

ARMIPOTENT Chapter 104

The battle lasted for a while before Tang Shaoyang released everything inside Zhang Mengyao. At the same time, both released a long moan of pleasure. Tang Shaoyang's body fell on top of Mengyao's body while the latter body relaxed.

"Hah... hah..." while trying to calm her breathing, she turned her face toward Tang Shaoyang. The latter smiled at her before kissing her lips, their tongues intertwined as they exchanged a hot kiss.

Zhang Mengyao then noticed the thing inside her started getting hard again. She parted her lips from Tang Shaoyang, "I can't..." Mengyao shook her head, this was their second round, and they had been doing this for almost forty minutes. If they continued, she might pass out from pleasure.

"Alright..." Tang Shaoyang slowly pulled little shaoyang and rolled to her right. He had his face toward the ceiling while slowly closing his eyes.

Zhang Mengyao flipped her body around and spoke, "You can go see the doctor actually if we continue I may miss the morning training," she made an unexpected suggestion that surprised Tang Shaoyang. He opened his eyes and looked at his woman, "You know already," he acted as if he did not notice Kang Xue stayed on the same floor as them.

Zhang Mengyao rolled her eyes at him, but then she smiled soothingly, "I already prepared," that was her answer. Tang Shaoyang was surprised by how easily she accepted another woman in their relationship. He had prepared countless words to coax her yet those words had become useless now.

But then, he put a confused face as he did not get what she meant by, "I already prepared!" The girl could read her man's thoughts by looking at his expression.

"Zhao Zhong, he has three women stay with him, and three of them are beauties. I watched them and to my surprise, the three women are actually getting along well," Zhang Mengyao shared an irrelevant story with him, at least, that what Tang Shaoyang thought. However, he did not stop her, staying still, listening to what she wanted to tell him.

"Watching them, then I remembered your words when you tried to have me join your ridiculous empire. You said you wanted to be an Emperor and wanted me to be your General," recalling that moment, a smile formed on her lips. At that time, she felt that was ridiculous, forming an empire. But now, she had realized her man was serious with his words, and slowly they built the foundation to establish the real empire. She thought it was a ridiculous dream, but now she was amused as she had become a part of this ridiculous dream.

"Then I realized that if you want to be an Emperor, does that mean will you also build your harem? It was absurd but I have prepared for that, I just don't expect the second girl would come this fast," Zhang Mengyao expressed her thought honestly. In the end, she had to accept this fact as she did not want to lose her man, "Just don't throw me a-

Before she could finish her words, Tang Shaoyang kissed her, "Silly girl, there's no way I will throw away my Beautiful General,"

"Hihi..." Mengyao let out a small happy laugh when she heard those words. Then she slowly closed her sleepy eyes, and her breath became steady, indicating the girl had fallen asleep. She had a satisfied and relieved face in her sleeping.

Tang Shaoyang looked towards the white ceiling and smiled wryly, "After what you said, there's no way I can go visit her," her in his mouth was his beautiful swan. Hearing Mengyao's honest confession, it would be hard for him to go there, at least not tonight.

He got up from the bed and went to the bathroom to wash his sweaty body. It was not possible for him to sleep with the little shaoyang erected straight like this. He washed with cold water and took a carton of orange juice before he went out to the living room.

He sat at the corner of the living room with the curtain open. From the 25th floor, he could only see the round moon that was the only source of light for the city in the night. He sat there for fifteen minutes while slowly finishing his juice.

Even after fifteen minutes, the little shaoyang was standing straight. He let out a sigh as he looked at the big lump on his crotch, "Why don't you calm down and let me sleep..." he muttered helplessly.

Right after he said those words, he heard the sound of the door opening. He turned his head around, his swan came out of her while rubbing her sleepy eyes. She was wearing white pajamas with the top two buttons unbuttoned. It showed her deep cleavage, but the girl seemed not to realize that. She slowly made her way to the counter at the kitchen.

Kang Xue was awakened in the middle of the night because of a weird dream. She was dreaming of something that she could not identify, the thing that screamed inside her head caused her to wake up in the middle of the night. The dream was surreal as if it was not a dream.

