Chapter 5411 Black Wind Town

Hearing what Ye Feng said at this moment, he seemed to be very indifferent and indifferent. The dozens of bandits who were blocking the road and robbing him suddenly had expressions of astonishment on their faces.

Especially the big man in armor at the head, holding the tiger-headed sword in his hand, immediately stared at Ye Feng, and said in a fierce voice: "Boy, are you crazy, you dare to fight with us like this?" say?"

Ye Feng just smiled faintly at this moment and said, "Why can't I talk to you like this?"

The big man in black armor carrying a tiger-headed sword immediately looked around and said loudly: "Don't you know we are bandits? We want to rob you of your wealth, so there is no need to talk so much, be wise. , now hurry up and hand over all the storage rings on your body, and get out immediately, otherwise, we will take action. "

Hearing what the black armored man in front of him said, Ye Feng suddenly smiled and said: "Is it your first time to be a bandit? You seem to be very nervous. If you are a veteran, why bother talking to me so much, just say Kill me on the spot. It's probably your first time being a bandit. You don't dare to kill me directly. You just want to rob me of my wealth."

"you....."

Hearing what Ye Feng said, the bandit's eyes suddenly showed a look of astonishment, and then he stuttered a little when he spoke, and he stumbled out loudly and said: "No matter what, hurry up and get the storage ring on your body now." Hand it all over, or I will definitely take action."

Hearing what the leader of the black armored man said, Ye Feng immediately smiled lightly and said: "Go away, otherwise you will be the ones who die."

Boom!

Almost at this moment, Ye Feng suddenly burst out with a terrifying aura of cultivation, which was like a vast ocean, sending all the dozen bandits around him flying backwards.

"What?"

Feeling Ye Feng's terrifying cultivation momentum, the surrounding bandits suddenly showed deep horror in their eyes, as if they did not expect that Ye Feng turned out to be such a powerful person.

He looked like just an ordinary boy, and his momentum alone was enough to send them flying backwards.

This kind of strength is simply terrifying to the extreme.

At this moment, these bandits' eyes widened with deep horror.

At this moment, Ye Feng was about to say something, but suddenly these bandits knelt down.

In Ye Feng's rather astonished eyes, the armored man who was leading him with a fierce look just now knelt in front of Ye Feng, grabbed Ye Feng's trousers, and couldn't help but burst into tears. He said in a loud voice: "Hero, spare your life! Hero, spare your life! If we, the only practitioners, die, the villagers we protect will probably die at the mouth of wild beasts in the wilderness. Hero, you are right, we are indeed the first. Once you become a bandit, you really have no choice but to do it."

Hearing what this big man in black armor said at this moment, Ye Feng's eyes suddenly showed a look of surprise, and he said loudly: "Are you protecting some weak and unarmed villagers?"

The leader of the black armored man immediately nodded and said loudly: "Yes, we are all residents of Black Wind Town. Unexpectedly, an extremely powerful demon appeared in Black Wind Town and took control of the entire Black Wind Town. The town killed all our human residents and enslaved them, leaving only a group of survivors. Under the protection of a dozen of us practitioners, they escaped from the Black Wind town and temporarily lived in the wilderness. Among them, but we really don't have the ability to look for food and training resources anymore, we can only come up with this method. But we didn't expect that we had just met a powerful genius like you, Shaoxia, on our first day as bandits. , I don't know if it's bad luck or luck, because it stopped our evil thoughts and gave us a chance to change our ways."

At this moment, the leader of the big man in black armor didn't need to think twice to know that Ye Feng, a seemingly ordinary young man, was actually a genius with extremely terrifying fighting power.

Because he has sensed that Ye Feng's cultivation level is not much higher than theirs, but his combat power is definitely dozens or even hundreds of times theirs.

This is absolutely a terrifying young genius.

So at this time, the leader of the big man in black armor immediately burst into tears and said: "Young hero, spare your life, don't kill us. If you kill us, I'm afraid the hundreds of villagers we are guarding will not be able to survive tonight, because in the wilderness, At night in the wild, extremely terrifying beasts will definitely appear. A dozen of us practitioners united together, and we were barely able to resist these beasts and protect the surviving villagers who escaped from Black Wind Town. I swear that we will never do it again. If you do this kind of robbery, you must change your ways."

Hearing what this big man in black armor said at this moment, Ye Feng's eyes suddenly showed a look of surprise. He didn't expect that he would encounter such a thing.

At this moment, Ye Feng seemed to have thought of something, and suddenly said in surprise: "You said you are from Black Wind Town? I remember that Black Wind Town should be a town managed by the nearby Changsheng Xianmen, and I happened to be here this time. Just go to Black Wind Town and use Black Wind Town to teleport directly to the Immortal Sect."

Hearing what Ye Feng said, the black-armored man in the lead immediately showed a look of astonishment in his eyes, and said: "I didn't expect that the place you are going to is our Black Wind Town. Yes, our Black Wind Town is indeed under the jurisdiction of the Immortal Sect of Immortality, but the Immortal Sect of Immortality is too far away from our Black Wind Town, and it is out of reach. Many times, they can't take care of our affairs, and what happens here can't be transmitted to the upper level of the Immortal Sect of Immortality."

Hearing what the black-armored man in the lead said, Ye Feng couldn't help but curiously said: "Even if the information of a small marginal town like your Black Wind Town cannot be transmitted to the Immortal Sect of Immortality in time, but it stands to reason that as long as it is a town under the jurisdiction of the Immortal Sect of Immortality, there must be strong men from the Immortal Sect of Immortality stationed there. Is the strength of that big monster very strong? Can it beat the strong men of the Immortal Sect stationed in your Black Wind Town?"

Hearing Ye Feng say this The leading black-armored man looked at the dozen or so other practitioners around him, then showed a very angry look on his face, and said aloud: "The strong men stationed in our Black Wind Town relied on their own power and joined forces with a great

demon cultivator in the wilderness to exploit all the ordinary residents and practitioners of our entire Black Wind Town, forcing us to hand over various cultivation resources, and also used some of our powerful practitioners as coolies to go to some dangerous places in the wilderness to find various precious medicinal materials, causing us to suffer heavy casualties. We were forced to resist, but as soon as we resisted, the strong men of the Changsheng Immortal Sect stationed in our Black Wind Town and the great demon directly controlled the entire Black Wind Town and killed half of our residents. The rest are either still in Black Wind Town, enduring exploitation, or have fled Black Wind Town like us and temporarily lived in the wilderness."

Chapter 5412 Full of murderous intent

"What?"

Hearing what the black armored man in front of him said, Ye Feng suddenly showed a look of astonishment in his eyes, and a rather angry look on his face, and said aloud: "Isn't there anyone else who cares about this kind of thing? "

After Ye Feng said these words, before the big man in black armor could say anything, among the other people around him, an old man in black robes couldn't help but shook his head and sighed, and said loudly: "Who cares? We Black Wind The town is really far away from the sect of the Eternal Life Immortal Sect, and the strong man from the Eternal Life Immortal Sect stationed in Black Wind Town has a very unusual identity. In Black Wind Town, this place is like The Earth Emperor, no one dares to care about him at all, and the information from us here cannot be conveyed, so we can only let the strong man stationed there do whatever he wants. He even became brothers with a big demon in the wilderness, and exploited us as a whole to his heart's content. Residents and practitioners in Fengcheng Town, if we weren't forced to do so, why would we become bandits? But we were also quite unlucky. On our first day as bandits, we met such a powerful person as Shaoxia. It's time to admit defeat."

At this moment, the old man said, sighing deeply.

Ye Feng's eyes flickered at this time and he said loudly: "First of all, you only rob wealth and don't kill people, which is good. Secondly, you are not doing this for your own personal interests, but to protect the entire Heifeng Town. There are hundreds of unarmed ordinary people who escaped among them, and you met me the first time you came out, and you didn't actually do anything bad. Whatever, now that I know the truth of the matter, I don't blame you. And I will help you, because I also need to go to Black Wind Town to use the teleportation array. When the road is rough, it is free and easy to draw a sword to help! "

At this moment, after Ye Feng finished speaking, he led everyone towards not far away and said loudly: "You take me to the place where you live temporarily, and then I will take you to seek justice."

