

## Army 361

Chapter 361 Victory

BOOM!

Shi Qingtian had fallen.

The lion barbarian Kingdom's true dragon appeared once again, but it let out a sorrowful roar and its huge dragon body began to collapse.

“whoosh!!!”

A vast and invisible National aura emerged.

“Roar!”

The Azure Dragon of the great Xia immediately materialized and circled in the sky. His body flickered with Azure light as he began to absorb and devour the invisible National aura of the lion barbarian kingdom to strengthen himself.

On the battlefield.

As the grade 4 army formation collapsed.

Under the lead of MYL01, the 10000 Level 4 mech Army charged into the lion barbarian Kingdom's Army. The lion annihilation Legion attacked and sealed off the battlefield.

Pfft! Pfft! Pfft!

The energy beam sword of the Ares-class mecha cut through the sky, killing the third-level barbarians one after another. The fourth-level barbarians couldn't hold on for long under the siege.

“Exit overload mode.”

Jiang Li said.

“yes.”

Jrzj01 replied.

Buzzzzzz!

the purple electrical energy patterns on the steel armor had disappeared, and some cracks had appeared. the damage had reached 10%, which meant that it had been activated for ten seconds.

“Repair.”

Jiang Li used some energy points.

in the blink of an eye.

The cracks on the steel armor recovered.

Soon after.

Jiang Li left the battlefield and went back to his battleship. He sat in the passenger seat. The next battle didn't need Jiang Li's command or his help.

With the lion annihilation Legion's combat power, it was only a matter of time before they won.

Buzzzzzz!

Azure Dragon technique. Jiang Li started to operate the Azure Dragon technique to help the Azure Dragon absorb the fate of the lion barbarian kingdom. The Azure Dragon was surrounded by light and mist.

Gradually.

Jiang Li's body was also covered by the mist of the nation fate.

time passed.

On the battlefield below.

The battle was coming to an end. As the Barbarian soldiers were killed by the meches one by one, their bodies fell to the ground. From time to time, soul Tinders would fly out of the bodies and merge into Jiang Li's body.

It could be seen.

in the air above the myl01 battlefield, his talents and skills were activated, devouring and absorbing countless souls. his evolution progress was slowly increasing.

One had to know.

When MYL01 had advanced from the peak of Tier 4 to the early stage of Tier 5, it had gone through several wars and devoured tens of millions of souls before it could advance proudly.

This time.

MYL01's evolution progress had only reached 10%.

obviously.

It was not easy to rely on talent and skills to advance.

the night came.

Outside The Lion King's capital.

The battle cries gradually stopped, and the commotion from the battle also died down. The battle was over, and the lion Slayer Legion had obtained the final victory.

the army of the lion barbarian kingdom was completely annihilated.

The outside of the city was covered with corpses.

the barbarian corpses were piled up on the ground, forming a mountain of corpses and a sea of blood. there were also the remains of many meches among the corpses.

Inside the lion Capital.

The barbarians in the capital city.

Most of them were barbarian civilians, and there were also some royal descendants and aristocrats.

At this moment.

They were in despair.

“It's over, it's all over, Yingluo.”

“The lion barbarian kingdom is gone!”

...

“Ten million barbarian soldiers, millions of elites, all dead, all dead!”

“.....”

The nobles of the lion barbarian kingdom fell to the ground in despair.

“Roar!”

in the air.

The male lion Azure Dragon was completely destroyed, and the National aura of the male lion barbarian kingdom was completely dissipating. The vast and invisible National aura was also surging towards the great Xia Azure Dragon.

They were all devoured by the Azure Dragon of the great Xia.

Buzzzzzz! Buzzzzzz!

The Azure Dragon’s body was gradually growing, from 2000 meters to 2100 meters, then to 2200 meters, and it was still growing.

all troops, enter the city and plunder the resources of the lion barbarian kingdom.

Zh01 ordered.

...

“Yes.”

BOOM! BOOM!

The lion-destroying Legion entered the city. Every mech was stained with the blood of the barbarians. The barbarians in the capital of the lion kingdom hid in the distance in fear and didn't dare to come close.

On the other side.

In the Barbarian dynasty.

The Barbarian Messenger who had returned from the lion barbarian kingdom immediately met Xing Jiali.

“your majesty, shi qingtian has already agreed to the alliance.”

The Barbarian Messenger reported to Xing Jiali, however, the lion barbarian kingdom is currently under the attack of the great Xia Dynasty. The great Xia Dynasty's Army is indeed powerful, and they took down several counties of the lion barbarian kingdom in a very short time.

Shi Qingtian has asked for our help. He hopes that the Barbarian dynasty can send troops to support the lion barbarian kingdom.

On the throne.

xing jiali closed his eyes and remained silent.

“En, Yingluo.”

Suddenly.

Xing Jiuli's closed eyes opened, and traces of shock appeared in his eyes.

“Hu ~~ Hu ~ Hu ~”

After a while.

xing jiuli regained his senses and took a deep breath.”There’s no need.”

“Your Majesty, why is this so?”

the barbarian messenger was stunned, ” could it be that shi qingtian has already repelled the great xia dynasty’s army? ”

“Repel? hehe, yingluo.”

Xing Jiuli shook his head with a bitter smile and said in an extremely heavy tone, ” that’s because the lion barbarian kingdom has already been destroyed. I saw with my own eyes that the lion barbarian kingdom disappeared from the young dragon ranking, just like the panicking demon dynasty.

“What?”

“How is this possible?”

“The lion barbarian kingdom has been destroyed?”

“Si si si ...”

instantly.

The officials of the Barbarian Empire gasped in shock and disbelief.

“This Suan ni, this Suan ni”

The Barbarian Messenger’s eyes widened, ” in less than two days, the huge Lion barbarian kingdom, a barbarian dynasty that has existed for a thousand years, is gone just like that? It’s gone just like that?”

“The great Xia Dynasty has actually become so powerful?”

“in less than half a month, he destroyed two thousand-year-old dynasties. isn’t he afraid of wiping out all his soldiers and army? Without a sufficient population, without sufficient military strength and troops, he won’t be able to manage all the territories no matter how many he takes down!”

“What does he want to do?”

The ministers discussed spiritedly.

Is there any news from the Black Dragon barbarian kingdom? ”

xing jiali asked in a deep voice.

“Your Majesty, Xing Lang, who was sent to the Black Dragon barbarian kingdom, hasn’t sent back any news.”

One of the officials replied.

“.....”

Xing Jiali fell silent.

In reality.

It wasn’t just the sacrificial ceremony.

ling yue, wei zheng, the ‘sky demon king’ of the sky demon kingdom, the ‘black dragon king’ of the black dragon barbarian kingdom, and the ‘king of shu’ of the shu kingdom all knew about the destruction of the ‘lion barbarian kingdom’ through the changes in the rankings of the ‘young dragon ranking-holy peace state’.

Shocking!

It was extremely shocking!

the lion barbarian kingdom has been destroyed.

Ling Yue opened her eyes, and her consciousness returned. is the great Xia Dynasty really that powerful? He destroyed two thousand-year dynasties in succession!”

Jiang Li, Emperor Xia.

Wei Zheng’s expression was slightly serious as he said in a deep voice, ” I’ve underestimated you. A dynasty that has only been established for a month can actually destroy two thousand-year dynasties.

In the center of the northern region of the Holy peace Region.

The sky demon Kingdom.

The SkyDemon capital.

It was a huge island floating in the air, like a huge inverted triangle. There were many buildings and floating mountains on the island.

There was a Palace on each of the floating mountains.

The incomparably huge chains linked the floating mountains together. Upon closer inspection, one could see that every chain was covered in dense runes.

Shua! shua!

In the air.

Many figures flew through the sky towards the center of the heavenly demon capital, which was a 10000-meter-tall mountain.

On the giant peak.

There was a resplendent 'heavenly monster Palace'.

The SkyDemon monarch was in SkyDemon Palace.

The palace gates were tightly shut.

greetings, Your Majesty, heavenly Demon King!

Several figures stopped in front of the celestial demon Palace and knelt outside the palace gate. They kowtowed and greeted in unison with an extremely respectful tone.

the handsome young man with a pair of white wings who had gone to the spirit moon demon kingdom to convey the sky demon monarch's decree was among them.

"how's the matter?"

The palace gate did not open.

A deep and dignified voice rang out from within the celestial demon Palace.

"Your Majesty, the spirit moon Empire, the five spirit Empire, the sparrow Empire, the evil wind Empire, and the power ant Empire have all agreed."

the handsome young man replied.

"Yes."

yes. the SkyDemon monarch's voice sounded again. all of you have done well. Go and make your preparations. We will hold the demon dynasty Alliance conference in the SkyDemon Monarch Capital the day after tomorrow.

“Yes.”

“Yes, sir!”

The handsome young man and the others responded in unison.

The night passed.

in the lion kingdom.

“Roar!”

The great Xia Azure Dragon roared.

The power was even stronger.

It took Jiang Li an entire night to help the Azure Dragon devour and absorb all the fate of the lion barbarian kingdom. The Azure Dragon grew from 2000 meters to 2500 meters.

“Whoosh!!!”

The fate of the country grew. The Azure Dragon of Xia merged into Jiang Li's body and started to feed back to him. The vast fate of the country cleansed Jiang Li's body and true Yuan.

The spiritual Qi of heaven and earth gathered.

Roar!

The Azure Dragon technique of the Xia Dynasty was running, refining spirit Qi and increasing true essence. With the help of the Fortune of the nation, Jiang Li's aura was improving at a rapid rate.

An hour later.

BOOM!

Jiang Li's body trembled and his aura increased. The true essence in his dantian had already filled up his entire dantian. His strength and cultivation had both improved.

It rose from the initial-stage Tier 4 to the middle-stage Tier 4.

True essence spread out.

Jiang Li could control the spiritual Qi within 20000 meters around him.

After his cultivation level rose to the middle stage of the fourth rank.

Only then did the feedback from the country's fate calm down.

"Not bad."

great. Jiang Li felt the changes in his body and the increase in his strength. He nodded in satisfaction.

At this moment.

It took more than a night.

The 'Lion destroying Legion' had plundered all the resources in the lion Capital. They had also split off a few more troops to head to the various counties of the lion barbarian kingdom to continue plundering resources.

Ling Jue County.

The air reconnaissance team followed the half-monster subordinates and finally found the location of the 'half-monster Alliance sub-Alliance'. They had actually built the sub-Alliance underground.

He had built a huge underground space.

After discovering the location of the 'half-monster Alliance sub-Alliance', the search team 'immediately launched an attack on it.

because the sub-league of the half-fiend alliance was underground, it was difficult for the mech soldiers to perform well.

Furthermore ...

This sub-League of the half-monster Alliance was very strong. There were two million half-monsters, and there were many level-three and level-four half-monsters. The leader and deputy leader of the sub-League were all at the perfected level-four.

in the end.

The battle lasted for a day and a night.

Although the 'search team' had won and basically destroyed the sub-Alliance of the half-monster Alliance, they had also suffered heavy losses.

Half of the meches were destroyed.

Furthermore ...

There was also a perfected-stage rank-4 mecha whose Ares-class weapon had been scrapped.

the sub-league leader of the half-monster alliance, jiang yaotian, had escaped with injuries.

## Chapter 362 Agreement

As soon as Jiang Li stabilized his cultivation, QX03 came over and reported the situation of the 'search team'.

master, the search team has found the sub-League of the half-monster Alliance. They took down the sub-League with half of their meches gone.

but 'Jiang Yaotian', the sub-League leader of the half-fiend Alliance, still managed to escape, " QX03 said.

a half-destroyed mech.

what? " Jiang Li frowned and said, " that's out of my expectation. I can't believe the sub-League of the half-monster Alliance is so powerful.

"....."

QX03 was silent.

Shua!

Green Dragon imperial decree. Jiang Li waved his right hand and the 'sacred weapon of the lion barbarian kingdom-the Green Dragon imperial decree-flew into his hand from the corner of the battlefield not far away.

"Whoosh!!!"

Immediately after.

The Green Dragon imperial decree appeared, and two three-clawed Green Dragons flew out and rushed into the green Dragon imperial decree, refining it.

Very quickly.

The Green Dragon Saint decree turned green and turned into a green light. It merged into the green Dragon Saint decree and was absorbed.

Shua! shua! Shua!

Immediately.

the back of the 'green dragon imperial edict' changed from two three-clawed green dragons to three three-clawed green dragons. there was an additional image of a green dragon. three green dragons flew out and circled around the 'green dragon imperial edict'.

“Keep.”

let's go. Jiang Li waved his hand and the three three-clawed Green Dragons disappeared. The 'Green Dragon imperial edict' also returned to Jiang Li's dantian. It floated above the Green Dragons and was being nourished by the fate of the country.

Half an hour later.

jiang li took 'bic-ysk01' back to the spirit luan county. the 'lion slayer legion' sent out several teams and started to search for resources in the lion barbarian kingdom.

He wouldn't be able to complete the task in a short time.

In the afternoon.

Jiang Li went back to the base of Army 02 and then used the ‘wormhole’ to go back to the base of Army 01 and arrive at the imperial capital of great Xia.

The ‘search team’ transported all the resources and spoils of war back to the base of the No. 02 Army and then arrived at the base of the No. 01 Army through the ‘wormhole teleportation’.

The next day.

At noon.

The ‘Lion destroying Legion’ returned one after another.

the large amount of resources and spoils of war that were seized from the lion barbarian kingdom were all transported back to the base of the 01 legion and stored in the national treasury of the imperial capital.

In reality.

A few days ago.

Xu Ya and the others asked Jiang Li to expand the imperial capital. Jiang Li agreed because the imperial capital did need to be expanded.

Let’s not even talk about the ever-expanding National Treasury. It had already taken up a large portion of the imperial capital, and the number of commoners in the imperial capital was also increasing.

Plus ...

