Chapter 5201: Sufficient means

At this time, many powerful men from the Dark Demon Clan under the Dark Demon Emperor rushed out from the palace of the Daxuan Dynasty.

A group of powerful elders from the royal family rushed forward instantly and fought with them.

At this time, Ye Feng also rushed into the battlefield with two giant spirit guards.

Uh-huh!

Suddenly, a dark demon with twenty-eight black wings immediately stared at Ye Feng, with a ferocious smile on his face, and said loudly: "A small little Zhoutian realm human boy. , It's really ridiculous that you dare to join a battle with powerful people like us, I can kill and devour you in an instant!"

Boom!

At this moment, the aura erupting from this dark demon with twenty-eight black wings was the aura of perfect cultivation in the tenth level of the Great Zhou Heaven Realm, above the Small Zhou Heaven Realm.

I have to say that he is much stronger than Ye Feng.

But at this moment, Ye Feng didn't need the help of the two giant spirit guards at all. He just laughed out loud and said, "I just want to use you, a powerful demon clan, to test my true strength now."

Boom!

At this time, Ye Feng did not hesitate at all, and directly burst out his extremely powerful cultivation power, and instantly charged towards the dark demon with many black wings on his back.

The cultivation strength of this dark demon is the Great Perfection of the Tenth Level of the Great Zhou Heaven Realm, which is much more powerful than Ye Feng. However, Ye Feng has no fear at all and bursts out his Immortal Body of God with all his strength. The golden fist is instantly and The dark demons collided together.

Boom! !

At this moment, accompanied by a terrifying roar, Ye Feng's golden fist actually blocked the sharp black claws of this dark demon.

"What?"

Seeing that Ye Feng was able to compete with him and was not weaker than his own strength, the dark demon immediately widened his eyes and couldn't help but said in horror: "How is this possible? Your cultivation Because you are so much lower than me, and you are still a weak human body, how can you fight against my powerful demon body? "

Ye Feng didn't talk so much nonsense at this time. He just smiled coldly and said

The voice said: "Go to hell!"

boom!

After finishing speaking, Ye Feng instantly burst out the peerless inheritance from the ancient prehistoric era that he had just practiced, the Silver Dragon Art.

Wow!

At this moment, a giant silver dragon suddenly appeared behind Ye Feng, and directly impacted hard on the head of the dark demon clan.

Click!

At this moment, the silver dragon immediately crushed the head of the dark demon and killed him instantly.

"What?"

Seeing this scene, many other dark demons around them widened their eyes and couldn't help but said in surprise: "This human kid looks very weak, but in fact he is very powerful. Let's attack him together!"

At this moment, a dozen dark demons from the Great Zhoutian Realm all besieged Ye Feng, hoping to kill Ye Feng, a huge threat.

But at this moment, Ye Feng summoned two giant spirit guards and attacked the surroundings together.

Boom!

The cultivation strength of the two Giant Spirit God guards is extremely powerful.

Under the attack of the two giant spirit god guards, the dozen or so dark demons from the tenth level of the Great Zhoutian Realm who rushed around were all killed in an instant.

Ye Feng laughed loudly at this time, very satisfied with his own strength and the strength of the two giant spirit guards he had trained.

boom!

At this moment, Ye Feng did not hesitate at all, and directly released the Devouring Domain, quickly absorbing the blood and energy of the dark demons he killed.

Ye Feng immediately received a very large amount of blood energy. After all, these dark demons were brought from the base camp of the dark demons by the disguised dark demon emperor of the Daxuan Dynasty.

Since they can be brought to the Daxuan Dynasty by the Dark Demon Emperor, they must be among the elite of the Dark Demon Clan.

Elite, the best among masters.

Therefore, the quality of their skills is very pure. After Ye Feng swallowed them, he naturally received huge energy nourishment, which directly increased his cultivation skills rapidly.

Boom!

At this moment, Ye Feng's body burst out with a cultivation aura almost instantly, which directly caused Ye Feng's cultivation to break through the first level of the sky, from the first level of the Small Zhoutian Realm to the second level of the Small Zhoutian Realm. Chongtian.

Ye Feng was naturally very happy at this time. Returning to the imperial city of the Daxuan Dynasty this time to deal with these dark demons was definitely a huge opportunity for Ye Feng.

For others, this may be a very difficult battle, but for Ye Feng, this is definitely a huge benefit.

Because Ye Feng's devouring ability can swallow the energy contained in the body of any super strong person who died in battle and use it for himself.

At this moment, after Ye Feng achieved a breakthrough in cultivation, he naturally led two giant spirit guards and rushed towards the central battlefield, hoping to fight fiercely in the central battlefield. In this way, Ye Feng could get more blood. energy.

Although Ye Feng's own strength is not as good as those super strong men in the central battlefield, the two giant spirit guards following Ye Feng are extremely powerful, comparable to the old strong men in the royal family.

There are two giant spirit guards guarding Ye Feng around, and Ye Feng bursts out his own powerful attack methods. For a moment, the combination of Ye Feng and the two giant spirit guards is even more powerful than those old strong men in the royal family. It is like a meat grinder. Wherever they pass, the strong men of the dark demon clan are all killed by Ye Feng and the two giant spirit guards.

At this time, Ye Feng is naturally releasing the devouring field at any time, quickly devouring the blood energy generated by the surroundings, and Ye Feng's cultivation skills are also rapidly growing in the whole process.

Ye Feng's cultivation is growing rapidly.

"Ah!"

But suddenly at this moment, a scream sounded.

I saw Xuan Wuji, who was not far away, had one arm directly shattered by the Dark Demon Emperor.

"What?"

Seeing this scene, everyone was shocked.

Ye Feng also showed a gloomy look in his eyes.

It seems that Xuan Wuji is still unable to fight against the extremely terrifying existence of the Dark Demon Emperor.

At this moment, everyone was in a panic, because the most powerful emperor Xuan Wuji was still unable to beat the Dark Demon Emperor.

At this moment, the Dark Demon Emperor immediately laughed and said sarcastically: "Xuan Wuji, I said it long ago, you are just coming back to die."

But at this time, Xuan Wuji suddenly showed a strange smile on his face, and said: "Since I came back to deal with you, then I must have prepared enough means, and it is enough for me to attract most of your attention."

Buzz!

Almost at the moment when Xuan Wuji finished speaking, the Dark Demon Emperor immediately sensed something strange, but it was too late.

Boom!

A silver dragon instantly rushed out from the void behind him, and its claws, which were several hundred meters long and seemed to be made of steel, directly tore the entire body of the Dark Demon Emperor into three pieces!

"Ah!!!"

The Dark Demon Emperor immediately let out a scream that shook the earth.

At this moment, the silver dragon that suddenly emerged from the void was naturally the great figure Xuan Wunian from the ancient prehistoric era that Xuan Wuji had rescued in that ancient tomb.

After Xuan Wunian followed everyone to the imperial city, he suddenly disappeared. Ye Feng was still wondering where Xuan Wunian had gone. He didn't expect that Xuan Wuji had arranged for Xuan Wunian to lurk in the void, and used the peerless inheritance of the prehistoric era, the Silver Dragon Art, to directly tear the Dark Demon Emperor into three pieces!

Chapter 5202: All-out movement

At this moment, the Dark Demon Emperor immediately let out an earth-shattering cry.

However, the Dark Demon Emperor has tenacious vitality. Even if he was torn into three pieces by the silver dragon's claws, he did not die completely. Instead, he tried to put the three pieces of his body back together and be completely resurrected.

At this time, Xuan Wuji saw this scene and immediately rushed forward, directly covering one-third of the Dark Demon Emperor's body in the realm of his own heaven and death. Using the power of life and death between heaven and earth, the Dark Demon Emperor was One-third of the emperor's body was shattered into pieces and then completely wiped out.

At this moment, Ye Feng did not hesitate at all, and had a tacit understanding with Xuan Wuji. Ye Feng also rushed forward in an instant, covering the other two-thirds of the Dark Demon Emperor's body in his devouring domain. , crazily devouring the original power of dark magic contained in two-thirds of its body. ??

Boom!

At this moment, the entire body of the Dark Demon Emperor was separated and could no longer be put together, and he was completely killed.

And Ye Feng got two-thirds of the energy from the Dark Demon Emperor's body, and he immediately felt that his power had grown and strengthened like never before.

After all, you must know that what Ye Feng is devouring now is a full two-thirds of the Dark Demon Emperor's body.

The energy contained in it was simply endless, causing Ye Feng's cultivation to improve and grow crazily at an incredible speed.

Continuous auras of cultivation breakthroughs burst out from Ye Feng's body, and they couldn't stop at all.

Because the original energy of the Dark Demon Emperor was so terrifying, Ye Feng's cultivation grew in a straight line at this moment, growing crazily.

Ye Feng's cultivation level continuously broke through more than ten heavens, and in the end, he directly broke through to the Great Perfection level of the tenth heaven realm of the Great Zhou Heaven Realm! !

The speed of this kind of breakthrough is simply unprecedented and unprecedented. It is really terrifying.

It can be said that Ye Feng has transformed from a young generation into a first-class powerful state in the entire Daxuan Dynasty, and even in the entire Ten Thousand Demon Interface Zhongzhou.

The tenth level of the Great Zhou Heaven Realm is Dzogchen, which is an extremely powerful level.

