

Army 169

Chapter 169

“Be careful, city Lord.”

that’s too despicable! Two against one!

“Detestable!”

“let’s quickly command the army formation to assist the city lord!”

The celestial water city’s soldiers angrily berated.

“Roar!”

However ...

The lion-headed Python stopped the drakocroc.

BOOM! BOOM! BOOM!

Luo Tianshui was fighting one against two, and it was obvious that she was at a disadvantage. Although her marksmanship was superb, she was still constantly retreating and dodging, and she was in danger.

“It’s almost time.”

” let’s go. ” jiang li looked at the other side. all the barbarian soldiers had gathered together. it was time to kill them all. ” let’s kill them all. ”

“Yes!”

“Yes, sir!”

Ynsh01, ynmmyq01, and the other meches behind Jiang Li responded.

Shua!

The psionic mammoth Knight first jumped onto the back of the psionic mammoth soldier and sat down firmly. Then, it picked up the psionic Knight bow hanging on the body of the psionic mammoth soldier with its right hand.

“Whoosh!!!”

Dark psionic light appeared around the psionic mammoth Knight. He raised his psionic Knight bow and pulled it into a full moon shape, gathering psionic energy.

It was only for a moment.

A black psionic arrow was formed.

“Whoosh!”

The psionic mammoth cavalryman released the bowstring with its right hand, and the dark psionic arrow shot out like a black lightning bolt, streaking across the sky.

Hurry up!

it was extremely swift!

This arrow shot towards the early stage third level barbarian, Kaishi, who was in the air.

In the surroundings.

Almost no one could see it clearly.

“Pfft!”

The next moment.

Blood splattered in the air.

“Ah!”

Kaishi screamed in pain.

One arrow!

it was only one arrow!

Before any of the creatures could even see what had happened, the psionic arrow had pierced through Kaishi's totem armor and pierced through his heart.

A transparent hole could be seen.

Kaisha! Kaishi!!!

Huang Wu Mo's eyes widened. He was completely stunned. He looked at kai shi beside him with a confused expression. who is it? ” Who is it?”

“Pfft, pfft, pfft.”

kaishi coughed up blood. he clutched his chest where his heart was. blood kept flowing out. his heart had been shattered. there was no way he could survive.

“How is that possible? How is this possible?”

eh? ” Kaishi murmured and turned his head stiffly. He looked in Jiang Li’s direction and saw the psionic mammoth Knight slowly put down the psionic Knight bow.

Bang!

Kaishi’s corpse fell into the world River, causing a huge splash.

“no!”

Desolate cried.

Kaishi, a Tier 3 beginner, died just like that.

One shot, instant kill!

“Si si si ...”

In the surroundings.

Gasps could be heard immediately.

“one arrow! It’s only one arrow!”

...

he killed a barbarian at the initial stage of the third level with one arrow!

“Tao Wu is too strong. He’s too strong. He’s simply heaven-defying. How terrifying must his strength be? what level has he reached to achieve this?”

“This is unbelievable.”

“The king of Jiang County has such a powerful subordinate.”

Everyone was amazed.

“This bi an ...”

Luo Tianshui’s eyes were filled with shock. She looked at Jiang Li and the nine-meter-tall giant standing next to him and guessed, “with such strength, he should have reached the perfected stage of Tier 3, right?”

“trash!”

Man tianwu’s face turned gloomy, “he died just like that! You’re really useless!”

“Lord Kaishi has been killed.”

“And he was killed by an arrow.”

...

“How can the enemy be so strong? Lord Kaishi is an early-stage Tier 3 totem warrior who can condense a totem battle armor, but he was killed by one arrow.”

The morale of the Barbarian soldiers was affected.

“Kill!”

Luo Tianshui’s long spear trembled, and spear flowers appeared. He took the opportunity to attack Huang Wuji. The Spear’s light enveloped Huang Wuji’s body and stabbed at his vital points.

Clang! Clang!

Huang slashed out several times and blocked Luo Tianshui’s attack.

BOOM! BOOM! BOOM!

The artilleries continued to bombard the lion-headed pythons from behind the city walls, causing flames and smoke to fill the air.

“Roar! Roar!”

The lion-headed Python roared again and again, blocking the bombardment of the cannonballs.

“Ah!”

The Barbarian soldier’s scream was heard.

Every time the lion-headed Python blocked a round of cannon fire, there would be a barbarian soldier who would suffer a backlash from the formation, causing casualties and death.

boom! BOOM!

Similarly.

The Barbarian totem Warriors showed their totem images and attacked the Dragon crocodile. The formation shook and Luo Yilin tried her best to maintain the formation. Blood flowed from the corner of her mouth and her face became paler.

there were also many celestial water city soldiers who died from the backlash.

“End the battle as soon as possible.”

let’s go! Jiang Li saw all of this and immediately gave an order, ” open the gate of the city wall and send out all the meches to attack the barbarians!

“yes!”

“Rumble!”

The gate of the city wall was pushed open.

kill!!!

Shua! shua! Shua!

On the city wall.

The combat meches, cold weapon meches, biochemical meches, and 20000 walking corpse puppets all jumped off the city wall.

“Rumble!”

The engine roared.

Tank meches drove out of the gate, and the mechanical Rangers rushed out.

Jiang Li’s mech Army was all mobilized.

“You’re so bold!”

Man tianwu’s face was dark. kill them!

“Charge!”

kill!!!

Shua! Shua!

