

## Army 271

Chapter 271 sharing

“Golden Dragon Seal!”

Roar!

king qian immediately cast a dragon-shaped seal and blocked ynjs01’s attack. at the same time, he dodged and managed to avoid myl01’s attack by a hair’s breadth.

“Kill!”

MYL01 attacked quickly, one move after another.

At the same time.

Ynjs01 was not to be outdone either. Every attack was aimed at King Qian’s vital points.

BOOM! BOOM! BOOM!

in the sky above the capital.

The battle was getting more and more intense.

It was obvious that King Qian was at a disadvantage since he was fighting against two enemies at the same time. He could only block the attacks with great effort. He tried his best to Dodge the attacks, but he was still hit a few times.

“Ah!”

“Pfft!”

MYL01's palm landed on King Qian's back. Demonic spirit energy exploded, and King Qian let out a blood-curdling screech as he spat out blood and was sent flying.

Shua!

Ynjs01 chased after King Qian and stomped his feet on King Qian's chest. In the middle of the attack, his feet transformed into sharp Spears.

“whoosh!!!”

A vast amount of psionic energy condensed on it.

“!!!”

King Qian's eyes narrowed.

“Golden Dragon protection.”

Buzzzzzz!

it was a critical moment.

King Qian mobilized his true Qi and the power of the nation's fate. The Golden Dragon materialized and formed a golden energy shield that blocked the attack before him.

Bang!

Ynjs01's attack landed and shattered the Golden Shield.

Shua!

King Qian took the opportunity to Dodge.

BOOM!

Before King Qian could react, MYL01 had already arrived beside him. He lifted his leg and kicked King Qian's abdomen.

“Waa! Waa!”

King Qian's eyes widened as he arched his back and spat out a mouthful of blood. He was sent flying and crashed into buildings one after another. A large number of broken rocks buried King Qian.

“Very good,” he said.

okay. Jiang Li nodded in satisfaction.

As expected.

Under the combined attacks of MYL01 and ynjs01, King Qian was bound to die. It was only a matter of time before he was killed, and he would not be able to cause any trouble.

” according to the current situation, i should be able to finish off the great qian dynasty by tonight. after taking over the great qian dynasty, i will rest and reorganize. then, i can wait for the demons and barbarians to come to me. ”

jiang li thought to himself.

“Roar!”

At this moment.

Jiang Li heard several Dragon roars from different directions. Then, several powerful auras appeared one by one.

One of them.

Jiang Li was very familiar with it.

Jiang Li immediately looked over. The first thing he saw was a red three-clawed Red Dragon that seemed to be burning with red flames. It was five hundred meters long.

In the blink of an eye.

The three-clawed Red Dragon approached at an extremely fast speed.

On the giant dragon's head.

Chi Mei was standing on top of it. She was wearing a red silk dress, and her posture was peerless. Her skin was as white as snow, and her Jade legs were long and slender. There was a faint red brilliance around her.

Jiang Li. Oh, I should call you Emperor Xia now.

Chi Mei lowered her head, smiled, and slowly said, "I haven't seen you for a few days. Emperor Xia is getting more and more high-spirited. He has actually forced King Qian to this extent.

"Speaking of which, when did Emperor Xia make such a black 'turtle shell'? you're wrapped up so tightly."

"....."

Jiang Li frowned and didn't say anything. He just looked behind Chi Mei but didn't see the monster army of the red eyebrows Monster Kingdom.

...

In other words ...

Chi Mei had come alone.

“Roar!”

immediately after.

It was another true dragon of the National aura. It was pitch-black all over, and its power was even stronger than Chi Mei’s three-clawed Red Dragon. After it quickly approached, it suspended in the air not far away.

a three-clawed black dragon!

its body length had reached 800 meters!

“Barbarian King,”

Chi Mei glanced at him and snorted. no matter where I go, you’ll always be there.

“Hahahahaha!”

On the head of the three-clawed Black Dragon.

...

a black-robed middle-aged man with a dragon-shaped black totem pattern on his face was standing there. the patterns were intertwined, and they looked very lifelike. he laughed heartily.

He was the Barbarian King of the black snake barbarian kingdom.

“Why can’t I come?”

The Barbarian King had his hands behind his back. His aura was also extremely strong. Black mist surrounded his body, and he had a very heavy pressure. are you the only one who is allowed to come here, Chi Mei? ”

“The Barbarian King of the black snake barbarian kingdom.”

Jiang Li took a deep breath and looked behind the Barbarian King. He didn’t see the Barbarian Army either.

Obviously.

Things didn’t go as Jiang Li expected.

the red eyebrows yao kingdom and the black snake barbarian kingdom did not take the opportunity to send their armies to invade the great xia dynasty. instead, the two ‘monarchs’ personally appeared. they traveled tens of thousands of miles and came directly to the capital of the great qian dynasty.

From the looks of it.

They definitely came with ‘bad intentions’.

Furthermore ...

it wasn’t just chi mei and the barbarian king.

Jiang Li looked in another direction.

“Man Teng, when you talk to my eyebrows, you must learn to use honorifics.”

“Roar!”

Immediately after.

A dignified and heavy voice rang out, accompanied by the roars of Dragons. An extremely powerful pressure surged forth, causing the spiritual Qi in the world to tremble.

“Demon King of panic!”

The Barbarian King’s pupils contracted slightly, ” I knew it. He’s really here.

“The panicking demon dynasty.”

a true dragon of National aura, ” Jiang Li murmured as he looked at it. He could clearly see that it was a true dragon of National aura that was 1500 meters long. Its body was like a mountain.

This true dragon was purple in color, and its head was like a mountain, looking down at all the living beings.

On the purple dragon head.

The one standing was the Demon King of the ‘panhuang demon dynasty’,’ panhuang’. Because his body was surrounded by the purple Qi of the nation’s fate, one could only vaguely see the purple dragon robe on his body, but his appearance could not be seen clearly.

” mei ‘er, not long ago, i heard that the red eyebrows demon kingdom was invaded and lost five counties. i didn’t believe it at first, but now it seems that it is true. ”

” mei ‘er, are you hurt? ” she asked in a flustered and gentle tone.

“It’s fine,”

Chi Mei replied in a cold tone, "thank you for your concern, Demon King of panic.

"Mei 'er, let's see what you're saying."

cang huang waved his hand. "you know my intentions. i have already made my intentions clear to you. as long as you are willing to marry me, you will be the demon empress of the panic demon dynasty after the merger of the red browed demon kingdom and the panic demon dynasty. the two of us will manage the panic demon dynasty together and strengthen our national power. it is not impossible for it to be promoted to an imperial dynasty in the future. "

"demon king of panic, don't mention this matter anymore."

Chi Mei frowned.

"Alright, alright, alright."

"Let's not talk about it first, let's not talk about it first. However, Mei 'er, you will understand my intentions one day and will definitely agree to it," said Cang Huang immediately.

"Before that, I will help you take revenge."

As soon as he finished speaking.

He looked down at Jiang Li and spoke arrogantly. He suppressed Jiang Li with a powerful aura.

"The Grand Xia Dynasty."

you're Jiang Li, aren't you? "huanhuang snorted. how dare you attack Mei 'er's Red eyebrow Yao Kingdom and occupy five counties to build your Kingdom.

"You're really bold,"

I now order you to hand over the five counties, disband the great Xia Dynasty, and destroy all your cultivation. Then, I will spare your life.

“Attack!”

Jiang Li waved his right hand.

Whoosh! Whoosh! Whoosh!

The next moment.

One hundred laser weapon meches activated ‘laser eyes’, and then two hundred red laser shock waves shot toward panic.

obviously.

Jiang Li didn’t want to waste time. He answered her with action.

“you have guts.”

He shouted in a panic.

“Roar!”

Immediately after.

The three-clawed purple dragon roared and waved its right hand. A purple mist spread out and formed a purple light curtain, blocking the attacks of the hundred laser weapon meches.

Bang Bang Bang Bang!

A red light exploded.

a hundred perfected stage rank three experts. They're quite capable.

he looked down in a panic.

100 at the perfected stage of rank three.

Chi Mei thought to himself, it's only been a few days, but Jiang Li's forces have become stronger again. Also, the great Qian dynasty is about to be defeated.

"However, you're still far from it."

Buzzzzzz!

He raised his hand in a panic, and purple energy gathered in his palm.

"Roar!"

At this moment.

A vast Dragon's Roar was heard again. Cang Huang frowned and looked in the direction of the Dragon's Roar. He said in a low voice, "A troublesome fellow has come."

BOOM!

The power was vast.

It was a 1500-meter-long true dragon of the National aura. It was vivid and lifelike, and its huge body was winding like a mountain range, hovering in the clouds.

Its entire body was a deep green like jade.

A dragon head as huge as a mountain emerged and looked at all the living beings present. On this dragon head stood a burly figure surrounded by a dark blue mist.

Lion barbarian kingdom.

Barbarian King Shi Qingtian.

“Man Teng greets the lion Barbarian King.”

Man Teng immediately saluted Shi Qingtian.

“Yes.”

Shi Qingtian slightly nodded.

“Cang Huang, you’re quite impressive.”

Shi Qingtian said.

“What can I do for you, Atlas Barbarian King?”

He scattered the bloodline power in his palm and looked at Shi Qingtian.

“nothing much.”

Shi Qingtian’s eyes stopped on Jiang Li for a while, then glanced over Cang Huang, Man Teng, and Chi Mei. He said slowly, ” “However, I want 70% of the Fortune of the great Qian dynasty!”

“What did you just say?”

The panicked expression on his face immediately darkened, ” Shi Qingtian, you’re really asking for too much. Your appetite is so big, aren’t you afraid of eating too much? ”

“.....”

Man Teng and Chi Mei did not speak.

obviously.

Shi Qingtian, Cang Huang, Chi Mei, and man Teng’s purpose for appearing was also very simple. They were here to divide up the Fortune of the ‘great Qian dynasty’.

The strength of a country’s fate was related to the ranking of the ‘young dragon List’.

The higher one’s ranking was, the more generous the rewards would be, and the stronger one’s fate would be, the more beneficial it would be to one’s cultivation. It would also speed up the development and growth of one’s dynasty.

To put it bluntly.

they were here to steal jiang li’s ‘spoils’.

“These monster Kings and barbarian kings are nothing in my eyes,”

Jiang Li thought, he wants to share the fate of the great Qian dynasty in front of me.

“I’m still too late.”

At this moment.

hmm? ” Jiang Li heard the voice, so did panic and the others. They immediately looked over. What they saw wasn’t the true dragon, but an elder in a green robe.

“Jiang Li, Xia Emperor, I am Feng chenxi. I am here under the orders of Wei Emperor to stop the war between the great Xia Dynasty and the great Qian dynasty. It seems that I am one step too late.”

Jiang Li. the elder in a blue Daoist robe bowed to Jiang Li with a horsetail whisk in his hand, then told him why he was here. the alien races are watching us.

” how can we allow a foreign race to touch the fortune of a human dynasty! ”

## Chapter 272 The Jade seal

Feng chenxi? ” Jiang Li was carefully studying the elder in a blue robe who called himself ‘Feng chenxi’. The elder’s hair was white, but he didn’t look old at all. He looked like a child.

It could be said to have perfectly interpreted the meaning of the idiom ‘white hair but a child’s face’.

It couldn’t be more appropriate.

furthermore ...

jiang li also felt a strong pressure from feng chenxi. he was definitely a level four expert. it was very likely that he had already reached the peak of level four.

One had to know.

Feng chenxi was only one of Prince Wei’s capable officials.

Previously, when he was trading with the Wei Dynasty.

Jiang Li also saw a general from the Wei Dynasty who was at the early stage of level four.

In addition, there was Prince Wei himself.

There were three at the 4th rank.

The little bit of strength that the great Wei Dynasty had revealed was already shocking enough.

It could be seen from this.

The great Wei Dynasty's strength was definitely unfathomable, but he didn't know what their ranking was on the 'young dragon List'.

“Daoist priest Feng chenzi.”

Jiang Li cupped his hands and bowed.

“I don't deserve the title of Taoist priest. You're just a Taoist priest in the mortal world.”

feng chenzi said.

“Feng chenzi!”

Shi Qingtian's eyes swept across the area. The true dragon's head, which was as big as a small mountain, seemed to be carved out of a huge dark green jade. It lowered its eyes and looked at Feng chenzi.

“Prince Wei, that treacherous villain, actually only sent you here.”

Shi Qingtian coldly snorted, "you're really confident.

"Your Majesty, you're just a barbarian and a demon. There's no need for His Majesty to come personally. You all think too highly of yourself."

Feng chenzi gently stroked his horsetail whisk and looked at Shi Qingtian. He said in a calm tone, instead of staying in your territory, you barbarians and demons came to the human dynasty and tried to get your hands on the Fortune of the human dynasty.

"How dare you!"

"Hahahahaha!"

He laughed out loud towards the sky as his cold eyes swept over Feng chenzi, "Arrogant thing, you dare to talk big in front of me."

"I'll let you know what respect is today."

BOOM!

As soon as he finished speaking.

He attacked in a panic.

The power of the bloodline condensed and turned into a purple divine Thunder in the palm. After the palm fell, the purple divine Thunder bloomed and condensed into a dazzling Thunder Blade.

It directly slashed towards Feng chenzi.

