

Army 661

Chapter 661

Kachaa! Kachaa! Kachaa!

At this moment.

The sound of a mirror cracking was heard.

It was precisely because the celestial, fiend, and ghost clans had opened up the space-time Tunnel one after another, crossing through the obstacles of space and descending that they had almost completely distorted the space on this side, causing black cracks to appear in the space like distorted lightning.

They were densely packed.

they intertwined like a net.

It was extremely dense.

Gradually.

it didn't take long.

All these strange phenomena were disappearing.

The 'Gate of Heaven' that was filled with holy music, the 'gate of hell' that was covered in painful wails, and the dark, hideous crack.

They all disappeared one after another.

In the end.

there were only three figures standing in the air. they were at the edge of the battlefield, looking down from above. they were surrounded by layers of mysterious fog, making it impossible to see clearly.

“it’s indeed a god race!”

luo yinsha’s expression was heavy as he looked up at the sky. his eyes flickered and he said in a deep voice, “The devil clan and the ghost clan are all here.”

“The situation in this final battle has truly changed.”

Wu qiu Huang took a deep breath and said in a deep voice, “ now, there are humans, demons, barbarians, demons, gods, ghosts, and a large group of mixed-blood alien races from the sea realm dynasty.

“This time,”

“Everyone’s really here.”

“.....”

Jiang Li didn’t say anything. He also looked up at the three figures in the sky and said slowly, “ “This time, I’ve finally met the true God, devil, and ghost clans.”

In the surroundings.

Fu Tianqing, Lord Chi, man Wuji, Lin Tianjian, di Long, the emperors of the sea realm dynasties, and many other level 8 and level 9 experts.

They were all looking at the figure in the sky.

His expression was grave.

In reality.

The emperors of the ocean Empire started to regret not listening to the ocean Emperor's advice, even though the 'Empire' didn't interfere in the Holy peace state.

but ...

the six races, 'human, demon, barbarian, demon, god, and ghost', had all arrived.

He looked around.

Including Jiang Li's three early-stage level nine special meches, di Long and Luo yinsha of the Barbarian race, Wutian and Wu qiu Huang of the monster race, were all on the battlefield.

As for the purple-robed woman from the human race ...

His exact cultivation level was unknown.

Finally.

in addition, there were the three gods and devils who had descended.

In other words ...

The number of powerhouses of the ninth step had already reached ten.

It could be said that ...

This was already a battlefield dominated by type 9 powerhouses.

At this moment.

On the battlefield.

The war between the armies of the various races and empires did not stop because of these strange phenomena and changes. Instead, it became even more intense.

Many living beings and soldiers had fallen.

“All troops, retreat from the battlefield!”

Di Long shouts.

“Retreat!”

the great shaman shouted.

Wutian Imperial Army, listen up! Quickly leave the battlefield!

“Retreat!”

“Withdraw the Army!”

At the same time.

Wutian, qianfu, and Qilian also gave their orders.

...

“Your Majesty!”

wu wuji, lin tianjian, and the others looked at jiang li.

“Yes.”

” okay. ” jiang li nodded.

“Hurry up! Retreat!”

“Retreat!”

” leave the battlefield!! ”

After receiving Jiang Li’s order, Lin Tianjian, Wu Wuji, Lianzhen, mo bei, and Hong Tianqi immediately led the human army to retreat from the battlefield in an orderly manner.

In the blink of an eye.

In just a few minutes.

The chaotic battlefield was quickly divided. The Barbarian Army, the demon Army, and the human army retreated one after another.

...

The three massive armies had retreated to their respective rear, facing each other from a distance.

Buzzzzzz! Wuwuwuwuwu! “Whoosh!!!”

However ...

the formations of the three races ‘armies had not been dispelled and were still maintained so that they could charge into the enemy at any time, or buff the powerhouses with the power of the formations.

“Hurry up! Hurry up!”

“It’s an opportunity!”

“All troops, retreat! Retreat immediately!”

“Hurry up and run!”

After the five sea sovereigns reacted, they were overjoyed. Their expressions were extremely excited as they gave out orders and shouted loudly.

The Alliance Army of the sea Empire followed their Emperor and fled in panic.

Finally.

only the sea dragon army was left.

“Sea Dragon God, you have already failed.”

A smile appeared on Wutian’s face. His face was pale, and he was injured. Even his left leg had been pierced by a water beam.

It could be seen that his injuries were not light.

on the other hand, the sea dragon god.

However, his face was slightly pale and he had consumed a lot of energy.

Obviously.

the sea dragon god was stronger than wutian.

“.....”

The sea Dragon God's eyes were dark and he was silent.

“The eight techniques of the demon God.”

Buzzzzzz!

The sea Dragon God continued to attack Wutian. The dynasty's National fate, the sacred weapon, the power of the demon God, and the rank 8 army formation were all used by the sea Dragon God.

Similarly.

Wutian had also infused the fate of the Empire, the sacred weapon of the nation, the Thunder Law, the power of bloodline, and the power of the military formation into his body.

“Water dragon destruction!”

Roar!

The sea Dragon God waved his right hand, and a vast amount of energy gushed out, turning into a huge wave. It was like the Milky Way, and it turned into a huge water dragon.

The Water Dragon roared.

It was vast and ferocious, containing a sense of destruction.

BOOM!

The Water Dragon charged at Wutian.

“world-destroying lightning!”

Bang Bang Bang!

Wutian’s pupils contracted. Endless Thunderbolts flashed, forming a sea of lightning that blotted out the sky and the earth, rushing toward the Water Dragon.

The Water Dragon charged into the sea of lightning, and countless bolts of lightning struck it.

Kachaa! Kachaa!

The Water Dragon devoured the lightning and refined the power of the sea of lightning, turning it into blue lightning that wrapped around its body, making it even more powerful.

“What?”

Wutian was shocked.

“This is the ‘eight techniques of the demon God’ that I have cultivated to kill you.”

the sea dragon god shouted.

Obviously.

The sea Dragon God had the power of the water god, and his mother, Wuxin, was Wutian’s great-granddaughter, so he also had Wutian’s double-winged Thunder Dragon bloodline.

the two combined.

the sea dragon god had used the water god's power to create a water dragon. it had also gained some control over lightning. it devoured wutian's lightning and merged it into the water dragon's body.

At this moment.

This 'water dragon' was slowly transforming into a 'lightning water dragon'.

BOOM!

The sound of an explosion rang out.

Not long after.

the sea of lightning was completely torn apart by the water dragon. it exploded, and the lightning scattered everywhere. the water dragon swallowed all the lightning.

Roar! Roar! Roar!

The 'water dragon' let out a deafening dragon roar.

However ...

The current 'water dragon' should no longer be called a 'water dragon', because its incomparably huge body was Azure in color and looked very lifelike. One could even clearly see the veins of its scales.

Other than that.

The biggest change.

The Dragon's body was surrounded by countless blue lightning bolts, and half of it was reborn from the lightning, turning into an even more terrifying 'Thunder water dragon'.

“The eight techniques of the demon God.”

The sea Dragon God formed a seal, and a series of seals appeared, merging into the body of the lightning water dragon, causing layers of strange patterns to appear on the body of the Dragon.

He took a closer look.

The strange lines seemed to be made up of some intermittent, mysterious ‘divine text’.

“The final law-heavenly punishment!”

The sea Dragon God raised his head, his eyes flashing with killing intent. He pointed with his right hand, and a dark blue finger light shot out, hitting the Thunder water Dragon’s reverse scale.

“roar!”

A Dragon’s Roar filled the sky.

The countless strange patterns on the body of the ‘Thunder-water dragon’ emitted a dazzling blue light. The Dragon’s body twisted and changed continuously, finally turning into a deep blue ‘giant spear’ that stood upright in the air.

on the body of the spear were the two words ‘divine retribution’ formed by ‘divine text’.

The spear trembled.

A 90-degree turn.

He aimed at Wutian, who was standing right in front of him.

“!!!”

At this moment.

Wutian’s pupils contracted. He could feel death approaching. His body was trembling, and his face was covered in cold sweat. His face was pale, and his limbs were trembling.

“No!”

bloodline ignition!!

BOOM!

Wutian was about to use this move.

“die!”

The sea Dragon God’s eyes were cold as he pointed out with his right hand again, and that dark blue ‘giant spear’ pierced through the air and disappeared in an instant.

It was as if he was teleporting through space.

He could only see an extreme stream of light.

It pierced through Wutian.

” block it!!! ”

Wutian shouted.

roar! “Roar!”

The Dragon roared.

Wutian had already transformed into a two-winged Thunder Dragon. He had unleashed all his abilities and even activated the burning of his bloodline.

Kachaa!

First of all ...

The grade 8 army formation was torn apart by the spears.

The layers of defense shattered.

it couldn't be blocked!

Wutian could not withstand the sea Dragon God's most powerful attack.

“Hahahahaha!”

The sea Dragon God laughed wildly. He was very excited because his revenge was about to be completed. Wutian, you will die today.

“Dream on!”

Wutian roared. He used all his strength, and the Thunderbolt seemed to be able to tear the space apart.

However ...

He was still unable to block it.

he could only watch as the ‘giant spear’ got closer and closer.

“Suppress!”

“Whoosh!!!”

The light bloomed.

At this time of crisis.

Wu qiu Huang waved his right hand, and the ‘fake Earth Book’ in his hand flew out, releasing an endless dazzling earthen yellow light. The Stone Book fell down and then quickly enlarged.

Just like that, he stood in front of Wutian.

Bang!

The ‘giant spear’ broke through all of Wutian’s defenses and attacks, but it could not penetrate The Stone Book at all. It could not move an inch further and was blocked.

The scene seemed to freeze.

“This bi an ...”

Wutian’s eyes widened. He could not help but feel relieved that he had survived the disaster. Then, he was overjoyed. He had almost died at the hands of the ‘bastard’ Sea Dragon God.

Soon after.

The Stone Book shook slightly.

Kachaa! Kachaa!

Bang!

The ‘giant spear’ had used up all of its power and was completely shattered. In the end, it completely shattered into blue starlight that filled the sky and quickly dissipated.

“No!”

the sea dragon god’s body trembled, and his ecstatic expression completely disappeared. it became twisted and sinister, and his eyes were scarlet red as if they were filled with blood.

One had to know.

He was so close to killing Wutian.

However ...

At this final juncture.

He had failed!

He had actually failed!

you really deserve to die!!!

The sea Dragon God turned his head and stared at Wu qiuhuang with clenched fists. That move just now had used up almost all of his energy.

Chapter 662

Jiang Li had watched the battle between Wu Tian and Sea Dragon God from the beginning to the end. At the last moment, Wu qiuhuang blocked Sea Dragon God's final attack with the 'fake Earth Book'.

It had to be said.

The sea Dragon God was very strong, especially in terms of combat. Wutian had been suppressing Wutian from the beginning.

If not for Wu qiuhuang's help.

Wutian might have been killed by the sea Dragon God.

Of course.

From this, one could see how powerful the 'fake Book of the Earth' was.

It was able to easily block the sea Dragon God's final killing move.

Although Wutian had exhausted all his strength to weaken the power of the 'giant spear', the 'fake Book of the Netherworld' had easily blocked the move.

"Are you very angry?"

The corner of Wu qiuhuang's mouth rose as he sneered. His tone was filled with killing intent as he coldly said, "you're just a mixed-blood alien. Even if you're a Demon God, you're still a bastard. An existence like you should die!

"Suppress again!"

BOOM!

Wu qiu Huang waved his right hand, and the fake Book of the Netherworld flew up and pressed down on the sea Dragon God. Wherever the fake Book of the Netherworld passed, space was already distorted.

From this, it could be seen how terrifying the weight of the fake Book of the Earth was.

“!!!”

the sea dragon god's pupils contracted.

If he was hit, he would definitely be crushed and die.

however ...

Just as the sea Dragon God wanted to avoid it, he suddenly realized that the space around him seemed to have been frozen.

He couldn't move at all!

The sea Dragon God roared in anger, squeezing out all the energy in his body in an attempt to break free. However, he found that the spatial shackles were firmly locked down, and he couldn't break free at all.

“You're overestimating yourself.”

Wu qiu Huang sneered.

“I am lan lan.”

Buzzzzzz!

The messenger from the celestial race looked over and said slowly, ” “Under the order of one of the twelve main gods of the water God’s bloodline, the sea god, we’re here to bring the Holy peace Region into the ocean God Kingdom.”

BOOM! BOOM! BOOM!

it could be seen.

This God race Messenger, who called herself ‘lan lan’, took a step forward with every word she said. Then, the energy fluctuations around her body became stronger.

in that instant.

The vast and boundless energy was surging like a sea of stars.

Azure divine light bloomed.

It contained divine might.

Bang!

Lan lan stomped her foot down, as if she had unintentionally walked past the sea Dragon God’s head. Then, the spatial power that was binding the sea Dragon God’s body shattered.

“You!”

Wu qiuhuang glared at him.

“Ah!”

The sea Dragon God broke free in an instant. His entire body was like a Blue stream of light that shot straight into the sky, charging at the sea Dragon Army at full speed.

“Your Majesty!”

Shua! Shua! Shua!

Buzzzzzz!

Immediately.

a number of type 8 mixed-blood aliens rushed out from the sea Dragon Army, and the type 8 army formation was activated, forming a formation space, protecting the sea Dragon God in the middle.

