

Army 182

Chapter 182 Deception

“He didn’t come.”

I’ll wait then. Jiang Li pondered for a while.

“Yes.”

jc01 nodded.

In five lakes city.

At the gate of the county government office.

Zhuo linyue looked at his county government office with a look of reluctance.

my Lord, all the Chambers of Commerce, shops, and gangs in the city have been plundered. Now, there are only some rich landlords and the residents of the city left.

Luo GE, who was at the head of the main shop, reported to Zhuo linyue.

“Alright,” he said.

Zhuo linyue nodded.

“It’s almost time.”

Zhuo linyue murmured. He looked around and saw that the entire five lakes city was in complete chaos. Some buildings had even been set on fire, and there was fire, killing, and plundering everywhere.

“Master, great master Qing Tian, I beg you to let us go, I beg you, I beg you, I beg you!”

In front.

Many civilians crowded around Zhuo linyue, crying and shouting.

“.....”

Zhuo linyue frowned and looked at Luo GE. He said, ” “What are you doing? You actually let these bumpkins come here.”

“please forgive me, i’ll drive them away.”

Luo GE quickly said.

“What’s the rush? just kill him.”

Zhuo linyue snorted.

“Yes.”

Luo GE was stunned for a moment before he nodded.

“Do it.”

Luo GE shouted.

“Ah!”

Pfft! pfft!

The next moment.

The constables pulled out the Long Knives at their waists and swung them down, killing all the civilians who crowded around them. Blood splattered everywhere, and the bodies fell to the ground. Screams of pain rang out.

“Hurry up and get lost!”

Luo GE roared.

“run!”

The civilians fled in fear.

“if we don’t kill the chicken to warn the monkeys, these bumpkins won’t know how powerful we are.”

Zhuo linyue sneered, ” the black snake barbarian kingdom and the red eyebrows shifter Kingdom are about to attack. No matter how strong Jiang Li’s soldiers are, they can’t defend the great Xia County.

Jiang Li, Jiang Li, you can stay in the great Xia County and wait for your death. I won’t stay here and wait for my death.

time passed.

Half an hour later.

The ground outside five lakes city started to shake slightly.

It could be seen.

The Army of Pingding city rushed over on the main road. Chang pingwang was personally leading the Army of Pingding city. Dong Lin and the others followed behind him.

there were about ten thousand soldiers.

“My Lord, the Army from Pingding city has arrived.”

JC01 said.

“Yes.”

okay. Jiang Li nodded. He saw it clearly through the video call.

On the communication screen.

“Zhuo linyue!”

The Army of Pingding city led by Chang pingwang stopped not far from five lakes city. Then, he walked out from the Army and shouted to five lakes city, ” “This city Lord has come according to the agreement. Don’t tell me you’re not going to come out to welcome me?”

“Hahahahaha!”

After about half a minute.

zhuo linyue’s loud laughter came from the city. he stood on the city wall and looked down at the army led by chang pingwang and the large carriages behind them.

...

“City Lord Chang.”

“Have you made up your mind?” Zhuo linyue shouted.

“Of course.”

chang pingwang replied without hesitation, "i've thought about it for a long time. i think you're right. no matter how strong jiang li's soldiers are, they can't stop the red eyebrows shifter kingdom and the black snake barbarian kingdom from invading at the same time. the great xia county will fall and jiang li will die for sure."

"If we continue to stay here, we'll just be waiting for death."

well, after I thought it through, I immediately brought all my trusted soldiers and all the wealth of Pingding city.

"Zhuo linyue, when are we leaving?"

"Alright, alright, alright."

Zhuo linyue's smile grew even wider. it's great that Castellan Chang thinks so. We'll leave tomorrow.

"No problem," he said.

"County Magistrate Zhuo, if that's the case, why don't you open the city gate so we can go in?"
Chang pingwang nodded and said loudly.

...

"Well said, well said."

Zhuo linyue waved his hand with a smile. open the gate and drop the suspension bridge.

"County Lord, is it really good for us to let Changping bring his Army in vain? Is there a trap?"

At this moment.

The commander of the five lakes city's city guards, long Yingze, said.

“Don’t worry,”

Zhuo linyue waved his hand and said, ” “it’ll be fine. do you think changping will attack us? how is that possible? what good would he get by attacking us?”

“Open the city gates.”

“Yes.”

Long Yingze nodded.

Boom! Boom! Boom!

the city gate opened, and the huge suspension bridge was lowered.

“we’ll go out of the city to welcome them.”

Zhuo linyue came down from the city wall with his trusted troops, about a dozen of them. They slowly walked out of five lakes city and headed toward Changping.

“City Lord Chang.”

Zhuo linyue rode over with a smile.

“Hehe, County Magistrate Zhuo.”

Chang pingwang’s smile grew even wider.

Castellan Chang, let’s enter the city together. Speaking of which, we should discuss our plans after we leave the great Xia province.

Zhuo linyue said.

“Of course, of course.”

Chang pingwang nodded with a smile.

“Please,” he said.

Zhuo linyue raised his hand.

“Please!”

chang pingwang approached zhuo linyue.

“Kill!”

Suddenly.

Just as the two were a meter apart, Chang pingwang shouted and pulled out the sword at his waist.

Clang!

The long sword stabbed out without any hesitation.

“You!”

zhuo linyue’s eyes widened in shock.

He could not react.

“Pfft!”

The next moment.

Chang pingwang's sword pierced Zhuo linyue's chest.

Blood splattered everywhere.

He was stunned!

