

Army 186

Chapter 186 The shadow

Jiang Li didn't ask the 40000 meches that were sent to support the defense line at the border of Tianshui city to retreat. Instead, he asked them to continue marching and stay at the defense line.

Time passed.

In the blink of an eye, it was already the morning of the next day.

Jiang Li rested for a night and was in good spirits. The crocodile Emperor Legion had sent news that they had arrived at Dachang city safely.

As they passed by many villages, they met many villagers who were in trouble.

Perhaps his whereabouts had been exposed.

One hundred thousand meches were stationed in a mountain ten thousand meters away from Dachang city. They tried to hide their tracks and sent soldiers to monitor the situation.

immediately send out ten perfected-stage mechanical Rangers and an Intel mech to investigate the current situation in Dachang city.

go! Jiang Li ordered.

Shua! Shua!

with the speed and mobility of the ten perfected stage two mechanical rangers, they sneaked forward quietly and arrived outside dachang city in half an hour.

Buzzzzzz!

The information mech turned on communication and took pictures of Dachang city. Through communication, the pictures were sent to xx01 and the psionic Imperial crocodile cavalrymen.

In the image.

The geographical location of Dachang city was dangerous. There was only a narrow path in the front that could be entered, and there were extremely steep cliffs on both sides of the road.

The city was built in the mountains.

on the city walls, on the cliffs, and within the mountains, there were a large number of rebel soldiers patrolling. these rebel soldiers were well-equipped and had high morale as they guarded the great chang city.

Dachang city is indeed easy to defend but hard to attack. There's only one dangerous road, and it's a narrow terrain.

"I don't need to think to know that there must be many ambushes on the cliffs on both sides of the narrow path. If we choose to attack from the front, there will definitely be countless boulders falling down and arrows flying through the sky."

"Dachang city is surrounded by steep mountains. It's also extremely difficult to attack from the side."

"However, Yingluo"

jiang li's eyes lit up. he had already made up his mind.

In Dachang city.

City Lord's mansion.

my Lord, the scouts on the front lines have sent us important news. Last night, an Army was marching towards us at high speed.

The commander of the rebel Army's Scouts, Zuo qingliang, walked in from outside the hall. He knelt down on one knee and reported to Wang Zhuoying, who was sitting on the city Lord's throne.

"Another army."

Wang Zhuoying's face was thin, and his eyes were special. They were amber in color and as sharp as an Eagle's eyes, giving people a lot of pressure.

"Is it King Jin's Army?"

wang zhuoying asked.

"It doesn't look like it."

No. Zuo qingliang shook his head. that Army is very special. According to the information we got from the half-monster Alliance, they might be related to Jiang Li from the great Xia County.

"Jiang Li."

wang zhuoying thought for a while, then sneered, "so, this jiang li is not satisfied with the great xia county. he wants to get a share of the profits in the king jin county."

"That's a good idea, but I'm afraid he doesn't have the strength."

"There's another thing."

Zuo qingliang continued, "Prince Jin has gathered the strength of the entire Prince Jin's County. He has gathered a total of 200000 soldiers. They are rushing towards Dachang city.

"They're estimated to arrive at noon today."

"En!"

wang zhuoying stood up, his eyes filled with battle intent. "Pass down my order. Order the entire Army to prepare for the final battle."

call he dinglin, Yue Shanhe, and Lou Yun over. We'll discuss the next battle plan and how to use the advantageous terrain of Dachang city to defend.

"Yes."

Zuo qingliang nodded and left.

King Jin's Army.

An Army of 200000.

The marching formation was activated, and the surrounding heaven and earth spiritual energy gathered, doubling the marching speed of the Army. They rushed to Dachang city at the fastest speed.

In the Army.

In the center of the Army was a luxurious and exquisite carriage pulled by nine strong horned scale horses. It was advancing under the protection of the Army.

In front of the carriage.

It was Jin He, the commander of King Jin's Army, and his several Deputy generals.

There were also two city Lords.

In the carriage.

Monarch Jin was lying on a soft and wide chair, with two beautiful young girls in messy clothes serving him.

...

a pair of fair and tender jade-like long legs strode on monarch jin's body and gently rubbed against each other. monarch jin's slightly chubby face was full of a leisurely and enjoyable expression.

The wide robe he was wearing had all its buttons unbuttoned, revealing the thick chest hair on his chest.

"Prince Jin."

The girl on the right said coquettishly, and then put the peeled grape into Prince Jin's mouth.

"Good girl."

monarch jin ate it with a smile. his right hand was already in the girl's arms. the girl's delicate body trembled slightly, and her face was flushed like a peach flower.

"Prince Jin, our Army is about to reach Dachang city."

Jin He's voice came from outside the carriage.

"i know."

monarch jin frowned and said unhappily, " we'll attack them directly when we arrive. the rebel army only has 100000 soldiers. our monarch jin's army has 200000. we're twice as many as the other party. "

"with such an advantage, if you still can't take down dachang city, then bring your head to me."

...

"Yes."

jin he replied with a respectful tone.

“Lord Commander.”

Jin He’s Deputy General’s tone was slightly dissatisfied: “We’re naturally very touched that Prince Jin can personally lead the Army.”

“But Prince Jin is treating leading the Army to war as a child’s play. It’s fine if he’s sitting in a luxurious carriage, but he’s even teasing us.”

