I must suppress you severely!!!"

Boom!

At this moment, the young master of the Amethyst Dragon Clan even burned his own bloodline power and burst out with super powerful power.

He transformed into an amethyst dragon, with a terrifying sense of oppression, and charged towards Ye Feng with his teeth and claws.

At this moment, Ye Feng smiled faintly and said, "It's useless. Even if you turn into your own body, you can't deal with me."

Almost at this moment, Ye Feng directly and completely inspired the power of the immortal body of the god.

Buzz!

At this moment, Ye Feng's entire body suddenly burst into brilliant golden light.

The next moment, under the horrified gazes of everyone, Ye Feng actually began to expand directly on the spot, directly expanding into a majestic golden giant hundreds of meters tall, full of unparalleled power.

At this moment, Ye Feng immediately waved his huge golden fist and blasted forward.

Ye Feng didn't even need to use his magic weapon or some inheritance methods. Just the power of the Immortal Body of the God was enough to deal with this young master of the Amethyst Dragon Clan.

Boom! !

At this moment, Ye Feng's golden fist was huge, full of terrifying destructive power, and suddenly hit the young master of the Amethyst Dragon Clan fiercely.

At this moment, the young master of the Amethyst Dragon Clan originally thought that he could completely suppress Ye Feng by transforming into his own body, but he suddenly discovered that Ye Feng's golden fist had an extremely terrifying impact. The moment it hit him, he felt as if he had been hit by a god-like hammer. An extremely terrifying impact was suddenly vented crazily into the body of the young master of the Amethyst Dragon Clan.

At this moment, the young master of the Amethyst Dragon Clan, even if he was completely transformed into an amethyst dragon, was unable to resist the golden fists that came one after another. He was beaten back continuously, and even the scales on his body were removed. They are all quite broken.

In the end, he was directly bombarded from high altitude and fell hard to the ground, completely dying.

Obviously, the young master of the Amethyst Dragon Clan was unable to fight against Ye Feng and was beaten badly.

"hiss!"

Seeing this scene, everyone present could not help but gasp.

Because Ye Feng's fighting power was so powerful, no one could imagine what kind of pressure and impact the young master of the Amethyst Dragon Clan had endured to lose so miserably.

Because everyone knows that it is not that the young master of the Amethyst Dragon Clan is too weak, but that Ye Feng is too powerful.

After all, the young master of the Amethyst Dragon Clan is, after all, the young master of the Amethyst Dragon Clan, a dominant race in the wilderness. Naturally, his cultivation is very powerful. He can definitely be called a first-class genius in the entire wilderness, but he was so quickly defeated by Ye Feng. They were suppressed, even beaten to the point of dying.

This shows how terrifying Ye Feng's true combat power is.

At this moment, countless people stared at Ye Feng, and suddenly they became horrified.

Originally, they thought that Ye Feng just used some dirty tricks to sneak into their so-called celebrity gathering.

But I didn't expect that Ye Feng was the real one

The most powerful one exists.

Some people couldn't help but exclaimed in amazement, "What is the identity of this genius of the human race? How come I have never heard of this person, but he has such a powerful combat power? It is estimated that there are many people in the entire Northern Territory." It can be ranked at the top. "

At this time, there was also the young female genius of the civet cat clan in the wilderness. Her beautiful eyes suddenly revealed a look of deep amazement, and she said loudly, "This supreme genius of the human race is really amazing." Well, when the battle is over, I must go over and get acquainted with him."

At this moment, the opinions of countless people present about Ye Feng immediately changed 180 degrees.

Originally, they ridiculed Ye Feng, thinking that Ye Feng was overestimating his abilities.

But now they suddenly discovered that Ye Feng was not arrogant and arrogant, but actually had such strong strength, which was a sign of confidence.

At this moment, even the eldest princess standing behind saw the whole scene on the field, and her noble and beautiful eyes revealed a look of deep amazement.

At this time, the eldest princess finally discovered that the results of her investigation of Ye Feng were completely correct. Even Ye Feng was much more powerful and mysterious than what she had investigated.

Because at that moment, Ye Feng didn't use any inheritance or magic weapon at all. He just relied on the power of his body to instantly suppress the young master of the Amethyst Dragon Clan.

This is enough to show that Ye Feng's true strength is probably far from being unleashed.

Even before Ye Feng took it seriously, the young master of the Amethyst Dragon Clan fell, which was really amazing.

This unparalleled fighting power is really amazing!

The eldest princess couldn't help but look forward to it. If Ye Feng's future cultivation level could be raised to the highest level of cultivation level currently in the Blood Demon Dynasty, then how terrifyingly would Ye Feng's combat power be enhanced?