"break!"

with a wave of his horsetail whisk, his zhen qi condensed and turned into a ray of light, striking the lightning blade. as the two parties collided, an explosion rang out.

the purple lightning exploded, and a few hairs fell from feng chenzi's horsetail whisk.

“Grand completion of Tier 4.”

He raised his eyebrows in a panic. you're quite capable. No wonder you dare to be so arrogant in front of me.

“Roar!”

the purple true dragon under cang huang's feet roared. the power of the country's fate gathered and supplemented cang huang's body. he still activated the power of his bloodline in a hurry.

After that.

He raised his right hand in a panic, and a vast amount of spiritual Qi rushed over, forming a huge palm that covered the sky. It directly pressed down on Feng chenzi.

“The Imperial Jade seal of the dynasty, please!”

“Whoosh!!!”

Suddenly.

feng chenzi called out respectfully as he took out a white jade seal. it was squarish and had a lifelike three-clawed true dragon carved on it.

“Roar!”

after that.

The Imperial Jade seal floated in the air and let out a series of Dragon roars. It contained the power of the great Wei Dynasty's National aura and turned into a mighty three-clawed true dragon.

It was a three-clawed true dragon. Its body was pure blue like a Crystal Gem, and it was 1500 meters long.

“Suppress!”

feng chenxi waved his right hand and the pure blue three clawed true dragon flew into the air with the jade seal in its mouth, directly shattering the giant hand.

it exploded.

...

It turned into purple light spots that filled the sky.

“The Imperial Jade seal.”

” this is the imperial jade seal of the dynasty awarded by the ‘young dragon ranking’. it can bear the power of the nation's fate. when did the wei dynasty get it?  
”

“it's actually the imperial jade seal kasaya.”

Shi Qingtian's face was also filled with shock. His right hand, which had been raised, was quietly lowered. He was extremely shocked in his heart, but he did not show it.

“The Imperial Jade seal!”

“Si si si ...”

Chi Mei and man Teng also couldn't help but take a deep breath.

this time.

They had come all the way here, thinking that they would be able to get a taste of the soup, but now it seemed that they would not even get a taste of it.

Of course.

...

This was mainly because Chi Mei and man Teng's strength was not enough.

However ...

Compared to them ...

Jiang Li was probably the one with the most complicated feelings right now.

Thinking of this ...

Jiang Li. Chi Mei and man Teng both looked down at Jiang Li.

Jiang Li was wearing an 'ordinary ruler's armor', so they couldn't see his expression.

Shua!

Feng chenzi waved his right hand and the dynasty jade seal fell back into his hand. The pure blue three clawed true dragon turned into a ray of blue light and entered the Jade seal.

The Jade seal floated in Feng chenzi's palm.

“Do you want to continue?”

feng chenzi looked at cang huang and shi qingtian.

“hmp!”

Humph! Humph! Humph! Humph! Humph! Humph! Humph! Humph! Humph!  
Humph! Humph! Humph! Humph! Humph! Humph! Humph! Humph! Humph!  
Humph! Humph! Humph! Humph! Humph! Humph! Humph! Humph! Humph!  
Humph! Humph! Humph! Humph! Humph! Humph! Humph! Humph! Humph!  
Humph! Humph! Humph! Humph! Humph! Humph! Humph! Humph! Humph!  
Humph! Humph! Humph! Humph! Humph! Humph! Humph! Humph! Humph!

“.....”

Shi Qingtian also became silent.

“Emperor Xia.”

at this moment.

Feng chenzi looked at Jiang Li and said, ” i've already explained the purpose of my visit. i hope that emperor xia will withdraw your troops on account of his majesty, prince wei. ”

furthermore, the great Qian dynasty has suffered heavy losses. The king of the Council is dead and King Qian has lost all his face. Emperor Xia, you have finally vented your anger.

” besides, we're both human dynasties. if we kill each other, the foreign tribes will laugh at us and take advantage of us. ”

“This time, if it wasn’t for the King of Wei who asked me to come with the ‘Imperial Jade seal’, Emperor Xia would be in a bad situation.”

“What do you think?”

Feng chenzi smiled.

“.....”

Jiang Li raised his head and looked at Feng chenzi calmly. Then, he looked at Cang Huang, Shi Qingtian, Chi Mei, man Teng, and the others.

On the surface.

If Feng chenzi had not appeared ...

Jiang Li might be attacked by four kings.

The monster race and the Barbarian race each had their own plans and wanted to obtain more benefits, so they could not really join forces.

but ...

Jiang Li would indeed be in a bad situation.

Things didn’t go as Jiang Li expected. He thought the Yao dynasty and the Barbarian kingdoms would send their Army to invade the great Xia Dynasty.

The result.

However, they had come in person and did not bring a single soldier with them. Instead, they wanted to seize the fate of the great Qian dynasty and not occupy its territory.

“Are we really going to stop the war?”

jiang li looked at the battlefield and saw the two armies fighting. the war was still going on.

The ground was littered with corpses, and the air was filled with the pungent smell of blood.

Furthermore ...

The battle had been going on for so long.

Jiang Li's mech Army had suffered a great loss. If he didn't have enough resources to convert energy points in time to replenish the lost soldiers, Jiang Li's strength would drop drastically.

The most important thing was ...

Jiang Li was almost winning. He killed the king of Parliament, broke the level-three formation, and destroyed the formation. King Qian was also suppressed.

if he gave up now ...

Everything Jiang Li had done would be in vain.

He could only harvest the soul Tinder.

There was more.

Jiang Li knew that if he agreed to Prince Wei's request, the Qian dynasty would suffer a great loss after this battle.

Then ...

From then on.

no matter if it was the great xia dynasty or the great gan dynasty, they would probably be restricted by the great wei dynasty.

it's impossible for King Wei to help King Qian for no reason. There must be some other deal that I'm not aware of.

I'm afraid there's nothing else that can move Lord Wei other than the fate of the Qian dynasty.

after all, from the previous performances, the great Wei Dynasty's strength has already far surpassed the great gan dynasty. Only things like the fate of the nation are worthy of Prince Wei's attention.

“From the performance of Cang Huang and Shi Qingtian, I can tell that the ‘fortune of a dynasty’ is more valuable than what I wanted.”

Jiang Li sneered. in fact, the lion barbarian kingdom, the panicky demon dynasty, and the Wei Dynasty are all after the fate of the Qian dynasty.

“The ‘fate of the great Qian dynasty’ originally belonged to me because the great Qian dynasty was about to be destroyed in my hands. Now, these guys have appeared and said a few words, and they want to take away the spoils of war that should have belonged to me.”

“What a good plan.”

Jiang Li muttered.

“ah!”

boom!

At this moment.

Within the capital.

” ah! ” king qian screamed in agony.

The outcome of the battle had already been decided.

MYL01 and ynjs01 had severely injured King Qian. It was already quite impressive that King Qian was able to hold on until now when he was surrounded by two people of the same level.

It could be seen.

king qian was hit by the myl01 again. his body flew backward and smashed into the city wall before he fell into the battlefield.

“Pfft, pfft, pfft.”

King Qian spat out a mouthful of blood. His Golden Dragon robe was in tatters, and his hair was disheveled. He was severely injured, and his chest had caved in slightly. A few of his ribs were broken.

Shua! Shua!

MYL01 and ynjs01 immediately charged out from the capital.

“Your Majesty!”

“His Majesty has been defeated! He’s been defeated!”

“No!”

In the surroundings.

When the soldiers and generals of the great Qian Dynasty saw this scene, their faces all turned pale.

one had to know.

King Qian was their spiritual pillar and their courage to continue fighting. No matter how bad the situation on the battlefield was, as long as King Qian won, the great Qian Dynasty would win.

But now ...

King Qian was defeated. He fell from the sky to the ground of the battlefield. His entire body was covered in injuries, and he looked extremely disheveled.

At this moment.

Their spiritual pillar had collapsed.

Even King Qian had been defeated.

How could they still have a chance of winning?

It was impossible!

It was impossible!

They had lost!

The DA Qian Empire had been defeated!

“Qian Lin Dragon.”

King Qian! Chi Mei looked at King Qian who was in the deep pit and said his real name, "I didn't expect you to end up like this."

"What a pity."

Man Teng shook his head. His tone was somewhat emotional, but it was more of a gloat.

human infighting.

Naturally, they would be more than happy to die.

In reality.

The red eyebrows Fey Kingdom, the great Qian dynasty, and the black snake barbarian kingdom had been in contact with each other for a long time. They had all suffered losses from each other, but in the end, no one could do anything to the other.

Chi Mei and man Teng were well aware of King Qian's strength and means. He was definitely not weak. Otherwise, how could he have allowed the great Qian dynasty to prosper for hundreds of years?

After King Qian found out about the plan of the demonic fog soldiers, he had even played along and planned for a long time.

He was about to succeed.

However, Jiang Li messed it up.

And now.

The entire great Qian dynasty was going to be destroyed in Jiang Li's hands.

## Chapter 273 Combat body

\* Cough cough \*

King Qian kept coughing out blood. His injuries were too severe, and the Golden glow on his body had dimmed. The blood that he coughed out contained fragments of his internal organs.

The true dragon also wailed.

It was as if he had reached the end of the road.

“Has it ended?”

Oh? ” King Qian lowered his head slightly as his gaze turned gloomy. is it really going to end like this? ”

he was unwilling!

Naturally, King Qian was unwilling to accept this.

He had risen from a nobody to where he was today. He had tasted the joy of success, and naturally, he had also experienced the despair after failure.

but ...

Every failure!

he had managed to pull through and stand up from the desperate situation.

but now ...

He could not see any hope.

His Royal brother, the ‘King of the Council’, had died. His Royal brother, who had been following him since the beginning, had died in front of him, but he was helpless.

The soldiers, the generals, and the subordinates of great Qian.

One by one, they died in front of him.

Naturally, he was still helpless.

He could only watch.

And now ...

He was defeated by Jiang Li and his two subordinates.

“Hehe.”

King Qian laughed bitterly as he looked up into the sky. He saw panic, Shi Qingtian, Chi Mei, man Teng, and Feng chenzi.

At this moment.

King Qian finally understood.

The end of the great gan Lord dynasty had finally arrived.

In reality.

In this battle ...

They had been keeping an eye on him even before the match started.

Regardless of whether the great Qian dynasty attacked the great Xia Dynasty first or the great Xia Dynasty attacked the great Qian dynasty first, they would definitely appear in a panic.

If da Qian won.

The great Xia Dynasty would then become the ‘cake’ that would be divided.

If great Xia won.

The great Qian dynasty would become the ‘cake’ that would be divided.

The most important thing was ...

King Qian sent a letter to King Wei. In the letter, he said that Jiang Li was suspected of colluding with the alien races and that he was willing to ask King Wei for help at the cost of half of the fate of the great Qian dynasty.

However ...

However, King Wei didn’t come personally, and only sent Feng chenzi with the Imperial Jade seal. This meant that King Wei didn’t care about King Qian at all.

He only wanted half of the Fortune of the great Qian dynasty.

King Qian wanted to trick Prince Wei to deal with Jiang Li, but he was wrong from the beginning. Prince Wei’s shrewdness and schemes were far deeper than King Qian had imagined.

Of course, the Prince of Wei wanted to stop the war between great Xia and great Qian.

Because ...

After this war, da Qian and da Xia would definitely suffer heavy losses. If they wanted to survive and not be destroyed by the monster race and barbarian race, they would have to rely on the power of the Wei Dynasty.

seeking help from great wei naturally required a price.

And the price.

He wanted great Xia and great gan to offer their fate of the dynasty.

It was obvious.

The Prince of Wei wanted to raise great Qian and great Xia like 'piggies'. When the' piggies 'grew up, he could harvest them.

Over the years.

it would be able to provide great wei dynasty with a large amount of fate.

“Hahahahaha!”

King Qian had finally figured it out after he was completely defeated. It was as if he had been enlightened. However, so what if he had figured it out?

it was all too late!

...

It's too late!

Perhaps.

She shouldn't have been hostile to Jiang Li from the beginning?

“Great gan has been completely defeated.”

Shi Qingtian looked down at the injured King Qian and said calmly, “this Jiang Li is rising too fast. The great Xia Dynasty has only been established for half a month and he's already taken down great Qian, which has been prosperous for hundreds of years!

“Hehe.”

Panicking laughed coldly. it's just that there was a rebellion in da Qian some time ago, and a big war happened, which led to a great loss of troops. Then, they took advantage of the situation to enter.

“.....”

Shi Qingtian only glanced at him and didn't explain anything.

Taking advantage of the situation?

Shi Qingtian shook his head and looked at MYL01 and ynjs01 again. He thought to himself, 'no matter what, they're two perfected stage Tier 4 National guardians.'

...

It was not to be underestimated.

“Grand completion of Tier 4.”

His flustered gaze fell on MYL01 and ynjs01. He felt a little solemn, unlike what he showed on the surface.

Obviously.

The ‘haughtiness’ and ‘arrogance’ he displayed on the surface was just a disguise to give the enemy a false impression, so that the enemy would be numb and careless.

in reality.

His panicked nature was far more cautious than the enemy had imagined.

He seemed to have attacked recklessly twice, but it was just a test to see the enemy’s strength.

“Emperor Xia, you still haven’t stopped.”

Feng chenzi slightly frowned and only scolded. He did not immediately stop the great Xia and great Qian armies from killing each other.

