

## Army 150

### Chapter 150

The mech King walked in front of Jiang Li and pushed open the door of the reception hall. The people in the hall heard the door open and looked to the door.

the reception hall was luxurious and well-decorated. jiang li looked around and noticed the people in the hall, but he didn't know any of them.

Jiang Li used to be the son of the leader of an unranked gang, so he had never seen the other four city Lords in the Black Dragon County.

It was normal for them to not know each other.

However, Jiang Li was very famous in the Black Dragon County. The castellans of the other four cities had seen his portrait before.

There weren't many people in the reception hall, only ten. They were all sitting in their seats and didn't look like they were going to get up. They were all sizing Jiang Li up.

you're Jiang Li? ”

Suddenly.

One of the city Lords stood up and walked to Jiang Li with a smile. He extended his hand and introduced himself, ” “I'm the city Lord of Pingding city, Chang pingwang.”

“Oh.”

Governor Chang. Jiang Li raised his eyebrows and sized up Chang pingwang but didn't shake hands. Governor Chang.

I have long heard that city Lord Jiang is young and promising. Seeing you today, you are indeed extraordinary.

Chang pingwang smiled and retracted his hand naturally. He wasn't embarrassed and instead said in a kind tone, I wanted to visit city Lord Jiang in the great Xia city a while ago to thank him for saving Dong Lin in Qingshan Valley, but I was delayed by various things.

“Hehe.”

hehe. Jiang Li chuckled.

“City Lord Jiang, you're attending the banquet of the regional King, yet you brought so many people with you.”

At this moment.

Zhuo linyue, the county Lord of five lakes city, looked over and said, ” “City Lord Jiang, you are indeed as the rumors say, you are very cautious.”

“however, to put it nicely, he's cautious. to put it bluntly, he's timid.”

In the surroundings.

guo yi held a cup of hot tea in his hand and took a sip. his eyes were slightly closed as if he had not heard or seen anything.

It was none of his business.

Luo Yilin, on the other hand, was looking at Jiang Li with a smile. She looked like she was watching a good show.

“Slap his mouth.”

Jiang Li glanced at Zhuo linyue from the corner of his eyes.

“Yes.”

Shua!

Wang Gang nodded and disappeared. The next moment, he reappeared in front of Zhuo linyue and slapped him.

“Stop.”

Zhuo linyue’s subordinate immediately made his move. He was a middle-aged man with a rough face. His internal force was condensed, showing the heaviness of the earth attribute.

“Mountain palm.”

BOOM!

After the middle-aged man’s palm struck out, his internal force glowed. It was as if a mountain was really pressing down on him, containing extremely strong power.

Bang!

Wang Gang turned his palm into a fist. The fist print fell, creating a strong vibration that formed an air explosion. The vibration waves spread out and directly shattered the palm print.

“Ah!”

Pfft!

The middle-aged man screamed and vomited blood. With a ‘crack’, his right arm was broken. He flew backward and knocked down tables and chairs. He lay on the ground, holding his arm and wailing.

His internal organs were all injured.

“You!”

Xiao Lin? ” Zhuo linyue’s pupils constricted and he looked at Jiang Li in shock. Xiao Lin is a martial artist at the late stage of level two, but he couldn’t even block one move from Jiang Li.

The most important thing was ...

Zhuo linyue didn’t expect Jiang Li to be so overbearing and reckless. He even dared to attack in the Junwang family without any mercy.

One had to know.

Zhuo linyue just wanted to test Jiang Li, but he didn’t expect things to turn out like this.

“this bi an ...”

Jiang Li? ” Chang pingwang was also stunned. He muttered to himself, ” this Jiang Li really has no worries. His strength is also unfathomable.

he just sent a random subordinate and severely injured Zhuo linyue’s subordinate with one move.

“what a good fellow!”

Guo Yi raised his head and his pupils contracted slightly. He said to himself, ” the strength and speed just now are definitely at the perfected stage of Tier 2. Any subordinate he sent out is already at the perfected stage of Tier 2.

how much strength is Jiang Li hiding? ”

“We can’t provoke them, we can only please them.”

Wang Gang walked in front of Zhuo linyue, raised his hand, and slapped him. An incomparably loud slap resounded throughout the entire Hall.

...

“Ah!”

ah! Zhuo linyue screamed in pain, and half of his face was swollen.

Even though ...

Zhuo linyue was also a rank two, but he was far inferior to Wang Gang. He couldn't avoid the slap.

Moreover, he didn't dare to Dodge now.

“Mission accomplished.”

Wang Gang returned to Jiang Li's side.

“Yes.”

okay. Jiang Li nodded. He didn't take it to heart. He walked forward and found a seat.

the meches stood behind jiang li in a line. they looked intimidating.

“.....”

...

The others didn't dare to speak. The entire Hall was filled with an extremely oppressive atmosphere, and it became very quiet. Only Xiao Lin's moans could be heard.

It could be said that ...

These city Lords were all stunned.

“Jiang Li.”

luo yilin suddenly got up and walked to jiang li with her hands behind her back. she walked to jiang li and said, ” “Can I ask you a question?”

Jiang Li looked at Luo Yilin in front of him. She was wearing a long white dress with two braids. She was small, had a delicate face, and big breasts. She had a cute body and a mature voice.

“Young miss Zhenzhen”

Luo Yilin’s two subordinates turned pale. They were afraid that Luo Yilin would provoke Jiang Li. Didn’t they see that Jiang Li just sent a random man to seriously injure Xiao Lin, who was at the late stage of level two?

They weren’t weak, but they were no match for Jiang Li’s men.

