

## Army 351

### Chapter 351 Captured

since the teleportation room and the teleportation units have been set up, ”

” then, it’s time to build a new base. ” jiang li thought.

In reality.

Jiang Li had already decided where the new base would be built.

“It’s too late today.”

I’ll act tomorrow, ” Jiang Li said to himself.

The night came.

Shua! Shua!

In the air.

Multiple figures shot through the air, moving at high speed to arrive in the air above the imperial capital of the Grand Xia. They concealed their tracks, staring down at the imperial capital from above.

It could fly in the air.

the lowest cultivation level was at the third step.

They were all experts.

Obviously.

They were the ‘spies’ from the various dynasties. They had been in the territory of the great Xia Dynasty for many days and had been looking for news about the great Xia Dynasty.

He had gained quite a lot.

this great Xia Dynasty is really strange. I’ve investigated on my way here and found that the distribution of military forces in the counties and cities of the great Xia Dynasty is too weak. It doesn’t look like they can destroy the panic demon dynasty at all.

The sky Fey Kingdom’s spy pondered.

the black snake barbarian kingdom, the gray wolf Kingdom, the red-browed demon Kingdom, and the panic demon dynasty have indeed been destroyed. Unfortunately, there are no traces of humans in those territories. It seems that although the great Xia Dynasty has destroyed these dynasties, they don’t have enough population and military strength to occupy these territories.

The spy from the Black Dragon barbarian kingdom sneered.

“the great xia dynasty is only a human dynasty that has been established for a month. its foundation is too weak, and its population is too sparse. it will take a long time to digest these territories. this is the result of a lack of foundation. even if we occupy the territories, we can’t control them.”

the five spirit demon kingdom’s spy thought, ” we can only leave it to waste. It might even give birth to a new dynasty.

obviously, all the secrets should be hidden in the capital of the Xia Dynasty, hidden in Emperor Xia Jiang Li. Isn’t there a rumor that Jiang Li is an extremely powerful puppet master? ”

A spy from the Jin dynasty murmured in a low voice.

In reality.

The dynasties that had the guts to send spies into the great Xia province were not weak. They wanted to find out the truth about the great Xia.

Among them.

The great Jin dynasty was ranked eighty-first, and the five spirit demon Kingdom was ranked eighty-second.

Furthermore ...

Although these spies from various countries had found traces of other countries 'spies, they all pretended not to see them.

It was because they had the same goal.

Naturally, there was no need to fight.

It was fine as long as they lived in peace.

shua! Shua!

immediately.

these spies from the various countries began to infiltrate the imperial capital of the grand xia.

high up in the sky.

the drones continued to circle, constantly patrolling the entire capital. the holographic cameras were suspended in the air, monitoring the entire capital.

“I didn’t expect to get in so easily.”

the five spirit demon kingdom’s spy pouted and said in disdain, ” “The defense is too lax. Furthermore, there isn’t even a defensive or warning formation.”

is this saying that Emperor Xia, Jiang Li, is too confident and arrogant? or is the Xia Dynasty just so-so? ”

“It’s not as powerful as the rumors say.”

“There’s something strange about those patrols on the city wall.”

The sky Fey Kingdom’s spy glanced at the ‘walking corpse puppet’ on the city wall. it doesn’t look like a living thing. Also, the defenses of the capital are too weak. It’s very abnormal!

In the Army base.

In the room in the ruler’s hub.

jiang li’s expression didn’t look good.

He hadn’t changed out of his sleeping robe.

It was late at night.

Obviously.

jiang li was woken up by qx01.

He couldn’t vent his anger on the meches, so he had to let the spies take it.

Shua! shua!

...

In front of him.

QX01 projected images. In each image, the spies from various countries were clearly monitored. Every move was clearly displayed in front of Jiang Li.

obviously.

The imperial capital was where Jiang Li lived, so it was built like an Iron Fortress. There were mech winged Air Forces patrolling outside, unmanned reconnaissance planes monitoring and scouting, and holographic meches monitoring 24/7.

To stealthily sneak into the imperial capital of the Grand Xia?

It was impossible!

unless he could completely hide his tracks.

Furthermore, it had reached the fifth step!

Only then would it be possible to avoid the detection of the drone.

“Hegemon, all of our spies have entered the imperial capital of the Grand Xia.”

QX01 said.

...

“Just do it.”

don't let any of them go, " Jiang Li said. don't kill them. After you catch them, hand them all over to Bai zhanbo and let him interrogate them.

"Yes."

qx01 conveyed jiang li's order.

BOOM! BOOM! BOOM!

the next moment.

A rumbling sound could be heard from the screen.

it could be seen.

Jiang Li's meches attacked.

First of all ...

MYL01 was the fastest. He had the combat power of an early-stage level five, so he easily captured the strongest sky demon Kingdom and black Dragon barbarian kingdom spies.

"Ah!"

Pfft!

The sky demon Kingdom's spy let out a blood-curdling screech as he vomited blood. He had been severely injured by the MYL01's palm, and his black wings had been torn off by the MYL01.

It was extremely miserable.

five luminaries heaven rank five!!!

the black dragon barbarian kingdom's spy looked terrified and shouted, " "You're at the fifth step! The great Xia Dynasty actually had a Tier 5 peerless combat power! This Suan ni, this Suan ni "

Bang!

the demonic spirit palm landed.

"Ah!"

The spy from the Black Dragon barbarian kingdom vomited blood and fell to the ground, crippled.

One had to know.

These two secret agents were both at the early stage of the fourth level of the National Guardian combat strength.

It was solved so easily.

At the same time.

The ambush from TS01, YNJS01, several stage four zombie puppets, and a few stage four meches surrounded the area.

"....."

All the spies looked at this scene in despair.

"How is that possible? How is this possible?"

The five spirit demon Kingdom's spy's eyes were listless as he kept muttering.

They were all Tier 4!

They were all Tier 4!

This was too terrifying!

Just now, he was laughing at the lax defense of the imperial capital and at Jiang Li's overconfidence.

The result.

The strength that the great Xia Dynasty had displayed had made him feel despair.

But now it seemed ...

Jiang Li knew their whereabouts from the very beginning.

Furthermore, it was like a turtle in a jar.

All the spies from the various countries had been captured.

"I, Lao Ai, am the messenger of the Jin dynasty. I am a human. I want to see Emperor Xia. I want to see Emperor Xia, Lao Ai."

the envoy of the jin dynasty shouted in fear.

"I'm not interested,"

Jiang Li yawned and waved his hand. "i'll leave it to bai zhanbo,"

Soon after.

MYL01 and the rest brought all the spies to the Ministry of Justice.

“We’ll be busy this time.”

Bai zhanbo looked at the prisoners who were basically disabled.

there were demons, barbarians, and humans.

Bai zhanbo shrugged his shoulders, but a smile appeared on his face.

The next day.

After the morning court session.

” let’s go. ” jiang li got into the large military transport plane and left the capital with only myl01, the mechanical soldiers, the normal mechanical engineers, and the normal mechanical soldiers.

The large military transport plane took off.

Speaking of this.

It was Jiang Li’s first time taking a plane, whether on earth or in this world.

It was their first time.

It was a little novel.

the facilities in the large military transport aircraft were not much different.

There were seats in the cabin, and the meches sat there without moving.

Jiang Li's cultivation had reached level four, so he could already fly.

However ...

In terms of speed.

Large military transport planes were better, and there was no need to fly by themselves.

He was even wasting time.

After a few hours.

The large military transport plane arrived at the Ling Jue County and arrived at the county city.

Speaking of this.

The spirit Luan County had been destroyed when the lion barbarian kingdom had invaded.

More than half of the county had been destroyed, and many people had died.

now.

The new county had been rebuilt on the old site, and Ling Jue County had a new county King.

speaking of this.

During the morning court session this morning, Jiang Li asked about the situation in Ling Jue County.

The new county King of Ling Jue County was 'Xiao Lingyun', who had just reached the early stage of level three.

he was in his forties.

To reach the early stage of Tier 3 in his forties, his aptitude wasn't considered too high, but it wasn't too bad either.

However ...

Xiao Lingyun was a talent in management. The lingluan County had suffered a disaster when the county capital was destroyed, but Xiao Lingyun managed to rebuild the county capital in just a month and manage the county in an orderly manner.

It was quite good.

The new county had also recovered its former prosperity and liveliness.

“Rumble!”

The engine roared.

The large military transport aircraft began to land.

“then what's a kasaya?”

“Be careful!”

“It might be an enemy attack!”

“Prepare for battle!”

“Quickly report this to County King Xiao!”

On the city wall.

The soldiers of the county city stared vigilantly at the giant iron bird that was gradually descending.

In the surroundings.

The people of the county city also looked over.

There was curiosity, vigilance, and fear in his eyes.

the large military transport plane landed on an open space outside the city.

soon after.

Jiang Li got off the plane first, followed by MYL01, a mechanical soldier, a normal mechanical engineer, and a normal mechanical soldier.

Finally.

The transport mech soldier walked out of the cockpit of the large military transport plane and went outside.

“whoosh!!!”

The equipment started up.

The large military transport vehicle transformed into a stream of energy light and returned to its mechanical watch form.

The transport mech immediately followed Jiang Li.

“This bi an ...”

In the surroundings.

The group of people looked on with their mouths agape, completely dumbfounded.

“Xiao Lingyun, the county King of Ling Jue County, pays his respects to Your Majesty, Emperor Xia!”

Plop!

Xiao Lingyun saw this scene not long after he arrived.

He was shocked.

Without any hesitation, he immediately knelt on the ground and kowtowed.

“Xia Yingluo, Emperor Xia!”

“He is Emperor Xia! It’s His Majesty, Emperor Xia!”

“Si si si ...”

“His Majesty Emperor Xia actually came to Ling Jue County personally, this Zhuanxu, this Zhuanxu.”

“We thought they were enemies and almost attacked. Thank God, thank God.”

“Is he His Majesty, Emperor Xia? He really looks so young!”

“I did not expect that I would be fortunate enough to see the respected Emperor Xia with my own eyes! Yingluo, I’m so lucky Yingluo ”

In the surroundings.

Jiang Li! the soldiers and the civilians all looked at Jiang Li with excitement.

“Your Majesty!”

“This commoner pays his respects to Your Majesty!”

Immediately.

The surrounding people knelt down and shouted.

His tone was extremely respectful.

361 Victory

BOOM!

Shi Qingtian had fallen.

The lion barbarian Kingdom’s true dragon appeared once again, but it let out a sorrowful roar and its huge dragon body began to collapse.

“whoosh!!!”

A vast and invisible National aura emerged.

“Roar!”

The Azure Dragon of the great Xia immediately materialized and circled in the sky. His body flickered with Azure light as he began to absorb and devour the invisible National aura of the lion barbarian kingdom to strengthen himself.

On the battlefield.

As the grade 4 army formation collapsed.

Under the lead of MYL01, the 10000 Level 4 mech Army charged into the lion barbarian Kingdom’s Army. The lion annihilation Legion attacked and sealed off the battlefield.

Pfft! Pfft! Pfft!

The energy beam sword of the Ares-class mecha cut through the sky, killing the third-level barbarians one after another. The fourth-level barbarians couldn’t hold on for long under the siege.

“Exit overload mode.”

Jiang Li said.

“yes.”

Jrzj01 replied.

Buzzzzzz!

the purple electrical energy patterns on the steel armor had disappeared, and some cracks had appeared. the damage had reached 10%, which meant that it had been activated for ten seconds.

“Repair.”

Jiang Li used some energy points.

in the blink of an eye.

The cracks on the steel armor recovered.

Soon after.

Jiang Li left the battlefield and went back to his battleship. He sat in the passenger seat. The next battle didn't need Jiang Li's command or his help.

With the lion annihilation Legion's combat power, it was only a matter of time before they won.

Buzzzzzz!

Azure Dragon technique. Jiang Li started to operate the Azure Dragon technique to help the Azure Dragon absorb the fate of the lion barbarian kingdom. The Azure Dragon was surrounded by light and mist.

Gradually.

Jiang Li's body was also covered by the mist of the nation fate.

time passed.

On the battlefield below.

The battle was coming to an end. As the Barbarian soldiers were killed by the meches one by one, their bodies fell to the ground. From time to time, soul Tinders would fly out of the bodies and merge into Jiang Li's body.

It could be seen.

in the air above the MYL01 battlefield, his talents and skills were activated, devouring and absorbing countless souls. his evolution progress was slowly increasing.

One had to know.

When MYL01 had advanced from the peak of Tier 4 to the early stage of Tier 5, it had gone through several wars and devoured tens of millions of souls before it could advance proudly.

This time.

MYL01's evolution progress had only reached 10%.

obviously.

It was not easy to rely on talent and skills to advance.

the night came.

Outside The Lion King's capital.

The battle cries gradually stopped, and the commotion from the battle also died down. The battle was over, and the lion Slayer Legion had obtained the final victory.

the army of the lion barbarian kingdom was completely annihilated.

The outside of the city was covered with corpses.

the barbarian corpses were piled up on the ground, forming a mountain of corpses and a sea of blood. there were also the remains of many meches among the corpses.

Inside the lion Capital.

The barbarians in the capital city.

Most of them were barbarian civilians, and there were also some royal descendants and aristocrats.

At this moment.

They were in despair.

“It’s over, it’s all over, Yingluo.”

“The lion barbarian kingdom is gone!”

...

“Ten million barbarian soldiers, millions of elites, all dead, all dead!”

“.....”

The nobles of the lion barbarian kingdom fell to the ground in despair.

“Roar!”

in the air.

The male lion Azure Dragon was completely destroyed, and the National aura of the male lion barbarian kingdom was completely dissipating. The vast and invisible National aura was also surging towards the great Xia Azure Dragon.

They were all devoured by the Azure Dragon of the great Xia.

Buzzzzzz! Buzzzzzz!

The Azure Dragon's body was gradually growing, from 2000 meters to 2100 meters, then to 2200 meters, and it was still growing.

all troops, enter the city and plunder the resources of the lion barbarian kingdom.

Zh01 ordered.

...

“Yes.”

BOOM! BOOM!

The lion-destroying Legion entered the city. Every mech was stained with the blood of the barbarians. The barbarians in the capital of the lion kingdom hid in the distance in fear and didn't dare to come close.

On the other side.

In the Barbarian dynasty.

The Barbarian Messenger who had returned from the lion barbarian kingdom immediately met Xing Jiali.

“your majesty, shi qingtian has already agreed to the alliance.”

The Barbarian Messenger reported to Xing Jiali, however, the lion barbarian kingdom is currently under the attack of the great Xia Dynasty. The great Xia

Dynasty's Army is indeed powerful, and they took down several counties of the lion barbarian kingdom in a very short time.

Shi Qingtian has asked for our help. He hopes that the Barbarian dynasty can send troops to support the lion barbarian kingdom.

On the throne.

xing jiali closed his eyes and remained silent.

“En, Yingluo.”

Suddenly.

Xing Jiuli's closed eyes opened, and traces of shock appeared in his eyes.

“Hu ~~ Hu ~ Hu ~”

After a while.

xing jiuli regained his senses and took a deep breath.”There's no need.”

“Your Majesty, why is this so?”

the barbarian messenger was stunned, ” could it be that shi qingtian has already repelled the great xia dynasty's army? ”

“Repel? hehe, yingluo.”

Xing Jiuli shook his head with a bitter smile and said in an extremely heavy tone, ” that's because the lion barbarian kingdom has already been destroyed. I saw with my own eyes that the lion barbarian kingdom disappeared from the young dragon ranking, just like the panicking demon dynasty.

“What?”

“How is this possible?”

“The lion barbarian kingdom has been destroyed?”

“Si si si ...”

instantly.

The officials of the Barbarian Empire gasped in shock and disbelief.

“This Suan ni, this Suan ni”

The Barbarian Messenger’s eyes widened, ” in less than two days, the huge Lion barbarian kingdom, a barbarian dynasty that has existed for a thousand years, is gone just like that? It’s gone just like that?”

“The great Xia Dynasty has actually become so powerful?”

“in less than half a month, he destroyed two thousand-year-old dynasties. isn’t he afraid of wiping out all his soldiers and army? Without a sufficient population, without sufficient military strength and troops, he won’t be able to manage all the territories no matter how many he takes down!”

“What does he want to do?”

The ministers discussed spiritedly.

Is there any news from the Black Dragon barbarian kingdom? ”

xing jiali asked in a deep voice.

“Your Majesty, Xing Lang, who was sent to the Black Dragon barbarian kingdom, hasn’t sent back any news.”

One of the officials replied.

“.....”

Xing Jiali fell silent.

In reality.

It wasn’t just the sacrificial ceremony.

ling yue, wei zheng, the ‘sky demon king’ of the sky demon kingdom, the ‘black dragon king’ of the black dragon barbarian kingdom, and the ‘king of shu’ of the shu kingdom all knew about the destruction of the ‘lion barbarian kingdom’ through the changes in the rankings of the ‘young dragon ranking-holy peace state’.

Shocking!

It was extremely shocking!

the lion barbarian kingdom has been destroyed.

Ling Yue opened her eyes, and her consciousness returned. is the great Xia Dynasty really that powerful? He destroyed two thousand-year dynasties in succession!”

Jiang Li, Emperor Xia.

Wei Zheng’s expression was slightly serious as he said in a deep voice, ” I’ve underestimated you. A dynasty that has only been established for a month can actually destroy two thousand-year dynasties.

In the center of the northern region of the Holy peace Region.

The sky demon Kingdom.

The SkyDemon capital.

It was a huge island floating in the air, like a huge inverted triangle. There were many buildings and floating mountains on the island.

There was a Palace on each of the floating mountains.

The incomparably huge chains linked the floating mountains together. Upon closer inspection, one could see that every chain was covered in dense runes.

Shua! shua!

In the air.

Many figures flew through the sky towards the center of the heavenly demon capital, which was a 10000-meter-tall mountain.

On the giant peak.

There was a resplendent 'heavenly monster Palace'.

The SkyDemon monarch was in SkyDemon Palace.

The palace gates were tightly shut.

greetings, Your Majesty, heavenly Demon King!

Several figures stopped in front of the celestial demon Palace and knelt outside the palace gate. They kowtowed and greeted in unison with an extremely respectful tone.

the handsome young man with a pair of white wings who had gone to the spirit moon demon kingdom to convey the sky demon monarch's decree was among them.

“how's the matter?”

The palace gate did not open.

A deep and dignified voice rang out from within the celestial demon Palace.

“Your Majesty, the spirit moon Empire, the five spirit Empire, the sparrow Empire, the evil wind Empire, and the power ant Empire have all agreed.”

the handsome young man replied.

“Yes.”

yes. the SkyDemon monarch's voice sounded again. all of you have done well. Go and make your preparations. We will hold the demon dynasty Alliance conference in the SkyDemon Monarch Capital the day after tomorrow.

“Yes.”

“Yes, sir!”

The handsome young man and the others responded in unison.

The night passed.

in the lion kingdom.

“Roar!”

The great Xia Azure Dragon roared.

The power was even stronger.

It took Jiang Li an entire night to help the Azure Dragon devour and absorb all the fate of the lion barbarian kingdom. The Azure Dragon grew from 2000 meters to 2500 meters.

“Whoosh!!!”

The fate of the country grew. The Azure Dragon of Xia merged into Jiang Li’s body and started to feed back to him. The vast fate of the country cleansed Jiang Li’s body and true Yuan.

The spiritual Qi of heaven and earth gathered.

Roar!

The Azure Dragon technique of the Xia Dynasty was running, refining spirit Qi and increasing true essence. With the help of the Fortune of the nation, Jiang Li’s aura was improving at a rapid rate.

An hour later.

BOOM!

Jiang Li’s body trembled and his aura increased. The true essence in his dantian had already filled up his entire dantian. His strength and cultivation had both improved.

It rose from the initial-stage Tier 4 to the middle-stage Tier 4.

True essence spread out.

Jiang Li could control the spiritual Qi within 20000 meters around him.

After his cultivation level rose to the middle stage of the fourth rank.

Only then did the feedback from the country's fate calm down.

“Not bad.”

great. Jiang Li felt the changes in his body and the increase in his strength. He nodded in satisfaction.

At this moment.

It took more than a night.

The ‘Lion destroying Legion’ had plundered all the resources in the lion Capital. They had also split off a few more troops to head to the various counties of the lion barbarian kingdom to continue plundering resources.

Ling Jue County.

The air reconnaissance team followed the half-monster subordinates and finally found the location of the ‘half-monster Alliance sub-Alliance’. They had actually built the sub-Alliance underground.

He had built a huge underground space.

After discovering the location of the ‘half-monster Alliance sub-Alliance’, the search team ‘immediately launched an attack on it.

because the sub-league of the half-fiend alliance was underground, it was difficult for the mech soldiers to perform well.

Furthermore ...

This sub-League of the half-monster Alliance was very strong. There were two million half-monsters, and there were many level-three and level-four half-monsters. The leader and deputy leader of the sub-League were all at the perfected level-four.

in the end.

The battle lasted for a day and a night.

Although the ‘search team’ had won and basically destroyed the sub-Alliance of the half-monster Alliance, they had also suffered heavy losses.

Half of the meches were destroyed.

Furthermore ...

There was also a perfected-stage rank-4 mecha whose Ares-class weapon had been scrapped.

the sub-league leader of the half-monster alliance, jiang yaotian, had escaped with injuries.

362 Agreement

As soon as Jiang Li stabilized his cultivation, QX03 came over and reported the situation of the ‘search team’.

master, the search team has found the sub-League of the half-monster Alliance. They took down the sub-League with half of their meches gone.

but ‘Jiang Yaotian’, the sub-League leader of the half-fiend Alliance, still managed to escape, ” QX03 said.

a half-destroyed mech.

what? ” Jiang Li frowned and said, ” that’s out of my expectation. I can’t believe the sub-League of the half-monster Alliance is so powerful.

“.....”

QX03 was silent.

Shua!

Green Dragon imperial decree. Jiang Li waved his right hand and the ‘sacred weapon of the lion barbarian kingdom-the Green Dragon imperial decree-flew into his hand from the corner of the battlefield not far away.

“Whoosh!!!”

Immediately after.

The Green Dragon imperial decree appeared, and two three-clawed Green Dragons flew out and rushed into the green Dragon imperial decree, refining it.

Very quickly.

The Green Dragon Saint decree turned green and turned into a green light. It merged into the green Dragon Saint decree and was absorbed.

Shua! shua! Shua!

Immediately.

the back of the ‘green dragon imperial edict’ changed from two three-clawed green dragons to three three-clawed green dragons. there was an additional image of a green dragon. three green dragons flew out and circled around the ‘green dragon imperial edict’.

“Keep.”

let’s go. Jiang Li waved his hand and the three three-clawed Green Dragons disappeared. The ‘Green Dragon imperial edict’ also returned to Jiang Li’s dantian. It floated above the Green Dragons and was being nourished by the fate of the country.

Half an hour later.

jiang li took ‘bic-ysk01’ back to the spirit luan county. the ‘lion slayer legion’ sent out several teams and started to search for resources in the lion barbarian kingdom.

He wouldn’t be able to complete the task in a short time.

In the afternoon.

Jiang Li went back to the base of Army 02 and then used the ‘wormhole’ to go back to the base of Army 01 and arrive at the imperial capital of great Xia.

The ‘search team’ transported all the resources and spoils of war back to the base of the No. 02 Army and then arrived at the base of the No. 01 Army through the ‘wormhole teleportation’.

The next day.

At noon.

The 'Lion destroying Legion' returned one after another.

the large amount of resources and spoils of war that were seized from the lion barbarian kingdom were all transported back to the base of the 01 legion and stored in the national treasury of the imperial capital.

In reality.

A few days ago.

Xu Ya and the others asked Jiang Li to expand the imperial capital. Jiang Li agreed because the imperial capital did need to be expanded.

Let's not even talk about the ever-expanding National Treasury. It had already taken up a large portion of the imperial capital, and the number of commoners in the imperial capital was also increasing.

Plus ...

Hong Tianqi recruited soldiers and expanded the human army. He needed to build barracks for training and drilling soldiers. The imperial capital of Xia Kingdom was too small.

Jiang Li also sent ordinary Mechanical Engineers and mechanical soldiers to help Xu Ya and the others expand the capital.

In the afternoon.

Buzzzzzz!

outside the imperial capital of the grand xia.

In the air.

A 3,000 meter long, three-clawed Blue Dragon flew through the air. Its winding body emitted a brilliant light, and its might was extremely vast. It flew straight towards the imperial capital of the Grand Xia.

“roar!”

A Dragon’s Roar resounded.

this news spread throughout the entire imperial capital of the grand xia.

He looked closer.

On the three-clawed Blue dragon’s head.

The person standing was the great Wei Dynasty’s Wei King, Wei Zheng.

He had personally come over.

“That Suan ni is the true dragon of the nation!”

“Which dynasty?”

“.....”

Within the city.

The residents looked up.

...

“Quickly inform His Majesty!”

Hong Tianqi, Wu Zong and the others shouted in shock.

“Who is it?”

The room in the ruler’s hub.

jiang li had just opened the dominator panel and was about to merge all the soul tinders he had collected, but he was shocked by the power of the national fate true dragon.

“Chief sovereign.”

QX01 rushed over.

Shua!

He immediately opened the screen.

It was the scene captured by the holographic cameras and drones. A vast true dragon of National fate was hovering in the sky above the capital.

The radiance of the nation’s fate was released.

...

On the dragon’s head.

A figure shrouded in the light mist of the nation’s fate was standing there.

he couldn’t see clearly.

“I’m Prince Wei of the great Wei Dynasty,”

With his hands behind his back, Wei Zheng looked down at the imperial capital of the great Xia from above, ignoring the gazes of the surrounding soldiers. His voice spread throughout the entire imperial capital, and he said in a calm tone, "I'm here to visit you personally. Jiang Li, come out and meet me!"

Obviously.

Wei Zheng was quite confident in his own strength, which was why he dared to come to the imperial capital of the great Xia alone. He didn't even care about the one million human soldiers in the city.

But this was normal.

Wei Zheng had already broken through to the early stage of level five and condensed a 'true core'. His strength was enough to look down on everyone else. With the protection and enhancement of the true dragon of national aura, as well as the power of a 'national aura saint weapon'.

His combat strength had definitely surpassed the initial stage of the fifth step.

"Prince Wei,"

Jiang Li frowned. He's here in person.

QX01, form a projection.

Go! Jiang Li ordered.

"Yes."

QX01 nodded.

Shua!

Immediately.

QX01 scanned Jiang Li's entire body and projected his figure above the imperial capital of great Xia through the holographic camera.

Obviously.

Jiang Li didn't plan to meet Wei Zheng in person.

"Prince Wei,"

In the air.

Jiang Li's holographic projection appeared and he cupped his hands at Wei Zheng.

"What?"

Wei Zheng frowned and looked at Jiang Li. He looked up at the sky and saw the holographic camera as well as the mechanical winged air soldiers patrolling in the air.

"This is not your real body."

I have come to visit you personally, but you, Emperor Xia, do not even dare to show your face, " Wei Zheng said in a deep voice. you are so proud. Do you not respect me? "

"prince wei, you're too kind."