Hong Tianqi recruited soldiers and expanded the human army. He needed to build barracks for training and drilling soldiers. The imperial capital of Xia Kingdom was too small.

Jiang Li also sent ordinary Mechanical Engineers and mechanical soldiers to help Xu Ya and the others expand the capital.

In the afternoon.

Buzzzzzz!

outside the imperial capital of the grand xia.

In the air.

A 3,000 meter long, three-clawed Blue Dragon flew through the air. Its winding body emitted a brilliant light, and its might was extremely vast. It flew straight towards the imperial capital of the Grand Xia.

“roar!”

A Dragon’s Roar resounded.

this news spread throughout the entire imperial capital of the grand xia.

He looked closer.

On the three-clawed Blue dragon’s head.

The person standing was the great Wei Dynasty’s Wei King, Wei Zheng.

He had personally come over.

“That Suan ni is the true dragon of the nation!”

“Which dynasty?”

“.....”

Within the city.

The residents looked up.

...

“Quickly inform His Majesty!”

Hong Tianqi, Wu Zong and the others shouted in shock.

“Who is it?”

The room in the ruler’s hub.

jiang li had just opened the dominator panel and was about to merge all the soul tinders he had collected, but he was shocked by the power of the national fate true dragon.

“Chief sovereign.”

QX01 rushed over.

Shua!

He immediately opened the screen.

It was the scene captured by the holographic cameras and drones. A vast true dragon of National fate was hovering in the sky above the capital.

The radiance of the nation’s fate was released.

...

On the dragon's head.

A figure shrouded in the light mist of the nation's fate was standing there.

he couldn't see clearly.

"I'm Prince Wei of the great Wei Dynasty,"

With his hands behind his back, Wei Zheng looked down at the imperial capital of the great Xia from above, ignoring the gazes of the surrounding soldiers. His voice spread throughout the entire imperial capital, and he said in a calm tone, "I'm here to visit you personally. Jiang Li, come out and meet me!"

Obviously.

Wei Zheng was quite confident in his own strength, which was why he dared to come to the imperial capital of the great Xia alone. He didn't even care about the one million human soldiers in the city.

But this was normal.

Wei Zheng had already broken through to the early stage of level five and condensed a 'true core'. His strength was enough to look down on everyone else. With the protection and enhancement of the true dragon of national aura, as well as the power of a 'national aura saint weapon'.

His combat strength had definitely surpassed the initial stage of the fifth step.

"Prince Wei,"

Jiang Li frowned. He's here in person.

QX01, form a projection.

go! Jiang Li ordered.

“Yes.”

QX01 nodded.

Shua!

Immediately.

QX01 scanned Jiang Li’s entire body and projected his figure above the imperial capital of great Xia through the holographic camera.

Obviously.

Jiang Li didn’t plan to meet Wei Zheng in person.

“Prince Wei,”

In the air.

Jiang Li’s holographic projection appeared and he cupped his hands at Wei Zheng.

“What?”

Wei Zheng frowned and looked at Jiang Li. He looked up at the sky and saw the holographic camera as well as the mechanical winged air soldiers patrolling in the air.

“This is not your real body.”

I have come to visit you personally, but you, Emperor Xia, do not even dare to show your face, ” Wei Zheng said in a deep voice. you are so proud. Do you not respect me? ”

“prince wei, you’re too kind.”

” no. ” jiang li waved his hand. ” i’m preparing to cultivate in seclusion. i can’t show my face. i hope you can understand. ”

“May I know what brings the Prince of Wei to the imperial capital of the Grand Xia?”

Jiang Li asked.

“Hmph,” he snorted.

Wei Zheng snorted coldly and did not pursue the matter.

I want to establish the ‘Alliance of human dynasties’ and unite the power of the human dynasties in the northern region of the Holy peace state to destroy all the Barbarian and demon dynasties in the northern region of the Holy peace state.

unify the northern region of holy peace Region!

“What do you think, Emperor Xia?” Wei Zheng asked directly.

“Of course it’s a good thing.”

Jiang Li smiled. humans, monsters, and barbarians have been at war for a long time. It’s hard to resolve their hatred. It’s great that Prince Wei can work with the human dynasties to destroy the monster and barbarian dynasties.

“So, you agree to the Alliance?”

Wei Zheng said.

“I naturally agree.”

okay. Jiang Li nodded.

“Very good,” he said.

Wei Zheng smiled and looked at Jiang Li as if he was a wise man. in that case, I’ll invite Emperor Xia to the capital of the Wei Kingdom the day after tomorrow to discuss the Alliance.

“I will definitely arrive on time.”

Jiang Li said.

“yes.”

Wei Zheng’s smile widened. He looked up at the mech pilot and said, ” Emperor Xia, your Air Force is not bad. If there is a chance, you can let me see it.

“I will.”

okay. Jiang Li nodded.

“It seems that the Prince of Wei is busy with state affairs, so I will not force him to stay.”

Jiang Li said.

“Hahahahaha!”

Wei Zheng laughed. then we shall wait for the arrival of Emperor Xia in the capital of the great Wei Kingdom.

“I won’t send you off.”

Jiang Li cupped his hands.

Roar!

the three-clawed blue dragon let out a dragon’s roar that shook the entire area. its body flickered, and like a blue bolt of lightning, it disappeared from its original location, leaving the imperial capital of the grand xia.

the human race Alliance.

Jiang Li looked in the direction Wei Zheng left and said calmly, ” “Since it’s an Alliance, there’s naturally a position of ‘Alliance leader’.”

“the ‘leader of the alliance’ will be able to share the blessing of all the dynasties.”

“You want to unify the northern region of the Holy peace Region?”

“Prince Wei is quite ambitious!”

Immediately.

Jiang Li’s holographic projection disappeared.

on the other side.

After leaving the imperial capital, the Prince of Wei turned his head to look back. His brows furrowed slightly as he thought to himself, I didn’t expect Emperor Xia, Jiang Li, to agree so easily.

“it’s a little beyond my expectations.”

is Jiang Li planning something? ”

prince wei muttered to himself.

However ...

He soon forgot about it.

no matter what Jiang Li’s plan is, no scheme will work when he’s facing absolute strength. Besides, as long as he enters the capital of the Wei Kingdom, everything will be set.

King Wei was very confident. first, we will combine the power of the human dynasties in the northern region of the Holy peace state. Then, we will take down all the Barbarian and demon dynasties. We will gather the fate of the entire northern region of the Holy peace state.

“It will definitely make the Wei Dynasty into an ‘imperial dynasty’.”

“i will also become the emperor of the northern territory!”

In the base of the 01 division.

Within the room in the ruler’s hub.

Shua!

Jiang Li opened the Dominator panel again.

He opened the soul Tinder column.

soul Tinder: 1509600 level-one soul Tinders, 127300 level-two soul Tinders, 1005 level-three soul Tinders, 10 level-three Demon Soul Tinders, 13 level-four soul Tinders, one level-five Demon Soul Tinder fragment.

After Jiang Li destroyed the lion barbarian kingdom and the half-monsters of the half-monster Alliance, he gained a large number of soul Tinders.

“One-click fusion.”

Buzzzzzz!

The soul Tinder fusion function was activated.

Shua! Shua!

The fusion interface appeared.

a large number of notifications popped up.

Finally.

1,509,600 level-one soul Tinders were all fused, and he succeeded 50320 times, obtaining 50320 level-two soul Tinders.

“Continue.”

Buzzzzzz!

Fused 177,620 stage-two soul Tinders.

he had succeeded 2960 times.

You’ve obtained 2960 stage-three soul Tinders.

“Again,”

Shua! Shua!

He fused 3965 tier-three soul Tinders.

He had succeeded 45 times.

Obtained 45 Tier 4 soul Tinder.

There were five level-three soul Tinders left.

the forty-five level-four soul Tinders obtained from the fusion Plus the thirteen level-four soul Tinders that I already have, there are a total of fifty-eight level-four soul Tinders.

Jiang Li said to himself.

shua!

The level-four mechanical Army and level-four mechanical Air Force units were all deployed. Jiang Li looked at the information and fell into deep thought.

Currently.

Jiang Li had unlocked ‘mechanical giant soldier’, ‘energy blasting soldier’, and ‘mecha Ares soldier’. He had three level-four mech soldier types, both on land and in air.

the three main forces are enough to deal with most Wars.

In that case, I won’t unlock new units yet.

try to fuse the fourth-rank soul Tinder.

Chapter 363 Fifth step

“Hu ~~ Hu ~ Hu ~”

After Jiang Li made up his mind, he was ready to take action. He took a deep breath, calmed down, and started the soul Tinder fusion again.

fuse the fourth-rank soul Tinder!

Shua!

The fusion interface appeared.

This time.

A total of ten pure gold tier 4 soul Tinders appeared. They were lined up in a row, emitting a faint golden light, and then gathered in the middle.

Buzzzzzz!

the golden light became more and more dazzling.

merging in progress. Countdown: 10,9,8,7 ”

A pure golden radiance enveloped the entire world.

[ fusion failed! ]

Four big red words jumped out.

Jiang Li failed the first time he tried to fuse ten level-four soul Tinders. To be honest, Jiang Li was looking forward to 'soul imprint'.

But now it seemed ...

It was impossible.

“Again!”

Buzzzzzz!

The fusion interface lit up again.

The second fusion began.

a golden light flickered.

Ten seconds later.

[ fusion failed! ]

The failure notification appeared again.

“Continue.”

fusion? ” Jiang Li frowned. He didn't say anything and started fusing again.

he failed twice.

He had wasted twenty level-four soul Tinders.

he could still fuse three more times.

ten seconds later, the fusion was complete.

[ fusion failed! ]

A notification appeared.

The third attempt failed.

“Continue.”

Buzzzzzz!

Another ten fourth-tier soul Tinders were fused.

Ten seconds later.

[ fusion failed! ]

He failed four times in a row.

Not a single success.

“There’s only one last chance left.”

Jiang Li’s expression turned ugly. if I fail the fifth time, all the soul Tinder I got from destroying the lion barbarian kingdom and the sub-League of the half-monster Alliance will be wasted.

“But now, the arrow has already been nocked on the string and has no choice but to be fired.”

“Fuse.”

stop! Jiang Li shouted.

He was like a gambler who had lost all his family fortune.

Buzzzzzz!

The fusion interface appeared.

Golden light filled Jiang Li’s vision.

the ten-second fusion countdown began.

The pure golden light became more and more intense, almost filling up the entire world.

“It seems like I failed again.”

it’s not easy. Jiang Li sighed. I’m taking it for granted that I can form a level-five soul Tinder after five times. It’s not that easy.

...

Shua!

Suddenly.

Within the interface.

When the pure golden light almost enveloped the entire interface, a purple luster appeared in the center of the fusion interface.

In the beginning.

The purple was too weak and inconspicuous, so Jiang Li didn't notice it. However, when the purple spread and eroded the golden light around it like a virus, the golden light in the area suddenly disappeared.

Jiang Li finally noticed.

“Purple mist!”

” success? ” jiang li’s breath stopped and he couldn’t help but look surprised. ” i succeeded? ” Purple light, the brilliance of a rank five soul Tinder!”

finally ...

When the purple light turned all the golden light into a purple light spot, it floated in front of Jiang Li.

...

Shua!

[ fusion successful! ]

a notification popped up.

He had obtained a purple tier 5 soul Tinder!

“I’ve succeeded!”

Jiang Li was overjoyed. I really did it! Fifth-tier soul Tinder! The first rank five soul Tinder!”

“Hahahahaha!”

” haha! ” jiang li laughed.

He was in a good mood.

He was extremely excited.

jiang li waved his right hand and a level-five purple soul tinder appeared. it floated in front of jiang li and emitted purple light.

He had a level-five soul Tinder.

Jiang Li naturally wanted to upgrade to a level five mech.

“Ts01.”

soon after.

Jiang Li called ts.

“Chief sovereign.”

thank you. TS01 saluted Jiang Li.

“yes.”

yes. Jiang Li nodded and waved his right hand. use a level-five soul Tinder and one hundred million energy points to upgrade to TS01.

Buzzzzzz!

The purple tier 5 soul Tinder flew out and integrated into the body of TS01, along with 100 million energy points.

The body of TS01 immediately glowed.

Modify and upgrade to TS01.

A few seconds later.

the promotion was completed.

Shua!

Jiang Li checked the information after the upgrade.

” unit type: archangel mech

[ rank: early stage of the fifth rank ]

[ No.: DTS01 ]

skill 1: level-one ultimate mechanical wings

” skill 2: tier 2 ultimate long-range weapon mastery ”

skill 3: mastery of stage three ultra-quality exoskeleton armor ”

” skill 4: tier 4 energy angel

skill 5: Tier 5 inferior-grade energy Angel ”

[ equipment: Tier 1 top-tier mechanical wings, Tier 2 top-tier long-range weapon, Tier 3 top-tier exoskeleton armor, Tier 4 top-tier energy Angel Sword, Tier 5 inferior-tier Archangel energy spear ]

mechanical energy source: Pi Xiu (omitted)

[ machinery: Jian Jia (omitted) ]

” advancement requirement: two billion energy points ”

level five meches need two billion energy points to level up to the middle stage.

Jiang Li Read DTS01’s basic information carefully.

“Thank you, hegemon.”

DTS01 saluted Jiang Li.

“Yes.”

okay. Jiang Li nodded.

The previous time.

Jiang Li had basically used up all the energy points he got from the chaotic demon dynasty, so he didn’t have enough energy points to upgrade DTS01.

However ...

Jiang Li’s ‘Lion Slayer Legion’ had already taken down the lion barbarian kingdom and the ‘search team’ had taken down the sub-League of the half-monster Alliance. They had already obtained a lot of resources.

However, Jiang Li hadn't converted it yet.

Jiang Li walked out of the room in the control hub and went to the open space in the Army base. He started to convert the large amount of resources in the base.

