

## Army 124

Chapter 124 Disobeying the decree

In reality.

Jiang Li didn't lie. He didn't have the so-called 'ancient puppetry'.

"You're so silly!"

Jiang Boyi was stunned, and his expression became a little stiff.

Before he came, he had made many guesses and anticipated Jiang Li's reactions.

After all ...

In the great Qian dynasty, not every city Lord was self-aware and not every city Lord was 100% loyal to the great Qian imperial court and King Qian.

He had thought that Jiang Li would find all kinds of excuses to decline or quibble.

He didn't expect that.

Jiang Li replied with two words-no!

He was lying through his teeth.

For a moment.

Jiang Boyi was also at a loss for words.

"Jiang Zhizhi, city Lord Jiang Zhizhi"

“jiang li!” han liqi was nervous. he clenched his fists and found that his palms were covered in sweat. he panicked. jiang li was facing jiang boyi head-on.

one had to know.

The great gan Lord dynasty.

There were a total of 36 counties.

It corresponded to it.

there were a total of 36 inspectors. the power of an inspector was extremely high, enough to mobilize the imperial court’s army. in the imperial court system of da qian, an inspector’s rank was even higher than a commandery prince.

Above the inspector.

It was the Admiral.

In order to become an admiral, other than making great contributions and being recognized by King Qian, one would also need a powerful cultivation base.

It had to be at the early stage of the 3rd rank.

If ...

the kings of the 36 counties might be below level three in cultivation. for example, yi heilong, the king of the black dragon county, might be at the early stage of level three, or even higher.

“Hu~~Hu~Hu~”

Jiang Boyi let out a breath of turbid air, and his face became slightly gloomy. His right hand unconsciously placed on the hilt of the nine chain great Cleaver at his waist.

Vaguely.

the surrounding spiritual qi gathered.

Jiang Li could clearly feel the air around him become thick, as if he had fallen into a swamp.

Tier 3!

After opening the celestial bridge, one could absorb spiritual energy into their body. After combining it with their own internal energy, the quality would become 'innate true Qi'. They could control the spiritual energy around them to a minimum, forming an innate domain.

After reaching this level.

His life essence had evolved, and he could fly for a short period of time. His lifespan had increased, and he could enjoy a lifespan of 300 years.

Jiang Li, you're lying.

Jiang Boyi said in a deep voice, 'do you think I'm blind? can't you tell that your subordinates are all puppets?'

did you still tell this Admiral?!

"Hehe."

"I'll give you a piece of advice, don't test my patience. Do you know what the consequences are for disobeying the Imperial edict? even eternal damnation is a light punishment."

"Jiang Zhizhi, city Lord Jiang, why don't you remain as Zhizhi?"

"I'm afraid." as soon as han liqi said that carefully, jiang li looked at him coldly. han liqi was so scared that he quickly lowered his head and closed his mouth.

“Commander Jiang.”

hong tianqi gritted his teeth and said, ” city Lord Jiang, he is in charge of the great Xia city. He has defended against the invasion of the demons many times. He has killed the demons, destroyed the one-line snake Army, and gotten rid of the snake guards. He has removed a huge threat for the great Qian dynasty.

not long ago, he even annihilated the 30000 demon Vanguard troops in Red Dragon County.

all kinds of impressive battle records and outstanding battle achievements.

“The Imperial court’s actions have truly chilled our hearts.”

“Shut up!”

jiang boyi swept his cold eyebrows and snorted. “Cold-hearted? What right do you have to be disappointed? What a joke. Without the backing of the great Qian dynasty, do you think you can stop the red eyebrows Yao Kingdom with your city?”

“it is because of the intimidation of the imperial court of da qian that the red eyebrows demon kingdom did not dare to invade. otherwise, you would have been wiped out long ago.”

“Thirty thousand demon soldiers? Is it very amazing? It’s just a small fight.”

“Also, do you know how many humans will be killed if the peace on the surface is broken and the great Qian dynasty and the red eyebrows Yao Kingdom officially go to war? How much will we lose?”

the red eyebrows Fey Kingdom is just one of the kingdoms on the border of the great Qian dynasty. The great Qian dynasty is North of the red eyebrows Fey Kingdom and the black snake barbarian kingdom, South of the human great Wei Dynasty, West of the lion barbarian kingdom, and East of the Mang Huang Lake.

...

among them, 'demons' reside in the lake. They have to station troops all year round to guard against the attacks of the 'demons'. Tens of thousands of soldiers die every year.

“Outstanding battle achievements?”

Jiang Boyi sneered. don't flatter yourself.

“This bi an ...”

Hong Tianqi was stunned and didn't know how to refute.

obviously.

Compared to Jiang Boyi, who was an old fox in the Imperial court, Hong Tianqi was much more immature. Jiang Boyi's few words made Hong Tianqi speechless.

In fact, he even had a feeling that what the other party said made sense.

“Your words are really nice to hear.”

Xu Ya snorted. all kinds of reasons and excuses. This is how you can claim to be the Emperor and say, 'for the sake of the big picture, some sacrifices are inevitable'.

“Not rewarding merits and not punishing guilty, I think it's about time for the Imperial court to be punished.”

...

“Noisy thing.”

Jiang Boyi's eyes were cold. He circulated his innate true Qi and controlled the spirit Qi of heaven and earth, forming an illusionary spirit Qi palm that grabbed Xu Ya's neck. do you have the right to speak here? ”

“Die!”

