

Army 192

Chapter 192 Failure

Tier 3 perfection.

Shadow looked back. His body was like a shadow in the dark. Under the dim moonlight, he gradually blended into the shadows of the streets and alleys.

He was like the darling of darkness.

they actually sent an expert at the perfected stage of type 3 to guard the city walls.

Shadow lowered his head and murmured in surprise, "These three subordinates will die Here."

Buzzzzzz!

As soon as he finished speaking.

The Shadow's figure disappeared, and he moved forward quietly.

On the city wall.

BOOM!

kill! charged over, and lightning gathered to form a Lightning Spear. It pierced through the heart of one of shadow follower's subordinates, killing him in one blow.

"Kill!"

BOOM! BOOM! BOOM!

kill! number Lt01 attacked continuously, displaying his strength as a perfected stage three. Lightning wreaked havoc, and purple lightning bolts spread out, filling the surroundings. He was like a god of Thunder, unstoppable.

Pfft! “Pfft!”

In less than half a minute.

His three subordinates had all fallen, turning into three corpses that fell on the city wall.

They were all killed.

The battle took less than a minute from start to finish.

At this moment.

Hong Tianqi, han Liqi, and the rest led the city guards and constables to the scene.

“Where are the enemies?”

Hong Tianqi asked.

“He’s already dead,”

Number Lt01 looked at Hong Tianqi.

“.....”

Hong Tianqi was stunned. He walked to the bodies, squatted down, and lifted the masks and capes of the three bodies, revealing their faces.

They were three demons with bat heads.

Although a demon could shed their beast form after reaching level three, they would still change back to their original demon appearance after death.

“It’s the demon race!”

Hong Tianqi exclaimed.

“The demon race.”

Han Liqi walked over and took a look. a bat’s head with bat wings on its back. This is the first time I’ve seen such a demon.

“Immediately inform the Lord.”

Hong Tianqi said.

“Let’s go,” he said.

Han Liqi nodded.

“I’ll take my leave first.”

“Follow me,” said Lt01.

Shua!

As soon as he finished speaking.

Lt01 transformed into a bolt of lightning and leaped down from the city wall, hurrying in the direction of the city Lord’s mansion.

“Take these three bodies with you.”

Hong Tianqi shouted.

“Yes.”

The soldiers carried the three monster corpses and followed Hong Tianqi to the city Lord’s mansion as fast as possible.

Outside the city Lord’s mansion.

Buzzzzzz!

In the darkness.

A shadow appeared, and the dark shadow had already arrived. On the way, he captured a resident of the great Xia city and forced him to tell him the location of the city Lord’s mansion.

“This is the place.”

An Ying glanced at it, then quietly approached the city Lord’s mansion.

“What?”

...

Very quickly.

Shadow noticed that there were statue-like soldiers lurking around the city Lord’s mansion, guarding every corner.

It was like an iron wall.

“So many soldiers.”

Jiang Li is really cautious, “an Ying murmured. he sent so many soldiers to guard the mansion.

“However, now that you’ve met me, it’s useless no matter how cautious you are.”

“These soldiers won’t be able to find it.”

Buzzzzzz!

Shadow used his shadow bat bloodline power and sneaked into the city Lord’s mansion. The meches guarding the mansion couldn’t find him.

Obviously.

Shadow’s level was extremely high, far higher than the meches. With the help of the shadow bat bloodline, his aura was almost completely blocked. His body and the darkness merged into one.

...

Time passed.

After an Ying sneaked into the city Lord’s mansion, he groped through the rooms one by one. He first found du Xiaohua’s residence, but in order to avoid alerting the enemy, he didn’t make a move.

“I found it.”

Shadow’s eyes lit up.

He came to Jiang Li's bedroom and merged with the shadow on the beam. He looked through the window and saw Jiang Li resting in the room.

“Shadow snake bat Pierce!”

Buzzzzzz!

Without the slightest hesitation.

An Ying made his move brazenly. The power of his bloodline gathered, and the pitch-black energy condensed into a point, turning into a sharp spike as thick as a hair.

“Who is it?”

In an instant.

The moment an Ying made his move.

Because he needed to use the power of his bloodline to form a demonic art, his perfect concealment was exposed, and a trace of energy fluctuation leaked out.

And it was these traces of energy fluctuations.

Ynsh01, who was guarding Jiang Li's bedroom, was alerted.

BOOM!

Without the slightest hesitation.

Ynsh01 charged straight at Shadow's hiding place. Its mechanical psionic energy was fully unleashed, and the vast psionic energy spread out, forming an extremely terrifying force.

“!!!”

At the same time.

Ynsh01's roar woke Jiang Li up.

Jiang Li suddenly opened his eyes and looked outside.

“It's too late,”

A sinister smile appeared on an Ying's face.

“Whoosh!”

In an instant.

He waved his right hand and the ‘secondary shadow snake thorn’ shot out. It was so fast that Jiang Li couldn't Dodge it at all.

Furthermore ...

The secondary thorn was as thin as a strand of hair, and in the dark, it was hard to detect, almost to the point of being invisible.

“Kekekekekekeke”

An Ying's face was filled with a smug smile.

Obviously.

In an Ying's eyes, Jiang Li was dead for sure.

“Roar!”

Suddenly.

At this moment.

Jiang Li! a burly figure roared and broke the door. He rushed into the room and blocked Jiang Li's way without hesitation.

The crown prince's walking corpse puppet!