“.....”

Jiang Li didn’t say anything.

obviously.

Jiang Li didn’t want to stop.

BOOM!

MYL01 and ynjs01 took the opportunity to charge at King Qian.

the attack landed.

He was about to kill King Qian.

“Fall.”

BOOM!

Feng chenzi coldly snorted and pressed down with his right hand. The Imperial Jade seal descended from the sky and expanded with the wind. It seemed to have transformed into a vast mountain as it pressed down.

“Jiang Li is ignoring Feng chenzi. Feng chenzi brought King Wei’s order to stop the war, but Jiang Li still wants to kill King Qian.”

Shi Qingtian’s eyes brightened as he laughed, ” things have become interesting.

“I like to see humans kill each other.”

haha, I’d like to see how Jiang Li can kill King Qian with Feng chenzi’s help.

“Zombie body!”

BOOM!

Ynjs01 roared and used his strongest skill. His entire body was filled with an unparalleled surge of mechanical psionic energy that soared into the sky.

“Roar!”

Kachaa! kachaa!

Scales appeared on ynjs01’s body and covered his entire body in the blink of an eye. Sharp claws grew out of his five fingers and his fangs grew longer.

His pupils turned Scarlet.

Red-eyed zombie.

His height had grown to three meters.

An extremely powerful aura surged.

“This is an alien race?”

feng chenxi frowned as his eyes darkened,”Jiang Li, did you really collude with the alien races? If that’s the case, I’ll kill you today even if I have to disobey His Majesty’s order.”

“A foreign race?”

Cang Huang was also stunned.

“What is this aura?”

Jiang Li? ” Shi Qingtian was also watching. I’ve never seen this kind of race aura before. Has Jiang Li really colluded with those mixed-blood alien races? ”

“this is an ...”

Chi Mei and man Teng were also stunned.

After yin displayed the zombie combat body, its strength increased greatly. It turned into a zombie and then directly crashed into the dynasty jade seal that was falling from the sky.

“Thump!”

The three-meter-tall ynjs01 and the mountain-like Dynasty jade seal were huge in size, but they collided head-on.

It made a huge roar.

“BOOM!”

Ynjs01 was sent flying backward, creating a huge crater on the ground. Both of his arms were twisted out of shape, and the damage was up to 10%.

similarly.

The Imperial Jade seal was also forced back, flying back into Feng chenzi’s hand.

“Repair.”

Jiang Li used energy points.

Kachaa! Kachaa!

A white light flashed on ynjs01’s body, and his twisted arms recovered in an instant. All his injuries had been healed.

“lightning attracting technique!”

Kachaa!

while feng chenzi was using the imperial jade seal to deal with ynjs01, he formed a seal with his hands and used his zhen qi to form a rune. the rune tore through the air and turned into a purple lightning bolt, striking towards myl01.

bang!

MYL01 struck out with his palm and shattered the lightning, but he was also blocked.

“Let’s go!”

King Qian gritted his teeth and forcefully stabilized his injuries. He then rushed out of the deep pit and fled into the distance.

Although King Qian had already figured out King Wei’s plan, as long as he did not die, there would be a chance for Dong mountain to rise again. Naturally, King Qian would not allow himself to be killed.

Although he was unwilling.

there was no other way.

“Attack!”

BOOM! BOOM! BOOM!

fire! Jiang Li ordered. The artillery changed their target and locked onto Feng chenzi, who was in the air. Tens of thousands of shells were fired.

“The golden light spell! body protection!”

Buzzzzzz!

Feng chenzi formed another hand seal. Golden light flashed and formed runes. They spread out and formed a golden barrier around his body.

“Rumble!”

The tens of thousands of artillery shells exploded on the Golden barrier, filling the sky with flames and smoke, blocking Feng chenzi’s figure.

When the fire and smoke dispersed.

Feng chenzi was completely unscathed, and the Golden barrier was as stable as a diamond.

Whoosh! Whoosh! “Whoosh!”

The next moment.

A few thousand laser beams shot out, and a few hundred red laser shockwaves shot towards Feng chenzi.

BOOM!

Feng chenzi waved his horsetail whisk and his Zhen Qi surged, turning into a green pillar. It was in the shape of a crescent moon and destroyed all the laser beams.

“Psionic heavy sword slash!”

“Psionic spear technique!”

“Psionic heavy hammer!”

boom! BOOM!

Eight perfected-stage Tier 3 elite soldiers attacked together. Four psionic sword rays that were hundreds of meters long, three psionic spear rays that were hundreds of meters long, and a huge hammer shadow that was hundreds of meters in diameter.

They all blasted towards Feng chenzi.

Bang!

A direct hit.

“BOOM!”

A deafening explosion rang out, and a vast energy storm spread out. The light of psionic energy filled the air, filling the sky.

After the aftermath dissipated.

Kachaa! Kachaa!

Feng chenzi's golden light curse shattered, and the golden light barrier shattered, turning into golden motes of light that scattered into the sky.

However ...

It had only shattered Feng chenzi's golden light curse.

feng chenzi himself was not affected at all.

Emperor Xia, the attack just now was not bad. At least, it broke my golden light spell. There are many capable people under Emperor Xia, but they are only at the perfected stage of level three. After joining forces, they can actually exert power close to the early stage of level four.

Feng chenzi looked at Jiang Li and said, also, Emperor Xia's weapons are very good. They are very powerful and extremely special.

if His Majesty Prince Wei knew about it, he would definitely be very interested. He might even spend a lot of money to buy these weapons from Emperor Xia. I hope that Emperor Xia will not refuse.

“.....”

Jiang Li's eyes turned serious. He was hoping that the level 3 troop could stop Feng chenzi and buy time for MYL01 and ynjs01.

but now it seemed ...

Feng chenzi was simply too powerful.

furthermore ...

The soldiers and generals of the great gan Lord dynasty had not been defeated yet. After seeing Feng chenzi's attack, they were reinvigorated and tried their best to stall Jiang Li's meches.

Otherwise ...

if it wasn't for the soldiers and generals of the great gan lord dynasty, jiang li's million meches and the many level three meches would be able to kill feng chenzi.

## Chapter 274

"King Qian, come to my side immediately."

feng chenzi shouted.

"Alright," he said.

shua!

King Qian nodded. He leapt into the air and unleashed his full speed. Like a golden bolt of lightning, he drew a 'Z' in the air and flew towards Feng chenzi.

BOOM! BOOM! BOOM!

Immediately.

40,000 cannons were fired at King Qian in unison, and the sky was filled with cannonballs.

“Golden Dragon Seal!”

King Qian formed a seal with his hands. As the seal fell, it turned into a Dragon-shaped golden seal and pressed down. When the two collided, the Cannonball exploded, and the Dragon-shaped golden seal shattered.

Whoosh! Whoosh! Whoosh!

After the artillery shells exploded, laser beams pierced through the air.

“lightning attracting technique.”

Feng Chenzi’s left hand formed a seal. The seal tore through the air and turned into a purple lightning. Like a Lightning Spear, it destroyed all the laser beams.

“Kill!”

MYL01 hollered as he leapt into the air and attacked Feng Chenzi.

he struck out with his palm.

BOOM!

It was a vast demonic spirit palm print, like a black demonic mountain. It pressed down towards Feng Chenzi, containing an extremely powerful might that shook the surroundings.

“Suppress.”

Feng chenzi waved his right hand and the Jade seal flew through the air, turning into the size of a mountain and destroying the demonic spirit palm. As the two sides collided, an explosion of energy was created.

“Rumble!”

the explosion reverberated in all directions.

A series of storms swept through the surroundings.

” demon spirit domain!!! ”

BOOM! BOOM! BOOM!

Under Jiang Li’s order, MYL01 used all his strength. The demonic spirit energy shot up into the sky like a dark pillar of light.

the battle was extremely intense.

Obviously.

The current situation.

Cang Huang, Shi Qingtian, Chi Mei, and man Teng were watching from the side. They didn’t have any intention of attacking. They were just waiting for Jiang Li and Feng chenzi to be injured.

Of course.

The Barbarian race and the demon race were also wary of each other.

now.

with feng chenzi's help, the great gan dynasty had two perfected-stage level four martial artists. jiang li also had ynjs01 and myl01.

but ...

it was already very difficult for jiang li to kill king qian.

However ...

Jiang Li had his own advantages.

First of all ...

King Qian was severely injured, and his strength had dropped drastically. However, after ynjs01 unleashed its zombie body, its strength had increased greatly.

Jiang Li also had many level three meches, perfected level three meches, and elite troops that could help and contain them.

On the other hand, the great gan Lord dynasty.

The Commandery princes and commanders-in-chief had suffered heavy losses. More than half of the Imperial Army's 100000 soldiers had been lost under the charge of the meches.

so,

Jiang Li planned to let MYL01 stall Feng chenzi while the level three meches, the perfected level three meches, and the perfected level three elite meches worked together with ynjs01.

Killing King Qian by force.

“Do it.”

stop! Jiang Li shouted.

“Roar!”

Ynjs01 let out a roar like a zombie roaring at the moon. It released its psionic energy and leaped toward King Qian. Its sharp zombie claws tore through the air and drew out streams of dazzling claw light.

Thump!

King Qian’s pupils constricted. He endured the injuries on his body and struck out a Dragon-shaped palm force. Then, he blocked ynjs01’s attack.

...

BOOM! BOOM!

The cannonballs that filled the sky were blasted toward King Qian.

“Golden light curse!”

feng chenxi formed a hand seal and turned into a golden barrier of light that blocked king qian’s path, helping him block the incoming cannonballs.

“Kill!”

MYL01 took this opportunity to charge over, palm after palm, covering Feng chenxi’s entire body. Feng chenxi’s pupils contracted, and he immediately took out the Imperial Jade seal, only then was he able to block MYL01’s attack.

Bang!

At the same time.

Feng chenzi's horsetail whisk descended and struck MYL01's body. With a loud sound, MYL01 instantly became illusory. The horsetail whisk passed through MYL01's body and did not cause much damage to him.

“Spirit race?”

Feng chenzi asked in surprise.

...

buzzzzzz!

MYL01 instantly cancelled his ethereal state and turned into his physical form. He then took the opportunity to close the distance between them and sent a kick towards Feng chenzi, gathering a vast amount of demonic spirit energy.

BOOM!

Feng chenzi was sent flying, but because he had the protection of the golden light curse, he was not injured. He quickly stabilized his body and looked at MYL01 with a dark expression.

“Jiang Li.”

Feng chenzi's eyes landed on Jiang Li. He no longer called Jiang Li 'Emperor Xia'. Instead, he called Jiang Li by his full name.

” first, it was the aura of an unknown foreign race. now, it's the ability of the spirit race to blur things out. ”

“Jiang Li, I can’t help but suspect that you’re colluding with the alien races,” Feng chenzi said.

“.....”

Jiang Li didn’t respond to Feng chenzi. Or rather, Jiang Li didn’t want to explain at all. He couldn’t explain anything. He only had one goal.

He had to get rid of King Qian first!

“Crack!”

Bang!

Ynjs01 went all out, even taking on King Qian’s attacks head-on. It forcefully tore apart Feng chenzi’s golden light curse and rapidly approached King Qian.

“Pfft!”

Ynjs01 tore King Qian’s chest apart. There were claw marks that ran across his entire chest. The wounds were so deep that one could even see his ribs.

“Ah!”

” no! ” king qian screamed.

“Die!”

Buzzzzzz!

Ynjs01’s arms transformed into two long blades of flesh and blood. They were condensed with extremely dense psionic energy, as if they had taken physical form.

It was aimed at King Qian's head.

“!!!”

King Qian's eyes narrowed.

At this moment.

He could truly feel death approaching!

“Stop!”

Feng chenzi berated.

boom!

MYL01 charged over with all his might, blocking Feng chenzi, the artillery soldiers, and the laser weapon meches. The various type 3 meches quickly left the battlefield and charged at Feng chenzi.

“Get lost!”

“Roar!”

Feng chenzi was furious. He waved his right hand and the Imperial Jade seal flew through the air. A pure blue three clawed true dragon appeared, and with the Imperial Jade seal in its mouth, it smashed towards the Imperial Jade seal.

Bang Bang Bang Bang!

Feng chenzi's attack was simply too powerful. The three-clawed true dragon destroyed everything in its path, causing all the cannonballs and laser beams to explode.

the liquid metal soldiers and exoskeleton armor soldiers were all sent flying and then smashed to the ground.

The degree of damage rapidly increased.

it was almost scrapped.

BOOM!

finally.

MYL01 was also sent flying by the pure blue three-clawed true dragon. Even though MYL01 used the void-ification technique, he could not completely resist this attack.

“You’re overestimating yourself.”

Feng chenzi coldly harrumphed. After pushing back MY01 and the others, he immediately charged towards ynjs01.

shua!

However, MYL01 did not care and rushed over, blocking in front of Feng chenzi. He even used his body to take a hit from Feng chenzi and was sent flying.

There was a huge hole in his chest.

His body fell.

“BOOM!”

A deep pit was created on the ground by the impact of MYL01.

“You!”

Feng chenzi was also stunned. He didn't expect Jiang Li's subordinates to be so loyal. They were even willing to risk their lives and take his attack head-on.

It was to stop him.

He really didn't expect things to turn out this way.

“Ah!”

