Chapter 5181 Can't Stop

Xuan Wuji also showed a look of surprise at this moment, as if he did not expect Ye Feng to be able to get to know the top monsters in the Monster Forest.

Although Xuan Wuji was seriously injured and his strength was far from recovered, Xuan Wuji knew very well that the young man who was chatting and laughing with Ye Feng in front of him was the most terrifying top monster in the Monster Forest.

A majestic golden dragon of more than 100,000 meters is definitely an extremely powerful existence. It is a peerless monster that dominates the entire Zhongzhou land, but it did not expect that it would have such a good chat with Ye Feng.

At this time, Xuan Wuji did not say much. He knew that Ye Feng was probably more mysterious than he imagined. It was incredible that he could get to know so many powerful beings with such a weak cultivation.

At this time, Xuan Wuji followed behind Ye Feng and Tianlong Emperor and flew quickly towards the deep area of the Monster Forest.

At this moment, Ye Feng's eyes showed a trace of worry. He couldn't help but look at Emperor Tianlong beside him and said, "This senior Xuan Wuji, his entire life essence and even his genes are invaded by dark energy. I wonder if Senior Forest Lord and all of you have any way to remove his dark energy."

At this time, Emperor Tianlong hesitated and said, "This is indeed very tricky, but maybe Senior Forest Lord has a way. He is the oldest existence in our Monster Forest. He has survived for nearly ten thousand years and has spanned several eras. Senior Forest Lord is not only powerful, but also an elder with great wisdom. Maybe he has a way to remove the dark energy in Xuan Wuji's life essence."

Hearing what Emperor Tianlong said, Ye Feng nodded and said, "Now we can only hope for Senior Forest Lord."

At this moment, after Ye Feng finished speaking, he fell into silence.

Xuan Wuji heard the two people's conversation

When he heard this, he also showed a look of surprise in his eyes, as if he had not expected that Ye Feng knew not only these top monsters, but also the most mysterious and ancient forest master in the Monster Forest.

And from what Emperor Tianlong said, the forest master seemed to be very praising Ye Feng, which made Xuan Wuji look at Ye Feng with a look of surprise in his eyes, as if he was guessing what Ye Feng had experienced during his absence, and how he could be so successful.

And just when Xuan Wuji was secretly guessing what Ye Feng had experienced, Ye Feng and Emperor Tianlong had returned to the deepest area of the Monster Forest.

Sure enough, all the terrifying monsters flew over and surrounded Ye Feng, very happy because they saw Ye Feng, a young man who made them feel incredible.

At this moment, seeing that more than a dozen top monsters in the Monster Forest were all so kind to Ye Feng, Xuan Wuji's eyes suddenly showed a deep surprise, as if he had not expected that Ye Feng was so familiar and close to every top monster in the Monster Forest.

At this time, this group of top monsters didn't even look at Xuan Wuji, after all, Ye Feng was the protagonist in their hearts.

Although Xuan Wuji was extremely powerful and was the emperor of the Great Xuan Dynasty, they didn't bother to care about Xuan Wuji at all for the top monsters who were extremely arrogant in the monster forest.

This made Xuan Wuji a little embarrassed. He was actually ignored. After all, he was the emperor of the Great Xuan Dynasty.

But thinking of these top monsters in the monster forest, each of them was a big figure, Xuan Wuji also felt relieved.

After all, each of these top monsters, taken out alone, is definitely a presence that can rival him.

Thinking of this, Xuan Wuji was even more shocked by Ye Feng's social skills. He could actually make friends with so many terrifying big figures.

At this time, Xuan Wuji was even a little fortunate that he met Ye Feng when he was the weakest, and made such a big promise that Ye Feng could help him fight against the Dark Demon Emperor. He really found the most powerful helper by accident.

Because Ye Feng not only improved his cultivation strength very quickly, he was gifted, and his social circle was so wide that it was really incredible.

At this time, after exchanging a few words with many great monsters, Ye Feng did not forget the main purpose of coming here, and immediately said: "Senior Forest Lord, do you have time now?"

Emperor Tianlong immediately said: "The Forest Lord is in seclusion now, and it is estimated that it will take ten days or half a month to come out of seclusion, but I can directly inform the Forest Lord now." .??.

Ye Feng shook his head at this time and said: "Senior Forest Lord has just escaped from the predicament, so let him retreat to recover. Ten days or half a month is not a long time. Senior Xuan Wuji and I will wait for Senior Forest Lord here."

Hearing what Ye Feng said, Emperor Tianlong nodded and said: "That's good."

At this time, Xuan Wuji naturally had no objection. After all, this time he was able to come here entirely relying on Ye Feng, so he naturally did not dare to make any requests.

At this time, the beautiful figure of the Phoenix Queen came in front of Ye Feng, smiled gently, and said: "This time, Ye Feng, you can stay in our Monster Forest for a longer time."

The other group of big monsters also surrounded Ye Feng.

Next, a look of joy appeared in his eyes.

Seeing this scene at this time, Xuan Wuji was secretly amazed.

Next, Ye Feng and Xuan Wuji temporarily lived in the Monster Forest.

Looking at the dense forests, towering trees and continuous mountains around, even Xuan Wuji, the powerful emperor, couldn't help but say with envy: "The environment here is really good, completely isolated from the outside world. If I abdicate from the Great Xuan Dynasty in the future, I want to come here to retire."

Hearing Xuan Wuji say this, Ye Feng's eyes were slightly stunned, and then he couldn't help shaking his head and smiling, saying aloud: "It seems that Senior Xuan Wuji and I have the same idea. I thought before that if there is a chance in the future, it would be nice to live in the deepest part of the Monster Forest, quiet and peaceful."

Hearing Ye Feng say this, Xuan Wuji's eyes also showed a look of surprise, and couldn't help but laugh and said aloud: "I thought that Ye Feng, you young man have always been very brave and very courageous. , I didn't expect you to have the idea of retirement in your heart. "

When Ye Feng heard Xuan Wuji say this, he immediately grinned and said: "Since I started practicing, I have been making great progress. In order to pursue and complete my goals and tasks, I have been constantly taking risks and practicing hard. Sometimes, of course, I have the idea of being very tired. I want to stop practicing and find a quiet place to retire and spend the rest of my life, but reality forces me to move forward, so I can't stop for the time being. "

Hearing Ye Feng say this, Xuan Wuji nodded slightly and said: "Although I don't know what your goals and tasks are, I can feel your obsession. It seems that you are carrying amazing responsibilities and obligations, but I am optimistic about your future, because I have never seen such a magical and heaven-defying young person like you. "

Chapter 5182: Expelled

While the two were talking, the Tianlong Emperor suddenly flew over not far away.

The Tianlong Emperor looked at Ye Feng in front of him and immediately said: "The Lord of the Forest has come out of seclusion. I have told him what you want to do, Ye Feng. The Lord of the Forest said that he might have a way to solve the mysterious problem." Problems with Wuji."

"Um?"

Hearing what the Tianlong Emperor said, both Ye Feng and Xuan Wuji had a look of surprise in their eyes.

Ye Feng quickly said: "Then let's go quickly."

Xuan Wuji also nodded and followed Ye Feng and Tianlong Emperor directly to the deepest area of the monster forest.

On the ground here stands an ancient hall, which should have been recently built specifically for the Lord of the Forest to practice in seclusion.

At this moment, Ye Feng looked at the palace in front of him and walked in directly.

Xuan Wuji also followed and walked in.

At this moment, Ye Feng walked into the hall and immediately saw an old man standing in the hall, who was the Lord of the Forest.

However, the Lord of the Forest was more mysterious this time than the last time he saw him. Ye Feng knew that the Lord of the Forest should have recovered a lot of strength.

After all, the Lord of the Forest can be said to be the oldest being in the entire Monster Forest. He can mobilize almost all the power and resources in the entire Monster Forest, and with the help of more than a dozen top monsters, the Lord of the Forest can naturally get whatever he wants. The resources needed will naturally recover very quickly.

At this moment, Xuan Wuji followed Ye Feng into the hall and met the Lord of the Forest. He also maintained the basic etiquette of a junior, clasped his fists and said loudly: "Junior Xuan Wuji, I have met the senior Lord of the Forest."

The Lord of the Forest is really too old and is the oldest existence in the Monster Forest, so in front of Xuan Wuji, the Lord of the Forest is also a senior-like existence.

Even Xuan Wuji, the emperor of the Great Xuan Dynasty, had to honestly address him as "senior" in front of the Lord of the Forest.

"Ye Feng, you are here."

At this moment, the Lord of the Forest looked at Ye Feng in front of him, smiled slowly and said hello.