“convert!”

A white light flashed.

All the resources had disappeared.

They were converted into energy points.

conversion successful. Obtained 11.18 billion energy points!

A notification appeared.

when all the resources on the empty ground were converted, large military transport aircraft landed on the empty ground of the base one after another. the meches walked out of the mech factory and moved the materials out of the transport aircraft.

Not long after.

The military base was once again filled with supplies.

“Continue.”

Buzzzzzz!

Jiang Li transformed again.

conversion successful. Obtained 9.753219000 energy points!

.....

One after another.

Jiang Li converted it seven times and got a lot of energy points each time. In total, he got 73 billion, 30 million, and 8000 energy points.

obviously.

The harvest this time was even greater, more than the last time.

of course.

Not only did Jiang Li take down the lion barbarian kingdom, but he also killed the sub-League of the half-monster Alliance and looted a lot of resources.

That's why he had so many gains.

“Upgrade to DTS01.”

He had obtained the energy points.

Jiang Li immediately used 14 billion energy points to upgrade DTS01 three levels in a row, from the early stage of level five to the perfected stage of level five.

Shua! Shua!

DTS01's body was shimmering.

A few seconds later.

The promotion was completed.

His rank had been raised to the perfected stage of Tier 5.

on the surface.

DS01 did not change much. He was wearing a sky-blue Major General Air Force uniform. He had a firm expression and looked a little cold. He was unarmed and wore a sky-blue mechanical watch on his left wrist.

The Tier 5 inferior-grade skill ‘energy Archangel’ had been upgraded to a Tier 5 superior-grade skill, and the ‘energy Archangel’s spear’ had also been upgraded to a Tier 5 superior-grade skill.

“Thank you, chief sovereign!”

DTS01 saluted Jiang Li with respect.

“Alright,” he said.

okay. Jiang Li nodded in satisfaction.

This way ...

Jiang Li already had two level five subordinates, MY01 at the early stage of level five and DTS01 at the perfected stage of level five. His high-end combat power had already surpassed the Wei Dynasty.

the human Alliance meeting.

I’m looking forward to it. Jiang Li smiled. I’m looking forward to it.

Two days later.

The sky demon Kingdom.

The SkyDemon capital.

A huge floating island.

roar!

A Dragon's Roar resounded.

It was an orange-gold true dragon that was 3000 meters long. If one looked closer, they would see that the Demon King of the spirit Moon Demon Kingdom, Ling Yue, was standing on the head of the three-clawed Dragon.

“The Demon King of the spirit Moon Demon Kingdom, Ling Yue, has arrived!”

Inside the SkyDemon Monarch Capital.

a loud voice rang out and spread throughout the entire capital.

Roar!

Immediately after.

Another true dragon of National aura flew over. Compared to the true dragon of the spirit Moon Demon Kingdom, this Dragon was only a thousand meters long.

it was crimson red.

on the dragon's head.

The Demon King of the five spirit demon Kingdom, the five spirit Immortals, was standing there.

“Five spirit demon Kingdom’s Demon King, Ling Wuxian, has arrived!”

The loud and clear voice sounded again.

Not long after.

One after another.

Numerous National aura true dragons flew through the air and arrived at the SkyDemon capital.

The Demon King of the swallow Kingdom, Zhang Wude. The Demon King of the little sky demon Kingdom, Yao Tianding. The Demon King of the bright moon Demon Kingdom, Hao Yue. The Demon King of the evil wind Kingdom, Feng yaozhi. The Demon King of the power ant Kingdom, Yi Xing.

In the demon dynasty.

That included the sky demon Kingdom.

There were a total of nine demon dynasties.

“roar!”

Finally ...

At this moment.

SkyDemon Palace.

roar! a Dragon’s Roar shook the heavens. Endless white light flashed, incomparably resplendent, and enveloped the sky in all directions.

buzzzzzz!

In the end.

It was the manifestation of a three-clawed true dragon that was five thousand meters long.

It was completely white.

It was a three-clawed White Dragon.

It hovered in the air.

It was like a prehistoric beast.

Its might was monstrous.

The overly powerful Dragon might of the country's fate spread and suppressed all the true dragons of the demon dynasties. The dragon's head, which was as huge as a mountain, stared at all the demon kings.

“We pay our respects to the heavenly Demon King!”

Instantly.

ling yue and the others all bowed.

“Yes.”

on the three-clawed white dragon's head.

A figure was standing there.

the white mist of the nation's fate enveloped his body. under the protection of the nation's fate, all the living beings present were unable to see the skydemon monarch's appearance clearly. they could only see a blurry figure.

And that irresistible power.

I want to establish a demon dynasty Alliance and integrate the power of the demons in the northern region of the Holy peace state. The fate of the country will be integrated with the sky demon Kingdom. We will fight against the human and barbarian dynasties, unify the northern region of the Holy peace state, and establish a demon dynasty.

The celestial demon monarch's deep and majestic voice sounded. are you all willing to support me? ”

His Majesty, the sky Demon King, is wise and mighty, and his cultivation base is unrivaled. It's as easy as pie for him to unify the northern region of the Holy peace state. The lesser sky demon Kingdom is the first to support him!

Yao dingtian shouted loudly.

“.....”

Ling Yue, Ling Wuxian, and the others fell silent.

To tell the truth.

They didn't expect the celestial Demon King to be so direct and didn't hold back at all. He wanted them to bow down to him.

However ...

ling yue and the others looked at the five-thousand-meter-long dragon and the sky demon king's unfathomable cultivation and aura, and they didn't dare to refuse.

Tier 5!

The heaven demon monarch had definitely reached Level 5!

“The strength ant Kingdom fully supports this!”

Yi Xing was the second to speak.

Soon after.

Feng yaozhi, Zhang Wude, and Haoyue also agreed to it.

Only Ling Yue and Ling Wuxian were left.

#### Chapter 364 The arrival

The corner of Ling Yue's eyes carried a hint of coldness as she glanced at Haoyue. Haoyue immediately lowered his head, not daring to meet Ling Yue's eyes. His heart was filled with apprehension and nervousness.

One had to know.

The bright moon Yao Kingdom had always been 'protected' by the spirit moon Yao Kingdom. Every year, they had to offer a certain amount of resources and the fate of the country.

There was a saying that even the spirit moon Yao Kingdom had yet to express their stance, and the bright moon Yao Kingdom, which was 'under their protection', had already made their stance clear. What was the meaning of this? Was he in such a hurry to change to a 'new master'?

“Ling Yue, Ling Wuxian.”

Yao dingtian snorted coldly and said, “all the monster Kings of the monster dynasty have agreed. Now, only the two of you are left? Why? Are you guys unconvinced of the sky Demon King?”

“Or do the two of you have other thoughts?”

“I would like to hear your other thoughts.”

the heavenly demon king’s gaze fell on ling yue and ling wuxian, giving them great pressure.

the five spirit demon Kingdom fully supports the sky demon monarch’s decision.

Ling Wuxian said.

“.....”

Ling Yue was silent for a moment before she finally bowed to the sky Demon King and said, “The spirit Moon Demon Kingdom has an additional opinion!”

“Hu ~~ Hu ~ Hu ~”

Haoyue secretly let out a sigh of relief. At the same time, he sneered in his heart, thinking, “no matter how powerful your spirit moon Fey Kingdom is, you’ll still have to obediently submit to the sky Fey Kingdom.”

“Very good,” he said.

A smile appeared on the heaven demon monarch’s face.

Everything was as he had expected.

.....

In the morning.

the southern border county of the great xia dynasty, 'wild goose county'.

In the air.

it was a large military transport plane that was flying over at high speed. it hovered above the 'fallen goose county' and slowly landed.

It stopped in the open space outside the city of the fallen goose County.

On the city wall.

The soldiers of the luoyan County looked over and saw the huge iron bird falling from the sky. They were all shocked and had the same reaction as the soldiers of the Linglong County.

Immediately.

The mechanical door opened.

Jiang Li walked out.

DTS01 and MYL01 followed Jiang Li, only half a meter away, followed by ordinary Mechanical engineers, mechanical soldiers, and a hundred mechanical teleporters.

The transport mech pilot, BGC-yks01, followed closely.

Buzzzzzz!

Immediately after.

The transport mech pilot retracted the large military transport plane and turned into a stream of energy light, turning into a mechanical watch on the transport mech's left wrist.

“Your Majesty, I, Luo dingyang, am here to pay my respects!”

the city gate opened.

Not long after Jiang Li arrived, Luo dingyang, the county King of luoyan County, came to welcome him with the officials of luoyan County.

“Yes.”

Jiang Li nodded in response.

“This commoner pays his respects to Your Majesty!”

In the surroundings.

The people of luoyan County all kowtowed.

Half an hour later.

The West City of luoyan County.

“Rumble!”

The normal mechanical soldiers started to work, conjuring bulldozers and excavators to demolish the buildings in the West City of the fallen goose County.

half a day later.

A large empty space was cleared out.

“To build the Army base.”

Jiang Li used another one hundred million energy points to build the third base. The normal Mechanical Engineers and mechanical soldiers spread out and stood around the open space.

wuwuwuwuwu!

A black light emerged.

After that.

...

It was the illusory army base. A large number of energy points were injected into it, and the illusory building quickly solidified.

An hour later.

Shua!

[ army base No. 3 has been successfully built! ]

A notification appeared.

The third base was completed.

It had all five facilities.

As there were no manufacturing facilities, other than the construction center, the other four facilities were temporarily unusable.

This time.

Nothing like what had happened in Ling Jue County had happened in the fallen goose County. Luo dingyang had been very well-behaved, and he had even sent soldiers to guard the west side of the city, preventing anyone from approaching.

BOOM!

...

The iron gate of the base opened.

Jiang Li walked in.

He went straight to the room in the ruler's hub.

Buzzzzzz!

The 'heart of the base' had already been activated, and a 'purple face' had been formed.

"My Lord, the Army base 03 is at your service!"

A mechanical voice sounded.

"Yes."

yes. Jiang Li nodded. you must be the hidden Dragon No. 3.

"Yes."

The hidden Dragon No. 3 responded.

mechanical teleportation soldier.

set up a teleportation station in the base immediately. Jiang Li ordered.

“Yes.”

Yes, sir! the hundred mechanical soldiers replied.

After that.

He started working.

After spending ten million energy points, he built the ‘teleportation minute’ on an empty space ten meters away from the ‘mech factory’. It took him half an hour to complete the construction.

Soon after.

The mechanical soldier used the ‘wormhole channel control’ skill, and there were clear spatial fluctuations as he successfully made contact with the ‘normal wormhole creator’.

Buzzzzzz!

ten wormholes appeared.

it was like a black vortex.

“lord, the teleportation station is complete.”

The mechanical soldier reported to Jiang Li.

“Alright,” he said.

” okay. ” jiang li nodded in satisfaction.

As a result ...

Jiang Li teleported 100000 mech pilots, 10000 Air Scouts, and ten perfected-stage level-four Ares-class mechas from the base of Army 01.

in order to facilitate communication.

Jiang Li used seven level-two soul Tinders and 98700 energy points to upgrade the seven perfected-stage information meches into perfected-stage level two holographic meches.

QX01 followed Jiang Li to the ‘capital of the great Wei’, QX02 stayed in the base of Army 02, and QX03 stayed in the base of Army 03.

QX04 to QX010 were to stay at the base and wait for orders.

At the same time.

most of the meches were also in the base.

He was on standby.

Boom! Boom! Boom!

The large military transport aircraft,”CGB-

“Farewell, Your Majesty!”

At the city gate of luoyan County.

luo dingyang and the others stood together and looked up at the huge iron bird. their eyes were filled with respect and their tone was respectful as they shouted in unison.

“Hu ~~ Hu ~ Hu ~”

The officials of luoyan County heaved a sigh of relief. His Majesty has finally left. To be honest, the pressure is too great to face His Majesty. I can’t even breathe.

“That’s right,”

“His Majesty’s prestige is truly too heavy.”

They sighed.

” i don’t know what his majesty has done in the west city. it seems like he has pushed down many buildings. ”

“I’m really curious.”

They discussed in low voices.

“Shut up!”

Luo dingyang’s face darkened as he rebuked, ” “this king does not wish to hear anyone discussing the matters of the ‘west city’, and i do not wish for anyone to be unable to resist their curiosity and probe into the secrets of the’ west city’.”

“Whoever dares to act rashly, don’t blame this King for being ruthless.”

“Did you hear me clearly?”

“Yes.”

“We don’t dare, we don’t dare.”

“.....”

Everyone said in fear.

In reality.

the news of what had happened in ling jue county had spread in secret over the past few days. all the county princes of the great xia dynasty had learned of xiao lingyun’s sudden death.

Luo dingyang didn’t want to end up like Xiao Lingyun.

And now.

The great Xia Dynasty was at its peak, and it was becoming stronger and stronger. If it continued to develop like this, it would not take long for it to become a top human dynasty.

luo dingyang was the lord of a county.

as the great xia dynasty grew stronger and stronger, his status would only get higher and higher, and the benefits he could obtain would only grow.

so,

To protect the interests of the great Xia Dynasty was to protect his own interests.

In the evening.

The capital of the great Wei.

Wei Royal Palace.

right in front of them.

On the main seat.

Wei Zheng was sitting on top, surrounded by a faint blue mist of the National aura. His figure could not be seen clearly, but there were several other people in the hall besides Wei Zheng.

Outside the palace.

It was heavily guarded.

However ...

The Wei Royal Hall was quiet.

“Is Emperor Xia Jiang Li not here yet?”

At this moment.

Someone said.

This white-haired old man was the human King of Dong Lin country, Dong Xiao. He furrowed his brows and said in a deep voice, is Emperor Xia Jiang Li not coming? ”

“.....”

In the surroundings.

The other human Kings were silent.

On the main seat.

Wei Zheng didn't say anything.

