

Army 110

Chapter 110 Revenge

YS01 carried JJ01 and xx05. The transport truck was running at full speed. It activated its skill and arrived at five lakes city by noon.

Five lakes city.

The area of the city was not small. It was built in the middle of the five lakes. The five lakes were connected to each other and formed something similar to a moat. It was easy to defend but hard to attack.

After arriving outside of five lakes city, JJ01 surveyed the surrounding terrain and then came to a mountain peak a few thousand meters away from five lakes city.

Immediately.

he set up the sniper rifle and aimed the muzzle at five lakes city. he crouched down and activated his eagle eye and gun fighting technique at the same time.

Search for the target.

The YS01 stopped at the foot of the mountain.

Xx05 was standing next to JJ01 and communicating with xx01. Jiang Li could command from afar through xx05 so he could keep an eye on the situation.

It was like a live broadcast.

In the city Lord's Manor of five lakes city.

“Judging from the time, Wu Di and he Liping should be back soon.”

Luo Yanping stood up and walked out of his bedroom in the city Lord's Manor. I have to think carefully about what I should do to obtain such a large amount of wealth out of thin air.

Well, first of all, I have to contribute a sum to the second Prince to strengthen my friendship with him. The rest can be used to buy some pills for cultivation.

“The Army's equipment also needs to be changed.”

haha, Jiang Li is a good man. He's dying, but he gave me such a fortune before he died. He's a good man.

“Hahahahaha!”

Luo Yanping laughed out loud. He was in an extremely good mood.

“Target locked!”

Kachaa!

Outside five lakes city.

On a Hill thousands of meters away.

As soon as Luo Yanping came out of the bedroom, JJ01 immediately locked on to him. The energy bullet clip had already been changed, and the safety had been opened.

“Kill him!”

jiang li said.

“Yes.”

bang! bang!

JJ01 pulled the trigger, and a Platinum energy bullet shot through the air, creating a loud sound. It pierced through the air and formed a vortex-shaped air wave.

JJ01's entire body trembled. The powerful recoil force caused his body to move back by a centimeter.

Bang!

The next moment.

In the city Lord's Manor of five lakes city.

“!!!”

Luo Yanping raised his head and saw the energy bomb flying through the air. His eyes widened, and his face was filled with shock and horror. He instinctively activated his protective Dipper energy.

The white-gold energy bullet, which contained terrifying kinetic energy and metal energy, easily pierced through Luo Yanping's protective stellar energy and blew up his head. It was like a watermelon being crushed by a car's wheel. Blood and flesh flew everywhere, splattering all over the ground.

There was a loud 'boom'.

Even the fake mountain behind Luo Yanping was smashed into pieces, exploding into pieces.

One shot to death!

Compared to the Black Dragon.

Luo Yanping's strength and reaction speed were far too inferior. Black Dragon had even blocked a few of JJ01's attacks, and his instinct had warned him of the danger.

As for Luo Yanping.

JJ01 shot him in the head.

Kill him!

the target has been killed. Mission complete.

JJ01 quickly kept his gun and stood up.

“Well done.”

okay. Jiang Li nodded with satisfaction. come back.

“Yes.”

JJ01 nodded and went down the mountain with xx05. They got on the truck with YS01. YS01 went full throttle and activated its [treading on flat ground] skill. They returned to the city at full speed.

At this moment.

In five lakes city.

The huge commotion in the city Lord's mansion attracted the guards. They immediately rushed into the mansion to check, but they saw Luo Yanping's headless body in the courtyard.

the city Lord is dead!!!

...

“the city lord has been assassinated!”

“Something big has happened.”

“!!!”

The assassination of the city Lord was a huge matter.

Five lakes city fell into chaos.

Fortunately, Zhuo linyue, the county Lord of five lakes city, stepped in and temporarily stabilized the chaotic situation in five lakes city. He then sent people to investigate the cause of Luo Yanping’s death and the murderer.

However ...

JJ01 had sniped Luo Yanping on a Hill thousands of meters away. No matter how hard Zhuo linyue investigated, he couldn’t find anything. It had become an unsolved case.

this situation is very similar to when the regional King, Chi Heilong, was killed.

” that is to say, the murderer might be from the same force and has a special assassination technique. ” zhuo linyue noticed something unusual.

“The information we have is still too little.”

...

Zhuo linyue shook his head in regret.

on the same day.

The news of the assassination of Luo Yanping, the city Lord of five lakes city, had also reached Tianshui city and hope City. When Luo Tianshui and Guo Yi received the specific news, they were somewhat surprised.

Luo Yanping had actually been assassinated.

At the same time, they were trying to guess who the murderer was.

Furthermore ...

The sudden appearance of such a powerful assassination force in the Black Dragon County had worried them.

Hope City.

Although Hua Tian was not as successful as Xu Ya in Moon City, it was much better than Hu Dong's situation. Although they were suppressed by the Chamber of Commerce in Moon City, it was not as terrifying as in five lakes city.

city Lord, Hua Tian has sold nearly one hundred million taels of silver worth of spirit herbs, gold, silver, and jewelry in our Hope City. There are also Pills and weapons, but it seems that they are not sold out yet.

Guo Yi's subordinate, long jingze, reported.

"I know."

Guo Yi waved his hand. you don't have to worry about this.

"City Lord, this is a huge fortune."

if we can take him down, it'll definitely strengthen our Army in Hope City, "long jingze said. besides, with Jiang Li's situation, we don't have to worry about revenge at all.

"Shut up!"

Guo Yi turned around, his eyes cold. I don't need you to tell me what to do.

“Get lost!”

Guo Yi snorted coldly.

“this subordinate of youyou will take his leave.”

Long jingze’s tone was slightly panicked as he quickly left.

“Jiang Li.”

Guo Yi placed his hands behind his back and looked into the distance. with your current situation, you will definitely die without the Imperial court’s reinforcements.

according to the information I’ve gathered, you’ve sent people to Tianshui city, five lakes city, and hope City. Then, you’ve sold a large amount of gold, silver, jewelry, spirit herbs, medicinal pills, and weapon materials.

then, I spent all the money I earned from the sales on ordinary medicinal herbs.

“i guess you have used up all the wealth you have plundered from the green scale city. i really don’t know what you are planning to do with such a large amount of wealth.”

since you want to trade in Hope City, I won’t hit you when you’re down. I also want to see what you’ll do if you can survive this.

In the evening.

JJ01 and the others had safely returned to the great Xia city.

Hu Dong and the others also left.

city Lord, I failed to complete your task. Please punish me.

Hu Dong knelt down and said.

“Get up first.”

No. Jiang Li waved his hand. it's not your fault. I just didn't expect Luo Yanping, the city Lord of five lakes city, to be so greedy.

city Lord, although I was unable to sell anything because the Chamber of Commerce had lowered the price too much, I still managed to sell some items when I first arrived in five lakes city. I also bought quite a number of ordinary medicinal herbs.

“This is the detailed list of transactions, please take a look,” said Hu Dong.

“Let me see.”

okay. Jiang Li nodded, took the list, and read it.