Then the forest lord stared at Xuan Wuji with his old eyes and said: "I already know everything about you. The dark energy in you has completely invaded the origin of your life and even entered your genes. It is very difficult to eradicate it, but I happened to encounter a very special secret technique during my original practice, which may be able to help you remove the dark energy from your body."

Hearing what the Lord of the Forest said at this time, Xuan Wuji's eyes suddenly revealed a look of deep surprise, and he quickly said: "If the Senior Lord of the Forest can cure me, what will the Senior Lord of the Forest do in the future?" If you need it, I will definitely help you."

Hearing what Xuan Wuji said, the forest lord just smiled slightly and said, "Let's try it first to see if it works."

After finishing speaking, the forest lord looked at Xuan Wuji and said, "Follow me. To perform this secret technique, we need the help of the oldest altar in our monster forest."

At this moment, the Lord of the Forest brought Xuan Wuji to the deepest part of the hall.

Here, several people saw an ancient altar made entirely of bronze standing on the ground, with dense symbols and patterns engraved on the surface.

#Every time verification appears, please do not use incognito mode!

, looks very ancient.

At this time, the Lord of the Forest looked at Xuan Wuji beside him and said: "You fly directly to this ancient altar. I will directly use the secret technique later to mobilize the energy of the world in the entire monster forest to see if I can Eradicate the dark energy from the origin of your body."

Hearing what the Lord of the Forest said at this moment, Xuan Wuji immediately nodded, jumped directly, and flew to the ancient altar in front of him.

Buzz!

At this time, the ancient altar suddenly glowed with bright lights.

At this moment, Ye Feng saw this scene and waited silently.

At this moment, the Lord of the Forest also walked up to the ancient altar, directly stretched out his old palm, and began to form seals, as if he was performing a very ancient secret technique.

At this time, Ye Feng suddenly saw that with the joint help of the ancient altar and the Lord of the Forest's secret technique, jets of dark gas suddenly floated out of Xuan Wuji's body.

These pitch-black gases should be the dark energy that has been deeply integrated into the origin of Xuan Wuji's life.

At this moment, he was actually expelled!

"Um?"

Seeing this scene, Ye Feng's eyes suddenly showed a look of joy.

It seems that I really came to the right place when I brought Xuan Wuji to the Monster Forest. Sure enough, the Lord of the Monster Forest is an extremely ancient figure and has many means to expel the dark energy from the origin of Xuan Wuji's life. .

At this moment, the black gas and dark energy expelled from Xuan Wuji's body actually condensed into a huge black skull on top of Xuan Wuji's head, which seemed to be a symbol of the demon clan.

At this time, the huge skull opened its bloody mouth, trying to swallow the forest lord who was helping Xuan Wuji in front of him.

However, this huge skull obviously underestimated the power of the forest lord.

You must know that the Lord of the Forest is an older existence that surpasses Xuan Wuji and a group of top demons, so at this time, the demon skulls composed of the expelled dark energy have just bitten in front of the Lord of the Forest. , I saw the forest lord very indifferently stretched out a dry finger, pointing a little ahead.

Buzz!

At this moment, an incomparable terrifying force suddenly struck out from the dry finger of the Lord of the Forest, and instantly restrained the huge black skull.

At this time, the huge skull struggled violently under the restraint of this power, but it was of no use at all, because the Lord of the Forest was too strong, incredibly strong.

At this moment, the forest lord just smiled faintly, stretched out his hand to grab, and quickly compressed the black skull composed of dark energy, and finally compressed it directly into a palm-sized black bead.

At this moment, the Lord of the Forest transferred the black bead directly in front of Ye Feng, smiled slightly, and said loudly: "These dark energies are the most terrifying toxins for ordinary practitioners, just like the bones attached to them." "Maggots, but for you, Ye Feng, this is the purest and most advanced original energy of the Dark Demon Emperor. Swallowing it can greatly transform your skills."

Hearing what the Lord of the Forest said, Ye Feng's eyes suddenly lit up.

Chapter 5183 Paying the Price

For Ye Feng, if he could get such pure and advanced dark energy injected now, it would be of great help to improve Ye Feng's skills.

Obviously, the Lord of the Forest also knew Ye Feng's cultivation characteristics very well, so he knew that Ye Feng needed this kind of pure energy.

He compressed all the dark energy hidden in the deepest part of Xuan Wuji's body to produce a black round bead and handed it to Ye Feng.

At this time, Ye Feng did not hesitate at all and directly grabbed the black round bead in his hand.

At this moment, Ye Feng sensed it and found that the energy contained in this black round bead was indeed very advanced, and it was a very terrifying dark energy. This was the dark origin power released by the dark magic, and it was the energy of a great emperor.

Even if it was a small round bead the size of a palm, it contained a vast ocean of energy.

"Gurgle!"

At this time, Ye Feng did not hesitate at all and directly swallowed the black round bead.

Boom!

Almost at the moment when Ye Feng swallowed the black round bead, a terrifying and majestic dark energy suddenly exploded in Ye Feng's entire body.

The terrifying energy was like a surging dragon, roaring wantonly in Ye Feng's body.

At this moment, Ye Feng was using the power of devouring, madly devouring and absorbing these dark energies.

At this time, Ye Feng could clearly feel that his skills were growing rapidly at an incredible speed.

Boom!

The second level of the realm of enlightenment!

Boom!

The third level of the realm of enlightenment!

Boom!

The fourth level of the realm of enlightenment!

Boom!

The fifth level of the realm of enlightenment!

Boom!

The sixth level of the realm of enlightenment!!

At this time, Ye Feng's cultivation aura actually broke through the five levels in an instant, and directly broke through from the first level of the realm of enlightenment to the sixth level of the realm of enlightenment.

This made Ye Feng's eyes suddenly reveal a deep surprise.

The round bead condensed by the dark energy really contained very pure power, which was the original power of the Dark Demon Emperor. It made Ye Feng's cultivation increase so much at once, which was no less than Ye Feng swallowing the power of a super strong man.

Although this made Ye Feng very impressed, but Ye Feng thought about it the other way around and felt that the Dark Demon Emperor was indeed very difficult to deal with. No wonder he was able to secretly imprison Xuan Wuji and even almost destroy Xuan Wuji's life essence.

At this moment, Ye Feng's eyes became solemn. It seemed that it would be very difficult to deal with the Dark Demon Emperor in the future.

As for the Lord of the Forest and a group of big monsters in the Monster Forest, Ye Feng did not want to invite them to the Great Xuan Dynasty to deal with the Dark Demon Emperor.

Because let's not talk about whether these big monsters are willing to take risks to fight against the Dark Demon Clan. The main reason is that Ye Feng felt that he didn't need to morally blackmail others.

These big monsters in the Monster Forest have been good enough to themselves, and they can't let them fall into danger because of themselves.

At this time, Ye Feng thought secretly in his heart.

At this moment, Xuan Wuji, the emperor of the Great Xuan Dynasty on the ancient altar, showed deep surprise in his eyes, and couldn't help but say: "Thank you, Senior Lord of the Forest, I can feel that all the dark energy in my life essence has been cleared, and I can now completely recover to my peak state. Just give me half a month, and I can recover to my heyday."

Hearing Xuan Wuji say this at this moment, the Lord of the Forest just smiled slightly and said: "Your talent is still very good. It is not easy to cultivate to such a powerful realm in the Great Xuan Dynasty."

When he said this, the Lord of the Forest looked at Ye Feng, who was not far away, smiled and said, "But the one you should thank the most is not me, but Ye Feng, because if it weren't for Ye Feng, I would never save you."

After hearing what the Lord of the Forest said, Xuan Wuji's expression immediately became serious. He quickly flew in front of Ye Feng, clasped his fists, and said, "Thank you very much, brother Ye Feng, this time."

At this moment, even Xuan Wuji had an equal attitude towards Ye Feng. It was no longer like before when Xuan Wuji thought that Ye Feng was just a junior. Now Xuan Wuji obviously regarded Ye Feng as an equal and respected Ye Feng very much.

Because Ye Feng's own talent was not only very terrifying, but most importantly, there were a group of big bosses in the Monster Forest standing behind him.

At this moment, Ye Feng's eyes showed a look of surprise, as if he didn't expect Xuan Wuji's attitude towards him to change so much at once.

But it is estimated that the other party saw that he had such a good relationship with so many top bosses in the Monster Forest, so he valued him so much.

In response, Ye Feng just smiled slightly and said, "Since Senior Xuan Wuji has completely recovered, we can set off for the Great Xuan Dynasty. The prince is also in danger now, so we must go back as soon as possible to discuss countermeasures."