After such a weird dream, she could not fall asleep again. She decided to get a glass of water to quench her thirst. She had not noticed the curtain was opened and still not aware someone was looking at her.

"Girl oh girl, I don't plan to touch you tonight, but you just deliver yourself to me..." Tang Shaoyang muttered to himself in a whisper. He finished the juice in one gulp and walked to the girl.

Kang Xue was drinking the water slowly before suddenly a hand grabbed the glass forcefully from her. She was about to yell at the culprit but then she saw the man who promised to visit her but never came. He finished the water quickly, just as she was about to complain to the man, he kissed her on the lips.

The kiss was too abrupt and she was not prepared for this. Then she felt the water slip into her mouth and her chest. The man was trying to make her drink through his mouth. She was about to push the man away but his hand circled around her waist, pulling her closer to the man until her body pasted to him. In this position, she could not push him away.

Then she felt his tongue start to make intense contact with hers. His action was a little bit rough compared to the afternoon. Of course, she was not aware that the man was in heat so he was a little hurried. The kiss lasted almost two minutes before the man's lips parted from hers.

Kang Xue then felt his hand slipped into her pants, heading toward her butt. She was panicking, trying to hold his hand, she looked toward the door of Zhang Mengyao's room, "No! Not here!"

Sure enough, her words were effective. The man's hand stopped advancing while it was just a few centimeters away from her butt. However, she then noticed the man was grinning at her, only then she realized her wordings were not right.

'Oh my, what's wrong with you, Kang Xue! You just delivered yourself to the man's hand,' her thoughts were in chaos. The silence between the two made her shy as she lowered her head.

"You did not even come before, why bother me now?" She tried to change the topic, but the words that came out of her mouth was her honest thought that put her deeper into the man's palm.

'Idiot Kang Xue! Idiot Kang Xue! What are you saying!?' She internally screamed in her heart.

"Hoho, so you were upset that I did not visit you early," Tang Shaoyang smirked at the girl as from her tone, it was so obvious she was upset he did not visit her, "Since you don't want to do it here, let's move to your room," he did not wait for the girl to respond as he swiftly picked her up.

Kang Xue did not know how to respond to him so she just buried her head in his chest. She did not dare to meet his eyes, she was so ashamed.

Tang Shaoyang brought the girl to her room. He carefully placed the girl who had her cheeks reddened. She tried to look away, but the man did not let her. He kissed her again, this time, the man's movement did not have restraint. He moved aggressively, and the moment his midas hand touched her breast, she subconsciously let out a moan of pleasure from her mouth. She tried to cover her mouth with her both hands as it was too shameful.

"Kuhuhu... You should not cover your pretty voice, just let it out!" His deep voice entered her ears. Quickly, Tang Shaoyang unbuttoned her pajamas and her bare chest showed up. Slowly, he lowered his kiss to her neck down to her breast. As her breast was being played by the man, she could not hold the moan any longer. The moan of pleasure flowed out naturally as her hands held the man's head.

This was her first time, and she did not know that this could be this amazing. At this moment, her weak defense completely shattered. Her mind blanked as she let the man do anything he wanted to her. In the blink of an eye, her pants were pulled off by him, leaving her totally defenseless.

Then she felt an object try to enter her body. It was not as smooth as the foreplay as she then felt a tearing pain below there as the object entered her body, "Hummmm!" She was trying to hold her cry.

Tang Shaoyang was surprised to find the girl was still a virgin. She said she had a boyfriend so her being a virgin was a surprise to him, 'Was she lying to me?' However, at this moment, he did not waste his time to think about that.

"It's okay, the pain will go away shortly~" Kang Xue heard a gentle whisper from the man.

'Even though this is my first time, I have some sex knowledge, do you think you can lie to-' she could not finish her thought as the man delivered his second thrust.

"Hummm~" once again, the moan of pleasure naturally flowed out of her mouth. The third, and fourth followed afterward, she could no longer hold her moan any longer. The room soon filled with her unrestrained moan as her body followed the man's rhythm. She was truly lost to carnal desire.