“.....”

Jiang Li closed his eyes and ignored Luo Yilin.

“hu ~~ hu ~ hu ~”

Luo Yilin’s two subordinates were indeed secretly relieved.

“jiang li.”

Luo Yilin continued,”I heard that the reason you were able to protect the great Xia city, kill the Red Dragon, and destroy 100000 demon soldiers was because you’ve mastered the true inheritance of the ‘ancient puppetry’.”

“Is it true?”

He couldn't help it.

The other city Lords all looked over.

One had to know.

The news about the 'ancient puppetry technique' had almost spread throughout the Imperial court of da Qian. Even King Qian of the Imperial court was coveting it.

Guo Yi and the others were naturally very curious.

“!!!”

Luo Yilin's subordinate was so scared that his face turned pale.

One had to know.

The 'ancient puppetry technique' was a secret, how could he casually ask about it?

Jiang Li still didn't say anything.

“Are you an oil bottle?”

Luo Yilin pouted. they're not talking.

“I have no obligation to answer your question.”

“There are some things that should be asked and some that shouldn't be asked.”

Jiang Li opened his eyes. last time when Xu Ya went to Tianshui city, the herb trade went well. I won't blame you for being rude this time.

“I hope there won’t be a next time.”

“If you don’t want to answer, then don’t.”

luo yilin muttered, but she still returned to her seat and sat down.

“Miss, you scared us just now. Why did you provoke Jiang Li? ” didn’t you see that zhuo linyue was slapped after saying a few provocative words? how dare you ask jiang li about the ‘ancient puppetry’? what if you piss jiang li off? ” We can’t stop Jiang Li’s men.”

Luo Yilin’s subordinate said.

“I know what I’m doing,”

Luo Yilin waved her small hand and said without a care.

Half an hour later.

“Haha, haha, haha, city Lords, sorry to keep you waiting.”

The door of the reception hall was pushed open.

A hearty laughter came over. First, several maidservants and servants came in, and then Qian Shixi, who was slightly short and fat and dressed luxuriously, came into the hall.

The black and white elders followed Qian Shixi.

“No, no, third Prince, you’re being too serious.”

Chang pingwang immediately stood up, cupped his hands to Qian Shixi, and said in a flattering tone.

“greetings, third prince!”

Zhuo linyue stood up and bowed.

“Third Prince!”

Guo Yi cupped his hands.

“.....”

Luo Yilin pretended to bow.

Only Jiang Li was still sitting in his original seat. He didn’t intend to stand up at all. Instead, he looked at Qian Shixi and the two old men behind him.

“city lords, from now on, i’m no longer the third prince. i’m the second prince of the black dragon county. don’t call me ‘third prince’ anymore.”

Qian Shixi said.

“Yes, Your Highness.”

Chang pingwang and the others all called out.

“County Magistrate Zhuo, what happened to your face?”

Qian Shixi looked at Zhuo linyue.

“This Yingluo, this Yingluo”

zhuo linyue glanced at jiang li and said, ” “Your Highness, I accidentally knocked into a pillar just now.”

“Hit the pillar?”

Qian Shixi was suspicious.

“Hehe hehe”

Luo Yilin laughed.

“.....”

Zhuo linyue’s face darkened.

“ahem.”

Qian Shixi coughed lightly and changed the topic. city Lords, the banquet is ready. We’re waiting for you to sit down. I hope you can work with me to manage the Black Dragon County.

“I don’t think there’s a need.”

At this moment.

Jiang Li stood up and looked at Qian Shixi calmly. He said slowly, ” “third prince, let’s not waste any more time. let’s forget about the banquet and get straight to the point.”

“This bi an ...”

Everyone was stunned.

They didn’t expect Jiang Li to suddenly say that.

It was beyond his expectations.

what’s this Jiang Li doing? ”

Guo Yi thought to himself.

“There’s a good show to watch.”

Luo Yilin’s eyes lit up.

“city lord jiang, what is the meaning of this?”

qian shixi’s face darkened.

“Hehe.”

Jiang Li smiled, glanced at Qian Shixi, and said slowly, ” Qian Shixi, if I’m not wrong, you must have set up many traps at the banquet. Just wait for me to fall into them.

“But do you think I’m stupid enough to jump into the trap you’ve dug and let you slaughter me?”

“The reason I’ve been waiting here all this time was to wait for you to appear. Otherwise, it wouldn’t have been easy to find you.”

one had to know.

Jiang Li was in urgent need of a level-three soul Tinder, and the fastest way to get it was to kill a level-three creature.

so,

Jiang Li didn’t come to the Black Dragon County to attend a banquet.

Instead, he was here to kill someone and get the level-three soul Tinder.

After all ...

If the Imperial court wanted to deal with Jiang Li, they would have to send a level-three connate martial artist.

Why wouldn't he want a soul Tinder that was delivered to his door?

“Hahahahaha!”

haha! Qian Shixi laughed and his eyes turned cold. Jiang Li, that's right. This banquet is specially prepared for you.

“Since I've already exposed it, this Prince doesn't need to continue acting.”

“There's no need to hide it.”

during the banquet, I did set up an inescapable trap. With 100 stage-two experts, 1000 stage-one experts, and the 'Army-slaughtering sword case' as the core, it was a stage-three killing formation.

“As expected,”

Chang pingwang's pupils constricted and he slowly stepped back. He glanced at Jiang Li and said, ” the imperial court of da qian prepared this banquet to deal with jiang li. we're just supporting roles. ”

“A rank three killing formation.”

Guo Yi took in a deep breath. what a huge sum.