Hearing what Ye Feng said, Xuan Wuji immediately nodded, with a cold look in his eyes, and said loudly: "If it weren't for Ye Feng this time, maybe our Daxuan Dynasty would really be slowly penetrated, and eventually It will become a paradise for the entire dark demon clan, and I will be imprisoned in a dark underground prison forever. I must bring that dark demon emperor to justice and make him pay for everything he has done! !"

As Xuan Wuji spoke at this time, an overwhelming cold murderous intent emanated from his body, causing the temperature of the surrounding air to drop much lower.

It has to be said that Xuan Wuji is still a powerful figure after all. Now that the hidden dangers in his body have been completely removed, he has returned to his peak state, and he has a great figure-like demeanor in every move he makes.

At this time, Ye Feng looked at the Lord of the Forest, clasped his fists and said: "Anyway, I would like to thank you, Senior Lord of the Forest, for helping Senior Xuan Wuji this time. If I have the opportunity in the future, I will definitely thank you." "Senior Forest Lord."

Hearing what Ye Feng said, the forest lord smiled slightly, waved his hand and said, "It's just a little effort."

Next, Ye Feng and Xuan Wuji rested in the monster forest for nearly half a month, allowing Xuan Wuji to return to his peak condition.

On this day, Ye Feng and Xuan Wuji left the monster forest directly and flew quickly in the direction of the Daxuan Dynasty.

The closer he got to the Daxuan Dynasty, the more Xuan Wuji felt his heart agitated, because after so many years, he was finally returning to his base camp! For Ye Feng, if he could get such pure

and advanced dark energy injected into him, it would naturally be of great help to improve Ye Feng's skills.

Obviously, the Lord of the Forest is very familiar with Ye Feng's cultivation characteristics, so he knows that Ye Feng needs something with pure energy.

He compressed all the dark energy contained in the deepest part of Xuan Wuji's body into a black round bead and gave it to Ye Feng.

At this time, Ye Feng didn't hesitate and just grabbed the black ball in his hand.

At this moment, Ye Feng sensed it and found that the energy contained in this black bead was indeed very high-level, and it was a very terrifying dark energy. This was the original power of darkness released by dark magic. It was a great emperor. level of energy.

Even a small round bead as big as a palm contains energy as vast as the vast ocean.

"Gulu!"

Ye Feng didn't hesitate at this time and swallowed the black ball directly.

Boom!

Almost as soon as Ye Feng swallowed the black ball, a terrifying majestic dark energy exploded in Ye Feng's entire body.

The terrifying energy was like surging dragons, roaring wantonly in Ye Feng's body.

At this moment, Ye Feng was running his devouring power, frantically devouring and absorbing these dark energies.

At this time, Ye Feng could clearly feel that his power was growing at an incredible speed.

boom!

Reach the third level of Taoism!

boom!

Reach the fourth level of Dao Realm!

boom!

Reach the sixth level of Dao Realm! !

At this time, Ye Feng's cultivation aura suddenly broke through the fifth level of heaven in an instant, and he directly broke through from the first level of the Dao Realm to the sixth level of the Dao Realm.

This made Ye Feng's eyes suddenly reveal a look of deep surprise.

This round bead condensed by dark energy indeed contains very pure skills. It is the original power of the Dark Demon Emperor. It makes Ye Feng's cultivation level increase so much all at once, which is no less than Ye Feng swallowing a super powerful person. The skill of the person.

Although this made Ye Feng very impressed, but thinking about it, Ye Feng also felt that the Dark Demon Emperor was indeed very difficult to deal with. No wonder he was able to secretly imprison Xuan Wuji in the first place, and even almost completely destroyed Xuan Wuji's life essence. Lost.

At this moment, Ye Feng's eyes became serious. It seemed that it would be very difficult to deal with the Dark Demon Emperor in the future.

At this moment, Xuan Wuji, the emperor of the Daxuan Dynasty on the ancient altar, had a look of deep surprise in his eyes, and couldn't help but said aloud: "Thank you, Senior Lord of the Forest, I can feel my life." All the dark energy in my essence has been cleared, and I can now completely return to my peak state. Just give me half a month, and I will be able to return to my prime."

Hearing what Xuan Wuji said at this moment, the Lord of the Forest just smiled slightly and said: "Your talent is still very good. It is not easy to cultivate to such a powerful state in the Daxuan Dynasty."

When he said this, the Lord of the Forest looked at Ye Feng, who was not far away, and then said with a smile: "But the person you should thank most is not me, but Ye Feng, because if it weren't for Ye Feng, I would never Come and save you."

Hearing what the Lord of the Forest said, Xuan Wuji's expression immediately became solemn, and he quickly flew in front of Ye Feng, clasped his fists, and said loudly: "This time, I really want to thank you, little brother Ye Feng. "

At this moment, even Xuan Wuji has developed an equal attitude towards Ye Feng. It is no longer like before when Xuan Wuji felt that Ye Feng was just a junior figure. Now Xuan Wuji has obviously regarded Ye Feng as an equal. The existence of levels greatly respected Ye Feng.

Because not only is Ye Feng's own talent extremely terrifying, but most importantly, there is also a group of boss-level figures from the Monster Forest standing behind Ye Feng.

At this moment, Ye Feng's eyes showed a look of surprise, as if he did not expect Xuan Wuji's attitude towards him to change so much all of a sudden.

But it's probably because the other party saw that he had such a good relationship with so many top bosses in the monster forest, that's why he paid so much attention to him.

In response, Ye Feng just smiled slightly and said: "Now that Senior Xuan Wuji has completely recovered, we can start heading to the Daxuan Dynasty. The prince is also in danger now, and we must go back as soon as possible to discuss countermeasures. "

Hearing what Ye Feng said, Xuan Wuji immediately nodded, with a cold look in his eyes, and said loudly: "If it weren't for Ye Feng this time, maybe our Daxuan Dynasty would really be slowly penetrated, and eventually It will become a paradise for the entire dark demon clan, and I will be imprisoned in a dark underground prison forever. Hearing what Ye Feng said, the forest lord smiled slightly, waved his hand and said, "It's just a little effort."

Next, Ye Feng and Xuan Wuji rested in the monster forest for nearly half a month, allowing Xuan Wuji to return to his peak condition.

On this day, Ye Feng and Xuan Wuji left the monster forest directly and flew quickly in the direction of the Daxuan Dynasty.

The closer he got to the Daxuan Dynasty, the more Xuan Wuji felt his heart agitated, because after so many years, he was finally returning to his base camp!

Chapter 5184 Savior

At this time, he seemed to see that Xuan Wuji beside him was very excited, and he felt eager to try. Ye Feng's eyes suddenly showed a solemn look, and he couldn't help but said: "Senior Xuan Wuji, although you Now it has returned to its heyday, and finally got out of trouble and returned to the Daxuan Dynasty, but you must not be impulsive. You must know that the entire Daxuan Dynasty is now experiencing serious internal and external troubles, and the one who is now pretending to be you, senior Xuan Wuji, The Dark Demon Emperor may have controlled most of the forces and dignitaries of the Daxuan Dynasty now, so we should plot secretly now instead of settling accounts with the Dark Demon Emperor directly. "

Hearing what Ye Feng said, Xuan Wuji immediately nodded, with a cold look in his eyes, and said loudly: "I know this, but I must find a way to kill this Dark Demon Emperor completely."

For Xuan Wuji, this Dark Demon Emperor can be said to be his biggest enemy now.

Not only had he been trapped for so many years, but he also attempted to control the Daxuan Dynasty under his command, which naturally made Xuan Wuji, the real emperor of the Daxuan Dynasty, very angry.

After all, Xuan Wuji is a powerful figure and can be said to be a dominant person in the land of Zhongzhou. How has he ever suffered such an aggrieved thing?

Hearing what Xuan Wuji said at this moment, Ye Feng smiled slightly and said: "As long as senior Xuan Wuji knows how to hide for the time being, it will be fine. Don't be impulsive. After all, the Dark Demon Emperor's cultivation is very powerful. Even if you are Senior Xuan Wuji at your peak, you cannot fight against the Dark Demon Emperor, and we cannot rashly ask for help from the powerful elders in the small world of the Daxuan Dynasty now, because no one knows whether they have been affected by the Dark Emperor. The Demon Emperor has assimilated."

Hearing what Ye Feng said, Xuan Wuji immediately nodded and said with a smile: "Don't worry, some of the older powerful men in our small world of Daxuan Dynasty will never be assimilated by the dark demons. When the time comes, I will go find those strong elders to help me."