Ye Feng originally thought that it would take him several years to break through so much, but he didn't expect that after swallowing two-thirds of the Dark Demon Emperor's body, he would be able to break through so much in just a few minutes. Reaching the tenth level of the Great Zhou Heaven Realm and reaching the Great Perfection is really unbelievable.

At this time, countless people around him had already been dumbfounded, as if they had not thought about when such a heaven-defying talent as Ye Feng appeared in their Daxuan Dynasty.

At this moment, Xuan Wuji also had a look of amazement in his eyes and said loudly: "Ye Feng, I still underestimate you, your breakthrough speed is too terrifying!"

Hearing what Xuan Wuji said, Ye Feng grinned and said loudly: "Thanks to the Dark Demon Emperor's extremely powerful original power this time, otherwise, I would not have been able to break through so much in my cultivation all at once. "

At this time, after Ye Feng finished speaking, he looked around and said loudly: "These remnants of the dark demons have been almost killed. It seems that our operation this time is a complete success."

Xuan Wuji also nodded at this time, with infinite happiness in his eyes, and said loudly: "No matter what, this time

It's all thanks to you, Ye Feng. Otherwise, we wouldn't have had such a huge success, and I might still be trapped in that small place. "

When he said this, Xuan Wuji's eyes were full of emotion.

Because had he not met such a mysterious and defiant young man as Ye Feng this time, Xuan Wuji would have really had no chance of turning around.

Uh-huh!

At this moment, a beautiful young woman suddenly flew over not far away. ??

It is Her Royal Highness the Princess of the Daxuan Dynasty, Princess Qiqi.

At this moment, Princess Qiqi came to Ye Feng, her eyes full of surprise, and said loudly: "I have been waiting for Ye Feng to return in the palace, but I haven't waited. I went to ask my brother, but... My brother is unwilling to tell me the real situation. I didn't expect that Ye Feng has been secretly helping our Daxuan Dynasty and my father to fight against these dark demons."

Although Princess Qiqi had not seen Ye Feng for a long time, her enthusiasm for Ye Feng did not diminish at all. At this time, Princess Qiqi came to Ye Feng and behaved very intimately.

Seeing this scene, Xuan Wuji showed an inexplicable smile on his face, and said loudly: "You young people chat, I will take other elders and strong men to handle the remaining matters."

Uh-huh!

After saying that, Xuan Wuji left the scene directly with a group of senior powerful men from the royal family.

When hearing what Xuan Wuji said, Princess Qiqi was filled with secret joy. She knew that her father also supported her love for Ye Feng.

At this moment, Ye Feng didn't know Princess Qiqi's inner thoughts. Ye Feng just said with emotion: "I have really worked hard for a long time for today."

When he said this, Ye Feng looked at Princess Qiqi in front of him and said with a smile: "Princess Qiqi, please don't be offended. I haven't told you the truth because this matter must be dealt with in a very special situation."

#Every time verification appears, please do not use incognito mode!

Only by doing it in a hidden state can you defeat the dark demons. "

Hearing what Ye Feng said, Princess Qiqi immediately smiled, with a sweet smile on her beautiful face, and said loudly: "Ye Feng, I have never blamed you, but I want to thank you, no? If you say so, our entire Daxuan Dynasty may be in danger."

When she said this, Princess Qiqi suddenly thought of something and couldn't help but ask: "Ye Feng, what are you going to do next? You must still stay in our Daxuan Dynasty, and my father will definitely I will give you the title of supreme nobility. Then you will be a noble figure in our Daxuan Dynasty. We can go hunting in the deep mountains and forests every day. I like hunting the most. Ye Feng, you will go with me when the time comes, okay? ?"

At this moment, seeing Princess Qiqi acting like a girl, Ye Feng had a look of surprise in his eyes, because this was the first time he saw Princess Qiqi looking so flattering.

After all, Princess Qiqi had always acted as unruly and willful as a princess before, but she didn't expect that she would look so submissive now.

And just when Ye Feng was about to say something, suddenly several imperial guards wearing golden armor flew over quickly from outside the imperial city. They looked a little nervous and hurriedly ran to Xuan Wuji not far away. In front of him, he couldn't help but say: "I am reporting to His Majesty the Emperor that a large number of dark demons and dark evil beasts have appeared in the wilderness outside. They are swarming crazily towards the imperial city of our Daxuan Dynasty. We are surrounded by the entire imperial city."

"What?"

Hearing what the guard of the Daxuan Dynasty said, Xuan Wuji's expression suddenly changed.

Ye Feng also heard the guard's report at this time, and immediately flew over, saying in a rather solemn voice: "Senior Xuan Wuji, I guess it was the Dark Demon Emperor who was angered after he was killed by us. The entire dark demon clan in the depths of the wilderness is estimated to be in full force now, wanting to launch a wave of beasts and destroy the entire imperial city of the Daxuan Dynasty!"

Chapter 5203 The Most Dazzling

At this time, Xuan Wuji's face also became quite solemn, and he said loudly: "It should be that after we killed the Dark Demon Emperor, we aroused the anger of many dark clans in the base camp of the Dark Demon Clan where the Dark Demon Emperor is located. That's why they launched the entire dark clan's beast tide, and many dark evil beasts were dispatched, as well as many dark demon clans."

At this time, Xuan Wuji said that he flew directly to an altitude of 10,000 meters and looked outside the imperial city. Sure enough, he saw densely packed dark races and dark evil beasts appearing in the wilderness in all directions, roaring and roaring. Attacking towards the imperial city of Daxuan Dynasty.

Obviously, they are preparing to die.

Because the Dark Demon Emperor is already dead, these Dark Demons naturally want to completely crush the Daxuan Dynasty and completely wipe it from this land.

Uh-huh! ??

At this time, Ye Feng also flew to an altitude of 10,000 meters and came to Xuan Wuji's side. He couldn't help but said: "Hurry up and mobilize your strength to temporarily resist the endless tide of dark demons. Otherwise, the entire imperial city is now in danger and is likely to be shattered in an instant. "

Hearing what Ye Feng said, Xuan Wuji immediately nodded, and immediately ordered many other powerful men from the Daxuan Dynasty to start guarding their posts on the walls around the imperial city.

In addition, many powerful elders from the Daxuan Dynasty also joined forces and began to activate the protective formations of the entire Daxuan Dynasty imperial city.

Boom!

At this moment, waves of golden energy suddenly emanated from the city walls of the Daxuan Dynasty.

Buzz!

On the city wall of the Daxuan Dynasty, the ancient human symbols and patterns suddenly bloomed with bright golden light, forming a huge golden mask, which directly enveloped the entire imperial city of the Daxuan Dynasty.

This is the protective formation passed down from ancient times by the Daxuan Dynasty. It is so powerful that it can withstand the turbulent waves outside like the vast ocean for a moment.

#Every time verification appears, please do not use incognito mode!

The endless craze of the dark demon clan.

Uh-huh!

At this time, Ye Feng did not hesitate at all, and immediately led the two giant spirit guards and flew directly towards the outside of the imperial city of the Daxuan Dynasty to kill these dark demons.

Because Ye Feng knew very well that this was not only a crisis for the Daxuan Dynasty, but also an opportunity for himself.

Because normally, Ye Feng would not dare to go deep into the wilderness casually to find the dark demons and kill them.

Now that so many beasts have appeared here, it just so happens that I can rely on the power of the Daxuan Dynasty Imperial City to kill these dark demons.

Because there are so many strong men from the imperial city of the Daxuan Dynasty around, Ye Feng is not afraid of suddenly encountering a super strong man from a very terrifying dark demon clan and killing him instantly.

And you must know that the two giant spirit guards of the Daxuan Dynasty that Ye Feng is currently training and activating are very powerful. The cultivation strength of each one is comparable to those of the elders of the Daxuan Dynasty. .

In addition, Ye Feng's current cultivation strength is also very terrifying.

You know, after Ye Feng devoured the original power of the Dark Demon Emperor, his cultivation level skyrocketed. He broke through more than ten heavens in a row and reached the terrifying level of perfection in the ten heavens of the Great Zhou Heaven Realm. .

Therefore, Ye Feng's current cultivation strength is absolutely terrifying to the extreme.

At this time, Ye Feng directly led the two giant spirit guards and rushed to the battlefield outside the imperial city. He directly exploded his Tiantian God Immortal Body with all his strength and attacked the surroundings.

Boom!

Boom!

Ye Feng's Gold

Every punch struck by the colored fist seemed to burst out with thousands of terrifying powers, directly blasting the powerful dark demons into pieces.

No matter how powerful the dark demon was, no matter how solid the scales were, under the ferocious bombardment of Ye Feng's golden fist, they were instantly shattered and completely turned into countless fragments.

At this time, Ye Feng's eyes showed no hesitation, and he immediately released the Devouring Domain and began to devour the dark demons he had killed.

At this moment, the eyes of the two giant spirit guards following Ye Feng were filled with deep shock, and then deep astonishment.

Because they knew that Ye Feng's current cultivation strength had grown to a level similar to that of the two giant spirit guards.

At this moment, of course, the giant spirit guards would not deliberately paddle, but would frantically attack the dark monsters around Ye Feng, helping Ye Feng fight the crisis from behind.