Prince Wei, since Emperor Xia and Jiang Li are not going to be here, why don't we talk about the Alliance meeting later? ”

Jin Wushuang, the human King of the Jin dynasty, was smiling.

“Everyone isn't here yet, so what Alliance can we talk about?”

The human King of the Yongling dynasty, Ling Tian, said.

he's just Jiang Li. It doesn't matter if he's here or not.

Dong Xiao shouted.

“Your Majesty.”

at this moment.

A voice came from outside the hall.

“What's the matter?”

Wei Zheng asked.

a huge iron bird suddenly appeared in the sky outside the capital. It's flying towards the palace. Its origin is unknown, but we've already sent troops to intercept it.

The soldiers outside the hall reported.

"A giant iron bird?"

"I heard that the great Xia Dynasty has many strange things."

"Don't tell me the iron bird Taowu ..."

jin wu shuang and the others looked at each other.

"Roar!"

Suddenly.

a vast dragon's roar came from outside.

"Ah!"

immediately after.

Screams rang out.

Shua! Shua! shua!

The next moment.

The figures of the various human Kings in the hall flickered and all disappeared. They left the hall and flew into the sky. One by one, the true dragons of the country's fate manifested.

In the sky above the capital of the great Wei.

Numerous true dragons of the country's fate gathered and circled in the sky. Their might was vast and all the citizens in the capital raised their heads to look at them in awe.

Such a scene.

It was truly a rare sight.

at this moment.

in front of them.

The 2,500-meter-long Azure Dragon of Xia showed up and released its dragon power. Jiang Li was standing on the dragon's head.

On the ground.

The great Wei soldiers were lying on the ground one after another with blood flowing out of the corners of their mouths. Their injuries weren't light, and they had all lost their combat strength.

Obviously.

Jiang Li just entered the capital of the Wei Kingdom on a large military transport plane and was immediately attacked by the Wei soldiers. Jiang Li attacked and defeated all the soldiers.

that was how such a scene happened.

“Prince Wei,”

Jiang Li put his hands behind his back and shouted indifferently, ” “Is this how your Wei Dynasty treats its guests? For the sake of the prosperity of the human race, I have traveled a long distance. I didn’t expect that I would be attacked by great Wei’s soldiers the moment I arrived at the capital.”

Shua! Shua! Shua!

In the surroundings.

Feng chenzi, Wei Lin, Wu changding, Wei Wuxian, and the other Pavilion elders arrived. Seeing the great Wei soldiers lying on the ground, their faces were filled with Fury.

## Chapter 365 The great Cang

Emperor Xia, Jiang Li!

Wu changding had a delicate face and was dressed in a green robe. He shouted in a deep voice, ” you didn’t reveal your identity and directly barged into the capital of the great Wei Kingdom. You only have yourself to blame for being attacked by the great Wei Army’s soldiers.

“That’s right!”

no matter what, Emperor Xia, Jiang Li, you shouldn’t have injured the Wei soldiers!

“You must apologize!”

The pavilion elders chided him in a deep voice.

In the surroundings.

jin wushuang, ling tian, and the other human kings were all silent. they were observing jiang li carefully. this ‘legendary figure’ was able to develop a new ‘great xia dynasty’ to such a great extent in just over a month.

He had destroyed two thousand-year dynasties in succession.

The panic demon dynasty and the lion barbarian kingdom.

This wasn’t something that could be explained by luck or chance.

Come to think of it.

This Jiang Li, Emperor Xia, must be extraordinary.

Now, he had seen it with his own eyes.

They found that Jiang Li had already reached the mid-stage of level four. He wasn’t weak at all.

However ...

He thought about it carefully.

the great xia dynasty had destroyed several dynasties and devoured the fate of the dynasty. jiang li naturally received the feedback of the fate of the country. it was normal for his cultivation to improve.

“You’re too noisy!”

Jiang Li glanced at Feng chenxi and the others coldly.

“Enough!”

at this moment.

“Wu changding, send someone to bring the injured soldiers back to the camp for treatment,” Wei Zheng ordered in a deep voice.

“Yes.”

wu changding nodded and accepted the order.

“jiang li.”

Wei Zheng raised his head. you’re too late.

“It’s not too late.”

Jiang Li smiled. I think it’s perfect.

“Hmph!”

Wei Zheng snorted coldly. since you’re here, then enter the palace.

Shua!

As soon as he finished speaking.

Wei Zheng was the first to return to the Wei Royal Palace.

Dong Xiao followed closely behind.

Jin Wushuang, Ling Tian, and the others also returned to the Wei Royal Palace.  
Jiang Li took his time and walked into the Wei Royal Palace with DTS01, MYL01, and QX01.

The vast true dragons in the sky disappeared one by one.

bagc-ysk01 was waiting in the air with the transport plane.

“this jiang li is a coward!”

Feng chenzi frowned,”I feel like something’s off.”

“Don’t worry.”

Wei Wuxian and the other Pavilion elders didn’t seem to mind. His Majesty, the King of Wei, has already broken through to the early stage of the fifth rank. He’s already in an undefeatable position.

he can’t do anything with just Jiang Li.

They were full of confidence.

Within the palace.

Other than the Shu country.

All the human Kings of the human dynasties in the northern region of holy peace state were present.

Wei Zheng of the Wei Dynasty, Jin Wushuang of the Jin dynasty, Jiang Li of the Xia Dynasty, Dong Xiao of the Donglin Kingdom, Ling Tian of the Yongling dynasty, and Cang Wu forest of the great Cang nation.

there were six human dynasties in total.

On the surface.

Out of the six human dynasties, only the great Wei Dynasty, the great Jin dynasty, and the great Xia Dynasty were truly worthy of being mentioned.

The great Cang nation's National fate ranking was the last.

“Yes.”

...

wei zheng gave dong xiao a look.

“Ahem.”

Dong Xiao immediately understood. He stood up and said, “everyone, the human Kings of the human dynasties in the northern region of the Holy peace state are all here. Since we're going to form the ‘Alliance of human dynasties’, we naturally have to choose a leader and give a unified order to gather the power of all human dynasties.

“I suggest that the position of ‘leader of the Alliance’ should be given to Prince Wei.”

“i don't think there's any other human emperor more suitable than prince wei.”

Ling Tian remained silent.

the yong ling dynasty wasn't strong to begin with, so they didn't have the confidence to speak. they glanced at jin wushuang and jiang li.

Obviously.

Now, only Great Jin and great Xia could challenge great Wei.

If Jin Wushuang and Jiang Li both agreed.

He could only accept it in silence.

...

“Do you have any objections?”

Wei Zheng stood up and went straight to the point. if no one objects, then from now on, the ‘Alliance of human dynasties’ is officially established.

I will be the leader of the Alliance. The fate of all the human dynasties will merge into one from today on, with the Wei Dynasty as the leader. All of you can enjoy the blessing of the fate of the country.

“I don’t agree!”

Finally ...

Jin Wu Shuang couldn’t help it.

One had to know.

According to Wei Zheng.

Once the ‘Alliance’ was established, the fate of the various human dynasties would be assimilated by the great Wei Dynasty, and Wei Zheng would be able to obtain the fate of all the human dynasties without any effort.

The human race that had unified the northern region of holy peace state.

The great Jin dynasty would only exist in name.

“Jin Wushuang.”

Wei Zheng wasn't surprised. This was all within his expectations. No one would willingly hand over something they had worked so hard for.

At least not before he recognized the reality.

“you have to agree even if you don't want to.”

Buzzzzzz!

As soon as he finished speaking.

Wei Zhengtu finally revealed his true colors.

in that instant.

his cultivation at the early stage of the fifth rank erupted, and the ‘big wei blue dragon technique’ circulated. an incomparably vast aura surged out, forming a terrifying domain.

He suppressed the entire Wei Royal Palace.

“Roar!”

A Dragon's Roar resounded.

A three-clawed Blue Dragon appeared on Wei Zheng's body. The lifelike dragon head leaned on the head of the Prince of Wei, and its sharp dragon eyes stared at Jin Wushuang.

“His Majesty, Prince Wei, has finally made his move.”

Outside the palace.

Feeling Wei Zheng's powerful aura, Feng Chenzi and the others immediately laughed out loud, "you should have done this long ago!"

"we should've taken action long ago."

"You're right."

"I gave them face but they didn't know how to cherish it. They had to resort to violence."

"....."

The pavilion elders sneered.

"You, you, you, you, you, you, you ..."

Jin Wushuang's face was pale. The aura that Wei Zheng released was all pressing on Jin Wushuang, making him feel a sense of powerlessness and fear.

Initial-stage Tier 5!

Wei Zheng had really broken through!

Buzzzzzz!

Jin Wushuang activated his cultivation technique and a Dragon Shadow appeared, but he couldn't resist Wei Zheng's aura. Gradually, he was suppressed and finally couldn't hold on any longer. He knelt on the ground in humiliation.

One had to know.

Jin Wushuang was the ruler of a country, but he was forced to kneel down in front of everyone by Wei Zheng's aura.

He had lost all his face.

“Si si si ...”

Ling Tian took in a breath of cold air and was extremely shocked, 'fifth tier, it's really fifth tier! Wei Zheng has really broken through to the fifth rank!"

“It seems like no one here can stop Wei Zheng.”

“I'm afraid not even Jiang Li can do it.”

without the strength of a fifth-rank, it's impossible to fight Wei Zheng.

“Dong Xiao greets the alliance leader!"

dong xiao of dong lin country immediately knelt on the ground and shouted.

“Who else is unconvinced?"

Wei Zheng's eyes swept over everyone again.

“Ling Tian greets the alliance leader.”

Ling Tian let out a long sigh. Although he was unwilling, he had no choice but to kneel down and submit to Wei Zheng. After all, there was no point in continuing to resist.

“Jiang Li.”

what about you? ” Wei Zheng looked at Jiang Li. He basically ignored Cang Wulin from the great Cang Kingdom.

obviously.

The great Cang nation's ranking was too low, and the nation's fate was too weak. Wei Zheng wasn't too interested in it, and he was most concerned about the great Xia Dynasty.

“Hehe.”

At this moment.

Before Jiang Li could say anything, Cang Wulin suddenly smiled and slowly stood up under everyone's gaze. He had a scornful smile on his face.

“Wei Zheng, I have something to tell you.”

Cang Wulin looked at Wei Zheng and said with a half-smile, ” “Do you know the meaning of the phrase ‘when there is no tiger in the mountain, the monkey will be the king’?”

“The vast forest!”

“What is he trying to do?”

” he's crazy. he's ranked last in the national fortune rankings, yet he dares to challenge wei zheng. i'm afraid he doesn't know how the word ‘death’ is written. ”

Ling Tian and the others were stunned.

“You're so silly!”

Wei Zheng was also taken aback and did not react in time. He did not expect that Cang Wulin would jump out at this time and even dare to speak rudely. This was somewhat beyond his expectations.

“Interesting.”

Jiang Li crossed his arms and sat on the chair with a faint smile on his face as if he was watching a drama. this great Cang Kingdom doesn't seem to be simple.

“Hahahaha!”

He came back to his senses.

Wei Zheng laughed out loud, a cold look on his face. Cang Wulin, it seems like I've been too kind to you. You don't know how high the sky is.

“No, no, no,”

Cang Wulin shook his head, ” you're the one who didn't know the immensity of the heavens and earth from the start.

Wei Zheng, do you know why the great Cang nation's fate has not changed even after thousands of years? it's ranked first from the bottom.

“Oh, no, there was a change. When the great Xia Dynasty was just established, it took the last place of the great Cang nation,” said Cang Wulin.

he said.

Jiang Li. Cang Wulin glanced at Jiang Li.

“.....”

Jiang Li shrugged.

what other reason could it be? the great Cang nation is just too weak.

wei zheng said.

“Yup,”

cang wulin sighed, ” the great cang nation is too weak. it is so weak that it has existed in the northern region of the sacred peace state for thousands of years without being destroyed. it is so weak that it is still ranked last, but no dynasty has been able to destroy it. ”

“You!”

Wei Zheng was shocked.

BOOM!

The next moment.

Cang Wulin’s aura burst out and a vast amount of energy rushed out, stirring up the surrounding spiritual Qi and forming a huge spiritual Qi Whirlpool.

Roar!

Immediately after.

The country’s fate true dragon appeared on Cang Wu Lin’s body as well. It was a dark grey color as it sat on Cang Wu Lin’s body and the dragon’s head was on his head.

However ...

The great Cang nation’s true dragon was too weak.

It was completely incomparable to great Wei.

However ...

Cang Wulin's aura was not any weaker than Wei Zheng's!

Initial-stage Tier 5!

Obviously.

cang wulin was also at the initial stage of the fifth rank!

True core realm!

“This Suan ni, this Suan ni”

the vast forest is actually at the initial stage of the fifth rank!

“F \* ck!”

“are you playing the pig to eat the tiger?”

Jin Wu Shuang and the others were stunned.

“Not good!”

“Something has happened!”

this powerful aura isn't from His Majesty, Prince Wei. Could it be that there's a second type 5 expert here? ”

Outside the palace.

after sensing this aura, feng chenxi and the others were greatly shocked.

shua!

Suddenly.

Cang Wulin waved his right hand and a white 'imperial decree projection' appeared in his hand. As it slowly unfurled, a three-clawed White Dragon emerged from the Imperial decree.

“Whoosh!!!”

An incomparably thick National aura and Dragon's might were released.

He suppressed the entire scene.

“Shu country!”

When the three-clawed White Dragon appeared.

Wei Zheng's pupils constricted as he recognized her immediately.

Chapter 366 Cough cough

“Roar!”

an extremely loud dragon's roar.

The three-clawed White Dragon sat in the Wei Royal Palace. It was not very long, only a few meters long. Its entire body was emitting a faint white luster, but it was very lifelike, as if it was real.

It was as if it was carved out of white jade by a master sculptor.

“Shu country!”

“It’s the Shu country!”

