

## Army 166

### Chapter 166 The Barbarian reinforcements

In the commander's tent.

The lieutenants of Luo Tianshui, as well as Luo Yilin, all looked at CQ02.

The expression on CQ02's face did not change. It was still cold and unfeeling.

He was like a statue.

“Do you have a way to stop the black snake barbarian Kingdom's invasion?”

Luo Yilin rubbed her eyes and immediately asked.

“No, I didn't,”

CQ02 shook his head.

“.....”

Luo Yilin's expression dimmed.

“there's still about half a minute left,”

cq02 continued, ” ” jiangli commandery prince will arrive here with his main force. ”

“Jiang Li.”

why is he here? ” Luo Tianshui was stunned.

“What do you mean?”

Luo Yilin looked at CQ02, and after she reacted, she exclaimed, “Are you Jiang Li’s subordinate? That’s right, no wonder I felt familiar with them. The soldiers around Jiang Li are all expressionless and cold.”

also, the military uniforms you’re wearing are almost exactly the same.

“Yes, I am.”

CQ02 nodded in agreement.

you were all sent by Jiang Li to help Tianshui city? ”

Luo Tianshui asked.

“Yes,”

CQ02 nodded again.

“.....”

Luo Tianshui couldn’t help but fall silent.

“That’s great.”

Luo Yilin’s small face was full of joy. She used her sleeve to wipe the tears from the corner of her eyes and said, “sister Tianshui, I’ve seen Jiang Li’s soldiers in the city of the great Xia County.

all of them are elite soldiers at the perfected stage of level one. They are extremely powerful and have all kinds of incredible war weapons. They are enough to crush the battlefield.

with Jiang Li’s help, we’ll definitely win.

“.....”

we can't. Luo Tianshui thought for a moment and said, “even if we can block this wave of attacks, we might not be able to block the next. If the black snake barbarian kingdom keeps sending more troops, Jiang Li won't be able to stop them no matter how strong they are.

“Even so, I'm definitely not leaving.”

Luo Yilin's eyes were firm. She clenched her fists and shouted, ” “Even if I die, I want to die with my sister.”

“be obedient.”

Luo Tianshui said.

the Commandery Prince of Jiangli is here.

CQ02 said, interrupting the quarrel between Luo Tianshui and Luo Yilin.

report!!!

Outside the tent.

A soldier ran over quickly and knelt outside the tent, shouting, ” city Lord, there's a man who claims to be Jiang Li outside the camp with a large number of soldiers.

“Jiang Li.”

luo tianshui and the others were all shocked. ” he really came. ”

“Quickly, invite him in.”

forget it! Luo Tianshui came back to his senses and immediately said, "I'll welcome him personally.

As soon as he finished speaking.

Luo Tianshui walked out.

"Let's go," he said.

"Let's go and take a look."

to be honest, I've been wanting to meet Jiang Li for a long time.

The Deputy generals looked at each other and followed.

"....."

Luo Yilin didn't say anything, but immediately chased after him.

cq02 and the others also walked out of the tent to welcome jiang li.

...

Outside the military camp.

Jiang Li got off the passenger seat of YS01 and cut off the communication with xx07. Ynsh01 and the other meches followed Jiang Li closely.

"My Lord, we have already gone to inform the city Lord, so please wait here for a moment."

Yes, sir. the soldiers who stopped Jiang Li said respectfully.

“yes.”

okay. Jiang Li nodded.

Soon after.

He looked around and saw tents. The soldiers were divided into groups and each group was a unit. They were cooking.

not far away.

It was the thick and magnificent border city wall.

The city walls were mottled and filled with the aura of time.

...

“City Lord!”

“City Lord!”

“.....”

Not long after.

Jiang Li heard the voice. The soldiers of Tianshui city all stood up and saluted a man in silver armor. Only his eyes were exposed.

the tone of these soldiers was very respectful.

One could see his prestige.

“Sister, he’s Jiang Li.”

Luo Yilin followed Luo Tianshui and pointed at Jiang Li, then whispered in Luo Tianshui’s ear.

” luo tianshui, lord of tensui city, greets jiangli commandery prince. ”

Luo Tianshui walked over and bowed to Jiang Li.

“Yes.”

I see. Jiang Li nodded slightly. He was sizing Luo Tianshui up. Since Luo Tianshui was wearing full-body armor, he couldn’t see anything. Jiang Li could only see his eyes and a heroic spirit between his eyebrows.

“My King!”

Jiang Li. CQ02 and the others saluted.

King. Jiang Li had ordered all the meches not to call themselves ‘master’ in front of others, but ‘King’ instead.

“This time, you have completed your mission very well. You have helped celestial water city defend the defensive line.”

let’s go back to the Army, “Jiang Li said.

“Yes, my King.”

CQ02 said.

Soon after.

let’s go. CQ02 led the troop four back to the troop behind Jiang Li.

Other than the 20000 meches that were left in the great Xia city.

Jiang Li was now leading 80000 meches and 20000 walking puppets.

In other words ...

Jiang Li had a hundred thousand soldiers.

In the surroundings.

The soldiers of Tianshui city gathered around and stood in the barracks, looking into the distance.

the army behind jiang li.

There were transport trucks, artillery off-road vehicles, and main battle tanks.

even though they had never seen these things before.

but ...

They knew the power of these things.

This was because CQ02's 4th unit had these weapons of war and had slaughtered a large number of barbarians. This had allowed the soldiers of Tianshui city to fully witness the terrifying power of these weapons.