At this moment, Ye Feng and the two giant spirit guards were the most beautiful sight on the battlefield.

The two giant spirit guards, each with a body several hundred meters tall, acted like giants with every attack, bursting out with terrifying power.

Apart from that, the most dazzling one is of course Ye Feng.

Ye Feng was covered in golden light, like a young god. Wherever the golden fist passed, everything was shattered into pieces without any hindrance.

So under this combination, all the eyes of the audience are focused here.

Everyone felt deeply shocked.

Even though Xuan Wuji was in control of the entire field, when he saw the combination of Ye Feng and the two giant spirit guards on the battlefield not far away from the imperial city, they couldn't help but nod in admiration.

He stared at Ye Feng's golden light

#Every time verification appears, please do not use incognito mode!

The figure couldn't help but murmur, "This little guy is making great progress, his fighting power is too strong."

At this time, Xuan Wuji suddenly spoke to the surrounding void: "Xuan Wunian, try to get as close as possible to the area where Ye Feng is fighting. If there is a very powerful being from the dark demon clan who suddenly attacks Ye Feng, you Come out and help him immediately."

Upon hearing Xuan Wuji's instructions, Xuan Wunian, an ancient and powerful figure from the ancient prehistoric era, immediately nodded and approached Ye Feng from the void, secretly guarding Ye Feng's safety.

For Xuan Wuji, Ye Feng is definitely the most precious talent in the Daxuan Dynasty, so Xuan Wuji will naturally not put Ye Feng in danger.

At this moment, suddenly a dark monster with black scales, eight arms and six heads appeared in front of Ye Feng. It should be a dark creature with very powerful bloodline among the dark demons. Otherwise, it would be impossible to look so strange.

His body is several thousand meters tall, much taller and majestic than the two giant spirit guards put together.

This dark demon with eight arms and six heads rushed in front of Ye Feng in an instant, holding a special weapon in each hand.

The aura of cultivation emanating from his body was astonishingly three realms higher than that of Ye Feng.

It has to be said that there are still extremely powerful people in these dark demon clan's lairs.

At this moment, this dark demon with eight arms and six heads stared at Ye Feng for an instant. His red pupils were full of murderous looks, and he said loudly: "You kid from the human race, you have killed so many of us dark demons." You are really a huge threat to the powerful among the demons, so let me personally take action and kill you!"

Obviously, this strange dark demon clan is a leader-level figure among the dark demon clan. It is indeed extremely powerful and terrifying!

Chapter 5204 The other way around

For Ye Feng, this leader of the dark demon clan, whose cultivation aura is much more powerful than his own, is an extremely dangerous enemy.

But at this time, Ye Feng's cultivation level has broken through to the Great Perfection of the Tenth Level of the Great Zhou Heaven Realm.

So Ye Feng really wanted to give it a try and see if he could deal with such a powerful leader of the dark demon clan.

At this moment, Ye Feng asked the giant spirit guards to guard the surroundings and prevent other dark demons from interfering.

Then Ye Feng instantly stared at the dark demon leader with eight arms and six heads in front of him. His eyes were filled with fighting intent and he said, "I'll let you test my true fighting power." ??

"Arrogant!"

Hearing what Ye Feng said, the dark demon leader suddenly showed a sarcastic look in his eyes, and said loudly: "Boy, who are you? You dare to say such things to me? In an instant, I I can crush you, a human ant, to death."

Boom!

After he finished speaking, a terrifying dark demonic aura suddenly erupted from the dark demon leader's body. Like a vast ocean, it spread from his body to the surroundings, covering the entire sky.

The coercion of this momentum is terrifying to the extreme. It feels like an extremely terrifying demon god. It has emerged from the seal of the ancient times and has come back to the world. It can suppress everything, bring the entire darkness to the world, and make the entire world fall into chaos. Under the shroud of endless darkness, there is no daylight.

At this moment, Ye Feng didn't have any fear at all, nor was he scared. He just exploded with all his strength.

Now that Ye Feng's cultivation has broken through to the Great Perfection of the Tenth Level of the Great Zhou Heaven Realm, Ye Feng's skill reserve can be said to be extremely powerful, so at this moment, Ye Feng fully mobilized his magic power and fully exploded the power of the Immortal Body of the God.

"boom!"

At this moment, Ye Feng's body immediately bloomed with a bright divine light.

Ye Feng was all over his body at this moment.

#Every time verification appears, please do not use incognito mode!

They were all filled with golden light, as if a young god had arrived.

In addition, Ye Feng also directly used the extremely powerful inheritance he had recently learned, the Silver Dragon Technique.

Boom!

At this moment, a silver dragon suddenly appeared in the void behind Ye Feng, full of the majesty of the ancient dragon.

In addition, Ye Feng also used the powerful inheritance he learned from the powerful monsters in the monster forest, the Golden Dragon Body Protection Divine Technique.

At this moment, another giant golden dragon condensed in the void behind Ye Feng. It roared up to the sky and roared into the sky, giving people an unparalleled feeling of majesty.

The two giant dragons that Ye Feng had condensed at this time, a silver dragon and a golden dragon, were extremely powerful.

Ye Feng immediately rushed towards the leader of the dark demon clan in front of him. Behind him were two ancient giant dragons, roaring and roaring.

At this moment, Ye Feng's combat power could be said to have reached its peak.

Boom!

At this moment, Ye Feng directly collided with the leader of the dark demon clan.

The terrifying aftermath of the collision between the two spread towards the surroundings, almost destroying the entire land.

It has to be said that Ye Feng's current fighting power is indeed comparable to that of the elders in the royal family. He is very powerful and can fight on par with the leader of the dark demon clan.

"What? How is this possible?"

At this moment, the leader of the dark demon clan immediately widened his eyes, as if he couldn't believe that Ye Feng had such power.

A small human race, whose cultivation level is so much lower than him, can actually

It is enough to burst out such terrifying combat power, which is really incredible to the commander of the dark demon clan.

Because he has never seen a human boy with such powerful fighting ability as Ye Feng.

You must know that in the eyes of this dark demon clan leader, humans are generally very weak. Even if their cultivation is at the same level as theirs, they cannot resist the attacks of the dark demon clan.

Because the body of the dark demons is inherently very powerful, their combat effectiveness is naturally much higher than that of human practitioners of the same realm.

But now the situation is reversed.

Ye Feng's cultivation aura is much weaker than that of the Dark Demon Clan's Commander, but Ye Feng's real combat power is indeed comparable to, or even surpasses, the Dark Demon Clan's Commander.

Because Ye Feng is now unleashing the power of the Immortal Body of the God with all his strength, each punch and kick can burst out tens of millions of pieces of power, which seems to be able to shatter the entire world.

Even though this dark demon leader is extremely talented, has many strong scales growing on his body, and all eight arms are extremely brave, he still can't resist Ye Feng's golden fist.

Ye Feng's golden fist was like the world's most powerful weapon just forged from the divine furnace. It was extremely strong and capable of erupting with terrifying destructive power.

In addition, the two sets of ancient inheritance performed by Ye Feng are also extremely magical. They can actually use their own power to mobilize the power between heaven and earth, thus condensing a golden dragon and a silver dragon.

The two giant dragons both contained the power of ancient times and assisted Ye Feng in his crazy attack on the dark demon leader.

Boom!

At this moment, the leader of the dark demon clan was so beaten that he couldn't help but retreat quickly.

His eyes were full of horror, as if he felt that Ye Feng's fighting power was too incredible.

After all, in this dark

Every time verification appears, please do not use the invisible mode!

In the eyes of the Dark Demon Clan's commander-in-chief, he could kill Ye Feng with one hand.

But now the situation is completely reversed.

Not only did he not crush Ye Feng to death with one hand, but he was beaten back by Ye Feng step by step, and even the scales on his body began to crack, and black blood appeared.

In other words, the Dark Demon Clan's commander-in-chief was beaten by Ye Feng without any ability to fight back, and could only passively defend.

At this moment, the Dark Demon Clan's commander-in-chief immediately shouted angrily: "Human boy, you are too threatening. If you are allowed to grow up, then the entire Zhongzhou land may be your world. You must not allow such a powerful person to appear in your human race. You must be wiped out when you are young."

At this time, after the Dark Demon Clan's commander-in-chief finished speaking, he immediately sent out a call for help.

Swish!

Swish!

At this moment, two other great commanders who were as powerful as the Dark Demon Clan Commander rushed over to besiege and kill Ye Feng.

However, at this moment, Ye Feng laughed and said, "Three great commanders of the Demon Clan are here, so I can just catch all three of you!"

Boom!

At this moment, Ye Feng could be said to be getting braver and braver, because Ye Feng found that his fighting power had already exceeded his imagination.

Even the three great commanders of the Dark Demon Clan would never be his opponents.

Ye Feng was not afraid at all, and continued to attack frantically in front of him, and instantly fought with the three great commanders of the Dark Demon Clan.

"This Ye Feng is really too fierce!"

At this moment, seeing this scene on the battlefield outside the imperial city, many old masters of the Great Xuan Dynasty could not help but admire sincerely while fighting in other places, with shock in their eyes.

Chapter 5205 The Mysterious and Powerful One

Boom!

At this time, Ye Feng and three dark demon clan commanders were fighting together, and the whole battle was very tragic.

However, Ye Feng is extremely powerful after all, so he is not afraid of the power and attacks of these three dark demon leaders at all.