“The great Cang nation is actually related to the Shu nation?”

“What’s going on?”

Dong Xiao and the others were incomparably astonished.

by the order of King Shu: I heard that the King of Wei of the Wei Dynasty, Wei Zheng, wants to establish a human dynasty Alliance for the prosperity of the human race. I am very pleased, and I have specially sent an imperial edict from the vast forest region. The leader of the Alliance should be the great Cang country.

At this moment.

the three-clawed white dragon in the air spoke in the human language and slowly read out the decree of the king of shu.

King Shu had not arrived yet, but he had sent an ‘imperial edict’ to determine the position of the leader of the Alliance.

furthermore ...

He actually wanted the great Cang nation to be the leader of the Alliance.

one could see his attitude and dominance.

“What?”

“This Suan ni, this Suan ni”

Jin Wu Shuang and the others were also stunned.

“the shu country.”

Jiang Li sized up the three-clawed White Dragon. He could clearly feel the power of the Dragon contained in it. It was so powerful that it was almost tangible.

It had already far surpassed great Wei.

The strength of the country’s fate was not on the same level.

“As expected, the Shu country has interfered.”

Jiang Li thought.

“that’s why i said ...”

“Wei Zheng, I said that you’re a frog at the bottom of a well who doesn’t know the immensity of heaven and earth.” Cang Wulin said with emotion. Do you think you can unite the human race in the northern region of the Holy peace Region?”

“You’re taking it for granted.”

“Hehe, Yingluo.”

Wei Zheng took a deep breath and looked at the vast forest and the three-clawed White Dragon. He sneered, ” “So that’s how it is. Cang Wulin, you’ve hidden yourself quite deeply.”

“No, it should be said that the Shu country has hidden very deeply.”

“The great Cang nation is actually a subsidiary of the Shu nation.”

“that’s right.”

Cang Wulin nodded his head and did not deny it, ” the great Cang nation is indeed a subsidiary of the Shu nation. Every year, they have to offer up more than 90% of their National fortune to the Shu nation. That’s why the great Cang nation’s National fortune has always been ranked last.

” however, because of the shu country’s support, the great cang country’s power will only grow stronger and stronger. that’s why it has been able to exist for thousands of years without any dynasty being able to destroy it. ”

“King of Shu’s imperial edict is here, why don’t you all quickly bow your heads and submit.”

Cang Wulin shouted.

Obviously.

King Shu didn’t even need to show himself. He only sent out Cang Wu Lin to take over the Alliance.

This was because the great Cang nation was a vassal state of the Shu nation.

Therefore, more than 90% of the country’s fate had to be offered to the Shu country unconditionally.

In other words ...

king shu didn’t have to do anything. all he had to do was issue an imperial edict, and the ‘alliance of human dynasties’ that wei zheng had spent so much effort to create would change hands.

He sat steadily in the fishing platform.

“Shut up! Cang Wulin, you think you’re worthy?”

Wei Zheng shouted, ” you want the position of the ‘leader of the Alliance’ and the fate of the human dynasty? fine! Let King Shu come in person. You’re not qualified!

“Hehe, looks like we’re going to have a fight.”

Cang Wulin said.

“Do it!”

“Roar!”

in an instant.

Wei Zheng was the first to attack. He raised his palm and energy gathered, forming a huge energy palm print that shot toward the vast forest.

“alright!”

...

Bang!

Cang Wulin raised his hand and threw a punch. The direct clash had destroyed Wei Zheng’s palm.

Shua! Shua!

BOOM!

Cang Wulin and Wei Zheng were like two streams of light as they fought in the Wei Royal Palace. When they collided, the roar of a Dragon resounded in all directions.

an energy storm spread in all directions.

Bang Bang Bang Bang!

A series of explosions rang out.

“They still fought.”

“Quickly retreat!”

Ling Tian and the others were shocked and quickly retreated.

...

Buzzzzzz!

let's go! MYL01 stood beside Jiang Li. His demonic energy gushed out and formed a light curtain in front of Jiang Li, blocking all the aftermath of the battle.

it didn't affect jiang li at all.

“So strong!”

what? ” Jin Wushuang was shocked. Jiang Li's man was able to block the shockwaves of a level five battle so easily. He must be very powerful.

He must have reached the perfected stage of Tier 4.

As for the fifth step.

jin wu shuang had never thought about it.

This was simply impossible.

To tell the truth.

Wei Zheng's breakthrough wasn't a big deal. After all, the news had spread long ago. Suddenly, there was also the appearance of the vast forest, who was also a Tier 5 expert and was related to the Shu country.

This was already incredible enough.

Jin Wushuang didn't think that Jiang Li would have a level five subordinate.

their cultivation could reach the fifth step.

How could he stay in a small human dynasty? not to mention the strength of a Tier 5, as long as he was willing to spend time and effort, he could establish a powerful dynasty. Even if he entered a dynasty, he could take on the position of an important Minister and enjoy the blessing of the dynasty.

It was impossible for him to be willing to be a subject of a human dynasty.

kachaa! Kachaa!

boom!

Finally ...

The majestic hall of Wei could not withstand the battle between two early-stage type 5 powerhouses. The resplendent Golden Hall exploded, and the debris of the buildings flew everywhere.

The ground shook violently.

roar! Roar!

The Dragon's Roar resounded in all directions.

Shua! Shua!

It could be seen.

Wei Zheng and Cang Wulin had already fought high up in the sky. Their strength was almost equal, and it was difficult to determine the winner in a short time.

Big Wei's Blue Dragon appeared.

The 3,000-meter-long Dragon's body meandered like a mountain range as it roared continuously. The vast National aura was released, giving Wei Zheng a strong protection.

At the same time.

The great Cang country's National aura true dragon had also condensed.

it was gray.

The great Azure Gray Dragon.

it was just a comparison between the two.

The difference was too great.

the great azure gray dragon was only three hundred meters long.

The difference was ten times.

you dare to release such a weak true dragon of National aura to embarrass yourself? ”

wei zheng sneered.

“Blue Dragon Seal!”

Buzzzzzz! Buzzzzzz!

Wei Zheng’s hands formed a seal and formed a series of seals. They merged into one and turned into a Blue Dragon-shaped seal. With a Dragon’s Roar, it charged toward the vast forest.

“Is that so?”

Cang Wulin’s expression was calm, ” the White Dragon imperial decree projection!

Shua!

The next moment.

The three-clawed White Dragon appeared and then merged with the great ashen gray Dragon. The great ashen gray Dragon seemed to have eaten hormones. It grew in the wind and instantly grew to a length of three thousand meters.

It was gray-white in color.

“Grey dragon Seal!”

Buzzzzzz!

Cang Wulin did the same, forming a grayish-white Dragon Seal that clashed with Wei Zheng in the air.

BOOM!

An earth-shattering explosion resounded. The energy exploded and shook the firmament. It set off a vast energy storm that swept in all directions.

Bang Bang Bang Bang!

A large number of buildings collapsed.

the wei royal palace was facing a disaster.

“So strong!”

“Is this the power of a rank 5? The difference is too great!”

“Si si si ...”

Jin Wushuang and the others were shocked. They couldn’t even think of resisting. They had accepted their fate. Although they were swallowed by a human dynasty, it was better than being destroyed by a foreign dynasty.

“He actually borrowed the power of the Shu country’s fate.”

Wei Zheng said in a deep voice.

“Blue Dragon imperial decree, Blue Dragon Imperial Jade seal.”

Shua! Shua!

The next moment.

Wei Zheng released two ‘sacred weapons of National fate’. A blue imperial edict and a blue imperial seal appeared and floated beside Wei Zheng, exuding a powerful aura.

“Wei Zheng, you’ve even taken out your sacred weapon.”

cang wulin laughed, but he remained calm, ” however, i have a holy weapon of national fortune too. ”

Buzzzzzz!

Immediately.

Cang Wulin waved his right hand and took out a pure white Imperial Jade seal. This time, it was not a projection but the true ‘sacred weapon of the nation-Imperial Jade seal’.

Furthermore ...

It was the White Dragon Imperial Jade seal of Shu country.

“Shu country’s ‘National fortune Saint artifact’!”

Wei Zheng was stunned. the king of Shu actually gave it to you!

“Nothing is impossible.”

Cang Wulin said.

“suppress!”

Cang Wulin waved his right hand and the White Dragon Imperial Jade seal rose into the air. It grew with the wind and turned into the size of a vast mountain, reaching a height of ten thousand meters.

“Roar!”

Immediately after.

a total of nine three-clawed white dragons appeared and revolved around the white dragon imperial jade seal.

Its might was monstrous.

It suppressed everything.

“Si si si ...”

too strong. This is too strong.

“Is this the power of the Shu country? It’s just a ‘holy weapon of National fate’, and it already has such power. It’s hard to imagine how powerful King Shu is!”

“It’s too terrifying.”

Jin Wu Shuang and the others were extremely shocked.

set up the formation!!!

Buzzzzzz! Buzzzzzz!

” kill!!! ”

at this moment.

feng chenxi, wu changding, wei lin, wei wuxian, and the other pavilion elders of great wei had a total of ninety-nine pavilion elders, which meant that there were ninety-nine tier 4 experts.

Other than that.

There were also the four National Guardian armies, great Wei's elite army, and great Wei's Imperial Army.

They all gathered together.

he had set up several tier 4 grand arrays!

“Condense!”

Roar! “roar!”

Several beasts roared and gathered together. The power of the battle formation combined with Wei Zheng's, and the power of the ‘Blue Dragon imperial edict’ and ‘Blue Dragon imperial seal’ increased greatly.

In the end.

It could be seen.

The White Dragon Imperial Jade seal suppressed the Blue Dragon imperial edict and the Blue Dragon Imperial Jade seal. The two sides collided in the air, and the blue and white lights kept exploding.

boom! BOOM! BOOM!

A series of explosions reverberated in all directions.

“Roar!”

The nine white dragons roared.

Bang!

Energy exploded.

The White Dragon Imperial Jade seal was sent flying.

“What?”

Cang Wulin was shocked.

“Pfft!”

He spat out a mouthful of blood.

His body was sent flying.

“Roar!”

Big Wei’s Blue Dragon appeared and roared continuously. It let out a huge dragon roar and its might was boundless.

the vast forest had lost!

“Hahahahaha!”

Wei Zheng laughed wildly. His aura was boundless as he looked down at everyone. His power rose and reached its peak. Cang Wulin, do you think you can win by borrowing the power of the Shu country? ”

“laughable!”

“what you borrowed is only borrowed. it doesn’t belong to you. it’s just an affiliated kingdom, so what if it has existed for a thousand years? You dare to compare with my great Wei!”

“You’re far from it.”

from today on, the great Wei Dynasty will be the leader of the human dynasty Alliance. All the fate of the human dynasty will be integrated into the great Wei Dynasty.

“Who dares to object?”

“The Yongling dynasty has an additional opinion!”

” donglin kingdom fully supports this! ”

“From today on, the great Jin dynasty will follow the great Wei Dynasty’s lead.”

Jin Wu Shuang, Ling Tian, and Dong Xiao immediately lowered their heads and replied.

Your Majesty is unparalleled in the world and has unified the Northern Territory!

“Unparalleled! Unify the Northern Territory!”

“!!!”

In the surroundings.

The great Wei Army shouted in unison.

“Hahahahaha!”

Wei Zheng laughed wildly again.

“You’re so silly!”

Cang Wulin coughed up blood as he looked at Wei Zheng, who was in the limelight. He was extremely unwilling to accept this. He gritted his teeth and said, ” damn it! If not for the help of a Tier 4 Grand array, how could this one possibly lose? ”

\* Cough cough \*

At this moment.

cough, cough. Jiang Li coughed. His voice wasn’t loud, but it was clear enough for everyone to hear. I don’t agree!

Chapter 367 take action

Silence!

There was a sudden silence!

That’s right.

” what? ” when jiang li said that, everyone was stunned. then, the whole place fell silent.

Shua! Shua! Shua!

Everyone's eyes were on the great Wei soldiers, Feng chenzi, Wei Lin, Wu changding, and the other 99 Pavilion elders, as well as Jin Wushuang and the other human Kings.

They all looked at Jiang Li.

His expression was one of shock.

“this jiang li is a coward!”

cang wulin was stunned, ” what does he want to do? You must know that I couldn't defeat Wei Zheng even with the help of the White Dragon Imperial Jade seal. Is he courting death by jumping out at this time? Are you tired of living?”

“Jiang Li!”

Jiang Li. Wei Zheng turned around and looked at Jiang Li. He calmed down and said, ” I thought you were a smart person, but it seems like I was wrong.

“At this time, you still dare to jump out and object.”

“You're very bold.”

“However, it's also seeking death!”

“Are you looking for death?”

Jiang Li shrugged and said calmly, ” “i don't think so,”

“What's Jiang Li relying on? You must know that even with the help of the ‘White Dragon Imperial Jade seal’, the vast forest still lost.”

Ling Tian thought to himself, 'does Jiang Li have a level five martial artist? this was impossible. how could there be a tier 5 existence in the great xia dynasty? Besides, even if he did, he might not be able to beat Wei Zheng.'

"Isn't the vast forest also at the fifth step?"

"We still lost in the end."

"Jiang Li."

Jin Wushuang was also looking at Jiang Li's back. he jumped out at this time when Wei Zheng's power is at its peak. I'm afraid Wei Zheng will use Jiang Li as an example.

after all, Wei Zheng's dignity has been challenged time and time again. He'll definitely punish him to scare us. The great Cang is backed by the Shu Kingdom, so Wei Zheng can't kill him, but Jiang Li's different. He doesn't have any backing.

I think Wei Zheng will try to kill Jiang Li.

"i'm afraid jiang li's going to die. it's not wise for him to do this. "

"Jiang Li!"