“Eh?”

An Ying's eyes widened.

“Pfft!”

The crown prince's undead puppet directly rushed into the room, leaving no time to defend. He could only use himself as a meat shield to block the blow.

The shadow bat spike had pierced through the crown prince's body.

It came out of his body.

It brought out a smear of blood.

Furthermore ...

Then, it shot at Jiang Li.

“Thunderous movement technique!”

Shua!

wait! Jiang Li reacted and ran his internal force. The internal force in his dantian gushed out and poured into his legs. He dodged with a martial art movement technique.

Bang!

Where Jiang Li had been standing.

The wooden bed exploded. The energy of the shadow snake bat's spike exploded, and a huge pit was blasted out of the ground, sending soil and rocks flying.

“.....”

Jiang Li's pupils contracted.

“I failed!”

Shadow was shocked, especially after seeing the Crown Prince. and, why is the Crown Prince here? Wasn't he dead? Why did she risk her life to protect Jiang Li? Could he have betrayed the Yao nation?”

“Something's wrong!”

An Ying frowned. I didn't sense any life from him. It's just a corpse! It's just a corpse that's being controlled!”

“Kill him!”

Jiang Li looked up and stared at the shadow hiding on the beam.

“Psionic energy control!”

Buzzzzzz!

Ynsh01 had already arrived in front of shadow and immediately released his strongest move. Mechanical psionic energy spread out and formed a psionic domain that enveloped shadow.

“Retreat!”

Shadow cast a demonic art. shadow clone!

Shua!

The next moment.

Shadow’s main body disappeared, leaving behind only a shadow clone condensed from the shadow bat bloodline power. The shadow clone was torn apart by the psionic energy.

“Double fiend domain!”

Buzzzzzz!

The black elder and the White elder charged forward and unleashed their innate domains. The heaven and earth spiritual Qi gathered and crushed toward the shadow.

“Shadow Slash!”

Shua!

An Ying took out a Black Dagger as sharp as a snake’s tooth. He swung it forward and slashed out a black blade light, splitting the double fiend domain.

“Roar!”

Immediately after.

The Red Dragon charged over with a black flood Dragon Dharma image and a long halberd.

“Get lost!”

BOOM!

Shadow sent the Red Dragon flying with a palm strike.

“BOOM!”

The shadow was stopped by the black and white elders and the Red Dragon. The crown prince’s walking corpse puppet came over.

The huge double-edged axe hacked down in anger.

“!!!”

Shadow’s pupils contracted.

The giant axe fell, and the axe light streaked across the sky. The dark shadow blocked it, but he was directly sent flying. He knocked against the courtyard wall, and with blood in his mouth, he fled far away.

At this moment.

is already on his way.

“Body of lightning!”

Kachaa!

Purple lightning flashed and directly bombarded the shadow.

Number Lt01 acted in time.

“What?”

Shadow was shocked and dodged the purple Thunderbolt shot by number Lt01 in a narrow escape. He stopped not far away, his eyes serious and his face gloomy.

Shua! Shua! Shua!

Ynsh01, Lt01, the Crown Prince, the black and white elders, and the Red Dragon, the four walking corpse puppets, rushed over as fast as they could and surrounded shadow in the middle.

“Hu~~Hu~Hu~”

An Ying looked at the enemies around him and let out a breath. Then he looked up at Jiang Li who was walking out of the room and sneered, “it seems like I can’t escape.

“Go all out and kill him.”

Jiang Li looked at an Ying coldly.

“Kill!”

BOOM! BOOM! BOOM!

Six tier 3 experts, three at the perfected stage of Tier 3, two at the late stage of Tier 3, and one at the early stage of Tier 3. Such a lineup surrounded and attacked shadow, who was at the perfected stage of Tier 3.

“Burn!”

“Roar!”

Shadow went all out and burned his bloodline without hesitation. He unleashed his strongest power, which was a huge black shadow bat.

It could be seen.

The Dharma idol had a wingspan of 100 meters and was covered in black flames. It had the head of a giant python and the body of a bat.

“Kill!”

An Ying howled and charged forward.

An intense battle broke out.

After shadow ignited his bloodline, his strength had increased greatly. Even though he was good at assassination and not good at direct combat, he was still able to unleash a terrifying combat power.

Shua! Shua! Shua!

In the surroundings.

The meches in every corner of the city Lord’s mansion rushed out to protect Jiang Li. Jiang Li stood outside the battlefield and watched the fierce battle.

“There’s movement in the city Lord’s mansion.”

“An enemy has sneaked into the city Lord’s mansion.”

“Let’s hurry over!”

Hong Tianqi and the others heard the loud noise in the city Lord’s mansion. The residents in the city heard it too. They all looked in the direction of the city Lord’s mansion.

“Will the city Lord be alright?”

there must be an assassin who has infiltrated the city Lord’s mansion.

“I hope nothing has happened to the city Lord.”

The residents of the city thought to themselves.

“Ah!”

arghh! shadow screamed as he was sent flying by ynsh01. A bloody wound was cut on his chest, so deep that his bones could be seen.

“Pfft!”

But at the same time.

The Red Dragon undead puppet was also cut off by the dark shadow.

Thump!

The next moment.

Lt01 and the crown prince’s attacks landed on Shadow’s body one after another, severely injuring him. He fell to the ground, and the black flames on his body gradually extinguished.

“Transform into an undead puppet.”

Jiang Li said immediately.