King Qian's furious roar reverberated throughout the entire battlefield. Ynjs01's blood and flesh blades had already slashed down. King Qian was going all out, unleashing all his power and burning his lifespan.

“Roar!”

The Golden Dragon roared.

A dazzling golden light burst out from King Qian's body and transformed into a gigantic Golden Dragon. It then crashed into ynjs01.

“BOOM!”

Ynjs01's flesh blades slashed at the Golden Dragon. The black psionic energy and the Golden energy continued to collide and Exchange blows.

Pfft! Pfft! Pfft!

The energy waves struck both ynjs01 and King Qian's body, causing blood to splatter.

Ynjs01's damage level was rising.

“.....”

after seeing this, feng chenxi suddenly stopped. he did not go to save king qian. instead, he looked at cang huang and shi qingtian.

“Whoosh!!!”

At this moment.

Cang Huang and Shi Qingtian were accumulating their strength. The power of the nation's fate was surging, and then slowly supplemented their bodies. Chi Mei and man Teng were also staring at them.

Jiang Li, you're really asking for death.

Feng chenxi took in a deep breath.

“BOOM!”

The sound of an explosion rang out.

In the end, the Golden Dragon that King Qian had conjured with all his might was also shattered by yin's01.

“Ah!”

ah! King Qian cried out in agony as he was sent flying backward. He spat out a mouthful of blood as his eyes dimmed. The life force in his body was rapidly dissipating before he fell from the sky.

BOOM!

Similarly.

Ynjs01 was also heavily injured and was sent flying by the terrifying shock wave. It crashed into the ground, creating a huge crater.

both myl01 and ynjs01 were seriously injured and were almost scrapped.

“Hahahahaha!”

haha! King Qian landed on the ground and suddenly laughed. He looked at Jiang Li and shouted, ” Jiang Li, your two subordinates at the perfected stage of level four are seriously injured. They don’t even have a tenth of their strength left.

“This battle.”

“I have indeed lost. The great gan Lord dynasty has also lost.”

but, Jiang Li, you’re not far from death.

“Do it!”

“now.”

Shua! Shua!

Cang Huang and Shi Qingtian’s eyes gleamed as they charged down from the dragon’s head. They were like two extremely bright rays of light as they charged toward King Qian.

“The fate of the great Qian dynasty should belong to me, The Lion King.”

Shi Qingtian laughed.

Buzzzzzz!

He stretched out his hand and grabbed at God King. His totem power turned into a huge lion's claw and covered him.

“In your dreams.”

Bang!

His palm fell down in a panic and shattered Shi Qingtian's lion claw.

“Panicking child, you dare!”

Shi Qingtian shouted in anger.

“the fate of the country belongs to me.”

he said in a panic. he increased his speed and passed by shi qingtian.

King Qian, it's time for you to fulfill your promise.

“Hand over the fate of the nation to me,” Feng chenzi said.

As soon as he finished speaking.

the imperial jade seal in feng chenzi's hand flew towards king qian.

“Feng chenzi, are you dreaming?”

BOOM! BOOM!

Cang Huang and Shi Qingtian attacked at the same time, forcing back Feng chenzi's Imperial Jade seal.

alright, alright, alright. You all want my dynasty's fate, right? ”

King Qian looked at Feng chenzi in a panic. Shi Qingtian's expression had already turned somewhat crazed as he roared, very good. I'll give it to you, but you can ask Jiang Li for it!

“Jiang Li! i'll give you another big gift!”

“Hahahahaha!”

“roar!”

it was a dragon's roar filled with sorrow.

A three-clawed Golden Dragon that seemed to be made of gold flew out of King Qian's body. It was the foundation of the great Qian dynasty's National fate.

now.

King Qian had lured the dynasty's National aura out.

“Qian linlong, what do you want to do?”

Feng chenzi berated.

“Stop him!”

He shouted in panic.

this Lion King will just kill him.

Shi Qingtian raised his hand and struck King Qian with his palm.

“No!”

Bang!

He hurriedly destroyed Shi Qingtian’s attack and berated, I should be the one to kill him. Whoever kills King Qian will only get 50% of the fate of the dynasty.

“you!”

Shi Qingtian stared in anger and panic.

“Go on.”

Jiang Li! King Qian shouted. The three-clawed Golden Dragon flew to Jiang Li in the blink of an eye.

## Chapter 275

“This is crazy! Was King Qian crazy? He gave all the Fortune of the dynasty to Jiang Li?”

man teng was dumbfounded. he looked at him blankly, ” is there something wrong with his brain? ”

“No!”

No. Chi Mei shook his head and said, ” the fate of the great Qian dynasty has fallen into Jiang Li’s hands. Jiang Li will become the target of everyone. He will be targeted by Shi Qingtian and Feng chenzi at the same time.

you know, Jiang Li's two subordinates at the perfected stage of level four are already seriously injured. They don't even have 10% of their strength left. Where does Jiang Li find the strength to fight against them? ”

“In other words ...”

if Jiang Li doesn't want to die, he must hand over the fate of the country. Even if he does, I'm afraid he won't be able to keep his life.

on the other hand, King Qian managed to get a chance to catch his breath.

“Is this a diversion?”

this is the fate of the entire great Qian dynasty. King Qian is willing to give it all up and pass it to Jiang Li. How generous. man Teng murmured.

“King Qian has no choice.”

“He can only do this, and it's the best way,” Chi Mei said.

In reality.

There was another way.

that was king qian's self-destruction of the nation's fortune.

This way ...

No one would get any benefits.

Unfortunately ...

king qian did not do that. he did not want to die just like that. he wanted to live. as long as he was alive, there would be hope. if he died, everything would end.

Even if there was a glimmer of hope, he had to fight with all his might.

“Roar!”

at the same time.

A Dragon’s Roar came from Jiang Li’s body. The great Xia Dynasty’s true dragon appeared. A ten-meter-long three-clawed Green Dragon hovered above Jiang Li.

The green light fell.

it covered jiang li.

“Only ten meters?”

Chi Mei was stunned. how could it be such a weak National fate? ”

“That’s not right. I remember that the great Xia Dynasty’s true dragon was three thousand meters long. It even caused the National aura of the surrounding dynasties to shake. Although it borrowed other powers, why is the true Dragon’s body only ten meters long?”

Man Teng also could not help but widen his eyes, and said in a startled tone: “The difference is too great.”

hehe, such a lowly and weak true dragon of the nation.

no wonder the great Xia Dynasty is ranked at the bottom of the ‘young dragon List’. It’s ridiculous, ” huanhuang sneered with disdain.

“10 meters!”

Shi Qingtian came back to his senses and sighed with emotion. He then said in a self-deprecating manner, it's only ten meters long. I can't believe I was intimidated back then.

“What an irony.”

“He's too weak,”

Feng chenzi frowned,”with such a weak country's fate, who knows how long it'll take to harvest it.”

shua!

In the air.

The three-clawed Golden Dragon formed by the fate of the DA Qian dynasty had already flown above Jiang Li's head. It was shining with a golden light and was much more powerful than the three-clawed Green Dragon.

They were on completely different levels.

“King Qian,”

Jiang Li smiled when he saw the three-clawed Golden Dragon.

However, Jiang Li was wearing the ‘ordinary ruler's armor’, so they couldn't see the smile on his face. They could only hear his voice.

since you're so kind and insist on handing over the fate of the great Qian dynasty to me, I'll have to accept it. It's impolite of me to refuse.

“Great Xia Azure Dragon technique!”

“Roar!”

let's go. Jiang Li activated his cultivation technique and internal force. He activated the fate of the Xia Dynasty and controlled the three-clawed Green Dragon to open its huge mouth.

“Whoosh!!!”

“Devour!”

A green vortex appeared at the three-clawed Golden dragon's mouth, emitting a huge suction force. The green light spread out and enveloped the three-clawed Golden Dragon.

King Qian's eyes were cold as he gritted his teeth and said, ” ” swallow it, jiang li. just swallow it as much as you can. you can only be arrogant now, but soon you'll end up in a miserable state. ”

Jiang Li, How dare you! Stop now! The fate of the great Qian dynasty belongs to me!

Shi Qingtian roared.

...

“You're looking for death!”

He shouted in a panic.

BOOM!

die! Cang Huang's eyes were cold and filled with killing intent. He threw a palm at Jiang Li. His bloodline power turned into lightning and tore the space apart.

“Suppress!”

Feng chenzi waved his right hand and the Jade seal flew out, blocking the attack. The purple lightning was shattered and turned into a sky full of lightning.

“Feng chenzi!”

what do you want? ” he shouted in a panic.

“I’ve already said it.”

Feng chenzi said coldly, “the fate of the human dynasty can not be touched by you demons and barbarians ..”

“You!”

...

Panic’s face turned gloomy.

“.....”

King Qian was also stunned. He didn’t think that Feng chenzi would attack.

“Shi Qingtian, why aren’t you attacking? Could it be that you’re just going to watch the fate of the nation slip away from your hands?”

he looked at shi qingtian in a panic.

“what’s the hurry?”

Shi Qingtian sneered.

“Roar!”

The three-clawed Golden Dragon was wailing. Although the three-clawed Golden Dragon’s might far exceeded the three-clawed Green Dragon’s, the three-clawed Golden Dragon was merely a condensation of the country’s fate. Without any control, it could not resist. It was like a rootless source.

It could only be slowly devoured by the three-clawed Green Dragon.

it could be seen.

the three-clawed green dragon was growing at a speed visible to the naked eye. it grew from ten meters to twenty meters, thirty meters, forty meters, and continued to grow.

One had to know.

This growth was real. It was the real growth of the country’s fate. It wasn’t because of the demonic spirit energy of MYL01, which made it temporarily illusory.

“whoosh!!!”

As the three-clawed Green Dragon grew stronger and the fate of the country grew, the power of the fate of the country was fed back to Jiang Li. The Azure Dragon technique of the great Xia operated on its own. Jiang Li clearly felt that his internal force was increasing rapidly under the blessing of the fate of the country.

In a short period of time.

Jiang Li had already opened the second one.

His cultivation base had increased.

“Jiang Li.”

Feng chenzi looked at Jiang Li and said, “As a human, I can’t just watch the fate of the human dynasty be taken away by the demons and barbarians.”

“But I have conditions.”

“Give me half of the great Qian dynasty’s fortune, and I will help you stop Cang Huang and Shi Qingtian.”

You have to understand the current situation. Your 2 subordinates at the peak of the type 4 realm are already heavily injured, with less than 10% of their strength left. You have nothing to rely on, and I am your last hope.

“I hope you’ll take care of yourself.”

“Heavily injured? You said that my subordinate is seriously injured????.....???.”

hahaha ... Jiang Li laughed loudly and happily. His loud and clear laughter spread across the battlefield.

” jiang li, what are you laughing at? ”

Feng chenzi frowned.

Hmph! huffed huanghun. he must be crazy.

“.....”

Shi Qingtian was silent.

“.....”

king qian had a vague feeling that something was wrong.

Shua! Shua!

The next moment.

His figure flickered.

two figures appeared next to jiang li. it was myl01 and ynjs01. they were both standing next to jiang li unscathed.

Buzzzzzz! Buzzzzzz!

The tenebrum energy bloomed and spread out. The demonic spirit energy surged and shrouded the surroundings. A powerful aura surged and formed an extremely tyrannical aura.

“he ran, they ran”

they’ve recovered! All of their injuries have recovered!

how is this possible?!

He was stunned!

Shocking!

Cang Huang, Shi Qingtian, Feng chenzi, Chi Mei, and man Teng all stared at the sudden appearance of MYL01 and ynjs01.

He was completely dumbfounded.

“Impossible! This is impossible!”

King Qian shrieked. His eyes were about to pop out of their sockets as he let out an angry roar that sounded like he had fallen into deep despair. no! This can't be real! It can't be true!"

"He's already seriously injured! He's clearly already seriously injured!"

"How can he be unscathed? How is this possible?"

"This bi an ..."

Feng chenxi recovered from his shock and looked at MYL01. He examined MYL01 "s entire body and muttered in shock, all the injuries on his body were caused by me. He's clearly on the verge of death, and his chest has been pierced. Even if he has extremely precious healing pills, it doesn't make sense for him to fully recover in such a short time.

"Nothing is impossible,"

Jiang Li's smile disappeared. He glanced at Feng chenxi and the others, then at King Qian, who was in despair, and said slowly, " King Qian, I really have to thank you. Thank you for personally giving me the complete fate of the dynasty and the country.

"Tell me the truth."

I really don't know how to thank you. How about this, I promise to leave your corpse intact. I will also manage your great gan dynasty for you. As for the fate of the dynasty, I will take it all.

"So, you can go in peace."

"jiang li! You run, you run!"

King Qian's body trembled, and his pale face suddenly turned red. His blood was surging, and he was so angry that he could not even speak properly.

“Pfft, pfft, pfft.”

After that.

King Qian spat out a mouthful of blood and fell backward.

His eyes dimmed.

His heart was filled with despair.

king qian didn't expect that jiang li's two subordinates were completely unharmed.  
they had recovered from the serious injuries!

How did he recover?

How could this be?

Every time King Qian thought about how he personally delivered the whole kingdom to Jiang Li, he couldn't help but want to roar, shout, and fight with Jiang Li.

Finally.

King Qian's heart was filled with sorrow.

He had lost!

This time, he had truly lost!

There was no more chance.