At this moment, Ye Feng heard the tragic experience of this group of people and felt that he had the ability to take care of it without any trouble on his part.

After all, he was going to Blackwind Town to use the teleportation array.

Moreover, he might also join the Immortal Sect in the future, so he just happened to encounter this matter and would not sit idly by.

When Ye Feng heard what Ye Feng said, a group of cultivators from the surrounding Black Wind Town immediately said with joy: "Young hero is actually willing to help us without any reward? This is great! Great, we There is help."

At this moment, the group of cultivators were all ecstatic and quickly gathered around Ye Feng, saluting respectfully to express their inner gratitude.

The old man just now couldn't help but exclaimed in admiration: "Young hero is really a hero!"

Ye Feng waved his hands at this time and said loudly: "I have a friend in the Immortal Immortal Sect. If she encounters such a thing, she will definitely be very angry. I will eradicate the scourge of these Immortal Immortal Sect. It's a favor for her and a favor."

Hearing what Ye Feng said at this moment, a group of cultivators from the Black Wind Town around them widened their eyes slightly and couldn't help but said: "No wonder the young hero has such a powerful strength and can actually compete with the Immortal Immortal." The precious disciples in the sect become friends."

Ye Feng immediately smiled and said, "My friend is not an ordinary disciple, but a saint from the Frozen Temple of the Immortal Immortal Sect."

"What?"

Hearing what Ye Feng said, a group of cultivators around him were even more shocked.

Unexpectedly, the young hero they met accidentally was not only fair and courageous, but also willing to fight against injustice and draw a sword to help. They did not expect that he was also of such a noble status and had friendship with a saint-level figure in the Immortal Sect. It's a friendship.

At this moment, everyone understood that the people in their Black Wind Town were really saved.

At this moment, a group of cultivators from Black Wind Town surrounded Ye Feng, all very grateful to Ye Feng for helping them.

At this time, this group of cultivators led Ye Feng to a place in the wilderness.

Ye Feng looked over from a distance and found hundreds of old, young, women and children without any sense of cultivation, struggling to survive in the wilderness not far away. Most of them were setting up tents, most of which were piled with stones. Some small houses.

At this moment, Ye Feng actually admired the group of practitioners around him who were not actually very powerful.

It was a dozen of them cultivators who protected these hundreds of people for such a long time.

Ye Feng couldn't help but said: "You say I am a hero, but I am not, and you are the real heroes."

Hearing what Ye Feng said, the dozen or so cultivators around him were almost moved to tears.

It's not like they haven't encountered some very powerful beings, but after hearing that their opponents turned out to be distinguished figures from the Immortal Sect stationed in Black Wind Town, they were not willing to take action against such troublesome matters.

Unexpectedly, God favored them and allowed a brave young hero like Ye Feng to appear.

At this moment, this group of cultivators took Ye Feng directly to the place where they were camping.

Looking at the hundreds of unarmed civilians in front of him, Ye Feng looked at the dozen or so cultivators around him and said, "Let's go, take me directly to Black Wind Town. I want to see in person who this powerful man from the Immortal Sect of Immortality stationed in Black Wind Town is. He is so bold that he dares to collude with the powerful monsters in the wilderness to oppress and murder his fellow human race. This kind of person is not worthy of being a member of our human race. I will definitely make him die miserably."

At this moment, hearing Ye Feng say such murderous words, a group of more than a dozen cultivators around him hesitated and couldn't help but say, "Young Master Ye Feng, do you want to discuss it carefully? After all, the powerful man stationed in our Black Wind Town is very powerful. His cultivation is probably four or five realms higher than that of you, Young Master Ye Feng, and there is also a big monster in the wilderness of the same level as him, and its strength is also very terrifying. Although we know that the combat power of Young Master Ye Feng is much stronger than the cultivation realm revealed, it is still dangerous. "

When Ye Feng heard a group of practitioners around him say this, he immediately laughed and said, "Don't worry, there is absolutely no problem. Just take me to Black Wind Town. These hundreds of civilians are unarmed here and can't hold on for long. We must hurry up to solve the problems in your Black Wind Town and let them return to Black Wind Town to survive safely. I also need to use the formation of Black Wind Town, so don't waste time. "

Hearing Ye Feng say this at this moment, the dozen or so practitioners nodded immediately.

At this time, the black armored man who was the leader just now looked at the other practitioners around him and said, "You stay here and guard the entire camp. I will take Young Master Ye Feng to Black Wind Town alone. "

Chapter 5413 Traitor of the Human Race

At this moment, the big man in black armor said this, obviously heading to Black Wind Town with the determination to die.

Because if he fails this time, if he dies, there will be other remaining cultivators who can protect the hundreds of ordinary residents here.

Ye Feng actually guessed the meaning of this black armored man's arrangement, but Ye Feng just smiled and didn't say much.

And then, the big man in black armor took Ye Feng and flew quickly in a certain direction not far away.

For Ye Feng, rescuing these innocent and weak residents of Black Wind Town is a small thing that he can do.

Half an hour later, Ye Feng followed the black armored man and arrived at the entrance of Black Wind Town.

At this time, a huge town appeared in front, surrounded by towering walls, which looked like a huge fortress.

But now this huge human fortress is full of evil spirits, giving people a very uncomfortable feeling both physically and mentally.

At this time, Ye Feng couldn't help but said: "This city doesn't look like a human city at all, it's simply a demon city."

Hearing what Ye Feng said, the big man in black armor beside him immediately couldn't help but said angrily: "It's really hateful. It's a pity that I don't have enough power to change all this. Now our Black Wind City has become It's really chilling to see the monster clan's paradise in the wilderness."

Hearing this, Ye Feng couldn't help but reveal a cold smile on his face, patted the shoulder of the black armored man next to him, and said loudly: "Don't worry, since I'm here, I will definitely find out the traitor of the human race. , and let all the residents of the Black Wind City judge his crimes together."

At this moment, after Ye Feng finished speaking, he jumped directly and flew high into the sky.

The big man in black armor also risked his life at this time and chose to believe in Ye Feng's confidence and strength. He also flew high into the sky and stood beside Ye Feng.

At this moment, the big man in black armor immediately stared at the city in front of him and shouted: "Zhu Fanming, you are a traitor to the human race. You colluded with the ferocious monster in the wilderness to slaughter and enslave the entire human race in Black Wind City. Resident, you have not only betrayed the Immortal Sect, but also our entire human race!"

Wow!

At this moment, after the big man in black armor finished speaking, guards in black armor suddenly flew out of the entire dark and evil town.

These black armored guards are all composed of very powerful practitioners. There are humans and demons mixed in among them.

When the black armored man saw this scene, he immediately said angrily: "Damn it, I didn't expect that the guards in our Black Wind Town would be replaced by Zhu Fanming's personal guards, and there would also be many strong demon clans mixed in. , It seems that the big demon is no longer hiding, but has officially moved into our Black Wind Town."

Hearing the big man in black armor say this at this moment, Ye Feng showed a look of surprise in his eyes and said: "The Zhu Fanming you are talking about is the Immortal Immortal sent by the Immortal Immortal Sect and stationed in your Black Wind Town. The strong man of the door?"

"Yes."

The big man in black armor nodded and said aloud: "But this Zhu Fanming is too hateful to attract wolves into the house, and his status in the Immortal Immortal Sect is extraordinary. He can use various means to hide his crimes and prevent everything in Black Wind Town from happening. The news was passed back to the Immortal Sect of Immortality. He is really like a local emperor here. Everything must be obeyed by him. He will kill anyone who dares to disobey. He even unites with the big demon to suppress the residents of Black Wind Town. Because the big demon often gives Zhu Fanming various beautiful beauties for his enjoyment to please him. "

At this moment, hearing the big man in black armor say this, Ye Feng suddenly showed a trace of surprise in his eyes, and said loudly: "It seems that this Zhu Fanming, his identity is really extraordinary, he can actually make a big demon capital Please him."

Hearing what Ye Feng said, the face of the big man in black armor changed slightly, and he couldn't help but say: "Young Master Ye Feng must be afraid, right? With Zhu Fanming's noble status, he doesn't dare to take action?"

