

Arabella 78

Chapter 78

As soon as Arabella got in the car, Romeo swooped her up into his arms and asked, "Who are you texting?" He noticed Arabella smiling while replying to a text in front of the office.

"Aren't you the one who gave my WhatsApp number to Grandpa?" Arabella responded.

"He has been blowing up my phone all day, Romeo complained, "He can't stop talking. Just ignore him when he's being too much."

Arabella found this quite amusing. Was that something a grandson should say?

[Bella, are you busy right now?]

I heard you're working. Are you trying to gain life experience or are you short on pocket money?]

[If you're broke, you can ask Grandpa How much do you need? I can transfer you some money!]

Romeo found it hilarious that his usually serious grandpa actually used emoticons in his text, "He even learned how to text for you"

big change.

back in her seat and casually replied: I'm good, I just want to experience life. The summer vacation is too long: I

can take you around the world! Or do you want to stay in Summerfield? There are many sights to see in Summerfield, I can show you

Romeo snatched her phone away. He

his grandson and Arabella were together. He was thrilled, quickly put away his phone, and stopped intruding on
