

Army 154

Chapter 154 A thousand pills

“I’ll do this!”

Matthew stood rooted to the ground, unable to come back to his senses.

“Is there a problem?”

Jiang Li lowered his eyes. The coldness in his eyes made Matthew’s heart shiver. He felt like the cold wind of December was blowing past.

“No, Yingluo, no problem.”

Matthew said, trembling.

“Your subordinate, Mathew, kneels before the regional King!”

Immediately.

Jiang Li! Matthew knelt down and kowtowed to Jiang Li.

“We kneel before the regional King!”

The next moment.

Behind them.

The original commanders of the Black Dragon County and nearly 70000 soldiers all put down their weapons and knelt down in unison.

He looked around.

The battlefield was already filled with people who were kneeling.

“It’s settled just like that?”

Jiang Li? “Chang pingwang swallowed. the Black Dragon County is under Jiang Li’s control just like that?” It doesn’t feel real. A County has fallen into Jiang Li’s hands just like that.”

“This is power!”

Guo Yi clenched his fists and said to himself, ” ” this is the result of having great power. as long as you have great power and a great army, controlling a prefecture is as easy as taking something from your pocket. ”

“.....”

Zhuo linyue muttered to himself, ” if this goes on, the great Qian dynasty will change.

“Something so big has happened in the Black Dragon County. I have to return to the celestial water city as soon as possible and then tell sister celestial water.”

Luo Yilin thought to herself.

“Junwang,”

Matthew raised his head and carefully asked, ” “May I ask the third Prince, Qian Shi, what is he doing?”

“He’s dead,”

wait. Jiang Li interrupted him. and he died in my hands.

“.....”

Matthew's pupils constricted. He looked at the Duke's residence behind Jiang Li and shouted, "it's good that he's dead, my Lord. Qian Shixi tried to murder you. He deserves to die."

"Get up and clean up the battlefield."

burn all the bodies," Jiang Li ordered. maintain order in the city. If there's any civilian riot, you'll have to come to see me.

"also, send someone to clean up the bodies in the guest hall of the junwang fu."

"Yes!"

Matthew responded.

"Have you all heard the Junwang's orders?"

Matthew got up and shouted at the soldiers, " " why aren't you moving? clean up the battlefield, burn the corpses, and maintain order in the county. "

"Yes."

The soldiers responded.

"Yes."

okay. Jiang Li nodded with satisfaction.

At least he was obedient.

One had to know.

Jiang Li didn't recruit the soldiers of the Black Dragon County on a whim. He had his own purpose. Although the human soldiers weren't strong, they could still be useful.

For example, they could be bait or cannon fodder at special times.

Jiang Li only believed in the meches he controlled.

Similarly.

Jiang Li took in the castellans of the four cities to better control the entire great Xia province. After all, the mechanical Army wasn't involved in production and he needed his subordinates to manage the businesses of the cities.

Jiang Li couldn't take care of all of them by himself.

"You guys can go back now."

Jiang Li looked at Luo Yilin and the others and said, "In three days, you need to gather all the medicinal and spiritual herbs in the city and send them to the county city."

"There can't be any mistakes."

"All of them?"

Zhuo linyue was stunned.

...

"Is there a problem?"

Jiang Li glanced at Zhuo linyue.

"No problem," he said.

Zhuo linyue sneered. rest assured, my Lord. I will deliver all the herbs and spirit herbs from five lakes city to the county in three days.

“Yes, sir!”

Chang Ping nodded.

“Yes.”

Guo Yi replied.

“I’ll talk to Sister Tianshui about this.”

Luo Yilin said.

Soon after.

...

chang pingwang and the others all left the county city and got into carriages, returning to their respective cities as quickly as possible.

The various things that had happened in the county city today had caused them to be unable to calm down for a long time.

yes. after seeing Jiang Li’s powerful Army, they naturally didn’t dare to disobey.

“Next up is the time to reap the rewards.”

Jiang Li muttered to himself.

In the afternoon.

Jiang Li took all the wealth of the Duke's mansion.

Among them.

110 million taels of silver, 10 million taels of gold, gold, jewelry, medicinal pill materials, weapons, and equipment were all in large quantities. It was impossible to estimate their value for the time being.

Other than that.

There were also inner force Mental cultivation methods, martial arts secret manuals, as well as three level 1 military formations and one level 2 military formation.

For the time being.

Jiang Li didn't plan to change his technique, and he wasn't in a hurry to learn martial arts. After all, he needed time to practice martial arts.

Furthermore ...

Jiang Li had too many things to do and didn't have time to improve himself.

There were 51000 ordinary spiritual herbs, 8200 low-grade Tier 1 spiritual herbs, 6300 medium-grade Tier 1 spiritual herbs, 4500 high-grade Tier 1 spiritual herbs, and 2400 top-grade Tier 1 spiritual herbs.

There were 120 low-grade Tier 2 Spirit herbs, 80 medium-grade Tier 2 Spirit herbs, 13 high-grade Tier 2 Spirit herbs, and none of the top-grade Tier 2 Spirit herbs.

there were no third-grade spirit herbs.

” convert all the ordinary herbs. ”

Jiang Li put his right hand on the herbs to confirm the transformation.

buzzzzzz!

A white light flashed.

The 51,000 ordinary herbs had all been transformed and disappeared.

conversion successful. You've received 250700 energy points!

A notification appeared.