Hearing what Xuan Wuji said, Ye Feng nodded and said loudly: "If there are elders who are absolutely trustworthy, you can really ask for help. After all, it is impossible to fight against the Dark Demon Emperor with our strength alone, and we still don't know whether the Dark Demon Emperor came to the Daxuan Dynasty alone. Maybe the Dark Demon Emperor also brought some of the most terrifying demon elders and strongmen from the Dark Demon Clan to station in the Daxuan Dynasty. These are all This is a situation we should consider, so we cannot launch a war rashly now, otherwise not only will we not win, but it will destroy the entire Daxuan Dynasty. "

Hearing what Ye Feng said, Xuan Wuji immediately nodded solemnly, then couldn't help but look at Ye Feng, patted Ye Feng's shoulder with great relief, and said aloud: "Fortunately, I met you like this back then. A guy who defies heaven, otherwise, I would still be imprisoned in a prison now, and the Daxuan Dynasty is also in danger. No one can change all this, but Ye Feng, you can reverse the situation of the battle. It is really my Daxuan Dynasty. savior!"

When Ye Feng heard Xuan Wuji's praise, a faint smile suddenly appeared on his face and he said, "Senior Xuan Wuji, please don't forget the promise you made to me."

#Every time verification appears, please do not use incognito mode!

Hearing what Ye Feng said, Xuan Wuji was stunned for a moment, and then he seemed to have thought of something. He immediately laughed and said, "Don't worry, since it is the promise I made, I will definitely fulfill it. If you can really help our Daxuan Dynasty turn the tide, get rid of the Dark Demon Emperor, and restore the purity of the entire Daxuan Dynasty, then what if I share half of the Daxuan Dynasty with you? The promise I made to you will definitely be fulfilled? "

Hearing what Xuan Wuji said, Ye Feng immediately nodded, but then a complicated look appeared in Ye Feng's eyes and he said: "Actually, I don't want to control the entire Daxuan Dynasty, I just want to get Half of the wealth of the Daxuan Dynasty is enough, which can increase my cultivation power, because I cannot stay in the land of Zhongzhou in the interface of ten thousand monsters in the future. In the future, I will definitely go to the more powerful cultivation interface above the interface of ten thousand monsters, the heaven. Because I once made a promise to go to the heaven to find the members of the Celestial Clan. I must fulfill this promise, and the heaven has more powerful power and peerless inheritance. I need to go to the heaven to obtain stronger power. In this case, I can We can finally go to a higher spiritual dimension, which is the extraterrestrial world connected to the end of our world."

"Um?"

Hearing Ye Feng's words, even Xuan Wuji had a look of surprise in his eyes, and couldn't help but say: "No wonder you have always been so brave and diligent, never resting, but constantly practicing and changing. You are getting stronger and stronger. It turns out that the belief that supports you is to go to the higher spiritual dimension of the outside world. No wonder your vision is so high and your own talent is so incredible. Sure enough, you are not a thing in the pool. Your future is destined. Transform into a giant dragon and soar through the nine heavens."

Hearing what Xuan Wuji said, a bitter smile suddenly appeared on Ye Feng's face, and he said loudly: "Actually, sometimes I don't want to live so tiredly. I practice hard every day, looking for opportunities and fortune everywhere, and become more and more beautiful." The stronger I am, it's just that I have to do this, because I want to find my parents, my father and mother. In order to save the family behind me, I took a huge risk and got lost in the outside world, so I have to Go to the higher spiritual dimension of the outer world to find my parents, because my long-standing wish is to reunite my family. A long time ago, when I just entered the spiritual path, all my beliefs were to be able to reunite my family. Family reunion and parents reunion, but all the time, various accidents happened, which made it impossible for me to fulfill my wish. Now my parents are all lost in the outside world. I have to find them, so I have to get more and more The stronger you are, the more you can do this."

Hearing what Ye Feng said, Xuan Wuji nodded, patted Ye Feng's shoulder, and said with a sigh: "Work hard, young man. I believe you will be able to achieve your goal and reunite with your family."

When he said this, Xuan Wuji seemed to have thought of something, and immediately couldn't help but smile on his face, and said loudly: "I'm going to see my family too, to see how my son and daughter are doing now. "

Ye Feng smiled slightly and said loudly: "The current Crown Prince and Princess will never let you down, Senior Xuan Wuji. They are the best among men and they are not waiting to die."

Chapter 5185 How to deal with it

"good."

Hearing what Ye Feng said, Xuan Wuji immediately nodded and said, "We will enter the imperial city directly."

At this moment, Ye Feng looked forward and found that they had arrived outside the imperial city of the Daxuan Dynasty.

At this time, Ye Feng couldn't help but asked: "Senior Xuan Wuji, should we enter it directly like this now?" .??.

Xuan Wuji nodded, smiled and said: "Don't worry, I have returned to my peak now. Some of the security forces in the Daxuan Dynasty Imperial City have no way of discovering me."

Hearing what Xuan Wuji said, Ye Feng immediately nodded.

In fact, after Xuan Wuji returned to his peak period, Ye Feng should have great faith in Xuan Wuji, because Xuan Wuji was a powerful figure in Zhongzhou in the entire interface of ten thousand monsters.

Therefore, after Xuan Wuji returned to his peak period, he was not as weak as Ye Feng imagined. Ye Feng did not need to worry too much, because Xuan Wuji also had many methods.

Moreover, Xuan Wuji can become the emperor of the entire Daxuan Dynasty, and his resourcefulness is definitely not weaker than Ye Feng. After all, he is a hero-level figure. However, Xuan Wuji has just escaped from trouble and returned to his hometown, so it seems that There are some surging hearts and impulses, but in fact Xuan Wuji is still very stable in his heart. Otherwise, he would not be elected as the emperor of the Daxuan Dynasty and become the emperor of the Daxuan Dynasty that year.

Xuan Wuji is definitely an extremely powerful man!

At this time, Ye Feng did not hesitate at all and immediately flew quickly in the direction of Xuan Wuji. Following Xuan Wuji, he easily passed through the guards of the entire Daxuan Dynasty Imperial City. Arrive at the palace.

At this time, Ye Feng said aloud: "Let's go directly to the prince and put the jade seal of Zhenguo back. Otherwise, the elders of the entire Daxuan Dynasty royal family will

#Every time verification appears, please do not use incognito mode!

The strong ones have been looking for me. "

Hearing what Ye Feng said, Xuan Wuji nodded, and directly used the technique of space movement to bring Ye Feng to the palace where the prince lived.

In the prince's palace, Ye Feng and Xuan Wuji saw a young man wearing a black python robe at first sight, looking very worried in the palace.

At this moment, Ye Feng and Xuan Wuji stepped forward directly. Ye Feng was the first to say: "Prince, I'm back."

Hearing the familiar voice behind him, the prince turned around with a look of deep surprise on his face. He quickly came to Ye Feng, stretched out his hands, grabbed Ye Feng's shoulders, and said: "Ye Feng, you are finally back. I have been worried that you would be caught by the powerful elders of the royal family in our small world. That would be a pity."

At this time, because all the prince's attention was on Ye Feng, he did not notice another middle-aged man standing behind Ye Feng.

But at this time, Ye Feng reminded him and said: "Your Highness, look who I brought back to you."

Uh-huh!

After finishing speaking, Ye Feng suddenly turned sideways and pointed at the middle-aged man standing behind him.

"This is....."

At this moment, when he saw the middle-aged man behind Ye Feng, the prince was stunned for a moment, but then he didn't believe everything in front of him.

Uh-huh!

He suddenly rushed in front of Xuan Wuji, a little panicked, but also a little surprised and said: "Father, is it you? Is it really you? You are finally back after all these years.

!! "

At this moment, the prince could be said to be extremely surprised, because he never expected that Ye Feng's return this time would actually bring back his father who had disappeared for many years.

The prince was very familiar with his father's aura, so he knew that the middle-aged man in front of him was definitely his real father, not the fake emperor currently in the palace.

At this time, Xuan Wuji also had very emotional eyes, staring at the prince in front of him, and said loudly: "Son, you have suffered."

The prince quickly shook his head and said loudly: "I won't suffer, everything is for the Daxuan Dynasty."

Xuan Wuji saw that the prince looked so stable and responsible now, he smiled very happily and said: "When this matter is over, my throne can be truly passed on to you, and I may have to go to Monster The forest went to retire."

"Um?"

Hearing Xuan Wuji suddenly say such abrupt words, the prince's eyes suddenly froze, as if he didn't know what to say. ??

At this time, Ye Feng just laughed and said: "Prince, I took Senior Xuan Wuji to the deepest part of the Monster Forest. It is simply a paradise. Your father is very obsessed with that place, so he wants to Going to retire."

Hearing what Ye Feng said at this time, the prince also smiled slightly and said aloud: "As long as my father wants to do something, then I will support it unconditionally. After my father returns this time and resolves all the crises, he can indeed raise children." Retirement, enjoying the blessings, no need to worry about so many things, I can take care of the whole Daxuan Dynasty for my father. "

Hearing what the prince said, Xuan Wuji immediately patted the prince's shoulder and his expression changed.

