### Chapter 5081 Taboo Creatures

Boom!

At this time, along with the continuous cracking of the entire stone tablet, the ground of the entire basement also began to emit a roar.

At this time, even Mo Jiuyou's face changed slightly, and he couldn't help but say: "I also sensed a very terrifying dark aura, which was about to surge out from the entire underground. This aura is very terrifying and huge, probably much stronger than when I was at my peak. It is very likely that it is at the same level as the emperor of our demon empire back then."

Hearing what Mo Jiuyou said, Ye Feng couldn't help but change his face slightly, and said aloud: "It seems that my sense is correct. The one sealed under this stone tablet should be the terrifying existence that destroyed the entire snake clan back then. You know, the snake clan is the top existence on the Ten Thousand Monsters Interface Ten Thousand Clan Ranking List. Being able to destroy the foundation of the entire snake clan is enough to show how terrifying this dark guy sealed under this stone tablet is. It is very likely to be some terrifying forbidden dark creature."

At this moment, after Ye Feng finished speaking, the speed of the three was very fast, and in a blink of an eye, they came to Xiaoya who was receiving inheritance not far away.

At this time, Ye Feng did not hesitate at all and immediately said: "Xiao Ya, we have to hurry up and leave now. Your father probably sealed a dark creature here that destroyed the foundation of your snake people. Now he is about to wake up and get out. We must hurry to leave this ancient civilization site."

Xiao Ya also opened her eyes at this time and said quickly: "Okay, Brother Ye Feng, I have completely accepted the inheritance now. Just give me a few days to integrate it into my body, and I will regain the power of the ancient snake god in the snake people."

Hearing Xiao Ya say this, Ye Feng was naturally very happy and said: "Okay, let's leave here directly."

At this time, Ye Feng had already felt that the dark creature that had been locked up for tens of thousands of years under the entire ground was about to get out.

Buzz!

At this moment, Ye Feng directly stimulated the talent of the God Clan that he had awakened before, the space wormhole.

Buzz!

At this moment, a space wormhole appeared in front of Ye Feng, and Ye Feng led several people into the space wormhole.

Swish!

When they came out from the other end, they had completely left the underground space and appeared outside the ancient civilization ruins.

Seeing this scene at this time, Zhang Kai couldn't help but exclaimed: "Brother Ye Feng, you actually know the art of space folding?"

Ye Feng smiled slightly and said: "This is not a space folding technique, but directly opening up a space channel."

Mo Jiuyou, who was standing aside, couldn't help but say: "I didn't expect you to have such a method."

At this moment, Mo Jiuyou was more and more surprised and incredible about the young man Ye Feng.

Because as the time with Ye Feng increased, the various methods Ye Feng used were simply magical to the extreme.

Even a strong man from the ancient times like Mo Jiuyou felt that Ye Feng was absolutely an incredible existence, and it was definitely not as simple as imagined. Ye Feng's identity and origin might be much more mysterious than he thought before.

At this time, Xiaoya's beautiful eyes were full of admiration. She stared at Ye Feng and said, "Brother Ye Feng is really amazing."

At this time, Ye Feng looked at the buildings behind him.

Boom!

Then the others saw that the entire building complex was shaking rapidly.

The entire ground collapsed.

Then everyone saw a huge nine-headed snake, covered with black scales, with a length of more than 100,000 meters. The nine snake heads were like nine black dragons, entwined together, giving people a very terrifying and shocking feeling, full of extreme visual impact.

Seeing this scene, Mo Jiuyou couldn't help but said in shock: "I didn't expect that the dark creature sealed under the stone tablet was actually the dark king among the dark creatures in the legend, the nine-headed snake. This is a very taboo creature. There are probably not many nine-headed snakes living in the world. I didn't expect that a forbidden dark creature, the nine-headed snake, would appear here." At this moment, Zhang Kai was completely shocked, because although he was a core member of the underground fighting field, he had never seen such a huge nine-headed snake. At this moment, Xiaoya's eyes were filled with deep anger, and she said aloud: "I remember that it was this nine-headed snake that united with another terrible dark creature to destroy the foundation of our entire snake people. In ancient times, the nine-headed snake actually believed in the god of our snake people, but in the end they betrayed the ancient snake god of our snake people, established their own sect, and even drew energy from the darkness, turning into dark forbidden creatures. They wanted to plot against our most precious thing, the snake god crystal that the ancient snake god left for our snake people, but this piece of snake god crystal had been completely refined by my father into the depths of my blood, and they didn't get it at all."

Hearing what Xiaoya said, Ye Feng's eyes flashed fiercely and he said loudly: "If you say so,

After this nine-headed snake escapes from trouble, it will definitely try its best to find you, the only orthodox inheritor of the snake people clan. It will definitely want to kill you, and then forcibly extract the ancient snake god fused in your blood and leave it to you. Your snake crystal. "

Hearing what Ye Feng said was so cruel and bloody, Xiaoya nodded immediately, with a hint of fear in her eyes, because even if Xiaoya recovered all her strength, in front of this dark taboo creature-like nine-headed serpent , that is also as weak as an ant.

At this moment, Xiaoya couldn't help but stretched out her little hand and held Ye Feng's palm, as if to gain some sense of security.

Ye Feng also held Xiaoya's hand at this time and said: "Don't worry, this nine-headed snake has just escaped from the trap and doesn't know where you are. Let's get out of here now because he may have sensed it." It's better for us to leave here as soon as possible."

At this moment, Mo Jiuyou and Zhang Kai nodded.

Several people looked at the majestic Hydra that was hundreds of thousands meters long and rushed out of the ruins not far away, and they all rushed towards the exit of the ancient ruins space.

boom!

But suddenly at this moment, a kind of terrifying coercion shrouded in the direction of several people in an instant.

The next moment, Ye Feng's eyes suddenly changed and he said loudly: "No, that nine-color snake seems to have locked onto Xiaoya's orthodox bloodline aura. He has already discovered that we are trying to escape!"

Boom!

And almost at the moment Ye Feng's words fell, the dark and majestic body of the nine-headed serpent, which was enough to support the sky, was already pressing towards several people, full of the ultimate sense of oppression, as if an ancient demon god had come and revived. Just like that, they came from the ancient mythical era to destroy the world.

Chapter 5082 It can definitely be done

Buzz!

The aura and coercion released by the nine-headed serpent were so terrifying that Ye Feng and his party immediately felt the tremendous pressure falling on them.

"Demon light shield!"

At this moment, Mo Jiuyou, who had not taken action until now, took action in an instant, and directly propped up a huge dark light shield, supporting the terrifying pressure that had just arrived for an instant.

At this moment, Ye Feng immediately saw a very dangerous scene.

The nine-headed serpent not far away stretched out a huge snake head, roaring like a black dragon, trying to swallow up all the people present.

Ye Feng immediately understood that this nine-headed snake must have sensed the aura of Xiaoya among them, and wanted to eat Xiaoya and obtain the bloodline power of the ancient snake god.

At this moment, Mo Jiuyou immediately shouted: "Heavenly Demon's Big Hand Seal!"

boom!

At this moment, Mo Jiuyou stretched out one hand toward the sky. His hand immediately turned into a huge and towering dark hand, containing the terrifying power of the starry sky demons.

"Boom!"

The demon's big hand seal of Mo Jiuyou and the black dragon-like snake head stretched out by the nine-headed serpent directly collided together, and a huge roar broke out in an instant.

And at the next moment, what made the expressions of everyone present change was that Mo Jiuyou's big hand seal of the demon was actually bombarded by the nine-headed serpent in an instant, and the armor was shattered, and Mo Jiuyou himself was taken with it. They were all severely injured, and a mouthful of blood spurted out in an instant.

"What?"

Seeing this scene, even Ye Feng couldn't help showing a trace of shock in his eyes. It seemed that he didn't expect that the nine-headed serpent that escaped from the trap had such terrifying power.

You must know that this nine-headed serpent has just escaped from the trap, and it seems that the main body cannot move completely. It must be in the weakest state. Moreover, just a snake head attacked, and Mo Jiuyou suffered heavy losses.

Ye Feng knew Mo Jiuyou's identity and strength very well. He was one of the three leaders of the Demon Empire in the ancient times. He was absolutely powerful. Even within the Daxuan Dynasty, he was definitely considered a master.

Unexpectedly, he was seriously injured by this nine-headed serpent casually attacking him.

It can be seen from this that the true strength of this nine-headed serpent is so terrifying that it may be comparable to those in charge of the top overlord forces on the land of Zhongzhou in the interface of ten thousand monsters.

"It is indeed a dark and taboo creature that was able to destroy the entire snake-man clan back then. It is truly terrifying."

Even Ye Feng couldn't help but sigh at this moment.

But at this time, the situation was very critical.

