

APOCALYPSE: GOD-LEVEL ZOMBIE SYNTHESIS SYSTEM

Chapter 7

Ye Li hadn't run far when he saw numerous zombies gathering ahead.

Those Awakened Beings must have been surrounded by the zombies.

The zombies began attacking the Awakened Beings.

The Awakened Beings tried to defend themselves, but there were simply too many zombies.

Ye Li released the five zombies from the system space.

Starting from the outer layer of the encirclement, the zombies fell one after another as Ye Li swiftly synthesized them. His speed had reached an astonishing level.

Ye Li synthesized all the zombies, feeling somewhat helpless that they were all level 1 zombies.

What surprised Ye Li even more was that they were all male zombies. It was strange because there were female zombies in the previous wave.

Two level 1 zombies synthesized into one level 2 zombie.

Four level 1 zombies synthesized into one level 3 zombie.

Eight level 1 zombies synthesized into one level 4 zombie.

...

1024 level 1 zombies can be synthesized into...

At this point, a gleam appeared in Ye Li's eyes.

1024 level 1 zombies can be synthesized into a Tier 1 zombie.

A Tier 1 zombie was a mutant zombie!

He now had over 500 level 2 zombies, which was enough to synthesize a Tier 1 zombie.

Realizing this, Ye Li quickly synthesized the over 500 level 2 zombies.

Ye Li synthesized the resulting level 7 zombie and Ah Da. Before long, Ah Da became a Tier 1 zombie.

Ding...

“Congratulations, Host, for synthesizing a Tier 1 zombie. You have received a Super Treasure Chest. Would you like to open it?”

“Open it.”

“You have obtained 20 gene points, 20 strength points, 20 speed points, and 20 attribute points.”

“Congratulations, Host, for becoming a Level 3 Awakened Being.”

Ye Li thought that it was quite fast for him to become a Level 3 Awakened Being.

He looked at Ah Da and suddenly noticed that Ah Da had become much better looking and his eyes had turned green.

Could it be that the higher the level of the zombie, the more their appearance would change?

If that were true, then the female zombies...

Ye Li didn't dare to continue thinking about it. Even if the higher-level female zombies, the more beautiful they were, they were still zombies after all.

There was a huge difference between high-level zombies and mutant zombies. Now that Ah Da had become a Tier 1 mutant zombie, Ye Li thought he could dominate here.

He still had over a hundred level 2 zombies left.

Ye Li synthesized these dozens of zombies into one level 7 male zombie and one level 6 male zombie.

Now he could truly be called a wealthy landlord.

Looking at those Awakened Beings again, he noticed that there was no trace of them anymore. They had all been devoured by the zombies.

Ye Li thought that it was their own ill fate.

Suddenly, Ye Li heard some noise.

He turned around and saw a young girl running towards him.

Ye Li looked at the girl and realized she was also an Awakened Being. The energy fluctuations in her body were much stronger than those of the previous Awakened Beings.

Without thinking, Ye Li knew that the girl was being chased by zombies.

Ye Li felt a sense of joy as he thought he could synthesize more zombies.

Sure enough, two zombies crazily chased after the girl. They were two female zombies.

Ye Li looked at the two female zombies chasing after the girl and realized they were high-level zombies.

The girl was an Awakened Being, and her level must not be low, yet she was still being chased by two zombies. There was no other explanation except that they were high-level zombies.

Luck was unstoppable. Finally, he encountered two high-level zombies, and they were even female zombies.

“Come over quickly!”

Ye Li shouted at the girl, hoping to lure the zombies over.

The girl was startled. While running, she looked at Ye Li, and that glance left her in shock.

“That is...”

A flash suddenly crossed the girl’s mind.

“A Tier 1 zombie?”

The girl was extremely shocked at this moment. She couldn’t understand why there would be a Tier 1 zombie in Tongcheng.

Tier 1 zombies were easy to recognize by the color of their eyes, which were green.

To Ye Li’s surprise, the girl turned and ran into an alley, and naturally, the two high-level female zombies followed her into the alley.

Ye Li was somewhat astonished, thinking that as long as she came over, she could survive.