De became serious and said aloud: "Let's not talk about what happens next. Let's talk about how to deal with the Dark Demon Emperor next."

The prince's face became serious at this time. He looked at Ye Feng and Xuan Wuji in front of him and said loudly: "I have also inquired about a lot of information during this period, but I found a very difficult problem, that is, the Dark Demon Emperor. Now he is not just one person, he has secretly placed many strong men from the dark demon clan among the royal family of our Daxuan Dynasty. In addition, he has also secretly used dark energy to assimilate and control many of our Daxuan Dynasty. Many powerful people among them have turned them into traitors, so it is still very difficult to deal with the Dark Lord now, because we have to deal with not only him, but also everyone he controls. "

Hearing what the prince said, Xuan Wuji nodded solemnly and said, "Ye Feng and I have already discussed these situations on the way back. We also expected that this situation would happen, but no matter what, , we must resist, we must completely eliminate these dark demons from the royal family of our Daxuan Dynasty, and I must deal with the Dark Demon Emperor with my own hands, and kill him completely before I can wash away my The shame of being imprisoned for so many years."

When he said this, Ye Feng said aloud: "Now we must first find the power that can be won over by us. I heard Senior Xuan Wuji say before that there are some powerful elders of the royal family in the small royal world of the Daxuan Dynasty. They are very loyal and cannot be exploited by the Dark Demon Emperor. We will first find the most reliable elders of the royal family and pull them into our camp. Only by constantly accumulating more power will we have On the other hand, we can fight against the Dark Demon Emperor and the huge subordinates he controls, but even the most reliable elders of the royal family may be forcibly assimilated by the Dark Demon Emperor using dark energy. We must take these situations into consideration. "

Chapter 5186 Stop it all

Hearing what Ye Feng said, Xuan Wuji immediately nodded and said: "Without further ado, we will go directly to the small world now. I am going to visit my elders, and I want to test which elders, It has not been controlled and assimilated by the Dark Demon Emperor."

Hearing what Xuan Wuji said, the prince couldn't help but said: "The father can't show his true face now. After all, the Dark Demon Emperor is still pretending to be the emperor. If the father shows his face directly now, it will definitely cause a huge stir." The strife and turmoil of the dynasty."

Hearing this, Xuan Wuji couldn't help but nodded and said, "It's simple, I just need to disguise my identity."

Uh-huh!

After finishing speaking, Xuan Wuji's body flashed with light, and his appearance and body shape changed directly, from the image of a stalwart middle-aged man to a tall and thin old man in black.

At this time, Xuan Wuji looked at the prince in front of him and said with a smile: "Since it is not convenient for me to show up directly, then you will come forward to test the seniors of our Daxuan Dynasty. Ye Feng, you will also follow us. Together, we can adapt to the situation and help the prince, and I will serve as your protective force."

Hearing what Xuan Wuji said, the prince immediately nodded, looked at Ye Feng, and said loudly: "Ye Feng, let's go directly to the small world."

At this time, Ye Feng nodded and followed the prince directly towards the small world of the Daxuan Dynasty royal family.

Xuan Wuji disguised himself as a thin old man and followed the two of them as their guardian.

At this time, the three of them quickly flew towards the small world.

Soon, they came to the entrance area of the small world.

At this time, Ye Feng saw that the entrance to the small world was still guarded by two guards from the giant spirit god clan.

But at this moment, when the guards of the Giant Spirit God clan saw Ye Feng appearing again, they knelt down on one knee very respectfully and said: "See you, young master!"

"Um?"

At this time, when they heard the names of the two guards of the Giant Spirit God clan, not to mention Ye Feng, they were all princes, with a look of surprise in their eyes. It seemed that they did not expect that these two guards of the Giant Spirit God clan would actually treat Ye Feng. Feng regarded him as the successor of their giant spirit god clan.

But thinking about the shock Ye Feng had brought to the two guards of the giant spirit god clan before, it was normal to think about it.

After all, Ye Feng is now the inheritor of the giant spirit god's bloodline, and he also possesses the giant spirit god's ax, a sacred weapon of the giant spirit god clan.

Therefore, Ye Feng is naturally the main bodyguard of these two giant spirit gods.

Seeing this scene, Xuan Wuji, who was disguised as a skinny old man, also had a look of surprise in his eyes. He seemed not to have expected that Ye Feng could actually subdue the two guards of the giant spirit god clan at the entrance of the small world of the royal family of the Daxuan Dynasty.

You know, these two guards of the Giant Spirit God clan have always had a very high self-esteem, are very aloof, and never put anyone in their eyes.

But I didn't expect that he would be so respectful to Ye Feng.

At this time, Xuan Wuji just flashed his eyes slightly and didn't say much.

Because he also knew that Ye Feng's methods were very powerful and miraculous. Even he, the emperor of the Daxuan Dynasty, was very impressed by Ye Feng's various magical abilities.

So Ye

#Every time verification appears, please do not use incognito mode!

Xuan Wuji was not surprised that Feng could successfully fuse the bloodline of the Giant Spirit God and was recognized by the Giant Spirit God's Ax. He just thought it was normal.

Of course, this is because I have been with Ye Feng for a long time and have a clear understanding of Ye Feng's various magical abilities, so I feel that it is very normal for Ye Feng to do all this.

Otherwise, if other people knew all this, they would definitely be shocked.

At this moment, Ye Feng just smiled slightly and said: "You can just let them go. We are going to enter the small world and look for some powerful elders from the royal family."

Hearing what Ye Feng said, the two guards of the Giant Spirit God clan immediately nodded respectfully, retreated to both sides, and let them go without any obstruction at all.

At this time, the prince took Ye Feng and Xuan Wuji, who was disguised as a skinny old man, directly into the inner world of the royal family of the Daxuan Dynasty.

The moment Ye Feng entered this small world, he immediately felt that there seemed to be an unusual atmosphere in this small world.

At this moment, Xuan Wuji behind Ye Feng seemed to sense some abnormal aura. He suddenly stretched out his hand and grabbed the surrounding air, and a cold look suddenly appeared in his eyes.

Because the air captured by Xuan Wuji was actually mixed with a trace of black gas.

This trace of black gas is naturally very familiar to Xuan Wuji. It is the kind of dark energy that invades the essence of life that made him miserable before.

"Um?"

Seeing this scene, Ye Feng also showed a solemn look in his eyes, and couldn't help but said: "No, these dark energies should be the original power of the Dark Demon Emperor. I didn't expect that he would use his original power to form an invisible force." Disseminated in the small world of the royal family of the Daxuan Dynasty, it can allow the powerful elders to absorb this dark energy gas invisibly, allowing these dark energy to invade the life essence of the elders of the royal family, allowing them to interact with senior Xuan Wuji. Just like before, you are completely destroyed and can no longer reach the peak, being eroded by this dark gas."

Hearing what Ye Feng said, Xuan Wuji nodded and said, "Yes, this is the Dark Demon Emperor's conspiracy."

"What?"

When the prince heard the conversation between the two people beside him, a look of deep shock and anger suddenly appeared on his face, and he said loudly: "I didn't expect that this Dark Demon Emperor would be so vicious and arrogant, and he would be so bold. To this extent, I want to poison all the powerful elders in the entire small world."

Ye Feng nodded and said aloud: "Because the Dark Demon Emperor also knows that the biggest threat to him now is not senior Xuan Wuji, but the elders and strong men in the entire small world of the Daxuan Dynasty. These elders and strong men All of them are the old emperors who survived each generation of the Daxuan Dynasty. Their cultivation strength and methods are very terrifying. Even big figures like the Dark Demon Emperor may not be able to fight against them, so he thought of it. Use this subtle method to poison all the powerful elders of the royal family, so that each and every one of the powerful elders of the royal family will be invaded by this dark energy into the essence of life, and thus completely destroyed. In this case, the Dark Demon Emperor will Eliminated his biggest threat in the Daxuan Dynasty."

"hateful!"

Hearing what Ye Feng said at this time, the prince said anxiously: "We have to prevent this from happening. Otherwise, if all the powerful elders of the royal family are invaded by this dark energy into the essence of life, then our entire life will be destroyed." The foundation of the Daxuan Dynasty has been completely destroyed!"

Chapter 5187: Not as good as me

You must know that the reason why the Daxuan Dynasty has been able to stand on the land of Zhongzhou for so many years in the interface of ten thousand demons is that in addition to the existence of such a magnificent emperor as Xuan Wuji, there are also, more importantly, the numerous elders of the royal family who have cultivated in the small world. The strong ones.

