Chapter 176 An announcement

Guo Yi was following Jiang Li like a Lackey. There were many large carriages filled with herbs and spirit herbs behind him.

Then, they went straight to the city Lord's mansion.

"It's nothing. Leave the things behind and you can go."

Jiang Li said.

"Yes, yes,"

Guo Yi nodded and did not dare to say anything more. He turned around and left.

"Wait a moment."

wait! Jiang Li suddenly shouted.

"junwang, do you have any other orders?"

guo yi immediately stopped in his tracks.

"If I'm not mistaken, Hope City is very close to Jinwang County, right?"

what's wrong? "Jiang Li asked.

"Yes, I am."

Guo Yi nodded.

“yes.”

Jiang Li thought for a moment and said, ” “During this period of time, send someone to pay close attention to the movements in Jinwang County and report to me immediately if anything happens.”

“Yes, your subordinate understands.”

Guo Yi nodded his head repeatedly. I promise to complete the mission.

“Go on.”

don’t worry. Jiang Li waved his hand. if you do this well, I’ll reward you.

“it is this subordinate’s honor to share the burden of junwang.”

Guo Yi said in a flattering tone.

Soon after.

Guo Yi left the great Xia city.

Jiang Li took out the list of herbs and spirit herbs that Guo Yi gave him.

Among them.

there were 5000 ordinary spiritual herbs, 6530 low-grade tier 1 spiritual herbs, 4400 medium-grade tier 1 spiritual herbs, 2000 high-grade tier 1 spiritual herbs, and 1000 top-grade tier 1 spiritual herbs.

There were 80 low-grade Tier 2 Spirit herbs, 20 medium-grade Tier 2 Spirit herbs, eight high-grade Tier 2 Spirit herbs, and no tier 2 superior-grade spirit herbs or Tier 3 spirit herbs.

Obviously.

The last time Hua Tian went to Hope City to trade, he had purchased most of the ordinary herbs.

Guo Yi gathered all the medicinal herbs and spirit herbs in the city and sent them to the great Xia city.

there were only 5000 ordinary medicinal herbs, which were not even as many as the inferior-class first-grade spiritual herbs.

“Convert!”

This time.

Jiang Li didn't keep the spirit herbs. Instead, he converted all the ordinary herbs and spirit herbs that Guo Yi sent.

Buzzzzzz!

A white light flashed.

the medicinal herbs and spirit herbs had all disappeared.

conversion successful. 345500 energy points obtained!

A notification appeared.

I've only managed to convert more than 300000 energy points from so many herbs.

Jiang Li shrugged. if we can find a buyer and sell all the spiritual herbs, we can sell them for 328.5 million taels of silver. We can use the 300 million taels of silver to buy ordinary herbs and convert them into energy points. We can get about three million points.

“The difference is almost ten times.”

unfortunately, I can't find anyone to trade with. Neither the half-monster Alliance nor the great gan Lord dynasty can trade with me.

it's even more impossible for the black snake barbarian kingdom and the red eyebrows Yao Kingdom.

” therefore, even though i'll lose a lot if i convert them directly, i can only convert the spiritual herbs into energy points first. only then will i have enough energy points to send out more troops, increase the number of troops, and improve my own strength. ”

“Only then can we take the initiative in the chaotic situation that follows.”

In the afternoon.

City Lord's mansion.

Jiang Li sat on the highest seat in the front.

Below.

They were Hong Tianqi, han Liqi, Xu Ya, Hu Dong, Wang Pingyuan, Hua Tian, Wu Zong, pang kui, and two new elders of the Sirius gang that Jiang Li didn't know.

It could be said that ...

...

All the 'higher-ups' of the great Xia city were present.

Furthermore ...

The Sirius gang was growing bigger and bigger in the great Xia city. The various industries of the gang had spread all over the great Xia city, and the Sirius gang was the only dominant one.

The gang's power was like the sun in the sky.

As the gang grew in size, the number of members would naturally increase. The management would also become more cumbersome, and two new elders would be added.

Wu Zong and pang kui were also promoted to elders of the Sirius gang.

Compared to the past ...

the two of them were now considered 'high-ranking and powerful'. they managed a large number of gang members and various gang businesses.

Who knew how many merchants had come to curry favor with them.

"I've gathered you here today to announce a few things."

Jiang Li looked down at Xu Ya and the others.

...

"....."

Hong Tianqi and the others looked at each other, then said in unison, " "At your command, my Lord."

"Yes."

Jiang Li nodded and glanced at them. the first thing I want to say is that from today on, the Black Dragon County will be renamed the great Xia County and officially break away from the great Qian dynasty. I will be the county King of the great Xia County.

“leave, my king!”

Han Liqi raised his head in shock.

Only Hu Dong was calm because he knew about it in advance, but he didn’t tell anyone else. Now that Jiang Li had announced it in person, he had some time to prepare.

“This bi an ...”

wang ping, yuan hua tian, and the others were also stunned.

“Sir, are you going to make yourself King?”

Wu Zong swallowed his saliva.

“That’s great!”

greetings, my Lord! pang kui shouted. greetings, my Lord!

Plop!

Pang kui knelt down and kowtowed to Jiang Li first.

“Xu Ya greets the Junwang.”

Immediately.

Xu Ya also knelt down and saluted.

Sir, this is unacceptable. Please reconsider!

At this moment.

The newly appointed elder of the Sirius gang was a middle-aged man in his forties. He knelt down and said loudly, ” ” we are all citizens of da qian. how can we do such a treasonous thing as leaving the da qian dynasty and making ourselves kings? ”

moreover, the great gan Lord dynasty is powerful. We can't stop their Army. We're asking for our own destruction!

“You're digging your own grave.”

