Chapter 5551: Shocked

At this time, seeing Ye Feng's performance on the field, Mo Ling'er, who was sitting in the audience, immediately shouted with satisfaction: "So powerful!"

At this moment, Mo Ling'er was actually a little shocked, because she originally thought that this black double-winged magic beast lion was a very ferocious beast, and it was estimated that Ye Feng would be difficult to deal with.

But she didn't expect that Ye Feng's body power was so strong that he suppressed this extremely ferocious magic beast lion in an instant, which really made Mo Ling'er feel a little eye-opening.

When Ye Feng fought with the prince Chi Jiutian of the Red Dragon Empire before, he used an extremely powerful inheritance, so Mo Ling'er thought that Ye Feng's body power was not as powerful as imagined, but she didn't expect that Ye Feng's body power was so terrifying.

Even this extremely ferocious black double-winged magic beast lion could not resist Ye Feng's body power.

After all, you have to know that the blood contained in the body of this magic beast lion is the blood power of the ancient black double-winged troll.

So this demon beast is very powerful. It is the guardian beast of a super family in the territory of the Red Dragon Empire. It is extremely powerful and has a very high record in this underground arena. It can be said that it has won every battle.

But unexpectedly, the moment it met Ye Feng, it was directly defeated.

At this moment, the referee of this underground arena immediately announced that Ye Feng won the fight.

At this time, Mo Linger was naturally very happy, because she bet all her wealth on Ye Feng.

And many people in the audience seats around had their money pressed on the extremely ferocious black double-winged demon beast lion, so naturally they lost a lot.

At this moment, someone went to the underground arena and led the black double-winged demon beast lion back.

And Ye Feng flew to the audience seats around the underground arena and came to Mo Linger.

Mo Ling'er immediately said with a smile: "Ye Feng, I made a fortune in this match."

Ye Feng then said: "What is my reward?"

Mo Ling'er pointed to a certain direction not far away and said: "The referee of this underground arena will come over to give you the reward for this fight. The winner's reward is generally 1% of the total amount of all the bets in the arena."

"Huh?"

Hearing what Mo Ling'er said, Ye Feng's eyes immediately showed a look of surprise, and he said: "I can actually get a reward of 1% of the bet amount of everyone. It seems that this underground arena is indeed a good place."

Although it is only 1%, Ye Feng knows very well that this is 1% of the total money bet by everyone, which is an enormous fortune.

While Ye Feng and Mo Ling'er were talking, the referee not far away came over and gave Ye Feng a black storage ring.

Ye Feng explored it and immediately found that there were a full 30,000 black stones in this storage ring.

"So many! "

Seeing this scene, Ye Feng was immediately stunned.

I didn't expect that he could earn so much wealth by just fighting casually.

You know, these 30,000 black stones can definitely allow Ye Feng to buy a lot of cultivation resources in this underground black market.

At this moment, Mo Ling'er looked at Ye Feng with a rather surprised look, and immediately smiled and patted Ye Feng's shoulder. There was a trace of inexplicable smile on her beautiful and delicate little face, and she said aloud: "Ye Feng, it's very good to follow me, isn't it?"

Hearing what Mo Ling'er said, Ye Feng grinned and said aloud: "If I have a chance, I will also go to your Troll Empire to take a look. Maybe I will really get along with Princess Ling'er in the future."

When Mo Ling'er heard what Ye Feng said, her beautiful eyes suddenly lit up, and she was naturally very happy and said aloud: "Okay, it's a deal! "

The reason why Ye Feng wanted to go to the Troll Empire was naturally to see what Uncle Scar was planning in the Troll Empire.

However, in Mo Ling'er's heart at this time, Ye Feng said such a thing, she thought Ye Feng really wanted to join their Troll Empire.

This is naturally a very good thing for Mo Ling'er.

Because Mo Ling'er knows very well that a super genius like Ye Feng will definitely be treated as a guest of honor no matter where he goes.

So if Ye Feng can really go to the Troll Empire, then the first camp he must join must be her Mo Ling'er's camp, which will have great benefits for the improvement of Mo Ling'er's comprehensive strength.

Swish!

At this moment, Ye Feng continued to jump into the underground arena, waiting for the second fight.

At this moment, many people in the audience seats around began to hesitate.

Many audiences who had bet on Ye Feng's opponent before began to bet on Ye Feng at this moment.

While Ye Feng was waiting, his second opponent also appeared.

A burly man in black armor came out from the other side of the underground arena.

At this moment, this burly man in black armor held a huge axe in his hand, and the surface of the axe was burning with strong flames, which looked very magical.

This burly man in black armor had a cultivation level that was three realms higher than Ye Feng.

Seeing this scene, many people in the audience couldn't help but say: "This time this kid will definitely not win again. This burly man in black armor is one of the top ten powerful beings in our underground arena. The axe in his hand is a legendary weapon that can give this armored man extremely terrifying power. This time, I'm going to bet on this black armored man!"

At this moment, many people began to bet on this black armored man.

And Mo Ling'er in the audience still didn't hesitate and bet all her money on Ye Feng.

At this moment, the big man in black armor, holding a flaming axe in his hand, stared at Ye Feng, grinned, and showed a ferocious expression on his face, saying: "Boy, you are indeed very powerful. You can suppress that ferocious monster with one hand, but no matter how strong your body is, you can't resist my flaming battle axe, not to mention that your cultivation level is three realms lower than mine. You will definitely lose this battle!"

Boom!

Almost at the moment when the big man in black armor finished speaking, he rushed directly towards Ye Feng, and a terrifying power surge broke out from his body. The flaming battle axe in his hand burst out with a monstrous flame power, as if it could burn and melt everything. In an instant, it enveloped Ye Feng, and Ye Feng had no way to retreat!

At this moment, many people in the audience saw Ye Feng standing there without moving, and they couldn't help laughing and said, "We definitely made the right bet this time. This big man in black armor is indeed one of the top ten powerful beings in our underground arena. His first move was like a violent storm, and the kid was actually scared silly!"

Chapter 5552: The Third Round

At this time, Ye Feng was obviously standing there motionless in the eyes of everyone, as if he was frightened.

Everyone felt that Ye Feng would never win again this time.

Ye Feng was able to win before because the magic beast lion he fought against was too weak, so Ye Feng defeated a magic beast lion in an instant.

But now this black-armored man with a flaming battle ax in his hand is one of the top ten powerful beings in their underground arena, and his cultivation is three realms higher than Ye Feng.

Under such a fierce attack, Ye Feng would definitely be defeated.

But at the next moment, Ye Feng suddenly moved.

Facing the sky-filling flames and the terrifying surge of cultivation power, Ye Feng punched out hard.

boom!

Ye Feng's punch exploded the power of his immortal body, and activated the peerless inheritance from the Dark Empire, the Dark Emperor Kung Fu, so that his punch contained the power of the first-generation Dark Emperor.

The blessing of these two powers is very terrifying.

So at this moment, Ye Feng's punch directly turned into a huge black fist, like a majestic and boundless black mountain, containing the power of ancient gods, and it directly hit the front. It blasted past, and the space seemed to be shattered by the blast.

