

Army 4

Chapter 4 Kill Them!

Jiang Li raised his eyebrows. Wang Gang was indeed powerful. Su Long couldn't even withstand one attack.

Wonderful, wonderful! Jiang Li was completely content.

"Su Long!" Li Hualong got up and shouted.

"Who's this man? Where did he come from? He broke Su Long's arm and defeated him with just a punch. Su Long is already at the peak stage of the elementary level."

Yang Zangdong, Dong Yang and the other officers all looked at Wang Gang in fear.

At the entrance. The two members of the gang who guarded Juyi Hall were also dumbfounded. They stared at Su Long on the floor in shock.

What happened? Why was Officer Su Long like that?

"That's horrible. The maid also died."

The two members saw Xiao Lan, who had stopped breathing. This girl was killed just because of the clash. It was cruel.

"Master, should I kill all these people?" Wang Gang asked Jiang Li respectfully.

"Kill us all?" Dong Yang was surprised for a bit before he burst into laughter. "Jiang Li, I don't know where you got this guy from and he's so powerful that he injured Su Long with a punch, but how can he deal with all of us alone? That's insane. Besides, we've already reached the peak stage of the elementary level."

"Jiang Li, you're not the leader of the gang anymore. As the second elder, I now banish you out of the Sirius Gang."

Yang Zangdong then said, "If you don't wanna die, get out of here right now. We'll spare you life for the sake of our former leader."

"You really have no shame. This is totally a miracle."

Jiang Li also smiled and yelled, "The Sirius Gang belongs to me. How dare you banish me from it? From now on, there will be no more elders and officers in the Sirius Gang."

"Don't even think about it!"

"Jiang Li, you're not the leader. You don't have the right to issue such an order."

"We'll not comply," Yang Zangdong and the others shouted.

"Then, I can't help you." Jiang Li waved his hand. "Wang Gang, do it."

"Yes, Master."

Swish! Wang Gang jumped up. His speed was way faster than the elementary-level Martial Artists. He sped to Yang Zangdong and gave a punch.

"How dare you!" Yang Zangdong grunted and gathered the blood energy in his body, forming a red hand that flew towards Wang Gang. "Bloody Palm!"

Boom!!!

Wang Gang gave a punch and Yang Zangdong's Bloody Palm shattered. Yang Zangdong felt like his hand hit a steel plate. And it was a punch with powerful energy.

"That's impossible!" Yang Zangdong's eyes popped out and he couldn't believe it at all.

Pfft! Blood sprayed everywhere.

While Yang Zangdong was still startled, Wang Gang gave a punch and Yang Zangdong's head was smashed like a watermelon.

Soon a headless corpse lay on the floor.

"Elder Yang is dead. He's dead!"

"Oh God!"

"He's too fast and powerful."

"Is he a level-one Martial Artist? But why can't we sense the energy of his blood and his internal force? Was he really born this powerful?"

"He's a monster!"

"How did Jiang Li get this guy to work for him?"

The officers were terrified.

Outside the hall. The two members of the gang had already widened their eyes. They watched Wang Gang kill people, while Jiang Li sat on the leader's seat calmly like someone who had complete control of everything.

"Master is incredible. He has such an impressive man, who could kill Elder Young in a few attacks. Officer Su Long's arm is fractured as well. He's unstoppable."

"Yes! Yes!" The eyes of the two members were glittering.

"Jiang Li, I'll kill you."

Swish! Dong Yang was terrified right now, especially after he watched Yang Zangdong die without a chance to fight back. He immediately turned around and rushed at Jiang Li. He knew that Jiang Li was only at the early stage of the elementary level. As long as he captured Jiang Li, he would be able to get out of danger.

"How dare you try to hurt Master!"

Bang! Wang Gang shouted and stomped his foot, creating a small pit on the floor. He sped up and instantly stood in front of Jiang Li to block Dong Yang.

"Combat Art!"

Bang, bang, bang! Wang Gang gave a dozen punches in a short amount of time and they all hit Dong Yang. Blood splashed and Dong Yang's chest was punched through.

"You..." Dong Yang widened his eyes. He had stopped breathing and his mutilated body fell on the floor.

"Go to Hell!"

Bang! Chief Elder, Li Hualong, seized the chance to attack. He posed like a crane and his hands were like snakes with a layer of white aura around them.

Internal force! That was his internal force!

"Wicked Snake Hand!"

Boom! Li Hualong's attack was fast and powerful. It also carried his internal force and could penetrate steel.

It hit Wang Gang's chest and he was knocked backwards destroying the chairs and tables.

"Internal force! Chief Elder used his internal force just then!"

"Martial Artist of early-stage level one! Chief Elder has become a Martial Artist of early-stage level one!"

"Brilliant."

"It's over. Jiang Li's going to die." The officers cheered excitedly.

"Congratulations for becoming a level-one Martial Artist, Chief Elder."

Su Long was a bit better. He wanted to escape, but seeing Li Hualong show the power of early-stage level one, he came back immediately to be a toady.

"Jiang Li." Li Hualong's face turned pale. After all, he had only entered the level and his internal force wasn't strong enough. The last attack had used up most of his internal force. "I've never expected this to happen. However, you killed two elders in front of everyone. That's too vicious. Even Brother Jiang Huahong wouldn't let you stay if he was alive. So, I must do something myself."

"Let me give you a decent death. You should just stab yourself. Then, you won't humiliate Brother Jiang Huahong."

"Li Hualong, you're such a cunning old man." Jiang Li sneered and said, "You have the power of early-stage level one, but you didn't help at first. You just watched Yang Zangdong and Dong Yang die. That way you can criticize people's morals, as if you're an upright person, while the rest of us are all treacherous."

"That's ridiculous." Li Hualong shouted, "I have no idea what you're talking about."

"And." Jiang Li continued, "Do you really think I don't know about it? You tried to set me up and murder me. I guess you've also bribed Xiao Lan. Since you failed to kill me, you wanted to humiliate me by taking away my place. You're clever, but I've already seen through everything long ago."

"Well..." The officers opened their mouths wide. Since it was the truth, they didn't know what to say.

Outside the hall.

The two members of the gang heard everything clearly. They had never thought the senior members would try to murder the son of their former leader.

"If they can do such things to the son of our leader, they can also do the same to normal members like us without us knowing."

"Should we quit the gang?" the two members of the gang mumbled.

"Shut up, Jiang Li." Li Hualong was anxious. He couldn't let this secret leak. If all the members knew about it, they wouldn't trust the gang anymore. By then, the gang would be doomed.

"Go to Hell!" Li Hualong rushed towards Jiang Li. He had to kill Jiang Li and deal with the two members at the entrance to keep the secret safe.

Bang! Wang Gang jumped and sped up. His body was like a bullet, flashing towards Li Hualong from 10:54

behind.

"Chief Elder, be careful!" Su Long yelled.

"You're alive?" Li Hualong said as he turned around and saw Wang Gang.

"Wicked Snake Hand." Li Hualong used his internal force again. His hand was surrounded by a white aura and was in the shape of a snake, speeding towards Wang Gang.

"Combat Art." Wang Gang swayed his fists to distract Li Hualong and moved around to avoid the attack. Li Hualong's hand went past Wang Gang's cheek very closely.

Bang, bang, bang! In a short period of time, Wang Gang gave a dozen punches. Each one of them hit Li Hualong's chest, breaking through Li Hualong's defense. A powerful energy then broke Li Hualong's organs to pieces.

"Pfft!" Li Hualong spurted out blood with pieces of his organs inside. He fell down as he stared at Jiang Li with his mouth open.
