

Army 153

Chapter 153 Rebellious

Buzzzzzz!

Suddenly.

A white light came out of Qian Shixi's body and flew into Jiang Li's forehead. It disappeared.

shua!

[acquired a Tier 3 soul Tinder!]

In front of him.

A notification flashed.

third-rank soul Tinder.

a level-three soul Tinder? ” Jiang Li's eyes glowed with joy. He looked at si Shixi's body. not bad, not bad. I only killed three level-three ones and a level-three soul Tinder dropped.

“That's not right either.”

No. Jiang Li shook his head. actually, I've already killed five level-three soul Tinders and only got one level-three soul Tinder.

“I'm already quite lucky.”

The Dominator panel opened.

In the soul Tinder column.

There were nine level-one soul Tinders, one level-two soul Tinder, and one level-three soul Tinder.

“Repair.”

Shua!

Jiang Li used 100 energy points to repair the damage of 100 perfected-stage level two electric meches. A white light flashed on the meches and they were all healed.

“Do it. Don’t leave a single one of them alive.”

Jiang Li glanced at the hundreds of level-two and thousands of level-one experts lying on the ground. They were all Qian Shixi’s men, so they couldn’t be kept alive.

“Yes!”

Yes, sir! the hundred perfected-stage level two electric-powered meches nodded and quickly attacked. The people lying on the ground had already suffered from the backlash of the formation and lost the ability to resist.

In less than half a minute.

Kill them all.

The reception hall was filled with corpses.

The air was filled with the pungent smell of blood.

“How ruthless.”

” jiang li? ” zhuo linyue swallowed. ” they lost their ability to fight back, but jiang li still killed them all. ”

“.....”

Chang pingwang’s eyes were filled with fear.

“Decisive in killing!”

Guo Yi’s tone was reverent.

Buzzzzzz! buzzzzzz!

Soul Fire Seeds flew out of the body and merged into Jiang Li’s forehead.

[acquired a first-stage soul Tinder!]

.....

[acquired a first-stage soul Tinder!]

.....

[acquired a stage-two soul Tinder!]

.....

Soul Tinder.

The number of level-one soul Tinders increased to 110, and the number of level-two soul Tinders increased to six.

In other words ...

This time, there were a total of 101 level-one soul Tinders and five level-two soul Tinders.

Jiang Li, you've killed Qian Shixi, and the Junwang mansion has been surrounded by the Black Dragon County's Army. Qian Shixi's personal guards are still there. What are you going to do now?
”

Luo Yilin asked.

“What do we do?”

Jiang Li turned around and glanced at Luo Yilin, Chang pingwang, Guo Yi, and Zhuo linyue, then said, ” from today on, the Black Dragon County will be renamed the great Xia County.

“this city lord is now the great xia's prefecture lord.”

“As for the Army outside the manor, it's nothing to worry about.”

“What did you say?”

Zhuo linyue's eyes widened, and he could not help but shout, ” Jiang Li, you're rebelling?!

“city lord jiang, you have to think twice before you act!”

...

Chang pingwang also advised.

“.....”

Guo Yi remained silent.

“.....”

Luo Yilin’s beautiful eyes also widened, and an expression of disbelief appeared on her pretty face.

“Rebellious?”

Jiang Li laughed. hahaha, I’ve never admitted that I’m a citizen of the great Qian dynasty. How can you call me a rebel? ”

“The Imperial court of da Qian has tried to kill me several times. Do you want me to work for such an imperial court?”

“Laughable.”

“but yingluo is yingluo.”

Chang pingwang wanted to say something but stopped.

...

“I, Guo Yi, the city Lord of Hope City, pay my respects to the regional King!”

Suddenly.

Guo Yi knelt down and saluted Jiang Li. He said loudly, ” “From today onwards, the entire Hope City will follow the orders of the regional King.”

“guo yi, you ...”

Zhuo linyue was dumbfounded. He had not expected Guo Yi to do this.

“this bi an ...”

Even Chang pingwang was stunned.

“Chang pingwang, the city Lord of Pingding city, pays his respects to the regional King!”

Immediately.

Chang pingwang also knelt down and saluted Jiang Li like Guo Yi. “From today onwards, the entire Pingding city will follow the orders of the regional King.”

“You guys, you guys, you guys, you guys!”

Zhuo linyue couldn’t accept the result.

“Alright,” he said.

Jiang Li’s expression was calm. He wasn’t too affected by Guo Yi and Changping’s oath of loyalty. He looked at Zhuo linyue and Luo Yilin. what about you? ”

Zhuo linyue, the county Head of Wuhu City, pays his respects to the regional King.

Zhuo linyue also knelt down.

Power was stronger than man.

I’ll agree to it first.

Jiang Li, I’m not the city Lord of Tianshui city, nor the county Lord of Tianshui city, so my words don’t count. There’s no point in you looking at me.

“It’s true.”

with a pitiful expression, luo yilin immediately said, ” “Also, I think that it’s better for you to first settle the trouble outside the Junwang Fu before we talk about the next matter.”

“BOOM!”

At this moment.

Outside the Junwang Fu.

“ah!”

miserable shrieks rang out continuously.

The cannonballs exploded. Flames shot up into the sky. Some buildings collapsed. The civilians of the Black Dragon County fled in all directions. Countless cries and screams rang out.

Soon after.

Jiang Li walked out of the Duke’s mansion.

“Let’s go,” he said.

“Hurry up and follow.”

Chang pingwang and the others quickly followed.

In the Duke’s residence.