Ye Feng now fully unleashes the power of his immortal body, and his body is covered in golden light, like a golden god who has descended here from ancient times.

Every golden fist attack by Ye Feng seemed to be able to shatter the entire sky into pieces.

A leader of the dark demon clan covered with silver scales, his scales were shattered inch by inch by Ye Feng's golden fist.

It has to be said that Ye Feng's Immortal Body of the God is becoming more and more powerful.

And as Ye Feng's cultivation skills improve, the power erupted from Ye Feng's Immortal Body of God is getting stronger and stronger. Not only is it getting stronger, but its attack power and destructive power are also getting stronger and stronger.

At this time, Ye Feng also used the Silver Dragon Technique and the Golden Dragon Body Protection Divine Technique that he had learned before. Therefore, the two giant dragons condensed by Ye Feng also provided Ye Feng with a very powerful attack.

Finally, at a certain moment, the golden ring on Ye Feng's finger turned into the sword of the gods. With one sword stroke, he instantly beheaded the leader of the dark demon clan who had been retreating steadily after being attacked by Ye Feng, and killed him directly. .

"What?"

Seeing this scene, the other two leaders of the dark demon clan couldn't help but screamed in shock: "How can this kid be so powerful??"

For these dark demon commanders, although Ye Feng's combat power is very amazing in their eyes, how could they, three commander-level dark demon superpowers, not be able to fight against Ye Feng if they join forces, or even be killed by Ye Feng? Killed one of the leaders of the dark demon clan.

At this time, the two remaining leaders of the dark demon clan immediately understood that there was no way Ye Feng could be dealt with by them.

#Every time verification appears, please do not use incognito mode!

Ye Feng, a seemingly ordinary human boy, is actually a hidden and extremely terrifying existence.

Both the combat power and the inheritance he has cultivated are terrifying to the extreme.

So at this moment, the two dark demon commanders no longer dared to fight against Ye Feng, and actually started to run away in a panic.

"What??"

Seeing this scene on the field, many other dark demons around them had deep horror in their eyes.

Because they never thought that the famous leader of their dark demon clan would be so afraid of a human boy.

But it is what it is.

Even the commander-level figures among the three dark demon clans were no match for Ye Feng. He was beaten back by Ye Feng and even killed a commander-in-chief of the dark demon clan.

At this time, Ye Feng burst out laughing, obviously very satisfied with his own strength.

After his cultivation level reached the tenth level of the Great Zhou Heaven Realm, his combat abilities were indeed greatly improved.

At this time, Ye Feng seemed to have thought of something, and immediately couldn't help but look in a certain direction not far away, wanting to help Xuan Wuji and others.

Because Ye Feng discovered that his current strength has reached a new peak, and he should be able to help the elders of the Daxuan Dynasty deal with some of the most powerful dark demons.

But suddenly at this moment, a terrifying force invaded from a not far away direction and landed on Ye Feng's head in an instant.

Buzz!

Such a terrifying power aura, Ye Feng instantly

He noticed it instantly, and his face suddenly showed a shocked expression.

Because Ye Feng felt that this terrifying aura was definitely not something that ordinary dark demons could emit. It must be an existence among the dark demons that was more powerful than the commander of the dark demons. He was secretly trying to kill himself. It was directly obliterated.

This made Ye Feng's eyes suddenly show shock and anger. He didn't expect that the most powerful person among the dark demons would use such a sneak attack to plot against him.

It seems that the scene he just fought with the three dark demon commanders was so shocking that it attracted the attention of the strongest within the dark demon clan, who wanted to directly kill him, the super genius of the human race. .

When Ye Feng thought of this, he immediately asked two giant spirit guards to guard his retreat.

But at this time, Ye Feng discovered that the void around him was completely locked, and he could not escape at all.

"hateful!"

This made Ye Feng's eyes suddenly reveal a look of deep shock and anger.

But suddenly at this moment.

boom!

The void beside Ye Feng suddenly exploded, and Xuan Wu Nian's figure immediately appeared.

This powerful man from the ancient times stretched out one hand, and his hand immediately turned into a huge silver dragon claw. In an instant, he looked like he was secretly trying to kill Ye Feng. A mysterious force collides together.

Boom!

Suddenly, there was a big shake in the entire sky, and the whole world seemed to be shattered.

It can be seen from this that how terrifying it is for such a mysterious force to obliterate Ye Feng?

Fortunately, Xuan Wuji had the foresight to arrange Xuan Wunian, a powerful ancient figure, around Ye Feng to protect him.

Please do not use the invisible mode every time the verification appears!

Ye Feng, otherwise, Ye Feng might really be wiped out by the mysterious power of the strongest person in the dark demon clan who suddenly appeared.

At this moment, Ye Feng could not help but say gratefully: "Thank you, Senior Xuan Wunian, for saving me."

Hearing Ye Feng say this, Xuan Wunian smiled slightly, and did not say much, but rushed directly to a certain direction not far away, with a white light on his body and a silver dragon appearing.

Obviously, Xuan Wunian was going to deal with the strongest person in the dark demon clan who wanted to wipe out Ye Feng in secret.

Buzz!

Ye Feng naturally did not hesitate at this time, and immediately released the swallowing field, swallowed the dark demon clan leader who was killed by himself, and then immediately rushed in the direction of Xuan Wunian, wanting to see if Xuan Wunian could fight against the strongest person in the dark demon clan who attacked him in secret.

Moreover, this strongest person of the Dark Demon Clan actually dared to plot against him and wanted to secretly kill him, so Ye Feng naturally had a murderous intent in his heart.

Ye Feng decided that if Xuan Wunian could deal with the strongest person of the Dark Demon Clan, he would assist him and see if he could kill the strongest person of the Dark Demon Clan directly.

If he could devour a strongest person of the Dark Demon Clan, Ye Feng had no doubt that his cultivation would be completely transformed from the tenth level of the Great Zhoutian Realm to the seventy-two levels of the Earthly Evil Realm above the Great Zhoutian Realm.

That's right, the realm above the Great Zhoutian Realm is the Earthly Evil Realm, and the Earthly Evil Realm is divided into a full seventy-two small realms.

The three Dark Demon Clan commanders who just confronted Ye Feng should all be powerful beings at the third level of the Earthly Evil Realm, or even the fourth level.

And the strongest person of the Dark Demon Clan who secretly attacked Ye Feng was probably at the tenth level of the Earthly Evil Realm, or even the eleventh level, with a much higher cultivation than Ye Feng, otherwise he would not have such a strong power.

Chapter 5206: Fifteenth Realm

For Ye Feng, devouring these great commanders of the Dark Demon Clan who were several realms higher than himself was no longer of much use.

Because after devouring them, Ye Feng found that his power had only increased a little bit, and he could not break through the bottleneck of the tenth level of the Great Zhoutian Realm.

So if Ye Feng wanted to completely break through this bottleneck, he had to devour a more powerful existence.

And the mysterious and powerful person from the Dark Demon Clan who had just attacked him secretly might be the key figure for him to break through this bottleneck.

If he could devour this mysterious and powerful person from the Dark Demon Clan, Ye Feng had no doubt that even if the energy required for his own breakthrough of the tenth level of the Great Zhoutian Realm was magnificent, this mysterious and powerful person from the Dark Demon Clan would definitely be able to provide him with enough energy.

So at this moment, Ye Feng quickly flew in the same direction as Xuan Wunian, wanting to see if Xuan Wunian could fight against the mysterious and powerful person from the Dark Demon Clan who had attacked him secretly.

At this time, Ye Feng also smiled bitterly in his heart. It was indeed not good for his cultivation to improve too quickly, because if his cultivation improved too quickly, he would step into a higher level of cultivation, and the energy required to break through the bottleneck of the realm would become more and more magnificent.

The energy provided by ordinary creatures was no longer enough.

Although Ye Feng was now in the tenth level of the Great Zhoutian Realm, if he wanted to break through this bottleneck, Ye Feng estimated that he would have to devour the energy of a super master who had the tenth level or even the eleventh level of the Earthly Evil Realm above the Great Zhoutian Realm before he could break through again.

So at this time, Ye Feng was naturally looking forward to the mysterious dark demon clan who attacked him secretly. What level of realm is he in?

When Ye Feng followed Xuan Wunian to the depths of the battlefield not far away, Ye Feng immediately saw that Xuan Wunian was frantically attacking a certain void at this moment.

As a great figure in the ancient prehistoric era, Xuan Wunian's cultivation strength was also very terrifying.

Even though his current cultivation is far from recovering to its peak state, it is definitely comparable to the top powerhouses in the Central Plains of the Ten Thousand Demons Realm.

At this time, he used the Silver Dragon Art, which was definitely much more proficient than Ye Feng, a later learner.

After all, this silver dragon was definitely created by him. He can even merge with the silver dragon and exert extremely terrifying power. Otherwise, Xuan Wunian would not have been able to successfully sneak attack the Dark Demon Emperor in the void.

After all, the Dark Demon Emperor is an extremely terrifying existence, even more powerful than Xuan Wuji, but Xuan Wunian's sneak attack was able to tear the Dark Demon Emperor into three halves in an instant, which is enough to show that Xuan Wunian's attack is very terrifying.