Ye Feng didn't hesitate at all and directly released his second clone, the immortal true form of the ancient demon!

Boom!

The moment the immortal demon's true form appeared, a majestic dark giant with a height of more than 100,000 meters stood beside Ye Feng, fighting directly with the giant snake head that attacked.

"Rumble..."

The entire field suddenly erupted with huge roars.

I have to say that the Immortal Demon's true form is still very fierce. After all, it was the Immortal Demon back then.

His body, which was as powerful as an ordinary god, actually withstood the attack of the snake head, which relieved a lot of pressure on the people present in an instant.

At this moment, Ye Feng didn't dare to fight at all. Taking advantage of the ancient demon's immortal body to resist the attack of the nine-headed serpent, he opened up a huge space wormhole again in an instant, and left directly with a few people around him. on site.

Of course, before leaving, Ye Feng instantly put the immortal demon's true form into his storage ring.

Not far away, the nine-headed serpent seemed not to be completely out of trouble. This taboo dark creature stared at the backs of Ye Feng and others, and made a majestic and cruel voice: "Heir of the snake people, don't think that you have run away this time. You will be safe. When I am completely out of trouble and regain all my strength, even if you escape to the end of the world, I will capture, kill and eat you, as well as the hateful person who helped you. Human race boy, I am destined to destroy you!"

The Nine-Headed Serpent roared wildly unwillingly, but Ye Feng and others could no longer hear the sound.

Because Ye Feng opened up the space wormhole, everyone followed Ye Feng and entered the space wormhole, completely far away from the central area of this small world.

Buzz!

The next moment, when everyone came out, they discovered that they had arrived at the entrance to this ancient civilization site.

At this moment, Ye Feng said directly without any nonsense: "Let's go out."

"Um."

Several people around him nodded and instantly stepped into the teleportation formation.

Buzz!

Following a burst of violent spatial fluctuations, the figures of several people appeared again. They had completely left the small world of ancient civilization ruins and returned to the wilderness outside the Daxuan Dynasty in the interface of ten thousand monsters.

At this moment, Zhang Kai's head was very flexible and he immediately said: "Brother Ye Feng, I will immediately contact the strong men guarding the underground fighting arena here and ask them to close the passage into this small world as soon as possible. In this case, that terrifying dark monster, the Hydra, won't be able to break out of that small world for a while."

"good."

Ye Feng immediately nodded.

Zhang Kai instantly rushed around to inform others to close the entrance to the small world.

At this moment, Ye Feng's face was a little solemn, he stared at Xiaoya beside him, and said loudly: "Xiaoya, it seems that you can't re-establish your snake people clan for the time being. You should follow me next time.", try to use the power of the ancient snake god's blood flowing in your body, and try to become stronger."

"Uh-huh."

Xiaoya nodded immediately, with a look of determination on her beautiful little face, and said: "Brother Ye Feng, in the future, as long as I can fully stimulate the blood power of our ancestors' ancient snake gods, and fully integrate the deep blood of my With the snake god crystal here, I will definitely grow into a more powerful being than my father. When the time comes, I will deal with that hateful nine-headed serpent monster and avenge our entire snake-man clan!"

When Ye Feng heard this, he couldn't help but smile and touched Xiaoya's head, and said loudly: "Okay, I believe Xiaoya can do it."

At this moment, Mo Jiuyou breathed a sigh of relief and said: "There should be no danger for the time being, and even if the nine-headed serpent rushed out of the small world, he would not dare to attack such a dominant force in Zhongzhou like the Daxuan Dynasty. We should leave this wilderness as soon as possible and return to the imperial city of Daxuan Dynasty, which is the safest place.

The aura and coercion released by the nine-headed serpent were so terrifying that Ye Feng and his party immediately felt the tremendous pressure falling on them.

We are acting recklessly in the territory, so we should leave this wilderness as soon as possible and return to the imperial city of the Daxuan Dynasty, where it is the safest."

Chapter 5083 Weird Old Man

Zhang Kai came back soon after he left.

But at this time, Ye Feng saw that Zhang Kai's face seemed a little ugly. Ye Feng's eyes suddenly showed a trace of thinking, and asked aloud: "Is things not going well?"

Zhang Kai nodded and said aloud: "Although I am a core member of the underground fighting arena, my words do not carry much weight. The strong men in the underground fighting arena who guard the entrance to this small world do not seem to Believe what I said, because they said that I was a bit too alarmist, and that the Hydra that appeared in the small world was not as terrifying and powerful as imagined. "

Hearing what Zhang Kai said, Ye Feng was silent for a moment, and then said: "In any case, what you should do has been done. If they don't believe it, there is nothing we can do. Let's just leave here."

Zhang Kai nodded and had no choice but to leave here now.

Next, several people directly left the entrance of this small world, returned from the wilderness, and returned to the imperial city of the Daxuan Dynasty.

It seemed that this was the first time for Xiaoya to come to such a bustling city. Her beautiful big eyes looked everywhere, as if she was very curious about everything.

Seeing this scene, Ye Feng immediately smiled and said loudly: "Xiaoya, you can follow me to the Champion House. I have a friend named Long Zhantian, who is the heir of the Hou Ye in the Champion House. , I will live there for the time being."??

Hearing what Ye Feng said, Xiaoya naturally nodded, took Ye Feng's hand, and said, "I will follow you, brother Ye Feng, now."

At this time, Ye Feng looked at Mo Jiuyou beside him and said, "Next, you can follow me to the Champion House."

Mo Jiuyou nodded and said nothing more. After all, Mo Jiuyou had promised Ye Feng that he would stay with Ye Feng to help Ye Feng in the next two years.

\u003e

At this moment, Zhang Kai clasped his fists towards Ye Feng and said loudly: "Brother Ye Feng, it is my honor to know you. If you have time, come to the underground fighting ground more often. Our brother Let's have a good time together."

Hearing what Zhang Kai said, Ye Feng immediately smiled and patted the other party's shoulder, and said loudly: "Okay, if there is a chance, I will go. The underground fighting city is a good place. If I go to make money in the future, If you take the cultivation resources, it will definitely pass."

Zhang Kai nodded when he heard what Ye Feng said, then hugged Ye Feng's fists again, turned around and walked quickly towards a certain direction of the imperial city.

For Zhang Kai, the underground fighting arena is his home. When he returns to the imperial city, he will definitely return to the underground fighting arena.

At this time, Ye Feng, Mo Jiuyou and Xiaoya, walked directly and quickly towards the champion house.

At this time, this combination is quite eye-catching.

The leader was Ye Feng, a young boy who looked handsome and elegant, followed by Mo Jiuyou, an old man who looked very cruel and vicious, and Xiaoya, a little girl who looked very cute.

Therefore, this combination immediately attracted the attention of many people on the court. Many people in the imperial city of the Daxuan Dynasty looked at Ye Feng and the three of them, thinking that this combination was quite weird and eye-catching. .

But just when Ye Feng was halfway there, suddenly an old man wearing Bagua clothes stopped the three people.

Ye Feng's eyes flickered and he said, "I wonder why this old man stopped us?"

The old man wearing Bagua clothes held an ancient compass in his hand and a scepter made entirely of gold in his other hand. He stared closely at Xiaoya next to Ye Feng. He ignored Ye Feng, but with a serious expression, he slowly said to Xiaoya: "Little guy, you must follow me. Your fate will be very miserable in the future. Only I can change your fate."

This weird old guy suddenly appeared and said such weird words, which made the three people present have a look of surprise in their eyes.

When Xiaoya saw this weird old guy, she immediately took a step back in fear, took Ye Feng's hand, and said loudly: "Brother Ye Feng, this old man is so weird."

Ye Feng frowned at this time, stared at the old man in Bagua clothes in front of him, and said loudly: "Why did the old man say such unlucky words?"

Hearing Ye Feng say something again and seeing that Xiaoya seemed to be very dependent on Ye Feng, the old man wearing Bagua clothes finally looked at Ye Feng, took a careful look, and then said aloud: " This matter has nothing to do with you, an ordinary boy, so don't interfere."

After the weird old man finished speaking, he stretched out a pair of skinny palms to grab Xiaoya.

Seeing this scene, Ye Feng's eyes suddenly turned cold and he said loudly: "Old man, don't be so shameless. Xiaoya will follow me now. There will be no problem."

After saying that, before Ye Feng took action, Mo Jiuyou who was standing aside had already taken action.

Uh-huh!

Mo Jiuyou flashed directly in front of the old man wearing Bagua clothes and stretched out a hand.

His hand immediately turned into a dark claw.

, and instantly hit the skinny palm of the old man wearing Bagua clothes.

Boom!

And almost at the next moment, a huge roar broke out when the two collided.

The next moment, Mo Jiuyou remained completely motionless, while this old man who seemed quite mysterious and weird couldn't help but take several steps back.