These powerful old men are all old monsters, living fossil level beings.

With this group of old monsters around, other overlord forces did not dare to invade the vast territory of the Daxuan Dynasty.

At this time, Ye Feng nodded and said loudly: "We really have to stop this. Now the air in the entire small world has been invaded by this dark energy. Fortunately, we have come here and discovered that all this is still possible." Earlier, those elders should not have been completely invaded by the power of darkness. We still have a chance to save them, so this time we must save all the elders and powerful royals in the small world who have not been assimilated and controlled by the Dark Demon Emperor. Find them all and take them out of the small world. We can't let them stay in this small world any longer."

Hearing what Ye Feng said, Xuan Wuji said with a solemn face: "Prince, it is up to you to find and test the powerful elders of the royal family. Ye Feng and I will be by your side to assist you. Let's act as soon as possible. , otherwise, there won't be enough time."

Hearing what Xuan Wuji said, the prince immediately nodded and said, "It's my father, I will do my best."

After saying that, the prince flew directly towards the nearest mountain peak in this small world.

There is an old and powerful person from the royal family living on this mountain peak. Now there is no other way but to test one by one.

However, just as the prince was flying to the mountain peak, the prince still looked at Xuan Wuji beside him with some uncertainty, and said loudly: "Father, please tell me how I should test whether these seniors of the royal family have been possessed by the dark demon." Does the emperor give assimilation control?"

Hearing what the prince said, Xuan Wuji shook his head and said, "I don't know how to test this."

When he said this, Xuan Wuji glanced at Ye Feng subconsciously and said:

#Every time verification appears, please do not use incognito mode!

"Maybe Ye Feng has a way."

Obviously, even if Xuan Wuji is an extremely powerful person, he still pays great attention and attention to the young man Ye Feng at this time. If there is anything he doesn't understand, he wants to ask Ye Feng.

Because Ye Feng has brought a great shock to Xuan Wuji along the way, and the various methods and abilities Ye Feng has displayed also make Xuan Wuji feel very trusted.

Hearing what Xuan Wuji said at this moment, the prince also glanced at Ye Feng in surprise, as if he did not expect that his father believed in Ye Feng so much.

Because the prince knows very well that his father Xuan Wuji is a powerful figure, and he has always been very aloof. Even if he is the controller of other overlord forces in Zhongzhou in the interface of ten thousand demons, Xuan Wuji will not take it seriously. superior.

But I didn't expect that Xuan Wuji would ask Ye Feng first.

The prince immediately understood that Ye Feng brought his father to the royal family of the Daxuan Dynasty. He must have shown a lot of abilities and methods along the way, which made his father have absolute trust in Ye Feng.

At this moment, the prince was a little lucky. Fortunately, Ye Feng was on the side of their Daxuan Dynasty. Otherwise, it is estimated that the Daxuan Dynasty would really be completely assimilated and controlled by the Dark Demon Emperor.

At this moment, the prince immediately looked at Ye Feng and couldn't help but said: "Ye Feng, do you have any way for us to test whether the seniors of the dynasty have been infected by the dark demon in a short period of time?" Did the emperor assimilate?"

Hearing what the prince said, Ye Feng smiled slightly and said: "The method is very simple. When we approach this royal senior, we only need to carefully sense the cultivation aura emanating from this royal senior. You will know if there is dark energy among them. Since the Dark Emperor wants to control these seniors of the royal family,

, then he must assimilate these old seniors. If the old seniors are assimilated by dark energy, their cultivation aura must have the same dark power as the Dark Demon Emperor. "

Hearing what Ye Feng said, the prince's eyes suddenly lit up and he said loudly: "Yes, yes, this method is very good, but if you want to sense the cultivation aura of the senior royal family member in an instant, is there any darkness? It is very difficult to deal with the dark energy of the Demon Emperor, because the cultivation levels of these royal seniors are unfathomable, and they will definitely try their best to suppress the dark energy contained in their bodies to prevent them from being discovered by outsiders. "

When Ye Feng heard what the prince said, he immediately smiled and said, "Just leave this to me. My perception is very terrifying, even surpassing that of your father, senior Xuan Wuji. Although senior Xuan Wuji's cultivation Because he is much stronger than me now, but in terms of perception, he may not be as good as me."

Hearing what Ye Feng said, the prince's face suddenly showed a look of astonishment.

Xuan Wuji smiled slightly and said, "Ye Feng is right, just do what Ye Feng said."

After hearing what his father said, the prince naturally did not dare to say anything more and quickly said: "Okay, then I will rely on Ye Feng to help me this time."

After finishing speaking, the prince took Ye Feng and the old man in black disguise as Xuan Wuji and landed directly on the nearest mountain peak.

The person living on this mountain is a very powerful old royal family member, who seems to be a prince of the third generation of the royal family. He has never died, but has been practicing in seclusion in the small world. He is a very powerful old figure in the royal family.

At this time, the prince took a deep breath and descended on this mountain with Ye Feng and Xuan Wuji.

Swish!

At this moment, a mountain guard boy, a young child, came directly in front of the prince and couldn't help asking:

Please do not use the invisible mode every time verification appears!

"Why did you come here, Your Highness?"

The prince immediately said, "I want to see your master, my uncle."

Hearing what the prince said, the mountain-guarding boy immediately shook his head and said, "The master is in retreat now, so we can't meet for the time being."

Hearing what the mountain-guarding boy said, the prince immediately said, "Please tell your master that I have important things to discuss with him, which is related to the life and death of our Great Xuan Dynasty."

"What?"

Hearing the prince's serious words, the mountain-guarding boy's face changed, and he didn't dare to delay, and hurriedly said, "Yes, Your Highness, I will report to the master now."

After that, the mountain-guarding boy flew directly to the top of the mountain.

Soon, an old man in coarse linen clothes landed from the top of the mountain.

This old man in coarse linen clothes looked very ordinary and mediocre, but the aura he exuded gave people a feeling of extreme fear.

Obviously, this old man who looks like an ordinary old man is an extremely terrifying old man.

At this time, the prince immediately clasped his fists and said, "Hello, old uncle."

In fact, the prince didn't know how to address this old man, because the old masters who practiced in the imperial world of the Great Xuan Dynasty were all very old, and some may have lived for thousands or even tens of thousands of years, so the prince could only address them casually.

At this moment, the old man in coarse linen clothes didn't seem to care, just nodded slightly and said, "Prince, come here to find me, an old guy, is there anything special? I heard from the mountain guard that our Great Xuan Dynasty has reached a critical moment of life and death. I want to ask what the situation is. I feel that the entire Great Xuan Dynasty is still very peaceful."

Chapter 5188 Even Worse

Hearing what the old man in coarse linen clothes said, the prince immediately replied bravely: "Our entire Daxuan Dynasty is indeed facing a huge crisis now."

When he said this, the prince looked at Ye Feng beside him from time to time, because it was impossible for him to directly say that the Daxuan Dynasty would now be controlled by the Dark Demon Emperor.

After all, it is not yet certain whether the senior royal figure in front of him has been assimilated by the Dark Demon Emperor, so he cannot tell the truth rashly.

Now the prince could only bite the bullet and talk nonsense to create time for Ye Feng beside him to sense.

At this moment, Ye Feng sensed it carefully, and even felt uneasy about the released soul power. He sensed it carefully, and then shook his head, meaning that there was no darkness in this old man in coarse linen clothes. The original power of the Demon Emperor.

This made the prince immediately show a look of joy on his face, and he finally stopped hiding it and said directly: "I'm afraid the old uncle doesn't know yet, but now our entire Daxuan Dynasty is really in a huge crisis. Because our Daxuan Dynasty has lurked and infiltrated many tribesmen and powerful people from the dark demon clan, so I am here now to find enough helpers to help us and fight against these infiltrations into our Daxuan Dynasty. The dark demon clan."

"What?"

Hearing what the prince said, the old man in coarse linen clothes obviously didn't believe it. He couldn't help frowning and said: "Prince, are you a little too alarmist?"

"The prince is not alarmist."

At this moment, Ye Feng confirmed that there was nothing wrong with the old man in coarse linen clothes. Xuan Wuji, who was disguised as the old man in black, no longer concealed his identity. He just changed his body shape and became Xuan Wuji. .

"What?"

Seeing Xuan Wuji appear in front of him, this old man from the Daxuan Dynasty, this old man in coarse linen clothes, finally realized that the problem might be real.

#Every time verification appears, please do not use incognito mode!

It's a bit serious.

He couldn't help but said aloud: "Why did His Majesty the Emperor disguise himself like this and sneak into the small world?"