Jiang Li! Dong Xiao jumped out and pointed at Jiang Li like a clown, yelling, " you are too arrogant. How dare you oppose Prince Wei? what is a mere great Xia Dynasty? "

"I advise you to immediately bow down and apologize to the King of Wei. Perhaps you can still keep your life. Otherwise, you will die today."

"noisy thing."

shut up. Jiang Li glanced at him coldly. slap him.

There were MYL01 and DTS01.

Jiang Li didn't even need to do anything.

Buzzzzzz!

The next moment.

MYL01's figure disappeared in an instant. Other than Cang Wulin and Wei Zheng, no one else could see MYL01's movements clearly.

In an instant.

MYL01 appeared in front of Dong Xiao.

"You're so silly!"

Dong Xiao's eyes widened.

Pa!

After that.

MYL01's palm fell as fast as lightning. Demonic spirit energy gathered, and the crisp sound of a slap rang out, spreading to the surroundings and into everyone's ears.

"Ah!"

Screams!

dong xiao screamed in pain. he had no power to resist as he was sent flying by a single slap from myl01, his body spinning in the air countless times.

Bang!

Finally.

He fell to the ground and crashed into a small pavilion.

half of his face was swollen.

“You, you, you, you, you, you, you ...”

” what? ” dong xiao looked at jiang li and myl01 in horror.

“If you say any more nonsense, it won’t be a ‘slap’.”

...

Jiang Li looked around coldly.

“Gulp!”

dong xiao immediately shut his mouth, not daring to say another word.

It was obvious that he was badly frightened.

“Just ran ran, just ran ran”

“What’s going on?”

“Dong Xiao, he’s a coward!”

Ling Tian and Jin Wushuang looked at each other and saw the shock in each other's eyes. Then, they looked up at Jiang Li and then at MY01.

“It's him!”

Feng chenzi's pupils contracted as he felt a sense of familiarity from MYL01, ” Jiang Li's subordinate, that alien, how did he become so strong? ”

“I couldn't even see his movements clearly just now.”

...

back then, in the capital of da qian.

Feng chenzi had seen the strength of MYL01 before. It was just that MYL01 was only at the peak stage of the fourth step back then, but now it was already at the early stage of the fifth step.

fifth-rank?!

” what? ” cang wulin was shocked. he looked at jiang li and his expression changed. ” i didn't expect that i'm not the only one who's pretending to be weak. i didn't expect jiang li to also have a level five trump card. ”

“It's just that he's angry.”

Cang Wulin looked at Wei Zheng, then at the surrounding great Wei Army, ” it's useless. A mere early-stage fifth-rank subordinate can't change anything.

this is Wei Zheng's home ground, after all. He has the help of the entire dynasty's Army.

“Hahahahaha!”

Suddenly.

Wei Zheng laughed and said, "interesting, this is really interesting. Oh, Emperor Xia, you really have hidden your strength well.

"i really didn't expect this."

the great Cang nation has existed for a thousand years. It has been a human dynasty for a thousand years. In addition, it is backed by the Shu nation. Therefore, it is reasonable for it to have an early stage rank 5 Cang Wu forest.

"But you?"

"he founded the great xia dynasty a month ago. in such a short time, it rose to power and swallowed several foreign dynasties. "

even the lion barbarian kingdom and the panicky demon dynasty were destroyed by your hands. Although the lion barbarian kingdom and the panicky demon dynasty were thousand-year-old dynasties, you had a rank five subordinate, so they were naturally destroyed by you.

great Xia's National aura true dragon has now reached 2500 meters.

"Tier 5!"

Wei Zheng sighed. it took me a long time and a lot of effort to break through to the fifth rank. I've taken the most crucial step.

"It was so difficult."

"But you have a fifth-ranked subordinate."

I don't believe that you don't have any secrets. You must be hiding a huge secret, and it's this secret that allowed you to rise so quickly.

“Five Luan Luan, rank five Luan Luan”

Jin Wu Shuang sucked in a breath of cold air. He had his suspicions just now, but he wasn't sure. But when Wei Zheng said it himself, he was shocked.

Jiang Li really has a level five subordinate!

ling tian cried out in shock, ” my god, how did he do it? And how did he subdue a Tier 5 peerless powerhouse? It's unbelievable.”

” that's a level five. she's willing to be jiang li's subordinate. ”

“He has reached the fifth step?”

Feng chenzi cried out in shock,”when I was ordered to head to the capital of da Qian, he was only at the peak of Tier 4. How could he have broken through to Tier 5 so quickly?”

“Feng chenzi, did you just say that he was only at the peak of the 4th rank?”

wei lin asked.

“Right!”

Feng chenzi nodded.

in less than a month, he broke through from Grand completion Tier 4 to initial-stage Tier 5? ”

wu changding and the other pavilion elders were dumbfounded.

“Jiang Li!”

“You’re too confident,” Wei Zheng shouted. “Do you think you can turn the tables with just an early fifth rank subordinate? You’re gravely mistaken.”

” i can give you a chance. hand over your secret immediately and submit to me. merge the great xia dynasty with the great wei dynasty. i can give you the title of ‘emperor xia’. ”

“hehe.”

haha! Jiang Li laughed. Wei Zheng, are you dreaming? ”

“As expected,”

” no. ” wei zheng shook his head. he expected jiang li to refuse. ” you won’t shed tears until you see the coffin. that’s the best word to describe you right now. ”

many people are like this. Before they truly experience what reality is, they will always have unrealistic dreams and extravagant hopes.

“since that’s the case, i’ll personally break your delusion.”

As soon as he finished speaking.

Wei Zheng made his move in an instant.

Shua!

His figure flashed.

he disappeared.

The Blue Dragon imperial edict transformed into a Blue Dragon-shaped spear, which was held in Wei Zheng’s hand, and he stabbed at MYL01.

BOOM!

Demon spirit energy gathered.

MYL01 struck out with all his might. The vast palm print was like a huge mountain, and the Dragon-shaped spear that was transformed from the Blue Dragon imperial decree pierced it.

A ‘bang’ was heard.

the demonic spirit palm print exploded.

The energy radiance filled the surroundings.

Shua!

Wei Zheng rushed out of the energy light that filled the sky. The Blue Dragon Imperial Jade seal floated above his head, and streams of light fell down, forming a light curtain defense.

“Die!”

wei zheng waved his left hand, and the blue dragon imperial jade seal shot toward myl01.

One had to know.

This was the Blue Dragon Imperial Jade seal that Wei Zheng was personally controlling, and it could fully display its power. In addition, Wei Zheng was only at the early stage of the fifth rank.

the power of this attack far surpassed that of feng chenxi.

It was terrifying.

“Obliteration storm!”

Bang Bang Bang!

MYL01 immediately released his skill, and the demonic spirit energy exploded in an instant, forming a vast destructive storm that spread out, and waves of destructive ripples rushed forward.

“rumble!”

The destructive storm collided with the Blue Dragon Imperial Jade seal, creating a deafening sound. The shockwaves from the battle spread out.

Finally.

The destructive storm dissipated, and the Blue Dragon Imperial Jade seal was sent flying.

One had to know.

Wei Zheng was not an ordinary early-stage level five. Although he had just broken through not long ago, he had the blessing of the great Wei Dynasty’s National aura, the assistance of two ‘National aura Saint weapons’, and the power of the military formation.

however ...

However, MYL01 was able to compete with it.

It had to be said.

The MYL01 was indeed a special troop type, its combat power was indeed far beyond the ordinary early stage of the fifth rank.

“Blue Dragon Seal!”

Roar!

Wei Zheng’s hands formed a seal, forming a Dragon-shaped seal. With a Dragon’s Roar, the seal was like a three-clawed Blue Dragon, directly blasting towards MYL01.

At this moment.

MYL01 had used up all its energy to cast the destructive storm. Even if Jiang Li used energy points to restore it, he wouldn’t be able to restore it in an instant.

He needed some time.

even if it was only for a few seconds.

But it could also determine the outcome of a battle.

Jiang Li, you’ve lost!

Wei Zheng shouted.

The Blue Dragon Seal had already charged over.

“As expected, the result is like this.”

No. Cang Wulin shook his head. He wasn’t surprised at all. however, Jiang Li’s subjects don’t have any sacred artifacts or the power of National aura. They don’t even have the help of military formations. They’re really powerful to fight Wei Zheng on their own.

“What a pity, we still lost.”

“Jiang Li lost!”

Ling Tian sighed, ” it’s a pity. If this wasn’t the Wei Dynasty, Jiang Li would be able to escape under the protection of his subordinates even if he couldn’t win. I’m afraid he won’t have the chance to do so now.

Jiang Li is already strong enough to achieve such a result, but Wei Zheng is stronger.

Jin Wu Shuang said.

haha, Jiang Li, you’re dead!

Dong Xiao was extremely pleased with himself.

energy Angel!

Clang!

Suddenly.

A sky-blue sword projection appeared in the air. Without any warning, it crossed the distance of space in an instant and slashed down.

Bang!

The Blue Dragon Seal was obliterated by the sword.

Destroyed with a single sword!

DTS01 destroyed Wei Zheng’s Blue Dragon Seal in one blow.

## Chapter 368 Crushing

“Who is it? Who is it?”

Wei Zheng roared loudly.

He was shocked!

At this moment.

Wei Zheng was extremely shocked.

The Blue Dragon-shaped seal released by Wei Zheng exploded in the air, shattering into light spots that filled the sky. It gradually dissipated and finally disappeared completely, not damaging MYL01 at all.

One had to know.

In order to block and defeat the ‘Blue Dragon Seal’ released by Wei Zheng, one must have the strength of the fifth step. Otherwise, it would be impossible to succeed.

In other words ...

Another person at the fifth step had appeared.

“This bi an ...”

“What just happened?”

it seems like a sword light suddenly appeared, and then Wei Zheng's attack was intercepted.

“Could it be that there's another Tier 5?”

Everyone couldn't help but exclaim.

Shua!

In the air.

After the light faded.

The sky-blue exoskeleton armor covered the entire body of the DTS01, just like an 'Angel battle armor'.

At the same time.

after the energy angel skill was released.

Behind him.

A vast and beautiful energy light wing spread out. It was extremely beautiful, and it was as if there were sky-blue energy feathers scattering.

It was as beautiful as a painting.

Great ten-winged Angel.

He held the Angel's energy sword that was condensed with sky-blue sword radiance in his hand. The energy Sword of Light pulsed with sword radiances that contained extremely terrifying power.

One had to know.

dts01 had only used the tier 4 ultimate skill 'energy angel', but had yet to use the tier 5 ultimate skill 'energy angel'.

This was not even his strongest state.

“It’s Yingluo, it’s him!”

ling tian’s eyes narrowed.

he’s Qianqian. He’s another subordinate of Jiang Li and Jiang Qianqian!

Dong Xiao cried out in alarm.

“Si si si ...”

what! ” Jin Wushuang couldn’t help but gasp. He was shocked. another level five? Jiang Li’s two subordinates are both level five? ”

“is this true?”

no wonder Jiang Li is so calm and confident. He even dared to oppose Wei Zheng. He has two level-five subordinates.

“This is truly too shocking.”

“This is impossible!”

Feng chenzi cried out in shock as his eyes widened, how did Jiang Zhiyu and Jiang Li have such powerful strength? how did they have two level-five subordinates? ”

“It’s bad!”

Wei Lin's pupils contracted.

“Be careful!”

“Things have changed!”

Wu Changding and the other Pavilion elders shouted.

“Hahahaha!”

Cang Wulin was stunned. After a long while, he regained his senses and laughed, “Two Type 5 experts. The Great Xia Dynasty actually has two Type 5 experts.”

“Who would have thought? Who would have thought?”

“You!”

Wei Zheng's expression turned completely serious.

Obviously.

He didn't expect this to happen. It was already unprecedented that Jiang Li had an early-stage level-five subordinate.

And now ...

...

Yet another one had appeared.

This was simply like a fantasy story.

However ...

the truth was right in front of him.

Wei Zheng had no choice but to believe.

he was solemn!

Wei Zheng's mood was very heavy!

“myl01, you may leave.”

At this moment.

go. Jiang Li waved his hand.

“Yes.”

...

thank you. MYL01 saluted to Jiang Li and stood beside him to protect him. The energy that he had used up had been recovered.

“dts01, do it.”

let's go! Jiang Li ordered DTS01 without hesitation.

“Yes.”

DTS01 nodded.

shua!

The next moment.

DTS01 swung his sword again, and the sky-blue sword light spread like a crescent moon. It was as fast as lightning, and it went straight for Wei Zheng.

The sword light was dazzling.

It contained extreme power.

wei zheng quickly took control of the national aura saint weapon, and the blue dragon imperial decree slowly unfolded, releasing a vast amount of national aura and power, which was directly transformed into combat power.

The Imperial edict turned into a Dragon-shaped light shield.

He blocked in front of him.

BOOM!

An explosion sounded.

The sky-blue sword light slashed down, but its power far exceeded Wei Zheng's expectations. It was so powerful that it was on a completely different level.

He could even see it clearly.

The Dragon-shaped light shield formed by the Blue Dragon imperial decree was shattered and exploded into light spots that filled the sky. It was extremely beautiful.

“Ah!”

Wei Zheng screamed and was sent flying.

He coughed out blood.

his eyes were filled with horror.

it could be said that ...

wei zheng could clearly feel how powerful the sword was. it had easily broken the defense formed by the blue dragon imperial edict.

Not a match!

“what a good tao wu, so strong!”

he’s too strong. He destroyed the defense formed by a sacred weapon with a casual swing of his sword. It feels like they’re not on the same level. He’s completely crushed!

“how strong is he exactly?”

“Si si si ...”

Emperor Xia, Jiang Li, is too terrifying. He’s hidden too deeply.

the great Xia Dynasty is just a new human dynasty and Jiang Li is only in the mid-stage of level four. The most terrifying thing is that he can make such a powerful man work for him.

Jin Wushuang and the others exclaimed and looked at Jiang Li with more respect.