Shua! Shua! Shua!

three thousand meches, three hundred and two perfected-stage meches, eight perfected-stage elite meches, and a few stage three walking corpses.

they had left the battlefield and all came to jiang li.

obviously.

The Army of the great gan dynasty had been completely defeated. The remaining soldiers of the great gan dynasty didn't need the help of level three meches.

Wuwuwuwuwu!

Jiang Li used the Azure Dragon technique. The three-clawed Azure Dragon was devouring the three-clawed Golden Dragon. It had grown to two hundred meters long.

The feedback he gave Jiang Li showed signs of breaking through to the mid-stage of level two.

“Feng chenzi, Cang Huang, Shi Qingtian, Chi Mei, man Teng.”

Jiang Li looked at the five figures in the air and read their names one by one. Then he said, ” “I personally led the great Xia Army to conquer the great Qian dynasty.”

therefore, I can tell you that the territory of the great Qian dynasty, the Fortune of the great Qian dynasty, and even a copper coin of the great Qian dynasty, belongs to the great Xia Dynasty and me!

“You guys want to snatch it?”

“then ask the soldiers under me if they agree!”

## Chapter 276 Start

After Jiang Li finished.

the scene became silent.

No matter if it was Cang Huang, Shi Qingtian, or Feng chenzi, none of them had expected that things would turn out like this.

It had already exceeded their expectations.

He had become a little out of control.

“This bi an ...”

Both Chi Mei and man Teng were surprised, but they didn’t say anything.

Of course.

They were not strong enough, so their words did not carry much weight.

now.

The most important thing was ...

Jiang Li’s two subordinates, who were at the perfected stage of level four, recovered from their near-death injuries in the blink of an eye and regained their combat power.

As a result ...

it would be difficult for them to take the fate of the great qian dynasty from jiang li.

Then ...

Unless they could kill Jiang Li or destroy the great Xia Dynasty, they couldn't take away the fate of the great Xia Dynasty.

Of course, there was another way.

That was to make Jiang Li hand over the fate of the country voluntarily.

This was clearly impossible.

“Shi Qingtian, is this what you meant when you said not to be anxious?”

you're right. You don't have to worry now. The fate of the country is in Jiang Li's hands. There's no point in worrying now.

“And Feng chenzi, I'm afraid you've also wasted your efforts.”

He looked towards Feng chenzi in panic.

“The one with the surname Cang, shut up!”

Shi Qingtian glared at Jiang Li and clenched his fists. He stared at Jiang Li and scolded, “it's just a human dynasty that has been established for less than half a month. It's just a ten-meter-long true dragon of National aura.

“his cultivation base is only at the 2nd rank.”

“he also wants to monopolize the fortune of the entire empire.”

“Simply delusional!”

“This Lion King will definitely not agree!”

boom!

as soon as he finished speaking.

” you’re courting death! ” shi qingtian suddenly attacked jiang li. he gathered the power of the totem and the power of the national aura true dragon, forming a huge lion.

It was lifelike.

The energy Lion roared and charged at Jiang Li.

“All meches, stop them at all costs.” He ordered.

Azure Dragon technique. Jiang Li was running the Azure Dragon technique with all his might. He controlled the Azure Dragon to devour the three-clawed Golden Dragon’s Fortune and strengthen himself.

As long as he devoured the three-clawed Golden Dragon, everything would be settled.

“Yes!”

” yes! ” the meches responded in unison.

“Zombie body.”

roar!

ynjs01 let out a furious roar and transformed into a red-eyed zombie. psionic energy gathered and the zombie’s sharp claws tore out, forming a dazzling claw glow.

BOOM!

The sound of an explosion rang out.

although ynjs01 managed to block shi qingtian's attack, it was also engulfed by the explosion's energy and was sent flying. its damage level had reached 10%.

“Die!”

shi qingtian struck again, turning into a mountain-like energy palm print that covered the sky and hit the true dragon above jiang li's head.

shua!

Ynjs01's figure leaped and rushed over. His arms turned into long blades of flesh and blood as he swung them with all his might. The bright psionic blade glow shattered the energy palm print.

BOOM! BOOM!

an intense battle erupted.

Ynjs01 fought with all its might and blocked Shi Qingtian's attacks. It was getting more and more damaged, but Jiang Li would use energy points to restore ynjs01 immediately.

In addition, ynjs01's own recovery speed.

...

Ynjs01 was unscathed.

“Something's wrong.”

Very quickly.

Shi Qingtian noticed something was amiss, "it's too fast. His recovery speed is too fast. He'll recover almost immediately after getting injured.

"What kind of physique is this?"

"Man Teng, come and help."

"I'll give you 10% of the nation's fate after this matter is over," Shi Qingtian turned around and shouted.

"Alright," he said.

Man Teng's eyes brightened, and he immediately nodded.

After that.

Man Teng did not hesitate to make his move. He released the power of his totem, and a huge black snake appeared behind him. It was very lifelike, and its power was extremely strong.

...

"Black snake totem."

Man Teng shouted, "kill!"

BOOM!

Man Teng waved his right hand and the totem power formed a giant black python. It roared and glowed. It was as huge as a mountain and it charged at Jiang Li.

Jiang Li! man Teng attacked Jiang Li.

he knew that although jiang li had many powerful and capable subordinates, he wasn't strong enough. Naturally, he had to pick the soft persimmons to pinch.

BOOM! BOOM! BOOM!

The next moment.

The level-three meches next to Jiang Li started attacking. Laser beams shot out and hit the black serpent.

The rumbling sounds continued.

Finally, it exploded.

Man Teng's attack was blocked.

"Damn it!"

"jiang li? " man teng's face darkened. " there are too many level-three masters around jiang li. "

"Panghuang, you're not going to make a move?"

Shi Qingtian shouted.

"Hmph!"

Cang Huang coldly snorted as his eyes flickered. He was weighing the pros and cons in his heart as he glanced at Feng chenzi from the corner of his eye.

“Feng chenzi, you’re not going to help?”

if we delay any longer, the great gan dynasty’s fate will be devoured by Jiang Li,  
“he said in a panic. by then, we can only kill Jiang Li or destroy the great Xia  
Dynasty to get the fate of the country.

“.....”

Feng chenzi did not reply, nor did he show any expression.

“Damn it!”

Huanghun took a deep breath and felt very upset. Nearly one-third of the three-clawed golden dragons of the great Qian dynasty had been devoured by the three-clawed Green Dragon.

The three-clawed Green Dragon had grown to three hundred meters long.

At this moment.

With the help of the power of the nation’s fortune, Jiang Li opened the third extraordinary Meridian and reached the mid-stage of level two. His cultivation had improved.

“then let’s do it,”

” heavenly hound! ” unwilling to let jiang li take away all the fortune of the dynasty, he couldn’t help but summon a purple heavenly hound with his bloodline power.

It also had a pair of purple wings on its back.

Fifth-rank bloodline!

Purple-winged sky dog!

BOOM!

” lightning claw! ” he attacked in a hurry. purple lightning flashed and condensed into a giant claw of lightning that fell on jiang li.

“Thump!”

MYL01 immediately attacked and blocked the attack.

BOOM! BOOM!

The battle between the two sides was extremely intense.

Cang Huang was extremely strong. With the blessing of the country’s fate, his combat strength was even stronger than King Qian. However, MYL01 did his best to stop him.

“Mei ‘er, quickly! “Now’s the best chance. Hurry up and destroy the Golden Dragon of da Qian. Once the Golden Dragon is gone, the fate of the country will collapse. Then, we’ll have a chance to absorb all the fate of the country. Otherwise, all the fate of the country will be devoured by Jiang Li alone.”

He shouted in panic.

“Alright,” he said.

okay. Chi Mei nodded. She formed a Red Dragon-shaped seal and attacked Jiang Li. She was so fast that she was like a red light.

“let this poor daoist do it,”

BOOM!

Feng chenzi streaked across the sky. As his horsetail whisk descended, it shattered the Red Dragon-shaped seal. The powerful force even sent Chi Mei flying.

“Pfft!”

Because Chi Mei couldn’t Dodge in time, he suffered the remaining power of this move. Blood flowed from the corner of his mouth and he was slightly injured.

“You’re so silly!”

Chi Mei raised his head, his expression warm and angry.

“feng chenzi, you dare to attack mei ‘er?”

He shouted in panic.

BOOM!

He didn’t even think about it.

die! he raised his hand and attacked Feng chenzi. Feng chenzi’s Jade seal blocked his attack and he quickly approached Jiang Li.

“Attack!”

The hundred perfected-stage level-three liquid metal meches and the thousand level-three liquid metal meches liquefied and merged together like mercury.

“BOOM!”

Immediately after.

An incomparably huge Silver Hammer that was as large as a mountain range appeared. It smashed towards Feng chenzi with a huge sound.

“Thunder technique!”

Feng chenzi shouted as he formed a hand seal. His true Qi condensed and turned into runes. The runes gathered and turned into a talisman that attracted the lightning-type heaven and earth ling qi.

“Thunderous hammer!”

Finally.

Kachaa! Kachaa!

The talisman turned into a huge hammer of lightning. It struck forward and collided with the huge Silver Hammer.

“Thump!”

an earth-shaking explosion sounded.

Kachaa! Kachaa!

lightning flashed.

Cracks appeared on the huge Silver Hammer, and they spread to the rest of his body. Finally, it shattered into pieces of silver iron, and then quickly liquefied, turning back into liquid metal soldiers.

At the same time.

The thunderous hammer had also exploded.

“Fusion?”

Feng chenzi looked at the liquid metal mech in disbelief. He could not understand what was going on. The body had liquefied and then fused together, making it undying?

Jiang Li, you really have all kinds of tricks.

feng chenzi took in a deep breath, his heart filled with curiosity,”however, no matter how fancy the techniques and abilities are, they are all useless in front of absolute power.”

“I’ll be taking the rest of the nation’s fate.”

“I’ve already done my part by letting you take half of it!” Feng chenzi shouted.

“The Imperial Jade seal.”

Feng chenzi waved his right hand,”go!”

shua!

The Imperial Jade seal flew in the air and quickly flew towards the three-clawed Golden Dragon that was almost half-devoured by Jiang Li.

Obviously.

Feng chenzi was not the “King of Wei,” so he naturally could not control the fate of the nation. However, the “Imperial Jade seal” could swallow and store the fate of the nation. Feng chenzi wanted to use the “Imperial Jade seal” to swallow the remaining fate of the nation and bring it back to the King of Wei.

kill!!!

BOOM! BOOM! BOOM!

Immediately after.

There were 100 peak-stage exoskeleton armor meches, 1000 peak-stage exoskeleton armor meches, and even laser weapon meches. They were all peak-stage elite troops.

All of them attacked, wanting to knock down the Imperial Jade seal.

“Lightning domain!”

BOOM!

Feng chenzi howled as his strength at the peak of the Tier 4 realm exploded out. His hair and beard fluttered in the wind, and his aura was like that of a Thunder God as countless bolts of lightning appeared.

“Heaven and earth net!”

Kachaa! Kachaa!

The next moment.

A vast amount of true Qi gushed out and turned into a huge lightning area. It formed an inescapable net and covered Jiang Li’s level-three meches.

They were all blocked.

Furthermore ...

the lightning bolts hit the level three meches and caused them great losses. the damage was increasing.

Jiang Li had to use energy points to quickly recover the meches.

“Daoist priest Feng chenzi.”

Jiang Li looked up and said, ” I just said that I want the fate of the dynasty and everything of the great Qian dynasty. No one can stop me. No one can take anything from me. I said that.

Shua!

As soon as he finished speaking.

jiang li activated the ‘normal dominator armor suit’. purple flames gushed out of the soles of his feet and he flew up into the air.

Chapter 277 Settled

Very quickly!

Jiang Li was very fast!

It should be said.

The speed of the ‘normal ruler’s armor’ was extremely fast.

shua!

When Jiang Li left, the Xia Azure Dragon and the DA Qian Golden Dragon also followed him.

BOOM!

After that.

Feng chenzi's "Imperial Jade seal" missed its target and was unable to devour the great Golden Dragon.

Jiang Li dodged it.

"You!"

Feng chenzi was stunned,"Jiang Li, you're only at rank two. How can you fly?"  
could it be because of the battle armor you're wearing?"

"Mechanical armor?"

"Something's wrong!"

Feng chenzi shook his head,"although your mechanical skills aren't weak, if you want to control a Stage 3 mechanical armor, you'll need to have a cultivation of the same level."

"....."

Chi Mei was also stunned.

One had to know.

when chi mei first came, he mocked jiang li for wearing a black turtle shell, but he didn't expect the 'black turtle shell' to be a great treasure.

jiang li was only at level two, but he could fly so fast.

zzzj01, charge one million energy points, overload mode.

jiang li said.

“Yes, chief sovereign.”

Zzzj01’s voice sounded in Jiang Li’s ears.

” access unlocked. charging one million energy points. charging successful.  
overload mode activated. ”

“Whoosh!!!”

the crystal-like electronic eyes of the ‘normal ruler’s armor’ lit up with a bright light, and purple electric energy circuits appeared all over its body.

In an instant.

It spread all over his body.

There was an extremely powerful energy fluctuation spreading.

‘Overload mode activated. Consumes 10000 energy points per second. Damage level increased by 1%. Damage level can be recovered by consuming energy points. However, overload mode will automatically shut down after recovery. Cooldown time: 100?99.....’

