

Army 77

Chapter 77 I did not do this

Fear!

Wang Ling was already terrified.

Tier 2 perfection.

The other party was actually a powerful martial artist at the perfected stage of Tier 2.

One had to know.

The king of the Black Dragon County, Yi Heilong, was only at the peak of level two. Otherwise, he wouldn't have set his eyes on the 'blood refinement bead' in Jiang Li's hands.

And now ...

Jiang Li's subordinate was an expert who had reached the perfected stage of level two.

aghast!

Fear!

Unbelievable!

All kinds of emotions welled up in Wang Ling's heart, and he was directly dumbfounded and unable to suppress himself.

"What, this Yingluo?"

Han Liqi was also dumbfounded. He looked at Wang Gang, then at Jiang Li and said in shock, ” Jiang Li’s subordinate is an expert at the perfected stage of level two.

In reality.

Han Liqi had always thought that Jiang Li’s subordinate was not weak, but he was at most at the mid-stage of level two and at most at the late-stage.

Who would have thought.

He was at the perfected stage of Tier 2!

He was actually at the great circle of stage two!

with just one move, he had injured wang lingze, who was at the late stage of second rank, and his internal organs had suffered severe injuries.

Such injuries were not light.

“Who is this Jiang Li? Was he really the leader of a third-rate gang? To be able to make a Peak 2nd rank expert willingly become his subordinate.”

Han Liqi found it hard to understand. or is there another reason? ”

“No, this is impossible!”

Jiang Donglai was shrieking. His whole body was trembling, and his face was pale and bloodless. His heart was filled with fear. this is impossible. How can he be at the perfected stage of tier two? ”

in reality.

Jiang Li asked the bio-mech to stop Wang lingze and Wang Gang to kill the two level-two constables.

After all ...

the biochemical mech, sh01, was only at the early stage of level two. it might not be able to stop two martial artists at the early stage of level two.

However, with Wang Gang's strength, he could kill an early stage rank two with one move.

If a level-two Constable got close to Jiang Li, he would be in big trouble.

After all, Jiang Li was only at the early stage of level one. He probably couldn't block one move from a level two martial artist.

BOOM!

Wang Gang attacked again with all his strength.

With a leap, he was extremely fast, and in the blink of an eye, he was in front of Wang lingze. When his fists fell, the powerful force caused an explosion in the air.

In an instant.

He punched out hundreds of times, forming fist shadows that filled the sky.

"Thirteen whirlwind blades."

Clang clang clang clang

Wang Ling roared. He dodged to the side with all his strength, picked up the long saber that had been sent flying, and displayed his saber technique. With bursts of Saber Light like a whirlwind, he blocked Wang Gang's Swift and violent attack with great difficulty.

"Shake!"

Thump!

Wang Gang's full-force punch produced a powerful force that formed circles of air waves that swept in all directions, completely crushing Wang Lingze's saber momentum.

pfff!

"Ah!"

Wang Ling let out a blood-curdling screech as this powerful force sent him flying again. He spat out blood as the shockwaves invaded his internal organs and damaged them.

"Kill him!"

stop! Jiang Li shouted coldly.

"City Lord Jiang, you can't."

han liqi's pupils shrank and he shouted, "Wang Ling is the Chief of Detectives of the Black Dragon County. You can't kill him. If you do, you'll be challenging the laws of the great Qian dynasty."

"County Magistrate han, you're mistaken. I didn't kill Wang Ling, he was killed by the demon race, and we saw it with our own eyes."

jiang li glanced at han liqi and said, "Isn't that so?"

"You Chenchen"

...

Han Liqi was stunned.

“Pfft!”

Wang Gang’s fist fell with an indomitable momentum, completely crushing Wang lingze’s defense and shattering his heart with the power of the shock.

* Cough cough *

Wang Ling coughed up blood non-stop. His eyes widened, and he clutched his chest as he fell straight down. His head tilted to the left, and he was completely dead.

He was dead.

Buzzzzzz!

Suddenly.

A black light spot flew out of Wang lingze’s body like a Firefly and into Jiang Li’s forehead.

[acquired a stage-two soul Tinder!]