At this moment, the big man in black armor holding the flaming battle ax clearly felt something was wrong. The impact and pressure of Ye Feng's fist were simply terrifying to the extreme. People around him might not feel it, but face to face. The big man in black armor who punched Ye Feng really felt the horror of this punch.

Almost at the next moment, what shocked countless people present was that the moment Ye Feng's black fist was blasted out, the whole world seemed to be shattered.

Click! Click!

The endless flames were shattered by Ye Feng's black fist in an instant and turned into ashes.

Then Ye Feng's black fist struck the flaming battle ax in the hand of the black armored man.

Click! Click!

The next moment, under the shocked gazes of countless people, Ye Feng's huge black fist directly shattered the flaming battle ax in the hand of the black armored man, and then hit the black armored man fiercely.

"Bang!"

In the next moment, the big man in black armor flew out like a broken sack and fell hard to the ground on the other side of the underground arena. He spurted out a mouthful of blood in an instant.

"What??"

Seeing this scene in front of them, everyone present widened their eyes with dull expressions.

Because the impact of Ye Feng's punch on everyone was really shocking.

The power of this punch is simply terrifying!

At this moment, everyone in the surrounding auditorium finally understood that Ye Feng was definitely a terrifying super genius with amazing fighting power. He could fight beyond the next level and even punched someone whose cultivation level was three times higher than his. It was really unbelievable that a big-level man in black armor was directly defeated.

At this moment, the big man in black armor lying on the ground not far away had his armor all broken and he was almost dead.

The big man in black armor looked at Ye Feng at this moment. His eyes no longer had the contempt before, but were filled with deep shock and some fear.

He couldn't help but get up from the ground, clasped his fists and raised his hands to Ye Feng and said, "Thank you for your mercy, otherwise, I would have been dead at that moment."

At this moment, the big man in black armor was so frightened that he left the underground arena in despair.

At the same time, the referee of the underground arena where Ye Feng was located immediately declared Ye Feng's victory.

At this time, the referees in this underground arena couldn't help but look at Ye Feng in surprise. They didn't seem to expect that the contestant who came tonight, whose voice seemed to be that of a young man, could be so fierce.

You must know that whether it is Ye Feng's opponent in the first battle, the Warcraft Lion, or the opponent in this battle, the black armored man, each of them is a powerful existence in the underground arena, but he did not expect that Ye Feng would be defeated by him. He defeated them all easily with just one punch, which is really incredible.

At this moment, Demon Ling'er in the audience suddenly stood up excitedly and said loudly: "Ye Feng, I really saw you right. I brought you here, which is definitely the most correct choice."

At this moment, Mo Ling'er bet on Ye Feng and made another huge profit.

After all, in this second battle, there were still many people in the audience who were not optimistic about Ye Feng, so the bets were basically on the big man in black armor.

Unexpectedly, Ye Feng defeated this black armored man in one fell swoop, causing everyone to lose a lot of money, while the corresponding demon Ling'er made a huge profit.

At this moment, Ye Feng flew from the underground arena to the auditorium and came to Mo Ling'er. He couldn't help but smile and said: "You have made so much from me, you should share it with me when the time comes." Make some profit."

Hearing what Ye Feng said, Mo Ling'er immediately patted Ye Feng's shoulder with a smile, and an inexplicable smile suddenly appeared on his beautiful and delicate face, and said loudly: "Don't worry, I will definitely miss you. benefit."

At this moment, the referee of the underground arena once again came to Ye Feng and gave him a storage ring.

This is Ye Feng's reward for winning this competition.

At this moment, Ye Feng investigated and found that the storage ring contained a total of 50,000 black stones.

In this second battle, Ye Feng earned another huge fortune.

Ye Feng's eyes suddenly showed a hint of joy at this moment. This time he followed Mo Ling'er to this underground arena to participate in such a brutal battle. As expected, the accumulation of wealth was really fast.

At this moment, the referee of this underground arena suddenly asked: "Originally, tonight, our underground arena only arranged two games, but you are too strong, and every time you fight, you have almost one move. He defeated the opponent, so there is still plenty of time tonight, so the organizer of our underground arena has specially arranged a third match. I wonder if you are interested in participating again? "

Hearing what the referee of this underground arena said, Mo Ling'er had a look of surprise in his eyes and couldn't help but said: "The organizer is actually willing to add a third game to my friend. It seems that they value me very much." My friends, this is unprecedented."

Hearing what Mo Ling'er said, the referee of the underground arena immediately smiled and said: "Your friend, this young Master Ye Feng is really too strong and has unlimited potential. We underground The organizer of the arena also wants to make friends with Young Master Ye Feng, so he specially opened a third competition for Young Master Ye Feng to see if Young Master Ye Feng is willing to continue to accept the challenge. "

At this time, Ye Feng immediately smiled and nodded, and said loudly: "Okay, thank you to the organizer. I am still willing to end this third game."

At this moment, Ye Feng directly returned to the underground arena.

For Ye Feng, it would be a fool not to make money without making money.

If you participate in more underground fights, you will get more rewards, which is a huge wealth. At that time, you can buy more cultivation resources and improve your cultivation skills.

However, the organizer of this underground arena has specially set up a third competition for himself, and he will definitely find a very powerful opponent to fight with him. Ye Feng is quite looking forward to who his opponent will be in the third competition.

Chapter 5553 Leng Qingzhu

At this moment, Ye Feng stood in the underground arena, waiting for his third opponent.

For Ye Feng, this time may be a powerful challenge.

Because in the two battles just now, Ye Feng almost showed his super fighting power.

Therefore, since the organizer of this underground arena is willing to open a third arena for himself, he will definitely choose a strong opponent to fight against him.

Of course, they will definitely not send extremely terrifying senior experts, who should be of the same age group. Otherwise, it would be unfair, and many viewers in the audience would not recognize it.

Therefore, Ye Feng is quite confident. As long as the age difference between him and himself is only ten or twenty years, he should not be far behind.

At this moment, just as Ye Feng was thinking secretly in his heart, the door of the competition platform opposite Ye Feng suddenly opened.

Immediately, under Ye Feng's surprised gaze, a beautiful woman wearing a blue dress appeared.

This woman is very young, probably not much older than Ye Feng, and she is extremely beautiful, but has a very cold temperament, but she also has an inexplicable sense of maturity.

If Mo Ling'er is younger than Ye Feng, she looks like a cute sister to Ye Feng.

And this beautiful woman wearing a long cyan dress felt like a cold big sister in front of Ye Feng.

At this moment, there was a look of surprise in Ye Feng's eyes, as if he did not expect that in this third game, he was not facing a very vicious existence, but a young woman who looked quite cold.

But just when Ye Feng felt a little surprised, suddenly someone in the surrounding audience suddenly exclaimed: "This beautiful woman wearing a blue dress seems to be the organizer of this underground arena. The daughter of the big boss behind the scenes is called Leng Qingzhu. I have met this young lady before in public events in the underground arena. "

"Um?"