At this moment, under Xuan Wunian's attack, the mysterious and powerful person of the Dark Demon Clan who secretly attacked Ye Feng in the void could no longer hide, and was directly forced out by Xuan Wunian.

The mysterious and powerful Dark Demon who attacked Ye Feng secretly was a Dark Demon who was several hundred meters tall. He looked similar to humans, but his skin was covered with dense black scales, his eyes were red pupils, and he had 180 pairs of huge black wings on his back. If they were all spread out, they would be enough to cover the sky and the sun.

Seeing such a strange-looking Dark Demon, Ye Feng immediately understood that the weirder the creatures in the Dark Demon Clan looked, the stronger they were.

At this time

Please do not use the invisible mode every time verification appears!

, Ye Feng immediately looked at the mysterious and powerful Dark Demon who had attacked him secretly, and couldn't help but say: "You dared to attack me, today is your death."

Hearing what Ye Feng said, the Dark Demon's strongest man immediately laughed and said: "It's a pity that I couldn't kill you, the peerless genius of the human race, in an instant, but don't think that you can kill me just because you have helpers, that's impossible."

After saying that, the Dark Demon's strongest man seemed to know that Xuan Wunian was very powerful, and immediately spread out a full 180 black wings behind him, and was about to leave here directly.

Obviously, these full 180 pairs of black wings allow this Dark Demon's strong man to have an extremely fast speed, and can travel thousands of miles in an instant.

Buzz!

But at the moment he spread his wings, Xuan Wunian suddenly stretched out a big hand and controlled the surrounding heaven and earth, making it impossible for this Dark Demon's strong man to escape from this space.

"What?"

After sensing all this, the Dark Demon Clan warrior immediately stared at Xuan Wunian, and couldn't help but said in horror: "This is a technique that only existed in the ancient prehistoric era hundreds of thousands of years ago to lock the sky and control the earth. How could you do it? How could the Great Xuan Dynasty have someone as powerful as you?"

Hearing this Dark Demon Clan warrior say this, Ye Feng's eyes immediately showed a look of surprise.

It seems that Xuan Wunian not only practiced the extremely powerful inheritance of the Silver Dragon Art, but also possessed various other powerful means.

But it is normal to think about it. After all, Xuan Wunian is a figure from the ancient prehistoric era. The various techniques and inheritances he learned were all from the golden age of cultivation back then, so naturally, each one of them is very magical.

Just now, Xuan Wunian seemed to have simply extended a hand, but in fact, he was secretly performing the art of locking the sky and controlling the earth, which is a very ancient art of controlling the space of heaven and earth.

At this moment, the strong man of the dark demon clan could not escape, and immediately a fierce look appeared in his eyes, and he said aloud: "Since we can't escape, then we will fight to the death. I want to see if the person who sneaked and killed our dark demon emperor is really that powerful?"

After saying this, the strong man of the dark demon clan immediately burst out with a terrifying aura of cultivation.

That aura is as vast as the abyss of the sea.

Ye Feng sensed this specific aura of cultivation, and immediately showed a deep surprise in his eyes.

This strong man of the dark demon clan with 180 pairs of black wings on his back, the real aura of cultivation is a terrifying existence at the fifteenth level of the earthly evil realm. It must be said that his cultivation is much higher than Ye Feng imagined.

At this moment, Xuan Wunian's aura was still unfathomable, and he did not reveal exactly which realm he was in.

Xuan Wunian just leaped up in an instant, transformed into a giant silver dragon, baring his teeth and claws, the silver dragon claws seemed to be able to tear the world apart, and directly attacked the dark demon in front of him.

Buzz!

At this time, Ye Feng showed a cold smile in his eyes, and directly operated the space wormhole technique, allowing himself to hide in the deep void, preparing to find an opportunity to sneak attack this dark demon.

Although Ye Feng is not able to confront such a powerful existence head-on, there is absolutely no problem hiding in the depths of the void and making a sneak attack.

Chapter 5207 Sneak Attack

At this moment, Ye Feng's heart was filled with deep expectations. He knew that this battle might be the key to his breakthrough to the tenth level of the Great Zhoutian Realm.

He had to carefully lurk in the void, looking for the most appropriate time to launch a sneak attack and attack, and strive for a fatal blow.

Because there was only one chance for a sneak attack.

After that, the dark demon clan strongman would definitely become very vigilant, and it would be difficult to succeed in a sneak attack.

Rumble!

At this time, the silver dragon incarnated by Xuan Wunian and the dark demon clan strongman fought more and more fiercely.

The power fluctuations of both sides were very terrifying, causing the surrounding space to distort.

Every collision was accompanied by a thunderous sound, shaking the world, and everything around was about to be destroyed.

At this time, Ye Feng was quietly observing the battle in the void, without any impulse at all, because Ye Feng wanted to find the best time.

Ye Feng's eyes at this moment, in the dark void, were as sharp as a cheetah staring at its prey. He could feel that although the dark demon clan strongman was powerful, he began to retreat under Xuan Wunian's attack.

After all, Xuan Wunian's power was very strong. He was a figure from the ancient prehistoric era. Every attack produced an extremely terrifying power frenzy that could shatter the entire world.

So even if this dark demon clan was powerful, Xuan Wunian would be defeated by the attack for a while and was unable to resist at all.

It must be said that this dark demon clan strongman definitely underestimated Xuan Wunian's true strength, so now he was attacked by Xuan Wunian very badly and could only resist with difficulty.

"Impossible, I will kill you completely, even if it costs a huge price!"

"Demon clan forbidden technique!"

At this moment, the dark demon clan strongman suddenly roared, and a terrifying ancient power suddenly erupted from the depths of his body.

This terrifying and mysterious power came from the deepest part of the blood of this dark demon clan strongman.

At this moment, this dark

The demon clan strongman seemed to have activated some secret method or forbidden power. At this moment, the whole body of this dark demon clan strongman suddenly expanded, and directly changed from a few hundred meters tall to a few thousand meters tall.

The dense black scales on his body flashed with a cold metallic luster, and looked more solid.

Moreover, the surface of each scale was covered with dense ancient symbols of the demon clan, giving people a very cold and deep feeling.

Obviously, the secret technique he used completely activated his extremely powerful demon clan bloodline, allowing him to possess the power of the ancient demon god.

"What a strong breath of power, his combat power has at least increased by dozens of times at this moment."

At this moment, Xuan Wunian also felt the change in the opponent's power.

But he did not retreat, but rushed up more bravely.

Because today's battle in the Great Xuan Dynasty is the final decisive battle. Either the Great Xuan Dynasty wins or the Dark Demon Clan wins, so today's battle must have a result. There is no compromise, only a fight to the death.

At this moment, Xuan Wunian also knew this, so at this moment, his silver dragon claws, with the power of destroying everything, frantically grabbed in the direction of the Dark Demon Clan strongman, and collided with the black wings of the Dark Demon Clan strongman, making a huge roar, like two behemoths colliding with each other, very terrifying.

And just when the two were fighting fiercely, it seemed that both sides could no longer take into account any changes in the outside world.

Ye Feng, who was hidden in the depths of the void, knew that this was the best time for him to take action.

Swish!

At this moment, Ye Feng quietly activated the space wormhole technique, transferred himself to the edge of the battlefield, and then fully exploded the power of his immortal body of the god, concentrating all the power of his body on his right fist.

Buzz!

Ye Feng's fist suddenly bloomed with brilliant golden light in the depths of the void.

Moreover, all of Ye Feng's strength was integrated into this golden fist.

Boom! !

And almost in the next moment, at the moment when the dark demon clan strongman and Xuan Wunian were fighting the most fiercely, Ye Feng suddenly rushed out from the void.

His fist, emitting thousands of feet of golden light, carrying a mighty force, directly hit the back of the dark demon clan strongman. Ye Feng attacked from behind, and the dark demon clan strongman could not detect it at all.

"Die!"

Ye Feng shouted at this moment, his golden fist contained infinite power, and madly blasted out from the void, like a golden lightning, so fast that it was impossible to dodge.

So almost in the next moment, Ye Feng accurately hit the back of this dark demon clan strongman.

At this moment, time seemed to stand still, and a huge dent appeared on the back of the dark demon clan strongman under the crazy bombardment of Ye Feng's golden fist.

"Boom!"

Next, this dark demon clan strongman immediately let out a shocking scream.

A deafening explosion sounded throughout his body.

Obviously, Ye Feng's golden fist pierced through his body, shattering his bones and flesh.

At this time, a blood-colored light wave immediately burst out from the body of this dark demon strongman, obviously making a final resistance, and instantly blew Ye Feng away.

Ye Feng's whole body fell to the ground not far away like a broken sack, looking very embarrassed.

But at this time, Ye Feng's slightly embarrassed face was full of ecstasy.

Because Ye Feng knew very well that his attack just now had completely cut off the vitality of this dark demon strongman.

Ye Feng crushed this dark demon

#Every time verification appears, please do not use incognito mode!

The heart of the strong man from the dark demon clan was completely seriously injured.

In this case, Xuan Wu Nian will undoubtedly kill this dark demon strongman in an instant.

In other words, Ye Feng's long-planned sneak attack was finally a complete success.

At this moment, Xuan Wu Nian, who was fighting against the powerful Dark Demon Clan, suddenly noticed this change. Without any hesitation, he directly waved his silver dragon claws and fiercely aimed at the seriously injured Dark One. The powerful demon clan attacks.