“Lan lan of the gods race, what is the meaning of this?”

Wu qiuhuang asked in a low voice.

“Kekekekekekeke”

It was a sinister laugh.

In the thick fog formed by the extremely dense Qi of the netherworld, there were many ghostly figures, but they could not see the true face of the opponent. Only the voice came out. barbarian, that lan lan didn't put you in her eyes at all. she's really too arrogant.”

“If this were me, I definitely wouldn't be able to tolerate it.”

“.....”

Wu qiuhuang was silent.

...

Luo yinsha watched from a distance.

“Lord Luo.”

“What should we do next?” di Long asked.

“just wait.”

” don’t act rashly, ” luo yinsha said. ” to be honest, i didn’t expect that a small saint peace state could attract so many experts. ”

“There are too many variables.”

“Even if you have the ‘Emperor’s sword’ in your hand, you can’t turn the tide.”

“Alright,” he said.

Di Long nods.

On the other side.

After the envoy of the demon race appeared, he had not moved at all. He appeared to be very silent, and he was also shrouded in black demonic Qi, blocking all prying eyes.

...

in reality.

If someone could see through this layer of thick black demonic Qi and see the demon inside, they would find that this demon was shivering, and his legs were shaking like sieves.

That's right.

He was trembling in fear. His demonic face was filled with fear, which was too funny.

Then, he took a closer look.

Through the demon's gaze, he saw the purple-robed woman who was standing outside the battlefield.

This devil was clearly frightened to this extent because he saw the purple-robed woman.

it was worse than a mouse seeing a cat.

It was hard to imagine.

To be able to scare a powerful demon to this extent.

What was the origin of the purple-robed woman?

In the surroundings.

Wu qiu Huang, Luo yinsha, and even lan lan, as well as the innate ghost hiding in the nine netherworld mist, thought that the devil was unfathomable when they saw that he was not moving at all.

On the other side.

Near the 01 interstellar Army.

“Your Majesty.”

shua! Shua! Shua!

Lin Tianjian, Wu Wuji, mo bei, Lianzhen, Duan Qilin, Jing yueke, Hong Tianqi, Yue Fengji, and the others all returned to Jiang Li.

It could be seen.

They were all more or less injured.

Fortunately ...

The war had continued until now.

The great Xia Dynasty did not lose any of its tier 7 and above combatants.

In addition.

Jiang Li's mechanical Army also left the battlefield with the Xia Army.

“Yes.”

Jiang Li nodded and asked, ” “How are the casualties of the great Xia Army?”

“Your Majesty.”

Wu Wuji reported,”although we don't have detailed statistics, a rough estimate shows that we've lost close to 300 billion people. More than half of them have died.”

“The soldiers and generals of the great Xia Army are only left with 200 billion.”

“.....”

Everyone’s heart was heavy.

“The Xia Emperor.”

lord chi and elder brown came with sheng baochen and the other ten hall masters of the human division. they were supposed to meet the lady in purple.

However ...

That purple-robed woman was too aloof, and Lord Chi and the others didn’t dare to get close to her.

Or rather ...

That purple-robed woman shouldn’t have appeared in a battlefield of the level of Saint peace state.

“Lord Chi, Elder Brown.”

Jiang Li said.

“Emperor Xia, what do you plan to do next?”

master Jiang. Lord Chi asked Jiang Li respectfully. He even addressed Jiang Li with an honorific. After all, Jiang Li had three subordinates who were at the early stage of level nine. Any one of them could beat Lord Chi and the others.

“The Xia Emperor.”

I really didn’t expect that Lord Ao Qinglong would fall, ” Elder Brown continued. that Lord was so high-spirited and graceful back then.

“And ...”

this ‘master’ who replaced ‘master ao Qinglong’, based on her attitude, she probably won’t help.

“So, Emperor Xia, you’ll have to face the court Lords of the demon race and the Barbarian race alone.”

“You’ve all forgotten one thing.”

“The three experts sent by the gods race, barbarian race, and ghost race didn’t appear here to watch a show,” Wu Wuji interrupted.

“what you all said makes sense.”

Jiang Li nodded and said slowly, ” I need your help for what I’m going to do next. When we start the war again, I need you to help me kill a type 9 at all costs.

killing a rank nine with the absolute puppet?!!

Elder Brown trembled and widened his eyes. He was even more shocked by Jiang Li’s words.

“The Xia Emperor.”

Lord Chi was also shocked. He took a deep breath and calmed down.”None of the powerhouses of the ninth step here are easy to deal with.”

“it’s too difficult to kill them.”

“Your Majesty, please reconsider.”

Lin Tianjian's face turned pale. He was also shocked. Clearly, he was scared by these words, "Your Majesty, all the experts at the ninth level, except for di Long and Wu Tian, are at the early stage of the ninth level. Both Luo yinsha and Wu qiu Huang have surpassed that level.

as for the three from the God race, demon race, and ghost race, there's no need to even mention them.

di Long has the emperor's long sword in his hand and his strength has increased greatly. Wutian is in a bad state now, but he's under Wu qiu Huang's protection. He won't be able to find a chance.

"Your Majesty!"

"Your Majesty, please reconsider!"

In the surroundings.

The ministers all urged in unison.

jiang li frowned and scolded, "I've made up my mind. The only thing you have to do is to help me achieve this goal.

"....."

Lin Tianjian, Wu Wuji, and the others opened their mouths.

"Your subject will obey!"

Hong Tianqi said.

"We accept your orders!"

Xu Ya, Yue Fengji, and the others all shouted.

“we are willing to die for your majesty!”

Jiang Li! Wu Zong, pang kui, Wei Lin, Feng chenzi, and the other officials all kneeled before Jiang Li and shouted with determination.

“Alright!”

okay. Jiang Li nodded in satisfaction.

“What about you guys?”

jiang li looked at lin tianjian and the others.

“We will obey your orders!”

Lin Tianjian and the others took a deep breath and replied in unison.

“Yes.”

” okay. ” jiang li nodded.

“The Xia Emperor.”

At this moment.

Lord Chi and Elder Brown looked at each other. Seeing that Jiang Li had made up his mind, Lord Chi walked to Jiang Li and said, ” “We have something that we wish to give to the Xia Emperor.”

“Oh.”

Oh? ” Jiang Li looked over and asked, ” what is it? ”

when Lord Ao Qinglong left the division, he left an item behind. We planned to return it to you personally when you returned, but we didn't expect that Lord Ao Qinglong had already passed away.

Elder Brown said.

“I believe this thing will be of some help to you.”

lord chi said.

Shua! Shua!

As soon as he finished speaking.

master chi and elder brown waved their right hands and took out something at the same time.

Buzzzzzz! buzzzzzz!

Instantly.

The light exploded.

Two huge balls of light, one black and one white, appeared in the air. They released a majestic aura and fluctuations, then intertwined with each other.

They were like two real Dragons, one black and one white.

“This is a Kasaya.”

The abnormal phenomenon caused quite a commotion.

Lin Tianjian and the rest were staring at him.

“!!!”

Of course.

wu qiuhuang, luo yinsha, lan lan, the innate ghost clan, di long, wu tian, and all the experts present were all shocked and looked over.

“It’s ao Qinglong’s.”

Wu qiuhuang shouted.

“Do it!”

Luo yinsha berated.

kill!!!

clang!

the sound of a sword was accompanied by the roar of a dragon.

Di Long had been patient for a long time. He had wanted to kill Jiang Li for a long time. With the emperor’s long sword in his hand, he was much more powerful and confident. He charged at Jiang Li.

Shua! Shua!

WMS01 and MYL01 immediately rushed forward.

Chapter 663 Ruthless

Buzzzzzz! buzzzzzz!

in the air.

The two balls of light, one black and one hundred red, seemed to come to life at this moment. They seemed to have gained intelligence and broke free from Lord Chi and Elder Brown's restraints.

of course.

This was also because Lord red and Elder Brown weren't on guard, allowing them to take advantage of the situation.

“Not good!”

Chi Zhu and Elder Brown exclaimed.

Shua!

The two balls of light quickly flew into the distance.

Buzzzzzz! Buzzzzzz!

“Roar!”

Azure Dragon! Jiang Li also reacted and immediately used the ‘Azure Emperor Art’. The Azure Dragon of Xia charged out and roared. Jiang Li stepped on the dragon's head and flew into the sky, quickly chasing after the black and white light that looked like real Dragons.

“Nine seals of the cyan Emperor-seal!”

Shua!

jiang li formed a seal with both hands, then waved his right hand. a light curtain spread out and quickly covered the black and white light.

however ...

The black and white light balls combined together and turned into a Yin Yang fish, quickly breaking free.

huh?!

huh? ” Jiang Li was stunned too. no wonder he can get rid of Lord Chi and Elder Brown.

“even if lord chi and elder brown didn’t let their guard down, they wouldn’t be able to stop them.”

space control.

Jiang Li quickly activated the ‘interstellar Dominator space soldier’. The meches liquefied and formed armor. Jiang Li put on the black mechanical armor.

Buzzzzzz!

the space was distorted.

Jiang Li teleported and chased after the black and white light.

At the same time.

“Kill!”

Di Long has already charged over.

However ...

WMS01 and MYL01 had already intercepted him.

“Infinite Sword World!”

Clang clang clang!

but ...

Lin Tianjian shouted and took the lead to rush forward. He controlled the ‘grade 8 military formation-infinite sword realm’. Countless sword lights appeared and gathered together. The scene was like ten thousand swords returning to their roots, forming a sword River that was as bright as the Galaxy.

Shua!

The sword River Falls down like a waterfall in the starry sea, slashing at di Long with a powerful sword aura.

“You’re overestimating yourself.”

Roar!

Di Long gives a cold smile. Holding the sword in his right hand, he makes a slash. The ‘Emperor longsword’ sends out a pitch-black Dragon-shaped sword beam, which cuts through the sky and destroys the attack of the ‘infinite Sword World’.

BOOM!

An explosion sounded.

pfft!

“ah!”

Lin Tianjian screamed and spat out a mouthful of blood. He was sent flying, but he tried his best to stabilize his body. There was a bloody sword wound on his chest.

At the same time.

Taking advantage of this time, MYL01 and WMS01 have already arrived in front of di Long.

Wuwuwuwuwu! Wuwuwuwuwu!

wms01 waved his right hand and the demon god halberd appeared in his hand. all sorts of skills were unleashed-demon god aura, demon god power, demon god domain, and demon god true form.

The four great amplification skills were released at the same time.

Buzzzzzz! Buzzzzzz!

A powerful aura surged.

“Demon God burial!”

BOOM!

...

WMS01 shouts loudly. He clenches the demon God halberd with both hands. The halberd's body bloomed with a dense purplish-black light and is smashed directly at di Long.

“a fake demon god.”

Lan lan looked over, ” in this holy peace Region, other than the sea Dragon God, there are actually ‘xenogeneics’ with God bloodlines that can reach the type 9 realm.

“But if it’s a fake Demon God, then it’s a hybrid of xenogeneics.”

“Kekekekekekeke”

The innate ghost who had yet to reveal himself chuckled sinisterly, ” it seems like this fake fiendcelestial is a servant of the human Sovereign. This Human Sovereign is quite capable.

As soon as he finished speaking.

Lan lan and the connate ghost turned to the devil, but he was still motionless.

“What is this guy doing?”

Lan lan thought to herself with a frown.

there’s still no movement, not a single word. Did the demons send a mute? ”

...

The innate ghost thought to himself.

“Emperor Dragon slash!”

roar!

Di Long strikes out with his sword. The body of the Emperor sword utters a long cry and even gives off a Dragon's Roar. A terrifying sword radiance pierces through the air.

BOOM!

The halberd light exploded, and the remaining power of the sword light spread forward.

Bang!

Di Long's sword attack not only destroyed WMS01's 'Demon God burial', but also sent WMS01 flying.

"Kill!"

Buzzzzzz! Buzzzzzz!

MYL01 was coming.

all sorts of skills were activated.

The release of the psionic master and soul Master skills produced mechanical psionic energy and soul power. The two combined to form a powerful Demon Soul energy.

Buzzzzzz!

The demon spirit domain was released.

"Obliteration storm!"

BOOM!

MYL01 makes a wave of his right hand. His demon spirit energy is shattered, creating a destructive power that spreads towards di Long like a vast storm.

Shua!

Di Long makes a horizontal sweep with his sword. The sword light draws the shape of a half-moon and smashes the obliteration storm.

“The eye of the demon God.”

After WMS01 steadied himself, he immediately coordinated with MYL01. The huge Demon God’s eye appeared, and the purple-black pupil shot out a beam of light.

BOOM! BOOM! BOOM!

an intense battle erupted.

the battle was intense.

MYL01 and WMS01 have successfully stopped di Long.

I have to say, these two xenogeneic subordinates of the human King are quite strong.

Luo yinsha says to herself, “given di Long’s strength, he won’t be their match at all without the Emperor sword. However, now that he has the power of the Emperor sword, it’s only a matter of time before he defeats them.”

In reality.

Compared to the great Xia Army ...

Whether it was the Barbarian race or the demon race.

Their losses were even more severe than the great Xia Army's as the Barbarian and demon armies were bombarded by the mechanical Army.

now.

The Barbarian Army only had a little more than 200 billion left.

they had lost close to 400 billion.

In addition.

the demon army.

The total number of troops had been reduced from 700 billion to 300 billion.