" no. " jiang li waved his hand. " i'm preparing to cultivate in seclusion. i can't show my face. i hope you can understand. "

"May I know what brings the Prince of Wei to the imperial capital of the Grand Xia?"

Jiang Li asked.

“Hmph,” he snorted.

Wei Zheng snorted coldly and did not pursue the matter.

I want to establish the ‘Alliance of human dynasties’ and unite the power of the human dynasties in the northern region of the Holy peace state to destroy all the Barbarian and demon dynasties in the northern region of the Holy peace state.

unify the northern region of holy peace Region!

“What do you think, Emperor Xia?” Wei Zheng asked directly.

“Of course it’s a good thing.”

Jiang Li smiled. humans, monsters, and barbarians have been at war for a long time. It’s hard to resolve their hatred. It’s great that Prince Wei can work with the human dynasties to destroy the monster and barbarian dynasties.

“So, you agree to the Alliance?”

Wei Zheng said.

“I naturally agree.”

okay. Jiang Li nodded.

“Very good,” he said.

Wei Zheng smiled and looked at Jiang Li as if he was a wise man. in that case, I’ll invite Emperor Xia to the capital of the Wei Kingdom the day after tomorrow to discuss the Alliance.

“I will definitely arrive on time.”

Jiang Li said.

“yes.”

Wei Zheng’s smile widened. He looked up at the mech pilot and said, ” Emperor Xia, your Air Force is not bad. If there is a chance, you can let me see it.

“I will.”

okay. Jiang Li nodded.

“It seems that the Prince of Wei is busy with state affairs, so I will not force him to stay.”

Jiang Li said.

“Hahahahaha!”

Wei Zheng laughed. then we shall wait for the arrival of Emperor Xia in the capital of the great Wei Kingdom.

“I won’t send you off.”

Jiang Li cupped his hands.

Roar!

the three-clawed blue dragon let out a dragon’s roar that shook the entire area. its body flickered, and like a blue bolt of lightning, it disappeared from its original location, leaving the imperial capital of the grand xia.

the human race Alliance.

Jiang Li looked in the direction Wei Zheng left and said calmly, ” “Since it’s an Alliance, there’s naturally a position of ‘Alliance leader’.”

“the ‘leader of the alliance’ will be able to share the blessing of all the dynasties.”

“You want to unify the northern region of the Holy peace Region?”

“Prince Wei is quite ambitious!”

Immediately.

Jiang Li’s holographic projection disappeared.

on the other side.

After leaving the imperial capital, the Prince of Wei turned his head to look back. His brows furrowed slightly as he thought to himself, I didn’t expect Emperor Xia, Jiang Li, to agree so easily.

“it’s a little beyond my expectations.”

is Jiang Li planning something? ”

prince wei muttered to himself.

However ...

He soon forgot about it.

no matter what Jiang Li's plan is, no scheme will work when he's facing absolute strength. Besides, as long as he enters the capital of the Wei Kingdom, everything will be set.

King Wei was very confident. first, we will combine the power of the human dynasties in the northern region of the Holy peace state. Then, we will take down all the Barbarian and demon dynasties. We will gather the fate of the entire northern region of the Holy peace state.

“It will definitely make the Wei Dynasty into an ‘imperial dynasty’.”

“i will also become the emperor of the northern territory!”

In the base of the 01 division.

Within the room in the ruler's hub.

Shua!

Jiang Li opened the Dominator panel again.

He opened the soul Tinder column.

soul Tinder: 1509600 level-one soul Tinders, 127300 level-two soul Tinders, 1005 level-three soul Tinders, 10 level-three Demon Soul Tinders, 13 level-four soul Tinders, one level-five Demon Soul Tinder fragment.

After Jiang Li destroyed the lion barbarian kingdom and the half-monsters of the half-monster Alliance, he gained a large number of soul Tinders.

“One-click fusion.”

Buzzzzzz!

The soul Tinder fusion function was activated.

Shua! Shua!

The fusion interface appeared.

a large number of notifications popped up.

Finally.

1,509,600 level-one soul Tinders were all fused, and he succeeded 50320 times, obtaining 50320 level-two soul Tinders.

“Continue.”

Buzzzzzz!

Fused 177,620 stage-two soul Tinders.

he had succeeded 2960 times.

You’ve obtained 2960 stage-three soul Tinders.

“Again,”

Shua! Shua!

He fused 3965 tier-three soul Tinders.

He had succeeded 45 times.

Obtained 45 Tier 4 soul Tinder.

There were five level-three soul Tinders left.

the forty-five level-four soul Tinders obtained from the fusion Plus the thirteen level-four soul Tinders that I already have, there are a total of fifty-eight level-four soul Tinders.

Jiang Li said to himself.

shua!

The level-four mechanical Army and level-four mechanical Air Force units were all deployed. Jiang Li looked at the information and fell into deep thought.

Currently.

Jiang Li had unlocked ‘mechanical giant soldier’, ‘energy blasting soldier’, and ‘mecha Ares soldier’. He had three level-four mech soldier types, both on land and in air.

the three main forces are enough to deal with most Wars.

In that case, I won’t unlock new units yet.

try to fuse the fourth-rank soul Tinder.

363 Fifth step

“Hu ~~ Hu ~ Hu ~”

After Jiang Li made up his mind, he was ready to take action. He took a deep breath, calmed down, and started the soul Tinder fusion again.

fuse the fourth-rank soul Tinder!

Shua!

The fusion interface appeared.

This time.

A total of ten pure gold tier 4 soul Tinders appeared. They were lined up in a row, emitting a faint golden light, and then gathered in the middle.

Buzzzzzz!

the golden light became more and more dazzling.

merging in progress. Countdown: 10,9,8,7 ”

A pure golden radiance enveloped the entire world.

[ fusion failed! ]

Four big red words jumped out.

Jiang Li failed the first time he tried to fuse ten level-four soul Tinders. To be honest, Jiang Li was looking forward to ‘soul imprint’.

But now it seemed ...

It was impossible.

“Again!”

Buzzzzzz!

The fusion interface lit up again.

The second fusion began.

a golden light flickered.

Ten seconds later.

[ fusion failed! ]

The failure notification appeared again.

“Continue.”

fusion? ” Jiang Li frowned. He didn’t say anything and started fusing again.

he failed twice.

He had wasted twenty level-four soul Tinders.

he could still fuse three more times.

ten seconds later, the fusion was complete.

[ fusion failed! ]

A notification appeared.

The third attempt failed.

“Continue.”

Buzzzzzz!

Another ten fourth-tier soul Tinders were fused.

Ten seconds later.

[ fusion failed! ]

He failed four times in a row.

Not a single success.

“There’s only one last chance left.”

Jiang Li’s expression turned ugly. If I fail the fifth time, all the soul Tinders I got from destroying the lion barbarian kingdom and the sub-League of the half-monster Alliance will be wasted.

“But now, the arrow has already been nocked on the string and has no choice but to be fired.”

“Fuse.”

stop! Jiang Li shouted.

He was like a gambler who had lost all his family fortune.

Buzzzzzz!

The fusion interface appeared.

Golden light filled Jiang Li's vision.

the ten-second fusion countdown began.

The pure golden light became more and more intense, almost filling up the entire world.

“It seems like I failed again.”

it's not easy. Jiang Li sighed. I'm taking it for granted that I can form a level-five soul Tinder after five times. It's not that easy.

...

Shua!

Suddenly.

Within the interface.

When the pure golden light almost enveloped the entire interface, a purple luster appeared in the center of the fusion interface.

In the beginning.

The purple was too weak and inconspicuous, so Jiang Li didn't notice it. However, when the purple spread and eroded the golden light around it like a virus, the golden light in the area suddenly disappeared.

Jiang Li finally noticed.

“Purple mist!”

” success? ” jiang li’s breath stopped and he couldn’t help but look surprised. ” i succeeded? ” Purple light, the brilliance of a rank five soul Tinder!”

finally ...

When the purple light turned all the golden light into a purple light spot, it floated in front of Jiang Li.

...

Shua!

[ fusion successful! ]

a notification popped up.

He had obtained a purple tier 5 soul Tinder!

“I’ve succeeded!”

Jiang Li was overjoyed. I really did it! Fifth-tier soul Tinder! The first rank five soul Tinder!”

“Hahahahaha!”

” haha! ” jiang li laughed.

He was in a good mood.

He was extremely excited.

jiang li waved his right hand and a level-five purple soul tinder appeared. it floated in front of jiang li and emitted purple light.

He had a level-five soul Tinder.

Jiang Li naturally wanted to upgrade to a level five mech.

“Ts01.”

soon after.

Jiang Li called ts.

“Chief sovereign.”

thank you. TS01 saluted Jiang Li.

“yes.”

yes. Jiang Li nodded and waved his right hand. use a level-five soul Tinder and one hundred million energy points to upgrade to TS01.

Buzzzzzz!

The purple tier 5 soul Tinder flew out and integrated into the body of TS01, along with 100 million energy points.

The body of TS01 immediately glowed.

Modify and upgrade to TS01.

A few seconds later.

the promotion was completed.

Shua!

Jiang Li checked the information after the upgrade.

” unit type: archangel mech

[ rank: early stage of the fifth rank ]

[ No.: DTS01 ]

skill 1: level-one ultimate mechanical wings

” skill 2: tier 2 ultimate long-range weapon mastery ”

skill 3: mastery of stage three ultra-quality exoskeleton armor ”

” skill 4: tier 4 energy angel

skill 5: Tier 5 inferior-grade energy Angel ”

[ equipment: Tier 1 top-tier mechanical wings, Tier 2 top-tier long-range weapon, Tier 3 top-tier exoskeleton armor, Tier 4 top-tier energy Angel Sword, Tier 5 inferior-tier Archangel energy spear ]

mechanical energy source: Pi Xiu (omitted)

[ machinery: Jian Jia (omitted) ]

” advancement requirement: two billion energy points ”

level five meches need two billion energy points to level up to the middle stage.

Jiang Li Read DTS01's basic information carefully.

“Thank you, hegemon.”

DTS01 saluted Jiang Li.

“Yes.”

okay. Jiang Li nodded.

The previous time.

Jiang Li had basically used up all the energy points he got from the chaotic demon dynasty, so he didn't have enough energy points to upgrade DTS01.

However ...

Jiang Li's 'Lion Slayer Legion' had already taken down the lion barbarian kingdom and the 'search team' had taken down the sub-League of the half-monster Alliance. They had already obtained a lot of resources.

However, Jiang Li hadn't converted it yet.

Jiang Li walked out of the room in the control hub and went to the open space in the Army base. He started to convert the large amount of resources in the base.

“convert!”

A white light flashed.

All the resources had disappeared.

They were converted into energy points.

conversion successful. Obtained 11.18 billion energy points!

A notification appeared.

when all the resources on the empty ground were converted, large military transport aircraft landed on the empty ground of the base one after another. the mechs walked out of the mech factory and moved the materials out of the transport aircraft.

Not long after.

The military base was once again filled with supplies.

“Continue.”

Buzzzzzz!

Jiang Li transformed again.

conversion successful. Obtained 9.753219000 energy points!

.....

One after another.

Jiang Li converted it seven times and got a lot of energy points each time. In total, he got 73 billion, 30 million, and 8000 energy points.

obviously.

The harvest this time was even greater, more than the last time.

of course.

Not only did Jiang Li take down the lion barbarian kingdom, but he also killed the sub-League of the half-monster Alliance and looted a lot of resources.

That's why he had so many gains.

“Upgrade to DTS01.”

He had obtained the energy points.

Jiang Li immediately used 14 billion energy points to upgrade DTS01 three levels in a row, from the early stage of level five to the perfected stage of level five.

Shua! Shua!

DTS01's body was shimmering.

A few seconds later.

The promotion was completed.

His rank had been raised to the perfected stage of Tier 5.

on the surface.

DS01 did not change much. He was wearing a sky-blue Major General Air Force uniform. He had a firm expression and looked a little cold. He was unarmed and wore a sky-blue mechanical watch on his left wrist.

The Tier 5 inferior-grade skill ‘energy Archangel’ had been upgraded to a Tier 5 superior-grade skill, and the ‘energy Archangel’s spear’ had also been upgraded to a Tier 5 superior-grade skill.

“Thank you, chief sovereign!”

DTS01 saluted Jiang Li with respect.

“Alright,” he said.

okay. Jiang Li nodded in satisfaction.

This way ...

Jiang Li already had two level five subordinates, MY01 at the early stage of level five and DTS01 at the perfected stage of level five. His high-end combat power had already surpassed the Wei Dynasty.

the human Alliance meeting.

I’m looking forward to it. Jiang Li smiled. I’m looking forward to it.

Two days later.

The sky demon Kingdom.

The SkyDemon capital.

A huge floating island.

roar!

A Dragon’s Roar resounded.

It was an orange-gold true dragon that was 3000 meters long. If one looked closer, they would see that the Demon King of the spirit Moon Demon Kingdom, Ling Yue, was standing on the head of the three-clawed Dragon.

“The Demon King of the spirit Moon Demon Kingdom, Ling Yue, has arrived!”

Inside the SkyDemon Monarch Capital.

a loud voice rang out and spread throughout the entire capital.

Roar!

Immediately after.

Another true dragon of National aura flew over. Compared to the true dragon of the spirit Moon Demon Kingdom, this Dragon was only a thousand meters long.

it was crimson red.

on the dragon’s head.

The Demon King of the five spirit demon Kingdom, the five spirit Immortals, was standing there.

“Five spirit demon Kingdom’s Demon King, Ling Wuxian, has arrived!”

The loud and clear voice sounded again.

Not long after.

One after another.

Numerous National aura true dragons flew through the air and arrived at the SkyDemon capital.

The Demon King of the swallow Kingdom, Zhang Wude. The Demon King of the little sky demon Kingdom, Yao Tianding. The Demon King of the bright moon Demon Kingdom, Hao Yue. The Demon King of the evil wind Kingdom, Feng yaozhi. The Demon King of the power ant Kingdom, Yi Xing.

In the demon dynasty.

That included the sky demon Kingdom.

There were a total of nine demon dynasties.

“roar!”

Finally ...

At this moment.

SkyDemon Palace.

roar! a Dragon’s Roar shook the heavens. Endless white light flashed, incomparably resplendent, and enveloped the sky in all directions.

buzzzzzz!

In the end.

It was the manifestation of a three-clawed true dragon that was five thousand meters long.

It was completely white.

It was a three-clawed White Dragon.

It hovered in the air.

It was like a prehistoric beast.

Its might was monstrous.

The overly powerful Dragon might of the country's fate spread and suppressed all the true dragons of the demon dynasties. The dragon's head, which was as huge as a mountain, stared at all the demon kings.

"We pay our respects to the heavenly Demon King!"

Instantly.

ling yue and the others all bowed.

"Yes."

on the three-clawed white dragon's head.

A figure was standing there.

the white mist of the nation's fate enveloped his body. under the protection of the nation's fate, all the living beings present were unable to see the skydemon monarch's appearance clearly. they could only see a blurry figure.

And that irresistible power.

I want to establish a demon dynasty Alliance and integrate the power of the demons in the northern region of the Holy peace state. The fate of the country will be integrated with the sky demon Kingdom. We will fight against the human and

barbarian dynasties, unify the northern region of the Holy peace state, and establish a demon dynasty.

The celestial demon monarch's deep and majestic voice sounded. are you all willing to support me? ”

His Majesty, the sky Demon King, is wise and mighty, and his cultivation base is unrivaled. It's as easy as pie for him to unify the northern region of the Holy peace state. The lesser sky demon Kingdom is the first to support him!

Yao dingtian shouted loudly.

“.....”

Ling Yue, Ling Wuxian, and the others fell silent.

To tell the truth.

They didn't expect the celestial Demon King to be so direct and didn't hold back at all. He wanted them to bow down to him.

However ...

ling yue and the others looked at the five-thousand-meter-long dragon and the sky demon king's unfathomable cultivation and aura, and they didn't dare to refuse.

Tier 5!

The heaven demon monarch had definitely reached Level 5!

“The strength ant Kingdom fully supports this!”

Yi Xing was the second to speak.

Soon after.

Feng yaozhi, Zhang Wude, and Haoyue also agreed to it.

Only Ling Yue and Ling Wuxian were left.

### 364 The arrival

The corner of Ling Yue's eyes carried a hint of coldness as she glanced at Haoyue. Haoyue immediately lowered his head, not daring to meet Ling Yue's eyes. His heart was filled with apprehension and nervousness.

One had to know.

The bright moon Yao Kingdom had always been 'protected' by the spirit moon Yao Kingdom. Every year, they had to offer a certain amount of resources and the fate of the country.

There was a saying that even the spirit moon Yao Kingdom had yet to express their stance, and the bright moon Yao Kingdom, which was 'under their protection', had already made their stance clear. What was the meaning of this? Was he in such a hurry to change to a 'new master'?

"Ling Yue, Ling Wuxian."

Yao dingtian snorted coldly and said, "all the monster Kings of the monster dynasty have agreed. Now, only the two of you are left? Why? Are you guys unconvinced of the sky Demon King?"

"Or do the two of you have other thoughts?"

"I would like to hear your other thoughts."

the heavenly demon king's gaze fell on ling yue and ling wuxian, giving them great pressure.

the five spirit demon Kingdom fully supports the sky demon monarch's decision.

Ling Wuxian said.

“.....”

Ling Yue was silent for a moment before she finally bowed to the sky Demon King and said, “The spirit Moon Demon Kingdom has an additional opinion!”

“Hu ~~ Hu ~ Hu ~”

Haoyue secretly let out a sigh of relief. At the same time, he sneered in his heart, thinking, “no matter how powerful your spirit moon Fey Kingdom is, you'll still have to obediently submit to the sky Fey Kingdom.”

“Very good,” he said.

A smile appeared on the heaven demon monarch's face.

Everything was as he had expected.

.....

In the morning.

the southern border county of the great xia dynasty, 'wild goose county'.

In the air.

it was a large military transport plane that was flying over at high speed. it hovered above the 'fallen goose county' and slowly landed.

It stopped in the open space outside the city of the fallen goose County.

On the city wall.

The soldiers of the luoyan County looked over and saw the huge iron bird falling from the sky. They were all shocked and had the same reaction as the soldiers of the Linglong County.

Immediately.

The mechanical door opened.

Jiang Li walked out.

DTS01 and MYL01 followed Jiang Li, only half a meter away, followed by ordinary Mechanical engineers, mechanical soldiers, and a hundred mechanical teleporters.

The transport mech pilot, BGC-yks01, followed closely.

Buzzzzzz!

Immediately after.

The transport mech pilot retracted the large military transport plane and turned into a stream of energy light, turning into a mechanical watch on the transport mech's left wrist.

"Your Majesty, I, Luo dingyang, am here to pay my respects!"

the city gate opened.

Not long after Jiang Li arrived, Luo dingyang, the county King of luoyan County, came to welcome him with the officials of luoyan County.

“Yes.”

Jiang Li nodded in response.

“This commoner pays his respects to Your Majesty!”

In the surroundings.

The people of luoyan County all kowtowed.

Half an hour later.

The West City of luoyan County.

“Rumble!”

The normal mechanical soldiers started to work, conjuring bulldozers and excavators to demolish the buildings in the West City of the fallen goose County.

half a day later.

A large empty space was cleared out.

“To build the Army base.”

Jiang Li used another one hundred million energy points to build the third base. The normal Mechanical Engineers and mechanical soldiers spread out and stood around the open space.

wuwuwuwuwu!

A black light emerged.

After that.

...

It was the illusory army base. A large number of energy points were injected into it, and the illusory building quickly solidified.

An hour later.

Shua!

[ army base No. 3 has been successfully built! ]

A notification appeared.

The third base was completed.

It had all five facilities.

As there were no manufacturing facilities, other than the construction center, the other four facilities were temporarily unusable.

This time.

Nothing like what had happened in Ling Jue County had happened in the fallen goose County. Luo dingyang had been very well-behaved, and he had even sent soldiers to guard the west side of the city, preventing anyone from approaching.

BOOM!

...

The iron gate of the base opened.

Jiang Li walked in.

He went straight to the room in the ruler's hub.

Buzzzzzz!

The 'heart of the base' had already been activated, and a 'purple face' had been formed.

"My Lord, the Army base 03 is at your service!"

A mechanical voice sounded.

"Yes."

yes. Jiang Li nodded. you must be the hidden Dragon No. 3.

"Yes."

The hidden Dragon No. 3 responded.

mechanical teleportation soldier.

set up a teleportation station in the base immediately. Jiang Li ordered.

"Yes."

Yes, sir! the hundred mechanical soldiers replied.

After that.

He started working.

After spending ten million energy points, he built the ‘teleportation minute’ on an empty space ten meters away from the ‘mech factory’. It took him half an hour to complete the construction.

Soon after.

The mechanical soldier used the ‘wormhole channel control’ skill, and there were clear spatial fluctuations as he successfully made contact with the ‘normal wormhole creator’.

Buzzzzzz!

ten wormholes appeared.

it was like a black vortex.

“lord, the teleportation station is complete.”

The mechanical soldier reported to Jiang Li.

“Alright,” he said.

” okay. ” jiang li nodded in satisfaction.

As a result ...

Jiang Li teleported 100000 mech pilots, 10000 Air Scouts, and ten perfected-stage level-four Ares-class mechas from the base of Army 01.

in order to facilitate communication.

Jiang Li used seven level-two soul Tinders and 98700 energy points to upgrade the seven perfected-stage information meches into perfected-stage level two holographic meches.

QX01 followed Jiang Li to the ‘capital of the great Wei’, QX02 stayed in the base of Army 02, and QX03 stayed in the base of Army 03.

QX04 to QX010 were to stay at the base and wait for orders.

At the same time.

most of the meches were also in the base.

He was on standby.

Boom! Boom! Boom!

The large military transport aircraft,”CGB-

“Farewell, Your Majesty!”

At the city gate of luoyan County.

luo dingyang and the others stood together and looked up at the huge iron bird. their eyes were filled with respect and their tone was respectful as they shouted in unison.

“Hu ~~ Hu ~ Hu ~”

The officials of luoyan County heaved a sigh of relief. His Majesty has finally left. To be honest, the pressure is too great to face His Majesty. I can't even breathe.

"That's right,"

"His Majesty's prestige is truly too heavy."

They sighed.

"I don't know what his majesty has done in the west city. it seems like he has pushed down many buildings. "

"I'm really curious."

They discussed in low voices.

"Shut up!"

Luo dingyang's face darkened as he rebuked, "this king does not wish to hear anyone discussing the matters of the 'west city', and i do not wish for anyone to be unable to resist their curiosity and probe into the secrets of the 'west city'."

"Whoever dares to act rashly, don't blame this King for being ruthless."

"Did you hear me clearly?"

"Yes."

"We don't dare, we don't dare."

"....."

Everyone said in fear.

In reality.

the news of what had happened in ling jue county had spread in secret over the past few days. all the county princes of the great xia dynasty had learned of xiao lingyun's sudden death.

Luo dingyang didn't want to end up like Xiao Lingyun.

And now.

The great Xia Dynasty was at its peak, and it was becoming stronger and stronger. If it continued to develop like this, it would not take long for it to become a top human dynasty.

luo dingyang was the lord of a county.

as the great xia dynasty grew stronger and stronger, his status would only get higher and higher, and the benefits he could obtain would only grow.

so,

To protect the interests of the great Xia Dynasty was to protect his own interests.

In the evening.

The capital of the great Wei.

Wei Royal Palace.

right in front of them.

On the main seat.

Wei Zheng was sitting on top, surrounded by a faint blue mist of the National aura. His figure could not be seen clearly, but there were several other people in the hall besides Wei Zheng.

Outside the palace.

It was heavily guarded.

However ...

The Wei Royal Hall was quiet.

“Is Emperor Xia Jiang Li not here yet?”

At this moment.

Someone said.

This white-haired old man was the human King of Dong Lin country, Dong Xiao. He furrowed his brows and said in a deep voice, is Emperor Xia Jiang Li not coming? ”

“.....”

In the surroundings.

The other human Kings were silent.

On the main seat.

Wei Zheng didn't say anything.

Prince Wei, since Emperor Xia and Jiang Li are not going to be here, why don't we talk about the Alliance meeting later? ”

Jin Wushuang, the human King of the Jin dynasty, was smiling.

“Everyone isn't here yet, so what Alliance can we talk about?”

The human King of the Yongling dynasty, Ling Tian, said.

he's just Jiang Li. It doesn't matter if he's here or not.

Dong Xiao shouted.

“Your Majesty.”

at this moment.

A voice came from outside the hall.

“What's the matter?”

Wei Zheng asked.

a huge iron bird suddenly appeared in the sky outside the capital. It's flying towards the palace. Its origin is unknown, but we've already sent troops to intercept it.

The soldiers outside the hall reported.

“A giant iron bird?”

“I heard that the great Xia Dynasty has many strange things.”

“Don’t tell me the iron bird Taowu ...”

jin wu shuang and the others looked at each other.

“Roar!”

Suddenly.

a vast dragon’s roar came from outside.

“Ah!”

immediately after.

Screams rang out.

Shua! Shua! shua!

The next moment.

The figures of the various human Kings in the hall flickered and all disappeared. They left the hall and flew into the sky. One by one, the true dragons of the country’s fate manifested.

In the sky above the capital of the great Wei.

Numerous true dragons of the country’s fate gathered and circled in the sky. Their might was vast and all the citizens in the capital raised their heads to look at them in awe.

Such a scene.

It was truly a rare sight.

at this moment.

in front of them.

The 2,500-meter-long Azure Dragon of Xia showed up and released its dragon power. Jiang Li was standing on the dragon's head.

On the ground.

The great Wei soldiers were lying on the ground one after another with blood flowing out of the corners of their mouths. Their injuries weren't light, and they had all lost their combat strength.

Obviously.

Jiang Li just entered the capital of the Wei Kingdom on a large military transport plane and was immediately attacked by the Wei soldiers. Jiang Li attacked and defeated all the soldiers.

that was how such a scene happened.

“Prince Wei,”

Jiang Li put his hands behind his back and shouted indifferently, “Is this how your Wei Dynasty treats its guests? For the sake of the prosperity of the human race, I have traveled a long distance. I didn't expect that I would be attacked by great Wei's soldiers the moment I arrived at the capital.”

Shua! Shua! Shua!

In the surroundings.

Feng chenzi, Wei Lin, Wu changding, Wei Wuxian, and the other Pavilion elders arrived. Seeing the great Wei soldiers lying on the ground, their faces were filled with Fury.

365 The great Cang

Emperor Xia, Jiang Li!

Wu changding had a delicate face and was dressed in a green robe. He shouted in a deep voice, " you didn't reveal your identity and directly barged into the capital of the great Wei Kingdom. You only have yourself to blame for being attacked by the great Wei Army's soldiers.

"That's right!"

no matter what, Emperor Xia, Jiang Li, you shouldn't have injured the Wei soldiers!

"You must apologize!"

The pavilion elders chided him in a deep voice.