The old man suddenly showed a look of astonishment in his eyes, and immediately stared at Mo Jiuyou, and said loudly: "What a powerful force, I didn't expect that I could meet a super strong person among the demons here."

At this moment, Ye Feng also had a look of surprise in his eyes. Mo Jiuyou was very powerful. He was a super strong man at the level of commander in the demon empire in the ancient times. He could not be harmed by Mo Jiuyou. , just took a few steps back, which shows that this old man wearing Bagua clothes is a very extraordinary person.

After all, even Ye Feng would never be able to withstand a move in front of Mo Jiuyou, let alone fight against Mo Jiuyou.

At this time, Ye Feng stared at the old man wearing Bagua clothes and said loudly: "Old man, leave if you know how powerful he is. Only she is qualified to control Xiaoya's fate."

This time, the old man wearing Bagua clothes finally paid attention to Ye Feng, because Mo Jiuyou was so powerful, and Mo Jiuyou seemed to be protecting Ye Feng.

The old man in Bagua clothes stared at Ye Feng and said loudly: "I will follow you next. This little girl is the destined person that I have been waiting for for many years. I want to accept her as my apprentice. Of course, I will not force her, but I will follow you next. I want her to take the initiative to become my apprentice. I have been walking around the world for hundreds of years. This is the first time I meet a destined person who can inherit my mantle. I must not miss it. "

#### Chapter 5084 Resentment in heart

At this time, Ye Feng never thought that this weird old man wearing Bagua clothes would be so persistent and would follow them and would not give up until he accepted Xiaoya, a so-called destined person, as his disciple.

At this moment, Ye Feng saw that this weird old man didn't seem to have any bad intentions, and he seemed to really want to take Xiaoya, a young man, as his apprentice.

And Ye Feng also saw it just now. This strange old man seems to be very powerful and unfathomable. After all, he can fight against a strong man from the ancient era like Mo Jiuyou. This shows that this old man's cultivation strength is definitely Very extraordinary.

Moreover, the two of them just had a simple fight, and this weird old man's real cards, methods, and powerful inheritance were not displayed.

At this time, Ye Feng naturally felt that it would not be a bad thing if this weird old man followed him. After all, the opponent was very powerful, almost as strong as Mo Jiuyou.

If the other party follows you, even if he doesn't help you, staying by your side is an invisible deterrent.

However, Ye Feng still wanted to ask Xiaoya about her attitude.

At this moment, Ye Feng looked at Xiaoya beside him, smiled and asked: "Xiaoya, what do you think of this senior being your master?"

At this time, Xiaoya glanced at this weird old man with her beautiful big eyes, and then couldn't help but shrink to Ye Feng's side, and said loudly: "Brother Ye Feng, I always feel that this old man is not a good person."

"What?"

Hearing what Xiaoya said, the old man in Bagua clothes immediately frowned, almost having his nose crooked in anger, and couldn't help but said: "Little girl, if you and I were not destined to be together, I would not be willing to be contaminated. If you are the evil star of destiny, your future will definitely have huge disasters. If you are not careful, you may die, and it may even affect the death of people around you. If it is someone else, I will definitely be shocked. I can't avoid it, but you, a little girl, are destined to be part of our lineage. I have taken great risks to accept you as my disciple to help you solve the disaster. You, little girl, don't appreciate it at all and say that I am nothing. Good guy, I'm so angry!"

At this moment, seeing this weird old man say such words, my nose is almost angry.

Wrong, Xiaoya couldn't help but chuckle secretly. She seemed to think that this old man was not as strange as he thought, but rather interesting.

Xiaoya looked at Ye Feng at this time and said loudly: "Brother Ye Feng, Xiaoya will listen to you in everything. Brother Ye Feng, you make the decision."

At this time, Ye Feng saw the old man saying such serious words, nodded slightly, and said loudly: "Okay, since this old man wants to follow us so much, let's let him follow us for the time being. As for Xiaoya, whether you want to be this old man's apprentice or not, you can decide later."

Hearing what Ye Feng said, Xiaoya immediately nodded obediently.

Seeing this scene, this weird old man in Bagua clothes immediately couldn't help but said angrily: "Little girl, although you are a destiny evil star, if you can solve the disaster and gain the inheritance of our lineage, you will surely soar into the sky, and it is not impossible to become a peerless empress in the future. For a noble person like you, it is really cheap to listen to such an ordinary boy. I must cultivate your vision in the future, don't To set your sights so low."

Hearing what the old man in Bagua clothes said, Ye Feng smiled indifferently, because Ye Feng was not a stingy person, so when the other party said this, Ye Feng didn't need to explain anything.

However, Xiaoya was a little unconvinced.

Xiaoya immediately stared at the old man wearing gossip clothes and said loudly: "Old man, I don't allow you to belittle my brother Ye Feng. Brother Ye Feng is very powerful. He saved me from a very dangerous place. Out."

Hearing what Xiaoya said, the old man in Bagua clothes immediately couldn't help but puffed up his beard and said, "I am the person who will become your master in the future. It's okay to talk to the future master like this." small."

Xiaoya couldn't help but said: "You are not my master yet, and I have not agreed to let you become my master."

hear

When Xiaoya said this, the old man in Bagua clothes couldn't help shaking his head and said angrily: "I risked my life to save this little guy like you. I didn't expect that I would be so rude to you. If it were anyone else, I would have taken action a long time ago and taught you young people who don't know the heights of the world a lesson. But who told you to be related to our lineage? By the way, don't call me a weird old man in the future. Even you If you don't recognize me as master now, you should call me senior. My surname is Hong, and people in the world call me 'Old Monster Hong'."

Hearing what the old man said, Xiaoya immediately grimaced and said, "I'll tell you to blame the old man."

At this moment, Ye Feng couldn't help but shook his head and smiled, and said: "Senior Hong, since you are willing to follow us, then you can follow us, but you can't force Xiaoya to become your apprentice, otherwise, don't blame me. Nosy, I don't interfere with Xiaoya's choices, but I will never let others forcefully interfere with Xiaoya's future."

Hearing what Ye Feng said, Xiaoya couldn't help but stretched out her white little hand, grabbed Ye Feng's palm, and said very affectionately: "Brother Ye Feng is so kind to me."

The weird old man who called himself Old Monster Hong didn't say much. He just followed Ye Feng and glanced at Mo Jiuyou, who had been silent.

Perhaps in the eyes of this old monster Hong, only Mo Jiuyou following Ye Feng is enough for him to take seriously.

After all, in his eyes, although Xiaoya is a destined person, her current cultivation level is still very low, she is just a fledgling little guy.

In the eyes of this old monster Hong, Ye Feng is just an ordinary boy with very good luck.

At this moment, Ye Feng didn't say anything, but led a few people and walked quickly towards the champion house.

When Ye Feng came to the gate of Champion Hou's Mansion, he was about to go in.

Uh-huh!

But a black-armored guard from the Champion's House stopped Ye Feng and others and said, "No one else can enter the important place of the Champion's House."

Hearing what the black armored guard said, Ye Feng smiled slightly and said, "I am good friends with Long Zhantian, the young prince of your Champion House."

Hearing what Ye Feng said, the black armored guard had a look of surprise in his eyes and was about to say something.

But in the champion prince's mansion, a young man wearing a blue gown suddenly walked out, laughed loudly, and said loudly: "Is that illegitimate son of Long Zhantian also qualified to be called the little prince? It's really ridiculous. "

Ye Feng immediately looked in the direction of the voice and saw a familiar figure.

It turned out to be the same Long Qingyun who was specifically targeting Long Zhantian, the illegitimate son, when Ye Feng and Long Zhantian came to the Champion House for the first time last time.

This Long Qingyun is an orthodox lineage in the Champion House, and is a very powerful young talent in the Champion House. He was taught a lesson by Ye Feng last time, and it seems that he has

always been resentful, so this time Long Zhantian is not here, he The direct purpose is to prevent Ye Feng from entering the champion house.

Long Qingyun stared at Ye Feng, smiled coldly and said: "That illegitimate son of Long Zhantian has been sent to the bitter and cold frontier by my means. Now there is no room for you in the entire Champion House. , even if you are Long Zhantian's friend, you are of no use, and now I happen to meet you, this time, I will not let you go, this hateful boy. "

After finishing speaking, a middle-aged man wearing a red robe suddenly appeared next to Long Qingyun. He was tall and dignified.

Long Qingyun looked at the middle-aged man in red robe with a hint of awe in his eyes, and said loudly: "Third uncle, the one who taught me a terrible lesson last time was this boy in white, his name is Ye Feng, he is Long I didn't expect that Zhan Tian's illegitimate son's friend would shamelessly come to our champion's house again this time. He wanted to eat and drink, so he asked his third uncle to give this kid a good lesson and let him know that a commoner like him couldn't do anything at all. He is not qualified to step into the mansion of a noble like our Champion Houfu! Moreover, he injured me last time. We must let him know how serious the consequences will be for offending the heir of a nobleman like our Champion Houfu!"

