

## Army 180

Chapter 180 snitch

The next day.

at noon.

The great Xia city.

In the city Lord's mansion's courtyard.

Roar!

Jiang Li was practicing martial arts. He struck out a palm and the inner force in his dantian burst out and gathered between his palms. A bear roared and formed a palm print, then it landed on a fake mountain not far away.

BOOM!

The rockery, which was almost as tall as a person, shattered into pieces.

“Hu ~~ Hu ~ Hu ~”

great. Jiang Li slowly stopped and let out a breath. He looked at the effect of his palm with satisfaction. I've improved violent Bear Paw again.

“Not bad, not bad.”

“Report!”

At this moment.

outside the courtyard.

Ma han ran over quickly and stopped at the entrance of the courtyard. He shouted respectfully, ”  
“My Lord, Chang pingwang, the Lord of Pingding city, and Zhuo linyue, the Lord of five lakes city,  
have arrived.”

“Oh.”

“lead the way.” jiang li walked out of the courtyard with ynsh01, wang gang, and several other  
meches following him.

“Yes.”

Ma han nodded.

A few minutes later.

In the city Lord’s mansion’s reception hall.

The door was pushed open.

let’s go in. Jiang Li walked in.

“Chang Ping pays his respects to the Junwang.”

Chang pingwang immediately stood up and bowed to Jiang Li.

“zhuo linyue greets the regional king.”

Zhuo linyue followed him.

“Sit.”

Jiang Li walked to the main seat in front of him and sat down.

“My Lord, I have already transported all the spirit herbs and medicinal herbs from Pingding city to the great Xia city. They are now outside the city Lord’s residence.”

Chang pingwang quickly said.

“junwang,”

Zhuo linyue bowed to Jiang Li and said, ” all the medicinal herbs and spirit herbs from five lakes city have been delivered.

“Yes.”

thank you. Jiang Li nodded with satisfaction. thank you for bringing it here.

“It’s not hard, it’s not hard.”

chang pingwang waved his hand.

“This is what your subordinate should do.”

Zhuo linyue said.

“men, come.”

wait! Jiang Li shouted.

“Your subordinate is here, please give me your orders,”

Ma han was guarding outside the door.

inform Xu Ya and ask her to send all the herbs and spirit herbs outside the city Lord's mansion to the warehouse.

Jiang Li said.

"Yes."

Ma han nodded and left to inform Xu Ya.

"Your Highness, since the spirit herbs and medicinal herbs have been delivered, I shall take my leave."

Chang pingwang stood up and bowed.

my Lord, as you know, five lakes city doesn't have a city Lord. I'm the only County Lord in charge of the city. I'm quite busy, so I can't stay here any longer.

Zhuo linyue said.

"Then let's all go back."

Jiang Li waved his hand and didn't stop him.

...

"This subordinate will take his leave."

Chang pingwang and Zhuo linyue stood up and bowed at the same time. They left the reception hall and went straight out of the city Lord's mansion. They rode their horned scale horses and left the great Xia city.

Outside the great Xia city.

On the path.

“County Magistrate Zhuo, is your information reliable?”

what’s the matter? ” asked Chang pingwang in a low voice as he and Zhuo linyue walked side by side.

“Absolutely reliable.”

Zhuo linyue said in a low voice, ” “This news came from a friend of mine who risked his life to pass it on.”

based on the current situation, rebellions have actually appeared in all 36 counties of the great Qian dynasty.

now, only the capital, Qianlong County, divine Crane County, and lingluan County have been suppressed. The remaining 32 counties are still in the midst of war.

but I didn’t hear any news about the rebel army in the Black Dragon County, no, the great Xia County.

...

Chang Ping said in vain.

“You don’t know.”

Zhuo linyue shook his head. the day before yesterday, Guo Yi’s Hope City was attacked by the ‘Hidden Dragon Village bandits’. They almost took it down.

“If it wasn’t for the timely dispatch of the troops by the king of Jiang County, Hope City would have been finished.”

“This bi an ...”

Chang pingwang was stunned. there's such a thing, but I didn't receive any news at all. The military strength of Hope City isn't weak, and their strength isn't low either. For mere bandits to have the strength to take down Hope City, they're definitely not ordinary bandits.

“who said it wasn't?”

I don't know the details, ” Zhuo linyue said in a deep voice. the Imperial court of da Qian is in chaos. The black snake barbarian kingdom and the red eyebrows Fey Kingdom won't miss this opportunity.

“The countries around our borders will not miss this opportunity either.”

the great Xia County will be the first to be attacked by the black snake barbarian kingdom and the red eyebrows Empire. Jiang Li won't be able to defend it.

“So we have to think of a way out.”

“What do you plan to do?”

Chang pingwang asked.

“Of course I'm running away,”

“Are we still going to stay?” Zhuo linyue asked without hesitation. Do you really want to be with Jiang Li? help jiang li resist the invasion of the black snake barbarian kingdom and the red eyebrow empire?”

“We can't even defend the great Xia province.”

“Staying behind is courting death.”

that's why I'm ready to escape. I've taken all the wealth in five lakes city and all the soldiers. If Jiang Li didn't send someone to rush me yesterday, I wouldn't have given him any of those herbs. I would've taken them all.

"chang pingwang, have you thought about it? Do you want to come with me? with the combined wealth and military strength of our two cities, even if we leave the great qian dynasty and go to another human dynasty, we can still find a way to survive. it might even be better than staying in the great xia province."

"I'm Yingying!"

Chang pingwang pondered for a moment before taking a deep breath and slowly saying, "Let me think about it."

"Alright," he said.

Zhuo linyue nodded. but you have to give me an answer as soon as possible. I can't stay in the great Xia province for too long. I'll leave the day after tomorrow at most.