In the surroundings.

jin wushuang, ling tian, and the other human kings were all silent. they were observing jiang li carefully. this 'legendary figure' was able to develop a new 'great xia dynasty' to such a great extent in just over a month.

He had destroyed two thousand-year dynasties in succession.

The panic demon dynasty and the lion barbarian kingdom.

This wasn't something that could be explained by luck or chance.

Come to think of it.

This Jiang Li, Emperor Xia, must be extraordinary.

Now, he had seen it with his own eyes.

They found that Jiang Li had already reached the mid-stage of level four. He wasn't weak at all.

However ...

He thought about it carefully.

the great xia dynasty had destroyed several dynasties and devoured the fate of the dynasty. jiang li naturally received the feedback of the fate of the country. it was normal for his cultivation to improve.

“You're too noisy!”

Jiang Li glanced at Feng chenxi and the others coldly.

“Enough!”

at this moment.

“Wu changding, send someone to bring the injured soldiers back to the camp for treatment,” Wei Zheng ordered in a deep voice.

“Yes.”

wu changding nodded and accepted the order.

“jiang li.”

Wei Zheng raised his head. you’re too late.

“It’s not too late.”

Jiang Li smiled. I think it’s perfect.

“Hmph!”

Wei Zheng snorted coldly. since you’re here, then enter the palace.

Shua!

As soon as he finished speaking.

Wei Zheng was the first to return to the Wei Royal Palace.

Dong Xiao followed closely behind.

Jin Wushuang, Ling Tian, and the others also returned to the Wei Royal Palace.  
Jiang Li took his time and walked into the Wei Royal Palace with DTS01, MYL01,  
and QX01.

The vast true dragons in the sky disappeared one by one.

bagc-ysk01 was waiting in the air with the transport plane.

“this jiang li is a coward!”

Feng chenzi frowned,”I feel like something’s off.”

“Don’t worry.”

Wei Wuxian and the other Pavilion elders didn’t seem to mind. His Majesty, the King of Wei, has already broken through to the early stage of the fifth rank. He’s already in an undefeatable position.

he can’t do anything with just Jiang Li.

They were full of confidence.

Within the palace.

Other than the Shu country.

All the human Kings of the human dynasties in the northern region of holy peace state were present.

Wei Zheng of the Wei Dynasty, Jin Wushuang of the Jin dynasty, Jiang Li of the Xia Dynasty, Dong Xiao of the Donglin Kingdom, Ling Tian of the Yongling dynasty, and Cang Wu forest of the great Cang nation.

there were six human dynasties in total.

On the surface.

Out of the six human dynasties, only the great Wei Dynasty, the great Jin dynasty, and the great Xia Dynasty were truly worthy of being mentioned.

The great Cang nation’s National fate ranking was the last.

“Yes.”

...

wei zheng gave dong xiao a look.

“Ahem.”

Dong Xiao immediately understood. He stood up and said, ” everyone, the human Kings of the human dynasties in the northern region of the Holy peace state are all here. Since we’re going to form the ‘Alliance of human dynasties’, we naturally have to choose a’ leader ‘and give a unified order to gather the power of all human dynasties.

“I suggest that the position of ‘leader of the Alliance’ should be given to Prince Wei.”

“i don’t think there’s any other human emperor more suitable than prince wei.”

Ling Tian remained silent.

the yong ling dynasty wasn’t strong to begin with, so they didn’t have the confidence to speak. they glanced at jin wushuang and jiang li.

Obviously.

Now, only Great Jin and great Xia could challenge great Wei.

If Jin Wushuang and Jiang Li both agreed.

He could only accept it in silence.

...

“Do you have any objections?”

Wei Zheng stood up and went straight to the point. if no one objects, then from now on, the 'Alliance of human dynasties' is officially established.

I will be the leader of the Alliance. The fate of all the human dynasties will merge into one from today on, with the Wei Dynasty as the leader. All of you can enjoy the blessing of the fate of the country.

"I don't agree!"

Finally ...

Jin Wu Shuang couldn't help it.

One had to know.

According to Wei Zheng.

Once the 'Alliance' was established, the fate of the various human dynasties would be assimilated by the great Wei Dynasty, and Wei Zheng would be able to obtain the fate of all the human dynasties without any effort.

The human race that had unified the northern region of holy peace state.

The great Jin dynasty would only exist in name.

"Jin Wushuang."

Wei Zheng wasn't surprised. This was all within his expectations. No one would willingly hand over something they had worked so hard for.

At least not before he recognized the reality.

"you have to agree even if you don't want to."

Buzzzzzz!

As soon as he finished speaking.

Wei Zhengtu finally revealed his true colors.

in that instant.

his cultivation at the early stage of the fifth rank erupted, and the 'big wei blue dragon technique' circulated. an incomparably vast aura surged out, forming a terrifying domain.

He suppressed the entire Wei Royal Palace.

“Roar!”

A Dragon's Roar resounded.

A three-clawed Blue Dragon appeared on Wei Zheng's body. The lifelike dragon head leaned on the head of the Prince of Wei, and its sharp dragon eyes stared at Jin Wushuang.

“His Majesty, Prince Wei, has finally made his move.”

Outside the palace.

Feeling Wei Zheng's powerful aura, Feng chenzi and the others immediately laughed out loud, ” you should have done this long ago!

“we should've taken action long ago.”

“You're right.”

“I gave them face but they didn’t know how to cherish it. They had to resort to violence.”

“.....”

The pavilion elders sneered.

“You, you, you, you, you, you, you ...”

Jin Wushuang’s face was pale. The aura that Wei Zheng released was all pressing on Jin Wushuang, making him feel a sense of powerlessness and fear.

Initial-stage Tier 5!

wei zheng had really broken through!

Buzzzzzz!

Jin Wushuang activated his cultivation technique and a Dragon Shadow appeared, but he couldn’t resist Wei Zheng’s aura. Gradually, he was suppressed and finally couldn’t hold on any longer. He knelt on the ground in humiliation.

One had to know.

Jin Wushuang was the ruler of a country, but he was forced to kneel down in front of everyone by Wei Zheng’s aura.

He had lost all his face.

“Si si si ...”

Ling Tian took in a breath of cold air and was extremely shocked, ‘fifth tier, it’s really fifth tier! Wei Zheng has really broken through to the fifth rank!’

“It seems like no one here can stop Wei Zheng.”

“I’m afraid not even Jiang Li can do it.”

without the strength of a fifth-rank, it’s impossible to fight Wei Zheng.

“Dong Xiao greets the alliance leader!”

dong xiao of dong lin country immediately knelt on the ground and shouted.

“Who else is unconvinced?”

Wei Zheng’s eyes swept over everyone again.

“Ling Tian greets the alliance leader.”

Ling Tian let out a long sigh. Although he was unwilling, he had no choice but to kneel down and submit to Wei Zheng. After all, there was no point in continuing to resist.

“Jiang Li.”

what about you? ” Wei Zheng looked at Jiang Li. He basically ignored Cang Wulin from the great Cang Kingdom.

obviously.

The great Cang nation’s ranking was too low, and the nation’s fate was too weak. Wei Zheng wasn’t too interested in it, and he was most concerned about the great Xia Dynasty.

“Hehe.”

At this moment.

Before Jiang Li could say anything, Cang Wulin suddenly smiled and slowly stood up under everyone's gaze. He had a scornful smile on his face.

“Wei Zheng, I have something to tell you.”

Cang Wulin looked at Wei Zheng and said with a half-smile, ” “Do you know the meaning of the phrase ‘when there is no tiger in the mountain, the monkey will be the king’?”

“The vast forest!”

“What is he trying to do?”

” he’s crazy. he’s ranked last in the national fortune rankings, yet he dares to challenge wei zheng. i’m afraid he doesn’t know how the word ‘death’ is written. ”

Ling Tian and the others were stunned.

“You’re so silly!”

Wei Zheng was also taken aback and did not react in time. He did not expect that Cang Wulin would jump out at this time and even dare to speak rudely. This was somewhat beyond his expectations.

“Interesting.”

Jiang Li crossed his arms and sat on the chair with a faint smile on his face as if he was watching a drama. this great Cang Kingdom doesn’t seem to be simple.

“Hahahahaha!”

He came back to his senses.

Wei Zheng laughed out loud, a cold look on his face. Cang Wulin, it seems like I've been too kind to you. You don't know how high the sky is.

"No, no, no,"

Cang Wulin shook his head, "you're the one who didn't know the immensity of the heavens and earth from the start.

Wei Zheng, do you know why the great Cang nation's fate has not changed even after thousands of years? it's ranked first from the bottom.

"Oh, no, there was a change. When the great Xia Dynasty was just established, it took the last place of the great Cang nation," said Cang Wulin.

he said.

Jiang Li. Cang Wulin glanced at Jiang Li.

"....."

Jiang Li shrugged.

what other reason could it be? the great Cang nation is just too weak.

wei zheng said.

"Yup,"

cang wulin sighed, "the great cang nation is too weak. it is so weak that it has existed in the northern region of the sacred peace state for thousands of years without being destroyed. it is so weak that it is still ranked last, but no dynasty has been able to destroy it."

“You!”

Wei Zheng was shocked.

BOOM!

The next moment.

Cang Wulin’s aura burst out and a vast amount of energy rushed out, stirring up the surrounding spiritual Qi and forming a huge spiritual Qi Whirlpool.

Roar!

Immediately after.

The country’s fate true dragon appeared on Cang Wu Lin’s body as well. It was a dark grey color as it sat on Cang Wu Lin’s body and the dragon’s head was on his head.

However ...

The great Cang nation’s true dragon was too weak.

It was completely incomparable to great Wei.

However ...

Cang Wulin’s aura was not any weaker than Wei Zheng’s!

Initial-stage Tier 5!

Obviously.

cang wulin was also at the initial stage of the fifth rank!

True core realm!

“This Suan ni, this Suan ni”

the vast forest is actually at the initial stage of the fifth rank!

“F \* ck!”

“are you playing the pig to eat the tiger?”

Jin Wu Shuang and the others were stunned.

“Not good!”

“Something has happened!”

this powerful aura isn't from His Majesty, Prince Wei. Could it be that there's a second type 5 expert here? ”

Outside the palace.

after sensing this aura, feng chenxi and the others were greatly shocked.

shua!

Suddenly.

Cang Wulin waved his right hand and a white ‘imperial decree projection’ appeared in his hand. As it slowly unfurled, a three-clawed White Dragon emerged from the Imperial decree.

“Whoosh!!!”

An incomparably thick National aura and Dragon’s might were released.

He suppressed the entire scene.

“Shu country!”

When the three-clawed White Dragon appeared.

Wei Zheng’s pupils constricted as he recognized her immediately.

366 Cough cough

“Roar!”

an extremely loud dragon’s roar.

The three-clawed White Dragon sat in the Wei Royal Palace. It was not very long, only a few meters long. Its entire body was emitting a faint white luster, but it was very lifelike, as if it was real.

It was as if it was carved out of white jade by a master sculptor.

“Shu country!”

“It’s the Shu country!”

“The great Cang nation is actually related to the Shu nation?”

“What’s going on?”

Dong Xiao and the others were incomparably astonished.

by the order of King Shu: I heard that the King of Wei of the Wei Dynasty, Wei Zheng, wants to establish a human dynasty Alliance for the prosperity of the human race. I am very pleased, and I have specially sent an imperial edict from the vast forest region. The leader of the Alliance should be the great Cang country.

At this moment.

the three-clawed white dragon in the air spoke in the human language and slowly read out the decree of the king of shu.

King Shu had not arrived yet, but he had sent an ‘imperial edict’ to determine the position of the leader of the Alliance.

furthermore ...

He actually wanted the great Cang nation to be the leader of the Alliance.

one could see his attitude and dominance.

“What?”

“This Suan ni, this Suan ni”

Jin Wu Shuang and the others were also stunned.

“the shu country.”

Jiang Li sized up the three-clawed White Dragon. He could clearly feel the power of the Dragon contained in it. It was so powerful that it was almost tangible.

It had already far surpassed great Wei.

The strength of the country's fate was not on the same level.

"As expected, the Shu country has interfered."

Jiang Li thought.

"that's why i said ..."

"Wei Zheng, I said that you're a frog at the bottom of a well who doesn't know the immensity of heaven and earth." Cang Wulin said with emotion. Do you think you can unite the human race in the northern region of the Holy peace Region?"

"You're taking it for granted."

"Hehe, Yingluo."

Wei Zheng took a deep breath and looked at the vast forest and the three-clawed White Dragon. He sneered, "So that's how it is. Cang Wulin, you've hidden yourself quite deeply."

"No, it should be said that the Shu country has hidden very deeply."

"The great Cang nation is actually a subsidiary of the Shu nation."

"that's right."

Cang Wulin nodded his head and did not deny it, "the great Cang nation is indeed a subsidiary of the Shu nation. Every year, they have to offer up more than 90% of their National fortune to the Shu nation. That's why the great Cang nation's National fortune has always been ranked last.

” however, because of the shu country’s support, the great cang country’s power will only grow stronger and stronger. that’s why it has been able to exist for thousands of years without any dynasty being able to destroy it. ”

“King of Shu’s imperial edict is here, why don’t you all quickly bow your heads and submit.”

Cang Wulin shouted.

Obviously.

King Shu didn’t even need to show himself. He only sent out Cang Wu Lin to take over the Alliance.

This was because the great Cang nation was a vassal state of the Shu nation.

Therefore, more than 90% of the country’s fate had to be offered to the Shu country unconditionally.

In other words ...

king shu didn’t have to do anything. all he had to do was issue an imperial edict, and the ‘alliance of human dynasties’ that wei zheng had spent so much effort to create would change hands.

He sat steadily in the fishing platform.

“Shut up! Cang Wulin, you think you’re worthy?”

Wei Zheng shouted, ” you want the position of the ‘leader of the Alliance’ and the fate of the human dynasty? fine! Let King Shu come in person. You’re not qualified!

“Hehe, looks like we’re going to have a fight.”

Cang Wulin said.

“Do it!”

“Roar!”

in an instant.

Wei Zheng was the first to attack. He raised his palm and energy gathered, forming a huge energy palm print that shot toward the vast forest.

“alright!”

...

Bang!

Cang Wulin raised his hand and threw a punch. The direct clash had destroyed Wei Zheng’s palm.

Shua! Shua!

BOOM!

Cang Wulin and Wei Zheng were like two streams of light as they fought in the Wei Royal Palace. When they collided, the roar of a Dragon resounded in all directions.

an energy storm spread in all directions.

Bang Bang Bang Bang!

A series of explosions rang out.

“They still fought.”

“Quickly retreat!”

Ling Tian and the others were shocked and quickly retreated.

...

Buzzzzzz!

let's go! MYL01 stood beside Jiang Li. His demonic energy gushed out and formed a light curtain in front of Jiang Li, blocking all the aftermath of the battle.

it didn't affect jiang li at all.

“So strong!”

what? ” Jin Wushuang was shocked. Jiang Li's man was able to block the shockwaves of a level five battle so easily. He must be very powerful.

He must have reached the perfected stage of Tier 4.

As for the fifth step.

jin wu shuang had never thought about it.

This was simply impossible.

To tell the truth.

Wei Zheng's breakthrough wasn't a big deal. After all, the news had spread long ago. Suddenly, there was also the appearance of the vast forest, who was also a Tier 5 expert and was related to the Shu country.

This was already incredible enough.

Jin Wushuang didn't think that Jiang Li would have a level five subordinate.

their cultivation could reach the fifth step.

How could he stay in a small human dynasty? not to mention the strength of a Tier 5, as long as he was willing to spend time and effort, he could establish a powerful dynasty. Even if he entered a dynasty, he could take on the position of an important Minister and enjoy the blessing of the dynasty.

It was impossible for him to be willing to be a subject of a human dynasty.

kachaa! Kachaa!

boom!

Finally ...

The majestic hall of Wei could not withstand the battle between two early-stage type 5 powerhouses. The resplendent Golden Hall exploded, and the debris of the buildings flew everywhere.

The ground shook violently.

roar! Roar!

The Dragon's Roar resounded in all directions.

Shua! Shua!

It could be seen.

Wei Zheng and Cang Wulin had already fought high up in the sky. Their strength was almost equal, and it was difficult to determine the winner in a short time.

Big Wei's Blue Dragon appeared.

The 3,000-meter-long Dragon's body meandered like a mountain range as it roared continuously. The vast National aura was released, giving Wei Zheng a strong protection.

At the same time.

The great Cang country's National aura true dragon had also condensed.

it was gray.

The great Azure Gray Dragon.

it was just a comparison between the two.

The difference was too great.

the great azure gray dragon was only three hundred meters long.

The difference was ten times.

you dare to release such a weak true dragon of National aura to embarrass yourself? ”

wei zheng sneered.

“Blue Dragon Seal!”

Buzzzzzz! Buzzzzzz!

Wei Zheng’s hands formed a seal and formed a series of seals. They merged into one and turned into a Blue Dragon-shaped seal. With a Dragon’s Roar, it charged toward the vast forest.

“Is that so?”

Cang Wulin’s expression was calm, ” the White Dragon imperial decree projection!

Shua!

The next moment.

The three-clawed White Dragon appeared and then merged with the great ashen gray Dragon. The great ashen gray Dragon seemed to have eaten hormones. It grew in the wind and instantly grew to a length of three thousand meters.

It was gray-white in color.

“Grey dragon Seal!”

Buzzzzzz!

Cang Wulin did the same, forming a grayish-white Dragon Seal that clashed with Wei Zheng in the air.

BOOM!

An earth-shattering explosion resounded. The energy exploded and shook the firmament. It set off a vast energy storm that swept in all directions.

Bang Bang Bang Bang!

A large number of buildings collapsed.

the wei royal palace was facing a disaster.

“So strong!”

“Is this the power of a rank 5? The difference is too great!”

“Si si si ...”

Jin Wushuang and the others were shocked. They couldn't even think of resisting. They had accepted their fate. Although they were swallowed by a human dynasty, it was better than being destroyed by a foreign dynasty.

“He actually borrowed the power of the Shu country's fate.”

Wei Zheng said in a deep voice.

“Blue Dragon imperial decree, Blue Dragon Imperial Jade seal.”

Shua! Shua!

The next moment.

Wei Zheng released two ‘sacred weapons of National fate’. A blue imperial edict and a blue imperial seal appeared and floated beside Wei Zheng, exuding a powerful aura.

“Wei Zheng, you've even taken out your sacred weapon.”

cang wulin laughed, but he remained calm, ” however, i have a holy weapon of national fortune too. ”

Buzzzzzz!

Immediately.

Cang Wulin waved his right hand and took out a pure white Imperial Jade seal. This time, it was not a projection but the true ‘sacred weapon of the nation-Imperial Jade seal’.

Furthermore ...

It was the White Dragon Imperial Jade seal of Shu country.

“Shu country’s ‘National fortune Saint artifact’!”

Wei Zheng was stunned. the king of Shu actually gave it to you!

“Nothing is impossible.”

Cang Wulin said.

“suppress!”

Cang Wulin waved his right hand and the White Dragon Imperial Jade seal rose into the air. It grew with the wind and turned into the size of a vast mountain, reaching a height of ten thousand meters.

“Roar!”

Immediately after.

a total of nine three-clawed white dragons appeared and revolved around the white dragon imperial jade seal.

Its might was monstrous.

It suppressed everything.

“Si si si ...”

too strong. This is too strong.

“Is this the power of the Shu country? It’s just a ‘holy weapon of National fate’, and it already has such power. It’s hard to imagine how powerful King Shu is!”

“It’s too terrifying.”

Jin Wu Shuang and the others were extremely shocked.

set up the formation!!!

Buzzzzzz! Buzzzzzz!

” kill!!! ”

at this moment.

feng chenzi, wu changding, wei lin, wei wuxian, and the other pavilion elders of great wei had a total of ninety-nine pavilion elders, which meant that there were ninety-nine tier 4 experts.

Other than that.

There were also the four National Guardian armies, great Wei's elite army, and great Wei's Imperial Army.

They all gathered together.

he had set up several tier 4 grand arrays!

“Condense!”

Roar! “roar!”

Several beasts roared and gathered together. The power of the battle formation combined with Wei Zheng's, and the power of the 'Blue Dragon imperial edict' and 'Blue Dragon imperial seal' increased greatly.

In the end.

It could be seen.

The White Dragon Imperial Jade seal suppressed the Blue Dragon imperial edict and the Blue Dragon Imperial Jade seal. The two sides collided in the air, and the blue and white lights kept exploding.

boom! BOOM! BOOM!

A series of explosions reverberated in all directions.

“Roar!”

The nine white dragons roared.

Bang!

Energy exploded.

The White Dragon Imperial Jade seal was sent flying.

“What?”

Cang Wulin was shocked.

“Pfft!”

He spat out a mouthful of blood.

His body was sent flying.

“Roar!”

Big Wei’s Blue Dragon appeared and roared continuously. It let out a huge dragon roar and its might was boundless.

the vast forest had lost!

“Hahahahaha!”

Wei Zheng laughed wildly. His aura was boundless as he looked down at everyone. His power rose and reached its peak. Cang Wulin, do you think you can win by borrowing the power of the Shu country? ”

“laughable!”

“what you borrowed is only borrowed. it doesn’t belong to you. it’s just an affiliated kingdom, so what if it has existed for a thousand years? You dare to compare with my great Wei!”

“You’re far from it.”

from today on, the great Wei Dynasty will be the leader of the human dynasty Alliance. All the fate of the human dynasty will be integrated into the great Wei Dynasty.

“Who dares to object?”

“The Yongling dynasty has an additional opinion!”

” donglin kingdom fully supports this! ”

“From today on, the great Jin dynasty will follow the great Wei Dynasty’s lead.”

Jin Wu Shuang, Ling Tian, and Dong Xiao immediately lowered their heads and replied.

Your Majesty is unparalleled in the world and has unified the Northern Territory!

“Unparalleled! Unify the Northern Territory!”

“!!!”

In the surroundings.

The great Wei Army shouted in unison.

“Hahahahaha!”

Wei Zheng laughed wildly again.

“You’re so silly!”

Cang Wulin coughed up blood as he looked at Wei Zheng, who was in the limelight. He was extremely unwilling to accept this. He gritted his teeth and said, "damn it! If not for the help of a Tier 4 Grand array, how could this one possibly lose?"

\* Cough cough \*

At this moment.

cough, cough. Jiang Li coughed. His voice wasn't loud, but it was clear enough for everyone to hear. I don't agree!

Chapter 367 take action

Silence!

There was a sudden silence!

That's right.

"what?" when jiang li said that, everyone was stunned. then, the whole place fell silent.

Shua! Shua! Shua!

Everyone's eyes were on the great Wei soldiers, Feng chenzi, Wei Lin, Wu changding, and the other 99 Pavilion elders, as well as Jin Wushuang and the other human Kings.

They all looked at Jiang Li.

His expression was one of shock.

“this jiang li is a coward!”

cang wulin was stunned, ” what does he want to do? You must know that I couldn’t defeat Wei Zheng even with the help of the White Dragon Imperial Jade seal. Is he courting death by jumping out at this time? Are you tired of living?”

“Jiang Li!”

Jiang Li. Wei Zheng turned around and looked at Jiang Li. He calmed down and said, ” I thought you were a smart person, but it seems like I was wrong.

“At this time, you still dare to jump out and object.”

“You’re very bold.”

“However, it’s also seeking death!”

“Are you looking for death?”

Jiang Li shrugged and said calmly, ” “i don’t think so,”

“What’s Jiang Li relying on? You must know that even with the help of the ‘White Dragon Imperial Jade seal’, the vast forest still lost.”

Ling Tian thought to himself, ’does Jiang Li have a level five martial artist? this was impossible. how could there be a tier 5 existence in the great xia dynasty? Besides, even if he did, he might not be able to beat Wei Zheng.”

“Isn’t the vast forest also at the fifth step?”

“We still lost in the end.”

“Jiang Li.”

Jin Wushuang was also looking at Jiang Li's back. he jumped out at this time when Wei Zheng's power is at its peak. I'm afraid Wei Zheng will use Jiang Li as an example.

after all, Wei Zheng's dignity has been challenged time and time again. He'll definitely punish him to scare us. The great Cang is backed by the Shu Kingdom, so Wei Zheng can't kill him, but Jiang Li's different. He doesn't have any backing.

I think Wei Zheng will try to kill Jiang Li.

"i'm afraid jiang li's going to die. it's not wise for him to do this. "

"Jiang Li!"

Jiang Li! Dong Xiao jumped out and pointed at Jiang Li like a clown, yelling, "you are too arrogant. How dare you oppose Prince Wei? what is a mere great Xia Dynasty? "

"I advise you to immediately bow down and apologize to the King of Wei. Perhaps you can still keep your life. Otherwise, you will die today."

"noisy thing."

shut up. Jiang Li glanced at him coldly. slap him.

There were MYL01 and DTS01.

Jiang Li didn't even need to do anything.

Buzzzzzz!

The next moment.

MYL01's figure disappeared in an instant. Other than Cang Wulin and Wei Zheng, no one else could see MYL01's movements clearly.

In an instant.

MYL01 appeared in front of Dong Xiao.

“You're so silly!”

Dong Xiao's eyes widened.

Pa!

After that.

MYL01's palm fell as fast as lightning. Demonic spirit energy gathered, and the crisp sound of a slap rang out, spreading to the surroundings and into everyone's ears.

“Ah!”

Screams!

dong xiao screamed in pain. he had no power to resist as he was sent flying by a single slap from myl01, his body spinning in the air countless times.

Bang!

Finally.

He fell to the ground and crashed into a small pavilion.

half of his face was swollen.

“You, you, you, you, you, you, you ...”

” what? ” dong xiao looked at jiang li and myl01 in horror.

“If you say any more nonsense, it won’t be a ‘slap’.”

...

Jiang Li looked around coldly.

“Gulp!”

dong xiao immediately shut his mouth, not daring to say another word.

It was obvious that he was badly frightened.

“Just ran ran, just ran ran”

“What’s going on?”

“Dong Xiao, he’s a coward!”

Ling Tian and Jin Wushuang looked at each other and saw the shock in each other’s eyes. Then, they looked up at Jiang Li and then at MY01.

“It’s him!”

Feng chenzi’s pupils contracted as he felt a sense of familiarity from MYL01, ”  
Jiang Li’s subordinate, that alien, how did he become so strong? ”

“I couldn’t even see his movements clearly just now.”

...

back then, in the capital of da qian.

Feng chenzi had seen the strength of MYL01 before. It was just that MYL01 was only at the peak stage of the fourth step back then, but now it was already at the early stage of the fifth step.

fifth-rank?!

” what? ” cang wulin was shocked. he looked at jiang li and his expression changed. ” i didn’t expect that i’m not the only one who’s pretending to be weak. i didn’t expect jiang li to also have a level five trump card. ”

“It’s just that he’s angry.”

Cang Wulin looked at Wei Zheng, then at the surrounding great Wei Army, ” it’s useless. A mere early-stage fifth-rank subordinate can’t change anything.

this is Wei Zheng’s home ground, after all. He has the help of the entire dynasty’s Army.

“Hahahahaha!”

Suddenly.