"Hahaha."

Ye Feng burst out laughing immediately, patted the shoulder of the black armored man next to him, and said loudly: "Am I afraid? Let me tell you, even if this Zhu Fanmin is the son of the King of Heaven, I will teach him how to behave today. Be a human being."

Uh-huh!

Almost at the moment Ye Feng finished speaking, Ye Feng, with the black armored man beside him, rushed directly towards the Black Wind Town ahead.

"Who are you? You dare to trespass into the territory of our Black Wind City. Do you not want to live?"

At this moment, a large group of armored guards from Black Wind City, both human and demon, immediately blocked the way of Ye Feng and the big man in black armor.

Their cultivation levels are very good, and they are only one or two realms lower than Ye Feng.

So this group of guards are not afraid of Ye Feng, because they have hundreds of guards.

At this moment, Ye Feng's eyes did not waver at all, and he simply stretched out a hand.

Ye Feng's hand immediately turned into a big golden hand, like an ancient mountain crashing down. Hundreds of powerful guards in Black Wind Town were all bombarded by this big golden hand. Flying upside down.

Boom!

The next moment, Ye Feng's golden hand continued to suppress the front, and the towering gate of Black Wind Town was blasted open in an instant. The surrounding walls could not withstand the majestic weight of the golden hand, and they all collapsed directly.

"What a terrifying power!"

At this time, the black armored man who saw this scene not far away immediately exclaimed in deep amazement.

He stared at the golden hand that Ye Feng stretched out, and it seemed that it was not a human hand, but the hand of an ancient giant, with boundless and majestic power.

"Who is this young man? How can he be so powerful?"

At this moment, the group of Black Wind Town guards who were blown away suddenly widened their eyes, and their eyes showed deep horror.

Because they never thought that in such a remote place like Black Wind Town, there would be such a fierce young strongman, whose real combat power was simply unfathomable and unfathomable.

At this time, Ye Feng stared at the inner area of Black Wind Town, smiled coldly, and said: "That big monster, and Zhu Fanming, you are a traitor to the human race, and a traitor to the Immortal Sect of Immortality, hurry up and come out, don't waste my time."

Domineering!

Boundless domineering!

Ye Feng's words shocked everyone in the entire Black Wind Town to the extreme.

Chapter 5414 Xuanwu Temple

At this time, Ye Feng's words fell, and a very strong demonic aura suddenly surged out of the entire Black Wind Town.

Buzz!

A middle-aged man wearing golden armor appeared in the black billowing demonic energy.

This middle-aged man wearing golden armor had red eyes that exuded a strange light.

Obviously, this middle-aged man wearing golden armor is the big demon in Black Wind Town.

This big demon is very smart, and uses various means to please Zhu Fanming, the strong man of the Immortal Sect stationed in Black Wind Town, and becomes a brother-in-law with Zhu Fanming, so that this big demon can carry out all kinds of cruel things in the human territory unscrupulously. Behavior, squeezing the human race and plundering the human race's wealth.

At this time, the big demon in golden armor stared at Ye Feng and couldn't help but said: "Who are you? How dare you attack the entire Black Wind Town, and even kill everyone in our Black Wind Town?" The city gates and walls were shattered by the blast, you are so audacious!"

Ye Feng immediately burst into laughter at this moment and said loudly: "Who are you? A demon clan dares to cause trouble to the world in the territory of our human race. I came here today to solve your trouble, and Deal with Zhu Fanming who betrayed our human race."

Hearing what Ye Feng said at this moment, this powerful demon clan man immediately shouted loudly and said: "How presumptuous!"

boom!

Almost at this moment, the demon clan strongman suddenly burst out with a terrifying and huge demonic energy, and instantly attacked Ye Feng.

This big demon knew that Ye Feng's strength was very extraordinary, so at this moment, this big demon didn't hesitate and just unleashed his strongest method.

Boom!

I saw a strong demonic aura that was as strong as substance immediately surging out of his body.

Then the big demon stretched out a hand, which turned into a giant green claw high in the sky.

This green giant claw obviously contains strong toxins. As long as it can scratch a trace of Ye Feng's skin, it can kill Ye Feng's entire body instantly.

At this moment, the big man in black armor following Ye Feng couldn't help but said worriedly: "Young hero Ye Feng, you must be careful of the claws of this big demon. The true body of this

powerful demon clan is A highly venomous human-faced spider in the wilderness of the primitive forest. Once pierced by its spider claws, even a layer of skin will be poisoned and killed instantly. "

At this time, when he heard the reminder from the big man in black armor behind him, Ye Feng smiled slightly and said, "Don't worry, it'll be no problem."

boom!

Almost at this moment, Ye Feng also stretched out a hand fiercely.

Ye Feng didn't need to use any means at all, he just quickly expanded his hand into a big golden hand, and then blasted forward.

To Ye Feng, although this demon cultivator is called a great demon, to ordinary people, he is an extremely powerful demon clan, but to today's Ye Feng, it is nothing at all.

The level of cultivation of this big demon is four or five levels higher than that of Ye Feng. In Ye Feng's eyes, the real combat power is simply too weak.

So at this moment, Ye Feng didn't bother to release any powerful cultivation methods at all, and simply stretched out a hand.

Buzz!

The big golden hand had extremely terrifying pressure, like an ancient sacred mountain, with the majestic power to crush the eight wastelands. It directly hit the poisonous claws of the strong demon clan in front.

Click! Click!

And almost at the next moment, Ye Feng's golden hands had the terrifying power to suppress all directions, and Ye Feng's golden hands were extremely strong, as if they were made of golden divine iron, like a peerless weapon just forged from the furnace, directly It was to smash the poisonous claws of this powerful monster clan into pieces.

"ah!!"

The venomous claws of this powerful monster clan could not break even a little bit of Ye Feng's skin, and did not even leave any traces on Ye Feng's golden hands.

"What??"

At this moment, he saw that his poisonous claws were instantly shattered by Ye Feng. The strong man from the demon race endured the severe pain and immediately screamed in horror: "Young man from the human race, what on earth are you doing?" Who? Who is the peerless talent of a powerful force? Otherwise, it would be impossible for him to have such terrifying strength and such terrifying physical strength."

Hearing what this demon clan strongman said, Ye Feng immediately showed a sneer in his eyes, and said loudly: "It doesn't matter where I come from, I only know that today I met you demon clan and our human race. The traitors collude together to do evil on our human territory and exploit the ordinary residents of the entire Black Wind town, then you will definitely die."

Boom!

Almost at the moment Ye Feng finished speaking, Ye Feng stretched out his golden hand and attacked hard again.

This time, Ye Feng used all his power. The frenzy of attacking power was like a vast ocean. It was like the sky was falling. He directly suppressed the strong man of the demon clan and killed him in an instant. It was shattered to pieces.

This big demon was originally extremely glorious and powerful, but he was unlucky enough to meet an incredible young prodigy like Ye Feng, and was killed on the spot and beaten into countless pieces.

boom!

At this moment, Ye Feng directly released the Devouring Domain, swallowing up the power of the big demon on the spot.

"Boom!"

A huge amount of demonic energy and blood energy was immediately injected into Ye Feng's body.

Ye Feng could immediately feel that his skill had grown rapidly.

boom!

At this moment, Ye Feng suddenly burst out with a cultivation aura.

Ye Feng's cultivation directly broke through. From the first level of the Earth God Realm before, he broke through to the second level of the Earth God Realm on the spot.

At this moment, Ye Feng did not hesitate and continued to look at the inner area of Black Wind Town.

At this time, Ye Feng seemed to have seen something. He suddenly sneered and said, "It's already this time and you still want to escape? Come back!"

boom!

Almost at the moment Ye Feng finished speaking, Ye Feng stretched out a big golden hand, like the palm of a golden giant, and directly grabbed it into a building inside the Black Wind City, instantly grabbing a pale young man. The man was caught.

This pale young man was pulled out by Ye Feng from the broken hall. He screamed in horror and said: "You can't kill me. I don't care who you are. I, Zhu Fanming, am an immortal sect." A disciple of Xuanwu Temple, one of the five great temples, if you kill me, you have completely offended our Xuanwu Temple!"

