

Army 208

Chapter 208 Gathering

within the great xia city.

At the temporary military camp.

the thearch-crocodile army had already returned to the great xia city.

More than 500000 meches under Jiang Li's control were all gathered in the temporary camp.

“Mmyq02, mmyq03, step forward.”

Jiang Li said.

BOOM! boom!

The ground shook slightly.

Two tall and strong mechanical mammoth Rangers came to Jiang Li and saluted him.

“Yes, I've advanced.”

Buzzzzzz!

okay. Jiang Li nodded and opened the Dominator panel. He used 56000 energy points to upgrade the two mechanical mammoth Rangers to the perfected stage of level two.

“continue.”

Soon after.

Jiang Li used four more level-three soul Tinders and 40000 energy points to upgrade the two mechanical mammoth Rangers to level three and become psionic mammoth Rangers.

“Roar!”

instantly.

After the upgrade, the psionic mammoth soldier roared a few times.

“Again,”

Finally.

Jiang Li used 5600000 energy points to upgrade the two mammoth Rangers to the perfected level of level three. The meches glowed white.

the upgrade was completed in a few seconds.

“Alright,” he said.

Jiang Li looked at the two psionic mammoth meches in satisfaction and nodded.

This way ...

Jiang Li now had four elite units at the perfected stage of level three.

Every one of them possessed extremely powerful combat strength. When they unleashed their full strength, their combat strength was close to the fourth rank.

However ...

Jiang Li's level-three soul Tinder was also used up.

“Now, it's time to meet the commanders of those human armies.”

let's go, ” Jiang Li said to himself. He left the temporary military camp with ynsh01, Lt01, and a few other meches and walked to the city gate.

Not long after.

Jiang Li arrived at the city gate.

“My King!”

“Greetings, my King!”

“Your Highness!”

“.....”

After Jiang Li arrived, he slowly walked up the stairs and onto the city wall. Everyone around him bowed to Jiang Li respectfully.

Their eyes were filled with respect and fanaticism.

han liqi, hong tianqi, xu ya, and pang kui greeted him respectfully.

“Yes.”

Jiang Li nodded in response.

Jiang Li stood on the city wall.

He looked down and saw nearly 600000 human soldiers. They were densely packed and had a strong aura.

Of course.

Compared to Jiang Li's mech Army ...

The difference was a Little Big.

After all, Jiang Li's meches were all at the perfected stage of level one. On the other hand, more than 90% of the human soldiers were peak-stage elementary level.

It was because of this gap that Jiang Li was able to occupy ten counties in such a short time and get a lot of resources and spoils.

Speaking of this.

Jiang Li only converted spiritual crystals and spiritual herbs into energy points. He still had a lot of real money, equipment, weapons, and materials.

All these things were piled up in the great Xia city.

Xu Ya and the others hadn't finished sorting out and counting the data yet.

...

It could be said that ...

If any power could take down the great Xia city, the wealth they would obtain would probably be comparable to that of a country.

I am Luo Ming from Jinwang County. I have led 40000 soldiers from Jinwang County to listen to your orders. Please give me your orders. We will go through fire and water without hesitation.

At this moment.

Below the city wall.

Jiang Li! Luo Ming, who was wearing green armor, jumped off the horse, knelt down to Jiang Li, and shouted.

“Yes.”

okay. Jiang Li glanced at it and nodded.

Speaking of this.

A large portion of the human army in Jinwang County had been wiped out by the Emperor crocodile Army. Luo Ming had put in a lot of effort to gather 40000 soldiers.

he sized up prince jin’s army. it was not bad, at least they were not just there to make up the numbers.

...

I, Jin murou of The Magic Cauldron County, lead 100000 soldiers of The Magic Cauldron County to pay my respects to the Commandery Prince. I’m at your disposal.

” jiang li! ” jin murou of the magic cauldron county also knelt down and shouted.

Feng Wutian of fallen Phoenix County, leading fifty thousand bi ‘an.

“Gu Shanhe from Shanhe County, Ge Ge”

“.....”

They came from nine counties.

There were nine human army commanders in total. There were many from Chaoyang County, Cao pipei from Changfeng County, Shen Bao from divine Crane County, Shang Lin from Yuehe County, and Wu Yong from lingjue County.

Nine commanders.

They all knelt down to Jiang Li in an orderly manner.

“We pay our respects to the Junwang!”

Immediately after.

The 600,000 human soldiers outside the city wall knelt down and saluted Jiang Li. It was quite a shocking scene.

“Gulp!”

In the surroundings.

The sound of people swallowing their saliva could be heard.

Hu Dong, Wu Zong, pang kui, Xu Ya, and the others had never seen such a scene before. It was a 600000-strong Army of the human race, and they were all kneeling in front of Jiang Li.

Unknowingly.

Jiang Li was walking further and further away, but they still felt like they were in the same place. They couldn't catch up with Jiang Li anymore.

Perhaps.

Not long after.

They could only look up at Jiang Li's back.

it became a part of jiang li's journey.

Finally.

They were the great Xia Army led by Luo Tianshui and Luo Yilin.

There were about 50000 soldiers in the great Xia province's Army, 20000 of which were from the Luo Tianshui city's Army.

The other 30000 were Guo Yi and Chang pingwang's troops.

However ...

The three armies formed a Legion with Luo Tianshui as the Commander-in-Chief, Luo Yilin as the military counselor, and Chang pingwang and Guo Yi as the commanders.

Chang pingwang and Guo Yi were very convinced that Luo Tianshui would be the Commander-in-Chief, because they knew that Luo Tianshui's strength and means were fully qualified.