“!!!”

xu ya’s beautiful eyes shrank, and the pressure of the inborn realm surged like a towering mountain. the internal force around her body froze and could not be mobilized. her heart seemed to have stopped beating.

Terrifying!

It was too terrifying!

The power of the connate realm was beyond Xu Ya’s imagination. Just a casual grab had produced such power that Xu Ya was facing death.

“You dare touch my people?”

ynsh01. Jiang Li raised his head and signaled ynsh01.

Ynsh01 raised his hand and slapped him. There was a faint, invisible light of psionic energy on his hand.

Bang!

The spirit Qi palm shattered and exploded, turning into light spots that filled the sky. The pressure of Jiang Boyi’s innate domain dissipated.

“.....”

Jiang Boyi was stunned.

thank you, Jiang Li. Xu Ya gasped for air. Her pale face gradually regained color. She was still scared, but her heart was filled with joy and gratitude for Jiang Li’s help.

“Thank you, city Lord.”

xu ya said.

“All of you, retreat to the back.”

Jiang Li waved his hand.

“Yes!”

“Yes, sir!”

Hu Dong, Wang Pingyuan, Xu Ya, Wu Zong, pang kui, and the others obeyed the order and retreated to the back to watch the battle. The surrounding residents and city guards also looked over from afar.

“City Lord is going to disobey the decree!”

that’s the Admiral! He’s here with the Imperial edict and he’s representing King Qian. How dare the city Lord be so arrogant? ”

I think King Qian is confused as well.

“If it wasn’t for the city Lord, our great Xia city would have long been gone.”

are you tired of living? King Qian is not someone that we commoners can talk about. Be careful or you’ll lose your head. Stop talking nonsense.

everyone discussed in low voices.

“Rank 3!”

Jiang Li. Jiang Boyi came back to his senses, looked up at Jiang Li, then at the tall man next to Jiang Li, and finally at Jiang Li.

“I see.”

jiang boyi understood and had an expression of sudden realization. ” no wonder you dared to disobey the decree. so this is what you’re relying on, the third-rank puppet! ”

“I didn’t think, I really didn’t think that you would be able to create a third rank puppet. Without a sound, you’ve strengthened your strength to this extent.”

“I think you already have the heart to rebel.”

Tier 3!!!

Han Liqi was dumbfounded. He raised his head and looked at Jiang Li. He was dumbfounded. When did Jiang Li have a level three subordinate?

This ... This ...

It was too fast.

This was too fast.

One had to know.

Han Liqi had discussed this with Hong Tianqi before. He was worried that the Red Dragon would lead an Army to attack. The Red Dragon was a level-three demon who had just awakened its bloodline.

Han Liqi didn’t think Jiang Li would have a level three subordinate.

now.

there was one standing next to jiang li. he just stopped jiang boyi and shattered jiang boyi's innate domain. he was definitely at level three.

“Third rank, it's actually third rank.”

Tier 3! Hu Dong was extremely excited. this is Tier 3! The city Lord really has Tier 3 subordinates!

“The city Lord is mighty!”

Wang Pingyuan was excited.

“there's hope for the great xia city.”

Hong Tianqi sighed.

“!!!”

xu ya looked at him with admiration.

“.....”

Everyone's eyes were filled with respect.

Shua!

The next moment.

Jiang Boyi made his move. He drew the nine-ringed broadsword from his waist. The blade was black and did not reflect any light. He circulated his innate true Qi and slashed.

instantly.

die! the nine-meter-long sword ray slashed at Jiang Li.

Hurry up!

It was as fast as lightning!

city Lord, be careful!

Everyone cried out in alarm.

“Stop him!”

jiang li was already on guard and ynsh01 reacted faster than he expected. as the psionic energy gathered, the psionic cannon on its left shoulder fired.

BOOM!

A dark energy Cannonball was fired.

there was a loud ‘bang’.

The blade light exploded.

It was directly smashed into pieces.

“What?”

Jiang Boyi’s eyes widened in shock. He looked at the dark energy cannonballs that were coming through the air and quickly retreated. In an instant, he slashed more than ten times.

Shua! Shua! Shua!

The blade light formed a sword dance.

“BOOM!”

The sound of an explosion rang out.

The blade auras were shattered and the psionic cannonballs exploded, creating terrifying shockwaves and storms. The hammer meches protected Jiang Li from the shockwaves.

The ground cracked, and the city gate was shattered.

“Ah!”

ah! Jiang Boyi screamed. He flew backward, blood flowing from the corner of his mouth. After he landed, he kept retreating. Every step he took left a deep footprint on the ground.

One shot!

it was only one shot!

jiang boyi had been beaten up like this.

Obviously.

Although Jiang Boyi was at the third stage, he was only at the early stage of the third stage. Ynsh01 was at the late stage of the third stage. The difference between the two was more than a few small levels.

“Admiral!”

Jiang Boyi’s four subordinates exclaimed in shock.

“So strong!”

what? ” Hong Tianqi was shocked. Admiral Jiang couldn’t even withstand one attack from the city Lord’s subordinates. He was beaten to the point of spitting blood.

I thought this commander Jiang was very powerful. He was so arrogant just now, but in the end, he was still beaten up by the city Lord’s subordinates.

“he deserves it,” hu dong said sarcastically.

“yes, yes.”

Wang Pingyuan and the others nodded.

“Gulp!”

Han Liqi swallowed. He didn’t dare to say anything bad about Jiang Li anymore. He was afraid that he might annoy Jiang Li and make Jiang Li’s subordinates do the same to him.

Then he would be dead.

The kind that would not even leave a corpse behind.