Moreover, this dark demon strongman was already in a very serious condition, so he was no longer able to resist Xuan Wu Nian's terrifying attack.

His entire burly body was directly torn into pieces by the silver dragon's claws, just like the Dark Demon Emperor, who was torn into three halves and completely killed.

At this time, Xuan Wu Nian looked at Ye Feng, who was not far away, with a look of admiration in his eyes.

Because Ye Feng's sneak attack just now was crucial, otherwise, he would really be unable to do anything to this dark demon strongman for a while.

At this moment, with the fall of the dark demon clan strongman, Ye Feng did not hesitate and directly released the Devouring Domain and began to devour the fallen dark demon clan's mysterious strong man.

"boom!"

At this time, a huge amount of energy was injected into Ye Feng's Dantian, and Ye Feng's face was filled with joy.

Because Ye Feng instantly felt that his cultivation finally showed signs of loosening. The seemingly indestructible bottleneck of the tenth level of the Great Zhou Heaven Realm began to show signs of being broken. It seemed that it would be broken down in the next moment. That terrifying force broke through.

At this moment, Ye Feng closed his eyes on the spot, suspended cross-legged in the sky, and devoted himself wholeheartedly to absorbing and refining the majestic power and energy of this dark demon strongman.

Xuan Wu Nian was guarding him and protecting him. He knew that Ye Feng was at a critical moment of breakthrough and could not have any interference from the outside world.

Chapter 5208: A Century of Peace

Boom!

At this time, huge amounts of energy were immediately injected into Ye Feng's dantian.

You must know that the strong man of the dark demon clan whom Xuan Wu Nian killed was a being with a very high level of cultivation, so the energy of the dark demon clan contained in his body was very terrifying.

After Ye Feng swallowed it at this time, he could naturally feel that his power was making a breakthrough at an incredible speed.

The bottleneck of Ye Feng's Great Perfection of the Tenth Level of the Great Zhou Heaven Realm also began to break rapidly at this moment. .??.

Boom!

Almost at this moment, Ye Feng's body suddenly erupted with a terrifying aura of cultivation, which represented a complete breakthrough in Ye Feng's cultivation. It was a direct breakthrough from the tenth level of the Great Zhou Heaven Realm to the Great Perfection. We have reached the first level of Earth Evil Realm, which is above the Great Zhou Heaven Realm!

At this moment, after Ye Feng broke through to the real Earthly Evil Realm, he could immediately feel that his power had increased hundreds of times.

It has to be said that the Earthly Evil Realm is an extremely powerful realm. Even though Ye Feng is only in the first of the seventy-two Earthly Evil Realm realms, he can still feel that his power is many times stronger than before.

No wonder the previous supreme master of the Dark Demon Tribe was so powerful in cultivation. As expected, with the continuous improvement of cultivation realm, the gap in a big realm can be said to be vastly different.

At this time, Ye Feng's face was naturally very surprised.

At this moment, Ye Feng immediately looked at Xuan Wu Nian beside him and couldn't help but said: "Thank you, senior, for protecting me just now."

Hearing what Ye Feng said, Xuan Wu Nian immediately smiled and said, "It's just a little effort."

At this moment, Ye Feng nodded. In the process of breaking through just now, Ye Feng could actually sense that there were many strong men from the dark demon clan around him who wanted to attack him and prevent him from breaking through his current cultivation level.

Xuan Wu Nian, on the other hand, has been silently protecting himself by his side, killing all the invading dark demons.

#Every time verification appears, please do not use incognito mode!

They were all killed.

At this moment, after Ye Feng broke through to the first level of the real Earth Evil Realm, his eyes were naturally full of deep surprise.

This time Ye Feng can be said to have received a huge improvement.

Boom!

At this time, a huge roar suddenly sounded not far away.

Ye Feng and Xuan Wu Nian immediately looked quickly in that direction.

They immediately saw that in a certain direction not far away, Xuan Wuji and a group of senior powerful men from the royal family had killed most of the top powerhouses among the dark demon clan.

At this time, Ye Feng flew quickly in that direction, and couldn't help but say: "Senior Xuan Wuji, this time we have really completely eliminated the threat of the dark demon clan."

Hearing what Ye Feng said, Xuan Wuji couldn't help but shook his head and said, "It's not that simple."

Hearing what Xuan Wuji said at this moment, Ye Feng's eyes revealed a look of surprise, and he asked aloud: "What do you mean it's not that simple? These dark demons have invaded the imperial city of the Daxuan Dynasty. Basically, they have all moved in force, and the top experts among them have been completely eliminated by us. Logically speaking, there will be no threat from the dark demons in the future. "

Hearing what Ye Feng said, Xuan Wuji shook his head, with a profound look in his eyes, and said loudly: "It's not that simple, because there are definitely not only so many strong people in the dark demon clan. There are other strong men hiding in their lairs, and it is impossible for the dark demons to escape in full force if they live in the depths of the wilderness."

Hearing what Xuan Wuji said, Ye Feng showed a look of surprise in his eyes and said: "Senior Xuan Wuji, you mean to directly invade the dark demon clan's lair.

middle? "

Ye Feng naturally understood the meaning of Xuan Wuji's words at this time, which was to directly enter the dark demon clan's lair and wipe out all the dark demon clan.

Only in this way can we avoid future troubles forever.

At this time, when he heard what Ye Feng said, Xuan Wuji smiled slightly, nodded, his eyes showed infinite domineering, and said loudly: "Since this is a battle of life and death, then we must fight to the end, we must We must eradicate the roots and create at least a hundred years of peace for our Daxuan Dynasty."??.??

When he said this, Xuan Wuji looked at the many elders of the royal family of the Daxuan Dynasty around him and said aloud: "Do you have the confidence to join me in attacking the dark demon clan's lair outside the wilderness of the Daxuan Dynasty?"

Hearing what Xuan Wuji said, many elders of the royal family of the Daxuan Dynasty nodded their heads and said loudly: "I am willing to follow His Majesty the Emperor and avoid future troubles for our Daxuan Dynasty."

For the entire Daxuan Dynasty, the greatest harm and disaster is definitely the dark demon clan in the wilderness outside the border.

So at this time, many seniors of the Daxuan Dynasty naturally wanted to follow Xuan Wuji to eradicate the roots without hesitation.

Ye Feng was also a little excited at this moment and said: "Senior Xuan Wuji, I will go with you. I also want to see what kind of place the dark demon tribe's lair is."

In fact, the main purpose of Ye Feng's words was to devour the blood and energy of the dark demons killed by these top powerhouses.

At this moment, Xuan Wuji seemed to know Ye Feng's true purpose.

However, Xuan Wuji did not say it directly. Instead, he looked at Ye Feng, smiled mysteriously, and said: "Okay, I will take you there, and I will make sure you devour enough this time."

"Forehead?"

Hearing Xuan Wuji say this at this moment, Ye Feng couldn't help scratching his head in embarrassment and said: "

#Every time verification appears, please do not use incognito mode!

My purpose is obvious to you, Senior Xuan Wuji, but this is indeed a great opportunity for me. "

And just after Ye Feng finished speaking, Xuan Wuji just looked in a certain direction and said loudly: "Xuan Wunian, the imperial city of the Daxuan Dynasty is now handed over to you to protect. The dark demons among these beasts are now Almost all of the powerful clan members have been killed by us, and most of them have slipped through the net. It shouldn't be a big problem to leave this place to you."

Uh-huh!

After saying that, Xuan Wuji led a group of royal seniors and flew quickly towards the depths of the wilderness outside the imperial city.

Ye Feng also quickly followed.

Ye Feng knows very well that now that his cultivation has been upgraded to the Earthly Evil Realm, his strength has also been improved unprecedentedly, and is comparable to some weaker royal seniors.

Therefore, Ye Feng's visit this time is not just for fun, it can also be regarded as one of the quite powerful combat forces.

At this moment, on the way to the dark demon clan's lair, Xuan Wuji came to Ye Feng's side and couldn't help but said in admiration: "Sure enough, a chaotic battle can make you break through quickly. You just He must have devoured many of the top experts among the dark demon clan, and his cultivation level has directly broken through to a new realm called Earth Evil Realm."

Hearing what Xuan Wuji said, Ye Feng immediately smiled and said: "Yes, just now senior Xuan Wunian helped me kill a super strong man among the dark demons. The one I devoured was from the dark demons." The super strong man's cultivation skills have indeed transformed directly, and he has been directly promoted to the Earthly Evil Realm."

Xuan Wuji heard the words, nodded, and said loudly: "There are seventy-two changes in the Earthly Evil Realm, which means that in the big realm of the Earthly Evil Realm, there are a total of seventy-two small realms. The improvement is still very slow. This time, I hope it can help you improve your level."

Hearing what Xuan Wuji said, Ye Feng nodded, and then asked curiously: "Senior Xuan Wuji, what is the realm above the Earthly Evil Realm?"

Chapter 5209: Weakened a lot

For Ye Feng, his realm has now entered a new level of Earthly Evil Realm, so Ye Feng is naturally very curious about the next realm of cultivation.