“Roar!”

above jiang li’s head.

” roar! ” the azure dragon roared. under the influence and enhancement of the ‘ordinary dominator armor,’ jiang li’s azure dragon technique was running faster.

Hence.

the speed at which the azure dragon of the great xia devoured the golden dragon of the great gan had also increased.

“Bastard!”

Feng chenzi’s face was filled with anger, ” Prince Wei’s order is for me to take back half of the great Qian dynasty’s fate. Jiang Li, you’re not letting me go back to report!

BOOM! BOOM! BOOM!

In the surroundings.

Ynjs01 stopped Shi Qingtian, MYL01 stopped canghuang, red eyebrows and man Teng helped from the side, and the level three meches kept an eye on them.

Obviously.

In such a situation.

The situation was at a stalemate.

Shua!

On the other side of the battlefield.

Wang Shangqing and Gongsun Zhi were severely injured, but they didn’t die. They quietly came to Qian linlong’s side and helped him up from the ground.

After that.

He took out a healing pill and let Qian linlong take it.

“Whoosh!!!”

Qian Linglong circulated the Qian dragon art.

Your Majesty, let's find a chance to leave while panhuang and the others are distracted by Jiang Li.

Gongsun Zhi's clothes were tattered, and he was covered in blood. Your Majesty, Jiang Li's soldiers aren't 'human' at all. Their bodies turned into light spots and disappeared after they died.

...

there's no fear of death in his eyes.

“That's right.”

Wang Shangqing nodded, his eyes filled with fear. Your Majesty, after we cut off the soldiers' arms, there were electric sparks at the broken parts. They are made of steel.

this means that Jiang Li's soldiers are all 'puppets'.

I also know a little about the 'puppet technique'. In the martial immortal court of the human race, the status of puppet masters is extremely high because they can form an Army by themselves.

“his soul is strong, and he can control the puppet with his 'soul thread'.”

“No need to say anymore.”

Qian Linglong opened his eyes and said, “I know more about puppetry than you do, and I know the status of puppeteers better than you do.”

“Your Majesty, let’s hurry and leave.”

gongsun zhi said.

“.....”

...

wang shangqing looked at the qian linlong.

“Leave?”

Qian Linglong shook his head. we can’t leave.

Ta ta ta da

In the surroundings.

The sound of concentrated footsteps and the roar of the Tank Engine.

There were at least 100000 meches that came from all directions and surrounded Qian linlong, Gongsun Zhi, and Wang Shangqing.

On the battlefield.

the 100,000 imperial guards and one million elites of the great qian dynasty were all annihilated. the soldiers of the various commandery princes either surrendered or were killed.

The three commanders received Jiang Li’s order. As long as the soldiers of great Qian were willing to surrender, they would be spared.

so,

The Commandery princes of the great Qian dynasty surrendered without any hesitation.

Hence.

The defeat of da Qian's Army was even faster.

"How did this happen?"

Gongsun Zhi looked over and saw a large number of soldiers from the county city kneeling on the ground, as well as the county Kings who were holding their heads in their hands.

Gongsun Zhi's eyes were filled with despair.

"we're finished!"

Wang Shangqing collapsed to the ground.

"The winner is king and the loser is vilified."

Qian Linglong said slowly.

Shua!

at this moment.

Feng chenzi attacked Jiang Li at full speed. Jiang Li's level three meches immediately rushed over and even blocked the attack with their bodies.

"Get lost!"

BOOM!

Feng chenzi waved his horsetail whisk and sent the level 3 meches flying.

At the same time.

feng chenzi used some kind of martial art and moved even faster. he dodged the rank three meches and chased after jiang li.

“Whoosh!!!”

Jiang Li’s ‘normal ruler’s armor’ was running at full speed, but Feng chenzi still caught up with him.

No matter how much it was overexerted, it was only at the third rank after all.

“Lightning attracting technique!”

Feng chenzi’s attack landed. The rune created a bolt of lightning that struck towards Jiang Li.

Shua!

Jiang Li dodged quickly and dodged it.

Kachaa! Crack! Crack!

The next moment.

Feng chenzi formed a series of hand seals as lightning and thunder continuously shot out from his palm, one after another.

“Energy cannon!”

Wuwuwuwuwu!

Under normal circumstances, the charging limit of the ‘ordinary Dominator armor’ was ‘10000 energy points’. However, under the state of ‘overload’, the limit became ‘100000 energy points’.

Hence.

charge! Jiang Li charged one hundred thousand energy points.

purple energy. Jiang Li raised his hands and purple energy gathered in his palms like two small purple Suns. The energy was surging.

“Fire!”

BOOM! BOOM!

The purple energy Cannonball was fired, colliding with the bolts of lightning. Explosions rang out continuously, and flowers of lightning exploded in the air.

It was extremely dazzling.

boom!

In the end.

The energy Cannonball ran out of energy and the lightning was blocked, but Jiang Li’s shot increased the damage of the ‘normal Dominator armor by 10%.

“!!!”

Feng chenzi's pupils contracted as he was extremely shocked,"you're only at the 2nd rank, but you're able to block my attack with this treasure armor."

"This Jiang Li!"

Cang Huang was also shocked, "to think that he has such unbelievable skills and abilities. No wonder he could rise up in such a short time.

Jiang Li is too much of a threat.

Shi Qingtian said in a deep voice.

"....."

Chi Mei's eyes showed fear.

"This bi an ..."

Man Teng looked around and found that the result of the battle had been revealed. Great Qian's Army had surrendered. Although Jiang Li's Army had lost a lot, there were still hundreds of thousands left.

If these hundreds of thousands of soldiers were to surround and attack, they would be killed.

The matter was even more troublesome.

"The situation isn't looking good."

Man Teng looked at the DA Qian Golden Dragon again. One-third of it was left and it was going to be devoured by Jiang Li's Azure Dragon.

In other words ...

Man Teng basically couldn't get any benefits.

“Or else I'd still run away.”

Man Teng thought to himself.

BOOM!

Feng chenzi was really angry. He attacked Jiang Li with the Imperial Jade seal. The Imperial Jade seal turned into a huge mountain and smashed towards Jiang Li.

Shua! “Whoosh!”

At this moment.

Jiang Li's level-three meches all arrived. They attacked the Jade seal with all their might like moths to a flame. Laser shock waves and light beams hit the Jade seal, but it didn't move.

Immediately after.

They directly used their bodies to resist.

One by one, they were sent flying.

Even ...

Some of the level three exoskeleton armor meches were destroyed.

BOOM! boom! BOOM!

the perfected stage three elite troops attacked with all their might. psionic sword rays, psionic spear rays, and psionic hammer shadows all smashed down, but they all exploded when they collided with the dynasty jade seal.

however, it consumed the power of the imperial jade seal.

Finally.

The liquid metal meches all gathered together. The liquid metal condensed into a thick silver wall in front of Jiang Li.

“Thump!”

The Jade seal hit the Silver City wall, making a deafening sound. The Silver City wall caved in at a speed visible to the naked eye.

“Roar!”

A Dragon’s Roar came from the Jade seal.

Kachaa! Kachaa!

Cracks quickly spread across the entire Silver City wall.

It couldn’t be blocked!

The Silver City wall made of more than 1000 liquid metal meches couldn’t withstand the Imperial Jade seal’s impact and kept cracking.

boom! boom! BOOM!

at this moment.

Jiang Li's hundreds of thousands of mechs arrived.

After that.

There were countless cannonballs, cannonballs, anti-aircraft cannonballs, tank cannonballs, bazooka cannonballs, and a sky full of bullets.

It covered the entire sky.

It was filled with the pungent smell of gunpowder.

All of them exploded on the Imperial Jade seal, causing flames to soar into the sky. Countless cannonballs exploded, and the flames formed by the explosions blocked the entire Imperial Jade seal.

It was hard to describe such a scene.

Bang!

The Silver City wall formed by the liquid metal mechs exploded and turned into pieces. Some of the pieces turned into light spots and dissipated, while some turned back into liquid metal mechs.

Obviously.

the dynasty imperial jade seal's attack had destroyed a large number of level three liquid metal soldiers.

“energy cannon!”

Finally.

Jiang Li fired another energy bomb that was charged with 100000 energy points and blew away the exhausted Imperial Jade seal.

“You!”

Feng chenzi’s face was filled with shock.

“Roar!”

At the same time.

The Xia Azure Dragon had successfully devoured the DA Qian Golden Dragon. It had grown to a thousand meters long and was hovering above Jiang Li’s head. It looked very lifelike and powerful.

The power of the nation’s fate was added to Jiang Li.

Buzzzzzz! Buzzzzzz! Buzzzzzz!

Jiang Li’s cultivation continued to improve and he reached the peak of stage two. He was one step away from stage three, opening the heaven and earth bridge and gathering innate true Qi.

Chapter 278 Transformation

“Turn off ‘overload mode’.”

Jiang Li said.

“Yes.”

zzzj01 replied.

‘Overload mode successfully deactivated. Duration: 60 seconds. Consumed 600000 energy points. Damage level: 80%.’

Jiang Li used the normal energy cannon in overload mode and fired two shots.

It consumed 200000 energy points, which increased the damage of the ordinary Dominator armored soldiers by 20%.

“Whoosh!!!”

The purple energy light circuits on the ‘normal Dominator armor’ on Jiang Li’s body quickly dimmed and disappeared.

Everything returned to normal.

Immediately after.

Kachaa! Kachaa!

Cracks began to appear on the battle suit, and then spread like a spider web across the entire battle suit. It was obvious that the battle suit had been damaged too much, which caused the battle suit to crack.

It was a full 80% damage.

If this continued for another ten seconds ...

If the damage level reached 90%.

The ‘ordinary ruler-level armored soldiers’ would be completely useless.

There was no way to repair it.

“Repair zzzj01.”

Jiang Li immediately used some energy points.

Buzzzzzz!

very quickly.

The cracks on the armor were healing at a speed visible to the naked eye. They were all healed, and the damage was reduced to zero in a short time.

Shua!

Azure Dragon. Jiang Li jumped into the air with purple flames under his feet. He flew to the sky above the Azure Dragon and stood on its head.

“Whoosh!!!”

Immediately after.

Azure Dragon technique. Jiang Li activated the Azure Dragon technique and controlled the fate of the Azure Dragon Kingdom. A strong Azure light emerged from the Azure Dragon and covered Jiang Li.

With the support of the power of the nation’s fate.

Jiang Li clearly felt that his strength had increased and the spiritual energy around him had increased from the perfected stage of level two to the early stage of level three.

Of course.

it was because of the power of the nation's fate that Jiang Li could temporarily reach the early stage of level three. His real cultivation was only at the perfected stage of level two.

Roar!

The Azure Dragon of the Xia Dynasty let out a roar that shook the heavens and earth. Its thousand-meter-long body was like an Azure Mountain range, and it was majestic.

"Everyone, do you want to continue?"

Jiang Li looked at Feng Chenzi and Shi Qingtian.

"....."

Feng Chenzi stood in the air and looked at Jiang Li who was standing on the Azure dragon's head. He took a deep breath and the Imperial Jade seal floated in his right palm.

Jiang Li, I'll report everything to His Majesty. I hope you'll take care.

Shua!

After saying this, Feng Chenzi kept the Imperial Jade seal in his hand before turning around and leaving. His figure was like a ray of light as he disappeared into the horizon.

Obviously.

The fate of the great Qian dynasty had already been devoured by the Azure Dragon of great Xia, strengthening the fate of the great Xia Dynasty. The matter had already been settled, and there was no point for Feng Chenzi to stay any longer.

"Truly hateful!"

Shi Qingtian's face was gloomy. He stared at Jiang Li and pushed ynjs01 back with one palm. Then, he quickly retreated and stood on the head of the National fate true dragon again.

“jiang li.”

“This matter isn't over yet. Don't think that you can rest easy after devouring the Golden Dragon of da Qian and strengthening the fate of the nation,” Shi Qingtian said in a deep voice.

“i believe we will meet again soon.”

Roar!

The true dragon of National aura roared.

Shua!

He flew away like a ray of light and disappeared from Jiang Li's sight in the blink of an eye. Shi Qingtian also left.

“Hu ~~ Hu ~ Hu ~”

...

cang huang took a deep breath and didn't say anything. he just glanced at jiang li and then at jiang li's army. a cold smile appeared on his face.

Shua!

The country's fate true dragon took to the sky and left in a hurry.

“Let's go!”

Shua!

Man Teng immediately left.

“.....”

Jiang Li. Chi Mei glanced at Jiang Li and left without saying anything.

In the blink of an eye.

The four kings left.

Shua! Shua!

...

Ynjs01 and MYL01 also returned to Jiang Li's side.

“.....”

jiang li kept silent. he looked at the direction where the four kings left. he didn't plan to stop them. with his current strength, he couldn't stop them.

King Qian. Jiang Li looked away and fixed his eyes on King Qian, who was surrounded by the meches.

“Let's go.”

” king qian! ” jiang li came on the dragon and looked down at king qian.

“Jiang Li.”

Azure Dragon. Qian linlong sensed Jiang Li's aura and immediately looked up. He saw Azure Dragon, who had grown from ten meters to a thousand meters long. you're the final winner. Cang Huang, Shi Qingtian, Feng chenzi, Chi Mei, man Teng, they all lost to you. All the fate of the country fell into your hands.

hehe, of course. I have to thank King Qian for personally giving the DA Qian Golden Dragon to me. Otherwise, I wouldn't have been able to do it so smoothly.

