

ARMIPOTENT Chapter 759

Sylvia had no experience with this kind of thing as she maintained her purity as the Moonlight Maiden of the Moon Tribe. When she heard her husband asking, "Then why are you standing at the door?" her face flushed red instantly. She lowered her head, did not dare to look him in the face.

'I should ask Sister Selena what I should do in this scenario?' Sylvia regretted that she asked nothing about this to Selena. She was like a cornered rabbit as Tang Shaoyang placed his left hand on the door behind, and his right held her chin. He lifted her face as he had an amused smile on his face.

"This is your first time?" Tang Shaoyang asked. There was no ill purpose behind his question as he did not care much about purity. Sylvia blinked her eyes and nodded her head. "Alright, you just need to relax and follow my lead. I will take care of everything." He whispered to her long ears.

Tang Shaoyang started to sniff around her neck, causing Sylvia's body to tremble. She was not expecting this, and she immediately closed her eyes. She was just too embarrassed to keep her eyes open. After sniffing, Tang Shaoyang kissed her neck down to her collar before going up to her lips.

Sylvia's lips were soft, but he did not do anything weird like trying to pry her mouth open. They exchanged a kiss for a while as his left hand went down to hold her slim waist. After a while, Sylvia was out of breath, and their lips parted ways. At this time, Sylvia's eyes opened, looking straight toward Tang Shaoyang's face. She did not know what had happened, but she felt hot inside. It started to feel weird since her husband was sniffing her neck.

'Were I supposed to feel like this?' Sylvia was clueless and questioned herself. There was no way she would ask her husband about this. As her mind was confused with her condition, her husband lifted her by holding her waist. She subconsciously circled her hands around his neck, and then her husband smiled at her. "That's a good reaction. Now kiss me."

Sylvia subconsciously followed his instruction and placed her lips on her husband's lips. She was supposed to tilt her head, but she did not, and their tall noses clashed. She backed down a bit, blinking her eyes a few times. There was something weird, that was what she felt right now. Her husband kissed her just now, and this did not happen.

"You should do it like this." Tang Shaoyang tilted his head to the side and kissed her, catching her off guard. Her eyes rounded up, but she immediately closed her eyes as she was just too embarrassed. However, she tried to respond to the kiss, albeit clumsy.

Tang Shaoyang brought her to the bed, he sat at the edge of the bed and continued kissing her. This time, he pried her mouth open. Sylvia jolted in surprise when her tongue touched his tongue, but she did not struggle or stop kissing. As her breathing became hurried, Tang Shaoyang placed her on the bed, and she slowly opened her eyes. Her face was red as a boiled crab, but she did not look away from Tang Shaoyang. For some reason, she desired her husband even more.

Tang Shaoyang merely smiled and pulled her nightgown. Just like that, Sylvia was stark naked in front of him. However, he did not rush it as this was her first time. He played it as gently as possible. His hand moved up to her plump breasts and fondled them gently.

“Hmmm~” Sylvia moaned, but she tried to suppress her voice right after, upon realizing that she was making a weird noise. However, she just could not hold it back no matter how hard she tried. The voice escaped from her mouth, and the only thing she could do was suppress her weird voice.

Tang Shaoyang started to kiss her again as his hands played with her breast. Even though it was smaller compared to Ava’s, it was not that small either.

Sylvia did not know what had happened to her body, but she enjoyed this. Instead of thinking anything useless, she followed Tang Shaoyang’s movement. Responding to the kiss passionately, wriggling her body in pleasure as his hand played her breast. She never thought the intimate activity would be this good.

Tang Shaoyang parted his lips and looked at Sylvia. He knew that she was ready for the main action just from the look. He took off the night robe and positioned little Shaoyang in her private region.

“I am going to put it in.” Tang Shaoyang whispered to her ears gently. He did not try to rush it since this was Sylvia’s first time. After telling her that, only then did he put little Shaoyang at the entrance of her private region. He rubbed it off before entering her.

Sylvia’s mind blanked for a moment when she sensed a foreign thing entering her body. The thing was huge, as if her private was being forcefully opened. She expected the pain, but she did feel any pain at all. Instead of pain, she felt good.

“Does it hurt?” Tang Shaoyang did not move right away as he knew she was supposed to be in pain. He could feel the hymen when he entered her. To his surprise, Sylvia shook her head. “I am not in pain. In fact, it’s so good.”

Her voice was small, but it was very clear in his ear. Tang Shaoyang was not expecting such an answer from the Moonlight Maiden. He looked at her face, and he did not detect any peculiarity that indicated she was in pain. That meant she meant it when she said it was so good.

“Then I will start moving now.” After saying that, Tang Shaoyang started to move slowly.

“Ahn~” Sylvia moaned in pleasure.

After that, Tang Shaoyang was sure the girl did not lie to him when she said it was good. He picked up his pace, but he made sure that he did not move too fast.

Sylvia did not know what happened, but she relented to her pleasure. Her hands circled onto Tang Shaoyang’s neck as she let out an unrestrained moan.