“this suan ni, this suan ni”

“I didn't expect there to be so many.”

“Hiss, hiss, hiss, if these war weapons were to charge into the battlefield, just how terrifying would the damage be? You must know that in the previous war, just those weapons alone caused a large

number of casualties to the Barbarian Army. Now, the number of casualties is several times more than before.”

“Exactly!”

“.....”

The soldiers of Tianshui city were talking in low voices while they looked at Jiang Li’s weapon. Their voices were full of awe and admiration.

on behalf of all the people of Tianshui city, Luo Tianshui thanks the Commandery Prince of Jiangli for sending the Army to help Tianshui city. It was only because of this that we were able to hold the border defense line.

At this moment.

thank you. Luo Tianshui bowed to Jiang Li again and said gratefully.

“You don’t have to thank me.”

don’t worry. Jiang Li waved his hand. the great Xia County is my territory now. Tianshui city is part of the great Xia County, so it’s part of my territory.

“This Junwang naturally can not ignore this.”

“If we let the barbarians attack, I will be the one who will suffer the loss.”

“What do you think?”

city Lord? ” Jiang Li smiled. the Lord of Tensui city? ”

“.....”

Luo Tianshui fell silent.

“This bi an ...”

the expressions of the deputy generals were also not very good.

Obviously.

Jiang Li was actually forcing Luo Tianshui to make a stand.

His purpose was to force Luo Tianshui to admit that Tianshui city was part of the great Xia province and belonged to Jiang Li instead of the Imperial court.

If he didn't admit it.

Then ...

“You're right, Prince Jiangli.”

Luo Tianshui raised her head. Her eyes were calm, and there was a determined look in her beautiful eyes. It was obvious that she had made her decision. Tianshui city will naturally be a part of the great Xia province.

however, in the current situation, Tianshui city is in a very dangerous situation. As long as the black snake barbarian kingdom breaks through the border defense line, Tianshui city will be destroyed.

if the black snake barbarian kingdom keeps sending troops to attack, what are you going to do, Commandery Prince Jiang Li? ”

“Should we defend or retreat?”

Jiang Li! Luo Tianshui stared at Jiang Li.

In the surroundings.

Luo Yilin, several Deputy generals of Luo Tianshui, and the soldiers of Tianshui city all looked at Jiang Li, waiting for his answer.

Jiang Li just smiled and looked at the city wall. He said slowly, ” “We won’t defend or retreat.”

“what?”

what? ” Luo Tianshui was stunned, his eyes full of doubt.

” jiangli county prince, what do you mean? ”

zhang feiyang asked.

“Neither defending nor retreating?”

“Then what are you doing?”

“Could it be that he’s just standing there and watching the show?”

“.....”

Everyone was discussing.

“Celestial water city’s city Lord.”

” stop! ” jiang li shouted.

“Yes,”

Luo Tianshui couldn’t help but respond.

pass on my order. Gather the troops immediately. In half an hour, we will launch an attack on the border wall of the black snake barbarian kingdom and destroy the Barbarian Army.

Jiang Li said in a deep voice.

“What?”

“take the initiative to attack?”

“He’s actually going to take the initiative to attack?”

“With just the few of us?”

“This bi an ...”

The soldiers were stunned.

“Yes.”

luo tianshui nodded, but then his eyes lit up.

Immediately.

The order was given.

The celestial water city’s soldiers got into action one after another. They put on their armor, took their weapons, and then all rushed up the border city wall, ready to fight.

At the same time.

let’s go. Jiang Li ordered the meches to move out. The combat meches, cold weapon meches, biochemical meches, and firearm meches formed a formation on the border wall.

first of all ...

Sixteen thousand firearm meches.

They were lined up.

The firearm meches used the city wall as cover and only revealed their muzzles. They aimed at the border city wall of the black snake barbarian kingdom and could shoot from a long distance.

Artillery, transport meches, and stage two long-range troops were all behind the border city wall. Cannon Scouts stood on the border city wall and locked onto the targets for the artillery.

Tank meches, mechanical Rangers, and close combat units would pass through the gate and attack the border wall of the black snake barbarian kingdom.

Time passed.

nearly half an hour passed.

The arrangement of the troops had been completed.

On the other side.

Black snake barbarian Kingdom's camp.

“Rumble!”

The ground around them was shaking violently.

From afar.

A large number of barbarian soldiers had formed a huge Army and were marching towards the camp at a fast speed. In less than half a minute, they had already arrived in front of the camp.

“Our reinforcements have arrived.”

in front of the camp gate.

The third level barbarian, Huang buhao, was the commander of the Barbarian Army that led 100000 barbarians to attack the border defense line. However, Huang buhao didn't appear before.

Other than that.

Beside Huang Wu fa was the Barbarian tribe's deputy commander, Kaishi, who was at the early stage of level three.

shua!

The next moment.

A figure appeared in front of Huang wuzhan's eyes. The figure was so fast that Huang wuzhan didn't even have time to react.

Huang Wu Hao, kai shi, under the orders of the Barbarian King, I, man tianwu, will be the commander of the next war. All of you must listen to my orders.

Man tianwu was two meters tall, and his face was painted with totem patterns. They were intertwined and colorful, forming an extremely strange pattern.

“Yes!”

“Yes, sir!”

Huang Wuhao and kai shi looked at each other and knelt down.