When Ye Feng heard what the young man said, he immediately smiled lightly and said, "I will definitely not have any problem killing a small temple disciple."

"Wait a minute!"

At this moment, Zhu Fanming immediately said in horror: "I am not only a disciple of the Xuanwu Temple, but my relationship with the master of the Xuanwu Temple is also very unusual. You must know that the master of the Xuanwu Temple is called Zhu Xuanwu and I have the same surname. He and I are also from the same family. In terms of seniority, Zhu Xuanwu, the master of the Xuanwu Temple, is actually my uncle from the same family. If you kill me, he will definitely Cut you into pieces!"

Chapter 5415 The fate he deserved

Hearing Zhu Fanming say this, Ye Feng's eyes suddenly showed a sneer, and he said: "No matter who you are, what your identity is, you will definitely die today, because you betrayed the human race and the Changsheng Immortal Sect, and dared to collude with the powerful monsters in the wilderness and oppress your own race. It's really hateful."

When he said this, Ye Feng seemed to have thought of something, and suddenly said: "I will destroy you first, and let all the human residents in Black Wind Town judge you."

After saying this, Ye Feng directly stretched out his hand and pressed on Zhu Fanming's Dantian.

"What are you going to do?"

At this moment, Zhu Fanming saw the weird look in Ye Feng's eyes and immediately screamed in fear.

But at this time, Ye Feng had already activated the swallowing field, and a terrifying suction force suddenly appeared in his palm, which swallowed and absorbed Zhu Fanming's skills that he had practiced for many years directly from his Dantian.

Boom!

After Ye Feng absorbed Zhu Fanming's power, his cultivation level increased again.

Ye Feng directly broke through to the third level of the Earth God Realm, breaking through a small level again.

At this moment, after Zhu Fanming's power was sucked dry, he completely became a useless person and was thrown into the wilderness outside the Black Wind Town by Ye Feng.

Then, Ye Feng looked at the big man in black armor not far away and said, "Bring back all the residents of Black Wind Town. The sinner of your Black Wind Town, that is, Zhu Fanming, has now completely destroyed his cultivation. How to deal with him and how to be cruelly killed, it's up to you to do it yourself, so that everyone can vent their anger."

At this moment, the big man in black armor immediately looked overjoyed and said quickly, "Thank you, Young Master Ye Feng!"

Swish!

After saying that, the big man in black armor flew directly into the distance.

At this moment, Ye Feng rushed directly into the Black Wind Town, stood on the highest wall of the Black Wind Town, overlooking all areas, and not letting anyone rescue Zhu Fanming.

At this moment, Zhu Fanming felt that all the power in his body was absorbed by Ye Feng, and he had become a useless person.

He immediately screamed in pain, with a fierce hatred in his eyes, staring at Ye Feng, and said: "You are so cruel, so cruel! You are so cruel to me today, and Zhu Xuanwu, the future master of our Xuanwu Temple, will definitely cut you into pieces, you can't escape!"

"Escape?"

When Ye Feng heard Zhu Fanming say this, he suddenly laughed and said: "Why should I escape? I didn't plan to escape at all. Instead, I have to use the teleportation array of the Black Wind Town directly to the Changsheng Immortal Gate."

"What??"

Hearing Ye Feng say this, Zhu Fanming immediately showed a deep look of astonishment on his face.

Then he laughed bitterly and said, "Even if I die today, you have the aura of killing me. When you arrive at the Immortal Gate of Immortality, even if you have a deep background, Zhu Xuanwu, the master of the Xuanwu Temple, will never let you go and will definitely avenge my nephew!"

At this moment, Ye Feng heard what Zhu Fanming said, and he immediately smiled coldly and said, "To be honest, the master-level figure among the giants and forces in the southern region of the heaven is really not a big figure in my eyes now, just a slightly stronger person."

At this moment, hearing Ye Feng suddenly say such a thing, Zhu Fanming suddenly had a bad premonition in his heart, and couldn't help staring at Ye Feng and said, "Who are you? Are you from the eastern Shenzhou?"

At this moment, Zhu Fanming suddenly regretted it very much. He regretted provoking Ye Feng, such a rebellious and mysterious guy. At that time, maybe his uncle Zhu Xuanwu would die in Ye Feng's hands.

Although Zhu Xuanwu is the master of Xuanwu Temple in Zhu Fanming's mind, he is an extremely terrifying figure and is definitely a top-notch strongman in the southern area of the heaven.

But what Ye Feng said just now shows that Ye Feng has already seen the strength of the strong men in other areas of the heaven, that is to say, Ye Feng's experience is definitely not limited to the southern area of the heaven.

Even what Ye Feng said did not take the giant forces in the southern area of the heaven into consideration.

This made Zhu Fanming feel a great fear in an instant.

Could it be that Ye Feng is a peerless genius from the land of Shenzhou in the eastern part of the heaven?

At this moment, Zhu Fanming was about to say something, but the black armored man and the other dozen or so guardians of the Black Wind Town had already flown over from not far away with hundreds of residents of the Black Wind Town.

When a dozen practitioners put all the hundreds of residents of the Black Wind Town down safely from high in the sky, Zhu Fanming was directly surrounded by hundreds of residents of the Black Wind Town and was directly hacked to death by countless angry residents.

At this moment, Ye Feng looked at this scene without any fluctuation in his eyes.

This Zhu Fanming betrayed the Immortal Sect of Immortality and the human race. Not only did he not protect the Black Wind Town, but he also colluded with the powerful monsters in the wilderness to wantonly kill and exploit ordinary residents in the Black Wind Town. It was really abominable. Being hacked to death by many ordinary residents was also the fate he deserved.

Swish!

At this time, the big man in black armor flew in front of Ye Feng. Although there was excitement on his face, he finally killed Zhu Fanming, a hateful person, but his eyes still looked worried, and he said loudly: "Young Master Ye Feng, this Zhu Fanming's identity, unexpectedly turned out to be the nephew of Zhu Xuanwu, the master of Xuanwu Temple, one of the five major temples. If he died here, I am afraid that Young Hero Ye Feng will be in a huge crisis and will anger the master of Xuanwu Temple."

Hearing the worry of the big man in black armor, Ye Feng smiled slightly, patted the other party on the shoulder, and said loudly: "Don't talk about the master of a mere temple, even the top elders of the Immortal Sect. Supreme Elder, I'm not necessarily afraid."

Now Ye Feng can fight with the top powerhouses in the cities in the land of Eastern China, so when he returns to the southern area of the heaven, many big figures who Ye Feng thought were very scary in the past are no longer so powerful in Ye Feng's eyes now. exists.

At this moment, Ye Feng just said: "Take me to the teleportation array in your Black Wind Town. I want to teleport directly to the Immortal Sect of Immortality."

Hearing what Ye Feng said at this time, the big man in black armor seemed to have thought of something. He hesitated for a moment, and then suddenly said: "Young Master Ye Feng, you helped us kill our enemy this time and saved our entire black army." Wind Town, our Black Wind Town has something very special and extremely precious. I want to give it to you on behalf of the residents of the entire Black Wind Town as a reward for your great kindness to our Black Wind Town."

Chapter 5416: Immortal Gate Headquarters

"Um?"

At this moment, hearing the black armored man in front of him say this, Ye Feng's eyes suddenly showed a look of surprise.

In fact, Ye Feng didn't have much feeling about this black wind town.

After all, Ye Feng felt that this was just an ordinary small city on the edge of the Immortal Sect's territory.

When Ye Feng chose to help these innocent people, he just wanted to get justice for them within his own ability, without thinking of any reward.

But since this big man in black armor said so, Ye Feng didn't want to dissuade the other party's enthusiasm, and immediately said with a smile: "Okay, then I will follow you to take a look."

The big man in black armor immediately nodded and led Ye Feng to fly quickly towards the deep area of Black Wind Town.

At this time, the black armored man took Ye Feng directly to the deepest area of the Black Wind Town.

A very dilapidated palace unexpectedly appeared here.