At this moment, hearing many people in the surrounding audience say this, Ye Feng's eyes suddenly showed a look of astonishment. Unexpectedly, the organizer of the underground arena actually invited the daughter of the big boss behind the scenes. Participate in the final battle with yourself.

At this moment, someone in the surrounding audience could not help but say: "This Leng Qingzhu is not a spoiled young lady. It is said that she has been practicing with an extremely mysterious outsider since she was a child. The strength of this Leng Qingzhu Among the entire southwestern section of our dark world, she is definitely one of the top masters among the younger generation, but she doesn't like to appear in public and has been practicing behind her mysterious master, so many people don't know the truth."

At this moment, when someone in the surrounding audience said this, Ye Feng's eyes showed a look of surprise.

This Leng Qingzhu seems to be a very powerful being.

And just when Ye Feng was thinking in his heart, suddenly the demon Ling'er in the audience directly sent a message to Ye Feng and said: "Ye Feng, don't be fooled by this beautiful woman. When the time comes, Don't be merciful when fighting, or you may end up in trouble. "

"Forehead?"

Hearing Mo Ling'er's reminder, Ye Feng immediately showed a look of astonishment on his face. He couldn't help but send the message back and said, "Don't worry, I'm not the kind of person who can't walk when he sees a beautiful woman." people."

At this moment, after Ye Feng sent the message back, Leng Qingzhu, who appeared in front of him, suddenly said: "Master Ye Feng, this third fight was specially arranged by my father. The reason why I played was not for Defeating Mr. Ye Feng is just to compete with a peerless genius like Mr. Ye Feng. Let's discuss and test each other's current level of strength in the entire southwest region of the dark world. My mysterious master also hopes that I can compete with the top geniuses of my generation. , look at the results of my training with her over the years."

Hearing what Leng Qingzhu said, Ye Feng's eyes suddenly showed a look of surprise. He didn't expect that the other party made his words so clear, just to discuss with himself.

However, Ye Feng did not look down upon it, but attached great importance to it, and said: "Okay, let's have a good discussion. However, my strength is not considered a top genius in the southwest sector of the dark world. I'm afraid I will let Miss Leng is disappointed."

Hearing what Ye Feng said, Leng Qingzhu's beautiful and cold perfect face suddenly revealed a beautiful and moving smile, and said loudly: "Young Master Ye Feng is really too humble. I have seen all the battles, very It's exciting, and I'm afraid Young Master Ye Feng's true strength has not been fully unleashed. I hope that in this competition, we can not only make friends with martial arts, but also have a real competition. I also ask Young Master Ye Feng not to hold back later, Use your best strength."

Hearing what Leng Qingzhu said, Ye Feng nodded.

Uh-huh!

At this moment, Leng Qingzhu's hand flashed with light, and a long sword made of bamboo appeared.

This bamboo sword seems to be very ordinary, but it is the color of emerald, and it is densely engraved with ancient characters. It looks very strange, and it is definitely a very powerful weapon.

At this moment, Leng Qingzhu held the bamboo sword in his hand and rushed towards Ye Feng in an instant.

Uh-huh!

And the moment she started, Leng Qingzhu suddenly disappeared from everyone's sight.

"What?"

Seeing this scene, someone in the audience couldn't help but exclaimed, saying: "Is this the legendary void technique! It can make people disappear in the physical space at the moment of attack, and hide in the deep void. Ordinary people can't see it with their naked eyes. They can only rely on their strong perception to sense where the other party is."

At this moment, Ye Feng also showed a look of surprise. He didn't expect that Leng Qingzhu practiced something similar to assassin.

Originally, Ye Feng saw Leng Qingzhu took out a bamboo sword and thought that the other party was a powerful female swordsman.

But now it seems that it is not as simple as imagined. The other party is also well versed in the way of the void.

At the moment of attack, the whole person disappeared in the physical space in an instant, and disappeared without a trace, making people unable to defend against it.

If it were an ordinary top genius, I'm afraid he would really be fooled by Leng Qingzhu's move.

But at this time, Ye Feng showed a confident smile on his face, because Ye Feng had too many trump cards, and the way of the void happened to be one of Ye Feng's trump cards.

However, it can be seen that Leng Qingzhu, as the daughter of the big boss behind the underground arena, has practiced with a mysterious master for many years, and her skills are indeed extraordinary, not comparable to ordinary geniuses.

Ye Feng became interested at this moment.

Fighting with Leng Qingzhu may be regarded as a good battle with a very good top genius before the official arrival of the martial arts conference, so as to hone his practical experience.

Chapter 5554 Top Secret Mission

At this moment, when Ye Feng was thinking secretly in his heart, Leng Qingzhu's beautiful figure had instantly appeared from a void behind Ye Feng, holding the bamboo sword in his hand and attacking Ye Feng.

But at this moment, Leng Qingzhu didn't know that Ye Feng also understood the way of the void.

So no matter where Leng Qingzhu hid, Ye Feng could capture Leng Qingzhu's breath in an instant.

So at this moment, Ye Feng turned around very confidently, and then punched out fiercely.

Boom!

Ye Feng's fist directly turned into a black fist, with the strong firmness of the immortal body of the god and the power of the first generation of the Dark Emperor, and directly hit the bamboo sword in Leng Qingzhu's hand.

Boom!

A terrifying force suddenly broke out from Ye Feng's fist, and directly bent the bamboo sword in Leng Qingzhu's hand.

Then Leng Qingzhu was immediately hit by a huge force and couldn't help but retreat more than ten steps.

"Such a strong force! Such a strong body! Such a terrifying perception!"

At this moment, Leng Qingzhu suddenly began to take Ye Feng seriously.

In fact, Leng Qingzhu didn't pay much attention to Ye Feng in her heart. She knew that Ye Feng had strong attack power and strength, but she didn't know that Ye Feng's comprehensive ability was so strong.

After all, Leng Qingzhu has always been practicing with her master, and her master came from the higher world outside the domain, so Leng Qingzhu's vision has always been very high, and she thinks that these practitioners in the dark world are not her opponents at all.

And her various methods are also very magical, which is not something that practitioners in the lower interfaces of the dark world can resist.

But now, Ye Feng can accurately sense the position where she suddenly attacked, and can respond perfectly, so Leng Qingzhu naturally pays real attention to Ye Feng.

At this moment, Leng Qingzhu suddenly said: "Master Ye Feng, next I will release my strongest power and inheritance. This is also the peerless inheritance passed down to me by my master. Although I have not yet cultivated to perfection, once it is used, it will be very powerful, because this is an inheritance from the higher world outside the domain, so you must be careful."

At this moment, after Leng Qingzhu's voice fell, Ye Feng's eyes showed a look of surprise. He did not expect that the master that Leng Qingzhu followed to cultivate really came from the higher world outside the domain.

It seems that this Leng Qingzhu is indeed much more extraordinary than he imagined.

At this moment, just when Ye Feng was thinking secretly in his heart, Leng Qingzhu had already begun to display his inheritance.

Buzz!

At this moment, a green light suddenly appeared on Leng Qingzhu's body.