Wei Zheng laughed and said, ” interesting, this is really interesting. Oh, Emperor Xia, you really have hidden your strength well.

“i really didn’t expect this.”

the great Cang nation has existed for a thousand years. It has been a human dynasty for a thousand years. In addition, it is backed by the Shu nation. Therefore, it is reasonable for it to have an early stage rank 5 Cang Wu forest.

“But you?”

” he founded the great xia dynasty a month ago. in such a short time, it rose to power and swallowed several foreign dynasties. ”

even the lion barbarian kingdom and the panicky demon dynasty were destroyed by your hands. Although the lion barbarian kingdom and the panicky demon dynasty were thousand-year-old dynasties, you had a rank five subordinate, so they were naturally destroyed by you.

great Xia’s National aura true dragon has now reached 2500 meters.

“Tier 5!”

Wei Zheng sighed. it took me a long time and a lot of effort to break through to the fifth rank. I’ve taken the most crucial step.

“It was so difficult.”

“But you have a fifth-ranked subordinate.”

I don’t believe that you don’t have any secrets. You must be hiding a huge secret, and it’s this secret that allowed you to rise so quickly.

“Five Luan Luan, rank five Luan Luan”

Jin Wu Shuang sucked in a breath of cold air. He had his suspicions just now, but he wasn’t sure. But when Wei Zheng said it himself, he was shocked.

Jiang Li really has a level five subordinate!

ling tian cried out in shock, ” my god, how did he do it? And how did he subdue a Tier 5 peerless powerhouse? It’s unbelievable.”

” that’s a level five. she’s willing to be jiang li’s subordinate. ”

“He has reached the fifth step?”

Feng chenzi cried out in shock,”when I was ordered to head to the capital of da Qian, he was only at the peak of Tier 4. How could he have broken through to Tier 5 so quickly?”

“Feng chenzi, did you just say that he was only at the peak of the 4th rank?”

wei lin asked.

“Right!”

Feng chenzi nodded.

in less than a month, he broke through from Grand completion Tier 4 to initial-stage Tier 5? ”

wu changding and the other pavilion elders were dumbfounded.

“Jiang Li!”

“You’re too confident,” Wei Zheng shouted.”Do you think you can turn the tables with just an early fifth rank subordinate? You’re gravely mistaken.”

” i can give you a chance. hand over your secret immediately and submit to me. merge the great xia dynasty with the great wei dynasty. i can give you the title of ’emperor xia’. ”

“hehe.”

haha! Jiang Li laughed. Wei Zheng, are you dreaming? ”

“As expected,”

” no. ” wei zheng shook his head. he expected jiang li to refuse. ” you won’t shed tears until you see the coffin. that’s the best word to describe you right now. ”

many people are like this. Before they truly experience what reality is, they will always have unrealistic dreams and extravagant hopes.

“since that’s the case, i’ll personally break your delusion.”

As soon as he finished speaking.

Wei Zheng made his move in an instant.

Shua!

His figure flashed.

he disappeared.

The Blue Dragon imperial edict transformed into a Blue Dragon-shaped spear, which was held in Wei Zheng’s hand, and he stabbed at MYL01.

BOOM!

Demon spirit energy gathered.

MYL01 struck out with all his might. The vast palm print was like a huge mountain, and the Dragon-shaped spear that was transformed from the Blue Dragon imperial decree pierced it.

A ‘bang’ was heard.

the demonic spirit palm print exploded.

The energy radiance filled the surroundings.

Shua!

Wei Zheng rushed out of the energy light that filled the sky. The Blue Dragon Imperial Jade seal floated above his head, and streams of light fell down, forming a light curtain defense.

“Die!”

wei zheng waved his left hand, and the blue dragon imperial jade seal shot toward MYL01.

One had to know.

This was the Blue Dragon Imperial Jade seal that Wei Zheng was personally controlling, and it could fully display its power. In addition, Wei Zheng was only at the early stage of the fifth rank.

the power of this attack far surpassed that of feng chenxi.

It was terrifying.

“Obliteration storm!”

Bang Bang Bang!

MYL01 immediately released his skill, and the demonic spirit energy exploded in an instant, forming a vast destructive storm that spread out, and waves of destructive ripples rushed forward.

“rumble!”

The destructive storm collided with the Blue Dragon Imperial Jade seal, creating a deafening sound. The shockwaves from the battle spread out.

Finally.

The destructive storm dissipated, and the Blue Dragon Imperial Jade seal was sent flying.

One had to know.

Wei Zheng was not an ordinary early-stage level five. Although he had just broken through not long ago, he had the blessing of the great Wei Dynasty’s National aura, the assistance of two ‘National aura Saint weapons’, and the power of the military formation.

however ...

However, MYL01 was able to compete with it.

It had to be said.

The MYL01 was indeed a special troop type, its combat power was indeed far beyond the ordinary early stage of the fifth rank.

“Blue Dragon Seal!”

Roar!

Wei Zheng’s hands formed a seal, forming a Dragon-shaped seal. With a Dragon’s Roar, the seal was like a three-clawed Blue Dragon, directly blasting towards MYL01.

At this moment.

MYL01 had used up all its energy to cast the destructive storm. Even if Jiang Li used energy points to restore it, he wouldn't be able to restore it in an instant.

He needed some time.

even if it was only for a few seconds.

But it could also determine the outcome of a battle.

Jiang Li, you've lost!

Wei Zheng shouted.

The Blue Dragon Seal had already charged over.

"As expected, the result is like this."

No. Cang Wulin shook his head. He wasn't surprised at all. however, Jiang Li's subjects don't have any sacred artifacts or the power of National aura. They don't even have the help of military formations. They're really powerful to fight Wei Zheng on their own.

"What a pity, we still lost."

"Jiang Li lost!"

Ling Tian sighed, " it's a pity. If this wasn't the Wei Dynasty, Jiang Li would be able to escape under the protection of his subordinates even if he couldn't win. I'm afraid he won't have the chance to do so now.

Jiang Li is already strong enough to achieve such a result, but Wei Zheng is stronger.

Jin Wu Shuang said.

haha, Jiang Li, you're dead!

Dong Xiao was extremely pleased with himself.

energy Angel!

Clang!

Suddenly.

A sky-blue sword projection appeared in the air. Without any warning, it crossed the distance of space in an instant and slashed down.

Bang!

The Blue Dragon Seal was obliterated by the sword.

Destroyed with a single sword!

DTS01 destroyed Wei Zheng's Blue Dragon Seal in one blow.

368 Crushing

“Who is it? Who is it?”

Wei Zheng roared loudly.

He was shocked!

At this moment.

Wei Zheng was extremely shocked.

The Blue Dragon-shaped seal released by Wei Zheng exploded in the air, shattering into light spots that filled the sky. It gradually dissipated and finally disappeared completely, not damaging MYL01 at all.

One had to know.

In order to block and defeat the 'Blue Dragon Seal' released by Wei Zheng, one must have the strength of the fifth step. Otherwise, it would be impossible to succeed.

In other words ...

Another person at the fifth step had appeared.

“This bi an ...”

“What just happened?”

it seems like a sword light suddenly appeared, and then Wei Zheng's attack was intercepted.

“Could it be that there's another Tier 5?”

Everyone couldn't help but exclaim.

Shua!

In the air.

After the light faded.

The sky-blue exoskeleton armor covered the entire body of the DTS01, just like an 'Angel battle armor'.

At the same time.

after the energy angel skill was released.

Behind him.

A vast and beautiful energy light wing spread out. It was extremely beautiful, and it was as if there were sky-blue energy feathers scattering.

It was as beautiful as a painting.

Great ten-winged Angel.

He held the Angel's energy sword that was condensed with sky-blue sword radiance in his hand. The energy Sword of Light pulsed with sword radiances that contained extremely terrifying power.

One had to know.

dts01 had only used the tier 4 ultimate skill 'energy angel', but had yet to use the tier 5 ultimate skill 'energy angel'.

This was not even his strongest state.

"It's Yingluo, it's him!"

ling tian's eyes narrowed.

he's Qianqian. He's another subordinate of Jiang Li and Jiang Qianqian!

Dong Xiao cried out in alarm.

“Si si si ...”

what! ” Jin Wushuang couldn't help but gasp. He was shocked. another level five? Jiang Li's two subordinates are both level five? ”

“is this true?”

no wonder Jiang Li is so calm and confident. He even dared to oppose Wei Zheng. He has two level-five subordinates.

“This is truly too shocking.”

“This is impossible!”

Feng chenzi cried out in shock as his eyes widened, how did Jiang Zhiyu and Jiang Li have such powerful strength? how did they have two level-five subordinates? ”

“It's bad!”

Wei Lin's pupils contracted.

“Be careful!”

“Things have changed!”

Wu changding and the other Pavilion elders shouted.

“Hahahahaha!”

cang wulin was stunned. after a long while, he regained his senses and laughed, ”  
two type 5 experts. the great xia dynasty actually has two type 5 experts. ”

“who would have thought? Who would have thought?”

“You!”

Wei Zheng’s expression turned completely serious.

Obviously.

He didn’t expect this to happen. It was already unprecedented that Jiang Li had an early-stage level-five subordinate.

And now ...

...

Yet another one had appeared.

this was simply like a fantasy story.

However ...

the truth was right in front of him.

Wei Zheng had no choice but to believe.

he was solemn!

Wei Zheng's mood was very heavy!

"myl01, you may leave."

At this moment.

go. Jiang Li waved his hand.

"Yes."

...

thank you. MYL01 saluted to Jiang Li and stood beside him to protect him. The energy that he had used up had been recovered.

"dts01, do it."

let's go! Jiang Li ordered DTS01 without hesitation.

"Yes."

DTS01 nodded.

shua!

The next moment.

DTS01 swung his sword again, and the sky-blue sword light spread like a crescent moon. It was as fast as lightning, and it went straight for Wei Zheng.

The sword light was dazzling.

It contained extreme power.

wei zheng quickly took control of the national aura saint weapon, and the blue dragon imperial decree slowly unfolded, releasing a vast amount of national aura and power, which was directly transformed into combat power.

The Imperial edict turned into a Dragon-shaped light shield.

He blocked in front of him.

BOOM!

An explosion sounded.

The sky-blue sword light slashed down, but its power far exceeded Wei Zheng's expectations. It was so powerful that it was on a completely different level.

He could even see it clearly.

The Dragon-shaped light shield formed by the Blue Dragon imperial decree was shattered and exploded into light spots that filled the sky. It was extremely beautiful.

“Ah!”

Wei Zheng screamed and was sent flying.

He coughed out blood.

his eyes were filled with horror.

it could be said that ...

wei zheng could clearly feel how powerful the sword was. it had easily broken the defense formed by the blue dragon imperial edict.

Not a match!

“what a good tao wu, so strong!”

he’s too strong. He destroyed the defense formed by a sacred weapon with a casual swing of his sword. It feels like they’re not on the same level. He’s completely crushed!

“how strong is he exactly?”

“Si si si ...”

Emperor Xia, Jiang Li, is too terrifying. He’s hidden too deeply.

the great Xia Dynasty is just a new human dynasty and Jiang Li is only in the mid-stage of level four. The most terrifying thing is that he can make such a powerful man work for him.

Jin Wushuang and the others exclaimed and looked at Jiang Li with more respect.

\* Cough cough \*

Wei Zheng coughed up blood and wiped the blood from the corner of his mouth. His eyes flickered as he spoke to DTS01 in a respectful tone, ” respected expert, you should know that the great Xia Dynasty is only a newly established human dynasty. Whether it is in terms of Foundation or national power, it is far inferior to the great Wei Dynasty.

besides, Jiang Li is only at the mid-stage of level four. There’s a huge gap between him and me.

” why do you work for jiang li? ” the woman asked.

as long as you are willing, I will welcome you with open arms. I am also willing to appoint a 'King' with a high status, only below me and above millions of people, and will not be restricted by any rules.

"How is it?"

Wei Zheng's tone was sincere.

"Is Wei Zheng trying to steal Jiang Li's girl?"

Ling Tian asked in shock.

Wei Zheng obviously knows that he's no match for Jiang Li," Jin Wushuang analyzed. That's why he's trying to poach Jiang Li. He even made a promise.

"Will he agree to it?"

Dong Xiao thought.

No matter what, the great Wei Dynasty is indeed much better than the great Xia Dynasty. The fate of the country is at its peak, and the country's strength is stronger. Moreover, Wei Zheng even promised the position of 'King of the town'.

Cang Wulin thought, "If it's only from the perspective of benefits, the possibility of him agreeing is very high."

"The ignorant are fearless,"

DS01 said indifferently, "You're just a frog at the bottom of a well. How dare you compare yourself to His Majesty?" His Majesty's greatness is not something you can imagine."

"Laughable."

“What did you say?”

Wei Zheng was stunned, and then he was furious.

One had to know.

Wei Zheng had already shown his greatest sincerity. He had expected the other party to refuse, but he had not expected the other party to insult him and mock his ignorance, saying that he was a frog in the well.

“Kill!”

BOOM!

Wei Zheng shouted angrily.

He exploded with all his strength.

Because he knew that it was useless to say anything more. They could only fight.

“Use all your strength to operate the military formation and assist His Majesty in fighting the enemy!”

Roar! “Roar!”

Feng chenzi, Wei Lin, and Wu changding all roared.

“The invincible great Wei!”

kill!!!

BOOM! BOOM! BOOM!

At this moment.

It had completely erupted.

Great Wei's soldiers shouted, and it was as if there was an endless amount of military Qi. Several Grade 4 military formations were activated, and they condensed into an incomparably huge military beast.

It bared its fangs and brandished its claws, covering the sky and shaking the earth.

buzzzzzz! Buzzzzzz!

All the power of the battle formation was added to Wei Zheng's body, causing his aura and power to rise continuously. The power of the Blue Dragon imperial edict and the Blue Dragon imperial seal fused into Wei Zheng's body.

“Roar!”

Big Wei's Blue Dragon roared, and like a dragon-shaped stream of light, it merged with Wei Zheng.

Bang Bang Bang Bang!

The spiritual Qi of heaven and earth shook with unparalleled power.

Wei Zheng had reached his peak state.

The strongest level!

“Great Wei Blue Dragon art!”

Roar!

wei zheng let out a long cry and activated his cultivation technique, gathering all his strength. the true core in his dantian rotated rapidly, releasing all its power and displaying his strongest technique.

“blue dragon killing seal!”

All of Wei Zheng’s power gathered together to form a bright blue seal, as if countless ‘kill’ words were overlapping.

Kill!

Kill!

Kill!

The killing intent soared to the sky, and the winds and clouds changed.

“Die!”

Wei Zheng howled. The huge ‘kill’ seal was like a vast ancient divine mountain, falling from the sky and pressing down on DS01.

Wei Zheng can actually unleash such a powerful force.

Cang Wulin was shocked and his face turned pale. in other words, he didn’t use his full strength when he fought me just now. This is Wei Zheng’s strongest attack.

“Can Jiang Li’s subordinates stop him?”

“Gulp!”

the human kings swallowed their saliva.

“Release the energy!”

Buzzzzzz!

DTS01 released his energy. The energy light wings behind him expanded in the wind and spread out. In an instant, they became a thousand meters long.

It covered the sky.

Endless power spread out.

Shua!

Immediately after.

The power of the energy Angel’s sword skyrocketed, turning into an energy sword pillar that was 10000 meters long. It released an endless, dazzling sword light.

“Slash!”

DS01 slashed out with his sword. The 10000-meter-long energy sword pillar collapsed like a heavenly pillar, directly slashing the vast ‘kill’ seal from the front.

Bang Bang Bang Bang!

instantly.

The two sides collided and countless explosions rang out like thunder. Waves of energy storms spread out.

The scene was truly Grand.

It had enveloped more than half of the capital of the great Wei.

“!!!”

Wei Zheng’s pupils contracted.

Because ...

When the energy sword pillar landed on the ‘kill’ seal, he felt an irresistible force descend, like endless waves crashing down.

the great circle of the fifth tier of five elements!

At this moment.

Wei Zheng could clearly feel how terrifying the strength of this force was. His face suddenly turned pale and fear emerged in his heart.

He could never have thought of it.

The other party was actually a perfected Tier 5!

A perfected Tier 5!

Kachaa! Kachaa!

the vast ‘kill’ seal began to crack, and the cracks spread at an extremely fast speed. in just a few seconds, it exploded with a ‘boom’.

BOOM! BOOM! BOOM!

the next moment.

The Army of beasts was shaken out of Wei Zheng's body, and then they let out a loud roar and exploded in the air.

“Ah!”

“Pfft!”

Below.

the soldiers of great wei let out blood-curdling screeches as they fell to the ground one after another, suffering from the huge backlash.

many had fallen.

“Pfft, pfft, pfft.”

Feng chenzi and the others also coughed up blood as they staggered backwards, almost falling from the sky. They looked towards the battlefield in shock and fear.

369 Chapter 3

“Ah!”

BOOM!

Wei Zheng vomited blood and screamed as his body flew straight out like a meteorite falling from the sky. He smashed into the ground and created a huge pit.

After that.

After rolling for a few thousand meters, it plowed out a trench and knocked down buildings. Finally, it stopped and was buried in the ruins of the buildings.

BOOM! BOOM!

There were two loud sounds.

The Blue Dragon Imperial Jade seal and blue Dragon imperial decree were also jolted away, smashing into the ground not far away.

“Your Majesty!”

Feng chenzi and the others cried out in shock.

Buzzzzzz!

in the air.

The 10,000-meter-long sky-blue energy sword pillar was slowly shrinking, and the wide energy wings quickly returned to their original appearance.

It turned back into the 10 mechanical wings.

“Gulp!”

In the surroundings.

Everyone looked at DTS01, who was standing in the air, and subconsciously swallowed their saliva. Their eyes were full of awe. The other party had seriously injured Wei Zheng with one sword strike.

Wei Zheng was almost killed by the sword.

Obviously.

Before DTS01 was upgraded, the energy sword pillar formed after all-around release was only a thousand meters long, and its power was far inferior.

Furthermore ...

The energy would be exhausted after the all-around release.

However, after reaching the peak of level five and becoming an Archangel mech, not only did the energy sword pillar reach ten thousand meters, but its power also increased.

The most important thing was ...

After the energy is released, it will not be exhausted.

It could be used in succession.

The improvement was not just by a little.

“Your Majesty, the mission is complete.”

dts01 returned to jiang li’s side and bowed.

“Yes.”

good job. Jiang Li nodded and was very satisfied. well done.

It had to be said.

DTS01’s strength was far beyond Jiang Li’s expectations. It didn’t even use ‘energy Angel’ or ‘energy Angel spear’ when it fought Wei Zheng.

Wei Zheng was defeated.

It could be said that ...

The difference was huge.

DTS01 did not even use his full power.

He estimated that he had only used one-tenth of his strength.

“prince wei has lost.”

Ling Tian could not help but sigh.

“How could this be? How could this be the result?”

dong xiao had already lost his soul. he staggered and almost lost his balance. his legs were trembling, and he muttered with a dazed look in his eyes, ” how could prince wei lose? how could prince wei lose? How could that be?”

Obviously.

The Donglin Kingdom had always been ‘protected’ by the Wei Dynasty. Every year, they had to pay tribute to the Wei Dynasty in terms of resources and the fate of the country.

Therefore, in Dong Xiao’s heart ...

The great Wei Dynasty was powerful, undefeatable, and a prosperous dynasty.

Not to mention that Prince Wei had successfully broken through to the early stage of the fifth rank during his closed-door cultivation.

This kind of mentality was even stronger.

But now ...

The powerful great Wei Dynasty, the undefeatable Wei King.

He was defeated!

He had lost!

He lost to the Xia Dynasty and Jiang Li.

...

Everything. Everything.

everything had become an illusion.

The moment Wei Zheng was defeated.

Wei Zheng's ambition had already come to an end.

"This is truly unbelievable."

Jin Wu Shuang came back to his senses and sighed with emotion. He was gloating in his heart and sighed, "Wei Zheng has been hiding for hundreds of years. He must have planned for a long time for today."

the human dynasty that wants to unify the northern region of holy peace state.

what a pity. In the end, it all went to the great Xia Dynasty. What a pity.

“I didn’t expect that the final Dark Horse would be the great Xia Dynasty.”

No. Cang Wulin shook his head. Wei Zheng lost. I have the White Dragon Imperial Jade seal, but I can’t even defeat Wei Zheng, let alone Jiang Li.

“In this case, no one can compete with Jiang Li.”

...

if nothing goes wrong, the position of the ‘leader’ of the human dynasty Alliance will belong to the great Xia Dynasty. The fate of Donglin, Yongling, Jin, and even Wei will all belong to the great Xia Dynasty.

“The great Xia is about to rise up. Things are really unpredictable.”

Bang!

Wei Zheng rushed out of the ruins. His face was pale, and his aura had weakened. He was badly injured, and there was a deep sword wound on his chest.

“Your Majesty!”

shua! Shua!

feng chenxi, wei lin, wu changding, and the other pavilion elders all rushed over,”are you alright?”

“I won’t die.”

Wei Zheng waved his hand.

“jiang li!”

Wei Zheng looked up at Jiang Li.

“Prince Wei,”

Jiang Li looked down at Wei Zheng with a smile on his face. He stood on the head of the Azure Dragon with his hands behind his back. MYL01 and DTS01 were standing beside him respectfully.

“I’ve won,”

Jiang Li smiled. you’ve lost.

“.....”

Wei Zheng was silent.

obviously.

Wei Zheng’s feelings were complicated.

one had to know.

Wei Zheng had paid too much for this day. First, he had made a deal with the martial immortal court of the human race in the Saint peace state, and spent 300 years nurturing the bright Dragon Dagger with the Fortune of the country in exchange for the realm-breaking pill.

It consumed a large amount of resources.

He successfully broke through to initial-stage Tier 5.

After that.

The plan began.

He would unite the human dynasty in the northern region of the Holy peace state.

Who knows.

The plan had just started when it went bankrupt. The vast forest was fine, but the Shu state would interfere. Wei Zheng had also expected this, and in the end, he won.

but ...

He didn't expect Jiang Li to be so powerful and had two level-fives under his command, one of whom was a perfected level-five.

so,

Wei Zheng was dumbfounded.

tier 5 perfection!

An existence at this level.

They were all top experts in the Empire.

It actually appeared in a newly established human dynasty.

to tell the truth.

Wei Zheng even suspected that Jiang Li was the 'illegitimate child' of a human Emperor. The level five master beside him was a bodyguard assigned by the human Emperor.

Other than that.

Wei Zheng really couldn't figure out how Jiang Li managed to recruit a top-tier master who was at the perfected stage of level five.

This simply didn't make sense!

How could he play?

It was a complete cheat.

He was helpless!

Wei Zheng felt extremely helpless!

He had no other choice.

Tier 5 perfection!

He really couldn't win!

After a while.

"You've won,"

Wei Zheng sighed and lowered his head. He felt as if he had become shorter. I admit defeat. From today onwards, the great Wei Dynasty will respect the great Xia Dynasty as the 'leader of the Alliance'.

"Yes."

that's right. Jiang Li smiled. King Wei knows that he's a hero.

“You’re so silly!”

Wei Zheng was indignant.

“What about you guys?”

Jiang Li looked at Jin Wushuang and the others.

“We’re the same.”

“Wait!”

At this moment.

when jin wushuang and the others were about to bow to jiang li and call the xia dynasty the ‘leader of the alliance’, they were interrupted.

shua!

immediately after.

A figure walked out from a corner not far away and appeared in everyone’s line of sight, standing in mid-air.

“Close the gate!”

cang wulin raised his head and was stunned when he saw who it was. he could not help but ask, “Why are you here?”

“naturally, it’s your majesty who is worried.”

The middle-aged man who was addressed as ‘guanjiang’ by Cangwu Lin replied.

“Greetings, Emperor Xia.”

Immediately.

Jiang Li, the general bowed to Jiang Li.

Jiang Li sized him up.

This general Guan was nine feet tall. His face was ruddy, and his thick beard was two feet long. He had Phoenix eyes and silkworm-like eyebrows. He had a dignified appearance and an awe-inspiring aura.

master Guan? ” Jiang Li couldn’t help but think of master Guan.

Of course.

The person in front of him was naturally not ‘second master Guan’.

At most, they looked slightly similar.

In addition, they both had the last name ‘Guan’.

“The pass order!”

Wei Zheng felt that the name was familiar. After thinking about it, he immediately remembered. he is one of the three generals of Shu state!

“The Shu country actually sent him over.”

Wei Zheng was secretly shocked.

“Tsk, tsk.”

Cang Wulin was speechless. He looked at Guan Ling's back with respect and said, "I originally thought that the king of Shu didn't pay much attention to this matter, but now it seems that I was wrong."

one of the three generals, Guan Ling, has been sent here. How can we not pay attention to this? "

"It seems like things have changed again."

Dong Xiao and the others exchanged glances.

"Cang Wulin knows this Guan Ling. In that case, this Guan Ling is most likely related to the Shu country, or even personally sent by the king of Shu."

Jin Wushuang thought to himself, "moreover, looking at Cang Wulin's reverent eyes, it shows that this Guan Ling has a very high position in the Shu country. His strength must also be at the fifth stage."

"I didn't think that I would be lucky enough to see so many type 5 powerhouses today. In the past, these type 5 existences had always been elusive."

how will Jiang Li deal with this? "

Ling Tian looked at Jiang Li.

"Yes."

"okay. " jiang li just nodded and ignored the order. he looked at jin wushuang and the others and said, " "It's time for you all to express your position."

"It's time to hand over the fate of the nation."

"No!"

great Xia isn't weak,"Guan Ling shouted. but it's not qualified to be the leader of the Alliance, nor is it qualified to unify the human dynasty in the northern region of Saint peace state.

"The Shu country should be the most respected!"

"Hu ~~ Hu ~ Hu ~"

in the surroundings.

Everyone could not help but hold their breath.

Obviously.

When Guan Ling said this, he had already revealed his purpose.

"Then let's do it,"

let's go. Jiang Li glanced at Guan Ling indifferently and gave an order.

"Yes."

Clang!

The sound of a sword rang out.

DTS01 made his move immediately, casting the skill 'energy Angel'. He slashed out with his sword, and a sky-blue sword ray cut across the sky, slashing at Guan Ling in front of him.

"Astral blade!"

Shua!

Guan Ling waved his right hand and pulled out a long and broad saber from his back. He swung the saber, which formed a blood-red aura.

Bang!

The sword ray and the blade energy collided.

It shattered at the same time.

“tier 5 perfection!”

The moment they exchanged blows.

Guan Ling was well aware of the strength of DTS01. He was shocked and even a little dumbfounded. He did not expect the other party to be a perfected-stage Tier 5.

No wonder Wei Zheng had lost so thoroughly.

Shua! Shua! Shua!

In the air.

dts01 and guan ling had exchanged dozens of moves in a very short time. the swords and sabers collided, causing a series of explosions. the energy exploded, forming aftershocks that spread to the surroundings.

“Release the energy!”

Wuwuwuwuwu!

The energy wings spread out a thousand meters, and the angelic sword turned into a ten-thousand-meter long energy sword pillar with infinite power. It then slashed directly at Guan Ling.