\* Cough cough \*

Wei Zheng coughed up blood and wiped the blood from the corner of his mouth. His eyes flickered as he spoke to DTS01 in a respectful tone, "respected expert, you should know that the great Xia Dynasty is only a newly established human dynasty. Whether it is in terms of Foundation or national power, it is far inferior to the great Wei Dynasty.

besides, Jiang Li is only at the mid-stage of level four. There's a huge gap between him and me.

"why do you work for jiang li?" the woman asked.

as long as you are willing, I will welcome you with open arms. I am also willing to appoint a 'King' with a high status, only below me and above millions of people, and will not be restricted by any rules.

"How is it?"

Wei Zheng's tone was sincere.

"is wei zheng trying to steal jiang li's girl?"

Ling Tian asked in shock.

Wei Zheng obviously knows that he's no match for Jiang Li, "Jin Wushuang analyzed. that's why he's trying to poach Jiang Li. He even made a promise.

"will he agree to it?"

Dong Xiao thought.

no matter what, the great Wei Dynasty is indeed much better than the great Xia Dynasty. The fate of the country is at its peak, and the country's strength is stronger. Moreover, Wei Zheng even promised the position of 'King of the town'.

cang wulin thought,"if it's only from the perspective of benefits, the possibility of him agreeing is very high."

"The ignorant are fearless,"

DS01 said indifferently,"you're just a frog at the bottom of a well. How dare you compare yourself to His Majesty?" His Majesty's greatness is not something you can imagine."

"Laughable."

"What did you say?"

Wei Zheng was stunned, and then he was furious.

One had to know.

Wei Zheng had already shown his greatest sincerity. He had expected the other party to refuse, but he had not expected the other party to insult him and mock his ignorance, saying that he was a frog in the well.

"Kill!"

BOOM!

Wei Zheng shouted angrily.

He exploded with all his strength.

Because he knew that it was useless to say anything more. They could only fight.

"Use all your strength to operate the military formation and assist His Majesty in fighting the enemy!"

Roar! “Roar!”

Feng chenzi, Wei Lin, and Wu changding all roared.

“The invincible great Wei!”

kill!!!

BOOM! BOOM! BOOM!

At this moment.

It had completely erupted.

Great Wei’s soldiers shouted, and it was as if there was an endless amount of military Qi. Several Grade 4 military formations were activated, and they condensed into an incomparably huge military beast.

It bared its fangs and brandished its claws, covering the sky and shaking the earth.

buzzzzzz! Buzzzzzz!

All the power of the battle formation was added to Wei Zheng’s body, causing his aura and power to rise continuously. The power of the Blue Dragon imperial edict and the Blue Dragon imperial seal fused into Wei Zheng’s body.

“Roar!”

Big Wei’s Blue Dragon roared, and like a dragon-shaped stream of light, it merged with Wei Zheng.

Bang Bang Bang Bang!

The spiritual Qi of heaven and earth shook with unparalleled power.

Wei Zheng had reached his peak state.

The strongest level!

“Great Wei Blue Dragon art!”

Roar!

wei zheng let out a long cry and activated his cultivation technique, gathering all his strength. the true core in his dantian rotated rapidly, releasing all its power and displaying his strongest technique.

“blue dragon killing seal!”

All of Wei Zheng’s power gathered together to form a bright blue seal, as if countless ‘kill’ words were overlapping.

Kill!

Kill!

Kill!

The killing intent soared to the sky, and the winds and clouds changed.

“Die!”

Wei Zheng howled. The huge ‘kill’ seal was like a vast ancient divine mountain, falling from the sky and pressing down on DS01.

Wei Zheng can actually unleash such a powerful force.

Cang Wulin was shocked and his face turned pale. In other words, he didn't use his full strength when he fought me just now. This is Wei Zheng's strongest attack.

"Can Jiang Li's subordinates stop him?"

"Gulp!"

the human kings swallowed their saliva.

"Release the energy!"

Buzzzzzz!

DTS01 released his energy. The energy light wings behind him expanded in the wind and spread out. In an instant, they became a thousand meters long.

It covered the sky.

Endless power spread out.

Shua!

Immediately after.

The power of the energy Angel's sword skyrocketed, turning into an energy sword pillar that was 10000 meters long. It released an endless, dazzling sword light.

"Slash!"

DS01 slashed out with his sword. The 10000-meter-long energy sword pillar collapsed like a heavenly pillar, directly slashing the vast 'kill' seal from the front.

Bang Bang Bang Bang!

instantly.

The two sides collided and countless explosions rang out like thunder. Waves of energy storms spread out.

The scene was truly Grand.

It had enveloped more than half of the capital of the great Wei.

“!!!”

Wei Zheng’s pupils contracted.

Because ...

When the energy sword pillar landed on the ‘kill’ seal, he felt an irresistible force descend, like endless waves crashing down.

the great circle of the fifth tier of five elements!

At this moment.

Wei Zheng could clearly feel how terrifying the strength of this force was. His face suddenly turned pale and fear emerged in his heart.

He could never have thought of it.

The other party was actually a perfected Tier 5!

A perfected Tier 5!

Kachaa! Kachaa!

the vast 'kill' seal began to crack, and the cracks spread at an extremely fast speed. in just a few seconds, it exploded with a 'boom'.

BOOM! BOOM! BOOM!

the next moment.

The Army of beasts was shaken out of Wei Zheng's body, and then they let out a loud roar and exploded in the air.

"Ah!"

"Pfft!"

Below.

the soldiers of great wei let out blood-curdling screeches as they fell to the ground one after another, suffering from the huge backlash.

many had fallen.

"Pfft, pfft, pfft."

Feng chenxi and the others also coughed up blood as they staggered backwards, almost falling from the sky. They looked towards the battlefield in shock and fear.

Chapter 369

"Ah!"

BOOM!

Wei Zheng vomited blood and screamed as his body flew straight out like a meteorite falling from the sky. He smashed into the ground and created a huge pit.

After that.

After rolling for a few thousand meters, it plowed out a trench and knocked down buildings. Finally, it stopped and was buried in the ruins of the buildings.

BOOM! BOOM!

There were two loud sounds.

The Blue Dragon Imperial Jade seal and blue Dragon imperial decree were also jolted away, smashing into the ground not far away.

“Your Majesty!”

Feng chenzi and the others cried out in shock.

Buzzzzzz!

in the air.

The 10,000-meter-long sky-blue energy sword pillar was slowly shrinking, and the wide energy wings quickly returned to their original appearance.

It turned back into the 10 mechanical wings.

“Gulp!”

In the surroundings.

Everyone looked at DTS01, who was standing in the air, and subconsciously swallowed their saliva. Their eyes were full of awe. The other party had seriously injured Wei Zheng with one sword strike.

Wei Zheng was almost killed by the sword.

Obviously.

Before DTS01 was upgraded, the energy sword pillar formed after all-around release was only a thousand meters long, and its power was far inferior.

Furthermore ...

The energy would be exhausted after the all-around release.

However, after reaching the peak of level five and becoming an Archangel mech, not only did the energy sword pillar reach ten thousand meters, but its power also increased.

The most important thing was ...

After the energy is released, it will not be exhausted.

It could be used in succession.

The improvement was not just by a little.

“Your Majesty, the mission is complete.”

dts01 returned to jiang li's side and bowed.

“Yes.”

good job. Jiang Li nodded and was very satisfied. well done.

It had to be said.

DTS01's strength was far beyond Jiang Li's expectations. It didn't even use 'energy Angel' or 'energy Angel spear' when it fought Wei Zheng.

Wei Zheng was defeated.

It could be said that ...

The difference was huge.

DTS01 did not even use his full power.

He estimated that he had only used one-tenth of his strength.

“prince wei has lost.”

Ling Tian could not help but sigh.

“How could this be? How could this be the result?”

dong xiao had already lost his soul. he staggered and almost lost his balance. his legs were trembling, and he muttered with a dazed look in his eyes, ” how could prince wei lose? how could prince wei lose? How could that be?”

Obviously.

The Donglin Kingdom had always been ‘protected’ by the Wei Dynasty. Every year, they had to pay tribute to the Wei Dynasty in terms of resources and the fate of the country.

Therefore, in Dong Xiao’s heart ...

The great Wei Dynasty was powerful, undefeatable, and a prosperous dynasty.

Not to mention that Prince Wei had successfully broken through to the early stage of the fifth rank during his closed-door cultivation.

This kind of mentality was even stronger.

But now ...

The powerful great Wei Dynasty, the undefeatable Wei King.

He was defeated!

He had lost!

He lost to the Xia Dynasty and Jiang Li.

...

Everything. Everything.

everything had become an illusion.

The moment Wei Zheng was defeated.

Wei Zheng’s ambition had already come to an end.

“This is truly unbelievable.”

Jin Wu Shuang came back to his senses and sighed with emotion. He was gloating in his heart and sighed, “Wei Zheng has been hiding for hundreds of years. He must have planned for a long time for today.”

the human dynasty that wants to unify the northern region of holy peace state.

what a pity. In the end, it all went to the great Xia Dynasty. What a pity.

“I didn’t expect that the final Dark Horse would be the great Xia Dynasty.”

No. Cang Wulin shook his head. Wei Zheng lost. I have the White Dragon Imperial Jade seal, but I can’t even defeat Wei Zheng, let alone Jiang Li.

“In this case, no one can compete with Jiang Li.”

...

if nothing goes wrong, the position of the ‘leader’ of the human dynasty Alliance will belong to the great Xia Dynasty. The fate of Donglin, Yongling, Jin, and even Wei will all belong to the great Xia Dynasty.

“The great Xia is about to rise up. Things are really unpredictable.”

Bang!

Wei Zheng rushed out of the ruins. His face was pale, and his aura had weakened. He was badly injured, and there was a deep sword wound on his chest.

“Your Majesty!”

shua! Shua!

feng chenzi, wei lin, wu changding, and the other pavilion elders all rushed over,"are you alright?"

"I won't die."

Wei Zheng waved his hand.

"jiang li!"

Wei Zheng looked up at Jiang Li.

"Prince Wei,"

Jiang Li looked down at Wei Zheng with a smile on his face. He stood on the head of the Azure Dragon with his hands behind his back. MYL01 and DTS01 were standing beside him respectfully.

"I've won,"

Jiang Li smiled. you've lost.

"....."

Wei Zheng was silent.

obviously.

Wei Zheng's feelings were complicated.

one had to know.

Wei Zheng had paid too much for this day. First, he had made a deal with the martial immortal court of the human race in the Saint peace state, and spent 300

years nurturing the bright Dragon Dagger with the Fortune of the country in exchange for the realm-breaking pill.

It consumed a large amount of resources.

He successfully broke through to initial-stage Tier 5.

After that.

The plan began.

He would unite the human dynasty in the northern region of the Holy peace state.

Who knows.

The plan had just started when it went bankrupt. The vast forest was fine, but the Shu state would interfere. Wei Zheng had also expected this, and in the end, he won.

but ...

He didn't expect Jiang Li to be so powerful and had two level-fives under his command, one of whom was a perfected level-five.

so,

Wei Zheng was dumbfounded.

tier 5 perfection!

An existence at this level.

They were all top experts in the Empire.

It actually appeared in a newly established human dynasty.

to tell the truth.

Wei Zheng even suspected that Jiang Li was the ‘illegitimate child’ of a human Emperor. The level five master beside him was a bodyguard assigned by the human Emperor.

Other than that.

Wei Zheng really couldn’t figure out how Jiang Li managed to recruit a top-tier master who was at the perfected stage of level five.

This simply didn’t make sense!

How could he play?

It was a complete cheat.

He was helpless!

Wei Zheng felt extremely helpless!

He had no other choice.

Tier 5 perfection!

He really couldn’t win!

After a while.

“You’ve won,”

Wei Zheng sighed and lowered his head. He felt as if he had become shorter. I admit defeat. From today onwards, the great Wei Dynasty will respect the great Xia Dynasty as the 'leader of the Alliance'.

“Yes.”

that's right. Jiang Li smiled. King Wei knows that he's a hero.

“You're so silly!”

Wei Zheng was indignant.

“What about you guys?”

Jiang Li looked at Jin Wushuang and the others.

“We're the same.”

“Wait!”

At this moment.

when jin wushuang and the others were about to bow to jiang li and call the xia dynasty the 'leader of the alliance', they were interrupted.

shua!

immediately after.

A figure walked out from a corner not far away and appeared in everyone's line of sight, standing in mid-air.

“Close the gate!”

Cang Wulin raised his head and was stunned when he saw who it was. He could not help but ask, “Why are you here?”

“Naturally, it’s your majesty who is worried.”

The middle-aged man who was addressed as ‘Guanjiang’ by Cangwu Lin replied.

“Greetings, Emperor Xia.”

Immediately.

Jiang Li, the general, bowed to Jiang Li.

Jiang Li sized him up.

This general Guan was nine feet tall. His face was ruddy, and his thick beard was two feet long. He had Phoenix eyes and silkworm-like eyebrows. He had a dignified appearance and an awe-inspiring aura.

Master Guan? ” Jiang Li couldn’t help but think of Master Guan.

Of course.

The person in front of him was naturally not ‘second master Guan’.

At most, they looked slightly similar.

In addition, they both had the last name ‘Guan’.

“The pass order!”

Wei Zheng felt that the name was familiar. After thinking about it, he immediately remembered. he is one of the three generals of Shu state!

“The Shu country actually sent him over.”

Wei Zheng was secretly shocked.

“Tsk, tsk.”

Cang Wulin was speechless. He looked at Guan Ling’s back with respect and said,”I originally thought that the king of Shu didn’t pay much attention to this matter, but now it seems that I was wrong.”

one of the three generals, Guan Ling, has been sent here. How can we not pay attention to this? ”

“It seems like things have changed again.”

Dong Xiao and the others exchanged glances.