The servants and maidservants fled in all directions. Some of the more clever servants and maidservants secretly hid the precious items in the Junwang Fu in an attempt to escape.

In the end, he discovered that the mansion was surrounded by countless soldiers.

They had no way of escaping.

At this moment.

Jiang Li's mech Army had already started fighting with the human army of the Black Dragon County. The firearm meches formed a powerful force.

“Whoosh!!!”

The human army formed a battle formation. The air of blood and death filled the air, blocking the bullets of the machine guns.

but ...

The mechanical artilleries were bombarding the Army, and when the bombs exploded, they produced a destructive power that shook the Army formation, causing countless deaths and injuries.

“Rumble!”

At the same time.

The tank-type mech was like a terrifying mobile fortress that charged into the battlefield and caused a terrifying amount of damage.

“Ah!”

“What is this?”

“we can't move it at all!”

“Help! Help me!”

Pfff!

Countless soldiers screamed in pain.

“Kill!”

Combat meches, cold weapon meches, biochemical meches, walking corpse puppets rushed to the front to block the enemy’s attack. There were also electric meches that entered the battlefield.

Finally.

The mechanical Rangers also joined the battle, sweeping across the battlefield.

“perfected stage one! they’re all perfected stage one!”

“Rank two! There are so many 2nd rank experts!”

“Heavens!”

“where did this army come from?”

I can’t beat him at all!!

crushing!

This was a completely one-sided battle!

jiang li had brought more than 40000 soldiers. although it was less than half of the black dragon county’s army, they had an absolute advantage in quality.

they were all perfected-stage meches.

There were also level two meches.

“This Suan ni, this Suan ni”

The commander of the Black Dragon County Army, Matthew, was completely dumbfounded. His whole body was trembling, and his face was pale and bloodless. His legs were also shaking. how can there be such a powerful Army? ”

they’re an Army made up of soldiers at the perfected stage of stage one.

On the other side.

The commander of Qian Shixi’s personal guards said in horror and disbelief, ” this is a composition that only the Imperial Guards of the great Qian dynasty have!

” and the number of the imperial guards of the great gan lord dynasty does not exceed 100000. ”

” what kind of existence did we provoke? ”

At this moment.

Jiang Li had already walked out of the mansion. He pushed open the gate and stood at the door, looking up at the battlefield.

“he’s already been crushed to this extent so quickly.”

Jiang Li sounded disappointed. I thought the Black Dragon County’s Army would be strong, but it seems that they’re not even as strong as the Red Dragon County’s 100000 demon soldiers.

chang pingwang and the others walked out carefully behind jiang li. when they saw what was in front of them, they were completely dumbfounded.

His eyes were about to pop out.

f * ck!!!

f * ck! Zhuo linyue cursed, “the Black Dragon County’s Army is in such a bad state. They have the absolute advantage in numbers, but they can’t fight back at all. Jiang Li’s soldiers are too strong. They’re invincible and fearless.

such strength and speed! They’re all at the perfected stage of level one! These soldiers are all at the perfected stage of level one!

Chang Ping shouted.

and those special weapons, those special carriages, they’re actually weapons of war. This kind of destructive power, this kind of damage, it’s too terrifying.

Guo Yi’s voice trembled. how did you get all of this? ”

“.....”

Luo Yilin was shocked. She couldn’t help but look at Jiang Li. no wonder Jiang Li dared to call himself a King and go against the Imperial court. He has such a powerful Army.

” ynsh01, you control the walking corpse puppet and kill all of qian shixi’s guards. ”

go! Jiang Li ordered.

“Yes.”

shua! Shua!

Ynsh01 nodded and controlled the four undead puppets to enter the battlefield. With the addition of the Tier 3 experts, it was like throwing a huge rock into the lake, shaking the entire Lake.

Pfft! Pfft! Pfft!

It could be seen.

Ynsh01 and the four undead puppets were like the god of death. With their stage three strength, no one could stop them when they entered the battlefield. They took lives one by one.

Ten minutes later.

qian shixi's 10000 personal guards were all killed.

“Ah!”

The commander of the guards, who was at the perfected stage of stage two, was blown to pieces by a psionic Cannonball from ynsh01, and a stage two soul Tinder dropped.

“you can stop now.”

Jiang Li shouted.

“yes!”

Ynsh01 controlled the four Walking Dead puppets to return to Jiang Li.

Soon after.

Almost at the same time.

The firearm meches stopped shooting, the artillery meches stopped firing, and the tank meches stopped attacking. All the meches stopped.

“The living crickets survived?”

“They’ve stopped,”

“i survived, i survived!”

“F * ck me f * ck me”

On the battlefield.

The soldiers of the Black Dragon County had lost all their courage. They had never felt so powerless before. They could only wait to be slaughtered without any power to resist.

In reality.

From the start of the war to the end, there was only half an hour.

but ...

Nearly 30,000 soldiers of the Black Dragon County had been killed or injured. The streets outside the county King's mansion were full of corpses. The houses around were all destroyed by the shells.

A large number of civilians fled in all directions.

who is the commander of the Black Dragon County Army? ”

Who are you? “Jiang Li asked in a deep voice.

“I'm Zhenzhen, I am.”

After a while.

The commander of the Black Dragon County Army, Matthew, walked out with his soldiers. He looked at the soldiers around Jiang Li with fear and didn't even dare to get close.

“Yes.”

yes. Jiang Li nodded. from today on, the Black Dragon County will be renamed to the great Xia County. The Army of the Black Dragon County will also be renamed to the great Xia Army.

“And I am the king of the great Xia!”