Ye Feng looked at this dilapidated palace, his eyes suddenly showed a look of surprise, and he couldn't help but said: "This must be a palace that has been abandoned for a long time, is there anything special in it? "

Hearing what Ye Feng said, the big man in black armor immediately showed a serious and solemn expression on his face, and said loudly: "This ancient dilapidated temple, although it has been many years, has always been our Black Wind's The holy place that the town attached great importance to in the past has been abandoned for a long time now, but our guardians of Black Wind Town come here to inspect it every year, because in this dilapidated palace, there are things left by the founder of Black Wind Town. A very important thing."

At this moment, after the black armored man finished speaking, he led Ye Feng into the abandoned palace.

The moment Ye Feng followed the other party into the abandoned palace, he immediately saw a very ancient-looking sculpture placed in the innermost part of the abandoned palace.

This sculpture is a huge black bird flying with its wings spread.

At this moment, Ye Feng saw this scene and couldn't help but said in surprise: "This seems to be a very ancient clan of mythical beasts, the Black Phoenix clan?"

Hearing what Ye Feng said, the big man in black armor immediately brightened his eyes and said loudly: "Young hero Ye Feng is indeed well-informed. He can tell at a glance that this statue is the statue of the ancient Black Phoenix. Well, that's right. , this is the sculpture left by an ancient black phoenix to him. Young Master Ye Feng, do you know that the founder of our Black Wind Town was an ancient black phoenix? This black phoenix and other cruel monsters Different, he will not kill people unscrupulously, because it is said that this black phoenix once received the guidance of a transcendent being from the human race, and thus became very powerful and transformed into the body of a divine beast, so in this black phoenix At the end of her old age, she came to Black Wind Town and built such a huge city to protect the safety of the human race here. However, in the end, Black Phoenix left our Black Wind Town for unknown reasons, but before leaving, she There is a token left in this dilapidated ancestral hall. This token seems to contain a special secret. Back then, the black phoenix once said to the people in the entire Black Wind Town that if anyone makes a huge contribution to the Black Wind Town in the future, , you can give that token to someone who has made a great contribution, saying it will bring good luck to that person."

When he said this, the big man in black armor walked directly under the huge sculpture of the black phoenix and took out a black jade pendant from a small stone drawer.

This piece of black jade pendant seems to be very ordinary, but the surface is densely engraved with demonic characters, giving people a sense of ancient solemnity and vicissitudes of life.

At this moment, the big man in black armor was very solemn. He handed the black jade pendant left by Black Phoenix into Ye Feng's hands and said loudly: "Young Master Ye Feng, if it weren't for you this time, our entire Black Wind Town would be destroyed." It is estimated that they will all be destroyed, so you have a huge kindness to our Black Wind Town. I think it is most right to give this token left by the senior Black Phoenix back then to you, Young Master Ye Feng, because Young Master Ye Feng, you are equal to You saved the fate of our entire Black Wind town, so you are qualified to get this token. I hope this token will bring you a steady stream of good luck in the future, Young Master Ye Feng."

At this moment, the big man in black armor didn't know what this black jade pendant actually represented or what kind of secret it hid, because people in Black Wind Town had not been able to study it for dozens of generations.

So now he gave this black jade pendant to Ye Feng. He really thanked Ye Feng from the bottom of his heart. He sent this black jade pendant that was said to bring good luck to Ye Feng to express his gratitude to the entire Black Wind Town. Thanks to Ye Feng.

Ye Feng was staring at this piece of black jade pendant at this time, using his eye to move the world, and suddenly saw that there was another mystery in this piece of black jade pendant.

This piece of black jade pendant seems to contain a particularly huge space inside the jade pendant.

Ye Feng immediately understood that this black jade pendant was probably more than just a token and bringing good luck.

This black jade pendant definitely contains deeper secrets.

Ye Feng was very curious and stopped being pretentious. He immediately said: "Okay, then I will accept this black jade pendant."

At this moment, Ye Feng put the black jade pendant into the storage ring, then clasped his fists and said: "My work here has been completed, and I should leave Black Wind Town and go to Changsheng Xianmen."

The black-armored man nodded immediately, and couldn't help but said: "Young Master Ye Feng, when you arrive at Changsheng Xianmen, you must be careful of the revenge from Zhu Xuanwu, the master of Xuanwu Temple."

Ye Feng smiled slightly and said: "Don't worry."

After that, the black-armored man took Ye Feng directly to the formation mechanism of Black Wind Town.

Buzz!

At this moment, under the eyes of the black-armored man, Ye Feng's figure disappeared in the teleportation station.

With a dizzy moment, Ye Feng opened his eyes again and found that he had been teleported from Black Wind Town to a small city.

This small city is already near the local sect of Changsheng Xianmen.

At this moment, Ye Feng walked out of the formation room of this small city, and looked outside the city. He immediately saw ancient buildings, towering pavilions, and a huge and magnificent palace that occupied an entire mountain range in the continuous mountains not far ahead.

That is the foundation of the Immortal Gate of Immortality, and it is also the base camp of the Immortal Gate of Immortality.

At this moment, Ye Feng was ready to walk towards the direction of the Immortal Gate of Immortality to find Leng Rushuang, the Saint of the Ice Temple, to fulfill his promise.

However, if you want to enter the giant power in the southern area of the heavenly realm such as the Immortal Gate of Immortality, you must have entry qualifications.

However, Ye Feng had the Saint Token that Leng Rushuang had given him before, so he should be able to enter it directly.

However, just when Ye Feng had just walked out of this small city and was about to arrive at the base camp of the Immortal Gate of Immortality.

Rumble!

Suddenly, at the end of the sky not far away, a team with extraordinary momentum suddenly came across the sky.

This team consists of hundreds of strong men wearing blue armor, and in the front is a young man in a silver robe riding on a giant red dragon. He looks tall and straight, with deep eyes and a terrifying aura of cultivation.

Ye Feng saw that this team was heading directly towards the Immortal Gate of Immortality, with extraordinary momentum, and his eyes revealed a hint of curiosity.

At this time, there were also practitioners heading to the Changsheng Immortal Sect. When they saw this team, they couldn't help but say in awe: "That team should be the team of the Chen family, the first ancient family in the southern area of our heaven, which has been rumored for a while. The young man in a silver robe standing on the red dragon should be Chen Canghai, the eldest son of the Chen family."

"Yes."

Others spoke up: "This time he came in a grand manner, he must be here to marry the daughter of the master of the Yuhua Temple, one of the five major temples of our Changsheng Immortal Sect, Fairy Gong Yu. They are really a perfect match, and they will definitely be a fairy couple in the future."

Hearing the discussions of the people around him, Ye Feng's face did not fluctuate. After a quick look, he continued on his way. After all, this matter had nothing to do with him, so there was no need to pay too much attention. It was better to find the Frozen Saint Leng Rushuang as soon as possible and go to the wasteland.

Chapter 5417 Fairy Gong Yu

At this time, Ye Feng did not pay much attention. After all, this wedding party had nothing to do with him.

Ye Feng took the identity token given to him by Leng Rushuang, the Saint of the Ice Temple, and walked directly into the territory of Changsheng Xianmen.

For Ye Feng, the most important thing this time was to find Leng Rushuang, the Saint of the Ice Temple, and go to the wasteland agreed with her.

Ye Feng was also quite interested in the dark races that invaded from the dark world in the wasteland, and wanted to see how powerful these races that were expelled from the higher cultivation dimension were.

At this moment, Ye Feng thought secretly in his heart. According to the guidance of the disciples at the door of Changsheng Xianmen, he had come to the location of the Ice Temple not far away.

The next moment, Ye Feng saw a palace made entirely of ice crystals, built on a river.

The river was so cold that it seemed to freeze people if they got close to it.

This palace was where the Ice Temple, one of the five major temples of Changsheng Xianmen, was located.

At this moment, Ye Feng walked to the door of the Frozen Temple, and several female disciples in blue clothes flew out of the Frozen Temple and blocked Ye Feng outside the door.

When Ye Feng saw this scene, he was surprised. There seemed to be no male disciples in the Frozen Temple, and most of them were female disciples.

