

Army 174

Chapter 174 Purple eye

Although the ten mechanical Rangers that Jiang Li sent killed a large number of bandits, most of the bandits were weak quasi-martial artists, so Jiang Li didn't get many soul Tinders.

Shua!

The Dominator panel opened.

Jiang Li glanced at it.

There were a total of 98 level-one soul Tinders, four level-two soul Tinders, and four level-three soul Tinders.

"after we return to the great xia city, hand xiao helong over to bai zhanbo for interrogation. let me know when you get the results. "

go! Jiang Li ordered.

"Yes."

Xx010 nodded.

Buzzzzzz!

Jiang Li hung up the communication with xx010 and the communication screen turned off.

Immediately.

Jiang Li asked xx01 about the situation of the four troops heading to the spirit desolate province.

During the March of the four troops, they passed by some barbarian villages and were attacked by the barbarians.

Of course.

With the strength of these barbarian villages, the troops that attacked Jiang Li were asking for death. The four troops killed all the barbarians easily and even got some soul Tinders.

52 level-one soul Tinders dropped.

“Fuse.”

Shua!

fuse. Jiang Li activated the soul Tinder fusion function. The interface for soul Tinder fusion appeared and he fused the 150 level-one soul Tinders one by one.

merging in progress. Countdown: 10,9,8,7 ”

A notification appeared.

[fusion failed!]

.....

[fusion successful!]

.....

[fusion failed!]

.....

A few minutes later.

After 15 attempts, Jiang Li failed 10 times and succeeded five times. He got five level-two soul Tinders and nine in total.

Nine second-stage soul Tinders were not enough to continue the fusion.

shua!

okay. Jiang Li closed all the interfaces and hung up the communication with the four troops.

It was midnight. Jiang Li fell asleep, exhausted.

On the other side.

Within the great Xia city.

The ten mechanical Rangers had returned to great Xia city with Xiao Helong. After entering the city, they went straight to the Sirius gang's headquarters according to Jiang Li's order.

"Where is Bai zhanbo?"

Xx010 found Hu Dong and asked, "The regional King has a mission for him."

"The regional King?"

Hu Dong was stunned. what regional King? "

Obviously.

Jiang Li didn't return to the great Xia city, so Hu Dong and the others didn't know that Qian Shixi had been killed by Jiang Li. The Black Dragon County had also been changed to the great Xia County by Jiang Li and he had become the king.

Lord Jiang Li is the county King.

Xx010 said.

“this bi an ...”

Hu Dong's expression was one of shock and disbelief.

“Where is Bai zhanbo?”

Xx010 said in a heavy tone.

“Bai zhanbo is in the interrogation Hall.”

Hu Dong came back to his senses and immediately said, ” “Please follow me.”

“Lead the way,”

xx010 said.

...

A few minutes later.

They had arrived at the interrogation Hall.

The door was pushed open.

“Bai zhanbo.”

hu dong shouted.

“Elder Hu, what a rare guest. How come you have the time to come to my interrogation Hall?”

Bai zhanbo’s figure emerged from the dark corner of the interrogation Hall. His pale face had a smile on it, and his clothes were stained with dried blood.

Bai zhanbo, the Jiangli Commandery Prince has a mission for you.

Hu Dong shouted.

the Commandery Prince of Jiangli? ”

huh? “Bai zhanbo was surprised. when did Jiang Li become a Junwang?”

...

bang! bang!

A mechanical Ranger behind xx010 threw Xiao Helong, who was tied up, in front of Bai zhanbo.

“The Junwang has ordered that your mission is to interrogate Xiao Helong and force him to reveal all his secrets.”

Xx010 said coldly, ” “If you fail, you die.”

“oh.”

Bai zhanbo lowered his head and looked at Xiao Helong.

“Don’t even think about it!”

Xiao Helong gritted his teeth and shouted, “I won’t say anything. Don’t even think about getting anything out of me. You’ll all die! You’ll all die!”

“hehe.”

“many people have told me that,” bai zhanbo laughed. “but after a few intimate moments, they started to treat me as their best friend and told me all their secrets.”

“Trust me, you will be no exception.”

“You’re dreaming!”

Xiao Helong roared.

“please help me reply to prince jiangli. bai zhanbo will not let him down.”

Bai zhanbo said to xx010.

“Yes.”

Xx010 nodded and turned to leave.

“.....”

Hu Dong glanced at Bai zhanbo and left quickly.

“Let’s go, my dear friend.”

bai zhanbo squatted down and grabbed xiao helong by the collar. then, he walked into the dark interrogation hall and the door closed with a ‘clang’.

“Ah!”

half a minute later.

A shrill scream came from the trial Hall. It was so sharp that it was as if their eardrums had been pierced. The members of the Sirius gang who passed by quickly avoided it and looked in the direction of the trial Hall with lingering fear.

the next day.

Early in the morning.

In the interrogation Hall.

In a dark torture chamber.

On the wooden table.

The flickering candlelight brought some light to the dark torture chamber. The dancing candlelight caused the shadows on the wall to form a strange distortion.

“It’s done.”

The corners of Bai zhanbo’s mouth lifted. He picked up the letter and read it carefully. His eyes slowly turned purple.

Half-monster Alliance.