“The White Dragon Imperial Jade seal!”

It was a critical moment.

Guan Ling shouted. The White Dragon Imperial Jade seal on Cang Wulin’s body seemed to have been summoned and flew to Guan Ling, landing in his hand.

### 370 Chapter 3

Guan Ling’s strength was undeniable. His cultivation was higher than both Wei Zheng and Cang Wulin, but it was only at the mid-fifth level.

Of course.

The strength of their combat power.

Although cultivation was one of the most important factors, it would also change according to the level of the cultivation method, the martial arts techniques, the realm of the martial arts techniques, and the weapons one had.

The White Dragon imperial seal was the sacred weapon of the Shu state. It was extremely powerful. If it was in the hands of the king of Shu, it would definitely be able to exert all its power.

When the vast forest was in command.

At most, he had only used one-tenth of his strength.

after all, Cang Wulin was the human king of the great Cang nation. It was already very good for him to be able to unleash one-tenth of the White Dragon Imperial Seal's power. It would be difficult to unleash more than that.

Now.

It was the pass order that drove the White Dragon Imperial Jade Seal.

Guan Ling's cultivation was higher than Cang Wulin's. He was already at the mid-fifth level. In addition, Guan Ling was one of the three generals of the Shu country. He had a high status and was supported by the fate of the Shu country.

It was natural.

The White Dragon Imperial Jade Seal would be more powerful in Guan Ling's hands.

It was already enough to display half of its power.

“Go!”

“Roar!”

A deafening Dragon's Roar resounded.

Guan Ling waved his left hand and his vital essence gushed out. The White Dragon Imperial Jade Seal flew out and expanded in the wind, turning into a giant of ten thousand meters, surrounded by nine lifelike three-clawed white dragons.

The power was even stronger.

It was suppressing DTS01.

Thump!

The White Dragon Imperial Jade seal crashed into the sky-blue energy sword pillar that was ten thousand meters long. Nine three-clawed white dragons spiraled around, releasing power. The power of the nation's fate was transformed into the most direct combat power.

Bang!

In the end.

the energy sword pillar crumbled and shattered, exploding into sky-blue light spots that filled the sky. the nine three-clawed white dragons also let out sorrowful roars, and the white dragon imperial jade seal was sent flying.

BOOM!

The White Dragon Imperial Jade seal fell to the ground, creating a giant pit with a diameter of a thousand meters.

It returned to its original form.

“The sword was blocked!”

Wei Zheng's eyes widened as he stared at the battlefield. Guan Ling blocked such a terrifying sword attack. His opponent is a perfected Tier 5!

It could be said that ...

wei zheng had thought that after he had advanced to the early stage of the fifth level, in addition to the great wei dynasty's powerful national strength, powerful army, and 99 fourth level pavilion elders, he would be able to defeat the great wei dynasty.

He would have enough power to conquer the northern region of the Saint-an province and start his grand plan.

However ...

The cruel reality had given him a huge blow.

the shu country's power had exceeded his expectations. the great cang country, which was originally ranked last, was actually a vassal country of the shu country. moreover, cang wulin was at the early stage of the fifth level.

Even ...

cang wulin had reached the early stage of the fifth rank earlier than wei zheng.

Wei Zheng had won.

After that.

Wei Zheng! Jiang Li, on the other hand, showed great power. Two level-five subordinates, one of whom had even reached the perfected level, defeated Wei Zheng easily.

Wei Zheng was defeated in the end.

he had no choice but to withdraw from the stage of competition.

And now.

Only the Shu country and the great Xia Dynasty were left.

The winner would be the 'leader' of the Alliance and would unite all the humans in the northern region of the Holy peace state, as well as the fate of the human dynasty.

Wei Zheng's expression was a little lonely.

“Your Majesty!”

Naturally, Feng chenzi and the others could see through Wei Zheng’s emotions. They were also rather sad and upset, but the outcome had already been decided.

They were only at the 4th rank, and even if they joined forces, they would not be able to change the final result.

He was definitely unwilling to accept it.

but he was powerless to change anything.

” the shu nation is indeed powerful. it has many hidden dragons and crouching tigers. no wonder it is the most powerful human dynasty in the northern region of the holy peace state. it is an existence that can compete with the black dragon barbarian kingdom and the sky demon kingdom. ”

...

they can have such powerful combat power by sending a general.

“Before the outcome of the battle is decided, I really don’t know what the final result will be,” Jin Wu Shuang said in shock.

“Who will win the final victory?”

In the surroundings.

Everyone’s eyes were fixed on the battlefield.

“Kill!”

Shua!

After the White Dragon Imperial Jade seal shattered the energy sword pillar, Guan Ling took the opportunity to attack DTS01. The big saber in his hand burst out with an incomparably bright blood-red light. The light condensed together, and the saber Light actually looked like a Blood Dragon.

The speed was extremely fast.

“Blood Wyrms slash!”

BOOM!

...

Guan Ling bellowed and slashed with all his might. The blade energy burst out, and the vast and powerful blade light was like a huge Blood Dragon, pouncing towards DS01.

“Energy Archangel.”

BOOM! BOOM! BOOM!

Finally ...

DS01 did not hesitate to release his strongest skill, the Tier 5 peak-grade ‘energy Archangel’. An incomparably vast aura emerged.

It was hard to describe.

It was like the might of the heavens.

Buzzzzzz! Buzzzzzz! “Whoosh!!!”

The mechanical energy surged, producing an extremely explosive power. From head to toe, DTS01's body began to burn with sky blue energy flames.

“Whoosh!”

At this moment.

The sky-blue wings of energy expanded once again, from one thousand meters to three thousand meters. They slowly spread out, covering the sky and the sun as they flapped.

the wings of light flickered with flames!

It could be seen.

After DTS01 used the ‘energy Archangel’ skill, its entire body had been energized, like an angel from heaven descending.

However ...

In the myths and legends.

Angels were pure white.

However ...

DTS01 was sky blue in color, burning with energy flames and jumping with explosive energy as if it could destroy and destroy everything.

“What’s this Kasaya?”

“Heavens!”

“It’s too terrifying. Just this Qi and Majesty is enough to suffocate me. Just what level is this power at?”

“Si si si ...”

“So this is his true strength?”

They were stunned!

Everyone present was stunned!

“.....”

Wei Zheng was also completely dumbfounded and speechless.

“!!!”

Guan Ling’s pupils contracted.

Strong!

He was too strong!

It was as if he had become a completely different person.

God race?!

Guan Ling’s eyes widened in disbelief. no! It was wrong! I can’t feel the divine power of the gods race! Who are you?”

Buzzzzzz!

DTS01 raised his right hand and clenched it. The mechanical watch on his wrist disappeared, and a spear appeared in his hand.

It was a sky-blue spear!

The Spear's body flickered with flames.

Energy Archangel's spear!

"It's over."

"Whoosh!"

DTS01 raised his spear and thrust forward. The energy Archangel spear pierced forward, containing the explosive power of the mechanical energy. The Spear's glow spread forward like a flame.

It was as if a stream of fire had cut through the sky.

"BOOM!"

Guan Ling's blood flood Dragon exploded.

It couldn't be blocked.

"No!"

Guan Ling roared, " the White Dragon Imperial Jade seal!

"Whoosh!!!"

The White Dragon Imperial Jade seal flew over once again, transforming into a ten-thousand-meter-tall mountain. Nine Dragons swirled around it, and it pressed down.

Thump!

There was a loud explosion.

The three-clawed White Dragon wailed. The White Dragon Imperial Jade seal was sent flying again, and it hit Guan Ling's chest. The terrifying energy it contained rushed into his body.

“Ah!”

Guan Ling screamed and spat out blood. His chest caved in.

Bang Bang Bang Bang Bang Bang

Like a falling meteorite, it kept rolling on the ground, plowed out a 10000-meter-long trench, and crashed into buildings.

Eventually, their bodies were buried by the ruins.

One spear strike!

“You just lost like that?”

Cang Wulin was dumbfounded as well. He looked at the figure in the sky in awe. The energy light wings that were three thousand meters long danced like flames with boundless power.

“He's too strong! An undefeatable power!”

cang wulin swallowed. ” if we want to defeat him, i’m afraid king shu will have to come in person. with such a powerful subordinate, the xia dynasty will probably become the fourth dynasty in the northern region of the holy peace state, apart from the shu kingdom, the black dragon barbarian kingdom, and the sky monster kingdom. ”

“Hehehehehehehehehehehehe”

Wei Zheng smiled bitterly. frog at the bottom of the well, frog at the bottom of the well. I’m really a frog at the bottom of the well!

” this world is too big, too big. what i thought was just a piece of the sky from the mouth of the well, but i’m presumptuously trying to guess the size of the entire sky. ”

“Your Majesty!”

Feng chenxi and the others didn’t know what to say.

he had no choice.

wei zheng had suffered a huge blow.

He had thought that he would be able to sweep across the northern region of the Holy peace state once he reached Level 5, but it turned out that this was not the case at all. The difference between reality and his ideal was too great.

“Emperor Xia won again!”

Ling Tian said in a respectful tone.

“Yup!”

Dong Xiao gulped.

“Even the general of the Shu country, Guan Ling, was defeated.”

jin wu shuang said.

\* Cough cough \*

In the ruins.

Guan Ling crawled out, coughing up blood. He was badly injured. His chest had been smashed by the Jade seal, and several of his ribs were broken and stuck in his lungs.

This made it difficult for Guan Ling to breathe.

Of course.

After all, Guan Ling was a mid-stage of the fifth step. Although these injuries were severe, they were not fatal.

Emperor Xia, although you have defeated me, I am only one of the three great generals of Shu country. The power of Shu country is not something you can imagine.

“I advise you to respect the Shu country as the leader of the Alliance,” Guan Ling shouted.

“Don’t try to reach the heavens in a single step.”

“A defeated general dares to talk big in front of this Prince.”

Jiang Li looked up at Guan Ling and said coldly, ” “Kill him!”

“Yes!”

Shua!

DTS01 made a move and disappeared like an extreme stream of light. The energy Archangel's spear was thrust out toward Guan Ling's head.

“!!!”

At this moment.

Everyone's eyes widened.

“Don't you dare!”

Guan Ling was shocked.

“what?”

Cang Wulin was shocked.

“Stop!”

BOOM!

the white dragon imperial jade seal appeared again, but this time, it didn't release a vast power. it only conjured an illusionary figure in front of guan ling.

he took a closer look.

This illusionary figure was extremely majestic, and the might of a human King was extremely heavy. He was dressed in a Platinum Dragon robe, and his entire body was surrounded by a mist of National aura, making it impossible to see clearly.

king of shu!

He was the king of Shu!

of course.

This wasn't the true body of King Shu, but a wisp of King Shu's consciousness that was entrusted on the White Dragon Imperial Jade seal. It manifested with the help of the fate of the nation.

It was just a projection.

It did not possess any combat strength.

“king of shu!”

Cang Wulin shouted in shock.

“Your Majesty!”

Guan Ling's tone was extremely respectful.

“Whoosh!”

The Spear's radiance streaked across the sky.

Without Jiang Li's order, DTS01 wouldn't stop. It would only carry out Jiang Li's order loyally. Jiang Li ordered DTS01 to kill Guan Ling, but DTS01 wouldn't stop until he did.

Emperor Xia, you dare?!

The king of Shu shouted angrily.

“Pfft!”

blood splattered everywhere.

The spear DTS01 pierced through the king of Shu’s shadow and sent the White Dragon Imperial Jade seal flying. Then, under everyone’s gaze, it pierced through Guan Ling’s body.

## Chapter 352

Jiang Li looked around at the people and soldiers, then nodded and didn’t say anything.

His purpose in coming to Ling Jue County was to build a Second Army base.

“You may rise.”

Jiang Li looked at Xiao Lingyun and raised his hand.

“Thank you, Your Majesty.”

Xiao Lingyun stood up slowly with his head slightly lowered. He was thinking about why Emperor Xia had come to Ling Jue County, but he could not think of any reason.

soon after.

Xiao Lingyun led the way and the meches followed Jiang Li. They entered the Ling Jue County while the people around them watched from afar.

After the reconstruction, many places in the spirit Jue County had signs of renovation.

It was very obvious.

An hour later.

Jiang Li walked around the entire Ling Jue County and confirmed the location of the second base.

“this is the place.”

Jiang Li looked ahead, nodded, waved his hand and said, ” “Let’s start. Tear down all these buildings.”

“yes.”

The ordinary mechanical soldiers stepped out.

“Your Majesty, what are you trying to do?”

Xiao Lingyun was stunned.

“If you can’t ask, then don’t ask.”

Jiang Li glanced at Xiao Lingyun. there’s nothing for you to do here. You can go now.

finished speaking.

Jiang Li waved his hand.

Xiao Lingyun opened his mouth. Although he was confused, he didn’t dare to ask any more questions when he saw Jiang Li’s indifferent eyes. He could only bow and say, ” “this official will take his leave.”

“soldiers, you can start now.”

Jiang Li watched Xiao Lingyun leave with his subordinates. He didn't plan to explain anything to Xiao Lingyun, nor did he plan to tell him about the Army base.

This was a secret!

I can't expose this.

Jiang Li had never let Xu Ya and the others get close to the base of Army 01 in the imperial capital.

in the surroundings.

All the citizens had been dispersed.

“Rumble!”

The ordinary mechanical soldiers started to work. They conjured large bulldozers, and with the roar of engines, they demolished all the buildings in front of them.

It turned into ruins.

“At this rate, we can demolish all the buildings in this area by today and make enough space to build the second base.”

Jiang Li thought.

“what happened?”

“It seems like the houses over there have all collapsed.”

“What a huge commotion.”

Although the people of Ling Jue County could not see what was happening, they could hear the sound. They looked over curiously and discussed.

“my king, what is his majesty, emperor xia, doing?”

I really don't understand. The house that was built with great difficulty is actually going to be demolished.

“Ai, ai, ai, ai.”

“If it wasn't for you, the Ling Jue County would still be in ruins. How could it have become like this? however, His Majesty, Emperor Xia, is good. He has caused destruction as soon as he arrived. He is really a coward.”

a few of xiao lingyun's capable subordinates said in an indignant tone.

“Shut up!”

Xiao Lingyun rebuked, ” the great Xia is His Majesty Emperor Xia's dynasty. Ling Jue County belongs to the great Xia. The entire County city belongs to His Majesty Emperor Xia. His Majesty can do whatever he wants. How can you guys gossip about it here? ”

“If this King ever hears you speak such nonsense again, don't blame this King for not considering our past relationship.”

“We are aware of our crimes!”

A few of Xiao Lingyun's subordinates said in fear.

“.....”

Xiao Lingyun, on the other hand, looked behind him in silence.

It was almost evening.

Ling Jue county government.

...

In the secret room of the mansion.

Xiao Lingyun was standing in the secret chamber.

At this moment.

A few figures also appeared in the secret room. They were all wearing pitch-black cloaks, and their appearances and identities could not be seen clearly.

“County Prince Xiao.”

” what’s the matter? ” one of the black-cloaked men asked. ” did something urgent happen? ”

Jiang Li, Emperor Xia, suddenly came to Ling Jue County today.

Xiao Lingyun said.

“Jiang Li!”

“this lao ai, hasn’t the xia emperor always been in the imperial capital of the grand xia? Why have you suddenly come to Ling Jue County?”

“There must be something big going on.”

...

“Could it be that our whereabouts have been leaked?”

The black-cloaked men muttered to themselves.

“What do you want to do?”

The leader of the black cloaked men asked.

“I hope that you can send out a few men of sacrifice to investigate what His Majesty Emperor Xia is doing at the eastern city of Ling Jue County and why he suddenly wants to demolish those buildings.”

Xiao Lingyun said.

“Hehe.”

The leader of the Men in Black clothes smiled and said, “County Prince Xiao, we are only in a cooperative relationship. I’m afraid you don’t have the right to order us to do things.

“As long as you succeed in this matter, this King will agree to your previous conditions.”

Xiao Lingyun said.

“Alright!”

The leader of the black cloaked men immediately nodded.

“I’ll wait for good news.”

Xiao Lingyun smiled and cupped his hands.

Shua! Shua!

the black-cloaked men immediately left.

Time passed.

the night came quietly.

Shua! Shua!

In the night sky, a few black shadows were rapidly approaching the eastern city.

At this moment.

The ordinary mechanical soldiers had already demolished all the surrounding buildings and cleared out a large area of empty space. The ordinary Mechanical Engineers scattered and stood around the empty space.

“Very good,” he said.

okay. Jiang Li nodded with satisfaction and started to build the second base.

Shua!

The Dominator panel opened.

He clicked on the interface of the Army base.

The most basic stage three army base only needed ten normal mechanical soldiers and one normal mechanical engineer, as well as a hundred million energy points.

he didn't need the soul fire seed.

Only unlocking and upgrading required the soul Tinder.

use one hundred million energy points to build the Army base.

” yes. ” jiang li confirmed.

100 million energy points were deducted.

“Whoosh!!!”

Immediately after.

In the surroundings.

The ten normal Mechanical Engineers and the hundred normal mechanical soldiers emitted a black light that gradually spread out.

Shua!

A huge virtual projection building appeared out of thin air and sat on the huge open space in front of them, emitting a dark mist.

It could be seen.

Through the normal Mechanical Engineers and mechanical soldiers, the energy points were gradually integrated into the illusory building, and the illusory building gradually solidified.

Based on the speed of the materialization.

it would take about an hour.

In reality.

If there were only one normal mechanical engineer and ten normal mechanical soldiers, it would take ten hours. The more normal Mechanical Engineers and mechanical soldiers there were, the shorter the construction time.

“Yes.”

okay. Jiang Li nodded in satisfaction.

Next.

All they had to do now was to wait for the Army base to be built.

“This bi an ...”

“Si si si ...”

“What kind of technique is this?”

” it’s unbelievable. jiang li must be hiding a big secret! ”

In the surroundings.

In a shadowy corner.

There were several men of sacrifice in black. They hid in the dark and hid their auras. They saw Jiang Li building the ‘army base’ with their own eyes.

Shua!

The next moment.

MYL01’s figure disappeared into thin air.

“Die!”

“BOOM!”

an explosion sounded.

MYL01’s palm landed, and a vast demonic spirit energy palm print fell from the sky, directly smacking one of the men of sacrifice in black to death. His corpse exploded into pieces of flesh and blood.

“Let’s go!”

Shua! Shua!

Without the slightest hesitation.

The three men of sacrifice who were still alive immediately fled at full speed. They were so fast that they streaked across the night sky like black Lightning.

“Demon spirit domain!”

“whoosh!!!”

MYL01’s territory was released and enveloped the surroundings, suppressing the three men of sacrifice in black.

“I can’t escape.”

“Let’s go all out!”

kill!!!

The three men of sacrifice looked at each other with determination. They knew they couldn't run away anymore, so they turned around and charged at Jiang Li without hesitation.

“die!”

Whoosh! Whoosh!

” die! ” the black dagger stabbed at jiang li.

“You don't know your place.”

Jiang Li's eyes were cold.

“Activate the armor!”

Kachaa! Kachaa!

The mechanical watch lit up. Black energy light covered Jiang Li's body in an instant, forming a black steel armor.

After that.

Jiang Li raised his hand, clenched his fist, and punched.

BOOM!

An explosion sounded.

Jiang Li's punch hit the man's dagger. A powerful and explosive force burst out and the black Dagger shattered into pieces.

“Pfft!”

“Ah!”

the man screamed. the terrifying power of this punch spread, and his arm exploded into a bloody mist. the powerful impact shattered half of his body.

Minced meat flew everywhere!

one punch, instant kill!

“!!!”

The other two men of sacrifice in black clothes looked terrified.

Pfft!

After that.

They crushed the poison sacs in their mouths and swallowed them. The poison spread throughout their bodies in an instant. They spat out a mouthful of blood and fell straight down.

The four men of sacrifice in black were all dead.

“Hurry up! protect his majesty!”

“Assassin! There’s an assassin!”

protect His Majesty!!!

at this moment.

There was movement in the distance.

Ta ta ta da

Dense footsteps.

Obviously.

A large number of soldiers from the county city were rushing over.

“.....”

Jiang Li frowned and looked back at the Army base that was under construction. He didn't expect to encounter such a ridiculous thing when building a new base in Ling Jue County.

“Hegemon, these deathsworn are all half-monsters,”

At this moment.

myl01 checked the bodies of the men of sacrifice and confirmed their identities. he then reported to jiang li.

“Half-demon.”

train the half-monster underlings. Jiang Li muttered.

“It seems like someone is not behaving.”

you're right, ” Jiang Li said coldly.

A few minutes later.

The Army of the Ling Jue County arrived.

“We are late to escort you, please forgive us, Your Majesty!”

“Your Majesty, please forgive me!”

in front.

Jiang Li! Yue Changhe, Luo ye, and the other commanders all kneeled on the ground and kowtowed to Jiang Li.

“Then what’s a Kasaya?”

“This bi an ...”

these soldiers naturally saw the army base under construction. they saw the illusionary buildings gradually solidifying in an incredible state.

“Where’s Xiao Lingyun?”

Jiang Li looked at them and said calmly.

Shua!

At this moment.

A figure flew over and quickly landed on the ground.

“Your Majesty, your subject is late.”

It was Xiao Lingyun.

As soon as he arrived, he kneeled on the ground and kowtowed to Jiang Li. His face was expressionless.

“Very good,” he said.

jiang li looked at xiao lingyun. ” if i remember correctly, i ordered you not to get close to the eastern city of ling jue county, but you didn’t seem to take my words seriously. ”

Your Majesty, we heard the commotion of a battle here. There were assassins trying to assassinate Your Majesty, so we impulsively sent troops to protect your Majesty.

“We didn’t mean to disobey Your Majesty’s order.”

“I hope your Majesty can understand!”

Yue Changhe and Luo ye said.

“.....”

the corners of xiao lingyun’s lips curled up slightly.

## Chapter 353 Reappearing

In reality.

The development of the matter was just as Xiao Lingyun had expected. From the very beginning, Xiao Lingyun had contacted the Men in Black and had them send men of sacrifice to investigate.

It would be great if the Men in Black’s men of sacrifice could find out Jiang Li’s Secret.

If the men of sacrifice in black were discovered ...

Xiao Lingyun would have a legitimate reason to immediately order Yue Changhe and Luo ye to mobilize the county Army and enter the East City of Ling Jue County under the name of ‘escort’.

Obviously.

xiao lingyun was ambitious.

let’s go. Jiang Li suddenly came to Ling Jue County from the imperial capital without any warning. After he arrived, he pushed down the buildings and dispersed the people. No one was allowed to approach the East City of Ling Jue County.

Although Xiao Lingyun didn’t know what Jiang Li was going to do, he was sure that Jiang Li had a secret. Besides, Xiao Lingyun was in charge of the spirit Luan County and had already regarded it as his territory.

On the surface.

Jiang Li. Xiao Lingyun was very respectful to Jiang Li.

but ...

The more capable a person was, the more ambitious they would be.

He wanted to figure out the reason and even wanted to find out Jiang Li’s secrets. He wanted to know how Jiang Li could rise so quickly in such a short time.

“whoosh!!!”

Energy gathered.

Jiang Li didn't completely take off his armor. He only showed his head. He raised his right hand and used ten thousand energy points to form an energy cannon in his palm.

He directly blasted it out.

BOOM!

the sound of an explosion rang out.

Luo ye, the Deputy Commander-in-Chief of the Ling Jue County Army, was blasted into ashes by this cannon. Not even his body was left behind. Only a hole could be seen.

“Roya!”

Yue Changhe shouted.

“Vice commander!”

The soldiers exclaimed.

“your majesty! How can you be so cowardly?”

in the surroundings.

” what? ” the commanders and soldiers looked at jiang li in shock and anger.

Obviously.

In the soldiers 'eyes, although they disobeyed Jiang Li's order, they were here to' save 'their Emperor. Even if they did something wrong, they wouldn't die!

“I want to hear the truth.”

Jiang Li looked at Xiao Lingyun calmly.

Jiang Li didn't care about the angry looks from the commanders and soldiers at all.

He didn't care about their lives.

“your majesty, i am qianqian.”

Xiao Lingyun's pupils constricted. He looked into Jiang Li's eyes and felt a chill in his heart. He felt that things were getting out of control.

“i don't understand what your majesty means.”

Xiao Lingyun took a deep breath and suppressed the chill in his heart.

“Kill them all, MYL01.”

Jiang Li waved his hand.

These people saw the Army base, and it was a base under construction.

Although he didn't know the real secret of the base, he was still very confident.

There was no need to stay.

“Yes.”

MYL01 nodded.

“Whoosh!!!”

The next moment.

The demonic spirit domain spread out and formed a vast domain. It was as if endless demonic spirit energy had emerged and enveloped the surroundings.

“Ah!”

Pfft! Pfft! Pfft!

Blood splattered everywhere.

In the demon spirit domain.

As the soldiers died one by one, facing the type 5 MY01, how could these soldiers withstand the corrosion of the demonic energy?

...

They died one by one.

“No! No!”

Yue Changhe screamed and looked at Jiang Li. “These soldiers are innocent. You’re a demon who kills without blinking! You’re a devil!”

“Pfft!”

MYL01 killed Yue Changhe with a single palm strike.

It only took a few minutes.

everyone present.

Other than Xiao Lingyun.

this included the three thousand soldiers of the county.

All of them died!

“.....”

...

Xiao Lingyun looked at the bodies on the ground, dumbfounded. He turned around and looked at Jiang Li, who was still calm. you're so calm.

“Spare me, Your Majesty! Spare me, Your Majesty!”

Xiao Lingyun kowtowed and begged for mercy.

at this very moment.

Xiao Lingyun finally understood.

His so-called schemes, wisdom, and ambition were ridiculous and lowly. He was probably just an ant in Jiang Li's eyes.

A frog at the bottom of a well who didn't know the immensity of heaven and earth also tried in vain to pry into the secrets of the Eagle.

It was simply ridiculous.

“Speak.”

Jiang Li looked at Xiao Lingyun. who are these half-monster underlings? ”

“Half-monster Alliance! It’s the half-monster Alliance!”

Xiao Lingyun did not dare to hide anything and immediately said, ” after i took over the ling jue county, i found out that the army of the lion barbarian kingdom had plundered the entire county. there was no way to rebuild it. ”

then, the half-monster Alliance came to me. They were willing to give me resources and help me rebuild Ling Jue County. I agreed.

“Oh.”

yes. Jiang Li understood. the half-monster Alliance isn’t a philanthropist. They won’t give you resources for free, so they must have conditions.

“Your Majesty is wise.”

Xiao Lingyun did not dare to hide the truth. they want me to cover for them and support them in setting up a sub-League of the half-monster Alliance in Ling Jue County.

“Where is the sub-League?”

Jiang Li asked.

“I’m not sure.”

Xiao Lingyun said.

“Useless thing.”

Humph! Jiang Li snorted. kill him.

Bang!

MYL01's palm landed without any hesitation. Xiao Lingyun did not even have the chance to beg for mercy before he was killed by MYL01.

An hour later.

Shua!

