Thanks to all the levels, he managed to raise his Stamina a little bit while the other attributes were maxed out. The only disappointment was that he only managed to raise the Spirit Power up to 3183. He tried the Spirit Resurrection once more, but the result was negative. The path to revive the spirit was still far.

“That’s for today, guys. We will do it again when the expedition army brings back more sacrifices.” Tang Shaoyang ended his summoning session with a wave of his hand toward the spirits. Maldros, Arkanos, Bronson, and Zaneos bowed their heads toward Tang Shaoyang before returning to the Spiritual Space.

Zara was the only one who stayed. "What about me? I haven't fought anyone yet." She complained as she did not get the share of fighting the summoning spirit. Then she eyed Ava. "What about you let me have a spar against your Elf Woman? Don't worry, I will hold back so we can have a fair fight."

Ava's eyes widened in surprise, and she eyed the Angel of Death cautiously as she made a distance from the angel. She was a Primordial Rank, so she had no chance to win against this angel that was stronger than a Legend Rank.

Tang Shaoyang rolled his eyes and waved his hand at Zara. "You will have the chance when we fight a stronger enemy, so you don't have to worry about lacking the opponent to fight. Also, you have to return now. I am afraid my mana will get depleted faster to maintain you and Arelion outside for too long."

Tang Shaoyang ordered Arelion to harass the Malecia Kingdom, so he needed to be careful with mana usage, or he would run out of mana so quickly. Maintaining Grade SS Spirit for weeks was draining his mana, and along with the summoning, it took more mana than he could regenerate in one day. This was included with his skill, [Mana Regeneration].

"Alright, alright." The Angel of Death smiled at Ava before disappearing into the Spiritual Space, leaving Ava and Tang Shaoyang.

"So, are you looking for me?" Tang Shaoyang turned toward the former Elven Queen and smiled. Ava did not have a smile after witnessing all of that just now. The fight between the Great Demon against Zaneos and Bronson was a great shock to her. She just realized that Lord Tang Shaoyang had more in his sleeve.

"How strong are you?" That question just came out of her mouth. That was her inner thought after witnessing all of this. Soon, she realized that she had crossed the boundary as their relationship was merely contractual. There was no way Lord Tang Shaoyang would tell her his real power.

"That's a good question." Tang Shaoyang was not expecting a direct inquiry like that, but he still answered her. "To be honest, I also don't know how strong I am. I can win against the Legend Rank, which means I am about the Demi-God Rank. However, there are many factors that need to be considered, so ranking is not everything."

"Have you reached the Demi-God Rank then?" Ava was not expecting the answer, but she continued asking him since he answered.

"Me, Demi-God Rank? I wish, but I am still Epic Rank. Demi-God Rank is simply still far from me." Tang Shaoyang shook his head.

Ava furrowed her brow as she simply did not believe him, and Tang Shaoyang noticed the distrust in her expression. Instead of convincing her with her words, he showed his window status and let her see a glimpse of the screen. Even though it was just a glimpse, Ava saw it with her eyes that this man was indeed still Epic Rank.

She was shocked with the revelation, but she was even more shocked that Tang Shaoyang showed her the window status.

“Why am I showing my window status to you?” Tang Shaoyang read her expression easily. “That’s because I trust you. I know you will not betray me, right? No, you can’t betray me. That’s the right word.”