As the green light appeared, the bamboo sword in Leng Qingzhu's hand split into two, then two into four, and finally four into eight, and finally into tens of thousands of bamboo swords, just like the return of ten thousand swords, and rushed towards Ye Feng frantically.

The terrifying sword energy made everyone in the audience feel that their whole body was about to be torn apart, and even many people with low cultivation could not help but flee from the audience.

And Mo Ling'er in the audience also looked serious, because she could also feel that Leng Qingzhu's big move, this extremely powerful inheritance attack, was extremely terrifying, and she didn't know if Ye Feng could deal with it.

At this moment, Ye Feng also felt a terrifying pressure, and his whole body seemed to be torn apart.

If it was an ordinary top genius, I am afraid that at this moment, Leng Qingzhu's peerless inheritance from the higher world outside the domain would instantly pierce his whole body.

But Ye Feng is the immortal body of the gods.

And Ye Feng's immortal body of the gods is actually a powerful physique from the higher world outside the domain.

So at this time, Ye Feng endured this terrifying sword energy, and his whole body did not collapse.

Then, Ye Feng also took out his extremely powerful weapon, the Demonic Axe of Creation.

This weapon was a powerful weapon that Ye Feng had obtained in a trial place before. Ye Feng had never used it because his body strength was strong enough.

But at this moment, facing Leng Qingzhu, the disciple of the powerful world outside the domain, this terrifying attack, Ye Feng felt that he should use this powerful weapon. His body strength could no longer directly counter the Ten Thousand Swords Returning to the Origin released by Leng Qingzhu.

At this moment, a huge axe appeared in Ye Feng's hand, which was the Demonic Axe of Creation.

Buzz!

Ye Feng input his own power into the axe in his hand.

I saw that the Demonic Axe of Creation suddenly burst out with an extremely terrifying demonic aura.

Then behind Ye Feng, a majestic and boundless figure of an ancient demon appeared, blessing Ye Feng with power.

Then, Ye Feng held the Demonic Axe in his hand and slammed forward fiercely.

Boom!

The next moment, the two collided, and a terrifying roar suddenly erupted.

Almost at the next moment, Ye Feng also felt a terrifying sense of oppression.

As thousands of bamboo swords stabbed at the Demonic Axe in his hand, Ye Feng felt an irresistible force and could not help but step back several steps.

At this moment, Leng Qingzhu was also bombarded by the power of Ye Feng's demonic axe, and could not help but take many steps back.

Seeing this scene at this moment, Leng Qingzhu's beautiful eyes suddenly showed deep surprise.

She stared at Ye Feng and said, "The competition ends here."

Hearing Leng Qingzhu say this, Ye Feng's eyes suddenly showed a look of surprise.

At this time, Leng Qingzhu said with a smile: "Young Master Ye Feng, you won. You just stepped back a few steps, and I stepped back more than ten steps. We don't need to fight anymore. It's really fun to spar with Young Master Ye Feng. Young Master Ye Feng is worthy of being a top talent that my father values very much."

At this moment, hearing Leng Qingzhu say this, Ye Feng smiled slightly and said: "Miss Leng is also the most powerful peerless female genius I have ever seen, and Miss Leng's various inheritances are also very magical, but I have a lot of trump cards, so I can compete with Miss Leng. If other top talents in the three empires fight Miss Leng here, I estimate they will lose miserably."

Hearing Ye Feng say this, Leng Qingzhu immediately smiled slightly and said: "Young Master Ye Feng has such strong strength and trump cards. I wonder if I am lucky enough to invite Young Master Ye Feng to help me participate in a top-secret mission?"

At this moment, hearing Leng Qingzhu say this, Ye Feng's eyes flickered.

Sure enough, the other party would not attack me for no reason. Now her purpose was revealed. She wanted to invite me to help her complete a top-secret mission.

Chapter 5556 Dark God Court

At this moment, when Uncle Scar mentioned this familiar person, Ye Feng's eyes suddenly showed an inexplicable trance.

"Second Miss...Ye Ziling..."

In Ye Feng's memory, there was once a memory that he wrote in thick ink.

Unexpectedly, now there is news about the second young lady Ye Ziling again.

At this time, Ye Feng naturally did not hesitate at all. He immediately looked at Uncle Scar and said, "Let's go over and take a look."

Uncle Scar nodded and quickly led Ye Feng in a certain direction.

Seeing this scene, Mo Ling'er, the daughter of the Demon Emperor of the Troll Empire, had a look of surprise in her eyes. It seemed that she did not expect that Uncle Scar and Ye Feng had known each other for so long, and had known each other many years ago. Yes, and we have mutual friends.

This made Mo Ling'er suddenly envious of the woman named Ye Ziling.

Mo Ling'er also quickly followed at this time.

At this moment, Ye Feng followed Uncle Scar to a certain area of the underground black market, where tall shops stood everywhere.

At this moment, Uncle Scar pointed in a certain direction and said loudly: "Ye Feng, look, is that woman exactly the same as the second lady Ye Ziling?"

At this moment, Ye Feng also looked over, and his eyes suddenly showed a shocked look.

Because the woman that Uncle Scar pointed at was indeed almost exactly the same as the second lady Ye Ziling.

This woman was wearing a purple dress. She looked very beautiful and noble. She also had a mysterious feeling, and the aura on her body was unfathomable.

Ye Feng was a little surprised, as if he didn't expect that there were two people so similar in the world.

In other words, this woman in the purple dress is really Ye Ziling, the second young lady back then.

At this time, Ye Feng naturally did not hesitate and walked over immediately, wanting to ask if this woman was the Ye Ziling he knew.

At this moment, Uncle Scar and Mo Ling'er also followed.

Mo Ling'er couldn't help but look at Uncle Scar in private, and asked aloud: "General Shenwei, what is the relationship between this girl named Ye Ziling and Ye Feng? Is she someone Ye Feng knew many years ago?"

Uncle Scar nodded and said, "This Ye Ziling was a very important friend of Ye Feng back then."

After hearing Uncle Scar's vague words, Mo Ling'er knew that Uncle Scar would definitely not want to say more, so he didn't ask any more questions and just watched silently.

At this moment, Ye Feng had already walked in front of the woman in the purple dress.

The next moment, the woman in the purple dress saw Ye Feng appearing in front of her, her eyes did not change at all, but she asked with some confusion: "You suddenly came in front of me, what's the matter?"

Hearing the unfamiliar look from the woman in the purple dress, Ye Feng suddenly showed a look of disappointment in his eyes.

This woman in a purple dress is not the second young lady Ye Ziling she knew back then, but someone who looks exactly like Ye Ziling.

But no matter how Ye Feng observed, he found that she was exactly the same as the second young lady Ye Ziling in his memory.

Regarding the second young lady Ye Ziling, Ye Feng actually felt a little guilty in his heart.

Although the two had a very small grudge back then, they reconciled in the end, and Ye Ziling had a secret crush on Ye Feng in the middle of the process. She has been helping Ye Feng wholeheartedly, and in the end she even When Ye Feng disappeared, Ye Ziling was not afraid of danger and took huge risks to find Ye Feng, and finally disappeared in the mysterious ancient ruins.