At this moment, Ye Feng took out the identity token that Saint Leng Rushuang of the Ice Temple had given him without any hesitation, and said, "Everyone, I came to the Ice Temple of Changsheng Xianmen this time to find Saint Leng Rushuang of your Ice Temple. Look, this is the identity token she gave me. I have important things to discuss with her this time, so please let me know."

"Hmm?"

At this moment, hearing what Ye Feng said, looking at the identity token in Ye Feng's hand, it was really the token of Saint Leng Rushuang of the Ice Temple. The female disciples who wanted to stop Ye Feng nodded and said, "Okay, wait here for a while, I'll go and make a report."

At this moment, after these female disciples finished speaking, they walked directly into the Ice Temple, obviously to make a report.

At this time, Ye Feng was waiting at the door, waiting for Leng Rushuang to arrive.

But before he could wait for a while, suddenly a beautiful young woman in a white dress walked towards him not far away.

The beautiful young woman in a white dress looked at Ye Feng standing outside the Frozen Temple in surprise, and couldn't help but say: "Male disciples are not allowed to come to the Frozen Temple area. Who are you? Why are you standing here?"

Hearing what the beautiful woman in the white dress said, Ye Feng smiled slightly and said: "I am not a disciple of your Changsheng Xianmen. I came to the Frozen Temple to find the Saint Leng Rushuang of the Frozen Temple. Look, this is her identity token."

"What?"

Hearing what Ye Feng said at this moment, the beautiful woman in the white dress suddenly showed a look of astonishment in her eyes, staring at Ye Feng, especially the identity token in Ye Feng's hand, and immediately I couldn't help but say: "Leng Rushuang, the Saint of the Frozen Temple, is an extremely arrogant and peerless female genius. She actually gave you her identity token. It seems that you are very important to her."

When Ye Feng heard what the beautiful woman in the white dress said, he immediately smiled and said: "I just had some common experiences with Miss Rushuang in a small city before, so we are friends, and she gave me her identity token just to make it easier for me to find her in the future and fulfill my promise to her."

"Hmm?"

Hearing what Ye Feng said, the curiosity in the eyes of the beautiful woman in the white dress became even stronger.

She carefully looked at Ye Feng several times and said, "Sister Rushuang has a very good vision. You are indeed a very good young man. Your cultivation does not seem to be very strong, but it gives me a very unfathomable feeling. I can't tell the depth of your strength at all. What is your identity?"

When Ye Feng heard that this beautiful woman in a white dress actually called Leng Rushuang "Sister Rushuang", he immediately showed a look of surprise in his eyes. It seems that the other party's identity is not low, otherwise, he would not use such a close name with the Saint of the Frozen Holy Temple.

Ye Feng smiled slightly and said, "I am just a casual cultivator."

Ye Feng did not say that he came from the Great Demon God Sect, because Ye Feng never regarded himself as a member of the Great Demon God Sect. He was just pretending to be the ninth young

master of the Demon King Palace in the Great Demon God Sect. He was actually still a casual cultivator.

"Self-cultivator?"

At this moment, the beautiful woman in the white dress was surprised when she heard Ye Feng say this. She didn't expect that such a young self-cultivator would have such an unfathomable aura.

At this time, the beautiful woman in the white dress was about to say something.

But suddenly a group of people flew over from a distance.

It turned out to be a group of strong men in blue armor.

And in front of this group of strong men in blue armor was a young man in a silver robe.

"Huh?"

When Ye Feng saw this scene, his eyes suddenly showed a look of surprise.

Because this young man in a silver robe and the hundreds of strong men in blue armor seemed to be the group of people from the Chen family, the first ancient family in the southern area of the heaven, that he had seen outside the Changsheng Immortal Gate before.

And the young man in a silver robe in the front was the eldest son of the Chen family, Chen Canghai.

At this moment, there was an old man in a red robe standing next to Chen Canghai, exuding a terrifying and majestic aura, many times more powerful than everyone present.

This old man in a red robe was most likely the red dragon under the feet of Chen Canghai, the eldest son of the Chen family, and was also considered Chen Canghai's protector.

At this moment, Chen Canghai came over hurriedly with a group of blue armored guards. He immediately stared at the beautiful woman in a white dress standing near Ye Feng. He couldn't help but said in surprise: "Fairy Gong Yu, I brought so many people to visit you so sincerely, why did Fairy Gong Yu avoid me? You should know that the marriage between us was decided a year ago by your father, the master of Yuhua Temple and my father. Today is the day for me to marry you. Please come back to the Chen family with me to complete the wedding."

"Huh? Are you the Fairy Gong Yu?"

At this moment, Ye Feng stared at the beautiful woman in a white dress who had been talking to him for so long, and his eyes suddenly showed a look of surprise.

Chapter 5418: Feathering Pill

Before, when Ye Feng was outside the Changsheng Immortal Gate, he heard people around him praising the couple who were about to complete their wedding, saying that they were definitely a couple of gods.

But now it seems to Ye Feng that the real situation is not as simple as everyone imagined.

The daughter of the master of the Yuhua Temple, the beautiful Fairy Gong Yu in front of him, does not seem to like Chen Canghai, the eldest son of the Chen family.

Even Chen Canghai personally came to marry Fairy Gong Yu and wanted to take Fairy Gong Yu back to the Chen family, but Fairy Gong Yu did not want to see Chen Canghai, the eldest son of the Chen family, and instead left the Yuhua Temple privately and came to the Bingfeng Temple.

Ye Feng understood it with a little guess. It is estimated that Fairy Gong Yu did not want to marry Chen Canghai at all, and did not want to listen to the arrangements of their parents. Instead, she chose to avoid them and came to the Bingfeng Temple. It seems that she wanted to find Leng Rushuang and avoid the limelight in the Bingfeng Temple.

In response to this, Ye Feng's eyes immediately showed a look of surprise.

Then Ye Feng walked towards the direction of the Frozen Temple, not wanting to get involved in this mess.

Because all this had nothing to do with Ye Feng.

But just when Ye Feng was about to leave, a fragrance suddenly hit him.

The beautiful and elegant Fairy Gong Yu actually stretched out her soft and boneless white hand and wrapped Ye Feng's arm around him.

Then, in Ye Feng's very surprised eyes, Fairy Gong Yu looked at Chen Canghai, the eldest son of the Chen family not far away, smiled lightly, and said: "Young Master Chen, the marriage contract made by our parents does not count for me at all. Who I like, only I can decide, and the person I like is this peerless genius next to me."

"What?"

Seeing this scene at this moment, Chen Canghai, the eldest son of the Chen family, the first ancient family not far away, immediately showed a look of surprise in his eyes.

At this moment, Ye Feng himself also showed a look of astonishment. He couldn't help but look at Fairy Gong Yu, who was quite close to him. He was about to say something, wanting to say that this matter had nothing to do with him, and that he was completely used as a shield.

But at this time, Fairy Gong Yu suddenly whispered: "Today, if you cooperate with me and drive away Chen Canghai, the eldest son of the Chen family, I can give you three Yuhua Shendan. As a reward, you will accompany me to play this play. The Yuhua Shendan of our Yuhua Temple is made from the Yuhua fragments left after the ancient strongman's Yuhua ascension. It has the power of the fairy world. After ordinary practitioners take it, they can obtain part of the power of the immortals, and they can also greatly transform their bodies and become extraordinary. One Yuhua Shendan is priceless. I can give you three. Of course, if you don't want to, then you can tell the truth."

Hearing the palace maid fairy next to him say this, Ye Feng's eyes were slightly stunned, and then Ye Feng thought about it and felt that this account was quite worthwhile.

After all, three Feathering Divine Pills can definitely make a qualitative breakthrough in one's cultivation.

Moreover, some of the materials used in the Feathering Divine Pills are fragments left behind by ancient strongmen after they ascended to heaven. Among them, there may be divine substances from the fairy world that can enhance one's immortal body.

If you buy it privately, you will definitely not be able to buy this special divine pill, because it is a special pill provided by the Feathering Temple and is extremely precious.

At this moment, Ye Feng nodded immediately and said, "Okay, being a shield is not that tiring, and I can be so close to Fairy Gong Yu, which is a good thing."