[ army base No. 2 has been successfully built! ]

A notification appeared.

The second new base was completed, and the virtual construction projection became real. It also had the five facilities of 'dominating hub, Research Center, mech Arsenal, Construction Center, and Sentry tower'.

BOOM!

The iron door opened automatically.

Jiang Li walked into the base.

He went straight to the Dominator's hub in base 02.

the door opened.

Jiang Li walked in.

“whoosh!!!”

This time.

Jiang Li didn't need to use any energy points to activate the heart of the base because it had already been activated during the construction process.

The 'purple face' was projected.

army base 02 is at your service.

A mechanical voice sounded.

"Yes."

yes. Jiang Li nodded and said, " from today on, you're Hidden Dragon No. 2.

"Yes."

The purple face replied.

The No. 02 base had just been built and Jiang Li hadn't built any facilities yet, so other than the construction center, the other facilities couldn't be used.

mechanical teleportation soldier.

teleportation station, " Jiang Li ordered. build a teleportation station immediately and get in touch with the base of Army 01.

"Yes."

The hundred mechanical soldiers replied in unison and said, " my Lord, the construction of the teleportation station will consume ten million energy points.

"No problem," he said.

Jiang Li said.

Before building the teleportation station, they had to first determine the location of the station, which was an open space ten meters away from the center of domination.

“Begin construction!”

Buzzzzzz!

The 100 mechanical soldiers raised their hands, and black light mist gushed out, forming an illusory flat-roofed building.

Half an hour later.

The ‘teleportation station’ was completed.

It could be seen.

The ‘teleportation station’ was similar to the ‘teleportation room’. It was also a one-story building. Jiang Li opened the door and walked in.

It was empty.

It was very spacious.

wormhole teleportation mastery.

Buzzzzzz! Buzzzzzz!

Immediately after.

the mechanical teleportation soldiers were activated, and obvious spatial fluctuations surged out of their bodies as they made contact with the ‘ordinary wormhole creators’.

Ten seconds later.

shua! Shua! shua!

in the room.

The space cracked open, and pitch-black wormholes appeared one after another. They gradually stabilized, and there were exactly ten of them.

ruler, the wormhole channel is complete.

“Two-way teleportation is possible,” the mechanical soldiers replied.

“Yes.”

Jiang Li looked at the ten black wormholes in front of him, nodded, and said to MYL01, ” “You go and try.”

“Yes.”

MYL01 nodded and walked straight to the nearest black wormhole vortex. He walked in and his figure disappeared.

A few seconds later.

MYL01 walked out of the black wormhole safely.

“Reporting to the chief sovereign, there are no problems.”

Said MYL01.

“Alright,” he said.

okay. Jiang Li nodded. He first activated the armor and covered his body with it. He tried the wormhole transportation and walked into the whirlpool slowly.

buzzzzzz!

After Jiang Li walked in, he didn't feel anything. He just blacked out. When he could see again, he was back at the base of Army 01 in the imperial capital.

He was teleported to the teleportation room.

"I'm back."

I'm back. Jiang Li walked out and confirmed that he was back in the imperial capital. He smiled and didn't rush back to the base.

A few minutes later.

in the base of the 01 division.

Within the room in the ruler's hub.

"Chief sovereign."

Zh01 and the other 11 battlefield commanders were all present.

"Yes."

Jiang Li nodded and said, "zh04, zh05, zh06, you will lead 10 perfected-stage giant mechas, 10 perfected-stage energy explosive mechas, 10 perfected-stage mecha Ares mechas, 10000 stage three mechas, 500000 stage two mechas, and 1 million stage one mechas to form a 'search team'. Go to base 02 in the Ling Jue County through the teleportation room and search for the half-monster Alliance sub-Alliance. Once we find them, we'll destroy the sub-League of the half-monster Alliance."

“Yes.”

“Yes, sir.”

Yes, sir! the three battlefield commanders replied at the same time and left the room in the dominating heart. They gathered more than 1.5 million meches and entered the ‘teleportation room’.

Stage 4 army base.

The teleportation room actually had a limit on the number of people it could teleport.

Ten normal wormhole makers and a hundred teleportation soldiers could teleport one hundred million soldiers at the same time. It was a piece of cake to teleport more than one and a half million soldiers.

In the real teleportation, the meches didn’t walk into the wormholes one by one.

Instead, it was a mass teleportation.

“Activate the teleportation room!”

Hidden Dragon’s voice rang out.

Buzzzzzz! Buzzzzzz!

The next moment.

a strong spatial fluctuation appeared in the teleportation room.

After that.

A bright light spread out from the teleportation room and covered the ‘search team’ that zh04 was leading. The 1.5 million meches disappeared.

He was directly teleported away.

In the base of the 02 division.

‘Teleportation station’

Shua! Shua!

the black wormhole vortex glowed, and a black light curtain rushed out of it. it flew out of the teleportation station and then materialized in the open space outside the army base.

The search team arrived immediately.

The Army teleportation ended.

Chapter 354 lion slayer

Under the night sky.

The transport mech pilots of the ‘search team’ first conjured large military transport aircraft, and then nearly a million mech army units entered the cabin.

“Let’s go!”

“Rumble!”

The large military transport aircraft took off and flew straight into the sky, forming a huge Ji County. Following closely behind were the mechanical dragon cavalry and the mech Ares soldiers.

They all flew into the air.

Shua! Shua!

At the same time.

The scouts in the air also released their drones. They hovered around and gradually left Ling Jue County to carry out Jiang Li's order.

They were searching for the sub-League of the half-monster Alliance.

The imperial capital of the Grand Xia.

“Zh01, zh02, zh03.”

Soon after.

This time, he only left a million soldiers in the imperial capital, as well as TS01 and YNJS01.

The remaining meches were all sent out.

They formed the ‘Lion-destroying Legion’.

furthermore ...

This time, Jiang Li was going to lead the Army in person.

even though ...

Last time, in order to destroy the panic demon dynasty, they lost more than three million soldiers. Jiang Li didn't make up for the losses.

However, Jiang Li still had around eight million meches.

among them.

the 'search and rescue force' had a total of 1.5 million soldiers, in addition to the one million soldiers that were left to guard the imperial capital.

The 'Lion Slayer Legion' had a military strength of about six million.

On the surface.

The strength of the 'Lion Slayer Legion' was far less than the 'destruction Legion', but this was not the case. The lion Slayer Legion had more than 10000 level four meches.

This was Jiang Li's real trump card.

Among them.

90 perfected-stage level-four mecha god-like soldiers, 90 perfected-stage level-four energy-blasting soldiers, and 110 perfected-stage level-four mechanical giant soldiers.

3,500 type 4 Ares-class mecha soldiers, 3500 type 4 energy destroyers, 100 type 4 initial-stage mech giant soldiers, and 3000 type 4 mech giant soldiers.

so,

There were 290 perfected-stage level four meches and 10100 level four meches.

In addition, there were hundreds of thousands of perfected-stage and level-three meches, millions of perfected-stage and level-two meches, and perfected-stage and level-one meches.

The 'Lion destruction Legion' would only be stronger than the 'destruction Legion'.

Buzzzzzz! Buzzzzzz!

The Army teleportation began.

the teleportation room kept lighting up. the space ripples became clearer. black light covered the mech factory and teleported all the meches away.

It could transport one hundred million meches at once.

this time, it was only six million meches.

It was a small matter.

Shua! Shua!

A light flashed.

the 'lion slayer legion' was already teleported to the base and placed in the mech factory.

Although the normal mechanical production lines and soldiers in the base had not been built yet, they could not start and build meches.

However, it could be used to store meches.

Ta ta ta da

The sound of concentrated footsteps rang out.

A large number of meches came out of the mech factory and walked out of the base. They spread out and protected the base.

No living beings were allowed to approach the Army base.

Intruders will be killed on the spot.

Shua! Shua!

the mech pilot flew into the sky, and the drone controlled by the air scout also flew into the sky above ling jue county. the holographic mech appeared.

Shua!

...

the holographic camera rose into the air.

As a result ...

the entire ling jue county would be under the surveillance of the mech army.

After the 'Lion destroying Legion' arrived at the base, other than monitoring and controlling Ling Jue County, they did not do anything else.

jiang li didn't go to the base. instead, he went back to the great xia palace to rest.

However ...

As soon as the 'search team' left the base, a large number of drones spread out. They were already following Jiang Li's order to search for the 'sub-League of the half-monster Alliance' in the entire Ling Jue County.

The sub-League of the half-monster Alliance was well-hidden.

It would not be easy to find it.

The 'search team' had no results for the time being.

It was a quiet night.

...

The next day arrived.

Jiang Li woke up.

Azure Dragon Palace.

The routine morning court.

the ministers reported to jiang li about the situation in each county.

From the mouths of these civil and military officials, it seemed that all the counties in the great Xia Dynasty were living in peace and prosperity, and nothing major happened.

But last night, Jiang Li was assassinated by a 'half-monster warrior' in Ling Jue County.

It was obvious.

The great Xia Dynasty was not as stable as the civil and military officials said.

He was probably in the dark.

Many forces had already reached into the territory of the great Xia Dynasty. Those territories that were not fully controlled and were forced to be abandoned might have bred various forces that were not conducive to the development of the great Xia Dynasty.

The half-monster Alliance was definitely not the only one.

“Your Majesty.”

“I have something to report,” Bai zhanbo said.

“Approved,”

jiang li said.

“yes.”

I’ve interrogated them, ” Bai zhanbo said immediately. I’ve managed to pry open the mouths of the spies from all over the world. I’ve obtained a lot of information.

“Continue.”

Jiang Li said.

these spies are from the sky demon Kingdom, the Black Dragon barbarian kingdom, the five spirit demon Kingdom, the great Jin dynasty, the witch’s barbarian kingdom, the sparrow dynasty, the Barbarian dynasty, and the spirit Moon Demon Kingdom.

Bai zhanbo continued.

After he finished speaking.

Bai zhanbo then took out a Memorial with detailed records of the spies 'statements and handed it to Jiang Li respectfully. Jiang Li Read it carefully.

The contents of the memorial were very detailed.

Apart from the sky demon Kingdom and the Black Dragon barbarian Kingdom's spies, who didn't reveal any information, the other countries 'spies couldn't resist Bai zhanbo's interrogation.

He told her all the information he knew.

Among them.

The most important information was about the military strength of the ten thousand spirits demon Kingdom, the great Jin dynasty, the spirit Moon Demon Kingdom, and the Barbarian dynasty. This information was of great value.

it would give jiang li a basic understanding of the power of these dynasties.

"Not bad."

" good job. " jiang li nodded in satisfaction. " minister bai, you've done well. "

"This is what I should do."

yes. Bai zhanbo bowed. however, Luo Wuding from the Wei Dynasty is dead. I was unable to get any more information from him.

"also, i suspect that luo wu ding lied to me."

"Oh."

what? " Jiang Li asked, " why do you think so? "

“Because Luo Wuding committed suicide.”

he had the ability to commit suicide, ” Bai zhanbo said. this means that he managed to withstand my interrogation. He deliberately put on a pretense and revealed false information to me.

“Yes.”

Jiang Li nodded and put down the memorial. Minister Bai, you’ve done a great job again. This is your reward.

Soon after.

Jiang Li took out a silver syringe from his pocket. It was the ‘level-one gene strengthening liquid’.

“Thank you, Your Majesty!”

bai zhanbo accepted it excitedly.

this potion only has a miraculous effect the first time it’s used. Although repeated use has some effect, the effect isn’t great. As for how to use it, it’s up to you.

Jiang Li said.

“Yes.”

Bai zhanbo nodded.

Half an hour later.

The morning court session ended.

The ministers left.

Outside the palace.

“Cough, cough, Minister Bai.”

Han Liqi came over and said in a flattering tone, ” “Can you let me take a closer look at the ‘medicine’ that His Majesty rewarded me with?”

“.....”

In the surroundings.

Hong Tianqi, pang kui, Wu Zong, and the other ministers all looked over.

“Hehe.”

Bai zhanbo laughed and replied with two words, ” no!

As soon as he finished speaking.

Bai zhanbo left immediately.

“.....”

Han Liqi’s expression froze.

“F \* ck!”

Pang kui cursed unhappily, ” what’s there to be proud of? it’s just a few contributions. How many prisoners have you interrogated? What are you so proud of?”

“Yes, yes.”

“A vile person intoxicated by success!”

this Bai zhanbo used to be the head of an interrogation team in a small gang. He only caught the emperor’s eye because he had some skills in interrogation.

The ministers all said.

They were obviously envious and jealous.

“Minister Xu, tell me. Didn’t bai zhanbo get some information from his interrogation? In terms of contribution, how can it be compared to yours?”

At this moment.

Wu Zong walked over and said in an unhappy tone, ” however, His Majesty rewarded him with two potions. Minister Xu, you didn’t even get one for your contributions.

“Wu Zong,”

Xu Ya’s expression turned cold, and her beautiful eyes glanced at Wu Zong. are you trying to say something bad about His Majesty? ”

“I don’t dare, I don’t dare.”

Wu Zong waved his hand. I’m just being unfair on your behalf, Minister Xu. I really don’t have any other intentions.

“Hmph!”

Xu Ya snorted and left.

“You’re all dismissed.”

hong tianqi said.

“Yes.”

The ministers nodded and left.

“.....”

Hong Tianqi looked back at the Azure Dragon Palace.

To tell the truth.

He was envious of Bai zhanbo. Bai zhanbo had been rewarded by the Emperor twice. Hong Tianqi had never seen the ‘medicine’ that the Emperor had given him.

but ...

He had seen with his own eyes the powerful effects of the ‘medicine’. It was simply a’ miraculous medicine ‘that had directly doubled Bai zhanbo’s strength.

It seemed that its effect was not as simple as increasing strength.

As the Minister of War, Hong Tianqi naturally hoped to get such a ‘medicine’ to improve his strength and prestige in the Army.

Without sufficient power, it was naturally impossible to control a strong Army.

“Meritorious Service!”

Hong Tianqi sighed. it's not that easy. Even Xu Ya didn't get a reward from His Majesty, let alone me. If this goes on, I'm afraid that Bai zhanbo will win the trust of His Majesty.

I have to speed up the pace of recruitment and build an army that can fight as soon as possible. Only then can I show my face in front of His Majesty and have a chance to be rewarded.

Thinking of this ...

Hong Tianqi quickened his pace and left the great Xia Palace for the military camp.

he was going to double the intensity of the soldiers 'training!

At this moment.

Ling Jue County.

Xiao Lingyun, 3000 soldiers, and the Commander-in-Chief, vice Commander-in-Chief, and the other commanders were all dead. Their corpses were left in the city. Such a major incident had naturally alarmed the entire County.

the people of the county city were slightly flustered.

One had to know.

The county King had died in the county city, and his Majesty had even personally visited Ling Jue County yesterday.

Yet, such a huge incident had happened.

naturally, they were terrified.

Fortunately ...

Although Xiao Lingyun and the others were dead, the middle-ranking leaders and officials of the Ling Jue County were still alive. Although these officials were also terrified, they still stabilized the situation in the Ling Jue County as quickly as possible and appeased the panicking people.

At the same time.

They also discovered that in the eastern city of Ling Jue County, there were suddenly more teams of patrolling soldiers. They were well-disciplined and had a strong military aura. They were clearly experienced soldiers.

Furthermore ...

These soldiers patrolled the entire day and did not allow anyone to approach.

## Chapter 355 Found

The second-rank prince's Mansion.

all the officials of ling jue county had gathered.

“What do you guys think this is about? Yesterday, Emperor Xia had just arrived, but at night, he was suddenly attacked by assassins. The soldiers and generals who went to rescue him were all dead, even the Junwang was killed. Then, there was the addition of an Army of unknown origin in the East City.”

The slightly chubby official snorted.

“What do we do now? The regional king is dead, the three thousand soldiers of the regional city have all been killed, and his Majesty's tracks are also gone. Could it be that something has happened to His Majesty?”

“I don’t know what to do even if you ask me.”

no matter what, let’s stabilize the situation first and then strengthen the patrols. We can’t mess up first.

as for the soldiers in the East City, didn’t they say that they were His Majesty’s soldiers? ”

The other officials chimed in.

On the other side.

in the west city of ling jue county.

In a broken house.

More than a dozen figures in black cloaks were gathered here.

Obviously.

They were the members of the half-monster Alliance.

Official member!

One had to know.

To become an official member of the half-fiend Alliance, one must be at least at the fourth rank. In other words, these half-fiends in black cloaks were all at the fourth rank.

They had sent out so many National forces.

The half-monster Alliance had a big goal.

“xiao lingyun is dead.”

One of the half-monster Alliance members suddenly said.

“This matter has already spread throughout the Ling Jue County. There is no need for you to repeat it.”

Another member said in an unpleasant tone.

with Xiao Lingyun’s death, the original plan will not work. I had originally planned to support such a puppet so that I can gradually Annex the surrounding counties.

Another member said.

“We’ve probably been exposed.”

At this moment.

A figure walked out from the dark. This figure was different from the other members. Although his cloak was completely black, there was a symbol of a sharp sword on his chest.

“My Lord!”

In the surroundings.

All the members saluted.

last night, Xiao Lingyun asked us for help. He asked us to send men of sacrifice to investigate Jiang Li’s Secret, but all of them died. Xiao Lingyun went to the East City of Ling Luan County under the excuse of ‘saving the Emperor’.

The figure, who was respectfully addressed as 'Lord' by the half-monster Alliance members, said, " "The final result is as you've all seen, including the three thousand soldiers and Xiao Lingyun."

"They're all dead,"

if I'm not wrong, Xiao Lingyun and the others all died in Jiang Li's hands. None of them survived. It's obvious that Emperor Xia is a cruel man.

"What a piece of trash, a mere regional King. If we didn't support him in secret, would Xiao Lingyun really think he's something? How dare you spy on the secret of Emperor Xia, Jiang Li? you're courting death."

"It's fine if he's seeking his own death, but he's also dragging us into this."

"You can't do anything right, but you're good at ruining things,"

"If I knew this would happen, I wouldn't have agreed."

"What's the point of saying all this now?"

" although xiao lingyun doesn't know where our sub-league is, we must have been exposed to jiang li. "

Jiang Li must have heard about our existence from Xiao Lingyun.

The members of the half-monster Alliance were talking among themselves.

"Prepare to retreat."

The half-monster Alliance member who had a sword on his chest said in a deep voice.

"Yes."

“yes, sir.”

“.....”

The half-monster Alliance members nodded in unison.

In reality.

It was impossible for the members of the half-monster Alliance to not understand Xiao Lingyun’s intentions, but they still agreed to his request and sent out half-monster underlings.

the explanation.

...

They also wanted to know Jiang Li’s Secret.

But unfortunately ...

Jiang Li! they didn’t expect that Jiang Li would kill Xiao Lingyun and the others right away. He didn’t even let the ‘innocent’ soldiers go.

The half-monster Alliance members thought that no matter how cruel Jiang Li was, he wouldn’t kill the soldiers so they could get some information from them.

But they were all killed.

Corpses were strewn all over the ground.

When he received the news.

They were also shocked.

“Let’s go,” he said.

“Let’s retreat to the sub-Alliance first.”

Shua! Shua!

...

Immediately.

The official members of the half-monster Alliance quickly left. They flew out of the broken house and out of Ling Jue County.

In the air.

Drones, mechanical winged air soldiers, and holographic cameras were monitoring and monitoring the entire Ling Jue County at all times. When the members of the half-monster Alliance appeared and flew away from Ling Jue County, they were all stunned.

They had already been exposed.

“Suspicious personnel found.”

“Alert the police immediately.”

“Hurry up! Send a message to the chief sovereign and the commander of the battlefield.”

the air scout immediately sent a message.

In the base of the 01 division.

Jiang Li had just come from the great Xia Palace.

they arrived at the teleportation room.

He was going to the base of Division 02 and lead the lion Slayer Legion to attack the lion barbarian kingdom. QX01 immediately went to Jiang Li's side.

“chief sovereign.”

“There's a situation in Ling Jue County,” QX01 reported.

“Speak,” he said.

Jiang Li stopped.

“Yes.”

Buzzzzzz!

QX01 projected the image.

In the image.

it was the aerial scouts and holographic cameras that had captured the clear images of several suspicious people in black cloaks flying away from ling jue county at a rapid speed.

With their speed ...

He estimated that he would be able to leave Ling Jue County in less than a minute.

“Flying in the air.”

” it’s at least level three, ” jiang li said. ” it might even be level four. since when did ling jue county have so many masters? ”

“Teleport.”

let’s go. Jiang Li walked into the wormhole.

in the base of the 02 division.

“MYL01, mecha Ares-class soldier, move out immediately!”

When zh01 and the others received the news from the air Scout, they immediately gave the order to send out MYL01 and the mecha Wargod soldiers.

“Roar!”

At the same time.

A thousand mech Dragon Riders at the peak of Stage 3 were also sent out.

At the West City gate.

In the air.

“hu ~~ hu ~ hu ~”

The leader of the half-monster Alliance, who had a sword symbol on his chest, saw that he could leave Ling Jue County immediately and secretly sighed in relief.

In reality.

ever since he learned that emperor xia, jiang li, had suddenly come to ling jue county and that xiao lingyun and the others had been completely annihilated this morning, he had started to feel uneasy.

It was as if a fatal danger was about to descend.

This ‘instinct’ had saved his life several times, so he did not doubt it. This was also the reason why he was about to leave Ling Jue County.

He couldn’t stay in Ling Jue County any longer.

if he stayed any longer ...

He would die without a doubt!

Fortunately ...

He could leave immediately.

The outside of the city was right in front of them.

“Demon spirit domain!”

“BOOM!”

However ...

at this moment.

myl01 had already arrived. myl01 was at the early stage of the fifth rank. after casting the void-ification technique, with his speed, it would take him less than half a minute to get here from the east city.

Mo Ling's energy erupted.

It formed a vast territory and spread out, covering the surroundings and the city gate, blocking the retreat of the half-monster Alliance members.

“my lord!”

“It seems like we've been discovered.”

“Why would I?”

“When did that happen?”

The members of the half-monster Alliance looked at each other in disbelief. They had hidden so well that they shouldn't have been discovered.

At this moment.

The half-fiend Alliance member with a sword pattern on his chest looked up and saw the mechanical winged air soldier hovering in the clouds.

Obviously.

he had only discovered the mech winged air soldiers, but not the drone or the holographic camera.

“This bi an ...”

“It's actually in the sky!”

“I see.”

“What's that?”

The members of the half-monster Alliance reacted.

“Calm down. So what if we’ve been discovered? We’re all at the 4th rank, and he’s just one person. There’s nothing to be afraid of. After we kill him, we’ll leave immediately.”

“You’re right!”

“Do it!”

Shua! Shua! Shua!

As soon as he finished speaking.

The three official members of the half-monster Alliance took the lead. Like three black streams of light, they rushed towards MYL01 at extreme speed, and their early stage level four cultivation erupted.

BOOM!

He released his half-beast power.

They were like three huge energy light balls that bombarded MYL01.

In the surroundings.

The other official members of the half-monster Alliance didn’t attack, but stood on the side. As long as there was a chance, they would immediately attack with lightning speed.

“Small-scale destructive storm!”

MYL01 displayed his skill and controlled the power of the skill. He didn't release all of his demon spirit energy at once, but only a part of it.

'BOOM!' There was a loud sound.

This portion of demon spirit energy exploded.

it formed an extremely terrifying destructive storm, spreading out with myl01 as the center. it contained waves that could destroy and destroy everything.

It spread in all directions.

Of course.

This destructive storm was much smaller than the one that was released by MYL01 at full power.

However ...

it was still extremely powerful.

Bang! Bang! Bang! Bang! Bang! Bang!

The three energy light balls formed by the half-fiend power were directly shattered and exploded like three bright energy fireworks.

what?!

"Why would I?"

They were dumbfounded.

The next moment.

The small destructive storm hit the three official members of the half-monster Alliance. Their half-monster power surged out and created a bright light curtain to resist the destructive storm.

“Pfft!”

“Ah!”

The light curtain formed by the vast half-demon power was shattered immediately. It was unstoppable.

A miserable scream rang out.

Bang Bang Bang!

The three half-monster Alliance members who had reached the early stage of level four exploded into a mist of blood, dying directly without any chance to fight back.

the difference was too great.

five luminaries heaven rank five!!!

he’s a Tier 5!!

“Si si si ...”

At this moment.

The members of the half-monster Alliance finally reacted.

His eyes were filled with fear.

He was extremely shocked.

They would never have thought that there would be a Tier 5 existence in the great Xia Dynasty. This was a Tier 5 existence! It was an unparalleled combat power that surpassed that of a National Guardian!

One had to know.

Even in the Empire.

tier 5 players were also big shots.

However, the great Xia Dynasty actually had such a combat power.

Shua! Shua! Shua!

Immediately after.

90 perfected-stage level four mechas and Ares-class weapons rushed over and formed a circle, surrounding all the official members of the half-monster Alliance.

“roar!”

The steel Dragon’s Roar came.

The 1,000 mechanical dragon cavalrymen at the peak of stage three quickly arrived.

“We’re finished!”

“It’s all over now!”

When the official members of the half-monster Alliance saw this scene, they were in complete despair.

He couldn't escape.

“MYL01, well done.”

shua!

At this moment.

Jiang Li was there too. He was wearing the ‘elite ruler’s battle armor’. The black steel armor covered his entire body. The energy flames under his feet pushed him forward.

The speed was extremely fast.

He arrived in the blink of an eye.

“your majesty!”

Yes, sir. MYL01 stood beside Jiang Li respectfully.

“Yes.”

Jiang Li nodded and looked at the members of the half-monster Alliance. His electronic eyes were glowing. He crossed his arms and said, ” half-monster Alliance? hehe, you’re very bold!

“you dare to extend your hand into the great xia dynasty?”

## Chapter 356

The capital of the spirit Luan County.

Many of the citizens in the city raised their heads and looked in the direction of the west side of the city. They saw the powerful Knights riding on giant Steel Dragons in the sky.

There were also the mecha soldiers that were nine meters tall.

His expression was one of awe.

“What are these things?”

“I saw them flying over from the east side of the city.”

“If it’s the East City, isn’t that the place that Emperor Xia ordered us not to go? could it be that all of these are his majesty’s soldiers and subordinates?”

“Who are those cloaked men? What’s your background and identity?”

they’re half-fiends. When they were fighting, they used their half-fiend powers.

“This Tao Wu is actually a half-demon.”

“How can there be a half-demon in the city? He’s flying in the air, so he should be at least at the third rank!”

“could it be that county prince xiao and the others were killed by these half-demons?”

Many residents were discussing and making guesses.

The second-rank prince's Mansion.

The officials were all alarmed. After all, the battle in the West City was too loud, and with the overwhelming number of mech pilots, it was hard not to be alarmed.

“hurry up! let's go to the west district!”

“let's go!”

“Increase the speed!”

“something big is happening!”

The officials quickly rushed to the west of the city.

At this moment.

Around the West Gate of the Ling Jue County.

In the sky.

They had 1000 perfected-stage rank three mecha Dragon cavalry, as well as 90 perfected-stage rank four mecha Wargod weapons.