Chapter 5085 Very ugly

At this time, Ye Feng never thought that as soon as he arrived at the Champion Hou's Mansion, he would meet such a jumpy guy as Long Qingyun, who actually wanted to prevent him from entering the Champion Hou's Mansion, and even used Long Zhantian's secret means to He was sent to the bitter cold place of Daxuan Dynasty.

This made Ye Feng's eyes suddenly reveal a deep cold look.

However, this Long Qingyun knew that his strength was not as good as Ye Feng, so he also invited a powerful being from the middle-aged generation in the champion house.

The middle-aged man in red robe, whom Long Qingyun called his third uncle, nodded slightly at this moment, and immediately stared at Ye Feng, with a cold murderous intent in his eyes, and said loudly: "You are the one who dared to attack our champion Hou before. That young man who stirred up trouble unscrupulously?"

Ye Feng smiled coldly at this time and said aloud: "What do you mean I wantonly stir up trouble in the Champion House? It was obviously this Long Qingyun who wanted to target my good friend Long Zhantian, so I had no choice but to teach him a lesson , is this considered provocation? This is called self-defense."

Hearing what Ye Feng said, the middle-aged man in red robe immediately smiled lightly and said loudly: "You are not qualified to explain here. What I say is what I say."

Hearing what the middle-aged man in red robe said, Ye Feng immediately smiled coldly and said: "You people are really too domineering. If the champion house is controlled by you people, then the champion house will be controlled by you people." The government is not far away from bankruptcy."

"presumptuous!"

Hearing what Ye Feng said, Long Qingyun immediately looked very ugly, and then said with a cold smile: "Third uncle, stop talking nonsense, just beat this kid into a cripple."

The middle-aged man in red robe immediately nodded and said loudly: "If you dare to mess with our lineage, you will naturally leave him an unforgettable lesson. Don't worry, I will definitely make him crippled instantly. From now on, I will only Can in our Daxuan Emperor

Begging on the streets in the imperial city of the DPRK. "

It has to be said that these two members of the Champion House are really very scheming.

At this moment, Ye Feng said coldly: "You are targeting my friend Long Zhantian like this, so today I will teach you a lesson for him."

Hearing what Ye Feng said at this moment, Old Monster Hong standing behind him couldn't help but look at Mo Jiuyou in surprise, and said loudly: "This middle-aged man in red robe is extremely powerful, even better than Ye Feng." This guy Feng is going to be stronger by two realms, why don't you help Ye Feng?"

Mo Jiuyou smiled faintly at this moment and said: "I don't need to take action at all. Ye Feng can solve it by himself."

Hearing what Mo Jiuyou said, Old Monster Hong suddenly showed a look of surprise in his eyes, as if he didn't expect Mo Jiuyou to be so confident in Ye Feng.

At this moment, Old Monster Hong did not believe that Ye Feng had such strong combat power. After all, in his eyes, Ye Feng was just lucky enough to save Xiaoya, the destined peerless empress.

But at this time, Old Monster Hong didn't say much, because if Ye Feng were defeated, it would still be beneficial for him to accept Xiaoya as his disciple. This made Xiaoya more determined to have a future by following him as a master. At that time, as a senior, he took action to save the defeated Ye Feng, and maybe Ye Feng could be grateful to him and help him persuade Xiaoya to recognize him as his master.

At this moment, Ye Feng took a step forward, stared at the middle-aged man in red robe, and said loudly: "You are so cruel and want to beat me directly into a disability. Both of you will die today, especially You Long Qingyun

, I taught you a lesson last time. I thought you would learn a lesson and not dare to provoke me and Long Zhantian again. I didn't expect you to do such a thing that would kill everyone. So today I won't tolerate you anymore. I have to deal with you. You cut the grass and roots, after all, only three things can happen. "

After finishing speaking, Long Qingyun suddenly burst into laughter, and then said in a sarcastic tone: "Ye Feng, Ye Feng, should I say you are naive or stupid? My third uncle is the top ranked middle-aged generation in our champion Hou family. Ten super strong people, let alone the younger generation, even the middle-aged generation, there are very few people in the Daxuan Dynasty who can stand up to my third uncle, let alone you are just from a rural place. Young boy, what powerful being can that illegitimate son of Long Zhantian have to help him? You will definitely die today!"

flood!

At this time, the middle-aged man in red robe took a step forward, and a terrifying aura suddenly emitted from his body.

The pressure generated by this aura is like an ancient mountain, majestic and boundless, giving people an ultimate sense of oppression.

At this moment, the middle-aged man in red robe looked at Ye Feng, and without any nonsense, he stretched out his hand to grab Ye Feng.

Buzz! .???.??

At this moment, the palm of the middle-aged man in red robe immediately burst into flames.

The next moment, his palm was like the palm of the God of Fire, able to burn everything.

At this moment, Ye Feng instantly activated the Immortal Body of the God, and Ye Feng also violently blasted out with one hand.

At this moment, Ye Feng's hand turned into a big golden hand, which seemed to be made of the strongest gold in the world. It directly collided with the big flaming hand of this middle-aged man in red robe. , made a huge roar, caused great vibrations, and shook the surrounding ground.

The surface was shaken and shattered, as if a big explosion had occurred.

"What?"

At this moment, what made the eyes of those present suddenly become incredible was that Ye Feng's big golden hand was as good as the flaming palm of the middle-aged man in red robe.

Even the middle-aged man in red robe's flame palm was cracked by Ye Feng's big golden hand, causing the middle-aged man in red robe to groan in pain.

"What?"

Seeing this scene at this moment, Long Qingyun immediately said in horror: "How is this possible?? The third uncle's cultivation strength is two levels higher than Ye Feng. How can you resist the third uncle's flames?" hand?"

At this moment, another person who felt very incredible was Mr. Hong standing behind Ye Feng.

This mysterious old man wearing Bagua clothes immediately stared at Ye Feng and murmured to himself: "Why is this kid so powerful in combat? He looks ordinary, but I didn't expect to show his actual ability. The fighting power is so powerful."

At this time, Old Monster Hong suddenly understood why Ye Feng could let a super powerful demon like Mo Jiuyou follow him to protect him. It seemed that this kid did have two skills.

At this moment, Long Qingyun's third uncle, the middle-aged man wearing a red robe, had a gloomy look in his eyes and a very ugly face.

Because he originally wanted to destroy Ye Feng in an instant with a very aloof attitude.

But he didn't expect Ye Feng to be evenly matched with him.

At this time, the middle-aged man in red robe immediately said in a cold voice: "I just made a casual move to let you take advantage of me. Now I will take it seriously. You will definitely die."

Chapter 5086: Show mercy

At this time, Ye Feng's eyes had a cold smile, without any fear at all, and he said loudly: "I want to see what you look like when you are serious, and whether you are still as useless as before. "

"Arrogant!"

Hearing what Ye Feng said at this moment, the middle-aged man in red robe immediately showed a murderous look in his eyes, and shouted directly: "The Wrath of the Flame Demon!"

boom!

At this moment, the inheritance practiced by this middle-aged man in red robe was obviously a powerful inheritance of flame attributes. In an instant, a huge power of flames burst out from his body, and a statue of feet was directly condensed on his body. The majestic flame giant, which was several kilometers long, shrouded the middle-aged man in red robe.

At this moment, the entire surrounding void seemed to be burning and about to melt.

At this time, Ye Feng immediately felt a very terrifying burning force, as if his whole body was set on fire.

But at this moment, Ye Feng smiled coldly, fully stimulating the immortal body of the god.

boom!

At this moment, Ye Feng's body suddenly burst out with brilliant golden light.

Every inch of Ye Feng's body and flesh, even his skin and hair, turned into the color of pure gold. It was like a body made of gold, possessing terrifying power and able to compete with the terrifying power. The power of fire.

Boom!

At this moment, Ye Feng was like a young golden god of war, rushing forward and colliding with the middle-aged man in red robe.

Boom!

The confrontation between the two caused a huge roar, making everyone around them unable to help but take several steps back.

At this time, Ye Feng didn't hesitate at all, and directly used his extremely powerful inheritance, Wanlong Black Magic Technique!

Boom!

Boom!

At this moment, Ye Feng's body immediately erupted into huge black dragons, full of terrifying dark power.

There were more than a dozen dark dragons, and they immediately rushed out of Ye Feng's body.

It is the ancient magic dragon that Ye Feng has accumulated through his usual practice!