It's scary to think about it!

Chapter 4669 Elusive

At this time, the eldest princess looked at Ye Feng with admiration.

Because the eldest princess valued Ye Feng before, it was entirely because of the results of her investigation into Ye Feng, so she felt that Ye Feng was a super genius, so she paid great attention to Ye Feng.

But nothing was as shocking as seeing it in person now.

Although Ye Feng didn't use any fancy powerful magic inheritance or martial arts when he took action just now, but the truth is often the most simple, Ye Feng's simple hand has already given the young master of the Amethyst Dragon Clan to an instant. Suppressing it is even more shocking than using those extremely gorgeous inheritance methods.

Because this is simply a crushing existence.

So at this time, the eldest princess can be said to pay more attention to Ye Feng, and her view of Ye Feng also began to slowly change.

Because she knew that an eternal genius like Ye Feng might really be beyond her control. .??.

At this moment, the entire field fell into a dead silence.

No one dared to speak loudly at this time.

Many people were still criticizing Ye Feng just now, saying that they wanted the young master of the Amethyst Dragon Clan to teach Ye Feng a lesson, but now no one dares to speak anymore because they are afraid that Ye Feng will suppress them too.

After all, even the young master of a wild overlord race like the Amethyst Dragon Clan was no match for Ye Feng. He was suppressed by Ye Feng with just one hand. Naturally, others did not dare to say anything.

At this time, the whole place suddenly fell into silence.

But Ye Feng did not waste time. At this time, Ye Feng walked directly in front of the defeated young master of the Amethyst Dragon Clan, smiled and said, "Why, do you still want to resist now?"

Hearing what Ye Feng said, the young master of the Amethyst Dragon Clan, who was lying dying on the ground, once again transformed into a human form.

But at this time, when he looked at Ye Feng, his eyes

is filled with deep fear.

At this time, he didn't dare to say anything more, because at that moment, Ye Feng's big golden hand hit him so hard that he fell to the ground, and he had no power to resist at all.

If he and Ye Feng were on a fifty-fifty basis, he might still be dissatisfied with Ye Feng.

But he was directly crushed by Ye Feng.

So the young master of the Amethyst Dragon Clan immediately understood that this ordinary-looking young man was definitely an extremely terrifying existence that he could not fight against.

And he suddenly felt that Ye Feng's origin might be very mysterious, and that the Amethyst Dragon Clan behind him might not be able to offend him.

So at this moment, the young master of the Amethyst Dragon Clan immediately lowered his head and said fearfully, "I lost."

After finishing speaking, Ye Feng smiled with satisfaction, then stretched out his hand and took the energy amethyst next to the young master of the Amethyst Dragon Clan into his own hands.

Buzz!

At this moment, Ye Feng could immediately feel that this energy amethyst indeed contained a very majestic energy. It was even more powerful than the reward the eldest princess had given to Ye Feng, and even more powerful than the energy crystal the size of a human head. The energy stored in it is even more abundant.

Ye Feng naturally showed deep joy in his eyes. At this moment, Ye Feng immediately put the energy amethyst into his storage ring, and then absorbed it silently.

At this moment, Ye Feng's cultivation aura suddenly began to break through.

Because of this energy in the amethyst

The purple energy contained was very high-level and very rich, causing Ye Feng's skill to increase tremendously at this moment.

So at this moment, Ye Feng's cultivation momentum immediately began to rise.

boom!

The second level of the Divine Movement Realm!

boom!

The third level of the Divine Movement Realm! .??.

At this moment, Ye Feng's cultivation aura suddenly broke through two heavens in a row, directly breaking through from the first heaven of the Divine Movement Realm to the third heaven of the Divine Movement Realm.

This made Ye Feng very happy.

I didn't expect that this small energy amethyst could actually make my cultivation reach two levels in a row, which was already a very big breakthrough.

After all, Ye Feng originally thought that he might just be able to break through the first level of heaven, but he didn't expect that he could break through the second level of heaven at once.

At this time, even if Ye Feng had only broken through the second level, he could feel that his skills, including his combat effectiveness, had suddenly improved a lot.

At this time, Ye Feng looked at the young master of the Amethyst Dragon Clan in front of him, smiled and said, "Why are you still standing there? Just leave."

Hearing what Ye Feng said, the young master of the Amethyst Dragon Clan got up from the ground in fear and ran away in despair.

Ye Feng didn't say anything just now, so the young master of the Amethyst Dragon Clan didn't dare to leave here rashly, for fear that Ye Feng would suddenly attack him again.