As well as the initial-stage fifth rank MY01.

The members of the half-monster Alliance had no way to escape.

are you Jiang Li, the Xia Emperor?!

The official members of the half-monster Alliance all looked at Jiang Li, especially when they saw the black steel armor on him. They were confused.

obviously.

Of course, they couldn't see the secret of the armor Jiang Li was wearing.

"Your Majesty Emperor Xia, you have misunderstood."

at this moment.

thank you, Jiang Li. the cloaked man with the sword symbol on his chest quickly calmed down. He took a few steps forward in the air, bowed to Jiang Li, and said respectfully.

"Misunderstanding?"

misunderstanding what? " Jiang Li asked.

Your Majesty Emperor Xia, please allow me to introduce myself.

The cloaked man with the sharp sword symbol on his chest continued, " I'm an 'elite outer official member' of the half-demon Alliance. You can call me 'mu shaqi'.

" in fact, we have no intention of becoming enemies with the great xia dynasty. we have even spent a lot of resources to help xiao lingyun rebuild the ling jue county. "

we, the half-monster Alliance, came with good intentions.

"I hope that Your Majesty Emperor Xia will understand."

"Good will?"

jiang li sneered. " you sent the 'half-monster underlings' to kill me last night. is that your kindness? "

“Your Majesty, Emperor Xia.”

Mu shaqi immediately explained, “this matter has nothing to do with us. It was Xiao Lingyun who asked for our help. Moreover, we did not know that Xiao Lingyun asked us for help to assassinate you, Your Majesty.

“if we had known, we would never have agreed.”

alright, stop trying to explain yourself. It’s meaningless.

I can let you go, ” Jiang Li said indifferently. as long as you tell me where the sub-League of the half-monster Alliance is in Ling Jue County, I’ll spare your lives.

“Emperor Xia, I don’t understand what you mean.”

Mu shaqi shook his head. we did not establish a sub-Alliance in Ling Jue County.

“Refusing a toast only to drink a forfeit.”

Humph! Jiang Li snorted.

“Do it.”

kill them all! Jiang Li waved his hand and gave an order. kill them all!

...

“Roar!”

“Dragon’s breath!”

“Whoosh!!!”

The steel Dragon roared, and in an instant, pillars of energy and fire that filled the sky surged out. They covered the sky and the earth, enveloping the surroundings and forming a vast sea of fire.

Emperor Xia, if you kill us, the half-monster Alliance won't let you off so easily. We came with good intentions, but you are so cruel.

Mu shaqi's face sank as he loudly shouted.

kill!!!

BOOM! BOOM! BOOM!

An explosion sounded.

The sea of fire formed by the steel dragon's breath was destroyed by the Joint Forces of the half-monster Alliance, and a vast energy storm spread in all directions.

Bang Bang Bang Bang!

...

In the surroundings.

Many buildings in the city were destroyed by the aftermath of the attack.

"Kill our way out!"

Mu xiaqi roared.

"Yes!"

Shua! shua!

The members of the half-monster Alliance shouted.

Other than the three official members of the half-fiend Alliance that were killed by MYL01, there were nine official members of the half-fiend Alliance, including mu shaqi.

The weakest were all initial-stage Tier 4.

among them.

There were five at the early stage of level four, two at the middle stage of level four, one at the late stage of level four, and mu xiaqi at the perfected stage of level four. Only mu xiaqi was an 'elite outer member', while the other half-fiends were 'ordinary outer members'.

Obviously.

Only those whose cultivation had reached the perfected stage of level four could become the 'elite outer members' of the half-monster Alliance, and they had to make certain contributions to the half-monster Alliance and accumulate certain merits.

"You want to escape? You're dreaming."

jiang li sneered.

Shua! Shua!

The 90 mecha Wargod soldiers immediately charged towards mu xiaqi and the others, pulling out the 'energy beam swords' on their backs. The sky blue Beam swords were like 'fluorescent lamps' and were 9 meters long, the same height as the mecha Wargod soldiers.

Buzzzzzz! buzzzzzz!

The energy beam sword shot out beams of sky-blue sword light.

Pfft!

Blood splattered everywhere.

Hurry up!

It was extremely fast!

The attack speed of the Ares-class mecha was so fast that the official members of the half-monster Alliance didn't even have time to react before their heads were cut off.

He didn't even have time to scream.

He died immediately.

90 perfected-stage level-four mechas and Ares-class weapons besieged nine level-four half-fiends. It was a completely one-sided battle. There was no suspense at all.

Pfft! Pfft! Pfft!

“Ah!”

A miserable scream rang out.

One by one, corpses fell from the sky, smashing holes in the ground, blood flowing out from the severed necks.

Half a minute later.

The battle was over.

Other than mu shaqi, the remaining official members of the half-monster Alliance were all dead. They were all killed by the mecha Ares-class soldiers and became headless corpses.

buzzzzzz! buzzzzzz!

At the same time.

A pure golden light spot flew out of the body, condensed, and then merged into Jiang Li's body.

[ acquired a tier 4 soul tinder! ]

a notification appeared.

” i killed eleven level-four creatures, and only one level-four soul tinder dropped. ”

Jiang Li looked at the notification.

how could Qianqian be like this?!

Mu shaqi's expression was one of despair. His face was deathly pale, without a trace of blood. He looked at the terrifying soldiers around him who were like mechanical puppets, and his heart was filled with despair.

Tier 4 perfection!

All of them were at the perfected stage of Tier 4!

These 90 Golem-like existences were all at the peak of the type 4 realm. It was simply too terrifying. To think that the great Xia Dynasty would have such a fearsome Army.

“Mu shaqi, I’ll give you another chance to live.”

” tell me where the sub-league is in ling jue county, ” jiang li said. ” if you tell me, you can live. ”

kill!!!

BOOM!

Jiang Li! mu shaqi looked up and roared. His half-monster power exploded, forming a vast energy wave. He charged at Jiang Li like a black light.

Obviously.

Mu shaqi answered Jiang Li with his actions.

“Azure Dragon Seal!”

Buzzzzzz!

” heaven and earth spiritual qi. ” jiang li made a hand seal. the blue light glowed, and with the power of the nation’s fate, the spiritual qi within ten thousand meters was activated.

“Roar!”

The Green Dragon Seal revealed a lifelike three-clawed Green Dragon.

“!!!”

Mu xiaqi's eyes widened.

“boom!”

the three-clawed azure dragon pounced over and bombarded mu xiaqi's body. it then exploded, creating a vast energy storm that wreaked havoc in the surroundings.

“Ah!”

Pfft!

Mu shaqi let out a blood-curdling screech as he spat out blood. His body flew backward and smashed into the city wall, embedding into it. He looked quite miserable.

“You, you, you, you, you, you, you ...”

what? ” mu shaqi looked at Jiang Li in shock. you're only at the early stage of level four. How can you control the spiritual energy within ten thousand meters? ”

“whoosh!!!”

Jiang Li raised his right hand. Energy gathered in his palm and formed an energy bomb. He fired it and it landed on mu xiaqi.

There was a loud 'boom'.

Energy exploded.

Mu shaqi had died!

One shot.

Shua!

Immediately after.

A golden light gushed out of mu shaqi's body and condensed into a pure golden light spot. It merged into Jiang Li's body like a Firefly.

[ acquired a tier 4 soul tinder! ]

A notification appeared.

“Another one dropped.”

Jiang Li smiled.

Ta ta ta da

In the surroundings.

There was the sound of dense footsteps.

Not long after the battle ended, the officials of Ling Jue County rushed over. A few thousand soldiers from the county city also arrived.

shua!

let's go. Jiang Li landed on the ground.

Buzzzzzz!

After that.

The armor on his body disappeared.

It revealed its true appearance.

MYL01 followed Jiang Li.

“Your subjects pay their respects to Your Majesty!”

Jiang Li! the officials of Ling Jue County were shocked when they saw Jiang Li. They immediately knelt down and kowtowed to Jiang Li. They sounded scared.

“Your Majesty, Emperor Xia!”

” it’s really his majesty, emperor xia! ”

that is to say, those powerful beings in the sky are all the subordinates of His Majesty, Emperor Xia.

“this commoner pays his respects to your majesty!”

“.....”

In the surroundings.

The people of Ling Jue County discussed among themselves and saluted Jiang Li.

” last night, the half-monster alliance sent out many official members and half-monster death warriors. xiao lingyun and 3000 soldiers of the county were all killed by the half-monster alliance. ”

I’ve found and killed all the members of the half-monster Alliance today, ” Jiang Li said. I’ve avenged Xiao Lingyun and the 3000 soldiers.

“I see.”

County King Xiao and the others were actually killed by the half-monster Alliance.

” the half-monster alliance is so hateful. ”

it’s a pity. County King Xiao was a good County King. It was all thanks to him that Ling Luan County could be rebuilt so quickly. But he was killed by the half-monster Alliance.

it’s a good thing that His Majesty has already killed all the people from the half-monster Alliance and avenged County Prince Xiao. County Prince Xiao can rest in peace now that he knows about this.

The people around didn’t doubt what Jiang Li said at all.

“You’re all dismissed.”

go. Jiang Li waved his hand.

“Yes.”

The officials of Ling Jue County said in unison.

Chapter 357 projection

Xiao Lingyun was dead, and the Commander-in-Chief and Deputy commander-in-chief of the army of Ling Jue County were also dead. Jiang Li naturally had to appoint a new Commander-in-Chief and Commander-in-Chief.

Finally.

Jiang Li appointed 'Luo Yueming' as the Commandery Prince of Ling Jue County. As for the Commander-in-Chief and Deputy Commander-in-Chief positions, Jiang Li asked Luo Yueming to appoint them himself.

"I will not let your Majesty down. I will do my best to manage Ling Jue County."

Luo Yueming knelt down and kowtowed.

"yes."

Jiang Li nodded and left the mansion.

"Congratulations, Luo Junwang!"

"Congratulations on your promotion, Commandery Prince Luo!"

"Luo Junwang, I wonder if you have any suitable candidates for the position of Commander-in-Chief and Deputy Commander-in-Chief?"

"....."

Not long after Jiang Li left.

the other officials came to congratulate him one after another, their faces full of fawning smiles.

everyone, pass on my order. Announce to the entire County that from today on, no one is allowed to take half a step near the eastern city of Ling Jue County. Those who disobey will be executed!

Luo Yueming shouted.

"Yes."

“Yes, sir.”

the officials looked at each other, their eyes flashing, and nodded.

In reality.

Jiang Li didn't care about the position of the king of Ling Jue County at all. It didn't matter who took it. As for Luo Yueming, he just liked her.

Moreover ...

The base of Army 02 had been completed. The entire Ling Jue County was under the surveillance of the mech Army.

At this moment.

In the room of the ruler's hub in the base 02.

Jiang Li contacted the 'search Army'.

“Did you find anything?”

what's wrong? ” Jiang Li asked.

my Lord, I couldn't find any traces of the sub-League of the half-monster Alliance.

Zh04 replied.

“You still haven't found it?”

Jiang Li frowned.

“Yes, I am.”

“We’ve already searched the entire Ling Jue County, but there’s still nothing.”  
Zh04 replied.

“You’ve hidden it quite well.”

find them, ” Jiang Li said coldly. find the sub-League of the half-monster Alliance, even if you have to dig three feet into the ground. Since they’re in the sub-League, they’re in Ling Jue County. They can’t run away.

“Yes.”

Zh04 replied.

The communication ended.

contact the third air reconnaissance unit.

” go! ” jiang li ordered.

“Yes.”

QX02 replied.

Jiang Li had three holographic meches. QX01 stayed in the base of Army 01 in the imperial capital while QX02 stayed in the base of Army 02.

Buzzzzzz!

Communication link.

The holographic projection was displayed in front of Jiang Li.

“my lord!”

Zh012 appeared on the screen.

“Report the situation of the lion barbarian kingdom.”

Jiang Li said.

“Yes.”

“After the lion barbarian kingdom sent their barbarian Army to Nanlong County, there shouldn’t be any other movements.”

“Furthermore, the number of barbarian troops stationed in nanyi County is not small. There are more than three million of them,”

...

“Three million,”

jiang li nodded. ” the lion-killing legion is strong enough to take them down easily.  
”

“Zh01, lead the ‘Lion Slayer Legion’ and set off immediately.”

Immediately.

let’s go! Jiang Li stood up and gave the order.

“Yes.”

“Let’s go!”

“All troops, move out!”

A few minutes later.

“Rumble!”

The large military transport planes took off and carried meches into the air. The mech Dragon cavalry and the mech Ares soldiers followed the fleet.

...

the movement of the ‘lion destroying legion’ was very big.

The people in the county city all raised their heads to look at the sky.

His eyes were filled with respect.

In the regional King’s mansion.

luo yueming and the others walked out.

is His Majesty Emperor Xia mobilizing his Army? ”

this Army is flying towards the lion barbarian kingdom!

“Is Your Majesty preparing to invade the lion barbarian kingdom?”

“This bi an ...”

the lion barbarian kingdom is a thousand-year-old barbarian dynasty with a strong national power and a strong military force. It has stood for a thousand years

without falling. Can Your Majesty successfully take down the lion barbarian kingdom? ”

” don’t forget, isn’t the panicky yao dynasty a thousand-year-old yao dynasty? it has stood for a thousand years without falling, but wasn’t it destroyed by his majesty in the end? ”

“That’s right,”

Luo Yueming and the others discussed animatedly. They were looking forward to it, but they were also nervous and worried.

In the blink of an eye.

The ‘Lion destroying Legion’ had already left Ling Jue County.

At this moment.

Jiang Li was sitting in the passenger’s seat of the ship. He could see the cotton-like clouds through the window.

In front of him.

One by one, the indicator lights lit up.

the transport mech pilot was piloting a large military transport plane.

Jiang Li could see the mechanical dragon cavalry and mecha Ares-class soldiers flying past the window from time to time at the speed of large military transport planes.

At most half an hour.

They would arrive at Nanlong County.

Outside Ling Jue County.

Shua! shua!

Many figures appeared.

He looked closer.

These figures were all half-fiends.

Their figures merged with the shadows.

It was hard to detect.

Emperor Xia, Jiang Li, has left Ling Jue County with his Army. Judging from the direction of the Army, it's very likely that they're going to invade the lion barbarian kingdom.

mu xiaqi and the other Lords all died in Ling Jue County. It's clear that Emperor Xia, Jiang Li, has extremely terrifying power because mu xiaqi and the other Lords are level-four half-demons.

"Report the situation here!"

"As for how we should respond, let the Lords decide."

In reality.

These half-demons were the subordinates of mu xiaqi and the others, and most of them were half-demon death Warriors that had been trained. They had originally been waiting outside the city to receive mu xiaqi and the others.

The result.

mu xiaqi and the others had all died in ling jue county.

After mu shaqi's subordinates received this news, although they were shocked and aghast, they did not panic. After confirming the authenticity of the news, they prepared to return to the sub-Alliance and report the news here.

Shua! shua!

In the air.

They were drone after drone. Under the control of the air Scouts, they were suspended high in the clouds and had already locked onto the half-fiends.

then, he quietly followed them.

Obviously.

The entire Ling Jue County.

All of them were under the surveillance of unmanned reconnaissance planes, mechanical winged air soldiers, and holographic cameras. When mu xiaqi's half-demon subordinates appeared, they were naturally discovered at the first moment.

Hence.

In order to cast a long line to catch the big fish, he found the sub-Alliance of the half-monster Alliance in Ling Jue County through mu shaqi's half-monster subordinates.

He didn't alert the enemy, but secretly followed them.

At the same time.

Jiang Li, who was sitting in the co-pilot seat of BGC-YSK01, also received a message from QX02, who was staying in base 02. QX03 projected the image.

“Alright,” he said.

great. Jiang Li nodded with satisfaction. I didn’t expect to find a clue so soon.

QX03, immediately inform the ‘search team’ to be ready. As soon as they find the sub-Alliance of the half-demon Alliance, they will attack immediately.

Jiang Li said.

“Yes.”

QX03 nodded and sent a text message to the ‘search team’.

At this moment.

On the other side.

lion barbarian kingdom.

The capital.

In The Leo king’s palace.

A barbarian envoy from the Barbarian dynasty had arrived at the lion barbarian kingdom.

“Your Majesty The Lion King.”

The messenger was a thin middle-aged barbarian. He had a humble attitude as he saluted Shi Qingtian.

“Yes.”

Shi Qingtian nodded slightly, his expression neither happy nor sad.

On both sides of the hall.

The ministers of the lion barbarian kingdom stood there.

“Your Majesty, I’ll get straight to the point.”

“This time, the Barbarian King has sent me to the lion barbarian kingdom to discuss the formation of a barbarian alliance with the lion barbarian kingdom,” the Barbarian Messenger said.

“the alliance.”

Shi Qingtian raised his eyebrows. how? ”

Your Majesty, the Wei King of the Wei Dynasty has gone into seclusion to break through to the early stage of the fifth level. The Barbarian King sent out five million barbarian soldiers, but they were repelled by the Wei Dynasty’s Army.

“Not only that, but the spirit Moon Demon Kingdom also sent out tens of millions of demon soldiers to invade the Wei Dynasty at the same time. However, they did not achieve the desired result,” the Barbarian Messenger said.

“The great Wei Dynasty’s strength is far beyond our estimation.”

therefore, the Barbarian King has sent several messengers to the Black Dragon barbarian kingdom, the witch Gu barbarian kingdom, the prosperous barbarian kingdom, the small prosperous nation, and the lion barbarian kingdom to form the Barbarian Alliance to fight against the Wei Dynasty.

“The Alliance of the Six Nations.”

Shi Qingtian murmured.

“Yes, I am.”

the barbarian envoy nodded.

“The Black Dragon barbarian kingdom will agree?”

Shi Qingtian asked.

“if we make the black dragon barbarian kingdom the leader of the alliance, i think their ‘black dragon barbarian king’ will agree,”

no matter what, we are all barbarians, ” the Barbarian Messenger said. now that we are facing the threat of the Wei Dynasty, we must unite.

“Alright,” he said.

“you’re right. i agree to form the barbarian alliance, but i hope that the barbarian dynasty can send troops to support the lion barbarian kingdom,” shi qingtian said.

“Why do you say so?”

The Barbarian Messenger asked.

“It’s because of the great Xia Dynasty,”

“You should know that the panicky demon dynasty was destroyed by the great Xia Dynasty not long ago. The thousand-year-old demon dynasty was destroyed overnight,” Shi Qingtian said.

” with emperor xia jiang li’s personality, he will not let the lion barbarian kingdom go. he will definitely send troops to attack the lion barbarian kingdom. that’s why i hope that the barbarian dynasty will send troops to ambush the great xia dynasty. ”

“this bi an ...”

the barbarian messenger muttered.

“Reporting to Xuanji.”

Suddenly.

An urgent voice came from outside the hall.

Plop!

The messenger barbarian rushed in, but because he was in too much of a hurry, he fell to the ground and shouted, ” there’s an urgent battle report from Nanxi County. The great Xia Dynasty’s Army has attacked and Nanxi County has fallen!!!

“What?”

Shi Qingtian suddenly stood up and asked,”Where’s Chu manxiao?”

“Commander Chu manxiao is leading the Barbarian Army to retreat!”

“This bi an ...”

The Barbarian Messenger was also a little stunned. Shi Qingtian had just said that the great Xia Dynasty would most likely send an Army to attack the lion barbarian kingdom. In the end, an urgent battle report had arrived.

.....

The spirit moon Fey Kingdom.

The capital.

Shua!

A figure with a pair of pure white wings on his back flew through the air. He had a handsome face and an elegant demeanor. It was a handsome young man.

He went straight to the Royal Palace of the spirit moon Fey Kingdom.

“who is it?”

“How dare you break into the palace!”

Shua! shua! Shua!

The next moment.

Several great generals of the spirit moon Fey Kingdom appeared.

I’m the sky demon Kingdom’s emissary, Tian Qing. I’m here to deliver the sky Demon King’s decree.

The handsome young man waved his right hand.

“Roar!”

A Dragon’s Roar resounded.

It was an illusionary imperial edict condensed from the power of the nation’s fate. It slowly unfurled and contained a terrifying pressure that pressed down on the generals of the spirit Moon Demon Kingdom.

The spirit Moon Demon Kingdom's generals were slightly shocked.

“The sky Yao Kingdom!”

“this is the projection of an imperial edict!”

They cried out in shock.

since you are an emissary from the sky Fey Kingdom, please enter the hall.

At this moment.

The voice of the Spirit Moon Demon King came from the palace.

Chapter 358 Exiting seclusion

nanlong county, lion barbarian kingdom.

boom! BOOM! BOOM!

The flames of war spread.

In less than half an hour, the ‘Lion Slayer Legion’ led by Jiang Li arrived at Nanlong County from Linglong County and launched an attack on the county capital.

In the air.

the light bombers and fighter jets circled the skies of the city, before dropping one bomb after another, landing on the city and the army. the sounds of explosions rang out, destroying many buildings.

A large number of barbarian soldiers were killed.

“Fire!”

Shua! Shua! Shua!

3,500 fourth-rank mecha Wargod soldiers formed a fourth-rank Air Force and fired small energy missiles one after another, landing in nanyi County.

it could be seen.

A fourth-rank mecha Ares-class soldier could fire three small energy missiles at once, so 3500 fourth-rank mecha Ares-class soldiers would be equivalent to 10500 small energy missiles.

“rumble!”

With so many small energy missiles exploding, it destroyed everything. The shock waves of the explosion spread and buried the surroundings. Flames shot into the sky and the screams of the barbarians kept ringing.

The entire nanyi County city was almost reduced to ruins.

Buzzzzzz! buzzzzzz!

On the battlefield.

The soul Fire Seeds flew up and flew into Jiang Li’s body like fireflies, capturing many Soul Fire Seeds.

“Retreat! Retreat!”

From the start of the war until now.

Only a few minutes had passed.

Chu manxiao’s 3 million barbarian Army could not hold on any longer. The strength of the two armies was simply not on the same level, so Chu manxiao immediately abandoned nanyi County and retreated quickly, like a dog that had lost its home.

the stage 3 army formation activated, escaping at their fastest speed.

“Chase!”

Jiang Li waved his hand.

Shua! Shua!

The ‘Lion destroying Legion’ pursued at full speed. The dense fleet in the air and a large number of mechanical dragon cavalry were chasing after the Barbarian Army led by Chu manxiao.

Buzzzzzz!

MYL01 rushed out and caught up with Chu manxiao like a black lightning bolt. He raised his hand and a vast energy palm print pressed down like a five-fingered mountain.

“Five Luan Luan, rank five Luan Luan”

Chu manxiao’s eyes widened.

“Pfft!”

Blood splattered everywhere.

chu manxiao, who was at the perfected-stage of tier 4, was killed by a single palm from myl01. even his corpse exploded into a mist of blood, and he died.

“General!”

The Barbarian soldiers were terrified.

“Kill!”

Immediately.

The mech soldiers surrounded him.

Then, the mechanical giant soldiers and energy bomb soldiers were released into the battlefield. The 10000-strong type 4 mech Army displayed their terrifying strength.

“Ah!”

“Fourth-rank, they’re all fourth-rank mayflies!”

“heavens!”

an Army of 10000 type 4 divine warriors!

on the battlefield.

almost all of them were the screams of the barbarian soldiers.

Half an hour later.

The war was over.

There was no surprise.

Nanyi County's three million barbarian Army was completely annihilated.

“Let's continue.”

let's go. Jiang Li didn't let the meches clean up the battlefield because it would waste time. Instead, he let the mechanical giant soldiers and the energy bomb soldiers return to the transport plane and set off immediately.

The 'Lion destroying Legion' flew at full speed.

...

Their target was the lion Capital of the lion barbarian kingdom.

The Army advanced.

As soon as they passed by the county city of the lion barbarian kingdom, they would immediately launch an attack. The 'Lion destroying Legion' displayed their destructive combat power.

One county after another was taken down by the lion destroying Legion.

however ...

The military strength of these counties was too small, and it seemed that more than half of them had been taken away.

The Wei Dynasty.

The capital.

The Wei Palace.

In the closed-door cultivation room where Wei Zheng, the King of Wei, was.

At this moment.

...

Wei Zheng had reached the final juncture of his breakthrough. He had taken a large number of precious spirit herbs and medicinal pills, as well as consumed a large amount of resources.

He used high-grade spirit crystals to set up a Grade 5 ‘elemental gathering array’ to help him break through.

Finally!

Buzzzzzz! Buzzzzzz! buzzzzzz!

His entire body.

A blue radiance flickered.

It condensed.

“Roar!”

A Dragon’s Roar resounded.

A three-clawed Blue Dragon was circling Wei Zheng's body. Upon closer inspection, the three-clawed Blue Dragon was about to grow its fourth claw.

“Break!”

Wei Zheng opened his eyes and shouted.

BOOM!

An explosion sounded.

The true essence in his body had completely condensed. In his dantian, the liquid true essence had condensed into one, and then turned into a solid existence.

It formed a sparkling and translucent diamond-shaped crystal.

True core!

This was the origin of the power of the fifth step.

The true essence would become a ‘true core’.

The fourth rank was the ‘true element boundary’.

The fifth stage was also known as the true core realm.

“Roar!”

In the sky above the capital of the great Wei.

The true dragon of National aura appeared.

It was a three-clawed Blue Dragon that was 3000 meters long. It roared and howled into the sky. Its vast and majestic body occupied the entire sky.

Powerful!

It was extremely powerful!

The power of this National aura was too strong.

“A true dragon of National fate!”

“Could it be that His Majesty has come out of seclusion?”

“This bi an ...”

In the National Guardian Pavilion.

Feng chenzi and the others were all shocked. They stood in the air and looked up at the true dragon.

“Hahahahaha!”

The next moment.

Wei Zheng’s carefree laughter resounded throughout the entire capital of the great Wei Kingdom.

Shua!

A Blue stream of light rose into the sky.

wei zheng's figure appeared, standing on the head of the three-clawed blue dragon. his hands were behind his back, and he was shrouded in the blue mist of the national aura, making it difficult to see clearly.

The power it exuded was monstrous.

It was extremely powerful.

“Your Majesty!”

“His Majesty has come out of seclusion!”

Your Majesty!

” congratulations to your majesty for successfully breaking through! ”

Instantly.

Feng chenzi and the others knelt down and kowtowed to Wei Zheng.

“feng chenzi, did anything major happen while i was in seclusion?”

Wei Zheng asked.

“Your Majesty.”

“The spirit Moon Demon Kingdom has sent 10 million demon soldiers to invade great Wei, and the Barbarian Empire has also sent 5 million barbarian soldiers to invade great Wei.”

“But they were all forced back.”

“I was unable to cause too much damage to great Wei.”

“Lingyue and the Barbarian.”

Wei Zheng snorted coldly. they’re quite bold. They dared to invade great Wei. I thought the Black Dragon barbarian kingdom and sky Fey Kingdom would send troops, but that’s good.

I’ve already broken through to the fifth level. Pass down my order to gather the entire country’s Army. Once my cultivation base has completely stabilized, we will send troops to conquer the Barbarian dynasty and the spirit Moon Demon Kingdom.