Xuan Wuji spoke slowly: "Because I can't reveal my true identity now. The current emperor of the Daxuan Dynasty is a dark demon emperor in disguise. It is the little brother Ye Feng who has gone through all kinds of hardships. , rescued me from the prison of the Dark Demon Emperor. This time I returned to the Daxuan Dynasty, and no one knew about it, including the Dark Demon Emperor, because now I have to disguise and hide my identity. Deal with the Dark Demon Emperor secretly."

Hearing what Xuan Wuji said, this senior member of the royal family immediately couldn't help but said angrily: "These dark demons are bullying people too much! They dare to infiltrate into the royal family of our Daxuan Dynasty. Now I will launch the entire small world to use the power of the world to kill the Dark Demon Emperor."

Hearing what this senior member of the royal family said, Xuan Wuji immediately shook his head and said loudly: "Old uncle, you must not be impulsive, because now our enemy is not only the Dark Demon Emperor, but also the Dark Magic. The many powerful people of our Daxuan Dynasty who have been assimilated, not to mention some civil and military officials and dignitaries in the palace, and even many of the elders of our royal family in this small world may have been assimilated by the Dark Demon Emperor. That's why we secretly came to the small world in order to find the powerful elders of the royal family who have not been assimilated, and gather together to fight against the Dark Demon Emperor and his assimilated helpers. "

Hearing Xuan Wuji's words, the face of this senior member of the royal family became serious. He couldn't help but nodded and said: "If it is really as you said, then the trouble will be a bit big. After all, there are many powerful elders from each generation of our Daxuan Dynasty living in this small world. If

If most of the powerful elders were assimilated and controlled by the Dark Demon Emperor, it would be really difficult. "

At this time, Ye Feng also nodded and said: "You don't need to be so pessimistic. I think the Dark Demon Emperor has not yet massacred other figures in the Daxuan Dynasty. It may be because he has not assimilated enough people. The royal members of the Daxuan Dynasty, otherwise, with the ruthless nature of the Dark Demon Emperor, I am afraid that they would have already taken action against the rest of the entire Daxuan Dynasty, so we don't have to worry too much. Anyway, we are trying our best to stay in this small world now. Among them, we found strong men of the older generation who had not been assimilated."

Hearing what Ye Feng said, this senior member of the royal family couldn't help but glance at Ye Feng in surprise, and said loudly: "Is it this ordinary-looking little guy who saved you, His Majesty the Emperor?"

When Xuan Wuji heard what the elder of the royal family said, he immediately smiled and said with great appreciation: "Old uncle, please don't underestimate this young man. Many of his methods and abilities are not even comparable to mine. Even when we confirmed that there is nothing wrong with you just now, it was the little brother Ye Feng who sensed it, because it is difficult for even me to tell in a short period of time whether the cultivation skills of you seniors of the royal family have been assimilated to dark energy. "

Hearing what Xuan Wuji said, the senior member of the royal family immediately said in surprise: "Oh? I didn't expect this little guy to have such a strong sense of perception. However, he can save you, His Majesty the Emperor, from the darkness." Being rescued from the Demon Emperor's prison is enough to show that his abilities are outstanding. "

When he said this, the old senior of the royal family looked around and said, "Let's go. Next, I will take you to visit the old royal figures one by one. I hope that Ye Feng, a little guy, can sense more old masters who have not been assimilated."

Ye Feng smiled slightly at this moment and said, "As long as I can stand in front of the old royal masters at a close distance, I can instantly sense their cultivation aura.

Please do not use the traceless mode every time verification appears!

Is there any dark energy in it?"

Hearing what Ye Feng said, the old senior of the royal family immediately nodded and said, "Let's go, don't waste time. The situation is indeed very urgent from what you said."

At this moment, after the old senior of the royal family finished speaking, he immediately took the prince, Ye Feng, and Xuan Wuji beside him and flew to other directions of this small world.

For the next three days and three nights, the group kept visiting every old senior who was in seclusion.

With the first old royal senior leading the way, Ye Feng and his team were naturally much more efficient.

Because if the younger generation of them visited by themselves, some of the old seniors might not be willing to come out to meet them.

But with the first old senior of the royal family leading the way, the other old seniors of the royal family would naturally give face and meet.

For three whole days and three nights, everyone visited almost all the old strong men.

And Ye Feng also sensed that in the entire royal world, half of the old seniors of the royal family had been secretly assimilated by the Dark Demon Emperor, and their skills contained very evil dark energy.

This result was a bit shocking, making Ye Feng, the prince, and even the emperor Xuan Wuji feel a little scared.

Unexpectedly, the Dark Demon Emperor had infiltrated so many old strong men in the entire Great Xuan Dynasty.

If they didn't act quickly, perhaps after a while, the entire Great Xuan Dynasty would really become a paradise for the dark demons.

The prince couldn't help but ask, "So what should we do now? The situation is much worse than we thought. I didn't expect that half of the royal elders have been assimilated by the Dark Demon Emperor and become his thugs. This is a bit difficult to deal with."

Chapter 5189: Indeed Against the Heavens

Hearing what the prince said at this time, Ye Feng couldn't help but said: "No matter how difficult it is, it must be done, because now it has reached a moment of life and death for the entire Daxuan Dynasty, and there is no way to back down."

When he said this, Ye Feng looked at Xuan Wuji beside him and said loudly: "Senior Xuan Wuji, our best way now is to gather all the power we can, so we still tell all the truth to those who have no. The elders of the royal family who have been assimilated and infected by the Dark Demon Emperor speak out and let them leave the small world with us, and then we will seek help from other forces to see if we can deal with the Dark Demon Emperor. "

Hearing what Ye Feng said, Xuan Wuji immediately nodded and said: "The only way now is to unite all the strong people who can unite."

When he said this, Xuan Wuji looked at the old royal family they were looking for first, and couldn't help but said: "Old uncle, I hope you can come forward and tell us that the dark demon we just sensed is not there." The other elders and powerful men of the royal family who have been assimilated by the emperor's dark energy have gathered together to tell them the truth and let them fight for the future of our Daxuan Dynasty again. "

Hearing what Xuan Wuji said, the old man of the royal family immediately nodded very solemnly and said: "Don't worry, I will definitely notify those who were not assimilated by the dark energy that Ye Feng sensed just now in time. Strong men of the older generation, gather them all."

After saying that, the old man from the royal family immediately flew quickly in other directions of this small world, apparently to inform others.

At this moment, Xuan Wuji looked at Ye Feng and the prince and said, "We will follow the old uncle's words and wait here for his return."

Hearing what Xuan Wuji said, Ye Feng and the prince nodded.

Now has reached a moment when the survival of the Daxuan Dynasty can be said to be at stake, and everything that can be done must be done.

At this time, the three of them landed directly on the mountain peak where the first royal senior lived, and temporarily lived on the top of the mountain. ??

At this time, the three of them could only wait silently.

Buzz!

At this moment, Ye Feng did not hesitate and began to release his Devouring Domain and began to absorb the majestic energy contained in the air of the entire small world around him.

When Ye Feng first came to this small world of the Daxuan Dynasty royal family, he had already discovered that the energy between heaven and earth in this small world was very powerful, and the air also contained very high-level vitality.

Therefore, it can be said that Ye Feng can get twice the result with half the effort by practicing here.

Seeing Ye Feng doing this at this moment, Xuan Wuji couldn't help but said: "The air in this small world has been penetrated by very evil dark energy. Ye Feng, you directly absorb the world in this small world. If it's vitality, will it be penetrated by dark energy?"

Hearing what Xuan Wuji said, Ye Feng immediately laughed and said: "Senior Xuan Wuji, you forgot that when you were treated by the Lord of the Forest, the dark energy was absorbed from your body and the source of your life. Have they all been swallowed up by me?"

Hearing what Ye Feng said, Xuan Wuji seemed to have just remembered this matter, and immediately nodded suddenly and said loudly: "Oh, that's right, you are not afraid of dark energy at all, you can directly absorb dark energy."

Use dark energy for your own use to enhance your own power. "

Hearing what Xuan Wuji said, the prince next to him also showed deep surprise in his eyes. It seemed that he did not expect that Ye Feng's ability was so strong that he could directly absorb the dark energy that everyone was afraid of and transform it into His own strength, this ability is really incredible.

And just as Ye Feng was talking, Ye Feng's devouring domain had spread to the surroundings and began to absorb the vitality power between heaven and earth.

You must know that the energy of heaven and earth in this small world of the royal family is very high-level, very powerful, and is almost dozens of times richer than the outside world.

So after Ye Feng swallowed it at this time, he felt a huge amount of energy, which was immediately injected into his Dantian, causing his skill to increase rapidly.

But after all, this is just the energy of heaven and earth. Although it is more than ten times richer than the outside world, it is far from comparable to Ye Feng's ability to directly devour a super strong man.