Until now, Ye Feng has not met the second young lady Ye Ziling.

Ye Feng once went back to look for it, but couldn't find it.

Therefore, Ye Feng has always been concerned about the second young lady Ye Ziling. After all, she was in danger because she was looking for him and has been missing for many years.

At this moment, Ye Feng looked at the woman in front of him in a purple dress who was exactly the same as the second lady Ye Ziling. He wanted to say something, but in the end he just asked aloud: "I just think that the girl is very good with my former girlfriend." My friend, they look very similar, so come and take a look."

Hearing what Ye Feng said, a look of surprise suddenly appeared in the beautiful eyes of the woman in the purple dress, and then she smiled slightly and said, "Then it seems that the two of us are quite destined."

Hearing what the woman in the purple dress said, Ye Feng couldn't help but asked: "I don't know what the girl's name is. My name is Ye Feng."

Hearing what Ye Feng said, the woman in the purple dress patiently said, "My name is Ziyue."

"Ziyue?"

Hearing what the woman in the purple dress said at this moment, Ye Feng nodded slightly and was about to leave.

But at this time, Demon Ling'er, who came over, suddenly stared at a special pattern symbol on Ziyue's clothes, and couldn't help but said in shock: "Are you from the Dark Court of God?"

"Dark Divine Court?"

At this time, Ye Feng had a look of doubt in his eyes, and couldn't help but look at Mo Ling'er, and asked aloud: "Is the Dark Divine Court a major force in the southwest sector of our dark world? How come I have never heard of it. "

Mo Ling'er immediately shook his head and said loudly: "The Dark Court is not a force in our small place, but one of the three major holy places of cultivation recognized in the entire dark world."

"One of the three major holy places for cultivation in the dark world, the Dark God Court?"

At this moment, Ye Feng's eyes suddenly showed a look of surprise. It was the first time that Ye Feng knew the name of this top-level behemoth-like force in the entire dark world.

At this moment, Ye Feng looked at Zi Yue in front of him with a look of surprise in his eyes. He didn't expect that the other party came from such a huge force.

At this moment, Zi Yue looked at Mo Ling'er, smiled slightly, and said, "This sister has good eyesight. I am indeed from the Dark God Court. This time I came to the Red Dragon Empire because our Dark God Court received an invitation from the three major empires in your southwest plate. I came to the martial arts conference held by the Red Dragon Empire as a guest of the martial arts conference. Moreover, this time, our Dark God Court also wants to select several young talents with good potential to join our Dark God Court."

"What?"

Hearing what Zi Yue said, Mo Ling'er immediately showed a look of surprise in her eyes and said, "No wonder my father asked me to perform well before I left. It turns out that this martial arts conference actually invited members of such a behemoth as the Dark God Court to come."

At this time, Ye Feng was about to leave.

But Zi Yue suddenly looked at Ye Feng and said, "For some reason, although we met for the first time, I always feel that you are very familiar. I don't know why I have an inexplicable familiar feeling about you."

"Hmm?"

Hearing Zi Yue say this, Ye Feng's heart, which was originally a little disappointed, was suddenly slightly touched.

Ye Feng was originally going to leave because he felt that this Zi Yue was not the second young lady Ye Ziling back then. They just looked very similar, but they were not the same person.

But now when he heard Zi Yue suddenly say this, Ye Feng's eyes flickered, and he immediately turned around and said, "Miss Zi Yue, since you have this feeling, I wonder if Miss Zi Yue is willing to let me explore your mind."

At this time, Ye Feng suddenly had a bold idea. The woman in the purple dress in front of him was very likely the second young lady Ye Ziling who disappeared in the ancient ruins in order to find him. But for some reason, her previous memory was lost and she became the current Zi Yue.

So Ye Feng wanted to explore the other party's mind and see if there was anything special in it.

Chapter 5557: Unshakable

"Ye Feng, don't be rude!"

At this moment, when Zi Yue heard Ye Feng suddenly make this request, Mo Ling'er, who was standing aside, quickly pulled Ye Feng and couldn't help but whispered: "Ye Feng, this is Zi Yue. The woman is from the Dark Court of Darkness, the three major spiritual holy places in our dark world, and can represent the dark side. The Dark God Court came here to participate in the martial arts conference, which shows that Ziyue's identity is absolutely very noble in the entire Dark God Court. We must not offend such a noble person, otherwise, let alone ourselves in the future, this is The big forces behind us will suffer serious consequences."

Hearing what Mo Ling'er said, Ye Feng immediately understood that the other party was thinking about himself.

Because the request I just made was indeed a bit too unreasonable.

You must know that the spiritual mind of a practitioner is the place where the practitioner specifically stores memories, and it is the most vulnerable place.

How could such a mysterious and fragile place allow a stranger to casually enter and investigate.

Even the people closest to you would be very bold and unreasonable to make such a request.

Let alone a stranger.

Ye Feng suddenly realized that he had mistaken the mysterious woman in front of him for the second young lady Ye Ziling, which was indeed a bit too rude and offensive.

Ye Feng immediately nodded at this time, looked at Ziyue in front of him, and said loudly: "Miss Ziyue, just pretend you didn't hear what I just said. It is indeed a bit too abrupt."

Hearing what Ye Feng said, Zi Yue, a mysterious woman from the Dark Divine Court, suddenly revealed a trace of inexplicable complexity in her beautiful eyes, and said loudly: "Although your request is indeed very abrupt, and It's very rude, but for some reason, I don't feel angry at all about your words and unreasonable demands. Instead, I feel an inexplicable sense of trust in you."

"Um?"

Hearing Ziyue say this, Ye Feng's eyes suddenly flashed.

When Mo Ling'er, who was standing by, heard what Ziyue said, his eyes widened slightly.

At this moment, Ziyue walked up to Ye Feng, stared at Ye Feng with her beautiful and deep mysterious eyes, and said loudly: "I agree to your request. In fact, I am also very curious, why do I always treat you like this?" Strangers have an inexplicable sense of familiarity and trust? I can now let go of my mind and mind, and you can search directly."

Hearing what Ziyue said, Mo Ling'er's eyes widened again. It seemed that he did not expect that this noble goddess-level figure from the Dark Divine Court would have such trust in Ye Feng, a stranger whom he met for the first time.

At this time, Ye Feng nodded slightly and said loudly: "Okay, then I will be offended."

At this moment, Ye Feng was also very curious as to whether the Ziyue in front of him was his partner back then.

Uh-huh!

At this moment, Ye Feng didn't hesitate at all and just stretched out a finger and touched Zi Yue's eyebrows.

"Buzz!"

Almost at the next moment, Ye Feng directly used his huge soul power to rush into Ziyue's mind, wanting to see if there was any special situation in Ziyue's mind.

And the moment Ye Feng's soul power entered Zi Yue's mind, Ye Feng discovered a light group, which was shrouded in Zi Yue's mind by a mysterious black energy.

"This is...a mass of memory fragments!"

At this moment, Ye Feng's eyes suddenly trembled slightly.

The light group shrouded in black light in Ziyue's mind is definitely a fragment of memory.

