

Army 75

Chapter 75 one shot to death

“Whoosh!!!”

Jiang Li stopped. The internal force in his dantian and the qi and blood around him calmed down.

After that.

Jiang Li looked at the middle-aged man who rushed into the mansion and pointed at him with a knife. Then he looked behind him.

Wang Chao and Ma Han ran in hurriedly.

“City Lord, I’m sorry, we didn’t manage to stop him.”

Ma Han said while panting.

“I’m fine.”

Jiang Li just smiled and didn’t care.

In reality.

If Jiang Li didn’t stop them, the mechs hiding around would have attacked the moment they rushed in.

“City Lord Jiang, I’m very sorry to tell you that you’ve made it big.”

Jiang Donglai sneered and smiled smugly. He walked out from behind, pointed at Jiang Li, and shouted, “the ‘blood refinement bead’ is an evil item. It’s an evil item that was refined with life.

but Jiang Li, you used an ‘evil object’ to cultivate. You must’ve killed countless people to make this blood refinement bead. You’ve committed a terrible crime. According to the laws of the great Qian dynasty, you should be killed!

“you’re talking nonsense.”

no! Wang Chao immediately shouted. this blood refinement bead is clearly a trophy that the castellan snatched from the half-monster Alliance. He didn’t make it at all.

“Hehe, what evidence do you have for your words?”

“humph!” jiang donglai snorted. “the blood refining bead is in jiang li’s hand now. i just saw jiang li using the blood refining bead to practice. this is the evidence.”

Chief Constable Wang, please do it. Capture Jiang Li first, then bring him back to the Black Dragon County. The county King will try him himself. I believe the truth will be out soon.

“Well, that’s good.”

Chief Wang, the middle-aged man with a square face and a knife in his right hand, nodded. His expression was cold, as if he was impartial and incorruptible. regardless of whether this is true or false, we’ll capture him first and interrogate him slowly.

“No, you can’t,”

At this moment.

The Han Li notice was the first to receive the news, so he rushed over. He ran in from the outside with a few newly recruited constables and subordinates.

“jiang donglai, what are you all doing? Are you trying to abuse your power?”

Han Liqi scolded.

“Wang Ling pays his respects to the county Lord.”

Chief Constable Wang cupped his hands and saluted Han Liqi.

“Your Excellency.”

Jiang Donglai cupped his hands and saluted. You’re smiling. How could we abuse our authority? ”

No matter what, Jiang Li is the Lord of a city. You can’t take him away just like that.

Han Liqi shouted.

“Your Excellency, you can’t say that.”

Jiang Donglai smiled. Jiang Li made ‘evil things’ and used them to cultivate. I’m afraid he’s killed many people in secret. He’s really guilty.

“What evidence do you have?”

Han Liqi asked with a frown.

The blood refinement bead in Jiang Li’s hand is the evidence. We just saw Jiang Li practicing with the blood refinement bead again.

Jiang Donglai said.

“This blood refining bead is Jiang Li’s trophy.”

Han Liqi said.

“No.”

No. Jiang Donglai shook his head. Jiang Li made this at the cost of tens of thousands of lives. It's not his trophy at all.

"You're distorting the truth."

wang chao shouted.

Jiang Donglai shook his head with a smile. no, no, no. You were all tricked by Jiang Li. If you don't believe me, I have a witness.

Zhou Tianzhang, come in and reveal Jiang Li's true face to the state Lord.

"Yes."

At the door.

A familiar figure slowly walked in with his head slightly lowered.

"Elder Zhou Tianzhang of the Sirius gang greets my Lords."

Zhou Tianzhang bowed.

"Elder Zhou, what are you doing?"

Wang Chao and ma han were stunned. They did not expect Zhou Tianzhang to betray them.

...

"....."

Han Liqi frowned.

“Tell me what you know.”

Jiang Donglai smiled.

“yes.”