They had also lost close to 400 billion.

in other words ...

The battle was not over yet.

The total number of dead soldiers from the three races was 10000.

Trillions of lives were lost.

Of course.

so,

Jiang Li had already harvested a large number of soul Tinders. He didn't know the exact amount, but the evolution of MYL01 and the others was almost at 100%.

it was already 99%.

He was only one percent away.

On the other side.

The sea Empire Alliance.

in the center of the army.

The sea realm emperors gathered.

“sea dragon god, how are your injuries?”

Tuo RI asked.

“Are you alright?”

Mo Yue asked with concern.

“.....”

The other three emperors also looked at the sea Dragon God.

The sea Dragon God opened his eyes, and the blue mist around him disappeared. He woke up from his healing and looked up at tuo RI and the others who were standing around.

After that.

the sea dragon god stood up.

“I’m fine.”

” i think too highly of wutian, ” the sea dragon god said. ” i thought wutian was so powerful that i would have to risk my life to kill him. ”

“It seems that’s all there is to it now.”

“It’s a pity,”

if it weren’t for that Bullsh * t court Lord of the demon division, Wutian would have died in my hands.

but it doesn’t matter. The war isn’t over yet. I have plenty of chances.

“Haha, well said. As expected of the sea Dragon God.”

he’s just Wutian, ” tuo RI flattered. he’s like an ant. You can kill him with your hands.

the result.

As soon as tuo RI’s flattering words fell, he was slapped away by the sea Dragon God. Tuo RI, whose cultivation had reached the peak of the eighth rank, did not even have the chance to react. Half of his face was swollen and blood flowed from the corner of his mouth.

“!!!”

In the surroundings.

The other four sea sovereigns were so scared that their faces turned pale.

“Who Do You Think You Are?”

the sea dragon god's eyes were cold. "you're just a piece of trash. how can you judge wutian?"

"Sea Dragon God, you're so cowardly!"

Tuo RI's face sank and he was about to scold him.

Shua!

The sea Dragon God's figure disappeared.

The next moment.

the sea dragon god appeared in front of tuo ri and stretched out his hand. the vast power of the demon god surged out and directly suppressed tuo ri's power.

He grabbed tuo RI's neck and slowly lifted him up.

Tuo RI's eyes were filled with fear and his face turned purple as he struggled with all his might.

"Sea Dragon God, calm your anger! Calm your anger!"

tuo RI just spoke without thinking. He just spoke without thinking. He doesn't deserve to die!

"....."

The other Four Emperors pleaded in fear.

Kachaa!

Pfft!

The sea Dragon God's expression was calm, without the slightest fluctuation. His right hand exerted force and crushed tuo RI's neck. The vast power of the demon God rushed into tuo RI's body and wiped out all of his life force.

“Roar!”

In that instant.

The true dragon of the tuo RI Empire's Imperial fate appeared and wailed. The blue true dragon of the sea Dragon Empire rushed out and quickly devoured the tuo RI true dragon.

Buzzzzzz! Wuwuwuwuwu!

The country's fate had strengthened.

the sea dragon dynasty's blue true dragon began to respond to the sea dragon god.

“Alright!”

The sea Dragon God absorbed the power of the nation's fate, and all his injuries healed in the blink of an eye. His cultivation also rose a little, approaching mid-ninth rank.

“Not bad.”

The sea Dragon God's eyes lit up. as expected, relying on increasing the country's fate and absorbing the energy from it to raise one's cultivation is indeed fast.

I haven't felt it for a long time since the sea Dragon Sea area has been unified.

“Whoosh!!!”

Blue flames rose.

The flames were shaped like water.

Tuo RI's body turned into ashes in the hands of the sea Dragon God.

"I need to borrow the fate of your Empire. Do you have any objections?" he asked.

The sea Dragon God looked at the other Four Emperors of the sea Empire and asked.

"No, no,"

"This is what I should do, what I should do."

"....."

mo yue and the others didn't dare to refuse.

After all, they had seen what happened to tuo RI with their own eyes.

Their bodies turned into ashes.

"Very good," he said.

The sea Dragon God's face showed a hint of joy, and he berated, " "Why are you still standing there?"

Roar! "Roar!"

Immediately.

Mo Yue and the others revealed their country fate true dragon and handed over their dynasty's fate, losing almost 99% of it.

The National aura true dragon had all degenerated to 10000 meters.

The sea Dragon Dynasty's Blue true dragon absorbed a large amount of the dynasty's fate. Its huge dragon body became more and more solid, as if it was about to grow a fifth claw, but it could not break through this limit.

Buzzzzzz! Wuuwuwuwu!

The sea Dragon God sat cross-legged.

He absorbed the energy from the nation's fate and circulated his cultivation technique to improve himself on the battlefield.

It was quite risky.

Other than that.

On the demon side.

“Emperor Wutian, how are your injuries?”

Shua! shua!

Qianfu, seven Lotus and the others came to ask.

“It's no longer a big problem.”

Wutian rose to his feet. He had recovered from his injuries, and his face was ruddy again.

“wutian.”

Buzzzzzz!

Wu qiuhuang flew across the sky and threw the fake Book of the Earth at Wutian.

“Court Lord Wu, is this a Zhenzhen?”

Wutian caught it instinctively and looked at The Stone Book in his hand. He was a little surprised, unable to understand why Wu qiuhuang would give him the ‘fake Book of the Earth’.

Chapter 664 the giant eye

the true power of the fake Book of the Netherworld can only be fully activated with the power of the ‘position of a demon Emperor’ and the ‘fate of the Empire’. However, after being activated, this’ fake Book of the Netherworld ‘will lose all its energy.

I’ve done my best to help you take over Saint peace state and become the demon Emperor, ” Wu qiuhuang said. of course, I want something in return. When you succeed, you’ll have to fulfill my conditions.

“Please rest assured, court Lord Wu, I will do my best.”

Wutian said solemnly.

“Hehe.”

Wu qiuhuang just smiled and said, ” that’s only natural. After the Empire is established, you will have to pay for your karma. You can’t deny it even if you want to.

“gujue would not have such thoughts.”

Wutian said.

“Yes.”

Wu qiu Huang nodded and said, “let di Long explore the way first and test the foundation of the human tribe. Don’t rush to attack. Get familiar with the power of the fake book of the nether world first.”

“Alright,” he said.

Wutian nodded.

Soon after.

He sat down cross-legged, and the mark of the position of demon Emperor appeared between his brows. The fate of the Empire surged and poured into the fake Earth Book, beginning to communicate and refine.

“You guys guard him well.”

Wu qiu Huang looked at Wutian, who was sitting cross-legged, and ordered Fu Tianqing and Mo Helin.

“Yes.”

“As you wish, my Lord.”

Fu Tianqing and Mo Helin immediately responded with respect.

In reality.

Neither Wutian nor Fu Tianqing knew that the ‘fake book of the nether world’ was still a half-finished product.

He was still missing one important thing.

it was precisely because of this.

Otherwise, even if it was only the ‘fake Earth Book’, it wasn’t something that Wu qiuhuang had the qualifications to obtain.

so,

wu qiuhuang had done all of this to complete this crucial thing and complete the ‘fake book of the earth’.

At that time.

The lost energy could also be recovered.

Wutian, Oh Wutian, I’ve put in so much effort. Don’t Let Me Down. Don’t let all my efforts go to waste when I’m the last one to care for you.

Wu qiuhuang thought to himself.

soon after.

Wu qiuhuang turned around and looked at the battlefield.

At this moment.

On the entire battlefield.

it had become extremely empty. all the armies had retreated from all directions, only setting up a rank 8 formation at the back so that the power of the formation could be used on di long, wu tian, and the sea dragon god.

The only battle.

It happened in the North.

BOOM! boom! BOOM!

It could be seen.

After exchanging many moves.

However, di Long has not been able to take down WMS01 and MYL01.

this was because wms01 and myl01 had formed a perfect cooperation with each other. in addition, jiang li had used up energy points, so their injuries were healing at an incredible speed.

Naturally, di Long is extremely aggrieved.

such a strange ability. He can almost be called immortal.

luo yinsha frowned. this situation had exceeded his expectations and he said in a deep voice, they're definitely not fake demon gods, and they're definitely not from the devil clan.

“What is it?”

Luo yinsha's expression was gloomy.

Up until now.

It wasn't just the silver channel sand that noticed the difference.

Lan lan, the innate ghost race, and Wu qiuhuang also noticed the change.

“If they're not fake demon gods or demonic ghosts, then what are they?”

I can't see through this Human Sovereign realm warrior's tricks. He must have some secrets. lan lan looked at Jiang Li and said.

At this moment.

...

Shua! Shua!

Jiang Li teleported and quickly caught up with the black and white light.

Buzzzzzz!

“spatial imprisonment!”

space control. Jiang Li immediately used the space control skill of the space soldier and controlled the space around the two dragons.

The space in this area had been confined and sealed by the power of space.

Finally.

It formed an invisible cubic space box and trapped him.

Bang Bang Bang Bang!

The two balls of light, one black and one white, were like two real Dragons. They kept hitting the invisible spatial wall, and their light gradually dimmed. Their energy was also gradually exhausted.

It slowly revealed its true appearance.

...

“di long,”

Luo yinsha’s pupils shrank and she shouted, attack with all your might. Don’t let the human Sovereign realm of the human race get that item.

at this moment.

Di Long’s face is gloomy.

“Alright!”

after hearing Luo yinsha’s words, Di Long nods in response. He looks at Wms01 and Myl01 and says in a deep voice: I don’t believe that you have an ‘immortal body’. I’ll show you the true power of the emperor’s sword.

Buzzzzzz! Buzzzzzz!

As soon as he finished speaking.

Di Long takes a deep breath. His ‘Black Emperor Art’ is circulating at an extreme speed. His totem power is surging and the vast fortune of the Empire is surging like a long river. All of it is poured into the Emperor sword.

The sword’s body glows brilliantly and envelops Di Long, making his aura more and more powerful. The five-clawed Black Dragon coiling around Di Long also becomes more and more solid.

“Three forms of Emperor’s sword!”

Di Long raises his head. His eyes glitter. His body and sword become one. His body moves with the sword and turns into an extreme sword light, cutting through the night sky and striking at MY01.

Obviously.

This is the power and move that di Long has temporarily gained control of after he has obtained the right to use the emperor’s long sword. He is able to fully integrate the emperor’s long sword with his own strength and display it.

“Quick sword form!”

Clang!

The sword cry tore through space.

this sword!

hurry up!

It was extremely fast!

He was so fast that before the living beings on the scene could even catch a glimpse of him, he had already arrived in front of MYL01. By the time MYL01 can react, di Long’s sword attack has already arrived.

Kachaa!

The emperor’s long sword swept out.

After that.

Kachaa! Kachaa!

Bang Bang Bang Bang!

The layers of light on MYL01's body shattered.

From top to bottom.

The entire body of MYL01 was unexpectedly split into two by di Long's sword.

Di di di di di

MYL01's damage level was dropping at a crazy rate.

Finally.

It had reached eighty percent.

With such a degree of damage.

Di Long only needs to casually throw out another sword attack.

MYL01 would be scrapped.

The truth.

Di Long is doing this.

Buzzzzzz!

However ...

Di Long clenches his left hand into a fist. A Whirlpool-like black fist energy appears on his fist, emitting a terrifying power that looks like a black hole.

“Die!”

boom!

Di Long throws a punch at MYL01 “s body.

Demon God awakening.

“whoosh!!!”

WMS01 has already activated his ‘Demon God bloodline’ and charged at di Long.

You can see

WMS01’s nine-meter-tall body had already twisted and turned into a living giant eye the size of a planet.

Its entire body was purple-black.

The huge eye opened.

The eyelashes around the eyes wriggled like giant pythons with tentacles. They were filled with a terrifying demonic aura that could suffocate living beings and distort their senses.

“Whoosh!”

The pupil of the giant eye had accumulated a vast amount of energy, condensing the demon God Power to an extreme point. Then, it shot out, turning into an extremely sharp purple-black light.

It released a sharp light that pierced the void.

It goes straight to the back of di Long's head.

It was dangerous!

it was extremely dangerous!

“.....”

Di Long's pupils shrink.

Obviously.

If he wants to destroy MYL01 by force, he will have to take this attack from WMS01. The power of this attack is enough to kill di Long.

“hmp!”

Luo yinsha snorted coldly and lifted her right foot.

Shua!

Suddenly.

The purple-robed woman standing at the edge of the battlefield only raised her head slightly, revealing her peerless face that was hidden behind the mask. She glanced at Luo yinsha from the corner of her eye.

“.....”

Luo yinsha's hair stood on end and her steps faltered.

the short pause also missed the opportunity.

“BOOM!”

An explosion sounded.

“Broken Sword style!”

Clang!

Obviously, di Long will not exchange his life for the name of MYL01. Therefore, he splits the sky with his sword. The extreme sword radiance contains an extremely sharp power.

BOOM!

He slashed through WMS01’s pupil with his sword.

Pfff!

kachaa! Kachaa!

not only that.

the planet-sized eye was cut in half by the remaining power of the ‘sword splitting stance’. it was a shocking scene.

“This eye!”

Lan lan looked at the giant eye that WMS01 had transformed into. She was shocked, and her voice was filled with fear. could it be that the bloodline of this ‘fake Demon God’ actually comes from ‘that Demon God’? Was it created by the bloodline of the devil God?”