Jiang Li looked at Qian linlong and said slowly.

"You!"

Qian linlong spat out a mouthful of blood. Jiang Li, did you come here to mock and show off? Are you trying to mock me as the victor?"

"So what if I am? So what if I'm not?"

okay. Jiang Li smiled.

"Jiang Li!"

"you've won this war, " qian linlong shouted. " but take a good look at your army. how many soldiers do you have left? " we've already lost more than half of them."

with your current military strength, if the black snake barbarian kingdom, the red eyebrows Yao Kingdom, the panic Yao dynasty, and the lion barbarian kingdom attack the great Xia Dynasty at the same time ...

"what are you going to use to block it?"

"you've already fallen into a dead end. after winning the great qian dynasty, you're not far from the destruction of your country. "

"There's no need for King Qian to worry about this."

don't worry. Jiang Li waved his hand. King Qian, rest in peace.

ynjs01, do it.

“Yes!”

shua!

Ynjs01 nodded. With a leap, he appeared beside Qian linlong.

“zombie poison!”

“Whoosh!!!”

ynjs01 unleashed his skill, and waves of pitch-black poisonous mist gushed out from his palm and enveloped the qian linlong.

In the blink of an eye.

The black poisonous mist enveloped Qian linlong's entire body.

Jiang Li, what are you doing? ”

the qian linlong roared.

“Recycling.”

I'm back, ” Jiang Li replied.

“Ah!”

In the black poisonous mist.

The Qilin Dragon let out an extremely shrill cry. The zombie poison kept invading and infecting the Qilin Dragon's body, eroding its vitality.

This pain was like death by a thousand cuts.

“your majesty!”

Wang Shangqing and Gongsun Zhi were trembling.

Jiang Li!!!

The Qian linlong was roaring, but it was only its last cry.

BOOM! BOOM!

True energy oscillation.

Finally.

It gradually calmed down.

qian linlong's injuries were too severe. even after taking healing pills, he couldn't recover much. under the constant corrosion of the zombie poison, he slowly lost his resistance.

The longer he endured, the more pain he suffered.

“Whoosh!!!”

When King Qian's agonizing cries and furious roars stopped, the zombie poison mist gradually retracted and quickly returned to yns01's body.

king qian fell to the ground.

There was no sign of life.

he was already dead.

Kachaa! kachaa!

Suddenly.

The sound of bones criss-crossing was heard. King Qian's 'corpse' opened his eyes, but they had turned pure black like black gems.

King Qian stood up unsteadily from the ground.

Buzzzzzz!

A dense black mist began to spread out from King Qian's body.

“Roar!”

the next moment.

Hmph! King Qian roared like a ferocious beast. His black true energy soared into the sky and gathered the spirit energy in the surroundings to form a three-clawed Black Dragon behind him.

It was lifelike.

BOOM! BOOM!

The aura of a perfected Tier 4 martial artist erupted.

it suppressed the surroundings.

It was the perfected stage four zombie puppet-King Qian!

the transformation was a success!

“Ruler, I’ve successfully transformed into a peak stage rank four zombie puppet.”

Ynjs01 said to Jiang Li.

“alright,” he said.

Jiang Li felt the powerful aura from King Qian’s walking corpse and was very satisfied.

Although he was slightly weaker than King Qian when he was at his peak, it was already quite good.

After all, he was at the perfected stage of Tier 4.

The most important thing was ...

‘King Qian’s walking corpse’ also mastered the cultivation methods and martial arts techniques from when it was alive. In other words, Jiang Li could add the power of the Azure Dragon’s National fate to the king Qian’s walking corpse and increase its combat power.

“Wuwuwu, His Majesty, he Wuwu”

Wang Shangqing and Gongsun Zhi’s eyes widened in horror. The Emperor was clearly dead, but his corpse was being manipulated and controlled, and he could still use the power he had before he was born.

Such means and ability.

It was truly too terrifying.

“My Lord, how should we deal with these two?”

MYL01 pointed at Wang Shangqing and Gongsun Zhi and asked.

“Kill him.”

Jiang Li glanced at them.

“Yes.”

MYL01 nodded.

“rao qianqian.”

pfft! Pfft!

Before Wang Shangqing and Gongsun Zhi could beg for mercy, their heads were taken off by MYL01, and their headless bodies fell to the ground.

buzzzzzz! Buzzzzzz!

Immediately after.

Two white light spots flew out of their bodies and flew into Jiang Li's body like fireflies.

Shua!

[ acquired two tier 3 soul Tinders! ]

A notification appeared.

two level-three soul Tinders have dropped.

Jiang Li was overjoyed.

it was apparent that wang shangqing and gongsun zhi were extremely loyal to king qian. even at the last moment, they did not forget to bring king qian along to escape.

so,

Jiang Li killed them.

It was an unexpected gain to have two level-three soul Tinders.

“.....”

Jiang Li was standing on the Azure dragon's head, looking down at the battlefield and the half-collapsed walls of the capital.

Smoke filled the air, and the smell of blood in the air was getting more and more pungent.

He looked around.

the capital was on fire, and buildings had collapsed. the battlefield was filled with corpses, which piled up into mountains. blood had gathered, forming a blood lake.

Too many people had died.

although we won this battle, we lost half of our meches, especially the meches from the mech factory.

Jiang Li looked at the remaining meches and said to himself.

“Clean up the battlefield.”

go! Jiang Li ordered.

“Yes.”

The meches responded.

The war was over.

” jiang li won. he defeated the qian dynasty, killed king qian, and turned king qian into a perfected-stage level-four walking corpse puppet. he gained another level-four combat power.

Next.

” let’s go. ” jiang li gave the order and asked the three commanders to clean up the battlefield and collect the loot.

For example.

The broken armors and broken weapons.

These were all steel materials that could be transported back to the ‘army base’ and used as the ‘steel materials’ needed to make meches.

The corpses on the battlefield also needed to be cleaned up and burned.

otherwise ...

If the body was left there for a long time, it would rot. Not only would it stink, but it would also easily breed bacteria, causing diseases, infections, and other problems.

It had to be dealt with.

## Chapter 279 Instructions

Jiang Li used to burn these bodies, but after knowing that there were array Masters, these bodies were also a kind of resource.

Hence.

” let’s go! ” jiang li ordered. he found a few array masters from the captives and set up a blood refining array to refine the bodies into ‘blood refining pills’.

“Whoosh!!!”

Array Masters were scattered around the battlefield, setting up blood-refining arrays. Blood-red light fell and shrouded the battlefield.

The essence of the corpse was absorbed by the formation and refined into blood refinement pills. When a breeze blew, the corpse turned into dust and disappeared.

Using the ‘blood refining array’ to clean up was not only faster than burning, but it was also cleaner than burning, and he could also obtain resources like the ‘blood refining pill’.

As for whether there would be any barriers in his heart if he used the ‘human corpses’ to concoct pills ...

jiang li scoffed.

One had to know.

In order to make the thousand spirit Pearl, King Qian had allowed wuzu sub-League of the half-monster Alliance to plant spies in da Qian and let them rise up step by step.

The rebel army rose up everywhere, and countless people died.

Finally.

The ten thousand spirit array had been activated, and countless humans had been refined.

Compared to King Qian's various actions ...

Jiang Li could be considered a kind person if he used the blood refining formation to deal with the bodies.

After that.

Jiang Li controlled the Azure Dragon to the wall of the capital of da Qian. He looked down and saw soldiers squatting on the ground with their hands on their heads.

And the various county Kings.

The number of soldiers was close to a million.

In other words ...

In this battle, including the two million new recruits, nearly four million people had died. One could imagine what it would be like if four million bodies were piled together.

Those who were timid would probably be scared out of their wits.

when the soldiers heard the commotion, they carefully raised their heads and saw the huge azure dragon head in the sky. fear appeared on their faces and they immediately lowered their heads, not daring to look at it anymore.

welcome, Your Majesty Emperor Xia!!

welcome, Your Majesty Emperor Xia!!!

“.....”

As soon as Jiang Li arrived, the surviving County Kings immediately kowtowed to him and shouted in a respectful and humble tone.

“Oh.”

jiang li glanced at them.

“Your Majesty Emperor Xia, my name is Bai yingwang, I am the king of the Eagle guard County.”

Bai yingwang said with a flattering smile, ” you are wise, mighty, and have unparalleled cultivation. You defeated the tyrannical King Qian, Qian linlong, and saved the people of the great Qian dynasty from the fire and water.

we are so grateful that we are willing to surrender to Your Majesty. We are willing to contribute to the construction of the great Xia Dynasty.

“yup! That’s right!”

“The Commandery Prince White Eagle Wang has spoken our minds!”

Your Majesty Emperor Xia, you don’t know how cruel and ruthless Qian linlong is. He is tyrannical and tyrannical. For the sake of his plan, he didn’t even hesitate to plunge the entire great Qian dynasty into chaos. This led to rebellions everywhere, bandits everywhere, and the people living in poverty. Countless people died in the last rebellion.

we’ve wanted to rebel against King Qian for a long time, but he’s too powerful. He also has the king of the Council as his right hand, 100000 taboo soldiers, and a million elite soldiers. We know we can’t resist him, so we can only accept our fate.

but today, Emperor Xia, you came. You appeared. You are like a Savior who descended from the sky, the embodiment of hope, the symbol of invincibility. You led the brave and fearless great Xia Army, leading the top experts with unparalleled strength to turn the tide. You were invincible. First, you killed the king of the Council, then you broke the formation, retreated the four kings, devoured the fate of da Qian, and finally killed King Qian.

“Your Majesty Emperor Xia, you are the Savior of the people of the great Qian dynasty!”

“We are willing to surrender and regard you as Your Majesty!”

Hence.

Jiang Li! Bai yingwang, Wei Yong, He Ping, yang peili, and the other County Kings all knelt down and kowtowed to Jiang Li.

Their tone was so sincere that Jiang Li almost believed their nonsense.

“What are you all doing? hurry up and pay your respects to his majesty, emperor xia!”

from today on, His Majesty Emperor Xia is our Majesty.

“Did you all hear that?”

Immediately.

The regional Kings turned around and shouted at the soldiers and generals behind them.

“Yes, yes, yes!”

“Greetings, Your Majesty Emperor Xia!”

“Greetings, Your Majesty Emperor Xia!”

“.....”

Jiang Li! a million human soldiers knelt on the ground and kowtowed to Jiang Li.

...

“Hehe.”

Jiang Li just smiled.

“Alright,” he said.

Jiang Li thought for a moment, then nodded. He looked at Bai yingwang and the others and said, ” “Since you’re willing to surrender, I’ll give you a chance to atone for your crimes.”

“Your Majesty, please give your orders!”

“Even if we have to climb a mountain of daggers or plunge into a sea of fire, even if we have to risk our lives, we will complete your Majesty’s orders!”

“please speak, your majesty!”

All the regional Kings agreed.

“I don’t need you to risk your lives.”

I don’t think so. Jiang Li waved his hand and said, ” you can go back with your troops now. In three days, I want you to send all the herbs, spirit herbs, and spirit crystals to the capital of the Xia Dynasty.

as long as you can do it, you can continue to be the county Kings. Your positions will not change, and you can still manage the counties for me.

...

“There’s such a good thing?”

“This bi an ...”

” i thought it would be something difficult. it turns out that it’s just to collect medicinal herbs and spiritual herbs from various counties. the only difficult thing is the spiritual crystals. ”

“.....”

The various county Kings looked at each other in disbelief.

To tell the truth.

Bai yingwang and the others thought that even if they could keep their lives, they wouldn’t be able to become the king. They didn’t expect Jiang Li to give such an order.

“Do you have any questions?”

what? ” Jiang Li asked in a deep voice.

“No, no problem, Yingluo!”

“Your Majesty, please rest assured. In three days, we will deliver all the medicinal herbs, spiritual herbs, and spiritual crystals to the imperial capital of the great Xia.”

“we accept your orders!”

All the regional Kings responded one after another.

“Your Majesty.”

Bai yingwang said carefully, ” “This time, we have a total of twenty-five Commandery Kings. Eight of them have died. What should we do with the territories of the eight Commandery Kings? Who is going to collect the spirit herbs, medicinal herbs, and spirit crystals in their territory?”

Jiang Li smiled and said, ” we don’t have to worry about the territories of the eight kings. Three days later, I’ll rank you based on the amount of resources you’ve sent to the imperial capital. The top eight will get the territories of the eight kings. The higher your ranking is, the higher your priority will be.

“Si si si ...”

“your majesty, are you serious?”

“This bi an ...”

Bai yingwang and the others suddenly looked up at Jiang Li with passion in their eyes. Then they looked at the other County Kings, who were already their competitors.

One had to know.

that was the territory of an entire county.

If they could obtain another Prefecture, not only would White Eagle Wang's power increase, but he would also gain more benefits.

This was a long-term harvest.

"A gentleman does not joke."

Jiang Li said.

"Alright, all of you can leave now. Three days later, I will be waiting for your arrival in the imperial capital of the Grand Xia."

"let them go." jiang li waved his hand. "let them go."

"Yes!"

Immediately.

the surrounding meches scattered.

"....."