A notification appeared.

...

“Soul Fire seed.”

Jiang Li’s eyes lit up and he was overjoyed. I’m lucky. I got a level-two soul Tinder after killing four level-two soul Tinders. Now I have four level-two soul Tinders.

now.

Wang Ling, who was at the late stage of second rank, and three bailiffs, who were at the early stage of second rank.

All of them had been killed.

Including Zhou Tianzhang's body, there were a total of five bodies lying on the ground. The air was filled with the pungent smell of blood.

Plop!

Jiang Donglai was so frightened that he knelt down.

“jiang zhizhi, city lord jiang, spare me, spare me, qianqian!”

Jiang Donglai was completely panicking. Wang lingze had been killed, and the other party was the Chief of Detectives, who belonged to the great Qian dynasty. Jiang Li didn't even dare to attack him without hesitation.

That was even more so for him.

He would definitely be killed.

so,

Jiang Donglai immediately knelt down and begged for mercy.

“City Lord Jiang Zhizhi, I, Qianqian, can testify for you. The death of Wang lingze and these three constables had nothing to do with city Lord Jiang. They were all killed by the demons.”

Jiang Donglai said loudly, ” city Lord Jiang, with me as a witness, it's more credible. I'm still useful, I'm still useful. Please spare my life.

all of this was done by Hei Long. He wanted me to frame him, to turn black into white, to bribe Zhou Tianzhang, to frame you, city Lord Jiang, for refining the blood refinement bead. All of these schemes and intrigues were done by Hei Long. They had nothing to do with me. Really, they really had nothing to do with me. I was just an errand boy.

Jiang Donglai cried.

“Hehe, now you know how to beg for mercy. You really deserve it.”

Wang Chao laughed coldly and said in a mocking tone.

” the city lord is wise and powerful, both intelligent and brave. he’s invincible in the world. he’s not someone you villains can frame. ”

Ma han sneered and obviously flattered Jiang Li.

bang!

A gunshot rang out.

Jiang Li pulled the trigger and the bullet shot out of the gun. Jiang Donglai didn’t even have time to react before his forehead was pierced.

Pfft!

Blood splattered everywhere.

A bullet hole appeared between Jiang Donglai’s brows. Blood oozed out and he lost all signs of life. He died immediately and fell to the ground.

“You overestimate your own value.”

Jiang Li looked at Jiang Donglai’s body and said, ” “Compared to you, the one who can convince the great Qian dynasty is still the Han County Lord.”

“Don’t you think so, County Lord han?”

Jiang Li looked at han Liqi with a smile while playing with the gun mech's pistol.

“hu~~hu~hu~”

Han Liqi took a deep breath and looked at the six bodies on the ground with a complicated expression. He then looked at the weapon in Jiang Li's hand and Wang Gang, who was standing next to Jiang Li.

“Forget it,”

“as the chief of detectives of the prefecture, wang ling assisted the prefecture king in framing city lord jiang. this in itself is a violation of the laws of the great qian dynasty. he deserves to die,” han liqi said in a deep voice.

“Wang Ling, three bailiffs, and Jiang Donglai were all killed by demons. It's been confirmed. In a few days, I'll report this to the great gan dynasty and have it directly confirmed.”

“city lord jiang, you can rest assured.”

“Hahahahaha!”

Jiang Li laughed and took out a bottle of 'internal energy Pills' and gave it to han Liqi. County Lord han, you're so righteous. This is an internal energy pill, a level two low-grade pill. It's suitable for the cultivation of level two martial artists. You must take it.

“It would be impolite if I don't accept a gift from city Lord Jiang.”

Han Liqi smiled and kept the pill. city Lord Jiang, there's something I have to remind you. For Black Dragon Ying to be able to become a King, he's not a good person.

“You have to be careful.”

thank you for the reminder, County Lord han. I've already kept it in mind.

Jiang Li smiled back.

“Farewell.”

Han Liqi cupped his hands and turned to leave.

“County Magistrate han, do you want to bring these corpses back?”

Jiang Li asked.

“There’s no need for that.”

Han Liqi waved his hand and left without looking back.
