

Army 84

Chapter 84 The abandoned restaurant

The night came as scheduled.

Jiang Li came out of the castellan mansion. He looked up at the sky. The stars were bright and the moon was bright. The buildings around seemed to be covered in a layer of silver.

“Why not ‘dark and windy’?”

it’s too late, ” Jiang Li mumbled, ” the night is too good. It doesn’t fit what I’m going to do next.

Behind him.

Meches came out one after another and stood in an orderly line.

It was very imposing.

“City Lord,”

” thank you, jiang li. ” hong tianqi walked over and saluted jiang li respectfully. his aura had improved a lot and he had reached the early stage of level two.

“yes.”

” yes. ” jiang li nodded. ” lead the way. ”

“Yes.”

yes! Hong Tianqi replied respectfully.

he's Jiang Li? ”

On the other side.

Jiang Li. Hong Luan was hiding in a hidden corner. She hid her presence and observed Jiang Li from afar.

Because the city Lord's mansion was heavily guarded and there were meches patrolling, Red Kite didn't dare to get too close during the day. He planned to sneak into the city Lord's mansion at night.

He didn't expect this.

Before she sneaked into the mansion, she saw Jiang Li come out with so many people. It seemed like he was going to do something big.

“Let's follow and take a look.”

Hong Luan's eyes flickered as she followed him with curiosity.

“Chief sovereign.”

Wang Gang quickly walked to Jiang Li and whispered in his ear, ” someone is following us. Do you want to capture him? ”

“Someone's following us.”

Jiang Li stopped, but he soon returned to normal. He walked forward steadily and asked in a low voice, ” “How's his strength?”

the other party has hidden his aura. We can't confirm it for now.

Wang Gang replied, ” but I didn't sense any obvious hostility from him.

“Yes.”

let's keep an eye on them and don't alert them. Our main task tonight is to kill the people from the 'half-monster Alliance' in the city.

“these half-monster alliance idiots, do they really think i don't know they're hiding in the city? The Sirius gang's business chain is spread throughout the entire great Xia city.”

“Nothing in the great Xia city can escape the eyes of the Sirius gang,”

“You don't know what's good for you.”

Half an hour later.

“City Lord, we've arrived.”

hong tianqi stopped and looked ahead. it was an abandoned restaurant in a remote area, giving off a gloomy feeling.

“They're hiding here.”

Jiang Li looked at the abandoned restaurant in front of him. He had sent people to investigate it. The owner of the restaurant was killed by a competitor, then the restaurant closed down and was abandoned here.

“Surround them.”

jiang li waved his hand.

“Yes.”

shua! shua! Shua!

The hundreds of meches moved immediately. Each of them was at the perfected stage of level one. They were very fast and surrounded the abandoned restaurant.

In the abandoned restaurant.

“What’s going on?”

Elder Silver Eagle of the half-monster Alliance looked out of the window with cold eyes. He saw soldiers with cold faces and similar clothes.

“Elder, I think we’ve been discovered.”

In the surroundings.

The half-monsters of the half-monster Alliance looked serious.

“How did we get discovered?”

“It was clearly hidden very well.”

“this bi an ...”

The half-fiends that the Silver Eagle brought looked at each other, their eyes full of vigilance.

In reality.

...

Two days ago.

the silver eagle had already arrived at the great xia city and sent hundreds of half-monsters of the half-monster alliance. after learning about jiang li’s situation, they planned to find an opportunity to kill jiang li and get the blood refining bead back.

however ...

Before Silver Eagle made a move, Jiang Li received the news from the Sirius gang. He suspected that a half-monster had snuck into the great Xia city and found the abandoned restaurant where Silver Eagle and the others were hiding.

Hence.

let's go. Jiang Li decided to attack the half-monsters that night.

“Jiang Li.”

Jiang Li. the Silver Eagle looked coldly at Jiang Li who was outside the abandoned restaurant. I underestimated you. I didn't expect you to have such deep control over the great Xia city. You found my hiding place so quickly.

“This is good too.”

“since you've delivered yourself to my door, i'll deal with you myself,” the silver eagle said in a deep voice.

Obviously.

...

the silver eagle was very confident in himself.

Or rather ...

he was quite confident in his own strength.

“Deacon ke, I told you to send your men to invite Hong Luan. Why is there still no news?”

The silver Hawk asked a Deacon behind him.

“Elder, the subordinate I sent has been killed.”

“We don’t know who killed him yet,” Deacon ke replied.

“He’s dead,”

Silver Eagle frowned. I wanted to persuade Hong Luan to fight Jiang Li with me, but it seems like I won’t have the chance. Get ready. When the time comes, listen to my order and rush out.

when the time comes, I’ll go to Jiang Li and break through their blockade. I’ll capture Jiang Li, take back the blood refining bead, and then leave the great Xia city.

“Yes.”

“Yes, sir!”

“!!!”

yes! the hundreds of half-monster Alliance members responded in unison.

outside.

“Do it.”

attack! Jiang Li waved his hand and gave the order to attack.

“BOOM!”

an explosion sounded.

sh01 raised the rocket launcher in his hands and fired a single shot. the rocket exploded, releasing a terrifying amount of power.

The entire abandoned restaurant was on the verge of collapse.

There was a soaring flame.

“Ah!”

a scream came from the abandoned restaurant.

“what was that just now?”

“be careful!”

“The restaurant is going to collapse.”

“Hurry up!”

The members of the half-monster Alliance screamed in horror.

Not only that.

A few members of the half-monster Alliance were killed by the blast wave because they were too close to the explosion. Their bodies fell to the ground, looking extremely miserable.

“!!!”

The Silver Eagle’s pupils contracted.

“Rumble!”

The abandoned restaurant had collapsed, and was blasted by the SH01.

“charge!”

The Silver Eagle roared loudly.

“Charge out!”

“Hurry up!”

kill!!!

Shua! Shua! Shua!

Hundreds of members of the half-monster Alliance rushed out as fast as they could when the abandoned restaurant collapsed. They flashed and fled in all directions.

“Stop them. Don’t leave a single one alive.”

you’re right, ” Jiang Li said coldly.

“Yes.”

Hundreds of meches attacked at the same time. Each mech was at the perfected stage of level one. They were much stronger than the members of the half-monster Alliance.

perfected-stage level one! They’re all martial artists in the perfected-stage level one!

how is this possible?!

“Oh my God!”

“Run!”

Pfft! Pfft! Pfft!

blood splattered everywhere.

The half-monster Alliance members screamed as they were killed by the meches one by one. It was a one-sided slaughter.

other than a few deacons whose cultivation had reached level two, the other half-demons could not even withstand a single blow.

Buzzzzzz! Buzzzzzz!

a few gray level-one soul tinders flew out of the body and merged into jiang li's body. he caught a few level-one soul tinders.

JJ01 stood next to Jiang Li. He raised the sniper cannon in his hand, equipped it with a normal sniper bullet clip, and locked onto an executive of the half-monster Alliance who was at the early stage of level two.

Bang!

After pulling the trigger, a deafening gunshot was heard. The sniper bullet broke through the air and broke the sound barrier. It was so fast that the half-monster Alliance Deacon didn't even have the chance to react.

“Pfft!”

his head was crushed by the bullet and he died immediately.
