

## Army 170

### Chapter 170 Victory

The walls of the two sides were only a hundred meters apart, with the twenty-meter-wide border river in the middle.

A distance of twenty meters.

Not to mention a stage-one warrior, he could even surpass a peak-stage elementary martial artist.

“Brute force Stomp!”

The psionic mammoth Ranger roared. Before it cut through the Army, it had already crossed the border river. The light of psionic energy bloomed, and it lifted its stone pillar-like elephant leg, activated its skill, and stomped directly.

Kachaa! kachaa!

Instantly.

the earth trembled, and the ground cracked. the huge elephant hooves stomped on the barbarian border city wall, and countless cracks spread.

“Rumble!”

After that.

the city wall that had already been broken by the psionic mammoth cavalry had a huge hole in it after being trampled by the psionic mammoth soldiers.

The huge rock fell.

the city wall has fallen!!!

the barbarian's border wall has fallen!

“Hahahahaha!”

The soldiers of Tianshui city immediately cheered.

“All troops, charge!”

stop! Jiang Li shouted.

kill!!!

The psionic mammoth Rangers were at the front. Tens of thousands of meches went through the huge opening and killed their way into the Barbarian Army.

Pfft! Pfft! Pfft!

Next.

It was a massacre.

There were many perfected-level one meches, early-level two meches, and perfected-level two meches. They crushed the Barbarian Army.

Blood splattered everywhere.

one by one, the barbarian soldiers were killed and turned into corpses.

Buzzzzzz! Buzzzzzz!

Around the battlefield.

gray light spots flew out of the barbarian's body, mixed with a few black light spots, and they all merged into jiang li's body.

[acquired a first-stage soul Tinder!]

.....

[acquired a first-stage soul Tinder!]

.....

[acquired a stage-two soul Tinder!]

.....

In front of Jiang Li's eyes.

A series of notifications appeared.

He had captured a large number of soul Tinders.

“Whoosh!”

The crown prince's walking corpse puppet jumped up from the city wall. Its figure rose into the air, and black light mist filled the air. The power of the perfected stage three suppressed the surroundings as it charged toward man tianwu.

“Roar!”

The mountain back barbarian bull appeared.

BOOM!

after that.

The crown prince's walking corpse swung its axe. The black half-moon shaped axe light swept across and killed man tianwu who was standing on the wall of the Barbarian border.

“!!!”

Man tianwu's pupils contracted before he shouted, ” Crown Prince, as a demon, you betrayed the red eyebrows demon Kingdom and joined the human race. You are a demon!

It was obvious.

Man tianwu did not realize that the Crown Prince had died a long time ago. He thought that the Crown Prince had betrayed the red eyebrows demon Kingdom.

“Ah!”

man tianwu roared, and his totem appeared. a huge lion-headed python appeared behind him, merging into one with him and wearing a pitch-black totem armor.

“Kill!”

Man tianwu grabbed the handle of the giant hammer and charged at the Crown Prince.

...

“Thump!”

The giant hammer smashed down.

“Pfft!”

Man tianwu vomited blood. He was only a third-level totem warrior. He was no match for the Crown Prince. He was sent flying after only one exchange.

“Commander! We’re here to help you!”

Immediately after.

Man tianwu’s two mid-stage rank three Deputy generals immediately rushed over and conjured their totems. They formed totems armor, and with a blade and a sword, they worked together to help man tianwu.

BOOM! BOOM! BOOM!

in the air.

Although the crown prince’s walking corpse puppet was fighting against three people, it was still able to suppress man tianwu and the others.

“You’re so silly!”

...

At this moment.

After exchanging more than ten moves, man tianwu finally realized that something was wrong. The Crown Prince in front of him was a corpse that was being controlled.

“Die, Yingluo, die, Yingluo!”

man tianwu trembled. the Crown Prince is actually dead. This is just a corpse that was being controlled.

“This bi an ...”

Jiang Li ... man tianwu raised his head and looked at Jiang Li in fear. He murmured, " that means Jiang Li has the power to kill the crown Prince!

"After the Crown Prince burns his bloodline, his strength is infinitely close to rank four!"

Shua!

Ynsh01 crossed the battlefield and charged over like a Black flash of light. The pair of Sickles slashed across the sky, and the black blade light instantly cut through the body of man tianwu's Deputy.

"Pfft!"

"Ah!"

The Deputy general screamed as blood spurted out from his waist.

It was directly cut in half at the waist!

"Blade wizard!"

Man tianwu was shocked.

"no!"

The other Deputy general roared.

BOOM!

the crown prince's walking corpse chopped down with its axe like a heavy mountain. the deputy general's head was directly smashed into pieces.

“!!!”

man tianwu staggered backward, his face filled with fear and his entire body turned cold. he looked at the two figures standing in front of him, and a feeling of despair spread in his heart.

“Kill!”

shua! Shua!

Ynsh01 and the Crown Prince undead puppet joined forces to attack.

“Pfft!”

Man tianwu could not resist at all and could not even block a single move. A huge wound was slashed on his chest by ynsh01. It was so deep that his bones could be seen. He fell to the ground and was on the verge of death.

“Transform into an undead puppet.”

Jiang Li said.

“Yes.”

Ynsh01 nodded.

“Whoosh!!!”

The biochemical poison skill was activated.

ynsh01’s arms returned to normal, and a thick, pitch-black biochemical poison gushed out from his palms, covering man tianwu’s entire body.

“Ah!”

A shrill scream rang out.

Man tianwu, who was seriously injured, could not resist the corrosion of the biochemical poison. The biochemical poison invaded his body, infected and transformed, and his body gradually turned black.

very quickly.

