

APOCALYPSE: GOD-LEVEL ZOMBIE SYNTHESIS SYSTEM

Chapter 15

“Tell me about the White Lotus Sect.” Ye Li said.

An abrupt voice reached Chen Yun’s ears, and he turned to see Ye Li approaching him.

Ye Li had only been in this world for ten days and hadn’t heard of the White Lotus Sect, so he felt it necessary to inquire.

“Who are you?”

Chen Yun asked, examining Ye Li. Ye Li’s aura was that of an ordinary Awakened Being.

Before Ye Li could speak, Yun Man’s voice chimed in.

“Senior, he is my classmate, Chen Yun. He is the top talent of Annan Academy,” Yun Man said happily, looking at Ye Li.

“So, what exactly is the White Lotus Sect?” Ye Li asked indifferently.

Chen Yun furrowed his brow. Not only was he the top talent of Annan Academy, but he was also the young master of the Chen family, one of the two major warrior families in Annan Base City. Yet Ye Li treated him as if he were insignificant.

“Yun Man, who is he exactly?”

“Senior Chen Yun, his name is...”

Yun Man suddenly realized that she didn’t even know Ye Li’s name and could only look at him.

“I’m Ye Li,” Ye Li said slowly.

“Why does Yun Man call you senior?”

Chen Yun coldly asked, his handsome face growing somber.

“That’s none of your concern. Just tell me about the White Lotus Sect.” Ye Li replied indifferently.

“Senior Chen Yun, Senior Ye Li is amazing. He can merge two zombies into one and control them.”

“Also, those four advanced Awakened Beings from the White Lotus Sect were turned into zombies by Senior Ye Li’s Tier 1 zombie.” Yun Man interjected.

Chen Yun sneered, “Yun Man, has this guy brainwashed you? He’s just an ordinary Awakened Being.”

There was a significant gap between ordinary Awakened Beings and advanced ones, and once someone became an advanced Awakened Being, they naturally wouldn’t pay attention to ordinary Awakened Beings.

“Senior Chen Yun, what I said is true,”

Yun Man quickly added, fearing that Chen Yun wouldn’t believe her.

“Hmph!”

Chen Yun snorted, his gaze fixed on Ye Li.

“What have you done to Yun Man!”

Ye Li secretly smiled, thinking that Chen Yun was nothing more than an advanced Awakened Being. How dare he question him? He truly didn’t know his place.

“Senior Chen Yun, don’t speak to Senior Ye Li that way, or else...”

Yun Man worried that Ye Li would release Ah Da and turn Chen Yun into a zombie.

Chen Yun ignored Yun Man and continued to stare at Ye Li.

“If you won’t talk, then don’t blame me for being impolite!” Chen Yun shouted coldly.

As his voice fell, Chen Yun launched an attack toward Ye Li!

“Ah Da, show him what you’re capable of,” Ye Li said calmly.

Roar!!!

Ah Da emerged from the system space and threw a powerful punch at Chen Yun.

Chen Yun widened his eyes and hurriedly dodged the punch, but Ah Da’s speed was too fast, and he couldn’t react in time.

“Boom!”

Chen Yun crashed heavily into the wall, coughing up blood.

However, he disregarded his injuries and looked up in astonishment at Ah Da, who stood like an iron tower in front of Ye Li.

“A... Tier 1 zombie?”

Chen Yun couldn't believe it. He truly couldn't fathom why there would be a Tier 1 zombie in Tongcheng.

Ye Li walked slowly to where Chen Yun lay on the ground, looking at him expressionlessly.

“Senior, Chen Yun has realized his mistake. Please spare him.” Yun Man hastily pleaded.

Ye Li looked at Chen Yun's horrified face and spoke slowly,

“Now, can you tell me about the White Lotus Sect?”