A dozen or so ancient demonic dragons charged forward. Ordinary flames could not burn these ancient demonic dragons at all.

More than a dozen ancient magic dragons all bombarded in front of the red-robed middle-aged man in an instant, and all of a sudden the flame giant on the red-robed middle-aged man was bombarded to pieces.

"What??"

Seeing this scene, the middle-aged man in red robe immediately revealed a look of deep astonishment in his eyes. He couldn't help but said in horror: "How can you, a boy from the countryside, be able to cultivate?" Such a powerful peerless inheritance? This is impossible!"

At this time, Ye Feng just smiled coldly, not bothering to talk nonsense at all, and rushed forward directly, hitting the middle-aged man in red robe with his golden fist.

Poof!

Ye Feng simply broke half of his arm.

"ah!!"

At this moment, the middle-aged man in red robe immediately screamed, and then his eyes revealed a fierce look, and he said loudly: "Boy, I want you to die!"

"Ancient Flame Knife!"

At this moment, the middle-aged man in red robe once again displayed a uniquely powerful attack inheritance.

All the flames on his body suddenly condensed into a flaming sword covering tens of thousands of meters in length in his hands, and it slashed wildly in the direction of Ye Feng.

Boom!

At this moment, Ye Feng continued to use more than a dozen ancient magic dragons to block the knife.

Then Ye Feng took out the Sword of the Gods and slashed forward. In an instant, he split the tens of thousands of meters long flaming sword in half.

At this moment, the middle-aged man in red robe showed deep horror in his eyes.

He never thought that Ye Feng, a young junior whose cultivation level was two realms lower than him, would be so powerful and terrifying with his explosive fighting power and cultivation inheritance.

At this moment, Ye Feng's eyes suddenly showed a cold look, and he said loudly: "Just die!" ??

Ye Feng held the God's Sword in his hand, cutting through thorns and thorns, able to chop everything into pieces, directly heading towards the head of the red-robed middle-aged man.

The middle-aged man in red robe finally felt the breath of death, and he immediately shouted: "Flaming Dragon Armor!"

boom!

At this moment, the power of flames around the middle-aged man in red robes directly formed a set of extremely thick red armor. The surface of the armor was also imprinted with the ancient dragon totem.

This middle-aged man in red robe seems to be very confident in his armor protection.

"Crack!"

But in the next moment, the God's Sword in Ye Feng's hand was so sharp that it instantly shattered the Flame Dragon Armor condensed on his body under the horrified gaze of the red-robed middle-aged man. , and then split the whole person in half.

The middle-aged man in red robe died!

"What? Third uncle died like this??"

At this time, Long Qingyun, who was watching not far away, suddenly showed deep horror and deep disbelief in his eyes.

Because he never thought that his third uncle, one of the top ten strong men of the middle-aged generation that he specially invited, could not fight against Ye Feng, and was eventually killed directly by Ye Feng. This is really incredible. .

Because you must know that Ye Feng's cultivation is two levels lower than his third uncle, and Long Qingyun feels that no matter how powerful Ye Feng is in combat, Ye Feng comes from a rural place after all, and is an illegitimate son of Long Qingyun. It is impossible for Zhan Tian's friends to have such a powerful peerless inheritance.

Unexpectedly, every time Ye Feng displayed the inherited power, it would be so terrifying.

And Ye Feng's weapons are also so powerful.

At this time, Long Qingyun was simply stunned and forgot to run for a while.

When Ye Feng walked toward him with murderous intent, Long Qingyun's eyes were filled with deep horror and he said loudly: "You...what do you want to do?"

At this time, Ye Feng suddenly showed a cold smile on his face and said loudly: "Don't you know what I want to do? Of course I want to kill you."

Uh-huh!

Almost at this moment, Ye Feng stretched out a big golden hand and grabbed Long Qingyun in front of him. The big golden hand was like a majestic mountain, with the power to crush everything, directly trying to grab Long Qingyun. The whole person was crushed into pieces.

But suddenly at this moment, a majestic voice suddenly sounded not far away: "Your Excellency, please show mercy. No matter how Long Qingyun offends Your Excellency, he is the heir of this Marquis after all. You cannot be in the Marquis' Mansion." Kill him among them."

Chapter 5087 Compromise

At this time, the voice that suddenly sounded was obviously that of the Marquis of the Champion House, full of majesty and an indispensable command.

But the next moment.

"Pfft!"

Ye Feng didn't bother to pay attention to the Marquis of the Champion House. He stretched out his big golden hand and crushed the opponent into pieces in an instant under Long Qingyun's surprised, then frightened gaze.

Long Qingyun died instantly!

At this moment, the face of the Marquis of the Champion Marquis Mansion who came not far away suddenly became extremely gloomy.

At this moment, Long Qingyun probably never expected that his extremely noble father, the Marquis of the Great Xuan Dynasty, would come in person. However, he did not expect that Ye Feng would have no taboos and still give Long Qingyun an instant Killed.

At this time, Ye Feng did not hesitate at all, and directly released the devouring domain, secretly devouring the powerful middle-aged man in red robe who was killed by him before, as well as the blood energy of Long Qingyun on the spot. .

Boom!

At this moment, huge waves of energy were immediately injected into Ye Feng's dantian.

Long Qingyun is relatively weak and does not provide much energy to Ye Feng, but the man in the red robe is one of the top ten strong men of the middle-aged generation in the champion house, and is two realms higher than Ye Feng's cultivation level.

Therefore, the blood energy of this middle-aged man in red robe is still very strong, and his skill is also very majestic, which provides Ye Feng with a lot of energy supplement.

"Buzz!"

Ye Feng could immediately feel that his skill had increased tremendously in an instant.

Ye Feng's cultivation aura also broke through two heavens in a row, and he stepped directly from the previous fifth level of Lingxu Realm to the seventh level of Lingxu Realm, which made Ye Feng's eyes reveal a look of surprise.

I didn't expect that a small middle-aged man in red robe could provide him with such huge power.

This also shows that Ye Feng

His combat power has indeed increased to a very powerful level now. Otherwise, it would be impossible to fight and kill a middle-aged man in red robe who is two realms higher than himself.

After all, you must know that this middle-aged man in red robe is one of the top ten strong men of the middle-aged generation in the Champion House. His inheritance and true combat power are absolutely terrifying, but he was still killed by Ye Feng. .

At this moment, Ye Feng looked in a certain direction not far away and found an elegant middle-aged man wearing a black gown walking over from not far away.

This middle-aged man's face was quite gloomy at this time. This man was the Marquis of the Champion House, that is, the Champion himself.

At this time, Champion Hou stared at Ye Feng, his eyes a little uncertain.

After all, he never expected that a dignified champion like him would speak directly, but it did not affect Ye Feng, and Ye Feng still killed his heir Long Qingyun.

The champion originally wanted to get angry and kill Ye Feng on the spot, but he suddenly sensed the two old men standing behind Ye Feng, which was really terrifying.

Whether it was Mo Jiuyou, a sinister-looking old man, or Old Monster Hong, who was wearing Bagua clothes and had some immortal demeanor, they all gave the champion a very scary feeling.

The champion immediately broke out in cold sweat on his forehead. This seemingly ordinary boy in white was actually protected by such powerful two elders.

The champion immediately understood that although Ye Feng, the young man in white, was not from their Daxuan Dynasty, his origins must be very mysterious and powerful. Otherwise, it would be impossible for two such terrifying elders to become his protectors. .

Obviously, the champion subconsciously regarded Mo Jiuyou and Old Monster Hong standing behind Ye Feng as Ye Feng's protectors, so there was great speculation about Ye Feng's identity.

At this time, Ye Feng didn't know about this, but even if Ye Feng knew about it, he would probably laugh it off and not care about anything.

Ye Feng looked at the Champion Hou at this time and said loudly: "Champion Hou, this heir of yours is really arrogant, and he will slander your other heirs indiscriminately, such as Long Zhantian, I will help you teach him a lesson , even killing him can be regarded as clearing the door for your champion house, otherwise, Long Qingyun will definitely cause greater trouble in the future, and may even harm your champion house. "

After hearing Ye Feng's words, Champion Hou's face seemed a little stiff.

But Champion Hou knew that such a mysterious and powerful young generation as Ye Feng should not be treated with a normal attitude.

The champion only had to swallow his breath first, and slowly said, "Are you and my illegitimate son Long Zhantian good friends?"

Ye Feng nodded and said aloud: "That's right, otherwise, why would I come to a small place like your Champion House?"

Hearing Ye Feng's words, Champion Hou looked a little unhappy, but it was hard to say anything at this time. After all, the two guardians behind Ye Feng were extremely terrifying.

Champion Monkey guessed that the strength of these two guardians, let alone their champion prince's mansion, could definitely be regarded as the first-class strong men in the entire imperial city of Daxuan Dynasty. ??