“He’s not a ‘fake celestial fiend’, can’t you feel it?” Although this eye is very similar, I can’t feel the great erosion from this eye.”

This time, he spoke.

The innate ghost did not reveal his signature ‘hehehe’ sneer.

“But this form and power are too similar.”

Lan Lan’s eyes suddenly widened, and she exclaimed, ” ” could it be a mayfly? no, that’s absolutely impossible! ”

“I also think it’s impossible.”

The innate ghost’s tone turned grave. but if I didn’t cut off the connection with the ‘Demon God’, how could this happen? ”

“this human emperor!”

Lan Lan’s expression was heavy.

“He’s not simple.”

The innate ghost race member nodded.

“Kill!”

di long severely injured wms01 and myl01 almost at the same time and cut them in half. then, he broke through their defense and charged at jiang li.

Jiang Li, who can Stop Me Now?!

Di Long shouts.

“Go to hell!”

di long rises into the sky extremely fast.

clang!

Suddenly.

A pure white sword beam suddenly comes down from the sky and cuts at di Long. With a flash of his body, di Long easily dodges it. SSTs01 then stands in front of him to block the attack.

“Purgatory of heaven!”

Buzzzzzz! Buzzzzzz!

SSTs01 immediately used his strongest skill.

there’s actually another one!!!

Di Long clenches his teeth so hard that the veins on his forehead are bulging. He has just managed to push back WMS01 and MYL01 with great difficulty, but now SSTs01 has jumped out.

isn’t this your God race’s battle Angel? ”

The innate ghost was surprised and looked at lan lan with a strange look.

“.....”

Lan Lan’s expression stiffened.

He was also very confused.

One had to know.

He had never heard of a combat Angel of the Protoss betraying the Protoss for the human race, just like how the meches made by Jiang Li would never betray him.

so,

Lan lan was indeed very confused.

at this moment.

Jiang Li had already controlled the black and white light balls and refined them with the position of the human Emperor and the fate of the dynasty.

hence.

what? ” Jiang Li was surprised.

Because ...

It was an ‘Emperor artifact’.

An offensive “Emperor weapon” is the same as the “Emperor’s long sword” in di Long’s hand.

Therefore ...

Ao Qinglong had been preparing for today’s battle for a long time. Compared to Luo yinsha and Wu qiu Huang, he had more ‘foresight’.

It could be inferred from this.

With ao Qinglong's temperament and ability ...

If they were still alive and appeared on this battlefield, both Luo yinsha and Wu qiu Huang would probably be toyed to death by ao Qinglong.

Chapter 665 Intense battle

After the black and white lights were subdued by Jiang Li, they revealed their true appearance. They were two 'Emperor artifacts', one black and one white.

at this moment.

The two hiltless swords had merged with Jiang Li's power and turned into two Dragon marks on the back of his hands.

The two Dragon marks were also black and white.

His left hand was black while his right hand was white.

good, good, good. Emperor Xia, Jiang Li, is indeed extraordinary. The thing left by Lord Ao Qinglong was subdued by Jiang Li so quickly and recognized him as its master.

Lord Chi and Elder Brown said joyfully.

"Broken Sword technique!"

Clang!

At the same time.

The battle between di Long and SSTs01 has already been decided. Di Long used the sword-breaking technique to slash out a sword-breaking beam, splitting SSTs01 “s purgatory of heaven in half.

“.....”

Jiang Li quickly looked over.

On the battlefield.

Buzzzzzz! Buzzzzzz! “whoosh!!!”

SSTs01’s ‘skill’ purgatory of heaven ‘first showed the scene of heaven, but the various scenes gradually collapsed, falling from heaven to purgatory.

It emitted waves of withering, pain, destruction, and other powers.

It could cause the death of all living things.

It was extremely powerful.

but ...

Di Long’s battle strength is even more powerful. Holding the Emperor sword, he charges in directly and strikes out with the sword splitting art as if he is splitting the heaven and earth.

The entire purgatory heaven was torn apart.

“Kill!”

Kachaa!

di long's body flickered. his sword beam streaked across the sky and cut ssts01 in half.

Then, di Long sneered and looked up at Jiang Li.

“Jiang Li.”

Di Long's tone contains a strong killing intent. With a slightly ferocious expression, he steps in the air and his body shoots out like a sharp sword.

He charged at Jiang Li.

“die!”

“Quick Sword Art!” Di Long rebukes.

Jiang Li, let's see who else can help you now.

Di Long shouts angrily, “you'll die today. I'll behead you today and take the fate of the great Xia Dynasty. No one in the world can save you.”

“I said it!”

Clang!

Hurry up!

It was extremely fast!

This fast Sword Art of di Long's seems to be able to pass through space. It is unimaginably fast. When the body and the sword become one, when the speed reaches an extreme, its power will also be extremely formidable.

“hehe.”

Jiang Li sneered. you think you can kill me? ” It’s no different from daydreaming.”

“Emperor Dao laws!”

buzzzzzz! Buzzzzzz!

Clang!

Jiang Li raised his right hand first. The Dominator Dragon divine weapon turned into a long black sword with dragon scales. The White Dragon pattern on the back of his hand lit up.

The sound of a sword.

the white hiltless sword appeared.

After that.

It fused into the dragon scale sword.

it caused a white dragon to appear and wrap around the dragon scale longsword.

At the same time.

The three flowers gathered above his head.

Roar!

The Azure Dragon of great Xia materialized.

...

Three sacred artifacts of the Empire.

The Green Dragon imperial seal, the Green Dragon imperial decree, and the great Xia Marquis.

All of them appeared.

“Infinite sword realm! Rise!”

Wuwuwuwuwu!

The rank 8 formation of the great Xia Army was used on Jiang Li.

Shua! Shua! Shua!

the power of the nation's fate, the sacred weapon of the nation's fate.

At the same time, they merged into Jiang Li's body.

At this moment.

With the help, Jiang Li's power became stronger and stronger. He reached the limit of level eight and his combat ability was close to the early stage of level nine.

...

Of course.

This was not the end.

in the end.

The power of the Emperor path showed up. Purple-gold patterns appeared on Jiang Li's body. Jiang Li used the Emperor path to control these forces.

They were all fused together.

“emperor path sword!”

Clang!

slash! Jiang Li slashed.

“whoosh!”

The sword light expanded to a hundred thousand feet.

The vast sword radiance was as bright as the Milky Way, and its power rose to the early ninth rank. Under the enhancement of the White hiltless sword, its power increased greatly.

“!!!”

Di Long's pupils shrink. He raises his head and sees that sword light as vast as the Milky Way falling from the sky.

“BOOM!”

The sound of an explosion rang out.

Bang Bang Bang Bang!

Countless beams of energy exploded.

the sword light exploded, creating an endless storm.

“.....”

Luo yinsha’s eyes widened.

“Who won?”

Wu qiu Huang murmured.

Shua! Shua!

The next moment.

In the vast light, two figures shot out and quickly separated. They stood in different positions and looked at each other.

Jiang Li!!!

Di Long’s eyes turned red. He clenched the ‘emperor sword’ in his hand and stared at the dragon scale sword in Jiang Li’s hand. He shouted, ” “You’ve actually also grasped an ‘Emperor artifact’.”

“It’s just an Emperor artifact,”

Jiang Li shrugged.

“Damn it.”

Di Long’s face is gloomy.

“Haha!”

“Good, good, good! Your Majesty is actually able to fight against barbarian Emperor di Long, who is at the initial stage of the ninth level, even though you’re only at the peak of the eighth level. You’re actually able to fight above your level. Your combat strength can be said to be heaven-defying,”

Your Majesty is invincible!!!

Instantly.

the great xia soldiers shouted in excitement.

“Next, Zhenzhen”

I’ll kill you myself. Jiang Li’s eyes were cold. He lowered his body like a cheetah ready to hunt. I’ll kill you myself.

“Do it!”

kill!!!

Shua! Shua! shua!

As soon as he finished speaking.

3 silhouettes break through the air extremely fast. In an instant, they have already appeared in the “North, South, West” and “North” of di Long. They are precisely the 3 ships, MYL01, MYL01 and SSTs01, which have already recovered.

you guys again!!!

The blue veins on di Long’s forehead pop out,”that guy who can’t leave!!!”

“Demon God halberd!”

WMS01 makes a wave with his right hand and the demon God halberd appears in his hand. In a flash, he charges at di Long and throws a strike with the halberd.

Shua!

Di Long dodges extremely fast.

“Nirvana blade.”

MYL01 caught up and slashed. A black blade light streaked across the night sky as fast as lightning. The blade light was like a waterfall, surging violently.

clang!

Di Long raises his sword to block.

“The blade of judgment.”

Shua!

SSTs01 has arrived behind di Long. The mechanical particle beam sword has turned into the blade of judgment, wrapped in the Holy Light of judgment.

It goes straight towards di Long’s heart from his back.

Di Long faces the sky and roars, “get lost!!!”

BOOM!

Roar!

A majestic aura erupted.

The five-clawed Black Dragon protected his body and roared towards the sky, creating a vast shock wave. After forcing back SSTs01 and MYL01, he launched a counterattack at the same time.

Di Long flew up and aimed at Jiang Li.

“Die!”

Di Long strikes out with his sword.

sovereign control soldier activated.

Buzzzzzz!

There seemed to be countless data flowing in Jiang Li’s eyes. It was like a huge data stream made up of countless 0s and 1s.

“Target: MYL01.”

[skill: death’s descent]

” yes. ” jiang li looked up. ” activate! ”

“Whoosh!!!”

In that instant.

A vast black mist surged around Jiang Li’s body. In an instant, a huge shadow of the death god appeared behind him. It was like mist and shadow, but it was real.

Yingluo, you know how to do it too?!!!

Di Long's eyes pop out of his head. He can not believe it.

“Slash!”

Jiang Li waved his right hand.

Shua!

The death God's illusionary figure raises the death God's sickle in his hand and cuts down at di Long. That huge death God's sickle seems to be able to cut open the space.

“Ah!”

Di Long roars, “Emperor Dragon cut!”

“BOOM!”

Di Long strikes out with his sword. A Dragon-shaped sword light shoots up and clashes with the saber Light, causing an explosion. The two sides collide with each other, causing energy explosions.

Bang Bang Bang Bang!

Countless explosive sounds rang out.

Kachaa!

in the end.

The Reaper's Scythe was broken in half and the Reaper's shadow behind Jiang Li also disappeared quickly. It was as if it was just an illusion.

“The power has weakened.”

Di Long sensed it. He stared at Jiang Li and shouted, Jiang Li, the power of the move you just used has obviously been reduced by a few percent.

“It’s more than enough to kill you.”

Jiang Li waved his right hand and ordered, ” “kill!”

“Death submerging!”

“Purgatory of heaven!”

“Demon God awakening!”

Buzzzzzz! Buzzzzzz! Buzzzzzz!

At this moment.

the three special meches at the early stage of level nine activated their most powerful skills at the same time. they surrounded di long and released their killing moves.

“It’s no use.”

no! di Long raised his head and roared, ” they’re no match for me. I’ll win in the end. Jiang Li, you’ll lose for sure!

“Three forms of Emperor’s sword!”

“Emperor sword style!”

“Roar!”

A Dragon’s Roar resounded through the sky, and the cry of a sword shook the heavens.

At this moment.

Di Long releases his most powerful move.

Buzzzzzz!

All the power exploded. The power of the ninth-level totem, the power of the nation’s fate, the power of the military formation, and the power of the nation’s fate Saint weapon were all fused together.

They were all infused into the sword.

The emperor’s longsword was the main weapon.

He had activated his most powerful sword attack!

Emperor sword style!

clang!

The five-clawed Black Dragon that is wrapped around di Long flies out and roars. It lets out a series of Dragon roars and is integrated into the Emperor sword.

Its might had reached its strongest.

shua!

The emperor's long sword leaves di Long's hand and shoots straight into the sky. It then continuously expands, continuously expands, and continuously roars as the emperor's might appears.

“Slash!”

In the end.

the emperor's long sword turned into an incomparably huge treasure sword that was as vast as the stars. it shone with black light and was surrounded by countless black dragon shadows.

It fell from the sky.

It stabbed down.

From afar.

In a simpler way, this “Emperor sword style” of di Long is like summoning an incomparably huge “great sword” from the sky to kill the enemy.

“BOOM!”

After the star-like giant sword fell, it brought with it a huge power and first destroyed the death trap of MYL01.

Immediately after.

It pierced through the giant eye that WMS01 had transformed into, creating a huge, transparent hole.

Finally.

SSTs01's heaven purgatory was also destroyed by this sword.

BOOM! BOOM! BOOM!

Countless explosions reverberated in all directions. The light from the explosions was extremely dazzling, as if a dazzling sun had been born out of thin air.

MYL01, WMS01, and SSTs01 were all sent flying.

“Kill!”

the radiance dissipated.

Di Long points his sword fingers at the hilt of that huge sword that is as vast as a star. Compared to that huge sword, di Long’s figure is so small that it can not be seen.

However ...

It is di Long who is controlling the huge sword.

“Whoosh!”

The tip of the giant sword pointed at Jiang Li and turned into a giant black sword light. It was so fast that it seemed to be able to cross space. This attack contained the speed of the ‘quick sword technique’ and the power of the ‘Sword Breaker technique’.