But now after getting Ye Feng's words, the young master of the Amethyst Dragon Clan ran away completely dejectedly.

Obviously, the young master of the Amethyst Dragon Clan was completely frightened by Ye Feng.

Although this young master of the Amethyst Dragon Clan usually

He may be very noble, he may be very arrogant, because after all, he is the young master of the dominant race in the wilderness, such as the Amethyst Dragon Clan.

But now, he was completely frightened by Ye Feng, because Ye Feng's crushing attack on him made the young master of the Amethyst Dragon Clan feel deep fear.

At this moment, Ye Feng didn't hesitate at all. He turned around and walked in the direction of the eldest princess.

When Ye Feng came to the eldest princess, the eldest princess immediately stared at Ye Feng with a smile and couldn't help but said, "Ye Feng, I didn't expect you to be so powerful. I investigated you and knew that you are very powerful." You are extraordinary, but I didn't expect you to be so powerful in combat."

When Ye Feng heard what the eldest princess said, he immediately smiled and said, "It's just a casual move."

When the eldest princess heard what Ye Feng said, her eyes suddenly showed deep curiosity, and she said, "I really want to know, where is the upper limit of your true combat power? Originally, I thought that you were in the Divine Movement Realm. At this level of cultivation, no matter how strong your combat effectiveness is, it is still within the range that I can predict. But now I have no way to predict what level your true combat effectiveness is because your combat effectiveness is too high. It's rare, even I have never seen a being with such incredible fighting power as you."

Obviously at this time, the eldest princess was completely shocked by Ye Feng's crushing battle just now.

Even a noble person like the eldest princess was deeply impressed by Ye Feng's powerful fighting power at this time, and she began to wonder what level Ye Feng's real fighting power was.

At this time, Ye Feng just smiled and didn't say much, because Ye Feng knew that if there was a chance in the future, the eldest princess would definitely be able to see her true fighting power with her own eyes.

Chapter 4670 Regain the situation

While Ye Feng was talking to the eldest princess, a tall young man suddenly flew over not far away.

This extremely tall young man, wearing a black robe, seemed to have an evil feeling.

At this moment, the eldest princess saw this scene and immediately couldn't help but said: "Ye Feng, it seems that someone wants to trouble you again. This person seems to be very difficult to mess with. His cultivation aura, It's so unfathomable that even I can't see through it."

When Ye Feng heard what the eldest princess said at this time, he immediately looked to his side and happened to see an evil young man in black robe flying over.

But at this time, Ye Feng suddenly laughed and said, "Brother, we meet again."

It turned out that the person flying over at this moment was actually Ye Feng's good brother, the ancient demon.

Of course, it is now called Ye Hei.

At this time, the ancient demon came directly in front of Ye Feng, gave Ye Feng a bear hug, and then laughed loudly and said: "Ye Feng, I see you again, you are really getting better now." It's getting stronger, I saw that battle just now."

Ye Feng smiled and said, "No matter how strong I am, I won't be able to catch up with you for a while."

Hearing what Ye Feng said, the ancient demon just smiled, and then said loudly: "Ye Feng, by the way, let me tell you something important, that is, I have my own name now, guess what my name is. what is it call?"

Ye Feng immediately said: "It's called Ye Hei, right?"

When the ancient demon heard what Ye Feng said, he immediately stared at Ye Feng in astonishment, and then said incredulously: "You... are really brothers, you can even guess my name in advance, it's so amazing "

Hearing what the ancient demon said, Ye Feng couldn't help but twitch the corners of his eyes immediately.

At this time, seeing Ye Feng and the ancient demon talking happily, the eldest princess on the side showed a look of surprise in her eyes.

She knew that Ye Feng had only been in the Blood Demon Dynasty for a short time, but she didn't expect that during the entire

In the Northern Territory, Ye Feng actually knew so many distinguished people.

Because those who can come to this gathering must be important figures from all major forces and major places.

Moreover, the eldest princess could clearly feel that the ancient demon, this evil-looking young man, was definitely an evil existence that was not easy to mess with. However, she did not expect that she and Ye Feng actually got along very well and even became good brothers.

This made the eldest princess immediately show deep surprise in her eyes. It seemed that she still didn't know enough about Ye Feng.

At this moment, the eldest princess walked up to Ye Feng, looked at the ancient demon in front of her, and immediately asked with a smile: "Ye Feng, please introduce your brother to me."

But before Ye Feng could say anything, the ancient demon immediately laughed and said, "My name is Ye Hei, and I am the good brother of Ye Feng."