“Shut up!”

jin he’s cold eyes swept across, and he scolded: Prince Jin is not someone you, a mere Deputy general, can casually talk about. If you dare to talk nonsense again, you will be punished according to military regulations!

“I’m Yingying!”

The Deputy general immediately shut his mouth.

On the other side.

On the red eyebrows Yao Kingdom’s side.

The news of the crown prince’s death had already spread to the capital of the demon Kingdom, causing the entire red eyebrows demon Kingdom to be shaken.

The Yao nation’s civil and military officials were all extremely shocked.

one had to know.

The Crown Prince had a high status in the red eyebrows shifter Kingdom and was extremely powerful. He had made great contributions to the red eyebrows shifter Kingdom, but he died in the hands of the human Jiang Li.

Your Majesty, when we heard the news that the crown prince's general died, we were all very sad and furious. I even wanted to lead my troops into the great Xia city and kill Jiang Li.

The head of the Civil officials of the red eyebrows Yao Kingdom, 'Yao Kingdom Prime Minister' Zhu Ling, bowed to red eyebrows and then slowly said, "but i know that being impulsive can't solve anything."

"it might even make things worse."

"Do you have any brilliant ideas, Prime Minister Zhu?"

Chi Mei leaned lazily on the throne. His eyes were slightly squinted as he looked at Zhu Ling, who was standing below, and asked slowly.

"Your Majesty."

yes. Zhu Ling bowed and said, "the half-monster Alliance has been planning this for a long time. Once it explodes, the situation in the great Qian dynasty will be in turmoil. It's the best time for us to invade the great Qian dynasty.

also, our spies in the black snake barbarian kingdom have reported that they have lost two hundred thousand barbarian soldiers at the border of Tianshui city, including a late stage level three barbarian heavenly witch.

you must know that the crown prince's general led 100000 demon Kingdom soldiers to invade at that time.

in other words, Jiang Li annihilated 200000 barbarian soldiers and the demon soldiers led by the crown prince's Army at the same time. It's enough to prove that Jiang Li has a powerful Army. He can't be annihilated so easily.

"prime minister zhu ling, aren't you trying to destroy the yao kingdom and boost jiang li's morale? can't we kill jiang li?" the man said.

At this moment.

The head of the generals, the 'Yao nation's chief general' Chu Wuye snorted coldly. His tone was slightly unhappy as he said to Chi Mei, Your Majesty, I'm willing to lead a million soldiers and kill Jiang Li in one day.

"You can't!"

Zhu Ling immediately said, "general Xi Wuye is the pillar of the country. He needs to stay in the country. Moreover, there are millions of soldiers. Don't act rashly unless it's absolutely necessary.

"Your Majesty."

zhu ling cupped his hands again and said, I think that we can go around the great Xia County and cross the 'green spirit Lake' before entering the Jinwang County. We can use the Jinwang County as a breakthrough point to enter the great Qian dynasty.

"when this matter is over, we will be free to gather a million troops and take down the great xia province in one fell swoop to avenge the crown prince and the general. "

the most important thing now is to send troops as soon as possible to occupy the territory of the great Qian dynasty, plunder the resources of the great Qian dynasty, and expand the territory of our Yao nation.

"This is the most important thing."

"There's more,"

"In fact, I've made two other preparations," Zhu Ling continued.

"Tell me about it."

Chi Mei said.

“shadow.”

zhu ling shouted.

Buzzzzzz!

The next moment.

A shadow that had blended into the darkness entered the hall. The officials in the hall did not notice it, except for a few people like li Wuye.

“An Ying pays his respects to Your Majesty.”

on the ground.

A dark shadow slowly rose up and turned into a figure in a dark cloak. He knelt down and saluted red eyebrows.

fourth-grade shadow bat bloodline, a top-tier assassin at the perfected stage of rank three.

an Ying is the most powerful assassin I’ve trained in years, “Zhu Ling said. this time, he’ll lead three level-three shadow followers to the great Xia city to kill Jiang Li.

“Tier 3 perfection!”

“This bi an ...”

“This is really a big deal.”

In the surroundings.

all the officials were secretly shocked.

” prime minister zhu, i didn’t expect you to have such a subordinate. tsk, tsk. he’s at the perfected stage of level three and has a fourth-grade shadow bat bloodline. ”

“If I didn’t know about it, I probably wouldn’t have been able to stop this Shadow’s assassination,” said li Wuye.

general Xi Wuye, you worry too much. I trained an Ying to share His Majesty’s worries and solve his problems. Now, it’s time to use it.

Zhu Ling said.

“Alright,” he said.

chi mei sized up an ying and said, ” i approve of zhu ling’s plan. ”

“thank you, your majesty!”

zhu ling kowtowed.

at noon.

The red eyebrows demon Kingdom had mobilized an Army of 300000 demon soldiers, and another demon Kingdom general who was as famous as the Crown Prince, Qi Tong Yan, was the commander.

They immediately set off.

“Go on.”

zhu ling waved his hand and said with a calm gaze,”Bring me Jiang Li’s head.” He ordered.

“yes.”

an ying nodded, and his figure turned into a shadow in the dark and disappeared. then, three vigorous killers followed him.

” jiang li, you’ve died a worthy death for making me send out an ying. ”

Zhu Ling indifferently said.