When the screams stopped.

Man tianwu's transformation was complete with his death, and his eyes turned pure black like gems.

“roar!”

Immediately after.

Man tianwu stood up shakily and roared towards the sky.

Late-stage third rank walking corpse puppet.

the transformation was a success!

After man tianwu and his two deputies were killed and the Barbarian Army lost their commander, the morale of the Barbarian Army collapsed. The trend of defeat was like a river breaking through a dam.

Furthermore ...

After man tianwu's walking corpse puppet entered the battlefield, the Barbarian army was defeated even faster.

“Run!”

not long after.

The Barbarian soldiers began to flee, completely losing the courage to continue fighting.

“Kill!”

let's go! Jiang Li waved his hand. let's continue!

BOOM! BOOM! BOOM!

The artillery fired continuously, killing the Barbarian soldiers that were running away. The firearm meches fired from a distance, and blood bloomed.

The mechanical Rangers were giving chase.

Pfft!

“Ah!”

At this moment.

The battle between Luo Tianshui and Huang Baiyun had also come to an end. When Huang Baiyun saw man tianwu and the others killed, he was shocked and lost his mind, giving Luo Tianshui an opportunity.

The spear pierced through his heart!

“Kill!”

Luo Tianshui pointed her spear at the corpse and shouted in a delicate voice.

“Charge!”

“Brothers, it’s time to fight back!”

“Exterminate the Barbarian race!”

“leave no one alive!”

“!!!”

Shua! Shua! Shua!

The celestial water city’s soldiers all jumped off the city wall, crossed the border river, and rushed into the black snake barbarian Kingdom’s territory, chasing the Barbarian soldiers with all their might.

“We won!”

Luo Yilin’s face was pale. The array board fell from the sky and flew back into her hand. She used her left sleeve to wipe the blood from the corner of her mouth, and her eyes were full of joy, ” we really won!!!

“It’s more than just winning.”

it’s a one-sided battle, ” Luo Tianshui murmured. it’s Jiang Li’s troops who crushed and killed nearly 200000 barbarians.

“We’ll be of little use.”

“Hehe, it’s fine as long as we won.”

luo yilin smiled. ” sister, i told you. we’ll win. jiang li’s soldiers are so strong. ”

“Yes.”

Luo Tianshui nodded, but there was still some worry in his eyes. it's just that things won't end so easily. I don't know when the next wave of attack from the black snake barbarian kingdom will come.

“However,”

luo tianshui clenched the spear in his hand again, his eyes firm. ” we'll deal with whatever comes our way. no matter how strong the black snake barbarian kingdom's attack is, they won't be able to break in. ”

“Right!”

Luo Yilin nodded.

Time passed.

Half an hour later.

The sounds of fighting on the battlefield gradually stopped. Man tianwu led 120000 barbarian soldiers and Huang Wuji led 80000.

there were 200000 barbarian soldiers.

They were basically all killed, and only a few escaped, but they had lost their courage.

The entire black serpent barbarian Kingdom's border city wall.

The ground was filled with corpses that piled up into a mountain, like a terrifying Asura arena.

In the air.

It was filled with a blood-colored mist, and the thick smell of blood was extremely pungent.

“Clean up the battlefield.”

” stop! ” jiang li shouted.

“Yes!”

The meches responded.

“My King!”

Jiang Li. Luo Tianshui, Luo Yilin, and the others walked over and bowed to Jiang Li respectfully.

“Yes.”

yes. Jiang Li nodded. Tianshui city did well this time. The power of a level-two array master is a breath of fresh air for me.

“Thank you for your praise, Jiang County Prince.”

Luo Yi Lin said with a smile.

“My King, what do you plan to do with these barbarian corpses?”

luo tianshui asked.

“Do you have any good ideas?”

Jiang Li asked.

“.....”

luo tianshui and luo yilin looked at each other.

One had to know.

There were nearly 200000 barbarian corpses, including a large number of first-level, second-level, and even a few third-level barbarian corpses.

Jiang Li really didn't have any good ideas.

The 100,000 monsters' bodies in the great Xia city were burned by Jiang Li's people. He didn't care about the monsters' bodies in the mountains either.

They would probably be eaten up by the ferocious beasts in the Green Mountain Range.

Your Highness, if you agree, I can set up a second-grade 'blood refining formation' and turn the corpses of the barbarians into 'blood refining pills'.

Luo Yilin said.

"Blood refining formation."

blood refining formation? " Jiang Li raised his eyebrows and asked, " is your blood refining formation the same as the blood refining formation the half-monster Alliance set up in Qingshan Valley? "

"Yes, I am."

Luo Yilin nodded. however, the 'blood refining array' that the half-monster Alliance set up in Qingshan Valley is a fake third-grade array, while my blood refining array is only a second-grade array.

therefore, the blood-refining array can only produce 'blood-refining pills', not' blood-refining beads'.

“Compared to the ‘blood refinement bead’, the blood refinement pill is slightly inferior.”

“sure.”

okay. Jiang Li agreed immediately. I can make use of the waste.

“Yes.”

Luo Yilin said happily.

“When do we start?”

Jiang Li asked.

“Now is fine.”

Luo Yilin said.

“A formation plate! Go!”

As soon as he finished speaking.

Luo Yilin waved her small white hand, and the array disc flew out, forming the eight trigrams of yin and yang. Then, she made a seal with both hands, and lines and seals appeared.

Shua! Shua! Shua!

The next moment.

A huge circular formation was formed, floating in the air and covering the area in front of them. Bursts of blood-red light gushed out from the formation and covered the Barbarian corpses.