“Cang Wulin knows this Guan Ling. In that case, this Guan Ling is most likely related to the Shu country, or even personally sent by the king of Shu.”

Jin Wushuang thought to himself,”moreover, looking at Cang Wulin’s reverent eyes, it shows that this Guan Ling has a very high position in the Shu country. His strength must also be at the fifth stage.”

“I didn’t think that I would be lucky enough to see so many type 5 powerhouses today. In the past, these type 5 existences had always been elusive.”

how will Jiang Li deal with this? ”

Ling Tian looked at Jiang Li.

“Yes.”

” okay. ” jiang li just nodded and ignored the order. he looked at jin wushuang and the others and said, ” “It’s time for you all to express your position.”

“It’s time to hand over the fate of the nation.”

“No!”

great Xia isn’t weak,”Guan Ling shouted. but it’s not qualified to be the leader of the Alliance, nor is it qualified to unify the human dynasty in the northern region of Saint peace state.

“The Shu country should be the most respected!”

“Hu ~~ Hu ~ Hu ~”

in the surroundings.

Everyone could not help but hold their breath.

Obviously.

When Guan Ling said this, he had already revealed his purpose.

“Then let’s do it,”

let’s go. Jiang Li glanced at Guan Ling indifferently and gave an order.

“Yes.”

Clang!

The sound of a sword rang out.

DTS01 made his move immediately, casting the skill 'energy Angel'. He slashed out with his sword, and a sky-blue sword ray cut across the sky, slashing at Guan Ling in front of him.

“Astral blade!”

Shua!

Guan Ling waved his right hand and pulled out a long and broad saber from his back. He swung the saber, which formed a blood-red aura.

Bang!

The sword ray and the blade energy collided.

It shattered at the same time.

“tier 5 perfection!”

The moment they exchanged blows.

Guan Ling was well aware of the strength of DTS01. He was shocked and even a little dumbfounded. He did not expect the other party to be a perfected-stage Tier 5.

No wonder Wei Zheng had lost so thoroughly.

Shua! Shua! Shua!

In the air.

dts01 and guan ling had exchanged dozens of moves in a very short time. the swords and sabers collided, causing a series of explosions. the energy exploded, forming aftershocks that spread to the surroundings.

“Release the energy!”

Wuwuwuwuwu!

The energy wings spread out a thousand meters, and the angelic sword turned into a ten-thousand-meter long energy sword pillar with infinite power. It then slashed directly at Guan Ling.

“The White Dragon Imperial Jade seal!”

It was a critical moment.

Guan Ling shouted. The White Dragon Imperial Jade seal on Cang Wulin’s body seemed to have been summoned and flew to Guan Ling, landing in his hand.

## Chapter 370

Guan Ling’s strength was undeniable. His cultivation was higher than both Wei Zheng and Cang Wulin, but it was only at the mid-fifth level.

Of course.

The strength of their combat power.

Although cultivation was one of the most important factors, it would also change according to the level of the cultivation method, the martial arts techniques, the realm of the martial arts techniques, and the weapons one had.

The White Dragon imperial seal was the sacred weapon of the Shu state. It was extremely powerful. If it was in the hands of the king of Shu, it would definitely be able to exert all its power.

When the vast forest was in command.

At most, he had only used one-tenth of his strength.

after all, Cang Wulin was the human king of the great Cang nation. it was already very good for him to be able to unleash one-tenth of the white dragon imperial seal's power. it would be difficult to unleash more than that.

now.

It was the pass order that drove the White Dragon Imperial Jade seal.

Guan Ling's cultivation was higher than Cang Wulin's. He was already at the mid-fifth level. In addition, Guan Ling was one of the three generals of the Shu country. He had a high status and was supported by the fate of the Shu country.

It was natural.

The White Dragon Imperial Jade seal would be more powerful in Guan Ling's hands.

It was already enough to display half of its power.

“Go!”

“Roar!”

A deafening Dragon's Roar resounded.

Guan Ling waved his left hand and his vital essence gushed out. The White Dragon Imperial Jade seal flew out and expanded in the wind, turning into a giant of ten thousand meters, surrounded by nine lifelike three-clawed white dragons.

The power was even stronger.

It was suppressing DTS01.

Thump!

The White Dragon Imperial Jade seal crashed into the sky-blue energy sword pillar that was ten thousand meters long. Nine three-clawed white dragons spiraled around, releasing power. The power of the nation's fate was transformed into the most direct combat power.

Bang!

In the end.

the energy sword pillar crumbled and shattered, exploding into sky-blue light spots that filled the sky. the nine three-clawed white dragons also let out sorrowful roars, and the white dragon imperial jade seal was sent flying.

BOOM!

The White Dragon Imperial Jade seal fell to the ground, creating a giant pit with a diameter of a thousand meters.

It returned to its original form.

“The sword was blocked!”

Wei Zheng's eyes widened as he stared at the battlefield. Guan Ling blocked such a terrifying sword attack. His opponent is a perfected Tier 5!

It could be said that ...

wei zheng had thought that after he had advanced to the early stage of the fifth level, in addition to the great wei dynasty's powerful national strength, powerful army, and 99 fourth level pavilion elders, he would be able to defeat the great wei dynasty.

He would have enough power to conquer the northern region of the Saint-an province and start his grand plan.

However ...

The cruel reality had given him a huge blow.

the shu country's power had exceeded his expectations. the great cang country, which was originally ranked last, was actually a vassal country of the shu country. moreover, cang wulin was at the early stage of the fifth level.

Even ...

cang wulin had reached the early stage of the fifth rank earlier than wei zheng.

Wei Zheng had won.

After that.

Wei Zheng! Jiang Li, on the other hand, showed great power. Two level-five subordinates, one of whom had even reached the perfected level, defeated Wei Zheng easily.

Wei Zheng was defeated in the end.

he had no choice but to withdraw from the stage of competition.

And now.

Only the Shu country and the great Xia Dynasty were left.

The winner would be the 'leader' of the Alliance and would unite all the humans in the northern region of the Holy peace state, as well as the fate of the human dynasty.

Wei Zheng's expression was a little lonely.

"Your Majesty!"

Naturally, Feng chenzi and the others could see through Wei Zheng's emotions. They were also rather sad and upset, but the outcome had already been decided.

They were only at the 4th rank, and even if they joined forces, they would not be able to change the final result.

He was definitely unwilling to accept it.

but he was powerless to change anything.

" the shu nation is indeed powerful. it has many hidden dragons and crouching tigers. no wonder it is the most powerful human dynasty in the northern region of the holy peace state. it is an existence that can compete with the black dragon barbarian kingdom and the sky demon kingdom. "

...

they can have such powerful combat power by sending a general.

"Before the outcome of the battle is decided, I really don't know what the final result will be," Jin Wu Shuang said in shock.

“Who will win the final victory?”

In the surroundings.

Everyone’s eyes were fixed on the battlefield.

“Kill!”

Shua!

After the White Dragon Imperial Jade seal shattered the energy sword pillar, Guan Ling took the opportunity to attack DTS01. The big saber in his hand burst out with an incomparably bright blood-red light. The light condensed together, and the saber Light actually looked like a Blood Dragon.

The speed was extremely fast.

“Blood Wyrms slash!”

BOOM!

...

Guan Ling bellowed and slashed with all his might. The blade energy burst out, and the vast and powerful blade light was like a huge Blood Dragon, pouncing towards DS01.

“Energy Archangel.”

BOOM! BOOM! BOOM!

Finally ...

DS01 did not hesitate to release his strongest skill, the Tier 5 peak-grade 'energy Archangel'. An incomparably vast aura emerged.

It was hard to describe.

It was like the might of the heavens.

Buzzzzzz! Buzzzzzz! "Whoosh!!!"

The mechanical energy surged, producing an extremely explosive power. From head to toe, DTS01's body began to burn with sky blue energy flames.

"Whoosh!"

At this moment.

The sky-blue wings of energy expanded once again, from one thousand meters to three thousand meters. They slowly spread out, covering the sky and the sun as they flapped.

the wings of light flickered with flames!

It could be seen.

After DTS01 used the 'energy Archangel' skill, its entire body had been energized, like an angel from heaven descending.

However ...

In the myths and legends.

Angels were pure white.

However ...

DTS01 was sky blue in color, burning with energy flames and jumping with explosive energy as if it could destroy and destroy everything.

“What’s this Kasaya?”

“Heavens!”

“It’s too terrifying. Just this Qi and Majesty is enough to suffocate me. Just what level is this power at?”

“Si si si ...”

“So this is his true strength?”

They were stunned!

Everyone present was stunned!

“.....”

Wei Zheng was also completely dumbfounded and speechless.

“!!!”

Guan Ling’s pupils contracted.

Strong!

He was too strong!

It was as if he had become a completely different person.

God race?!

Guan Ling's eyes widened in disbelief. no! It was wrong! I can't feel the divine power of the gods race! Who are you?"

Buzzzzzz!

DTS01 raised his right hand and clenched it. The mechanical watch on his wrist disappeared, and a spear appeared in his hand.

It was a sky-blue spear!

The Spear's body flickered with flames.

Energy Archangel's spear!

"It's over."

"Whoosh!"

DTS01 raised his spear and thrust forward. The energy Archangel spear pierced forward, containing the explosive power of the mechanical energy. The Spear's glow spread forward like a flame.

It was as if a stream of fire had cut through the sky.

"BOOM!"

Guan Ling's blood flood Dragon exploded.

It couldn't be blocked.

“No!”

Guan Ling roared, ” the White Dragon Imperial Jade seal!

“Whoosh!!!”

The White Dragon Imperial Jade seal flew over once again, transforming into a ten-thousand-meter-tall mountain. Nine Dragons swirled around it, and it pressed down.

Thump!

There was a loud explosion.

The three-clawed White Dragon wailed. The White Dragon Imperial Jade seal was sent flying again, and it hit Guan Ling’s chest. The terrifying energy it contained rushed into his body.

“Ah!”

Guan Ling screamed and spat out blood. His chest caved in.

Bang Bang Bang Bang Bang Bang

Like a falling meteorite, it kept rolling on the ground, plowed out a 10000-meter-long trench, and crashed into buildings.

Eventually, their bodies were buried by the ruins.

One spear strike!

“You just lost like that?”

Cang Wulin was dumbfounded as well. He looked at the figure in the sky in awe. The energy light wings that were three thousand meters long danced like flames with boundless power.

“He’s too strong! An undefeatable power!”

cang wulin swallowed. ” if we want to defeat him, i’m afraid king shu will have to come in person. with such a powerful subordinate, the xia dynasty will probably become the fourth dynasty in the northern region of the holy peace state, apart from the shu kingdom, the black dragon barbarian kingdom, and the sky monster kingdom. ”

“Hehehehehehehehehehehe”

Wei Zheng smiled bitterly. frog at the bottom of the well, frog at the bottom of the well. I'm really a frog at the bottom of the well!

” this world is too big, too big. what i thought was just a piece of the sky from the mouth of the well, but i’m presumptuously trying to guess the size of the entire sky.  
”

“Your Majesty!”

Feng chenzi and the others didn't know what to say.

he had no choice.

wei zheng had suffered a huge blow.

He had thought that he would be able to sweep across the northern region of the Holy peace state once he reached Level 5, but it turned out that this was not the case at all. The difference between reality and his ideal was too great.

“Emperor Xia won again!”

Ling Tian said in a respectful tone.

“Yup!”

Dong Xiao gulped.

“Even the general of the Shu country, Guan Ling, was defeated.”

jin wu shuang said.

\* Cough cough \*

In the ruins.

Guan Ling crawled out, coughing up blood. He was badly injured. His chest had been smashed by the Jade seal, and several of his ribs were broken and stuck in his lungs.

This made it difficult for Guan Ling to breathe.

Of course.

After all, Guan Ling was a mid-stage of the fifth step. Although these injuries were severe, they were not fatal.

Emperor Xia, although you have defeated me, I am only one of the three great generals of Shu country. The power of Shu country is not something you can imagine.

“I advise you to respect the Shu country as the leader of the Alliance,” Guan Ling shouted.

“Don’t try to reach the heavens in a single step.”

“A defeated general dares to talk big in front of this Prince.”

Jiang Li looked up at Guan Ling and said coldly, ” “Kill him!”

“Yes!”

Shua!

DTS01 made a move and disappeared like an extreme stream of light. The energy Archangel’s spear was thrust out toward Guan Ling’s head.

“!!!”

At this moment.

Everyone’s eyes widened.

“Don’t you dare!”

Guan Ling was shocked.

“what?”

Cang Wulin was shocked.

“Stop!”

BOOM!

the white dragon imperial jade seal appeared again, but this time, it didn’t release a vast power. it only conjured an illusionary figure in front of guan ling.

he took a closer look.

This illusionary figure was extremely majestic, and the might of a human King was extremely heavy. He was dressed in a Platinum Dragon robe, and his entire body was surrounded by a mist of National aura, making it impossible to see clearly.

king of shu!

He was the king of Shu!

of course.

This wasn't the true body of King Shu, but a wisp of King Shu's consciousness that was entrusted on the White Dragon Imperial Jade seal. It manifested with the help of the fate of the nation.

It was just a projection.

It did not possess any combat strength.

“king of shu!”

Cang Wulin shouted in shock.

“Your Majesty!”

Guan Ling's tone was extremely respectful.

“Whoosh!”

The Spear's radiance streaked across the sky.

Without Jiang Li's order, DTS01 wouldn't stop. It would only carry out Jiang Li's order loyally. Jiang Li ordered DTS01 to kill Guan Ling, but DTS01 wouldn't stop until he did.

Emperor Xia, you dare?!

The king of Shu shouted angrily.

“Pfft!”

blood splattered everywhere.

The spear DTS01 pierced through the king of Shu's shadow and sent the White Dragon Imperial Jade seal flying. Then, under everyone's gaze, it pierced through Guan Ling's body.