At this moment, the champion is naturally very afraid of Ye Feng. It is not Ye Feng's own strength, but the two unfathomable protectors behind Ye Feng, as well as Ye Feng's extremely mysterious origin.

The champion Hou never thought that his little illegitimate son Long Zhantian would be able to make such an evil friend like Ye Feng.

So after much deliberation, Champion Hou had no choice but to compromise at this time.

I saw the Champion Hou walking in front of Ye Feng, the uncertain look on his face turned into a gentle smile, and said loudly: "Sure enough, a hero comes from a young age."

Years ago, I didn't expect that my son Long Zhantian would be able to meet such an outstanding young genius like Ye Feng. It's really a blessing for my son. "

When Ye Feng heard what Champion Hou said, he immediately knew that the other party had compromised.

Ye Feng was also happy about this, smiled and said aloud: "I wonder if my friend Long Zhantian is really sent to a bitter and cold place? If so, please champion, can you help Long Zhantian?" Zhan Tian has been transferred back, and I still have something to tell him. After all, I will continue to hang out in the entire Daxuan Dynasty for a while in the future."

Hearing what Ye Feng said, the champion's eyes flickered and he said loudly: "It seems that my little brother has very lofty ambitions and wants to make a difference in our entire Daxuan Dynasty."

Ye Feng nodded and smiled, and said loudly: "The Daxuan Dynasty is the largest overlord force in the vicinity. Naturally, I want to join it and compete for fame and fortune."

Ye Feng naturally lied at this time, because Ye Feng came to Daxuan Dynasty not only for fame and fortune, but mainly to rescue Xuan Wuji, the real emperor of Daxuan Dynasty, and obtain the imperial seal.

But when he heard what Ye Feng said at this moment, the champion laughed and said: "Since it is for fame and fortune, then little brother Ye Feng, when you come to the imperial city of our Daxuan Dynasty, it is really... You're right, and since you have such a good relationship with my son Long Zhantian, the Champion House is naturally the best choice for your development."

At this moment, the champion is simply trying to win over Ye Feng. After all, Ye Feng's strength and the forces behind him must be extraordinary.

As for Long Qingyun, the heir, in the eyes of the champion, it is actually not that important.

After all, the Champion was a noble prince in the Daxuan Dynasty and had hundreds of heirs under his command. It didn't matter if one of them died. He naturally focused on profit.

After all, the feeling Ye Feng gave him was too unfathomable. He couldn't offend him easily. It was better to win over him directly to avoid making enemies for himself.

Chapter 5088 There are many strong men

Next, the Champion Hou directly invited Ye Feng into the Champion Hou's mansion, and arranged a very good place for Ye Feng to live.

This is an independent house in the central garden of the Champion House, and no one disturbs Ye Feng.

After Ye Feng settled in, he waited for two or three days before a familiar figure came to Ye Feng's residence.

It was Long Zhantian.

At this moment, Long Zhantian looked at Ye Feng, very excited, and couldn't help but said: "When the Champion Hou Mansion asked someone to transfer me back from the bitter cold land, I knew it must be Master Ye Feng. After taking action, he was able to convince the Champion Houfu and bring me back politely. It must have been done by Lord Ye Feng. I guessed it right."

At this time, Ye Feng smiled and patted Long Zhantian on the shoulder, and said aloud: "Next, I should temporarily live in your Champion House, and then find a way to enter the palace of the Daxuan Dynasty to see if I can Steal the Imperial Seal."

Long Zhantian suddenly spoke up at this time: "When Lord Ye Feng was in the underground fighting arena, he asked me to come back first. After I came back, I found an opportunity that allowed us to enter the palace in advance, but I don't know if we can steal it. Obtain the Imperial Jade Seal. After all, the Imperial Jade Seal is the most precious thing in the entire Daxuan Dynasty. It will definitely be very difficult to steal it directly. "

When Ye Feng heard what Long Zhantian said, his eyes suddenly lit up and he said, "You have to try it no matter what. What is the method you found before to enter the palace?"

Long Zhantian said aloud: "His Majesty, the Emperor of the Daxuan Dynasty, summons civil and military officials at a fixed time every year to discuss various world affairs. At this time, my father, Champion Hou, is a prince among the nobles. , are also qualified to be summoned into the palace, but it is very difficult for others to enter the palace, so if we can hide in my father, we can enter the palace. "

Hearing what Long Zhantian said, Ye Feng immediately nodded and said: "Okay, I will try to find a way to hide it from your father and prevent your father from finding out."

At this time, Ye Feng seemed to have thought of something, and immediately said: "By the way, Long Zhantian, this time you were transferred back from the bitter cold land, you can use this as a reason to ask your father to contribute a special storage ring as a gift to thank your father, and I will use the space wormhole technique to hide in the storage ring space, and wait until your father wears that storage ring and enters Daxuan. In the palace of the dynasty, I am using the space wormhole technique to enter the entire palace of the Daxuan Dynasty from the space inside the storage ring."

Hearing what Ye Feng said, Long Zhantian's eyes immediately lit up and he said, "Okay, let's do this."

At this time, Long Zhantian thought for a while, and then said aloud: "At that time, I will say thank you to my father for bringing me back from the bitter cold land on the frontier. I am willing to donate part of my wealth to my father. My father, he It will definitely be very solemn. After all, my father now knows that Mr. Ye Feng, a mysterious and unparalleled genius, has become my friend, so my father must attach great importance to me now and will definitely store the things I gave him. The ring is on the hand."

Ye Feng nodded and said, "Okay, then you go ahead and do it."

Longlong Zhantian nodded immediately, and then

Picked up and prepared.

At night, Long Zhantian brought a storage ring made entirely of amethyst, which looked very precious.

Ye Feng's face suddenly showed a look of satisfaction, and he said aloud: "I hope that this time I can successfully detect where the Imperial Jade Seal is. Even if I can't get the Imperial Jade Seal, I can at least know the specific location of the Imperial Jade Seal. In this case, which will provide huge help for the next plan to steal the imperial seal."

After Ye Feng finished speaking, he jumped directly into the storage ring in Long Zhantian's hand.

As for Xiaoya, Old Monster Hong and Mo Jiuyou, Ye Feng naturally let them stay in the Champion Hou Mansion.

After all, it would be more convenient to use space wormholes and space mysteries when I am alone.

If you bring others with you, even if Mo Jiuyou's cultivation is strong, they probably won't be of much use in a palace full of masters. It's not as easy as doing it alone.

Before leaving, Xiaoya was very worried, but she also knew that her brother Ye Feng had his own responsibilities and tasks.

Uh-huh!

At this moment, Ye Feng flew into the inner space of the crystal storage ring in Long Zhantian's hand. It was directly the space secret of the running space wormhole, hidden in the deep void of the inner space of the storage ring.

Even if an outsider looks into the inner space of this storage ring, he cannot find Ye Feng, because Ye Feng is hidden in the deeper void of the entire space.

Even a powerful person like the Champion Hou could not detect any movement.

At this time, Long Zhantian took this crystal storage ring and walked quickly towards the place where his father lived.

Ye Feng secretly observed in the crystal storage ring.

Everything went according to plan. Long Zhantian completed his task easily, successfully gave the crystal storage ring to his father, and let his father, the champion, wear it on his finger. superior.

Champion Hou was quite happy with Long Zhantian's gift. After all, Long Zhantian was also his son. Although he was an illegitimate son, now Long Zhantian not only had his own cultivation strength greatly improved, but also made friends with Ye Zhantian. Such an unfathomable helper like Feng naturally made Champion Hou very happy, and he simply paid great attention to Long Zhantian.

Ye Feng stayed in the storage ring and followed the champion. Early the next morning, he went directly to the palace of the Daxuan Dynasty to meet with the current Emperor of the Daxuan Dynasty.

When the champion entered the palace, Ye Feng was also looking out from the storage ring.

Ye Feng could feel at this time that there were absolutely crouching tigers and hidden dragons in the entire palace of the Daxuan Dynasty, and there were many extremely terrifying and powerful people.

The aura of some strong men made Ye Feng feel a kind of death crisis.

It has to be said that the Daxuan Dynasty is indeed the only top power nearby, and its background is indeed very terrifying.

After Ye Feng sensed all this, he became even more cautious about secretly exploring the location of the imperial seal in the palace.

Because there are too many masters in the palace of the Daxuan Dynasty, and there are many strong ones, you must be careful. Next, the Champion Hou directly invited Ye Feng into the Champion Hou's mansion, and arranged a very good place for Ye Feng to live.

This is an independent house in the central garden of the Champion House, and no one disturbs Ye Feng.

After Ye Feng settled in, he waited for two or three days before a familiar figure came to Ye Feng's residence.

It was Long Zhantian.