Hearing Ye Feng's seemingly teasing words, Fairy Gong Yu's beautiful face suddenly showed an inexplicable look, and then smiled and said, "Anyway, I hate this Chen family's eldest son Chen Canghai, and although you are also a man, I don't know why I don't have any resistance or disgust with your aura. Let you take advantage of me, so let you take advantage of me."

After Fairy Gong Yu finished speaking, she directly pulled Ye Feng, turned around and looked at Chen Canghai, the eldest son of the Chen family, whose face had become very gloomy not far away, and said, "I already have a cultivation partner, so don't come to me again in the future. The agreement between our fathers doesn't count."

After speaking, Fairy Gong Yu directly pulled Ye Feng to walk into the Frozen Temple.

"Wait a minute!"

At this moment, Chen Canghai, the eldest son of the Chen family, stared at Ye Feng for a moment and couldn't help but say, "Who are you? Why have I never heard of you?"

Facing the questioning of Chen Canghai, the eldest son of the Chen family, Ye Feng smiled slightly and said, "Who am I, why should I tell you?"

"You...!"

Hearing Ye Feng say this at this moment, Chen Canghai, the eldest son of the Chen family, immediately became extremely ugly, as if he didn't expect such an unknown boy to dare to talk to him like this.

In fact, Chen Canghai, the eldest son of the Chen family, had already seen that Ye Feng could not be the cultivation partner of Fairy Gong Yu, because there had never been news that Fairy Gong Yu had a cultivation partner.

Chen Canghai, the eldest son of the Chen family, was also very smart. He knew that this was an actor that Fairy Gong Yu had found temporarily to cooperate in acting.

However, he could see that Ye Feng and Fairy Gong Yu were indeed quite intimate in order to act, which made Chen Canghai extremely jealous. He could not help but burst out with a terrifying aura of cultivation, which directly enveloped Ye Feng and said, "Boy, if you have the guts, you can fight me to see who is stronger and who is more qualified to get a peerless beauty like Fairy Gong Yu."

At this moment, hearing what Chen Canghai, the eldest son of the Chen family, said, Ye Feng's eyes suddenly turned cold, and he said, "Your words make me feel that you treat Fairy Gong Yu as an object. You have no liking or love for Fairy Gong Yu at all. You just have a possessive desire. I can't fight with you. It's not that I'm afraid of you, but Fairy Gong Yu is a living person in my eyes, not some so-called trophy."

"What?"

At this moment, hearing what Ye Feng said, Chen Canghai, the eldest son of the Chen family, suddenly became extremely ugly.

He knew that what he said in anger was indeed a big problem.

At this moment, Ye Feng's words infinitely elevated his character, causing Fairy Gong Yu, who was holding Ye Feng's hand, to stare at Ye Feng with her beautiful eyes. Her beautiful face showed a hint of inexplicable expression. Fairy Gong Yu suddenly felt that Ye Feng was really charming. The calmness and character he showed in a short moment were not comparable to Chen Canghai, the eldest son of the so-called first family in the ancient times.

Chapter 5419: Don't Care

At this moment, Fairy Gong Yu, the daughter of the Lord of the Ascension Temple, suddenly understood why such an arrogant and cold goddess as Leng Rushuang could become friends with Ye Feng, even giving up her identity token. Leave it to Ye Feng.

This Ye Feng is indeed a strange man.

At this moment, Fairy Gong Yu's curiosity about Ye Feng became more and more intense.

It is really incredible that a casual cultivator can have such a calm and calm mentality, an attitude that is not afraid of power, and a reasonable and wise structure.

Fairy Gong Yu stared at Ye Feng, wondering how many things this seemingly very young man had gone through to become what he is now.

At this moment, Chen Canghai, the eldest son of the Chen family, knew that he had been completely defeated by Ye Feng verbally.

He saw the undisguised look of disgust towards him on Fairy Gong Yu's face, and knew that he could not stay any longer today.

Otherwise, it is estimated that Fairy Gong Yu will only become more and more disgusted with him, and it will really be irreversible by then.

Chen Canghai, the eldest son of the Chen family, could only give Ye Feng a vicious look, and then reluctantly left the scene with everyone around him.

At this moment, seeing Chen Canghai deflated and leaving immediately, Fairy Gong Yu was naturally very happy. She quickly looked at Ye Feng beside her and said loudly: "I really want to thank you this time. By the way, what's your name? I don't know your name yet."

Ye Feng smiled slightly at this time and said, "Just call me Ninth Young Master."

After all, Ye Feng's identity in the southern area of the heaven is still the disguised ninth young master of the Demon King's Palace of the Great Demon God Sect, so when he meets the Saint Leng Rushuang of the Frozen Temple, he will also be the ninth young master of the Demon King's Palace. Naturally, he will His real name will not be revealed.

After all, even Leng Rushuang, the Saint of the Frozen Temple, has always called Ye Feng the Ninth Young Master.

Hearing what Ye Feng said at this moment, Fairy Gong Yu's beautiful little face immediately revealed a look of curiosity. She looked at Ye Feng carefully and said aloud: "You said you were a casual cultivator? The Ninth Young Master of which big force?"

Ye Feng smiled slightly and said: "Great Demon God Sect."

Hearing what Ye Feng said at this moment, Fairy Gong Yu suddenly showed a look of surprise in her eyes and said loudly: "You are actually the ninth young master of the Great Demon God Sect, but I have never heard of the Great Demon God Sect. After all, Ninth Young Master, it stands to reason that with your peerless style, Ninth Young Master, you have already become famous in our southern region of heaven, but I have never heard that the Great Demon God Sect has such a powerful Ninth Young Master. "

Ye Feng just smiled slightly at this moment and said aloud: "This matter is too complicated to explain. I will explain it to you slowly in the future."

When he said this, Ye Feng suddenly stretched out his hand to Fairy Gong Yu in front of him and said aloud: "I have solved the matter for you. I think Fairy Gong Yu, you can give it to me those three Feathering Divine Pills." Bar."

Hearing what Ye Feng said, an inexplicable smile suddenly appeared on Fairy Gong Yu's beautiful face, and she said loudly: "I was so close to you just now and let you take advantage of me. Isn't this enough reward? You know, I won't allow other men to come within a few meters of me."

Hearing what Fairy Gong Yu said, Ye Feng's eyes were slightly stunned, and then he couldn't help but shook his head and smiled, and said loudly: "Fairy Gong Yu, don't joke with me, I only want real good things."

Hearing what Ye Feng said, Fairy Gong Yu couldn't help but murmured and said: "I'm kidding you, of course I will give you the reward I promised you, I am not a person who breaks my word. "

After finishing speaking, Fairy Gong Yu took out three white pills from her storage ring.

These three white elixirs seem very ordinary and ordinary at first glance.

But the moment these three elixirs were revealed, the shadow and image of the ancient powerful man emerging and ascending was revealed among these three elixirs.

"Um?"

Seeing this scene, Ye Feng's eyes suddenly lit up.

The legendary Ascension Divine Pill is indeed worthy of its reputation, and it is indeed the elixir specially provided by the Ascension Temple.

At this moment, Ye Feng naturally did not hesitate at all and directly put these three Feathering Divine Pills into his storage ring.

At this moment, Fairy Gong Yu couldn't help but stare at Ye Feng and said, "Aren't you afraid that you offended Chen Canghai, the eldest son of the Chen family, just for the three Feathering Divine Pills?"

Ye Feng smiled slightly at this time and said aloud: "In the southern region of the heaven, there is no one or force worthy of my fear."

"What?"

Hearing what Ye Feng said, Fairy Gong Yu immediately showed a look of surprise in her eyes. She couldn't help but shake her head and said: "Originally, I thought you were a very confident person, but when you said such words, It seems a bit too conceited. The background and superpowers of those giants, the first family in ancient times, are not what you can imagine, and they are far from being as simple as they appear on the surface. "

Ye Feng smiled slightly at this moment and said nothing more.

At this time, Fairy Gong Yu felt that Ye Feng seemed to be much more arrogant and conceited than she thought.

Her initial interest and curiosity about Ye Feng also wore off a lot, and she felt that Ye Feng was not as perfect as she imagined. He was an extremely conceited guy who didn't know how high the sky was.