Or even stronger.

“Emperor Dao profound meaning!”

Similarly.

mountain river Country! Jiang Li had been accumulating power for a long time. Facing di Long's attack, he also used a killing move. mountain river Country!

Chapter 666 full power

Buzzzzzz! Buzzzzzz! Buzzzzzz!

jiang li opened his hands. behind him, all kinds of images appeared. endless mountains, rivers, and creatures were slowly unfolding like a scroll.

It appeared in the eyes of all living beings.

“Commander-level mech pilot 01, commander-level mech pilot 02, commander-level mech pilot 03.”

activate,” Jiang Li said.

target: MYL01, WMS01, SSTs01.

“Skill!”

the sinking of death, the purgatory of heaven, the awakening of the demon God.

“Activate them all at the same time!”

In that instant.

At the same time, Jiang Li controlled the strongest skills of MYL01, WMS01, and SSTs01 and activated them all at once.

all of them were killed.

“What?”

Di Long’s eyes pop out.

“This bi an ...”

” what? ” luo yinsha was also shocked. ” i didn’t expect emperor xia to be so powerful. i was too careless and miscalculated. i’m afraid di long can’t kill jiang li.
”

“man wuji, tu jiuling, quickly lead all the hall masters to support di long.”

luo yinsha shouted.

“Yes.”

“Yes, sir!”

“Kill!”

Shua! Shua! Shua!

As soon as he finished speaking.

Man Wuji and tu Jiuling led the hall Masters, the Grand Magi, Shen Xinyue, and the other level 8 and Level 7 barbarian experts to attack.

Obviously.

Luo yinsha was a little afraid of the purple-robed woman. In addition, there were experts from the God race, devil race, and ghost race watching covetously from the sidelines, so she didn’t dare to make a move.

“go!”

“Stop them!” Lord Chi shouted.

“Kill!”

Elder Brown roared.

“Charge!”

“Don’t even think about disturbing Her Majesty!”

kill!!!

BOOM! boom!

wu wuji, lin tianjian, lian zhen, mo bei, and the other level 8 and level 7 human powerhouses also made their moves, charging toward the barbarian powerhouses.

The experts of the Barbarian race and the human race were engaged in a great battle.

On the other hand, the demons were watching the show from the side. They didn’t have any intention to attack. They just watched the Barbarian race and the human race consume each other’s strength. It would be best if a few Level Seven and level eight demons died.

at this moment.

Wutian had already mastered the ‘fake Book of the Netherworld’. He opened his eyes and woke up.

“Your Majesty.”

“Wutian demon Emperor.”

Qi Lian, Qian Fu, Fu Tianqing, and the others all said.

“Yes.”

Wutian nodded. He was holding the fake book of the nether world in his hand, but he could not put it into his body. He could only use the ‘fake book of the nether world’, not its owner.

“Have you mastered it?”

Wu qiuhuang asked.

“I’m done.”

wutian said.

“Alright,” he said.

Wu qiuhuang nodded in satisfaction and pointed at the battlefield, “ don’t hesitate when di Long of the Barbarian race and Jiang Li of the human race have a winner. Kill them immediately.

“When the time comes, I’ll block any obstacles for you.”

“Understood.”

Wutian watched the battle between di Long and Jiang Li in shock. Qianqian, I can’t believe Jiang Li and di Long have become so powerful.

...

“if i hadn’t grasped the fake book of the nether world, i wouldn’t have been able to take even one move from them.”

“Rumble!”

“It’s just a small trick, just break it all to me.”

die! di Long roared and used all his power. The giant sword released endless sword light that cut everything. Jiang Li’s three attacks landed one after another.

Bang! Bang! Bang!

The explosion reverberated throughout the world.

The shadow of the death god, the giant eye of stars, and the purgatory of heaven.

They exploded one after another and were all torn apart by the giant sword.

“Hahahahaha!”

” hahahaha! ” di long’s beard and hair danced in the wind and he laughed arrogantly, ” jiang li, no matter how fancy your moves are, they’re all useless in front of absolute power. ”

“Don’t struggle anymore.”

...

“Accept your fate!”

“The mountains and rivers, the country, fall!”

BOOM!

Jiang Li put all his power into the mountain river State behind him. The scroll flew out from behind him and fell to di Long.

It crashed into the huge sword that was as vast as a star.

what dog shit mountains, rivers, and States? watch as I tear your so-called mountains and rivers into pieces with one sword strike.

Di Long roars.

“BOOM!”

The giant sword pierced the scroll of Shanhe Sheji, like a sharp blade stabbing a tough cloth. The scroll was dented from the middle, but it was not pierced.

“!!!”

Di Long’s pupils shrink.

The next moment.

The picture scroll unfurled rapidly, and the myriad creatures and spirits on it seemed to come alive. The huge picture scroll was like a huge bandage, quickly wrapping around the huge sword.

“Not good!”

Di Long is slightly surprised. He immediately starts to operate his technique.

Buzzzzzz! Buzzzzzz!

The energy was poured into the giant sword.

BOOM!

The huge sword trembled and the scroll of mountains and rivers was pushed back.

Shua!

Di Long retreats extremely fast.

“Slash!”

Di Long’s sword finger is pointed at the hilt. With a wave of his right hand, he raises his huge sword and then cuts it down from above. With a tearing sound, the painting of mountains and rivers of the state of earth is cut into two.

“Hahahahaha!”

Di Long laughs out loud again.

However ...

Jiang Li’s ‘mountains and rivers’ was just a trick. His real killing move was the black and white hiltless swords hidden behind the painting.

In reality.

This Emperor weapon was called the Yin Yang Emperor sword.

It was divided into the black Yin Emperor sword and the White yang Emperor sword.

Similarly.

After Jiang Li mastered the 'Yin Yang Emperor sword', he also learned a killer move called 'Yin Yang Emperor sword'. The yin-yang sword form was divided into the yin sword form that was used with the yin Emperor sword, the Yang sword form that was used with the Yang Emperor sword, and the strongest move that was used with the Yin Yang Emperor sword at the same time, the yin-yang sword form.

There were three moves in total.

Furthermore ...

Yin Yang sword! Jiang Li used his strongest move, the Yin Yang sword.

Roar! Roar!

The moment the scroll of mountains and rivers of the gods of earth and Vale shattered ...

Along with the two Dragon roars, a black and a white sword radiance streaked across the sky like two dragons.

they intertwined with each other.

It formed the will of yin and yang.

It goes straight at the proud di Long.

“!!!”

Di Long's eyes pop out. At this critical moment, he uses all his strength to control the huge sword, using it to resist the Yin Yang sword style. The star-like huge sword is thrust out.

Clang!

The two swords clashed.

the radiance was boundless.

The sword Qi soared into the sky.

Roar! Roar!

at this moment.

All the living beings present seemed to see a Black Five-clawed Black Dragon and a five-clawed yin-yang Dragon that was formed from the intertwining of a Black Dragon and a White Dragon.

The two five-clawed true dragons collided.

“Rumble!”

countless explosions were heard.

One had to know.

Di Long’s “Emperor’s long sword” and the “Emperor’s sword style” have destroyed too many attacks and consumed a lot of its power.

However ...

Jiang Li’s ‘Yin Yang Emperor sword’ was at its peak.

Kachaa! Crack! Crack!

cracks began to appear on the star-like sword. starting from the tip, they continued to spread to the body, and more and more cracks appeared.

“roar!”

The five-clawed Black Dragon wailed.

“No! No!”

di long is frightened. the proud expression on his face has completely disappeared, leaving only fear,”this is impossible, impossible. i have an emperor weapon and an emperor’s long sword. how can i lose?” How could we lose?”

“No!”

“Kill!”

Jiang Li sneered and yelled. The power of the Yin Yang sword rose again.

“This bi an ...”

Luo yinsha’s expression turns startled. di Long actually lost?!

“Damn it!”

Shua!

Without the slightest hesitation.

Jiang Li! Luo yinsha couldn’t care about anything else. She disappeared and rushed to the battlefield. She crossed the space and charged at Jiang Li at an extremely fast speed.

“Stop him!”

“Create an opportunity for His Majesty!”

BOOM!

Wu Wuji, Lin Tianjian, and Lianzhen roared in unison. They used all their strength to force the enemy back, then charged at Luo yinsha without any regard for their own safety.

“Get lost!”

boom!

luo yinsha waved her right hand, and her sleeve was like a curtain that covered the sky. it contained a terrifying power and sent wu wuji and the others flying.

“Ah!”

Wu Wuji, Lin Tianjian, and the others screamed and spat out blood. Even their combined efforts couldn't block a single move from Luo yinsha. They probably wouldn't even be able to stop her for half a second.

“This is a good opportunity.”

“Go and kill them!”

the grand magus, shen xinyue, and the others were overjoyed. when they came to their senses, they took advantage of the fact that wu wuji and the others had been injured by luo yinsha to attack.

wu wuji and the others were in danger.

“Spatial imprisonment!”

Buzzzzzz! Buzzzzzz!

At this moment.

With Lord red and Elder Brown working together, they were half-step type 9 powerhouses. In addition to the enhancement from the gene strengthening fluid, their combat strength was extraordinary.

In reality.

Lord Chi and Elder Brown had been hiding their true strength.

now, he was going all out.

Furthermore ...

Master Chi and Elder Brown used a spatial technique to form a spatial imprisonment domain, trying to restrain the silver channel sand. It wouldn't take long.

A few seconds would be enough.

“small tricks.”

Luo yinsha snorted coldly, ” you can actually use spatial imprisonment. You have some ability.

“Collapse totem!”

However ...

luo yinsha's right palm fell, and a mysterious pattern of collapse appeared in the center of her palm. it was only one palm, but it had defeated the joint attack of lord chi and elder brown.

BOOM!

The spatial imprisonment exploded and shattered.

“ah!”

Pfft!

Lord Chi and Elder Brown screamed and spat out blood as they were sent flying.

shua! Shua! Shua!

MYL01, SSTs01, and WMS01 rushed over. Without any nonsense, they formed a triangle and charged at Luo yinsha.

“Good, good, good. One after another, you dare to stop me. You really don't know the immensity of heaven and earth. Then, let me test if you are truly immortal.”

Luo yinsha shouted.

Di Long is shouting. His black-hole-like totem appears and then rapidly expands while flickering with crazy light,”the totem will self-destruct.”

boom!

The black hole-like totem exploded.

at the same time as the explosion.

Having gained a terrifying boost in strength, di Long's eyes turn Scarlet. He seems to have gone mad. The huge sword that has started to collapse has gained a new source of power.

Jiang Li!!!

Di Long raises his head with a crazy look in his eyes, "you've forced me to pay such a big price. You must die. You must die. I will definitely kill you. I will definitely kill you!"

"Hehe."

Jiang Li sneered. I told you that you're just daydreaming.

Buzzzzzz!

As soon as he finished speaking.

"emperor's crown." jiang li summoned the 'emperor's crown' in his dantian. it appeared in front of jiang li and emitted a bright light.

After that.

Jiang Li took a deep breath and put the emperor's crown on his head.

The emperor's crown!

Activate!

"BOOM!"

Emperor's power possession!

the space trembled and the world shook.

Chapter 667 Desperate

Buzzzzzz! wuwuwuwuwu! “Whoosh!!!”

The commotion caused by the activation of the ‘emperor’s crown’ was not small. The phenomenon it caused seemed as if the world had lost its color, the sun and moon had lost their light, and the space was almost torn apart, causing ripples like water waves.

BOOM!

The next moment.

A towering figure appeared behind Jiang Li. It was as vast as the stars and shot into the sky. The blue light was like a vast Galaxy.

The mysterious face was hidden in the clouds.

[Emperor’s power]

Jiang Li’s power rose by several levels.

In the surroundings.

what’s going on? ” countless creatures looked at the towering figure behind Jiang Li in shock. He was wearing a dragon robe with five-clawed Green Dragons and an Imperial Crown.

“Imperial minister!”

Luo yinsha's eyes were filled with shock. this is the 'imperial minister'!

"Why would I?"

what? " Wu qiu Huang was also shocked. how did Jiang Li form the 'sovereign phase'? " he's only the human emperor, not the human emperor!"

"You should know that the Imperial minister is the symbol of an Emperor!"

I never thought that the human ruler of the human race would have such a trick up his sleeve.

Lan lan said in surprise.

"He is indeed powerful."

The innate ghost nodded in agreement.

"Whoosh!!!"

At this moment.

The envoy from the devil race had gradually returned to normal. He had finally walked out of his fear of the purple-robed woman.

The demonic Qi around him dissipated.

He revealed his true appearance.

It was a young-looking demon.

Shua!

the young mo's figure broke through the air and flew in the direction of the woman in purple.

“What is he going to do?”

When lan lan and the innate ghost saw this, they were stunned for a moment. They murmured to themselves and made some guesses in their hearts. Then, they followed.

“Kill!”

BOOM!

After di Long goes all out and explodes his totem, he gains an extremely terrifying and powerful boost, which increases his Qi and strength greatly.

“di long, come back quickly!”

Luo yinsha shouted.

However ...

Di Long had already fallen into a state of madness. He only had one thought in his mind, which was to kill Jiang Li and cut him into pieces.

“Quick sword form!”

Clang!

die! di Long charged at Jiang Li with extreme speed. The extreme sword light was like a terrifying sharp light. It reached Jiang Li in an instant.