At this moment, Long Zhantian looked at Ye Feng, very excited, and couldn't help but said: "When the Champion Hou Mansion asked someone to transfer me back from the bitter cold land, I knew it must be Master Ye Feng. After taking action, he was able to convince the Champion Houfu and bring me back politely. It must have been done by Lord Ye Feng. I guessed it right."

At this time, Ye Feng smiled and patted Long Zhantian on the shoulder, and said aloud: "Next, I should temporarily live in your Champion House, and then find a way to enter the palace of the Daxuan Dynasty to see if I can Steal the Imperial Seal."

Long Zhantian suddenly spoke up at this time: "When Lord Ye Feng was in the underground fighting arena, he asked me to come back first. After all, the Imperial Jade Seal is the most precious thing in the entire Daxuan Dynasty. It will definitely be very difficult to steal it directly. "

When Ye Feng heard what Long Zhantian said, his eyes suddenly lit up and he said, "You have to try it no matter what. What is the method you found before to enter the palace?"

Long Zhantian said aloud: "His Majesty, the Emperor of the Daxuan Dynasty, summons civil and military officials at a fixed time every year to discuss various world affairs. At this time, my father, Champion Hou, is a prince among the nobles. , are also qualified to be summoned into the palace, but it is very difficult for others to enter the palace, so if we can hide in my father, we can enter the palace. Hearing what Long Zhantian said, Ye Feng immediately nodded and said: "Okay, I will try to find a way to hide it from your father and prevent your father from finding out."

At this time, Ye Feng seemed to have thought of something, and immediately said: "By the way, Long Zhantian, this time you were transferred back from the bitter cold land, you can use this as a reason to ask your father to contribute a special storage ring as a gift to thank your father, and I will use the space wormhole technique to hide in the storage ring space, and wait until your father wears that storage ring and enters Daxuan. In the palace of the dynasty, I am using the space wormhole technique to enter the entire palace of the Daxuan Dynasty from the space inside the storage ring."

Hearing what Ye Feng said, Long Zhantian's eyes immediately lit up and he said, "Okay, let's do this."

At this time, Long Zhantian thought for a while, and then said aloud: "At that time, I will say thank you to my father for bringing me back from the bitter cold land on the frontier. I am willing to donate part of my wealth to my father. My father, he will definitely be very solemn. After all, my father now knows that Mr. Ye Feng, a mysterious and unparalleled genius, has become my friend, so my father must attach great importance to me now and will definitely store the things I gave him. The ring is on the hand."

Ye Feng nodded and said, "Okay, then you go ahead and do it."

Long Zhantian nodded immediately, and then

picked up and prepared.

At night, Long Zhantian brought a storage ring made entirely of amethyst, which looked very precious.

Ye Feng's face suddenly showed a look of satisfaction, and he said aloud: "I hope that this time I can successfully detect where the Imperial Jade Seal is. Even if I can't get the Imperial Jade Seal, I can at least know the specific location of the Imperial Jade Seal. In this case, which will provide huge help for the next plan to steal the imperial seal."

After Ye Feng finished speaking, he jumped directly into the storage ring in Long Zhantian's hand.

As for Xiaoya, Old Monster Hong and Mo Jiuyou, Ye Feng naturally let them stay in the Champion Hou Mansion.

After all, it would be more convenient to use space wormholes and space mysteries when I am alone.

If you bring others with you, even if Mo Jiuyou's cultivation is strong, they probably won't be of much use in a palace full of masters. It's not as easy as doing it alone.

Before leaving, Xiaoya was very worried, but she also knew that her brother Ye Feng had his own responsibilities and tasks.

Uh-huh!

At this moment, Ye Feng flew into the inner space of the crystal storage ring in Long Zhantian's hand. It was directly the space secret of the running space wormhole, hidden in the deep void of the inner space of the storage ring.

Even if an outsider looks into the inner space of this storage ring, he cannot find Ye Feng, because Ye Feng is hidden in the deeper void of the entire space.

Even a powerful person like the Champion Hou could not detect any movement.

At this time, Long Zhantian took this crystal storage ring and walked quickly towards the place where his father lived.

Ye Feng secretly observed in the crystal storage ring.

Everything went according to plan. Long Zhantian completed his task easily, successfully gave the crystal storage ring to his father, and let his father, the champion, wear it on his finger. superior.

Champion Hou was quite happy with Long Zhantian's gift. After all, Long Zhantian was also his son. Although he was an illegitimate son, now Long Zhantian not only had his own cultivation strength greatly improved, but also made friends with Ye Zhantian. Such an unfathomable helper like Feng naturally made Champion Hou very happy, and he simply paid great attention to Long Zhantian.

Ye Feng stayed in the storage ring and followed the champion. Early the next morning, he went directly to the palace of the Daxuan Dynasty to meet with the current Emperor of the Daxuan Dynasty.

When the champion entered the palace, Ye Feng was also looking out from the storage ring.

Ye Feng could feel at this time that there were absolutely crouching tigers and hidden dragons in the entire palace of the Daxuan Dynasty, and there were many extremely terrifying and powerful people.

The aura of some strong men made Ye Feng feel a kind of death crisis.

It has to be said that the Daxuan Dynasty is indeed the only top power nearby, and its background is indeed very terrifying.

After Ye Feng sensed all this, he became even more cautious about secretly exploring the location of the imperial seal in the palace.

Because there are too many masters in the palace of the Daxuan Dynasty, and there are many strong ones, you must be careful.

Chapter 5089 The place where luck gathers

Ye Feng is not interested in the matter of His Majesty the Emperor of the Daxuan Dynasty summoning civil and military officials and champions.

After all, the so-called Emperor of the Daxuan Dynasty is an impostor, a terrifying Dark Demon Emperor, so Ye Feng does not want to meet this terrifying guy so early.

So Ye Feng ran away when the champion was halfway to the palace.

Buzz!

At this moment, Ye Feng directly opened up a space wormhole in the space storage ring, and the whole person was silently transferred from the space of the storage ring to an external space such as the palace.

At this time, Ye Feng left the Champion Hou far away and appeared directly in the palace.

At this moment, Ye Feng looked at a group of guards wearing golden armor in the distance and took out a set of golden armor from his storage ring.

This set of golden armor was given to Ye Feng by Long Zhantian. It was a special armor prepared for Ye Feng in advance.

Because Long Zhantian once entered the palace once with the champion, his father, when he was young, Long Zhantian knew many things in the palace very well, and he also knew the armor worn by the guards in the palace. What style.

So he prepared this set of golden armors of the royal guards for Ye Feng in advance. In this way, when Ye Feng enters the palace, he can directly put on this set of golden armors of the royal guards and disguise himself as a royal guard of the Daxuan Dynasty. You can walk around the palace at will. .??.

Because in the Daxuan Dynasty, the power of the royal guards was very great.

After all, the royal guards are the main force protecting the entire Daxuan Dynasty palace, so the royal guards can enter and exit anywhere in the palace at will, except in those very taboo places where they are not allowed to enter. Most areas are You can walk at will.

At this time, Ye Feng put on this set of golden armor and even a helmet, pretending to be a royal guard in the Daxuan Dynasty palace, walking quickly around.

Sure enough, after Ye Feng disguised himself as a royal guard of the Daxuan Dynasty, no one cared about what Ye Feng was going to do.

Because in normal life, the royal guards patrol the entire Daxuan Dynasty palace to eliminate all possible hidden dangers.

Therefore, a royal guard wearing golden armor walking around the palace will not arouse anyone's suspicion.

Buzz!

At this moment, Ye Feng exuded his soul power and covered the surrounding area.

Ye Feng came to the palace of the Daxuan Dynasty this time, of course, not for fun, nor to steal any wealth from the palace of the Daxuan Dynasty. What Ye Feng wanted to explore was to rescue Xuan Wuji, the real emperor of the Daxuan Dynasty. The Imperial Seal.

Because only the Imperial Jade Seal can completely break the dark chains on Xuan Wuji, and allow Xuan Wuji to regain the power of the Daxuan Dynasty's destiny, so as to quickly restore his strength.

Therefore, the Royal Seal is something Ye Feng must obtain.

Only in this way can the real emperor Xuan Wuji be rescued.

After all, with Ye Feng's own strength, there is definitely no way to fight against the Dark Demon Emperor who is now pretending to be the emperor.

Only by rescuing the real emperor Xuan Wuji and then finding other ways to join forces can we fight against the Dark Demon Emperor.

At this moment, Ye Fengsan

Send out your own soul power and cover the surroundings.

Soon, Ye Feng discovered some clues.

You must know that the Imperial Jade Seal is related to the destiny power of the entire Daxuan Dynasty, because the Imperial Jade Seal carries the destiny power of the entire Daxuan Dynasty.