At this time, Ye Feng didn't know that Fairy Gong Yu's impression of him had changed, and it suddenly changed a lot.

But even if Ye Feng knew it, he didn't care.

After all, what Ye Feng said was the truth. Since the other party didn't believe it and felt that he was very arrogant and conceited, there was no need for him to explain anything more. He understood everything.

At this moment, Ye Feng just walked towards the inner area of the Frozen Temple, wanting to go directly to the saint Leng Rushuang of the Frozen Temple.

As for everything that happened with Fairy Gong Yu, it was just a transaction.

Ye Feng just wanted to earn three legendary Feathering Pills.

As for how Fairy Gong Yu's opinion and impression of him changed, Ye Feng didn't bother to care at all, as long as he got the Feathering Divine Pill.

At this time, seeing Ye Feng leaving immediately, Fairy Gong Yu felt that Ye Feng was too conceited, not as perfect as she imagined, and liked to brag about himself too much.

She felt that this kind of person was very unreliable.

Immediately, Fairy Gong Yu's beautiful eyes flashed, and she couldn't help but murmured, "I guess Sister Rushuang was also deceived by this guy's rhetoric. I have to remind Sister Rushuang that this arrogant and conceited guy is not worth it." To like."

Fairy Gong Yu had already guessed it. It was estimated that Leng Rushuang, the Saint of the Frozen Temple, was able to hand over her identity token to Ye Feng, which meant that she must have a secret intention for Ye Feng.

Fairy Gong Yu felt that she needed to remind her sister Rushuang.

"Wait for me, I want to see Sister Rushuang too."

At this time, Fairy Gong Yu followed Ye Feng and quickly walked into the Frozen Temple.

Chapter 5420: Powerful

At this time, Fairy Gong Yu and Ye Feng walked directly into the Frozen Temple.

The moment Ye Feng walked in, he immediately saw the inner area of the palace not far ahead. A beautiful young woman wearing a blue dress came out. Her expression was very cold, with a kind of natural indifference and aloofness. .

This person is Leng Rushuang, the saint of the Frozen Temple.

Leng Rushuang saw Ye Feng come in. The first time she saw Ye Feng, she suddenly became very happy. A sweet smile appeared on her cold and aloof face, as if the ice and snow had melted.

She immediately came to Ye Feng and couldn't help but said: "The Ninth Young Master really kept his promise. I finally waited for the Ninth Young Master's arrival."

At this moment, Fairy Gong Yu followed Ye Feng and came here. She couldn't help but said: "Sister Rushuang, does this Ninth Young Master have anything to do with you?"

Fairy Gong Yu's impression of Ye Feng is not as good as before, because she feels that Ye Feng is a very arrogant person who actually looks down on the giants or the ancient families in the southern region of the heaven. She feels that Ye Feng is too much. He is arrogant and a very unreliable person.

So at this time, Fairy Gong Yu followed Ye Feng in, just to remind Saint Leng Rushuang of the Frozen Temple not to trust Ye Feng too much.

At this moment, seeing Fairy Gong Yu coming, Leng Rushuang's eyes suddenly showed a look of surprise, and said loudly: "Why did Sister Gong Yu come to me all of a sudden? You seem to be going to the first place in the ancient times today." The aristocratic Chen family, right?"

Hearing what Leng Rushuang said, Fairy Gong Yu immediately showed a trace of disgust on her face and said loudly: "I don't want to leave directly with the eldest son of the Chen family whom I have never met before. It's a marriage contract set by my fathers and has nothing to do with me. I don't want to casually marry someone I'm not familiar with or even know, and the eldest son of the Chen family doesn't feel very good either."

At this moment, Fairy Gong Yu looked at Ye Feng beside her. Just based on the conversation and confrontation between Ye Feng and Chen Canghai, the eldest son of the Chen family, Fairy Gong

Yu still felt that Ye Feng was very good, at least better than The eldest son of the Chen family is much more powerful.

Thinking of this, Fairy Gong Yu felt that Ye Feng was a little more pleasing to the eye again. At least he was much better than the eldest son of the Chen family, the young master of the first family in ancient times, although he was a bit arrogant.

At this moment, Leng Rushuang said aloud: "Sister Gong Yu, the Ninth Young Master came to me this time to go to the wasteland. I invite the Ninth Young Master to become my guardian and help me in the wasteland." In the life and death training of this place, I can break through my current cultivation bottleneck and understand the peerless inheritance of my cultivation."

"What? Are you going to the Wasteland?"

At this time, Fairy Gong Yu suddenly had a look of astonishment in her eyes. She didn't seem to have expected that Leng Rushuang would be so bold and head to the wasteland with a young man like Ye Feng.

At this time, Fairy Gong Yu immediately couldn't help but said: "Did this Ninth Young Master exaggerate his strength in front of you, so that you are willing to take him to the wasteland? Let me tell you, Although this Ninth Young Master is indeed extraordinary, he is too confident in his strength and does not even take the elders and strong men among our giant forces in his eyes, so his strength may not be as strong as you think. It's powerful, and if I go to the wasteland with you, you will most likely be in danger."

Hearing what Fairy Gong Yu said, Leng Rushuang couldn't help but shake her head and smile, and said loudly: "Sister Gong Yu, I am very clear about the strength of the Ninth Young Master. His true fighting power is better than the cultivation he showed." Because the realm is much stronger, and this time the Ninth Young Master came back, I observed that his cultivation realm has increased a lot compared to the first time he met me. I believe that his current strength can really rival our giants. The strong ones among them."

Hearing what Leng Rushuang said, Fairy Gong Yu immediately couldn't help but shook her head and said loudly: "Sister Rushuang, you are really focusing on this Ninth Young Master now. You think he is the most powerful in everything." , he is right, you are obsessed."

Hearing what Fairy Gong Yu said, Leng Rushuang's eyes suddenly revealed a look of surprise.

But then Leng Rushuang didn't say much, but looked at Ye Feng and said loudly: "Let's go directly. I have applied for the quota in the Wasteland. Both of us can directly enter the Wasteland." In the wasteland, I estimate that we will survive in the wasteland for a few months. I hope that in these most cruel months, I can break through the current bottleneck of cultivation and understand the ultimate goal of my knowledge inheritance. Mystery."

Hearing what Leng Rushuang said, Ye Feng nodded. This time Ye Feng came to the Immortal Sect, he did not intend to stay for a long time. He originally came to find Leng Rushuang, the saint of the Frozen Temple, and went to the wasteland. Practice and fulfill your commitments.

And Ye Feng himself also really wants to go to the wasteland, see this place that is the greatest threat to the heavens, and see what the dark races who were expelled from the advanced spiritual dimension world to the dark world are like. How awesome.

At this moment, Leng Rushuang took Ye Feng and was about to leave.

However, at this time, Fairy Gong Yu suddenly said with bright eyes: "Sister Rushuang, you said that you will train in the wasteland for several months? Why not take me with you? I don't want to be bothered by the eldest son of the Chen family every day. If I don't leave Changsheng Xianmen, he will probably stay in Changsheng Xianmen with people and persuade me."

Hearing Fairy Gong Yu say this, Leng Rushuang immediately showed a look of astonishment, then shook her head and said: "Sister Gong Yu, it's not that I look down on you. Although you are as beautiful as a fairy, and you are the recognized number one beauty in our entire Changsheng Xianmen, your cultivation strength is indeed much worse than that of geniuses like me and the Ninth Young Master. You have entered the wasteland, which is definitely a huge danger, and we don't have the energy to protect you and guard your safety, because a powerful and peerless female genius like me needs to rely on the Ninth Young Master to protect me."

Hearing Leng Rushuang's words, Fairy Gong's beautiful face immediately showed a look of loss.

Obviously, she also knew that her cultivation strength was indeed not that good, far inferior to that of a powerful female genius like Leng Rushuang.

At this moment, Leng Rushuang seemed to have a very good relationship with Fairy Gong Yu. Seeing Fairy Gong Yu's disappointment, she immediately couldn't help but say, "How about this, you stay in my Frozen Temple for the next few months. The eldest son of the Chen family, the first family in the ancient times, will never dare to step into our Frozen Temple."
