

## Army 145

### Chapter 145 The conditions

In the county office.

“city lord, are you really going to attend this banquet?”

Han Liqi asked in a low voice, “I feel that the banquet this time is not a good one. The Imperial court of da Qian has sent a new regional King at this time. Furthermore, he is the third Prince, King Qian’s trusted aide.

“I’m afraid he doesn’t have good intentions.”

“No need to say more, I’ll only make arrangements,”

Jiang Li didn’t want to explain anything. He just threw the invitation to Wang Gang and left the county government office.

“.....”

Han Liqi looked at Jiang Li and lowered his head in silence.

“A treacherous plot?”

Jiang Li looked in the direction of the Black Dragon County and chuckled. great. I’d like to see what kind of people the higher-ups in the Imperial court are.

In reality.

just based on the current situation.

Even if Jiang Li knew it wouldn’t be a good feast, he had to go.

If they went, they could still buy some time. If they didn't go, the Army of the Imperial court of da Qian might come and send more than two-digit Stage 3 experts.

To tell the truth.

Jiang Li didn't have a good chance of winning.

Since the Imperial court of great Qian had sent the third Prince to the banquet and held this so-called 'banquet', it meant that they didn't want to use the Army yet. They wanted to deal with Jiang Li through other means.

Or rather ...

The military situation in the Imperial court was tense, so they couldn't send a large number of troops to deal with Jiang Li.

He could only take a step back.

No matter what the situation was.

It was a good thing for Jiang Li.

With ynsh01, who was at the perfected stage of level three, Jiang Li wasn't afraid to go to the party.

The night came.

The city gate of the great Xia city opened.

Jiang Li sat in the passenger seat of YS01 and sent out 100 transport meches, 58 of which were loaded with silver and gold.

The remaining 42 were the mech troops.

Ynsh01, as well as the perfected stage two elite troops, were also going.

“Let’s go.”

Qingshan Valley! Jiang Li shouted. destination: Qingshan Valley.

“rumble!”

the [ treading on flat ground ] skill was activated.

Hundreds of transport trucks moved at full speed. The roar of the engines sounded, and the speed was extremely fast. In the blink of an eye, they disappeared into the misty night.

I hope the deal between you and the half-monster Alliance will go smoothly without any accidents.

Hong Tianqi stood on the city wall and prayed in his heart as he watched the carriages disappear into the night. He turned to the city guards and said, ” “All of you better keep your eyes open and increase the patrols, you hear me?”

“Yes!”

The city guard responded in a loud and clear voice.

Red eyebrows demon Kingdom, Red Dragon County city.

The ground shook.

The Crown Prince led 100000 elite troops of the demon Kingdom to the county city of Red Dragon County. In addition, when they passed by yehuang County, they also forcibly conscripted 50000 demon soldiers from yehuang County.

Furthermore ...

Ye Huang was also forced by the Crown Prince to participate in the war.

“The crown prince’s general.”

Although Ye Huang was unhappy, he appeared to be very respectful on the surface. the 100000 elite troops of the fey Kingdom have marched for a day and a night. Why don’t we rest in the red Dragon County city for a night and set off tomorrow? ”

“Yes.”

alright. the Crown Prince nodded and said in a low voice, ” let’s rest for a night. We’ll go to the Black Dragon County tomorrow and complete His Majesty’s order. We’ll destroy the great Xia city and take Jiang Li’s head.

“That’s for sure,”

Ye Huang smiled. with the crown prince’s general taking action, a mere human city will be a piece of cake. It can be destroyed in minutes.

no, County King ye, you are wrong.

The Crown Prince shook his head. His eyes were calm and emotionless as he said, ” even when a Lion fights a rabbit, it must use its full strength. No matter who the enemy is, or how big your chances of winning are, you can’t be blindly confident. You must go all out.

on the battlefield, any carelessness can cause irreparable consequences, even leading to the failure of the entire war.

” that’s why i let the army rest for a night to prepare for the battle that’s about to come tomorrow in the best condition. ”

“.....”

...

Ye Huang scoffed. the crown prince's general is right. I've learned a lot.

County King ye, you should know the Red Dragon's strength better than me.

if he goes all out and burns his bloodline, he can reach the mid-stage of the third level or even fight against the late-stage of the third level, " the Crown Prince said.

"But he was still killed."

" from this, it can be seen that the great xia city has the weakest late-stage tier 3 martial artist. in addition to the destruction of 100000 demon soldiers, the great xia city's military strength is definitely not small. "

"This bi an ..."

ye huang wiped the cold sweat from his forehead. " general, you said that jiang li is a tough nut to crack, right? "

"No matter how hard the bones are, I'll gnaw them to pieces."

kill them! the Crown Prince shouted, " the souls of hundreds of thousands of demon civilians and demon soldiers in Red Dragon County must be washed away with the blood of great Xia city and Jiang Li's life!

"Yes!"

Ye Huang nodded his head solemnly.

...

"Let's enter the city,"

The Crown Prince walked towards the county city of Red Dragon County with Ye Huang following closely behind. The 150000 demon soldiers behind him entered the city one after another and the demon citizens of Red Dragon County welcomed them.

The night came.

Jiang Li had already arrived outside Qingshan Valley.

“Stop the car.”

stop! Jiang Li shouted. The engine stopped and the light disappeared. The hundred transport meches all stopped.

“City Lord Jiang.”

In less than half a minute.

E kui walked out of the forest and came to greet Jiang Li. He bowed to Jiang Li and said with a smile, ” “You’re early again this time. It’s not midnight yet.”