"Don't worry,"

Chang pingwang nodded his head solemnly.

"Farewell, Jia."

Zhuo linyue cupped his hands and rode away in the direction of five lakes city.

chang pingwang looked at zhuo linyue's back. the horned scale horse was very fast. its four hooves galloped wildly, bringing up clouds of dust as its figure gradually disappeared.

"Zhuo linyue, it's a pity that your information is outdated."

A sinister smile suddenly appeared on Chang pingwang's face. His eyes were deep and cold. I'm afraid you don't know how powerful and influential the Jiangli Commandery Prince is.

I've been a spy in Tianshui city for more than ten years, but he brought back important information from the border defense line that shocked me.

200000 barbarian soldiers and more than 100000 demon soldiers were all killed by Jiang Li's Army.

"Not a single one was spared!"

you must know that it only took Commandery Prince Jiang Li a short time to reach this level. He has such terrifying and amazing potential.

Speaking of which, I have to thank you. I haven't thought of a way to please and improve my position in Prince Jiangli's heart, but you've come to me.

"I'm really sorry."

"Go!"

chang pingwang pulled on the reins, and the horned scale horse turned around and galloped toward the great xia city.

Not long after.

Thus, Changping returned to the great Xia city.

I have something important to report to Jiangli Commandery Prince!

Chang pingwang shouted.

"City Lord Chang."

Hong Tianqi looked down at Chang pingwang. didn't you go back? "he asked.

"General Hong, where is Commandery Prince Jiangli? i have something important to report."

Chang Ping said in vain.

“he should be in the city lord’s mansion.”

Hong Tianqi said.

“Quickly, bring me to the Junwang.”

Changping said.

“Alright,” he said.

yes. Hong Tianqi nodded. follow me.

“Thank you, general Hong.”

Chang pingwang immediately followed.

At this moment.

Jiang Li wasn’t in the city Lord’s mansion right now. He was in the warehouse with the list of herbs and elixirs. There were meches guarding the warehouse.

The medicinal herbs and spirit herbs sent by five lakes city and Pingding city were all here.

Among them.

There were 42000 ordinary spiritual herbs, 10300 inferior-grade Tier 1 spiritual herbs, 7950 intermediate-grade Tier 1 spiritual herbs, 5000 superior-grade Tier 1 spiritual herbs, and 1800 superior-grade Tier 1 spiritual herbs.

there were 180 low-grade tier 2 spirit herbs, 60 medium-grade tier 2 spirit herbs, and 15 high-grade tier 2 spirit herbs.

There weren't any spirit herbs of tier two or tier three and above.

“Convert!”

jiang li put his right hand on the herbs and spiritual herbs and turned them into energy points.

Buzzzzzz!

A white light flashed.

All the herbs and spirit herbs disappeared.

conversion successful. 792000 energy points obtained!

A notification appeared.

“It's alright.”

Jiang Li nodded and left the warehouse.

“Clean up the empty boxes inside.”

go! Jiang Li ordered.

“Yes.”

The mech guarding the door nodded.

“Chief sovereign.”

At this moment.

Xx01 walked over.

“what is it?”

Jiang Li asked.

there's news from the defense line at the border of Tianshui city. After Luo Tianshui knew that the Lord needed medicinal herbs and spirit herbs, she sent people to collect all the medicinal herbs and spirit herbs in Tianshui city. They're now being escorted by a mech troop to the great Xia city. They should arrive before evening.

Xx01 said.

“Oh.”

Jiang Li raised his eyebrows. you're smart.

“contact the escort team and ask them about the situation.”

Jiang Li said.

“Yes.”

Xx01 nodded and contacted xx011, the information mech.

Buzzzzzz!

The communication screen appeared.

“My Lord!”

Xx011 saluted.

“Yes.”

“yes.” jiang li nodded. “where are the escorts?”

my Lord, we’re already halfway there. We’ll arrive at the great Xia city before evening. We haven’t encountered any danger or unexpected situations during the escort. Everything is normal.

Xx011 said.

“Alright,” he said.

okay. Jiang Li nodded. speed up.

“Yes.”

Xx011 replied.

Shua!

The communication was shut down.

Jiang Li walked to the city Lord Mansion and saw Chang pingwang and Hong Tianqi at the door, but they were stopped by the meches.

Without Jiang Li’s order.

The meches wouldn’t let anyone into the mansion.

Forcing their way in would only lead to death.

“My Lord!”

Jiang Li. Hong Tianqi heard the noise and turned around to see Jiang Li.

“Your Highness!”

Chang Ping shouted in vain.

“Chang pingwang, didn’t you go back?”

Jiang Li walked over.

“Sir, this subordinate has an important matter to report.”

Chang pingwang knelt down on one knee.

“What important matter is it?”

jiang li said.

my Lord, this matter is related to Zhuo linyue from five lakes city. He knows that the great Qian dynasty is in chaos and that the red eyebrows Yao Kingdom and the black snake barbarian kingdom are going to invade the great Qian dynasty.

chang ping said in vain, ” zhuo linyue thought that it was impossible for you to defend the great xia county. thus, he had made preparations to escape a few days ago. he plundered all the wealth in five lakes city and was prepared to take all the soldiers of five lakes city with him. he has already betrayed you. ”

jiang li looked at chang pingwang, who was kneeling on one knee, and asked, ” “How do you know all this?”

“Zhuo linyue told me this himself.”

because Zhuo linyue wanted to invite me to escape with him, ” Chang pingwang replied immediately. but I’m loyal to you, my Lord. Heaven and earth can bear witness to my loyalty.

I am willing to fight with you to resist the invasion of the red eyebrows demon Kingdom and the black snake barbarian kingdom.