“Yin sword stance.”

After Jiang Li got the ‘power of the Emperor’, his combat ability was improved by several levels. He reached level nine.

In the dark.

Jiang Li felt the incredible power of the emperor’s throne.

However ...

The emperor’s crown only gave him temporary Emperor power, so Jiang Li could only vaguely sense it from a very deep level away.

Clang!

die! Jiang Li also swung his sword. He combined all the energy he had and commanded it with his Emperor power. The black hiltless sword cut through the sky like a Black Dragon.

Clang!

The two swords clashed, creating a huge explosion.

Bang Bang Bang Bang!

The sword Qi exploded.

“Yang sword form!”

Shua!

...

” die! ” jiang li took the initiative to attack. the white hiltless sword cut through the air. it contained terrifying power of yang and was extremely hot, as if it was burning and twisting the space.

“Broken Sword style!”

BOOM!

die! di Long roared and fought with all his strength. The sharp sword light swept forward and blocked Jiang Li’s yang sword.

boom! BOOM! BOOM!

Immediately after.

Jiang Li’s yin-yang sword technique clashed with di Long’s Emperor sword technique. The two were almost on par, and it was hard to determine the winner even after paying the fee.

“Get lost!”

“BOOM!”

An explosion sounded.

Luo yinsha bellowed. A terrifying and powerful force erupted from his body, directly sending WMS01 and the others flying.

...

The situation became critical.

This was because WMS01 and the others couldn’t stop Luo yinsha at all. Lord red and Elder Brown had also tried their best. Luo yinsha was too strong.

It could be said that ...

If the Luo silver sand and di Long meet up ...

jiang li was about to face two powerful level-nine experts.

“Die!”

di long’s eyes were bloodshot. holding the ‘emperor sword’, he turned into a sword light and attacked jiang li.

“Spatial control.”

shua!

teleport! Jiang Li activated the ‘interstellar Dominator space soldier’, controlled the space, and teleported. He dodged di Long’s attack and put some distance between them.

Clang!

die! Jiang Li raised his sword and slashed down. The dazzling sword light poured down like a waterfall and fell on di Long. Di Long swept his sword and blocked Jiang Li’s attack.

bang bang bang bang!

In that instant.

Jiang Li and di Long had exchanged dozens of moves. Countless sword lights collided and sword Qi exploded. The scene was extremely shocking.

“Annihilation palm!”

BOOM!

die! the channel silver sand broke through the layers of seals and charged over. It looked down and slammed its palm down on Jiang Li. The vast palm print covered the sky like countless totem patterns.

It contained the intent to destroy all things.

Shua!

retreat! Jiang Li retreated quickly and widened the distance between them. He dodged Luo yinsha's attack and left the battlefield in the blink of an eye.

“All troops, hear my order!”

attack! Jiang Li stood in the distance and looked at Luo yinsha and di Long coldly. He waved his right hand and gave an order, ” everyone, attack! Lock onto the target and fire!!!

“BOOM!”

in an instant.

The roar of the engine resounded through the entire central region.

It could be seen.

attack! under Jiang Li's order, the mechanical Army launched an attack. The mechanical sea of stars surged and countless cannons fell from the sky.

“Get lost!”

Di Long raises his head and utters a furious roar. He makes a horizontal sweep with his sword. That incomparably vast sword radiance bloomed out and directly blocked all the earth-shattering cannon fire.

The scene was vast.

Shua!

Di Long soars into the sky and charges directly into the Army of machines. His whole body releases endless brilliance, which forms a defensive light curtain to protect him.

Bang Bang Bang Bang!

Countless explosions were heard.

Di Long charged through the mech Army. Countless sword lights slashed down and swept across the sky. Many meches fell from the sky.

However ...

jiang li's mechanical army had more than a trillion soldiers.

so,

The meches that di Long destroyed were just a drop in the ocean.

“Nuclear explosion! Fire!”

boom! BOOM! BOOM!

“Condensed light beam!”

Whoosh! Whoosh! “whoosh!”

The next moment.

Millions of Type 6 controllable nuclear fusion super soldiers, as well as more than 100000 planet-level space battleships, locked onto Luo yinsha and opened fire.

The earth-shattering nuclear explosion and condensed light beams enveloped the Luo yinsha from all directions.

“Explode!”

BOOM!

Luo yinsha raised her head, her eyes cold. The power of her totems erupted, and her late-stage ninth-rank cultivation was released, forming a huge black sphere.

After that.

The Black Sphere exploded.

The terrifying power clashed with the nuclear explosion and the condensed light beam.

“Rumble!”

The sound of the explosion spread all around.

there was only a dazzling light.

Shua!

Luo yinsha rushed out of the dazzling light unscathed. Millions of Type 6 controllable nuclear fusion super soldiers were on the planet-level Space Battleship, not giving Luo yinsha any chance to breathe.

countless nuclear explosions and light beams came again.

Not only that.

More meches surrounded Luo yinsha, but the missiles and cannonballs of meches below level six couldn't break her defense.

However ...

However, it would cause a huge disturbance to the network silver sand.

In the sky above the battlefield.

After the mechanical Army of trillions was spread out, it covered more than 10000000 li. The Luo silver sand and di Long were trapped in the mechanical Army.

bang bang bang bang!

Countless artillery fire was fired.

At this moment.

The mechanical Army displayed its might.

of course.

Given di Long and Luo yinsha's combat power, the trillion-level mechanical Army can't do much damage to them due to their low level, even though they are numerous.

he could only entangle him.

It could be seen.

The remains of the meches fell from the sky.

A lot of it was scrapped.

“Retreat!”

BOOM!

The power of the winding silver sand Burst out. The power of the totem directly tore apart the encirclement of the mechanical Army. He shouts at di Long, “Get out of the Army’s encirclement!”

“I’m going to kill Jiang Li!”

Di Long roars.

His eyes were scarlet red and contained extreme killing intent.

One had to know.

Di Long’s Foundation has been damaged after he self-destructed his totem. It will take a very, very long time for him to recover and his cultivation level may even regress.

“Emperor sword technique!”

BOOM!

Di Long let out a long roar. He performed his most powerful sword attack, summoning a huge sword that was as huge as a star. It fell from the sky and destroyed hundreds of millions of mechs.

After that.

He charged out of the mechanical Army's encirclement.

“Kill!”

Di Long pointed at the handle of the huge sword and drove it towards Jiang Li with great power.

“Yin Yang Emperor sword!”

Buzzzzzz! Buzzzzzz! “Whoosh!!!”

The next moment.

Jiang Li had already formed his most powerful move. The ‘Emperor image’ behind him disappeared and turned into a five-clawed Green Dragon that merged into Jiang Li's sword.

At the same time.

The Yin Yang Emperor sword's power burst forth.

“whoosh!”

die! Jiang Li's most powerful attack combined with the vast Emperor power fell from the sky and slashed at di Long.

Roar! Roar!

a series of dragon roars could be heard.

“BOOM!”

There was a loud explosion.

the yin yang emperor sword tears apart di long’s emperor sword art. that huge star-like sword immediately explodes, unable to hold on for much longer.

“Ah!”

Di Long utters a blood-curdling screech. The emperor’s long sword in his hand is almost knocked out of his hand.

“die!”

buzzzzzz!

” di long! ” jiang li teleported and charged at di long.

“stop!”

BOOM!

Luo yinsha shouted and rushed over.

Shua! Shua! Shua!

at the same time.

WMS01 and the others who had fully recovered rushed over and once again blocked Luo yinsha’s path. However, they were sent flying by Luo yinsha’s full-force Palm.

die! Jiang Li charged at di Long. He waved his right hand and the Yin Yang Emperor sword fell into his hand. It had already merged with the Dragon scale longsword that the Overlord Dragon divine weapon had turned into.

“Die!”

die! Jiang Li stabbed.

“Sky-turning obliteration palm!”

BOOM! BOOM!

Luo yinsha’s pupils constricted and she hit Jiang Li with her palm. The palm print appeared and turned the world upside down as it charged at Jiang Li.

He tried to stop Jiang Li.

“Wutian, do it!”

At the same time.

Wu qiu Huang shouted.

Chapter 668

“Yes!”

Buzzzzzz! Buzzzzzz!

Wutian made his move and summoned the ‘fake Earth Book’. The Stone Book floated beside him. He had been waiting for this opportunity.

BOOM!

Wutian came at him at top speed.

the 'fake earth book' smashed at jiang li and di long at the same time, trying to kill both of them at the same time.

“Bastard!”

Luo yinsha was furious. She changed her target and attacked Wutian and Jiang Li with her sky-turning palm.

“Hahahahaha!”

Wu qiu Huang immediately laughed wildly, extremely pleased with himself.

It was a critical moment.

Jiang Li also used his full power. The Yin Yang Emperor sword stopped attacking di Long. Instead, it was used to block the attacks from Wutian's fake Earth Book and Luo yinsha.

“You want to kill me?”

with a crazy expression, di long roars continuously,”explode!” Explode! Explode!”

BOOM! boom! BOOM!

At this moment.

Di Long starts to go all out. Disregarding everything else, he explodes his own energy and even his Empire's fate energy, creating an extremely terrifying power.

The entire scene was like the birth of black Suns.

it was extremely terrifying.

“BOOM!”

jiang li blocked wutian's fake earth book and luo yinsha's attack. the emperor yinyang sword was shattered, but it was sent flying by the blast.

Pfff!

jiang li spat out blood.

“Not good!”

wutian was shocked as well, because the fake book of the nether world he had been suppressing was also blown away.

“This di Long has even self-destructed the Empire's fate energy.”

Wu qiuhuang's face was dark.

“.....”

Jiang Li steadied himself and remained expressionless.

“Hahahahaha!”

standing in the air, di long faces the sky and laughs out loud. his whole body is covered in blood and he keeps coughing out blood from his mouth. pieces of his internal organs are also mixed with the blood.

It was extremely bleak.

Wutian, Jiang Li.

Di Long roars: “even if I die, I won’t let you have a good time!!!”

quickly kill him!!!

Wu qiuhuang roared.

“Don’t even think about it,”

Buzzzzzz!

The Luo silver sand rushed over.

“heavenly lightning strike!”

Kachaa!

Wu qiuhuang charged over and struck out with his palm, forming a green bolt of lightning that struck at the channel silver sand, forcing it to retreat.

“Channel silver sand,”

Wu qiuhuang rushed over and blocked Luo yinsha’s path, he shouted, ” “The Barbarian race can be the first to withdraw from the final battle of the three races in the Holy peace state.”

“in your dreams!”

Luo yinsha berated and charged towards Wu qiuhuang.

Bang Bang Bang Bang!

In an instant.

The two court Lords were engaged in a battle. Their cultivation levels were evenly matched, both at the late-stage of tier 9, still a distance away from the perfected tier 9.

However ...

It was already very powerful.

At this moment.

Outside the battlefield.

...

At the place where the purple-robed lady was.

“.....”

First of all ...

The envoy from the demon race bowed to the lady in purple and said respectfully, ” my Lord is ‘tragic Lord, one of the twelve demon lords of the mental demon lineage’.

“nice to meet you, bai qingqing.”

“The sorrowful master of the heart’s devil.”

The lady in purple raised her head and interrupted the messenger from the demon race. of the seven emotions and six desires demon lords, the Lord of sorrow is one of the seven emotions. Hmm, I do have a slight impression of him.

“According to the rules, there can’t be any ‘Dao’ level or higher cultivators in the origin world. As long as you don’t try to kill me, I’ll naturally follow the rules.”

“Thank you, Your Excellency!”

The envoy from the demon race immediately heaved a sigh of relief.

“.....”

...

The purple-robed woman continued to rest with her eyes closed. She seemed to have already put herself out of her mind.

Not far away.

Lan lan and the connate ghost were stunned by this scene. They could not understand why this envoy from the devil race would be so respectful to a human.

Obviously.

Lan lan and the innate ghost didn’t know why the purple-robed woman had come, or what her identity and strength were. That was why they were fearless.

“Hmph, Hmph.”

the envoy from the devil race glanced at lan lan and the innate ghost from the corner of his eyes. he sneered disdainfully in his heart, thinking that these two sorrowful fellows didn’t even know who this famous lord of the human race was.

However ...

The envoy from the demon race did not hint at their thoughts.

If they dared to provoke this Lord, they would definitely die without a doubt. In this way, they would lose two powerful opponents.

“Kill!”

BOOM! BOOM!

At the same time.

The war between the three races had begun again.

The armies of the three races clashed together, and countless battle cries rang out. Hundreds of billions of living beings were engaged in a chaotic battle, and the battle was earth-shattering.

“Attack!”

“Fire the cannonballs!”

missile launch!!!

“Nuclear explosion! Activate!”

“Rumble!”

At the same time.

Jiang Li’s mechanical Army also opened fire. The cannons, missiles, and shells covered half of the battlefield, including the monsters and barbarians.

buzzzzzz! wuwuwuwuwu!

Countless Soul Fire Seeds flew out of the bodies and formed a flood. They all rushed to Jiang Li and caught a large number of Fire Seeds.

* Cough cough *

Di Long coughed up blood. His injuries are already very serious.

Up until now.

Di Long has already reached his limit by blowing up his totem and the Fortune of the country. Moreover, the momentum and power of the explosion are gradually fading.

In addition.

The 'emperor's crown' on Jiang Li's head was also fading.