At this moment, when Xuan Wuji heard Ye Feng's question, he immediately smiled and said: "I wonder if you have heard of the Thirty-Six Heavenly Gangs and the Seventy-two Earthly Evils? This is an ancient rumor, so the Earthly Evil Realm There are a total of seventy-two small realms, and above the Earthly Evil Realm is the Tiangang Realm. There are also many small realms in the big realm of Tiangang Mirror, with a total of thirty-six realms, so these two big realms can be said to be It takes a very long time to break through."

Hearing what Xuan Wuji said, Ye Feng's eyes suddenly revealed a look of wonder.

Unexpectedly, there are so many small realms contained in these two big realms.

The next two major realms of breakthrough are indeed very long.

Xuan Wuji seemed to see Ye Feng's inner worries at this time, and immediately smiled slightly, patted Ye Feng's shoulder, and said loudly: "You don't need to worry too much, because your inheritance is really too special. You can break through as long as you devour the energy from the outside world. This is simply the most amazing ability given to you by God. This time I took many elders and powerful men from the royal family to the dark demon clan's lair outside the wilderness to eliminate the roots. So this time you If you follow us, you will definitely be able to absorb enough of the blood energy of the dark demons, and your cultivation level will quickly improve."

Hearing what Xuan Wuji said, Ye Feng immediately nodded and said: "I will also help this time. My current cultivation level has been upgraded to the first level of the Earthly Evil Realm, and my strength has increased hundreds of times compared to before. Although I am still unable to compete with the real top figures in Zhongzhou in the Ten Thousand Demons Interface, I should be able to compete with the weaker ones among the elders of the royal family. "

Hearing what Ye Feng said, Xuan Wuji immediately laughed and said: "Your strength is indeed pretty good now. Before, you and Xuan Wunian teamed up to kill the strong man from the dark demon clan. I actually paid attention to it from a distance. , you are indeed much stronger now than before, and you are qualified to join a battle of our level, and your hidden ability seems to be very magical and special, even if the dark demon strongman before was very powerful, he could not notice it. Regardless of where you make a sneak attack, your ability to hide in the deep void often plays a huge role at critical moments."

After Xuan Wuji finished speaking, he said nothing more and flew directly to the front, leading dozens of seniors from the Daxuan Dynasty to fly quickly out of the wilderness. .??.

Ye Feng didn't say much at this time, but followed everyone in silence.

Finally, half an hour later, a group of powerful men from the Great Xuan Dynasty arrived in the deepest area of the wilderness.

There are mountains and big trees everywhere here, covering the entire land, giving people the feeling of coming to a primitive area.

But the dark demon clan's lair is hidden in this primitive area.

At this moment, Xuan Wuji's eyes were shining with golden light, as if he could see through all disguises.

He stared at a huge mountain not far away and said loudly: "The dark demon tribe's lair is in that mountain."

After saying that, Xuan Wuji didn't hesitate at all and just stretched out his hand to grab it.

Buzz!

The whole world was suddenly in a riot of vitality, and a huge and incomparable weapon was condensed.

#Every time verification appears, please do not use incognito mode!

The palm of his hand was violently knocked down from the sky and hit the mountains not far away.

Boom!

Almost at the next moment, all the surrounding mountains were completely shattered.

At this moment, Xuan Wuji's attack shattered all the mountains not far away.

At this time, Ye Feng and many seniors of the royal family immediately saw that a large underground space really appeared under the broken mountains.

Many buildings have been built in these underground spaces.

These buildings are extremely old, and they are obviously the buildings of the dark demons in the wilderness.

At this moment, Xuan Wuji immediately said coldly: "You dark demons have been burning, killing and looting in the territory of our Daxuan Dynasty for so many years, and you are also trying to control the imperial power of our entire Daxuan Dynasty. You are so courageous. I will kill you all today. Don't blame me for being cruel. I just blame you for being too arrogant and unscrupulous."

At this moment, after Xuan Wuji finished speaking, he directly used his peerless inheritance, the great law of life and death.

Boom!

At this moment, the vitality of heaven and earth around Xuan Wuji immediately condensed into a huge black and white Tai Chi diagram, spinning rapidly around Xuan Wuji, like a huge millstone of heaven and earth, directly crushing the entire underground space below. And go.

Numerous buildings of the dark demon clan were directly crushed to pieces under this extremely huge Tai Chi Diagram.

At this moment, Xuan Wuji did not hesitate at all. While using his Tai Chi diagram to crush the entire dark demon clan's underground buildings, he led many elders and powerful men from the royal family to kill those who escaped from the underground buildings. The strong men of the dark demon clan.

You must know that this time Xuan Wuji's killing intention can be said to be extremely firm and intense, so these strong men of the dark demon clan really cannot escape. They are killed one by one by Xuan Wuji and many strong elders of the royal family. .

Ye Feng also joined the battlefield at this time, but Ye Feng discovered that the situation seemed to be much better than he imagined. He did not need to do anything on his own, he just had to sit back and enjoy his achievements.

So at this time, Ye Feng was so happy that he directly released his Devouring Domain, covering the entire surrounding battlefield.

At this moment, Ye Feng's devouring area can be expanded to cover hundreds of kilometers in radius, covering the entire battlefield.

Even Xuan Wuji and many powerful elders from the royal family are enveloped in the Devouring Domain.

Of course, Ye Feng will not devour the skills and vitality of his partners. Devouring the domain will only affect the vitality and energy of those strong men of the dark demon clan.

At this time, the elders of the royal family were surprised to find that the strong men of the dark demon race they were dealing with were much weaker in their combat status in Ye Feng's Devouring Domain.

Many senior members of the royal family looked at Ye Feng and secretly gave a thumbs up. Ye Feng's Devouring Domain is really powerful. Not only can he swallow the energy of the outside world and strengthen his own skills, but the Devouring Domain is also a powerful weapon. This is a very powerful fighting method. As long as the creature is shrouded in the Devouring Domain, the overall state will be greatly weakened. For Ye Feng, his realm has now entered a new level of Earthly Evil Realm, so Ye Feng is naturally very curious about the next realm of cultivation.

At this moment, when Xuan Wuji heard Ye Feng's question, he immediately smiled and said: "I wonder if you have heard of the Thirty-Six Heavenly Gangs and the Seventy-two Earthly Evils? This is an ancient rumor, so the Earthly Evil Realm There are a total of seventy-two small realms, and above the Earthly Evil Realm is the Tiangang Realm. There are also many small realms in the big realm of Tiangang Mirror, with a total of thirty-six realms, so these two big realms can be said to be It takes a very long time to break through."

Hearing what Xuan Wuji said, Ye Feng's eyes suddenly revealed a look of wonder.

Unexpectedly, there are so many small realms contained in these two big realms.

The next two major realms of breakthrough are indeed very long.

Xuan Wuji seemed to see Ye Feng's inner worries at this time, and immediately smiled slightly, patted Ye Feng's shoulder, and said loudly: "You don't need to worry too much, because your inheritance is really too special. You can break through as long as you devour the energy of the outside world. This is simply the most amazing ability given to you by God. This time I took many senior experts from the royal family to the dark demon clan's lair outside the wilderness to eliminate the roots. So this time you If you follow us, you will definitely be able to absorb enough of the blood energy of the dark demons, and your cultivation level will quickly improve."

Hearing what Xuan Wuji said, Ye Feng immediately nodded and said: "I will also help this time. My current cultivation level has been upgraded to the first level of the Earthly Evil Realm, and my strength has increased hundreds of times compared to before. Although I am still unable to compete with the real top figures in Zhongzhou in the Ten Thousand Demons Interface, I should be able to compete with the weaker ones among the elders of the royal family. "

Hearing what Ye Feng said, Xuan Wuji immediately laughed and said: "Your strength is indeed pretty good now. Before, you and Xuan Wunian teamed up to kill the strong man from the dark demon clan. I actually paid attention to it from a distance. , you are indeed much stronger now than before, and you are qualified to join a battle of our level, and your hidden ability seems to be very magical and special, even if the dark demon strongman before was very powerful, he could not notice it. Regardless of where you make a sneak attack, your ability to hide in the deep void often plays a huge role at critical moments."

After Xuan Wuji finished speaking, he said nothing more and flew directly to the front, leading dozens of seniors from the Daxuan Dynasty to fly quickly out of the wilderness. .??.

Ye Feng didn't say much at this time, but followed the others in silence.

Finally, half an hour later, a group of powerful men from the Great Xuan Dynasty arrived in the deepest area of the wilderness.

There are mountains and big trees everywhere here, covering the entire land, giving people the feeling of coming to a primitive area.

But the dark demon clan's lair is hidden in this primitive area.

At this moment, Xuan Wuji's eyes were shining with golden light, as if he could see through all disguises.

He stared at a huge mountain not far away and said loudly: "The dark demon tribe's lair is in that mountain."

After saying that, Xuan Wuji didn't hesitate at all and just stretched out his hand to grab it.

Buzz!

The whole world was suddenly in a riot of vitality, and a huge and incomparable weapon was condensed.

The palm of his hand was violently knocked down from the sky and hit the mountains not far away.

Boom!

Almost at the next moment, all the surrounding mountains were completely shattered.

At this moment, Xuan Wuji's attack shattered all the mountains not far away.

At this time, Ye Feng and many seniors of the royal family immediately saw that a large underground space really appeared under the broken mountains.

Many buildings have been built in these underground spaces.