Bai zhanbo laughed. the power of the nation is fighting for the Dragon. The hidden chess pieces of the 36 counties represent 36 flood Dragons. In the end, a true dragon will be decided and the half-Monster Kingdom will be established.

“What a grand plan.”

“I believe that when my respected regional King finds out, he will definitely be very interested.”

“Don’t you agree? My friend.”

Bai zhanbo turned around and looked behind him.

Xiao Helong sat paralyzed on the torture chair. His entire body was covered in bloody wounds. His eyes were dull, and he was drooling from the corner of his mouth.

Obviously.

Xiao Helong had already lost his mind.

my friend, you should be proud of yourself because you managed to withstand 36 of my punishments. In the end, I had no choice but to use ‘bewitching purple eyes’.

also, ” Bai zhanbo said slowly, ” my respected Junwang is a man of his word. If I don’t get anything out of him, I’m afraid I’ll lose my life.

“I’ll have to trouble you.”

Pfft!

bai zhanbo placed his right hand on top of xiao helong’s head and his eyes turned a demonic purple. xiao helong’s body trembled and his limbs went stiff. finally, he died.

It seemed like ...

It was as if a soul shadow had flown out from Xiao Helong’s corpse and merged into Bai zhanbo’s pair of demonic purple eyes.

Squeak!

The door of the interrogation Hall was pushed open.

Bai zhanbo walked out of the room. The morning sun shone on his body. He looked up and said, “the weather is nice today.

“You, come over.”

wait! Bai zhanbo called out when he saw a gang member passing by.

“bai qingqing, hall master bai.”

The disciple shivered.

“Give it to elder Hu and tell him that I have completed the task the Junwang had given me.”

Bai zhanbo passed the envelope to her. remember, don’t peek.

“Gulp!”

the sect member swallowed his saliva and took the envelope. “little yueyue, i don’t dare to.”

“Go on.”

Bai zhanbo waved his hand.

“This lowly one will take his leave.”

This sect member retreated and left. After turning the corner, he quickly ran off and ran towards Hu Dong’s residence.

“I’ve been busy all night, I need to rest.”

Bai zhanbo stretched lazily and walked back to the interrogation Hall. The door closed with a ‘clang’.

in the morning.

At the border defense line.

in the commander’s tent.

Jiang Li woke up. This time, he slept for a long time.

“chief sovereign.”

Wang Gang and the others stayed by Jiang Li’s side all night.

“Yes.”

Jiang Li got up and yawned.

In the camp.

The environment wasn’t as good as the one in the castellan mansion. Jiang Li washed up and ate some food that Luo Tianshui and the others prepared.

soon after.

Jiang Li contacted four troops.

It was only one night.

The four troops had already taken down the four barbarian cities of the spirit desolate province.

The spiritual desolate County was defenseless at the moment. The troops that were sent to attack the border defense line of the great Qian dynasty were all destroyed by Jiang Li.

With the combat power of the four troops Jiang Li sent out, it was easy for them to take down the defenseless city.

Currently.

There were still six barbarian cities, barren city, and Maha city left.

The 1st and 2nd units will head to barren city, while the 3rd and 4th units will head to Maha city.

And they were almost there.

As for the gains from the four barbarian cities ...

Due to time constraints, they did not have the time to organize and calculate the total. However, it was definitely not worse than the demon City in Red Dragon County. Just the number of lower spiritual crystals alone was 500.

“very good,” he said.

I’m fine. Jiang Li was in a good mood after receiving the news. if nothing goes wrong, the four troops will be able to return today.

“Master, xx010 is requesting communication.”

xx01 said.

“Answer.”

Jiang Li said.

“Yes.”

Buzzzzzz!

the communication projection screen appeared.

“chief sovereign.”

Xx010 saluted.

“What’s the matter?”

Jiang Li asked.

my Lord, Bai zhanbo has already obtained important information from Xiao Helong.

Xx010 replied.

“What’s the specific?”

Jiang Li asked.

“My Lord, please take a look. This piece of paper contains all of Xiao Helong’s secrets.”

Xx010 opened the paper and pointed the camera at the content on the paper. It was clearly displayed in front of Jiang Li.

“.....”

Jiang Li Read it carefully.

It’s the half-monster Alliance again.

Jiang Li frowned. these half-monsters don't know how to stop. They've been planning for so long and set up so many hidden chess pieces in the great Qian dynasty.

"The battle for the Dragon and the fate of the nation, the name of the plan is quite resounding."

"....."

hmm. Jiang Li thought, " in that case, the red eyebrow Empire and the black snake Empire sent their troops at the same time probably because of this battle of National fate.

"They want to take advantage of the chaos and occupy the territory of the great Qian dynasty."

"It's just that he's angry."

Jiang Li took a deep breath and murmured, " "Does the Imperial court of da Qian really not know anything? The Imperial court of da Qian really didn't have any news about the half-monster Alliance's many hidden chess pieces?"

"If that's the case, then the Imperial court is truly rotten to the core."

"But,"

if the Imperial court of da Qian received the news in advance and allowed the half-monster Alliance to strengthen their hidden chess piece, they might be able to lure the half-monster Alliance, the red-browed and the black snake barbarian kingdoms to send their troops.

"There's a huge scheme behind this."

"Then, who are you, the one on the throne of the Imperial court of da Qian?"

Jiang Li murmured with deep eyes.