"Ye Hei??"

When the eldest princess heard the ancient demon introduce himself and said his name, his eyelids twitched slightly.

That beautiful and noble face couldn't help but reveal a look of astonishment.

Obviously the eldest princess never thought that the young man who looked so evil would have such a funny name, Ye Hei, who looked so similar to Ye Feng.

At this moment, Ye Feng immediately pulled the ancient demon's clothes and said: "Stop talking, your name really doesn't sound good."

Hearing what Ye Feng said, the ancient demon couldn't help but said: "Ye Feng, I gave this name because of you, and you can't say it sounds nice. This makes me so sad."

Hearing what the ancient demon said, Ye Feng immediately shut his mouth, not wanting to say anything more and unable to complain.

At this moment, the ancient demon just suddenly looked away and limped away.

The young master of the Amethyst Dragon Clan stood there, chuckled, and said loudly: "Ye Feng, that boy from the Amethyst Dragon Clan was unhappy with you just now. Although you beat him up, I think it's not enough. How about we join forces?" If you secretly teach this young master of the Amethyst Dragon Clan a lesson, this boy will feel like he has a lot of wealth."

At this moment, seeing the ancient demon saying such words to Ye Feng in public, the eldest princess standing next to her immediately showed a look of astonishment in her eyes, and then couldn't help but glance at Ye Feng and said something. Said: "Ye Feng, have you and your friends often done this kind of thing before?"

Ye Feng immediately shook his head and said: "Of course not, I am a just person, how could I do such a sneaky thing, and the young master of the Amethyst Dragon Clan just now taught him a lesson, and also It's enough to get an energy amethyst."

Ye Feng naturally gave up at this time. After all, he was not in his own territory now, but in the wilderness at the junction of the Northern Territory and the Southern Barbarian Territory.

The overlord race in the wilderness is still very scary, so it's better to be careful.

Hearing what Ye Feng said at this moment, the ancient demon just curled his lips, seeming to think that Ye Feng was a little too timid.

But since Ye Feng doesn't want to pursue it anymore, the ancient demon will naturally not say anything more.

At this time, the ancient demon immediately hooked up with Ye Feng and said loudly: "Ye Feng, come with me to the other side of the square. There are many beautiful women from all major races in the wilderness. They just saw you. You look so brave and want to make friends with you, especially the little princess of the civet cat clan. She is really beautiful. She especially wants to

make friends with you. I told her that you and I are brothers and I want to marry you. Introduce her to her, Ye Feng, you must give me this face, and come with me to meet the little princess of the civet cat clan. "

Hearing what the ancient demon next to him said, Ye Feng immediately twitched the corners of his mouth. Unexpectedly, the ancient demon was still bragging about himself when he was fighting just now.

this

At this moment, Ye Feng was about to say something, but the eldest princess beside him suddenly stretched out a white palm and took Ye Feng's arm. Then he looked at the ancient demon, smiled and said: "Sorry, Ye Feng is my exclusive dance partner tonight, he can't go anywhere."

Seeing the eldest princess suddenly being so proactive and strong, Ye Feng immediately looked at the eldest princess in surprise, because the eldest princess had never been so proactive before.

But before Ye Feng could say anything at this time, the ancient demon glanced at the eldest princess, then at Ye Feng, then smiled and said, "Okay, I understand."

After saying that, the ancient demon was ready to leave here and find someone else to chat with.

Buzz!

But suddenly at this moment, a terrifying aura suddenly descended here, covering Ye Feng and the entire area around Ye Feng in an instant.

Almost at the next moment, a middle-aged man wearing purple armor flew over, holding a spear made of amethyst in his hand.

At this time, the middle-aged man in purple armor immediately stared at Ye Feng and said coldly: "You are the boy who just forced the young master of our Amethyst Dragon Clan to kneel on the ground and let him His spiritual heart is broken. Now his martial arts heart is broken, and his future spiritual path is completely ruined. This is a huge loss to our Amethyst Dragon Clan. I will settle this account with you severely. one time."

At this time, the moment the middle-aged man in purple armor finished speaking, an extremely powerful aura of cultivation suddenly burst out from his body, which was actually three realms higher than Ye Feng's current divine movement realm. !

Obviously, this is an extremely terrifying senior figure, definitely an elder-level existence among the Amethyst Dragon Clan. Unexpectedly, he came with the young master of the Amethyst Dragon Clan today, wanting to retrieve the young master of the Amethyst Dragon Clan. place.

At this time, even Ye Feng felt an extreme sense of oppression.