Obviously.

The emperor's power contained in the emperor's crown had almost been used up by Jiang Li.

Buzzzzzz!

Wutian was standing on the other side.

He was holding the 'fake Book of the Netherworld' in his hand and had the strongest aura. It could be said that among the three of them, Wutian was in the best condition, at his peak.

"Di Long,"

Wutian looked down at di Long from above and shouted, "you have no way to escape. You have used up all your trump cards. You have no chance of winning.

“Just surrender.”

if you lead the entire Imperial Dragon barbarian dynasty to submit to me and join the Wutian dynasty, I can give you a chance to live. Otherwise, you will die without a doubt.

“alright!”

Di Long raises his head and says with a sneer, “I can promise you. Isn’t it just submitting?” As long as you kill Jiang Li now, I’ll agree to it immediately.”

“You!”

Wutian’s face darkened.

“Hahahahaha!”

hahahaha! di Long laughed wildly. Wutian, Jiang Li, you won’t have an easy time if you want me. I’ll make sure you get nothing.

“Roar!”

As soon as he finished speaking.

The 4-clawed Black Dragon rushes out of di Long’s body and roars to the sky. Its huge body has shrunk from 90000 m to 60000 M.

Furthermore ...

His entire body was covered in cracks.

he’s going to completely self-destruct the Empire’s fate.

Wutian's pupils contracted. Without thinking much, he charged at di Long. With a wave of his right hand, The Stone Book fell from the sky and pressed down on di Long.

“.....”

Jiang Li didn't attack. Instead, he chose to watch.

“Explode!”

BOOM!

Di Long roars.

Roar!

The four-clawed Black Dragon let out an extremely painful wail. Its huge dragon body swelled up at a speed visible to the naked eye. Then, with a 'boom', it completely exploded.

“Ah!”

Di Long shrieks miserably. Blood spurts all over the sky from his body.

Bang Bang Bang Bang!

the shockwaves shook the surroundings and hit the fake earth book. the power generated was so strong that it sent wutian's fake earth book flying.

Pfft!

wutian was sent flying as well, blood oozing from the corner of his mouth.

One had to know.

This time, di Long has self-destructed the entire Imperial Dragon barbarian dynasty's National aura, including the origin of the National aura.

so,

the power it produced was extremely powerful.

To be able to reach such a level.

It could be said that ...

The Emperor Dragon barbarian dynasty was finished.

“No!”

seeing this, luo yinsha let out an angry and unwilling roar.

“Truly trash.”

wu qiuhuang's face darkened. staring at wutian, he said, ” di long is so badly injured and he has the absolute advantage in the situation. but he still blew up the fortune of the dynasty. ”

“Detestable!”

Wutian steadied himself, and the stone Book returned to him. It hovered beside him, emitting bursts of light to protect him.

Buzzzzzz! buzzzzzz!

The aftermath of the explosion gradually dissipated.

* Cough cough *

Di Long coughed up blood. He has already reached his limit. The Barbarian Emperor status between his eyebrows has disappeared. He has self-destructed the fate of the Empire, which means that the Emperor Dragon barbarian dynasty is dissolved.

it could be said that ...

The Emperor Dragon barbarian dynasty only existed in name.

Without the suppression of the 'barbarian Emperor's status', the Emperor sword 'in di Long's hand is out of his control and directly flies out of his hand.

“Hehehehehehehehehehehehe”

Even though di Long is very miserable, he still smiles complacently.

“Detestable!”

Wutian's face darkened.

“Your Majesty!”

Your Majesty, barbarian Emperor!!!

“.....”

On the battlefield.

Countless barbarians looked up at di Long, the great shaman, Shen Xinyue, and the other Marquises of the Emperor Dragon barbarian dynasty. They had also suffered a backlash because of the destruction of the Barbarian dynasty, the loss of the country's fate, and the collapse of their protective flood Dragon.

“all soldiers, hear my order!”

Di Long raises his head, his eyes are burning and his fighting spirit is high. He shouts loudly: “This battle concerns the life and death of the entire holy peace state's barbarian race. We can only fight to the death! we can only fight to the death and not retreat!”

kill!!!

BOOM!

Di Long lets out a long and loud roar.

“Fight to the death and not retreat!”

“Fight to the death and not retreat!”

fight to the death and not retreat!!!

“All troops, charge!”

“boom!”

The eyes of the Grand Magus, Shen Xinyue, and the other barbarian Marquis Kings turned red. They were filled with fighting spirit and exploded their totems. Their strength increased greatly and their attacks shot up into the sky.

At this moment.

The barbarians were like the last radiance of their life.

“Hahahahaha!”

Di Long laughed. He was full of fighting spirit. He stared at Jiang Li and yelled, Jiang Li, come on! Let’s fight to the death!

“As you wish!”

Jiang Li looked at di Long.

“spatial imprisonment!”

Buzzzzzz!

Jiang Li disappeared. He used the ‘space control’ skill. First, he teleported and got close to di Long. Then, he locked the space where di Long was.

“You!”

Di Long is stunned.

his body was stiff and he couldn’t break free.

Obviously.

If it was before, the spatial imprisonment performed by Jiang Li with the level-seven skill ‘space control’ of the level-seven ‘interstellar Dominator space soldier’ would definitely not be able to imprison di Long and di Long would be able to break free in an instant.

but now ...

Di Long is seriously injured and his strength has been greatly reduced, so he can not break free in a short time.

That was enough time.

“Die!”

Shua!

die! Jiang Li held the Dragon scale sword and stabbed. The sword light flashed and pierced through di Long’s heart from his back and came out from his chest.

Blood splattered everywhere.

Buzzzzzz! Buzzzzzz!

The vast energy rushes into di Long’s body along the Dragon scale long sword.

Exterminate di Long’s life.

“Pfft!”

Di Long screamed and spat out a mouthful of blood. The life in his eyes quickly faded. He turned around stiffly, looked at Jiang Li and said unwillingly, “You actually hid such a move.”

Pfft!

shua!

di Long! Jiang Li pulled out his sword and cut di Long’s head off.

Di Long is dead!

Buzzzzzz!

The next moment.

Di Long's corpse starts to emit bursts of colorful light.

Chapter 669 Capture

The colorful light that suddenly comes out of di Long's corpse has become more and more intense and brilliant. It gradually congregates and turns into a 9-colored light spot.

In the end.

This 9-colored light spot quickly leaves di Long's corpse.

They were grey, black, white, purple, gold, red, orange, yellow, and green, nine completely different colors, intertwining with each other to form a light spot that looked like a Firefly.

Shua!

The nine-colored light spot flew towards Jiang Li like a ray of light and then merged into his body.

He disappeared in the blink of an eye.

capture successful. You've obtained a ninth-grade soul Tinder!

After that.

A notification appeared.

“Alright!”

” i’m happy. ” jiang li smiled.

One had to know.

It had been planned for a long time.

He even spent so much and used all of his trump cards to finally kill di Long and obtain the level 9 Soul Fire seed that he had been looking forward to for a long time.

It could be said that ...

Jiang Li had achieved his goal.

similarly.

With the level-nine soul Tinder and more than two million energy points, Jiang Li was basically undefeatable. The victory of this war was in his hands.

The Holy peace state would also be in Jiang Li’s pocket.

Your Majesty!!

“No!”

” his majesty has fallen, he has fallen!!! ”

“This bi an ...”

“barbarian emperor di long is dead! lao ai is dead!”

“.....”

At this moment.

The Grand Magus, Shen Xinyue, and many other barbarians were terrified. Their eyes were filled with horror, and their faces were filled with horror.

Man Wuji, tu Jiuling and the others were also extremely shocked.

Similarly.

Di Long’s death represented the defeat of the Barbarian race in the Holy peace Region. It also meant that the Barbarian race in the Holy peace Region was the first one to withdraw from the stage of this decisive battle.

At the same time.

There would only be two outcomes for the Barbarian race in the Holy peace state.

Death!

Or become the slave of the final Victor!

“Kill!”

attack!!!

“Open fire!”

“Fire! Fire!”

“Rumble!”

Jiang Li’s mechanical Army attacked even more rapidly. Lin Tianjian, Wu Wuji, Lord Chi, and Elder Brown led the Xia Army to launch an all-out attack.

Pfft! Pfft! “Pfft!”

Blood splattered everywhere.

Countless artillery fire filled the battlefield.

It was an earth-shattering scene.

A large number of barbarians had fallen and died.

Defeat and death were only a matter of time.

“Dammit! Damn it! damn it!”

Luo yinsha clenched her fists, her eyes scarlet red. Her face was filled with anger and killing intent. She roared repeatedly and roared towards the sky, ” Emperor Xia! Wutian!”

“You all have to die! We’re all going to die!”

“Kill!”

BOOM!

die! the silver sand roared and charged at Jiang Li.

...

“Annihilation palm!”

As soon as he finished speaking.

die! the silver sand slammed down. The terrifying palm print contained the power to destroy everything. It was like the hand of God. It fell from the sky and attacked Jiang Li.

Buzzzzzz!

Jiang Li teleported and dodged the attack of the silver net sand.

“earth-shaking palm!”

The next moment.

Luo yinsha turned around and charged at Wutian.

“Stop!”

Buzzzzzz!

Wu qiu Huang streaked across the sky, his fist was like thunder, and even more like countless lightning bolts, blocking Luo yinsha’s earth-shaking palm.

...

“Channel silver sand,”

di Long was killed by Jiang Li, ” Wu qiu Huang shouted. even if you want to take revenge, you should kill Jiang Li. Why did you attack the monster race? ”

“Hehe.”

Luo yinsha sneered, ” Wu qiuhuang, do you think I’m an idiot? if i kill jiang li, i’ll help the monster race sit on the throne.”

“Since you want to stop me ...”

then I’ll kill you first, ” Luo yinsha continued. then I’ll kill Jiang Li and Wutian. I’ll make the entire Saint peace state fall into chaos again. I’ll rebuild everything and start over again.

there will be no final Victor in this War of Empires.

“No matter if it’s the human race or the monster race, don’t even think about ascending the throne.”

“You’re courting death!”

Wu qiuhuang raised his head, his eyes cold as he shouted, ” “You think you can stop the rise of the monster race? In your dreams! kill!”

Buzzzzzz!

As soon as he finished speaking.

Wu qiuhuang attacked Luo yinsha.

The two late-stage tier 9 court Lords were engaged in a fierce battle.

At this moment.

Shua! Shua! Shua!

Lan lan, the innate ghost race and the devil race flew down from the sky. They looked down at the battlefield from above and saw the scene of di Long being killed by Emperor Xia.

“Kekekekekekeke”

The innate ghost laughed sinisterly. He had revealed his true appearance. Although he was still surrounded by the ghost fog of the netherworld, he could still see his appearance.

it was a young man with a pale face, thin as a stick, and a height of two meters.

His eyes were pitch black.

His pupils could not be seen at all.

“Lan lan of the God race and those from the demon race, what is your purpose in coming to Saint peace state?”

The innate ghost asked.

“Bring ‘holy peace Region’ into the divine Kingdom.”

Lan lan said.

“The ‘holy peace Region’ will be turned into a purgatory of the demon race.”

The demon said in a deep voice.

“Kekekekekekeke”

The innate ghost laughed eerily, ” it seems like the three of us have the same goal. We all have our eyes on Saint peace state.

“Tell me the truth.”

“I’m very curious. This is only an ‘origin land’. Although it’s very precious, it’s not enough to attract the six races to fight for it at the same time.”

“This is something that has never happened before.”

“i feel that there must be a huge secret behind this.”

“Why are you asking so much?”

Lan lan snorted coldly. this is my master’s order. All I have to do is to complete my master’s order. I don’t care about anything else.

“.....”

The demon fell into deep thought.

One had to know.

The human race had even sent that Lord here!

Therefore ...

There must be a huge secret in the Holy peace Region.

Thinking of this ...

This demon was a little scared. In front of such a big secret, he was afraid that with his small body, a wave would smash him into pieces.

With that thought in mind, the devil raised his head and looked at the innate ghost. He then said in a deep voice, ” “very good. i think you’re right. we must be careful and not act rashly.”

“Yes.”

A smile appeared on the innate ghost’s face and he said, ” in that case, we’ll wait for the final battle between the three races to end. When they decide the winner, when the Imperial court is established, and when the ‘origin of Saint peace state’ is revealed, we’ll make our move.

” in the end, the three of us will fight again. the winner will take away holy peace state. ”

“I agree,”

The demon nodded in agreement.

“Yes.”

lan lan pondered for a while and said, ” that’s good too. This way, we can get it done once and for all. I agree too. Let’s do it this way.

BOOM! BOOM! boom!

“Kill!”

While lan lan and the others were talking.

The sea Dragon God had actually successfully broken through to the mid-ninth rank. After his cultivation increased, his strength naturally increased, and he directly charged out of the sea Army.

The target was Wutian.

“Eight forms of the demon God!”

“Blue flame formation!” The sea Dragon God shouted.

Buzzzzzz! Buzzzzzz! Buzzzzzz!

The sea Dragon God attacked, and his demonic god Power surged, forming turbulent blue flames. It was as if the flames of water were born from the endless sea.

the blue flames burned and turned into a formation, shrouding wutian.

“Small tricks.”

Wutian snorted and waved his right hand. Lightning flashed, and the stone Book opened. A winding Dragon was printed on the page. Wutian injected his energy into it.

