

Army 107

Chapter 107 The bait

three days.

Jiang Li had been practicing.

She was the first to receive news from Xu Ya that she had gone to Tianshui city.

Xu Ya directly went to find Luo Tianshui, the city Lord of Tianshui city, to discuss the details of the deal.

One had to know.

Tianshui city was different from the other four cities of the Black Dragon County. Because of Luo Tianshui's high prestige, Luo Tianshui had absolute control over Tianshui city.

In Tianshui city, there were no gangs, only Tianshui city's Army.

The county government was practically a decoration.

so,

After Xu Ya closed the deal with Luo Tianshui, all the gold, silver, jewelry, equipment, weapons, and spirit herbs that she had brought with her were sold.

Furthermore ...

The money earned from selling the herbs was also used to buy ordinary herbs.

Almost all the ordinary herbs in Tianshui city had been purchased by Xu Ya.

The boxes of medicinal herbs were moved onto the trucks and filled them one after another.

That night.

xu ya and the others began their return journey.

“Sister Tianshui, do you think Jiang Li of the great Xia city is crazy? you don’t want any high-grade spirit herbs, weapons, or precious materials, and you actually came to us to buy some ordinary herbs. you’ve almost emptied the entire tianshui city of ordinary herbs.”

On the city wall of Tianshui city.

Luo Yilin and Luo Tianshui stood together, looking at Xu Ya and her group leaving Tianshui city, and watching the large military transport truck rumble away.

Luo Yilin pouted, unable to understand.

“even if you want to train an alchemist, you don’t need so many ordinary herbs.”

Luo Yilin shrugged her shoulders.

“Yilin, I received news from the Imperial court a few days ago.”

Luo Tianshui didn’t continue Luo Yilin’s words, but said, ”

“What news?”

Luo Yilin asked curiously.

it’s about Jiang Li, the Lord of the great Xia city.

Luo Tianshui's beautiful eyes flickered as she murmured, " Jiang Li sent troops to annihilate the monster army in green scale city a while ago. Even Qing Wenling died in his hands.

"Oh."

Luo Yilin raised her pretty eyebrows. Jiang Li killed Qing Wenling. That means he's quite capable. He's qualified to be the Lord of a city.

"There's more to this."

Jiang Li, " Luo Tianshui continued, " the 'serpent Army' of Red Dragon County and the serpent-man commander of the 'serpent Army' were also annihilated that night.

Jiang Li killed the snake.

Jiang Li killed the snake? "

Luo Yilin exclaimed in disbelief, " sister Tianshui, is this true? " How can Jiang Li kill the snake?"

you should know that snake-biting is known as the strongest commander in chief in Red Dragon County. He's as famous as you, sister Tianshui.

of course, in my opinion, that snake is not worthy at all. He was just lucky and attacked a few cities of the Barbarian race. Compared to sister Tianshui, he is far worse.

"Hehe."

Luo Tianshui just smiled.

"However, even so, Jiang Li just took control of great Xia city and it suffered a great loss in the Qingshan Valley incident. How did he annihilate the one-line snake Army? It's unbelievable."

Luo Yilin still couldn't accept this fact.

“Yilin, don’t underestimate the city Lord of the great Xia city.”

let’s talk about the team that escorted Xu Ya, “Luo Tianshui said slowly. if my senses are correct, everyone in this team has reached the early stage of level two.

there’s also that special ‘transport carriage’. I don’t understand it at all, but my instinct tells me that it’s very dangerous. It’s not just a transport carriage.

“no way, yingluo.”

Luo Yilin’s mouth was wide open, and she was a little shocked.

“It’s a pity.”

Luo Tianshui shook his head again.

“Sister Tianshui, what are you feeling pity for?”

Luo Yilin asked.

the snake-biting Army and the one-line snake troop have been destroyed, and the governor of the green scale city, Qing Wenling, has been killed. For the red-browed demon Kingdom, this is a huge loss of face. They will definitely find a way to take revenge.

if everything goes as expected, “Luo Tianshui said,” when Red Dragon County finds out what happened, they’ll definitely send an Army.

but the Imperial court chose to give up on Jiang Li.

...

“In other words, the Imperial court won’t send any reinforcements and will only let the great Xia city run its own course.”

how could they do this?!

Luo Yilin was stunned and immediately became angry. She clenched her fists and shouted, " what Jiang Li did was beneficial to the great Qian dynasty, but he's being treated so unfairly.

"how could the imperial court of da qian do such a thing?"

sister tianshui, please think of a way to help jiang li. "

No. Luo Tianshui shook his head. in this situation, no one can save Jiang Li unless the great Qian dynasty sends reinforcements.

of course, Jiang Li can run away, but the chances are slim.

then Jiang Li is dead.

Luo Yilin opened her mouth.

Late at night.

The great Xia city.

...

In the city Lord's mansion.

BOOM!

Suddenly.

An explosion sounded.

The giant hammer mech that was guarding the mansion smashed his hammer and collided with a figure in the air, creating a violent shock wave.

“Ah!”

The figure in the air was sent flying.

A ‘bang’ was heard.

The walls of the courtyard had collapsed.

Shua! Shua! Shua!

Instantly.

The hidden meches rushed out and surrounded the figure who had sneaked into the city Lord’s mansion.

“Who is it?”

Jiang Li was woken up and he immediately rushed out of his bedroom.

* Cough cough *

The dust scattered.

The half-demon Red Jackal in black knelt on the ground. Blood was flowing out of his mouth and his face was pale. He looked at the giant hammer mech with fear.

“City Lord Jiang, is this how you treat your guests?”

Jiang Li! Hong Luan raised her head and shouted when she saw Jiang Li.

“So it’s elder Hong Luan.”

Hong Luan. Jiang Li recognized Hong Luan. you sneaked into the city Lord Mansion in a night suit at midnight. How can you be a guest with such an outfit? ”

“Hmph!”

Hmph! Hong Luan snorted coldly and said, ” I’m here to inform you that the deal has been settled. We can sell you all the medicinal herbs we’ve hoarded.

“But you have to prepare enough money.”

“Don’t worry, money is a small matter.”

let’s go. a smile appeared on Jiang Li’s face. He waved his hand and the meches around Hong Luan dispersed. The hammer mech also came back to Jiang Li.

“that’s true,”

Hong Luan stood up and patted the dust off her body. She said with a smile, ” city Lord Jiang has conquered the green scale city not long ago. He has obtained the wealth of a Monster City. Naturally, he is not short of money.

however, city Lord Jiang’s current situation is a little worrying. The Imperial court of the great Qian dynasty is corrupt and has no intention of sending troops over. The Commandery Prince of Red Dragon County, Red Dragon, is vengeful and will definitely seek revenge.

city Lord Jiang, you can’t defeat the entire Red Dragon County with just the great Xia city.

I have an idea, ” ye mo said. why don’t you join the half-monster Alliance? we’ll let you escape. Although you can’t be the castellan anymore, it’s good enough to keep your life.

your half-monster Alliance is well-informed.

Jiang Li said.

“It’s alright,”

Hong Ling returned a smile, “I wonder what city Lord Jiang’s decision is?”
