

BOOK TWO INTRODUCTION

Hello!

Book two takes place in Anna's teens years. eight years after the accident took place things have changed around the De la Cruz household. Anthony and Joshua had both gotten married to their significant other.

a¹¹

Anthony and Jennie have been going out for a couple years until some pushing of Anna herself he finally man up to propose to the woman, and he did. unfortunately Jennie is unable to have children, both of them were OK with that because both of them had a sense of responsibility to parent Anna.

a⁶

Joshua and Marie had gotten married a year before Anthony. Marie being now pregnant with their first child.

a⁷

Noah had been dating a girl for quite some time now, but from what he says it wasn't serious.

Alex had gone to study music in London for a year.

Oliver came out and is in college with a four year relationship with his boyfriend Max.

a¹⁶

Tyler was still single but had an obvious liking to a certain red head.

a¹³

Keep reading to find out what happens in the life of Anna and her six brothers.

dw, you still will get your flu . But keep in mind, Anna is a teenager, and teenagers as dumb asf-

a¹⁹

I mean enjoy!!