“Yes.”

“yes, sir!”

Feng chenzi and the other Pavilion elders nodded in agreement.

Buzzzzzz!

Wei Zheng waved his right hand, and the ‘sacred weapon of National aura-Blue Dragon imperial decree’ appeared. He then used up the power of the National aura to condense an imperial decree projection.

Shua! Shua!

The Imperial edict was projected into the hands of several Pavilion elders.

“There’s more,”

pass on my orders immediately, ” Wei Zheng said. head to the Jin dynasty, the Xia Dynasty, the Yongling dynasty, and the Tai Cang nation to form the human Alliance. Great Wei will be the leader of the Alliance.

“Yes.”

“we will follow your orders.”

Several Pavilion elders who were holding the projection of the Imperial edict responded in unison.

“Your Majesty.”

” i’m afraid it’s not that easy, ” wu changding said. ” not to mention the shu kingdom, the xia dynasty destroyed the panicking demon dynasty not long ago. we can see the xia dynasty’s power and the xia emperor’s methods. ”

“The great Xia.”

Wei Zheng looked at Wu changding. the panicking demon dynasty was destroyed by the great Xia Dynasty? ”

“yes, i am.”

“This matter is absolutely true.”

All the pavilion elders nodded.

wei zheng closed his eyes and used his consciousness to sense the ‘young dragon ranking sub-ranking-holy peace state’. the panicky demon dynasty had indeed disappeared from the ranking, and the great xia dynasty had also risen to the 65th place.

The fate of the country increased greatly.

a thousand-year-old demon dynasty was actually destroyed by the great Xia Dynasty just like that.

Wei Zheng's consciousness returned, and he muttered, "it seems that Emperor Xia, Jiang Li, does have some tricks up his sleeve. In that case, I'll go to the great Xia Dynasty personally.

"Let's meet this Jiang Li, Emperor Xia."

.....

Shu country.

It was located in the North and northeast of the northern region of the Holy peace state.

It was more than half the Northern Territory of the Holy peace state away from the great Xia Dynasty.

In reality.

The current land area of the great Xia Dynasty was the sum of the original great Qian dynasty, the red eyebrows Yao Kingdom, the black snake barbarian kingdom, the Cang lang Kingdom, and the panic Yao dynasty.

together.

it had a total area of two hundred and ninety-four counties.

He wasn't any younger than big Wei.

however ...

Compared to the Shu country.

The size of the great Xia Dynasty's territory was much smaller. The Shu nation's territory was twice the size of the great Xia Dynasty's, with a total of 520 prefectures.

Furthermore, it was in the Shu country.

Above the 'County' was the 'Marquis', and every ten' counties 'formed the' Marquis'.

The capital of the Shu country.

It was a vast and enormous city. The buildings in the city were Grand and sumptuous, and people came and went. It was extremely lively.

It could be said that ...

Compared to the capital of the Shu country.

no matter if it was the imperial capital of the panic demon dynasty or the imperial capital of the great wei dynasty, the difference was like the difference between cloud and mud. the difference was too great, and they were not on the same level at all.

To use an analogy.

if the capital of the shu state was a town, then the capital of the panicky demon dynasty and the king of the great wei dynasty were small mountain villages.

In the center of the capital of the Shu country.

It was the king of Shu.

The huge and magnificent palaces formed the vast King of Shu. There were tens of thousands of eunuchs and Palace maids in the palace, and there were patrolling troops guarding the area all day long.

“whoosh!!!”

Not only that.

There was also a huge formation that enveloped the entire King Shu Palace.

King Shu Palace.

It was the place where the king of Shu and the ministers of Shu country had a meeting.

At this moment.

In the palace.

the officials of the shu state gathered here and reported various matters to the king of shu.

On the throne.

King Shu's body was shrouded in the light fog of the country's fate, and it couldn't be seen clearly. The luster of the country's fate was orange-gold in color. This was the protection of the country's fate. When the country's fate was strong to a certain extent, it would form such a protection.

Without sufficient cultivation and the protection of the nation's fate, one could not even see the appearance of the king of Shu.

Your Majesty, the northern region of the Holy peace state has been in constant turmoil recently. It is no longer as peaceful as it was in the past. First, King Wei of the Wei Dynasty went into seclusion. Then, the great Xia Dynasty destroyed the thousand-year-old demon dynasty. This has caused many dynasties to feel uneasy.

I'm thinking that the Prince of Wei is likely to break through to the fifth rank. He'll definitely be ambitious and start a war. The flames of war will spread to the entire northern region of Saint peace state.

the great Xia Dynasty is also one of the Centers of the turmoil.

I have to say, the speed of Emperor Xia's rise is really unbelievable. In less than a month after the founding of the country, he has developed the great Xia Dynasty to its current state. It feels like it is out of control.

“.....”

Within the palace.

the ministers said one after another.

“Yes.”

At this moment.

The king of Shu raised his head and pondered for a while. Then, he said in a low and majestic voice, ” I knew Wei Zheng's thoughts long ago. He thought he had hidden it well, but he didn't know that I already knew about his deal with the ‘Saint peace state court’.

“Using the country's fate to nurture the ‘bright dragon flag’ and suppress the country's fate for 300 years, and then exchange it with the ‘Saint peace state’ for the ‘limit-breaking pill’. Hehe, so what if he has broken through?”

“Let him be.”

Chapter 359 The great array

I want to know the movements of the Black Dragon barbarian kingdom and the sky Fey Kingdom.

King Shu said in a deep voice.

Your Majesty, the sky demon Kingdom has already sent out messengers to the spirit Moon Demon Kingdom, the five spirit demon Kingdom, and the others. It seems like they are planning to join forces with the demon dynasty.

the Black Dragon barbarian kingdom didn't do anything, but the Barbarian dynasty sent an envoy to join forces with the Barbarian dynasty.

The officials replied.

“The Alliance.”

King Shu took a deep breath. the Northern Territory has been silent for thousands of years. Ever since the destruction of the North Sea Empire, there has been no more Empire in the Northern Territory.

“After thousands of years of peace, it's finally about to begin.”

“The war for hegemony between dynasties! Who will win?”

As soon as he finished speaking.

King Shu stood up.

“Whoosh!!!”

At this moment.

It was as if a sleeping dragon had awoken. There was no energy release, but there was an invisible power surging and spreading, shrouding the entire Shu King Hall.

Plop!

All the officials of Shu country knelt down.

His expression was one of awe.

“Send my order, the entire Shu country is ready for war.”

the king of shu said.

“Yes.”

“your subjects will obey your orders!”

“.....”

The ministers of the Shu country said in unison.

The spirit moon Fey Kingdom.

The palace.

Shua!

The handsome young man with a pair of white wings had already left.

Within the palace.

“is it finally going to start?”

Buzzzzzz!

In Ling Yue's hand was the projection of the sky demon Kingdom's imperial edict. It was the sky Demon King's edict, and Ling Yue was to head to the sky demon Kingdom in three days.

They would form the 'demon Alliance'.

"Alliance?"

Ling Yue sneered, "it's just an excuse to swallow us up. But that's good too. If Prince Wei really breaks through, with the strength of the spirit moon Fey Kingdom, they might not be able to stop him. If we can borrow the strength of the sky Fey Kingdom, we can help the spirit moon Fey Kingdom tide over this crisis for the time being.

Lion barbarian kingdom.

Within the borders.

Jiang Li's 'Lion Slayer Legion' was unstoppable. They didn't even try to hide their tracks. They directly invaded the lion barbarian kingdom.

He continued forward.

it formed a crushing trend.

They had taken down one county after another.

They had killed many barbarian soldiers of the county.

Obviously.

With the speed of the 'Lion destroying Legion', they would reach the capital of the lion barbarian kingdom in two days at most and start the final battle.

In the capital of the lion barbarian kingdom.

Shi Qingtian received bad news one after another from the various counties.

“The Luoyang County has fallen.”

“Moon Savage County also no longer has a bi an.”

“How can it be so fast? there’s no more qianqian in sihe county.”

“Gulp!”

“How is that possible? How was this possible? how could great xia’s army be so strong? It’s only been a short time, and four counties have already fallen.”

“Si si si ...”

“This is too fast.”

“What do we do now?”

...

In The Leo king’s palace.

when the courtiers of the lion barbarian kingdom heard the grievous news from the front line, their faces grew paler and paler, and fear appeared in their eyes.

“This Suan ni, this Suan ni”

The Barbarian envoy felt a chill in his heart.

One had to know.

Although the lion barbarian kingdom was not as powerful as the Barbarian dynasty, it was still a barbarian dynasty that had existed for a thousand years. However, it was now completely suppressed by the great Xia Dynasty.

The great Xia Dynasty's Army swept their way in.

He was simply invincible.

Your Majesty, although the Xia Army has lost four counties in such a short time, the Army that Jiang Li sent must be the main force of the Xia Dynasty. It's normal that the county Army can't stop them.

"i will immediately return to the barbarian dynasty and convey the message of his majesty the lion king to his majesty the barbarian king. i request his majesty to send reinforcements," the barbarian messenger said.

"Alright," he said.

...

"Then I'll leave it to you, emissary," Shi Qingtian stood up and said.

"Don't worry,"

the barbarian messenger said.

Shua!

The Barbarian Messenger's figure rose into the air and left The Leo king's palace.

"Your Majesty, is the Barbarian dynasty reliable?"

A civil official asked.

“Shijutong.”

Shi Qingtian didn’t answer the Civil official’s question. Instead, he turned to Shi Yutong and asked, “Have all the armies of the counties arrived in the capital?”

“Father,”

“most of the prefecture capital’s army has already arrived at the capital,” shi jintong immediately replied.

“Yes.”

shi qingtian nodded, “lion chi, has the array been set up?”

“Father, everything has been arranged.”

Shi Quan said.

It was obvious.

Shi Qingtian had expected that Jiang Li would probably send an Army to invade, so he had been prepared for the war.

Your Majesty, the five million Elite Barbarian soldiers are ready for battle.

The elite Barbarian Army ‘Jiang dongteng’ said.

“The one million Imperial Army soldiers are on standby.”

The Imperial Army’s commander in chief, Cai Mafeng, said in a deep voice.

“We are willing to live and die with the lion barbarian kingdom!”

The ministers of the lion barbarian kingdom shouted in unison.

“alright!”

“Then prepare for the final battle!” Shi Qingtian shouted in a deep voice.

“Yes!”

“Roar!”

The lion barbarian Kingdom’s true dragon appeared.

The fate of the nation was shaken.

The entire country was working together.

The ‘Lion Slayer Legion’ was like a hot knife through butter as they attacked their way in. After nearly a day and a night, the ‘Lion Slayer Legion’ finally arrived at the lion Capital of the lion barbarian kingdom.

Outside the capital.

There were tens of millions of barbarian soldiers from the county.

within the city.

This was the Army of the Royal Court of the lion barbarian kingdom.

“They’re here!”

“it’s the great xia army!”

“Those strange iron birds.”

“Prepare for battle!”

“.....”

The barbarians shouted one after another.

now! Activate the totem array!

Shi Qingtian grinned hideously as he stared at the Army in the sky and loudly rebuked, Jiang Li, have a good taste of the gift I’ve prepared for you!

“Activate!”

“yes!”

“Activate the formation!”

Buzzzzzz! Buzzzzzz!

In the surroundings.

They were the formation Masters of the Barbarian tribe. There were nine third-grade formation Masters, 99 second-grade formation Masters, and 999 first-grade formation Masters.

At the cost of his own life force and a large amount of resources, he had set up a fourth-grade array-totem array, which could condense the power of the totem materialization.

“Attack!”

BOOM!

In an instant.

the formation was activated.

Just as Jiang Li’s ‘Lion Slayer Legion’ arrived at the lion Capital, Shi Qingtian’s level-four array, the totem array, was activated.

“Whoosh!!!”

in the air.

Countless array patterns intertwined, forming an extremely huge array diagram that covered the sky. Its power was vast, and it gathered the surrounding heaven and earth spiritual Qi.

“Roar!”

It could be seen.

A vast totem power began to condense. The totem power of tens of millions of barbarian soldiers gathered together, forming many totem images. There were bears, Lions, Tigers, wolves, and leopards.

It was overwhelming.

All of the totem materializations rose into the air and merged into the totem formation.

At this moment.

The ‘totem formation’ exploded with a terrifying power. After absorbing enough ‘totem materializations’, it turned into a huge energy beam.

All the totems gathered together to form a huge energy beam. The power it contained was enough to threaten the existence of a fifth-rank.

“Hahahahaha!”

haha! Shi Qingtian suddenly laughed and said, ” the totem formation is powerful enough to hurt a level-five warrior. Jiang Li, I’ll see how you block it!

how dare you invade the lion barbarian kingdom so arrogantly? I, The Lion King, will make sure that you won’t be able to return today. I’ll annihilate your entire great Xia Army.

“Hahahahaha!”

“Obliteration storm!”

At this moment.

MYL01 flew across the sky and stood in the air. Facing the energy beam that penetrated the totem array, his body released all the demon spirit energy.

buzzzzzz!

The demon spirit domain spread.

“BOOM!”

At the same time.

the demonic spirit energy exploded, creating a destructive storm of obliteration. it formed waves of ripples that gushed toward the energy light beam of the totem array.

annihilate everything, destroy everything.

“Rumble!”

After that.

The energy beam of the totem formation and the destructive storm of MYL01 collided head-on. The power of both sides continued to collide and dissipate, and an earth-shaking explosion erupted.

in an instant.

The entire sky was covered in the radiance of the explosion. A series of explosions rang out as if there were endless shockwaves and storms spreading.

In the end.

Everything settled down.

The light of the explosion dissipated.

In midair.

MYL01 stood in the void, his clothes torn and tattered. His damage level had reached 30%, but the energy beam of the totem array had been blocked.

“Alright!”

A smile appeared on Jiang Li’s face.

Pfft! pfft!

At the same time.

The nine third-grade barbarian formation Masters, 99 second-grade formation Masters, and 999 first-grade formation Masters vomited blood and looked pale.

obviously.

the cost of using the fourth-grade formation ‘totem formation’ was not small.

it’s blocked! It’s blocked!!!

“How is this possible?”

“Si si si ...”

Jiang dongteng and the others widened their eyes, their faces full of disbelief and shock.

one had to know.

The totem formation was the totem materialization of tens of millions of barbarian soldiers, and when integrated with the formation, it was enough to burst out a destructive power beyond the fourth-grade.

However ...

It was actually blocked.

It was blocked!

“Five elements Phoenix, fifth rank! He’s at the fifth step!”

what? ” Shi Qingtian was shocked. he’s a level five. No wonder the panicky demon dynasty was destroyed overnight. Jiang Li has the combat power of a level five.

“Again!”

shi qingtian shouted.

“yes.”

buzzzzzz!

the totem formation was activated again, and the barbarian soldiers formed their totem again.

“You guys have no chance.”

attack! Jiang Li waved his hand. attack!

First of all ...

Jiang Li used some energy points to recover MYL01’s injuries and energy, then he sent out ten thousand level-four meches.

Over 3,000 mechanical giant soldiers jumped out of their mechas and crashed onto the ground. Under the influence of gravity, huge potholes were formed on the ground.

Immediately after.

They were the energy explosive soldiers.

The mecha and Ares-class weapon had already shot through the air.

Whoosh! Whoosh! “Whoosh!”

A small Energy Missile was launched.

Over 3,000 small energy missiles rose into the air and directly bombarded the Level 4 formation ‘totem array’. Over 3000 small energy missiles exploded.

“Rumble!”

at this moment.

The entire sky above The Lion King’s capital was filled with energy flames and the sound of explosions.

Kachaa! Kachaa!

The totem formation cracked open, and cracks appeared on the huge formation.

“Ah!”

the barbarian formation masters screamed in pain.

launch the small energy missiles!

Shua! shua! Shua!

The mecha Wargod soldiers attacked. Those small energy missiles that were only 30 centimeters long were launched. Each mecha Wargod soldier could fire three missiles, so more than 3000 mecha Wargod soldiers would be able to fire more than 10000 missiles.

Tens of thousands of energy missiles bombarded the totem formation, completely destroying it and turning it into light spots.

“ah!”

The Barbarian formation Masters screamed and spat out blood as they fell to the ground. The bodies of the first and second stage formation Masters withered at a speed visible to the naked eye. Their vitality was exhausted.

Only nine third-grade barbarian formation Masters survived, but their hair had all turned white.

Chapter 360 beheading

the level 4 totem array had been destroyed by the level 4 meches.

The level-four formation that Shi Qingtian had spent a lot of money and resources to set up failed to cause any damage to Jiang Li's 'Lion Slayer Legion'.

“This is impossible!”

Shi Qingtian's expression was aghast and his heart was filled with fear.

BOOM! boom! BOOM!

“Kill!”

3,500 Tier 4 energy destroyers had already charged into the Barbarian Army. Outside the lion Capital, there were tens of millions of barbarian soldiers from the county capital, forming a huge barbarian Army.

It could be seen.

The energy bomb soldiers controlled the mechanical energy. On their fists, energy that was like sparks and lightning kept exploding, containing extremely terrifying destructive power.

boom!

The energy explosive soldier threw a punch forward. The energy on his fists exploded in an instant, producing a terrifying explosive shock wave.

Energy flames scattered in all directions.

“Ah!”

a miserable scream rang out.

The blast wave spread forward, killing one barbarian after another. The bodies exploded, and blood and flesh flew everywhere, forming a U-shaped trench on the ground.

“Set up the formation! Quickly set up the formation!”

The Barbarian Commandery princes shouted.

Shua! Shua! Shua!

“Whoosh!!!”

The military Qi gathered the power of millions of barbarian soldiers, the totem power gathered together, and then the vast spiritual Qi of heaven and earth.

They immediately formed a Grade 4 army formation.

“roar!”

An earth-shaking roar sounded, and an extremely huge beast of the Army formation was formed. It was 10000 meters long, and it hovered in the air, covering the sky.

It was a giant beast that looked like a tiger and a Wolf.

“Kill!”

BOOM!

The Army formation beast pounced forward, and its huge body crashed into the energy explosive soldiers, creating a vast energy storm that shook the surroundings.

“Obliteration storm!”

Buzzzzzz!

Shua!

myl01 rushed over. he had completely recovered and released a vast amount of demonic spirit energy. then, it exploded in an instant, forming a destructive storm.

They charged towards the beast.

“Roar!”

Bang Bang Bang Bang!

A series of explosions rang out as the two sides clashed. Energy continued to explode, and countless cracks appeared on the body of the Army beast.

“ah!”

A large number of barbarian soldiers cried out in pain as they suffered the backlash from the battle formation.

“Land!”

mechanical Army Corps, move out!

“Attack!”

At this moment.

The large military transport aircraft landed on the ground. The cabin door opened, and millions of meches rushed out.

“Kill!”

The mechanical Army launched a charge at the Barbarian Army.

“Set up the artillery position!”

“Fire!”

boom! BOOM! BOOM!

The hundreds of thousands of artillery soldiers fired, and countless shells fell into the midst of the Barbarian Army. As the shells exploded, the sky was filled with fire.

“Tank Army, charge!”

“Rumble!”

the hundreds of thousands of main battle tanks were like a terrifying war chariot, like a huge flood, rushing into the barbarian army, firing tank shells and machine guns.

In the air.

Mechanical winged Air Force, glider Air Force, mechanical dragon cavalry, and many other types of mechanical air Force troops formed the mechanical air Force Army. They hovered above the battlefield and attacked from above.

...

“Roar!”

The dragon’s breath.

A sea of energy flames enveloped a large area of the battlefield.

“Elite army, attack!”

“imperial army, attack!”

At this moment.

The city gates of the lion Capital opened. Jiang dongteng and Cai Mafeng led the two legions out of the capital and joined the battlefield, fighting against the enemy with the millions of barbarian soldiers from the Commandery city.

at this moment.

Jiang Li’s ‘Lion Slayer Legion’ was at war with the entire Lion barbarian Kingdom’s Army. There were battlefields all around the lion Capital.

it was as if he could not see the end of it.

“Kill!”

...

BOOM!

Shi Qingtian soared into the sky.

“Roar!”

The true dragon of the country appeared.

A three-clawed true dragon, which was 1500 meters long and had a green jade-like color, circled in the sky. The blessing of the nation’s fate enveloped the entire battlefield.

“Azure Dragon, manifest!”

Buzzzzzz!

Jiang Li also showed up.

He was standing in the air, wearing the ‘elite Dominator battle armor’. The black steel armor covered Jiang Li’s entire body, and his electronic eyes were flashing.

The great Xia Azure Dragon technique was activated.

The fate of the nation manifested.

A two-thousand-meter-long three-clawed Green Dragon was formed. It also hovered in the air like a vast mountain range. The green National aura enveloped the battlefield.

Similarly.

Jiang Li also used the ‘blessing of the nation’ to improve the combat power of the meches. Also, the Azure Dragon was two thousand meters long, which was more powerful than the lion Green Dragon.

In other words ...

Jiang Li’s ‘blessing of the nation’s fate’ was stronger than Shi Qingtian’s.

“Jiang Li!”

shua!

Jiang Li! Shi Qingtian looked up and stared at Jiang Li with hatred and murderous intent. He roared and the 1500-meter-long Lion Green Dragon turned into a dark green Dragon-shaped light and merged into Shi Qingtian’s body.

BOOM!

His aura increased greatly.

“Kill!”

shi qingtian attacked jiang li.

“Azure Dragon protection!”

Buzzzzzz!

Jiang Li looked at Shi Qingtian calmly. He waved his right hand and the 2000-meter-long Azure Dragon turned into a ray of Azure light and merged into Jiang Li’s body.

at this moment.

the power of the great xia dynasty's national aura was added to jiang li.

“Roar!”

roar! Shi Qingtian punched and roared. His totem appeared. It was a majestic black Lion. His fist was like a giant lion that pounced at Jiang Li.

“Kill!”

Jiang Li took a deep breath and fought Shi Qingtian head-on. He also punched out. His true essence condensed into a giant fist print.

Bang!

The two sides collided.

An explosion sounded.

Jiang Li and Shi Qingtian stepped back at the same time.

“You’ve already reached the 4th tier!”

Shi Qingtian looked up at Jiang Li and said in surprise, ” “You actually reached Tier 4 so quickly!”

even if you’ve reached Tier 4, you’re only at the initial-stage Tier 4, while this King is already at the perfected Tier 4. You’re definitely not this King’s match.

“Die!”

“Lion Dragon Fist!”

BOOM! BOOM!

you’re courting death! Shi Qingtian roared and used a powerful attack. He punched out with both fists. A Lion appeared on his right fist and a Dragon appeared on his left fist. The Dragon and the lion combined and charged at Jiang Li.

“Azure Dragon Seal!”

roar!

” dragon seal. ” jiang li formed a seal with both hands. he combined his true essence and the power of the nation’s fate. he mobilized the spiritual qi within ten thousand meters and formed a dragon seal.

Bang!

The Green Dragon-shaped seal roared as it flew across the sky, baring its fangs and brandishing its claws. It collided with Shi Qingtian’s attack in the sky.

Bang Bang Bang Bang!

The scene was vast.

The attacks from both sides exploded at the same time.

“Kill!”

shua!

In the explosion, Shi Qingtian charged at Jiang Li like a beam of light. In his hand, the Green Dragon imperial decree, a sacred weapon of National fortune, appeared.

“Whoosh!!!”

It could be seen.

The Green Dragon imperial edict turned into a Green Dragon-shaped spear. It contained all of Shi Qingtian’s power and charged at Jiang Li.

“Green Dragon imperial decree!”

Jiang Li had an idea.

Shua!

In his dantian.

The Green Dragon imperial edict flew out and floated in front of Jiang Li like a green scroll. Two three-clawed Green Dragons flew out and circled around the scroll.

“Open!”

Buzzzzzz!

The Green Dragon imperial edict slowly unfolded in front of Jiang Li. It was shining with a green light and blocked Jiang Li’s way.

Bang!

The Dragon-shaped spear that was transformed from the ‘Green Dragon imperial edict’ stabbed the Green Dragon imperial edict. The two great National aura Saint artifacts clashed head-on, and a Dragon’s Roar was heard.

Finally.

‘BOOM!’ There was a loud sound.

Energy exploded.

It formed a shock wave.

Jiang Li and Shi Qingtian were both pushed back.

“You’re so silly!”

Shi Qingtian looked up at Jiang Li. you’re only at the early stage of level four. How can you have such strong combat power? ” he can actually control the spiritual qi of heaven and earth within a radius of 10000 meters!”

“there are too many things you don’t know in this world.”

the lion barbarian kingdom will be destroyed today, ” Jiang Li said indifferently. and you will die in my hands.

“in your dreams!”

Shi Qingtian roared.

jrzej01, charge ten million energy points and operate in overload mode.

Jiang Li said.

“Yes, chief sovereign.”

Jrzej01’s voice sounded.

“Access unlocked. Ten million energy points charging. Charging successful. Overload mode activated.”

“Whoosh!!!”

the ‘elite ruler battle armor’s’ electronic purple eyes flashed with a crazy light, and purple electric energy patterns appeared all over its body.

In an instant.

It spread all over his body.

they were all intertwined.

there was an extremely powerful energy fluctuation.

‘Overload mode activated successfully. 100000 energy points consumed per second. Damage increased by 1% per second. Damage can be recovered by consuming energy points. However, overload mode will turn off automatically after recovery. 100?99?.....’

“You!”

Shi Qingtian felt danger from Jiang Li!

It was a fatal danger!

“You can die now,”

Shi Qingtian. Jiang Li looked up at Shi Qingtian and said calmly.

“Xio Qianqian.”

Shua!

Shi Qingtian only said one word and Jiang Li disappeared. The next moment, he was in front of Shi Qingtian.

“!!!”

Shi Qingtian's eyes widened.

Hurry up!

It was too fast!

Bang!

die! Jiang Li punched Shi Qingtian's chest. Shi Qingtian's body was bent at a 90-degree angle. He felt a terrifying force rushing into his body.

“Ah!”

Pfft!

Shi Qingtian vomited blood and screamed as his body was sent flying.

Shua!

Shi Qingtian! Jiang Li caught up with Shi Qingtian and kicked him in the back.

His spine was broken.

Bang Bang Bang Bang!

At this moment.

Shi Qingtian was completely crushed by Jiang Li like a sandbag. Blood was spilled and Shi Qingtian's screams echoed in the sky.

"Your Majesty"

"Father!"

"!!!"

On the battlefield.

The Barbarian soldiers and generals of the lion barbarian kingdom, including Shi Jintong, Shi Yan, Jiang dongteng, and the others, looked at this scene in horror and shivered.

finally.

Jiang Li waved his right hand and the Green Dragon imperial edict fell into his hand. Then, with a flash of green light, it turned into a long, straight green saber and he swung it.

Pfft!

The green blade flashed.

Shi Qingtian's head was cut off by Jiang Li.

Blood splattered everywhere.

"BOOM!"

At almost the same time.

With the help of the mecha Wargod soldiers, MYL01 destroyed the stage 4 battle formation. The battle formation beast that was 10000 meters long exploded.