Even the Dark Demon Emperor will not be able to get his hands on this kind of destiny thing with pure Yang power for a while.

So at this time, as long as Ye Feng follows the direction where the fate of the entire Daxuan Dynasty gathers, it might be where the imperial seal is.

In this aspect, Ye Feng is very capable.

Because Ye Feng's Eye of Heaven and Earth can completely see through those very imaginary things, such as the power of luck.

In the eyes of normal people, the power of luck cannot be seen at all, but in Ye Feng's eyes, Ye Feng can observe that in the entire palace of the Daxuan Dynasty, there are streams of golden mist-like gas. That is the power of luck.

Ye Feng is looking for the place where the power of luck gathers.

At this moment, Ye Feng was flying quickly and nervously in the palace of the Daxuan Dynasty, trying to find the place where the golden mist finally gathered.

Soon, Ye Feng followed the gathering power of luck and finally came to a very remote place in the palace.

Looking around, Ye Feng had some surprise in his eyes.

Because this area is too deserted and remote.

Most of the palaces in the entire Daxuan Dynasty were lined with high-rise buildings and grand halls, and they were magnificent everywhere.

Even the entire floor of the palace was paved with gold and jade.

But unexpectedly, Ye Feng followed the power of luck and finally arrived at a very deserted and remote place.

There are no tall buildings or magnificent palaces here. There are only some dilapidated ancient pavilions, and the surrounding ground is still overgrown with grass. It seems that no one has been here for a long time, and no one has cleaned it.

This place made Ye Feng look a little surprised. He seemed to have never thought that there would be such an incompatible and deserted area in the magnificent palace of the Daxuan Dynasty.

However, the place where the power of luck that Ye Feng observed finally gathered was indeed here.

At this moment, Ye Feng was not sure whether the imperial seal was here or not.

After all, in the palace of the Daxuan Dynasty, it may not only be the imperial jade seal that can gather the power of luck, but also some things that symbolize imperial power can also gather the power of luck, even some super strong men in the Daxuan Dynasty, can also secretly absorb the power of destiny of the entire Daxuan Dynasty and use it to enhance one's own cultivation.

So Ye Feng was still a little worried at this time.

But now that he's here, Ye Feng always wants to investigate.

If the Royal Seal is really here, then Ye Feng will make a lot of money, which is equivalent to a success.

At this time, Ye Feng wore golden armor, disguised as a royal guard, and slowly walked into this overgrown and desolate area.

Ye Feng walked around the dilapidated ancient pavilions, carefully exploring the place where the power of luck finally gathered.

But at this time, Ye Feng suddenly seemed to sense something, and immediately looked towards a dilapidated pavilion that was about to collapse.

The next moment, Ye Feng saw a very shocking scene.

Chapter 5090 Miss Qiqi

At this moment, in the dilapidated attic, what appeared in Ye Feng's field of vision was not some treasure carrying the power of luck or an old monster practicing the power of luck, but an extremely young looking man. The beautiful woman is wearing a light blue dress. She looks quite heroic, but she also has a noble and beautiful feeling.

At this time, Ye Feng never thought that such a young and beautiful woman would appear here.

And Ye Feng also discovered at this time that most of the power of luck was gathered here, because this woman was practicing a very special technique, and she actually had a dragon phantom composed of the power of luck, giving people a sense of It feels very grand and mysterious.

At this time, Ye Feng was quite disappointed. He did not find the Royal Seal, but happened to meet a young woman who was practicing Qi Luck skills.

At this moment, Ye Feng was not interested in the identity of this young woman and was ready to leave directly.

But at this time, this beautiful young woman stared at Ye Feng and said in an instant: "Which commander are you a guard under? Don't you know that this place is a forbidden area in our Daxuan Dynasty palace? Any No one is allowed to enter."

When Ye Feng heard what this beautiful woman said, he immediately smiled and said, "Didn't you get into it too?"

Hearing what Ye Feng said, this beautiful young woman's face suddenly showed a look of surprise, and then she couldn't help but said with a smile: "You, a little guard, don't recognize me? "

Ye Feng shrugged and said, "Why should I know you?"

Seeing Ye Feng's indifferent look, this beautiful young woman was not only not angry, but also found it very interesting. She quickly walked up to Ye Feng, looked at her carefully, and said aloud: "It seems You are a newcomer who has just joined the royal guard system of our Daxuan Dynasty. Looking at you at such a young age, you look like a lunatic, which is quite interesting. Don't leave next, just practice with me. Bar."

Hearing what this young and beautiful woman said, Ye Feng immediately turned around, walked directly towards the distance, and said loudly: "I don't have time to play with you here."

But at this time, seeing Ye Feng leave directly without obeying his orders at all, this beautiful young woman not only did not get angry at all, but actually found it more fun.

Because in the entire palace, everyone who saw her would show extreme fear and respect her, not daring to resist in any way.

This was the first time for this beautiful young woman to meet such a dumb young woman like Ye Feng. She didn't know her identity, and she didn't know her yet. She wouldn't obey her orders. This made this beautiful young woman feel a strange feeling. A novel feeling.

At this moment, this beautiful young woman looked directly at Ye Feng and said, "Don't leave. I can give you whatever you want."

When Ye Feng heard what this beautiful young woman said, his eyes suddenly showed a look of surprise. He couldn't help turning around and said loudly: "Who are you? What qualifications do you have to say what I want? You can give me this kind of message."

The beautiful young woman immediately smiled mysteriously and said: "You stupid young lady, don't care who I am, as long as you practice with me and play with me, then I can get you whatever you want." Come."

hear

When this beautiful young woman said this, a look of surprise appeared in Ye Feng's eyes, and then he began to think in his heart.

This young and beautiful woman is able to enter the forbidden area of the palace. Her status seems to be very unusual, and the other party does not seem to be arrogant. Even if she is pretending to be an ordinary rookie guard, the other party speaks very calmly. It seems that He doesn't have a bad intention either.

What Ye Feng is looking for is the Royal Seal. There are many places that Ye Feng cannot enter even if he is disguised as a royal guard. It just so happens that this mysterious and beautiful woman can enter these forbidden places and can take advantage of it.

So at this time, Ye Feng immediately smiled and nodded, and said: "Okay, since this girl is so enthusiastic, I am willing to practice with you, but what I want is very difficult to get."

This mysterious and beautiful young woman immediately said with a smile: "Tell me what you want."

Ye Feng said slowly: "The Jade Seal of the Imperial Dynasty."

"Imperial Seal?"

Hearing what Ye Feng said at this time, this mysterious and beautiful woman was not surprised. She just felt a little confused and said: "You are a little newcomer guard. What do you want to do with the dynasty? The dynasty's jade seal is just a symbol. There is no other use. Even if you get the imperial seal, it will be of no use. "

Hearing what this mysterious and beautiful woman said, Ye Feng immediately understood that the other party probably had a simple mind and could not guess why he wanted the Royal Seal.

Ye Feng was very happy about this. After all, this seemed to be a simple-minded girl who had never been out of the palace.

At this time, Ye Feng immediately said in a serious voice: "Don't worry about this, as long as you can let me get the imperial seal, then I will listen to you in everything, practice with you, play with you, etc." Can."

Hearing what Ye Feng said, this mysterious and beautiful woman immediately said with a smile: "Okay, this is indeed a bit difficult, but I will try my best. Then you can practice with me. It just so happens that I have been practicing recently. The new inheritance that Brother Zhong taught me is just a good practice to use you as a punching bag."

"Forehead?"

Hearing what this beautiful and mysterious woman said, Ye Feng's mouth suddenly twitched slightly.

However, for the sake of the Royal Seal, Ye Feng could only nod his head and said, "Okay, then I'll just have a fight with the girl to see how powerful she is."

The mysterious and beautiful woman immediately said: "My name is Qiqi. You can just call me Miss Qiqi. I still don't know what your name is?"

Ye Feng smiled and said: "Ye Feng."

"Ye Feng?"

Hearing Ye Feng say her name, the Qiqi girl seemed to be thinking about whether she had ever heard of such a person. Then she couldn't help but said: "Among the many noble families in our Daxuan Dynasty, there seems to be no such person. Ye family, it seems that you are a new guard who has climbed up from the bottom, so you have to know me and don't know the rules of the palace. "

At this time, Miss Qiqi said, but she was thinking secretly in her heart: "But it's just right. This guy is a young man, and he is not a member of any powerful family. He has a clean origin, has no interest entanglements, and his brother will not be suspicious. This guy can play with me without any taboos. It's really annoying to be with those rule-abiding people all day long. "At this moment, in the dilapidated attic, what appeared in Ye Feng's field of vision was. It's not a treasure that carries the power of luck or an old monster who is practicing the power of luck, but a young and beautiful woman, wearing a light blue dress, looking quite...