“You guys came earlier than me.”

let’s go. Jiang Li got off the truck. Ynsh01 and the rank two elite soldiers also got off and followed Jiang Li.

“This is a Kasaya.”

huh? ” e kui was stunned because he saw the mechanical mammoth cavalry behind Jiang Li. It was nine meters tall and extremely burly. It gave off an overwhelming pressure that made him feel suffocated.

“gulp!”

e kui swallowed his saliva.

“Elder E kui, have you brought the herbs for the trade?”

Jiang Li asked.

“Ahem.”

E kui coughed lightly, ” that’s only natural. The medicinal herbs to be traded today have already been transported to Qingshan Valley. We are just waiting for city Lord Jiang.

“alright,” he said.

I’m fine. Jiang Li smiled. since we’re here in advance, let’s start the deal in advance. Elder E kui, what do you think? ”

“no problem,” he said.

“Please,” e kui nodded and motioned.

“Yes.”

let’s go. Jiang Li followed them and entered Qingshan Valley. The hundred transport meches followed behind him while the other meches were on alert.

Very quickly.

Soon, Jiang Li arrived at Qingshan Valley.

in the valley.

There were many large carriages surrounded by half-beasts. They were well-equipped and there were many of them. The carriages were covered with canvas. Although he couldn’t see what was inside, he smelled herbs.

Furthermore ...

This time, there were many times more large carriages than last time. The entire Qingshan Valley was almost full. Jiang Li was in a better mood when he saw this.

These were all energy points!

“City Lord Jiang, how is it?”

E kui waved his hand and said with a proud tone, ” “Are these herbs enough? i’ve spent a lot of effort to transport it from other sub-leagues.”

“it’s alright,”

“i’ll go,” jiang li said.

“Wang Gang,”

Jiang Li glanced at her.

“Yes.”

Wang Gang nodded and received the order. He opened the doors of the transport trucks behind him, and the White and Golden silver and gold came into view.

one car after another.

Under the moonlight.

The reflection of silver and gold blinded his eyes.

“Gulp!”

e kui's eyes widened and he swallowed his saliva, " how much is this suan ni? city lord jiang, did you bring all your assets?"

"Hehe."

Jiang Li smiled but didn't say anything.

family?

This was only a part of what Jiang Li had gained.

"elder e kui, let's start the trade."

" yes, " jiang li said. " i'll give you the money and the goods. "

"Ahem."

e kui regained his senses and coughed lightly, " I'm afraid that's not possible. Before this transaction, city Lord Jiang still needs to meet a Lord.

"....."

The smile on Jiang Li's face disappeared. He said coldly, "Elder E kui, you've disappointed me. We should only talk about business and not anything else.

"City Lord Jiang, don't be so angry."

At this moment.

Hong Ling came over and said with a smile, " I'm only letting city Lord Jiang meet him. Furthermore, this is a good thing for city Lord Jiang.

“I’m not going.”

you’re right, “Jiang Li said coldly.

“City Lord Jiang, if you don’t agree, I’m afraid this deal will not work.”

E kui took a deep breath.

“Then I won’t do it.”

let’s go. Jiang Li waved his hand and the door of the transport truck opened. Electric meches and mechanical Rangers rushed out one after another.

Awoo!

The mechanical wolf soldiers howled in unison.

Clang! Clang!

the mech knight pulled out his long spear. the blade of the spear glowed coldly under the bright moonlight, and electric arcs appeared around the electric mech.

“Whoosh!!!”

Ynsh01’s body flickered with the light of psionic energy.

Kachaa! Kachaa!

JJ01 raised his sniper rifle.

“.....”

Jiang Li! e kui and Hong Luan's pupils constricted. They didn't expect Jiang Li to attack them without hesitation.

"Hahaha, what a good city Lord Jiang, such a decisive person!"

Suddenly.

From afar, a figure that had blended into the darkness was quickly approaching. His figure had arrived before his laughter, which meant that his speed had already broken through the sound barrier.

Jiang Li couldn't even catch the figure with his eyesight.

Hurry up!

It was too fast!

furthermore ...

The man seemed to have become one with the darkness and completely hid his aura. Jiang Li was only at the early stage of level one. There was a huge gap between them.

In the blink of an eye.

The figure rushed in front of Jiang Li.

"Whoosh!!!"

The black light gathered and the spiritual Qi formed a giant black palm. It grabbed at Jiang Li.

Bang!

The next moment.

An explosion sounded.

Ynsh01 immediately changed into a close combat form. His arms turned into scythes, and his figure flickered. The black blade light cut through the night sky and shattered the black palm.

The energy exploded, forming a storm.

Shua!

Wang Gang immediately took Jiang Li away from the battlefield.

“.....”

Jiang Li quickly calmed down. Although he was caught off guard, he didn't panic. He took a deep breath and shouted, ” “Prepare for battle.”

“Wait, Zhenzhen, wait.”

E kui shouted.

“what?”

the figure that had blended into the darkness was surprised. he looked at ynsh01 and landed on the top of a tree. “tier 3! Furthermore, he's at the great circle of Tier 3!”

“whoosh!!!”

Ynsh01 raised its head. Its eyes were filled with psionic energy. Mechanical psionic energy filled its body and body like a black mist.

The psionic cannons on his shoulders were gathering energy.

boom! boom!

The psionic cannon fired, and the pitch-black energy Cannonball was blasted out at the fastest speed possible. It was as fast as lightning, and it directly bombarded the figure standing on the treetop.