Ye Feng wanted to explore this memory fragment to see if this sealed memory fragment was the memory of the second young lady Ye Ziling.

But when Ye Feng's soul power touched the black light on the periphery of this light group, Ye Feng was unable to shake the sealed energy of this memory fragment at all.

You know, Ye Feng's soul power has grown to this day and is already very powerful, but it still cannot be shaken at all.

At this moment, Ye Feng suddenly understood that the memory fragments in Ziyue's mind were sealed by a mysterious and powerful force.

At this time, Ye Feng suddenly became a little excited.

Could it be that this Ziyue is really the second young lady Ye Ziling back then?

It's just that all the memories about Ye Ziling were sealed by a mysterious dark force, forming this mass of memory fragments.

At this moment, Ye Feng really wanted to open this memory fragment and see if the lost memory recorded in the memory fragment was the memory of the second young lady Ye Ziling.

But Ye Feng could not shake the seal of dark power surrounding this mass of memory fragments.

At this time, Ye Feng couldn't help but said aloud in his mind: "Emperor Chu, wake up, can you help me open this group of sealed memory fragments?"

After Ye Feng finished speaking, the sleeping Emperor Chu in his mind was also awakened.

Emperor Chu did a little probing at this time, and then said aloud in Ye Feng's mind: "I have the ability to break this seal and extract the memory fragments, but if I forcefully break the dark seal of this memory fragment, it will be very difficult. It's possible that because the power is too strong, it will damage Ziyue's head and turn her into a fool. "

"What?"

Hearing what the Emperor Chu said, Ye Feng's eyes suddenly became uncertain.

Then Ye Feng shook his head and said, "Forget it for now. When my soul power becomes stronger in the future, I will see if I can find other safe ways to unlock the seal of this group of memory fragments in Zi Yue's mind."

At this time, Ye Feng directly let his soul power withdraw from Zi Yue's mind.

At this moment, Ye Feng opened his eyes.

Zi Yue saw Ye Feng wake up from the exploration state, and immediately couldn't help but ask curiously: "Mr. Ye Feng, how is your exploration? Is there anything different in my mind?"

Ye Feng immediately shook his head, smiled slightly, and said, "There is nothing special. It seems that Miss Zi Yue is just very similar to my friend."

At this moment, Ye Feng did not tell the truth, because Ye Feng did not have the ability to unlock the group of memory fragments, and he did not know whether this Zi Yue was the second lady Ye Ziling back then, so it was better not to tell Zi Yue the truth for the time being.

Otherwise, this Zi Yue knew that there was a group of sealed memory fragments in her mind, which might become her inner demon.

Ye Feng was ready to wait until he was truly able to unlock this group of memory fragments before confessing to Zi Yue.

However, although he could not unlock the true content of the group of sealed memory fragments, Ye Feng actually had some guesses and certainties in his heart. There was a 90% chance that the Zi Yue in front of him was the second lady Ye Ziling who had disappeared for many years!

Chapter 5558: Son of the Dark God Court

Although Ye Feng had a lot of thoughts in his mind at this time, he did not say it directly.

Because Ye Feng is not yet able to safely open the seal of the memory fragments in Zi Yue's mind.

So Ye Feng does not need to tell all the situations he guessed now, otherwise, if Zi Yue knows, it is very likely to cause Zi Yue's heart knot and inner demon.

So at this time, Ye Feng directly concealed it.

And when Zi Yue heard Ye Feng say this, obviously there was a trace of disappointment in her beautiful eyes.

Because Zi Yue also wanted to know whether she was Ye Feng's friend in the past.

Because Zi Yue has always found that her memory only remains in the recent period.

And the older the memory, the more Zi Yue found that she could not remember it clearly.

At this moment, Zi Yue met Ye Feng, a stranger who seemed to know her past, and seemed to have an inexplicable sense of trust and familiarity with Ye Feng from the bottom of her heart, which naturally made Zi Yue very curious.

However, at this time, since Ye Feng did not find out any special situation, it means that he and Ye Feng are really not friends of the past.

At this moment, Zi Yue smiled very freely and said, "Anyway, it's fate to meet here. Is Master Ye Feng also here to participate in the martial arts conference held by the Red Dragon Empire?"

Ye Feng nodded at this time, then looked at Mo Ling'er beside him, and said with a smile, "Princess Ling'er and I are both young people from the other two empires in the southwest plate of the dark world. This time we came to the Red Dragon Empire to participate in the martial arts conference held in the Red Dragon Empire."

When Zi Yue heard what Ye Feng said, she nodded immediately and said expectantly, "Then I will also be in the guest seats in the martial arts conference. I can take a good look at Master Ye Feng's performance at that time."

Just as Ye Feng and Zi Yue were talking, a group of people suddenly walked over on the street not far away.

The cultivation aura of this group of people is very dark and powerful, giving people a feeling of extreme depression.

And the leader standing at the front of this group of people is a young man wearing a golden robe with black stripes.

This man came over with a group of people, looking quite aggressive.

At this time, the young man in a golden robe with black stripes, who was the leader, saw Zi Yue and Ye Feng standing together, and they seemed to be talking happily. He even saw Ye Feng's finger just now, touching Zi Yue's white forehead, which made the young man feel extremely unhappy.

At this moment, the young man in a golden robe with black stripes came to the front of the crowd with a group of aggressive people, stared at Ye Feng and said: "What is your identity, kid? Why are you standing with Zi Yue Goddess of our Dark God Court? What is your purpose?"

At this time, the group of people who suddenly arrived attracted the attention of Ye Feng and others.

Ye Feng saw that the young man was talking to him aggressively as soon as he came up, and his brows were slightly frowned.

At this time, Zi Yue said in an instant: "Young Master Ye Feng, this is the son of our Dark God Court, and we are good friends. He may think you are a bad guy, so he said such aggressive words to you. Let me explain."

At this time, Zi Yue looked at the son of the Dark God Court and immediately said: "This Young Master Ye Feng is from the Dark Empire. He is a young genius participating in this martial arts conference. We happened to meet here and had a good chat."

Hearing what Zi Yue said, the son of the Dark God Court couldn't help but say: "Zi Yue, you are still young and not very sensible. You don't know the dangers outside. Some people want to climb up to the top even though they don't have much strength and status. This pretty boy probably wants to use your noble status to climb to the top of our dark world. Level circle. "

At this moment, Ye Feng hadn't said anything when he heard the son of the Dark God Court say this. Mo Ling'er, who was standing next to Ye Feng, couldn't help but show deep anger on her face and said, "Although you are the son of the Dark God Court, you can't say such words. Young Master Ye Feng comes from the Dark Empire and is a super genius in the Dark Empire. The reason why he talked with the Purple Moon Goddess of your Dark God Court is certainly not to curry favor with the rich and powerful, but he felt that the Purple Moon Goddess was very similar to a friend of his before, so he came to talk about it. "

At this time, Ye Feng also looked at the son of the Dark God Court, and immediately understood why the other party was so angry. Perhaps it was because he saw that he and Zi Yue had a good chat and acted quite close.

This son of the Dark God Court seems to be a very jealous person.