These buildings are extremely old, and they are obviously the buildings of the dark demons in the wilderness.

At this moment, Xuan Wuji immediately said coldly: "You dark demons have been burning, killing and looting in the territory of our Great Xuan Dynasty for so many years, and you are also trying to control the imperial power of our entire Great Xuan Dynasty. You are too bold. Today I will kill all of you. Don't blame me for being cruel, just blame you for being too arrogant and too unscrupulous."

At this moment, after Xuan Wuji finished speaking, he directly used his peerless inheritance, the Great Law of Life and Death of the Heavens.

Rumble!

At this moment, the heaven and earth energy around Xuan Wuji immediately condensed into an extremely huge black and white Tai Chi diagram, which rotated rapidly around Xuan Wuji, like a huge millstone of heaven and earth, and directly crushed the entire underground space below.

Many buildings of the dark demons were directly crushed and shattered under this extremely huge Tai Chi diagram.

At this moment, Xuan Wuji did not hesitate at all. He used his Tai Chi diagram to crush the entire underground Dark Demon Clan's buildings, while leading many old royal strongmen to kill those Dark Demon Clan strongmen who escaped from the underground buildings.

You know, this time Xuan Wuji's killing heart can be said to be firm and strong to the extreme, so these Dark Demon Clan strongmen really couldn't escape, and were killed one by one by Xuan Wuji and many old royal strongmen.

Ye Feng also joined the battlefield at this time, but Ye Feng found that it seemed that the situation was much better than he imagined, and he didn't need to do anything. He just had to sit back and enjoy the success.

So at this time, Ye Feng was also happy and at ease, and directly released his swallowing field, covering the entire surrounding battlefield.

At this moment, Ye Feng's swallowing field can expand to cover hundreds of kilometers in radius, covering the entire battlefield.

Even Xuan Wuji and many old royal strongmen were covered in the swallowing field.

Of course, Ye Feng would not devour the power and blood of his companions. The devouring field would only affect the blood energy of the dark demon clan's strongmen.

At this time, the old strongmen of the royal family were surprised to find that the dark demon clan's strongmen they were dealing with were much weaker in the battle state in Ye Feng's devouring field.

Many old figures of the royal family looked at Ye Feng and secretly gave him a thumbs up. Ye Feng's devouring field was really powerful. Not only could it devour the energy of the outside world and strengthen its own power, but the devouring field was also a very powerful means of combat. As long as the creatures were covered by the devouring field, their overall state would be weakened a lot.

Chapter 5210 There are still experts

At this time, along with Ye Feng's devouring, huge amounts of blood energy were immediately injected into Ye Feng's body.

Because you must know that many powerful elders of the royal family of the Daxuan Dynasty are now frantically killing the dark monsters that have escaped from the dark demon clan's lair across the battlefield.

Therefore, the skill energy Ye Feng swallowed at this moment can be said to be extremely majestic.

Ye Feng had just broken through to the first level of the Earthly Evil Realm. At this moment, he was immediately at a rapid speed and constantly improving.

boom!

The second level of Earthly Evil Realm!

boom!

The third level of Earthly Evil Realm!

boom!

The fourth level of Earthly Evil Realm!

In just a short moment, Ye Feng's cultivation level has broken through three realms in a row, reaching the fourth realm of Earthly Evil Realm.

You must know that there are a total of seventy-two realms in the Earthly Evil Realm, and the breakthrough of each realm requires a huge amount of energy.

But Ye Feng was still able to break through so quickly at this moment, entirely because the blood energy provided on this battlefield was so majestic.

This made Ye Feng's eyes suddenly reveal a look of deep surprise.

You must know that the seventy-two small realms of the Earthly Evil Realm are different from the ten heavenly realms of other large realms.

Each level of the Earthly Evil Realm is considered a breakthrough, so with each breakthrough, Ye Feng's power increases dozens of times.

At this moment, Ye Feng has broken through three realms in a row and reached the fourth realm of Earthly Evil Realm. Ye Feng's cultivation and strength have increased hundreds of times compared to before. Ye Feng's combat power can be said to have increased exponentially. among.

At this moment, Ye Feng was naturally very excited. This time, Senior Xuan Wuji was right. He followed them to the dark demon clan's lair. Sure enough, he was able to absorb enough blood energy to improve his cultivation skills. experienced unprecedented growth.

At this time, Ye Feng also rushed into the battlefield, waving his golden fists wildly, and each punch could kill someone.

A powerful dark demon within the top ten realms of Tou Di Sha Realm.

Ye Feng's fighting power at this moment can be said to have completely entered the level of the seniors of the royal family.

Seeing Ye Feng's fierce fighting power at this moment, many seniors from the royal family around him showed deep amazement in their eyes.

Ye Feng's cultivation has improved so quickly, and there are no hidden dangers in such a rapid improvement. On the contrary, Ye Feng's combat effectiveness is getting stronger and stronger. These seniors of the royal family are amazed and very surprised. envious.

If they also had Ye Feng's talent, I'm afraid their cultivation would have grown to an extremely terrifying level.

And as Ye Feng continued to fight and devour, Ye Feng's cultivation level once again broke through and he entered the fifth level of the Earthly Evil Realm!

I have to say that the speed of this breakthrough is really too fast.

And suddenly at this moment.

Boom!

A huge demon palm covered with green scales was suddenly grabbed from the lair of the dark demon clan, and it suddenly shattered the Tai Chi diagram formed by Xuan Wuji's condensed art of death and death. Come on.

"Huh? There are also experts?"

At this time, Xuan Wuji's expression immediately changed, and he rushed down quickly.

The next moment, everyone immediately saw that a huge tomb appeared in the lair of the entire dark demon clan.

The palm of the dark demon covered with green scales just now was grabbed from this huge tomb.

"Um?"

Seeing this scene, Xuan Wuji couldn't help but said: "The scales were originally black, but they have turned green. It seems that this big demon hand is an old monster from the dark demon clan in ancient times.

The corpse in the old tomb was transformed and resurrected, which is why it is so powerful. "

At this moment, Xuan Wuji did not panic. Instead, he united with a group of royal seniors around him and quickly moved down to suppress them.

Boom!

But Xuan Wuji seemed to have underestimated the strength of this old dark demon monster who had turned into a corpse. The demon's big hand, which had turned into green scales, was like the palm of an ancient giant, full of unparalleled destructive power, and it actually destroyed Xuan Wuji. Wuji and a group of senior royal family members were all defeated by direct attacks.

There were even several elders of the royal family who were scratched by this big green scale hand, were instantly poisoned, and almost died.

Everyone could only retreat quickly.

"hateful!"

Seeing this scene, Xuan Wuji's eyes immediately darkened, and he couldn't help but say: "This old monster from the dark demon clan is still so powerful after his corpse transformation. It seems that he was an extremely terrifying existence in life."

What Xuan Wuji never expected at this moment was that the living strong men of the dark demon clan would not be able to resist the killing attacks by him and a group of royal seniors. However, he did not expect that there would be corpses in the tombs of the dark demon clan. It's a bit tricky to find an old monster.

At this moment, Ye Feng immediately said: "Senior Xuan Wuji, let me help you."

Hearing what Ye Feng said and watching Ye Feng flying quickly from a direction not far away, Xuan Wuji immediately stretched out his hand to stop him and said loudly: "Ye Feng, although you

have made a lot of breakthroughs in your cultivation now, but Still far from reaching my level, this old monster from the dark demon clan who transformed into a corpse is very powerful, and his entire body has been tempered by the yin energy of heaven and earth, and has become very strong and full of drama. Poison is not something that ordinary people can fight against. It seems that we need to take a long-term approach. "

Ye Feng immediately smiled and said: "There is no need to think long term, Senior Xuan Wuji, I have a magic weapon that can greatly weaken this kind of corpse transformation."

The monster's strength attribute. "

After saying that, Ye Feng directly displayed Heaven's Gate without any hesitation.

Boom!

At this moment, accompanied by a violent energy fluctuation, a huge portal suddenly appeared above Ye Feng's head.

This door is the door to heaven.

At this moment, Ye Feng used all his strength to inject his huge magic power into the Gate of Heaven, crazily activating the magic weapon of this extremely powerful Lord of Heaven.

Boom!

At this moment, under the horrified gazes of everyone, the Gate of Heaven suddenly burst out with an incomparably bright divine light.

This kind of light is pure white in color, looks very sacred, and gives people a very noble feeling.

At this time, Ye Feng didn't hesitate at all, and immediately rushed down with the Gate of Heaven.

When the white light sprinkled on the earth, the whole world became a lot brighter. The old monster of the dark demon clan who had turned into a corpse in the ancient tomb was illuminated by the supreme power of light in the gate of heaven, and his whole body immediately started to glow. As it corroded, cracks appeared on the green scales, turning into molten iron and dripping down.

At this moment, the old monster transformed from the corpse of the dark demon clan obviously seemed to have its armor broken, losing its most powerful defense and scales.

"What?"

Seeing this scene at this moment, many strong men of the dark demon tribe suddenly despaired.

Originally, they thought that their senior could revive and save them, but now it seems that it is of no use. The treasure on that human boy's body is really amazing.

At this time, Xuan Wuji also had a look of astonishment in his eyes, and he couldn't help but said in horror: "Could this door be the legendary door to heaven?"