Bai yingwang and the others looked at the meches around them. They were still afraid and didn't dare to move.

"Why are you still standing there?"

stop! Jiang Li shouted.

“Yes, yes, yes,”

“we will take our leave.”

“Go, go, go.”

“I can really walk.”

“Hurry up and leave this place.”

Very quickly.

Bai yingwang, Wei Yong, yang peili, and the others led their respective County's armies and left quickly, gradually disappearing into the night.

“Chief sovereign, are we just going to let them leave?”

myl01 said.

“Yes,”

yes. Jiang Li nodded. we've lost more than half of our meches. We need energy points to replenish our forces. Bai yingwang and the others have been Kings for many years. They know the situation better than us.

it's naturally much faster for them to gather resources than for us.

There was actually another reason.

Jiang Li didn't have many talents under him. If he killed Bai yingwang and the others, no one would be able to help him manage the counties.

Then the counties would fall into chaos.

At that time.

all sorts of bandits, plundering, burning, killing, and plundering would cause the people to live in misery. if the entire country fell into chaos, it would weaken the country's fate.

jiang li didn't get any benefits either.

there wasn't much benefit in killing them. at most, they would drop some soul tinders, but keeping them alive would bring jiang li a lot of benefits.

Of course.

As for whether they would betray him.

Jiang Li didn't care at all.

There were less than a million soldiers in total, and they were all scared out of their wits. How could they dare to rebel? even if they did, they could easily suppress them.

furthermore ...

Jiang Li never believed in Bai yingwang's loyalty.

Jiang Li's only worry was that Bai yingwang and the others would run away with the resources, so he used the territories of the eight counties as bait.

After the county Kings and soldiers of the various counties had left.

The remaining prisoners were the original civil and military officials of the great Qian dynasty, as well as eunuchs and maids.

As for the 100000 taboo and one million elites of the great gan Lord dynasty ...

they were all killed.

No one was spared.

There were not many of these officials, generals, eunuchs, and Palace maids, only about three thousand of them.

They were all squatting together.

“Yes.”

jiang li looked at them and said, ” Xu Ya will deal with these civil and military officials. Those who are useful will stay and continue to serve the Imperial court of great Xia.

“As for those who are useless or have malicious intentions, just kill them.”

“Your Majesty.”

At this moment.

zh01 walked over with a few meches beside him. the meches were holding an old eunuch in a red robe. ” he is the head of the imperial household of the great gan dynasty. ”

“I, Liang qiquan, kneel before your Majesty Emperor Xia!”

Plop!

the old eunuch kneeled on the ground and kowtowed to jiang li. his tone was sharp like a typical eunuch.

“Liang Qi Quan,”

Jiang Li looked at the old eunuch in red. since you’re the chief of the Imperial Palace, you must be familiar with the palace and King Qian. Do you know where the Treasury of the Qian dynasty and King Qian’s private Treasury are? ”

Chapter 280 The treasure vault

“I know, I know,”

Liang qiquan nodded his head quickly, his face full of flattery. Your Majesty Emperor Xia, I know these things very well. Other than the king of the Council, I’m probably the only one who knows about Qian linlong’s private treasure vault.

“although the treasury of the wei dynasty is managed by the minister of finance, lin qiqiu, as the minister of internal affairs, i know where the treasury is.”

“Yes.”

” okay. ” jiang li nodded.

“Shut up!”

at this moment.

Among the captives not far away.

A white-haired, wealthy-looking old man stood up. His expression was one of extreme anger, and his face was completely red. His finger trembled as he pointed at Liang Qi Quan.

“Liang qiquan, you eunuch thief.”

The wealthy-looking old man berated angrily, ” “Quickly shut up! It’s fine if you bow and scrape before the leader of the rebels, but you actually dared to reveal the secrets of the National Treasury! You deserve to die ten thousand times!”

“Lin qiqiu.”

Liang qiquan sneered in disdain. King Qian is already dead, and you’re still spouting nonsense here. You even dare to call His Majesty King Xia the ‘leader of the rebels’? I think you’re tired of living.

“What’s wrong? Do you still think you are the Minister of Finance?”

“Is there something wrong with your brain?”

“You, you, you, you, you, you, you ...”

what a traitor! Lin qiqiu trembled in anger and looked at Jiang Li. you’re a traitor!

“Kill him.”

Jiang Li waved his hand impatiently.

“Yes.”

Pfft!

MYL01’s figure flickered, and before anyone could see what happened, Lin qiqiu’s head was removed from his neck.

His head rolled to the ground.

Blood also flew high into the air.

“.....”

the civil and military officials looked at lin qiqiu’s corpse, and the fear in their eyes intensified. they lowered their heads, not daring to look at him for too long. they were worried about their own future.

Your Majesty Emperor Xia, Lin qiqiu was promoted by King Qian. He is extremely loyal to King Qian. You can say that he is a foolishly loyal and stubborn old man.

“that’s why king qian gave him the position of finance minister,” liang qiquan said.

“The key to the National Treasury is with this Lin qiqiu.”

“go and get it.”

Jiang Li said.

“yes.”

liang qi quan nodded respectfully, then stood up from the ground and walked to lin qi qiu’s corpse. he took out a golden dragon key from lin qi qiu’s body.

“Old thing, it’s good that you’re dead.”

pfft! Liang qiquan spat and ran to Jiang Li. He presented the key to him with both hands. Your Majesty, the key is here.

“yes.”

Jiang Li didn’t take it. Instead, he said, ” “take it. you will be the one to open da qian’s treasury.”

“Yes, yes,”

Liang Qi Quan nodded repeatedly.

“lead the way,”

Jiang Li jumped off the Azure dragon’s head.

Buzzzzzz!

The great Xia Azure Dragon technique was activated.

“Roar!”

roar! the thousand-meter-long Azure Dragon roared and turned into a ray of Azure light, flying into Jiang Li’s body and disappearing.

He felt it carefully.

The Azure Dragon of the Xia Dynasty hovered in Jiang Li’s dantian.

“whoosh!!!”

The power of the nation’s fate spread out and refined Jiang Li’s internal force, making it more condensed and stronger.

send some soldiers to guard these captives. Then, send a few more teams of soldiers to capture a few captives who are familiar with the capital of da Qian. Let them bring you to various places in the capital to search for resources. Bring all the medicinal herbs, spiritual herbs, spiritual crystals, weapons, equipment, medicinal materials, and so on.

“let’s go!” jiang li ordered the three commanders.

“Yes.”

the three commanders replied.

...

Your Majesty Emperor Xia, you don't need to personally send your soldiers to do such a small thing. Now the entire da Qian dynasty is yours. You just need to issue a decree and let the rich and Noble families in the capital personally send the things to the palace.

Liang Qi Quan said in a flattering tone.

“It's too slow,”

“it's faster to just confiscate their property,” jiang li said. “besides, who knows if they'll keep it for themselves?”

“.....”

Liang Qi Quan was taken aback, and immediately lowered his head. Your Majesty Emperor Xia is right.

Very quickly.

Soon, Jiang Li entered the capital. MYL01 and ynjs01 followed him. Jiang Li was still wearing the ‘ordinary Dominator armor’.

Although it would cost energy points to keep the armor in its form, Jiang Li didn't lack energy points, so it was safer to keep it on.

liang qiquan was leading the way.

He continued forward.

...

There were many residents in the capital. They hid in their houses and looked at Jiang Li carefully. They didn't dare to make any noise.

he is the Emperor Xia who killed King Qian? ”

I know that old eunuch in red robe. He is the Minister of the Imperial Household of the great Qian dynasty. Now he is following Emperor Xia. Obviously, he has betrayed us.

“they must have betrayed us.”

“If I don't defect, am I going to wait for death?”

from today onwards, our Emperor is no longer King Qian. He is King Xia.

“Is there any difference?”

“I wonder what the temperament of Emperor Xia is like?”

“What is this Emperor Xia wearing? It's blocking my entire body, so I can't see what I look like.”

The residents of the capital were discussing in low voices.

“Your Majesty Emperor Xia, the main entrance of the palace is just in front.”

Liang qiquan introduced them to Jiang Li.

“Yes.”

jiang li looked up and saw a grand building standing in front of him. the main entrance was wide enough to accommodate many people at the same time.

Half an hour later.

under liang qiquan's guidance, jiang li came to the inner court of the palace and stopped in front of a palace.

It was the bedroom of the Qian linlong.

“Your Majesty Emperor Xia, Qian linlong's private Treasury is in this Palace.”

liang qi quan said.

He pushed open the palace door.

Jiang Li and the others walked in. Liang qiquan walked to the bookshelf by the wall and turned a vase on the shelf.

“Rumble!”

The mechanism was activated.

The giant ‘Dragon bed’ moved to the side on its own, revealing the floor under the ‘Dragon bed’. The floor then split open from the middle, revealing a rectangular basement entrance.

“It's really open,”

liang qi quan's expression was one of great surprise, and he said, ” “I only accidentally saw Qian linlong open it once. I didn't expect it to really open.”

“Your Majesty Emperor Xia, let's go in quickly.”

“alright,” he said.

yes. Jiang Li nodded. lead the way.

“Yes, yes,”

Liang qiquan walked in front and was the first to enter the basement. Your Majesty, it's very safe here. There doesn't seem to be any traps.

“Yes.”

let's go. Jiang Li walked to the entrance of the basement. MYL01 and ynjs01 followed him closely.

After that.

let's go. Jiang Li walked in and Liang qiquan walked in front of him. They walked down the stairs and the candles on the walls lit up.

“It's so deep,”

we've been walking for so long, ” Liang qiquan mumbled. we still haven't arrived. I didn't expect Qian linlong to create such a deep underground space in his bedroom.

A few minutes later.

he reached the end of the stairs.

When they arrived at the underground space, they saw a closed black stone gate locked by black chains.

Furthermore ...

There were also runes of the formation on it, which interwove together to form formation patterns.

Obviously.

To open this black stone door, one needed a special key, or a formation seal.

“Your Majesty, what should we do now?”

Liang qiquan looked at Jiang Li. I didn’t expect Qian linlong to have such a trick. If I can’t open the stone door, I can’t enter Qian linlong’s private treasure vault.

“Why don’t we go to the ‘National Treasury’ first?”

“You go and try.”

let’s go. Jiang Li didn’t respond to Liang qiquan. He ordered ynjs01.

“Yes.”

Ynjs01 nodded and took a few steps forward.

“Whoosh!!!”

After that.

The psionic energy surged and gathered in his arms.

Kachaa! “Crack!”

Ynjs01’s arms transformed into long blades of flesh and blood. Psionic energy covered the blades, which were as black as ink and shimmered with a cold light.

“.....”

Liang Qi Quan’s eyes flickered, and then he moved a few steps to the right of the black stone door without a trace.

“Slash!”

Shua!

Ynjs01’s twin blades slashed down. A pitch-black psionic blade glint streaked across the void and directly slashed at the iron chains of the black stone door, causing a loud explosion.

Clang!

“BOOM!”

The black chain broke.

At the same time.

The ‘formation’ on the black stone door was also activated. The formation runes on it lit up, and the spiritual Qi of heaven and earth gathered.

A pitch-black light bloomed.

It was extremely rich.

“Roar!”

The next moment.

The extremely dense radiance condensed into a pitch-black dragon's head. It roared and charged straight at ynjs01.

Bang!

Ynjs01 slashed out once more, splitting the Black Dragon head in half. The Black Dragon head immediately exploded, and black Radiance bloomed all over the sky.

it enveloped the entire space.

jiang li's vision was affected.

“Now!”

Liang qiquan raised his head, his eyes shining. He took out a Black Dragon-shaped key and inserted it into the wall to the right of the black stone door.

Kachaa!

Liang qiquan twisted the key.

wuwuwuwuwu!

With the Black Dragon-shaped key as the center, a dense array pattern spread out. In the blink of an eye, it had already spread rapidly.

“Hahaha Yingluo, it's a success.”

Liang Qi Quan laughed heartily.

“Pfft!”

There was a flash of light.

Before Liang Qi Quan could react, his right arm had been cut off from the shoulder. Blood splattered everywhere, dying the wall in front of him red.

“You!”

Liang qiquan raised his head and saw MYL01 standing in front of him. Jiang Li was also standing not far behind him, looking at him calmly.

Kachaa!

MYL01 stretched out his right hand, and his demon spirit energy spread out, suppressing the array pattern. Then, he pulled the Black Dragon-shaped key out of the wall.

“jiang zhizhi, jiang li zhizhi.”

Liang qiquan turned around and his face turned pale when he saw Jiang Li. you, Qianqian, when did you do that? ”

“Kill him.”

jiang li wasn't interested in explaining or listening to what liang qiquan had to say. he wasn't interested in liang qiquan's story. he was only interested in the treasures in king qian's private treasury.

“You're so silly!”

“pfft!”

MYL01 smacked Liang Qi Quan's head into his chest. Fresh blood gushed out, and his body fell straight down.

It could be said that ...

Liang Qi Quan didn't even have the strength to resist.

After all, the difference in strength was too great.

Buzzzzzz!

Suddenly.

Light glowed from Liang qiquan's body, then gathered together into a pure white soul Fire seed and flew into Jiang Li's body.

[ acquired a Tier 3 soul Tinder! ]

"He's still a level three inborn warrior."

huh? " Jiang Li was stunned. I didn't expect this.