“Roar!”

The true dragon on the page came back to life and rushed out of the page.

BOOM!

The true dragon charged forward.

Bang Bang Bang Bang!

the formation of blue flames exploded, and the book true dragon was also shattered.

“You actually managed to get this thing.”

The sea Dragon God looked at Wutian coldly. His eyes fell on The Stone Book and he shouted, " however, I'm no longer at the early ninth level, but the mid ninth level.

"This treasure alone can't save you."

"Die!"

Buzzzzzz! Buzzzzzz!

The sea Dragon God roared and charged at Wutian again.

Bang Bang Bang Bang!

wutian retaliated. the fake book of the nether world in his hand released many moves. the pages flipped one after another, and each page recorded all kinds of secret techniques.

The two sides were engaged in an intense battle.

At the same time.

On the battlefield.

The Allied army of the empires at the sea realm had also joined the battle.

The war was chaotic again.

However ...

Jiang Li's mechanical Army worked with the Xia Army. They were the most powerful on the battlefield and killed a large number of creatures.

he had the absolute advantage.

He couldn't help it.

The monster army, the remaining barbarian Army, and the Allied army of the sea dynasty that joined the battle began to work together to deal with Jiang Li's mechanical Army and great Xia's Army at the same time.

However ...

Even if they worked together, they would still be at a disadvantage against the firepower of the mechanical Army.

“Yin Yang Emperor sword!”

Clang!

After Jiang Li accumulated his power, he used the last of the emperor's power from the 'emperor's crown' and merged it into his sword. He made another powerful strike.

“Whoosh!”

The sword light was resplendent, and the sword light burst forth.

It was aimed at Wutian.

“Get lost!”

Fire Dragon! the sea Dragon God suddenly turned around and yelled. Blue flames gathered and turned into a lifelike Fire Dragon. It charged at Jiang Li and clashed with the Emperor Yin Yang sword.

“.....”

Wutian was taken aback.

He obviously didn't expect the sea Dragon God to stop Jiang Li's sword.

"Go!"

He didn't think much about it.

Wutian waved his right hand and the stone Book flew out. It turned into the size of a star and smashed into Jiang Li's sword.

"The Xia Emperor of the human race,"

the sea dragon god stared at jiang li coldly and shouted, "I won't allow you to interfere in this battle. Wutian's life belongs to me, so I'm the only one who can kill him.

"No existence is allowed to interfere."

"....."

Jiang Li squinted.

"This guy."

wutian's face darkened as well. he said in a low voice, "do you really think that you've got me? Since you're so determined to die, don't blame me for being impolite."

"hahahahaha!"

Jiang Li laughed and shook his head."This is ridiculous. Sea Dragon God, do you think this is a game? This is a war, a war that concerns the survival of our race!"

“I didn’t expect that you would say such stupid things as an Emperor. Also, Who Do You Think You Are? You can order me around? I can’t help but doubt your intelligence.”

Chapter 670

Humph! the sea Dragon God snorted. He didn’t argue with Jiang Li and charged at Wutian.

The two sides fought again.

hence.

Taking advantage of this time ...

Jiang Li waved his right hand and summoned the nine-colored soul Tinder from the soul Tinder column. He used the only level-nine soul Tinder and ten trillion energy points.

“Promoted to JX01 star Annihilator Wang Gang.”

Jiang Li chose his target.

“Whoosh!!!”

the next moment.

The level-nine soul Tinder and the ten trillion energy points formed a torrent and poured into Wang Gang, who was standing not far away from Jiang Li.

Buzzzzzz! Buzzzzzz! buzzzzzz!

In that instant.

Wang Gang's body glowed with light, covering his whole body. The level 9 soul
Tinder and ten trillion energy points were evolving and transforming Wang Gang.

A few seconds later.

The advancement was complete.

The light disappeared.

Wang Gang stood in front of Jiang Li.

He had short hair, sharp facial features, a strong square face, and a burly body. He
was 1.8 meters tall, and his appearance had changed to that of a middle-aged man.
He was no longer a young man.

Other than that.

Wang Gang's military uniform had also changed.

he had already been promoted from general to marshal.

Shua!

Jiang Li checked the message.

[troop type: super mech warrior-antimatter energy source]

[rank: early ninth-rank]

[military rank: Marshal-planet level]

[No.: Cjjx01-FWZNY]

top-tier level Seven skills: star space combat technique, close-combat Master, psionic master, super Ares fist, Ares strike, nuclear palm, star space combat technique ”

[antimatter energy: super mech Warriors powered by ‘antimatter’ possess unparalleled destructive power. Destroying planets and galaxies is as easy as eating and drinking.]

[machinery: Jian Jia (omitted)]

upgrade: two hundred trillion energy points ”

Very quickly.

Jiang Li finished reading Wang Gang’s information after he was promoted. There were comprehensive changes. He had unified plans for his skills. There were new ‘antimatter’ energy sources, skills, and weapons.

Obviously.

‘Super Mech Warrior-antimatter energy’.

They were powerful mech Warriors that used ‘antimatter’ as their energy source.

in other words ...

Wang Gang's body was equipped with an antimatter energy reactor.

One had to know.

Jiang Li didn't know how powerful the explosion of antimatter would be, so he could only test it through actual combat.

Other than these.

After reaching the ninth step.

there was also an additional column of 'military rank'.

one had to know.

Although the meches had military ranks in the past, they didn't have a column to introduce them. Now, there was a column for military ranks.

This was because when one's military rank reached the 'Marshal-planet level'.

There would be a qualitative change.

It could be said that ...

His military rank was 'Marshal-planet level', and he could already command an 'interstellar base'. He could freely command his mechanical Army and could command a planet.

"Upgrade."

...

Buzzzzzz! Buzzzzzz!

In an instant.

Jiang Li used 1.4 trillion energy points to upgrade Wang Gang from early-stage to perfected-stage level nine.

Skill upgrade, strength upgrade.

Overall improvement.

“Thank you, chief sovereign!”

Jiang Li. Wang Gang saluted Jiang Li.

“Marshal Wang Gang!”

In addition.

MYL01, WMS01, and SSTs01 saluted Wang Gang. Because they were special meches, even if they reached level nine, they couldn't be promoted. They would always be generals, and they had different skills.

“Yes.”

...

Wang Gang saluted in response.

Unknowingly.

WMS01, MYL01 and SSTs01's evolution progress had reached 100% once more, and they could already reach the mid-type 9 realm.

“Upgrade!”

Buzzzzzz! Buzzzzzz!

Jiang Li used six hundred trillion energy points to upgrade WMS01, SSTs01, and MYL01 to the mid-stage of level nine.

“Thank you, chief sovereign!”

WMS01 and the others saluted at the same time.

“Yes.”

Jiang Li smiled and looked at the sea Dragon God and Wutian, Wu qiu Huang and Luo yinsha who were still fighting and the chaotic battlefield.

“It’s time to end this war.”

Jiang Li took a deep breath, waved his right hand and shouted, ” WMS01, MYL01, SSTs01, Wang Gang, hear my order, kill!!!

“Yes!”

kill!!!

“Attack!”

Shua! Shua! Shua!

As soon as he finished speaking.

WMS01 and the others disappeared. In an instant, they were already attacking Sea Dragon God and Wutian at the same time.

“Rumble!”

An explosion sounded.

“Not good!”

Sea Dragon God was shocked. He quickly retreated and put some distance between them, narrowly avoiding WMS01’s attack. Wutian blocked the attack with the pseudo-Earth Book and quickly retreated.

“Mid-ninth level!”

It was only a short exchange.

The sea Dragon God could sense WMS01’s cultivation base and strength. His face was full of shock and disbelief. He couldn’t believe that WMS01 and the others, who were only at the early stage of the ninth-rank a moment ago, had now reached the mid-stage of the ninth-rank.

“What?”

Wutian’s eyes widened in shock. mid-ninth level! they were all mid-ninth level! How was that possible? How is this possible?”

He couldn’t believe it!

They couldn’t believe it!

“Si si si ...”

“the strength of his majesty’s three subordinates has increased again.”

” unbelievable! ”

mid-ninth level! Three mid-ninth level combatants!

“hahahahaha!”

Wu Wuji, Lin Tianjian, Lord Chi, and Elder Brown immediately cheered excitedly.

At the same time.

Luo yinsha and Wu qiuhuang stopped as well. They looked at Jiang Li with killing intent and said in a low voice, ” this Emperor Xia, Jiang Li, has hidden himself so well.

“Mid-ninth rank! There are three mid-ninth level combatants!”

“How did he do it?”

“This bi an ...”

Shocking!

Luo yinsha and Wu qiuhuang were both extremely shocked.

“Do you want to continue?”

Wutian! Wu qiuhuang shouted, ” if we keep fighting, Wutian won’t be able to defeat Jiang Li. Even the sea Dragon God will be killed.

“When the time comes.”

“The human race will obtain the final victory.”

“.....”

Luo yinsha’s expression was gloomy.

“hmp!”

Wu qiuhuang snorted.

“Kill!”

Shua!

Wu qiuhuang dashed towards Jiang Li at a very fast speed. He was like a bolt of lightning that passed through space.

“death submerging!”

“demon god awakening!”

“purgatory of heaven!”

buzzzzzz! Buzzzzzz! buzzzzzz!

WMS01 and the other two joined forces and rushed towards Wu qiuhuang, blocking his path. They activated their strongest skills and blasted towards him.

Thunder Dragon totem!

Roar!

Wu qiu Huang's totem appeared. It was a five-clawed Lightning Dragon. The Dragon roared and soared into the sky. It roared and roared, releasing a terrifying Dragon Breath.

the attack from WMS01 and the others was blocked.

It had to be said.

Wu qiu Huang was very strong, but WMS01 and the others were not weak either. Although they were only mid-ninth level, the three of them together could still hold off the late-ninth level Wu qiu Huang.

"This is an ..."

The sea Dragon God and Wutian watched the battle in a daze.

"Astral battle technique."

buzzzzzz!

Wang Gang teleported. In an instant, he was in front of Wutian and sea dragon god. His face was calm and cold, without any fluctuations.

After that.

Wang Gang clenched his fist.

An extremely terrifying antimatter energy was attached to his fist, producing an indescribable wave that could annihilate matter. He then punched out.

Bang Bang Bang Bang!

Matter was annihilated, and space was shattered.

Kachaa! Kachaa!

“No!”

The sea Dragon God’s eyes widened. He could feel the aura of death. In this moment of crisis, all his power burst out.

His Demon God bloodline was ignited.

buzzzzzz! Buzzzzzz!

Endless flames were surging.

Roar! Roar!

the true dragon of national aura roared, and the saint weapon exploded.

Bang!

However ...

When Wang Gang’s punch landed, everything was annihilated. The Saint weapons exploded, the flames were extinguished, and the defensive light curtain was shattered. Everything was like paper and tofu.

Powerful!

Unparalleled power!

“Pfft!”

Blood splattered everywhere.

the sea dragon god's head exploded and was reduced to dust. the terrifying power of annihilation rushed into the sea dragon god's body and wiped out all life.

One punch!

It was only one punch!

The sea Dragon God died.

terrifying!

It was absolutely powerful!

It was a crushing destruction.

Roar! "Roar!"

The sea Dragon Dynasty's true dragon appeared and let out a painful wail. Countless cracks appeared on its huge dragon body and it was gradually collapsing.

"Azure Emperor Art!"

Buzzzzzz!

let's go. Jiang Li activated his technique. The Azure Dragon rushed out and opened its huge mouth, then swallowed the fate of the sea Dragon Dynasty.

Very quickly.

Jiang Li felt that the Azure Dragon had reached its limit, but it was missing a crucial factor, so it couldn't go any further. It could only stay in the form of a four-clawed true dragon.

“This bi an ...”

Wutian’s eyes widened as he stared at the sea Dragon God’s body. Suddenly, he felt a sense of sympathy for Wang Gang, and his eyes were filled with fear.

One had to know.

Wutian had to use the power of the fake book of the nether world to fight the sea Dragon God, who was at the mid-ninth rank.

However ...

However, the other party was able to kill the sea Dragon God with one punch. The sea Dragon God used all his strength and used all his means, but he was unable to resist the punch.

In other words ...

The other party could easily kill him.

the sea Dragon God was actually Insta-killed!

Lan lan was also stunned, and her expression was a little startled.

“Tier 9 perfection!”

The innate ghost took a deep breath and said in a deep voice, ” “he’s an expert at the peak of the type 9 realm. his strength and cultivation are not any weaker than ours.”

“Unbelievable.”

“the humans of the saint peace state actually gave birth to a super powerhouse at the perfected type 9 realm,” the demon said in shock.”most importantly, this

powerhouse at the perfected type 9 realm is actually the subordinate and subordinate of emperor xia of the human race.”

“just what sort of ability does this xia emperor have? To be able to subdue a super expert at the peak of the ninth step, and make him willingly become his subordinate.”

“Not good!”

Wu qiu Huang shrank back in pain and said in shock, ” “that’s an expert at the great circle of the type 9 realm! He was actually a tier 9 perfected stage! There was no chance of winning! Wutian! Quickly run!”

“Super God of War fist!”

BOOM!

Wang Gang gathered a vast amount of antimatter energy and wrapped it in a layer of mechanical psionic energy. It formed a dark fist radiance and punched toward Wutian.