Jiang Li smiled and squinted at the middle-aged man. He asked calmly, ” “What's your name?”

“Milord, this subordinate's surname is li and my name is Yong,”

Li Yong raised his head and said.

“Li Yong,”

okay. Jiang Li nodded. His expression didn't change.

Then, he glanced at the other newly appointed elder. He saw a young man with a delicate face, who had his head lowered and did not dare to speak.

“What do you guys think?”

Jiang Li asked Hong Tianqi and the others.

“Of course it's whatever you say.”

Pang kui said directly.

“without you, we would not be where we are today,”

“That’s why I’m willing to go through fire and water for you, my Lord,” Xu Ya shouted.

“at your command, my lord.”

Hua Tian said.

“we pay our respects to the regional king.”

Wang Pingyuan and Hu Dong saluted at the same time.

“.....”

hong tianqi and han liqi looked at each other. without hesitation, they knelt down at the same time and said in unison, ” “Your subordinate pays his respects to the regional King!”

“You guys ...”

Li Yong was stunned.

Li Yong, your name has the word ‘Yong’ in it, but I can’t see your courage. I can only see your timidity and ignorance.

No. Jiang Li shook his head.

One had to know.

Jiang Li had killed the Admiral of the great Qian dynasty in the great Xia city. He had already completely fallen out with the great Qian dynasty.

Not to mention, Jiang Li had killed Qian Shixi not long ago.

The most important thing was ...

ancient puppet technique? ” King Qian tried to see the ‘ancient puppet technique’ that didn’t exist in Jiang Li’s hand.

Under such circumstances.

Jiang Li only had one choice left, which was to go against the great Qian dynasty.

However ...

Li Yong, on the other hand, didn’t understand the situation at all. He even advised Jiang Li to think twice and said that he was ‘asking for his own death’. Such an idea was completely stupid and cowardly.

Furthermore ...

He was only thinking for himself.

He had worked hard to become an elder of the Sirius gang. He had both status and power, but he had to go against the great Qian dynasty before he could enjoy it.

In Li Yong’s eyes.

This was courting death. For his own benefit and status, he absolutely couldn’t do this.

“Such a useless person, just kill him.”

Jiang Li waved his hand.

“No! Chief Jiang, you can’t do this! you can’t do this!”

Li Yong screamed in horror.

“yes.”

Shua!

Gang Wang's figure flashed and disappeared. The next moment, he reappeared in front of Yong Li. He threw a punch, which shook the air and produced a shock wave.

“Pfft!”

Yong Li screamed and vomited blood. His eyes were wide open, and his heart was broken by Wang Gang's punch.

Bang!

His body fell to the ground.

Plop!

The other young man was so scared that he knelt on the ground and trembled. Jiang Li just glanced at him and ignored him.

“Who was Li Yong promoted to?”

Jiang Li asked.

“It's Zhenzhen, it's your subordinate.”

Wang Pingyuan's voice trembled.

Wang Pingyuan, ” Jiang Li said in a deep voice. you don't know how to judge people and promoted useless people. But since you've worked hard, I'll spare you from death.

“I can avoid death, but I can't escape punishment.”

“From today onwards, your position as an elder of the Sirius gang will be removed. Do you have any objections?”

“Your subordinate accepts his punishment.”

Wang Pingyuan kowtowed and didn't dare to have any objections.

“get down.”

jiang li waved his hand.

“Yes.”

Wang Pingyuan retreated with a pale face.

“next, i'll announce the second matter.”

Jiang Li continued, ” you should know that Hope City was attacked by the hidden Dragon Village bandits yesterday. They asked great Xia city for help. I sent troops to help them. In the end, the hidden Dragon Village bandits were defeated and Xiao Helong, the leader of the hidden Dragon Village, was captured.

after Bai zhanbo's interrogation, he learned from Xiao Helong that the half-monster Alliance had been planning this for ten years. They've been secretly planning the 'battle for the Dragon' plan.

” currently, the half-monster alliance has a hidden chess piece in each of the 36 counties of the great qian dynasty, and they've all been activated. ”

“In other words, the entire great gan Lord dynasty is in a state of chaos.”

the half-monster Alliance has also allied with the red eyebrow Yao Kingdom and the black snake barbarian kingdom. These two kingdoms took advantage of the chaos in the great Qian dynasty and sent out their troops to occupy the territory of the great Qian dynasty.

“Milord, is this information true?”

“If it’s really as you say, then wouldn’t our black Vatican, the great Xia province, be the first to bear the brunt? It’s because we are connected to the black snake barbarian kingdom and the red eyebrow Yao Kingdom.”

Hong Tianqi immediately understood the key point and said seriously, ” “If the black snake barbarian kingdom and the red-browed demon Kingdom send their troops at the same time, can we really defend?”

“This bi an ...”

Hu Dong and the others looked at each other, and they could see the worry in each other’s eyes.

“My Lord, what should we do now?”

Wu Zong asked.

“My Lord, why don’t we just retreat?”

“Why should we help the Imperial court of da Qian resist the invasion of the red eyebrows demon Kingdom and the black snake barbarian kingdom?” There’s no need to stay here at all.”

“Elder Hua Tian’s words are very reasonable.”

Wu Zong nodded in agreement.

“You don’t have to worry about this.”

there’s only one thing you need to do, “Jiang Li said. that’s to manage great Xia city for me and take care of your own businesses. I’m telling you this so that you can be prepared.

“And ...”

“When did I say that I would help the Imperial court of da Qian resist the invasion of the red eyebrows demon Kingdom and the black snake barbarian kingdom? I feel that this fire is not big enough and need this Junwang to add more fire.”

“This bi an ...”

“What does the Junwang mean by this?”

“.....”

Hu Dong and the others were puzzled.