However, they were a little dissatisfied with letting Luo Yilin be the military counselor, but they didn't show it.

"Yes."

Jiang Li glanced at the soldiers and nodded calmly in response.

Jiang Li's mech Army of 500000 was stationed in the temporary camp.

Most of the great Xia city had been occupied by the temporary military camp.

Furthermore ...

The residents of the city had no complaints.

Because ...

They were all very clear that only with a powerful Army, powerful soldiers, and powerful strength would the great Xia city be safer and their lives be guaranteed.

"This time, I've gathered all of you here to make an announcement."

Jiang Li said in a deep voice.

"Please give your orders, my Lord."

Luo Ming shouted.

"Your subordinates will definitely do their best."

"it is!"

all the commanders agreed.

"alright," he said.

yes. Jiang Li smiled and said, " I'm going to send out all my troops to attack the red eyebrows shifter Kingdom. We'll invade their territory, occupy the red eyebrows shifter Kingdom, and establish the Xia Dynasty. We'll set off now!

what?!

invade the red-browed demon Kingdom in Xuanji?!

"Si si si ..."

"junwang, please think twice!"

that's the red eyebrows demon Kingdom, a Kingdom. The king of the demon Kingdom, red eyebrows, is a fourth-level 'Demon King'. He has the combat power of a National Guardian level, and his bloodline has been awakened. He can transform into a demon.

"I can't, can't!"

Instantly.

what? " Luo Ming and the others were all shocked. They didn't expect Jiang Li to be so bold. He even wanted to invade the red eyebrow Empire.

it was simply crazy.

One had to know.

The red eyebrows Yao Kingdom had been established for so many years, but it still stood strong. It could be seen that the red eyebrows Yao Kingdom had great power. How could it be so easy to invade?

so,

In Luo Ming's eyes, Jiang Li's idea was too dangerous. He was going to the red eyebrow Empire to die.

With their small number of troops, they would not be able to stay in the red eyebrows Yao Kingdom for more than a few days before they were completely annihilated by the troops dispatched by the red eyebrows Yao Kingdom.

Jiang Li's face turned cold. He looked at the commanders who were still talking and said, " "Didn't you just say that you were willing to go through fire and water for this Junwang?"

"What's wrong? You're already afraid now."

"My Lord!"

Xu Duoduo from Chaoyang County immediately said, " it's not that I'm disloyal, nor that I'm afraid. It's just that Your Excellency's thoughts and actions are too obvious. How can we take down the red eyebrows Yao Kingdom with our small army? "

"This is completely unrealistic."

Sir, please think twice before you act. You can't fall into a situation beyond redemption because of a moment of impulse. If that happens, your life will be in danger!

"You're right, commander Xu,"

"Sir, please take back your order," Gu Shanhe also nodded.

"My Lord!"

"milord, please withdraw your order!"

"your excellency, you can't attack the red eyebrows yao kingdom!"

” i think that the great qian dynasty is in a period of turmoil. moreover, there is news from the capital that the three rebel armies have launched a general attack on the capital. we can take advantage of the chaos in the capital and reap some benefits. there is no need to take the risk to attack the red eyebrows yao kingdom. ”

“My Lord!”

Immediately.

other than luo tianshui and the others, the other commanders all tried to persuade him.

“Hu ~~ Hu ~ Hu ~”

Jiang Li let out a long breath.

“You’ve disappointed me.”

No. Jiang Li shook his head. besides, I don’t like people who disobey my orders. The only thing you can do is to follow my orders and my arrangements.

“Lt01, do it.”

Jiang Li said.

“Yes.”

Kachaa!

kill! purple lightning flashed. Lt01 turned into a purple lightning and disappeared from Jiang Li’s side. He charged at the commanders below.

Pfft!

Blood splattered everywhere.

stop! many of the people who were the first to disobey Jiang Li's order had their hearts crushed by Lt01. They didn't even have time to react.

He was dead.

Their bodies had turned into black charcoal.

“.....”

The entire place fell silent.

“This bi an ...”

The other commanders looked at the corpses in fear.

He was killed by Tao Wu.

Xu Duoduo was killed by Jiang Li just like that.

This was too ruthless.

“Come back.”

Jiang Li said.

“Yes.”

Shua!

the Lt0 returned to jiang li's side.

the Army of Chaoyang County can have a new commander. Yes, the Deputy commander will be in charge for the time being. The military counselor will do as well. If it really doesn't work, the commander will do as well. You can decide on your own. I only want results.

jiang li said.

“Yes!”

The Deputy Commander-in-Chief of the Chaoyang County Army, mo ke, gulped and immediately knelt on the ground. your subordinate, Deputy Commander-in-Chief mo ke, is grateful for your promotion, Your Highness.

“You are the Commander-in-Chief now.”

jiang li said.

“Yes!”

mo ke replied.

so, do any of you have a different opinion? ”

Jiang Li asked again.

“This subordinate will do as you command!”

“We accept your orders.”

“There's no more Yingluo, there's no more Yingluo”

“the magic cauldron commandery army is willing to be the vanguard!”

All the commanders replied with trembling voices. Luo Ming even shouted loudly.

“Oh.”

Jiang Li raised his eyebrows. commander Luo Ming, you’re very brave. Since The Magic Cauldron Commandery Army is willing to be the vanguard, I’m willing to fulfill your wish. Let them be the vanguard.

“Ah, my Yingluo”

Luo Ming’s eyes widened and he was dumbfounded. He was shocked just now and wanted to show his loyalty immediately. That was why he said those words in a hurry.

He didn’t expect this.

I’m fine. Jiang Li really appointed him as the vanguard.
