Chapter 61 The blood-refining formation

“Yes,”

dugu luo was standing beside zhang ling. he was still wearing a man’s green robe. he had a faint smile on his face, and he looked very charming. his right hand was holding a yellow bullet shell with his slender fingers. ” i’m very curious too, chief jiang. your puppets and the weapons you have are really mysterious and powerful. ”

“Can you answer our questions?”

“I can’t,”

Also, your father is dead, “Jiang Li said.

“.....”

Dugu Luo’s expression froze. He looked down at dugu Huangcheng’s body and said coldly, “he’s dead.

“ever since my mother died because of him, he was no longer my father.”

“Chief Jiang, you really don’t give me any face.”

dugu luo smiled. ” back then, i gave a 10-year-old red fruit to gang leader jiang. ”

“I’m afraid I don’t dare to eat it now.”

Jiang Li said.

“Chief Jiang, I advise you to say it.”

“You said you still had a chance to live,” Zhang Ling added.

“Hehe, my life has always been in my own hands. I don’t need you to give me a chance.”

where’s yang Zike? ” Jiang Li asked coldly. where’s yang Zike? ”

“he’s dead.”

the respected state Lord, ” Zhang Ling replied, ” although he has some secret collusion with the barbarians, he is loyal to the great Qian dynasty. After discovering our plan, he tried to contact the great Qian dynasty.

“I had no choice. I could only find an opportunity to kill him and exterminate the entire County Office.”

“In fact, killing is not a good thing.”

“Your plan?”

what? “Jiang Li asked.

“do you want to know?”

Zhang Ling laughed. are you very curious? as long as you tell me about the puppets, i’ll tell you our plan. this is a fair deal, right?”

“I’m not interested,”

“no.” jiang li refused again. “i’m more interested in killing you.”

“Do it.”

attack! Jiang Li waved his hand and ordered to attack first.

Hence.

The firearm mech turned around and aimed at Zhang Ling and the other two. Countless bullets shot out from the muzzle.

“Whoosh!!!”

Behind Zhang Ling and Dugu Luo.

the black-cloaked figure waved his right hand, and black mist gushed out, forming a defensive light curtain.

Bang Bang Bang Bang Bang Bang

that was why all the bullets were blocked.

“leave this man to me. kill Hei Zong and everyone else here. the blood-refining formation is about to be activated. all of them must die.”

The black-cloaked man’s voice was low and cold. we have to end this tonight. Don’t let ‘master’ wait too long.

“Deacon, you’re actually going to do it yourself.”

Zhang Ling asked in surprise.

“Since the deacon is personally taking action, then you’re on your own, chief Jiang.”

Dugu Luo smiled.

Shua! Shua!

As soon as he finished speaking.

dugu Luo and Zhang Ling rushed into the battlefield. their auras were fully revealed, and they burst out with the power of early stage level two.

Not only that.

Both dugu Luo and Zhang Ling were half-demons, and they both cultivated internal force and bloodline power. After the combination of internal force and bloodline power, an even stranger power was produced.

It was called the half-demon power.

BOOM! BOOM!

Hei Zong's injuries weren't light. His blood mist surged and the giant elephant roared. He was completely suppressed by Zhang Ling, while dugu Luo and Dong Lin were engaged in an intense battle.

“Blood refining formation, activate!”

Buzzzzzz! Buzzzzzz! buzzzzzz!

The black-cloaked man made a hand seal with both of his hands, and the black mist formed a series of hand seals. He pressed both of his hands on the ground and activated the ‘blood refining formation’ that had been set up in Qingshan Valley.

Instantly.

there were blood-colored lines intertwining, forming a huge formation pattern on the ground. it gradually spread out and covered the entire battlefield.

...

“What is this?”

“This Suan ni, this Suan ni”

on the battlefield.

The demons, the barbarians, and the humans all stopped fighting. They looked up and saw the blood on the ground being attracted by a force and floating into the air.

Finally.

The blood gushed into the sky and gathered together, forming a huge floating array with a diameter of 10000 meters. In the center of the array, a ‘blood bead’ was being nurtured.

it was absorbing all the blood and corpses on the battlefield.

the blood refining formation, the half-monster Alliance.

Hong Tianqi looked at the formation and finally remembered. you’re from the half-monster Alliance. Are you the ones who planned this war? ”

Obviously.

hong tianqi had lived for a long time, so he knew more.

...

“The formation is a success.”

the black-cloaked man raised his head and looked at the array diagram in the sky. he was overjoyed. “hahaha, the blood refining array has been successfully set up. after a while, these tens of thousands of corpses will be refined into blood refining beads.”

Obviously.

the matter was gradually becoming clear.

This war had taken over Pingding city, Yongan city, barren city, and green scale city. Tens of thousands of lives had been lost, and it was all planned by the half-monster Alliance.

They only had one goal.

That was to use tens of thousands of living beings as food, use the blood refining formation to refine blood refining beads, and then consume the blood refining beads to break through to level three!

On the Super Fantasy continent.

Human, demon, barbarian, devil, God, and ghost.

The six great races.

no matter which race it was, they all had the same rule, which was to prohibit marriage between different races. this was an absolute law.

but ...

even with the prohibition, all kinds of accidents would still happen.

It led to the Union of different races.

as a result, 'half-demons', 'barbarians', 'half-gods', 'demons', 'human ghosts', and other living creatures were born. as soon as these living creatures were born, they would be hunted down.

Countless years had passed.

As a result, these living beings United and formed various alliances, finally surviving tenaciously.

The 'half-monster Alliance' was just one of these large and small alliances.

the blood-refining formation is complete. Now, it's time to kill all of you.

The black-cloaked man looked at everyone present and slowly said, " although there were some unexpected things in the plan, the final result will not change.

I wanted to wait for the armies of the four cities to suffer heavy losses before I attacked. I didn't expect something unexpected to happen.

"Jiang Li!"

Jiang Li. the man in the black cloak looked at Jiang Li. you're quite capable. You gathered all the gangs in Yongan city and brought nearly 10000 people.

"You also have quite a bit of power under you."

but it doesn't matter. It's a foregone conclusion. All of you will die Here and become the resources for the blood refining formation to produce the blood refining beads.

The war had reached this point.

There were less than 1000 barbarians from the barren city, 1000 monsters from the green scale city, less than 500 soldiers from the Pingding city, and about 1000 soldiers from the city guards of Yongan city.

On Jiang Li's side.

The losses were even more severe.

There were more than 10000 people when they came, but only 3000 were left now.

Almost half of the 600 early-stage level one meches were lost, and 140 of the 150 perfected-stage level one meches were left. The loss wasn't too serious.

"Everyone, we don't need to be afraid, because there are only three of them."

"kill them!" long chongzhen shouted, "chief jiang also has an early-stage level two master. we just need to work with chief jiang to kill these three half-beasts."

"You're noisy."

Whoosh!

The black-cloaked man pointed with his right hand. Black mist condensed and turned into a finger light. Then, it pierced through the air. It was as fast as lightning and difficult to react to.

"Pfft!"

Blood splattered everywhere.

Long Chongzhen's head was pierced through by the finger radiance. A hole appeared in the middle of his eyebrows. He was dead.