Therefore, Ye Feng's current skill increase is still quite slow, but Ye Feng just doesn't want to waste time now. While waiting for the royal senior, he can increase his skill as much as possible. In this case, he will become stronger. At this time, the chance of winning against the Dark Demon Emperor will be greater.

boom!

Half an hour later, Ye Feng's body suddenly burst out with a cultivation aura.

Ye Feng's cultivation level actually broke through directly, from the sixth level of the Dao Realm to the seventh level of the Dao Realm!

In just half an hour, Ye Feng absorbed a large amount of heaven and earth energy, allowing his cultivation to undergo transformation and breakthrough.

I have to say, this is still very good.

However, Ye Feng did not continue to devour it, because the vitality of the surrounding world had been plundered by him, and it would be difficult to restore the previous rich state in a short period of time.

At this moment, seeing Ye Feng directly absorbing the vitality of heaven and earth and breaking through to the next level, the prince immediately said in admiration: "Ye Feng, you are really the most powerful young generation I have ever seen."

Xuan Wuji couldn't help but nodded and said, "This little guy Ye Feng is really amazing."

At this time, just as they were talking, the first old senior of the royal family they met had brought dozens of old masters from the small worlds here one after another.

These old masters are probably so old that even Xuan Wuji can't tell them apart.

Most of them are old masters of each generation of the Great Xuan Dynasty. For some reasons, they choose to retreat in the small world, not asking about worldly affairs, just to concentrate on breaking through the realm of cultivation.

At this moment, dozens of old masters gathered at once, all of whom were loyal to the Great Xuan Dynasty, which made Ye Feng and others couldn't help but breathe a sigh of relief. Fortunately, there are still so many old masters who have not been assimilated by the dark energy, otherwise, everything will be troublesome.

At this moment, looking at the dozens of powerful old royals in front of him, Xuan Wuji directly changed into his true form and said, "Dear elders, I am Xuan Wuji, the current emperor of the Great Xuan Dynasty. I think everyone knows the situation of our Great Xuan Dynasty now. So, this time our Great Xuan Dynasty has encountered an unprecedented crisis. I summoned all the elders here to deal with the Dark Demon Emperor and the dark demons who have infiltrated our Great Xuan Dynasty."

Chapter 5190 Giant Spirit Guard

Hearing what Xuan Wuji said, a group of powerful elders from the Daxuan Dynasty all spoke up: "Our mission is to protect the foundation of the entire Daxuan Dynasty. Now that the Daxuan Dynasty is in a great crisis, we must do our part, and we will do whatever His Majesty the Emperor says."

Seeing that these senior royal family members were still loyal to the Daxuan Dynasty after so many years, Xuan Wuji couldn't help but show a trace of emotion in his eyes, and then said aloud: "In any case, let's leave this little one first. The world, because the energy of heaven and earth in this small world has been penetrated by dark energy, if the elders continue to stay, they will definitely be harmed by the dark energy. "

Hearing what Xuan Wuji said, many powerful elders nodded and followed Xuan Wuji, the prince and Ye Feng, flying quickly towards the outside of this small world.

Since the actions of Ye Feng, Xuan Wuji and the Prince were very secretive, they were not discovered by the Dark Demon Emperor and the Dark Demon Emperor's subordinates in the Daxuan Dynasty, so everyone left smoothly. The small world came to the outside world.

At this moment, an old man wearing a golden robe among the dozens of royal elders couldn't help but nodded and said loudly: "It seems that I feel different after coming out. I was in the small world before. When I was practicing, I could indeed feel that the vitality of heaven and earth that I

absorbed contained a very uncomfortable energy. It should be the dark energy penetrated by the Dark Demon Emperor. After I came outside, I felt this The uncomfortable energy is gone."

Hearing what the old man in golden robes said, Xuan Wuji immediately nodded and couldn't help but said: "This time it is really thanks to this little brother Ye Feng. If it weren't for Ye Feng, It is estimated that all of us are still kept in the dark, and I may still be secretly imprisoned in a small place by the Dark Lord."

I heard Xuan Wuji say this

Said that a group of dozens of elders and powerful men from the royal family all focused their attention on Ye Feng.

Obviously, this group of senior experts had also heard about Ye Feng's deeds and knew that Ye Feng, a seemingly ordinary young man, was an extremely powerful person.

At this moment, Ye Feng smiled slightly and said: "Since I have promised Senior Xuan Wuji to help him save the entire Daxuan Dynasty, then I will definitely do everything I can."

When this was said, everyone had already left the small world of the royal family and came outside.

At this moment, Ye Feng saw the two burly giant spirit guards still standing at the entrance of the small world.

The cultivation level of these two Giant Spirit God guards is not much weaker than the elders and strong men in the small world.

So at this time, Ye Feng couldn't help but said: "These two guards of the Giant Spirit God clan are destined to me, and I also want to take them away."

Hearing what Ye Feng said, Xuan Wuji immediately nodded and said, "You can decide this yourself."

Ye Feng nodded, landed directly from the sky, and came to the two giant spirit guards.

At this moment, Ye Feng said aloud: "Are you two willing to follow me and leave here?"

Hearing what Ye Feng said, the two guards of the Giant Spirit God clan immediately said respectfully: "Of course we are willing to follow the young master, but we still have the responsibility to protect the entire small world."

Ye Feng shook his head and said aloud: "Today's small world no longer needs

You are here to protect it, and you no longer have the responsibility and obligation to protect the small world. "

Hearing what Ye Feng said, the two guards of the Giant Spirit God clan were confused and couldn't help but ask: "Young Master, what does this mean?"

Ye Feng said aloud: "The people living in the small world now are all the royal family members who have been assimilated by the dark energy. The elders and strong men who have not been assimilated by the dark energy have already followed us and left."

When he said this, Ye Feng pointed to the sky.

The two giant spirit guards were immediately surprised to find that dozens of powerful elders of the royal family from the small worlds were gathered high in the sky.

At this moment, Ye Feng looked at the two Giant Spirit God guards and said loudly: "The reason why I want to take you away is because I feel that you two are destined to me. If I take you away, it will be equivalent to leaving. Save your lives, because if you don't follow me and leave you, sooner or later you will be assimilated by the dark energy, because now the emperor of the Daxuan Dynasty has been disguised by a terrifying dark demon emperor."??

"What??"

Hearing Ye Feng tell such a truth, the faces of the two giant spirit guards suddenly revealed a look of deep horror. It seemed that they did not expect that the Daxuan Dynasty would be secretly controlled by a dark demon emperor.

However, they did not doubt Ye Feng's words, because Ye Feng was the owner of the bloodline of the Giant Spirit God, the inheritor of the Giant Spirit God, and a person recognized by the Ax of the Giant Spirit God, so there was no need for Ye Feng to lie.

And now there are indeed dozens of powerful elders of the royal family in the small world, gathering together and flying high in the sky.

At this moment, the two Giant Spirit God guards nodded immediately and said loudly: "We are willing to follow the young master and serve the young master."

br\u003e Hearing what the two giant spirit guards said, Ye Feng immediately nodded with satisfaction.

For Ye Feng, the cultivation of these two Giant Spirit God guards is still very terrifying. The reason why he was able to suppress these two Giant Spirit God guards before was entirely due to the majesty of the Giant Spirit God's axe.

If these two giant spirit guards can be used by him, then Ye Feng will have the help of two super powerful people.

After all, the cultivation of these two giant spirit guards is not much weaker than that of some of the elders and powerful men in the royal family.

They can become the guardians of the small world. This shows that the strength of these two giant spirit guards is still very terrifying, not to mention that the blood of these two giant spirit guards is the strongest in the Daxuan Dynasty. The bloodline of the giant spirit god.

Once their bloodline is fully activated, they will be even more powerful than they are now.

At this moment, Ye Feng immediately said: "You should follow me next. There may be a tough battle with the Dark Demon Emperor, so your strength needs to continue to improve."

Hearing what Ye Feng said, the two Giant Spirit God guards immediately shook their heads with a wry smile and said: "I'm telling you, young master, our two Giant Spirit God bloodlines have almost been developed to the limit. Our strength has been in the past." In the past thirty years, there has been almost no progress."

Hearing what the two giant spirit guards said, Ye Feng just smiled slightly, patted the shoulders of the two giant spirit guards, and said loudly: "That was before you met me."

When he said this, Ye Feng pointed at the Giant Spirit God Ax behind his back and said loudly: "With the Giant Spirit God Ax, the sacred weapon of the Giant Spirit God clan, the giant spirits contained in the bodies of the two of you are here." "God's bloodline, I can also help you continue to develop it, so that you can achieve great progress and growth in a short period of time."