At this time, Ye Feng just said indifferently: "Zi Yue is Zi Yue, she has her own thoughts. It seems that it is not your turn as the Son of God of the Dark God Court to manage who she wants to make friends with. The Son of God and the Goddess are not a natural match, but just a title."

"You...!"

Hearing Ye Feng's words, the Son of God of the Dark God Court's face immediately turned quite livid.

Because the Son of God of the Dark God Court was right about what Ye Feng said, although he was the Son of God in the Dark God Court and Zi Yue was the newly appointed Goddess, the relationship between them was actually not that good.

The so-called Son of God and Daughter of God are indeed just titles for the strongest male and female geniuses in a big power.

At this moment, the Son of God of the Dark God Court stared at Ye Feng, his eyes became as cold as a knife, and said: "You are a young man from the Dark Empire, your status is much lower than mine, and I see that your cultivation aura is also much weaker than mine. What qualifications do you have to say such things to me? I advise you to be more respectful in front of me, otherwise, if I make a move, you may be directly abolished by me, and you will have no place to cry when the time comes."

Hearing what the Son of God of the Dark God Court said, Ye Feng's face still did not change, but just said: "If you have the guts, try it."

"You...!"

At this moment, the Son of God of the Dark God Court stared at Ye Feng and shouted: "Boy, you are too presumptuous! Today I must teach you a lesson. I want to let you see how big the gap is between you and the peerless figures in the top and huge forces in the dark world!"

Chapter 5559: Get it

Buzz!

But just when the Son of God of the Dark Court was about to unleash his cultivation strength, Ziyue suddenly spoke up: "Son of God, don't be so impulsive. Master Ye Feng and I meet like old friends. I have a natural affinity for him. Trust me, if you take action against Mr. Ye Feng, I will report it to Master and let him know that you are so rampant outside, and you will definitely be unable to survive. "

At this time, hearing Ziyue say such words, the God of the Dark Court immediately retracted all his murderous intentions and momentum, and his eyes became extremely ugly.

really.

Ziyue, the goddess, has a higher status than him, the son of god.

Because the Son of God in the Dark Court is indeed just a title, and Ziyue, the goddess, is more than just a title. Ziyue has a very high status in the Dark Court. She is recognized by the upper echelons of the Dark Court as a person of destiny. She came from a mysterious person. Where to find Ziyue.

Therefore, Ziyue's power and status in the Dark Court of God is much higher than that of the Son of God of the Dark Court of God.

Hearing Zi Yue's words at this moment, the Son of God of the Dark Court naturally did not dare to be presumptuous anymore.

"Um?"

Seeing this scene, Mo Ling'er's eyes showed a look of surprise. It seemed that he did not expect that such an arrogant and arrogant God Son of the Dark Court would actually listen to Ziyue, the goddess, and be so afraid of Ziyue.

At this time, Mo Ling'er immediately understood that Ziyue's identity in the Dark Court might not only be as simple as a goddess, but also had other deeper mysterious identities and statuses.

At this time, Ziyue looked at Ye Feng, with a smile on her beautiful face, and said loudly: "Master Ye Feng, meeting each other is fate. I hope we can continue to meet in the future."

After saying that, Ziyue left the scene directly.

At this moment, the Son of God of the Dark Court did not take action in the end. He just stared at Ye Feng fiercely and said: "Boy, I advise you not to dream of climbing up to the Purple Moon Goddess. Her status and identity are better than mine. The Son of God is much higher, and her future is destined to ascend to a higher world outside the realm. It is not something that a person from a lower world like you can get involved with."

At this moment, after the Son of God of the Dark Court finished speaking, he waved his sleeves and left the scene with a group of people.

At this time, Mo Ling'er came to Ye Feng's side and couldn't help but said: "Master Ye Feng, it seems that this time you have completely offended the divine son of the Dark Court."

Ye Feng smiled faintly and said, "If you offend me, it's okay. It's not a big deal."

"Forehead?"

Hearing Ye Feng's calm words, Mo Ling'er was stunned for a moment, then suddenly laughed softly and said, "Sure enough, Master Ye Feng has always been so confident."

Ye Feng smiled and said aloud: "I am telling the truth."

At this moment, Mo Ling'er's face became quite solemn, and she said aloud: "I have to say that this Ziyue is indeed a person, and judging from her words and deeds, even the Son of God of the Dark Court is... I am very afraid of her. It seems that this Ziyue is a powerful person in the Dark Divine Court. Her identity and status are indeed very extraordinary. She is not just a goddess, but she may also have a higher and more mysterious identity. She will definitely be a big shot in our dark world in the future, and it is very likely that she will be able to ascend to a higher level outside the realm. The potential of the world exists."

When Ye Feng heard what Mo Ling'er said, he nodded slightly and didn't say anything more. Instead, he looked at the entire underground black market shop area and said, "Let's go. I made so many black stones in the underground arena before." , it's time to go to these shops to see if you can buy some training resources that can quickly improve your cultivation. Tomorrow is the martial arts conference. So many things happened tonight, and it's been delayed until now. It's time to improve your strength."

At this moment, after Ye Feng finished speaking, he started wandering around among the surrounding shops.

Mo Ling'er also started shopping, and wanted to buy some cultivation resources to improve his cultivation strength.

After all, the Dark Court has appeared this time. As a guest, the meaning of this martial arts conference is different. Mo Ling'er naturally takes it very seriously.

Uncle Scar suddenly walked up to Ye Feng at this time and couldn't help but ask in a low voice: "Ye Feng, is this Ziyue your second young lady Ye Ziling?"

Hearing Uncle Scar's question, Ye Feng shook his head slightly, but nodded again and said, "I'm not sure now."

"Um?"

Hearing what Ye Feng said, Uncle Scar's eyes flashed slightly. He immediately understood. Ye Feng just said that Ziyue was not Ye Ziling. I'm afraid he was just lying to Ziyue. I'm afraid Ye Feng was already in Ziyue's head just now. Something special was found inside. Maybe this Ziyue is really the second young lady Ye Ziling back then.

But at this time, Uncle Scar suddenly grinned and said aloud: "No matter whether this Ziyue is the second lady Ye Ziling back then, anyway, this Ziyue's appearance is definitely first-rate, and her status is high. "Whether it's the second lady Ye Ziling that you, Ye Feng, met back then, you might as well catch this Ziyue, she seems to have a good feeling for you anyway, and you, Ye Feng, won't suffer."

Hearing what Uncle Scar said, Ye Feng's eyes suddenly showed a look of astonishment.

Before Ye Feng could say anything, Mo Ling'er who was standing aside suddenly heard Uncle Scar's words, and suddenly his beautiful and delicate little face showed a look that seemed to be very unhappy. look.

Mo Ling'er couldn't help but stare at Uncle Scar, and said aloud: "General Shenwei, what bad idea are you giving Ye Feng? This Ziyue has an extraordinary status, and he must have many suitors, including That divine son of the Dark Court, if you let Ye Feng pursue this Ziyue Goddess now, isn't this pushing Ye Feng into the fire pit?"