Zhou Tianzhang didn't dare to look at Jiang Li. He swallowed and said slowly, "Jiang Li made the blood refining beads himself. I saw it with my own eyes. He killed several villages. They're not his spoils at all.

also, in Qingshan Valley, Zhang Ling, dugu Luo, and the cloaked man in Black weren't from the half-monster Alliance. They're all Jiang Li's men. The 'blood refining formation' is fake too. He's already made the blood refining beads. It's all Jiang Li's scheme. He's just acting for us.

“Jiang Li is the real culprit.”

” don't be fooled by him. he's a devil. ”

“Hahaha Yingluo, everyone, did you hear that? did you hear me?”

Jiang Donglai laughed. Zhou Tianzhang is not one of my men. He's a senior member of the Sirius gang. I don't think he's lying.

...

that's why I said Jiang Li is guilty. He should be killed.

County Lord, there are witnesses and physical evidence. If you stop us from arresting him, I'll have to suspect if you're with Jiang Li.

“you're so silly!”

Han Liqi did not know how to refute.

It had to be said.

Jiang Donglai had already planned this and bribed Zhou Tianzhang. Most importantly, Zhou Tianzhang's status was neither high nor low.

To distort black and white, to confuse right and wrong.

One Ring after another.

“Zhou Tianzhang, what benefits did they give you to make you say such words that go against your conscience? the city Lord has treated you well.”

Wang Chao shouted.

shut up. Who are you? do you think you are qualified to speak? ”

Zhou Tianzhang berated, “furthermore, everything I said is true.

“Kill him.”

No. Jiang Li waved his hand. I'm an eyesore.

Bang! Bang! Bang! Bang! Bang! Bang!

Suddenly.

Rapid gunshots sounded. The firearm meches hiding around raised their submachine guns and fired at Zhou Tianzhang. The bullets landed on his body.

Pfft! Pfft! Pfft!

Blood splattered everywhere.

“ah!”

A shrill scream rang out.

Zhou Tianzhang's body was turned into a Cork. Blood spurted out from all over his body, and bullet holes appeared all over his body. His eyes widened as he fell down stiffly.

He was dead.

“You lost your witness.”

Jiang Li shrugged with a smile and looked at Jiang Donglai. what should we do? ”

“you, you, you, you, you, you, you ...”

Jiang Donglai shivered instinctively and immediately hid behind Wang lingze. He glared at Jiang Li and yelled, ” good, good. Jiang Li, you've finally revealed your true colors.

now that they know that they can't hide it anymore, they're finally going to kill us all.

hehe, but it's a pity. We've long guessed that you'd be desperate, so we've invited chief Wang from the Black Dragon County. He's a warrior at the late stage of the second rank.

furthermore, he even brought three subordinates at the early stage of the second rank.

Jiang Li, you can't escape this.

Shua! Shua! Shua!

As soon as he finished speaking.

the three bailiffs behind wang ling rushed to jiang li from three different directions, trying to capture him.

“Be careful, city Lord.”

Wang Chao exclaimed.

BOOM!

A burly figure jumped up from behind Jiang Li and stood in front of him. He was two meters tall and raised the rocket launcher in his right hand.

Early-stage level two bio-mech.

SH01!

There was a loud ‘bang’.

The bazooka fired, and a huge Cannonball was fired, bringing out a fire-like smoke. It was extremely fast, and directly exploded on one of the people.

boom! boom!

the bomb exploded, and a dazzling flame burst out. the shockwaves spread out, and the temperature was extremely high.

“Ah!”

With a scream, the bailiff, who had reached the early stage of level two, had his protective Dipper energy shattered, and his body was blown into pieces.

A martial artist at the early stage of the second rank.

He was blasted to death by a cannon just like that.

The power of the bazooka of the early-stage level two bio-mech was extremely brutal. Even an early-stage level two martial artist would not be able to resist it.

He was directly blasted to death.

“Hurry up and retreat!”

what? “the two constables at the early stage of level two were so scared that their faces turned pale. They retreated in fear and looked at the burly figure standing in front of Jiang Li in horror.