I've only converted about 200000 energy points from the ordinary herbs. However, the main show isn't these ordinary herbs. It's the 'spirit crystals'.

Jiang Li looked at the big Jade box on the table.

Kachaa!

Jiang Li opened the box.

Shua!

The lower spiritual crystal was shining. It was so bright that Jiang Li's eyes were sparkling. He put his right hand on the lower spiritual crystal.

[discovered item that can be converted into energy points. Do you want to convert it?!]

"yes."

yes, " Jiang Li confirmed.

Buzzzzzz!

a white light flashed.

All the lower spiritual crystals disappeared.

conversion successful. You've received 10000000 energy points!

a notification appeared.

“ten million!”

Jiang Li smiled. one low-grade spiritual crystal can be converted into 10000 energy points. Ten million energy points is 1000 low-grade spiritual crystals.

“As expected of a County.”

In reality.

The Black Dragon County didn't have so many spiritual crystals. 800 of them were found in the secret room of Qian Shi's residence.

In other words ...

The 800 lower spiritual crystals were Qian Shixi's personal collection.

it had to be said.

Qian Shixi's wealth was amazing.

The most important thing was ...

The 800 lower spiritual crystals were only a part of Qian Shixi's wealth.

Qian Shixi had temporarily received King Qian's order and assumed the position of the Commandery Prince of Black Dragon County.

His goal was to kill Jiang Li and take his 'ancient puppet technique'.

so,

Qian Shixi had only brought 800 lower spiritual crystals for cultivation.

After all ...

When one's cultivation reached level three, they could use lower spiritual crystals to cultivate.

one had to know.

Qian Shixi had a very high status in the Imperial court of da Qian. He even controlled a part of the Imperial Army and had at least a few counties of territory under his control.

Unfortunately ...

Such a powerful third Duke had died in the Black Dragon County, in the hands of Jiang Li.

Thinking about it carefully, he felt quite aggrieved.

If Qian Shixi hadn't been overconfident and had been more careful, he wouldn't have died.

On the other side.

In the prefecture capital's government office.

“What do we do? What should I do now?”

In the main hall.

Qian Shixi's plan failed. He even died in Jiang Li's hands. Mo Changming, the head of the government office, was walking around anxiously.

Now, Jiang Li has even rebelled and changed the name of the Black Dragon County to the great Xia County.

“Great Qianqian, Sir Qianqian!”

Suddenly.

A slightly panicked voice came from outside the door.

“Come in.”

Mo Changming shouted.

“Sir, it's not good.”

Plop!

Jiang Li! Luo Li, the chief Constable of the government, ran in and knelt on the ground. Jiang Li's soldiers have surrounded the government office.

“What?”

Mo Changming's eyes widened.

“What will come will come, I can't hide.”

Mo Changming gritted his teeth. in that case, I'll meet Jiang Li in person and see if he really has three heads and six arms.

"Let's go!"

Mo Changming shouted.

"yes."

Luo Li followed closely.

Outside the government office.

Mo Changming and Luo Li walked out, followed by several constables. There were about ten thousand of them.

"who is jiang li?"

Mo Changming asked.

In front.

More than ten thousand meches surrounded the mansion. In addition, there were soldiers from the Black Dragon County, who were now soldiers from the great Xia County.

they had submitted to jiang li.

"Prefecture master mo."

matthew walked forward and sneered, " look at who you are now. you can't just meet lord jiang li as you please. "

"Matthew, you're being presumptuous."

“You’re just a commander, how dare you speak so rudely to the palace Master!” Luo Li shouted.

“Hahaha.”

Matthew laughed out loud. I’m sorry, but that was before. This is the great Xia province, not the Black Dragon province.

Lord Jiang Li is the county King.

that’s why you still need Lord Jiang Li’s permission to be the Lord.

“You’re so silly!”

Luo Li’s expression was furious.

“matthew, just tell me, what do you want?”

Mo Changming’s face darkened.

“It’s simple.”

“Surrender!” MA Xiu said.

“You want me to surrender to a traitor?”

Mo Changming shouted.

” you bastard! you should call him county prince jiangli! ”

Matthew shouted in a deep voice.

“Hahahahaha!”

Mo Changming laughed out loud. He looked disdainful. what a Bullsh * t regional King. He just called himself a regional King. Does he really think that he can make himself a King? ”

“ridiculous.”

in my opinion, Jiang Li is just a clown. As a citizen of the great Qian dynasty, he didn't seek benefits for the great Qian dynasty and wasn't loyal to King Qian. Instead, he did such a disgraceful thing.

“He will pay the price for this.”

“Matthew, do you think you'll have a good result if you follow Jiang Li? it's impossible. jiang li will die when the imperial court is free.”

“And you will also die without a burial place.”

“Mo Changming, I think you're looking for death.”

Matthew's tone was cold.

I, mo Changming, have been an official since I was 20 years old. It's been 20 years since then. I've been highly regarded by King Qian and have been appointed as the Black Dragon Commandery's Prefecture master.

mo changming took a deep breath. his eyes were determined. ” i'm loyal to da qian and king qian. ”

“Live as a person of da Qian, die as a ghost of da Qian.”

“You want me to submit to rebellion? Delusional!”

“Kill!”

BOOM!

Mo Changming roared and his inner force burst out. The aura of the late stage of the second rank was completely released. His fire attribute inner force was like a burning flame.

“Whoosh!”

the flame was like a blade, slashing towards matthew.