One by one, the Barbarian soldiers jumped down from the city wall.

The border river was twenty meters wide.

for jiang li's meches, it was nothing. they could just jump over. they all jumped over the border river and went to the barbarian race.

BOOM! BOOM! BOOM!

In an instant.

An intense battle broke out.

Pfft! Pfft! pfft!

“Roar!”

blood splattered, totems howled, and battle cries deafened the ears.

“BOOM!”

the tank meches fired at the barbarians across the border river. the tank machine guns fired at a much faster speed than the firearm meches.

Da da da da

Countless bullets covered a large area of the battlefield.

“Ah!”

The shrill screams of the barbarians were constantly heard.

“Psionic energy control!”

Buzzzzzz!

the psionic mammoth knight pulled out the psionic knight’s sword from the back of the psionic mammoth soldier. it then controlled the psionic energy and attached it to the psionic knight’s spear.

“Slash!”

After that.

The psionic mammoth Knight swung its sword.

Shua!

It was a dazzling black psionic sword ray that was a hundred meters long. It was in the shape of a crescent moon and swept across the void, slashing at the lion-headed Python in the air.

There was a loud ‘boom’.

“Roar!”

The lion-headed Python wailed.

the huge body that was hundreds of meters long exploded and was directly destroyed by the sword. it exploded into light spots that filled the sky and completely dissipated.

One sword!

He destroyed the rank two totem army formation with a single sword!

“ah!”

“Pfft!”

Instantly.

A large number of barbarian soldiers screamed. The formation was broken and they suffered a backlash. At least two thousand barbarian soldiers died and their bodies exploded.

There were also nearly a thousand barbarian soldiers who had exhausted the power of their totems and lost their combat power.

“Military scepter, military formation, scepter!”

“It’s broken! It’s been broken!”

“We’re finished! I’m finished!”

how did this happen?!

At this moment.

The barbarians were dumbfounded. Their entire bodies trembled, and fear appeared in their eyes.

BOOM! boom! BOOM!

They had lost the protection of the battle formation.

as the artillery shells exploded in the midst of the barbarian army, the shockwaves spread out, and the shrapnel tore through the bodies of the barbarian soldiers.

“Pfft!”

“Ah!”

A large number of barbarian soldiers were killed by the explosion.

Da da da da

The tank machine guns displayed their might as a meat grinder on the battlefield, killing the Barbarian soldiers one by one, their armors torn apart.

“This is impossible!!!!”

man tianwu’s face turned pale.

“it’s him! It was Jiang Li! it’s really jiang li!”

At this moment.

When Huang kongqian saw Jiang Li who was watching the battle from the city wall, he couldn’t help but shout, ” “He’s Jiang Li! He’s really here!”

“What?”

” jiang li? ” man tianwu looked over and saw jiang li. he felt the waves of internal force on jiang li.
” only an early-stage level one human martial artist? ” Jiang Li is only a human martial artist at the early stage of level one?”

“These powerful soldiers, level-three generals, and powerful Masters are all Jiang Li’s subordinates? Jiang Li’s Army?”

“Didn’t the Crown Prince lead a hundred thousand demon soldiers to attack the great Xia city? Why did Jiang Li appear here?”

Man tianwu could not help but shout.

“A hundred thousand demon soldiers?”

they're dead. Jiang Li heard man tianwu's voice. After all, they were only a hundred meters away. haha, I've killed them all.

"it's your turn next."

"impossible!"

Man tianwu shouted, " the Crown Prince is a demon who has completed the third rank. He has a fourth-rank bloodline and is extremely powerful. After burning his bloodline, he can be infinitely close to the fourth rank.

"How can you possibly win?"

"Oh."

Jiang Li smiled and waved his right hand. Crown Prince, come out and show yourself.

"....."

Bang! Bang! Bang! Bang!

After that.

The crown prince's walking corpse walked out from behind Jiang Li with heavy footsteps and a double-sided giant axe in its right hand.

his entire body was shrouded in a black mist of light.

"Roar!"

The crown prince's zombie puppet howled into the sky, and the terrifying aura of a peak-stage type 3 expert spread.

“Wang Qianqian, the Crown Prince Qianqian.”

Man tianwu immediately screamed. His face turned pale in an instant, and his voice was trembling. His entire body was trembling, and even his legs were trembling.

“how is this possible? how is this possible?”

“Si si si ...”

Huang looked over and saw the Crown Prince standing next to Jiang Li. He was stunned and gasped! impossible!

“!!!”

Fear!

Trembling!

fear began to spread among the barbarian race.

One had to know.

There were frequent wars between the black snake barbarian kingdom and the red eyebrows demon Kingdom. The title of the Crown Prince was also a very famous existence in the black snake barbarian kingdom.

The barbarians all knew that the Crown Prince of the red-browed demon Kingdom was a great general.

He was strong, brave, and smart.

In the several wars between the two countries, they had killed countless barbarians, and many barbarian armies were destroyed by the Crown Prince.

And now ...

they saw the crown prince standing beside jiang li.

Such a scene was too shocking.

These barbarians were all scared silly.

“BOOM!”

suddenly.

The loud explosion woke the barbarians up. They looked in the direction of the explosion and saw the psionic mammoth Rangers launching their charge and brute force skills at the same time.

After that.

With one shot, he had created a hole in the border wall of the black snake barbarian kingdom.

kachaa! kachaa!

The cracks began to spread.

The city wall at the border cracked!