Incomparably astonished!

Zhuo linyue stared straight at Chang pingwang, at the sword that had pierced his chest. He could not help but scream in pain.

he could not understand.

Zhuo linyue could not understand.

He did not understand.

He really didn't understand why Chang pingwang would do this.

County Lord!!!

“something has happened!”

Long Yingze was shocked and shouted, ” “Quick, close the drawbridge and the city gate.”

“But the state Lord is still outside the city!”

The others shouted.

“Why? Why are you doing this?”

zhuo linyue looked at chang pingwang and questioned him angrily.

“Hahahahaha!”

Chang pingwang threw his head back and laughed maniacally. Zhuo linyue, Oh Zhuo linyue, you really think you’re so smart? do you really think I’m going to escape with you? ”

“what a joke! the biggest joke ever!”

to tell you the truth, I’ve completely surrendered to the Commandery Prince Jiang Li. You can’t imagine how powerful he is.

today, I’ll use your head to show my loyalty to the Commandery Prince Jiang Li.

“This is crazy! Chang pingwang, you’ve already gone crazy!”

Jiang Li! Zhuo linyue shouted, “what did Jiang Li give you to make you so crazy? you don’t even want your life! The black snake barbarian kingdom and the red eyebrow Empire are invading at the same time. What can Jiang Li do?”

by then, not only will Jiang Li die, but you will also die!

“Cut the crap! Die!”

“Whoosh!!!”

Chang pingwang’s metal attributed internal strength surged out and was extremely sharp. When he released his sword technique, sword Qi spread out and sword rays bloomed.

“Don’t even think about it!”

Zhuo linyue shouted and retreated quickly.

BOOM! BOOM! BOOM!

In an instant.

The two sides started fighting.

charge!!!

At this moment.

Dong Lin took out his long spear and led the Army to launch an assault.

kill!!!

“Charge!”

attack!!!

the army of pingding city charged towards five lakes city. the city gate was opened and the suspension bridge was lowered. the army of pingding city was like a long march as they directly entered five lakes city.

The most important thing was ...

Zhuo linyue's actions had completely lost the People's support in five lakes city. The residents of the city, the Chambers of Commerce, and gangs were all shocked when they saw the Army from Pingding city attack.

Everyone immediately rebelled and attacked Zhuo linyue's men.

Hence.

In such a situation where they were working together from the inside.

An hour later.

The war was over.

Five lakes city was attacked by Pingding city's Army led by Changping Wang. They lost a thousand soldiers and more than half of five lakes city's city guards and constables. In the end, they were all captured.

how did this happen?!

Zhuo linyue staggered. His body was covered in sword wounds and he was at his limit. He looked desperate.

"it's over, zhuo linyue."

chang ping walked forward and cut off zhuo linyue's head with his sword.

"Dong Lin, give me the chest."

Chang pingwang took a deep breath and looked at Zhuo linyue's body.

"Yes."

Dong Lin nodded and brought over the box he had prepared.

"Yes."

Chang pingwang took it, opened the box, and put Zhuo linyue's head inside.

Dong Lin, you stay in five lakes city and stabilize the situation. I will send Zhuo linyue's head to the great Xia city now.

Chang Ping said in vain.

“Yes, city Lord.”

Dong Lin nodded.

“Go!”

Chang pingwang rode on his horned scale horse, carrying the box with Zhuo linyue’s head on his back. Then, he rode through the night, rushing towards the great Xia city.

“JC01, bring the 1st unit back, your mission is complete.”

Jiang Li said.

“Yes.”

JC01 nodded.

“This Chang Ping Wang is quite interesting.”

the battle at five lakes city.

Jiang Li watched the whole process through the information mech. Changping had a good plan. He tricked Zhuo linyue into opening the gate and lowering the suspension bridge.

Furthermore ...

zhuo linyue had been severely injured by chang pingwang’s sword at the beginning of the battle.

It could be said that ...

If Zhuo linyue had not opened the city gate and lowered the suspension bridge, it would have been extremely difficult for Changping Wang to take down five lakes city.

In the end, both sides would definitely suffer.

Jiang Li was planning to let unit one clean up the mess.

it seemed like he didn't need it now.

Late at night.

Jiang Li asked Hong Tianqi to welcome him at the city gate in advance.

“City Lord Chang, you’ve come.”

hong tianqi smiled. “the regional king has asked me to wait for you here. please come with me.”

“Did the Junwang know that I was coming?”

Chang pingwang was stunned.

“Of course.”

Hong Tianqi smiled. not only does the regional King know that you are coming, but he also knows that you have already taken down five lakes city and completed your mission.

“Congratulations, city Lord Chang.”

“This bi an ...”

Chang pingwang was slightly shocked.

City Lord's mansion.

in the reception hall.

Jiang Li sat in the main seat in front of him.

Sir, I was fortunate enough to succeed and take down five lakes city. This is Zhuo linyue's head.

Chang pingwang knelt on the ground and placed the box with Zhuo linyue's head in front of him.

"Yes."

okay. Jiang Li nodded and glanced at ynsh01.

BOOM!

Ynsh01 fired a psionic cannon and shattered the boxes with Zhuo linyue's heads.

"....."

Chang pingwang could not help but gulp when he felt this terrifying energy. He was rather nervous.

"Castellan Chang, you've done well in your mission this time."

I've seen your loyalty, " Jiang Li said. since you've taken five lakes city, you'll be in charge of it from now on.

thank you, Junwang!!!

Chang pingwang raised his head and said in his heart.