Hearing what Mo Ling'er said, Uncle Scar didn't take it seriously. He just grinned and said with a hint of ridicule: "Am I not giving advice to this boy Ye Feng? And this is Why do you care so much about Ye Feng, Princess? You are not Ye Feng's."

"this....."

Hearing Uncle Scar's inquiry, Mo Ling'er couldn't help but reveal a trace of inexplicable embarrassment on her delicate little face, and said aloud: "I don't care about Ye Feng, I just But I feel that Young Master Ye Feng and I are destined, and now we are all friends, so naturally I can't watch Young Master Ye Feng jump into the fire pit."

At this moment, hearing the tit-for-tat words between the two, Ye Feng quickly smoothed things over with a smile and said: "Let's not talk about it for now. Let's go to the shops in this underground black market and see if we can." Find some good cultivation resources, after all, the most important

thing for us now is to participate in this Martial Arts Conference, so in the remaining time, if we can find good training resources and improve our strength, this is the most important thing. Moreover, I just earned a lot of black stones in the underground arena. As soon as possible Spend it in exchange for cultivation resources and improve your own skills. This is the true use of everything."

Chapter 5560 What are you planning?

At this time, when they heard what Ye Feng said, Uncle Scar and Mo Ling'er stopped talking and nodded.

They also want to search carefully in this underground black market to see if there are any good cultivation resources that are worth buying.

At this moment, Ye Feng didn't hesitate at all and immediately started wandering around, wanting to see which shops had what he needed.

After all, Ye Feng has earned enough black stones in this underground arena this time. It can be said to be a great pity that he has so much wealth on his body and does not need to use it to improve his skills.

So taking this opportunity, Ye Feng naturally wanted to make a good purchase in this underground black market.

However, Ye Feng's soul power covered the surrounding area. After shopping for a long time, he didn't find anything particularly worth buying.

What most shops sell are basically ordinary ammunition or weapons.

Of course, it is relatively ordinary to Ye Feng, but maybe it is very advanced to other people, but Ye Feng himself doesn't like it.

But it's no wonder that the inheritance or weapons that Ye Feng has always used are very advanced and powerful, and the improvement of Ye Feng's skills also requires very advanced training resources to achieve rapid improvement.

So Ye Feng didn't want to buy those ordinary cultivation resources because it was a waste of money.

So what Ye Feng wants to buy is the relatively scarce high-end cultivation resources.

At this moment, Ye Feng looked at Mo Ling'er beside him and couldn't help but said: "Princess Ling'er, I've been shopping here for so long, but I haven't seen anything worth buying. I feel like the shops here sell... These cultivation resources are very ordinary and ordinary, nothing worth buying for me. Yes, I wonder if Princess Ling'er has any good places to recommend? After all, Princess Ling'er, you have often come to the imperial city of the Red Dragon Empire, and you have often come to this underground black market. You are also a senior member of this underground black market. You should be very knowledgeable about the entire underground black market. You should know the distribution of shops in the underground black market very well."

Hearing what Ye Feng said, Mo Ling'er suddenly showed a look of surprise in his eyes, and said loudly: "I feel that the cultivation resources and things sold in the shops around here are quite high-end. Many people You can't buy them outside. I didn't expect that in Ye Feng's eyes, these things have become so common that you don't even want to buy them. It seems that Ye Feng has too high standards. "

When he said this, Mo Ling'er suddenly shook his head and smiled, and said aloud: "But it's normal. For an extremely powerful and peerless genius like Ye Feng, ordinary things will not catch your eye."

Ever since Ye Feng suppressed and defeated the legendary figure of the Red Dragon Empire, the prince Chi Jiutian of the Red Dragon Empire, in the imperial city of the Red Dragon Empire, Mo Ling'er had already had a deep change in his heart towards Ye Feng. .

In Mo Ling'er's mind, Ye Feng was definitely a powerful being with stunning talents.

At this time, Mo Ling'er thought for a moment, and suddenly his eyes lit up slightly, and he said loudly: "By the way, it seems that there is such a very special store. There are many good things in it, but the prices are extremely expensive. I I have visited this special store once before, but It was because it was too expensive, so I didn't buy it, and there were a lot of things in it that I didn't need, but you may be very interested in Ye Feng, because there are many things in that special store that you can directly swallow to improve your cultivation. Skill, only you, Ye Feng, can do this, I can't do it."

Hearing Mo Ling'er say this, Ye Feng's eyes suddenly lit up and he said, "Okay, then take me over there and have a look."

Mo Ling'er nodded, and took Ye Feng and Uncle Scar who had been following him, and quickly walked towards a certain direction of this underground black market trading place.

Ye Feng deliberately distanced himself from Mo Ling'er at this time.

At this moment, Ye Feng looked at Uncle Scar beside him, and couldn't help but whisper: "Uncle Scar, you can tell me now that you are pretending to be the mighty general of this troll empire, lurking in What is the plot in the troll empire?"

From the first moment he saw Uncle Scar, Ye Feng understood that this guy must have his own purpose in the Troll Empire, and it was absolutely impossible to sincerely serve the Troll Empire with his own strength.

Moreover, Ye Feng is also very clear about Uncle Scar's character. Uncle Scar is also a very visionary person. Ordinary opportunities will never fall into Uncle Scar's eyes. That's why Ye Feng is very concerned about Uncle Scar's role in the troll empire. Very interested in what you are looking for.

At this moment, when he heard Ye Feng ask this, Uncle Scar immediately grinned, shook his head and said, "Sure enough, I can't hide anything from you, kid. That's right, I am lurking in the Troll Empire to find a very special thing, which is the immortal body of the first generation of the Troll Emperor. If I can find it, I can not only get the peerless inheritance of the first generation of the Troll Emperor, but most importantly, my innate true demon body can be integrated with the immortal body of the first Troll Emperor, which will directly cause my true demon body to undergo a qualitative transformation, and even allow me to withstand the power impact of the higher dimensional world. In this way, even if my cultivation has not reached the level of ascending to the higher dimensional world, my body strength can already withstand the power impact of the high-end dimensional world, and then I can directly enter the higher world outside the domain."

"What?"

Hearing Uncle Scar say this, Ye Feng's eyes suddenly showed a look of astonishment, as if he didn't expect Uncle Scar to actually want to take the path of body sanctification.

At this moment, Ye Feng nodded slightly, glanced at Uncle Scar, and said: "You are still the same you back then, your ideas are simply shocking."

Originally, Ye Feng wanted to follow Uncle Scar to the Troll Empire to find a good opportunity, but now since what Uncle Scar is looking for is not of much use to him, there is no need to go.

At this time, Ye Feng did not ask any more questions, but said: "In the future, I will definitely go to the higher dimensional world outside the domain, because my parents are also there, and I don't know whether they are dead or alive."

Just as Ye Feng was muttering, Mo Ling'er, who was leading the way in front, suddenly said: "Young Master Ye Feng, General Shenwei, we have arrived at this special store, you see."

At this moment, Ye Feng immediately saw a small old store hidden in a seemingly ordinary alley. It looked very unremarkable, and no one came here to patronize this store.
